TOWN WARRANT

To the inhabitants of the Town of Pembroke in the County of Merrimack in said State, qualified to vote in the Town affairs:

You are hereby notified to meet at the Community House in said Pembroke, on Tuesday, the thirteenth day of March, next, at nine o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To hear and act upon the report of the Town Ways and Means committee.

3. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

4. To see if the Town will vote to charge twenty (20) cents on and after September 1st, 1945, on all unpaid 1945 poll taxes.

5. To see if the Town will vote to authorize its Selectmen to sell any real estate which the Town may have acquired by deed as a result of non-payment of taxes; and to authorize the Selectmen to give a deed in the name of the Town to the purchaser of such land.

6. To see if the Town will vote to install and maintain a street light at the northerly end of the Main Street bridge.

7. To see if the Town will vote to install and maintain a street light on the Academy Road near the house of Betsy Brown.

8. To see if the Town will approve changing the voting place from the Community House to the Pembroke Fire Station.

9. To see if the Town will vote to authorize its Selectmen to sell the Police Station and the land on which it is situated, at public auction, and to authorize the Selectmen to give a deed in the name of the Town to the purchaser.

10. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1000) for the purchase of jail cells and the installation of the same in the basement of the Pembroke Fire Station, and to make such alterations and repairs as may be required by the use of said basement as a police station.

11. (By Petition) To see if the Town will vote to give a two percent discount on all 1945 taxes paid on or before July 1st, 1945

12. (By Petition) To see if the Town will vote to raise and appropriate the sum of Two Hundred Dollars (\$200) for a series of band concerts.

13. (By Petition) To see if the town will appropriate the sum of Five Hundred Dollars (\$500) for the re-grading and oiling of Appleton Street.

14. (By Petition) To see if the Town will vote to install and maintain street lights on Dearborn Road.

15. (By Petition) To see if the Town will vote to raise and appropriate the sum of Twelve Hundred Dollars (\$1200) for a sidewalk on the east side of Main Street beginning on the corner of Cross Street from the building known as Hillman's Garage, extending to the corner of Glass Street, at the Suncook Bank.

16. To see if the Town will vote to support United States membership in a general system of international cooperation, such as that proposed at the Dumbarton Oaks Conference, having police power to maintain the peace of the world.

17. To hear the reports of auditors, agents and committees, or officers heretofore chosen, and pass any vote relating thereto.

18. To transact any other business that may legally come before said meeting.

The polls will be open until six o'clock in the afternoon.

Given under our hands and seal, this twenty-third day of February, in the year of our Lord nineteen hundred and forty-five.

Selectmen of Pembroke

SELECTMEN'S REPORT

We, the Selectmen of your town, feel that a brief historical outline of the town of Pembroke would be of interest to incorporate in this year's report along with our own report.

Land was granted in 1728 by the Massachusetts Colony to Captain John Lovewell and others and was known as "Suncook" and "Lovewell's Town". Incorporation was in 1759 and the name changed to Pembroke in honor of the Earl of Pembroke.

In 1763 the town was divided into two parishes. In 1798 a dispute between Pembroke and Allentown was settled by extending the boundary of Pembroke to the Suncook River. In 1804 all of Bow lying east of the Merrimack River was annexed to Pembroke and Concord.

Geographically the township lies in Merrimack County, south of Concord, and is bounded on three sides by the Soucook, Merrimack and Suncook Rivers. It is in the first congressional, fifth councilor and fourteenth senatorial districts. The population in 1940 census was 2869 persons.

We have endeavored to maintain and improve the physical assets of the town, not withstanding the manpower and material shortages.

More than one half of the town streets were treated and reoiled, and it is expected that the remainder will be done this summer. The remaining graveled portion of Brickett Hill was oiled, which should save considerable in maintenance cost. On the Eighth Range Road about three quarters of a mile of oiled road was extended from French's Corner in a easterly direction.

New street signs have been painted and will be put up as soon as the brackets are available. New fire alarm

boxes, a control station and a new compressed air whistle have been installed, replacing the old siren which had been repaired and broken down.

It is our opinion that the Town of Pembroke holds very attractive postwar possibilities to persons seeking to build homes, and it is to the advantage of all citizens to promote their town to any interested parties, and feel free to call upon their Selectmen to answer any questions regarding valuations, tax rate or public services which the town has to offer.

Respectfully submitted,

ANTONIO DUPONT

REPORT OF PEMBROKE FIRE DEPARTMENT

To the Honorable Board of Selectmen and the Citizens of Pembroke:

Appropriation and Expenditures for 1944

Appropriation	\$ 4,000.00
Expenditures	3,846.20

Balance	\$ 153.80
----------------------	------------------

Due to the Act passed in the last Legislature, changing the fiscal year, this saving is misleading.

