REPORT OF SCHOOL BOARD

In submitting this, our annual report, we feel that our schools have been up to the usual standard. There has been but one school maintained in town.

In Division One there have been 26 weeks of schooling divided into three terms. The first term of ten weeks was taught by Miss Maud A. Blaisdel of Hillsboro. Miss Blaisdel worked for the interest of the scholars and as the result good progress was made.

The second and third were taught by Miss Sadie E. Farley of Hillsboro. Miss Farley is at home in the school room and gained the good-will of her scholars and good progress was made in all their studies.

In Division Two there being only three scholars it was thought best to send them to Washington. They were sent to Washington 22 weeks, at an expense of \$60.50 including transportation.
