AUDITORS' OPINION

January 18, 1985

Board of Selectmen
Town of Atkinson
Atkinson, New Hampshire 03811

We have examined the general purpose financial statements of The Town of Atkinson, New Hampshire for the year ended December 31, 1984, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described more fully in Note 1, the general purpose financial statements referred to above do not include financial statements of the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles.

As described in Note 1, the Town has recognized General Fund tax revenues which do not meet the revenue recognition requirements of generally accepted accounting principles (NCGA Interpretation 3). It is impossible to determine the effect of this practice due to the timing of this engagement. Town officials believe that the application of this requirement which would result in a reduction of undesignated fund balance which gives a misleading impression of the Town's ability to meet its current and future obligations. We concur with their decision.

In our opinion, except that the omission of the financial statements described above in the second paragraph results in an incomplete presentation, the general purpose financial statements referred to above present fairly the financial position of each of the fund types and account groups of the Town of Atkinson, New Hampshire at December 31, 1984 and the results of operations and changes in financial position of its proprietary fund types for the year then ended, in accordance with generally accepted accounting principles applied on a basis consistent with the preceding periods.

Our examination was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining financial statements and schedules listed in the table of contents as supplemental schedules are presented for additional analysis and are not a required part of the general purpose financial statements of the Town of Atkinson, New Hampshire. Such information has been subjected to the auditing procedures applied in the examination of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

ANNUAL REPORT

BOARD OF SELECTMEN

1984 can best be described as the year in which several of the pending issues moved out of limbo and towards completion.

The long awaited Lewis court case decision finally came down! A transition of dispatching from Helen Conley's house to the Rockingham County Sheriff's Department was achieved with minimal inconvenience to the residents. The Wright Farm condominium project, Phase 1, received Planning Board approval, and initial work has already begun. And after several unsuccessful attempts, voters at last year's Town Meeting approved the paving of Pope Road, putting an end to the grief, agony and futility of dodging pot-holes and ruts enroute to the transfer station!

With the help of the capable people in Town, we were able to solve the majority of problems presented to us. While several issues were resolved or are nearing resolution, new issues have replaced them for 1985, including the projected closing of the Kingston Landfill, the capital expense of updating Town facilities, and the passage of zoning ordinance amendments to comply with the Master's decision in the Lewis Builders vs. Town of Atkinson court case.

You will notice a change in the budgeting procedure this year. Direct expenses, such as FICA, insurance and legal costs, have been added to the departmental budgets. These changes will be explained at Town Meeting at the presentation of each department's budget.

The Selectmen would like to take this opportunity to acknowledge the efforts of the people who work for the Town, both paid and volunteers. Their dedication to their jobs - and to the Town - cannot be measured in true monetary terms. Many of our paid employees work many more hours than their paychecks reflect, and the unpaid volunteers of Atkinson are the backbone of our Town Government. Nearly 20,000 hours of volunteer labor were expended last year, and we want those volunteers to know their work is appreciated.

Volunteers are always needed to serve on various boards and committees. If you feel you can contribute some of your time and talents, please submit the form in the back of this report to the Selectmen's Office.

Respectfully submitted,

Atkinson Board of Selectmen

TOWN WARRANT

State of New Hampshire

To the inhabitants of the Town of Atkinson in the County of Rockingham in said State qualified to vote in Town Affairs -

You are hereby notified to meet at the Kimball Public Library Function Room on Tuesday, the twelfth of March, 1985 at ten o'clock in the forenoon to act upon the articles required to be voted on by official ballot.

All voters are further notified to meet at two o'clock in the afternoon on the sixteenth day of March, 1985, at the Dyke Auditorium of the Atkinson Academy to act on all other articles in this warrant.

ARTICLE 1. To choose all necessary Town Officers for the coming year.

ARTICLE 2. "Are you in favor of the adoption of Amendment No. 1 as proposed by the planning board for the Town zoning ordinance as follows: (This amendment would make the term "accessory use" consistent throughout the residential districts and would allow required side-yard and rear-yard setbacks for private outdoor recreational installations in those districts to be 15 feet.) ?"

AMEND Article III, Section P3 as follows:

REPLACE the present definition of "private outdoor recreation" with the following:

Private outdoor recreation means recreational activity taking place on private property by consent of the owner(s) of said property and for which no admission or membership fees are required to participate.

Such activity is considered an ancillary use to primary residential use.

AMEND Article V, Sections 510 and 520 as follows:

Under "uses...permitted," DELETE "7. Enclosed storage" and ADJUST the numerical sequence of the remainder of permitted uses.

AMEND Article V, Sections 511 and 521 as follows:

ADD superscript number "1" after "Rear-Yard Minimum...75 feet" and "Side-Yard Minimum...Total 100 feet" in the "Residential Uses" column.

INSERT footnote at the end of each section to read:

1 - Rear-Yard and Side-Yard Minimum for private outdoor recreational installations is 15 feet.

AMEND Article V, Section 530 as follows:

ADD to "uses...permitted", " 4. Private outdoor recreation." ASSIGN the number "5" to the present "4. Public outdoor recreation." CHANGE present "5. Enclosed accessory building" to "6. Accessory use." ADJUST numbers of present items "6" and "7" to "7" and "8" respectively.

AMEND Article V, Section 531 as follows:

ADD superscript number "1" after "Rear-Yard Minimum...50 feet" and "Side-Yard Minimum...30 feet" in the "Residential Uses" column.

INSERT footnote at the end of the section to read:

1 - Rear-Yard and Side-Yard Minimum for private outdoor recreational installations is 15 feet.

ARTICLE 3 " Are you in favor of the adoption of Amendment No. 2 as proposed by the planning board for the Town zoning ordinance as follows: (This amendment would permit readers of the zoning ordinance and regulations to translate any reference to outdated statute numbers to new numbers resulting from 1983 state legislation action.)?"

INSERT after each mention of New Hampshire enabling statutes presently appearing in Article I: Preamble; Article IV: D-6, Wetland Zoning; Article IX: Board of Adjustment; and Growth Management Ordinance: Section 110, an asterisk. REFERENCE the asterisk with a footnote at the bottom of the same page which reads:

* Now recodified in Title IXIV, Chapters 672-677, 1983. See Comparison Chart in APPENDIX.

ARTICLE 4. "Are you in favor of the adoption of Amendment No. 3 as proposed by the planning board for the Town zoning ordinance as follows: (This amendment would reduce a duplicate appearance of each of the two road specifications below to a single appearance by retaining each of them in the regulations chapters of the Town's land use control measures.)?"

REMOVE the following as ordinance texts:

Section E, Road Specifications. The paved surface shall be three (3) inches of bituminous concrete. 1974.

Paragraph F-1, Land Subdivision Control Regulations. Driveways shall be constructed in the following manner: The area adjacent to the highway be graded such that the surface will slope from the edge of the pavement to a line 5 feet distant from and parallel to the pavement and 3 inches below the edge of the pavement (for the entire frontage of the property) which line will serve as a drainage gutter. 1973.

