15. Walter, Jason	10
16. Walter, Ralph	18
17. Walter, Jeff	5
18. West, Bob	32

### Fire Permits

As stated in New Hampshire State Law, (RSA 224:2713), "No person, firm, or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material, except when the ground is covered with snow, *without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done.*

Burning may be done before 9AM or after 5PM. If it is necessary to burn during the day for commercial purposes, a special permit is required from the State Forest Ranger. It is also possible to burn during the day if it is raining, however, a written permit is still required. Written permission is required if an individual wishes to burn on land belonging to someone else, as well. If individuals wish to burn in an incinerator, a seasonal permit may be issued, but the burning must still be done before 9AM or after 5PM. **As of January 16, 2001, there is NO open burning in trash barrels**, per RSA 227-L:17. In Nelson, there is no charge for permits at this time. Permits may be obtained from:

Bob West	Murdough Hill Road	847-9759
Rick Lothrop	Murdough Hill Road	847-9045
Charlie Lang	Murdough Hill Road	847-3277
Bud French	Old Stoddard Road	847-9995

# ANNUAL REPORT

## OF THE TOWN OFFICERS

### NELSON, NEW HAMPSHIRE

For Year Ending December 31, 2001

#### FRONT COVER

The cover of this year's report is the work of Richard J. Lothrop, Nelson Fire Chief

#### BACK COVER

The back cover shows the roads in Nelson and some of the topographical features. These road names, and a new logical house numbering plan, will serve as the basis for our Enhanced 911

System, which will ensure rapid emergency response to all Nelson residents. The Bureau of Emergency Communications, coordinators of this project, will have our new addresses in the near future.

### **Something to Consider**

For those who enjoy living in our beautiful community, which is doing much to make our lives rich and full, you are invited to consider Nelson in your future giving plans. You could include your Town as a beneficiary in your will, when next you review it. In addition, there are other gift vehicles that can enhance spendable income for a lifetime, and provide immediate tax advantages. Please call the Town Office at 847-0047 for more information.

Susan Weaver	Norman Barres (alternate)	

The following officers are nominated by the Board of Selectmen  
and appointed by the NH Department of Health

Health Officer:	Linda Singer, M.D.
Deputy Health Officer:	Greg Rothman, M.D.

## SELECTMEN'S REPORT

This was the first full year that our renovated Town Offices were in full use. The entire area has proven to be very popular, both for those working there and for those folks coming in to conduct Town business. Upon entering the Great Room, one is immediately attracted to the very pleasant, professional staff, including Administrative Assistant Sharon E. Johnson, her Deputy, "Vangie" McCormick, the Town Clerk/Tax Collector, Teri Upton and her Deputy, Kathy Schillemat.

Our Archivist, Roberta Wingerson, has done a marvelous job of using one corner of the room to exhibit some of our Town treasures. Recently, the Town was given two country Chippendale chairs, crafted in Nelson, in 1791, by Solomon Wardwell for Josiah Melville. The chairs enhance the ambiance of the historical corner. They were a gift from the Henry Fuller estate.

The various improvements to Town buildings this year included a new roof on the Old Brick Schoolhouse, done this summer, which should last at least forty years! The northern and eastern sides of the Town Hall were painted, and major changes happened at the Town Barn, in keeping with Warrant Articles of this past March.

The revaluation of all 640 parcels of property in Town has been completed. As a result, Selectmen dealt with approximately sixty abatement requests; all but seven were settled. Currently, six non-residents have appealed their decisions to Superior Court. Four properties involved are located on Silver Lake, one is on Nubanusit Lake, and one is on the Nelson Road. A resident family has presented one additional case to the Board of Tax and Land Appeals. This case also involves water property. The Superior Court trials will be heard in early July. We do not yet have a time for the Board hearing in Concord. Our Town Counsel, Gary Kinyon, is representing the Town in all cases. Actually, the Selectmen are very pleased that so few of the parcels have ended up in court. This process is costly to the Town, but it is all part of doing business. We look forward to completing the revaluation with the resolution of these seven cases. However, the Town must be re-certified by the Department

of Revenue Administration in 2006. We are already making plans to be right on top of the situation by requesting that funds be set aside annually, starting this year, for the next revaluation process.

We are pleased to report that all Town buildings are in quite good condition. By performing annual maintenance work, we are keeping repair/replacements costs at a modest level. Also, the Department of Revenue Administration and the Selectmen are comfortable with the status of our General Fund at this time. Should a catastrophic circumstance arise, the Town should be able to respond without a great deal of duress. The tax rate for this past fall is 1% less than a year ago. Both the number of students attending school in Keene, and prudent management of Town government expenses largely influence setting this rate. At this time, we have no way of knowing what the outcome will be regarding the court cases as noted above, but, if needed, we have set aside funds for possible costs and legal fees.

The Selectmen have been enormously pleased with the leadership of Fire Chief Rick Lothrop and his faithful team of volunteer firefighters, and Police Chief John Bly, ably assisted by Sergeant Brendan Bosquet and Officer Roger Turcotte. Their reports will be found elsewhere in this booklet.

The work accomplished by the Highway Department, competently directed by Mike Tarr, well assisted by Bryan Trudelle and Nickolas Barrett, has pleased nearly all of the residents and satisfied ALL of the Selectmen. The resurfacing of Murdough Hill Road was completed this summer. Keeping up with the tremendous amount of snow last winter was done almost perfectly. We would also like to recognize the efforts of George Warner, Sr., Building Sexton, and Alfred M. Struthers, Cemetery Sexton. Our buildings and grounds look wonderful!

The Selectmen wish to thank Mike Blaudschun, Chair, Zoning Board of Adjustment, and Terry Mednick, Chair of the Planning Board, together with the members of both Boards, for their hard work. Recently, the Selectmen decided that the Town would benefit from the formation of a Vision Committee, to work on updating the Zoning

Ordinance. Gordon Peery is chairing the group, whose members are very representative of the community. The Committee expects to have Articles ready for the Town Warrant in 2003.

There are many other people involved in making our Town government run smoothly—the Library Board of Trustees, the members of the Conservation Commission, the Town Treasurer and his Deputy, the Trustees of Trust Funds, the Health Officers, the Road Equipment Committee, the Cemetery Board of Trustees, the Public Assistance Group, the Supervisors of the Checklist and our Town Moderator. Thank you all so very, very much!

Jane S. Kirk, Chair, Edward N. Scott, John E. Bunce

### **The Nelson Board of Selectmen**

#### **SELECTMEN'S CERTIFICATE**

This is to certify that the information contained in the following reports was taken from official records and is correct, to the best of our knowledge and belief.

Jane S. Kirk, Chair, John E. Bunce, Edward N. Scott,

#### **AUDITOR'S CERTIFICATE**

I hereby certify that I have examined and audited the accounts and records of the Town of Nelson for the fiscal year ending December 31, 2001. The records and accounts include those of the Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of the Trust Funds, Cemetery Board, and Library Trustees. To the best of my knowledge and belief, I certify that these accounts and records are true and correct.

Richard J. Lothrop, Auditor

## **TOWN WARRANT**

TO THE INHABITANTS of the Town of Nelson, in the County of Cheshire, State of New Hampshire, qualified to vote in Town Affairs: YOU ARE HEREBY NOTIFIED to meet in the Town Hall in said Nelson on Tuesday, the 12<sup>th</sup> day of March, 2002, at 12:00 noon to act upon the following articles:

POLLS will open at 12:00 noon and close at 8:00 p.m.

#1 To elect necessary Town Officers for the ensuing year.

## ARTICLES DEALING WITH PLANNING AND ZONING

#2 To see if the Town will vote to raise and appropriate the sum of \$697 for membership dues to the Southwest Regional Planning Commission. The Selectmen recommend this appropriation (\$645 in 2001.)

#3 To see if the Town will vote to amend the Nelson Zoning Ordinance to eliminate the definition of "Building Height" in Article 6, and to revise Article 2, Section 24:5 to read as follows:

The vertical distance from the mean finished grade of the ground adjoining the dwelling unit to the highest point of the dwelling unit shall not exceed 40 feet on any given side. The vertical distance from the mean finished grade of the ground adjoining structures other than dwelling units to the highest point of the structure shall not exceed 45 feet on any given side.

Exclusions: Portions of a structure such as spires, cupolas, antennae, or chimneys shall not be included in the height measurement.

This amendment was written by the Nelson Planning Board, in consultation with the Nelson Re:Visions Committee, and was reviewed at the public hearing held on Thursday, January 10, 2002. (A written ballot is required.) The Selectmen and the Planning Board recommend approval of this article.

#4 To see if the Town will vote to amend the Nelson Zoning Ordinance, Article 6, to define Street Line as follows:

A street line shall be defined by the location of an established stonewall bordering the road, such wall being clearly an indication of the original right-of-way. In the absence of a stonewall, a right-of-way documented by a lawfully registered survey may serve to indicate the location of the street line. In the absence of either a stonewall or a right-of-way documented by a survey, the street line shall be 20 feet from the center of the road.

This amendment was written by the Nelson Planning Board, in consultation with The Nelson Re:Visions Committee, and was reviewed at the public hearing held On Thursday, January 10, 2002. (A written ballot is required.) The Selectmen and the Planning Board recommend approval of this article.

