# 2012 Annual Report TOWN OF MADISON, NH

Digitized by the Internet Archive  
in 2022 with funding from  
University of New Hampshire Library

# NOTICE

If you own real estate lots that were involuntarily merged by municipal action, you may be able to have those lots restored to their pre-merger status.

Your property may qualify if two or more lots were merged for zoning, assessing, or taxation purposes and the merger occurred:

- During your ownership, without your consent; or
- Prior to your ownership, if no previous owner consented to the merger.

To restore your property to pre-merger status, you must:

- Make a request to the local governing body
- No later than December 31, 2016.

Once restored:

- Your properties will once again become separate lots; however, they must still conform to applicable land use ordinances. Restoration does not cure non-conformity.

*This notice must be:*

- *Posted continuously in a public place from January 1, 2012 until December 31, 2016, and*
- *Published in the 2011 through 2015 Annual Report.*

*Read the full statute at RSA 674:39-aa Restoration of Involuntarily Merged Lots.*

## In Memoriam

We dedicate the 2012 Annual Report to ...

Beverly Klitsch who passed away March 3, 2012. She served as Trustee of the Library from 2007 -2012 in various positions, most recently as Chairperson. Beverly also served on several municipal Boards in Madison including the Conservation Commission. She grew up in Boxborough, Mass and moved to the Valley in 1973. She enjoyed many outdoor activities including hiking, biking, kayaking and skiing. The community will miss her contributions.

Ruth V. Chick who passed away April 14, 2012. She served as a member of the Madison Old Home Week Committee and taught the children of Madison for many years, retiring in 1980. She enjoyed keeping in touch with her former students who would visit her with their children and grandchildren. Ruth was active in the community as a member of the Retired Teachers Association and the Madison Baptist Church. She rode on the Brook's family 2006 Old Home Week float with her great-grandchildren who she enjoyed spending time with.

Robert B. Dannies who passed away June 24, 2012. He was Chairman of the Building Committee for the new library during 1993-94 and served 10 years as a Library Trustee. Bob was born in Milwaukee, WI and he was a member of the #1-ranked Pitt football team that played in the 1938 Rose Bowl. He had been drafted by the NFL Chicago Bears but chose not to play professional football. He worked and raised his family in New England and retired to Sedona, AZ where he spent his last years. His presence will be missed in the community.

Leonard "Paul" Bickford who passed away September 15, 2012. He had served as Road Agent in 1972-73.

Mark E. Brown who passed away December 19, 2012. He served on the Madison Planning Board for many years and the Advisory Budget Committee for the past few years. Mark graduated from Portland High School in 1970 and served in the Navy until 1976. He moved to the Valley in 1984 working as a contractor. He also volunteered his time with Habitat for Humanity. His numerous contributions to the community will be missed as will his humor at Town Hall. Many a day he would stop by and always left us laughing with a smile on our faces.

Sloan P. Jarell – 2014  
Raymond "Ray" F. O'Brien – 2015

## MADISON SCHOOL MODERATOR

George U. Epstein - 2013

## MADISON SCHOOL TREASURER

Heather J. Sherwood - 2013

## MADISON SCHOOL CLERK

Patricia H. Ambrose - 2013

## Town and School Meeting Procedures

The Town Meeting is a legislature where every voter is his or her own representative. While the Selectmen, School Board and Budget Committee may sit in the front of the room, their votes and their role in the meeting are no more important than that of any other voter.

While the meeting generally follows Robert's Rules of Order, the Moderator adjusts those rules as he/she sees fit. If you disagree with any rule set by the Moderator, simply go to a microphone, say "Point of Order", and when recognized by the Moderator, make a motion to change the procedure as you wish. No debate is permitted on a Point of Order, but even this rule may be modified if the Town votes to overrule the Moderator! The Town can vote to overrule the Moderator whenever it chooses by a simple majority.

If you wish to speak to the article on the floor:

1. Go to a microphone and wait until you are recognized by the Moderator. State your name.
2. Address all remarks or questions to the Moderator – not to any other individual.
3. Speak only to the article on the floor.
4. Avoid repeating yourself and stay within the timeframe set by the Moderator.
5. Do not criticize any other speaker, nor question his or her motives.
6. The Moderator will not recognize any voter to speak a second time until all other speakers have gone once.
7. You may make a motion to "move the question" and end debate. If no one is waiting to speak, the Moderator will accept the motion (if seconded). No debate is permitted on such a motion and it requires a 2/3 majority to pass.

If you wish to modify an article:

1. Make a motion to amend the article being discussed.
2. If you are changing a number of words in an article, write the amendment down and hand it to the Moderator.
3. Your amendment can completely replace the original article as long as the Moderator rules that it is closely related to the topic of the original warrant article.
4. If your amendment is seconded by another voter, you will be asked to speak first in support of your motion.
5. Generally, the Moderator will take one amendment at a time. If it passes, the main article is changed. If it is defeated, the main article stays the same. In either case, additional amendments may be made and decided one at a time.

Voting is done as follows:

1. Generally, the Moderator will call for a hand vote. Raise your hand with your signed ballot held high to vote for or against the motion. The Moderator will decide visually whether the motion has passed or will call for a standing vote if it appears close.
2. Any voter may question the Moderator's judgment and call for a standing vote.
3. Any five voters may request a secret paper ballot by signing their names immediately before the vote and handing the paper to the Moderator.

**Remember – You and your neighbors have gathered together to find ways to get the best town and school services for the least money. Regardless of any disagreements about how to accomplish this, respect your neighbors and enjoy democracy in its purest form.**

# MINUTES OF THE MADISON TOWN MEETING

MARCH 13, 2012 Elections  
and reconvened  
March 17, 2012 Town Meeting

On February 28, 2012 at 9:30 AM, as posted the day prior on the upper and lower level bulletin boards in the Town Office building and the Town Website, Town Clerk Marcia Shackford; School Clerk, Melissa LaRoche; and Registered Voters Jesse E. Shackford, III, and Heidi Ford completed the counting of both Town and School ballots to be delivered to the Moderator on Election Day (RSA 658:31).

On February 29, 2012 at 9:00 AM Town Clerk, Marcia Shackford and Registered Voter Rebecca Van de Water completed the required pre-election test of the Electronic Ballot Counting device for both Town and School ballots (RSA 656:42 VIII-(e) (1-11)).

At 7:59 AM, March 13, 2012, Moderator George Epstein and Selectman Michael Brooks examined the electronic ballot counting device's ballot boxes before the meeting was convened to assure it was empty and the Moderator had the electronic ballot counting device print the Election Zero Report for the annual Town & School Election.

Moderator Epstein opened the meeting at 8:00 AM. A motion was made by Tiffany Chase, seconded by Cheryl Brooks, to waive the reading of the Warrant. Moderator Epstein then declared the polls open for acting upon Articles 1 and 2 of the 2012 Town Warrant.

## WARRANT

To the inhabitants of the Town of Madison in the County of Carroll in the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the James Noyes Hall at the Madison Elementary School in Madison on Tuesday, March 13, 2012 at eight o'clock in the forenoon, polls to be open from 8:00 AM to 7:00 PM to act upon Articles 1 and 2 with the meeting to reconvene at nine o'clock in the forenoon of Saturday, March 17, 2012 in the James Noyes Hall at the Madison Elementary School in Madison to act upon the remaining Articles:

Article 1. To choose all necessary officers for the ensuing year.

	Write-In		0
	No Vote		28

Article 2. To see how the Town will vote by official ballot on the proposed amendments, as recommended by the Planning Board, to the Town Zoning Ordinance as follows:

1. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance:

Amend Article IV. Section 4.2B – Rural Residential District, Special Exceptions to delete the requirement that Permanent road stands and Plant nurseries and greenhouses obtain a special exception since those uses are included in the definition of farms, which are permitted by right in the rural residential district.

**YES-324**

NO-68

BLANK-27

**Amendment #1 PASSED**

Moderator Epstein explained that the meeting will be conducted according to Roberts Rules of Order as listed on Page 4 of the 2012 Town Report.

With Moderator Epstein asking voters to turn to the purple pages of the 2011 Town Report, the legislative body began to consider Articles 3 through 31 of the 2012 Town Warrant.

Article 3. To see if the Town will vote to raise and appropriate the sum of two million one hundred seventy-four thousand three hundred forty-six dollars (\$2,174,346) for general Town operations with discussion and amendments to be considered line by line.

Fred Ham made a motion, seconded by Jeff Balogh, to reduce the Building Inspection line by \$5,000.

Amendment #1 was DEFEATED by a show of hand-held paper ballots.

Fred Ham made a motion, seconded by Robert D. King, to reduce the Conservation Commission line by \$1,500 to eliminate water testing.

Amendment #2 was DEFEATED by a show of hand-held paper ballots.

Robert D. King made a statement that he would like to see the Conservation Commission's cost of water testing in a separate warrant article at future Town Meetings.

Mike Benoit made a motion, seconded by Sepp Meier, to reduce the total bottom line operating budget by a total of \$100,000 and allocate those funds (\$100,000) toward the much needed East Madison Road Warrant Article #4.

Amendment #3 was DEFEATED by a show of hand-held paper ballots.

**Article 3 PASSED as placed on the floor** with a total operating budget of two million one hundred ninety-four thousand three hundred forty-six dollars (\$2,194,346).

David “Chucky” Lyman made a recommendation to the Selectmen to have the Transfer Station hours returned to full-time—more user friendly hours—as in the past.

The Moderator announced that Article 4 was the next article to be considered. Jeff Balogh, through a point of order, seconded by Shawn Bergeron, requested Articles 22 and 26 to be considered before Article 4. The Moderator called for a vote by hand-held paper ballots.

Robert King requested to overrule the moderator and allow debate on moving Articles 22 and 26 to be considered before Article 4. Motion to overrule the Moderator was defeated by a count of hand-held paper ballots.

Moderator Epstein cautioned the voters about moving articles from the original order as noticed by the posting of the warrant as some voters may be planning to arrive at Town Meeting more closely to the time he/she estimates any particular article or group of articles may be considered.

The request to consider Articles 22 and 26 before Article 4 was defeated by a count of the hand-held paper ballots:

Yes – 68

No – 83

~~Article 4. To see if the Town will vote to raise and appropriate the sum of one hundred thousand dollars (\$100,000) for the engineering services and the beginning reconstruction of East Madison Road. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the funds have been exhausted with the completion of the project or by December 31, 2017, whichever is sooner.~~

Article 4 as placed on the floor. To see if the Town will vote to raise and appropriate the sum of one hundred thousand dollars (\$100,000) for consulting services and the beginning reconstruction of East Madison Road. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the funds have been exhausted with the completion of the project or by December 31, 2017, whichever is sooner.

Moved: Josh Shackford

Seconded: Mike Brooks

Mike Benoit made a motion, seconded by Shawn Bergeron, to increase the amount for consulting services and the beginning reconstruction of East Madison Road to \$250,000.

Amendment #1 was DEFEATED by a show of hand-held paper ballots.

After voters were advised that a few Madison residents with road construction experience had volunteered to define the scope of reconstruction of the East Madison Road, Jeff Balogh made a motion, seconded by Don Marks, to reduce the amount raised and appropriated to \$25,000 for consulting services for the definition of scope for reconstruction of East Madison Road. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the funds have been exhausted with the completion of the project or by December 31, 2017, whichever is sooner.

Amendment #2 was DEFEATED by a show of hand-held paper ballots.

Robert King made an amendment, seconded by Mike Benoit, to raise and appropriate the sum of one hundred thousand dollars (\$100,000) for consulting services and the beginning reconstruction on a road or roads to be determined. Amendment defeated.

Cheryl Littlefield made a motion to vote the article. By a two-thirds show of hand-held paper ballots, motion to vote the article passed.

**Article 4 PASSED as placed on the floor** by a show of hand-held paper ballots.

Article 5. To see if the Town will vote to raise and appropriate the sum of thirty-seven thousand five hundred dollars (\$37,500) to be added to the Fire Truck Capital Reserve Fund.

Recommended by the Advisory Budget Committee	4 – 0 – 0

Article 7 as placed on the floor. To see if the Town will vote to raise and appropriate the sum of eighteen thousand eight hundred fifty-seven dollars (\$18,857) to repair and upgrade the bathroom facility in the Fire Station. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the funds have been exhausted with the completion of the project or by December 31, 2017, whichever is sooner.

Moved: Josh Shackford                      Seconded: Mike Brooks

**Article 7 PASSED as placed on the floor** by a show of hand-held paper ballots.

Article 8. To see if the Town will vote to establish the Highway Heavy Equipment Expendable Trust Fund for the purpose of repairing, refurbishing or replacing Highway Heavy Equipment, and further to raise and appropriate ten thousand dollars (\$10,000) from general taxation to be placed in this fund and to appoint the Board of Selectmen as Agents to expend.

Recommended by the Selectmen	3 – 0 – 0
Recommended by the Advisory Budget Committee	4 – 0 – 0

Moved: Mike Brooks                      Seconded: Josh Shackford

Robert D. King made a motion to amend Article 8 by adding the following sentence after the words “Agents to expend”: To be clear, this trust fund shall not be used to purchase items that would add to the Highway Department’s existing equipment inventory.

Amendment #1 – No action taken on Mr. King’s amendment because his motion was not seconded.