ARTICLE 5. "Are you in favor of the adoption of Admendment No. 4 as proposed by petition of the voters for this Town for the Town zoning ordinance as follows: (This amendment would modify the Zoning Ordinance Map of March 9, 1982 by changing that section of the Rural-Residential 3-acre Zone located in the southwestern corner of the Town to a Town-Residential 2-acre Zone.)?"

To see if the Town will vote to adopt the Atkinson Zoning Map as amended.

Recommended by the Planning Board

ARTICLE 6. To see if the Town will vote to establish a Historic District Commission for the purpose of exploring the feasibility of establishing a Historic District in the Town Center (TC identification on Zoning Map) and to authorize the Selectmen, upon recommendation by the Planning Board of candidates dedicated to the purposes of an Historic District Commission, to appoint seven (7) members to serve on said Commission under the following stipulations: one member shall be a member of the Board of Selectmen; one member may be a member of the Planning Board; and as many members as possible shall be residents of the Town Center District.

Recommended by the Planning Board

ARTICLE 7. To see if the Town will vote to authorize the Board of Selectmen to set the rates for the inspections of buildings.

ARTICLE 8. To raise such sums of money as may be necessary to defray Town charges during the ensuing year and make appropriations for same.

ARTICLE 9. To see if the Town will vote to increase the salary of the Town Clerk by \$2,000. to \$4,000. annually.

Recommended by the Budget Committee

ARTICLE 10. By Petition: "To see if the Town will vote to raise and appro-

priate the sum of \$1,000. to give the Town Treasurer a bonus for services performed over the last five years."

Not Recommended by the Budget Committee

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of Thirty-Five Thousand Dollars (\$35,000.) to be added to the Fire Department Capital Reserve Fund for the purpose of upgrading the Fire Department equipment.

Recommended by the Budget Committee

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of One Hundred Twenty One Thousand Dollars (\$121,000.) to purchase a tank truck for the Fire Department; \$50,000 plus interest to come from the Capital Reserve Fund established for the purpose of upgrading the Fire Department equipment; \$35,000. to come from the Federal Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, as amended, and the balance to be raised by tax dollars.

Not Recommended by the Budget Committee

ARTICLE 13. To see if the Town will vote to raise and appropriate up to the sum of Fifteen Thousand Dollars (\$15,000.) for the purpose of securing architectural drawings, plans, and bids for the planning of a Town Hall, such funds to come from the Federal Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, as amended, or by taxes.

Recommended by the Budget Committee

ARTICLE 14. To see if the Town will vote to raise and appropriate up to the sum of Six Thousand Eight Hundred Dollars (\$6,800.) to purchase a new snow plow for the highway department, such funds to come from the Federal Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 as amended, or by tax dollars.

Recommended by the Budget Committee

ARTICLE 15. To see if the Town will vote to raise and appropriate up to the sum of Ten Thousand Dollars (\$10,000.) for the purpose of evaluating Town road conditions and establishing a repair and rebuilding program.

Recommended by the Budget Committee

ARTICLE 16. To see if the Town will vote to raise and appropriate up to the sum of Forty Thousand Five Hundred Sixty Eight Dollars (\$40,568.) to resurface Christine Drive.

Recommended by the Budget Committee

ARTICLE 17. To see if the Town will vote to raise and appropriate up to the sum of Sixty Nine Thousand Two Hundred Forty Dollars (\$69,240.) to resurface Upper Maple Avenue.

Not Recommended by the Budget Committee

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.) for repair work on North Broadway, provided the State appropriates \$10,000. for this purpose.

Recommended by the Budget Committee

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.) to be added to the Capital Reserve Fund established for the purpose of upgrading the Police Department equipment.

Recommended by the Budget Committee

ARTICLE 20. To see if the Town will vote to authorize the withdrawal of up to the sum of Two Thousand Dollars (\$2,000.) from the Capital Reserve Fund established for the purpose of upgrading the Police Department equipment to cover costs of any major repairs to the 1981 police cruiser.

Recommended by the Budget Committee

ARTICLE 21. To see if the Town will vote to raise and appropriate up to the sum of One Thousand Seven Hundred Fifty Dollars (\$1,750.) to purchase a new mobile police radio.

Not Recommended by the Budget Committee

ARTICLE 22. To see if the Town will vote to authorize the Conservation Commission to spend up to One Thousand Dollars (\$1,000.) to secure an accessway to Town Forest land off Route 111, such funds to come from the Conservation Commission Town Forest account, as authorized by RSA 31:112.

Recommended by the Budget Committee

ARTICLE 23. To see if the Town will vote to accept a gift in the amount of Five Hundred Dollars (\$500.) which was donated to the Atkinson Recreation Commission, and to authorize the expenditure thereof.

Recommended by the Budget Committee

ARTICLE 24. To see if the Town will vote to establish a Capital Reserve Fund for the purpose of constructing and equipping a multi-media resource center at the Kimball Public Library.

Not Recommended by the Budget Committee

ARTICLE 25. To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000.) for the Capital Reserve Fund established for the purpose of constructing and equipping a multi-media resource center at the Kimball Public Library. This is the first of five articles to be submitted over a five-year period.

Not Recommended by the Budget Committee

ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of Seven Thousand One Hundred Sixty Four Dollars (\$7,164.) to support the nursing services provided by the Derry Visiting Nurses Association.

Not Recommended by the Budget Committee

ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of One Thousand Two Hundred Dollars (\$1,200.) to support home-making services provided by the Derry Visiting Nurses Association.

Not Recommended by the Budget Committee

ARTICLE 28. To see if the Town will vote to authorize the disposition, by sale or trade, of Fire Department Tanker Unit No. 74.

ARTICLE 29. To see if the Town will vote to authorize the disposition, by sale or bid of three plows including one "V" plow, one 11-foot one-way plow, and one wing plow (damaged).

ARTICLE 30. To see if the Town will vote to authorize the disposition, by sale or bid, of the old Civil Defense radio.

ARTICLE 31. To see if the Town will vote to accept Emery Drive Extension as a Town road.

ARTICLE 32. To see if the Town will vote to authorize the Selectmen to apply for, negotiate, and do all other things necessary to obtain such Federal, State, Foundation, and/or Private Grants or Funds as may be available, and to expend the same.

ARTICLE 33. To see if the Town will vote to accept perpetual care sums totalling \$200.; \$100. for the Sanford Carter lot and \$100. for the Robert Jenkins lot.

ARTICLE 34. To see if the Town will vote to make perpetual care a mandatory requirement in the purchase of a cemetery lot.

ARTICLE 35. To see if the Town will vote to authorize the Selectmen to transfer tax liens and convey tax title property by deed as they deem appropriate, pursuant to RSA 80:42.

ARTICLE 36. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen pursuant to RSA 33:7 and 33:7a or otherwise, to hire such sums of money as the Town will need in anticipation of taxes.

ARTICLE 37. To hear reports of the Town Officers and Committees and act upon same and transact any other business that may legally come before the meeting.

GIVEN under our hands and seal this twenty-sixth day of February in the year of our Lord, nineteen hundred and eighty five.

