Town of Middleton Annual Report 2015

Dedication

CHERLY KIMBALL

In 1993 Cheryl Kimball came to Middleton and settled down on a small farm on Silver Street. She brought with her knowledge of nature, a love for animals and the rural landscape the town had to offer. Her enthusiasm and dedication for the town grew over the years for many of its historic structures, landscape and its rich abundance of wildlife. One of her favorite buildings was the Old Town Hall, which is a building that has been used on a regular basis since it was erected in 1800's. In 2002 her marriage to Jack Savage was held on the second floor Chapel of the Old Town Hall among the old pews and the historic murals by John Avery.

Cheryl has been one of the guiding forces in leading the community to pursue the preservation of the Old Town Hall. In 2010 she embarked on a program to historically restore the building and in 2011 secured initial funding from the NH Preservation Alliance which started the process. In 2014 she was instrumental in securing a major grant from the NH Land and Community Investment Program, LCHIP as well as from the NH Council for the Arts. The substantial grants provided the initial resources in which to begin the full historic restoration of the building as well as the historic murals by John Avery. It has been Cheryl's dedication to the Old Town Hall and her love for the preservation of Middleton and its rural character that we dedicate her accomplishments in this year's Town Report.

Incorporated: 1778

Origin: This territory was first granted by the Masonian Proprietors in 1749. It may have been named for Sir Charles Middleton, Lord Barham, an admiral of the Navy who had served in the West Indies. Middleton was situated on the road between Exeter and Wolfeboro, the location of Governor John Wentworth's summer home, Kingswood. Neglect of the road caused the Governor to bill the proprietors for repairs that he had to make for safe travel to Kingswood. In 1785, residents of the northern portion of Middleton and part of Wolfeboro petitioned for a separately incorporated town. The first petition was at first denied, but then was granted in 1794 as Brookfield.

Villages and Place Names: Middleton Corners

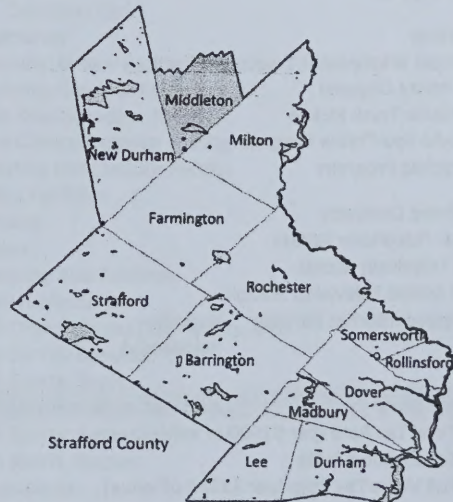

Population, Year of the First Census Taken: 617 residents in 1790

Population Trends: Population change for Middleton totaled 1,163 over 53 years, from 349 in 1960 to 1,512 in 2013. The largest decennial percent change was a 71 percent increase

between 1970 and 1980, followed by a 66 percent increase between 1980 and 1990. The 2013 Census estimate for Middleton was 1,512 residents, which ranked 160th among New Hampshire's incorporated cities and towns.

Population Density and Land Area, 2013 (US Census Bureau): 83.6 persons per square mile of land area. Middleton contains 18.1 square miles of land area and 0.4 square miles of inland water area.

Selectmen's Report

2015 was another busy year in Middleton.

Jon. B, Hotchkiss was re-elected as Selectman for a 3-year term. Mike Schwarz was elected as Selectman for a 2-year term. We, including Joe Bailey, have invested much time and energy towards the betterment of our Town.

Fire Chief Sam Morrill resigned. Bill Lawrence became our new Fire Chief. He has increased membership of both firefighters and EMS personnel. Under his guidance, mutual aid support to surrounding towns has greatly increased. Much work has been done to improve the interior of the firehouse and the newly purchased Fire Dept. office trailer.

Renovations have been completed at the Highway Garage, including proper insulation and new interior walls. The winter of 2014-2015 presented many challenges. Rick Washburn and the highway crew did an excellent job of keeping our roads open and safe.

The Police Dept. added a new cruiser through detail monies. They have been busy answering the needs of our citizens. Thank you, Chief Sobel and your officers.

Progress continues on the construction of our new elementary school. When completed, it will be the source of much pride in our town.

We thank you for your continued support and look forward to 2016.

