## REPORT OF THE SELECTMEN

The year 1981 can best be summed up as the year of snow, snow, and more snow. After being spoiled for the last two years we were rudely brought back to reality and with it came the concerns of the townspeople. We have addressed the problems of plowing private roads, the cleaning up of Main Street, and how to maintain open sidewalks. We can only ask that people be understanding and tolerant and accept that we are trying our best to deal with a difficult situation.

The second major concern of most people has been garbage pickup—we have tried to maintain our policy of a one-day delay when storms have disrupted our regular schedule. A storm on Wednesday results in Wednesday's route being done on Thursday and Thursday's route being done on Friday. A Thursday storm results in pickup on Friday. We ask that the townspeople use their best judgement about when trash should not be put out because of a storm.

The study committees formed after last years town meeting have been active in the areas of a new town garage, a landfill site, and a micro computer for the town. These will be reported on at town meeting with proposals for consideration by the people.

Other areas of concern that have come under consideration by the selectmen are:

1. The effects on the town budget which will result from the federal and state government attempting to pass costs down to the town. Most notable are in the areas of town welfare and the reduction of payments to the town from the Meals & Rooms Tax, and Interest & Dividends Tax, which we anticipate will be cut in half. A decrease in funding for the education of the handicapped and a possible reduction in Sweepstakes monies to the school district will also have an adverse effect on the school tax. The 1981 tax rate saw an increase of 16.5% for the school portion of the tax; we can only urge the school committee to do its utmost to maintain programs and costs at the present level. The taxpayers of Tilton cannot afford to underwrite increases of this magnitude.

2. The cost of court placement of minors is another area where cost to the town has had a significant impact. We are presently underwriting such a placement at a cost of over \$1,000.00 per month. Under the present law we have no control or input into such placements—we have requested our representatives to the General Court to review this law and modify it so that this impact can be lessened.

3. We are continuing to monitor the progress of the Route 3-11 by-pass

and oppose its construction as directed at the 1980 town meeting. As more and more costs are handed down from above, the importance of this opposition becomes greater and greater. We cannot afford the impact of taking thousands of dollars from our tax base because of the taking of land and the removal of homes which will result from the building of this road.

We wish to applaud Mr. Donald Joscelyn for his work in bringing about the dedication of the Cannon Bridge; a report on the dedication ceremony is presented in another part of the Town Report.

We are again happy to report that at the end of 1981 the Town was in a good financial position. All tax anticipation notes had been paid off and we had a balance in the General Fund of over \$180,000.00 to start the new year.

It seems fitting at this time that a resolution should be on the Town records giving credit to a person who has served the Town of Tilton for many years.

The Town of Tilton wishes to recognize the services that Elmo J. Svenson has given the Town as Supervisor of the Checklist from 1962 to 1982, as Sewer Commissioner from 1981 to 1982, and the numerous committees he has served on in past years.

He has unselfishly given much help to other town officers, and spent many long and anxious hours on the Town problems. It is with sincere appreciation that we present this resolution.

Finally, we wish to express our appreciation to the employees of the town; their continued efforts to work for our best interests should not go unnoticed.

Respectfully submitted,  
Maurice N. Bowler, Chairman  
Lester J. Rutherford  
Donald B. Joscelyn

To the Members of the Board of Selectmen  
Town of Tilton  
Tilton, New Hampshire

We have examined the combined financial statements and the combining statements of the Town of Tilton, New Hampshire, as of and for the year ended December 31, 1980, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1F, the combined financial statements referred to above do not include financial statements of the General Fixed Asset group of accounts which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset group of accounts results in an incomplete presentation as explained in the second paragraph of this report, the combined financial statements and the combining financial statements referred to above, present fairly the financial position of the Town of Tilton, New Hampshire at December 31, 1980, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the combining statements. The accompanying financial information listed as supporting schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Town of Tilton, New Hampshire. The information has been subjected to the auditing procedures applied in the examination of the combined and combining financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

