CHESTERFIELD FIRE & RESCUE PRECINCT
DECEMBER 31, 2005

SPOFFORD FIRE DEPARTMENT
DECEMBER 31, 2005

DEDICATION

This year's Annual Report is dedicated to all the VOLUNTEERS who give of their time in support of our town, school and fire departments. Volunteers serve a vital role in our local governments. Without the dedicated efforts of numerous volunteers, Chesterfield would not be the wonderful little town it is today.

This year's Annual Report is dedicated to those individuals who volunteer on government boards. These citizen volunteers generally spend one or two nights a month on a committee that oversee an important role of government. To the members of the Budget Committee, Library Trustees, Planning Board, Zoning Board, Parks & Recreation Commission, Cemetery Commission, Conservation Commission, School Board, Chesterfield Fire & Rescue Commissioners, Spofford Fire Commissioners and Board of Selectmen, we thank you one and all for your volunteer contributions.

This year's Annual Report is dedicated to those individuals who volunteer to be there when an emergency occurs. To the members of the Office of Emergency Management for being prepared and being there when an emergency happens, to the firefighters and rescue teams of both the Spofford Fire and Chesterfield Fire & Rescue Departments who are there in our times of need, we thank you one and all for your volunteer contributions.

This year's Annual Report is dedicated to those individuals who volunteer in organizations in support of government services. These volunteers provide valuable support to our town functions. To the members of the Chesterfield Historical Society, Friends of Chesterfield School, Friends of the Library, School Facilities Committee and the Town Office and Police Station Building Committee, we thank you one and all for your volunteer contributions.

This year's Annual Report is dedicated to those individuals who volunteer their time when the need arises. To the Scouts whose projects have improved the Parks & Recreation buildings at the Town Beaches, to the Spofford Lake Association members whose efforts keep Spofford Lake clean and free of invasive weeds, and to the Library volunteers who work with staff to make your library experience rewarding, to the trail stewards who work for the Conservation Commission, to those individuals and groups that have not been mentioned by name, we thank you one and all for your volunteer contributions.

Chesterfield is the great place to live due in large part to the efforts of all current and former volunteers. To each and every one who has given of their time to volunteer, we extend our sincerest appreciation and gratitude and dedicate this Annual Report to you.

Selectboard Report – 2005

People

Places

Things

The second major rain event in three years struck Chesterfield in October this past year. The rains and floodwaters caused widespread road damage, but fortunately for us, minimal property damage and no serious personal injuries were reported. Our town OEM team was at the ready during this event in addition to the Spofford Fire Department, the Chesterfield Fire and Rescue Department and the Highway Department. The Highway Department did the usual superb job of keeping roads passable during this time, with no road being impassable for more than a few hours. The Fire Departments were there to help with traffic control, and to provide rescue assistance if needed. And the OEM team was there to coordinate efforts and to provide any assistance to the responders. After the Governor declared a state of emergency for our area, FEMA teams came right out to offer assistance where needed. Our neighbors in Alstead, Hinsdale and Keene were less fortunate during this, and we wish them all the best as they recover from this event.

This past year saw the demolition of the historic "Spofford Place" on Route 9A. The EPA has been working several years to start the clean up of this site, and after much discussion with the local, state and federal historical societies had eventually come to a compromise that allowed the salvaging of some artifacts and the building came down this fall. Site decontamination cleanup should begin this spring. This past year also saw the completion of the two year Route 9 resurfacing/repaving project. The delays to travelers were minimal as compared to the first year. Many long days were spent by Chesterfield and surrounding town's police departments and we wish to thank all police departments for the fine job of keeping traffic flowing smoothly and safely. In the near future, the State is looking to build a Welcome Center on Route 9 near the Connecticut River. In addition, the State Department of Transportation (DOT) has proposed a bypass to Route 63 by Spofford Lake. As part of this project, the State would transfer maintenance responsibilities to the bypassed section of Route 63 to the Town. We anticipate another DOT public hearing on this in the summer and your input would be welcomed.

This past year saw two employees reach milestone anniversaries. Jane Anderson, Library Director, completed her 30th year as town librarian. We also recognize Ken Baldwin at the Highway Department for his 20 years of employment with the Town. Thank you Jane and Ken, your contributions are greatly appreciated. Additionally, Leon Dunbar Jr was promoted to Transfer Station Supervisor and has been doing a great job. In 2005, we welcomed the following employees to our team: John Dudek and Peter Galano to the Police Department, Ron Fish at the Transfer Station, at the Highway Department we welcome John Fumicello and Padi Blum, Padi also has taken over the duties of Planning Board secretary. At the Town Office, we welcomed Code Enforcement Officer Chet Greenwood. We are proud of the job these freshman and the more seasoned employees do to serve you.

A couple of major building projects are being worked on to present to the voters in the near future. The Town Office Committee has completed the Needs Assessment Survey and has determined that a new combined Town Office and Police Department facility should be built just south of the current Chesterfield Center Fire Station. The Town Office Committee welcomes your input and is planning to hold hearings as they work on the design phase of the facility. The Spofford Fire Commissioners has been working to develop a new Fire Station. Current plans call for it to be located on Route 9, as part of the first Planned Development District, should voters approve the district.

We look forward to 2006 to the many rewarding challenges that await us. If you would like to take part by volunteering on one of the many volunteer boards and committees, please stop by the Selectmen's Office and let us know. We are always looking for interested and dedicated citizens to serve the community to help make Chesterfield the great place we all love.

Chester Greenwood, Chrmn

Wanda McNamara

Jon McKeon

Board of Selectmen

**2006 TOWN WARRANT
TOWN OF CHESTERFIELD
STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Chesterfield, in the County of Cheshire, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the CHESTERFIELD TOWN HALL in said Chesterfield, on Tuesday, the 14th day of March, next at ten of the clock in the forenoon (polls at this location close at 6:00 p.m.) to ballot for Town Officers and other questions required by law to be decided by ballot.

You are further hereby notified to meet at the CHESTERFIELD SCHOOL in said Chesterfield on Tuesday, the 14th day of March, next at six thirty of the clock in the evening (polls at this location will be open from 6:30 p.m. to 8:00 p.m.) to ballot for Town Officers and other questions required by law to be decided by ballot.

ARTICLE 1: To vote an Australian Ballot for all necessary Town Officers.

ARTICLE 2: To vote by ballot on amendments to the Zoning Ordinances.

The business meeting will be called to order at 6:30 of the clock in the evening at the CHESTERFIELD SCHOOL to act upon the following subjects:

ARTICLE 3: To hear the report of the Budget Committee, or act in any way related thereto.

ARTICLE 4: To see if the Town will vote to raise and appropriate the sum of Two Million Three Hundred Forty One Thousand and Eighty Four Dollars (\$2,341,084) for the following purposes, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of One Hundred and Thirteen Thousand (\$113,000) to purchase a new Loader and Plow for the Highway Department and authorize the withdrawal of up to One Hundred and Thirteen Thousand Dollars (\$113,000) from the Highway Heavy Equipment Capital Reserve Fund, said amount to be offset by the amount received from the trade-in or sale of the existing Loader, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 9: To see if the Town will vote to change the purpose of the existing Highway Roof for Fuel Tanks and Fueling Area Capital Reserve Fund to the Highway Fuel Tank Replacement Capital Reserve Fund and further, to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be added to this newly created Highway Fuel Tank Replacement Capital Reserve Fund, or act in any way related thereto. **(2/3 majority vote required)**

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of Forty Thousand (\$40,000) to purchase replacement fuel tanks for the Highway Department fueling area and authorize the withdrawal of up to Forty Thousand Dollars (\$40,000) from the Highway Fuel Tank Replacement Capital Reserve Fund, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of Seven Thousand Two Hundred Dollars (\$7,200) for the purchase of Guard Rails, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of Two Hundred Thousand Dollars (\$200,000) for an Architect/Engineer to provide planning and design services for the new Town Offices and Police Station and authorize the withdrawal of up to Two Hundred Thousand Dollars (\$200,000) from the Town Office Building Capital Reserve Fund. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the Town Office and Police Station design services is completed or by December 31, 2011, whichever is sooner, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000) to be added to the already established Revaluation Capital Reserve Fund, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 14: To see if the Town will vote to raise and appropriate the sum of One Hundred and Thirty Thousand Dollars (\$130,000) to purchase a new Roll Off Truck for the Transfer Station, said sum to be offset by the trade-in or sale of the used roll-off truck, or act in any way related thereto.

(Recommended by the Selectmen) (NOT Recommended by the Budget Committee)

ARTICLE 15: To see if the Town will vote to raise and appropriate the sum of Seven Thousand Five Hundred Dollars (\$7,500) to complete the Paving and Site Work at the Transfer Station, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 16: To see if the town will vote to raise and appropriate the sum Twenty Eight Thousand Dollars (\$28,000) to be added to the already established Police Cruiser Capital Reserve Fund, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 17: To see if the Town will vote to raise and appropriate the sum of Seven Thousand Dollars (\$7,000) to be added to the already established Police Department Equipment Capital Reserve Fund, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 18: To see if the Town will vote to raise and appropriate the sum of Forty Thousand Dollars (\$40,000) for the purchase of a Police Department SUV (Sport Utility Vehicle) and set up costs, and authorize the withdrawal of up to Forty Thousand Dollars (\$40,000) from the Police Cruiser Capital Reserve Fund for that purpose, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 19: To see if the Town will vote to raise and appropriate the sum of Four Thousand One Hundred Dollars (\$4,100) to purchase a new Police Department Portable Radio, and authorize the withdrawal of up to Four Thousand One Hundred Dollars (\$4,100) from the Police Department Equipment Capital Reserve Fund for that purpose, or act in any way related thereto or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 20: To see if the Town will vote to raise and appropriate the sum of One Thousand Five Hundred Dollars (\$1,500) for computer upgrades at the Police Department and authorize the withdrawal of up to One Thousand Five Hundred Dollars (\$1,500) from the Police Department Equipment Capital Reserve Fund for that purpose, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 21: To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to be added to the already established Library Building Maintenance Capital Reserve Fund, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 22: To see if the Town will vote to create an expendable general fund trust fund under the provisions of RSA 31:19-a, to be known as the Library Copier Expendable Trust Fund for the purpose of copier replacement, and to raise and appropriate the sum of Two Thousand Three Hundred Dollars (\$2,300) to be placed in this fund. And further, to see if the Town will vote to appoint the Library Trustees as agents to expend from this fund, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 23: To see if the Town will vote to create an expendable general fund trust fund under the provisions of RSA 31:19-a, to be known as the Library Insurance Deductible Expendable Trust Fund for the purpose of insurance deductibles, and to raise and appropriate the sum of One Thousand Dollars (\$1,000) to be placed in this fund. And further, to see if the Town will vote to appoint the Library Trustees as agents to expend from this fund, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 24: To see if the Town will vote to raise and appropriate the sum of Four Thousand Dollars (\$4,000) to the already established Wildland Fire Suppression Expendable Trust Fund, or act in any way related thereto. Said sum to be from the surplus of the 2005 Forest Fire operating budget.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 25: To see if the Town will vote to raise and appropriate the sum of Seven Thousand Five Hundred Dollars (\$7,500) to be added to the already established Cemetery Truck Replacement Expendable Trust Fund, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 26: To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000) to be added to the already established Cemetery Mower Replacement Expendable Trust Fund, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 27: To see if the Town will vote to raise and appropriate the sum of Three Hundred Dollars (\$300) to support the Chesterfield Senior Meals program, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 28: To see if the Town will vote to raise and appropriate the sum of Eight Thousand Nine Dollars (\$8,009) to aid Home Healthcare and Community Services, Meals on Wheels and Age In Motion, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 29: To see if the Town will vote to raise and appropriate the sum of Four Thousand Four Hundred and Ninety Five Dollars (\$4,495) to support the work of Monadnock Family Services/Mental Health, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 30: To see if the Town will vote to raise and appropriate the sum of Six Thousand Dollars (\$6,000) to support the work of Keene Community Kitchen, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 31: To see if the Town will vote to raise and appropriate the sum of One Hundred and Forty Dollars (\$140) to support the work of Youth Services, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 32: To see if the Town will vote to raise and appropriate the sum of One Thousand Two Hundred and Ninety Six Dollars (\$1,296) to support the work of The Southwestern Community Services, or act in any way related thereto.

Stephen D. and Nancy Bevis Cemetery West Cemetery Lots 80W #F5+G4	\$ 450.00
--	-----------

Barbara and David Cavanaugh Friedsam Cemetery Lots #211 A+B	\$ 450.00
--	-----------

Bruce W. and Avis A. Gauthier Chesterfield West Annex Cemetery Lot #114E - D4	\$ 225.00
--	-----------

Charles W. and Ruth S. Forbes Spofford Annex Cemetery Lots #135 A+B	\$ 450.00
--	-----------

ARTICLE 37: To see if the Town will vote to discontinue the following roads per RSA 231:45 (change from Class V open highways to Class VI highway subject to gates and bars):

- Egypt Road (off of Gulf Road)
- Dexter Thomas Road (off from Stage Road)
- Stoddard Drive (off from Poocham Road)
- MacDonald Road (off from High Street)

ARTICLE 38: To see if the Town will vote to approve the following Town Clerk Compensation Policy.

PURPOSE:

The Town of Chesterfield considers the Town Clerk to be a valuable position in delivering efficient services to its citizens. The purpose of this town clerk compensation policy is to establish a policy for the method of compensation for the elected position of Chesterfield Town Clerk. Nothing in this policy shall conflict with the choice and duties of the Town Clerk as defined in the Revised Statutes Annotated of the State of New Hampshire Chapter 41. If any provisions of this Policy or the application thereof to any person or circumstance are determined to be invalid by a court of competent jurisdiction, such invalidity shall not affect other provisions or applications of this policy.

COMPENSATION:

The Town Clerk shall receive compensation based on fees and salary. The Town Clerk shall receive all statutory fees (see definition Statutory Fees) so permitted with the exception of State motor vehicle registration fees. The annual salary, paid weekly, shall be comprised of three parts. There shall be a base salary, state motor vehicle registration salary, and additional shift salary.

Base Salary: shall be 30% (thirty percent) of the Annual Salary. This salary is contingent upon the Town Clerk's office being open to the public at a minimum of 18 (eighteen) hours per week with 3 (three) of those hours to be evening shift. This base salary shall include the duties required by the Town Clerk for any and all election activities and other office hours as required by State statutes.

