CHESTERFIELD FIRE & RESCUE PRECINCT
DECEMBER 31, 2006

SPOFFORD FIRE DEPARTMENT
DECEMBER 31, 2006

DEDICATION

This Town Report is dedicated to the memory of LOUIS E. PERHAM, who died in November 2006. Louis joined the Chesterfield Fire Department in 1985 and served in the capacity of firefighter, lieutenant and captain of the West Chesterfield station. In 1998, he was appointed Fire Chief of the Chesterfield Fire and Rescue Department and served in that position until his death.

In addition to his years of service in the Fire Department, Louis had previously served as one of the original members of the Chesterfield Recycling Committee. He was also a member of the Town's Office of Emergency Management and previously a member and chairman of the Chesterfield Cemetery Commission. He was also a fire warden for the Town. It's hard to put all of what Louis contributed to us into a few sentences. He is known and remembered for his gruff voice and his gentle demeanor, and giving of himself to enrich all of us in so many different ways.

The contributions that Louis gave to this community in his lifetime cannot be measured. He left a lasting impression with us all. Louis E. Perham will be deeply missed for years to come.

Selectboard Report – 2006

People

Places

Things

This past year we finally saw the clean up of the Spofford Place site on Route 9A by EPA. They removed a lot of contaminated soil and replaced it with “clean” soil. Over time, we anticipate the groundwater in the area to become less contaminated with Volatile Organic Compounds that have been present in the water for many years. The New Hampshire Department of Environmental Services still has some work to do to finish the clean up, and we anticipate that clean up to take place this upcoming summer. Toward the end of 2006, a proposal was presented to the Planning Board to construct a Fed Ex distribution center in the industrial park at Stow Drive. Plans are nearly completed and we anticipate construction to begin in the early part of 2007.

The summer informational meeting held this past July can be described as one of the liveliest we have had in some time. The main topic of discussion this year was the proposed State bypass of Route 63 by Spofford Lake. There were many points brought up both for and against the bypass. In the end, we decided that it was in the best interest of the entire town to reject the bypass proposal and to request the NH Department of Transportation to work on safety improvements to the current Route 63 by Spofford Lake.

We would like to welcome several new employees who came aboard in 2006. In the Code Enforcement Department, Jeff Cunningham joined us as Deputy Code Officer. At the Police Department, we welcome Dave Eldridge as Police Officer, filling a vacancy in that department. Pat Wirkus became the new Deputy Town Clerk/Deputy Tax Collector and James Willis was hired as Town Office janitor. We hope for long term success for each of these employees.

Ruth Van Houten was recognized by the NH Local Government Center with the Volunteer-of-the-Year Award, one of four such awards in the state for her commitment and dedication. We want to welcome several new volunteers to the land use boards this year. Elaine Blake and Blake Woodman have signed on as alternates to the Planning Board. Renee Fales and James Larkin have joined the Zoning Board as alternates. We want to thank them and all the other volunteers to the various town boards and committees for their dedicated service.

The Planning Board has been especially busy this past year. Besides working on the Fed Ex facility, they are grappling with issues such as height restrictions, town growth, how to protect the town's appearance and still grow with the times as they change. They have also been working to complete the Master Plan that was started a couple of years back. The Town Office Committee has been working with the architectural firm of Weller & Michal this past year to design and develop a new town office/police station in the center of town. Wesfield Construction was brought on board as Construction Manager for the project. We anticipate that the voters at Town Meeting in 2007 will have an opportunity to vote on constructing this new facility.

A major change took place at Chesterfield School this past summer. Sharyn D'eon was appointed as school principal, replacing the retiring Marty Mahoney. We wish Marty good fortune in his retirement and look forward to a rewarding relationship between Sharyn and the Town. As always, if you have a few hours a month and would like to volunteer for any of the various town boards and committees, please stop by the Selectmen's Office and let us know.

Jon McKeon, Chmn

Board of Selectmen

**2007 TOWN WARRANT
TOWN OF CHESTERFIELD
STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Chesterfield, in the County of Cheshire, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the CHESTERFIELD TOWN HALL in said Chesterfield, on Tuesday, the 13th day of March, next at ten of the clock in the forenoon (polls at this location close at 6:00 p.m.) to ballot for Town Officers and other questions required by law to be decided by ballot.

You are further hereby notified to meet at the CHESTERFIELD SCHOOL in said Chesterfield on Tuesday, the 13th day of March, next at six thirty of the clock in the evening (polls at this location will be open from 6:30 p.m. to 8:00 p.m.) to ballot for Town Officers and other questions required by law to be decided by ballot.

ARTICLE 1: To vote an Australian Ballot for all necessary Town Officers.

ARTICLE 2: To vote by ballot on amendments to the Zoning Ordinances.

The business meeting will be called to order at 6:30 of the clock in the evening at the CHESTERFIELD SCHOOL to act upon the following subjects:

ARTICLE 3: To hear the report of the Budget Committee, or act in any way related thereto.