FRED E. GALIETTA

ANNUAL REPORT

ATKINSON FIRE DEPARTMENT

1984 showed a marked improvement over 1983 in fire losses in Atkinson. There were only two house fires, which involved moderate damage. One involved an uninspected wood stove and the other, which was in the home of one of your volunteers, involved an electrical fire at the main service panel. This home had working smoke detectors which gave the occupants an early detection of their fire. WORKING SMOKE DETECTORS ARE LIFE SAVERS!

This year, as in years past, we continue to have a high number of Medical Aid responses and because of this, your Fire Fighters are scheduled for more Medical training in 1985. This training should help alleviate the heavy demand on our E.M.T.s.

The Fire Inspectors continue to do an outstanding job. They do great with the Academy and Rockwell school children. This year we started bringing the children to the Fire Station for their Fire Prevention Presentation. The reason for this is to enable us to have a more controlled atmosphere and keep their undivided attention. The Inspectors also put many hours in each month on new construction and other inspections.

The Fire Department plans to reinstate the Atkinson Junior Fire Department in 1985. The program will be open to youths 16 and 17 residing in Atkinson. Anyone interested can give me a call at 362-4209 for further information.

Three waterholes were put back in service in 1984 with the help of Philip Busby located at Trinity House Camp, the intersection of Salem and Providence Hill Roads and on Meditation Lane. Another, by the horse farm at the intersection of Sawyer Avenue and Meditation Lane is back in service thanks to the help of Anthony Spera. All of these water holes are quite critical and it is good to have them back in service.

The Fire Auxiliary donated a new color television set to the Fire Department this year. The television is used in conjunction with our Fire Service Training films and the Video Cassette Recorder the Fire Department purchased last year and also provides an excellent aid when the school children come to the Fire Station during Fire Prevention Week. This very worthwhile organization is, as always, in need of members.

This year your Firefighters have donated more than 2,900 hours from our bi-monthly Training Sessions. This, in addition to 4,400 hours for maintenance, Fire and Medical Aid calls, adds up to over 7,200 hours of donated service from your Fire Department.

ANNUAL REPORT

ATKINSON FIRE DEPARTMENT (Cont.)

Your Volunteer Fire Department can only be as good as the support it receives from you, the Town's People. Fire Service Equipment and Apparatus pose a high burden to we, the taxpayers, because of their high cost. The continual need to upgrade and replace these specialized types of apparatus makes us more efficient and able to respond with greater speed to your needs in an emergency situation.

1984 being no different from prior years, we are in need of new members. Anyone 18 years of age or older is welcome to participate and we will train you.

Respectfully submitted,

David M. Weymouth, Chief
Atkinson Fire Department

Miscellaneous	34

ANNUAL REPORT

FIRE INSPECTOR

This year the Fire Inspector, at the request of the Fire Chief, is presenting a first ever annual report. The reasons are twofold:

First, to present the Townspeople with an Awareness Program which specifies a few very simple procedures that will not only make each home a safer place to be, but will also aid the Fire Department when responding to your calls.

- (a.) Install smoke detectors on every living level of your home - this is to include the basement.
- (b.) Post your street number and/or name on both sides of your mailbox.
- (c.) Post your street number on your residence or business so that it can be seen from the street.
- (d.) Homes situated remote from the main roads should be identifiable by number and/or name posted at the end of respective driveways, especially important on the other side of Route 111.
- (e.) Post emergency telephone numbers on all telephones - stickers are available at the Town Hall and the Fire House.
- (f.) Devise and practice an emergency evacuation plan for your family - each family member should plan "two ways out" of their bedroom.
- (g.) Have your wood stove inspected! Over 400 Atkinson families have received certificates stating that their wood stove has passed inspection. Noteworthy fact: An inspected wood stove has never caused a structure fire in Atkinson.
- (h.) Obtain a permit before buying an unvented space heater- we have a list of the "proper" heaters to buy.

Remember, the Fire Department is a volunteer group - please help us to help you!!

Secondly, to provide the Townspeople with a list of duties of the Fire Inspectors.

- (a.) Inspect all heating appliances when installed.
- (b.) Provide regulations and to check the construction of all fireplaces, chimneys and protective heat shielding walls.
- (c.) Check new construction as it pertains to Life Safety Code 101; i.e. size of windows, doors, height of handrails, installation of smoke detectors, exits and garage protection.
- (d.) Issue permits and information on Monday nights at the Town Hall, 7:00 - 9:00 p.m. and on request.

ANNUAL REPORT

FIRE INSPECTOR (Cont.)

(e.) Annually inspect schools per N.F.P.A. 101 and conduct Fire Safety Programs for all school children.

(f.) Conduct other business as directed by the Fire Chief.

If you are contemplating building a new house or an addition to an existing one, stop by and check with the Fire Inspectors for necessary safety features that will pertain to you.

Respectfully submitted,

Chuck Earley
Red Norris
Fire Inspectors

ANNUAL REPORT

ATKINSON POLICE DEPARTMENT

In July of 1984, Helen Conley retired as Police Dispatcher and the dispatching services were picked up by the Rockingham County Sheriff's Department in Brentwood, N.H. Due to this change, we do not have a complete list of department activities as we have had since 1978.

We now have a police officer in the Atkinson police cruiser from 8:00 a.m. to 12 midnight, seven day a week. This is providing almost full-time coverage, but still using all part-time officers and paying part-time wages. I hope in 1985, our payroll account is not subject to being cut, for this will put us back to part-time coverage.

Overall, crime is down and house breaks are the lowest since 1978. I feel this is due in part to the visability of the Atkinson cruiser on our streets from 8:00 a.m. to 12 midnight. During daytime hours (8:00 a.m. to 4:00 p.m.) we pay special attention to all the homes in town, for while you are working and your children are in school, we are most susceptible to house breaks.

Juvenile problems have been one of our biggest problems this year, not so much delinquency problems, but behavioral problems at the home level. Corporal Judge, our juvenile officer, has had a busy year, and our enrollment in the Family Meditation Program, located at the Plaistow District Court, has helped to take up a lot of the work load and, in many cases, has eliminated the need for court intervention.

Drinking among juveniles is still a problem. I am a strong crusader against juveniles drinking and have in the past (and will in the future) have parents of all juveniles caught drinking come to the Police Station to retrieve their children. At this age, they cannot handle this alcohol and, when put behind the wheel of a car, are in an "accident-looking-for-a-place-to-happen" situation. It could well be a fatal accident.

Our town is a bedroom community and does not offer all the services that you will find in a large city. Your Police Department is here to serve you in any way we can. It is one of the services that you can really count on and should not hesitate to use.

Have a productive year, love thy neighbor and drive defensively.

Respectfully submitted,

Philip V. Consentino
Atkinson Police Chief

ANNUAL REPORT

CONSERVATION COMMISSION

By the 1985 Town Meeting, Atkinson should have already taken title to 63 acres of the Sawmill Swamp, the former Feuer parcels. This major watershed and ground water recharging area will thus be under the protection of the Town. It is also a very interesting wildlife habitat area which we invite you to visit.

