DEDICATION

This town report is dedicated to the memory of the following Shelburne citizens:

Elizabeth Davis

Elizabeth Davis passed away on June 1, 2017 at the age of 21. She was born in Concord on July 15, 1995. She was the daughter of Michael G. Davis and Judy E. Vorbeau. She lived in the Franklin-Tilton area, Freehold, New Jersey and El Paso, Texas before moving to Shelburne to live with Aunt & Uncle Joyce and Mike Scott and Grandmother Barbara LaPlume.

She was a very social person, who loved music, singing and hiking. She is missed by her grandmother, mother, stepfather, aunts, uncles and cousins.

Margaret Desmond

Margaret Desmond passed away on June 30, 2017 at the age of 92. She was born on October 10, 1924 in Dorchester, MA. She enlisted in the U.S. Marine Corps and was stationed in Washington, D.C. and worked in the US Department of Public Information. She and her husband, Lou retired to Shelburne in 1982.

Margaret was an avid reader, loved cooking and enjoyed family get-togethers. She is missed by her husband, Louis, of 67 years, three sons and their wives, grandchildren and great-grandchildren.

Jeannette Lemieux

Jeannette Marie Lemieux, a former Shelburne resident, passed away on April 21, 2017, at 81 years old. She was born in Berlin, NH on November 6, 1935. She worked for 25 years at Tourist Village Motel in Gorham. Jeannette's greatest joys were vacationing, spending winters in Florida and her family. She is missed by her sons, their wives, grandchildren, a great-grandson, nieces and nephews.

Danny Sun

Danny Sun passed away over Labor Day weekend 2017. He lived in Shelburne for several years and worked at Moriah Valley Farm Stand and gardens. He is missed by his friend, Steve Tassej, and his family.

Winthrop Grange

Winthrop Grange 315 passed away on December 5, 2017, after 106 years of service to the community. It was born in 1911 and had served its citizenry well with many projects. The state wide initiatives included lobbying for the formation of the NH State Police and the formation of the University of New Hampshire. More locally oriented programs included providing mittens and hats for local children, donating supplies to shelters, and The Dictionary Project (which provided dictionaries to all third graders in the Androscoggin Valley). The Grange has acknowledged countless citizens who have given back to their community, supported "100 Year Farms" and it provided a showcase for local needle-workers, photographers and artists. For many years, it also participated in the Fryeburg Fair, preparing award-winning displays. In recent years, membership had declined until it could no longer bear the burden. The organization will be sadly missed by all.

SPECIAL THANK YOU

To Stan Judge, Lucy Evans and Heidi Behling: Thank you for the job you do as Shelburne's governing body.

To John Gralenski for helping to sell bags at the Transfer Station and making sure all the doggies and kiddies are given their treats.

To Tim Hayes for his care and maintenance at the Leadmine Cemetery.

To Beverly Pinkham for taking care of the town hall flower garden and the large planter in the park.

To Bob Chapman for being a special friend to Shelburne for many years by allowing the use of his donated containers since the fire at the Transfer Station and also quickly repairing the damage done to the lawn at the war memorial.

To Bob and Bev Pinkham for volunteering their services to set up for the breakfasts, take the money, work in the kitchen and help with clean up.

To Ken and Paula Simonoko, Matt Tassej, Debbie Hayes and the many other volunteers who contribute to Dump'n Donuts each week, making it fun to take that weekly trip to the Transfer Station.

To David Hamel for taking care of the flags outside of the town hall and at the Memorial Forest.

To Paula Simonoko for her endless efforts to furnish the Highway Department Office to make it feel like home (including furniture, bottled water, soaps, etc.) as well as her dedication to making sure John always has treats for the kids and dogs.

To everyone who provided food and drink for the Fire Department during the October flood.

And to everyone that takes the time to volunteer to serve on committees or to hold town office: Thank you!!! It is all of you that make Shelburne a very special place to live.

Article 05: Modify Solar Exemption

It was VOTED TO MODIFY the exemption from the assessed value for property tax purposes per RSA 72:62 for solar energy systems as defined in RSA 72:61.

Motion by Ray Danforth & second by Greg Corrigan

Voted by secret ballot: 27 yes and 17 no.

Ray Danforth presented the following background information:

BACKGROUND REGARDING WARRANT ARTICLE 5

In March 2007, the town adopted the provisions of RSA 72:61 and 72:62 which allow a town to exempt solar energy systems, including those for heating, cooling and the production of hot water or electricity. The goal of the above RSA's, according to the

state Office of Energy and Planning, "is to create a tax neutral policy within a municipality that neither increases an individual's property tax, nor decreases the municipality's property tax revenues. By implementing it as a tax neutral policy, homeowners do not have a disincentive of higher property taxes for installing a renewable energy system, and since there is no net reduction in municipal tax revenues, other taxpayers in a municipality are not affected."

Then, in the spring of 2016, just at the beginning of the revaluation, in reviewing the town's exemptions, DRA (the Department of Revenue Administration) discovered that the town had been granting the solar exemptions for nine years, without assessing the solar equipment. Although the RSA states that an exemption can be given from the assessed value, DRA had finally decided that it must be an exemption off of the assessed value of **only** the solar equipment and not for more than the value of the solar equipment. Therefore, the assessments done last year included valuations for this equipment. Unfortunately, upon further investigation, it was determined that there were still some properties that were being granted an exemption that was higher than the assessed value for the solar equipment. The final conclusion reached was that something had to be done at the town meeting in 2017 to change the warrant article from 2007. Not fixing the 2007 warrant article tonight is not an option.

This has resulted in article 5 in the warrant that would fix the problems from 2007 by exempting the same value for each property as the assessed value for the solar equipment that they have installed. This will make it tax neutral.

Example: A house and property assessed for 200,000 with solar equipment assessed for an additional 10,000 = a total assessment of 210,000. With an abatement for the solar equipment of 10,000 = a 200,000 taxable value.

This exemption meets several goals:

- First it meets the goal stated by the Office of State Planning:
 - It would be tax neutral.
 - It would not be a tax roadblock to the installation of renewable energy for those considering a solar energy installation in the future.
- It would support the Shelburne Master Plan approved at the end of last year which has, as one of its goals:
 - "Continue to support low emission electrical generation including wind, water and solar."

Ray would be pleased to answer any questions and the town would welcome any opinions. A discussion ensued. Several people spoke in favor of the exemption to encourage the use of alternative energy. Others spoke against it because they felt it only benefited a few people and others should not have to pay for those systems.

Article 06: Modify Elderly Exemption

It was voted to Modify the elderly exemptions from property tax in the Town of Shelburne, based on assessed value, for qualified tax payers, as follows: for a person 65 years of age to 74 years of age-\$10,000; for a person 75 years of age to 79 years of age-\$20,000 and for a person 80 years old or older-\$30,000. To qualify, a person must have been a resident for at least 3 consecutive years, own real estate individually or jointly, or, if the real estate is owned by such persons as a spouse, they must have been married at least 5 consecutive years. In addition, the tax payer must have a net income of not more than \$20,000 or, if, married, a combined net income of not more than \$30,000 and own net assets of not in excess of \$50,000, excluding the value of the persons residence.

