Article 2. John J. Bankosh, Jr., moved and Ronald Ulm seconded that the Town vote to raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. The sum being \$79,542.89. This was voted in the affirmative.

- Article 3. Lewis Hanson moved that the Town vote to raise and appropriate \$53,180.00 for the maintenance of Town Highways, Bridges, including sidewalks, dead tree removal, dock and fountain. This was seconded by Dennis Parshley. Robert Beem amended this article by increasing the amount to \$57,180.00. This was seconded by John Foley. The amendment was voted in the affirmative. The motion as amended was then voted in the affirmative.
- Article 4. Lewis Hanson moved that the Town vote to raise and appropriate the sum of \$4,000.00 for the improvement of Centre Harbor Neck Road. (Highway Subsidy funds to be used for this purpose.) This was seconded by Rupert Simonds and voted in the affirmative.
- Article 5. Clifford LeRoy moved and John Merrill seconded that the Town vote to raise and appropriate the sum of \$7,500.00 for the maintenance of the Centre Harbor Fire Department, and to authorize the Centre Harbor Volunteer Firemen's Association to expend said sum for the operation and maintenance of the Centre Harbor Fire Department, the amount of \$4,000.00 to be paid from the Revenue Sharing Trust Fund, the balance to be raised by taxes. The motion was voted affirmatively.
- Article 6. Charles A. Haines moved the Town vote to raise and appropriate the sum of \$5,000.00 to add to the Capital Reserve Fund toward the purchase of a new fire truck. The motion was seconded by Clifford LeRoy and voted in the affirmative.
- Article 7. John Merrill moved and Herbert Martin seconded the motion that the Town vote to raise and appropriate a sum not to exceed \$54,000.00 for the purchase of a new fire truck and further authorize the Board of Selectmen to borrow a sum not to exceed \$39,000.00 in the name of the Town for this purpose and to execute and issue evidence of such indebtedness notes or bonds of the Town of Centre Harbor. A written vote was taken. 53 Yes 6 No 1 Blank
The Moderator declared the vote affirmative.
- Article 8. Herbert Martin moved to discontinue the Capital Reserve Fund for a fire truck and to withdraw the \$15,000.00 plus interest, this sum to be applied toward the purchase of a new fire truck. This was seconded by Eugene L. Manville and voted in the affirmative.
- Article 9. John Merrill moved that the Town vote to authorize a committee of firemen appointed by the Fire Chief to negotiate for the purchase of a new fire truck at a sum not to exceed \$54,000.00. This was seconded by Donard Carr and voted in the affirmative.

- Article 10. Dennis Parshley moved that the Town vote to authorize the Fire Chief to sell the 1951 Ford fire truck and pump, the amount received to be used toward the purchase of equipment for the new fire truck. Orion Bickford seconded the motion. After much discussion the motion was withdrawn. John Merrill then moved that the Town vote to authorize the Fire Chief to sell the 1951 Ford fire truck and pump, the amount received to be used toward the purchase of the new truck. This was seconded by Dennis Parshley and voted in the affirmative.
- Article 11. Lewis C. Hanson moved the Town vote to raise and appropriate the sum of \$13,310.00 for the operation of the Police Department (\$7,452.00 to be paid from the Revenue Sharing Trust Fund and the balance of \$5,858.00 to be raised by taxes). CENTRE HARBOR MEMORIAL PARK CEMETERY

In April of 1979 the Centre Harbor Memorial Park Committee lost its first and only Chairman Philip Bartlett. He had been appointed Chairman by the Selectmen shortly after the land was accepted by the Town for a cemetery, a position he held until his death. Phil was instrumental in drawing up the rules and regulations for the Memorial Park, and he worked closely with the surveyor on its layout. He devoted many hours of his time and effort in planning, planting and making the park the lovely place it is today. He is greatly missed by the members of the committee who had the privilege of serving with him, and also by the other residents of the Town.

MEREDITH PUBLIC HEALTH NURSING ASSOCIATION
Meredith, New Hampshire 03253

January 15, 1980

The following visits were made to Centre Harbor residents for the year 1979.

94 Home visits by registered nurses
5 Home visits by Homemaker Home Health Aide
182 Blood pressure readings at monthly clinics

For the year of 1979, an amount of \$274.00 has been written off our books for uncollectible accounts for Centre Harbor residents.