Installation of new Fire Alarm System—

Gamewell Co. Air whistle, boxes and equipment	\$ 2,027.75
Gedeon Petit, labor and supplies	54.25
George Michiels, labor	14.00

\$ 2,096.00

During the past eleven months, the Fire Department responded to forty-eight alarms. The much-needed air whistle and new alarm boxes have been installed. However, some repairs are required in connection with the circuit about town. The storage batteries should be replaced, owing to the fact that they have been in service for twelve years.

The reduction in the number of fires is a tribute to the people in this community and is greatly appreciated.

Expenses

Help the War Effort by Preventing Forest Fires

Much harm can be done the war effort because of our carelessness with fire. Lumber has gone to war in a **BIG WAY!** Our New Hampshire forests are contributing their full share insofar as manpower permits. Fire, the greatest enemy of the forests, destroys, during each of these critical years, hundreds of acres of valuable trees that could contribute to the war effort. Forest fires disrupt the war's business by taking men from their important work in industry and on the farm and reduces production of necessary war materials and food. Forest fires require the spending of much money and material that might otherwise be diverted into vital war channels. Forest fires are, for the most part, unnecessary and avoidable for ninety-eight percent of such fires are, annually, the result of human carelessness — yours and mine. This can and should be remedied—**NOW!** **YOU** can **HELP THE WAR EFFORT** by **PREVENTING FOREST FIRES!** The rules of the game are simple.

1. *Always* be careful with fire in or near woodlands.
2. Comply with regulations governing the use or starting of fires there.

Remember

- a. You need written permission from your local forest fire warden for debris burning fires when the ground is not covered with snow.
 - b. Be sure your match, cigar, cigarette and pipe ashes are **OUT** before dropping them.
3. Be fire-minded **NOW** as never before; be careful; caution others to be careful; be cooperative and thus help your warden, your town, your nation and yourself!

Help the War Effort by Preventing Forest Fires

The 1944 fire record for our town is:

Number of fires	3
Acreage burned	162 $\frac{1}{4}$ acres
Number of permits issued	25

ARTHUR M. CHICKERING,
GEORGE H. CHICKERING,
EVA O. MONTY,

School Board of Pembroke

Pembroke, N. H., January 20, 1945

REPORT OF THE HEADMASTER OF PEMBROKE ACADEMY FOR SCHOOL YEAR 1944

School opened at Pembroke Academy Wednesday September 6, 1944 with seven regular and two part-time teachers and 158 pupils. Later four new pupils entered, making the total 162. The Freshman Class consisted of 48 pupils (28 boys and 20 girls) as compared with 59 the previous year. Because of the drop in the number of pupils and the increase in salaries, cost of instruction, supplies, etc., it was deemed necessary to try and get along with one less teacher. This meant curtailment of courses in some subjects as well as a heavier teacher load. Two changes were made in the teaching staff: Mr. Vernon Lewis succeeded Mr. David Jennings as Submaster and teacher of Social Sciences, and Miss Frances McCushing succeeded Mrs. Mary Hoitt as teacher of English. Mr. Lewis is a graduate of New Hampshire University and Miss McCushing graduated from Keene Teachers College. Other faculty members are Mrs. Ruth Hayden, Home Economics, Miss Lula Price, Commerce, Miss Helen Thomas, Modern languages and Mathematics, Mr. Cecil Grimes, Shop, and Mr. Jarvis T. Beal, Headmaster and Science. Mrs. Elizabeth C. Morrill has continued as special teacher in charge of Prize Speaking and Mrs. Mabel Reed of Manchester, N. H., has taken over the Music Supervision in the place of Mrs. Doris Buswell, who left to accept a similar position in Littleton, N. H.

The 162 pupils are distributed by towns as follows: Allentown 23; Hooksett 5; Epsom 36; Chichester 1; Pembroke 96; Deerfield 1.

For various reasons 17 pupils have left school making our active membership 145 on January 20.

Extra-Curricula Activities

We are still in an all-out effort to win the war. Work at home, on the farm, or in the stores and mills prevents many pupils from actively participating in school activities outside of classes. It also means less time for studies. Some of the extra-curricula activities follow.

The Freshman Class held a Halloween Ball late in October. This was well attended and introduced the members of the new class to the school.

Early in December the Senior Class presented their play "The Zombie" before a capacity house.

In October, after only five months of use, the soft coal furnace and stoker were replaced again by the oil burning furnace, and at present writing the shop boys have cleaned out the soft coal and made the small room available again for shop work. The shop boys have built in some permanent shelves in the Physic's Laboratory and are remodelling one of the balcony windows in the middle hall for use as a Trophy Case. The shop facilities are crowded, and it is

hoped something may be done to provide more space for machines for metal work and for auto mechanics.