Motion by Alan Peabody and seconded by Ray Danforth

Article 07: Change of Purpose

It was voted to Change the Purpose of the existing Town Building Capital Reserve Fund to the Town Building and Renovation Capital Reserve Fund. To allow funds to be used to construct a new building or make renovations to and existing building and further to add the Board of Selectpersons as agents to expend from this fund. (2/3 majority vote required). Motion by Jennifer Corrigan and second by David M. Landry

The vote was taken by a show of hands with 45 yes votes and 0 no votes.

Article 08: Town Building & Renovation Capital Reserve Fund

It was voted to raise and appropriate \$25,000 to the Town Building Capital Renovation previously established. (12/31/2016 Balance-\$24,730. 13-\$7,433.98 transfer in transit= \$17,296.15) [The Board of Selectpersons and the Budget Committee recommended this appropriation.]

Motion by Heidi Behling and second by Stanley Judge

Article 09: Fire Works Ordinance

It was voted to restrict the discharge of permissible (consumer) fireworks as proposed below:

ORDINANCE ON RESTRICTED USE OF FIREWORKS

Permissible (consumer) Fireworks shall only be used, possessed and discharged during the following times without a permit:

Memorial Day from 5 PM to 10 PM

July 3rd to July 5th (4th of July) from 5 PM to 10 PM

Labor Day from 5 PM to 10 PM

Christmas Eve from 5 PM to 10 PM

Christmas Day from 5 PM to 10 PM

New Year's Eve from 5 PM to 12:30 AM the following Day.

Fireworks may be allowed for special occasions, if a permit is applied for and received from the fire chief or his designee.

Any person who violates this ordinance, in addition to and penalties prescribed in NH RSA 160-B and NH RSA 160-C shall be subject to a fine of \$50,00 for the first offense and \$100.00 for each subsequent offense, and confiscation of any fireworks in the person's possession. Any sworn law enforcement officer of the town, county or state, as well as the fire chief and his/her designee, shall be empowered to enforce this ordinance. All fines shall be paid to the Town of Shelburne and deposited into the Town's general fund.

DEPARTMENTAL REVENUES

Under the Municipal Budgeting System, each municipality must budget using gross expenses by department. The associated revenues are not permitted to be deducted to reflect the net operating expenses. In order to clarify the interrelationship of the departments' revenues and expenses, the following information is being offered.

1. **Executive** - This budget includes all of the town's copier expenses. When used for non-town business, the town receives compensation. The town also receives reimbursements for certain other expenses such as public hearing costs. For 2017, this totaled **\$38.00**. Some rebates and Staples rewards were received. Miscellaneous refunds/reimbursements of **\$29.00** were also received.
2. **Elections, Registration, etc.** - The associated revenues include fees from motor vehicle registrations, dog registrations, and UCC's. For 2017, these fees totaled **\$78,552.00**. Fees for checklists totaled **\$360.00**. Fees for dog fines totaled **\$31.00**.
3. **Financial** - Costs of registering liens are recovered in the liening process. In 2017, **\$3,858.21** was received in interest on taxes & liens.
4. **Revaluation of Property** - No associated revenues.
5. **Legal** - No associated revenues.
6. **Personnel Adm.** - No associated revenues.
7. **Planning** - The associated revenues include fees from the applications for site plan reviews, subdivisions, ZBA hearings and any associated expenses. For 2017, these fees totaled **\$705.32**.
8. **Buildings** - Several donations were received for use of the Town Hall. In 2017, this totaled **\$50.00**.
9. **Cemeteries** - This budget is partially offset by the interest received on Cemetery Perpetual Care Trust Funds, burial fees and money withdrawn from the Cemetery Maintenance CR. In 2017, the interest received was **\$140.41**. Burial fees in the amount of **\$650.00** were received. Two cemetery lots were sold for a total of **\$1,200.00**, and **\$1,000.00** was withdrawn from the Cemetery Maintenance CR to offset maintenance costs.

10. **Insurance** - This budget is partially offset by the credit received due to past history. In 2017, credits of **\$3,787.92** for Workers Comp were used.
11. **Regional Assoc.** - No associated revenues.
12. **Ambulance** - Gorham does receive revenues against their gross expenses. Our fee is calculated based upon actual usage, and their net operating expenses.
13. **Fire & Fire Warden** - The Fire Department receives 50% reimbursement for fire warden training and forest fire fighting. In 2017, a grant of **\$886.00** was received from the State of NH.
14. **Building Insp.** - The building inspector's salary is made up of a stipend and by the collected permit fees. In 2017, this totaled **\$1,170.90**.
15. **Dispatch** - No associated revenues.
16. **Emergency Management** - No associated revenues.
17. **Highway** - This department does receive occasional income from sanding private driveways, from the highway block grant from the state, and some other smaller misc. items. In 2017, revenues for sanding totaled \$2,280.00. The Block Grant totaled **\$12,973.89**. Miscellaneous reimbursements of **\$28.76** were received. An additional Block Grant was also received in the amount of **\$11,078.93**.
18. **Solid Waste** - This department receives income from sale of recyclables, the disposal fees of various items, and from the sale of PAYT bags. In 2017, **\$279.20** was received from the sale of recyclables, **\$1,198.50** was received in disposal fees and **\$7,561.50** was received from the sale of bags.
19. **Health & Animal Control** -No associated revenues.
20. **Parks** - A gift of **\$100** was received for the use of the park.
21. **Library** - The library received many gifts of books.
22. **Memorial Forest** - In 2017, **\$571.78** was reimbursed from the Town Forest Account.
23. **Conservation** - No associated revenues.
24. **Welfare** - No associated revenues.
25. **Principal-Long-term Note** -No associated revenues.
26. **Interest-Long-term Note** - No associated revenues.
27. **TAN Interest** - No associated revenues.

REPORTS OF OFFICERS AND COMMITTEES

SELECTPERSONS REPORT

The Board of Selectpersons had a very busy and productive year.

The year began with the challenge of putting together a budget that both met the needs of the town and didn't send the tax rate soaring. This was done successfully and the tax rate showed only a small increase of \$0.08/thousand at \$15.66.

The town's ambulance coverage continues to be handled by the Town of Gorham. Their 2018 Ambulance costs show a small decrease, due to fewer ambulance calls.

The Board continued their contract with the NH State Police. Patrols are randomly scheduled based on officer availability. The total spent on 2017 patrols was \$13,820. Both the Board and the State Police agree that this liaison is working out well and a summary of police activity is included in this year's report.