Thank You,

Town of Middleton
Board of Selectmen

Joe Bailey, Chairman
Michael Schwarz, Vice Chairman
Jon B. Hotchkiss

Town of Middleton

Warrant Articles for Town Meeting 2016

To the inhabitants of the Town of Middleton, in said state and county, qualified to vote in Town affairs:

You are hereby notified to meet at the Middleton Municipal Building on Tuesday the 8th day of March in the year 2016 at eleven o'clock in the morning (11:00 am), with polls not closing before seven o'clock in the evening (7:00 pm), to act upon the following:

Report of the Town Clerk/Tax Collector

Town Meeting March 12, 2016

Greetings Residents:

Thankfully, so far, this winter season has been a breeze for most of us, which is a nice change from last year.

Recently, my deputy Nora and I have been discussing plans for some changes to hours of operation and security to the Clerk's Office by 2017 Town Meeting. Providing that the Board of Selectmen's Warrant Article for a more secure environment to the Municipal Office passes at this year's Town Meeting, I will be submitting my own Warrant Article at 2017 Town Meeting for your approval to increase my office hours by 6 more hours to accommodate residents more efficiently, which will give my office 32 hrs/week, possibly being open an extra evening.

Just a reminder: "One-check" processing for MV, with the ability to renew registrations on line as well as renewing dog tags, and, as always, being able to go to our tax kiosk to view, pay or print receipts of your tax bill. All of these venues can be accessed thru the town website at www.middletonnh.gov .

Dog tags are in and dogs should be licensed by April 30th. Unfortunately, I will not be doing a "Rabies Clinic" this year in April. I would like to conduct the clinic outside, later in the year, while the weather is tolerable for all of us, maybe in the fall. I realize this throws a wrench into the works for many of you, but I need to make a change, as I can't have the dogs in this building any longer and lately April has been too cold for the girls at Milton Vet Clinic to be sitting outside.

As always, we wish you well in the coming year

Deb OToole
Town Clerk/Tax Collector

Budget Committee Annual Report

I would like to start out by saying thank you very much to my predecessor, Jeannette Dixon-Haney, for being part of the creation of the Budget Committee, and leaving it the well-oiled machine that it was. I would also like to thank Marcia Stevens for keeping me in line this year. That should have been a paid position.

While I was a member of the Budget Committee last year, I didn't know what I was getting myself into when I agreed to be the Chairman this year. I have learned a lot and will continue to learn more as time goes on. This is a thankless job for us usually because we are the bad guys in the eyes of most as we are the ones to suggest taking away from department budgets.

While we appreciate all that the Department Heads do in their day-to-day routines, and the extra work in the crunch of budget season, it is usually something they feel is an unfair process because we try to squeeze every dime out of them in order to try to lower the tax impact to the people of Middleton. This is our job as a Budget Committee and will not and should not change.

This year was an exceptional challenge for all of us with the School Budget and impact from that. With the near completion of the school building project, we feel that the worst is almost over and tax impacts should be better as time goes by. The school is going to have a positive impact on the growth of the town and future generations.

I want to thank all of the members of the Budget Committee, Sandy Bruedle vice Chair, Marcia Stevens Secretary, and members Mike Joy and Kate Gay. John Mammone was the Middleton School Board representative, Janet Kalar was the Village District representative and Mike Schwarz was the Selectmen representative. We worked well together and I look forward to the coming years.

Respectfully Submitted,
Kathleen Landry, Chairman

Sunrise Lake Village District Report

Fiscal Year 2015

Check#	Date	Description	Debit	Credit
1094	01/29/15	Bond Interest Payment	\$7481

District Officers

Chairman/Commissioner	Jerri Waitt	(2018)
Commissioner	Jon Hotchkiss	(2016)
Commissioner	Henry Pedersen	(2017)
Treasurer	Evelyn Campbell	(2018)
Clerk	Janet Kalar	(2017)
Moderator	Jack Savage	(2016)
Auditor	Janet Kalar	(2017)

In the spring of 2015 the Village District will be looking for bids on the mowing of the dam, please contact a member of the Village District or attend any of our meetings. For the last two years Ken Kalar has been doing a great job maintaining the grass on the dam and preventing erosion. We are also looking for people interested in being a part of the Village District management team as the Treasurer is looking to retire and the Clerk/Auditor may be moving out of town/the district. If you are interested please attend our meetings or contact a member of the team. Be sure to keep your ears and eyes open for postings of the Village Districts upcoming budget season with our Budget Workshops (usually in March) Public Hearing (usually in April) and our Annual Meeting (usually in May).