Selectman Shackford stated that nowhere in this article was it mentioned to purchase new items—just to repair, refurbish, or replace existing.

**Article 8 PASSED as originally written** by a show of hand-held paper ballots.

Article 9. To see if the Town will vote to raise and appropriate the sum of five thousand six hundred seventy-five dollars (\$5,675) to purchase updated vehicle radios for the fire department. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the funds have been exhausted with the completion of the purchase or by December 31, 2017, whichever is sooner.

Article 22. By Petition. To see if the town will vote to remove the designation of Highway to Summer Cottages, pursuant to RSA 231:81-II (b) a section of Lead Mine Road (a Class V highway) beginning at the intersection of Lead Mine Road and Black Brook Road and continuing westerly on Lead Mine Road to the western boundary of the parcel of land identified as Map 257, Lot 2.1 in the town of Madison, NH.” Removing the summer highway designation from this section of Lead Mine Road will authorize the town to provide year-round maintenance of the Class V road accessing the occupied permanent dwelling located on the parcel of land identified as Map 257, Lot 001 in the town of Madison, NH. Petition signed by Donna Veilleux, et al.

Moved: Mike Veilleux

Seconded: Donna Veilleux

Sepp Meier made a motion, seconded by Robert D. King, to move the question. The Moderator called for a vote to move the question. The Moderator declared the motion to move the question defeated by a show of hand-held paper ballots.

Selectman Brooks suggested RSA 231:23 is the proper means for the petitioners to petition the Board of Selectmen to layout the Summer Cottage section of Lead Mine Road, which would then remove the Summer Cottage designation.

After a point of order by Town Counsel regarding the applicable sections of State Law, Selectman Brooks made a motion, seconded by Jim Molloy, to add a sentence to the petitioned article after Madison, NH that reads, “Upon receipt of a petition of layout in accordance with RSA 231:8-10 and 23 and satisfactory completion of any necessary improvements and/or repairs required in accordance with the conditional layout process, therefore,” removing.....

Article 22 as amended would read: To see if the town will vote to remove the designation of Highway to Summer Cottages, pursuant to RSA 231:81-II (b) a section of Lead Mine Road (a Class V highway) beginning at the intersection of Lead Mine Road and Black Brook Road and continuing westerly on Lead Mine Road to the western boundary of the parcel of land identified as Map 257, Lot 2.1 in the town of Madison, NH.” Upon receipt of a petition of layout in accordance with RSA 231:8-10 and 23 and satisfactory completion of any necessary improvements and/or repairs required in accordance with the conditional layout process, therefore, removing the summer highway designation from this section of Lead Mine Road will authorize the town to provide year-round maintenance of the Class V road accessing the occupied permanent dwelling located on the parcel of land identified as Map 257, Lot 001 in the town of Madison, NH. Petition signed by Donna Veilleux, et al.

Amendment #1 passed by a show of hand-help paper ballots.

Peter Stevens made a motion, seconded by Robert D. King, to add the words “to Summer Cottage” after the words “Class V highway” as denoted in parenthesis.

Sepp Meier made a motion, seconded by Annette Libby, to move the question. Motion to move the question was passed by a show of hand-held paper ballots.

Cheryl Littlefield made a motion, seconded by Susan Norris, to reconsider the affirmative vote on the amendment. Motion to reconsider was defeated by a show of hand-held paper ballots.

Ron Force requested to vote this article by secret paper ballot. Seeing five plus voters raise their hand-held paper ballots in favor of a secret ballot vote, Moderator Epstein instructed voters to use the paper ballot with the letter "A" for this vote and only the letter "A" as no other letter deposited in the ballot box would be counted for this vote.

Moderator Epstein explained to voters that a YES vote would support the article as amended by Selectman Brooks and a NO vote would indicate not supporting the article as amended by Selectman Brooks.

Prior to the paper ballot vote, Supervisor of the Checklist Carol Hally examined each ballot box to assure the box was empty.

**Article 22 PASSED as amended** by a secret ballot vote using the paper ballot denoted with the letter "A".

YES: 102

NO: 55

Not Counted: 1 letter "B"

Article 23. To see if the Town will vote to formally designate three town-owned properties as Town Forests per RSA 31:110 for the purpose of managing timber and other natural resources through planting, timber stand improvement, thinning, harvesting, reforestation, and other multiple use programs consistent with the forest management program, any deed restrictions and any pertinent local ordinances or regulations (RSA 31:111) with the Conservation Commission being the managing authority per RSA 31:112,II. The properties to be formally designated as Town Forests are: Tax Map 258, Lot 006 donated in 1926 by John and Millie Burke; Tax Map 221, Lot 011 donated in 1988 by Thomas and Virginia Currier; and Tax Map 221, Lot 010 donated in 1985 by Edward and Joan Lyman.

Moved: David Riss

Seconded: Marcia McKenna

**Article 23 PASSED** by a show of hand-held paper ballots.

Article 24. To see if the Town will vote to authorize the Selectmen to sign a quitclaim deed from the Town of Madison to the State of New Hampshire to be recorded in conjunction with a second deed from the heirs of James O. Gerry to the State of New Hampshire, for the purpose of transferring responsibility from the Town to the State for maintenance and upkeep of the roadway access to the Madison Boulder, in keeping with the original intent and conditions of James O. Gerry's 1926 gift to the Town of Madison of the roadway for the purpose of providing universal motorized access to Madison Boulder by the public, and Leon O. Gerry's 1946 gift of land and portion of Madison Boulder to the State of New Hampshire for the enjoyment of the public.

Moved: John Arruda

Seconded: Josh Shackford

**Article 24 PASSED** by a show of hand-held paper ballots.

Article 25. By Petition. To Petition the Town of Madison to vote to authorize the creation of a Board of Trustees for the Madison Scholarship Fund pursuant to RSA 31:19 and 31:22 to consist of five trustees to indefinitely accept and administer trust funds for the scholarship fund, said Board to have three trustees elected for a three year term and to have the Board of Selectmen appoint one trustee for a one year term and one trustee for a two year term and to

permit Carol Kramer, Elizabeth Brown, Charlotte Hill, Margaret Marshall and Barbara Hoyt to continue to serve as trustees of the scholarship fund until the town election in 2013. Petition signed by David Cronin, et al.

Moved: Carol Kramer

Seconded: Mike Benoit

Robert D. King made a motion, seconded by David Chase, to add at the end of the original amendment, the following sentence: "This authorization is given with the understanding that the Madison Scholarship Fund shall not seek or receive any taxpayer funds as a part of its revenue stream.

Amendment #1 was defeated by a show of hand-held paper ballots."

**Article 25 PASSED as originally written** by a show of hand-held paper ballots.

Article 26. By Petition. To see if the Town will vote to change the office of Highway Agent from an elective office to an appointive office pursuant to RSA 231:62 through 65 and RSA 669:17-b. Petition signed by Robert King, et al.

Moved: Robert D. King

Seconded: Jeff Balogh

After much discussion, Mark Graffam made a motion, seconded by Donna Veilleux, to move the question. Motion to move the question passed.

Ron Force made a request to have this question voted upon by secret paper ballot. Seeing five plus voters raise their hand-held paper ballots in favor of a secret ballot vote. Moderator Epstein explained only the votes with the letter "B" would be counted. A YES vote using letter "B" would mean the Selectmen would appoint the Highway Agent. A NO vote using letter "B" would mean the Highway Agent remained elected.

**Article 26 DEFEATED** by a paper ballot vote denoted by the letter "B":

YES: 48

NO: 93

Not Counted: 1 letter "A"

Article 27. By Petition. To see if the Town will vote to approve the following resolution:

'WHEREAS, the Town's statutory organization for highway management consist of the Board of Selectmen and the Highway Agent with responsibilities and chain of authority as set forth in RSA 231: 62 through 65; and

WHEREAS, this management team is not functioning as prescribed by law, particularly as to the chain of authority, with serious adverse consequences to the Town; NOW, THEREFORE, BE IT RESOLVED, that the Town requests the Board of Selectmen to diligently and vigorously exercise its directive authority over all aspects of the Highway Agent's performance, including the methods and manner in which he carries out his duties, and that they recognize their power to remove him for due cause, all as particularly set forth in RSA 231:62, 63, and 65. Petition signed by Robert King, et al.

Moved: Robert King

Seconded: Jeff Balogh

Marc Ohlson made a motion, seconded by David Riss, to pass over Article 27.

**Article 27 was passed over** by a show of hand-held paper ballots.

Article 28. By Petition. To see if the Town will vote to approve the following Resolution:

‘WHEREAS, the Town’s highway management organization consisting of the Board of Selectmen and Highway Agent is in disarray, is not functioning in accordance with statutory law, and is in need of reform; and

WHEREAS, these deficiencies were exemplified in the badly bungled Tasker Hill Road project last summer as well as other recent events, including the mismanagement of the Town’s summer roads and the improper establishment of a family dynasty in the Highway Department;

NOW, THEREFORE, BE IT RESOLVED that the Town Meeting will approve of no more major road projects until the Town’s highway management incompetencies and dysfunctions are addressed and rectified to its satisfaction. Petition signed by Robert King, et al.

Moved: Robert D. King

Seconded: Fred Ham

Marc Ohlson made a motion, seconded by Mark Graffam, to pass over Article 28. Mr. King asked and the Moderator granted to allow Mr. King, as lead petitioner, time to explain the reason(s) for this article. Explanation of the article was terminated by the Moderator when the explanation became personal.

**Article 28 was passed over** by a show of hand-held paper ballots.

Article 29. By Petition. To see if the Town will vote to approve the following Resolution:

‘WHEREAS, the deed to the Goodwin Town Forest prohibits the public’s use of motorized vehicles, including parking, except for a specified corridor where snowmobiles alone are allowed; and

WHEREAS, other than travel over their well-defined right-of-way, this prohibition applies to the owners of Lot 1, Tax Map 257 just as much as to other members of the public; and

WHEREAS, the Town and said owners signed a duly recorded Boundary Line Agreement on May 4, 2010 that prohibits their use of motor vehicles anywhere in the Town Forest other than on their lot and right-of-way, and also prohibits parking in their right-of way; and

WHEREAS, Town officials have failed to enforce these deeded restrictions with respect to said owners, thereby fostering troubling misunderstandings concerning the Town’s property rights and jeopardizing the Town’s ability to enforce deeded restrictions on members of the public generally;

NOW, THEREFORE, BE IT RESOLVED that the Town Meeting requests that the Selectmen and other Town officials diligently enforce all deeded restrictions in the Goodwin Town Forest, including those of said Boundary Line Agreement, and that they prohibit said owners from depositing removed snow on Town land without a proper license issued by the Selectmen. Petition signed by Robert King, et al.

Moved: Robert D. King

Seconded: Fred Ham

Marc Ohlson made a motion, seconded by Annette Libby, to pass over this article.

**Article 29 was passed over** by a show of hand-held paper ballots.

Article 30. By Petition. To see if the Town will vote to enact the following resolution to establish a policy on ethics applying to all persons holding positions in Town government:  
A RESOLUTION TO ENACT A CODE OF ETHICS REGARDING NEPOTISM

WHEREAS, municipal employment, elected or appointed, as a position of public trust, carries with it a duty to set personal interest aside and keep the public interest as its primary focus; and

WHEREAS, public confidence in and respect for all public officials, board members, committee members, employees, and volunteers can be upheld only by embracing fair, impartial and equal treatment under the law of each citizen and the avoidance by officials of conflicts between personal interests and the public interest, whether they be actual or by appearance;

WHEREAS, the practice of nepotism is inconsistent with these principles and with state law under RSA 21-G:26-a; and

WHEREAS, the Town Meeting acknowledges that a Code of Ethics regarding nepotism in Town government will serve as a guide for the appropriate conduct of all who serve in Town positions;

NOW, THEREFORE, BE IT RESOLVED that all Town officials and employees having lawful authority to appoint, hire, evaluate, or promote Town personnel shall conduct themselves in accordance with this Resolution.

## CODE OF ETHICS REGARDING NEPOTISM

### Section I. DEFINITIONS

1.1 Nepotism defined: patronage bestowed or favoritism shown on the basis of family relationship. (The word is derived from the Latin word for nephew.)

1.2 Town Official: A public official is any person serving in a statutory public office or as a member of a Town board, commission, or committee of the Town, whether paid or unpaid, appointed or elected, full-time or part-time.

1.3 Town Position: Persons holding Town positions include Town officials, Town employees, and duly appointed Town volunteers.

1.4 Town Employee: A Town employee is a person who works for the Town for pay and for whom an employee file is held at the Town office.

1.5 Town Body: Office, department, board, commission, or committee of the Town.

1.6 Close Family Relationship: A close family relationship encompasses spouses, civil union partners, household residents (as distinct from transitory visitors), dependents, and anyone who, by virtue of blood, marriage, or adoption is in such a direct relation as to be a parent, child, grandparent, grandchild, brother, sister, cousin, nephew, or niece.

### Section II. PROHIBITED ACTS OF NEPOTISM:

2.1 Town Officials: No person serving as a Town official shall appoint, hire, or promote, or vote for the appointment, hiring, or promotion of any person to any Town position if the official is in a close family relationship with the person being considered for the position. If a proposed appointee or candidate for employment or promotion is a member of the close family of any board member, that member shall remove himself/herself completely from the appointment or hiring process.