State Motor Vehicle Registration Salary: shall be 50% (fifty percent) of the Annual Salary. This salary is contingent upon the Town Clerk's office fulfilling the duties of municipal agent to issue, renew or transfer motor vehicle registrations as defined in RSA 261:74-a through 261:74-g and to charge for the maximum fee allowed per RSA 261:74-d, currently \$2.50 per registration. The intent of this salary is to encourage the Town Clerk to offer this service to the citizens of Chesterfield.

Additional Shift Salary: shall be 20% (twenty percent) of the Annual Salary. This salary is contingent upon the Town Clerk's office being open to the public for additional hours above and beyond those covered in the Base Salary. To receive the additional shift salary, The Town Clerk's office shall be open to the public for an additional evening shift per week OR open to the public on the last Saturday of each month for a 4 (four) hour continuous shift between the hours of 9:00 a.m. and 5:00 p.m. at the discretion of the Town Clerk.

DEPUTY TOWN CLERK:

The Board of Selectmen encourages the appointment of a deputy town clerk as provided for in RSA 41:18. Nothing in this section of this policy shall be construed as a contract of employment for the Deputy Town Clerk. The Deputy Town Clerk shall be considered an employee-at-will and is subject to the provisions of the Town of Chesterfield Personnel Policy.

The rate of compensation for the Deputy Town Clerk shall be determined by the Board of Selectmen. The Deputy Town Clerk shall be paid the statutory fees which he/she collects only during those shifts when the Deputy Town Clerk is covering an absence of the Town Clerk.

The work schedule of the Deputy Town Clerk shall be set by the Board of Selectmen in consultation with the Town Clerk and availability of the Deputy Town Clerk. It is envisioned that the Deputy Town Clerk will be regularly scheduled on Monday mornings each week or Wednesday mornings on those weeks with a Monday holiday. Should the Town Clerk not add an additional shift to his/her schedule, as per the additional shift salary, then the Deputy Town Clerk may work the regularly scheduled evening shift with the Town Clerk.

The Deputy Town Clerk may be scheduled on election days to work with and assist the Town Clerk with any and all election duties as allowed by law.

The Deputy Town Clerk may be scheduled to open and operate the Town Clerk's office with consent of the Town Clerk, during the Town Clerk's allowed vacation time and/or allowed sick time. The Deputy Town Clerk may open and operate the Town Clerk's office for the absence(s) of the Town Clerk during attendance at conferences, seminars, and/or meetings, only after obtaining prior approval from the Board of Selectmen.

The Deputy Town Clerk may be scheduled for the Town Clerk to attend any required training, as determined by the State of New Hampshire, with prior notice to the Board of Selectmen. The Deputy Town Clerk may also attend any required training, at the discretion of the Town Clerk with prior approval from the Board of Selectmen and availability of the Deputy Town Clerk.

ALLOWABLE ABSENCES:

The Board of Selectmen allow for the following time off, one week of vacation time per calendar year (see Definition of Calendar Year). A week is determined by the number of shifts in the Town Clerk's normal scheduled workweek. In addition, the Board of Selectmen allows for up to 3 (three) sick days in a calendar year. Sick days shall be used in whole day increments). In the event the Town Clerk does not use his/her full-accumulated vacation or sick leave annually, any unused portion shall be forfeited. The Town Clerk's office may be closed, at the discretion of the Town Clerk, for any legal holiday as defined by the Town of Chesterfield's Personnel Policy.

In the event the Town Clerk exceeds the allowable absences in any calendar year, a prorated deduction of 33½ percent per day of absence shall be subtracted from the State Motor Vehicle Registration Salary portion for the workweek in which the absence occurred with a maximum of 100% deduction in any workweek. In addition, if the Town Clerk qualifies for the Additional Shift Salary, a prorated deduction of 25% per day of absence shall be subtracted from the Additional Shift Salary portion for the workweek in which the absence occurred with a maximum of 100% deduction in any workweek.

Nothing in this policy shall forbid the Town Clerk from attending any conference, seminar and/or meeting, except that prior approval of the Board of Selectmen is required if the Deputy Town Clerk will be requested to fill in for such absence OR monies are to be appropriated from the Town's operating budget OR the absence is not to be counted against the allowable absences in the calendar year.

AMENDMENTS:

This Policy may be amended by vote at Town Meeting.

SEVERABILITY:

Should any section or provision of this policy be held to be invalid or unconstitutional by any court or authority of competent jurisdiction, such holding shall not affect, impair or invalidate any other section or provision of this ordinance, and to such end all sections and provisions of this ordinance are declared to be severable.

DEFINITIONS:

Annual Salary – amount budgeted and approved at the annual town meeting for the Elections, Registrations, Vital Stats budget. Annual salary calculation begins with the pay period following the annual Town Meeting. Prior to Town Meeting, the annual salary shall be calculated at the prior year's rate.

Calendar Year – for the purpose of this policy, a calendar year is the period of time beginning on Town Meeting Day and ending on the day before the subsequent Town Meeting Day.

Evening Shift – Office open to the public between the hours of 5:00 p.m. and 8:00 p.m. in a continuous 3 hour block of time.

Statutory Fees – fees collected by the town clerk in accordance with state statutes. Fees include but not limited to town motor vehicle registration fees, boat registration fees, vital records fees, and dog

licensing fees. For the purpose of this policy, State motor vehicle registration fees pursuant to RSA 261-74-d are NOT included in the definition of statutory fees due to the town clerk receiving a salary.

Workweek - The workweek begins at 12:01 a.m. Sunday and ends on midnight Saturday.

EFFECTIVE DATE:

This policy shall take effect upon passage at the 2006 Town Meeting.

ARTICLE 39: To see if the Town will vote to allow the Board of Selectmen to dispose of municipal assets by sealed bid, or by other means as deemed appropriate, or act in any way related thereto.

ARTICLE 40: To transact any other business that may legally come before this meeting.

Given under our hands and seal this 9th day of February in the year of our Lord Two Thousand and Six.

Chesterfield Board of Selectmen

Article 2

1. A vote was in the affirmative to adopt Amendment #1 to amend Article 407 Restrictions on certain vehicles and structures to now be titled 408 Restrictions on Intermittent and Casual Use and to amend the last paragraph from "Intermittent or casual use shall not exceed 180 days in a calendar year. After the first two-week period of occupancy it shall be required to furnish the health officer with appropriate documentation." to read as follows:

On lots without a dwelling unit the intermittent or casual use shall not exceed 180 days in any 365-day period starting with the first day of the intermittent or casual use. For lots with a dwelling unit the intermittent or casual use shall not exceed 30 days in any 365-day period starting with the first day of the intermittent or casual use.

(Recommended by the Planning Board)

Yes 56 No 30

2. A vote was in the affirmative to adopt Amendment #2 to amend Article 13.06 Sewerage to read:
Flush toilets and septic tanks with adequate disposal facilities or other devices, the design, location, and installation of which have been approved by the N.H. Department of Environmental Services, shall be provided as required by state statute pertaining to rules for subservice, except that dwellings, buildings or camps, when converted from seasonal to potential year round use or remodeled or otherwise expanded in such a way that an additional bedroom or an additional dwelling unit is created wholly or partially with it, shall require a certificate of operation for an installed state approved waste disposal system.

(Recommend by the Planning Board)

Yes 63 No 23

3. A vote was in the affirmative to adopt Amendment #3 to amend Article 406.1 Animals to read:

Animal enclosures of less than 5000 sq ft shall not be allowed within twenty (20) feet of any rear or side property lines.

(Recommended by Planning Board)

Yes 54 No 33

4. A vote was in the affirmative to adopt Amendment #4 to amend Article 406.2 Manure to read:

There shall be no storage of manure within twenty (20) feet of any rear or side property lines.

(Recommended by Planning Board)

Yes 59 No 28

5. A vote was in the affirmative to adopt Amendment #5 to change Appendix A Definitions to add:
RESIDENTIAL BUILDING: A building containing one or more dwelling units.
 (Recommended by Planning Board)
 Yes 65 No 21

6. A vote was in the affirmative to adopt Amendment #6 to change Appendix A Definitions to read:
SETBACK FRONT: The setback as measured from the front lot line:
 (Recommended by Planning Board)
 Yes 63 No 23

7. A vote was in the affirmative to adopt Amendment #7 for the Town Building Ordinances as follows:
Section 13.02 Codes:
 Delete BOCA National Building Code 1999 and
 Delete BOCA National Fire Protection Code and
 Amend National Electrical Code to year 2000 and
 Amend Life Safety Code to year 2003 and
 Add International Residential Code 2000.
 (Recommended by Planning Board)
 Yes 61 No 23

8. A vote was in the affirmative to adopt Amendment #8 to amend Section 209.1 Spofford Lake District by:
 Renumbering Section 209.1, 209.1a, and 209.1b to 203.6, 203.6a and 203.6b respectively.
 In addition, renaming section 209 Protected Shoreland District to 209 Additional Protected Shoreland and renumbering Section 209.2 to 209.1.
 (Recommended by Planning Board)
 Yes 59 No 24

Moderator Michael Bentley called the business meeting to order on Monday, March 14, 2005 at 6:40 pm. at the Chesterfield School.

Police Chief Lester Fairbanks led the meeting with the salute to the flag.

James O'Neil Jr. gave information on the Chesterfield Public School Association silent auction to be held during the summer.

Mr. Bentley explained why the polls were not open tonight because that by law balloting, once started, has to be completed the same day.

ARTICLE 3: Gary Winn gave the report of the Budget Committee.

ARTICLE 4: A voice vote was in the affirmative on a motion made by Gary Winn and seconded by Susan Newcomer to modify the optional Veterans' Tax Credit, under the provisions of RSA 72:28 from \$200 to \$300, effective April 1, 2005. Article 4 was adopted.

ARTICLE 5: A voice vote was in the affirmative on a motion made by Wanda McNamara and seconded by James O'Neil to modify the optional Service-Connected Total Disability, under the provisions of RSA 72:35 from \$1,400 to \$2,000, effective April 1, 2005. Article 5 was adopted.

ARTICLE 6: A motion was made Gary Winn and seconded by Toni O'Neil to raise and appropriate the sum of Two Million Four Hundred Twenty Nine Thousand Six Hundred and Forty Nine Dollars (\$2,429,649) for the following purposes, or act in any way related thereto.

Article 41 was adopted.

ARTICLE 42: A voice vote was in the affirmative on a motion made by Jeff Newcomer and seconded by Deb Hogancamp to see if the Town will vote to establish a Town Forest under the provisions of RSA 31:110, and to use the town-owned property known as Tax Map 24 Lot A4 (Forty acre parcel on the corner of Gulf and Merrifield Roads) for that purpose. Said property to be combined with the Town Forest established by vote of the Town in 1994 under warrant article #34 (Tax Map 24A1 and 24A2) and to be named the James O'Neil Sr. Forest. The forest to be managed by the Town Conservation Commission under provisions of RSA 31:112 II or act in any way related thereto. Article 42 was adopted.

ARTICLE 43: A voice vote was in the affirmative on a motion made by Wanda McNamara and seconded by Carol Ross to see if the Town wishes to amend the existing agreement under Section 218 of the Social Security Act by excluding the services performed by election workers for a calendar year in which the remuneration paid for such service is less than \$1,200. The \$1,200 limit on the excludable amount of remuneration paid in a calendar year for the services specified in the modification will be subject to adjustment for calendar years after 2005 to reflect changes in wages in the economy without further modification of the agreement, with respect to such services performed during such calendar years, in accordance with Section 218(c)(8)(B) of the Social Security Act. Article 43 was adopted.

ARTICLE 44: A voice vote was in the affirmative on a motion made by Warren Porter and seconded by Gary Winn too see if the Town will vote to allow the Board of Selectmen to dispose of municipal assets by sealed bid, or by other means as deemed appropriate, or act in any way related thereto. Article 44 was adopted.

ARTICLE 45: To transact any other business that may legally come before this meeting.

Ruth VanHouten thanked the Budget Committee for all their hard work.

Jim O'Neil thanked all the town officials for their work.

The moderator declared the meeting adjourned at 8:45 pm.

Respectfully submitted:

Shirley E. Philbrick
Town Clerk

INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen
Town of Chesterfield, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Chesterfield, New Hampshire (the Town) as of and for the year ended December 31, 2004, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Chesterfield, New Hampshire as of December 31, 2004 and the respective changes in financial position, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

As described in Note 1 to the basic financial statements, the Town adopted Governmental Accounting Standards Board Statements Nos. 34, 37, 38 and GASB Interpretation 6 during the year ended December 31, 2004.

The management's discussion and analysis and the budgetary comparison information on pages 3-6 and 25-26, respectively, are not a required part of the basic financial statements but are supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Chesterfield, New Hampshire's basic financial statements. The combining nonmajor fund financial statements are presented for purposes of additional analysis and are

not a required part of the basic financial statements. The combining nonmajor fund financial statements have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects, in relation to the basic financial statements taken as a whole.

Voelton, Clehary & Co., PC

December 29, 2005

The Highway Department has survived another year of ice, snow and floods. Thank you for tolerating us as we tried desperately to get roads back in place after the flood. Many of these roads will need a lot more work in the next year to put them back in the condition they once were in. Four weeks before the flooding of 2005, we received our final reimbursement from FEMA for the 2003 flood damage. At this rate, we may never catch up! Be patient, we are trying.

We have replaced approximately two dozen culverts, some of them twice (flood). We resurfaced approximately 10 miles of road (including a part of Pine Crest Drive), replaced the ugly headwalls on Poocham Road, and still somehow managed to grade, rake and chloride our gravel roads (say, "thanks" to your very good Highway Crew!). The River Road reconstruction project at Governor's Brook was completed on schedule and considerably under budget (Thank you - Art Chickering and Lyle Hoag); again, I would thank the people who tolerated the detour and extra traffic so that this feat was possible. Your sacrifice saved the Town over \$40,000.00!!

The Town seems to keep growing, this year we issued 31 new driveway permits. That is a 50% increase over 2004!

This year we lost Elaine Blake (secretary). Good luck to her in the future!

Elaine was replaced by Patricia "Padi" Blum, who is getting to know the place quite well - stop in and say, "Hi".

We also added John Fumicello to our staff as a Truck Driver, Laborer. John resides in town and is a welcome new set of hands! We hope both will enjoy a long and happy employment with us.

I hope that our Department has done the job of maintaining the roads satisfactorily and I welcome all comments regarding the roads and our performance.