Highway Department Report

Another year has passed and again it was a very busy one for us at the Highway Dept. We started out with record breaking winter snowfall totals.

We were out dealing with storms 36 times after regular hours worked. This required a lot of overtime and materials. We did apply for FEMA assistance and after many hours of paperwork received \$13,000.00 to help with extra man hours and materials.

I would like to thank Laura for her assistance in the paperwork process and meetings. Again this year we processed all gravel and sand needed from our own pit location saving thousands of dollars.

Also this year we were required to update our A.O.T. permit for the Kings Highway pit and managed to obtain a 6 year continuance. Also we have done a lot of work on designs and plans for Highway lot on Ridge Road.

Extensive road work was done on Nicola Road from tree pruning to road reconstruction 3000 plus yards off 4" minus gravel. 2500 yards of 3/4 crushed gravel was trucked in to repair all unsuitable materials that were in the road bed 280 feet off. Various size culverts were also replaced and base paved with 3/4 base pavement 2 1/2" thick. This project took more time than planned but ending with fantastic results. We apologize for any inconvenience this caused anyone.

I would like to thank the people who made it happen, my crew; Ed Brannan, Rob Page, Pete Masse and all the contractors that were also involved. I would also like to thank the Board of Selectman and you, the residents, for your continued support.

Respectfully submitted,

Rick A Washburn
Middleton Road Agent

Rick Washburn

Middleton Fire Department

2015 had brought a few changes to our department. I was appointed the Fire Chief of a great group of dedicated members who strive to excel and desire to become better to serve our town and the surrounding community. Some of the changes included David Silbernagel coming back to the Fire Department as the Captain and two promotions with Mike Laviolette FF LT and Laura Parker EMS LT.

The Fire Department saw a 29% increase in calls in 2015 compared to the previous year with a total of 242.

EMS	128
Fires	11
Medical Aids	12
Fire M/A	17
EMS Assist	41
MVA	5
Weather Related	9
Outside Fires	11
HazMat	1
Calls for Service	17
Chimney Fires	2

In 2016 with the new school opening, the Fire Department is working on an Emergency Response Plan and inspections as well as looking forward to the upcoming Fire Prevention Week. We strive to keep our training skills sharp so we can provide the community with the utmost expectations and requirements when needed.

We would like to thank each and every one of you for your support and look forward to serving you in 2016. I would like to thank our members for all their hard work and countless hours spent away from their families. If you would like to join the Middleton Fire Department or have any questions, please call Captain Silbernagel at 603-617-0270 or email at middletonnhfirechief@gmail.com

Thank You,

Chief Lawrence

Middleton Police Department Annual Report

The Year of 2015 brought us many challenges. We experienced the loss of a full time officer and have had a full time Sergeant on medical leave the entire year. Pushing through this we managed to finish the year at or near our predicted budget.

Starting in July 2015, our police department began focusing on the emergency training for our new School. Not having a responsibility of a school in Town in the past caused us to revamp our whole emergency planning and operations.

During 2015 our entire staff was trained in advanced first aid. We also assigned officers to active shooting school as well.

As we progress into 2016 we will continue to train the entire department on the tasks necessary to keep our Children and School Staff Safe.

During 2015 we saw an increase in Crimes Against the Person. These are the assaults and rape categories of crimes. Our property crimes which are our Thefts and Burglaries were reduced greatly.

We look forward to the challenges of the year 2016 and will strive to do our best with the Protection of Our Community.

Respectfully,

Randy M. Sobel,
Chief of Police

2015 Emergency Management Report

The Emergency Management Director (EMD) is a position appointed by the Board of Selectmen.

The Mission of the EMD is to:

- *Work closely with all the emergency response managers to collectively prepare Middleton for emergencies.
- *Advise and help implement the planning and coordination for mitigation, preparedness, response and recovery from all disasters.
- *Work closely with all governments and organizations at the local, regional, state and national levels to build effective national emergency management.

2015 EMD Activities:

- *Served on the Town's Joint Loss Management Committee.
- *Reported activities to the Board of Selectmen at their monthly department head meetings.
- *Served on the School Safety Plan Committee.
- *Reviewed New Hampshire and other States School Emergency Response recommendations.
- *Reviewed NFPA, OSHA, SAFC6000 and ADA Standards regarding safe ingress and egress.
- *Reviewed MUTCD (Manual on Uniform Traffic Control Devices).
- *Reviewed Budget for 2016.