**TOWN OF TILTON POLICE DEPARTMENT**  
**Report of Chief of Police**

In 1981, we again sustained an increase in burglaries (home and business break-in's) similar to that in 1978. Then we had 49 burglaries. In 1979 and 1980 we kept them to 27 and 29 respectively. This year we experienced 37 burglaries. I attribute this to three problems. 1. The depressed economic situation; 2. The reduction of State Police Patrol due to fuel shortages; 3. The elimination of the County Patrol. It is impossible to determine which of the three had the greatest effect on this activity. In addition to this increase, we also had an increase in domestic and public violence. Family disputes numbered 26 this year compared to last years 1. Breaches of Peace were 82 this year and 13 last year. This seems to be brought on by the ever increasing economic crunch. In 1980, we handled a total of 660 offenses, this year the total came to 1294 which is just about double the activity. With this in mind it's difficult for me to understand why some consider the Police Department a luxury which should be eliminated or reduced to a part-time agency.

In another area, there has been alot of talk emanating from Laconia that the small Towns aren't paying their fair share in the operation of the District Court. In reply, the Tilton Police Department generated \$20,575.00 in fines imposed on Tilton cases. Seems to me this is a fair share.

A tragic accident involving Officer Mike Beadle nearly took his life. He has made a remarkable recovery and is back on the job. He and I wish to extend our Thanks for the many cards and expressions of concern for him. I'm sure this assisted his recovery a great deal.

In February, I celebrate my Tenth year with the Tilton Police Department and I'm proud to have been part of its moulding into a stable, respected and professional Police Agency, it hasn't come easy but good things rarely do.

I look forward to another successful ten years and I know with your continued support I'll make it.

Respectfully,  
George S. Prescott  
Chief of Police

## REPORT OF THE ROAD AGENT

During 1981 the Tilton Highway Department installed a culvert across Mt. View Drive. Replaced culverts and catch basins at Pine & Linden, Pine & Chestnut, Route 3 & Peabody St., and Lancaster Heights. Basin grates were raised and culverts cleaned at both ends of Birch Drive. Culverts were cleaned on Calef Hill Road & Pleasant Drive.

Working with the Town of Northfield grader, Lancaster Heights was shimmed with 255 tons of asphalt. Ditches on Westwood Drive cleaned and the entrance repaired. The town's two dirt roads were graded and gravel hauled to low spots. In return Tilton trucks were used to haul gravel, asphalt mix, and back sand on sealing jobs.

The sewer manhole at Park Road & Route 3 settled, blocking the outlet pipe. This undermined the road and a gaping hole suddenly appeared. The broken pipe was replaced and the manhole backfilled.

The manhole at upper Winter Street was connected with new 6" PVC pipe to the Winter Street main line. A new house connection was installed at upper Highland Avenue and various pipes cleared of tree roots or other blockage. Quite a bit of time was used working with the engineers designing the new sewer system, locating pipes and manholes and checking elevations.

Approximately 809' of sidewalk was cleared of 6" of dirt and 300' of new asphalt layed in Lochmere.

The cemetary fence at Lancaster Hill Road was replaced and sunken spots filled and seeded. Grass was mowed at the seven other cemeteries as well as the Island and Soldier's monument.

Various street signs were put up and several dead trees removed.

Projects for next year include TRA for West Street (if the engineers can decide where the sewers are to go), drainage for Circle Drive, continuing the sidewalk program in Lochmere, paving Lancaster Heights, improve drainage and seal Northern Shores.

Road Agent

## YOUTH ASSISTANCE PROGRAM

1981 was a year of change and progress for the Youth Assistance Program. We have been incorporated as a "separate entity" from the three towns. As a non-profit corporation, we were granted tax-exempt status by the Internal Revenue Service. This permits YAP to seek tax-deductible contributions from interested corporations, private foundations, and individuals. We hope that such fundraising activities will serve to supplement the financial support provided by the towns. The decision to "separate" from the towns was deemed essential in order to minimize the financial burden on the local taxpayers while continuing to provide a variety of important services to the youth of the area.

Throughout 1981, the Youth Assistance Program handled 233 juvenile cases. Approximately forty-three percent of these youngsters were residents of Tilton. Included in the total figure were 40 court diversion cases, where juveniles were referred by the police departments for criminal offenses. Thirty-five of these individuals were brought before the Juvenile Review Board to be held accountable for their behavior. It should be noted that, since 1979, the number of police referrals has decreased dramatically (92 in 1979; 68 in 1980; 40 in 1981). This suggests a substantial drop in juvenile crime in the tri-town area, which has been YAP's primary goal since it was established in 1975.