Wishing all a great year.

Respectfully submitted,

*Bart Bevis
Road Agent*

Chesterfield Transfer & Recycling Facility

2005 Annual Report

In 2005, we have proven our new facility a success. It is working out great; the facility is quick and efficient. As people grow accustomed to the facility, traffic seems to flow smoother by the day. Of course, the facility would not work well without the help of the patrons of Chesterfield doing their part and Recycling at home.

Our truck has also proven to be a great asset to us. It allows us to move fuller containers more efficiently and conveniently for us. It also has proven to save us money. As most every one knows, we did have an unfortunate breakdown with the truck - but thanks to WSWMD and TTT Trucking with Brattleboro Salvage hauling are containers and the help of Twin State Truck Service, Raymond's Repair and Global Truck Traders, we were able to get back on-line and going again and still have a savings for hauling this year.

Thank you for doing your part in recycling,

Leon F Dunbar JR
Pete Geneseo
Ron Fish
Jim Guirza

POLICE DEPARTMENT REPORT

I would like to thank the Town of Chesterfield for the opportunity to present the Chesterfield Police Department's activity over the past year and some of our goals and programs for 2006.

This has been a busy year on many levels; foremost was the Route 9 construction. At times as many as 60 officers a week were scheduled for details running 24 hours a day. I believe it was a great success from our standpoint as only 3 minor accidents with no injuries were reported within construction zones while an officer was on duty.

Based upon the extensive backup of traffic in 2004 we recommended that the state try night paving. This was a huge success in that it limited traffic backups and was very efficient in many ways for the paving company. The good news is that the bulk of the construction and resulting traffic delays are gone. A collateral benefit was that with all the officers and obstructions on Route 9, which required the driver's attention, the number of accidents and injuries were less than in the previous several years.

We have also noticed an increase of serious crimes investigated by this department. Officer Keith Naylor initiated a vehicle stop that resulted in one of the largest heroin arrests in the area in some time. A search warrant on the vehicle resulted in the seizure of 166 grams of cocaine, 84 grams of heroin, 68 grams of marijuana, .380 caliber handgun and \$1,700 in cash. The defendant is now spending 8 years in federal prison. In another investigation we were also able to identify a suspect in a burglary based on the DNA from a drop of blood left at the scene. In December, Officer White made an arrest after he stopped a vehicle and discovered heroin, other narcotics, a hypodermic needle and a loaded .22 caliber handgun. We have also seen an increase in reports of identity thefts and sexual assaults.

Chesterfield Officers also located several large underage drinking parties this year. In a 1-month period we arrested over 60 people in connection with underage drinking parties. We will continue to take a zero tolerance policy towards these. Cheshire County has seen several deaths related to underage drinking and driving this year. In the past we have also had to investigate rapes, assaults and thefts after parties have concluded. This is unacceptable and we continue to count on the public's help in putting a stop to this. As New Hampshire Law now includes severe penalties for the hosts of underage drinking parties, we can now pursue the property owners who are responsible in allowing these to go on.

Lt. Duane Chickering has settled into his position and has been doing a remarkable job. He acted as a staff member of the 136th session of the New Hampshire Police Academy. This is an honor reserved for only the best and brightest of the State and only 4 local officers are asked to do this in any given year. Lt. Chickering is constantly praised by our Regional Prosecutor for the outstanding job he does reviewing and preparing the cases for trial. He has overseen all major investigations and followed them through to successful conclusions. He scheduled and liaised with 9 different police departments to fill all the needed shifts for the Route 9 details. This was a time consuming and detail orientated task which Lt. Chickering worked very hard on. Lt. Chickering has put in many hours beyond his scheduled shifts to complete the many tasks he has been asked to do. This has been a Herculean effort which I feel should be noticed.

In addition to Penny Cooper's normal workload she oversaw the billing and review of hundreds of detail slips from the various agencies involved in the Route 9 details. She also transcribed many hours of taped interviews from various investigations. Her warm and friendly demeanor enhances her interaction with the public when they come through the door.

Officer Kevin White is starting his third year of instructing the D.A.R.E. program. He is doing an excellent job and he hopes to incorporate a K-4 program this year as well and kick it off with an Officer Phil presentation. Officer Keith Naylor has attended several schools over the past year to increase his knowledge in evidence and latent print recovery. He has brought this knowledge and energy to several crime scenes and continues to hone his skills. Officer Collin Zamore continues to do an excellent job in his patrol duties and (sadly) has been gaining a lot of experience in sexual assault investigations.

2005 was a difficult year for our Regional Prosecutor Program. In October it appeared to be fragmenting and we began the process of starting a new program with some of the departments. At the 11th hour we managed to hold it together. We did change the funding calculations and this did impact the department's 2006 budget. The liaison committee decided, and I concur, to change the funding calculation from one based on population only (per capita) to one which calculates 50% of the contribution on population and 50% on usage. As we remain the second busiest department in the program this increased our contribution. While I am not thrilled about paying more for the program, I feel that it is a fair calculation and the access to a highly qualified attorney makes it well worth it. Our long term program goal is to work with the County Commissioners to try to make District Court prosecution a county wide function. The program's statistics are as follows.

<u>Department</u>	<u>Complaints Handled</u>		<u>Town Population</u>
	2004	2005	
Alstead	N/A	56	1,994
Chesterfield	439	446	3,704
Hinsdale	N/A	572	4,242
Marlborough	138	195	2,064
Sullivan	11	41	785
Swanzey	385	341	7,081
Troy	224	171	2,023
Walpole	114	146	3,674

The Town Office Complex Committee has also remained active this year. After funds were approved at the 2005 Town Meeting, we hired Banwell Architects to complete a needs assessment. As part of this process, the committee toured an area police department, reviewed existing facilities, held a public forum and looked into several pieces of property around the town. Based upon this work the recommendation was made to locate a combined facility on a piece of Town-owned property to the south of the current Chesterfield Fire Station. We hope to be able to share some common spaces to make it a facility that our Town can not only afford, but also be proud of. This year we are looking to raise the funds to hire an architectural firm to design and plan the complex. We also hope to hire a construction manager to add a pragmatic view of design, as well as provide us with a guaranteed maximum price.

While 2005 showed fewer accidents and injuries than in the past 4 years, it is likely that this was mitigated to some extent by the thousands of hours the officers were on Route 9. Detail officers actively ran radar in the construction zones while directing traffic or during periods they weren't needed on a specific post. Of the 12 injuries which occurred in the Town during the past year, 10 were on Route 9, 1 was on Rte 63 and 1 was on Rte 9A. This year the underlying causes of the injury accidents varied widely. The primary contributing factors for injury accidents were:

driver inattention (2), unlawful speed (2), weather (1), Driving while intoxicated (2 accidents with 4 injuries), Failure to yield right of way (2) and unlawful passing (1). Our resources will be focused on trying to reduce these injuries further. Please take the extra time at stop signs be sure that it is safe to proceed into traffic. Also, it is important to follow the speed limits as it increases the time a driver has to react to a situation and reduces the severity of injury in a collision. While you may think that you are an excellent driver, the other 13,999 vehicles a day traveling the roadway may not be. Accidents will occur, but if we can keep vehicles at the speed limit and encourage voluntary use of seat belts, many needless injuries can be prevented.

I wish to thank the residents of Chesterfield for their continued support and assistance. Many times the information you have provided has made the difference in successful resolutions to our investigations. Please feel free to call us with any concern you have, as it is our goal to provide only the best service to our town. Our business line is 363-4233, if you have need of immediate response, call 911.

Chesterfield Conservation Commission Annual Report

According to New Hampshire State Law (RSA 36-A), local conservation commissions have the responsibility to ensure “the proper utilization and protection of the natural resources and for the protection of watershed resources of the city or town”. The utilization and protection of **natural resources** can be seen by your commission’s work on the development, management and maintenance of both hiking trails and their surrounding town forests and other protected open space. The protection of **watershed resources** can be seen in our role as the local arm of the New Hampshire Division of Environmental Services (DES) Wetlands Bureau.

Regarding the latter responsibility, we again remind town citizens that if you are planning any construction project, no matter how small, that creates a disturbance to any type of wetland, you must go to the town office and apply for a permit. If you have questions about whether you will be working in a wetland, please call the town office and they will contact one of us for a consult. Failure to comply with state laws regarding wetlands can lead to the costly re-engineering of plans or mitigation of damages, or in some cases, even fines. Although filling out the permit form does require time and energy, our surface water resources in Chesterfield have been maintained at a very high quality and we owe it to future generations to keep them that way.

The CCC maintains almost 8 miles of hiking trails for the enjoyment of town citizens and others wishing an energetic hike, or perhaps just a stroll. We invite you to try out the trail system at Friedsam Town Forest near the center of town, or in the Madame Sherri Forest off Gulf Road. We invite anyone who wishes to work on, or be a “steward” to, this trail system, to contact us at 256-6082.

There were two major events on our calendar this fall. In early October we introduced the public to the new **Ravine Bridge** on the Doug Sargent Trail in the Friedsam Town Forest. With the exception of a chain saw this spectacular example of a “natural ravine bridge” was built by Tom and Shire Morgan-Hunt without any motorized equipment! A grant from the State of New Hampshire Trails Bureau financed this venture. We invite all to go and see it by taking the Sargent Trail from either of the parking lots on Tv in Brook Rd. In early November more than 50 people were in attendance at the opening of the **James O’Neil Sr. Forest** at the corner of Gulf and Merryfield Roads. Named for one of Chesterfield’s most distinguished citizens of the recent past, this new forest presents a beautiful stand of pine along the roads as well as protection for the headwaters of Gulf Brook, the large animal corridor known as the Wantastiquet-Monadnock Greenway, and the stunning views along the Daniels Mt. Loop Trail. We thank the Chesterfield Selectboard for their support in the protection of this parcel of land.

This year we again donated \$2000 from the Conservation Fund to assist the Spofford Lake Association in their Milfoil Control Program. It seems that the program has been very successful. The SLA is very active in sampling various environmental quality factors of the lake and we commend them for their continuing activities to protect the integrity of Spofford Lake, a really important feature of the quality of life in Chesterfield.

Office of Emergency Management

EMERGENCY - Police and Fire 911

NON-EMERGENCY 355-2000

Chesterfield Police 363-4233

As events of the past year have shown us once again, the most important emergency plan is the plan that you make for yourself and your family. Neither town, state nor federal agencies can fully protect against unforeseen acts or natural disasters. It's up to each of us to look out for those we care about.

Preparedness guidelines can be found on the Web at sites such as www.ready.gov, www.fema.gov and www.redcross.org. Additional information can be found in the Vermont Yankee (VY) calendar sent out annually to every residence in town. At the very least, each household should have stored food and water sufficient to last for 72 hours, along with other necessities like heat, light, critical medications, a battery operated radio and land-line telephone. Local Emergency Alert System (EAS) radio stations will keep you advised and transmit any official instructions.

Weather alert radios, supplied by VY, are available free of charge at our town offices. They provide notification of potentially dangerous weather and emergencies at VY.

The widespread flooding that occurred on October 8th and 9th made it clear how quickly natural disasters can develop, and how devastating the consequences can be. Although Chesterfield escaped the worst of the horror, it required an heroic team effort by town fire, police and road personnel to ensure the safety of our citizens, many working around the clock with only minimal respite. This included walking each road to determine if it was safe for travel, marking unsafe areas, alerting residents and reporting to the Emergency Operations Center, where operations were being coordinated.

These operations were made even more difficult by both the downpour and the dark, and many emergency responders had time only for a quick meal—thanks to Chesterfield School principal Martin Mahoney, who responded to a 4:00 AM call and opened the school to provide food—and a brief nap on the floor of the fire station before heading back out at dawn to get a better look. A total of 16 roads had to be closed, due to washouts or undermining, where the road is washed out from below although the surface may look okay.

A watch was placed on the Connecticut River, and residents in at-risk areas were warned, many either evacuating or moving vehicles to higher ground. The breaching of a dam on

an upstream tributary—the Cold River, which devastated Alstead, NH—added urgency, and residents along the river were moved out of harm’s way.

As the reports were received that Hinsdale had lost Rt. 119 near Rt. 63, and 63 was reduced to one-way traffic, our Highway Dept. kept the mountain roads open in case of a VY incident, as Hinsdale residents from Rt. 63 west were unable to use their main exit route.

All town departments—Selectmen, Highway, Police and both Fire Departments—worked together as a team to ensure the safety of our townspeople, with the Office of Emergency Management helping to provide coordination and support. Our dedicated town radio channel proved extremely valuable in allowing departments to communicate with one another. By 1:30 Sunday afternoon, we were able to shift from response to recovery, and exhausted responders got some well-earned rest.

Our town has established extensive plans and procedures for dealing with a range of emergencies. In such an event, relevant departments are quickly mobilized to open roads and maintain traffic flow, address trouble points, provide shelter if necessary (typically at the Chesterfield School) and field inquiries, as well as coordinating our efforts with any external agencies that may be needed and available.

The next line of defense is the state Dept. of Emergency Management, which would be contacted by the town should we require additional help. The Governor of New Hampshire can also declare a State of Emergency, mobilizing National Guard and other resources as the situation warrants. If state resources are insufficient, or if a federal State of Emergency is declared, the final tier of governmental response is the Federal Emergency Management Agency (FEMA).

Radiological emergencies change the way the lines are drawn to some extent, with the state playing a critical role in terms of communication and coordination. Emergencies at Vermont Yankee and other nuclear power plants are categorized according to their severity. From low to high, these levels are: unusual event, alert, site area emergency and general emergency. When one is declared, VY notifies the state, which then notifies the towns.

Every two years, a “rated exercise” is conducted to test the preparedness of towns in the Emergency Planning Zone (a 10-mile radius from VY, which includes five New Hampshire communities). Towns are graded by FEMA for their actions and abilities in response to a staged emergency at the utility. The most recent drill was conducted on

May 24, 2005. Chesterfield's team earned a "Satisfactory" grade—the highest rating that FEMA gives—and were complemented on various aspects of their performance.

From the town's standpoint, however, we felt that certain things could be improved, particularly in terms of communications from the state. We advised state personnel of our concerns, and they have assured us that they are working to address these issues. We will continue to work side-by-side with the state to ensure that we're as well prepared as possible for any emergency.