I would like to thank the previous EMD, Jon Hotchkiss, for all of his hard work and dedication to the Town. Jon has spent a tremendous amount of time over the years working on The Town's Emergency Response Plan and attending training sessions.

I would also like to thank all Town officials, Department Heads, and Emergency Responders for their valued assistance and guidance in my role as EMD.

As many of you know with the addition of a school and the continued evolution of the Town the role of EMD is constantly changing. New Hampshire has and will experience all hazards (Natural, Technological and Human caused) except an active volcano.

Michael Schwarz
Emergency Management Director

Code Enforcement Officer Building Inspector Health Officer Annual Report

For the year 2015, building permits were issued as well as electrical permits. And this year we added separate permits for propane, plumbing and solar panels installation. Our 2015 permits were issued as follows:

- 7 New Homes
- 4 Propane/Plumbing Installations
- 13 Repair and Replace including Roofing
- 4 Renovations
- 2 Home Demolition
- 1 Garage Demolition
- 1 Shop Demolition
- 2 Mud Rooms
- 12 Sheds
- 1 New School
- 1 Trailer Replacement for Fire Dept
- 1 Restoration of Old Town Hall
- 1 Garage
- 1 Fence
- 1 Siding
- 1 Foundation only
- 1 Deck
- 1 Handicap Ramp
- 1 Solar Panel

There are a total of 56 permits issued for a total of \$7,376.96 collected in fees.

This year has seen an increase in permits and building activity. That and because of the wide variety of permits, I have been kept quite busy.

I still take classes on both Health and Building Inspection issues. This year the addition of Solar Panel and Propane/Plumbing installations has increased my time spent on the job but this makes the job even more interesting.

My regular Office Hours continue to be on Mondays from 4:30 – 6:30 but I am always ready to assist you whenever possible. My cell is 755-1083. If you have questions if a permit is needed, please call my cell phone and ask.

Thank you for the support for the whole community.
Respectively Submitted,

John Mammone
CEO / Building Inspector / Health Officer
Town of Middleton

Zoning Board of Adjustment

The Zoning Board of Adjustment received and acted upon very few area variance applications once again this year. We have been fortunate to have members who exercise careful and thoughtful prudence in performing the duties of a member of this important board! We continue to seek dedicated townspeople interested in serving the community. I have had the pleasure of serving as a member of the ZBA for over 35 years with many caring and understanding residents. I feel that now in my retirement years it is time for me to step aside and allow fresh ideas and younger citizens to take over.

It has been a pleasure to serve our community and its citizens for so many years. Thank you for your confidence and support. As a reminder to the public the ZBA conducts its regular business meetings on the 2nd Tuesday of the month at 6:30 pm. We do ask those seeking a variance to complete an application and submit it to the Selectmen's secretary at least two weeks prior to our monthly meeting date.

Respectfully Submitted,
Al Poulin- Former ZBA Vice-Chairman

Welfare Report

In 2015 Welfare expenditures declined by approximately \$760.00. In meeting the Town's obligation per RSA 165 I have been requiring each applicant that applies for town assistance to complete a detailed application for assistance, which includes providing financial documents pertaining to assets, monthly income and expenses. Using these financial documents and town guidelines I am able to determine whether or not the applicant qualifies for assistance. The Town does not offer cash assistance to the applicant but rather pays current bills such as utilities and rent directly. Every effort is also made to refer the applicant to other agencies that may provide specialized assistance. During the Municipal Conference this year, I learned about a program called Neighbor Helping Neighbor. This is a nonprofit corporation that helps utility customers that may not qualify for other government funded programs. If you would like to learn more about this program or to donate, please visit nhnfund.org. Every cent of the tax-deductible contribution goes directly to someone in need.

The table below provides a summary and breakdown of the types of assistance that was provided within 2015. Please note, not all who apply will receive assistance. With review of circumstances, some were not eligible.

I would like to thank all individuals and organizations who have provided goods and services that town welfare cannot. Without the help from these individuals and organizations, the burden of the Town's welfare would be impossible to bear.

Respectfully submitted,
Laura Parker
Welfare Director

Middleton Planning Board Year in Review

The Middleton Planning Board was very busy during 2015. Some very important updates, additions and activities were completed. The Board continued to review requests for Voluntary Mergers and acted upon six, of which all were approved. It also continued to review ongoing projects, such as the Middleton Golf Resort Project as well as putting forth non-binding recommendations to the Middleton School Board in regards to Town ordinance compliance. Additionally, the Board advised the BOS on the process of properly permitting the proposed Cell Tower site.

