## Town Warrant

---

### THE STATE OF NEW HAMPSHIRE

[L. S.]

*To the Inhabitants of the Town of Belmont in the County of Belknap, in said State, qualified to vote in Town affairs:*

You are hereby notified to meet at Community Hall, in said Belmont, on Tuesday, the 10th day of March next, at nine of the clock in the forenoon, to act upon the following subjects, and that said polls shall remain open until six o'clock:

Article 1. To choose all necessary Town Officers for the year ensuing.

Art. 2. To choose one Selectman for three years, one Trustee of the Public Library for three years, and one Trustee of the Trust Funds for three years.

Art. 3. To raise such sums of money as recommended in the Budget and make appropriations for the same.

Art. 4. To see if the Town will vote to petition the State Tax Commission to have an audit made by the municipal accounting division, and to make an appropriation to cover the expense of same.

Art. 5. To see if the Town will vote to allow a discount of 2% on all taxes paid on or before July 5th.

Art. 6. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Art. 7. To see what the Town will vote to do with its parsonage fund.

Art. 8. To see if the Town will vote to provide for additional fire, police and health protection due to the war emergency and to raise and appropriate the sum of \$300.00 for the same.

Art. 9. To see if the Town will vote to extend the water pipe line from the corner of the Gilmanton Road to the Reuben Willard property and install a hydrant.

Art. 10. To see if the Town will vote to unite the water works with the highway department, the men to receive the same rate of wages as they receive from the highway department.

Art. 11. To see if the Town will vote to close the old State road from Frazier's corner to Sanborn's corner.

Art. 12. To see if the Town will vote to close the old road from Sanborn's corner to Route 106.

Art. 13. To see if the Town will vote to accept the

budget committee's recommendation and to vote to raise and appropriate the sum of \$300.00 for sidewalk construction.

Art. 14. To see if the Town will vote to accept the budget committee's recommendation, and to raise and appropriate the sum of \$300.00 for special fire equipment, under the supervision of the Selectmen.

Art. 15. To see if the Town will vote to authorize the Selectmen to appoint the Road Agent and make all purchases for the highway department.

Art. 16. To see if the Town will vote to authorize the Selectmen to appoint the Fire Chief and make all purchases for the Fire Department.

Art. 17. To see if the Town will vote to rebuild Gale Street with black top and use funds from town maintenance for same.

Art. 18. To see if the Town will vote to accept the State's proposal for the construction on the Gil-manton Road, the State to contribute \$4,347.00 and the Town votes to raise and appropriate \$1,449.00.

Art. 19. To see if the Town will vote to rescind the vote taken March 12, 1940, relative to the adoption of the Municipal Budget Act and elect a Town Committee of ten members.

---

Art. 20. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 21st day of February in the year of our Lord 1942.

SAMUEL P. PHILBRICK,  
CHARLES E. WILLEY,  
STANLEY F. HILL,  
Selectmen of Belmont.

A true copy of Warrant—Attest:  
SAMUEL P. PHILBRICK,  
CHARLES E. WILLEY,  
STANLEY F. HILL,  
Selectmen of Belmont.

### LIBRARIAN'S REPORT

---

#### Circulation

Adults,	4,236
Juvenile,	1,476
Magazines,	169
	—————
Total,	5,881

Many of the adult books are read by high school students. Too bad more of the local people do not read more of these good up-to-date books.

Donation from Mrs. Roscoe Sawyer much appreciated. We have collected and given to soldiers' book

campaign so far more than 150 books and several cartons of magazines.

Received for fines,                   \$4 75

Paid for supplies and postage,   3 70

—————  
Cash to balance,                   \$1 05

ETTA B. DEARBORN,

Librarian.