#### ARTICLES OF A GENERAL NATURE

**#5** To see if the Town will vote to raise and appropriate the sum of \$143,309 to defray Town charges for the ensuing year. The Selectmen recommend this appropriation. (The 2001 appropriation was \$134,275.)

**#6** To see if the Town will vote to raise and appropriate the sum of \$7,500 for an outside audit of the Town's Financial Records. The Selectmen recommend this appropriation.

**#7** To see if the Town will vote to raise and appropriate the sum of \$10,500 to re-roof the Town Hall. The Selectmen recommend this appropriation.

**#8** To see if the Town will vote to raise and appropriate the sum of \$2,842 in support of four agencies which provide assistance to Nelson residents. Those agencies are: Home Health Care (\$550), Monadnock Family Services (\$792), The Community Kitchen (\$1000) and Southwestern Community Services (\$500.) The Selectmen recommend this appropriation.

**#9** To see if the Town will vote to raise and appropriate the sum of \$3,500, to cover the cost of assessing current use parcels in Nelson, to comply with N.H. Department of Revenue Administration guidelines. The Selectmen recommend this appropriation.

**#10** To see if the Town will vote to raise and appropriate the sum of \$10,000, to be placed in the Capital Reserve Fund, to cover the cost of a revaluation by 2006, mandated by the N.H. Department of Revenue Administration. The Selectmen recommend this appropriation.

**#11** To see if the Town will vote to raise and appropriate the sum of \$2,000 to be added to the Town Buildings Capital Reserve

Fund. No withdrawals may be made from the fund except by vote of the Town. The Selectmen recommend this appropriation. (The 2001 appropriation was \$2,000. ) The fund balance as of 12/31/01 was \$2,097.18.

#12 To see if the Town will vote to raise and appropriate the sum of \$16,345 for support of the Town Library. The Selectmen recommend this appropriation (\$15,608 in 2001.)

\$13,605.39 to be raised by taxes

\$ 2,739.61 income from Library Endowments

#### ARTICLES DEALING WITH SERVICE AND PROTECTION

#13 To see if the Town will vote to raise and appropriate the sum of \$2,092, as a subsidy for ambulance service for the ensuing year, with the understanding that residents will be charged for individual calls. This is a reduction from the \$4,500 billed in 2001. The Selectmen recommend this appropriation.

#14 To see if the Town will vote to raise and appropriate the sum of \$8,500 for the proper expenses of the Fire Department and Rescue Squad. The Selectmen recommend this appropriation (\$8,000 in 2001.)

#15 To see if the Town will vote to raise and appropriate the sum of \$3,500 for the purchase of a deck gun for the new fire truck, and two (2) 1 ½ inch fire hose nozzles. The nozzles would either add capacity or replace old units. The Selectmen recommend this appropriation.

#16 To see if the Town will vote to raise and appropriate the sum of \$6,000 for the purchase and outfitting of a used boat, to support Fire/Rescue/Police operations on the various lakes in Nelson.

#17 To see if the Town will vote to raise and appropriate the sum of \$22,500 for the proper expenses of the Police Department. The Selectmen recommend this appropriation (\$13,500 in 2001.)

#18 To see if the Town will vote to raise and appropriate the sum of \$3,300 for the purchase of a new astro-digital portable radio, for the Police Department. The Selectmen recommend this appropriation.

## ARTICLES DEALING WITH ROADS

#19 To see if the Town will vote to raise and appropriate the sum of \$161,000 for the maintenance of highways and bridges for the ensuing year. The Selectmen recommend this appropriation.

\$128,215 to be raised in taxes

\$32,785 to be designated from Highway Block Grant

#20 To see if the Town will vote to raise and appropriate the sum of \$10,000 to be added to the Road Equipment Capital Reserve Fund.

It is understood that no withdrawals may be made to this fund for the purchase of road equipment

## OTHER ARTICLES

#21 To transact any other business or discuss other warrant proposals as may be legally brought before the meeting.

Given under our hands and seals this 6th day of February in the year of Our Lord, two thousand and two. A true copy of the warrant, Attest:

Jane S. Kirk, Chair, John E. Bunce, Edward N. Scott  
Selectmen, Town of Nelson, NH

## NELSON FIRE LOG

<u>Car-2</u>	<u>Brush-3</u>	<u>Structure-3</u>	<u>Other-3</u>
<u>Mutual Aid-2</u>		<u>Chimney-1</u>	
<u>Rescue-13</u>		<u>False Alarm-2</u>	

### REPORT OF THE NELSON FIRE CHIEF

The new truck arrived just a day or two before Town Meeting. It had an interesting trip from Somerset, PA as a snowstorm delayed its return. It was on display as people arrived at the meeting and soon was taken off for service, dealer prep and all the necessary adjustments. With in a short period of time from its arrival back, the radio arrived and was installed. The rest of the equipment, hoses, nozzles and all the other tools needed to make it a functional unit, were installed. A training day was set aside and all members have learned how to operate it, as well as take it for a test-drive. It has been to some calls during the remainder of the year and its new features have been quite beneficial. One car fire on the Nelson/Harrisville Road was quickly extinguished by using the foam system.

We continue to add items to the truck as equipment deliveries come in. We also continue to deal with a few minor problems, too. With the complexity of this truck, one can expect to have a few bugs that need to be worked out.

We have added a new infrared temperature-sensing unit to the department. This unit has a laser beam system for aiming and will come in quite handy in dealing with chimney or structure fires. We will be able to better determine where hot spots are in the structure to apply our focus there. We will also be able to do final checking of a fire to be sure that it has all been extinguished. This is not a thermal imaging system, which is very expensive, but the infrared temperature-sensing unit is another tool for fighting fires that will benefit the department and the town.

Also, we received supporting funds from the State and have purchased some forestry fire fighting equipment to replace old equipment, increase capability, and add new capability. One item is a new lightweight portable pump that one can backpack off into

remote sites. Hand tools, helmets, goggles, hoses and nozzles were some other items that were added.

As in years past, we continue to look for individuals who are interested in joining the fire department, especially those who are or want to become an EMT (Emergency Medical Technician). We manage with a couple First Responders, but we are always need to add people in this area to provide a better service to the Town. The department will pay for the training and will support the individuals in their activities. Anyone interested should contact the Fire Department.

Total number of calls is 29, up considerably from last years 18. From the Fire Log above, you can see that rescue calls continue to play a major roll in our activities. Again this year as in the past, we supported the Mutual Aid system, which is so beneficial to all the towns involved. It is ever so helpful to have this support.

Remember, check your smoke detectors and replace the batteries on a regular basis. If you don't have smoke detectors, then it's highly recommended that you purchase and install them. They may save your life someday.

I would like to again thank all the active members for their continued effort and support. Remember, to report a fire or other emergency, DIAL 911 or 352-1100.

Respectfully,  
Rick Lothrop, Fire Chief

### REPORT OF THE NELSON POLICE DEPARTMENT

I am honored to serve as your Police Chief. The year 2001 brought an increase in calls for service for the Department; we handled 320 complaints. Officer Roger Turcotte has returned to assist with calls and patrol functions. Sergeant Brendan Bosquet is the third member of the Department, and together, we have handled 95% of the reported events for 2001.

With the number of calls handled averaging out to be 26 per month, few funds are available for patrol. The Department had expended its budget by October 15, 2001,

which limited road patrols. The Department did respond to calls when they came in. In order to maintain a steady patrol presence in Nelson, and handle calls for service, I am requesting an increase in the Department's budget this year.

We need to purchase some police equipment in order to continue operating as a professional police department. The first matter is the police radio situation. Cheshire County Law Enforcement is converting to an astro-digital radio system this year. We only have one radio compatible with the new format, and that radio was donated to the Department by the State of New Hampshire. It was installed in the Nelson police vehicle.

The State intends to purchase a portable unit sometime this year, but we need two in order to operate properly. I am asking the Town to purchase a second portable radio, with a charger for the Astro system, at a cost of \$3,000. I am also requesting funds to purchase a cage for the police vehicle, a digital camera, a printer for police reports and a laptop holder, to be installed in the police vehicle. Then, we can run license checks and do reports in the police vehicle, when Cheshire County goes "online" with the State mobile system later this year. The items requested are for your protection.

I enjoy working with all of the people in Nelson. If you need to talk with me, please call Mutual Aid Dispatch, at 352-1291, and leave a message. I will make myself available to talk with you anytime. If you have an emergency, please call **911**. Thank you and God bless...

John I. Bly, Police Chief

### NELSON POLICE MISSION STATEMENT

To protect and serve the citizens of the Town of Nelson, New Hampshire. We, as a Department, will treat the Town residents with the utmost respect, fairness and kindness. All matters will be handled in a professional manner, known to common man, allowing everyday life to be lived in an equal living environment. Dedication to fairness is a priority and will be the Law of the Police in the Town of Nelson.

Adopted November, 2000

## REPORT OF THE ROAD AGENT

As you know, last winter was one with a near-record snowfall; the Town of Nelson received 180 inches. During this harsh season, the Highway Department had only two employees, Bryan Trudelle and yours truly. With only the two of us to cope with the late season non-stop snowfall, we found ourselves working 70-80 hours for many weeks on end. After what seemed to be a very long winter, spring arrived very quickly. The close to five feet of snow, still left on the ground in late April, disappeared within one week. Surprisingly, even with the snowmelt, we had very little mud. The usual spring graveling was completed with approximately 1000 yards of gravel, distributed on the Town roads. The grading of Town roads was completed by the first of June, just in time for summer traffic.