The Board embarked upon one of its most important task- updating its zoning ordinances and regulations. A new Site Plan and Sub-division regulations were developed and approved. A newly updated Driveway Access Regulations was developed and approved.

The most important task, however, was the Board's tedious and methodical task of completely updating and revising its current Zoning Regulations. The Board met nearly every week beginning in June to review every regulation line by line and revised them and developed a completely new regulation. While keeping most regulations intact it updated them and added new ones to reflect current statutes and community trends. It is the intent of the Board to present those newly revised regulations for Town approval.

In 2016 the Board will embarked upon an ambitious task of finally submitting a CIP as well as updating the Master Plan. It will also continue to update its processes and administrative procedures. The Board will continue to monitor land use trends while maintaining the safety and well-being of the residents of Middleton.

One final note. Many Boards within the Town are lacking sufficient members to efficiently conduct business. Many have just the minimum at any one time to legally and properly conduct business. The Middleton Planning Board is one of the Boards. I ask all of you to consider becoming a member. While it may seem time consuming at time we need our residents to participate in the process and guide us through are various assigned tasks. Please contact any Board member for further information.

John A. Mullen Jr.
Chair
Middleton Planning Board

Middleton Conservation Commission

Annual Report

This year the Commission continued to be strongly interested in the protection of the local environment, particularly with respect to water. One area of importance is the Tanglewood area that contains the largest inflow stream to Sunrise Lake, by protecting this land we will help ensure the high water quality of the lake. On Sunrise Lake the annual Volunteer Lake Assessment was conducted, if you wish to review the results from the tests they are available online at des.nh.gov Volunteer Lake Assessment Program individual Lake reports. Once again in an effort to keep the invasive plant Milfoil in check Diver Assisted Suction Harvesting was used in Sunrise Lake .The milfoil infestation in Sunrise Lake was aggressively attacked in July and nearly 900 gallons of the vigorous plant was removed by three days of Diver Assisted Suction Harvest. The plants were removed by hand by New England Milfoil on July 2, 2015, July 28, 2015 and July 29, 2015. The results appeared good. However, in early September NH DES did a follow-up survey and found that the pesky milfoil came back in a vengeance. Cause for this was not totally determined, but clarity of the lake late in the summer and lack of Weed Watcher participation could have contributed. This re-growth will be aggressive treated in 2016 with Diver Harvesting being the desired method of mitigation. Also, a renewed effort to increase Weed Watcher participation will be a prime goal for 2016. Finally, the Commission continues to work on creating a Town Forest management plan for the Town Forest.

The Commission is always looking for volunteers. Our volunteers are the key elements in helping the commission reach its goals and support its mission. If you care about water quality, wildlife habitat please consider becoming a volunteer, we could use your help.

Thank you Evelyn Campbell, Carol Vita, John Mullen and Pastor Tom Gardiner for donating your time and talent to safeguard our clean water and healthy environment.

Kate Buzard, Middleton Conservation Commission Chair.

Middleton Heritage Commission Report 2015

The year started off slowly as we awaited work to begin on the renovation of the Old Town Hall. In late spring we held a team meeting to map out the timing, needs, and initial plans. All contents of the building were moved to a storage unit on site. In June, Bedard Preservation Contractors arrived. Once they started, things began to move quickly!

Things of significance that have been accomplished so far:

--the concrete vault was removed. Despite anecdotal reports and careful removal of the concrete and digging the ground in front of it, no "time capsule" was ever found.

--Multiple jacks were used to raise the sags in the building on all sides. Careful observers will note that some amount of sag still exists. Our mural expert/consultant, Tony Castro, was on site to monitor the John Avery murals on the second floor throughout this process. The building was raised as far as the murals allowed which is to the point of whatever sag was present when the murals were painted.

--The foundation was completely reconstructed. The original granite sills were cleaned of concrete used in some "repairs" in the past and repositioned.

Work ended for the year with the Old Town Hall looking much happier and more secure. Currently we are awaiting bid review and to make a decision about the new furnace. After the new furnace is installed, the interior work will begin.

Through building forensics from years of experience, the Middleton Old Town Hall began to tell its own story which is a bit different from the story that has circulated for years. The MHC and Bedard contractors are carefully recording that story in notes and pictures which will be told to the townspeople at a grand re-opening scheduled to occur by Old Home Week 2016.