ARTICLE 4: To see if the Town will vote to raise and appropriate the sum of Two Million Five Hundred Thousand Dollars (\$2,500,000) for the construction and equipping of a new Town Office/Police Department building, and to authorize the issuance of not more than Two Million Four Hundred Thousand Dollars (\$2,400,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon: furthermore, to authorize the withdrawal of up to One Hundred Thousand Dollars (\$100,000) from the New Town Office Building Capital Reserve Fund created for this purpose. (2/3 Ballot Vote required)

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 5: To see if the Town will vote to raise and appropriate the sum of Two Million Four Hundred Seventy One Thousand and Seven Hundred and Eighty Seven Dollars (\$2,471,787) for the following purposes, or act in any way related thereto. (\$2,487,362 Recommended by Board of Selectmen)

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of Two Hundred Ten Thousand Seven Hundred and Sixty Dollars (\$210,760) for the purpose of resurfacing Town roads, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand Dollars (\$25,000) to be added to the already established Roadways Construction and Reconstruction Capital Reserve Fund.

(Recommended by the Selectmen) (NOT Recommended by the Budget Committee)

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of Sixty Nine Thousand Dollars (\$69,000) to be added to the already established Highway Heavy Equipment Capital Reserve Fund, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of One Hundred and Twenty Six Thousand Six Hundred and Ten Dollars (\$126,610) to purchase a new 35,000 GVW Truck for the Highway Department and authorize the withdrawal of up to One Hundred and Twenty Six Thousand Six Hundred and Ten Dollars (\$126,610) from the Highway Heavy Equipment Capital Reserve Fund, said amount to be offset by the amount received from the trade-in or sale of the existing 1995 Ford Truck, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000) for the purpose of Removing and Replacing the Roof Insulation at the Highway Garage, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) for the purchase of Guard Rails, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000) to be added to the already established Revaluation Capital Reserve Fund, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of Seventy Thousand Dollars (\$70,000) to contract for a Town Wide Reassessment of Property Values and authorize the withdrawal of up to Seventy Thousand Dollars (\$70,000) from the Revaluation Capital Reserve Fund, for this purpose, or act in any way related thereto. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the completion of the Reassessment or by December 31, 2009.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 14: To see if the Town will vote to raise and appropriate the sum of Five Thousand Five Hundred Dollars (\$5,500) to purchase a new Copier at the Town Offices, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 15: To see if the town will vote to raise and appropriate the sum Thirty Thousand Dollars (\$30,000) to be added to the already established Transfer Station Heavy Vehicles and Equipment Capital Reserve Fund, or act in any way related thereto.

(Recommended by the Selectmen) (\$20,000 Recommended by the Budget Committee)

ARTICLE 16: To see if the town will vote to raise and appropriate the sum Twenty Three Thousand Dollars (\$23,000) to be added to the already established Police Cruiser Capital Reserve Fund, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 17: To see if the Town will vote to raise and appropriate the sum of Seven Thousand Dollars (\$7,000) to be added to the already established Police Department Equipment Capital Reserve Fund, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 18: To see if the Town will vote to raise and appropriate the sum of Four Thousand Dollars (\$4,000) to purchase a new Police Department Laptop Computer, and authorize the withdrawal of up to Four Thousand Dollars (\$4,000) from the Police Department Equipment Capital Reserve Fund for that purpose, or act in any way related thereto or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 19: To see if the Town will vote to raise and appropriate the sum of One Thousand Five Hundred Dollars (\$1,500) for computer upgrades at the Police Department and authorize the withdrawal of up to One Thousand Five Hundred Dollars (\$1,500) from the Police Department Equipment Capital Reserve Fund for that purpose, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 20: To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000) to wire the Town Hall for use with a generator, or act in any way related thereto.

(Recommended by the Selectmen) (NOT Recommended by the Budget Committee)

ARTICLE 21: To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to be added to the already established Library Building Maintenance Capital Reserve Fund, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 22: To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000) to the already established Wildland Fire Suppression Expendable Trust Fund, or act in any way related thereto. Said sum to be from the surplus of the 2006 Forest Fire operating budget.
 (Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 23: To see if the Town will vote to raise and appropriate the sum of One Thousand Five Hundred Dollars (\$1,500) to be added to the already established Cemetery Truck Replacement Expendable Trust Fund, or act in any way related thereto.
 (Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 24: To see if the Town will vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500) to be added to the already established Cemetery Mower Replacement Expendable Trust Fund, or act in any way related thereto.
 (Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 25: To see if the Town will vote to raise and appropriate the sum of Twenty One Thousand Four Hundred and Four Dollars (\$21,404) to support the following, or act in any way related thereto.

Chesterfield Senior Meals program	300
Home Health, Meals on Wheels and Age in Motion	8,032
Monadnock Family Services/Mental Health	4,495
Community Kitchen	6,000
Youth Services	140
Southwestern Community Services	1,487
Visiting Nurse Association & Hospice	500
Samaritans	250
Drop In Center	200
TOTAL	21,404

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 26: To see if the Town will vote to accept the following to be added to the Chesterfield Cemetery Maintenance Funds:

Joseph W. and Lorraine D. Baldwin Cemetery West Cemetery Lots 114E B2 + C3	\$ 450.00
Howard Hamlin Friedsam Cemetery Lots #102 A+B	\$ 450.00
Edith Petrovitch Spofford Annex Cemetery Lot #123B	\$ 225.00
Michael J. and Patricia L. Como Chesterfield West Cemetery Lots #114 West half	\$ 900.00
Ronald A. and Barbara A. Tourgee Friedsam Cemetery Lot #42A	\$ 225.00
Lilly Kienle Spofford Cemetery - Donation	\$ 50.00

ARTICLE 27: To see if the Town will vote to discontinue the Chesterfield Fire Truck Capital Reserve Fund created in 1964. The fund balance of this Capital Reserve Fund is zero dollars.