## Financial Report

Belmont School District

For Fiscal Year Ending June 30, 1941

### RECEIPTS

Cash on hand July 1, 1940,	\$3,530 83
Received from Selectmen,	14,000 00
High school tuition,	438 00
State Aid,	4,163 82
Dog tax,	200 60
Telephone,	14 35
Refund,	26 77
Shop materials,	122 61
Students,	8 60
Part payment on Plummer School House,	200 00
Mabelle A. D. Clark, loan,	50 00
	<hr/>
Total Receipts,	\$22,755 58

### PAYMENTS

#### Administration

Salaries of District Officers:

W. E. Phillips,	\$36 00
Mildred H. Tasker,	41 34
Mabelle A. D. Clark,	41 33
Charles J. Colbath,	41 33
	<hr/>
Total,	\$160 00
Superintendent's Salary—District's Share:	

Winnifred F. Walker, Treas., Supervisory Union,		\$239 56
Truant Officer and School Census:		
W. R. Morrison,	\$2 10	
Dorothy Swain,	20 00	
R. E. Lane,	3 00	
	<hr/>	
Total,		\$25 10
Expenses of Administration:		
N. E. Telephone & Telegraph Co.,	\$82 29	
Winnifred F. Walker, Treas., Belmont's Share Supt.'s of- fice,	111 29	
Edson C. Eastman Co.,	1 02	
Mildred H. Tasker, postage and telephone,	10 00	
Mabelle A. D. Clark, postage and telephone,	10 00	
Charles J. Colbath, postage and telephone,	2 00	
W. E. Phillips, postage and telephone,	10 00	
	<hr/>	
Total,		\$226 60

### Instruction

#### Teachers' Salaries:

Editha Cowing,	\$1,000 00
Elsie Beckman,	1,000 00
Edna Smith,	525 00
Mary Burpee,	340 00
Ernest Peltonen, substitute,	8 00

Dorothy Swain, substitute,	16 00
Alberta Nelson,	850 00
Barbara Fowler,	950 00
Gordon Tate,	1,000 00
Agnes Moulton,	850 00
Elden H. Dustin,	1,700 00
Charles L. Young,	1,200 00

---

Total,

\$9,439 00

#### AUDITOR'S CERTIFICATE

I have this day, July 9, 1941, examined Secretary's and Treasurer's books of the Belmont School District and find them properly cast and vouched.

(Signed) FRED H. PIPER,  
July 9, 1941. Auditor.

## Treasurer's Report

Belmont School District

### Summary

Cash on hand June 30, 1940,	\$3,530 83
Received from Selectmen:	
Appropriation for current	
year,	\$14,000 00
Dog tax,	200 60
Received from State Treasurer:	
State aid,	4,163 82
Received from other sources,	860 33
	<hr/> 19,224 75
Total amount available for fiscal year (bal-	
ance and receipt),	\$22,755 58
Less School Board orders paid,	22,732 19
	<hr/> Balance on hand as of June 30, 1941,
	\$23 39

WILLIAM E. PHILLIPS,

June 30, 1941

District Treasurer.

## Budget for 1942-43

### Belmont School District

School Board's statement of amounts required to support public schools and meet other statutory obligations of the district for the fiscal year beginning July 1, 1942.

#### Detailed Statement of Expenditures

##### Support of Schools:

	High	Elem.	
Teachers' salaries,	\$6,700 00	\$5,500 00	
Textbooks,	200 00	400 00	
Scholars' supplies,	275 00	325 00	
Flags,	5 00	5 00	
Other expenses of instruction,	80 00	10 00	
Janitor service,	344 00	484 00	
Fuel,	350 00	450 00	
Light and janitor supplies,	165 00	160 00	
Minor repairs and expenses,	300 00	200 00	
Medical inspection,	85 00	475 00	
Transportation of pupils,		5,000 00	
Other special activities,		107 00	
	\$8,504 00	\$13,116 00	\$21,620 00

MILTON D. HAYWARD,  
NORMA A. PRESCOTT,

School Board.

Belmont, N. H., Jan. 6, 1942

## Report of Superintendent of Schools

---

To the Members of the School Board, Parents, and  
Voters of the Belmont School District:

Since December 7, 1941, the calm manner of our living and working has been affected radically. It is apparent now that as each month advances we shall need to adjust ourselves to rapid changes, to shortages in personnel and materials, to curtailment of activities, and to the development of new skills in everyday living. The day on which you may read this report will bring its demands which may be much different from those on the days in which this is being written. Come what may, this is being prepared to give you a brief summary of the year's responsibilities and achievements and not to forecast the future.

### *Teachers*

There have been several changes in our teaching force, but in each instance it has been possible to replace the individual who left our employ with one who admirably fulfills our needs.