At the Town Meeting held last March, residents accepted the proposal to repave and seal a section of Murdough Hill Road. This project was underway in June; Allstate Asphalt contracted to grind up the existing pavement, and that product was used as a base. With several large projects scheduled for the Highway Department, Nick Barrett was hired as a third employee. With Bryan and Nick's great assistance, the Highway Department installed under drains and new culverts, as well as adding 2000 tons of new gravel to Murdough Hill Road. The job was completed in late July, when Allstate Asphalt repaved the stretch.

The month of August was designated for many routine maintenance chores. The Town rented a backhoe to clean clogged culverts, and we replaced any that had deteriorated. Roadside mowing was completed, brush was cut and ditches were cleaned. This fall, we began the renovations to the Old Town Barn. The dirt floor was replaced with cement, the Barn was insulated and heat was installed.

The Town of Nelson Highway Department is proposing a budget this year of \$161,000, the same as last year. In 2001, due to the above-mentioned favorable mud conditions, and a lack of severe icing, the Department was able to conserve funds in its budget.

The Highway Department does appreciate updates on the road conditions in your area and we will respond to any problems in a timely manner. Winter sand is available for Nelson residents to use on their own driveways. Personally, I would like to thank the Selectmen, the Road Equipment Committee, and Town residents for all of the support I have received during my first year as your Road Agent. My thanks are also extended to Bryan and Nick, for all of their help and many hours of hard work, done without a complaint.

Respectfully, Michael S. Tarr

Nelson Road Agent

## HIGHWAY EQUIPMENT REPORT

This chart lists the road maintenance equipment owned by the Town. It provides the taxpayers with an overview of the usage of the equipment, today's values and today's replacement costs. The Road Equipment Committee reviews this list annually.

	Year Vehicle Acquired	Current Value	Useful Life Remaining	Current Cost To Replace	Ideal Life
1986 Grader (Plows snow, wings snow banks, used in shim work, ditches, grading and cutting ice.)	1986	40,000	6	140,000	20 years
1993 544G Loader (moves equipment and snow, cleans ditches. Used as a Wheelbarrow.)	1994	50,000	10	120,000	15 years
1998 Light Duty 1 Ton (Hauls brush and trash, pulls road rake, plows snow, Used for odd jobs.)	1998	20,000	8	35,000	10 years
1995 Medium Duty Dump Truck. IH4900 (Plows snow, sands roads. Hauls gravel, sand, fill and hot top. Used for other maintenance as required.)	1995	30,000	9	100,000	15 years
1986 8 yd. Medium Duty Dump Truck IH4900 (Plows snow, sands roads. Hauls gravel, sand, fill and hot top. Used for other maintenance.)	1999	7,500	3-5	100,000	20 years
1976 Heavy Duty Dump Truck (Used to haul sand.)	1996	500	*0-5 years	120,000	20 years
John Deere 401B Tractor (Mows sides of roads, pulls road rake and roller.)	1975	3,000	*0-5 years	50,000	20 years

**Mike Tarr, Road Agent**

## ANNUAL REPORT OF TOWN CLERK AND TAX COLLECTOR

Another year has passed, and as you read this we will be well into 2002. 2001 was a significant year for our nation. We need only to turn on our radios and televisions and hear the latest in our war against terrorism. to feel the impact and to be reminded that our lives have been changed forever.

However, 2001 was also a productive and good year in many ways. 2001 was my first full year as a Municipal Agent. Your appreciation of this service has been very gratifying. We will continue to offer passenger, trailer, and motorcycle plates as well as renewal stickers. The \$2.50 fee collected per registration defrays the cost and is additional revenue to the Town. Thank you for your enthusiastic responses, indicating that it is worth the fee to eliminate driving to Keene or to another office to complete a registration.

The State offers a computerized program, which enables Town Clerks to process auto registrations "on line". I have been on the waiting list for some time now to be included in this option. Per indications from the State, we should be up and running very soon. Once we are on line with the State to process auto registrations, our office will be allowed to process boat registrations as well. I look forward to these exciting changes for 2002.

I want to extend a very warm thank you to Kathy Schillemat, who has served another year as my deputy. Kathy does a great job and continues to be a strong asset to our office. Thank you, Kathy!

My third year at Certification School was truly exciting. Again, the classes were dynamic and challenging. The experience and knowledge gained from attending Certification School is both worthwhile and pertinent to what I do for you. This past year, I received my Certification as Tax Collector. The fourth year offers certification as Town Clerk. I am requesting money in my budget to help defray the cost of the final year. I will apply for a scholarship again, but there are

many more students applying to the program. I am very grateful for the full scholarships, which allowed me to attend the first two years at no cost to the Town, and for the partial scholarship I received this past year.

Our new offices have proven to be as warm and welcoming to our Townspeople as the committee had hoped. We are further enriched by the wonderful display of historic artifacts and memorabilia that help us to see and enjoy our rich town history. Bert Wingerson, our Archivist, does a wonderful job. Thank you, Bert! Please stop by to say hello anytime. We are here to help you in as many ways as we can.

Thank you,  
Teri Upton, Town Clerk and Tax Collector

Buildings	2,547,500
Net Valuation for Tax Computation	7,717,413

## CONSERVATION COMMISSION REPORT

The final report of the Nelson Priority Conservation Plan prepared by a team from Antioch New England Graduate School was printed in January. The study was conducted under the direction of Dr. Rick Van de Poll. It was funded by a grant from the Wright Fund, which is administered by the Monadnock Community Foundation. Two copies are available in the Library and in the Town Office, for review by interested residents. They may also be purchased from the NCC.

The Plan was presented to the Planning Board at a meeting in April. Residents were invited by the NCC to hear Dr. Van de Poll discuss the Plan and the seven areas identified as being the most ecologically important for conservation efforts in Nelson. Maps generated by the study were posted on the walls and drew much interest. The meeting was well attended.

The April meeting was followed in May by a slide presentation by Meade Cadot, Director of the Harris Center, on land conservation options. He was able to answer many questions concerning the importance of conservation and the details of how it can be accomplished and tailored to fit individual properties. Again, we were gratified with the number of residents who showed their interest in conservation by attending.

The Commission has begun implementing the Plan by directing conservation efforts in the Great Meadows area, where a landowner has indicated interest in placing property under a protective easement. The Nelson Village Center is also one of the seven areas of focus in the Plan for conservation. An application for funding was submitted to Land and Community Heritage Investment Program (LCHIP) in March to complete protection of our mid-19th century village by enclosing it on the north and east sides with conservation easements. The south and west approaches have already been protected, thanks to the foresight of the late Henry Fuller. While the plan received favorable comments, it did not receive funding, due in part to overwhelming requests received throughout the State that far exceeded the LCHIP budget. The NCC can reapply

in another round of funding.

The Conservation Commission meets on the 3rd Tuesday of the month at 7 PM in the Town Hall.

Respectfully submitted,  
Bud French, Chairman, Barbara Fraser, Jeff Littleton,  
Susan Weaver, Bert Wingerson, Norman Barres

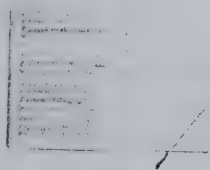

## 2001 REPORT OF THE ARCHIVIST

Work continues organizing and cataloging the archival material, answering inquiries and assisting researchers who make appointments to visit the archives. Cataloging has begun on a large donation from the Henry Fuller estate, which will add to the collection of Nelson history: included are books, photographs, newspaper clippings, many daguerreotypes of the Melville family, and personal papers. In addition, the town of Nelson received two important Chippendale chairs made in Nelson in 1791 by Solomon Wardwell for Josiah Melville. They are now on display at the Town Offices.

Other donations to the archives include a diary written by George Osgood as a soldier in the Civil War in 1864, given by Don Whipple; a record book of School District No. 5 from 1820 to 1856 from Floppy Tolman and copies of the Grapevine, 1974-79 ; and the 1884 check list of legal voters from Karen Tolman.

Anything concerning Nelson's history or that of Town residents would be a welcome addition to the archives. Now that the room is temperature and humidity controlled, it provides safe storage. Please call me if you have things that you think might be of interest.

Respectfully submitted,  
Bert Wingerson

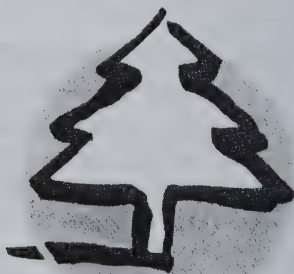

## 2001 REPORT OF THE CEMETERY BOARD

The interior road in Section 2 of the cemetery was realigned and surfaced with gravel this spring (2001), to conform to the original layout of the cemetery map. The Cemetery Sexton oversaw the work and re-seeded areas that had been disturbed. In addition, the usual maintenance, including mowing, trimming, and leaf raking was undertaken. An ongoing program of straightening headstones resulted in 14 more stones set upright.

*The Rules and Regulation of the Nelson Cemetery*, adopted by the Cemetery Board, have been printed. These regulations have been adopted for the benefit of the burial lot owners, the visitors and the community. Copies are available from the Town Clerk and a mailing to lot owners of record will be sent in the spring. A copy will be given, with the deed, to owners of each new lot sold.