ARTICLE 28: To see if the Town will vote to authorize the Planning Board to prepare a Capital Improvement Program pursuant to RSA 674:5.

ARTICLE 29: To see if the Town will go on record in support of effective actions by the President and the Congress to address the issue of climate change which is increasingly harmful to the environment and economy of New Hampshire and to the future and well being of the people of Chesterfield.

These actions include:

1. Establishment of a national program requiring reductions of U.S. greenhouse gas emissions while protecting the U.S. economy
2. Creation of a major national research initiative to foster rapid development of sustainable energy technologies thereby stimulating new jobs and investment.

In addition, the town of Chesterfield encourages New Hampshire citizens to work for emission reductions within their communities, and ask our Selectmen to consider the appointment of a voluntary energy committee to recommend local steps to save energy and reduce emissions.

The record of the vote of this article shall be transmitted to the New Hampshire Congressional Delegation, to the President of the United States, and to declared candidates for those offices.

[Inserted by Petition]

ARTICLE 30: To see if the Town will vote to allow the Board of Selectmen to dispose of municipal assets by sealed bid, or by other means as deemed appropriate, or act in any way related thereto.

ARTICLE 31: To transact any other business that may legally come before this meeting.

Given under our hands and seal this 15th day of February in the year of our Lord Two Thousand and Seven.

Chesterfield Board of Selectmen

CHESTERFIELD, NEW HAMPSHIRE

TOWN MEETING 2006

Proceedings of the Annual Town Meeting of the voters of the Town of Chesterfield, New Hampshire, called at the Chesterfield School in said town on Tuesday, March 14, 2006.

Assistant Moderator Warren Allen called the Town Meeting to order at 10 o'clock in the forenoon at the Town Hall and declared the polls open for voting by ballot for Town Officials and amendments to the Zoning Ordinances.

Polls were closed at 6:00 pm at the Town Hall and voting resumed at 6:30 pm at the Chesterfield School. Moderator Michael Bentley called the meeting to order at 6:45 pm with Warren Allen and Judith Moreau as assistant moderator and deputy clerk, respectively.

Police Chief, Lester Fairbanks, lead the meeting in the salute to the flag.

The Moderator recognized Selectperson Wanda McNamara, who made a few comments of appreciation of former Selectman Chester "Mr. Mayor" Greenwood for his years of service.

The Moderator stated that we would be taking three Articles out of order. The first Article that would be acted upon will be Article 37, then Article 38, then Article 14.

ARTICLE 37: A motion was made by Gary Winn and seconded by Toni O'Neil to see if the Town will vote to discontinue the following roads per RSA 231:45 (change from Class V open highways to Class VI highway subject to gates and bars):

- Egypt Road (off of Gulf Road)
- Dexter Thomas Road (off from Stage Road)
- Stoddard Drive (off from Poocham Road)
- MacDonald Road (off from High Street)

A voice vote was in the affirmative on a motion made by Wanda McNamara and seconded all over the room to pass over this article. The article was passed over.

ARTICLE 38: A voice vote was in the affirmative on a motion made by Kristin McKeon and seconded by Steve Laskowski to approve the following Town Clerk Compensation Policy.

PURPOSE:

The Town of Chesterfield considers the Town Clerk to be a valuable position in delivering efficient services to its citizens. The purpose of this town clerk compensation policy is to establish a policy for the method of compensation for the elected position of Chesterfield Town Clerk. Nothing in this policy shall conflict with the choice and duties of the Town Clerk as defined in the Revised Statutes Annotated of the State of New Hampshire Chapter 41. If any provisions of this Policy or the application thereof to any person or circumstance are determined to be invalid by a court of competent jurisdiction, such invalidity shall not affect other provisions or applications of this policy.

COMPENSATION:

The Town Clerk shall receive compensation based on fees and salary. The Town Clerk shall receive all statutory fees (see definition Statutory Fees) so permitted with the exception of State motor vehicle

registration fees. The annual salary, paid weekly, shall be comprised of three parts. There shall be a base salary, state motor vehicle registration salary, and additional shift salary.

Base Salary: shall be 30% (thirty percent) of the Annual Salary. This salary is contingent upon the Town Clerk's office being open to the public at a minimum of 18 (eighteen) hours per week with 3 (three) of those hours to be evening shift. This base salary shall include the duties required by the Town Clerk for any and all election activities and other office hours as required by State statutes.

State Motor Vehicle Registration Salary: shall be 50% (fifty percent) of the Annual Salary. This salary is contingent upon the Town Clerk's office fulfilling the duties of municipal agent to issue, renew or transfer motor vehicle registrations as defined in RSA 261:74-a through 261:74-g and to charge for the maximum fee allowed per RSA 261:74-d, currently \$2.50 per registration. The intent of this salary is to encourage the Town Clerk to offer this service to the citizens of Chesterfield.