Under Chief Randy Davis' leadership, the Fire Department continues to grow and the department has been able to maintain a steady contingent of 20 trained firefighters. Their building has undergone a renovation which includes a new office, meeting room, small kitchen and restrooms. As this project is not yet complete, the Board is requesting \$25,000 be added to the Town Building and Renovation Capital Reserve Fund.

After settling with Fair Point in 2016, the PSNH/Eversource case still sits before the Board of Tax and Land Appeals and has yet to be settled.

In October, the residents of Pea Brook Road requested that the Board accept it as a town road.

Several meetings and public hearings have been held on the matter. The Board has decided that this decision is best left up to the voters of the Town and will appear as an article on the Town Meeting Warrant.

October also brought quite a storm that caused serious flooding and power outages. For a brief time the Town was isolated from both Maine and Gorham. The NH Department of Transportation should be commended for their swift actions which resulted in the reopening of Route 2 by early evening on the day of the storm. The Board would also like to thank Emergency Management Director, Stan Judge, Road Agent, Ken Simonoko, Sean Reardon and the entire Fire Department for their long hours of service during and after the storm.

The 2018 budget has been a great challenge with the addition of two new town employees. Sean Reardon will be moving from a part-time position to a full-time position with Kenny in the Public Works Department. Noelle Meer has joined Jo as a part-time employee in the town office. The Board will be drawing funds from the New Employee Expendable Trust which will offset \$40,000 of the costs of these additions.

Overall, the Board expects an increase in the tax rate but has made very well-thought-out cuts in the capital reserve funds and expendable trusts to minimize the impact on taxes.

The Board would like to sincerely thank everyone who works to make Shelburne a special and affordable place to live.

Selectpersons – Stanley Judge, Lucy Evans, Heidi Behling

TOWN CLERK REPORT

– RSA 466:13

Voter Registration:

New VOTERS may register with the Supervisors of the Checklist, the Town Clerk or the Deputy Town Clerk.

Proof of age, residency, citizenship and a photo I.D. are required.

Vital Statistics for 2017:

Resident Births: None

Resident Marriages: None

Resident Deaths: Elizabeth Davis, Liz Margaret
Desmond, Danny Sun.

I didn't realize the "Town Clerk" had to get permission from the State of NH to become a Municipal Agent. I will find out this year and if we can become agents, I will put it in my budget for 2019. My deputy and I will be required to have several days of training. Hopefully it will be in our near future. Thank you all for your continued patience.

Debbie Hayes, Town Clerk

PUBLIC WORKS REPORT

2017 was another busy year for the Public Works Department.

It was a very icy year and 2018 seems to be starting the same way. There is sand available at the Transfer Station for town residents. There is a two (2) bucket - per week - per household limit. Salt and Clearlane are to be used exclusively by the Road Agents in order to protect private well water, and therefore should not be removed from the Station.

Some of our bigger projects this year were some paving on Village Road in front of the Town Hall and replacing the Town Hall roof. In the coming year, we intend on working on the culvert near the fire pond by Philbrook Farm. This also includes replacing the guard rails, raising the road and repaving the area. All of this will be funded with from the additional Block Grant and will not affect the tax rate.

In October, we revised our Winter Weather policies. The policies appear in the *Informational Material* section at the rear of this publication. Please take a moment to review them.

We picked up a fair amount of trash and discarded items on several of our Class VI roads. Please **DO NOT DUMP** any items on any of our town roads and help keep our town clean.

In closing, we also remind you that it's important that you watch for the plow. State and Town law states that **TOWN VEHICLES HAVE THE RIGHT OF WAY**; so slow down, give way and be safe.

Ken Simonoko, Road Agent

Shelburne Waste District

The operation of the transfer station continues to go smoothly. However, in order to prevent future issues and continue the smooth operation, we are asking in warrant article #6 that you approve the purchase of two dumpsters. In the past we have had dumpsters (containers) from Chapman Container, one of the local waste transport companies. This has worked extremely well in the past, but it has now been suggested that we buy our own since the above company, has recently not always been able to transport the containers when needed. If we own the dumpsters, we will be able to hire any transport company to move them as necessary. This will give us much needed flexibility. The funds to cover this purchase will come from the Landfill Fees Account.

Pay-as-you-Throw bags are still available at both the Town office and the transfer station, and the cost is still \$7.50 for a roll of 5 bags. The sale of collected recyclables brought in \$279.20 this year. The town received \$1,198.50 for landfill fees, and \$7,561.50 from the sale of green bags. The income from sale of bags offset 19.6 % of the solid waste budget for the year. In addition we have put \$1,477.70 into the landfill equipment account against future purchases.

The transfer station charges for items which are not recyclable and/or not in green bags. For example, demolition debris will be charged at the amount estimated for their disposal. For large jobs, such as re-shingling a house, it is suggested that one hire a dumpster which can take the material directly to the landfill, thus avoiding the need for double handling.

The Household Hazardous Waste collection day is scheduled for June 30th from 8:00 AM to 1:00 PM at the AVRRDD transfer station in Berlin. Please look for information at the transfer station in May. Please note that all costs for taking hazardous waste to the collection come from state grants and from the Household Hazardous Waste

Expendable Trust Fund. There is no individual cost on the day of collection for Shelburne residents.

We wish to thank all who help to make our way of operating go smoothly, and to help reduce the waste. Please join us for coffee and donuts.

The Transfer Station Crew

FIRE DEPARTMENT

2017 was a great year for our department. The renovation project is really coming along. We are hoping to have it all done by the end of the summer of 2018 and hold an open house for the town to come see it's completion.

This year brought the town a newer fire truck, which I picked up from Salem N.H. There are currently 20 fire fighters on the department now and they are fully trained and ready for any call that might come in.

In October, our firefighters were out for over 18 hours on the day with the heavy rain and winds. They never complained, completed the job, and most importantly, no one got hurt.

We hold our meetings the 2nd and 4th Tuesday of each month and do most of our training during these meetings. This upcoming year, we have a few Saturday training days planned as well.

I would like to thank Jo and the selectpersons for the support they have given the fire department.

I would also like to take this opportunity to remind you, our town residents, that you should have a fire extinguisher in your home. Please check your smoke detectors at least twice a year. These two small actions could make all the difference before we get there.

STATE POLICE REPORT

I would like to take this opportunity to provide a report to the residents of Shelburne regarding the calls for service that the State Police have responded to in your community during the last year. This will hopefully provide you with a good baseline and understanding of the present law enforcement needs that currently exist within the community, as well as serving as a guide to determine what level of law enforcement resources the community desires, based upon the current trends and expectations of the residents as they look forward to the future.

Currently, the State Police respond to calls as requested as part of our regular patrol duties, as well as providing troopers to conduct law enforcement patrols specifically dedicated to your community as requested by the town.