A carnival and dance, a senior dance, and two prize speaking contests are among the activities planned for the next two or three months.

Both boys and girls have good basketball teams and have given a good account of themselves in the games played to date. With more time and teachers this program of physical education should be expanded to include more pupils.

The girl chosen by the senior class and faculty as D.A.R. Best Citizen — excelling in the qualities of dependability, service, leadership, and patriotism — this year is Ruth Evelyn Knight of Allenstown, N. H.

Under the supervision of Mrs. Ruth Hayden, hot noon lunches have been prepared daily since December 1. Mrs. Burt Robinson is in charge of cooking the meals, and students help in serving and in washing the dishes.

Last April, after several years of faithful and loyal service, Mr. Burt Robinson was taken sick and had to discontinue his work as janitor. His successor, Mr. Arthur Morrison, was taken sick in October and has been confined to his bed since that time. Mr. Edwin Little is now doing the janitor work.

Parents may advise their sons in the service that we have a special War diploma which they may have for the asking. This is not the equivalent of a regular diploma, however. The only way to obtain a regular diploma is to take subjects for credit while in the service and to be sure that such study and work for credit is reported to the Armed Forces Institute by their commanding officer.

Pembroke Academy has two boys, Richard Bailey, a Junior and Richard McNamara, a Senior, attending New Hampshire University in the Agriculture Course. These boys will be credited with the subjects they pass toward

their regular P. A. diploma and will graduate with their class at the Academy. Parents should likewise advise their children to stay in school and complete credits for their high school diploma, if this is at all possible. The Army and Navy both are also advising young men and women to do this.

In conclusion I want to thank Supt. Harmon, the Trustees of Pembroke Academy, and the teachers for their cooperation and support throughout the year.

Respectfully yours,

JARVIS T. BEAL
Headmaster

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board of Pembroke:

My eleventh annual report finds your schools locally, as well as schools throughout our nation, confronted with the increasingly serious problem of obtaining adequately trained and experienced teachers. You have a right to know that as a nation (a) one teacher in seven is new to his position in 1944-45; (b) one in ten is holding an emergency certificate; (c) and one in five is paid less than \$1200 for the year's work.

In June, Mrs. Doris S. Buswell, teacher of Music, withdrew to accept a similar position in the schools of Littleton and Bethlehem. Mrs. Martha F. Gale of Concord was elected to fill this vacancy in the elementary grades.

Since September one new member has joined your corps of eight full-time teachers. In January, Mrs. Edna C. McNamara of Bow replaced in the Eighth Grade at Suncook your principal, Mrs. Madelaine W. Hyde, who has been granted leave of absence for the remainder of the school year. Mrs. Jennie Leone, teacher of the Seventh Grade, is acting as principal.

You are fortunate to retain the services of two part-time teachers — Mrs. Grace G. Farnum of Pembroke and Mr. John L. Neill of Hooksett. Mrs. Farnum and Mr. Neill conduct classes in domestic arts and manual training respectively. These classes now accommodate in Pembroke the Seventh and Eighth Grades of both Allenstown and Pembroke Grammar schools.

Only two members of the present corps are classified as emergency teachers.

The average salary now being paid in Pembroke schools to full-time elementary teachers, including principal, is \$1243.75.

A recent survey of the salaries now being paid in 173 teaching positions in the villages and rural communities of Southern New Hampshire indicates that only 10.4 per cent command higher salaries than those now paid in Pembroke.

The report of the Enumeration Officer, submitted in September, shows the following age groups and placement.

Boys (5-16 yrs.)	214;	Girls (5-16 yrs.):	210	Total	424
Of this number the following were not in school:					
Below required attendance age (5-8)			21	
Physical disability (8-14*)			1	
Completed elementary grades (14-16)			2	
				<hr/>	
				Total	24
				<hr/>	
Number (5-16) in public schools			161	
Number in Pembroke Academy			157	
Age over 16 yrs.			70	
				<hr/>	
Age under 16 yrs.			87	
Number (5-16) in elementary schools outside of Pembroke			187	
				<hr/>	
Total (5-16) in schools			435	
Academy pupils under 16 and living in other towns			35	
				<hr/>	
Number of resident children (5-16)					
accounted for in schools				400

At the present time a total of 36 pupils are being transported to the village and rural schools. This leaves in the Borough and Hill schools 21 children who are not transported.

The enrollment in your three one-room schools is only forty-eight. This indicates that economy of operation and effectiveness of instruction may demand, as a post-war project, the erection of a modern, two-room schoolbuilding.