There were four burials this year; 3 cremations and 1 full burial.

Respectfully submitted by: Al Struthers, Cemetery Sexton  
Bert Wingerson, Chairman, Ron Ferguson, Tricia Jones,  
Edith Notman, and Teri Upton

## THE NELSON ARTISTS' CO-OP REPORT FOR 2001

The year 2001 saw the fifth season of the Nelson Artists' Co-op Gallery, in the former Library building. We were open from the end of June until the weekend before Christmas. Thanks to our many volunteers, we were able to open on both Saturdays and Sundays this year. Our Gallery includes paintings, sculptures, pottery, weavings, jewelry and both CD's and tapes recorded by local musicians.

The Gallery is able to operate through the generous donations of members of the community, and memberships dues of our members. We wish to thank everyone who contributed and joined this year. In order to keep our exhibits new and exciting, and bring in more visitors, this year we invited artists and artisans from neighboring towns to join us as exhibitors. Expanding our membership resulted in increased visitors and sales. Our guest book lists visits by residents of 22 different states and four foreign countries. A few comments in the guest book are: "A real 'Nelson' place", "Beautiful gallery", and "A warm, wonderful, hidden treasure."

Members of the Co-op thank the good folks of Nelson for your continuing support. We hope to continue to give back to the community of Nelson. We have been able to donate money to the Nelson school for art supplies, to the Nelson Library for the purchase of art books for children, and to the Old Home Day Fund. The Co-op has purchased a membership to Boston's Museum of Fine Arts, which is available for all to use—just check it out of the Town Library. We have also set up a scholarship for a graduating senior from Keene High School, who is going on to art school. This year, we were able to give a scholarship to Sienna Merrifield Giffin to study pastels with Robert Collier. In addition to our members' art, we still offer the following for sale: Nelson T-shirts to benefit the Boy Scouts, crafts from the Ladies Aid, and note cards from Packersfield. All sales proceeds from these items go

completely to the sponsoring organization. We welcome additional artists and artisans to join us for our 2002 season.

Respectfully submitted by: The Nelson Artists' Co-op Committee: Martha Collins, Sienna Merrifield Giffin, Susan Kingsbury, Frankie Brackley Tolman and Karen Tolman.

## Librarian's Report 2001

The Olivia Rodham Memorial Library continues to serve the community. Patrons using the Library, throughout the year, numbered 3,514. Library programs, book, video and cassette circulation, the use of the periodical corner, and computer access, contribute to the active environment of the Library. The Librarian, with the help of volunteers, has developed a routine that has established a companionable Library environment.

Library patrons may use the Library connection to the Internet for information and e-mail access. You may send an e-mail to the Library for any information you may need or to renew books.

Children's programs invite the kids in the Nelson community to use the Library in an exciting way. Story hour takes place once a week after school. The focus during this program is on chapter books. This fall, our first chapter book was Newbery Honor-winner Because of Winn Dixie, by Kate Dicamillo. Every week, eight to a dozen children attend to hear the next chapters. During the summer, we continue our tradition of the summer reading program, created this year by the Librarian and volunteer Pam Tolman. The theme was *Octopi Your Mind - Read*, with parties and projects focusing on this theme. Many kids attended the two parties and 27 participated in the reading portion of the program, reading 148 books. The Friends of the Library hosted the parties, and provided refreshments. Children reaching their summer reading goal received Toadstool gift certificates, from the Friends of the Library.

Another summer tradition is the book sale on Old Home Day, hosted by the Friends of the Library. This year was a success. Thank you to everyone who donated books, tapes, CD's, and videos. You all made it possible to buy \$1,000 worth of books for the general Library collection, to be purchased in the year 2002. Donations of books can be dropped off at the Library throughout the year. The donation of time is especially needed, before, during and after Old Home Day, to organize the book sale. The annual Friends of the Library meeting was held in July.

The Nelson Library receives donations throughout

the year. Monies from Memorial Funds were used to supplement town appropriations and gifts to the library. The Henry Melville Fuller Technology Fund was used to support the Internet connection. The Nelson Artists' Co-op donated a gift of two adult passes (children can go for free) to the Boston Museum of Fine Arts. These passes may be used by Library patrons, and taken out at the Library desk. The Nelson Artists' Co-op also donated the money to buy a collection of juvenile level art books. The other donations we appreciate are the current (only the present month, please) periodicals that are dropped in our box. The periodical reading corner has two comfortable reading chairs to sit in and peruse our diverse selection of 20 monthly magazines.

Library Trustees propose to change the Library hours in June, to incorporate morning hours and to coordinate Library hours with Town Office hours. Wednesday evenings and Tuesday mornings would allow townspeople to go to the Town Offices and the Library on the same trip into town. According to a Library survey, people in Town have requested morning hours for summer use, a toddler program and a book discussion group. All these activities could be spread over the month, during a morning opening. The new hours do not increase open hours. They are as follows:

<b>Monday</b>	<b>3-7</b>
<b>Tuesday</b>	<b>10-12</b>
<b>Wednesday</b>	<b>5-8</b>
<b>Thursday</b>	<b>2-5</b>
<b>Saturday</b>	<b>9-12</b>

The Library Trustees during 2001 were Sandy Mackenzie, Toni Gleason, Gordon Peery, Dave Upton and Donna Kidd. There were 10 meetings of the Library Trustees this year. Dave Upton, Trustee and Treasurer for 10 years, will not run for reelection. We appreciate his many years of hard work and dedication in supporting the Library.

This year the volunteer hours totaled 312 hours. The following list includes most of the volunteers. If I have forgotten anyone, we thank you.

*Volunteers giving hours weekly* - Pam Tolman, Betsy Street, Betsey Church and students from the Dublin School.

*Occasional Volunteers* - Toni Gleason, Eleanor and Johanna Mackenzie, Joann Warner, Liza and Buzz Laughlin, Mary Guilbert, Rosemary Rafter, Jeff Littleton, Paul, Shauna, and Kiley Landrey, Haley and Kate Witsell, Torie Gerbis, Dana Cullen, John Taylor Maule, Ann Church, Libby Demartelly, Alex Mednick, Martha Collins, Dave Birchenough, and Hilary Wilson.

*Story Hour Program* - Val Van Meier

*Flowers* - Pam Tolman

*Computer Maintenance* - Terry Mednick

*Web Page* - Beth Williams

## MEMORIAL DAY CEREMONY REPORT 2001

On Sunday, May 27, 2001 Veterans from Nelson and across the country were honored and remembered. Beginning at 11:30, The Nelson Town Band began playing patriotic and marching selections, as people of all ages began to gather in Nelson Village. The parade was led by Veteran William A. Riley and Rev. Dawn Garrett-Larsen, followed by the Scouts, the Band, the fire truck and many spectators, who waved American flags as they marched around the Common. Before marching up the hill to the Nelson Village Cemetery, marchers halted in front of each War Memorial Monument, where Scouts placed geraniums. The Scouts distributed geraniums on Veteran's graves as the sounds of "America The Beautiful" echoed across the cemetery. Reverend Dawn Garrett-Larsen offered words in memory and honor of the men and women who have served and are serving our country. "The Star Spangled Banner" was played, followed by a rifle salute and "Taps." As everyone marched down to the Common, it was a time for reflection for all those who serve our country past and present.

Respectfully submitted,  
Kathy Blaudschun

## NELSON OLD HOME DAY WEEK REPORT 2001

Nelson Old Home Week 2001 began Sunday August 5th through Saturday the 11th. Held a week earlier than the traditional date, due to a scheduling conflict, it was the 123rd year celebrating Nelson Old Home Day. The weather cooperated and gave us wonderful sunshine and warm temperatures for the weekly activities.

The many events that were scheduled were:  
Old Home Sunday Worship Service at the Nelson  
Congregational Church  
Monday Night Contra Dance  
Nelson Ladies' Aid Summer Sale and Luncheon  
Friends of the Olivia Rodham Library Meeting  
Apple Hill Evening Concert  
Packersfield Ham & Bean Supper

Saturday activities started with the ever-so-popular games on the Common for all ages, the bike race, and marathon. At noon, everyone gathered on the Church lawn with their picnic lunches or chicken BBQ dinners, prepared by members of the Nelson Congregational Church. Everyone ate to the listening enjoyment of The Nelson Town Band. The concert was followed by a brief Old Home Week Committee Report and the presentation of ribbons to the winners of the morning games. Our guest speakers were our very own Nelson residents, Bob and Loren Jones. They spoke about their Father and Son motorcycle trip across country in July. They shared the best and worst experiences, how their relationship grew from the adventures of their travels and answered many questions from the audience. They displayed a wonderful poster with pictures and a map showing the route of their travels. They were able to catch the interest of young and old alike, and their appearance was enjoyed by all. The Fire Department's water-ball game was a "hit" with the youth, a real cooling experience. The softball game at Eagle Field concluded the afternoon activities.

The evening's entertainment was organized by Geoff Williams, with a format of an open mike of musical talents from folk singers to the sounds of "rock" by the musicians, Geoff Williams and Loren Jones. The Committee wishes to thank the many Nelson organizations and individuals who contribute to the success of the Nelson Old Home Week Celebration.