Additional Shift Salary: shall be 20% (twenty percent) of the Annual Salary. This salary is contingent upon the Town Clerk's office being open to the public for additional hours above and beyond those covered in the Base Salary. To receive the additional shift salary, The Town Clerk's office shall be open to the public for an additional evening shift per week OR open to the public on the last Saturday of each month for a 4 (four) hour continuous shift between the hours of 9:00 a.m. and 5:00 p.m. at the discretion of the Town Clerk.

DEPUTY TOWN CLERK:

The Board of Selectmen encourages the appointment of a deputy town clerk as provided for in RSA 41:18. Nothing in this section of this policy shall be construed as a contract of employment for the Deputy Town Clerk. The Deputy Town Clerk shall be considered an employee-at-will and is subject to the provisions of the Town of Chesterfield Personnel Policy.

The rate of compensation for the Deputy Town Clerk shall be determined by the Board of Selectmen. The Deputy Town Clerk shall be paid the statutory fees which he/she collects only during those shifts when the Deputy Town Clerk is covering an absence of the Town Clerk.

The work schedule of the Deputy Town Clerk shall be set by the Board of Selectmen in consultation with the Town Clerk and availability of the Deputy Town Clerk. It is envisioned that the Deputy Town Clerk will be regularly scheduled on Monday mornings each week or Wednesday mornings on those weeks with a Monday holiday. Should the Town Clerk not add an additional shift to his/her schedule, as per the additional shift salary, then the Deputy Town Clerk may work the regularly scheduled evening shift with the Town Clerk.

The Deputy Town Clerk may be scheduled on election days to work with and assist the Town Clerk with any and all election duties as allowed by law.

The Deputy Town Clerk may be scheduled to open and operate the Town Clerk's office with consent of the Town Clerk, during the Town Clerk's allowed vacation time and/or allowed sick time. The Deputy Town Clerk may open and operate the Town Clerk's office for the absence(s) of the Town Clerk during attendance at conferences, seminars, and/or meetings, only after obtaining prior approval from the Board of Selectmen.

The Deputy Town Clerk may be scheduled for the Town Clerk to attend any required training, as determined by the State of New Hampshire, with prior notice to the Board of Selectmen. The Deputy Town Clerk may also attend any required training, at the discretion of the Town Clerk with prior approval from the Board of Selectmen and availability of the Deputy Town Clerk.

ALLOWABLE ABSENCES:

The Board of Selectmen allow for the following time off, one week of vacation time per calendar year (see Definition of Calendar Year). A week is determined by the number of shifts in the Town Clerk's normal scheduled workweek. In addition, the Board of Selectmen allows for up to 3 (three) sick days in a calendar year. Sick days shall be used in whole day increments). In the event the Town Clerk does not use his/her full-accumulated vacation or sick leave annually, any unused portion shall be forfeited. The Town Clerk's office may be closed, at the discretion of the Town Clerk, for any legal holiday as defined by the Town of Chesterfield's Personnel Policy.

In the event the Town Clerk exceeds the allowable absences in any calendar year, a prorated deduction of 33⅓ percent per day of absence shall be subtracted from the State Motor Vehicle Registration Salary portion for the workweek in which the absence occurred with a maximum of 100% deduction in any workweek. In addition, if the Town Clerk qualifies for the Additional Shift Salary, a prorated deduction of 25% per day of absence shall be subtracted from the Additional Shift Salary portion for the workweek in which the absence occurred with a maximum of 100% deduction in any workweek.

Nothing in this policy shall forbid the Town Clerk from attending any conference, seminar and/or meeting, except that prior approval of the Board of Selectmen is required if the Deputy Town Clerk will be requested to fill in for such absence OR monies are to be appropriated from the Town's operating budget OR the absence is not to be counted against the allowable absences in the calendar year.

AMENDMENTS:

This Policy may be amended by vote at Town Meeting.

SEVERABILITY:

Should any section or provision of this policy be held to be invalid or unconstitutional by any court or authority of competent jurisdiction, such holding shall not affect, impair or invalidate any other section or provision of this ordinance, and to such end all sections and provisions of this ordinance are declared to be severable.

DEFINITIONS:

Annual Salary – amount budgeted and approved at the annual town meeting for the Elections, Registrations, Vital Stats budget. Annual salary calculation begins with the pay period following the annual Town Meeting. Prior to Town Meeting, the annual salary shall be calculated at the prior year's rate.

Calendar Year – for the purpose of this policy, a calendar year is the period of time beginning on Town Meeting Day and ending on the day before the subsequent Town Meeting Day.

Evening Shift – Office open to the public between the hours of 5:00 p.m. and 8:00 p.m. in a continuous 3 hour block of time.

Statutory Fees – fees collected by the town clerk in accordance with state statutes. Fees include but not limited to town motor vehicle registration fees, boat registration fees, vital records fees, and dog licensing fees. For the purpose of this policy, State motor vehicle registration fees pursuant to RSA 261-74-d are NOT included in the definition of statutory fees due to the town clerk receiving a salary.