In December standardized achievement tests were given to all pupils in Grades Three, Four, and Five. Following are the average scores attained in terms of the grade and month:

Grade:	III	IV	V
Standard score anticipated:	3-3	4-3	5-3
Reading and Vocabulary	3-7	4-2	5-7
Arithmetic Fundamentals	3-3	4-4	4-8
Arithmetic problems	3-4	4-2	4-9
English		4-3	5-6
Literature			5-8
History			5-3
Geography			5-4
Spelling	2-7	3-5	4-8
Grade Average	3-3	4-2	5-3

It is with regret that restricted transportation has necessitated the temporary abandonment of the annual spelling contest in which the elementary schools of the Union participated for several years. The number and extent of educational field trips have likewise been restricted.

As an alternative teachers and pupils have most loyally contributed to the war effort. During the past year, War Stamp purchases and Bond sales were made as follows by several schools:

Suncook Grammar	\$2,215.00
Pembroke Street	156.95
Pembroke Hill	103.75
Borough	80.25
Total	\$2,555.95

The teachers and pupils wish to thank those individuals who by purchasing bonds through the schools made possible this record of achievement.

Last fall your four schools contributed 32 bushels of dried milkweed floss for the making of life jackets for our armed forces. The seventeen pupils, then enrolled in the Borough Schools, exceeded by their contribution of 14 bushels of dry floss the per pupil record of any other school

in this Union. The total school contribution from the Union was 162 bushels. Proceeds from the sale were divided among the pupils or deposited with the school's club funds.

In the salvage drive, recently sponsored by the schools, the waste paper collected by the village and two rural schools exceeded Pembroke's quota of five tons. Proceeds from the sale, amounting to \$79.73, have been deposited in the local bank. This with other funds will be applied towards the purchase of a new 16 m.m. sound-on-film projector.

For the success of this salvage drive the schools are much indebted to the state and local highway agents who with other individuals provided trucks for the house-to-house collection of paper.

The annual report of your school nurse for the year ending in June shows:

Total number of pupils examined	149
Number successfully vaccinated	148
No. unsuccessfully vaccinated three times	1

Results of examinations and follow-up work:

	No. pupils Affected	No. Defects Corrected
Underweight (10%)	22	—
Defective Vision	12	5
Defective Teeth	98	25
Diseased Tonsils	8	4
Defective Breathing	3
Adenoids	3	4

Cases of Communicable Disease:

Chicken Pox	3
Pediculosis	9
Skin Disease	8

Special Work:

- 5 Orthopedic cases to Dr. Jones at Manchester Clinic.
- 17 T. B. Suspects to Dr. Kerr at Concord Clinic.
- 2 Cases X-Rayed at Dr. Kerr's request.
- 1 Dental Case treated by Dr. Young in Concord.
- 1 Eye Case treated by Dr Bruin at Hanover.
- 1 Mental Case examined by Dr. Philbrook at State Hospital.

Through the recent death of Mrs. Nina B. Colby, the schools sustained the loss of a highly efficient supervisor of your school lunch service and a practical contributor to the health and vigor of a coming generation.

To the present date it has been impossible to employ a woman qualified to prepare and serve hot lunches daily to approximately fifty children.

The demands of the armed services still prevent the conducting of dental clinics in the schools. This is doubly unfortunate both in consideration of the immediate comfort of certain children and in view of the growth and development of other pupils.

While reports from the audiometer tests, given recently by Miss Douillette, are not completed, the results observed indicate that cases of seriously defective hearing are unusually rare in the Pembroke schools. Children, recently recovered from chicken pox, measles, and scarlet fever, are carefully checked by your school nurse for difficulty in hearing. Parents can assist by reporting to the nurse signs of hearing difficulty noticed in the home.

I take this occasion to commend for efficient service your school janitors. The lack of repairmen and transportation have added to the duties of janitors and in some instance of school board members. In the rural districts, punctuality in the kindling of schoolroom fires amid the darkness of sub-zero mornings gives implication of traits as valuable as mastery of the three R's.

Report of the high school activities of more than ninety Pembroke pupils in attendance at the Academy is contained in the report of Headmaster Jarvis T. Beal. The faculty and trustees are employing every means at their command to attain those standards in character, scholarship, and skills, which the challenge of both present and post-war America demands for world citizenship.

In conclusion I wish to acknowledge the fine cooperation of teachers and school board members, and other citizens who have assisted in organizing and supervising the school patrol. I hope that some tangible recognition will be given to the patrol leaders who have been outstanding in the discharge of their traffic duties.

Respectfully submitted,

GEORGE H. HARMON
Superintendent of Schools

January 20, 1945.