2.2 Town Employment: When close family members are serving together in any Town body, the actuality and appearance of fairness and conformity with state and town policy on nepotism are mandatory. Accordingly, no person may be employed where a close family member would have the practical authority to hire, appoint, promote, evaluate, supervise, or discipline him/her.

2.3 Hiring and Appointing Authority. Except where prescribed otherwise by law, all hirings, appointments, and promotions to or in Town positions shall be approved by a majority of the Board of Selectmen after a selection process that considers the comments and recommendations of the applicable department head, board, commission, or committee. In the selection process, the Selectmen and recommending authorities shall insure that the interests of the community and fairness to all seeking Town positions are the primary considerations.

2.4 Supervisory relationships: No employee of the Town shall be placed or allowed to serve under the supervisory authority of a Town official, department head, or other employee if the supervisor and subordinate have a close family relationship. This does not preclude close family members serving together in a Town body, providing none have authority over the others. No one serving on Town boards, committees, or commissions, including the chairpersons thereof, are deemed to have supervisory authority over any other member of such Town bodies.

2.5 Improper influence: Public officials shall not influence or attempt to influence other public officials in the exercise of the latter's hiring, appointing, or promotion authority where such influence would favor a close family member of the one seeking influence.

2.6 Nothing in this policy shall imply that the existence of several members of the same family in various Town positions constitutes nepotism, providing that none of these members were appointed, hired, promoted, or are supervised or evaluated by another member of the same close family.

2.7 Relationships that violate this policy existing at the time of this policy's effective date shall be brought into compliance where this can be accomplished without anyone being removed from office for that reason alone. Where removal would be the only practical option to achieve compliance, it will be waived in favor of unforced attrition.

2.8 Relationships in violation of this policy that are created as the result of an election shall be dealt with in a manner that fully respects the choice made by voters, most especially when the voters were aware that they would be creating the situation. The voters shall at all times retain sovereignty over this policy.

### Section III. IMPLEMENTATION

To facilitate conduct compliant with this resolution, a copy of this resolution shall be made available to Town officials, employees, volunteers, boards and commissions upon hiring, appointment, or election to office and at such other times as may be necessary.

This resolution shall take effect upon its passage on March 17, 2012. Petition signed by Robert King, et al.

Moved: Robert D. King

Seconded: Fred Ham

Susan Norris made a motion, seconded by Richard Judkins, to waive the reading of the entire article.

Marc Ohlson made a motion, seconded by Peter Ellis, to pass over this article. The Moderator did not accept this motion. The Moderator explained that with a proper motion and a second, the legislative body could overrule the Moderator's decision not to accept passing over this article. Therefore, Marc Ohlson made a motion, seconded by Peter Ellis, to overrule the Moderator. Motion to overrule the Moderator was passed by a show of hand-held paper ballots.

Marc Ohlson again made a motion, seconded by Mike Benoit, to pass over this article.

**Article 30 was passed over** by a show of hand-held paper ballots.

Article 31. To transact any other business that may legally come before this meeting.

Seeing none, Sean Littlefield made a motion, seconded by Mike Benoit, to adjourn. Moderator Epstein declared the meeting adjourned at 2:38 p.m.

**TOTAL DOLLARS VOTED ON WARRANT ARTICLES PASSED: Two million four-hundred seven thousand nine-hundred seventeen dollars (\$2,407,917).**

Respectfully submitted,

Marcia E. Shackford  
Certified Town Clerk/Tax Collector

## INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen  
Town of Madison  
Madison, New Hampshire 03849

We have audited the accompanying financial statements of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Madison, New Hampshire as of and for the year ended December 31, 2011, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town of Madison's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the major fund and the aggregate remaining fund information of the Town of Madison, New Hampshire as of December 31, 2011, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Accounting principles generally accepted in the United States of America require that the budgetary comparison information on page 23 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

The Town of Madison has not presented a management's discussion and analysis. Accounting principles generally accepted in the United States of America have determined that the management's discussion and analysis is necessary to supplement, but is not required to be part of, the basic financial statements.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Madison's basic financial statements as a whole. The combining and individual fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. They are the responsibility of management and were derived from, and relate directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the accounting procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund schedules are fairly stated in all material respects in relation to the financial statements as a whole.

Power of Attorney Form for Vehicle Transactions Only  
Replacement Plates and/or Decals, Application  
Salvage Inspection Information and Locations  
Vehicle Identification Number, Verification of  
Void Assignment Letter  
Walking Disability Privileges, Application for

## **MOTOR VEHICLE:**

### **ONLINE RENEWAL OF VEHICLE REGISTRATIONS NOW AVAILABLE**

The option to renew vehicle registration(s) online and pay online using a debit/credit card or checking account became available June 1, 2012.

The convenience fee for this online service is added to the customers' regular registration fee. This service is limited to renewal transactions that have no change of ownership, owner's address, vehicle, or color of vehicle. The information to renew online can be found on the renewal notice to the right of the registrant's name and address. Online registration deadline is approximately seven days prior to month end in order to allow for mailing time.

<b>Tender Type</b>	<b>Transactions</b>	<b>Total Payments</b>
ACH online check		\$5,595.64
American Express		3,613.24
Discover		1,164.60
MasterCard		5,359.20
Total	107	\$15,732.68

### **DRIVER'S LICENSE PRESENTATION**

As requested by the State of NH-Department of Motor Vehicles, the person completing any motor vehicle transaction shall be asked to present a photo ID. This is to assist in helping to prevent insurance and registration fraud.

### **REMINDER ON TITLED VEHICLES**

To register any motor vehicle whose model year is newer than 15 years, the title or certificate of origin must have the exact odometer reading filled in by ONLY the buyer/seller. The motor vehicle cannot be registered without this information.

### **EARLY RENEWAL OF REGISTRATION**

State Law allows registrations to be renewed up to four months early. Just bring in your expiring registration(s). Contact your NH Inspection Agent to arrange for an early inspection, too.

### **DO YOU OWN RENTAL PROPERTY in MADISON, NH?**

Effective January 1, 2011 under RSA 540, you may be required to file a statement with the town clerk that provides name, address, and telephone number of a person who is authorized to accept service of process for any legal proceeding brought against the owner. This respondent affidavit form is available on the Town of Madison website under Landlord Agent registration Information or in our office. The filing fee is \$15.00.

## **ELECTIONS**

In order to prepare for the Legislative changes in Election Law, the Secretary of State's Office held training for all Election Officials. The primary topic was the new law regarding Voter ID (RSA 659:13). Marcia attended training in Rochester on Thursday, August 23, and Beckie attended training in Gorham on Tuesday, August 14. Selectmen, Town Administrator, Supervisors of the Checklist, several of the Ballot Clerks, and others attended the various training sessions as well. Thank you to our Election Volunteers.

## **EDUCATION**

In order to retain certification status, both Town Clerk and Deputy attended the Spring Workshops for Town Clerks held on June 15, 2012 at the Red Jacket in North Conway. Representatives from the various State Agencies updated the Clerks with legislative changes, consolidation of motor vehicle locations, reductions in staff and anticipated technological improvements. Clerks were reminded that those completing motor vehicle transactions must present valid photo ID to write the ID number on the back of the registration to help assist law enforcement should fraud occur. Members of the State's Motor Vehicle Auditing Team were introduced. Each town has a representative assigned to perform a yearly audit of all Motor Vehicle functions conducted by Municipal Agents.

Deputy Secretary of State Dave Scanlon along with Anthony Stevens and Colleen McCormack-Lane presented information regarding the new Voter ID law and effective dates for each stage of implementation. Remember to bring and present a valid photo ID to all elections.

Town Clerk/Tax Collector Marcia attended the NH City and Town Clerks' Association's Annual Educational Conference. This year's topics included "Activate Your Positive Energy and Deflect Stress", review of motor vehicle registration functions, both the usual and customary plus all special exceptions and circumstances, new procedures that have been instituted by the Title Bureau for titling vehicles, a review of the proposed update to the computer access of Vital Records by Clerks, updates from the Department of Environmental Services regarding the new wetlands' application and online services available to the public, and concluding with a round table question and answer session with the State Agencies all Clerks represent.

## **ARCHIVING**

Thanks go to Roger Clayton for adding to our archives. In April, he presented the Town with a bound volume containing records of the Madison Fire Department. The records begin in 1923 and contain the Constitution and By-Laws, regular and special meetings, members attending meetings, various officers elected over the years, and a list of fires. The last entry is dated February 5, 1976. Again, thank you, Roger.

Should anyone find any Town records tucked away in their attic, basement or garage, the Town would be grateful to receive them to be archived in our vault for future generations.

## **VITAL RECORDS**

Under the direction of Steve Wurtz, the department continues to convert manual records of New Hampshire births, deaths and marriages. This enables clerks statewide to have access to all towns' vital records and expands the ability for every clerk's office to provide a broader range of certified copies. Contact the Clerk's Office for those years available.

Respectfully submitted,

*Marcia E. Shackford*  
Certified Town Clerk/Tax Collector

*Rebecca A. Van de Water*  
Certified Deputy Town

# RESIDENT BIRTH REPORT

January 01 – December 31, 2012

**2012 Constitutional Amendment Questions**  
 Constitutional Amendments Proposed by the 2012 General Court

1. "Are you in favor of amending the second part of the constitution by inserting after article 5-b a new article to read as follows: [Art.] 5-c. [Income Tax Prohibited.] Notwithstanding any general or special provision of this constitution, the general court shall not have the power or authority to impose any levy any assessment, rate, or tax upon income earned by any natural person; however, nothing in this Article

shall be construed to prohibit any tax in effect on January 1, 2012, or adjustment to the rate of such a tax." (Passed by the NH House 256 Yes 110 No; Passed by State Senate 19 Yes 4 No) CACR 13

758 Yes 505 No

2. "Are you in favor of amending article 73-a of the second part of the constitution to read as follows: [Art.] 73-a [Supreme Court, Administration.] The chief justice of the supreme court shall be the administrative head of all the courts. The chief justice shall, with the concurrence of a majority of the supreme court justices, make rules governing the administration of all courts in the state and the practice and procedure to be followed in all such courts. The rules so promulgated shall have the force and effect of law. The legislature shall have a concurrent power to regulate the same matters by statute. In the event of a conflict between a statute and a court rule, the statute, if not otherwise contrary to this constitution, shall prevail over the rule." (Passed by the NH House 242 Yes 96 No; Passed by State Senate 19 Yes 5 No) CACR26

621 Yes 586 No

Question Proposed pursuant to Part II, Article 100 of the New Hampshire Constitution.

3. "Shall there be a convention to amend or revise the constitution?"

421 Yes 798 No

## TAX COLLECTOR'S REPORT – 2012

**IMPROVED WEBSITE INFORMATION:** Have you ever wondered what is included for services covered by your property taxes? Do you know who to contact with questions about your taxes or the valuation of your property? Launched December 1, 2011, the Town's improved website has the answers to these questions and other important tax information. From the Home Page, search under Department/Tax Collector/Property Tax Information. Should you need a copy of your tax bill, you may use the following web address: [www.nhtaxkiosk.com](http://www.nhtaxkiosk.com) and simply choose **MADISON**. This service provides 24/7 access to all tax collect information, including assessed value and payment status.

**ONLINE TAX PAYMENTS:** The option to pay Madison's real estate taxes by credit card, debit card, or ACH electronic check from any computer continued to increase during 2012.

<b>Tender Type</b>	<b>Total Transactions</b>	<b>Total Payments</b>
ACH online check	107	\$140,990.55
American Express	17	15,462.18
Discover	0	0.00
MasterCard	23	30,388.23
Visa	58	\$59,915.43
<b>Total</b>	<b>205</b>	<b>\$246,756.39</b>

**STATE EDUCATION PROPERTY TAX RELIEF:** In 2012 the State Education Property Tax Relief Program (RSA 198:56-61) was again available to all low and moderate income homeowners subject to the state education property tax. In an effort to reduce costs, the Department of Revenue Administration did not automatically mail the 2012 forms to those taxpayers who have received property tax relief from the State in 2011. Taxpayers can obtain an application (DP-8) from the New Hampshire Department of Revenue's website at [www.revenue.nh.gov](http://www.revenue.nh.gov), by calling the Department of Revenue's forms line at 603-271-2192, at many NH libraries or from our office. Forms are usually available May 1<sup>st</sup> and must be submitted between May 1<sup>st</sup> and June 30<sup>th</sup>.

**TAX LIEN PERFECTION:** As required by NH State Law, all unpaid 2012 taxes shall have a lien placed upon the property. This year the lien shall be effective April 16, 2013. Please remember a tax lien, recorded at the Registry of Deeds, will remain on credit reports for a minimum of seven years after redemption.

**TAX COLLECTOR DEEDING:** Those properties whose 2010 tax lien has not been fully redeemed on or before NOON, August 20, 2013 shall have ownership transferred to the Town of Madison by a Tax Collector's Deed as required by NH State Law.

In August, 2012, the Board of Selectmen, on behalf of the Town, accepted a Tax Collector's Deed for property located at Map 105, Lot 42, Map 105 Lot 62, Map 114 Lot 15, and Map 223 Lot 2.