At the Belmont High School, the shift in personnel has been greatest. Miss Barbara Fowler resigned to be married. Miss Jessie L. Dutrizac of Laconia, graduate of Keene Teachers College, was selected to teach Home Economics subjects and to coach girls' sports. Miss Dutrizac brings to our staff many abilities which she uses to the advantage of the school.

Gordon R. Tate was released from his contract during the summer to accept a position in Bristol. Donald F. Piper of Meredith, formerly principal at Tuftonboro, graduate of Keene Teachers College, was employed to teach social studies and to coach boys' athletics. Mr. Piper is a good leader and is an asset to the school.

With the increased enrollment, a fifth teacher was needed at the high school. Miss F. Elizabeth Swann, resident of Adams, Massachusetts, recent graduate of Bates College, assumed the position as teacher of English, typewriting for personal use, and coach of dramatics and speaking. Miss Swann is versatile and increases the school's helpfulness to pupils.

At the Gale School, Miss Edna Smith resigned last February to study at Plymouth Teachers College for her degree. Mrs. Mary C. Burpee of Troy, elementary school principal before her marriage, was hired to substitute in Grades V-VI for the rest of the school year.

Miss Elsie E. Beckman relinquished her position in Grades III-IV to be married and Mrs. Burpee accepted a contract for this place. We are fortunate to have been able to secure the services of Mrs. Burpee for this position.

As principal of the Gale School, James F. McKeon of Somersworth, with fine experience teaching boys in Epping, was hired. Mr. McKeon is a good singer and leader and brings added strength to our elementary school staff.

In selecting new teachers, it has been our aim to secure individuals who are not only good instructors but also capable leaders in activities in school and out. Our five new teachers are real assets to the school department.

*Schools Used, Pupils Enrolled, Teachers Employed*

The table gives information on school buildings used, pupils enrolled in September 1941, and teachers employed.

<i>School</i>	<i>Grade</i>	<i>Enrollment</i>	<i>Teacher</i>
Belmont High School	VII	25	Elden H. Dustin, Headmaster
	VIII	19	Jessie L. Dutrizac
	IX	23	Donald F. Piper
	X	27	F. Elizabeth Swann
	XI	12	Charles L. Young
	XII	14	
Gale School	V-VI	41	James F. McKeon, Principal
	IV-V	38	Mary C. Burpee
	II-III	38	Alberta Nelson
	I-II	35	Editha K. Cowing
Province Road School	I-VI	17	Agnes H. Moulton

*Plummer School*

At the School District Meeting on March 8, 1941, it was voted to sell the Plummer School at auction or private sale as the School Board shall direct. Later, the School Board set a price of \$500 on the property

and decided to offer it for private sale. Mr. Joseph Boutin sold the land and building to an out-of-state party for that sum and the School Board, through its Chairman, gave the deed and completed the transaction.

*Inspection of School Buildings*

In the following paragraphs, there will be given some excerpts from a State Board of Health report.

*(From Report of Inspection, Belmont Elementary Schools, May 5, 1941)*

“Pursuant to a request of Mr. Samuel Philbrick, legislative representative from Belmont, Inspector Hanagan of the State Board of Health, and Paul E. Farnum, Administrative Field Agent of the State Board of Education, inspected three of the schools in Belmont, accompanied by Mr. Philbrick and Chief Spring of the Laconia Fire Department. The following buildings were inspected during the forenoon of Monday, May 5.

.....

“Province Road School

“.....

“The following improvements need to be made if school is to be continued in this building:

“(1) The present toilets need to be thoroughly reconditioned to make them more nearly fly tight and better ventilated. Ceilings should be provided in both toilet rooms.

“(2) A small white enamel sink should be located in the classroom with a shelf at one side for a water cooler.

“.....

“Plummer School

“.....

“This building has not been used for school purposes for a number of years. The building is approximately fifty years old and is in relatively good repair. While the foundation walls need to be repaired in some places, the building could be put in usable condition for a small amount of money. It was Mr. Philbrick’s opinion that this building should be maintained as a school instead of the Province Road building. The pupils in this district are carried by a Mr. Friend to the main road where they are picked up by a large bus carrying children from Winnisquam Bridge via Laconia to Belmont Village School.