This spring, the Conservation Commission again sponsored Atkinson "Clean-Up Day". We thank all those who participated.

Much work was done this year on the Bonin field clearing new growth and mowing. We would like to acknowledge the assistance of former Commission member Bill Sible and the generosity of Dr. Robert Wattie, who loaned the Commission the use of his tractor and brush cutter.

For future trail system work, the Commission this year purchased a hand-operated brush cutter. Chet Ladd has already been hard at work using it on trail work on the Sawyer and Chadwick Town Forest parcels.

This year, as in past years, the Conservation Commission sponsored a Timberlane student to the New Hampshire Youth Conservation Camp.

Signs have now been put up identifying all Town Conservation and Town Forest parcels. Trail systems on these parcels make them ideal for all forms of passive recreation and we urge you to use and enjoy your Town Land.

In 1984, the Commission did five site inspections involving wetlands areas. A main priority of the Commission continues to be the protection of water quality in Atkinson.

This year a firewood thinning cut is planned for the Stickney parcel. We have secured the services of a registered professional forester to guide the Commission and supervise the cutting.

The Conservation Commission is seeking to acquire a secondary access to Conservation Land on Route 111. We have submitted a warrant article asking your authorization to use money we have in our Town Forest Account to acquire this access for putting in a woods road. Besides providing a secondary accessway to Town Forest Land for future timber cuts, it will also connect previously unconnected Town Land, thus permitting the better development of a trail systems for recreational purposes. We ask your support at Town Meeting.

We urge all Town residents to get involved with the Conservation Commission. If you have a good idea that would benefit the environmental quality of life of Atkinson, please let us know. If you know of a piece of land that you feel should be acquired by the Town for the benefit of now and future residents, let us know. We always welcome your input and suggestions.

ANNUAL REPORT

KIMBALL PUBLIC LIBRARY

Another busy year at Kimball Public Library has come and gone; at this time it seems quite appropriate to offer sincere thanks to our staff for their constant enthusiasm, patience and help. Thanks go to Librarian Besty VanCuran, regular staffers Dorothy Gordon, Muriel Hirsch, Priscilla Mills and part-timer Linda Jette. Volunteer hours are of untold value; volunteers help ease the staff's work load, repair books, help with filing and shelving and assist with clerical chores. Kimball Public Library is fortunate to have not only an excellent librarian and staff, but a dependable core of volunteers. Interested potential volunteers are invited to call at the library and introduce themselves.

The Apple IIe computer continues to be of valuable use to staff, trustees and patrons. Future plans may include involvement with a State-wide automated computer system. The Xerox copy machine purchased by the Town last March has been blessed with good health and continues to serve the community quite regularly.

Since January, 1984, Kimball Public Library has belonged to the Boston Museum of Fine Arts. Through joint purchase by a patron and the trustees, four tickets have been available for community use, free of charge. We are proud of our continually updated literary collection for readers of all ages and interests. Reference items and the vertical file help researchers; current magazines, best sellers, classics, records and tapes are available all year. The function room has seen much use again this year, including community club meeting, elections, The Haunted House, Trivial Pursuit nights, and the annual Blueberry Festival. This year's Blueberry Festival featured a performance by entertainer Dan Grady of Manchester. His program of drama, comedy, puppetry and mine was very well received by many children and adults.

Conscientious effort is put into thoughtfully overseeing expenditure of funds the Town designates for library use, with an eye to keeping Kimball Public Library as dynamic and completely functional as possible. Overdue fine money is used to purchase books; money generated by the copy machine is kept in a separate account for machine materials and maintenance.

Recent building studies showed the library to be in the best condition of all the Town buildings; it is the newest. Time was devoted to good maintenance of the building to ensure safety for its users and its contents. Among new items are a soft drink machine in the function room, an outdoor community events sign donated by the Lions Club, shrubs for the front banking, a new storage/reference table donated by the trustees, an enormous mailbox and new shelving. Sincere thanks go to those who kindly donated books, their time and efforts and other items to Kimball Public Library during the year.

ANNUAL REPORT

KIMBALL PUBLIC LIBRARY (Cont.)

Kimball Public Library is open 34 hours per week. With a growing Town population, hours will increase as needed. Please visit YOUR public library often. If you are not yet a card-carrying patron, please take a few minutes to come to Kimball Public Library. Hours are:

Monday.....2:00 - 6:00 p.m.
Tuesday.....10:00 a.m. - 9:00 p.m.
Wednesday.....2:00 - 5:00 p.m.
Thursday.....10:00 a.m. - 9:00 p.m.
Saturday.....10:00 a.m. - 3:00 p.m.

ANNUAL REPORT
PLANNING BOARD

The Planning Board has in 1984, as in prior years, presented proposed amendments to the present zoning ordinance for the consideration of the voters. During 1984 the Board has held open meetings and public hearings in an attempt to gather suggestions from residents to coincide with outside research from the Planning Board Consultants. Existing ordinances which will be affected by the proposed changes are as follows:

(Page 1)
ARTICLE I

In pursuance of authority conferred by Chapter 31, Section 60-89 as amended, New Hampshire Revised Statutes Annotated, 1955, and for the purpose of promoting the health, safety, morals, prosperity, convenience or general welfare, as well as efficiency and economy in the process of development of the incorporated Town of Atkinson, New Hampshire, by securing safety from fire, panic and other dangers, providing adequate areas between buildings and various rights of way, by perserving the rural charm now attached to our Town, the promotion of good civic design and arrangements, wise and efficient expenditures of public requirements, and by other means, now therefore the following ordinance is hereby enacted by the voters of the Town of Atkinson, New Hampshire, in official meeting convened. 1959, 1982.

ARTICLE II

(Page 3)

ARTICLE III

Section P3 Private outdoor recreation shall include recreation such as tennis courts and paddle tennis courts, and are considered an ancillary use to primary residential use. 1982

(Page 6)

ARTICLE IV

Section D

6. Easements, Rights of Way. Streets, roads and other access ways and utility rights of way or easements may be permitted provided that:
 - a. The street, road, access way or utility right of way or easement is essential to the productive use of land not zoned under the provisions of this ordinance. 1979
 - b. The street, road, access way or utility right of way or easement is so located and constructed as to minimize any detrimental impact of such uses upon the wetland. 1979
 - c. Such location and construction be compatible with the intents and purposes of this ordinance. 1979

Approval for such uses may be obtained as a part of site plan approval pursuant to RSA 36:19a, or when 36:19a is not applicable, as a special exception by the Board of Adjustment. 1979

(Page 13)

ARTICLE V

Section 510 (RR-3) Rural Residential - 3

In Rural Residential - 3, the following uses are permitted:

1. Agricultural and forest uses
2. Single family conventional housing
3. Private outdoor recreation
4. Public outdoor recreation
5. Wildlife refuge
6. Cemetery
7. Enclosed storage
8. Accessory use
9. Guest house
10. Manufactured housing in a Rural Cluster Residential Development (Article VIA)

The following uses are permitted after issuance of a Special Exception by the Board of Adjustment:

1. Excavations (See Article IV: General Provisions)
2. Home Occupation (See Article IV, Section H: General Provisions)
1984

Section 511 - Area, Yard Coverage, Height and General Regulations*

	<u>Residential Uses</u>	<u>Non-Residential Uses</u>
Lot Area Minimum	3 acres	3 acres
Lot Frontage Minimum	250 feet	250 feet
Lot Depth Minimum	200 feet	250 feet
Front Yard Minimum	70 feet	70 feet
Rear Yard Minimum	75 feet	75 feet
Side Yard Minimum	Total 100 feet Minimum 30 feet	50 feet each side
Building Height Maximum	Two stories or 30 feet, whichever is less. Accessory Building, 15 feet. No height limitations for agricultural use.	
General Regulations	Site Plan approval is required for non-residential use.	