For your local Office of Emergency Management, 2006 will bring training in NIMS—the National Incident Management System—which establishes a uniform set of processes and procedures that emergency responders at all levels of government will use to conduct response operations. This year will also mark the start of updated training for the next FEMA-rated VY exercise in 2007.

Another area of activity is the replacement of warning sirens. Emergency Management has been working with Entergy Vermont Yankee to replace Chesterfield, West Chesterfield and Spofford Fire Depts.' sirens with state-of-the-art new ones. The upgrade may also include two additional sirens—one to cover Lake Spofford and one in the area of Chesterfield Heights. Entergy will bear the cost of installation and maintenance.

We also are working closely with the Cheshire Dept. of Health in developing and implementing a plan to deal with the possibility of a major flu pandemic, and have purchased a supply of masks, gloves and gowns for our first responders and school office personnel. We advise everyone to stay informed about this potential threat, through local newspapers and other media outlets.

Several new members have joined the emergency management team over the past year, and we continue to welcome all comments, interest, suggestions and criticism from all members of the community.

Ruth VanHouten
Emergency Management Director

Chesterfield Parks and Recreation Commission
Town Report 2005

Once again the Chesterfield Parks and Recreation commission has had a successful, eventful, and relaxing year. While Melissa Metivier, our veteran director, may have a slightly different view as far as the relaxing part goes we are sure she will agree that 2005 was successful. As usual Melissa worked tirelessly to have the beaches in top shape for Memorial Day weekend. Staff was trained and ready to man the beaches and guide the children in the rec. program. Even the weather began to cooperate which helped the department to continue to be almost totally self sufficient.

While there are always going to be bumps in the road when working with water, sand, mother nature, and the public, there were no outstanding items of concern. The biggest item of note was the lightning strike on the pump for the well and as this has become an unfortunately common occurrence Melissa had it under control almost immediately.

There were a few projects completed this year that have done nothing but help our department become more efficient and visibly appealing. The first was a donated effort by the dads of some Boy Scouts who generously donated their time to give the rec. building an attractive, easily maintained metal roof. Originally a local Boy Scout proposed this as his final project. When it was turned down the dads in this troop decided not to let the rec. program down and so spent two weekends giving us our new roof. Next time you see Rick Cooper, Pat Puski or Steve Laskowki give them a hearty thank you for the new watertight roof on our rec. building. We appreciate their hard work. We also made another improvement on the cottage. This time it was new windows. Between Perkins and Melissa the job was done at very little cost to the commission and by doing a small improvement to the cottage each year we continue to make it more valuable to the town in the future.

We look forward to continuing to bring Chesterfield a top notch summer experience at a very reasonable cost. See you in the spring!

Respectfully submitted,

Kristin R McKeon

CHESTERFIELD CEMETERIES 2005 REPORT

The Cemetery season of 2005 was especially challenging. We were faced with unusually hot and rainy weather making grounds maintenance difficult.

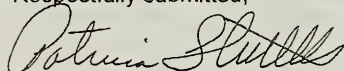

The Cemetery Commission and I thank Jim Guirza for his hard work and dedication. I am personally grateful for the opportunity to care for the cemeteries. Oftentimes, our job is more a labor of love than a job and we take great pride in what we do. I am also thankful for the support and assistance that I have received from the Cemetery Commission, the Board of Selectmen, other departments and the public.

Repairs to the 1912 Holding Tomb at the Chesterfield West Cemetery were completed. Courtlan Construction did a fantastic job skillfully tackling the structural and roof repairs that were sorely needed. Many thanks to Kipp Rancourt, Kevin Scanlan and the crew at Courtlan Construction. These repairs will ensure that the structural and historical integrity of the building will remain intact for many years to come.

We began the laborious task of repairing and painting the fence at the Chesterfield West Cemetery. It will be a continuing project over the next several years. Thank you to Nancy Miller for her dedication to this project.

Challenges for the next few years will be renovating the Estler Tomb at the Chesterfield West Cemetery, continuing with planned monument repair in all of the cemeteries and stone wall repair.

Respectfully submitted,

Patricia Struthers
Cemetery Sexton

CODE ENFORCEMENT/BUILDING INSPECTION 2005 ANNUAL REPORT

I accepted the position of Code Enforcement/ Building Inspector at the beginning of October 2005. I find the position both interesting and challenging. Becoming the third inspector in one year and the fourth in two years has presented a few administrative challenges which for the most part have now been addressed. It is my wish for the upcoming year to make the permitting process as user friendly as possible. We will be asking all applicants to request a pre-permitting meeting to be sure most of the concerns relating to that project are addressed upfront hopefully avoiding most misunderstandings.

As most residents of Chesterfield may be aware this department is responsible for compliance with all Chesterfield Building, Zoning, & Land Use Ordinances as well as adopted Building Codes of the State of New Hampshire. These include ICC building codes, NFPA Life Safety & Fire Codes, National Electrical & Plumbing Codes. Keeping up to date with all of the requirements of these codes is the most challenging.

In the New Year we will have Jeff Cunningham on board as a part time Deputy Code Enforcement Officer. His duties will include assisting in the Code Enforcement/Building Inspection process and providing coverage at some of the times when I'm not available.

In 2005 this department issued 40 new permits for the Spofford Lake area. There is also a considerable number of building and remodeling projects throughout Chesterfield, West Chesterfield and Spofford. The year 2006 may see most of the Cersosimo Welcome Farm project completed. Foard Panel is adding another 10,000 sq. ft. manufacturing building on Stowe Dr. Ames Performance is proposing a new 16,000 sq. ft. distribution warehouse as part of the proposed PDD-1 in Spofford. PDD-1 will also include a new Spofford Fire Station. A package distribution center and a cluster housing project are also in the planning stages for other locations in town. We expect to have a very busy year in 2006.

In 2005 there were 39 permit renewals. There were 163 new permits issued as follows:

New Houses –	29
Additions –	10
Remodeling --	43
Repairs -	7
Decks -	13
Garages & Sheds –	12
Barns –	12
Commercial –	5
Other -	22

Respectfully

Chet Greenwood
Code Enforcement Officer/Building Inspector

CHESTERFIELD PUBLIC LIBRARY REPORT – 2005

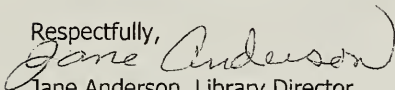

Chesterfield Public Library is happy to announce that the library's conversion of the collection is complete and the automated circulation/catalog system has been in operation since June 1st. New barcoded library cards are being issued as library users come in. If you have not yet received your card, or if you are not yet registered with us, please come in soon. Let the staff show you how to browse the automated catalog; you will find it very user friendly and up-to-date. You will be able to determine whether the material is available, and, if it is out, you may reserve it.

The library continues to provide many services to the taxpayers of the town at no charge, and to non-residents of other NH towns for a fee. Programs and services offered include: books for all readers, audio and video materials in varied format, magazines, puzzles and puppets; public computers with Internet connections, a low vision computer station, and wireless connection for personal computers; preschool story time each Monday at 10:30, except for holidays, and another on the last Saturday of each month; 6 week summer reading program for children of all ages; copier and fax machine with low usage fees; delive:y service to shut-ins; and a variety of activities throughout the year.

As in the past, we wish to thank the Friends of Chesterfield Library for their support with programs and funding of projects, and to all the volunteers who help out weekly or as occasions arise. We, also, appreciate all the gifts of books and other media brought in during the year, and the donations of money for new materials and equipment. Thank you all for your generosity. We always welcome new volunteers and Friends Group members. Come into the library and ask about our volunteer opportunities.

As I complete my 30th year as Chesterfield's librarian, I look back with pride on all the progress we have made. In 1976, the library was open two days a week (15 hours), and had 6651 books, 161 LPs, and a typewriter housed in 1100 sq. ft. of space. By the time the new building was being built in 1997, there were 18,520 books, plus audio and video materials, magazines, and even a computer all in the same cramped space. We have come a long way and I am glad I have been a part of it. My heartfelt thanks for all your wonderful support.

Respectfully,

Jane Anderson, Library Director

Report of the Chesterfield Public Library's Activity in 2005

WELFARE DIRECTOR'S REPORT
2005

Our nation as well as around the globe has experienced severe weather catastrophes. This coupled with the political climate has pushed the cost of gas and heating fuels very high. In anticipation of an increase in assistance with heating needs this department has contacted local companies to set procedures and delivery times to maximize the amount of fuel for the cost. It has worked out well during the 2005-2006 winter months to date and also expedites needed fuel deliveries.

A pilot program has been implemented in the Manchester and Berlin areas. This program is training qualified and interested individuals who receive TANF (a program that provides financial and medical assistance to one-parent families) to assist Elderly participants who wish to remain in their homes but need extra help. It will be interesting to see how the program progresses.

This is my sixth year as Welfare Director and at times I feel an "old hand" at the process; however, I find there are always new and better ways of doing things. I am thankful for the rapport I have developed with other Welfare Directors and local assistance agencies, working together to help assist those in need.

Kudos to everyone involved with Joan's Pantry, Keene Community Kitchen, the Salvation Army and Southwest Community Services. What a blessing to live in this wonderful Town getting to know these folks and see how they work together to benefit the community.

Respectfully Submitted,

Carol Ross
Welfare Director

Rescue Inc.

Rescue Inc. is your rapid response, risk appropriate emergency medical care and transportation service. We operate with a staff of 22 employees and over 40 dedicated volunteers. We respond from two locations and maintain 8 ambulances plus a technical rescue vehicle. We cover over 450 square miles and 35,000 residents - a population that doubles and triples when second homeowners and vacationers visit. Rescue Inc. serves 13 communities across Southern Vermont and New Hampshire and lends 'paramedic intercept' assistance to many surrounding communities. We also provide medically supervised patient transportation to/from nursing homes, residences and hospitals, both near and far.

When we respond to Chesterfield we coordinate our efforts with your emergency/fire/police personnel in a 'chain of survival'. Rescue is currently contracted to cover half the town - from the state line to Route 63 and provides Paramedic level care when needed. You can, as a result, be assured that if needed, you will receive the highest level of emergency medical care available.

This past year has been a time of growth for Rescue Inc. We established our second 24/7/365 base at Grace Cottage Hospital, Townshend, VT (Brattleboro remains our operations HQ). We increased our medical capabilities (additional drugs, procedures) and increased our emergency equipment (new 12 lead monitors). Our technical rescue/extrication team acquired new equipment (jaws, compressors) and skills (big rig, high angle) as well. Rescue Inc. ran numerous courses (First Responder, EMT B/I) and local CPR programs to train new volunteers and place more skilled responders throughout the region.

Financially, Rescue Inc. is a \$2 million a year business and last year we made a small profit. A gift from Grace Cottage Hospital (two ambulances and a one time \$50,000 subsidy) helped significantly.

Over the past two years we have raised our subsidy request from \$5.25 to \$10.00 per capita. This increase was necessary to fund the burgeoning number of uninsured patients, the growing volume of free 'public assists' and to pay for growing fixed costs. We believe this fee is an excellent value given that an average subsidy of \$17.38 is paid by over 71 towns throughout Vermont and New Hampshire. It is important to know that some of these services are all volunteer, some do not operate 24/7, and many do not offer paramedic level care.

At Rescue Inc., your care is our passion. We have an unwavering commitment to provide you with the highest quality emergency medical services available. Chesterfield's subsidy is part of the financial resources we need to accomplish this mission. Thank you for your support.

If you would like additional information, please contact Rescue Inc. 1-802-257-7679. For emergency response, simply dial 911.

David V. Dunn
Executive Director

Ruth Van Houten
Local Representative to Rescue Inc.

Chesterfield Fire Warden Report for 2005

This was a quiet year considering we had a very dry period in April and there was a ban on issuing any permits for a short while.

With the help of Deputy Wardens, more than 170 permits were issued and I wish to thank them for their assistance.

New RES 5600 Administrative Rules went into effect on October 1, 2005. These are the rules that I have to use when issuing permits.

A reminder that you need a permit unless the ground is covered with snow for a 100-foot radius around the burning site.

Respectfully,

Merrill R. Yeaw
Fire Warden
428 Pond Brook Road
West Chesterfield

(603) 256-6358

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. A fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2217, or online at www.nhdfi.org.

Fire activity was high during the first several weeks of the 2005 fire season, with red-flag conditions issued by the National Weather Service and extreme fire danger in the southern and central portions of the state. This period of increased initial attack activity prompted a 5-day ban on open burning, the first such ban in several years. Despite the dry conditions, the state's largest wildland fire was contained at 29 acres. Our statewide system of fire lookout towers is credited with keeping the fires small and saving several structures this season due to their quick and accurate spotting capabilities. Fires in the wildland urban interface damaged 10 structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

CHESTERFIELD RETIREES & SENIORS PROGRAMS

REPORT FOR 2005

The attendance at the senior luncheons remains at thirty to forty, depending on the time of year. We'd like to see more people come, so please spread the word!

The meals are held at the Town Hall, at 12:30 PM, on the second Wednesday of the month, excepting August, January and February. The July meeting is a barbecue (weather permitting) at Ware's Grove at Spofford Lake.

In June of 2005 we arranged for a trip on the Connecticut River on the "Belle of Brattleboro." Box lunches were provided and we had a full vessel. Another month a musical/comedy group entertained us and they will return this spring.

The first luncheon of 2006 will be at the Town Hall on Rt. 63 on Wednesday, March 8th, at 12:30 PM. The HCS free clinic precedes all meals, from 11:30 to 12:30. Reservations are very helpful, taken by Joanne at 363-8348.

The Age In Motion (AIM) program is another senior program, provided by HCS. The next 10-week session starts on Tuesday, February 7th at the Town Hall and will continue each Tuesday and Thursday at 1:30 PM, skipping Town Meeting day. The second session in 2006 will begin in September. One may join the group at any time, with the required doctor's approval. A \$1.00 voluntary donation at each meeting is appreciated. Call HCS at 352-2253 ext. 168 for further information about joining this enjoyable exercise group.

We give sincere thanks to the Town of Chesterfield tax payers for the contributions given to help keep these senior programs going. Guests at the luncheons also contribute to help with the ever-increasing costs.

Respectfully submitted,

June Rawlings *JR*

Also, of the lunch crew: Audrey Ericson, Jean Hanson, Neil & Cathy Jenness, Margaret Johnson, Joanne MacLean, Gail Meyer and Nancy Miller

HCS - HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES
REPORT TO THE TOWN OF CHESTERFIELD
2005

ANNUAL REPORT

In 2005, HCS - Home Healthcare, Hospice and Community Services continued to provide home care and community services to the residents of Chesterfield. The following information represents HCS's activities in your community in 2005.