**CARROLL COUNTY TAX COLLECTORS' MEETING:** This year's Annual Carroll County Tax Collectors' meeting was held on May 17<sup>th</sup> at the Brookfield Town Office building. Diane Peckham, Tax Collector in Brookfield, hosted our tax group. All in attendance participated in a question and answer session related to the billing, collecting, liening and deeding of property in order to comply with State Laws.

**SPRING TAX WORKSHOP:** Each spring, the Education Committee of the NH Tax Collectors Association schedules a one-day workshop in four areas of the State in an effort to keep all tax collectors informed of Legislative updates and Supreme Court decisions as each relates to tax collection. This year's workshops concentrated on two major changes in the tax collection process: refunds vs overpayments and postmark on tax payment envelopes for correct collection of interest due on taxes.

**FALL EDUCATION CONVENTION:** The 74<sup>th</sup> Annual Tax Collectors' Education Convention was held in October. As always, the New Collectors' Round Table, a question and answer session geared primarily for newly elected tax collectors, again helped provide and expand upon the laws and procedures that even the "seasoned" tax collectors can use in the tax collection processes. Educational topics discussed included:

- Updates on the expanded online information provided through the Department of Revenue Administration for tax collectors and the public;

- Updates of recent legislation both passed and pending that shall or could affect the tax collection process;

- Updates by Bernie Campbell, the Tax Collectors' Association's Attorney, on decisions made by the NH Supreme Court that affects the tax collection processes;

- Presentation by BillTrust, an online tax collection company, on the benefits of taxpayers being able to process payments online and well as the benefits to the tax collector and Town;

- How, through the legislative process, a bill becomes law and the tax collectors' roll in the process; and

- Tax warrant and billing updates.

All attendees then gathered with a representative from each town's software provider to receive instructions and discuss on how to implement the topics discussed.

On the final morning an open forum round-table questions-and-answer session was held pertaining to the State required liening and deeding process to help tax collectors' comply with the ever-changing laws relating to those functions. Having other tax collectors relate how they complete the processes is the most helpful to assure our office complies with the laws.

**2012 TAX BILL WARRANT AMOUNTS:**

First Issue Tax Bill Warrant (Estimate)	\$3,873,427.50
Second Issue Tax Bill Warrant	<u>\$3,500,405.50</u>
TOTAL 2011 Tax Bill Warrant	\$7,373,833.00
Collections 01/01 through 12/31/2011	\$6,881,283.80

Thanks to our property owners, the percentage of tax dollars collected by year-end continues to exceed ninety-plus percent **(+90%)**.

**OTHER:** A list of Taxpayer Assistance Resources can be found on Madison's website under Departments/Tax Collector/Property Tax Information/Taxpayer Assistance Resources. This list includes, but is not limited to heating, weatherization & home repair assistance, general legal and counseling assistance, foreclosure help, information on property tax credits and exemptions for qualifying Madison residents, and senior elderly assistance services.

The Board of Selectmen and Tax Collector's offices are always willing to meet, in a non-public environment, with any taxpayer to share information about State and local resources available for assistance. Please call either 367-4332 Ext. 300 or 367-9931 Ext. 310 to make an appointment.

Respectfully submitted,

*Marcia E. Shackford*

Certified Town Clerk/Certified Tax Collector

*Rebecca Van de Water*

Certified Deputy Town Clerk/Certified Deputy Tax Collector

## 2012 SELECTMEN'S REPORT

To the citizens of the Town of Madison:

Another year has come and gone and the local, state and national economies continue to challenge us at every turn. The consequences of the most recent state and national elections are yet to be determined and the coming year is expected to be challenging to say the least.

We are proud to report that the move to semi-annual tax billing has been successful since its inception. This eliminated approximately \$30,000.00 from the operating budget. You will note in the proposed budget that we have continued to reserve \$1.00 for interest on tax anticipation notes. The purpose for this is to keep that line of the budget open in the event that we have to react to a situation that might require the Board to borrow money. We do not anticipate doing so, but we want to be prepared in the event that the need arises.

The time has come to begin a realization of the cost savings as the result of the street light reduction. We are currently trying to schedule a meeting with representatives from PSNH to better understand how the cost savings will be realized going forward. We are hopeful of announcing the results at Town Meeting.

The implementation of the highway capital improvement plan continues to be a work in progress. Last year we raised \$100,000.00 for the East Madison Road project. It was a non-lapsing appropriation. This year we are proposing another \$100,000.00 for East Madison Road. While there have been comments from both sides, most people acknowledge that some work needs to be done. The actual plan for improvements has not been finalized.

As we continue to support and promote open government, we are seeking guidance from you regarding PEG TV and a continued connection with the Town of Conway and their programming produced by Valley Vision. Whether we continue to view programming from Conway will be up to you and will certainly have a price to pay for such access. Additionally, we have taken other steps this year to promote open meetings for all boards and committees in Madison. Wherever tax dollars are spent, we endeavor to capture those meetings in a suitable forum that will be open to public attendance and participation. Lastly, with the recent changes to the "Right to Know" law (RSA 91-A), we will be coordinating a training seminar for members of all boards and committees so that we all understand the implications of the new changes. Generally, we go above and beyond the requirements of the law with very few exceptions. We will endeavor to eliminate those exceptions in the coming year.

The development of the municipal budget was particularly challenging this year. In light of the current economic times, we did not recommend raises for municipal employees across the board with the exception of a few individuals to whom we had contractual obligations. Increases in employee benefits and retirement costs were realized as expected. Despite our best efforts, we really struggled to bring in a budget that we could recommend to you, the people, whose best interests we serve.

Lastly, we would like to thank the heirs of Leon Gerry and the whole extended Gerry family for their assistance and active participation in the resolution of various title concerns surrounding the Madison Boulder Natural Area. Without the assistance of the Gerry heirs we would not have been able to resolve the issues of access and transference of maintenance responsibilities to the State of New Hampshire Department of Resources and Economic Development.

Changes were seen throughout Madison.

The Transfer Station office/trailer was replaced with a new shed/office. Thanks to the students at the MWV Career & Technical Center of Kennett High School. The employees do enjoy their new space.

Village Road (aka Rte 113) has seen a couple of sights; the old Clayton & Ward building is now home to Total Concept Property Management (aka TCPM). The old building was torn down and this new building now sits on the same footprint.

Then as you travel westward note the Burke Field sign has been replaced; thanks to the students at the MWV Career & Technical Center of Kennett High School. We have had many positive comments on the new sign and the craftsmanship.

## MADISON POLICE DEPARTMENT 2012 TOWN REPORT

The Madison Police Department has had another busy and productive year. I am happy to say that reports of Crime Related Incidents have dropped considerably from the previous year. We have also only had three more accidents than in 2011. Although the overall crime rate has gone down we have lead or participated in many time consuming investigations. These incidents have included the identification and prosecution of a trusted employee who stole jewelry from the home of an employer and the recovery of approximately 4,000 narcotic pills. They were stolen from a distribution center and South Portland and brought into Carroll County. It is chilling when I think about the potential for overdose.

Officer Kevin O'Meara left the department to take a position with the Bedford Police Department. He received many letters of appreciation from the community and served Madison honorably. I thank him for his service and wish him well in the future.

Officer Jill Barbour has filled Kevin's slot on the roster. She brings considerable training and experience from her time as a Detective with the Conway police Department and Deputy with The Carroll County Sheriff's Office.

We have reduced full-time and other staffing levels in response to the economy. Although we have enjoyed success with our part-time officers we continue to make tough decisions about appropriately prioritizing our efforts. Cooperation with the surrounding Police Departments, the Carroll County Sheriff's Office and New Hampshire State Police and has been very helpful. .

Our Patrol Officers continue to participate in the after school program at Madison Elementary School on a weekly basis. I am happy to report that I have received positive feedback on their involvement. I would like to thank The Madison Elementary Principal and Lisa Remick their contributions to DARE in 2012.

All members of the department continue to donate time to the town with no monetary compensation.

We are grateful for the support that you have given us and acknowledge and appreciate the fact that our success is 100% dependent upon it.

**MADISON POLICE DEPARTMENT  
ACTIVITY STATISTICS  
2011 & 2012 COMPARISON**

ACTIVITY	2011	2012	2012 PERCENTAGE INCREASE OR DECREASE FROM 2011

\*Crime Related Incidents' are violation and misdemeanor level offenses.

Chief James Mullen  
Madison Police Department

## 2012 Annual Report for the Madison Emergency Management Department

To the Madison Board of Selectmen and residents of the Town of Madison

The Emergency Management Department had another active year both in completion of the 2012 Madison Hazard Mitigation Plan and continuing upgrades to the Madison Emergency Operations Center located at the Madison Fire Station.

The department applied for and received a \$5,000.00 planning grant for this project in Early 2012. Meetings began in late March to begin the review and needs to update and produce a new document. Our grant funded contractor, June Garneau of Mapping and Planning Solutions, worked with all our department heads, town staff, the Village District of Eidelweiss, and other community stakeholders in unison to complete this plan. The completed document will be presented for acceptance by the community in early 2013.

2012 only required one need to prepare for opening the Emergency Operations Center. Hurricane Sandy while damaging many communities to our south had only minor disruptions in Madison. Town Highway crews and fire department personnel were able to handle any incidents with their equipment.

Work is continuing on upgrades to the telephones and networking in the fire station to provide adequate resources to operate during emergencies. Emergency power capability needs to be established at Town Hall to assure the phone system will be sustained during prolonged power outages.

The department is also developing a community notification system through Nixel. This is a free internet based service used by public safety officials and communities throughout the country. It allows residents to be notified by various communication mediums for alerting purposes and emergency response instructions during time of emergency. Cooperation with our local media outlets will introduce this program in the early spring.

I appreciate all the dedication and support from the many emergency personnel and Town staff that attributed to our success and accomplishments during 2012. I invite all members of the community to consider volunteering and becoming active participants in your Emergency Management department. Many opportunities exist that require dedicated volunteers to respond to and assist our community in time of emergency.

Sincerely,  
Richard A. Clark, Director

**MADISON HIGHWAY DEPARTMENT  
2012 TOWN REPORT**

There were no major money projects this year, therefore my report will be short.

Our work consisted of general road maintenance of grading, ditching, raking, sweeping, hauling winter sand, cold patching, etc.

We did more work on the Ward Parcel cleaning up the bank at Burke Field. We cut bushes, re-loamed and re-seeded it. Also we put in a bicycle path from Burke Field to the library.

We rented a tractor from B&M Tractor and did more road side mowing on the Lead Mine Rd, Downs Rd, part of Glines Hill Rd, Bickford Rd, Lower end of E. Shore Dr, High St. and N. Division Rd.

Besides our general culvert cleaning, we did install a new culvert on E. Shore Dr. and Maple Grove and we reset a culvert on Glines Hill.

I would like to thank the taxpayers for their patience during the snow and ice storms, we do our best to get around these roads in a timely manner. I would like to thank my Highway crew for all their hard work and dedication thru out this year.

Our top priority for 2013 is to install new culverts on the following roads:

- E. Madison Rd. 40' by 24"
- King Pine 30' by 12"
- Rabbit Run 35' by 12"
- Winter Rd. 30' by 12"
- N. Division Rd. 40' by 15" X 2
- Salter Hill Rd. 30' by 12"

Also we are planning to sand or chip seal the following roads:

- Ossipee Lake Rd.
- Cross Rd.
- Tasker Hill Rd.
- Allard Hill Rd.
- Spigot Hill Rd.
- Meadow Dr.

  
William C. Chick Sr.  
Road Agent

In 1925 it took 4 horses to pull the snow roller making the roads passable after snowstorms.

1925 Snow roller (photo taken on Harry Harmon's porch now known as the Wells property)

Today we have plow trucks that remove the snow from the roads to travel.

2009 Peterbilt Snow plow truck (picture taken from a similar location as above photo compliments of Richard & Pam Wells from their front porch on East Madison Rd)

2012/13 Highway fleet of heavy plow trucks; 1982 Oshkosh, 1988 Ford 10-wheeler, 2005 GMC Dump 8500 & the 2009 Peterbilt.

## Madison Fire Rescue – 2012

2012 was a busy year and many important projects were addressed thanks to the dedication of your Fire Commissioners and the continuing efforts of the dedicated men and women who volunteer their time and effort to serve the Madison community.

The emergency response volume continues to remain high. The four (4) year average of over 300 incidents per year puts tremendous pressure on our response personnel. In addition to the volunteer hours required to respond and complete 269 incidents during 2012, Madison Fire Rescue volunteers committed over 380 man hours to emergency medical training, over 757 man hours to fire and rescue related training, 431 man hours to station and vehicle maintenance and 83 man hours to department meetings.

The technical specifications for the Engine 1 replacement were completed this past fall after more than a year of development effort. The final design will support our fire suppression and emergency operations while complimenting the efforts of an aging and decreasing number of emergency responders. The specification was submitted to manufacturers for competitive bid and we received bids from two vendors. After a thorough review of the bid submissions to assure compliance with our specifications, the bid was awarded to the low bidder, Spartan Fire Apparatus, with a bid of \$449,256.00. This vehicle is expected to have a service life of 25 years.

During 2012 we purchased a fire department management software program. The program provides us with many tools to better evaluate the job we are doing and maintain up-to-date records on all aspects of our organization including staff, incidents, both fire and EMS, occupancies, general activities, training and inventories. We are at the beginning of a long learning curve and expect that over the next couple of years our personnel will become proficient in its use and applications.