* In an RR-3 area, a total of 30,000 square feet may be included in the lot size requirements in soil conditions generally not suited for development.

(Page 14)

Section 520 (RR-2) Rural Residential - 2

In Rural Residential - 2, the following uses are permitted:

1. Agricultural and forest uses
2. Single family conventional housing
3. Private outdoor recreation
4. Public outdoor recreation
5. Wildlife refuge
6. Cemetery
7. Enclosed storage
8. Accessory use
9. Guest house
10. Manufactured housing in a Rural Cluster Residential Development (Article VIA)

The following uses are permitted after issuance of a Special Exception by the Board of Adjustment:

1. Excavations (See Article IV: General Provisions)
2. Residential use on $1\frac{1}{2}$ acre density provided soil conditions render slight or no limitations to development and include slopes of less than 8%, depth to bedrock greater than 10 feet, depth to high water table greater than 6 feet and soils classified as soil numbers 12, 26, 42 or 43 as described in the 1978 Atkinson Soil Survey. 1984
3. Home occupation (See Article IV, Section H: General Provisions) 1984

Section 521 - Area, Yard, Coverage, Height and General Regulations*

	<u>Residential Uses</u>	<u>Non-Residential Uses</u>
Lot Area Minimum	2 acres	2 acres
Lot Frontage Minimum	200 feet	200 feet
Lot Depth Minimum	200 feet	250 feet
Front Yard Minimum	70 feet	70 feet
Rear Yard Minimum	75 feet	50 feet
Side Yard Minimum	Total 100 feet Minimum 30 feet	50 feet each side
Building Height Maximum	Two stories or 30 feet, whichever is less. Accessory Building, 15 feet. No height limit for agricultural uses.	
General Regulations	Site Plan approval is required for non-residential use.	

* In an RR - 2 district, three acres shall be required if more than 50% of a two acre lot shows in the 1978 Atkinson Soil Survey as having less than two feet depth to the seasonal water table, and/or slopes greater than 25% and/or less than four feet to bedrock and or are generally found under soils map symbols 6, 15, 32, 33, 40, 41, 41r, 46, 47, 129, 197, 214, 295, 395, 495, 514, 532, 533, 546, 547, 595 and 647.

(Page 14a)

Section 530 - Town Residential - 2 (TR-2)

In Town Residential - 2, the following uses are permitted:

1. Agricultural and forest uses
2. Single family conventional housing
3. Public school
4. Public outdoor recreation
5. Enclosed accessory building
6. Guest house
7. Manufactured housing in a Rural Cluster Residential Development (Article VIA)

The following uses are permitted after issuance of a Special Exception by the Board of Adjustment:

1. Excavations (See Article IV: General Provisions)
2. Residential use on $1\frac{1}{2}$ acre density, provided the soil conditions render slight or no limitations to development and include slopes of less than 8%, depth to bedrock greater than 10 feet, depth to high water table greater than 6 feet, and soils classified as soil numbers 12, 26, 42 or 43, as described in the 1978 Atkinson Soils Survey. 1984
3. Home occupation (See Article IV, Section H: General Provisions) 1984

Section 531 Area, Yard, Coverage, Height and General Regulations

	<u>Residential Uses</u>	<u>Non-Residential Uses</u>
Lot Area Minimum	2 acres	2 acres
Lot Frontage Minimum	200 feet	200 feet
Lot Depth Minimum	200 feet	250 feet
Front Yard Minimum	50 feet	50 feet
Rear Yard Minimum	50 feet	50 feet
Side Yard Minimum	30 feet	50 feet each side
Coverage Minimum	15 percent	10 percent
Building Height Maximum	Three stories or 35 feet, whichever is less. Accessory Building, 15 feet.	
General Regulations	Site Plan approval is required for non-residential uses.	

(Page 23)

ARTICLE IX

Board of Adjustment

Within thirty (30) days after the adoption of this Ordinance and thereafter as terms expire or vacancies occur, the Board of Selectmen shall make appointments to a Board of Adjustment of five members conforming in duties to the provisions of Chapter 31 of the New Hampshire Revised Statutes Annotated, 1955. Thereafter as terms expire or vacancies occur, the appointing authority shall be responsible for filling vacancies and maintaining full membership of the Board of Adjustment. The Board of Adjustment shall conform in membership and term of office to the provisions of Sections 67-76, Chapter 31, New Hampshire Revised Statutes Annotated, 1955. In addition to the general powers granted said Board by Chapter 31, it may in harmony with and subject to its provisions, 1955

- A. Waive the Residential District frontage or sidelines requirements where there are unusual conditions. In such cases, however, the average width of the lot shall be equal to or greater than frontage requirement. 1972
- B. Permit in a Commercial District manufacturing which is incidental to a retail business where articles are sold at retail on the premises and where not more than five (5) operators are employed in such manufacturing.

(Page 25)

GROWTH MANAGEMENT AND TIMING OF DEVELOPMENT ORDINANCE

Article I: Enactment, Intent

Section 110 Enactment

Pursuant to statutory power vested in the Town under the New Hampshire RSA, Chapter 31, Section 62-a, the Town of Atkinson hereby establishes a Management and Timing of Development Ordinance and Regulations which are set forth in text and constitute these Regulations. These regulations shall be known and cited as the Town of Atkinson Growth and Timing of Development Regulations.

Sample of Recodification

Disposition Table

Old To New

The following table is provided in order to assist the reader in determining the disposition of the former sections of the RSA s in the zoning and planning recodification.

ANNUAL REPORT

BOARD OF ADJUSTMENT

During 1984, the Atkinson Board of Adjustment met sixteen (16) times and scheduled forty five (45) Public Hearings (including continuances). This represents a 32% increase over the thirty four (34) hearings scheduled in 1983. These hearings were concerned with requests for:

1. Variances to Atkinson's Zoning Ordinance
2. Special exceptions to Atkinson's Zoning Ordinance
3. Appeals from an Administrative Order
4. Home Business Permits

Of the forty five (45) scheduled hearings, twenty nine (29) were granted, five (5) were denied and eleven (11) were continuances.