SERVICE REPORT

<u>SERVICES OFFERED</u>	<u>SERVICES PROVIDED</u>
Nursing	892 Visits
Physical Therapy	190 Visits
Occupational Therapy	12 Visits
Medical Social Worker	32 Visits
Outreach	5 Visits
Homemaker Hours	589 Hours
Home Health Aide	884 Visits
Home & Community Based Services*	33 Hours
Meals-On-Wheels	1,015 Meals
Health Promotion Clinics	12 Clinics
Age In Motion	40 Sessions

*Home and Community Based Care is a Medicaid program which offers extended home care services to individuals who are in need of nursing home level care but can be maintained at home for a lower cost.

Total Unduplicated Residents Served: 95

Prenatal and well child care, adult day care and hospice services are also available to residents. Town funding partially supports these services.

FINANCIAL REPORT

The actual cost of all services provided in 2005 with all funding sources is \$244,960.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants, and patient fees. Services that were not covered by other funding have been supported by your town. Town support in 2005 totaled \$3,445.00 for home care, \$900.00 for Age In Motion, and \$335.00 for Meals-On-Wheels.

For 2006, we request a total appropriation of \$8,009.00; \$6,500.00 to be available for home care, \$900.00 for Age In Motion, and \$609.00 for the Meals-On-Wheels program.

Thank you for your consideration.

VISITING NURSE ASSOCIATION & HOSPICE OF VERMONT AND NEW HAMPSHIRE
Home Care, Hospice and Family Health Services in the Town of Chesterfield

The VNA & Hospice is like the local police and fire departments—a strategic part of the community's safety net—with services that must be continuously available to anyone in need. The town's support continues to be crucial for patients. Surrounded by memories, familiar furnishings, and family photographs, people almost always wish to confront the issues of illness, accident or aging, and dying in the comfort of their homes.

Town funding ensures that the following medically necessary and supportive services are provided to all citizens, including the uninsured and under-insured:

- Skilled clinical care and support during times of injury, short-term or chronic illness, or recovery from surgery or accidents. The most common conditions under our care are congestive heart failure, emphysema, diabetes, vascular disease, muscle disorders, and joint replacement.
- Nursing and physician care for pain and symptom management during terminal illness. Also addresses the psychosocial, emotional, spiritual, and financial concerns for patients, their families and their caregivers.
- Assistance to young families at risk. We help fathers and/or mothers who want to be more effective parents and care for newborns and children who have chronic illnesses requiring long-term support and care.
- Community wellness clinics including blood pressure, foot care, and flu vaccines

VNA & Hospice provided the following services in the Town of Chesterfield this past year: (7/1/04 – 6/30/05)

Home Care Program

Patients served	2
Home visits*	50

*Includes Nursing Care, Physical, Occupational and Speech Therapy, Medical Social Workers, Home Health Aides, Personal Care or Homemaker Services

On behalf of the people we serve in your community, thank you for your continued confidence.

November 15, 2005

Report to the Town of Chesterfield

Youth and Families: Healthy, Empowered, Valued. For over thirty-three years, Youth Services has helped Windham County area youth and families overcome life's challenges and learn healthy new ways to live. Whether it be problems such as substance abuse, family crisis, or general issues of growing up, our organization's staff of professionals helps youth and families find solutions. Equally important, Youth Services works in partnership with other local service providers, schools, private and public funding sources as well as with community and state groups to deliver services that help our area's youth and families, regardless of their ability to pay.

Some of the services our agency provides include Substance Abuse Prevention and Treatment, Youth and Family Counseling, Home-Based Family Services, and mentoring through our Big Brothers Big Sisters Program. In addition, we offer crisis intervention through our Youth Outreach, Transitional Living Services and Runaway Programs and alternatives to the court system through our Juvenile and Adult Court Diversion and Restorative Justice Project.

This past year, Youth Services' programs assisted over 1,675 local youth and adults. In addition, many family members also benefited from our services. Support from communities such as yours helps make it possible for Youth Services to be responsive to the ever-changing needs of our area's residents.

This year, we respectfully request \$140 from the Town of Chesterfield to help fund our agency's services. Your ongoing support will help make it possible for Youth Services' programs to have a significant, positive impact on the lives of youth and families in the Town of Chesterfield and throughout the Windham County area. We are very grateful for your past generosity and hope we can count on your continued support.

Respectfully submitted,

Larry Cassidy
Executive Director

CHESTERFIELD FIRE DEPARTMENT

During 2005, Chesterfield Fire & Rescue responded to 138 calls. There was one major fire that occurred in February 2005 involving the loss of a historical barn at Chesterfield Inn.

The Precinct applied to the New Hampshire Division of Forests and Lands for a 50/50 grant to provide funding to purchase protective clothing, helmets and handheld lights. Chesterfield Fire & Rescue was the only department in Cheshire County that received funding. The value of the grant received was \$1,967.

We welcome the addition of two new members to our volunteer force that now consists of 30 individuals. We are always in need of new members. Please stop by the stations any Sunday morning between 9:00 and 10:00 AM to talk about joining the department.

The following five members celebrated anniversaries in 2005:

John Herrick	25 years
Michael Plante	25 years
Louis Perham	20 years
Jeffrey Chickering	20 years
Hans Dennie	10 years

Congratulations and thank you!

For the second consecutive year, the Firefighter Phil program provided fire and safety education to the children at Chesterfield Elementary School during Fire Prevention Week. Chesterfield merchants and business individuals have, by their generosity, made this program available to the elementary school-aged children. We are grateful and thank them for their support.

As always, thank you to our community for the support of the Fire Department and its dedicated volunteers.

Respectfully submitted,
Louis E. Perham

**WARRANT FOR THE
CHESTERFIELD FIRE AND RESCUE PRECINCT
TOWN OF CHESTERFIELD, NH
FOR THE YEAR 2005**

Moderator Gary Winn called the Annual Precinct meeting to order at 7:00 PM at the Chesterfield Center Fire Station on Tuesday, the 15th day of March, 2005. There were 21 people in attendance.

Article 1: To elect a Moderator for the ensuing year. On a motion made by Louis Perham and seconded by Stephen Bevis, Gary Winn was elected by a voice vote.

Article 2: To elect a Secretary / Treasurer for the ensuing year. On a motion made by Stephen Bevis and seconded by Bruce Gideos, Jane Perham was elected by a voice vote.

Article 3: To elect a Commissioner for three years (2005-2008). On a motion made by Louis Perham and seconded by Amy Lafontaine, Deborah Hogancamp was elected by a voice vote.

Article 4: To see if the Precinct will vote to raise and appropriate the sum of \$92,100.00 for the following purposes, or act in any way related thereto:

(Recommended by the Budget Committee)
(\$96,100.00 Recommended by the Commissioners)

Item	Recommended by Commissioners Fiscal Year 2005	Recommended by Budget Committee Fiscal Year 2005
Administrative Expenses	\$ 1,000	\$ 1,000
Building Maintenance	1,500	1,500
Equipment Testing	1,000	1,000
Rescue Supplies	2,000	2,000
Small Equipment	6,500	6,500
Small Equipment Repair	2,000	2,000
Fire Prevention Program	750	750
Insurance	9,000	9,000
Training	3,200	3,200
Operations Payroll	19,250	19,250
Audit Expenses	2,000	2,000
Contracted Services	1,200	1,200
Dues	250	250
Legal Expenses	100	100
Supplies	250	250
Electricity	2,000	2,000
Heating Oil	5,000	5,000
Telephone	1,500	1,500
Vehicle Gas and Oil	1,250	1,250
Vehicle Maintenance	10,000	10,000
Bond and Interest	19,350	19,350
Emergency Contingency Fund	<u>7,000</u>	<u>3,000</u>
	\$ 96,100	\$ 92,100

A voice vote was in the affirmative on a motion made by William Vogely and seconded by Stephen Bevis to open Article 4 for discussion. Discussion closed by voice vote. A voice vote was in the affirmative on

a motion made by Stephen Bevis and seconded by Bruce Gideos to adopt Article 4 at a value of \$96,100 as recommended by the Commissioners.

Article 5: A voice vote in the affirmative on a motion made by Stephen Bevis and seconded by Bruce Gideos to see if the Precinct will vote to raise and appropriate the sum of \$11,000.00 to be added to the already established Chesterfield Fire and Rescue Precinct Small Equipment Capital Reserve Fund, or act in any way related thereto.
(Recommended by the Commissioners)
(Recommended by the Budget Committee)

Article 6: A voice vote in the affirmative on a motion made by Louis Perham and seconded by William Vogely to see if the Precinct will vote to raise and appropriate the sum of \$8,459 for the purchase of small fire and rescue equipment and to authorize the withdrawal of the sum of \$8,459 from the Chesterfield Fire and Rescue Precinct Small Equipment Capital Reserve Fund for that purpose, or act in any way related thereto.
(Recommended by the Commissioners)
(Recommended by the Budget Committee)

Article 7: A voice vote in the affirmative on a motion made by Bruce Gideos and seconded by Amy Lafontaine to see if the Precinct will vote to raise and appropriate the sum of \$35,000.00 to be added to the already established Chesterfield Fire and Rescue Precinct Heavy Equipment Capital Reserve Fund, or act in any way related thereto.
(Recommended by the Commissioners)
(Recommended by the Budget Committee)

Article 8: A voice vote in the affirmative on a motion made by Bruce Gideos and seconded by Louis Perham to see if the Precinct will vote to raise and appropriate the sum of \$5,000.00 to be added to the already established Chesterfield Fire and Rescue Precinct Building Maintenance Non-Capital Reserve Fund, or act in any way related thereto.
(Recommended by the Commissioners)
(Recommended by the Budget Committee)

Article 9: A voice vote in the affirmative on a motion made by Stephen Bevis and seconded by Louis Perham to allow the village district to accept the provisions of RSA31:95-b providing that any village district at an annual meeting may adopt an article authorizing indefinitely until specific rescission of such authority, the commissioners to apply for accept and expend without further action by the village district meeting, unanticipated money from a state federal or other governmental unit or a private source which becomes available during the fiscal year.
(Recommended by the Commissioners)

Article 10: To transact any other business that may legally come before the meeting. Ruth VanHouten, Director of Office of Emergency Management (OEM) spoke to the availability of funds through OEM.

A motion to adjourn the meeting was made by Louis Perham and seconded by Bruce Gideos. The moderator declared the meeting adjourned at 7:30 PM.

Respectfully submitted,
Jane D. Perham
Secretary/Treasurer

SPOFFORD FIRE DISTRICT
2005 COMMISSIONERS REPORT

2005 was a very busy year for everyone involved with the Spofford Fire District.

In 2004 we noted a 43% increase in total fire and rescue calls and that we would be monitoring this statistic closely to spot possible trends. The trend is obviously pointing to more and more calls as there was a an 18% increase in 2005 to 255 total calls. While rescue calls still account for just over 50% of the total, the number of serious fires, and other major events are noticeably more prevalent than in the recent past.

The new 29M3, a quick response truck with brush and building fire fighting capability is now in service. As previously reported, this unit will serve many needs for many years to come and has been designed to get to areas that other equipment cannot go. The unit was designed by our firemen, with cab and chassis supplied thru a discount program offered by Ford, and a body assembled by Greenwood Unlimited of Westmoreland. The truck has won rave reviews from the many who have seen it including representatives from several other departments. Total cost was on budget as planned.

The operating budget for 2005, including all capital reserve additions, is \$142,425, an increase of 12.9% . The increases are in the areas of added fuel costs, payroll cost of living and increased man hour adjustments, added disposable rescue supplies, and a full financial audit (required by the bonding company prior to financial bond issuance.) In addition we recommend an increase in the building capital reserve fund for this year only.

Everyone has been working hard to finalize plans for the new fire station proposal. The bond vote to authorize borrowing the monies required to finance the new construction will be the first item of business at our March 21, 2006 annual meeting. By that time there will have been at least 2 public hearings on the proposal along with several informal gatherings to explain why, what, where, and how this project will move forward. At the March 21 meeting, the issue will be discussed for as long as needed, after which a written ballot will be cast by all fire district voters in attendance to determine the outcome. A two thirds affirmative vote by those in attendance will be required for passage.

Please learn all you can about the critical need for the station and why we feel now is a good time to do it. This decision will likely be the most important decision the district will make in the foreseeable future and will determine the future of the Spofford Fire Dept.

As always, everyone involved with providing the services expected in the Spofford Fire District thank you all for your continued support

Dave Thomas, Chairman
Chet Greenwood
Mike Wiggin

Warrant for the Spofford Fire District For the Year 2006

To the inhabitants of the Spofford Fire District qualified to vote on the affairs of the District: You are hereby notified to meet at the Spofford Village Hall on Tuesday, March 21st 2006 at 7:30PM to vote on the following articles:

Article 1: To choose a moderator for the ensuing year.

Article 2: To choose a clerk/treasurer for the ensuing year.

Article 3: To choose a Commissioner for three years: 2006, 2007, 2008

Article 4: To see if the District will vote to raise and appropriate the sum of One million five hundred and sixty five thousand dollars. (\$1,565,000.00) for the purpose of financing the construction and original equipping of a new Fire Station. One million five hundred and sixty five thousand dollars. (\$1,565,000.00) of such sum to be raised through the issuance of bonds or notes under and in compliance with the Municipal Finance Act, RSA 33:1 et seq., as amended: to authorize the Commissioners to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project: to authorize the Commissioners to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof: and to authorize the Commissioners to take any other action or to pass any other vote relative thereto.
(Recommended by the Board of Commissioners, Recommended by the Budget Committee)

**MINUTES FOR THE SPOFFORD FIRE DISTRICT MEETING
FOR THE YEAR 2005**

Moderator Michael Bentley called the meeting to order at 7:40PM at the Spofford Village Hall on Tuesday, March 15, 2005. There were 16 people in attendance. On a motion by Bill Allen and second by Steve Buckley dispensing the reading of the warrant, articles were taken up in turn.