During 2017, the State Police responded to and investigated the following calls for service in the town of Shelburne:

ASSIST MOTORIST	5
ABANDONED VEHICLE	3
MOTOR VEHICLE ACCIDENT	15
AMBULANCE NEEDED	2
ROAD OBSTRUCTION	9

GRAND TOTAL:	136

In addition to the above calls for service, troopers conducted motor vehicle enforcement resulting in 92 summonses and 138 warnings issued for a total of 230 motor vehicle violations detected and addressed.

In closing, it has been our pleasure to serve the residents of Shelburne during the past year and we look forward to assisting you with your law enforcement requests in 2018.

Respectfully,

Staff Sergeant Victor G. Muzzey
Assistant Troop Commander
Troop F

EMERGENCY MANAGEMENT

The year 2017 saw very active weather events occurring in the country with a serious weather event affecting the town on October 30th and 31st, 2017.

The ground was already quite saturated prior to Oct. 30. Very heavy rain fell that evening and into the following day. The result, as we all saw, was extensive road closures including: Rt. 2 at Pea Brook, Rt. 2 by Reflection Pond, North Road by the Powerhouse Dam, several other spots on North Road, Meadow Road and Village Road.

Though there were flooded areas (as shown on the accompanying map) no lasting damage occurred on town property or roads. However, substantial damages were sustained on Rt. 2, North Road and Meadow Road, which are state roads.

The town's location relative to the northern White Mountains, with their heavy rainfalls and steep flashing rivers and brooks, has seen this type of weather event many times before. However, they do seem to be occurring more frequently and more severely. Peabody River at Gorham was flowing at 30,000 CFS while the Androscoggin River at Cascade was flowing in the order of 9,000 CFS.

In the past 32 years, there have been nine major flood events, of which six were serious enough to cause a Presidential Disaster Declaration. Three have been declared as a result of events in the last ten years: April 2007, September 2011 and October 2017.

The accompanying map shows those sections of various roads that were flooded and indicates those areas where dwellings were isolated for a period of time. Most residents are aware of these affected areas;

however, with these events appearing to be more common and more severe, we are taking this opportunity to encourage all citizens to take planning for an emergency very seriously. The Red Cross has sound recommendations for emergency kits which can be read at *www.redcross.org*.

Luckily, the flooding events, to date, have not been long lasting. Ice, wind and snow storms, with their possible effects on travel and power needs, should also be considered. The town has a mitigation plan that also mentions man-made risks.

There are some weeks of winter events to go and at the time of this writing there is considerable ice in the rivers and brooks. There is potential for winter ice jam issues and spring floods. Most winters go out with no serious problems, but it's best to be prepared.

Finally, for your information, we are building an inventory of booklets, pamphlets, etc. related to disaster preparedness, personal security, road corridor studies, flood insurance questions/answers, and more in the Shelburne Library.

Stanley Judge – Director

FAST SQUAD

The FAST Squad is actively seeking new members! Pat Galligan is currently the Director and sole member of the FAST Squad. A position on this squad requires training as a First Responder, at a minimum. The squad members respond to calls in Shelburne and provide basic medical care until an ambulance can arrive. Each member is provided with a Town radio to monitor during their spare time. There are no specific shifts and/or meetings that must be attended. Anyone who is interested should contact the Town Office.

BUILDING INSPECTOR

In 2017, 10 building permits for various projects were issued:

Sheds	3
New House	2
Deck	3
Solar Panels	1
Garage	1

If anyone is planning any kind of building project, including purchasing a pre-built structure, they should contact the building inspector to obtain a permit. There are quite a few state laws around both building and demolishing structures that must be complied with and the building inspector has the necessary paper work to comply with these laws. In particular the NH Energy Code was revised as April 1, 2010; many more projects now require approval under that code. Please check with the Building Inspector when replacing doors, windows or re-roofing.

If anyone has questions about whether or not a project requires a building or demolition permit, please call the building inspector **before** the project is started **as an “after the fact” permits will cost more.**

Rav Bennett, Building Inspector

PLANNING BOARD

During 2017, the Planning Board continued to focus on updating its procedures, including the completion of the Master Plan, proposing new zoning ordinances for adoption at the 2017 Town Meeting, and starting a review of the Town Site Plan Review regulations. The Board did see a slight increase in land development activity in 2017, with several inquiries around subdivision and commercial development of campsites.

The only application processed by the Board was for a re-subdivision of land in the Hamel subdivision. The aim of this application was to create a right of way for Pea Brook Road such that, it could be deeded to the Town should the request to accept the road be approved by the governing or legislative body. The Board granted a conditional approval for this in December, contingent on the Town's acceptance of the road within one year.

The application referenced above is causing the Planning Board to decide whether the current policy of allowing private roads in subdivisions should continue. A review of past subdivisions with private roads shows that most have subsequently been accepted as Town roads. In the future, the Board is considering that private roads no longer be accepted by the Town.

In 2018, the Board plans to finish updating the site plan regulations and will continue discussing the issue of roads in new subdivisions.

The Planning Board

LIBRARY

We are a small and seldom used corner of the Town Office Complex here in our little town.

We are open two days a week with published hours on Mondays and Thursdays. What the town may not be aware of is that we are always open if the building is open.

We have made strides this past year to liquidate older books that have been on the shelves for over 10 years. We have organized and are still in the process of setting up the library for the public rather than the standard categories that you find at larger libraries.

We want the town to know that we have a conference table, two very effective computers linked to a printer, fax and copier, a Keurig Coffee Maker (bring your own coffee) and a laminator.

We encourage the town to avail this service for any meeting they might like to offer. This is your public library. Please feel to use it, relax in it, listen to Pandora Radio, surf the web, or maybe read one of the latest magazines or books we are ordering for your enjoyment.

We are solvent, but our liability is the lack of use of a really nice corner of the building.

PARK COMMISSION

A brand new swing set was installed this past summer and is now a great focal point of our park.

Other big projects this year included moving Granny Starbird's bench from the front of Town Hall to the park.

The commission would like to thank Beverly Pinkham for continuing to plant and tend the flowers in the planter under the park sign.

In this coming year, the Commission will be assessing the pavilion to see what other maintenance and repairs need to be done and, later this summer, the Chester Hayes Memorial stone monument will be moved to the Village Road side of the park.

Marc Van Sant, Beverly Pinkham, Debbie Hayes, Robert Cone, Ken Simonoko – Park Commission members

CEMETERY COMMITTEE

There were two cemetery lots sold in 2017. The money from this sale is proposed to be voted into the Cemetery Maintenance Capital Reserve Fund at town meeting.

There was one cremation burial and one casket burial in Shelburne cemeteries in 2017. This coming year, there are plans to spend more time addressing fencing and headstone repairs as well as the reinstallation of the Hazelton Arch at the back of the cemetery.

Prices for cemetery lots remain at \$800 for a four grave lot, \$600 for a two grave lot, and \$400 for a single grave lot. The cost of burial is \$600 for a coffin and \$50.00 for a cremation urn. When a burial needs to be scheduled, please contact Ken Simonoko at 723-0865. Please remember that winter burials are not allowed. To purchase a lot in any of the cemeteries, please contact Jo at the Town Office or Ken at the number above.