The Middleton Heritage Commission would like to thank all those involved in this project thus far and all those who have "purchased" a pew to help with the LCHIP match.

Lastly, terms of many of the current members of the MHC will be up this year. We encourage anyone interested in the future heritage work of our town to step forward to join the commission.

Respectfully submitted,

The Middleton Heritage Commission

Cheryl Kimball, Chair

John Mullen, Vice Chair

Mary Kimball, Treasurer

Jill Mullen, Secretary

Lisa Boyle, Alternate

Assessing Department

Middleton property sales continue on the upswing in quantity and with most of the sales prices coming in at or above assessed value. Our median Sales to Assessment ratio is 102.5%.

As usual our assessing data collector from Avitar will be visiting properties to review progress made on new and unfinished construction and on properties that had filed 2015 abatements. Late this summer all properties on tax maps 1, 2, 3 and 4 not viewed by Assessors since 2013 were visited to verify assessment data. This is a good time to make sure you are not being incorrectly assessed.

Any person visiting your property for assessing purposes will be obviously identified with a picture ID. Our Town Office personnel and Police Department will also be aware of their presence in the area.

PLEASE get your current your Property Assessment Cards. Your taxes are based on these assessment values. "Property Cards" (currently 8 ½ x11 sheets paper) can be obtained from our Selectmen's Secretary, Laura, or me at the Town Office.

My office hours continue to be on Tuesdays from 8am through 4pm at the Town Office. I can be reached there in person or on my direct phone line of 473-5208 during those hours. I am always glad to review your assessment data with you and to assist with any other assessing concerns.

Tax Credit and Exemption Reminder

Veterans Tax Credits are available to qualifying Veterans who are full-time Middleton residents and have lived in New Hampshire for at least 1 year.

The Town of Middleton has also voted to support 2 types of **Assessment Relief Exemptions** for its full-time residents: for the **Elderly** (over 65) and for the **Blind**. There are rules to be followed and conditions that must be met to qualify for either of these exemptions. Applicants for the Elderly also have to satisfy restrictive income and asset levels. If the Solar Warrant Article passes at our 2016 Town Meeting, those with Solar Panels should see me BEFORE 4/1/16.

Tax Credit and Exemption forms must be filed by April, 15th before the first 2016 tax bill.

Respectively submitted,

Pamela Peper Frazier
Assessor Clerk

TITLE LXIV PLANNING AND ZONING

CHAPTER 674 LOCAL LAND USE PLANNING AND REGULATORY POWERS

Regulation of Subdivision of Land

Section 674:39-aa

674:39-aa Restoration of Involuntarily Merged Lots. –

I. In this section:

(a) "Involuntary merger" and "involuntarily merged" mean lots merged by municipal action for zoning, assessing, or taxation purposes without the consent of the owner.

(b) "Owner" means the person or entity that holds legal title to the lots in question, even if such person or entity did not hold legal title at the time of the involuntary merger.

(c) "Voluntary merger" and "voluntarily merged" mean a merger under RSA 674:39-a, or any overt action or conduct that indicates an owner regarded said lots as merged such as, but not limited to, abandoning a lot line.

II. Lots or parcels that were involuntarily merged prior to September 18, 2010 by a city, town, county, village district, or any other municipality, shall at the request of the owner, be restored to their premerger status and all zoning and tax maps shall be updated to identify the premerger boundaries of said lots or parcels as recorded at the appropriate registry of deeds, provided:

(a) The request is submitted to the governing body prior to December 31, 2016.

(b) No owner in the chain of title voluntarily merged his or her lots. If any owner in the chain of title voluntarily merged his or her lots, then all subsequent owners shall be estopped from requesting restoration. The municipality shall have the burden of proof to show that any previous owner voluntarily merged his or her lots.

III. All decisions of the governing body may be appealed in accordance with the provisions of RSA 676.

IV. Any municipality may adopt local ordinances, including ordinances enacted prior to the effective date of this section, to restore previously merged properties that are less restrictive than the provisions in paragraph I and II.

V. The restoration of the lots to their premerger status shall not be deemed to cure any non-conformity with existing local land use ordinances.

VI. Municipalities shall post a notice informing residents that any involuntarily merged lots may be restored to premerger status upon the owner's request. Such notice shall be posted in a public place no later than January 1, 2012 and shall remain posted through December 31, 2016. Each municipality shall also publish the same or similar notice in its 2011 through 2015 annual reports.