“At the annual school meeting on March 8, the district voted to sell this school building. Since that time the building has been sold at private sale for \$500. A \$200 deposit was paid between April 15 and April 20 and the deed finally signed on May 5. Mr. Philbrick has already notified the school board that he would petition for a special school meeting before June 1 to rescind the vote authorizing the school board to sell this building.

“Gale School, Belmont Village

“.....

“In addition to the repairs planned by the district, the following improvements need to be made to correct a serious menace to the health and safety of the children :

“(1) The present wood fire escape with its steep pitch should be replaced by a more adequate metal fire escape that would comply with the Public Laws, Chapter 147, Section 9.

“(2) The exit door leading on the fire escape needs to be provided with a standard panic bar and lock so that it can easily be opened at all times by the children.

“(3) It is expected that during the reconditioning of the boys' toilet that new open front seats will be provided and adequate means of ventilation supplied that will make this room more sanitary.

“(4) The present bubbler system should be thoroughly reconditioned to provide units that would meet the requirements of the State Board of Health and be well distributed on both floors. It is not necessary that five bubblers be provided for this number of children. Three drinking fountains in the building and one in the play yard for use during the spring and fall months are recommended. A drinking fountain for pupils in Grades I-IV should not exceed 30 inches in height and for the intermediate grades between 30 inches and 40 inches. It is important that the fountains be connected to the main water supply in order that the pressure remain constant at all times.

“(5) More adequate fire resistant material should be provided over and around the heating system.

“(6) The fire alarm system should be thoroughly reconditioned and either connected with the building current or supplied with another storage battery. It is advisable that the bell buttons be rearranged so that they could be used for fire drills without breaking a glass.

“High School Sewage Disposal

We found during our inspection of the building that the sewage from the high school building discharged into a septic tank in front of the building and then into four lines of farm drain tile in the play field near the building. These four lines are installed on the side of a slope so steep that it is impossible for the sewage to be evenly distributed throughout all the lines. Consequently the lowest line receives the greater part of the sewage and breaks through the surface of the ground in the middle of the play field. At the time of our inspection there was a considerable amount of sewage on the surface of the ground. It is important that this tile field be relaid to prevent this overflow of sewage on the top of the ground.”

Respectfully submitted,

JOHN J. HANAGAN,  
Inspector, State Board of Health.

Paul E. Farnum  
Administrative Field Agent  
State Board of Education

On July 29, 1941, the State Board of Health ordered changes in the sewage disposal system at the high school, drinking fountains at the Gale School, and boiler room protection at the Gale School. Then the report continued:

“Our original recommendation included the renovation of the boys’ toilet and a more adequate emergency exit from the second floor. This recommendation is repeated with the suggestion that the school board, in its warrant for the next annual meeting in March, 1942, include an item to provide the necessary funds that these alterations may be made prior to the opening of school in the fall of 1942.”

The School Board has made the following building changes:

#### Province Road School

1. Interior painted, new curtains installed, white porcelain sink and drain put in, crock drinking fountain supplied.
2. Chimney cleaned.
3. New toilet vault and ventilating duct built, toilets covered and painted.

#### Gale School

1. New drinking fountains installed on both floors.
2. Some fire resistant material placed over boiler.
3. Contract let to install new toilets in boys’ room.
4. New fire alarm system inaugurated.

5. Desk tops refinished to provide smooth writing surfaces.

### Belmont High School

1. New cesspool built to replace land drain tile on playground.

2. Cupboards and closets constructed by boys for shop materials.

3. Heating units installed in the laboratory, the domestic science room, and in the office so these rooms are now as satisfactorily heated as the rest of the building.

With increasing enrollments at the high school, the Shop should be enlarged soon by taking in the space now occupied by the coal bin adjacent to the boiler room. An outside bin could be constructed at the rear of the building, large enough to hold coal for the full winter.

### *Transportation of Pupils*

The School Board has annual contracts for the transportation of pupils from outlying sections to the schools in Laconia and Belmont.