Bill Healy, Ann Leger, Dan Levin - Cemetery Trustees

MEMORIAL FOREST

A new flag pole, new flags and a solar light were added to the memorial this year.

Paula Simonoko planted flowers at the war memorial again this summer. The colorful flowers continue to draw everyone's eyes as they drive by.

A very large felled pine tree was removed and there are future plans to clear more trees around the area in order to make it more accessible as well as removing the unused fire hydrant, removing some stumps and replacing the picnic table.

Memorial Forest Committee

CONSERVATION COMMISSION

The primary goal of the conservation commission is to identify and conserve the following items through the wise use of natural resources: wetlands, forests and rivers, open spaces, watershed areas, unique areas, conservation easements, flood zones and fisheries & wildlife habitats. The commission interacts with the town through the selectman and may be requested to have input into land use decisions by the town planning board or other public agencies such as the zoning board, fire department, or road agent. The commission has no regulatory or enforcement powers but does have a role in providing input into the permitting processes required through the N.H. Department of Environmental Services.

The commission has had an active year meeting monthly except for a short hiatus through the summer. The commission has been looking at a number of initiatives including protection of scenic views, concerns with future use of the river and protection of the river corridor, flood plain issues, suggestions for possible land use regulation changes, and the investigation of an opportunity for creating a town forest. Relative to this last item, the commission and the town have become cooperators in a grant administered by the Trust for Public Lands to do a preliminary study of possible town forest potential in communities within the Androscoggin Valley.

The commission is also planning to have a public input event, much as we did several years ago, to allow citizens to express their opinions as to issues the commission should be pursuing, conservation issues that need to be addressed, and environmental areas of importance that people feel need some level of protection or recognition. Further information will be forthcoming.

The commission meets monthly at times that are posted at the town office. We would like to take this opportunity to encourage individuals with an interest in conservation issues or anyone who wishes to present information to the commission to attend our meetings. You are also more than welcome to talk to any member of the commission individually with suggested meeting places

being Walmart, The Dump, or anywhere on a road as long as you have one of those stunning Shelburne vistas. The current membership of the commission includes Dave Carlisle, Larry Ely, Stan Judge, Mary Jo Landry, Debbie Ryan and Katie Stuart.

HERITAGE COMMISSION

The Heritage Commission has had many accomplishments this past year:

- Our “Wildlife Habitat Garden”, including native wildflowers to attract butterflies and bees continues to be a work in progress. Thank you to the “Coos County Botanical Garden Club”, and Will O’Brien for the coordination of this project, as well as the ongoing work of our “nature trail”.
- Mary Jo Landry, Dick Lussier, and Heidi Wight took on the project of organizing, inventorying, and recording the contents of historic papers, maps, books, etc. for the Historic Peabody House.
- Always a big “thank you” to Dick and Pat Lussier for teaming up as our treasurers.
- Our heartfelt thanks for the many generous donations of personal time, and monetary from our many supporters, they are greatly appreciated, and needed for success.

The Heritage Commission members currently are: Dick Lussier, Roger Morrisette, Ken Simonoko, Mary Jo Landry, and Heidi Wight. We are very enthusiastic about working together as a team.

Mission Statement

The Heritage Commission is dedicated to the preservation and interpretation of the Historic Peabody House, and the history and heritage of the Town of Shelburne NH. The Heritage Commission seeks to accomplish its mission by preserving, interpreting, collecting, and researching historic material relating to the Historic Peabody House, and the Town of Shelburne; by providing educational services to diverse audiences of all ages and interests, through interactive events , tours,

programs , and outreach publications; while working closely, in cooperation with the community and the public, to promote an awareness of and interest in the Historic Peabody House’s history and heritage, also the history and heritage of the Town of Shelburne.

All those interested in volunteering their time and sharing ideas and new concepts, please contact us. We welcome all volunteers or “Friends of the Historic Peabody House”! Our mailing address is: Shelburne Heritage Commission, 74 Village Rd., Shelburne NH 03581. Volunteers are needed for many projects including creating displays, historic research, gardening (planning, and preparation), programs, maps, and docents. We also are welcoming volunteers experienced in, painting, restoration, carpentry, through group participation and/or adopting those types of projects, Facebook manager, etc.

SHELburne UNION CHURCH

The Shelburne Union Church is a non-denominational church located in the center of Shelburne Village. Customarily the church is opened to the public for services through the months of July and August and for the occasional wedding or funeral service. Church Services begin at 7:00pm on Sunday evenings and last approximately one hour. A schedule of officiates is published in the Berlin Daily Sun and posted at the Town Hall and Landfill.

This year a single worship service was held at the church. Our hope is to schedule more in the coming year. Church services were not scheduled due to lack of interest.

The future of the church is in the hands of the residents of Shelburne. The church is in need of improvements including: a new roof, interior and exterior paint, and a wheelchair ramp, to name a few. These improvements are awaiting funding and manpower! Anyone interested in helping with these needs or organizing an event to help raise funds for maintenance of the church, please contact Kimberly Landry at 466-5353.

Thank you to those who volunteered their time, services and baked goods toward this year's fundraiser bake sale! It has continued to be a great success due to organizers and the support of the community.

To those who continually donate in the honor of loved ones or simply for the sake of seeing this landmark survive, your annual support is greatly appreciated.

SHELBURNE TRAILS CLUB

The Shelburne Trails Club (STC) has been working since 2010 to reopen “lost trails” and improve and maintain a system of local hiking trails and is registered as a New Hampshire Non-Profit Social/Recreational club. If you would like to be a part of the club, contact Larry Ely, Secretary at 603-723-5822, or email us at shelbunetrails@gmail.com.

The Club Accomplishments for 2017:

- The Club held a “Speakers Series” event at town hall in April with a presentation by local resident Sally Manikian on the History of Women Musers and her own experiences racing with her team of sled dogs. A pair of her dogs were present to help demonstrate harnesses, the sled, and other mushing equipment. The Club and the Mahoosuc Land Trust jointly offered another event at Town Hall in May featuring the Portland Press Herald Outdoor Writer Carey Kish’s presentation on his Hiking of the Appalachian Trail in 1977 and again in 2015. He offered a fascinating look at changes in the trail experience some 38 years after his first thru-hike. A final “Speakers Series” event was offered at the Club’s Annual Meeting in October with authors Natalie Beittel and Kyle Peckham highlighting the history of the AMC Pro Trail Crews.
- Volunteer group trail maintenance days were held in July and October with multiple volunteers working on STC maintained trails. The July volunteer day was followed by a BBQ at First Mountain House and the Rattle River Lodge & Hostel hosted a chili & soup luncheon and tour of their hiker lodge after the Fall volunteer

work day. Many board members, officers, and volunteers also spent many hours working on the trails in groups and individually at their convenience over the season.