Workweek - The workweek begins at 12:01 a.m. Sunday and ends on midnight Saturday.

EFFECTIVE DATE:

This policy shall take effect upon passage at the 2006 Town Meeting.

ARTICLE 14: A motion was made by Jon McKeon and seconded by Chet Greenwood to see if the Town will vote to raise and appropriate the sum of One Hundred and Thirty Thousand Dollars (\$130,000) to purchase a new Roll Off Truck for the Transfer Station, said sum to be offset by the trade-in or sale of the used roll-off truck, or act in any way related thereto.

(Recommended by the Selectmen) (NOT Recommended by the Budget Committee)

An amendment was made by Bob Del Sesto to replace Article 14 entirely with: Vote to establish a Capital Reserve Fund for the Transfer Station Roll Off Truck and raise and appropriate the sum of \$20,000 for that Capital Reserve Fund. Motion lost to show of hands 60 for and 76 against. DRA would not have allowed this amendment because it is a "change of purpose".

Request to move the question. Vote by a show of hands: 70 in favor, 70 against. Not a majority – Motion Not Adopted.

A vote by a show of hands was in the affirmative on a motion to restrict reconsideration: Vote by show of hands: 62 to restrict and 52 opposed.

Moderator Bentley closed the polls at 8:10 pm

ARTICLE 3: Chairman Gary Winn presented the report of the Budget Committee.

ARTICLE 4: A motion was made by Wanda McNamara and seconded all around the room to see if the Town will vote to raise and appropriate the sum of Two Million Three Hundred Forty One Thousand and Eighty Four Dollars (\$2,341,084) for the following purposes, or act in any way related thereto.

Recommended by
Budget Committee and Board of Selectmen

1. Executive	122,820
2. Elections, Registrations, Vital Stats	49,500
3. Financial Administration	52,625
4. Legal Expense	25,000
5. Personnel Administration	292,700
6. Planning Board	14,000
7. Board of Adjustment	7,700
8. General Government Buildings	31,700
9. Cemeteries	50,263
10. General Insurance	57,000
11. Regional Association (SWRPC)	4,200
12. Police	344,932
13. Police Reimbursable Detail	60,000
14. Ambulance	32,500
15. Code Enforcement	35,300
16. Office of Emergency Management	22,700
17. Forest Fires	6,000
18. Highway/Town Road Maintenance	646,533
19. Street Lighting	17,500
20. Solid Waste	207,430
21. Health Officer	8,200
22. Animal Control	2,000

23. Other Health (Hepatitis B Shots)	300
24. General Assistance	25,000
25. Parks and Recreation	56,543
26. Library	112,238
27. Patriotic Purposes	400
28. Conservation Commission	3,900
29. Debt Service	52,100
	2,341,084

An amendment was made by Gary Winn to increase the Solid Waste Line by \$6,000 making the budget total \$2,347,084. Seconded by Susan Newcomer. Discussion of whether \$6,000 was enough or should it be \$20,000. Gary withdrew the motion.

An amendment was made by Sue Newcomer to add enough to cover the pulls if the truck was parked. After discussion she withdrew the motion.

A voice vote was in the affirmative on a motion made by Fred Szmit and seconded by Gary Winn to amend Article 4 to \$2,361,084 by increasing the Solid Waste line by \$20,000 to repair and make safe the Roll Off truck.

A voice vote was in the affirmative to adopt Article 4 as amended.

ARTICLE 5: A voice vote was in the affirmative on a motion made by Wanda McNamara and seconded by Toni O'Neil to see if the Town will vote to raise and appropriate the sum of One Hundred Five Thousand Six Hundred and Eight Dollars (\$105,608) for the purpose of resurfacing Town roads, or act in any way related thereto.

(Recommended by the Selectmen) Recommended by the Budget Committee)

ARTICLE 6: A vote by a show of hands (54 in favor, 47 opposed) was in the affirmative on a motion made by Wanda McNamara and seconded by Chet Greenwood to see if the Town will vote to raise and appropriate the sum of One Hundred Thousand Dollars (\$100,000) to be added to the already established Roadways Construction and Reconstruction Capital Reserve Fund.

(Recommended by the Selectmen) (\$75,000) Recommended by the Budget Committee)

ARTICLE 7: A voice vote was in the affirmative on a motion made by Wanda McNamara and seconded by Gary Winn to see if the Town will vote to raise and appropriate the sum of Sixty Seven Thousand Dollars (\$67,000) to be added to the already established Highway Heavy Equipment Capital Reserve Fund, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 8: A voice vote was in the affirmative on a motion made by Wanda McNamara and seconded by Sue Newcomer to see if the Town will vote to raise and appropriate the sum of One Hundred and Thirteen Thousand (\$113,000) to purchase a new Loader and Plow for the Highway Department and authorize the withdrawal of up to One Hundred and Thirteen Thousand Dollars (\$113,000) from the Highway Heavy Equipment Capital Reserve Fund, said amount to be offset by the amount received from the trade-in or sale of the existing Loader, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 9: A vote by a show of hands (114 in favor and 0 opposed) was in the affirmative on a motion made by Wanda McNamara and seconded by Gary Winn to see if the Town will vote to change the purpose of the existing Highway Roof for Fuel Tanks and Fueling Area Capital Reserve Fund to the Highway Fuel Tank Replacement Capital Reserve Fund and further, to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be added to this newly created Highway Fuel Tank Replacement Capital Reserve Fund, or act in any way related thereto. **(2/3 majority vote required)**