We have had some success with our recruitment of additional personnel including several younger men and women. They are the future of the Fire Rescue effort here in Madison. We are not unlike most other communities, as individual commitments to family and work continue to restrict volunteer availability on a regular basis. Given the nature of those personal demands, volunteer time commitment is unlikely to improve going forward. Maintaining a well-trained, skilled and ready emergency force is and will remain our greatest challenge.

The Madison Fire Rescue Officers for the year 2013 are; Chief Richard Judkins, Assistant Chief Richard Clark, Captain Sean Bendigo, Captain David Aibel, Captain Billy Chick Jr. Lieutenant David Cribbie and Captain Emeritus Roger Clayton.

The men and women of Madison Fire Rescue look forward to providing quality integrated emergency services to our community during 2013. We thank you for your continued support.

Respectfully,

Richard Judkins, Chief  
Madison Fire Rescue

## Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 603-271-1370 or [www.des.state.nh.us](http://www.des.state.nh.us) for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at [www.nhdfl.org](http://www.nhdfl.org).

Due to a record warm winter and little snow, our first fire occurred on February 4<sup>th</sup> with several more early fires to follow. Normally a large percentage of the warm windy days with low humidity occur when the ground is saturated from a long snow covered winter. By the time the surface fuels and ground dry out enough to burn, we only have a few weeks until "green up". This year however we had an extended period of these favorable spring fire conditions. Our largest fire in the state was 86 acres. The average size fire was .6 acres. Extensive summer rains kept total acreage burned to near normal levels

As has been the case over the last few years, state budget constraints have limited the staffing of our statewide system of 16 fire lookout towers to Class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting was supplemented by the NH Civil Air Patrol when the fire danger was especially high. Several of the fires during the 2012 season threatened structures, a constant reminder that forest fires burn more than just trees. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

### 2012 FIRE STATISTICS

(All fires reported as of October 2012)

(figures do not include fires under the jurisdiction of the White Mountain National Forest)

## Planning Board

Planning Board duties are specified by state statute and include review of subdivision and site plan applications, annual Capital Improvement Program (CIP) development and review, review and update of the Master Plan, and review of the Zoning Ordinance for development of amendments as needed. 2012 continued to have limited application submissions, most likely as a result of the current economy:

1 site plan application – granted; 1 boundary line adjustment application – granted

This year the Board conducted the 2014-2019 CIP plan during the meetings. This important plan is used by the Advisory Budget Committee and the Selectmen. All town projects and proposed purchases of \$10,000 or more are incorporated into the plan over a six year period in an effort to maintain a relatively steady impact on the overall tax rate. This year's published CIP plan includes the current year 2013 as a reference, but is not considered part of the official 2014-2019 plan. The Planning Board determined that the average tax rate for the capital projects for the 6 years (2014-2019) is \$.49 per assessed \$1,000 property value. This is well within expected ranges for capital projects based on experience from the 6 previous years CIP plans. The plan was approved and distributed to the Board of Selectmen.

On the regulations front, the Board reviewed and amended the Street Standards section of the Subdivision Regulations. The purpose of the amendment is to bring the Street Standards up to date with current engineering and construction methods. The public hearing and vote for adopting the amended Subdivision Regulations will take place in early 2013. The Administrative Assistant attended a training seminar on Zoning Ordinances sponsored by the Local Government Center in an effort to stay updated on regulatory information.

The Planning Board is saddened by the loss of member Mark Brown in December 2012. The Board benefitted from his contribution as a valued member over the years and his presence will be missed by all.

Looking forward, the Planning Board is hoping to expand its membership and as always requests continued public participation. The past year included the addition of new member Charles Roberts. In addition to the committed and hardworking members of the Board, 2013 will hopefully see an addition of new members and alternates. Along with hearing applications, the Planning Board is charged with reviewing and updating the Master Plan which is used as a guide to develop the Zoning Ordinance which in turn governs land use within the town and affects all property owners. Input from the community is essential if Madison is to develop according to the wishes of the residents and taxpayers. The Board encourages residents to consider serving on this important committee and welcomes public comment at every monthly meeting held on the first Wednesday of the month at 7 P.M. at Town Hall.

Madison Planning Board: Michael Brooks (Selectman Ex-Officio), Noreen Downs, Brian Fowler, Phil LaRoche (Alternate), Marc Ohlson (Chair), Charles Roberts, and Andrew Smith

## 2012 ZONING BOARD OF ADJUSTMENT

The Zoning Board acts as a quasi-judicial board and has powers granted under the Revised Statutes Annotated (RSAs) to act on specific matters. These matters include Special Exceptions – permitted land uses within a district subject to specific provisions; Variances – dimensional or use relief from the provisions of the zoning ordinance; Appeals of Administrative Decisions – review of decisions made by a town administrative official based on an interpretation or enforcement of a zoning ordinance; and, Equitable Waivers – review of a dimensional layout which has been discovered to have been in violation of the ordinance.

There were eight appeals during 2012, although the variance appeals sometimes contained more than one variance request for the same property. Eight meetings were held during the year with the following results:

One special exception: granted

Five appeals for variances: three appeals granted, two appeals withdrawn by applicant

One appeal of administrative decision: withdrawn

One equitable waiver: denied

The Board's attorney Bernie Waugh presented his annual informational review of prior year legislative changes and new case law. This review was attended by the Zoning Board, as well as members of the Planning Board and Conservation Commission.

Testimony and documentation provided by both applicant and abutters is essential for fair and consistent determinations whether or not to grant relief from the Zoning Ordinance. The appeal and hearing process is concise and is strictly based on the use of the Zoning Ordinance. We encourage residents to consider volunteering to serve on this critically important board.

## 2012 CONSERVATION COMMISSION REPORT

The Commission has continued to work with the Natural Resource Conservation Service's Conway Office and The Nature Conservancy to develop the contract for the prescribed burn of the pine barrens to encourage new pine growth. A UNH Cooperative Extension Field Specialist met with the Commission to provide information and answer questions regarding management of logging landing areas. As a result, the Commission compiled a logging landing area fact sheet available to land owners at Town Hall.

Annual monitoring and trail clean-up of the Town easements and properties continued throughout the year. In an effort to streamline monitoring and trail work, Commission members volunteered as property sponsors so that each property or easement has a point person responsible for organizing work on the property. Water quality testing in Madison remains an important statutory task of the Commission. As part of the watershed quality monitoring program conducted by Green Mountain Conservation Group, along with research partners at UNH, Madison receives \$4,750 of monitoring value at a \$1,500 cost. A 2012 water quality data update from the Green Mountain Conservation Group is included in this report. A comprehensive report on the first 10 years of water quality data is anticipated to be released in the summer of 2013.

Other events of the past year included Conservation Commission sponsored Old Home Week events including a Goodwin Forest walk led by forester Robbin Rancourt and a Squam Lake Science Center live animal presentation of 'Animals with Bad Reputations'. As part of his Eagle Scout project supported in part by the Commission, Torin LaLiberte constructed an entrance to the Ward parcel trails and conducted trail maintenance. Jacob Feinstein, age 13, of the Lyman family, presented the Commission with a donation for a conservation project as part of his Bar Mitzvah project.

The Commission is an integral advisory department of a town, encouraging and managing open space, monitoring water quality, and educating the public on conservation practices. We welcome public input at our monthly meetings and invite residents to join the Commission.

Sincerely,  
Ralph Lutjen, Nancy McClennan, Marcia McKenna, Marc Ohlson, David Riss – Chair, Josh Shackford – Selectman, and Ted Slader

## Green Mountain Conservation Group: Madison Water Quality Data Update 2012

In 2012, five volunteers from the town of Madison and staff from the Green Mountain Conservation Group recorded water quality data on 47 different occasions at three long-term monitoring stations in Madison – Banfield Brook, Pequawket Brook, and Forrest Brook. On 26 of those site visits, 42 water samples were collected and analyzed by labs at the University of New Hampshire for 15 chemical parameters, including phosphorus, nitrogen and chloride. The physical parameters that volunteers and GMCG staff record in the field include turbidity, conductivity, dissolved oxygen, pH, and temperature.

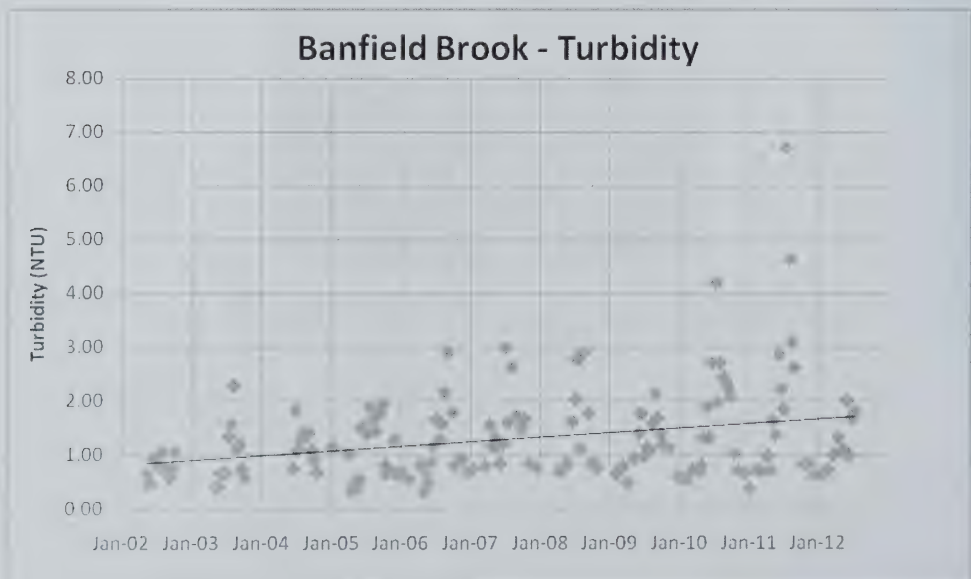

Data from both Forrest Brook and Banfield Brook show increasing trends in turbidity (water clarity) over the last decade (see graph). The correlation of turbidity values over time is statistically significant. This increase may be due to the more frequent and more intense rainfall events that have occurred since 2006 across the region. Water clarity in both brooks is still extremely high. Data from both brooks also show a decreasing trend in chloride concentrations over time. This could be related to dilution from increased precipitation or could be the result of changes in road salt application practices. Chloride levels in Banfield Brook remain elevated compared to natural background levels exhibited in streams throughout the watershed.

Data entry for 2012 data has not yet been completed. In the fall of 2013, GMCG will submit a brief report to the town that includes 2012 results. In 2013, GMCG will be working with research partners at UNH to develop a baseline report on the first 10 years of water quality data collected from long-term monitoring stations. This report will be more detailed than annual summaries, and is intended to provide towns with a baseline for water quality.

In 2013 GMCG will be working with a steering committee to coordinate the first phase of a Watershed Management Plan for Ossipee Lake. This first phase will include detailed modeling of pollutant loading in the Danforth Pond watershed and the Lower Bays of Ossipee Lake. The Danforth Pond watershed includes a large portion of the southeast quadrant of Madison. Data collected from Forrest Brook since 2004 will be an important input to watershed models that will help to parse out the various sources of phosphorus entering surface waters, including Purity Lake, Mill Brook, and Blaisdell Brook. These tributaries all drain to Danforth Pond and the Lower Bays of Ossipee Lake where water quality is near or above commonly accepted critical thresholds for high quality lakes and ponds. This management plan will help identify preventable inputs of phosphorus and steps that can be taken to protect surface waters from degradation.

Analysis costs for Madison water samples in 2012 were \$868.

- Costs for coordination of collection and processing of samples and field data by GMCG staff in 2012 were approximately \$1,813.
- The value of the volunteer labor provided by Madison residents in 2012 was approximately \$1,032.
- Supplies and equipment repair and maintenance costs in 2012 were approximately \$1,070.
- Costs for all monitoring activities in 2012, minus the value of volunteer labor value was approximately \$3,751. The town of Madison paid \$1,500 of this cost.

## Madison Library—2012 Annual Report

The mission of the Madison Library is to provide informational, cultural, educational, and recreational resources to the people of Madison.

### Attendance and membership

All Madison residents, seasonal property owners, and employees of Town of Madison, the Madison School District, and businesses in Madison can apply for a library card for no fee. All other nonresidents who wish to borrow items from the Madison Library must pay an annual fee of \$15. In 2012, we switched to a new format library card with 14-digit numbers and barcodes, a necessary step to be compatible with updated library software, as well as to provide more seamless and secure access to online library materials.

- Individual visits to the library in 2012: 10,231
- Attendance at library events and programs: 992
- Registered members with library cards: 1,629 adults, 371 children, 197 interlibrary loan accounts (for lending to other libraries)
- Members added in 2012: 161 individuals, 5 interlibrary loan accounts

### Collection and Borrowing

The Madison Library's collection includes books, periodicals, audiobooks in CD format, video recordings in DVD format, musical recordings in CD format, games, puzzles, puppets, MP3 players, ereaders, Kill-A-Watt meters, museum passes, and a telescope.