Our blood pressure clinics are held the second Wednesday of each month from 12:00 to 3:00 p.m. at the Cary Mead Room.

It is a pleasure serving our neighboring town of Centre Harbor, and we look forward to serving you for many more years.

Very truly yours,

June A. Plummer, R. N.
Nurse, Director/Supervisor

INTER-LAKES DAY CARE CENTER
AND NURSERY SCHOOL

REPORT TO THE TOWNS

This year has been a very busy year for your Day Care Center. During the last twelve months 158 children were served from 118 families from eleven towns in the Inter-Lakes region. Operating on a year-round basis from 6:30 A.M. to 5:30 P.M. the Day Care Center has made it possible for the parents of 132 children to maintain employment, bringing into the community a combined income of well over a million dollars. As a private, non-profit agency governed by a volunteer Board of Directors consisting of parents and interested people from the community, the Center operates a comprehensive preschool program for three to six year olds, and before-and-after school program for children of elementary school age. In providing for social, emotional, physical, and educational development a full range of services is offered including education, health care, vision and hearing screening, immunizations, dental care, nutrition, and information and referral. As a participant in the New Hampshire Child Care Food Program sponsored by USDA, hot lunches, breakfasts, and snacks are served daily. During the last year 8,222 lunches, 3,542 breakfasts, and 18,351 snacks were served.

The total budget of the Inter-Lakes Day Care Center for 1980 is \$128,513.00. Of this we will be receiving in tuition paid by parents \$54,962.83, \$16,603.40 from N. H. Child Care Food Program (USDA), and \$13,764.00 from CETA. This also includes the following: \$43,182.77 of which \$21,006.57 is Title XX, \$12,406.35 from Aid to Families with Dependent Children, and \$9,769.85 which must be obtained in local funding in order to receive the federal amount. The money we receive from the towns that we serve is matched three times by the Federal Government.

Area residents are always invited to visit the Inter-Lakes Day Care Center and Nursery School at 11 Lang Street in Meredith.

REPORT OF THE PLANNING BOARD
Town of Centre Harbor

The pace of Planning Board activity showed little change from last year. Two matters were especially important for the Town: (1) the new edition of the Town of Centre Harbor Ordinances, Regulations & Bylaws and (2) the Community Survey which will be the first step in updating the Town's master plan.

In the last couple of years the Planning Board realized that the 1973 edition of the Town ordinances and regulations was becoming ever more difficult to use because of additions and deletions. After considerable discussion, the Board decided to recommend to the Selectmen that a new edition be printed in a format that would permit the insertion of supplements and changes without reprinting the whole book. This has been done and we believe that it will be far easier to keep up to date and easier to use. Each section is color coded and all pages are dated so that future insertions will be clearly discernable. Our appreciation is extended to William Montgomery who undertook the onerous task of coordinating the effort and producing a corrected copy for typing. Without his assistance the job would probably still be incomplete.

At the 1978 Town Meeting there occurred a lengthy discussion on growth in Centre Harbor and ways it should or should not be limited. The Planning Board is all too aware of the growth pressures on the Town and the need to prevent growth from causing unnecessary hardships for the Town and to make it take place in some orderly fashion. As a result of the important Raymond case in which the New Hampshire Supreme Court stated that towns and cities had to have master plans in order to control and regulate growth over the long term, the Board undertook the first steps in updating our master plan. During the spring we developed a community survey to be distributed to all households with at least one person on the voter checklist. We were very fortunate to have the invaluable assistance of Chris Brule, an intern from Plymouth State College. He had the responsibility of working with the Planning Board and the Lakes Region Planning Commission to develop a questionnaire that would provide the kind of information necessary to determine how residents perceived their Town and how the community should evolve over the next several years. Chris Brule deserves much of the credit for what the Planning Board believes is a well constructed document. During the autumn he was again with us and he coordinated the printing and the process by which the questionnaire would be administered. The Board urges everyone who received a Community Survey to fill it out and to return it to the Town Offices or to the person who gave it to you. If you have not received one, contact a Planning Board member or the Town Clerk and one will be given to you. During 1980 the responses will be broken down into forms that will aid us in developing a master plan.