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 10: A voice vote was in the affirmative on a motion made by Wanda McNamara and seconded by Gary Winn to see if the Town will vote to raise and appropriate the sum of Forty Thousand (\$40,000) to purchase replacement fuel tanks for the Highway Department fueling area and authorize the withdrawal of up to Forty Thousand Dollars (\$40,000) from the Highway Fuel Tank Replacement Capital Reserve Fund, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 11: A voice vote was in the affirmative on a motion made by Wanda McNamara and seconded by Bart Bevis to see if the Town will vote to raise and appropriate the sum of Seven Thousand Two Hundred Dollars (\$7,200) for the purchase of Guard Rails, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 12: A voice vote was in the affirmative on a motion made by Jon McKeon and seconded by Lester Fairbanks to see if the Town will vote to raise and appropriate the sum of Two Hundred Thousand Dollars (\$200,000) for an Architect/Engineer to provide planning and design services for the new Town Offices and Police Station and authorize the withdrawal of up to Two Hundred Thousand Dollars (\$200,000) from the Town Office Building Capital Reserve Fund. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the Town Office and Police Station design services is completed or by December 31, 2011, whichever is sooner, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 13: A voice vote was in the affirmative on a motion made by Jon McKeon and seconded by Carol Ross to see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000) to be added to the already established Revaluation Capital Reserve Fund, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 15: A voice vote was in the affirmative on a motion made by Jon McKeon and seconded by Jim O'Neil to see if the Town will vote to raise and appropriate the sum of Seven Thousand Five Hundred Dollars (\$7,500) to complete the Paving and Site Work at the Transfer Station, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 16: A voice vote was in the affirmative on a motion made by Jon McKeon and seconded by Chet Greenwood to see if the town will vote to raise and appropriate the sum Twenty Eight Thousand Dollars (\$28,000) to be added to the already established Police Cruiser Capital Reserve Fund, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 17: A voice vote was in the affirmative on a motion made by Jon McKeon and seconded by Lester Fairbanks to see if the Town will vote to raise and appropriate the sum of Seven Thousand

Dollars (\$7,000) to be added to the already established Police Department Equipment Capital Reserve Fund, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 18: A voice vote was in the affirmative on a motion made by Wanda McNamara and seconded by Lester Fairbanks to see if the Town will vote to raise and appropriate the sum of Forty Thousand Dollars (\$40,000) for the purchase of a Police Department SUV (Sport Utility Vehicle) and set up costs, and authorize the withdrawal of up to Forty Thousand Dollars (\$40,000) from the Police Cruiser Capital Reserve Fund for that purpose, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 19: A voice vote was in the affirmative on a motion made by Wanda McNamara and seconded by Jim O'Neil to see if the Town will vote to raise and appropriate the sum of Four Thousand One Hundred Dollars (\$4,100) to purchase a new Police Department Portable Radio, and authorize the withdrawal of up to Four Thousand One Hundred Dollars (\$4,100) from the Police Department Equipment Capital Reserve Fund for that purpose, or act in any way related thereto or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 20: A voice vote was in the affirmative on a motion made by Wanda McNamara and seconded by Lester Fairbanks to see if the Town will vote to raise and appropriate the sum of One Thousand Five Hundred Dollars (\$1,500) for computer upgrades at the Police Department and authorize the withdrawal of up to One Thousand Five Hundred Dollars (\$1,500) from the Police Department Equipment Capital Reserve Fund for that purpose, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 21: A voice vote was in the affirmative on a motion made by Jon McKeon and seconded by Davis Peach to see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to be added to the already established Library Building Maintenance Capital Reserve Fund, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 22: A voice vote was in the affirmative on a motion made by Jon McKeon and seconded by Jim O'Neil to see if the Town will vote to create an expendable general fund trust fund under the provisions of RSA 31:19-a, to be known as the Library Copier Expendable Trust Fund for the purpose of copier replacement, and to raise and appropriate the sum of Two Thousand Three Hundred Dollars (\$2,300) to be placed in this fund. And further, to see if the Town will vote to appoint the Library Trustees as agents to expend from this fund, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 23: A voice vote was in the affirmative on a motion made by Jon McKeon and seconded by Gary Winn to see if the Town will vote to create an expendable general fund trust fund under the provisions of RSA 31:19-a, to be known as the Library Insurance Deductible Expendable Trust Fund for the purpose of insurance deductibles, and to raise and appropriate the sum of One Thousand Dollars (\$1,000) to be placed in this fund. And further, to see if the Town will vote to appoint the Library Trustees as agents to expend from this fund, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 24: A voice vote was in the affirmative on a motion made by Jon McKeon and seconded by Toni O'Neil to see if the Town will vote to raise and appropriate the sum of Four Thousand Dollars (\$4,000) to the already established Wildland Fire Suppression Expendable Trust Fund, or act in any way related thereto. Said sum to be from the surplus of the 2005 Forest Fire operating budget.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 25: A voice vote was in the affirmative on a motion made by Jon McKeon and seconded by Gary Winn to see if the Town will vote to raise and appropriate the sum of Seven Thousand Five Hundred Dollars (\$7,500) to be added to the already established Cemetery Truck Replacement Expendable Trust Fund, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 26: A voice vote was in the affirmative on a motion made by Jon McKeon and seconded all around the room to see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000) to be added to the already established Cemetery Mower Replacement Expendable Trust Fund, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

A voice vote was in the affirmative on a motion made by Neil Jenness and seconded by Sue Newcomer to dispense with the reading of Articles 27 thru 35 and adopt as a block.

