AUDITOR'S REPORT

The accounts of the Town of Wakefield for the year 1987 have been examined by the independent auditing firm of Carri, Plodzik, & Sanderson of Concord, N.H. Their report, although not available in time to be printed in this report, will be available for public inspection at the Selectmen's office by the end of March.

WAKEFIELD AREA AMBULANCE REPORT

The Wakefield Area Ambulance Corps responded to 211 calls during 1987, representing a 9% increase in calls over 1986. These runs included: 63 motor and water accidents, 133 home accidents and sudden illnesses, 5 fire standby's, 5 runs transporting patients home from the hospital, and 5 calls reporting an apparent accident, but none was ever found. We transported a total of 176 patients.

We currently have 14 members, of which 9 are Emergency Medical Technicians. We have 2 more members that want to take an EMT course as soon as the next one is held in our area. During 1987, the 14 Corps members logged 1500.44 voluntary man hours on ambulance calls. This does not include man hours spent in monthly training, attending monthly Emergency Medical Services meetings at Huggins Hospital, attending one day continuing education courses and seminars, or taking basic, advanced, or refresher courses.

Statistics proved this year that we responded to more calls on Fridays, Saturdays, and Sundays, and the busiest months were June, July, and August.

By the fall of 1987 we had received our Cardiac Monitor and have been able to use it on many patients. Due to the fact, that Huggins Hospital has had a problem finding a full-time Head Emergency Room Doctor, we have not been able to take a defibrillating course. Now that Huggins has hired Dr. Andes, our EMT's have been promised a course within a couple of months and then our defib machine will be attached to the cardiac monitor.

Last Spring also saw the formation of the Wakefield Am-

bulance Association, made up of interested townspeople and Corps members. Its function is to raise monies for Special Equipment and Training not covered in our annual budget. This is done through Memorial Donations, regular donations, and sponsoring money raising activities. This year the Association bought the Corps a Cold Water Rescue Suit and in Jan. of 1988, they bought us a snowmobile to be used with the Firemen's sled for winter rescue. They also went halves with the Fire Association to purchase a T.V. and VCR for training purposes for both departments. Any person who would like to help the ambulance, but do not feel they could be an attendant, could do so by joining the Association. Any interested person can call Charlotte Palmer.

Please remember the Corps still holds a monthly Blood Pressure Clinic, the first Wednesday of each month, at the Town Hall from 10 A.M. till noon. Anyone is welcome to come in and have their blood pressure checked free of charge.

We are always looking for new people to become Corps members. Any interested person can call the Selectmen's Office or get directly in touch with a Corps Member. The more people we have the better job we can do for Wakefield Residents and visitors to our town when they need medical services.

KATHLEEN GIFFIN, Director
Wakefield Area Ambulance Corps

1987 HIGHWAY ACTIVITY REPORT

In addition to regular road maintenance, repair work and snow removal, the Highway Department worked on the following projects:

1. Reconstruction of approximately 2500' of Pine River Road. This project was done as scheduled with the exception of the stone/oil surface. The construction completed late which did not allow time for the surfacing to be scheduled. We are, however encumbering funds from the 87 appropriation to surface this piece of road in 1988.

2. Reconstruction of approximately 1500' of Gage Hill Road, as proposed.

3. Perkins Hill Road-Reconstruction of 1500', shimming the remainder of the road and stone/oil surfacing the entire road (1 mile).

4. Dearborn Road-Stone/oil surface of .8 mile, as scheduled.

5. Witchtrot Road-Stone/oil surface approximately 2700', as scheduled.

6. Tarring and Sealing-Union Village, as Scheduled. Also, sealing of Garney Road was substituted for Long Ridge Road.

7. Pickpocket, Brackett, and Oak Hill were all scheduled for ditch work and approximately 1000 yards of gravel. The ditch work was done and a small amount of gravel was put on Pickpocket and Oak Hill. Time and manpower did not allow completion of these projects.

8. None of the roadsides (1/3 of roads were scheduled) were mowed as we could not hire anyone to do it.

The proposed 88 Budget therefore, includes the addition of a full-time position to the highway crew. This will hopefully cut down the reliance on part-time help and allow the department to better keep up with road maintenance and improvement projects.

RECREATION DEPARTMENT

Town of Wakefield

1987 got off to a good start as basketball continued with two new coaches. By the 1987-88 season we hope to be in the new gym.