- Items in the Madison Library's physical collection as of December 31, 2012: 15,558 items
- Items added to the collection: 905 items, 189 were gifts
- Items withdrawn from the collection: 1,376 items
- Items borrowed: 17,218 checkouts
- New items borrowed (added to the collection within 3 months): 5,616 checkouts
- Items borrowed from other libraries (interlibrary loan): 1,298 checkouts
- Madison Library's items lent to other libraries (interlibrary loan): 613 checkouts

### Online Services

Links to all of Madison Library's online services can be found on its website, <http://madison.lib.nh.us>, which is developed and maintained in-house. Access to subscription online resources is provided either with passwords, available at the library, or with a library

card. In 2012, the funds that provided these resources came from the New Hampshire State Library (EbscoHost), through donations made to the Madison Library (Britannica, Career Cruising, HeritageQuest, TumbleBooks), and by Madison taxpayers as part of the library's operating budget (NH Downloadable Books and Ancestry).

- Visits to the Madison Library website: 116,385 visits, 11% of visits were from mobile devices
- EbscoHost journals and magazines: 403 articles and abstracts
- Britannica Online: 757 documents and queries
- Career Cruising: 317 page views
- Ancestry Library genealogy: 455 citations, images, texts
- HeritageQuest genealogy: 1,291 articles and abstracts
- TumbleBooks ebooks for kids: 592 (We provided access to 300 TumbleBooks, 200 iPad compatible books, 23 Read-Along Chapter Books, 160 games, 50 non-fiction books, 50 videos and quizzes with TumbleBooks)
- NH Downloadable Books ebooks: 723 (NHDB provided access to 11,754 ebook titles in 2012)
- NH Downloadable Books audiobooks: 495 (NHDB provided access to 10,683 audiobooks)

### **Technology – Equipment and Training**

The Madison Library provides public access to computers and high-speed and wireless internet connections. The library has four public desktop computers (one for children's use only), and added one more laptop in 2012, for a total of three laptops. Each public computer has MS Office software (Word, Excel, PowerPoint, Publisher), and in 2012, one was equipped with screen magnifier/reader and large print keyboard for low-vision users. A refurbished computer was purchased in 2012 to use for searching the library's catalog. The library provided fee-based use of a copy machine, printer, fax machine, and scanner. Two MP3 players, two Nook e-readers, a digital audio recorder, and video recorder (added in 2012) were available to borrow.

In 2012, the library's computers were used 1,658 times. Library staff members regularly gave individual computer assistance, helping with online government and job applications, using email and the internet, working with word processing software, and locating online information. Technology training classes included a series of beginner computer user classes and a workshop on using Wordpress. Several sessions on how to use the library's online resources including Career Cruising and NH Downloadable Books were also offered.

### **Local History Project**

Madison Library's Local History Project website was expanded and improved in 2012. Online at <http://www.madisonlibrary-nh.org/madisonhistory>, this website provides access to local history items in digital format. This year, volunteers Joyce Stevens, Liz Brown, and Donna Marie Hartigan worked to scan and transcribe local history documents for the Local History Project. Roger Clayton shared some of his collection of photos and Madison High School yearbooks that were digitized and added to the website. The Local History Project site is a work in progress, volunteers are welcome, and training is offered.

## Programs and Events

The Madison Library held 151 programs in 2012, with a total attendance of 992. Programs included recurring events—monthly book group discussions, weekly story times, summer reading events, career workshops, tech talks—as well as one-time presentations, performances, and informational sessions. The Trustees purchased a site license that allowed the library to show films to the public. A series of movie programs were held in 2012, but they were

sparsely attended, so Trustees will not be renewing the site license for 2013. A sample of the programs held in 2012:

- Summer Reading Program: There were 39 participants in our “Dream Big – READ” themed summer reading program. Special summer reading events included craft workshops to make dreamcatchers and felted owls, “Stories Behind the Stars” with Matt Krug, “All About Beavers” with local author Jean Heilprin Diehl, who read her book “Three Little Beavers, followed by a presentation on beavers by Elaine Conners Center for Wildlife, and then a train ride to see beaver ponds on Silver Lake Railroad, a fun visit from the authors The Brothers Plad, and a presentation on Super-Cold Science by an educator from the Boston Museum of Science. Prizes for readers who completed the program were generously donated by local businesses.
- Two New Hampshire Humanities Council programs: Hal Lyon on “Fishing NH’s Big Lakes,” and Jo Radner on “Sharing Family Stories”
- “Mapping the Surficial Geology of the Presidential Range” with local geologist Brian Fowler
- “Carravaggio: the Enigma of the Renaissance” by local resident Bob Silvestre
- A workshop on maintaining dirt and gravel driveways and roads by Russ Lanoie
- A presentation by authors of “The Pond: A History of Big Pea Porridge Pond in Madison, New Hampshire, Ice Age to 1951,” Connie Brown, Brian Fowler, and Lee Pollock
- The fifth annual Old Home Week Photo Contest and Show: the winning photo this year was by Sean Dunker-Bendigo
- “Search and Rescue with Canines,” with NH Fish and Game Officer Mark Hensel and K9 Sig
- Poe Scary Story Slam, part of NH Center for the Book’s Big Read: NH Reads Edgar Allan Poe

The Friends of Madison Library planned and sponsored several events for adults, including Chinook Dogs, “The Old Country Fiddler” musical and history program by NH Humanities

Council, “The Language of Cats and Dogs”, a Book and Author luncheon with Yankee Magazine’s Edie Clark, and a film and discussion on the Brownfield Fire of 1947.

### **Partnerships and Cooperatives**

- Madison Trails website ([www.madisontrails.org](http://www.madisontrails.org)): Madison Conservation Commission and Madison Library share website hosting and domain name expenses. Site is developed and maintained by volunteers, training on using Wordpress for website management is provided by Library Director Mary Cronin.
- Mustang Academy and Summer Recreation Program: Madison Library included participants in its summer reading program events with the Boston Museum of Science and the Brothers Plad. Madison Library worked with Mustang Academy to build a Storywalk on the path from the Madison Elementary School to the library in the spring of 2012. Unfortunately, the Storywalk’s laminated pages failed to survive torrential summer rainstorms.
- Carroll County Library Cooperative: a group of area librarians that meets throughout the year to share ideas, training, and pursue cooperative programs and negotiate for group rates for library resources.
- Bearcamp Valley Library Cooperative (BVLA): Madison and 10 other area libraries purchase videos and audios collectively for a shared, rotating collection of videos and audiobooks.
- 1 Book 1 Valley: the annual regional community read program for the Mount Washington Valley area, organized by local librarians and bookstore. 2012’s title was *Love You More* by Lisa Gardner.

In 2012, Trustees and Library Directors from Madison, Tamworth, and Jackson libraries started developing a cooperative agreement to share cost of an updated library software system to be implemented in 2013.

### **Building and Grounds**

The Madison Library’s John F. Chick Room, the public meeting space on the lower level of the library building, had 445 separate meetings held in it in 2012; over 300 of these were meetings of community groups, not library-sponsored programs.

Madison Garden Club members continued to care for the library’s gardens. Dedicated volunteers Herm and Merle Weber once again painted the entranceway ramp and railings.

In the spring, Trustees and Selectmen worked together to plan, and the Highway Department constructed, a defined pathway to link the Town campus from the Madison Elementary School to the library through Burke Field, safely away from the traffic along Village Road (Route 113).

In the summer, Trustees created an outdoor seating area by the street side garden of the library. Outdoor chairs were purchased with funds donated in memory of Beverly Klitsch, and construction to add steps to the street side door to provide access to the new sitting area was begun in the fall. At the beginning of this small project, building contractor John Neal discovered significant rot under the windows and door that formed the walls of the sunspace

sitting area at the front of the library. At the year's end, Selectmen allocated 2012 funds for the emergency reconstruction of this sunspace.

The Trustees thanked long time library Friend and volunteer Marty Risch, who moved from Madison in 2012, for all of her and her late husband Bob's contributions to the Madison Library by dedicating a new rocking chair purchased with funds donated to the library in Bob Risch's memory.

### **Funding**

The Madison Library, under the fiscal management of the elected Board of Trustees, gets its funding from Madison taxpayers as well as from individual donations, the Friends of Madison Library, book and magazine sponsorships, and grants. The proposed budget sheet for 2013 on the page following this report shows how anticipated expenses will be funded. New Hampshire libraries receive no direct funding from the State of New Hampshire, but instead receive services in the form of free access to Ebscohost databases; negotiated group discounts for additional electronic resources, downloadable books and audiobooks, books and library supplies; statewide van service to deliver interlibrary loans; technology training for librarians, library management training, and consulting.

### **Volunteers and Friends**

Volunteers helped to keep library operations running smoothly in 2012 by assisting with tasks that included checking items in and out, shelving and organizing books, answering the phone, updating the new books list for the library's website, scanning and transcribing local history documents, leading story times, helping with after school and summer reading programs, sorting donated books. The Friends of Madison Library (FOML) worked to organize their annual book sale fundraiser, planned a series of adult programs, and provided essential funds for library books, library software annual support, and children's programs.

### **In Memory**

We gratefully remember two former Library Trustees who passed away in 2012, Bob Dannies and Beverly Klitsch. Both were dedicated and community-minded individuals who advocated for the Madison Library and the services it provides to the people of Madison.

Respectfully submitted,

Mary Cronin, Library Director

Madison Library Board of Trustees:

## Code Enforcement Officer Report 2012

The building permit activity for 2012 was consistent with past years at 234 issued permits. Still on the increase is the number of single family homes that were built. In 2012 there were 21 new dwelling units constructed in Madison, up 3 from 2011. Forty-five percent (45%) of these new homes were constructed for the purpose of a second home, which has proven to also be happening more through the sale of existing houses in town for vacation or recreation purposes.

With the economy the way it is, this puts a big question mark as to where building is headed in this country. We can only hope it's for the best.

The following data represents the workload for 2012. The total estimated value of construction was \$7,435,600 and permit fees totaled \$25,596.07.

The work load in 2012 consisted of the following:

- 234 permits were issued
- 62 Zoning issues were resolved
- 28 Health and Safety issues were resolved
- 67 Fire inspections were performed
- 8 Child/Daycare facilities were inspected
- 2 Field correction notices were issued
- 29 Wetland issues were resolved
- 4 Building was condemned
- 33 Junk car and trash issues were resolved
- 6 Stop work orders were issued
- 18 Letters of Cease & Desist were sent out
- 4 Letters of Deficiency were sent out
- 932 Building related inspections were performed

I am into my thirteenth year as Code Enforcement Officer and I truly appreciate the help and input received from Town staff and the residents of Madison.

Respectfully submitted,

  
Robert M. Babine  
Code Enforcement Officer

# SILVER LAKE ASSOCIATION OF MADISON

[www.SilverLakeMadison.com](http://www.SilverLakeMadison.com).

## 2012 REPORT TO THE TOWN OF MADISON

The Silver Lake Association of Madison (“SLAM”) was formed in 1983 by a group of farsighted citizens who recognized the importance of protecting the lake. Its stated goals were and are to:

- Promote and protect the general welfare of the lake and its environment;
- Monitor the quality of the water in Silver Lake;
- Conduct programs to support an active and informed membership; and to
- Encourage the support of the Town of Madison in accomplishing these objectives.

The Board of Directors and our 200 member families encourage broad community involvement. Membership in SLAM is open to all Madison residents. Please join us.

This year, SLAM celebrated its 30<sup>th</sup> year of successful lake stewardship. Silver Lake was, once again, classified by the State of New Hampshire as “pristine”. This rating is based on water clarity, algae, and phosphorus. Pristine is the best rating possible. In plain English, this means that Silver Lake is clean and clear and a very desirable location for all types of aquatic activities. Silver Lake continues to be one of the very few area lakes which is not infected with Milfoil or other invasive species.

SLAM continued its three major programs in 2012: water quality monitoring was conducted each week during the warmer months; our Lake Host program (funded, in part, by grants from the Town of Madison and NH Lakes) operated from Memorial Day to mid-October; and our Weed Watchers inspected shallow areas of the lake to check for any invasive species. This year, our Lake Hosts inspected and washed 1,381 boats before they were launched. Additionally, we continued our very successful Lake Ecology course and field trip for the Madison School’s fifth grade classes.

SLAM is always seeking volunteers to help with our many initiatives. If you would like to help with water quality monitoring, boat inspection and washing or weed identification, please contact me or any of the other directors.

Our annual meeting will be held at the Madison Elementary School on Saturday, July 13, 2013 at 3 PM. Please plan to attend.

For the Board of Directors,

Hersh Sosnoff, President

Silver Lake Association of Madison

## MADISON OLD HOME WEEK 2012

The Madison Old Home Week Committee is proud of another great week of events in the Town of Madison. In these times of great hardship for many people in our town, we are pleased to be able to provide some good old-fashioned entertainment and fun for everyone to enjoy. Our goal has always been to provide a week of fun for the residents of Madison, new and old, to come together and celebrate the great history of our small town.

The weather was a bit of a challenge for our Friday night festivities, but we were still able to enjoy our fireworks show (on Saturday) and our Mardi Gras Parade (on Sunday). Other than that we had a great week of sun!

As we always say, our jobs are made much easier (and enjoyable) because of all of our devoted volunteers. There are so many people that show up to help out without ever being asked and we sincerely appreciate all of their efforts. A special thank you to our families for not only helping out with whatever needs to be done, but for doing it with a smile (most of the time)!