The number of youngsters coming into the Youth Assistance Program on their own (self-referrals) has nearly doubled in the last two years. There were 119 such cases in 1981. We are confident that this increase indicates a greater awareness among area youth that YAP exists for them. It gives them a place to talk or to learn how to better cope during their often difficult and confusing developmental years. When this segment of the program—prevention—is properly utilized, it enables youngsters to deal with problems in an appropriate manner, rather than resorting to anti-social behavior.

During 1981, activities sponsored by the Youth Assistance Program included: the Teen-Awareness lecture series (involving 32 kids); two Baby-sitting/Childcare courses (involving 20 kids); the "Anything Group" (a weekly discussion group for adolescent girls); Companion Program (matching adolescents with pre-adolescents for summer activities); two "For Parents Only" programs; Summer Youth Employment Program; and arrangements were made for nine youngsters to attend summer camp. Other services offered by YAP on a continuing basis include drop-in counseling, short-term counseling, as well as an information and referral service with other youth-oriented agencies. We have also had considerable success with students from New Hampshire Technical Institute and New Hampshire College in completing field placements/practicums with YAP.

The Youth Assistance Program was initially developed to provide an alternative to the over-burdened, and often ineffective, juvenile justice system. While that function continues to play an important role in our program, diversion only deals with youngsters "after the fact"—subsequent to an offense. Therefore, YAP has expanded its services to the towns. We are committed to working with children and their families in an attempt to maintain a low rate of juvenile delinquency. The most effective means of ensuring that goal is to work with youth *BEFORE* they "act out" in the community. Our primary focus, therefore, also involves the *PREVENTION* of delinquency. The reduction in police referrals and the increase in self-referrals suggests the preventative approach is working! In the coming months, we plan to repeat some of the successful programs and develop new ones as well, each aimed at helping youngsters develop into responsible young adults.

We would like to express our thanks to the office of the Board of Selectmen and Budget Committee for their understanding and cooperation during the laborious task of "separating" YAP from the towns. As an independent agency, we will continue to provide effective services to the youth (and parents) of Northfield, Sanbornton, and Tilton. Yet, we do so with the intention of relieving, as much as possible, the financial burden on the tax-paying citizens of all three communities. It is our hope that the combination of funding by the towns and contributions from the private sector will permit YAP to expand its diversion and prevention programs. The Youth Assistance Program, now in its seventh year, has operated and will continue to operate with the philosophy that "the future of these communities is directly related to the 'outcome' of our youth."

## TILTON-NORTHFIELD RECREATION

1981 was a learning and working year for recreation. Cindy Donovan took over the duties of Recreation Director on January 12, 1981 and set up many new programs and carried on some of our same programs.

Aerobic dancing has been a very popular class and enjoyed by all who participated.

We held family skating at the Tilton Prep School rink, slimnastics, adult open hall and senior citizen exercises.

Cindy is presently conducting four preschool classes in the mornings. There is an average of thirteen children in each class. They do such things as gymnastics, games, stories, crafts and exercising for an hour for four days.

We had a very large class participating in karate and gymnastics.

Our Youth Basketball and Teen Basketball were carried on again this year with a very large showing for both. Youth Basketball was coached by Larry Kimball and Teen Basketball by Charles Dwinal.

We held skiing at Highlands but due to lack of snow and icy weather our program suffered.

In February we had a group of ninety six people go by bus to the Ice Capades in Portland, Maine.

During February school vacation we had a movie, a clown show, indoor game tournaments and swimming at the YMCA in Laconia.

Open Halls on Friday nights have been a very popular program and enjoyed by all. This program is carried through until May. During the summer many of the children have so many other activities with their families or are away and participation is very low.

In April a program in movement dance was started, swim-n-gym at the YMCA and another indoor game tournament was held.

We held our basketball banquet for the two teams and their parents and over one hundred people attended.

This year we sponsored a group of sixty children for the "Jump Rope for Heart" for the Heart Fund. We raised approximately \$1,200.00 and I wish to thank all the children who jumped rope. Hopefully, we can make it an annual event.