- The trail to Judson Pond, restored and re-blazed in 2016, was again impacted by new logging along the trail and will require work in the coming Spring. A loop extension from the end of the White Trail at Crow Mountain's north summit was flagged and cut to the south summit and back again to the original White Trail. The new extension loop is to be blazed in early 2018 and 2-3 view openings enhanced.
- The STC Facebook page has over 200 followers and serves as the club's social media site, along with the club's E-mail list. The Facebook page can be accessed directly at: www.facebook.com/ShelburneTrailsClub.
- Sales of the club's Shelburne Trails Map continued to be strong, with copies available at Town Hall and the transfer station as well as at local shops and online.
- STC volunteers installed a culvert on the Scudder Trail and a log bridge over the Austin Brook where the Austin Brook Trail joins the log road for part of its route. The club also purchased a Bear Cat brush mower to more efficiently clear brush from the old log road trails.
- STC's Annual Meeting was held in October. The annual meeting included the election of Dick Lussier to the Board of Directors to replace Bob Pinkham whose second three-year term had expired. Bob will remain as the club's Trail's Sign Master. The club's original By-Laws were amended to make minor corrections. Club officers for 2018 will be President Dick Lussier, Vice President Michel Prange, Treasurer Pat Lussier, and Secretary

Larry Ely. Board of Directors for 2018 are Dick Lussier, Dave Landry, Nancy Eaton, Katie Stuart, and Sue Lowe.

- A severe rain and windstorm over Halloween caused extensive blowdowns and some erosion on trails which had just been cleared on the previous Fall Volunteer Trails Day. As a result, some trails will require early Spring clean-up work in 2018.
- We continue to thank the many private Shelburne landowners without whose cooperation many of our hiking trails would not be possible. Thanks also to the many volunteers who help maintain the trails and to the Town of Shelburne and Jo Carpenter for their support and for allowing use of Town Hall for meetings and events.

The Family Resource Center has worked to build healthier families and stronger communities for twenty years. FRC delivers quality evidence-based programs for family success prenatally through early childhood with home visitation and referrals. Project Youth provides afterschool and summer learning programs keeping students safe, enriching their education and supporting local working families. Veteran's and Tax Assistance programs are also available.

FRC's 2017 accomplishments & highlights:

- Awarded national certification as a Healthy Families America evidence-based home visiting agency in New Hampshire
- Offering Toddler Time weekly at FRC with healthy activities to build parenting capacity and provide peer support at no cost to parents
- Showcasing student events such as the Gorham Veteran's Day Dinner, the 8th annual student Art Show, and local service projects where kids volunteer in their local communities
- Increasing outcomes for Afterschool students with 8 out of 10 students improving homework completion and showing grade level progress
- Promoting health & nutrition education, with students gardening, hiking, cooking and participating weekly in the local Farmer's Markets.
- Hosting UNH Teachers in Residency to build community resources
- Middle School afterschool program collaboration with Gorham Recreation, building student participation in a new community setting

The Board of Directors & staff wish to convey their thanks for past and continuing support. It is a privilege to serve the region and create positive outcomes for North Country youth and families.

The Gorham Community Learning Center

The Gorham Community Learning Center is dedicated to caring for and educating our students in a safe, comforting environment. A robust, play based preschool is essential for educational success in young children as well as optimal social and emotional development. In addition, we use research-based curriculum to ensure that our children are receiving age appropriate and stimulating learning opportunities. We work hard to maintain high educational standards and work with local educators to aide in preparing our students for elementary school by coordinating curriculum and programming. We serve children from ages 18 months to 12 years old from Gorham, Randolph, Shelburne, Berlin and Milan.

Highlights from 2017:

- The GCLC was able to purchase a 2016 Ford Transit with the help of AutoNorth Pre-Owned Superstore. We were able to receive numerous grants and donations from organizations and individuals that support the GCLC to help with this purchase. We would like to thank everyone again that helped support us with this large, but important purchase. We are now able to better serve our community and provide the children with the learning opportunities they need and deserve.
- We sadly said our goodbyes to Melinda Carlson, Chris Levesque, Amanda Pike and Kari Lejeune as they take on new adventures in their lives. We have welcomed Mariah Middleton (Toddler Coordinator), Staci Frost (School Age Coordinator) and Carrie Majors (Assistant Teacher) as new members of our team. They are an excellent addition to the GCLC and we look forward to developing and progressing together as a team.
- Three staff members were able to attend a two-day, Coos Connections Summit. This was set-up by the Coos Coalition for Young Children and Families and provided childcare centers and school districts the opportunity to set-up collaboration efforts for educating our young

children. We worked very closely with SAU 20 to strengthen our relationship and create new ways to better prepare our students to transition to Kindergarten.

- We continue to maintain our National Association for the Education of Young Children (NAEYC) Accreditation as one of the few childcare centers in the State of New Hampshire to hold these quality standards. There are 902 licensed childcare centers in New Hampshire and only 54 are NAEYC Accredited.

As the Regional Planning Commission serving 51 municipalities and 25 Unincorporated Places of Northern New Hampshire, North Country Council continues to move forward as a proactive resource for our communities, partners and the region, providing professional economic development, community, regional, transportation and solid waste planning services to serve your needs. Here are some of the highlights from the past year:

- Continue to play a key role in the administration and compliance of federal regulations for funding received for infrastructure improvements at the former Wausau paper mill site in Groveton.
- Completed a pedestrian and bicycle improvement plan for the Town of Littleton.
- Assisted the Town of Plymouth with updating their Master Plan.
- Assisted Mountain Lakes with updating their Master Plan.
- Provided grant writing and technical assistance to assist communities, highlight of this work is the awarded \$500,000 CDBG to retain and create jobs at the Friendship House in Bethlehem.
- Administered and provided technical assistance to Northern Border Regional Commission (NBRC) grants within the region.
- Coordinated household hazardous waste collection events serving 26 towns in the region.
- Assisted NH Fish & Game, Trout Unlimited, and Plymouth State University with an inventory and assessment of stream crossings in the Ammonoosuc watershed. This was the first culvert assessment that gathered data for us by all three state agencies with an interest in road crossings, Department of Transportation, Environmental Services and Fish & Game.

- Administered funds that enabled Grafton County Senior Citizens Council, Transport Central, Tri-County Community Action Program and Advance Transit to reimburse volunteer drivers for 5,549 trips provided to the elderly or disabled.
- Completed over 200 traffic counts (183 for NHDOT and 26 locally-requested counts) throughout the region to provide consistent and reliable data for use when planning infrastructure improvements.
- Completed the Corridor Management Plan for the Mountain Road Scenic Byway and assisted with implementing recommendations in four Scenic Byways in the region. Inventoried pavement condition on local roads in three communities.
- Provided member municipalities with guidance on records storage, prime wetlands designation, private development on federal land, bonding, interpretation of local regulations, and to several communities with the process for cell tower review, master plan updates and capital improvement programming. Dues provided match funding to enable some additional hands-on assistance with updates to local land use regulations, zoning amendments, downtown revitalization, and MTAG and hazard mitigation grant applications.
- Facilitated bulk purchase by communities of the NH Planning and Land Use Regulations

All of us here at North Country Council look forward to serving your community. NCC is your organization. We are dedicated to both supporting our individual members and promoting our region's success. We look forward to working with you in the months ahead.