Nelson Old Home Week Committee

## THE GRANITE LAKE ASSOCIATION REPORT 2001

The annual meeting of the Granite Lake District began on July 8, 2001 for the purpose of electing officers for the coming year and to act on the following articles:

#1 To choose one commissioner for a term of three years, and to see whether the inhabitants of the district will elect for the offices of Clerk, Sally Ripley; Moderator, John Halter; and Treasurer Tom Yocono, each for a one year term. Kevin Robbins was nominated for commissioner. *The motion was appropriately moved and seconded. The vote was affirmative.*

#2 To see if the district will vote to authorize the commissioners to borrow in anticipation of taxes. *The motion was appropriately moved and seconded. The vote was affirmative.*

#3 To see if the district will raise and appropriate the sum of \$350.00 to defray village district expenses for the ensuing year and make appropriations of same. *The motion was appropriately moved and seconded. The vote was affirmative.*

#4 To see if the district will raise and appropriate the sum of \$750 to purchase liability insurance to cover the district. *The motion was appropriately moved and seconded. The vote was affirmative.*

#5 To see if the district will raise and appropriate the sum of \$500.00 to add to the Capital Reserve Fund for dam maintenance and repair. *The motion was appropriately moved and seconded. The vote was affirmative.*

#6 To see whether the district will accept funds from the Granite Lake Association and from any other source for the purpose of maintaining, repairing and replacing the dam. *The motion was appropriately moved and seconded. The vote was affirmative.*

#7 To see if the district will schedule its annual meeting directly following the Granite Lake Association meeting in July, 2002. *The motion was appropriately moved and seconded. The vote was affirmative.*

There was a proposal to transfer \$2500.00 from the checking account to a money market account. *The motion was appropriately moved and seconded. The vote was affirmative.*

Repair of the dam will take place this fall, to clean up leaks in the dam gate that was replaced last fall. Continued leakage led to a proposal by Tom Yocono, to see if Troy Tucker can come up with a new design to correct the problem, and then submit a contractual agreement for the commissioners by August 31, 2001. If not, the proposal allows the district to contact some other source. *The motion was appropriately moved and seconded. The vote was affirmative.*

The meeting adjourned at 1:50PM.

Respectfully submitted by,  
Sally Ripley, Clerk

NELSON, NH  
TOWN MEETING MINUTES - MARCH 13, 2001

1.) *To choose necessary Town Officers for the year ensuing.* Ethan Tolman opened the Town Meeting promptly at 11:00AM, to accommodate advertising notices as posted. Mr. Tolman requested a motion to waive the reading of the warrant in its' entirety. A motion was made, seconded and approved unanimously. At this time, Article 1 was read and the polls were declared open. It was a cold, overcast day, overhung with the threat of sleet and freezing rain. The turnout was light but steady, with a total of 197 votes cast including two new registered voters, bringing the total number of registered voters to 504. The Moderator, Ethan Tolman declared the polls closed at 8:05PM. The officers elected are as follows:

SELECTMAN (3 YEARS)

Jane S. Kirk

SELECTMAN (1 YEAR)

John Bunce

TAX COLLECTOR

Theresa Upton

ROAD AGENT

Michael Tarr

POLICE OFFICER

Write-ins

Richard Lothrop

Eb Tolman

FIRE CHIEF

Richard Lothrop

SEXTON

George Warner, Sr.

TOWN CLERK

Theresa Upton

TREASURER

Terry Mednick

CEMETERY BOARD

Roberta Wingerson

AUDITOR

Richard Lothrop

MODERATOR

Ethan Tolman

ROAD EQUIPMENT COMMITTEE

Robert A. Jones

PLANNING BOARD MEMBER

Thomas B. Newcombe

ZONING BOARD OF ADJUSTMENT

Michael Blaudschun

TRUSTEE OF TRUST FUNDS

Patricia Jones

TRUSTEE OF THE LIBRARY

Weslie Mackenzie

Donna C. Kidd

EMERGENCY MANAGEMENT OFFICER

Richard Lothrop

Moderator Ethan Tolman called the business portion of the meeting to order at 7:00PM.

Prior to the reading of warrant articles, David Beeker, Scoutmaster, and the Scouts in attendance presented the Scout color flag, and lead those in attendance in reciting the Pledge of Allegiance to the Flag. Moderator Ethan Tolman announced that the Scouts have refreshments available in the foyer, and that a donation cup is available to help to defray the cost of construction of two new voter booths, in use this day. These booths were constructed by Gabriel Giacomo, as his Eagle Scout project.

Mr. Tolman introduced State Representative, Peter Allen, and permission was granted allowing him to address the meeting. Mr. Allen spoke on the difficulty the State continues to have in

resolving the school funding issue, and requested support from Nelson townspeople to seek long-term solutions to this issue. Mr. Allen urged Nelson residents to seek his help on any topic they wish to see addressed.

Moderator Ethan Tolman explained that we are using a microphone system for the first time this year, as an aid to those in the back, who either wish to address the body, or hear what is being said by those at the other end of the hall. Ethan explained how the system should be used by anyone wishing to speak to an issue.

Article 2.) *To see if the Town will vote to raise and appropriate the sum of \$134,275 to defray Town Charges for the year ensuing. The Selectmen recommend this appropriation. (The 2000 appropriation was \$121,829).* It was moved and seconded to accept the article as read. It was noted by David Birchenough that the increases in this article seem to be due to the reassessment of property, and questioned why costs continue. Jane Kirk, Selectman responded, explaining that the revaluation process is not completed, and the line item increases will cover any necessary assessments, legal expenses, and abatement costs which may result from the Town-wide revaluation. The article was approved by majority voice vote.

Article 3.) *To see if the Town will vote to modify the elderly exemptions from property tax based on the assessed value, for qualified tax payers, to be as follows: for a person 65 years of age up to 75 years of age, \$25,000; for a person 75 years of age up to 80 years, \$37,500; for a person 80*

years of age or older, \$50,000. To qualify, the person must have been a New Hampshire resident for at least 5 years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$20,400 or, if married, a combined net income of less than \$30,400. The taxpayer cannot have assets of more than \$35,500. The Selectmen recommend this appropriation. The article was moved and seconded as read. Discussion centered on the income levels being used. As a result of discussion from the floor relative to this question, Richard Church urged passage of the article as presented and recommended that the Selectmen review the income levels being used, with an article on next year's warrant to make any adjustments needed. The article was approved unanimously by voice vote.

Article 4.) *To see if the Town will vote to raise and appropriate the sum of \$3,500 to purchase a used Minolta copier model C355 with a 5 year guarantee. The Selectmen recommend this appropriation.* The article was moved and seconded as read. With little discussion, the article was passed unanimously by voice vote.

Article 5.) *To see if the Town will vote to raise and appropriate the sum of \$15,608 for support of the Town Library. The Selectmen recommend this appropriation. (The 1999 appropriation was \$13,875.)* A motion was made and seconded to approve the article as read. David Upton spoke to the article and explained the budgetary changes. At this time, it was noted by David Birchenough that the Library Financial report and several other reports were not included

in the Town Report. Jane Kirk, Selectman apologized for the omissions. The meeting went on to approve Article 5 unanimously by voice vote.

Article 6.) *To see if the Town will vote to raise and appropriate the sum of \$2,636 in support of social service agencies which provide assistance to Nelson residents. The agencies chosen to receive funds are: Home Health care (\$550), Monadnock Family Services (\$586), The Keene Community Kitchen, Inc. (\$1,000), and Southwestern Community Services (\$500). The Selectmen recommend this appropriation. (In 2000 these agencies were voted to receive contributions from the Town in the amount of \$1,607.)* The article was moved and seconded as presented. Jane Kirk, Selectman explained the increase in the appropriation. Discussion focused on the issue of addresses, and whether or not agencies really know where people actually reside. Jane Kirk assured the meeting that the Selectmen have addressed this issue, and that the information on the number of Nelson residents receiving services is accurate. The article was approved by unanimous voice vote.

Article 7.) *To see if the Town will vote to raise and appropriate the sum of \$2,000 to be added to the Town Buildings Capital Reserve Fund. No withdrawals may be made from the fund except by vote of the Town. The Selectmen recommend this appropriation. (The 2000 appropriation was \$2,000). The Fund balance on 12/31/00 was \$5,213.17.)* The article was moved and seconded as read. There was no discussion, and the article was unanimously approved by voice vote.

Article 8.) *To see if the Town will vote to raise and appropriate the sum of \$13,000 for reroofing the*

*Old Brick Schoolhouse. The Selectmen recommend this appropriation.* The article was moved and seconded as read. After some discussion surrounding the work to be done, the article was approved unanimously by voice vote.

Article 9.) *To see if the town will vote to raise and appropriate the sum of \$15,000 for repairs to the Town Barn. Labor for this project shall be paid from the general highway budget (Article #18). The Selectmen recommend this appropriation.* Selectman John Bunce explained what work needs to be done: put in a cement floor, tighten up the building, and insulate so that three stalls can be heated to a temperature high enough to keep the sanders from freezing. At this time, John brought up the possibility of using a waste oil heater to help heat the building. It was noted that this is where the new Fire Pumper will be housed. After some discussion on whether money should continue to be put into this building, which years ago was ready to be condemned, the article passed on majority voice vote.

Article 10.) *To see if the Town will vote to raise and appropriate the sum of \$645 for dues to belong to the Southwest Regional Planning Commission. The Selectmen recommend this appropriation. (The 2000 appropriation was \$636.)* The article was moved and seconded as read. There was no discussion and the article, passed unanimously by voice vote.