Two events during 1979 that should assist in preserving the quality of life in Centre Harbor are the passage of the Wetlands Ordinance and a decision in the Superior Court upholding a Board decision. The Wetlands Ordinance prohibits development within one hundred feet of a wetlands designated on the Wetlands Map in the Town Offices (a copy can also be found in the new ordinance book). This and other restrictions will help preserve the water quality of our lakes, streams, and ponds since wetlands act as a filter to

take out many potential pollutants. The court case, heard before a master, upheld the Board's ruling that there should be no development on Ridgebury soil (a soil with a high water table) in close proximity to Squam Lake. Again, this should serve to protect the quality of Squam Lake and others within Town boundaries.

A new subdivision regulation took effect in the spring which requires site plan review of external changes in non-residential property. This enables the Board to review proposed changes so as to protect the Town and the property owner from encountering problems at a future date. A copy of this regulation is in the new ordinance book.

The number of subdivision requests in 1979 was once again substantial. A total of 19 subdivision applications were presented and/or approved which created over 45 individual lots. The largest subdivisions either approved by the Board or still in process were those to subdivide portions of former Belknap College property and the remaining property of the Newman Trust between Route 25B and Squam Lake. The Board is seeking ways in which to permit subdivision that will meet the needs of property owners and yet preserve the character of the Town. Also of concern is the preservation of agricultural land. We would welcome any comments or ideas on these matters.

The composition of the Planning Board changed significantly during the year. Aaron Smith, a long-time and faithful member of the Board, resigned when he was appointed a Selectman. Serving as our Secretary, his ideas and contributions were highly valued and will be missed. The Board welcomed new members George Burns, Marshall Sargent, and Christopher Williams. Ella Geddes, who had been our clerk, asked to be relieved of her duties because of the pressure and demands of other Town duties. We were all sorry to see her leave and we wish to express our sincere appreciation for her labors on our behalf. Replacing her is Joan Taylor.

For the coming year the Board will continue to work on the master plan with the data from the Community Survey to guide us. We anticipate submitting to the voters changes in the Zoning Ordinances and Subdivision Regulations. In March we shall be asking you to approve a minimum frontage on shorefront lots of 150 feet (currently 100 feet) and permitting the conversion of certain kinds of large structures in Centre Harbor to multi-family dwellings.

The members of the Planning Board wish to express their appreciation to the Town for its continued support and urge anyone who has ideas or comments relating to the responsibilities of the Board to convey them to us. Our regular meetings are on the first and third Tuesdays of each month when all are welcome.

LAKES REGION PLANNING COMMISSION

Centre Harbor

The Lakes Region Planning Commission submits the following information for your review and inclusion in your 1979 Town Report. Outlined are some of the planning programs, general accomplishments and specific services and information provided to your community by the LRPC during the past year.

Programs and General Accomplishments

The Lakes Region Planning Commission has continued its efforts to develop pertinent information and programs that will address the concerns and needs of the local Planning Board, Board of Selectmen, Conservation Commission and interested citizens. Many of these programs have been of direct and immediate value to individual communities, which enables strengthening of local planning efforts. The following programs of general interest were provided:

Comprehensive Master Planning: The program was aimed at people directly involved in the Master Planning process. It outlined the objectives of the master plan document, the need of a master plan based on State Planning Enabling Legislation and the determination of what the plan should include.

New Hampshire Department of Public Works and Highways - Five Year Action Plan: Informational meeting to provide communities with knowledge of highway projects under consideration, in planning stages and/or scheduled for future construction.

Municipal Law Lecture Series: This fourth annual program provided a series of four lectures on Planning Law for Planning Boards, Boards of Selectmen and other local officials. Nearly forty individuals attended each session.

Winter Road Maintenance Seminar: An effort of the LRPC's Water Quality Implementation Program recommending managed and minimal use of road salt on both local and State highways and to assure proper storage of salt. The report, "Use of Road Salt in the Lakes Region", was prepared for distribution.

Economic Development Program Meeting: Sponsored a meeting to review and update the region's Overall Economic Development Program, provide an opportunity to discuss current economic problems and opportunities and determine appropriate economic development priorities for the region.

Wetlands Protection Program: To provide local officials and Conservation Commissions an opportunity to ask questions and obtain information regarding new wetlands protection legislation and to review a model Wetlands Conservation District Ordinance as proposed by the Lakes Region Planning Commission.