- Article 1:** To choose a Moderator for the ensuing year. On a motion by Bill Allen and second by Steve Buckley, Michael Bentley was elected unanimously.
- Article 2:** To choose a Clerk/Treasurer for the ensuing year. On a motion by Steve Buckley and second by Bill Allen, Jeanne Peterson was elected unanimously.
- Article 3:** To choose a Commissioner for three years 2005, 2006, 2007. On a motion by David Thomas and second by Michael Wiggin, Chester Greenwood was elected unanimously.
- Article 4:** To see if the District will vote to accept the operating budget or act thereon: (\$54,804.00) (Recommended by Board of Commissioners) (Recommended by the Budget Committee)
On a motion by Bill Allen and second by Steven Buckley adopted as read was passed unanimously.
- Article 5:** To see if the District will vote to appropriate the sum of \$24,000.00 to be added to the existing Heavy Equipment Capital Reserve Fund or act in any way thereon.
(Recommended by the Board of Commissioners) (Recommended by the Budget Committee)
On a motion by Michael Wiggin and second by Steve Buckley adopted as read was passed unanimously.
- Article 6:** To see if the District will vote to appropriate the sum of \$35,000.00 to the already established New Building Capital Reserve Fund or act in any way related thereto.
(Recommended by the Board of Commissioners) (Recommended by the Budget Committee)
On a motion by Steve Buckley and second by Richard Green adopted as read was passed unanimously.
- Article 7:** To see if the District will vote to appropriate the sum of \$9,200.00 to be added to the established Small Equipment Capital Reserve Fund or act in any way related thereon.
(Recommended by the Board of Commissioners) (Recommended by the Budget Committee)
On a motion by Michael Fuller and second by Rickard Greene adopted as read was passed unanimously.
- Article 8:** To see if the District will vote to appropriate the sum of \$1,000.00 to be added to the already established Spofford Water Hole Expendable Trust Fund or act in any way thereon.
(Recommended by the Board of Commissioners) (Recommended by the Budget Committee)
On a motion by Michael Wiggin and second by Benny Schlichting adopted as read was passed unanimously.
- Article 9:** To see if the District will vote to withdraw the sum of \$15,775.00 from the existing Small Equipment Capitol Reserve Fund to purchase SCBA, Fire Gear & Hose or act in any way thereon.
(Recommended by the Board of Commissioners) (Recommended by the Budget Committee)
On a motion by David Thomas and second by Steve Buckley adopted as read was passed unanimously.
- Article 10:** To see if the District will vote to withdraw a sum up to \$80,000.00 from the existing New Building Capitol Reserve Fund for engineering, architectural design and land acquisition for a new Fire Station or act in any way thereon.
(Recommended by the Board of Commissioners) (Recommended by the Budget Committee)
On a motion by Steve Buckley and second by David Orr adopted as read was passed unanimously.
- Article 11:** To see if the District will vote to Withdraw up to the sum of \$55,000.00 from the Heavy Equipment Capitol Reserve Fund for a new Quick Response Vehicle.
(Recommended by the Board of Commissioners) (Recommended by the Budget Committee)
On a motion by Steve Buckley and second by Michael Fuller adopted as read was passed unanimously.

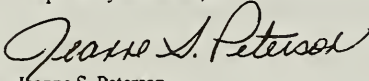

Article 12: To transact any other business that may legally come before said meeting.

On advise of the Moderator a motion was made by David Thomas and second by Michael Wiggin amend Articles 4 through 8 to read "vote to raise and appropriate the sum" passed unanimously.

Bill Allen requested that the District investigate the cost of having two permanent EMT/Fireman for day coverage.

On a motion by Steven Buckley and a second by David Thomas the meeting was adjourned at 7:55 PM.

Respectfully submitted,

Jeanne S. Peterson
Clerk/Treasurer

SCHOOL BOARD REPORT

Unlike other town departments, the school district's year does not follow the calendar, but begins July 1 and ends the following June 30. For this reason, the report for any given year reflects a work in progress. We are happy to report, however, that our year began with a very major and significant accomplishment for the school and the entire town.

As many of you know, Marty Mahoney will end his long and distinguished career at Chesterfield School in June of 2006. Although we had long anticipated that we would travel the normal route of advertising for a new principal, we are pleased to report that Sharyn D'Eon, a former teacher who started with us as interim assistant principal and was then chosen assistant principal, has accepted a contract with the district to take over from Marty when he retires. For those that don't know her, Mrs. D'Eon is an amazing mix of energy, humor, ideas and dedication. To say she fit in from the first moment is an understatement. Teachers, students, parents and the community can look forward to a smooth transition and a bright, interesting future for the school.

In other areas, the school board is in contract negotiations with both the teachers and support staff; we continue to negotiate the AREA agreement (the "contract" between Keene and the so-called "sending districts" regarding our students at the high school, the calculation for tuition, and the level of input the sending towns have in high school affairs); and various board members are active on numerous outside committees and boards, including Keene Education committee, SAU 29 Board, Chesterfield School Facilities and Safety committees, and the Chesterfield Budget Committee.

The Chesterfield School Board's five members meet on the first Wednesday of every month at 5:30 p.m. in the school library. The agenda for each meeting is posted at the school and at the three post offices. Each meeting includes the opportunity for public input. The board also welcomes communication from anyone who wishes to contact a member directly.

COMPLIANCE STATEMENT

This school district receives federal financial assistance. In order to continue receiving such federal financial assistance, this school district will not discriminate in their educational programs, activities or employment practices on the basis of race, language, sex, age, or handicapping condition, under the provisions of Title IX of the 1972 Educational Amendments; Section 504 of the Rehabilitation Act of 1973.

Complaints regarding compliance with Title IX regulations should be submitted in writing to the Title IX liaison for School Administrative Unit 29, the Personnel Manager, 34 West Street, Keene, New Hampshire.

Complaints regarding compliance with Rehabilitation Act of 1973 - Section 504 should be submitted in writing to the Director of Special Education, 34 West Street, Keene, New Hampshire.

Michele L. Munson
Superintendent of Schools

STATE OF NEW HAMPSHIRE SCHOOL WARRANT

To the inhabitants of the school district in the Town of Chesterfield qualified to vote in District affairs:

You are hereby notified to meet at the Chesterfield Elementary School in said District on the 11th day of March, 2006, at 7:00 p.m. to act upon the following articles:

ARTICLE 1: To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

ARTICLE 2: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto.

ARTICLE 3: To see if the District will vote to approve the cost items included in the collective bargaining agreement reached between the Chesterfield School Board and the Chesterfield Education Association which calls for the following increases in salaries and benefits:

<u>YEAR</u>	<u>Estimated Increase</u>
2005-2006	\$11,780
2006-2007	\$114,487
2007-2008	\$69,620
2008-2009	\$76,882

And, further, to approve the cost items for 2005-2006, said sum to come from a transfer of appropriations within the current budget and will not require additional funds to be raised through general taxation for the 2005-2006 fiscal year; and, further, to raise and appropriate the sum of \$114,487 for the 2006-2007 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid the prior fiscal year. *(This article is recommended for approval by the Chesterfield School Board and the Chesterfield Budget Committee.)*

ARTICLE 4: To see if the District, if Article 3 is defeated, will authorize the Chesterfield School Board to call one special meeting, at its option, to address Article 3 cost items only.

ARTICLE 5: To see if the District will vote to approve the cost items included in the collective bargaining agreement reached between the Chesterfield School Board and the Chesterfield Support Staff Association which calls for the following increases in salaries and benefits:

<u>YEAR</u>	<u>Estimated Increase</u>
2006-2007	\$33,934
2007-2008	\$36,241
2008-2009	\$38,725

And, further, to raise and appropriate the sum of \$33,934 for the 2006-2007 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid the prior fiscal year. *(This article is recommended for approval by the Chesterfield School Board and the Chesterfield Budget Committee.)*

ARTICLE 6: To see if the District, if Article 5 is defeated, will authorize the Chesterfield School Board to call one special meeting, at its option, to address Article 5 cost items only.

ARTICLE 7: To see if the District will vote to appropriate and authorize the Chesterfield School Board to transfer up to \$30,000 of its unencumbered funds, if any, remaining on hand at the end of the fiscal year, June 30, 2006, to be deposited in the Capital Reserve Fund established by voters on March 5, 1994, for the purpose of major renovation/reconstruction of the school buildings and related costs, or to take any other action in relation thereto. *(This article is recommended for approval by the Chesterfield School Board and the Chesterfield Budget Committee.)*

ARTICLE 8: To transact any other business that may legally come before this meeting.

CHESTERFIELD SCHOOL BOARD

Professional Association/Accountants & Auditors

193 North Main Street - Concord - New Hampshire - 03301-5063 - 603-225-6996 - FAX-224-1380

INDEPENDENT AUDITOR'S REPORT

To the Members of the School Board
Chesterfield School District
Chesterfield, New Hampshire

We have audited the accompanying financial statements of the Chesterfield School District as of and for the year ended June 30, 2005 as shown on pages 2 through 6. These financial statements are the responsibility of the Chesterfield School District's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

Management has not implemented Governmental Accounting Standards Board (GASB) Statement No. 34, *Basic Financial Statement -and Management's Discussion and Analysis -for State and Local Governments*. Therefore these financial statements are presented following the principles that were in effect prior to GASB Statement No. 34. Management has not presented government-wide financial statements to display the financial position and changes in financial position of its governmental activities and business-type activities. The financial statements presented do not contain separate statements for governmental, proprietary, if applicable, and fiduciary fund types, nor are major and non-major funds separately identified and classified. The financial statements presented report expendable trust funds which should be reported as special revenue funds under the new reporting model. The financial statements also present a general long-term debt account group which should not be reported as such, but the information contained therein should be included in the government-wide financial statements, were they presented. Also, the financial statements do not contain any information on capital assets because the government has not maintained historical cost records of such assets. Management has not presented a management's discussion and analysis as required. The amounts that would be reported in the missing statements and required supplementary information, and the effects of reclassifying and properly reporting the information presented are not reasonably determined.

In our opinion, because of the effects of the matters discussed in the preceding paragraph, the financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Chesterfield School District as of June 30, 2005, or the changes in its financial position or its cash flows, where applicable, for the year then ended.

Our audit was made for the purpose of forming opinions on the basic financial statements of the Chesterfield School District taken as a whole. The combining and individual fund statements are presented for purposes of additional analysis and are not a required part of the financial statements of the Chesterfield School District. For reasons stated in the third paragraph of this report, we expressed an opinion that the financial statements of the Chesterfield School District do not fairly present financial position and results of operations in conformity with accounting principles generally accepted in the United States of America. Therefore, we do not express an opinion on the accompanying combining and individual fund statements.

CHESTERFIELD SCHOOL DISTRICT MEETING MARCH 5, 2005

Judith Moreau, School District Clerk, appointed the following persons as ballot clerks and took oath of office from Judith Moreau: Margaret Winn, Audrey Ericson, Linda Lord, Bruce Lord, Susan Newcomer, Crystal Winn, Melanie Winn, Paula Duston and Amy LaFontaine.

The Moderator called the meeting to order at 7:05 p.m. for the purpose of acting on the articles in the warrant.

The Moderator began the meeting with introductions, introducing himself, the Moderator, Gary Winn; the Officials of SAU 29: Superintendent of Schools, Barbara Tremblay, Assistant Superintendent of Schools, Wayne Woolridge, Business Manager for Towns, Tim Ruehr, Principal of Chesterfield School, Martin Mahoney and Assistant Principal, Sharyn D'Eon; the Chesterfield School Board: Chairman, Jacqueline Reilly, Barbara Girs, Kristin McKeon, James Hogancamp and Jane Carroll.

The Moderator announced that the polls would remain open for the duration of the meeting and explained briefly the parliamentary procedures being used. He informed the meeting that all warrant articles and amendments with a value of \$25,000.00 (Twenty-Five Thousand Dollars) or more would be voted on by paper ballot unless the body voted otherwise.

Article 1: Jacqueline Reilly moved, and James Hogancamp seconded, that the District receive the reports of agents, auditors, committees, or officers chosen, as printed in the annual report. Rick Harrington, Chairman of Budget Committee, reported on the work done by the committee this year. James O'Neil reported on the Chesterfield Public School Endowment Fund and James Hogancamp reported on the auction to take place this fall. Article 1 was declared passed by the Moderator by voice vote.

Article 2: James Hogancamp moved that the District raise and appropriate \$6,966,244.00 (six million, nine hundred sixty-six thousand, two hundred and forty-four dollars) for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations for the District. Seconded by Kristin McKeon. James Hogancamp spoke on the budget presented. A voice vote in the affirmative for moving the question was declared by the Moderator. The paper ballot for Article 2 showed 137 (One hundred thirty-seven) votes-Yes and 13 (Thirteen) votes-No. 150 (One hundred fifty) votes were available. The Moderator declared that Article 2 passed by paper vote.

Barbara Girs moved to restrict reconsideration on Article 2. Seconded by Jacqueline Reilly and declared passed in the affirmative by the Moderator by voice vote.

Article 3: Jane Carroll moved that the District raise and appropriate the sum of \$50,000 for boiler replacement and related heating system reconstruction at Chesterfield School and authorize the withdrawal of said \$50,000 from the Capital Reserve Fund established by the voters at the March 5, 1994 District Meeting for the purpose of major renovation/reconstruction of school buildings and related costs. Seconded by Jacqueline Reilly.

Barbara Girs moved to amend Article 3 to read the District raise and appropriate a sum of up to \$50,000 for boiler replacement and related heating system reconstruction at Chesterfield School and authorize the withdrawal of up to \$50,000 from the Capital Reserve Fund established by the voters at the March 5, 1994 District Meeting for the purpose of major renovation/reconstruction of school buildings and related costs. Seconded by Toni O'Neil. Jane Carroll spoke to Article 3. The Moderator declared Article 3 amended in the affirmative by a voice vote. A voice vote in the affirmative for moving the question was declared by the Moderator. The paper ballot for Article 3 showed 145 (One hundred forty-five) votes-Yes and 1 (one) vote-No. 158 (One hundred fifty-eight) votes were available. The Moderator declared Article 3 passed by paper ballot.

Jacqueline Reilly moved to restrict reconsideration of Article 3 and was seconded by Anita Barber, and declared passed in the affirmative by the Moderator by voice vote.

Article 4: Kristin McKeon moved that the District raise and appropriate the sum of \$75,000 for costs associated with the replacement of the gym floor at Chesterfield School and authorize the withdrawal of said \$75,000 from the Capital Reserve Fund established by the voters at the March 5, 1994 District Meeting for the purpose of major renovation/reconstruction of school buildings and related costs. Seconded by Jacqueline Reilly.

