(Letter #44)

MARSEILLE, FRANCE

I have sent you a cablegram and the money you wanted. I tried to cancel the additional allotment of \$250 to you because you have not received any of it even though it was effective Dec. 1, 1944. I learned that a considerable amount of red-tape is necessary to cancel it, so I have sent it back thru you will get the money in a lump sum when it does come. They now have your money for Dec. ember, January, February. By the time you get it you'll probably have March added on. It may take a month or more before it gets there, but I will get there... that's the important thing. And when it does get there, it will come accumulated from Dec. 1, 1944. Since you prefer the bonds to having the cash, I'll resume the bond allotment.... perhaps. If not you'll get cash to buy them there. Regards to all. Love to you.