Transporter	School Conveyed to	Vehicle	Trips	Pupils
Allard, Victor N.	Gale School and High	Chevrolet Del. truck	2	17
Dion, Paul T.	Province Road	Hudson Pass.	2	12
Friend, Fred W.	Gale and High	Ford Sta.	2	16
Hislop, Milford	Gale	Marmon Pass.	1	9
Huntoon, Isabelle I.	Gale and High	Packard Sed.	1	6
Laconia Transit	Gale, High, Laconia			
	Parochial	Internat'l bus	1	57
Swain, Raymond	Gale and High	DeSoto Sed.	2	11

### *Winter Transportation*

There are several parents whose homes are located less than two miles from a school, who wish to

have transportation provided for their small children during the coldest weather. The School Board has not been able to give this service except where the route of one of its buses, with some empty seats, passed by the home. It has not had funds to make special routes for the accommodation of such pupils during cold weather. When the District votes money for this purpose, an attempt will be made to furnish supplementary transportation during a portion of each school year.

#### *Established Bus Route*

The State Board of Education has approved the Laconia Transit Company's bus, route, and schedule from Winnisquam Bridge to Belmont village as an "established bus route." Under this regulation, the School Board may require a pupil to walk not over 1½ miles along a public highway from his home to the nearest scheduled stop of the school bus.

#### *Use of School Plants by Community Groups*

Some citizens have been interested in obtaining instruction in Handcrafts at the Belmont High School during evening hours. The School Board has established the policy of permitting community groups or organizations to use the high school building evenings for lessons or special training, provided there is always some high school teacher in charge of the group. If any charge is made, it will be a small one to cover some of the cost of heating and lighting.

#### *Appointment of a School Board Member*

Mr. Charles J. Colbath, serving his second year as

a school board member, moved from Belmont and resigned his board membership. Under the provisions of Chapter 120, Section 24, Public Laws: "The school board shall fill vacancies occurring on the board, and in other district offices, except that of moderator, until the next annual meeting of the district . . .," the School Board appointed Mr. Milton D. Hayward of the Province Road District to serve until March, 1942.

*Deficiency Appropriation*

In the Budget for 1941-42, the School Board presented a statement of the amounts required to support public schools and meet other statutory obligations of the district for the fiscal year beginning July 1, 1941. In this statement, the assessment required to balance the school board's budget was \$18,034.55.

When the Finance Committee acted upon this budget, it approved a total of \$14,000.00, a sum approximately \$4,000 below the needs of the school department, since it did not have on hand the substantial balance of \$3,530.83 of the previous fiscal year ending June 30, 1940.

Acting under the provisions of the Municipal Budget Act applicable in such instances, the School Board requested the voters to raise and appropriate 10% in excess of sum approved, a total of \$15,400.00. This is still \$2,634.55 below the estimated expenditures. It is unlikely that the School Board can find ways to save that amount of money from a budget which was originally carefully considered. At the School District Meeting in 1942, the Board will ask the voters to act

favorably on a Deficiency Appropriation, money which will be required to pay the expenses of the schools until June 30, 1942.

### *Teachers' Meetings*

One of the particular duties of the superintendent of schools is to lead his teachers in professional growth. For the most part, this is done by teachers' meetings, individual conferences, written communications, demonstration teaching, curriculum study, and directed observations.

To enlist the talents and abilities of the many teachers in the supervisory union, a series of teachers' meetings was organized. These have been conducted during September, 1941, by having teachers come to some central point in each school district of the union. A brief outline of the meetings is given below.

1. Handwriting—Mr. Harry Houston, Supervisor of Penmanship, New Haven, Connecticut. Tuesday, September 2, Tilton-Northfield High School Library.

2. Creative Activities in the Schools, Basic English, and Administrative Matters. Wednesday, September 3, Tilton-Northfield High School Library.

3. Reading—Demonstrators from Boston and New York.

4. Pictures in the Classroom, Individualized Instruction. Mr. Fred R. Bunker of Gilmanton and Miss Cathryn R. Hoctor of Concord were the speakers. Gilmanton Corner School, 4:00 p. m., Tuesday, September 9.

5. Health, School Nurse's Work, Posture Correction. Mrs. Lurline H. McCook of Tilton and Mrs. Carrie C. Price of Concord were the speakers. Tilton-Northfield High School Gym, 4:00 p. m., Tuesday, September 16.