The summer recreation program was going well, with the hiring of a new part-time recreation director. Unfortunately, with the shortage of lifeguards, the director had to take over the Town Beach, leaving the town with no other summer programs. This year with another director and enough lifeguards we now hope to offer track and field and soccer. Providing safe and adequate coverage of the waterfront continues to be a priority and needs of the parks recreation department.

In the spring of 1987, we saw the start of Little League, and the Babe Ruth Team (not sponsored by Parks and Recreation Dept.) and the Tri-Town Softball League using the field behind the Town Barn. The Recreation Department still sponsored the T-Ball program for the boys and girls too young for Little League.

The Fall programs started off great, with our first year of two Soccer Teams, Grades 7-8 and 4-6. There also was the start of a Football League (not sponsored by the Recreation Dept.). Both groups did well in their first year of competition.

The committee used surplus lifeguard salary funds to build a new ice skating rink. The response was great, with times set aside for senior citizens, hockey and free skating.

A SPECIAL THANKS to Carol Butler Briggs, our new Recreation Director hired in the Fall and to all the coaches who participated, especially Don Hayward, Wayne Robinson, Richard Russell, Vic Macedo, Jim Keating and Jim White.

Our area has a lot of natural beauty, however we hope that in the future we can improve on that by planting a few more trees in the Sanbornville area. We do maintain our public beach areas of Lovell Lake and Weeks Beach, and plant the flowers in the center of Town. Any ideas in this area would be welcomed.

We hope you will all continue to support our programs. We

welcome anyone interested in becoming a coach, as many volunteers are needed to ensure a good Recreation Department.

WAKEFIELD PLANNING BOARD REPORT

During 1987 the Planning Board reviewed and approved 18 subdivisions for a total of 140 new lots and three boundary line adjustments. In an attempt to give each proposal a more in-depth review, the Planning Board has required developers to provide the Board with studies on the proposed development's fiscal, environmental and transportation impact.

Also in 1987, the Planning Board adopted an increased fee schedule to offset the costs to the Town of developments and increased demand on Town services. A committee has been appointed and funds included in the 1988 Budget to review and update the Town's Master Plan. You will probably hear more from this committee as the year progresses.

The Planning Board continues to meet regularly on the second and last Thursday of each month. All interested parties are encouraged to attend.

WAKEFIELD HISTORIC DISTRICT COMMISSION

Early last year the Board of Selectmen requested the Historic District Commission to carry the responsibility for activities and events related to the Celebration of the Bicentennial of the United States Constitution in Wakefield. Our first assignment was to work toward having Wakefield become a Designated Bicentennial Community. This was accomplished very early when only a few other towns in our State were so honored and we were able to raise the Bicentennial Flag on May 2 - Wakefield's Pride Day. A certificate of Honor for the Town was presented to the Selectmen by the Commission soon after. This hangs in their Office for all to see.

On September 16 Members of the Commission presented a Bicentennial Flag and an American Flag to the children at Paul School and then participated with the children as President Reagan led the school children throughout the country in the Pledge of Allegiance to our Flag. The following day at 4 P.M., with the cooperation of the Wakefield Clergy, all of the Church Bells were tolled in joyous sounds of freedom as they joined other bells in ringing throughout every town in the country. Many of Wakefield's people are currently wearing the official pin honoring the Beacon of Democracy of 200 years.

1988 will see numerous additional Town activities and reminders of the National Celebration. The final Wakefield event will take place on June 21 - the date New Hampshire cast the 9th vote in 1788 necessary to ratify the Constitution and make it the law of the land.

WAKEFIELD POLICE DEPARTMENT

Town Report - 1987

The accelerated growth of our town during 1987 created a record number of calls for service for the Wakefield Police Department. Year-round homes built in 1985 and 1986 totaled 108, as compared with 156 homes built in 1987. This impact has had a profound effect on Department activity.

My concern for the future is to be able to continue to staff the Department with qualified personnel. Hiring police officers is a difficult process, and establishment of a competitive salary base is essential in this job market. The sensitivity of the duties required by officers, and the responsibility of their performance with regard to public service and safety, makes selection of the right candidate a demanding obligation. Attracting the best is my continued goal.

Area growth is continuing to develop rapidly, and the attraction of an increase in types of winter sports brings an added influx of people, which contributes to an increase in criminal activity.