Jo Lacaillade, Board Chair

SENATOR JEFF WOODBURN

Dear Constituent,

It is an honor to serve as your State Senator representing District 1, which includes 58-rural, northern communities, encompassing 28 percent of the state's landmass. It is a region larger than two states and 17 foreign countries and containing fewer than twenty people per square mile.

The North Country, including the White Mountains region, has a uniquely different culture, landscape, economy and history than the rest of the state. It is my focus to ensure that State government understands this and doesn't forget us. Our needs, challenges and opportunities are different. At the top of my priority list is stabilizing our fragile economy while improving the quality of life for all our people. First and foremost, this means advocating for policies and projects that expand business and entrepreneurial opportunities that will raise stagnant wages, lift people out of poverty and instill hope and opportunity in those caught in the hold of the heroin epidemic.

We've made important, bipartisan investments that greatly benefited our region in previous legislative sessions, and I will fight any effort to repeal them. I support our continued efforts to expand access to health care, reduce the burden of uncompensated care at local hospitals, invest in local road and broadband infrastructure and build a budget that reflects the needs of rural areas. But we need to do more; New Hampshire is the wealthiest state in the country, but the North Country's medium income is higher than only two states.

The gap between the affluent and everyone else is growing. And the state continues to underfund important

programs that will create an economy that works for all people, especially those in rural, often-forgotten places. In the Senate, my goal has been to be practical and to work with everyone to get results for our region. But voting is only a part of my work, I have been accessible and available to my constituents, holding town hall meetings, office hours and tours for state leaders. I have tried, when possible and appropriate, to bend state government to meet the needs of rural people and rural communities. Over the course of my time in office, I have assisted thousands of individuals with issues large and small. I consider it a great compliment when someone feels comfortable enough to contact me directly and trusts that I will intercede on their behalf when they are in a time of need.

I love being the voice for the North Country and am constantly inspired by our people and places that make our beloved home so special.

Be in touch, if I can be of assistance to you or your community.

Regards,
Jeff Woodburn
North Country Senator

DISTRICT ONE
EXECUTIVE COUNCILOR JOSEPH KENNEY

2018 will begin my fifth year serving as your District 1 Executive Councilor. I have had the opportunity to work with many great local, county and state officials, but most importantly with the citizens of District 1. I am once again grateful and honored for the opportunity to serve you.

I continue to work with the Governor, Executive Council and Legislature on the important issues impacting the State. The heroin, fentanyl and opioid crisis continues to hit the state hard and the Executive Council continues to support funding for prevention, treatment and recovery programs. The expansion of Friendship House in Bethlehem, the only residential drug-treatment facility in the North Country, will be dedicated in 2018. This will increase the number of beds from 18 to 32 for a 28-day stay for treatment.

Economic development will continue to be a top priority for my office in District 1 and I will work with community and business leaders to assist in the creation of jobs and economic opportunity. I am committed to the redevelopment of the Balsams project in Dixville Notch and I am working with the new Lakeshore Redevelopment Planning Commission in the development of the old State property in Laconia. I will continue to work with the Town of Enfield on the transfer of State property at the Mascoma Beach area as well as the Town of Conway on its 2.8 mile Pathway Project and the Town of Laconia on its Colonial Theatre Project.

Presently, there are over a thousand volunteers who served on 163 boards and commissions in state government. In 2017, 7 new commissioners were nominated and confirmed. Of the 348 nominations and confirmations to boards and commissions, 68 of them were from District 1. The Council confirmed 5 Circuit Court Judges (2 from District 1), 1 part-time Circuit Court Judge and 1 Supreme Court Associate Judge. In 2017 there were \$1.34 billion in expenditures, \$5.7 billion in working capital and the Council passed 1776 contracts.

I join with the NH Congressional Delegation – Senator Jeanne Sheehan, Senator Maggie Hassan, Congresswoman Annie Kuster and Congresswoman Carol Shea-Porter in working with them on critical issues and projects to benefit the State of New Hampshire and the Region.

The Ten Year Transportation Improvement Plan, working with the Department of Transportation and the Regional Planning Commissions, was completed by the Legislature and signed by the Governor in June. The plan focuses on preservation, maintenance and safety of existing pavement and bridge infrastructure throughout the state. Over \$16 million in federal funds was provided to NH for the Congestion, Mitigation, and Air Quality (CMAQ) program of which 16 grant applications were accepted and funded. Contact William Watson at NH DOT for any additional details at 271-3344.

The 2018 sessions of the NH House and Senate will address legislation that deals with the heroin, fentanyl and opioid crisis, sustainment of Medicaid expansion, business and workforce development, voting and drinking water safety. Again, I will be watchful of the legislation that impacts my district. Stay close to your local state senator and house members.

The Governor and Council are always looking for volunteers to serve on the dozens of state boards and commissions. If you are interested, please send your resume to Governor Chris Sununu, State House, 107 North Main Street, Concord, NH 03301, attention Eliot Gault Director of Appointments/Liaison or at (603) 271-8790. A complete list of all state boards and commissions is available at the NH Secretary of State website at www.sos.nh.gov/redbook/index.htm.

My office has available the following informational items: NH Constitutions, tourist maps, consumer handbooks, etc. I periodically email my weekly schedule and other items of note. If you would like to be included on this list, contact me at joseph.kenney@nh.gov. I also have an internship program for college students and other interested ages so please contact my office to discuss this opportunity anytime. My office number is 271-3632. Please stay in touch!

Serving You,
Joe

LANDFILL REGULATIONS

Hours: Saturdays - 6 AM to 12 PM – All Year
Wednesdays - June 20th - August 29th
3PM to 4:30 PM

Shelburne has adopted Pay-As-You-Throw. This means that garbage must be disposed of in special bags which may be purchased at the Transfer Station or the Town Office. The cost of a package of 5 bags is \$7.50.

Recycling is mandated by the Town of Shelburne. A list of recyclable materials is included below.

Any items containing mercury are collected separately. See Ken, Sean, or John for more information.

There are charges to dispose of many different items. These fees reflect the cost to the Town for disposal and are subject to change. People wanting to dispose of items that have a fee associated with their disposal should see the landfill attendant and pay him before disposing of the item. People disposing of items, not paid for, will be billed. The list of fees is included below.