We had our annual Festival Day and road race. The road race went over very well but participation in Festival Day activities was very poor. We are going to continue the road race but try to do some other kind of activity to replace Festival Day.

Seven young people participated in the Hersey Track and Field meet. We didn't come in first but all had a very good time and showed great sportsmanship.

Cindy's dog "Butterball" came in first place at the Catch-N-Fetch contest done with frisbees.

Our July Red Sox trip was cancelled due to the baseball strike.

**Tilton-Northfield Recreation (continued)**

Many of our regular programs were carried through until our summer programs began in July.

Playground and swim program started in July and our participation was one hundred seventy five children. Playground went over very well but we did have our problems at the pond. This problem has been discussed with the selectmen of both towns and also we have had the assistance of the Northfield Police Department when it was necessary. We hope that all the children enjoyed the program and that it was also approved of by the parents. We have always asked any parent or child who is not satisfied with the way something is done to bring it to Cindy's attention or that of the members of the Council.

In September aerobics in motion was offered by the YMCA, and was taught by Donna Frost.

Twenty-six people took part in a trip to Ogunquit, Maine. A good time was had by all.

We started soccer up again and we had approximately one hundred twenty children playing. We would like to thank the following businesses for their sponsorship of a soccer team and also Chuck Wyman and all who helped.

BK & Sons Upholstering  
Mazur's Hardware & Building Supplies  
Northfield Glass & Aluminum  
Ames  
Sanbornton Bridge Soccer Club  
The Floor Show  
Shaws  
North Country Distributors

Cindy offered baton classes, volley ball and crafts were offered after school to the first through fourth graders.

We held our annual Halloween party with two different age groups. We held the preschool through fourth grade party early in the evening and the fifth grade through high school party was held later in the evening. This year we offered a haunted house for everyone to enjoy for a very small fee. We are going to try to have the haunted house again next year on a little larger scale.

A new class was started this year in Tae Kwon Do. It is instructed by Randy Brown of Franklin, New Hampshire and we presently have thirty-five people taking part. Tae Kwon Do is the Korean form of karate. A demonstration was given at the school for the public to see. This program was open for all ages and has been enjoyed by all participating. Different students have tested for various degree belts in Tae Kwon Do.

**Tilton-Northfield Recreation (continued)**

We had a very small group to see Santa this year but we hope everyone who came enjoyed having their picture taken with Santa. Our thanks to Harold Harbour for the use of the fire engine.

Cindy has been with us for a year now and she has met many new challenges, taken on much responsibility and has provided programs for people of all ages. We have tried to work together with Cindy and hope the people of Tilton and Northfield feel we have done a good job.

Following are the names of the people who presently make up the Tilton-Northfield Recreation Council:

Sandra Cyr, Chairman  
Charles Dwinal, Co-Chairman  
Karen Range, Secretary  
Valerie Allen, Treasurer  
Robert Cyr  
Roger Abbott  
Richard Smart  
Chuck Wyman  
George Easter  
Mary Whitehead  
David Smith  
Paul Dominico

We wish to extend our thanks to everyone who has helped us in any way with any of our programs. We hope that everyone has enjoyed our programs and will continue to participate. If you have any suggestions for new programs, or improvements to our present programs, please feel free to suggest them to Cindy or any member of the Council or bring it to the attention of the Council by attending a meeting. We are presently meeting the third Thursday of each month. We again thank you for your support and hope you will continue to do so.

Respectfully submitted,  
Sandra Cyr, Chairman

A Book Sale was held by the Friends of the Library on Main Street, Tilton, on July 27, coordinated with the Annual Street Sale of Tilton. Over \$200 was made and earmarked for the future purchase of library books.

Memorial books were given the library in honor of the following: Harold Graveson, Claribel Weeks Avery (Tilton poet), Lena Brace Southwick, Richard McManus, Charles French and Charles H. Southwick. We encourage anyone considering a memorial to give to the library for this purpose. These gifts are very much appreciated by all who come to the library. Once more, we remind citizens of Tilton and Northfield that this is a public library—our library—existing for the benefit of the citizens of the two towns. The Staff welcomes suggestions for interesting programs or displays or volunteer help.