Barbara Girs moved to amend Article 4 to read that the District raise and appropriate the sum of up to \$75,000 for costs associated with the replacement of the gym floor at Chesterfield School and authorize the withdrawal of up to \$75,000 from the Capital Reserve Fund established by the voters at the March 5, 1994 District Meeting for the purpose of major renovation/reconstruction of school buildings and related costs. Seconded by Fred Rowley. The Moderator asked for a voice vote on the favor of the amendment. The Moderator declared Article 4 amended in the affirmative by a voice vote. Kristin McKeon spoke to Article 4. James Hogancamp made the motion to entertain a voice vote on Article 4, and was seconded by Barbara Girs. The Moderator declared in the affirmative that Article 4 will be voted on by voice vote. A voice vote in the affirmative for moving the question was declared by the Moderator. Article 4 was declared passed in the affirmative by the Moderator by voice vote.

Jacqueline Reilly moved to restrict reconsideration of Article 4 and was seconded by James Hogancamp, and declared passed in the affirmative by the Moderator by voice vote.

Article 5: Jane Carroll made the motion to move that the District implement an expansion of the current kindergarten program to encompass a full day of kindergarten programming, and to raise and appropriate the sum of \$106,361.00 (One hundred six thousand, three hundred and sixty-one dollars) for the support of the aforementioned full-day kindergarten program. Seconded by Jacqueline Reilly. Jane Carroll spoke to Article 5. A lengthy discussion followed. Rick Harrington spoke to Article 5, as the Budget Committee was not in favor of this article. Jeff Chickering moved the question and was seconded by multiple. The Moderator declared the question ready for paper vote by a affirmative voice vote. Article 5 showed 94 (Ninety-four) votes-Yes and 63 (Sixty-three) votes-No. 163 votes were available. The Moderator declared Article 5 passed by paper ballot.

James O'Neil moved to restrict reconsideration of Article 5 and was seconded by Tina Ramsey, and was declared passed in the affirmative by the Moderator by voice vote.

Article 6: Jacqueline Reilly moved that the District appropriate and authorize the School Board to transfer up to \$20,000 of its unencumbered funds, if any, remaining on hand at the end of the fiscal year, June 30, 2005 to be deposited in the Capital Reserve Fund established by the voters on March 5, 1994, for the purpose of major renovation/reconstruction of the school buildings and related costs. Seconded by Barbara Girs. Rick Harrington, Chairman of the Budget Committee, spoke to this article. The Moderator called the question and Article 6 was declared passed in the affirmative by the Moderator by voice vote.

Article 7: The Moderator declared the polls for Election Officials closed at 9:30 p.m.

The Moderator asked for any other business that may legally come before this meeting.

The Moderator made a motion to express appreciation to Mr. and Mrs. Johnson for their generous donation of \$10,000.00 (Ten thousand dollars) to the Chesterfield Public School Endowment fund. The body passed this motion with a standing ovation for Mr. and Mrs. Johnson.

Kristin McKeon spoke to the importance of filling out the post cards with any comments to be sent to the state.

Ruth Van Houten asked that, at the District Meeting next year, the School Board be prepared to show the results from the Full-day Kindergarten program.

Barbara Girs made the motion to adjourn the meeting at 9:35 p.m. and was seconded by Jacqueline Reilly. The Moderator declared the meeting adjourned in the affirmative by voice vote.

The official town checklist was used for the elections. 226 (Two hundred twenty-six) ballots were cast in the ballot box. 3 (Three) absentee ballots were cast.

School Board Member for 3 years

Ege Cordell (Ozyman)	97
Judy Idelkope	161
Kristin R. McKeon	135
Fran Shippee (write in)	1
Carol Pelczarski (write in)	9
Carol Tolman (write in)	1

Judy Idelkope and Kristin R. McKeon were declared the winners.

School Board Member for 2 years

Barbara Girs	111
Carol Pelczarski	103
Jim Hogancamp (write in)	1
Susan Sciuto (write in)	1

The Moderator asked that a recount be taken on this office due to the close ballot count between Barbara Girs and Carol Pelczarski. The recount was done and Barbara Girs was declared the winner.

Moderator for 1 year

Gary W. Winn	214
Bill Chickering (write in)	1

Gary W. Winn was declared the winner.

Clerk for 1 year

Judith (Jody) Moreau	210
----------------------	-----

Judith (Jody) Moreau was declared the winner.

Treasurer for 1 year, Effective July 1, 2005

Anita Barber	196
Bo Foard (write in)	1
Ed Cheever (write in)	1
Ruth Van Houten (write in)	1

Anita Barber was declared the winner.

All election officials will wait the prescribed three days for reasons of recall to take the oath of office and to sign the prescribed oath of office. It will be done at a later time.

Judith A. Moreau, Clerk
Chesterfield School District

A true copy attest

ADMINISTRATIVE REPORT

Chesterfield is indeed fortunate to have found an excellent principal to replace Martin Mahoney beginning July 1, 2006. Ms. Sharon D'Eon has already demonstrated solid leadership in many areas including the move to full-day kindergarten at Chesterfield School. She brings a thorough understanding of curriculum and instruction as well as demonstrated leadership skills.

Chesterfield School has been well-served for the past 25 years by Mr. Mahoney. Mr. Mahoney will retire on June 30, 2006. It is indeed rare to have a principal serve one district for more than 20 years. He has made a huge difference in the quality of education at Chesterfield School.

I am particularly impressed by Mr. Mahoney's continued connection with Chesterfield students attending Keene High School. His frequent attendance at numerous Keene High School events has helped maintain a sense of community among Chesterfield students at the high school.

Many things at Chesterfield School have impressed me. One area that stands out is the fact that Chesterfield School has met all the requirements of the No Child Left Behind legislation including Adequate Yearly Progress and Highly Qualified Teachers. I credit Mr. Mahoney's leadership with the fact that Chesterfield School has, thus far, risen to the challenge regarding NCLB. Mr. Mahoney faced the NCLB challenge in a professional and courageous manner and his visible courage and fortitude were integral components to the essential commitment it takes for a school to meet the challenges of NCLB.

Comments I have received from members of the community regarding Mr. Mahoney have been overwhelmingly positive. For example, one brief comment that is representative of others is taken from the following note: *"Thanks again for all you have done for my two kids. I always felt that they were safe in your care. You were always accessible to them and me; they felt that, if they had a big problem, you'd hear them out - they respect you. Again, thanks for your organization and the leadership you provided."*

Parents, students and the Chesterfield staff have all recently made positive comments regarding Mr. Mahoney. Some of the staff comments from the past two years include:

"Mr. Mahoney knows almost all the students in the building, has lunch with them on a regular basis and always operates with their best interests in mind."

"Mr. Mahoney is one of the biggest reasons that Chesterfield is an outstanding school. Students are put first at Chesterfield."

"Chesterfield is an amazing school. This could not be possible without excellent leadership. Mr. Mahoney is an awesome administrator. He inspires excellence."

"It is quite obvious that he is resolute in his care for our students/children and that this is a high priority."

"Marty has been a very helpful supervisor. He is supportive and I feel I can have faith in him to support me in decisions I make. He is extremely organized and on top of things. He puts kids first."

"Marty is a superb principal. He consistently keeps the big picture in view and yet is very tuned in to the individual needs of students."

"Our school benefits grandly by having Marty Mahoney as our Principal."

The Chesterfield School community should be very proud of its school. The improvement that has occurred should not be taken for granted, nor should the strong support given to the school by the community. Continuation of this improvement is highly contingent upon open lines of communication between the home and school and a good understanding of what goes on in the schools.

A few Chesterfield teachers and other staff members from nine schools in SAU 29 and Winchester Elementary School participated in summer curriculum work in English Language Arts (ELA), Mathematics, and Social Studies in 2005. The primary focus of the activities in ELA and Math where the alignment of SAU 29 curriculum to New Hampshire assessment standards known as Grade Level Expectations (GLEs). This was a continuation of work begun in 2004 seeking to ensure that instruction prepares students for state assessment without diminishing the breadth and quality of the programs provided by our schools.

Social studies curriculum activity focused on the newly-implemented United States History program in grades seven and eight. Beginning with native cultures and European exploration, the two-year program engages students in an activity-based experience that provides for knowledge of the geography and an understanding of the development of our government, economy and history through the early years of the twentieth century.

In 2006, curriculum work will emphasize K-12 science, physical education, and health, as well as continued work in social studies with a focus on grades five and six.

Chesterfield's students at Keene High School continue to perform well. This past year Chesterfield had 205 students enrolled at Keene High School. These students are taking advantage of a wide range of academic, as well as co-curricular activities. Collectively, the overall grade point average (GPA) in the core subject areas (English, mathematics, science, and world language) for Chesterfield's students increased slightly from last year. In English, 68 percent of the students earned a grade of "B" or better. In mathematics, 54 percent earned grades of "B" or better. In science, 79 percent of the students earned grades of "B" or better. The overall attendance rate for Chesterfield students at Keene High School was 96.4% compared to 95.1% for the overall Keene High School attendance rate.

Chesterfield students will be joining their classmates in other SAU 29 schools by participating in the Northwest Evaluation Association pilot testing program during the 2005-2006 school year. NWEA has grown dramatically in recent years as school districts seek a method for measuring individual student progress over time. The computer adaptive tests give students, parents and teachers immediate feedback on student progress and level of performance. Expenses associated with the implementation of these assessments have been paid through SAU 29 grants.

Please make the time to visit the school, attend a school-related activity, or attend a school board meeting. Please be sure to attend the annual district meeting on Saturday, March 11, at 7:00 p.m.

Michele L. Munson
Superintendent of Schools

PRINCIPAL'S REPORT

ELEMENTARY ENROLLMENT

The district's official K-8 enrollment, as reported to the New Hampshire Department of Education on October 1, 2005, totaled 400 students, which reflects the following:

- the difference of +5 from that which was reported as our official enrollment last year at this time (395);
- the difference of -5 from the total projected for this school year (405);
- the difference of -11 from those currently enrolled in kindergarten (41) and the number of students in our most recent graduating class (52);
- a total of 9 students/7 families who left the district over the summer; and,
- 33 new students/22 families who have come to us from as far away as Bretwood, CA; Randolph, NJ; Bristol and Statford, CT; and nearby from Keene, Marlow, Manchester, Hinsdale, Marlborough, Brattleboro and Guilford, VT.

Enrollments/Placements - October 1, 2005

Kindergarten	41
Grade 1	39
Grade 2	35
Grade 3	40
Grade 4	37
Grade 5	50
Grade 6	48
Grade 7	59
Grade 8	51
TOTAL	400

Despite the changes that have occurred since last October, the school's enrollment has remained stable. In consideration of these factors and other, pertinent historical data, the proposed budget for 2006-2007 projects a total K-8 enrollment of 405 students.

STAFFING CHANGES/REASSIGNMENTS

As reflected in the following breakdown, this past school year we experienced unprecedented changes in staffing at both the SAU and district levels:

School Administrative Unit (SAU) 29

<u>New Hire</u>	<u>Position/Title</u>	<u>Replacing</u>
Mrs. Michele Munson	Superintendent of Schools	Mrs. Barbara Tremblay (Interim)
Mr. William Gurney	Asst. Superintendent of Schools	Dr. William Wheeler (Interim)
Mr. Paul Cooper	Manager of Personnel Services	Ms. Patricia Trow Parent
Mr. James Vezina	Business Administrator	Mr. John Harper

Chesterfield Elementary School

Although change is inevitable and serves to revitalize any organization, to say that what we have experienced this past year is 'unique' would be an understatement. They represent the loss of some valued and respected employees, close personal friends, and individuals who have a combined total of 75+ years of of loyal and dedicated service to the school, the community, and the profession.

Administration - Last summer, the Board voted unanimously to extend the contract of Mrs. Sharyn D'Eon, the school's assistant principal, through June, 2008. That decision also included an appropriate adjustment in salary and the immediate upgrade of her status to full-time. More importantly, they elected her to become my successor effective July 1, 2006. I wholeheartedly endorsed this decision and commended the Board for its proactive stance. The decision served to validate and recognize the many significant contributions Mrs. D'Eon has made to the school over the past two and a half years, and the rapport she has established with students, parents, colleagues, and the community at-large. In this year of transition, it eliminated a major uncertainty from the equation and allowed us to

move forward with an established leadership team. As a result, a transition plan was developed and presented to the Board for its endorsement. To date, that transition has gone very well. I am extremely confident in Mrs. D'Eon's ability to both preserve the reputation of educational excellence we have worked hard to attain over the years and to continue to move the school forward in the future. A search committee, created by the Board, is currently in the process of recruiting a new assistant principal.

Professional/Instructional Staff - The following people were nominated/elected or reassigned* to fill the respective vacancies created by those who have resigned, retired, or moved on to similar positions in other schools/districts:

Teacher	Position	Replacing
Mrs. Heather Girroir*	Grade 1	Mrs. Mary Morrisette
Ms. Sandra Demerly	Grade 7/8 Mathematics	Mr. Mark Sonntag
Ms. Kerry Gilmore	Grade 7/8 English/Language Arts	Mrs. Elizabeth Yacubian
		Ms. Jean Kennedy
Mrs. Lisa Markland	Guidance Counselor	Mrs. Lynn Carey
Mrs. Kim Rich-Milliken	Grade 5/6 Special Education	Ms. Kacie Welch
Mr. David Potter*	Grade 7/8 Reading	New Position
Ms. Elisebeth Sheltmire	Grade 7/8 Science	Mr. Earl Horn

Ms. Demerly comes to us with a broad and diverse personal and professional background. This includes many years of teaching experience at the middle school level in the areas of both language arts and math in Chicago, Northbrook, and Park Ridge, Illinois. She has also done consultant work, taught adult education, and served in the Peace Corps. She is returning from Kyoto, Japan where she worked for the past year at Doshisha University as a lecturer in the Institute of Language and Culture. She received her Bachelor of Arts degree in English and Philosophy from MaryGrove College in Detroit, Michigan; has done graduate work at both Northwestern and Loyola University; and completed her Masters of Education in Middle School Mathematics from National Louis University in Evanston, Illinois.

Ms. Gilmore completed her student teaching here in Chesterfield and served as the long-term substitute for Mrs. Powell this past May/June. Ms. Gilmore received her Bachelor of Arts degree Cum Laude in both Elementary Education and English from Keene State College this past May. While at Keene State, she was recognized by the National Society of Collegiate Scholars and worked at the college's Center for Writing.