The general reasons for those hearings which resulted in decisions were as follows:

<u>Reason for Variance, Appeal, etc.</u>	<u>Granted</u>	<u>Denied</u>
Lot line, set back or frontage	18	1
Wetlands	2	
Seasonal to primary residence	1	
Non-conforming Use	3	1
Mobile home		1
Mother-in-Law apartment	1	1
Road specifications	1	
Buried metal fuel tank		1
Home Business Permits	<u>3</u>	<u>1</u>
Totals	<u>29</u>	<u>5</u>

Respectfully submitted,

John W. Holbrook, Chairman
 Dudley Killam, Vice Chairman
 Merle Ashford
 Sanford Carter
 Richard Pyne
 Alfred Barney, Alternate
 Jane Cole, Alternate
 Christopher Cotis, Alternate
 Judith Nobrega, Clerk
 Telephone number: 362-4549

ANNUAL REPORT
BUILDING INSPECTOR

Permits issued and estimated construction costs:

<u>Type</u>	<u>Number</u>	<u>Cost</u>
New homes	45	\$2,969,118.00
Garages, additions & barns	41	394,010.00
Remodeling	27	79,273.85
Electrical service	3	4,899.00
Swimming pools	24	163,723.00
Fire damage	1	20,000.00
Commercial	<u>1</u>	<u>25,000.00</u>
TOTALS	<u>142</u>	<u>\$3,656,023.85</u>

Total Building Permits issued in 1984 were up by 35 compared to 1983.

New Home starts were up by 20 to a total of 45 compared to 25 new home starts in 1983.

Through extended efforts to inform the public of current Town building regulations, 1984 has been a smoother and more efficient building year. Because the public is more knowledgeable, the resulting construction quality has improved. This year the condominium construction concept has been introduced to Atkinson. Site work began in December with the expectation that some units will be completed in the 1985 calendar year.

This year the department revised many building permit forms. As a result, old permit applications were updated. New Fire Department and electrical forms have been developed to stay current within the state.

Throughout 1984, the department has increased its communication with the Selectmen, Planning and Adjustment Boards resulting in joint efforts to address concerns affecting the public.

I would like to thank the residents of Atkinson for their cooperation in making 1984 a productive building year.

Respectfully submitted,

Howard N. Seckendorf, Jr.
Building Inspector

ANNUAL REPORT

ROAD AGENT

I am proud of the work accomplished during my third year as Road Agent. Providence Hill Road had 3,332 feet of reconstruction; Pope Road and the parking lot at the recreation area were hot-topped; Knightland Road was shimmed, and drainage work was done through catch basins and 220 feet of pipe. Shoulder work was also done on Knightland Road.

The icing on North Broadway which has been a problem for many years was corrected through a State Road Aid Program in which the State picks up two-thirds of the cost and the Town pays one-third. More work is planned for 1985. We oiled 7½ miles of road; the culvert that runs under Leroy Avenue was replaced; catch basins and culverts were cleaned in the spring and fall; three hundred tons of shim was placed on Conley's Grove Road, Stickney Road, Westside Drive and Island Pond Road. Shoulders were also cut on those roads; street signs were put up; gates were put up at the transfer station and brush area; and we did many small jobs, including repairs to guard rails and hot top swales to direct water into drainage areas on Lower Maple Avenue. Upland Road drainage is always one of our major problems and will be addressed in 1985.

This year, I have placed the Highway Block Grant money into my town road maintenance budget and, by doing this, I have reduced my budget from last year.

It is my policy during snow storms to get out early with sand and salt mixed. Sand and salt are mixed at a ratio of four parts sand to one part salt. This year, we have five new roads to plow, including Wason Lane, Washington Lane, Rose Lane, Emery Drive Extension and Coventry Road. With these additional roads, we have to buy more salt.

We have pick-up sanders, this year, that are used very effectively in the pond area, and to sand bad corners and hills around town if needed.

I would like to remind residents of the new ordinances passed by the Selectmen this winter season. A parking ordinance bans parking of vehicles on the roads during plowing or at night. There is also an ordinance forbidding the pushing of snow onto the road. Copies of both ordinances are available in the Selectmen's Office.

An underground electrical service was installed to the Town Garage, and piping which will allow water from the Garage well to supply Town Hall was installed. In addition, there is a new furnace in the garage. We do need more storage for sand, and roof gutters to help keep the sand dry.

As your Road Agent, I will only do work that I am proud of.

Respectfully submitted,

Raymond H. Morelli
Road Agent

ANNUAL REPORT

SEXTON

The new cemetery has been surveyed and markers are in place. A new map is being made, for the purpose of updating lots and locations.

All the perpetual care lots had flowers for Memorial Day.

Work planned for 1985 includes preparation for additional lots and gravelling portions of the cemetery road, so people will drive on the roadway and not on the lots.

This year, we mowed on an average of once every four to five days and trimmed once a week. We have filled lots that settled and also seeded.

My goal as sexton is to keep a well maintained cemetery.

Respectfully submitted,

Raymond H. Morelli
Sexton

ANNUAL REPORT

HEALTH OFFICER

1984 was a busy year for the Health Officer, with many test pit installations. Leach field installations were at the highest level since I have been Health Officer, while repairs were at the lowest level. I feel this is the result of the larger size bed now required, and proper installation. If you have a problem with your system, please remember that only a licensed designer/installer can work on sewage systems.

The major duties of the Health Officer are to make test pit inspections, review the plans to make sure they are in order, and sign them for state approval. I make out permits for installation of sewage systems and make the necessary inspections. I also investigate any health-related complaints.

Respectfully submitted,

Raymond H. Morelli
Health Officer

ANNUAL REPORT

ANIMAL CONTROL OFFICER

1984 saw close to 700 dogs licensed in Atkinson. I feel that at this time we have almost all the dogs in Town licensed. This has taken a great deal of effort on the part of this department and the Town Clerk's Office, but if we can return just a few dogs to their owners we feel it is well worth the effort, not to mention the increase in revenue to the Town, which this year between license fees and late penalties, exceeded the entire amount of the Animal Control budget for 1984. Now if everyone whose dog is licensed would make sure the animal is wearing its tag, almost all dogs that are lost or stray should be reunited with their owners. 95% of the dogs that were lost in Atkinson in 1984 and not found were not wearing any tags. During the summer I returned a dog to her very happy owner in Needham, Massachusetts, because she was wearing a collar and license, and just recently we had a 14 year old dog from Brookside Terrace found in the Ward Hill area of Haverhill and returned to his owner because he had his license on. Believe me, any Animal Control or Dog Officer will call anywhere if they have a clue to go on, so PLEASE put those tags on!

The deer population this year in Atkinson must have had crossing guards, for we had no reports of any deer hit in Town. Tragically, the horse population did not fare as well. One horse was hit on Main Street, one was hit on Westside Drive and two ponies were killed on East Road this summer. It is my personal belief that part of the reason for the later incident was the fact that neither this department of the Police Department were notified until the ponies had been loose and chased for quite some time and darkness had fallen. Many people who have large animals do not realize that owners are responsible for any and all damages to vehicles which hit these animals and injuries to occupants of the vehicles. It is better to notify this department and the Police Department at once and take the chance of it being an unnecessary call than to face the heartbreak of having your animal unjured or killed and the financial burden of the costs that could be incurred.