Sincerely,  
Doris B. Ullrick

## HALL MEMORIAL LIBRARY REPORT FOR 1981

The Library continued to serve the communities of Tilton and Northfield as public library, open 11 to 8 daily, Monday through Friday on the regular schedule plus Saturdays 11-2 throughout the year. Summer hours continue to be 11-2 and 6-8 on Monday through Friday, 11-2 on Saturdays. The public has shown appreciation for these expanded hours with increased circulation of library books, magazines and records. Trustees Al Gengras, Sally Lawrence, Treasurer Warren Hill, Chairman David Schofield and Secretary Edna Southwick meet monthly at the library with Librarian Doris B. Ullrick. Assistance Librarian Rachel Entwistle and Sandi Emerson give invaluable assistance in managing the library.

Story hours for preschoolers were held during the year and games, stories and songs were enjoyed. The high point of the year's film programs was the February 16 program on New Hampshire Writers and the Small Town, a forty minute film sponsored by the T-N Women's Club, the Northfield Historical Society and Friends of the Library. Twenty-four interested adults participated and the following talk by Stuart Wallace of the N.H. Historical Society led to a stimulating discussion.

Among the library's exhibits were Sandi Emerson's toleware, and Walter Kos' fluorescent scale model of the thirty nearest stars. The Summer Reading Program ended with a party on August 26 where everyone was a winner, especially super-readers Meredith and Ethan Banks, Rhonda Towne and Kim Snow. A new Book Review group was begun for librarians of the area (Belmont, Franklin, Gilford, Sanbornton as well as Northfield & Tilton) and librarians, trustees and friends of the libraries find it very useful in making decisions about new books. Thanks are due the TN Garden Club for flowers in summer and a lovely wreath at Christmas. The N.H. State Society for Preservation of Forests gave the library a beautiful Christmas tree to celebrate.

## T-N DISTRICT NURSE ASSOCIATION

During 1981 the Board of Directors of the Tilton-Northfield District Nurse Association have continued to endeavor to find additional services to offer to the residents of our communities. Cutbacks in funds available to our resident patients have affected our home health care agency as they have so many other service agencies.

The trend is definitely to provide more home care—in more ways—to more people—more of the time. Our full services are available to every resident of Tilton and Northfield when requested by and planned with the patient's physician. This town-supported program employs a full-time registered nurse with assistance from other home care agencies when requested.

The District Nurse is available by phone at 286-4241 between 8:00 a.m. and 4:00 p.m. daily. The office is located at 183 Main Street with office hours between 8:30-9:00 a.m. and 1:00-1:30 p.m.

Future plans include the availability of more clinics for our residents. Clinics are town-supported and no fee is charged. Clinics will be well publicized within our two communities. Everyone is welcome to attend.

One of the largest "projects" of the year is during the holiday season. Every known resident who is in a nursing home is remembered with a gift and a personal visit. Children are often clothed and toys distributed to some of them. Food baskets are coordinated with a large number of local organizations through this office. Other requests for assistance are granted when possible.

The Board of Directors wishes to thank our tax payers for their annual support of our agency.

Gratefully,  
Mrs. David Schofield  
President

**TILTON-NORTHFIELD FIRE DISTRICT**  
**Report of Audit**

I have examined the Treasurer's journal, schedule of detailed expenses, annual financial report; also the check register, cancelled checks, bank statements, savings accounts, invoices, payroll records and other pertinent records. My examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such auditing procedures as I considered necessary in the circumstances.

In my opinion the accounting records and statements present the financial operations of the Tilton-Northfield Fire District for the calendar year 1981 in a true and accurate manner.

We have thirty-six regular and probationary firefighters enrolled in our department, of which eight are also Emergency Medical Technicians. Training sessions and drills are held periodically and many members attend the various Fire Schools held throughout the year.

An order has been submitted for a new International Truck which is being built according to previously approved specifications. Tentative delivery date is February, 1982.

Regular business meetings are conducted the first Thursday of each month, at eight p.m., with special officers meetings held when necessary.

Bingo games, suppers, and other fund-raising events were held during the year. The annual Carole Davis Memorial Christmas Party was held in December for children in the Winnisquam area.

Respectfully submitted  
Linda E. Brough, Clerk  
Winnisquam Fire Department