Mrs. Markland received her Nursing Certificate from VTC/Thompson School in Vermont (1997) and her Bachelor of Arts degree in Sociology from Keene State College (2000). This past May, she received her Masters of Education degree in School Counseling, also from KSC. She completed part of her required internship here in Chesterfield (January-May, 2005) with Mrs. Carey.

Mrs. Rich-Milliken has worked for the past two years in the middle school as an inclusion aide. She received her Bachelor's degree in both Elementary and Special Education from Lesley University (1980). Her related employment experience includes work with Southwestern Community Services in Keene and the University of New Hampshire Institute on Disabilities. This background, combined with her experience here in Chesterfield, makes her well qualified to assume this position.

Mrs. Sheltmire previously filled the vacancy created by Mr. Horn's approved, one-year leave of absence. Her performance during that time and her credentials made her very competitive when the position was reopened and we welcome her back on a permanent basis. She comes to us from Newport Middle/High School where she worked last year teaching Biology, Health, Physical Science and Ecology to students in grades 9-12. She graduated from Green Mountain College in Poultney, VT where she received a Bachelor of Arts degree (2000) in Environmental Studies w/Policy Concentration. She recently (2003) received her Master's of Science degree in Environmental Studies w/Biology Teaching Certification from Antioch New England Graduate School in Keene. She completed her student teaching at Keene High School and has worked for Solar Works, Inc. in Wilton, NH as a Solar Education Coordinator.

Support Staff - The following represents an overview of the changes that have taken place with regard to support staff assignments:

Resignations	Position	New Hires/Reassignments*
George Ciampolillo	Grade 1 Inclusion Aide	Sara Hubbard
Cindy Sylvia	Grade 2 Inclusion Aide	Beth Bogar
Jessica Miller	Grade 5 Inclusion Aide	Lisa Cook*

Sacha Norris
Mary Lou Alther
Kathy Cotton

Grade 6 Inclusion Teacher Assistant
Grade 7 Inclusion Aide
Grade 7 Inclusion Aide

Liz Benjamin*
Cathy Carter*
Yvette Robarge

The following additional aide reassignments/new hires have also taken place:

- Mr. Stan Marino has been reassigned to work in Mrs. Gitchell's sixth grade;
- Mrs. Robyn Dunphy has been reassigned to work in kindergarten with Mrs. Goulas;
- Mrs. Mary 'Muffy' White has been hired to work in Mrs. Rydant's kindergarten class;
- Mrs. Tetreault has been redesignated to serve as a shared inclusion teacher assistant in support of identified students in Mrs. Hardy's second grade and Mrs. Dunn's third grade; and,
- Ms. Emily Todd was hired as a part-time library aide to replace Mrs. Cook who was reassigned to Mrs. Kelly's fifth grade.

Consolidated Grants - The district's 2006 Title IIA grant application was, once again, approved by the Superintendent of Schools and the New Hampshire Department of Education (NHDOE). The funds continue to be used to employ Mrs. Bettina Ramsey. Her efforts and attention remain focused on support for teachers and identified students in grades 4-6, specifically in the subject areas of reading, written language, and math.

Administrative/Clerical Support Staff - Mrs. Lisa Blanchard was selected to fill the part-time Health/Office Clerical Aide position, which was created by the resignation of Mrs. Powers, who left to take a full-time position at Cheshire Medical Center/Dartmouth-Hitchcock Hospital in Keene. Mrs. Blanchard received an Associate's degree in Executive Secretarial Studies from Bay Path Jr. College and was employed for many years with both the Bank of NH and the Savings Bank of Walpole. Most recently she has worked as a self-employed, after school daycare provider. She and her family reside in Keene.

CURRICULUM AND INSTRUCTION

In addition to the effort put forth by both individuals and teams of teachers with regard to K-8 instructional programs, considerable work was done this past year at both the state and SAU levels in the following subject/curriculum areas:

English/Language Arts and Math - The K-12 curriculum guides for both subjects were rewritten. This merged the grade level expectations (GLEs) created by the New England Compact, which formed the basis for the new, state-wide testing program, and the respective SAU curriculum guides. The merging of these documents will greatly assist teachers in their continued efforts to 'map' the curriculum, develop short and long-term lesson plans, and prepare students for the new assessment program (NECAP).

Social Studies and Science - Both frameworks are currently undergoing revision. No changes were made to either guide for the present school year, with the exception of eighth grade U.S. History. With regard to the latter, last year the middle school program was revised to establish a two-year curriculum in grades 7 and 8. This year we are completing the final phase of the implementation.

The last change in the science curriculum occurred with the creation of the K-6 science benchmarks. They will remain in place until we get a clearer picture of the new science frameworks. At present, the NH Department of Education (NHDOE) expects to assess students at all grade levels in the spring of 2008 per NCLB. No assessment is planned as yet for social studies. The proposed budget for next year calls for the replacement of texts used in grades 7-8.

ASSESSMENT OF STUDENT PROGRESS/PERFORMANCE

This past October, schools state wide administered the New England Common Assessment Program (NECAP) for the first time to all students in grades 3 - 8. This new testing program is the result of collaboration among educators from New Hampshire, Rhode Island, and Vermont. Their intent is to build a set of assessments for grades 3 through 8 to meet the requirements of the No Child Left Behind Act (NCLBA).

The states decided to work together for three important reasons:

- It brings together a team of assessment and content specialists with experience and expertise greater than any individual state.

- It provides the capacity necessary for the three states to develop quality, customized assessments consistent with the overall goal of improving education.
- It allows the sharing of costs in the development of a customized assessment program of quality that would not be feasible for any individual state.

NECAP is a comprehensive set of tests that covers a broad range of objectives in reading and mathematics administered in grades 3-8, and writing in grades 5 and 8. A great deal of time has been devoted to both the state and local (SAU/district) levels to define learning objectives and grade level expectations (GLEs) in these subject areas. The GLEs have been used by the teachers in the development of both short and long-term lesson plans in order to prepare the students for this new testing program. The latter is especially important in that the results will be used to evaluate the school's ability to make the required Annual Yearly Progress (AYP) as mandated by the related federal legislation (NCLB). The NECAP GLEs are posted on the individual state department of education websites.

NECAP tests include the following types of items:

- multiple-choice items, which require students to select the correct answer from four possible responses;
- short-answer items, which require students to provide a solution to a problem;
- constructed-response items, which require students to write a brief (up to a half page) response or show the solution to a problem;
- writing prompts, which require students to demonstrate their ability to communicate in writing through an extended response. These prompts are both stand alone and text-based.

Having taken the time to observe and reflect on this new testing program and consult with both teachers and support staff, I have formally shared with both the Board and representatives from the NH Department of Education the following concerns:

- the significant loss of valuable instructional time, especially with regard to unified arts classes and related services;
- the considerable investment of time devoted to planning, scheduling, and coordination;
- the potential impact on current school sponsored/endorsed programs, e.g., the American Heritage Tour and Camp Takodah;
- the level of stress placed on both staff and students, especially in the lower grades;
- the developmental appropriateness of the current model;
- the rationale for fall vs. spring testing, especially given the late reporting period (February); and,
- the investment of time devoted to alternative assessments for special needs students and our ability to support modifications required for the regular population.

It is my sincere hope that this information will be taken into consideration before the 2006 testing is conducted again this October.

FULL-DAY KINDERGARTEN

By all accounts, the first few months of the full-day program have gone extremely well. I want to make special note of the considerable effort that was put forth by both Mrs. Goulas and Mrs. Rydant who spent most of their summer planning and consulting; ordering supplies, instructional materials, equipment, and furniture; and arranging their classrooms. To say that their efforts went above and beyond the call of duty would be an understatement. It is this level of commitment and professionalism that has contributed significantly to our early success and the extent that the program has been positively received by both the children and their parents. It is our intent to provide a more detailed and substantive report on this expanded program at this year's district meeting.

Early Prevention of School Failure (EPSF) - This year's testing program was conducted prior to the start of the school year (Monday-Tuesday, August 22-23) for all children. Mrs. Goulas and Mrs. Rydant, with the support and assistance of Mrs. Mills (Special Education), Ms. Kraft (School Psychologist), Ms. McPike (Speech/Language Therapist), Mrs. Prentiss (Occupational Therapist), Ms. Karen Knudson (Educational Evaluator), and Mrs. White (Inclusion Aide) conducted the screenings.

EPSF offers a battery of nationally normed tests that assess the following skill/modality areas:

- receptive and expressive language;
- auditory and visual memory and discrimination; and,
- fine and gross motor.

The EPSF assessment information provides data on a child's areas of strength and follow-up curriculum ideas to better meet the needs of young children. EPSF has proven over the years to be a valued assessment tool for teachers at this important stage of a child's physical and intellectual growth and development.

BUILDING MAINTENANCE

The replacement of the flooring in the multipurpose room and the consolidation of the heating systems in the grades 5-8 section of the building were this year's two major projects. Using monies in the Capital Reserve Account has proven over the years to be the most fiscally sound way of addressing these kinds of big ticket items.

In addition, the following projects were also completed over the summer:

- the replacement of classroom flooring (Whitford, Girroir, Gitchell, and Harris);
- painting the middle school hallway and selected bathrooms;
- major renovations to the garage, e.g., new roof, replacement doors, and painting;
- repairs to selected door hardware and cafeteria tables; and,
- cleaning of tile floors and classroom carpeting (Squeaky Clean and ServPro).

Reflecting back on my career here in Chesterfield, I am proud of what we have accomplished over the years to maintain and make improvements to the physical plant. It serves to stimulate in the instructional and emotional climate of the school, and gives the community something it can also be justifiably proud of. Special thanks and recognition should be given to the Board for its support, the members of the Facilities Committee for the expertise they offer in developing long-term plans, and to the custodial staff who continue to do a truly remarkable job.

STUDENT RECOGNITION

Consistent with past practice, I would like to take this opportunity to formally recognize some select groups and individuals whose achievements and accomplishments over the past school year have been especially noteworthy.

GRADUATION AWARDS CHESTERFIELD SCHOOL CLASS OF 2005

American Legion Post #86 Citizenship Award
Michaela Tolman
Darrik Marstaller

Larry Taylor Citizenship Award
Class of 2005: Gabriella Montgomery
Class of 2006: Danielle Lapointe

Presidential Awards for Academic Excellence

Frank Abbate	Jacob Blair	Giles Chickering

2005 World Language Honor Society Inductees
Lindsay Bergmann (Spanish) and Sally Trabucco (Latin)

It many ways it is hard to believe that I am writing my last annual report. It seems like just yesterday that Mr. Donovan was offering me my first teaching job here in Chesterfield. Then I'm brought back to reality when I remember that it was July, 1972. The school was half the size it is now, our playground consisted of an old merry-go-round and a see-saw, I had a piano in my room, the faculty could all meet and have lunch in what is now the office for our school psychologist, our only play area was the front field, and my basketball team practiced over the Spofford Fire Station. A lot has changed over the last 34 years. The reputation for educational excellence we have attained has truly been a 'team effort' and reflects the contributions of a great many people. We can thank our elected officials, a caring community, supportive and involved parents, dedicated teachers and support staff, and many of my predecessors. Most importantly, we can be thankful for the wonderful children whose faces continue to decorate our hallways and evoke fond memories of special events and personal accomplishments. Many of them have continued to live and work in the community. They serve with distinction on our various town boards, committees, fire and police departments. Living and working here as long as I have has afforded me the special satisfaction of watching their children also attend this school, graduate, and go on to be equally successful.

Throughout my career, I have tried to ensure that my actions were guided by the following basic principles:

- always try to make 'new' mistakes;
- remain true to my beliefs and convictions;
- remember that nothing you do for children is ever wasted; and,
- ensure that my expectations of myself were always higher than your expectations of me.

I have more cherished memories than any one person deserves and very few regrets. I will be forever thankful for the opportunity to serve this community and for the support you have given me and my family over the years.

Respectfully submitted,

Martin F. Mahoney

SCHOOL LUNCH REPORT

It is with a lot of anticipation and a little sadness that I say this is my last year at Chesterfield School. It has been a pleasure to serve the children of Chesterfield over the last thirty years and I will miss them.

This last year has not been without challenges. Having the children attending kindergarten for a full day means lunches for them, too. This has required some adjustments on our part, but things are now running smoothly.

Repairs to equipment have been minor this year, and I hope to leave the kitchen in tip-top shape for the new manager.

The number of students that we serve daily is now averaging over 220, with some days the count nearing 250. Starting with breakfast and ending with lunch every day is a lot for one part-time and two full-time employees to handle. Time is a precious commodity, and it would help greatly if the kitchen was computerized.

We scored 100 percent again this year in a state health inspection, of which we are very proud.

Carol Riendeau
Lunchroom Manager

SCHOOL HEALTH SERVICES REPORT

August, 2003 – December, 2004

Annual Health Services Performed

- Height and weight -- all students; also submitted data to community study of students' health related to obesity.
- Student visits to the health office: first aid, illness, medications, in need of community resources, patient education.
- Vision/Hearing screening -- alternate grades - Pure Tone (Acuity); new student and special education referrals.
- Medications -- for short-term and chronic conditions; prescription and nonprescription medications.
- Annual Flu Clinic -- Postponed Fall 2004 due to vaccine shortage -coordinated by JVRN and administered by HCS (Home Health Care, Hospice and Community Services): voluntary, for staff to receive influenza vaccine.
- School Health Policies and Procedures -- reviewed, revised and recommended to administration as needed.
- Accident reports requiring medical referral.
- Referrals for community resources to assist students and families: Keene Rotary (school clothes), vision, counseling, Medicaid/health insurance, Operation Toy Drop (Christmas gifts), Brattleboro Reformer (winter clothing), medical.
- Participation in special education (IEP) meetings as needed for medically fragile students.
- State mandated reports of suspected child abuse/neglect as needed and annual immunization audit.
- Cheshire Smiles Mobile Dental Health Clinic. They annually screen children in Grades K-3 for dental decay. December, 2004, with parent's permission. Some are referred for follow-up teeth cleaning, fluoride treatment and referral to a local dentist to apply sealants. Although a \$10.00 donation is requested, their services are usually donated. This Nurse deemed it appropriate to donate \$120.00 from a Nurse's Fund - which includes donations from the Town's Hamilton Fund for Needy Children (\$85.31+ \$34.69 from other donation sources) to support this cause, to promote the health of our children.

Respectfully submitted,

Jane Vincello, RN, BSN/BA, M.Ed.