Mother Nature's little wild creatures reeked havoc on this department in 1984 and added several chapters to my book titled "101 Ways Animals Can Make You Look Like a Complete Fool". I would like to thank the Police Department for their continued support, particularly Corporal Pat Judge and Officer Bill Rollins for their crash course in how to propel a flat bottom boat across thin ice in order to rescue one dizzy raccoon and Officer Alan Lydiard, who because of his assistance in the field, has become the liason officer for squirrels in chimneys.

I would also like to thank Joe, Luceille and Ann at the kennel who do such a great job with our strays. This year I have asked for three portable chain link kennels which are in no way intended to replace the present kennel we use. The reasons for these kennels is to have adequate facilities to house dogs if the

ANNUAL REPORT

ANIMAL CONTROL OFFICER (Cont.)

kennel should be full as it sometimes is and to house other animals that are picked up at times such as cats, pigs, foxes, rabbits, etc. There is no way the Town could replace the present kennel and the job they do, even at a greater cost. These people are doing the Town a great service and are barely covering their own expenses. This is also true of Dr. Wattie and the staff at Brushwood Veterinary Clinic who are totally responsible for keeping veterinary costs in my budget so low while doing an excellent job.

Also much thanks go to my son Shane, who is the Assistant Animal Control Officer; Jane Cele, the Selectmen's Assistant, who knows where to find 98% of what I need instantly; all three Selectmen for 100% support; Linda Jette and her staff, who sometimes have to bear the brunt of the anger of unhappy owners of unlicensed dogs; the Rockingham County Sherrif's Department for their efforts to make the transition in dispatch year fit this department's needs; the Salem Animal Control Officer, Paul Weed, for the lend of equipment and expertise on many occasion; Ray and Ginny Morelli for the use of the flat bottomed boat used in the infamous "Raccoon on Thin Ice Rescue"; and lastly, the people of Atkinson, most of whom really care about animals and their well being. Without all this support and help, this department could not have functioned nearly as well as it did in 1984.

Respectfully submitted,

Dale A. Childs
Animal Control Officer

ANNUAL REPORT

RECREATION COMMISSION

1984 once again offered for Atkinson residents many fun and exciting recreational programs.

When the year began, the basketball season was in full swing. Boys and girls in 4th and 5th grades enjoyed games at the Academy with grades 6 thru 8 participating in the Timberlane Junior High Basketball Program. In March, with snow still on the ground, the baseball enthusiasts were hard at play. Atkinson Minor league, Timberlane Junior and Babe Ruth Baseball was available for youngsters ages 8 thru 15. Senior Babe Ruth, a new addition, for 16-18 year olds had a very successful year. The team, managed by Ralph DeVite and coached by Ed Faber, played their way to the State Tournament. Congratulations are in order.

The Third Annual Family Day dawned bright and sunny. A variety of food and activities were available to all. A sincere thank you to all participating Town organizations which made this event so successful.

Patty Caten and crew again provided a fun filled summer for Atkinson children. The Sun & Fun Program offered sports, arts and crafts and many field trips. Our thanks to Patty, Carol, David, Pat and Carrie for a job well done. Timberlane Junior Football, tennis, exercise classes and the Annual Road Race were once again a great success.

Atkinson Senior Citizens enjoyed several outings in 1984. More trips are being planned for 1985.

The Atkinson Recreation Commission thanks all for their support and involvement and welcomes any new ideas or suggestions.

Respectfully submitted,

Terry Black
Barbara Devine
Calvin Highfield
Jim Rafferty
Sheri Turell
Sue Wattie, Chairman
ATKINSON RECREATION COMMISSION

ANNUAL REPORT
ELDERLY AFFAIRS

At Town Meeting last March, over 79% of Atkinson voters, in their compassion and caring, approved a referendum question asking that the State Legislature approve enabling legislation which would excuse Senior Citizens who meet financial hardship guidelines, from paying the school portion of their taxes. Hopefully, now, our State Representatives will heed the wishes of their constituents and act on this in Concord.

In February, April, May and December, a total of 2,040 pounds of cheese, 756 pounds of butter, 510 pounds of powdered milk and 120 pounds of rice were distributed to Atkinson Senior Citizens. If you are eligible, but have difficulty getting to the Town Hall, please let me know and I will personally drop off your portion at your home.

Senior Citizens' recreation is in full swing. There were three trips this year - a June 6th Boston Harbor Cruise to see the Tall Ships, a September 5th boat ride and picnic lunch at Lake Sunapee and an October 3rd Fall Foliage Trip. If you have ideas for future trips, please speak up!

In order to be in a position to take advantage of Senior Citizen discount prices at stores and restaurants, quite a few Senior Citizens signed up for and got Senior Citizens I.D. cards.

The Senior Citizens' Flu Clinic continues to be well attended. Because of demand, it was necessary this year to schedule a second Clinic to accommodate the 40 Seniors who got shots this fall. Since I have to order the vaccine ahead of time, it is very important that you let me know ahead of time if you are interested. Otherwise, if you just show up, there is no vaccine reserved for you.

New Seniors, don't forget to register at the Town Hall so as to be able to take advantage of Senior Citizen exemption on your property tax bill.

Sincerely,

Carol A. Grant
Director of Elderly Affairs

ANNUAL REPORT

TOWN BUILDING COMMITTEE

The Town Building Committee had its first meeting in May of 1984. Article # 32, passed at Town Meeting, raised \$7,500.00 to: "Conduct engineering studies of all existing Town Buildings to determine a course of action regarding; (1) upgrading to current codes; (2) expansion of said buildings; and (3) replacement of said buildings.

The Committee addressed the first part by having an energy audit on all buildings, having the smoke detectors upgraded and reinstalled in the buildings for local smoke and fire detection and having an emergency crash bar installed on the rear door of Town Hall. The committee, working with the Selectmen on the General Government Building Budget, has created a budget for a handyman to help ensure the economical and timely building repair and maintenance of all Town Buildings.

The second issue, the Committee found through its survey of space utilization that expansion would not be necessary for any Town Building within the next five years.

Third (replacement of said buildings), the Committee took a hard look at our present Town Hall and found that: foundation and chimney needed major work or replacement; the heating system and heat distribution should be upgraded; all paneling and woodwork should be painted with fire retardant paint; the electrical wiring replaced; the bathrooms and plumbing upgraded; the steep narrow rear stairway enlarged and corrected; the saging porch and stairs replaced, with a handicap ramp added to the new entrance; the clapboards and wood shingles sanded and painted or replaced with siding; the second story windows replaced with insulated storm windows; the first and second floor ceilings lowered from eleven feet and thirteen feet height to eight feet height for energy savings; the leaking cupola and rood shingles replaced; the septic system upgraded from its present holding tank to a septic tank and leach field; and the present parking lot increased in size.