Growth and Growth Impact: A program provided to address the issue of economic impact of growth on local communities, including a case study analysis of a residential subdivision, tax revenues anticipated vs. school and non-school costs generated by the development.

Other Programs

Development Assessments: A program to assist member communities in assessing local impacts of large development proposals on the community has been initiated by the Planning Commission. All assessments will be carried out by a team of scientific and technical experts. The makeup of the Assessment Team will vary depending upon the nature of the proposals. Professionals on the team will include a Regional Planner, Soil Conservationist, Biologist, Geologist and an Economist.

This program has been made possible by a grant from the National Science Foundation.

Taxicabs: A transportation Opportunity: A study which presents an overview and analysis of taxi service in the Gilford, Laconia, Tilton, Franklin sector of the region, recommending a program of providing a subsidized taxi service to improve transportation opportunities for senior citizens, minimal handicapped persons and low to middle income individuals. A report focuses on developing specific recommendations directed toward implementation of a lowcost taxi service program.

Planning Legislation: The Planning Commission developed and provided each community with an eight-page Legislative Summary of Planning Laws passed in 1979. The synopsis contained new laws which are of most interest to local officials concerned with planning.

Local Assistance - 1979: The following information and community assistance was provided to Centre Harbor by the Planning Commission:

- Developed a colored Wetlands Conservation Map.
- Assisted the Planning Board with developing a Community Attitude Questionnaire.
- Typed and printed 300 copies of the Community Questionnaire.
- Provided the Planning Board with Zoning Ordinance definition information and application format for Non-Residential Development Site Plan approval.

Annual Report

The Meredith Area Center has continued to provide comprehensive services to your Community during 1979. We have grown from an outreach office to an Area Center allowing for programs to be directed at the Meredith location with more full time staff available to residents on a continuing basis. We are continually revising our programs to meet the needs of our low income and elderly families.

Information and Referral

A service which is available to all, information and referral provides information on social services, employment, child care, consumer education, health, nutrition and housing. When appropriate, referrals are made to other agencies who can provide direct help in meeting specific needs. We have serviced 210 individual people this year. Not recorded are many more who have taken advantage of this area of service.

Emergency Energy Assistance Program (EEAP)

This was a program designed to aid families who were unable to keep up with the high cost of energy during the winter of 1979-80. It provided up to \$400.00 per family for payment of fuel bills, obtaining fuel or providing food and clothing for those whose money was spent for the high cost of energy. We were able to assist 105 households through this program.

Weatherization

Our weatherization program this year provided aluminum storm windows and doors to eligible families. We also continued to provide plastic, insulation and weather stripping when needed. A close relationship continues with the New Hampshire Housing Commission providing access to benefit of Section 8 Housing Assistance.

Food Coop

The food coop enjoys continued success with the membership growing and a variety of foods available to suit the needs of the individual families. Volunteers play a major role in the success of this program which realized an average weekly gross of \$700.00.

Family Planning

Continued outreach and group education programs have proved successful in enrolling 51 women in the Family Planning Program. In addition to medical care, patients may request VD tests, pregnancy tests, counseling and educational services, all free of charge. Appointments are made at the Family Planning Office at the Community Action Program Center in Laconia.

Operation Green Thumb

Vegetable seed, tomato plants, seed potatoes and fertilizer were distributed to eligible families in the spring. On donated land Community Action Program employees and volunteers planted gardens and distributed the produce among senior citizens and needy families.

Elderly Nutrition Program

Besides Meals-on-Wheels and Congregate Meals, the Elderly Nutrition Program also provides Senior Citizens with information and referral, counseling, escort service, shopping assistance, nutrition education and recreation. The staff is available for field trips and transportation of Congregate clients from their homes to the meal site.

Rural Transportation Service

The Belknap County Rural Transportation Service is designed to help Senior Citizens and low income persons in need of transportation to medical and dental appointments, shopping, senior citizen activities and various other errands. One day each week the Meredith C.A.P. bus provides round-trip service from Meredith to Laconia with stops wherever riders request.

REPORT OF DISTRICT FOREST FIRE CHIEF
and YOUR FOREST FIRE WARDEN

Prevention and control of forest fires is handled through a cooperative effort between town/city fire organizations and the State Forest Fire Service.