It being 8:05PM, the Moderator, Ethan Tolman, closed the polls. Ethan also recognized John B. Wright in his capacity as Assistant Moderator for this evening's meeting.

Article 11.) *To see if the Town will vote to raise and appropriate the sum of \$4,500 as a subsidy*

for ambulance service for the ensuing year, it being understood that residents will still be charged for individual calls. This sum represents payment for 5 quarters. The City of Keene has not yet billed for the 4<sup>th</sup> quarter of 2000. The Selectmen recommend this appropriation. (The appropriation for 2000 was \$4,375.) The article was moved and seconded as read. There was no discussion, and the article was passed unanimously by voice vote.

Article 12.) *To see if the Town will vote for the Fire Chief position to be an appointed position not an elected position. This will become effective at the March 2002 Town election. The Selectmen recommend this article.* The article was moved and seconded as presented. The Moderator, Ethan Tolman, noted that there are three articles on the warrant to appoint positions rather than elect. Ethan suggested Articles #12 and #14 be tabled after discussion until after discussion on article #17. At that time, there will be a written ballot where the voters will vote on all three articles at the same time. This suggestion was accepted with favor. After some discussion, David Birchenough made a motion to table Article #12 until after discussion on Article #17. The motion was seconded and passed unanimously by voice vote.

Article 13.) *To see if the Town will vote to raise and appropriate the sum of \$8,000 for the proper expenses of the Fire Department and Rescue Squad. The Selectmen recommend this appropriation. (The 2000 appropriation was \$8,000.)* The article was moved and seconded as read. Rick Lothrop, Fire Chief addressed the article and explained that it is a maintenance budget only. Karen Tolman said that Mr. Lothrop is one of the Town's greatest gifts. At this, there was a hearty round of applause. The

Moderator called for the vote, and the article was passed unanimously by voice vote.

Article 14.) *To see if the Town will vote for the Police Officer position to be an appointed position not an elected position. This will become effective at the March 2002 Town election. The Selectmen recommend this article.* The article was moved and seconded as read. After some discussion, a motion was made to table this article until after discussion on Article #17. The motion was seconded and passed unanimously by voice vote.

Article 15.) *To see if the Town will vote to raise and appropriate the sum of \$13,500 for the proper expenses of the Police Department. The Selectmen recommend this appropriation. (The 2000 appropriation was \$6,500.)* Frank Upton offered an amendment to *lower the amount of this article from \$13,500 to \$6,500.* The motion was seconded and discussion ensued. John Bly, Police Chief, spoke to the issue and explained what his goals are for service to Nelson residents and what the budget as proposed will accomplish. There was a round of applause for John's presentation. The amendment to Article #15 lost by vote. Barry Tolman proposed a second amendment to *house the police cruiser in the Town of Nelson and that the cruiser leave the Town for Nelson Town business only.* The amendment was seconded. After some discussion, the amendment lost by voice vote. The meeting then went on to pass Article #15 as originally proposed by majority voice vote.

Article 16.) *To see if the Town will vote to raise and appropriate the sum of \$7,375 for the fourth year's payment for the police vehicle. The Selectmen recommend this appropriation.* The

article was moved and seconded as presented. There was no discussion and the article passed unanimously by voice vote.

Article 17.) *To see if the Town will vote for the Road Agent position to be an appointed position, not an elected position. This will become effective at the March 2002 Town election. The Selectmen recommend this article.* The article was moved and seconded as presented. There was no discussion, and the article moved to written ballot.

Written ballot results:

Article #12	YES 84	NO 7
Article #14	YES 85	NO 6
Article #17	YES 78	NO 13

Article 18.) *To see if the Town will vote to raise and appropriate the sum of \$161,000 for the maintenance of highways and bridges for the ensuing year budget. The Selectmen recommend this appropriation.* The article was moved and seconded as read. John Bunce, Selectman addressed the article and explained the budgetary reporting differences and the increase in the benefits package. After some discussion, the article passed on unanimous voice vote.

Article 19.) *To see if the Town will vote to raise and appropriate the sum of \$8,365 for the fourth year's payment for the highway one ton dump truck. The Selectmen recommend this appropriation.* The article was moved and seconded as read. Mr. Bunce, Selectman, explained that this is the last payment on that truck. The article passed unanimously by voice vote.

Article 20.) *To see if the Town will vote to raise and appropriate the sum of \$10,000 to be added*

*to the Road Equipment Capital Reserve Fund. It is understood that no withdrawals may be made from this fund for the purchase of road equipment except by vote of the Town and upon recommendation of the Road Equipment Committee. The Road Equipment Committee (which includes the Selectmen) recommends this appropriation. (The 2000 appropriation was \$10,000. The Fund balance on 12/31/2000 was \$17,946.43.)* The article was moved and seconded as read. There was no discussion and the article passed by unanimous voice vote.

Article 21.) *To see if the Town will vote to raise and appropriate the sum of \$30,000 for the necessary paving and sealing project consisting of 2,800 feet from Old Route 9 to Lehi Lane. Labor for this project shall be paid from the general highway budget (Article #18). The Selectmen recommend this appropriation.* The article was moved and seconded as read. John Bunce, Selectman, and Mike Tarr, Road Agent, addressed the article. The discussion focused on just what work will be done to improve the road and how that work will affect homeowners. After some discussion, the article was approved unanimously by voice vote.

Article 22.) *To transact any other business or discuss other warrant proposals as may legally be brought before the meeting.* Upon movement of the article, items of note are as follows:

John B. Wright, representing the Conservation Committee, invited townspeople to a Planning Board Meeting on April 12, 2001 at 7PM where the Conservation Commission will present a copy of the Town of Nelson Priority Conservation Plan. Rick Van de Poll of Antioch NE Graduate School compiled this report, with assistance from Mr. Chris Horne and Mr. Jeffrey Littleton of Antioch

NE Graduate School. John indicated that there will be a copy of this report on file in the Library. The Selectmen will also have a copy available for reference.

Jane Kirk, Selectman, presented Community Service Awards to:

1. **Jacob Jarvela**, a junior at Colby Sawyer College, who designed this years' cover for the Town Report.
2. **David Birchenough**, in recognition of his tenure as Selectman, and for his continued work as liaison for the installation 911 housing numbers. In response to a request for an update on this process, David indicated that work is in the final phase, and hopefully in May, the process will be complete.
3. **Roberta Wingerson**, Archivist and Conservation Committee, Cemetery Board, for outstanding community service, and she received a standing ovation.

Each were presented with a framed copy of the 2000 Annual Report, and a copy of J.A. French's *Cheshire County*, autographed by Alan Rumrill.

Upon request, the Notice of Recognition by Nelson Selectmen of two Nelson Scouts, who achieved the rank Eagle Scout, was read. The two newest Nelson Eagle Scouts are Michael Giacomo and Thomas Jarvela.

In response to a request as to why Center Pond access is not kept open, Road Agent Mike Tarr stated that fire access is obtained at the foot of French's Hill.

Motion to adjourn was accepted and the meeting ended at 9:45PM

Respectfully submitted,  
Theresa M. Upton, Town Clerk

## COMPLIANCE STATEMENT

This school district receives federal financial assistance. In order to continue receiving such federal financial assistance, this school district will not discriminate in their educational programs, activities or employment practices on the basis of race, language, sex, age, or handicapping condition, under the provisions of Title IX of the 1972 Educational Amendments; Section 504 of the Rehabilitation Act of 1973.

Complaints regarding compliance with Title IX regulations should be submitted in writing to the Title IX liaison for School Administrative Unit 29, the Personnel Manager, 34 West Street, Keene, New Hampshire.

Complaints regarding compliance with Rehabilitation Act of 1973 - Section 504 should be submitted in writing to the Director of Special Education, 34 West Street, Keene, New Hampshire.

*Phillip G. McCormack, Ed.D.  
Superintendent of Schools*

## SCHOOL WARRANT

To the inhabitants of the school district in the Town of Nelson qualified to vote in District affairs:

You are hereby notified to meet at the Nelson Town Hall in said District on the 8th day of March, 2002, at 3:00 O'Clock in the afternoon to bring in your votes for the election of school district officers. The polls will open not later than 3:00 p.m., and will remain open for not less than five hours.

ARTICLE 1: To choose all necessary school district officers:

- A member of the school board for the ensuing three years
- A moderator for the ensuing year
- A clerk for the ensuing year
- A treasurer for the ensuing year from July 1, 2002

Given under our hands at said Nelson, this 13th day of February, 2002.

*Susan M. Peery, Chair  
Kelly M. French  
Glenn A. Stan*

# STATE OF NEW HAMPSHIRE

## SCHOOL WARRANT

To the inhabitants of the school district in the Town of Nelson qualified to vote in District affairs:

You are hereby notified to meet at the Nelson Town Hall in said District on the 8th day of March, 2002, at 7:00 p.m. to act upon the following articles:

ARTICLE 1: To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

ARTICLE 2: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto.