6. Workbooks, Tests, Good Teaching Practices, Mr. Russell H. Leavitt of Concord. Gilford Grade School, Tuesday, September 23, 4:00 p. m.

7. Enrichment of Classroom Work, Mr. Norman P. Sargent of Gilford, Tuesday, September 30, 4:00 p. m., Kezer School, Canterbury.

#### *Conservation*

What is being done to conserve work materials?

1. Pupils are using both sides of every sheet of paper.

2. The care with which written work is done has been improved so there are fewer sheets of paper wasted.

3. Duplicated copies are prepared with exercises on both sides of the sheet.

4. The pencil sharpeners are kept in good condition.

5. The number of paper towels used by pupils is limited to a small daily allotment.

6. Tops of thermos bottles and cups carried in lunch boxes are replacing paper drinking cups.

7. Kraft papers and cardboards from home are being collected for posters and displays.

8. Desk covers for lunch and pasting operations are being made from the colored pages in the 'Ladies' Home Journal, Saturday Evening Post, or some other large-sheet magazine.

9. The waste baskets, notebooks, workbooks, and desks are inspected every two or three days to discourage waste.

10. Conservation is being made a VIRTUE.

In what other ways are pupils being encouraged to save?

1. Tin and lead foil are being collected at home. To Mr. Donald P. Mattoon, Superintendent of Schools:

2. Newspapers and other waste papers are being saved for sale to junk dealers.

3. Tin cans and metal scraps are being collected.

4. Defense stamps and bonds are being purchased.

5. Life-preservation squads are being trained.

6. Morale squads are being organized.

#### *Other Reports*

You will find incorporated reports from the Headmaster of Belmont High School and the School Nurse. There are some interesting facts in each of these. They show what work is being done and the service which is being rendered.

#### *Conclusion*

Upon reading this report, you may have questions about some phases of it. You are cordially invited to

request additional information and we shall attempt to provide the facts you desire.

As your superintendent of schools, I am grateful for the fine spirit which exists. Together, we shall continue to maintain high standards in our schools and to establish practices which are educationally effective, administratively efficient, and financially sound.

Respectfully submitted,

DONALD P. MATTOON.

January 27, 1942.

## Report of the Headmaster

---

### *Introductory*

Grateful for the privilege of directing the activities of Belmont High School for the seventh year, the Headmaster hereby submits his fourth annual report. The objects of this report are as follows: (1) To acquaint the people of the town with school personnel and changes therein; (2) to inform as to statistics on high school enrollment and other figures of interest; (3) to call attention to any changes in subject matter offered; (4) to give notice of any basic needs of the school; (5) to signalize mutual contributions of school and community.

### *The Teaching Staff*

One of the greatest improvements in the conduct of the work has been the employment of a fifth teacher. This increase of one teacher has made possible that each is teaching within his major field of study; it has effected some reduction of diversity of classes taught by each teacher. A list of teachers follows, with subject-matter fields and extra-curricular activities conducted by each.

Elden H. Dustin

## Charles L. Young

Oswego Normal School

Industrial Arts

Science

Winter Sports

Faculty Manager of Athletics

*Curriculum*

The employment of a fifth teacher has made possible the offering of a course in Typewriting for Personal Use. It is hoped that most pupils will avail themselves of the opportunity some time in their school life to learn the use of the typewriter. Although this course is not given from a vocational viewpoint, it should shorten somewhat a commercial student's study in business college.

The commercial work has been strengthened further by presenting the course in Junior Business Training on a more mature level.

Twenty-five of the 28 girls enrolled in high school are taking the Federally-aided Home Economics courses. To obtain Federal aid, a school must provide equipment required. A refrigerator has been secured for the department and a cupboard is in process of construction now.

The scheduling of the large high school group in General Shop in two divisions has resulted in more opportunity for the instructor to give individual attention. Twenty-four of the 31 freshman and sophomore boys are taking this course.

There was no demand for Latin II this year; the class of 14 in French I is the largest Belmont school group ever to start the study of a foreign language.

An inspection of the list of teachers and their subjects will show a quite complete departmentalization. This should result in better teaching.

#### *Needs*

The installation in the spring of 1941 of blowers in the basement rooms of the school has solved the heating problem in that area.

A drinking fountain in the downstairs hall would be of advantage.