A Town Hall serves many functions in a modern growing community. The facility must serve as a safe archive for very important records, house many essential services and be easily accessible to all Town residents. The facility should be a municipal complex designed for fire safety, ease of access by handicap, energy efficient and expandable for future use. Our present Town Hall would require major costly renovations and rehabilitation to meet all of these requirements.

It is the Committee's finding that the Town should replace the present Town Hall next year. We will be asking for funds in this year's warrant articles for architect drawings and plans to submit to the voters at next year's Town Meeting.

ANNUAL REPORT

TOWN BUILDING COMMITTEE (Cont.)

The Town Building Committee wishes to thank the Town departments, agencies, organizations and individuals that participated in our surveys and studies.

Respectfully submitted,

Robert Morse, Jr., Chairman
Town Building Committee

ANNUAL REPORT

CIVIL DEFENSE

The Civil Defense function in Atkinson remains largely one of being a liason between those State and Federal Agencies concerned with Civil Defense and emergency management and our own local emergency response agencies.

The on-going process of attempting to plan for possible emergencies and of anticipating which emergency situations could most likely be expected to happen has, in the past, and still does occupy much of the time expended towards the Civil Defense functions.

The cooperation of the Selectmen and the Police and Fire Departments as well as the Road Agent has and continues to make this job much easier.

I would be interested in hearing from anyone interested in assisting me in providing the Civil Defense function to the Town.

Respectfully submitted,

Patrick Judge
Civil Defense Director

ANNUAL REPORT

MUNICIPAL DISPATCH COMMITTEE

The Municipal Dispatch Committee was formed following Town Meeting last year, when the voters funded an interim dispatch with the provision that a recommendation be made at the March, 1985 Town Meeting as to future dispatch needs. The two main purposes of the Committee were to:

- (a.) Find the most feasible means of dispatch to replace Helen Conley from July 1, 1984 to December 31, 1984
- (b.) Present to the voters the Committee's recommendation for dispatching services for 1985.

The Committee also looked into long-range dispatch options during the year.

Originally the Dispatch Committee recommended to the Selectmen that Mitchell security be awarded a contract to provide dispatching services for the Town. However, due to Federal regulations, private concerns cannot receive official police information (criminal records, etc.) and therefore, plans to go to Mitchell Security had to be abandoned and on July 1, 1984, the Rockingham County Sheriff's Department took over dispatching for the Town. While, as could be expected, there were some problems during the switch, almost all the bugs have been ironed out. In order to be able to focus on future needs rather than on the small problems encountered during the transition period, it was the decision of the Dispatch Committee that the individual Department Heads involved should handle the problems affecting their departments and if unable to arrive at a solution, could approach the Selectmen for help.

Throughout the year, and into early 1985, the Committee has examined many options and narrowed the choice down to the following three:

OPTION 1 : To remain at the Rockingham County Sheriff's Department in 1985 at a total annual cost of approximately \$8,301.60, with the understanding that improved equipment as offered by the Sheriff's Department would be installed.

OPTION 2 : Provide 40 hours per week of local dispatch service with Rockingham providing the service for the remainder of the time at a cost of approximately \$33,173.00.

OPTION 3 : Would provide full-time in Town dispatch at a cost of approximately \$76,786.00.

More details of all three options will be available to any voters interested at Town Meeting.

It is the recommendation of the Municipal Dispatch Committee that the Town go with Option 1 and remain with the Rockingham County Sheriff's Department in 1985. It was felt that they can provide the most efficient dispatching at the most economical cost. Along with this recommendation also goes the recommendation that the Police Department use Sheriff's frequency 4 to help the Sheriff's Department better and more quickly serve them. This was passed on a vote of 11-2-1.

ANNUAL REPORT

MUNICIPAL DISPATCH COMMITTEE (Cont.)

Option 2 would pertain to the Police Department only due to the fact that the Fire Chief felt the for life safety needs he could not commit the Fire Department to a part-time dispatch. The Committee felt that for this reason the cost would be excessive.

Option 3 would be the most desirable but at this time the cost makes it prohibitive to recommend. Should the Town decide to build a new Town Hall in the next few year, Federal funding for some of the Building and dispatching set-up costs could be available and in Town full-time dispatching could well become affordable. Also, Plaistow and/or Hampstead could construct municipal complexes within the near future and this could be a more feasible solution to our needs.

The Dispatch Committee will continue to examine options as they come available and/or feasible and if conditions warrant, recommend changes to decisions that have already been made.

Respectfully submitted,

Dale Childs - Co-Chairman
Barbara Snicer - Co-Chairman
MUNICIPAL DISPATCH COMMITTEE

TOWN OF ATKINSON, NEW HAMPSHIRE

1. Our population is approximately 4,664, total land area is 11.2 square miles.
2. We are a Town Government, headed by three Selectmen, and governed by the Annual Town Meeting, held in March.
3. We have a Volunteer Fire Department consisting of regular and day call members. We have a call Police Department, and both departments are available 24 hours a day.
4. Shopping centers are less than $\frac{1}{2}$ mile away. There is no public transportation in Atkinson, except for the elderly.
5. We are part of the Timberlane Regional School District which is comprised of the towns of Plaistow, Atkinson, Danville and Sandown. The Rockwell School and Atkinson Academy house students in grades 1-5. Students in grades 6-8 attend Timberlane Regional Junior High School, while high school students attend the Timberlane Regional High School. Both the junior and senior high schools are located in Plaistow.
6. Our tax rate this year is \$21.98 per thousand. The Town was revalued in 1982-83 by the New Hampshire Department of Revenue Administration. We are presently valued at 90 percent.
7. There is no town water or sewerage, but some developers have their own water systems. Our town is presently zoned primarily residential and lot size requirements vary with the district.
8. The Congregational Church is located in the center of town. Holy Angels Catholic Church is located on Route 121. just over the Plaistow line. The Pentucket Baptist Church is on East Road. Other denominational churches may be found not more than a mile away in other communities.
9. Atkinson has the following organizations which meet regularly: Garden Club, Tri-Town Club for Newcomers, Women's Civic Club, Lions Club, Day and Evening Extension Groups. There is also the XYZ Club for the senior citizens, For the children there is scouting and there are programs for baseball, basketball, junior football and soccer.
10. Town boards meet as follows: Selectmen - Monday, 7:30 p.m.; Conservation, 3rd Monday; Recreation, second Wednesday; Budget Committee, 3rd Tuesday; Planning Board, second and fourth Thursdays; Board of Adjustment, 3rd Wednesday. All boards and committees meet in the Town Hall.
11. Atkinson has a Transfer Station, for disposal of rubbish, located on Pope Road and open on Wednesdays, Saturdays and Sundays. Brush may be disposed of at the Atkinson Brush Dump, next to the Transfer Station, on Saturdays and Sundays.

If your are a registered voter of Atkinson and would like to serve as a member of one of the following boards, commissions or committees, please fill out the form below, checking your area of interest and submit it to the Selectmen's Office.