Middleton Recreation Committee

2015 was a fairly busy year for us. We engaged in 16 events starting in April and ending in December.

In April we started the year with a RADA fundraiser. In May we held our Chili and Salsa Cook-Offs followed by our Sunday Sundae. In June we held another fundraiser: our 1st Lobster Dinner.

Old Home Week started with an Old Car Show and Touch a Truck (Thank you to Rick Washburn and crew) and a free sub sandwich followed by Movie Night, Health Fair (Thank you to Fire and EMS), we had a Penny Sale and Bingo under the Stars.

We applied for and now have our 501C 3 Tax Exempt Status and EIN number.

November we held the Halloween Party at the Highway Garage and everyone was entertained by Wildlife Encounters and as always a great show, with lots and lots of candy on our haunted walk! Thanks to all who helped decorate and setup the haunted walk.

With the renovations going on with the Old Town Hall we did not put on the Harvest Dinner this year but hopefully 2016 will allow us to resume with the dinner.

We closed out the year with the Holiday Party.

A huge thanks to Chief Sobel and officers; who helped all through the year with security and safety with our events.

Thank you to all committee members, Board of Selectmen, Town departments and volunteers for your support.

We currently have a balance of \$1556.12.

Thank you, again

Recreation Chair, Joe Bailey

To our Community Partners in Middleton, NH,

Cornerstone VNA is a 501(c)(3) non-profit organization, providing home health care services in 34 communities in Rockingham, Strafford, Belknap and Carroll Counties in New Hampshire and York County in Maine. Since 1913 Cornerstone VNA has been committed to bringing home health care services to people of all ages so that families can stay together at home, even when facing the challenges of aging, surgical recovery, chronic or life-threatening illnesses and end of life care.

Cornerstone VNA highlight of service visits for 2015 in Middleton, NH:

<u>Area</u>	<u>Middleton</u>	<u>Strafford County</u>	<u>Total Services</u>
Home Care/Perinatal	575	34,514	39,715
Hospice Care	15	7,985	9,217
Life Care	26	7,430	7,650
Palliative Care	7	316	334

Being mission driven, we are committed to bringing services to *people of all ages regardless of their ability to pay*. We provide skilled nursing, physical, occupational and speech therapies, social work, and volunteer & support services through five distinct programs: **Home Care, Hospice Care, Palliative Care, Life Care and Community Care.**

Your funding helps make Cornerstone VNA one of the leading nonprofit home health care providers. Who benefits from your funding? Every life in Middleton that is touched by a member of our dedicated and skilled team of professional clinicians benefits from your generous gift. Your support enables Cornerstone VNA to maintain its high standard of excellence in providing home health care. When you support Cornerstone VNA and its remarkable initiatives, you are not only supporting your health care, but the health care of loved ones, your friends, neighbors and those less fortunate. Our team is committed to fulfilling our mission to provide trusted, compassionate and expert care to those in our community who need our services!

GROWING CHALLENGES

We recently celebrated 100 years of care. The standards and regulations needed, and continuing education required, are extensive in order to provide extraordinary care. Cornerstone VNA and those who count on it face relentless challenges. Today with the advancement of healthcare we are witnessing several major trends:

- The rapid emergence of new technologies
- The demand for advanced medical care in home health
- Baby Boomers begin to inundate the healthcare system, requiring extra care
- Decreasing Medicare reimbursements and rising costs of healthcare
- Renewed focus on preventative health care concepts
- Changes in healthcare aimed at wellness programs and education (to reduce the impact of lifestyle disease)
- Patient-centered, comprehensive approach to care (coordinates all facets of a patient’s care & medical history)

OUR VISION

Today, the role of the VNA is more important than ever as patients spend less time in the hospital and return home with more complex issues than ever before! To meet the demands of the 21st century, Cornerstone VNA’s highly trained clinicians are anticipating and responding to the current trends in health care including the need for new programs and services in preventative care, palliative care and technology in the home setting.

In closing, we are grateful for the privilege of providing trusted, compassionate and expert care to every member of the community regardless of their ability to pay for services. Thank you for supporting members of your community and our dedicated team of home health care providers.