The Transfer Station **does not accept** any hazardous waste including hazardous household waste. A Hazardous Household Waste Collection Day will be held this year with the Androscoggin Valley Regional Refuse Disposal District Transfer Station in Berlin on Saturday, June 30, 2018. Details will be posted at the Transfer Station.

Reminder – outdoor burning of garbage is illegal (RSA 125-N)

WINTER MAINTENANCE POLICIES

The Town of Shelburne does not maintain a “Black Road” or “Ice Free” Policy. Every effort will be made to remove as much snow and ice as Mother Nature allows.

The Town of Shelburne has a “No Parking” ordinance within the boundaries of the Town right-of-ways during and 24 hours after a snow storm.

SNOW PLOWING SCHEDULE:

Snow plowing will begin when there is two to three (2” – 3”) of snow accumulation on the road. Plowing will continue for duration of the storm. However, if the storm is of extended duration overnight, some hours off will be required for Driver’s rest.

Main lines and school bus routes will take priority during work week days. School bus routes will be checked daily not less than two (2) hours before the bus

runs begin. Town Hall parking lot, Transfer Station and Fire Department will be plowed also.

The day after a snowstorm road widening, turn-arounds, cul-de-sacs and hydrant clearing will be addressed.

All culverts will be kept open and free of debris (i.e. leaves, snow and ice) during the year.

DAMAGE TO MAILBOXES/PRIVATE PROPERTY:

Mailboxes or other devices may be damaged by snowplowing operation due to poor visibility, the mailbox being buried in a snow bank or the weight/volume of the snow being plowed. This damage is not deliberated and in most cases is unavoidable.

The Town of Shelburne is not responsible for damage and does not repair, replace or re-erect mailboxes that are located within the highway right-of-way. These devices are located within the highway limits and are the responsibility of the property owner.

The Town of Shelburne Highway Department will work with the mailbox owners to locate the box in the safest possible location and offer advice on its design to minimize potential damage.

PRODUCT TYPES AND APPLICATIONS:

All salt and sand mixture is one (1) part salt and five (5) parts sand which is screened to 3/8 of an inch.

Clear Lane is used only on walkways and parking lots of the Town Hall, Transfer Station and Fire Department.

All hills and turns will be treated with a Sand/Salt mixture. Every effort will be made to do this in a timely manner to provide safe travel.

All Town door yards will be treated with Clear Lane enhanced de-icer with magnesium chloride. This is environmentally friendly in order to protect the water wells.

Bridge decks normally freeze or glaze sooner than adjacent pavement sections especially in late fall and early winter. Special care and good judgment is required in the use of de-icing chemicals on all bridge decks.

BURNING AND PERMITS

It's The Law - RSA 227-L:17(II)

Anyone who wishes to burn clean, ordinary combustibles such as leaves, brush or untreated lumber, or have a camp or cooking fire must have written permission from the landowner and a **FIRE PERMIT** from the forest fire warden, Bill Davenport or local fire department. You must be at least 18 years of age to obtain a written fire permit.

Gas grills or charcoal fires in a container up and off the ground on your own property do not require a fire permit.

Public or privately owned camp or picnic grounds must obtain an annual written fire permit from the town forest fire warden for use of outside fireplaces, camp or cooking fires used in the operation of the camp or picnic grounds. Such camp or cooking fires should:

1. be in an area cleaned to mineral soil at least 8 feet across;
2. have at least 6 inches of sand or gravel under the fire for any fire built on the ground;
3. have no limbs or other burnable material to a height of 10 feet above the fireplace area; and
4. be constructed so they cannot be moved from their mineral soil area.

What You Can Burn and When

Only leaves, woody debris or brush less than 5 inches in diameter, or untreated wood and dimension lumber can be burned. For any open burning a written fire permit is required. Even with the permit, no open burning between the hours of 9:00 am and 5:00 pm unless it is raining.

When the ground where you are burning is completely covered with snow, no fire permit is required. However, be sure to check local ordinances that might restrict winter-time burning.

Air quality regulations restrict the type of material burned in the open. Stumps, painted or treated lumber, tires, tubes, plastics, foam rubber and shingles are some of the prohibited materials (see Department of Environmental Services, Air Resources Division Open Burning Rules).

A buried fire is NOT an extinguished fire!

What You Need To Know

When you request a written fire permit you will need to know the following:

<p>What are you going to burn?</p> <p>Material must be clean ordinary combustibles. Brush cannot exceed 5 inches in diameter.</p>	<p>How much help will you have during the burn?</p> <p>Your fire must be attended at all times, or completely extinguished.</p>
<p>Where are you going to burn?</p> <p>How far from the nearest structure, trees and dead vegetation or overhead phone or power lines?</p> <p>Fires must be no closer than 50 feet from a structure, or 25 feet if in an approved incinerator.</p>	<p>Do you own the land where you plan to burn?</p> <p>If not, do you have written permission from the landowner?</p>
<p>When do you want to burn?</p> <p>Date, time of day, no burning 9:00 am to 5:00 pm unless it's raining (permit needed even when raining).</p>	<p>Will you be able to extinguish your fire if someone complains?</p> <p>Air pollution officials could require a fire be put out if there are smoke complaints.</p>

What do you have for fire protection?

A hose, shovel or rake, and a bucket of water should be available at the fire. You are liable for the costs of extinguishing escaped fires.

Are there any tires or tubes in the material to be burned?

Tires, tubes, plastics, shingles, and foam rubber are just some of the prohibited materials.

Commercial Permits

The Forest Ranger for your town/city and local Warden are needed to issue a commercial permit to burn when no other means of disposal of material is available, such as chipping, hauling to a landfill or other methods of legal disposal.

The commercial permit is for contractors who use hired help for the burning of material between the hours of 9:00 am and 5:00 pm and only needed when the ground is not covered with snow.

The permit will be required to have suppression equipment on site while the burning is being done and the fires will have to be totally extinguished or be constantly attended.

RESTRICTED USE OF FIREWORKS

Permissible (consumer) Fireworks shall only be used, possessed and discharged during the following times without a permit:

- Memorial Day - from 5 PM to 10 PM
- July 3rd, 4th & 5th - from 5 PM to 10 PM
- Labor Day - from 5 PM to 10 PM
- Christmas Eve - from 5 PM to 10 PM
- Christmas Day - from 5 PM to 10 PM
- New Year's Eve – from 5 PM to 12:30 AM

Fireworks may be allowed for special occasions, if a permit is applied for and received from the fire chief or his designee.

Any person who violates this ordinance, in addition to and penalties prescribed in NH RSA 160-B and NH RSA 160-C shall be subject to a fine of \$50,00 for the first offense and \$100.00 for each subsequent offense, and confiscation of any fireworks in the person's possession. Any sworn law enforcement officer of the town, county or state, as well as the fire chief and his/her designee, shall be empowered to enforce this ordinance. All fines shall be paid to the Town of Shelburne and deposited into the Town's general fund.