ARTICLE 3: To see if the District will appropriate and authorize the School Board to transfer up to \$20,000 of its unencumbered funds, if any, remaining on hand at the end of fiscal year, June 30, 2002, to the Capital Reserve Fund established by the voters of the District at the March, 1972, District Meeting for the purpose of construction/reconstruction of buildings and/or purchase of equipment, and/or the acquisition of land for school purposes, or to take any other action in relation thereto. *(The Nelson School Board recommends favorable action on this warrant article.)*

ARTICLE 4: To see if the District will appropriate and authorize the School Board to transfer up to \$15,000 of its unencumbered funds, if any, remaining on hand at the end of fiscal year, June 30, 2002, to the High School/Middle School Tuition Fund established by the voters on March 5, 1999, for the purpose of paying future year high school/middle school tuitions, or to take any other action in relation thereto. If there is an insufficient, undesignated fund balance as of June 30, 2002 to fund this appropriation and the appropriation in Article 3 (capital reserve transfer), Article 3 will be funded first, with any additional surplus to be applied to this warrant article. *(The Nelson School Board recommends favorable action on this warrant article.)*

ARTICLE 5: To transact any other business which may legally come before this meeting.

Given under our hands at said Nelson, this 13th day of February, 2002.

# NELSON SCHOOL DISTRICT MEETING

## MARCH 9, 2001

The meeting was called to order at 7:00 p.m. by Ethan Tolman, Moderator, on Friday, March 9, 2001, in the Nelson Town Hall. In attendance from School Administrative Unit 29 were: Dr. Phillip G. McCormack, Superintendent of Schools, Thomas J. Kane, Assistant Superintendent of Schools, and John Harper, Business Manager for SAU 29. Approximately 35 citizens of the Town of Nelson were also in attendance.

Article 1: To hear the reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.

It was moved and seconded that the District receive the reports of agents, auditors, committees and officers chosen as printed in the annual report. The article passed by voice vote.

Article 2: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District.

It was moved and seconded that the District raise and appropriate the sum of \$1,136,680.00 for the support of schools, for the salaries of school district officials and agents, and for the statutory obligations of the District. Susan Peery, School Board Chair, explained the budget. After some discussion and recognition of Hope Lothrop, who has served as School District Treasurer since 1978, the article passed by voice vote.

Article 3: To see if the District will vote to raise and appropriate the sum of \$3,640.00 to allow the grade five and six students of Nelson School to attend environmental camp.

It was moved and seconded the the District raise and appropriate the sum of \$3,640.00 to allow grade five and six students of Nelson School to attend environmental camp. Kelly French explained the article and the article passed by voice vote.

Article 4: To see if the District will vote to raise and appropriate the sum of \$14,256.00 for reconstruction work at Nelson School and to authorize the withdrawal of said \$14,256.00 from the Capital Reserve Fund established by the voters of the District at the March, 1972 District Meeting for the purpose of construction/reconstruction of buildings and/or purchase of equipment, and/or the acquisition of land for school purposes, or to take any other action in relation thereto.

It was moved and seconded that the District raise and appropriate the sum of \$14,256.00 for reconstruction work at Nelson School and to authorize the withdrawal of said \$14,256.00 from the Capital Reserve Fund established by the voters of the District at the March, 1972 District Meeting for the purpose of construction/ reconstruction of buildings and/ or purchase of equipment and/or the acquisition of land for school purposes. Glenn Stan explained the plan for improvements to the Nelson School to include painting, rewiring, replacements of floors in bathrooms, replacements of carpeting and some flooring in two classrooms, replacement of steps, and other improvements to increase security in the building. The article passed by voice vote.

Article 5: To see if the District will vote to raise and appropriate the sum of \$5,000.00 for deposit in the Capital Reserve Fund established by the voters of the District at the March, 1972 District Meeting for the purpose of construction/reconstruction of buildings and/or purchase of equipment, and/or the acquisition of land for school purposes.

It was moved and seconded that the District raise and appropriate the sum of \$5,000.00 for deposit in the Capital Reserve Fund established by the voters of the District at the March, 1972 District Meeting for the purpose of construction/reconstruction of buildings and/or purchase of equipment, and/or the acquisition of land for school purposes. The article passed by voice vote.

Article 6: To see if the District will appropriate and authorize the School Board to transfer up to \$10,000.00 of its unencumbered funds, if any, remaining on hand at the end of fiscal year, June 30, 2001, to the High School/Middle School Tuition Fund established by the voters on March 5, 1999, for the purpose of paying future year high school/middle school tuitions.

It was moved and seconded that the District appropriate and authorize the School Board to transfer up to \$10,000.00 of its unencumbered funds, if any, remaining on hand at the end of fiscal year, June 30, 2001, to the High School/Middle School Tuition Fund established by the voters on March 5, 1999, for the purpose of paying future high school/middle school tuitions. Kelly French explained the article and the article passed by voice vote.

Article 7: To transact any other business which may legally come before this meeting.

Jane Kirk thanked the School Board for a job well done and John Harper for his continuing work as Business Manager. It was moved and seconded that the meeting be adjourned. The motion passed by voice vote. The meeting was adjourned at 8:15 p.m.

### **Voting For Elected Officials March 9, 2001**

Katharine Schillemat, Acting Moderator, declared the polls open at 3:00 p.m. to choose all necessary school district officers.

Ethan Tolman, Moderator, declared the polls closed at 8:00 p.m.

Results of the voting were as follows:

Member of the School Board for the ensuing three years: Kelly French

Moderator for the ensuing year: Ethan Tolman

Clerk for the ensuing year: Katharine Schillemat

Treasurer for the ensuing year from July 1, 2001: Hope Lothrop

Respectfully submitted,

*Katharine Schillemat*, Clerk  
Nelson School District

## ADMINISTRATIVE REPORT

Progress continues to be made in areas that have been identified by the staff and Nelson School Board that will reinforce the staff's efforts toward continued school improvement. Areas that have received considerable attention this year include instructional practices at the school, school safety, and community involvement.

As has become characteristic of the Nelson staff, an effort to review and assess the effectiveness of current instructional practices and the instructional program at the school is clearly evident. The staff has worked closely with its reading consultant to assess individual students' performance in reading. Information generated from this initiative has helped the staff develop and implement teaching strategies that are responsive to students' learning styles and needs. The coordination of teaching strategies and learning activities with state frameworks is one way in which the staff has worked to improve instruction and student performance in writing.

Relying on thematic units of study, combined with bringing outside sources into the school to enhance student learning, continues to prove beneficial and productive. The use of a professional storyteller (funded through a federal grant), area resources and community people, as well as attendance at a theatrical presentation have provided students with relevant and highly motivational learning opportunities.

The way in which the staff plans and works together greatly enhances the learning environment at the school. The continuity of program, shared focus on school improvement efforts, internal communication relative to student performance, and shared decision making are variables that continue to have a positive impact on the climate at the school and the overall success of the students. I commend the staff's commitment to the students and the community.

Review of student performance on the state-mandated testing program (NHEIAP) again shows Nelson students performing quite well. Scores for third graders taking the test show 50 percent of the students scoring at the Proficient or better level, and 90 percent at the Basic or better level in language arts. This is significantly better than the state average (38 percent and 72 percent, respectively). Similar scores are found in mathematics with 90 percent scoring at both the Proficient and Basic levels or better (as compared to the state average of 39 percent and 79 percent, respectively). At the sixth grade level, the students exceeded the state average for students scoring at the Proficient level or better in language arts, mathematics and science. Their scores exceeded the state averages for students scoring at the Basic level or better in all areas tested -- language arts, mathematics, science and social studies. Although students did well on these tests, it is important to note that the small number of students taking the test in Nelson can significantly skew the results one way or the other.

Nelson's students at the high school also continue to perform consistently well. The overall grade point average (GPA) for last year's students at the high school was 2.80 (approximately a 'B-' average). Relative areas of strength include English, science and world language. Students at the high school performed well in advanced level classes -- 8 out of the 9 students taking honors level or Advanced Placement classes in science earned a grade of 'B' or better; 8 of 10 students earned a grade of 'B' or better in honors level math classes; and 16 of 17 students earned a grade of 'B' or better in honors level English classes.

With regard to the facility, the Board and staff have focused attention on maintenance and safety. Over the summer, badly-needed renovations to the boys' and girls' bathrooms were completed. Ongoing assessment of facility-related needs indicates issues related to heating, replacement of carpeting and roofing will need attention in the near future. The staff has responded in a very serious manner to issues regarding safety and security. With the support of the school board and community, several initiatives were undertaken to improve safety. Some of these include the installation of: (1) telephones in the classrooms that allow for internal communication; (2) a buzzer system which monitors and controls entrance into the building; and (3) window curtains that enhance classroom security.

The school board and staff adopted a goal related to the "use of community resources to enhance academic and social curriculum learning" this year. Community support and involvement -- rather it be in the form of group support (e.g., Packersfield) of school activities, community member involvement in classroom activities, or community input at school board meetings -- have all contributed positively to what has or will happen at the school. This level of support is greatly appreciated by the staff. I encourage you to contact the school if you would like to volunteer or just observe what is happening. Most importantly, please notify the staff if you have concerns that need to be addressed.

Please plan to attend the annual district meeting on Friday, March 8, at 7:00 p.m. in the Town Hall. This will be your opportunity to discuss and act on the proposed 2002-2003 school budget and requests to transfer surplus funds (if any remain) to a Capital Reserve Fund (established in 1972) or to an Expendable Tuition Fund established in 1999.