The shop would fill the needs of our semi-industrial community even better if it were equipped with a machine lathe. It would be easy to enlarge the shop by

removing a partition so that the fuel room space might be used.

The landscaping of the grounds and surfacing of the area in back of the school would add not only to the beauty of the school but also prevent sand from being blown into the building in the spring and fall periods—a serious problem during those seasons.

### *School and Community*

The school is not an institution apart; school and community should give mutual benefits. Among the community services rendered by Belmont High School in the past year might be listed: the training of young people educationally; the provision of a varied recreational-social program; citizenship training; full and active cooperation in the defense program; the provision of leadership opportunities in school with the aim of developing young citizens ready to accept community responsibility.

### *Statistics*

The total enrollment in grades 7-8 is 48 with membership January 1, 45. In grades 9-12 the total enrollment is 77 with January 1 membership, 72. An increase in enrollment over 1940-1941 is noted in both groups, particularly in grades 7-8.

A list of the 1941 graduates follows: Ralph C. Bennett, Vesta S. Burleigh, Gerard Corriveau, Marjorie L. Cushing, Karl J. Hislop, Barbara A. Lyman, Minnie H. McCescoe, Jean M. Morrison, Blanche A. Parent.

*Defense*

The war has imposed its demands on schools, and Belmont High School has responded with good spirit to the service of national defense. A system to care for pupils in case of air raids has been developed. The purchase of defense bonds and stamps is actively encouraged, and likewise the saving of paper and metal. Plans have been made for teaching first-aid techniques in the school, giving automobile driving instruction, and instruction, where needed, in the planting and care of a garden for food raising.

I want to express my gratitude to the members of the School Board, to you, to the members on the teaching staff, Miss Whitcomb, Dr. Brody, Mr. Dearborn, and all others who have worked with me this year.

Respectfully,

ELDEN H. DUSTIN,  
Headmaster.

*Report of School Nurse*

Belmont 1940-41

The following report of school examination is made by the School Nurse:

No. pupils examined,	271
No. not examined at request of parents,	5
No. cardiac disease,	6
No. deformity,	2
No. defective teeth,	138
No. diseased tonsils,	1

Communicable Diseases:

Impetigo,	11
Pediculosis,	15
Corrections:	
Defective vision,	9
Defective teeth,	20
Diseased tonsils,	2
Cardiac (under treatment),	3

A clinic for the correction of teeth defects is needed at the present time. Help that any organization could give would be very much appreciated.

Respectfully submitted,

RUTH B. WHITCOMB, R. N.,  
School Nurse.

## School Warrant

---

### THE STATE OF NEW HAMPSHIRE

Belknap, ss.

*To the Inhabitants of the School District of Belmont,  
qualified to vote in District affairs:*

You are hereby notified to meet in Community Hall, in said District, Saturday, March 7, 1942, at 2:00 P. M., to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose a member of the School Board, to serve for one year, to fill the vacancy arising from the resignation of Charles J. Colbath; and

To choose a member of the School Board, to serve for three years, to fill the vacancy arising from the expiration of the term of office of Mabelle A. D. Clark.

5. To choose Auditors, Agents, and Committees in relation to any subject embraced in this warrant.

6. To determine and appoint the salaries of the district officers.

7. To see if the district will vote to make any alteration in the amount of money required to be as-

essed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the School Board in its annual report.

8. To see what sum of money the district will vote to raise and appropriate to be applied against the probable deficit of the present school year.

9. To see if the district will vote to raise and appropriate the sum of One Hundred Fifty-three dollars and fifty cents (\$153.50) to pay the water bill rendered by the town of Belmont.

10. To see how much money the district will vote to raise and appropriate for the transportation of school children residing between one mile and a half and two miles from school, for a period not exceeding ten school weeks during the winter.

11. To see what sum of money the district will vote to raise and appropriate to make the safety installations at the Gale School, as recommended by the State Board of Health on July 29, 1941.

12. To transact any other business that may legally come before this meeting.

Given under our hands at said Belmont, this sixth day of January, 1942.

MABELLE A. D. CLARK.  
MILTON D. HAYWARD.  
NORMA A. PRESCOTT.

School Board of Belmont.

A true copy of Warrant. attest:
