## AUDITOR'S OPINION

Board of Selectmen  
Town of Wakefield  
Town Office  
Sanbornville, N.H. 03872

Members of the Board:

We have examined the financial statements of the Town of Wakefield for the year ending December 31, 1983, listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and included such tests of the accounting records as we considered necessary in the circumstances.

In our opinion these financial statements present fairly the financial position of the Town of Wakefield at December 31, 1983 and the results of its operations and changes in financial position for the year then ended, in accordance with generally accepted accounting principles applied on a basis consistent with the preceding year.

## **CABLE TELEVISION ADVISORY COMMITTEE**

The Wakefield Cable Television Advisory Committee hereby submits its activities report for 1983.

Discussions took place with Nashoba Communications, Inc. of Westford, Mass. during late 1982 and the first part of 1983. Following a public hearing a proposed contract was prepared with the advice of the Town's attorney. However, the financial problems of Nashoba precluded further discussions and we are no longer considering their proposal.

When discussions had ended, we again solicited proposals from cable companies via newspaper advertisements and direct requests. No formal proposals were received by the deadline that was set.

Since that time discussions have been held with four companies headquartered in New Hampshire. One of those firms expressed no interest. The remaining companies may submit proposals during March 1984. We, the committee, feel reasonably optimistic that a feasible proposal for a cable television system will be found in one of these proposals.

## REPORT OF THE TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Once again, our cooperative town and state forest fire prevention and control program leads the nation in least acres burned per forest fire. Less than one-half acre per fire statewide average.

At the town level, your Forest Fire Warden is responsible for the prevention and control of all grass and woods fires when the ground is not snow covered.

Forest fire prevention is achieved at the town level by issuing a written permit for every fire that is to be kindled on the ground out of doors when the ground is not covered with snow. Each person wishing to have an outside fire must obtain this written permit from the town Fire Warden before kindling the fire. Any person that does not obtain a fire permit, when one is required, is violating our forest fire permit law and is subject to a court appearance and could be fined up to \$1,000 and receive a jail sentence of up to one year.

No fire permit will be issued between 9:00 a.m. and 5:00 p.m. unless it is raining. The reason for this is twofold: the fire danger increases steadily between 9:00 a.m. and 2:00 p.m., then subsides to a safe level between 2:00 p.m. and 5:00 p.m. This happens because the sun dries out the fine fuels that are easily ignited and dries the air which permits rapid fire spread. Also during this part of the day fire fighters are not readily available in most communities so an escaped fire could burn longer and cause greater damage before being suppressed.

Your cooperation in burning only when conditions are safe is greatly appreciated.

As Smokey says, "Remember, Only You Can Prevent Forest Fires!"

## HIGHWAY DEPARTMENT REPORT

The Highway Department cleared and removed snow without major difficulty in 1983. The spring thaw and heavier than normal spring rains caused washouts that kept our crew busy during the month of April.

During the summer the scheduled construction on Bonnyman Road was completed with State subsidy funds. A sealing coat of tar will be sprayed on the road in 1984 finishing this project. In addition to our regular maintenance program the streets in Sanbornville and Acton Ridge Road, Perkins Hill Road, and Steve Drowns Road were tarred in 1983. A section of Oak Hill Road was widened with State subsidy funds and the Witchtrot Road intersection with Route 153 was paved with State Aid monies. Completion of construction work on Witchtrot Road is anticipated in 1984.

During the year our Caterpillar front-end loader was overhauled and is now in good working condition. We have also purchased and installed radios in Department trucks. We have found them especially valuable during snow removal operations.

Our Department's goal is to maintain the streets and highways of Wakefield at a reasonable, yet realistic cost. Ours is a public service and we will gladly respond to any of your questions and comments regarding Town roads.

Respectfully submitted,  
**ROBERT A. SMITH, JR.**  
Superintendent of Highways

## **PARKS AND RECREATION REPORT**

1983 was a successful year for the Wakefield Parks and Recreation Departments. Increased activity was enjoyed at the town beach. Additional recreational equipment was made available at the beach. The new docks were installed, enabling an increase in activity for instructional swim and the competitive swim programs. Our swim team participated in ten meets and looks forward to a busier schedule next summer. Interested citizens have provided the beach with three new trash barrels and a new picnic table. Our thanks to them and to the Wakefield Highway Department for storing our new docks over the winter.

Winter brought an exciting addition, with the new skating rink. Thanks to the time and efforts of many, the ice rink has provided hours of enjoyment for area youths.

Parks and Recreation also maintains the town triangles in Union and Sanbornville, the grounds in front of the Town Hall, as well as the playground in Sanbornville. We operate with very limited budget and limited areas. Our sincere appreciation goes to our supporters. Their time and energy are so important to us. We appreciate your support of our programs and look forward to continued support in the future.

## SOFTBALL FIELD

Great progress was made on the Town's new softball field during the 1983 season. Five hundred dollars raised by the town and eight hundred dollars left from a grant were used to install the backstop and foul line fencing. Through the efforts of the Tri-Town Softball League another \$900 was raised by a raffle. Local merchants and businessmen put up the raffle prizes. The raffle money was used to purchase special infield fill and equipment rental. Members of the local teams worked on the field nights and weekends until the playing surface took shape. The great progress that took place could not have happened without the generous donation of equipment and time by Terry Garland, Lloyd and Mark Parker, Longmeadow Farm and Home Supply, and John Couch. The members of the Poor People's Pub team kept the field mowed and litter picked up.

This year our field committee is requesting \$1500 to help with our 1984 projects as follows: installation of outfield fences, gradework on the outfield, and clearing a separate entrance to the field. The League is planning another raffle in hopes of matching any funds raised by the town.

This year the field was used four nights per week and Sundays to the enthusiastic enjoyment of numerous players and fans. We were pleased to see our efforts enjoyed by so many people throughout the summer and further support our belief in the need of this type of recreation facility in Wakefield. The field is located behind the Wakefield Town Garage. Visitors and fans are always encouraged and welcome.

Respectively submitted,  
JAMES F. KEATING, III  
JOHN COUCH

## **PLANNING BOARD REPORT**

The Planning Board met regularly throughout 1983. Our meetings are held generally on the last Thursday of each month. Over that period a number of subdivisions were approved. In April the Planning Board adopted a revised set of subdivision regulations. These regulations will better protect our community and establish minimum standards for subdivisions. The Board has proposed the adoption of a new building code. That code will be discussed and voted on at the 1984 Town Meeting.

In many of our activities we have received assistance from the Lakes Region Planning Commission. The executive director of the commission, Roger Akeley, has announced that he will be leaving that position. We have mixed emotions as Roger has been a great help to the Board and our community over the years. We wish him well in his new job in New York.

Respectfully submitted,  
DAVID STEVENS  
Chairman, Planning Board

**WAKEFIELD POLICE DEPARTMENT**  
**Town Report**  
**1983**

This year can be summarized as proving continued upgrading of professional training of Department members, and citizen cooperation can effectively diminish crime. The success of this strategy is reflected in Department statistics.

The following lists the areas of training attended by Department members:

Drug Enforcement Course - 2 week - Certificate  
(myself)  
Police Academy - 10 week - Full Time Officer  
Intoximeter Operators  
State Radar Instructor

**JUVENILE OFFICER**

Juvenile Refresher Training

Sudden Infant Death Seminar  
Governor's Youth Council Conferences

**IN SERVICE TRAINING**

D.W.I. Refresher/update  
Search & Seizure Review  
Policy and Procedures Review

Because of the geographical nature of Wakefield, and the lifestyle of its year round and summer residents, burglary has been a priority in community needs. We have had continued success in effectively reducing the incidence of this crime over the years, and these results have been achieved through public awareness and cooperation. If we are to continue to reduce burglaries, citizens must be aware of the simple precautions they can take to prevent the likelihood of their becoming victims. In a continued effort to increase public awareness of self-

protection as a strong crime deterrent. I am preparing an in depth information guide for public distribution.