Our appreciation goes out to the organizations in town who put on events throughout the week and assist us with ours, especially the town road crew, the school maintenance staff and our go-to guy, Sean Dunker-Bendigo for helping with the things no one else wants to!!

As prices continue to rise on nearly everything, we are doing our best to keep our costs down. We are so thankful for all of our local sponsors who give their hard-earned money to us to put on a great week.

We look forward to another great year in 2013 and hope to see you there!

We kick it all off on August 3<sup>rd</sup> with the Community Fair at Burke Field!!

## The Village District of Eidelweiss 2012 Report

2/3/2013

The Commissioners are pleased to report that the following list of accomplishments has been completed and stayed under budget on General Government, Highway and Water System operating budgets:

- Completed first audit of finance systems in 7 years – first GASB compliance ever – no problems.
- Created “**VDOEmail**” direct email information broadcast system to home owners.
- Lower Oak Ridge Rd reconstruction engineering plan completed. Contractor selected for first phase project.
- New F-550 Super Duty Plow Truck purchased and outfitted with a stainless steel spreader
- Monthly participation by VDOE Administrator and Commissioner in Emergency Management for the Town of Madison from May to December.
- The doors and pump locks of DPW II garage reconfigured for safety and security.
- Take down of old salt shed required by NH DES completed.
- 50 cubic yards of beach sand delivered to 6 beach locations.
- All beach latrines septic tanks pumped for the first time in a decade.
- Scenic Overlook at Oak Ridge Summit opened by cutting trees blocking view.
- DPW1 septic system tree-cleared, uncovered, diagramed, photographed and pumped
- Drainage maintenance – Whirl-away culvert cleaning system purchased
- New large culverts installed on Grison Rd, Burgdorf Rd, Grachen & Winnigon
- Major drainage and road reconstruction on Middle Shore Drive, Oak Ridge Road, Biasca Place, Appenvel Way and Jungfrau Rd due to June storm damage
- Sold 1984 Ford Plow Truck “Olde Yella” to highest bid.
- New Big Loop Culvert construction completed under budget.
- 595 feet of Upper Lake View broken pavement removed and replaced with 8 inches of compacted stone and 4 inches of compacted gravel.
- Sander rack construction started DPW1 Facility
- Significantly reduced the number of deadbeat water users by improving the collection system. Cut contingency cost by 50%
- Administered 5 driveway applications.
- Held Special Commissioners Meeting on November 14<sup>th</sup> at the Lodge for early feedback on 2013 budget planning.
- Commissioner attended Water System Asset Management Training
- Installed clustered isolation valve systems at Interlaken Circle and Oak Ridge Rd
- The emergency construction plans completed for be put in place in case of failure of the water tank at Reinach and the Jungfrau Pump Station.
- Summit maintenance – insulation & metal roof repairs – heater system location improved– building stained – entrance repaired and improved.
- Chocorua Pump Station repaired and painted.
- Corrosion control facility – part time expert hired – facility upgraded
- Water system SCADA upgrades and design corrections (many more to do).

## Veterans Monument Committee

### 2012 Annual Report

As mentioned in our last report, "We continue to make good progress on the monuments" in 2012.

- With much of the site work done in 2011, highlighted by the cover photo of our Town's 2011 Report, we still accomplished a lot. The Madison Garden Club (MGC) has added an early stage of shrubbery that will dress up the site as it matures. They were helped by a committee member, and others, in preparing the ground for the MGC's plantings. This took place in good time to get the plantings well established. Also, in September the Mount Washington Caring Kids installed a tree (a flowering crab) to honor our Veterans. It is well located and gratefully accepted. The bases for the two wings are in place. The first wing is purchased and over the winter the names can be added so it can be installed in the spring of 2013.
- Fundraising is always required to keep us moving forward. Money has continued to come in, enabling us to purchase the first wing. This wing will be enough to accept the 60 or so names, but the second wing will need further fundraising.
- There has arisen an issue as to "holding" the funds. To correct this we are creating an "Article" for the warrant to address this for a public vote.
- These veterans met our qualifications for listing (see page 102-3 in the Town Report for 2011). They cover the years since 1954, but also include veterans who were missed in the WWII and Korean War plaques already in place.
- Many times since 1954, when our country called, our veterans responded to the need. These veterans, nearly all volunteers, answered the call. Some have served as a career, but most for a shortened time.
- Our committee meets on the 1st Monday of the month at 6:30 PM in the Chick Room at the Madison Library. All are welcome to come to these meetings.

Respectfully submitted,

*Bruce Brooks, Michael Brooks, Ed S. Foley, Henry Forrest, Alan Gilman, W. Franklin Jones, Paulette Lowry, Wayne Lyman, Wilbur Meader, Jesse Shackford III, John Sherwood, Norman Tregenza Jr., Richard Wells. Deceased: Warren Virgin, Norman Van Wickler*

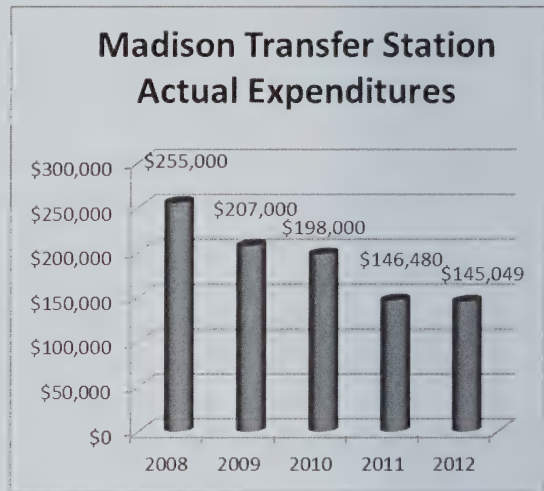

# Madison Solid Waste Advisory Committee

## 2012 Report

In 2012 the Solid Waste Advisory Committee continued its mission to reduce cost at the Transfer Station and improve the operation. It was a trying year as the committee lost two members. One needed to resign and we were greatly saddened by the passing of Beverly Klitsch who served the Town on several committees and positions over many years. She is missed greatly.

The committee continues to operate with a “skeleton” membership of only three members including the Board of Selectmen representative. We continue to appeal to the town for new members with new ideas and energy to seek more improvements and cost reductions for taxpayer savings. Please consider joining us once a month to “talk trash” and reduce taxes.

The Transfer Station achieved a very large cost reduction in 2011 due to the new very favorable contract, a number of efficiencies with our new hauling vendor and a \$23,000 recovery of overcharges from the previous three year contract. Some of that was consumed in new projects such as the new office for the transfer station operators. The committee stated in last year’s report that we could not expect savings like that in 2012. We were right. Through a few small projects and the diligence of the Transfer Station operators the expenses came in about \$7,229 under budget and \$1,400 less than 2011 expenditures. See the graph to the right.

To briefly highlight the activities of the committee in 2012:

- Formalized collection of aluminum beverage cans for transport to a salvage yard which reduced paying for hauling them as commingled at a cost to the town and generated over \$3,000 in revenue.
- After having the brush pit cleared at a cost of \$8,000 in 2011 a burning schedule was formalized to keep the pit under control and eliminate future cost for brush grinding.
- Assisted in coordinating the construction of the new office which was paid for by savings in 2011 and installed in the spring of 2012. A big thanks to Kennett High School.
- Implemented putting cardboard, as needed, in the mixed paper roll-off to ensure balancing full loads with the commingled roll-off in order to optimize tandem loads. This results in reduced hauling charges. All paper/commingled hauling in 2012 was in tandem hauls whereas in 2011 we had twelve single hauls for commingled resulting in an unnecessary additional \$750 in hauling charges and, we netted more revenue from the additional cardboard in the paper roll-off.
- We held an open house at the Transfer Station during Old Home Week passing out informational flyers and talking with residents about procedures and savings at the Transfer Station and had a few door prizes as well.

- Two members attended both the Northeast Resource Recovery Association Conference and the DES Annul Tech Conference for town public works personnel. There were seminars, one-on-one meetings with vendors and networking with other town transfer station managers. Both sessions were beneficial.
- DES made an inspection of the Transfer Station in the summer and gave the town a report late in the year on status and some items to be corrected. We are in the process of completing the last of the follow-ups from the inspection.
- Brought in a (free) consultant to research the applicability of moving to the "Pay-as-You-Throw" concept for the town that is reputed to improve recycling and reduce costs to the town. We found that it would not be beneficial to the town at this time.
- We scheduled a no-cost visit from a consultant and the transfer station manager from New Boston to review our operation and provide suggestions and information for process improvement and cost reduction. Among several suggestions was the confirmation that the next thing Madison can do is to put a backhoe in place to provide compaction for all of the roll-offs. We calculate that there would be an annual savings of \$20,000 to \$23,000 per year to the town in haul charge savings.
- Returning to the practice of putting glass in the glass pit vs. in the commingled container reduced the commingled volume by about 40 tons reducing haul charges and tipping fees for disposal of the glass.

For 2013, our objectives are:

- Complete all tasks from the DES inspection.
- Continue to lobby for a backhoe for the Transfer Station as that has a clear payback advantage proven by virtually all transfer station managers we have spoken with.
- Increase education to our residents about the importance of recycling and the processes used at the Transfer Station.
- Formalize use of yard waste in a composting process to make compost available to town residents.
- Improve aluminum beverage can collection with a trailer for collection and transportation. This will reduce haul costs to the salvage yard and save time for the operators of bagging the cans. We also expect to get increased volume of collected aluminum for more revenue for tax reduction.
- Bring additional transfer station managers onsite (at no cost) to assist in evaluation of improvements for the Madison Transfer Station.
- Improve signage at the Transfer Station.
- Improve the use of data in making Transfer Station recommendations.
- Develop a plan for emptying the glass pit. It will be at a much lower cost than sending it out with the commingled recyclables.
- Continue to try to attract more committee members.

As always, we welcome input from the town by attendance at our monthly meetings, usually the second Thursday of each month at 8:00AM in the Town Hall or by contact through the Town Office or Board of Selectmen or directly to any of the committee members.

Respectfully submitted,

*Dave Downs*

Chairman, Madison Solid Waste Advisory Committee

*Executive Councilor  
District One*

Report to the People of District One  
by Ray Burton  
Executive Councilor, District One

As one of five members of the Executive Council, I will again take the Oath of office on January 3, 2013. I am now representing 108 Towns, four cities- Berlin, Laconia, Claremont and Lebanon spread across all or parts of seven of NH's ten Counties, - Carroll, Grafton, Belknap, Coos, Sullivan, Strafford and Merrimack. I was sorry to lose, through the redistricting process, the towns of Belmont and Charlestown.

Governor Hassan will be the tenth Governor I have served with in the last 35-36 years of public service to the 263,000 people of this large Northern Rural District. The Governor is required to nominate citizens to serve on the dozens of volunteer Boards and Commissions which the Council will vote on. I urge anyone who is interested in serving to send a letter of interest and resume to the Governors Office, 107 North Main Street, Concord, NH 03301. For a list of the Boards and Commissions go to <http://www.sos.nh.gov/redbook/index.htm> contact my office or utilize your local town or city library.

With the support of the NH Health and Human Services Department, I have three District Health Councils which meet about every 4 months with Commissioner Nick Toumpas and his staff for about 2 hours. We receive updates and respond to local health concerns, consumers, providers and elected officials - local, county and state. These 2 hour sessions are open and frank discussions about the health of all NH citizens. The notification is all by email. Please send me your email to add to the list if you are interested at [ray.burton@myfairpoint.net](mailto:ray.burton@myfairpoint.net)

2013-2014 is the year of the 10 year NH Transportation Plan. The Five Member Council will work closely with the local Regional Planning Commissions; hold required hearings on the recommendations for the next ten years for all modes of transportation- highways, rail, air and public transportation. We then submit our recommendations to the Governor by December 15, 2013. The Governor reviews and submits her recommendations of the plan to the NH House and Senate by February 15, 2014 which will become a legislative bill concluding with a new 10 year transportation plan by July 1, 2014. Keep in touch with my office or the NH Dept. of Transportation Planning Office at 271-1484 on this. There will be some interesting and in depth discussions and votes.

Please contact my office anytime I can be of assistance. I enjoy participating and speaking at local events and consider it an honor to serve you.

Sincerely,  
  
Ray Burton, Executive Councilor

**Incorporated:** 1852

**Origin:** This territory was one of the first land grants set aside for soldiers who had survived the Seven Years' War against France. The grants of about two thousand acres each were issued by Governor Benning Wentworth to six soldiers originally from Londonderry, Derryfield, Goffstown, or Weare. The land covered by these grants, parts of Eaton and Albany, was incorporated in 1852 in honor of James Madison, the fourth President of the United States, who was born 100 years earlier. Madison framed the Bill of Rights, served as Jefferson's Secretary of State, and was President during the War of 1812.

**Villages and Place Names:** East Madison, Silver Lake, Eidelweiss

**Population, Year of the First Census Taken:** 826 residents in 1860

## Population Trends:

Population change for Madison totaled 2,073 over 50 years, from 429 in 1960 to 2,502 in 2010. The largest decennial percent change was an 84 percent increase between 1970 and 1980, followed by a 62 percent increase between 1980 and 1990. The 2010 Census estimate for Madison was 2,502 residents, which ranked 120th among New Hampshire's incorporated cities and towns.