In an effort to curb crime, develop awareness, and keep budget costs down, the Wakefield Police Department has in-

stituted a Crime Prevention Program under the guidance of our Officer Randy Parker, one of 48 nationally certified Crime Practitioners.

This program is designed to utilize citizen participation in reducing criminal activity. It is structured to deter crime by educating the community to observe and report suspicious happenings. This police supervised activity is a cooperative effort to reduce criminal acts without increasing the financial burden to the taxpayers.

GAFNEY LIBRARY

The Gafney Library has extended their hours so that they are now open two more days and seven more hours each week. The hours are: Monday 1:00 - 4:00, Tuesday 1:00 - 7:00, Thursday 1:00 - 5:00, Friday 1:00 - 4:00 and Saturday 10:00 - 4:00.

The interior of the library was painted this year, the floors refinished, and outside railing were installed.

This year a Friends of the Wakefield Libraries group was formed. They have been very successful in fund raising in events. We worked together to color code the books in the children's library to conform to the books at the Paul School library. We have added many children's books through the Adopt-a-book program sponsored by the Friends. Some of the members have volunteered their time as library aides on Tuesdays and Thursdays.

Our annual book sale in June was very successful. A set of Childcraft Encyclopedia was purchased with the proceeds of the sale along with other reference books for the children's library.

We have featured an art display with prints of famous paintings, each with its own tape recorded summary.

The Budget Committee and other groups have met in the Serendipity Room throughout the year.

Twice each month, books are delivered to the Mountainview Nursing Home and the Carroll County Jail. Also, we are always happy to deliver books to shut-ins.

Our circulation for 1987 was 15,467 books. We purchased 353 new books and issued 226 new library cards. Please come in and check us out.

ANNUAL REPORT OF UNION VILLAGE LIBRARY

Union Village Library was busy this past year with the usual activities. A successful story hour was held for six weeks during the summer with Miss Eleanor Eastman as Story Lady.

The Union School children continue to visit the Library regularly with Mrs. Louis Tibbetts opening the Library for them.

In September the Women's Fellowship sponsored a reading contest.

The Library added 148 volumes to the collection. Our circulation was 3,612. We are most grateful for the donation of several new books this year and for the monetary gifts. It is also a great help to our small Library to be able to borrow books from the Gafney Library.

I would like to express my sincere thanks to Mrs. Louis Tibbetts for all the help she has given me during my first year of being librarian.

WAKEFIELD LIBRARY ASSOCIATION Annual Report 1987

The Wakefield Library continues on the same schedule of being open on Wednesdays from 2 to 5 p.m. Circulation remains very nearly the same as it has been for the past few years.

Books and money have been given by friends and both are much appreciated.

The "Footsteps of Pride to the Past," a history of Wakefield written by Elizabeth Banks MacRury, is available for reading in the Library. It is an exceptionally fine history of our town and its people. Another book of great interest is "Thru the Open Doors of the First Congregational Church" written by Marjorie G.H.

Banks. This book contains wonderful information about people and events in the area. There are lists of baptisms and marriages which are helpful to people seeking information about their ancestors.

The trustees of the Library are - Russell Fogelin, Chairman; Alden Young, Secretary-Treasurer; Mrs. Nancy Smith; Mrs. Debra Joyce; Mrs. Ruth Fogelin; Mrs. Pamela Robinson and Kenneth Beaupre.

Respectfully submitted,
LILLIAN R. BROWN
Librarian

**REPORT OF TOWN FOREST FIRE WARDEN
AND
STATE FOREST RANGER**

Between July 1986 and June 1987, we experienced fewer fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All causes are preventable, but only with **your** help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest tax law may be violated, call your Forest Fire Warden, or Concord Forest Protection Headquarters at (603) 271-2217.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

WAKEFIELD FIRE COMMISSIONERS REPORT

In 1987, the Wakefield Fire Departments, under the direction of Chief Earl Dodier, with the help of his officers and firemen, provided excellent fire protection for the town.

The Union Fire Department, under the direction of Chief Fred Gray, with the help of his officers, also provided excellent fire protection for the Town.

By adding equipment, such as, the Jaws of Life, Scott Air Pacs, Communication equipment, Fireman's protective turn-out gear, better lighting systems, as well as the normal firefighting gear, only provides for better protection for the Town as well as protecting those individuals doing the job.

The Wakefield Fire Commissioners wish to commend all Fire Fighters for their efforts in service to our town.