Respectfully,
Julie Reynolds

Julie Reynolds, CEO
Cornerstone VNA

Community Action Partnership of Strafford County is a 501(c)(3) private non-profit organization. We work with community, state and federal partners to assist thousands of individuals and families each year, and the majority of program participants have extremely low incomes (below 75 percent of the federal poverty threshold). Our mission is to educate, advocate and assist people in Strafford County to help meet their basic needs and promote self-sufficiency.

2015 Highlights:

- Our agency provided more than \$2.2 million in federal fuel assistance to 3,191 households in Strafford County during the 2014-2015 heating season. A total of 67 households in Middleton received \$46,498 in fuel assistance.
- Over the past year, 58 households received a discount on their electric bill through agency's Electrical Assistance Program at a value of \$26,680. The average benefit was \$460.
- We provided Middleton residents with 181 holiday food baskets valued at \$5,430 and emergency food provisions valued at \$4,284.
- In all, more than \$193,021 worth of goods and services were provided to Middleton residents.

Without the services provided by our agency, many local residents would be without a means to provide for their basic needs, including food, education, child care, utilities assistance, job training and employment services, transportation, emergency shelter, homeless prevention and housing services and referrals. CAP maintains its outreach capacity by operating offices in Farmington and Dover and Head Start Centers in Dover, Farmington, Milton, Rochester and Somersworth.

Community Action Partnership of Strafford County has 130 employees and an \$8.9 million operating budget. We receive federal, state and local funding as well as United Way grants, foundation and charitable grants, fees for service, private business and individual donations. In May of 2015, we commemorated our 50th anniversary, and while we honor the past we are working toward the future with a focus on improved customer service and using a holistic approach to providing services to meet families' complex needs. With that basic tenant in mind, we strive to make sure our efforts are most effective in helping families today.

2016 Goals:

- **Single-point of Entry:** Our staff will provide an initial assessment and then work with clients to determine which services are needed in order to better respond to individual and family needs by using a holistic approach to service delivery. We will provide bundled services to meet the targets identified clients have set by providing support and access to a comprehensive range of services, which may include referrals and case management.
- **Customer Service:** We want to provide improved coordinated service through updated program software, staff development and a focus on making sure CAP is the first place people come to for help.
- **Early Childhood Education:** Through our Early Head Start/Child Care Partnership grant, we have partnered with local child care providers to offer Early Head Start slots in existing child care programs. Through this grant, our staff will provide enhancements to classrooms and improve relationships with local providers by providing professional development, additional training and increased pay.

North Bus

"Neighbors helping neighbors"

The North Bus continues to transport Middleton residents to Rochester every Thursday. Residents are picked up at their homes by a wheelchair accessible minibus and brought to grocery, pharmacy, and shopping destinations such as Walmart, Market Basket, Hannaford, and the Rochester Community Center. Riders are returned home by early afternoon.

The North Bus is available to all residents, but is designed especially to make it easier for seniors and individuals with disabilities to get around. Residents may make reservations up to two weeks in advance. The North Bus fare is \$5.00 round-trip or \$2.50 each way. Fares can be paid in cash or with discounted punch passes that are available by mail from COAST (8 one-way rides for \$18). The minibus also serves Farmington, New Durham, Milton, Wakefield, and Brookfield.

Please call **1-855-736-4287** to sign up or visit **www.coastbus.org/northbus.html** for more details and a complete list of destinations. For other transportation options, visit the Alliance for Community Transportation's website at **www.CommunityRides.org**.

COAST continues to recruit volunteer drivers for the North Bus. We greatly appreciate the generosity of our drivers and would like to add a few more individuals to the group. No CDL is needed, just a clean record. Volunteers driver 1 – 3 shifts per month. Drivers will not make change or handle fares.

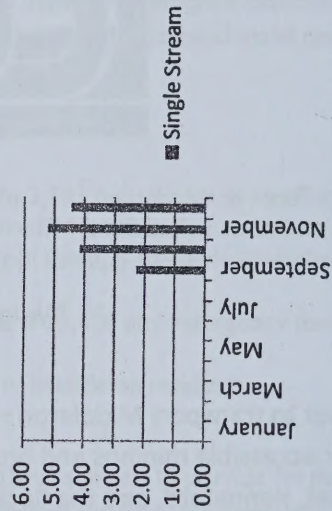

2015 Recycling and Solid Waste Totals by Month

Middleton	Curbside			Total Tonnage	Solid Waste	Total Tons
	Commingled	Single Stream	Waste			
January	n/a	n/a	0.00	44.43	44.43