## Population Density and Land Area, 2010 (US Census Bureau):

64.9 persons per square mile of land area. Madison contains 38.5 square miles of land area and 2.4 square miles of inland water area.

**2012 Town of Madison Report  
on the  
Mt. Washington Valley Economic Council**

At its Annual Meeting this Fall, the MWV Economic Council celebrated 2012 as “The Year of Successes.” One of those successes was a growth in Economic Council membership which supports the Council’s efforts to help businesses grow. Three specific businesses were highlighted as examples of gaining support and resources from the Economic Council that helped them succeed and create jobs. They were **Ragged Mtn** which manufactures clothing, **Rapid Insight**, a data analysis/software business and **Rugged Mill** which specializes in high quality outdoor clothing.

Other highlights of the Economic Council’s efforts to diversify and strengthen the Valley’s economy and employment opportunities include:

**Job Creation**

- \* 55 new jobs created in the Tech Village.
- \* Over 100 local jobs created through MWVEC loans.
- \* Nearly 450 local jobs retained as a result of MWVEC loans.

**Grant Money**

- \* \$4,702,000 brought to the Valley in Grant Money.

**Loans**

- \* Over \$3,000,000 loaned to some 60 local businesses.

**Tax Credits**

- \* \$1,350,000 worth of tax credits purchased by local businesses.

**Business Education**

- \* Over 1,600 local businesspeople attended Boot Camp business training.
- \* Some 2,500 businesspeople attended Eggs and Issues.
- \* Approximately \$1,500,000 of free counseling stayed in the Valley due to the work of SCORE.

Your area Economic Council is funded through a combination of Grants, Interest Income, Individual and Corporate membership as well as Town membership such as ours. It is an important endeavor. It has been my privilege to be your Madison Representative.

Ted M. Kramer, Vice President – MWV Economic Council

## Advisory Budget Committee Report

The members of the Advisory Budget Committee approached the 2013 Municipal Budgeting process in an especially careful and deliberative way as necessitated by continuing stubborn economic conditions facing many of us as families, individual citizens and taxpayers. Government is similarly challenged as it deals with revenues and expenses while trying to meet its obligations and the needs of citizens. As in previous years, the Board of Selectmen has worked diligently to control expenditures wherever possible and the Advisory Budget Committee has evaluated the details in proposed changes of line items and proposed Warrant Articles being brought forward. The Advisory Budget Committee makes the following recommendations for the guidance and consideration of our voters.

The Advisory Budget Committee voted to **NOT RECOMMEND** the 2013 operating budget in the amount of \$2,283,598.00 which is an increase of \$89,252.00 from the approved 2012 operating budget. This is an increase of 4.1%. The operating budget and proposed warrant articles combined total \$2,583,229.00. This is an increase of \$175,312.00 or 7.3%. An additional warrant totaling \$449,256 (20% of the municipal budget) paid out over ten years will also be voted on but since annual payment does not begin until 2014 that number is **NOT REFLECTED** in the above figures. The Committee concluded that this was overall an insupportable increase at a stage when conscientious fiscal restraint should take precedence.

The proposed Fire Department operating budget is up 12.3% not including the additional warrant of \$449,256.00 for the purchase of a new fire truck with a term of ten years and an annual payment of \$33,635. The \$163,800 down payment would come from dissolving the Fire Truck Capital Reserve Fund. The Budget Committee voted to **NOT RECOMMEND** the fire truck purchase in view of a number of concerns, including the fact that this represents a major financial commitment to the taxpayers going forward and it does not provide an escape clause. The Committee would have preferred further analysis and alternatives presented at a much earlier time in the municipal budgeting process. The Committee concluded that the more prudent option would be **RECOMMENDING** \$50,000 for repair and servicing of the existing fire truck.

Proposed warrant articles not including the operating budget total \$585,087. Articles proposed of significant cost include \$100,000 for road reconstruction on East Madison Road which is on the town's (CIP) Capital Improvement Plan. The Committee **RECOMMENDS** going forward with this project. The Committee however does **NOT RECOMMEND** an additional \$49,000 requested to purchase heavy equipment (10 wheeler dump truck) for the highway department. This initial amount would cover the first annual payment out of four for a total of \$185,000.

The Committee voted **TO RECOMMEND** placing \$10,000 into a Highway Heavy Equipment Expendable Trust Fund for future expenditures.

The Police Department is requesting \$19,800 which is the first yearly lease payment for an SUV which will total \$29,800 over three years. This is a CIP replacement item and the Committee **RECOMMENDS** this planned expense.

The Budget Committee voted to **NOT RECOMMEND** both PEG TV articles. The Committee understands the importance and transparency that PEG TV provides but would like it to be funded as was intended through franchise fees.

Petitioned charity articles for 2013 total \$30,331.00 which is an increase of \$117.00 from 2012. All petitioned charities were **RECOMMENDED** by the Committee with the **EXCEPTION** of one. The Committee voted to **NOT RECOMMEND** \$3,000 for the Carroll County Senior Transportation article because of concerns related to practicality and sustainability.

The Advisory Budget Committee voted in the affirmative on warrants that in its opinion were sensible, meticulously researched, carefully detailed and presented early enough in the budget process to allow for careful deliberation by the members. Long term planning of large budget items needs to be implemented early so the merits of the articles have enough time for a judicious review by the committee and alternative options may be considered. Articles that did not meet these expectations could not be recommended.

Chairman David Chase, Secretary Jim Lyons, Hersh Sosnoff, Susan Norris, Cheryl Littlefield, Selectmen Rep. John Arruda, School Board Rep. Ray O'Brien and Alternate Ron Force

# BUDGET OF THE TOWN

OF: MADISON

Appropriations and Estimates of Revenue for the Ensuing Year January 1, 2013 to December 31, 2013

or Fiscal Year From \_\_\_\_\_ to \_\_\_\_\_

### IMPORTANT:

Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list the operating budget and all special and individual warrant articles in the appropriate recommended and not recommended area. All proposed appropriations must be on this form.
2. Hold at least one public hearing on this budget.
3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the town clerk, and a copy sent to the Department of Revenue Administration at the address below within 20 days after the meeting.

This form was posted with the warrant on: February 13, 2013

### GOVERNING BODY (SELECTMEN)

*Please sign in ink.*

Under penalties of perjury, I declare that I have examined the information contained in this form and to the best of my belief it is true, correct and complete.

## Town of Madison 2013 WARRANT

To the inhabitants of the Town of Madison in the County of Carroll in the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the James Noyes Hall at the Madison Elementary School in Madison on Tuesday, March 12, 2013 at eight o'clock in the forenoon, polls to be open from 8:00 AM to 7:00 PM to act upon Articles 1 with the meeting to reconvene at nine o'clock in the forenoon of Saturday, March 16, 2013 in the James Noyes Hall at the Madison Elementary School in Madison to act upon the remaining Articles:

Article 1. To choose all necessary officers for the ensuing year.

Article 2. To see if the Town will vote to authorize the Selectmen to enter into a long-term lease/purchase agreement to purchase a new pumper truck for the Madison Fire Rescue at a cost of four hundred forty nine thousand two hundred fifty six dollars (\$449,256) and further to raise and appropriate the sum of one hundred sixty three thousand eight hundred dollars (\$163,800) and authorize the withdrawal of the one hundred sixty three thousand eight hundred dollars (\$163,800) from the Fire Truck Capital Reserve Fund for the down payment to lower the agreement amount to two hundred eighty-five thousand four hundred fifty-six dollars (\$285,456) payable over the term of 10 years. This agreement does not contain an escape clause the annual payment of thirty-three thousand six hundred thirty-five dollars (\$33,635) will begin in 2014 with no payment due in 2013 and requires a 2/3<sup>rd</sup> ballot vote for passage.

Recommended by the Selectmen 2-0-1

Not Recommended by the Advisory Budget Committee 0-3-4

Article 3. To see if the Town will vote to raise and appropriate the sum of fifty thousand dollars (\$50,000) for the purpose of repairing or replacing Engine 1 the pumper truck. This article will be passed over if Article 2 passes.

Recommended by the Selectmen 2-0-1

Not Recommended by the Advisory Budget Committee 3-1-3

Article 4. To see if the Town will vote to raise and appropriate the sum of two million two hundred eighty-three thousand five hundred ninety-eight dollars (\$2,283,598) for general Town operations with discussion and amendments to be considered line by line.

Recommended by the Selectmen 2-1-0

Not Recommended by the Advisory Budget Committee 2-5-0

**Article 5.** To see if the Town will vote to raise and appropriate the sum of one hundred thousand dollars (\$100,000) for the beginning reconstruction of East Madison Road. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the funds have been exhausted with the completion of the project or by December 31, 2018, whichever is sooner.

Recommended by the Selectmen 3-0-0

Recommended by the Advisory Budget Committee 7-0-0

Article 6. To see if the Town will vote to authorize the Selectmen to enter into a four year lease/purchase agreement for one hundred eighty-five thousand dollars (\$185,000) for the purpose of leasing a new Highway Dump Truck with sander, plow and frame and to raise and appropriate the sum of forty-nine thousand five hundred dollars (\$49,500) for the first year's payment for that purpose. This lease agreement contains an escape clause and a buyout option for one dollar (\$1) at the end of the four years.

Recommended by the Selectmen 3-0-0

Not Recommended by the Advisory Budget Committee 3-4-0

Article 7. To see if the Town will vote to raise and appropriate thirty thousand dollars (\$30,000) to be placed in the Assessing Expendable Trust Fund.

Recommended by the Selectmen 3-0-0

Recommended by the Advisory Budget Committee 7-0-0

Article 8. To see if the Town will vote to authorize the Selectmen to enter into a three year lease/purchase agreement for twenty-nine thousand eight hundred dollars (\$29,800) for the purpose of leasing a 2013 SUV Police Cruiser and to raise and appropriate nineteen thousand three hundred ninety dollars (\$19,390) of which ten thousand six hundred fifty dollars (\$10,650) will apply to the first year's payment for that purpose and eight thousand seven hundred forty dollars (\$8,740) to outfit the police cruiser. This lease agreement contains an escape clause and a buyout option for one dollar (\$1) at the end of the three years.

Recommended by the Selectmen 3-0-0

Recommended by the Advisory Budget Committee 7-0-0

Article 9. To see if the Town will vote to raise and appropriate ten thousand dollars (\$10,000) to be placed in Highway Heavy Equipment Expendable Trust Fund.

Recommended by the Selectmen 2-1-0

Recommended by the Advisory Budget Committee 4-2-1

Article 10. To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000) for the purpose of allowing the Town's cable subscribers to continue to view Conway PEG TV on channel 3.

Not Recommended by the Selectmen 1-2-0

Not Recommended by the Advisory Budget Committee 1-4-2

Article 11. To see if the Town will vote to raise and appropriate five thousand dollars (\$5,000) for the purpose of purchasing upgraded computer equipment for Madison PEG TV. This article will be passed over if Article 10 passes.

Not Recommended by the Selectmen 1-2-0

Not Recommended by the Advisory Budget Committee 1-3-3

Article 12. To see if the Town will vote to abolish the Fire Commission and to change the organization of the Town of Madison Fire Department legally known as Madison Fire & Rescue to provide that the Board of Selectmen shall appoint a fire chief and the fire chief shall appoint firefighters in accordance with RSA 154:1, I(a). This change, if approved, shall not take effect until one year following approval of this Article.

Article 13. To see if the Town will vote to dissolve the Library Equipment Expendable Trust Fund. Said sum with accumulated interest to date of withdrawal is to be transferred to the Town's general fund.

Article 14. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of purchasing a Highway Backhoe and to raise and appropriate the sum of one hundred eleven thousand dollars (\$111,000) to be placed in this fund with this sum to come from the unassigned fund balance. Furthermore, to name the Board of Selectmen as agents to expend from the fund. (Majority vote required).

Recommended by the Selectmen 2-1-0

Not Recommended by the Advisory Budget Committee 3-3-1

Article 15. By Petition. "To see if the Town will vote to remove the designation of Highway to Summer Cottages, pursuant to RSA 231:81-11 (b) a section of Lead Mine Road (a Class V highway) beginning at the intersection of Lead Mine Road and Black Brook Road and continuing westerly on Lead Mine Road to the western boundary of the parcel of land identified as Map 257, Lot 2.1 in the town of Madison, NH." Removing the summer highway designation from this section of Lead Mine Road will authorize the town to provide year-round maintenance of the Class V road accessing the occupied permanent dwelling located on the parcel of land identified as Map 257, Lot 001 in the town of Madison, NH. Petition signed by Donna Veilleux, et al.

Article 16. By Petition To see if the Town will vote to raise and appropriate three thousand dollars (\$3,000) in support of Carroll County Transit's Senior Transportation. Petition signed by Barbara Anderson, et al.

Not Recommended by the Selectmen 0-3-0

Not Recommended by the Advisory Budget Committee 2-4-1

Article 17. By Petition. To see if the Town will vote to raise and appropriate the sum of six thousand five hundred eleven dollars (\$6,511) for the support of White Mountain Community Health Center to help meet healthcare needs of the uninsured and underinsured residents of the Town of Madison. Petition signed by Ann Bartlett, et al.

Recommended by the Selectmen 3-0-0