Since 1903, when the first forest fire laws were passed by our Legislature, the State Forester has appointed someone in each municipality as a Forest Fire Warden and charged him with the responsibility of forest fire prevention and control within his town/city. This person may ask the State Forester to appoint as many Deputy Forest Fire Wardens as may be necessary to efficiently carry out his charge.

The State Forester has divided the State into ten forest fire districts with a full time District Forest Fire Chief in each district. The State organization is charged with assisting the municipal forest fire organization in any way possible.

State personnel conduct fire training schools, assist with forest fire suppression, fire cause investigation, prosecution of fire law violators and forest fire prevention programs. Forest fire suppression equipment is purchased through State bulk purchasing ability and sold to local forest fire organizations and one-half cost. Excess military property is obtained and turned over to town/city fire departments at no cost to local departments for conversion into fire suppression units. This cooperative arrangement between State and municipality has resulted in one of the best forest fire records in the United States with less than one-half acre of woodland burned in each fire reported.

We are enclosing a copy of the report on all towns that used the shelter facilities and services in 1979. Your Society's shelter has been inspected and licensed by the State and fulfills your licensed dog pound requirements. It also complies with RSA 442:A, the Rabies Control Act for holding stray dogs.

Every town has stray and animal problems. We encourage the Town of Centre Harbor, and especially the animal control officer, to use our services more in 1980.

Sincerely,

Fritz T. Sabbow

The 1979 Parks and Recreation season began with the traditional Memorial Day Parade, which was well attended despite heavy rains.

July Fourth marked the beginning of a full summer with a busy day, including the First Annual Centre Harbor Foot Race sponsored by the Centre Harbor Sports Shop and organized by Parks and Recreation. The parade followed later in the day, and fireworks at night, spectacularly shot off by the Fire Department.

Our summer staff this year expanded to three. Nancy Pollack handled life guarding and Red Cross swimming lessons. Mark Dolac was life guard and taught pre-beginners swimming. Pam Melone had the newly formed position of Summer Playground Director. Pam coached informal kickball, volley ball and soccer teams, and organized weekly activities like crafts, story hour, corchet lessons taught by Annie Lep, and other events such as bike hikes and hill climbs. Nancy, Mark and Pam also coached a successful swim team. The team met three times with Moultonboro, Sandwich and Camp Hale. We were fortunate to have these three capable students with us.

Our final event of the year was our Halloween Party. This year's party took on a carnival mood, as children and parents were able to wander from booth to booth trying their skills and testing their luck and fortunes.

We would like to thank everyone in the community who helped us throughout the year, with a special thanks to the Centre Harbor Fire Department, which assisted us in more ways than it is possible to number.

We are looking forward to another good year in 1980.

TOWN HISTORIAN'S REPORT

The summer of 1979 marked the 100th season of continuous concerts by the Center Harbor Band which was founded by Stephinus Kelley in November, 1878. His son, Louis P. Kelley devoted forty years of his life to the band and during those years was the leader for a quarter of a century. The old band stand stood on the site of the present Municipal Building, and during the early years some concerts were at the Mayo Farm on the shore of Lake Waukewan in West Centre Harbor (now Earl's). In recent years the band performed popular summer weekly concerts, alternating between Moultonboro and Centre Harbor.

Captain Kelley, as he was known to many, operated a taxi service both by car and his passenger boat, The White Star Launch, where he was well informed of the best places for fishing on Lake Winnepesaukee. Mr. Kelley passed away on August 12, 1950 at the age of 76.

IN MEMORIAM TO LOUIS P. KELLEY OF CENTRE HARBOR

Mr. Kelley was the leader
Of the Center Harbor Band.
In our dear New England village
We have watched him raise his hand.

Hush us with its lifted gesture,
Gathered there upon the green,
'Till the clash of drum and cymbal
Wake the night wind cool and clean.

"Hold That Tiger" was the rhythm
Making the happy campers dance,
And the autos toot their sirens
There, beneath the moon's soft glance.

Each summer Mr. Kelley was
The leader of the big brass band,
We miss him now that he is gone
Forever from our mountain land.

But, somewhere in eternity
Mr. Kelley still must beat,
With eager and uplifted hand
Marches for homecoming feet.

Theodasia Casper Koch

(Theodasia Casper Koch, of New Jersey, was a summer guest at Fletcher's Maple Cottage).