## WAKEFIELD CRIME ANALYSIS

### UNIFORM CRIME REPORTS:

	1980	1981	1982	1983
All Categories (Reported)	420	368	219	224
Burglary	93	53	46	39
Criminal Trespass	54	32	26	18
Theft	86	79	68	68
Crim. Misc. (Vandalism)	81	85	32	30

The above statistics are more important than any that follow in this report, because they, more than any, reflect the climate of Crime in Wakefield.

Arrest records do not reflect a decrease in criminal activity, nor do they, in themselves, determine Department activity or effectiveness.

An accurately kept Uniform Crime Report is the criteria for determining how safe the town is, and how effective police procedure is in lowering incidents of criminal activity.

I am proud of the Department record, but I am more proud of the citizen cooperation which continues to grow and assist us in making this town safer each year.

My sincere thanks to the many organizations and private individuals who have assisted with Community Service projects. Our Food Pantry has been stocked, replenished, and distributed through generous and concerned people. My appreciation to those too, who have contributed clothes for the needy, and to the U.S. Marine Corps. for our successful Toys for Tots program. A very special thanks to Mr. William Twombly for his help with this program.

I am pleased with the overall quality of Police service being provided the Town, and it is especially satisfying to know that each year it has been accomplished within the Budget Appropriation. We have always had a surplus, in spite of obstacles that have been challenging.

Thank you to all of you who have been so supportive of our efforts.

Respectfully submitted,  
CHARLES E. SULLIVAN  
Chief of Police

### **UNION VILLAGE LIBRARY Annual Report 1983**

The Union Village Library has been open for business as usual Mondays and Wednesdays for the past year. We have received many donations of books and magazines for which we are most grateful. The books which we borrowed from the State at our last visit were given to us when the former Bookmobile office was closed due to lack of funds. With these gifts and our purchases, we have added 443 volumes to our collection.

The Trustees, under the Chairmanship of Marion Nason, held two benefit coffees to raise money for a new carpet and reference books. A continuous book sale was held during the summer at Grandma's Attic which helped dispense with some of the books weeded from the shelves.

A Story Hour was held during the summer with Eleanor Eastman as Story Lady, and the Trustees served punch and cookies.

The loan of books from Gafney Library has been greatly appreciated.

The school children visit the Library regularly and the Librarian has conducted a program of Creative Dramatics at the school.

Grateful appreciation is extended to all our Patrons and Friends who support us in any way.

**WAKEFIELD LIBRARY ASSOCIATION**  
**Annual Report 1983**

1983 has been a very special year. The Library was entered in the National Register of Historic Places on September 8th. As a result of the publicity of this event, there were more visitors than usual and more new patrons than in past years, which resulted in a greater circulation.

Some repair work was done on the building and the books have been rearranged for better access.

Gifts of money and books were received during the year, two in memory of loved ones, all of which are much appreciated. The money will be used for the purchase of books.

The trustees of the Library are Mrs. Charles Faris, President, Mrs. Nancy Leonard, Mr. Russell Fogelin, Dr. Frank J. Heck and Mr. Alden Young, Secretary-Treasurer. The hours are Wednesdays from 2 to 5 P.M.

**EAST WAKEFIELD FIRE STATION REPORT**

Through the efforts of many volunteers the East Wakefield Fire Station moved a giant step nearer to reality.

In May the lot on Sanborn Road was cleared of trees and brush. The top soil removed and trenches were dug for footings. Footings were poured and block laying commenced in late summer and continued into the fall. Roof trusses and plywood roofing were put in place. The Aluminum roofing has been purchased but snow prevented its installation.

This building is 36' wide and 56' long with two double bays.

It is hoped that funds will be made available in 1984 to complete this structure.

Donations of money and equipment were received. A very successful raffle was conducted for the benefit of this volunteer fire department.