ARTICLE 27: To see if the Town will vote to raise and appropriate the sum of Three Hundred Dollars (\$300) to support the Chesterfield Senior Meals program, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 28: To see if the Town will vote to raise and appropriate the sum of Eight Thousand Nine Dollars (\$8,009) to aid Home Healthcare and Community Services, Meals on Wheels and Age In Motion, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 29: To see if the Town will vote to raise and appropriate the sum of Four Thousand Four Hundred and Ninety Five Dollars (\$4,495) to support the work of Monadnock Family Services/Mental Health, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 30: To see if the Town will vote to raise and appropriate the sum of Six Thousand Dollars (\$6,000) to support the work of Keene Community Kitchen, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 31: To see if the Town will vote to raise and appropriate the sum of One Hundred and Forty Dollars (\$140) to support the work of Youth Services, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 32: To see if the Town will vote to raise and appropriate the sum of One Thousand Two Hundred and Ninety Six Dollars (\$1,296) to support the work of The Southwestern Community Services, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 33: To see if the Town will vote to raise and appropriate the sum of Two Hundred and Fifty Dollars (\$250) to support the work of The Samaritans, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 34: To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500) to support the work of The Visiting Nurse Alliance, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

ARTICLE 35: To see if the Town will vote to raise and appropriate the sum of Two Hundred Dollars (\$200) to support the work of The Drop In Center, or act in any way related thereto.

(Recommended by the Selectmen) (Recommended by the Budget Committee)

A voice vote was in the affirmative on a motion made by Neil Jenness and seconded by Sue Newcomer to dispense with the reading of Article 36 and adopt it.

ARTICLE 36: To see if the Town will vote to accept the following to be added to the Chesterfield Cemetery Maintenance Funds:

Stephen D. and Nancy Bevis Cemetery West Cemetery Lots 80W #F5+G4	\$ 450.00
Barbara and David Cavanaugh Friedsam Cemetery Lots #211 A+B	\$ 450.00
Bruce W. and Avis A. Gauthier Chesterfield West Annex Cemetery Lot #114E - D4	\$ 225.00
Charles W. and Ruth S. Forbes Spofford Annex Cemetery Lots #135 A+B	\$ 450.00

ARTICLE 39: A voice vote was in the affirmative on a motion made by Jon McKeon and seconded by Steve Laskowski to see if the Town will vote to allow the Board of Selectmen to dispose of municipal assets by sealed bid, or by other means as deemed appropriate, or act in any way related thereto.

ARTICLE 40: To transact any other business that may legally come before this meeting.

Ruth VanHouten thanked the Budget Committee for their hard work and the Selectmen for their dedication of the Annual Report to the Volunteers. She also stated that future meetings should be recorded.

The Moderator declared the meeting adjourned at 9:20 pm.

Number of names on the checklist	2582
Number of ballots cast	562

ARTICLE 1: To vote an Australian Ballot for all necessary Town Officers.

ARTICLE 2: To vote by ballot on amendments to the Zoning Ordinances.

The ballots cast under Articles 1 and 2 were counted.

*declared elected

ARTICLE 2:

1.) A vote was in the affirmative to adopt Amendment #1 as proposed by the Planning Board for the Town Zoning Ordinances as follows:

To create a Proposed Planned Development District (PDD) #1 on a tract of land located off Route 9 (Map 11B Lot A12) currently zoned Residential owned by Donald Emery & Kevin Beal.

The Planned Development District #1 is a five lot subdivision, encompassing a proposed distribution facility, a proposed fire house, and 3 additional lots for development according to the PDD#1 Regulations.

[Recommended by Planning Board]

YES 422 NO 115

2.) A vote was in the affirmative to adopt Amendment #2 as proposed by the Planning Board for the Town Building Ordinances as follows:

Amend Article 15.02 Building Permit Application and Article 15.03 Compliance with Building Permit to add the following sentence to the end of each of these sections:

"Chimney modifications require prior consultation with the Building Inspector and may require a permit."

And to Amend Article 15.04 Commencement without Building Permit to read (*changes underlined*):

It shall be unlawful for any person to commence work on construction, prefabrication, modification, alteration, or repair of any building or structure until a building permit has been issued for such construction, prefabrication, modification, alteration or repair by the Building Inspector. Chimney modifications require prior consultation with the Building Inspector and may require a permit.

Exceptions

1. Repairs, except for chimneys, where the cost of materials is less than \$2,500.00;
2. Reroofing-One (1) and two (2) family dwellings or accessory building;
3. Accessory buildings less than 160 square feet in area.