*Phillip G. McCormack, Ed.D.  
Superintendent of Schools*

# NELSON STAFF REPORT

The Nelson School welcomed 55 students this school year. Our current staff consists of four full-time and one part-time teacher. Amy Hathaway returned as our half-time kindergarten teacher, and Cindy Benner returned as our readiness/first/second grade teacher. Karen Almdale returned as our third/fourth grade teacher, and Marta Nielson joined us as our fifth/sixth grade teacher for this school year, replacing Nolan Kitfield who is on a one-year sabbatical with Keene State College. Paula Demmons returned as our inclusion teacher in the fall, but took a maternity leave in December for the second half of the year. We were very fortunate to hire Matt Harris as our inclusion teacher for the rest of this school year.

Other returning staff include Natalie Germeroth as secretary, Linda LaMothe as art teacher, Trisha Jones as school nurse and health teacher, Marie-Elise Reilly as French teacher, Deb Hrdlicka as school counselor, Hannah Adams as physical therapist, and Karen Brunjes as speech/language therapist.

Kristen Lewis joined us this year as our inclusion assistant and is working with students in several classrooms. Jennifer Walter is our new physical education teacher, and we welcomed Melinda Belden back as our music teacher.

Three of our classroom teachers continue to serve as the school's management team which works very closely with the Nelson School Board (Susan Peery, Chairperson; Kelly French; and Glen Stan) and SAU personnel, Phil McCormack (Superintendent), and Tom Kane and Barbara Tremblay (Assistant Superintendents).

Our Fall all-school theme for this school year was *Immigration* which took students and teachers from far away countries through the immigration process to come to America. Our study included an actual reenactment of the Ellis Island process with students portraying processors and immigrants. We were also fortunate enough to attend a performance of "Ellis Island", an educational musical presentation in Concord, as part of our study. As usual, our December school concert featured many songs with an immigration theme and was very successful. Our Spring theme begins in January with a study of civil rights and moves into the Civil War era for the rest of the year.

Once again this year, we are very happy and excited to have the assistance of the Harris Center in providing excellent hands-on science experiences for the students and teachers. This year's themes include studies of insects (K), chipmunks and bird migration (1/2), bears (3/4) and vernal pools (5/6). Third and fourth graders will be going on a bear watch this month to explore areas around the school grounds that might be suitable for bear habitat! Fifth and sixth graders will be getting hands-on experience by spending three afternoons this spring in the woods exploring three obligate species that live in vernal pools. These units provide several weeks of intense lessons in each classroom which tie into our science curricula.

Teacher-generated, grade-level academic goals and objectives are coordinated with SAU curricula and state frameworks. These provide the structure for academic planning, instruction and evaluation. Reporting takes place on a triennial basis, with objective checklists and narratives sent home in December, February and June. Parents have the opportunity to meet with teachers for conferences in December and again in June for a portfolio conference. At that time, students attend and have the opportunity to share with parents work they've done throughout the year that reflects skill mastery, challenge and progressive learning. Teachers and parents may meet at other times during the year, if necessary, to discuss student progress.

Classrooms K-6 continue to implement literature/theme-based reading programs, with an emphasis on the whole reading process. At the early levels, programs emphasize phonemic awareness, decoding, sight word recognition, vocabulary and comprehension. At the upper levels, students' reading programs become more individualized to reflect personal reading preferences. Students continue to work toward their grade level reading objectives which focus more on higher order thinking skills and vocabulary. Both reading comprehension and knowledge of literary elements and genre are emphasized. Upper grades integrate reading with theme-based social studies, history and geography. In kindergarten through grade 6 students have experience reading a variety of genres which is reflected in book choices and writing.

The writing process, another integral part of our language arts program from kindergarten through grade 6, results in many published works throughout the school year. Students are given many opportunities to write short, directed pieces (to describe, to instruct, to reflect an opinion, to summarize, etc.). The upper grades become familiar with writing reports, essays, and other forms of formal writing. Incorporating the above processes with a strong sight-word based spelling program and grade appropriate skills instruction has resulted in a comprehensive language arts program which, with modifications for individual needs, provides a balanced program for each student.

We continue to implement the Everyday Math program school-wide. This is a very challenging math program which emphasizes thinking and problem solving rather than rote learning. The spiral curriculum allows concepts and processes to be continually brought back to the students' awareness throughout each year's program and built upon throughout the K-6 curriculum. We've seen our students' interest and confidence in math increase as they move through the grades and, in general, our graduating sixth graders are very prepared for middle school math programs.

Nelson School started the year on a very up-beat note by welcoming storyteller Eshu Bumpus. Eshu was here for an extended time to teach large and small group lessons on storytelling and story writing. It was a fantastic experience for the entire school, teachers and students alike. Each student wrote at least one adventure story involving a variety of imaginary characters. Students learned to be creative, imaginative, and to take risks with their writing. At the end of the residency, Eshu provided a family night for parents to come to school and experience great storytelling and also to hear samples of their children's writing.

Nelson School has always put an emphasis on all-school community development. We continue to use our Monday morning All-School Blocks for multi-grade reading buddies, and for our annual Winter Reading Incentive program where students "earn" new books for the school by reading a variety of genres within a six-week block of time. Money for the books is contributed by our parent organization. Later in the year this block of time will be used for multi-age groups to prepare for our end-of-the-year celebration of our study of civil rights and the Civil War. This is a wonderful opportunity for all students to get to know each other, share information, and practice social skills.

As a way of reaching out to the larger community, in collaboration with Cedarcrest School in Keene, our students created artwork for the school and for individual students. Information about what students liked was gathered from the school and Nelson students drew/painted/constructed artwork for each child. We then went as a whole school to Cedarcrest and presented the artwork to the staff and students. We also sang songs for them and were taken on a tour of the school. It was a great way for Nelson students to become more involved with a larger community outside of Nelson. We hope to be able to interact with Cedarcrest again in the future.

As usual, our community involvement has been wonderful. Nelson parents and community members continue to come through when we need them. It's an aspect of the Nelson community that continues to be invaluable. Several parents have become "regulars" in particular classrooms and students look forward to them coming and sharing information and/or helping them with a task. Other individuals support the school in different ways, such as volunteering to assist at lunch and recess times, and helping with head lice checks. Our parent organization, Packersfield, is consistently involved in school activities, providing not only financial support, but hands-on support to the children and teachers of the school.

Nelson School is a great place and we thank our support and specialist staffs, community members, school board members, parents, and all others who have helped make it a great place to teach and learn. Together we really make a difference for the children of Nelson.

*Karen Almdale  
Cynthia Benner  
Amy Hathaway*

# CHAIR REPORT

This year, the money raised by our school district budget is educating 53 students at Nelson School and 66 students in middle and high school in Keene. For the next school year, we are anticipating a slight increase in Nelson School students (56 at last count) and a slight decrease in tuitions paid to Keene (we are budgeting for 57 regular and special education students). Our big "bubble" class of 15 (which once numbered 18) will be freshmen at Keene High this fall.

It's been about ten years since our school building was expanded and renovated, and we are starting to see a few typical maintenance problems that come with age. (We can all relate personally to this condition!) The school board and staff are paying close attention to the roof, the heating system, and other potential problem areas. We are also continuing our policy of regularly replacing worn furniture, rugs, and equipment so that there is a steady cycle and not a huge expense in any one year. We are asking voters to approve taking \$20,000 out of an anticipated surplus and assigning it to our capital reserve fund, which was established in 1972 as a savings account for building, renovation, and similar uses.

In addition to our monthly meetings, the school board met with the Nelson School staff and SAU administrators for two half-day retreats to consider long-term goals and "big picture" issues at the school. These discussions are valuable not only in identifying critical issues and discussing good solutions, but in helping us all to work as a team for the benefit of the children in our school district.

School board members also regularly attend SAU-wide meetings, as well as some of the Keene Board of Education committee meetings. We participate in discussions involving SAU-wide curriculum issues, SAU staffing issues, and policies and practices that involve our students at the middle school and high school.

The school board enjoys an open and cooperative relationship with the Nelson School staff, and it supports their tireless efforts to make our elementary school a place of excellence. The mission statement for our school -- *The mission of Nelson School is to instill strength of spirit and ignite a love of learning* -- is one we all believe in and strive to implement.

The support of the community is critical to the success of the school. This includes parents, grandparents, neighbors, bus drivers, people who volunteer in the classroom, people who donate equipment to the school, people who buy all that wrapping paper from the kids, volunteers who help kids plant and maintain the garden at school, people who show up to help scrape and paint the school, and everyone else who keeps a warm place in their hearts for the welfare of our children. This year, more than ever, world events have demonstrated how important it is to have an educated population that values equality, hard work, creativity, and tolerance for others. These lessons begin at home and are carried forward in our schools.

The school board meets on the second Wednesday of the month at 4:30 p.m. at the school. Meetings are open to the public, and we welcome your participation.

Susan Peery, Chair  
Nelson School Board

## PLODZIK & SANDERSON

### INDEPENDENT AUDITOR'S REPORT

To the Members of the School Board  
Nelson School District  
Nelson, New Hampshire

We have audited the accompanying general purpose financial statements of the Nelson School District as of and for the year ended June 30, 2001 as listed in the table of contents. These general purpose financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with accounting principles generally accepted in the United States of America. As is the case with most municipal entities in the State of New Hampshire, the Nelson School District has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Nelson School District as of June 30, 2001, and the results of its operations for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Nelson School District taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Nelson School District. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.