[Recommended by Planning Board]

YES 310 NO 216

3.) A vote was in the affirmative to adopt Amendment #3 as proposed by the Planning Board for the Town Building Ordinances as follows:

Amend Article 13.02 Codes to add the words "demolition and/or removal" as part of the items covered by the building codes.

And add new section 15.07 Demolition and/or removal of buildings to read:

It shall be unlawful for any person to teardown, remove or demolish any structure that would otherwise require a permit to build without obtaining a Building Demolition / Removal Permit from the building inspector. A Building Demolition / Removal Permit shall only be good for a period of (180) one hundred eighty days. Fines for non-compliance may be assessed. When all of the demolition and/or removal have been completed to the satisfaction of the Chesterfield Building Inspector/ Code Enforcement Officer a Demolition / Removal Certificate of Completion shall be issued. All other applicable provisions as set forth in Section III of this Building Ordinance shall apply.

[Recommended by Planning Board]

YES 302 NO 223

4.) A vote was in the affirmative to adopt Amendment #4 as proposed by petition for the Town Zoning Maps as follows:

Amending the Official Zoning Map of the Town of Chesterfield, maintained pursuant to the Zoning Ordinance of the Town of Chesterfield New Hampshire, thereby placing all of Tax Map 12, Lot A1.28 ("Lot") in the Commercial/Industrial District (said Lot consisting of approximately 65.5 acres with approximately 24.4 acres presently in the Commercial/Industrial District and approximately 41.1 acres presently in the Rural/Agricultural District) and which Lot has frontage on and lies easterly of Stow Drive?

[Recommended by Planning Board]

YES 382 NO 131

5.) A vote was in the affirmative to adopt Amendment #5 as proposed by petition for the Town Zoning Maps as follows:

Amending the official zoning map of the Town of Chesterfield from Office/Retail/Services to Rural/Agricultural for the following properties

1. Property owned by Very Mill Corporation on Route 9 (Chesterfield Heights Area) Tax Map 8, Lot C2.1, Tax Map 8 Lot C2.505, Tax Map 8 Lot C2.516, Tax Map 8 Lot C2.514
2. A portion of Property owned by Francis and Sheryl Shield on Very Mill Road off Route 9 (Chesterfield Heights Area) Tax Map 8 Lot C2.513. The remainder of the property is already in the Rural/Agricultural Zone
3. A portion of Property owned by Cheryl Meehan on Very Mill Rd off Route 9 (Chesterfield Heights Area) Tax Map 8 Lot C2.512. The remainder of the property is already in the Rural/Agricultural Zone.

[Not Recommended by Planning Board]

YES 269 NO 264

6.) A vote was in the affirmative to adopt Amendment #6 as proposed by the Planning Board for the Floodplain Development Ordinances as required to comply with the National Flood Insurance Program as follows:

To repeal the current Floodplain Development Ordinance in its entirety, adopted March 8, 1994, and replace with the new Floodplain Development Ordinance, revised to be consistent with the provisions of the National Flood Insurance Program.

[Recommended by Planning Board]

YES 471 NO 60

7.) A vote was in the affirmative to adopt Amendment #7 as proposed by the Planning Board for the Town Zoning Ordinances as follows:

Add new section Article IV, Section 410 Junkyards to read:

410 Junkyards, The outdoor storage of any of the following are not permitted in any district: More than two unregistered automobiles or trucks.

[Recommended by Planning Board]

YES 431 NO 116

Respectfully submitted,

Shirley E. Philbrick
Town Clerk

INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen
Town of Chesterfield, New Hampshire

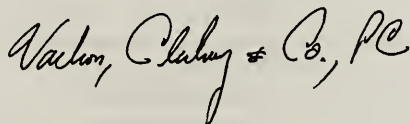

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Chesterfield, New Hampshire (the Town) as of and for the year ended December 31, 2005, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Chesterfield, New Hampshire as of December 31, 2005 and the respective changes in financial position, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The management's discussion and analysis and the budgetary comparison information on pages i-iv and 18-19, respectively, are not a required part of the basic financial statements but are supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Chesterfield, New Hampshire's basic financial statements. The combining nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. The combining nonmajor fund financial statements have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects, in relation to the basic financial statements taken as a whole.

May 10, 2006

January 30, 2007

This year the Highway Department has issued 21 driveway permits. We have installed 16 culverts at various locations and laid 700' +/- of geotextile fabric to extend a run on Gulf Road in an ongoing effort to combat mud.

We resurfaced 7 +/- miles of road and ditched approximately 35 miles of road (gravel and paved).

We took delivery of a new John Deere loader this year, replacing the 1994 loader that had logged 12,000 hours of service to us.

The new fuel tanks (double wall EPA compliant) were installed well within the budget figures and should last a very long time.

Ken Baldwin celebrated his 20th year with the Town!

Respectfully submitted,

*Bart Bevis

Chesterfield Transfer & Recycling Facility

2006 Annual Report

In 2006, our facility is working out great; the facility is quick and efficient. As people grow more accustomed to the facility, traffic seems to flow smoother by the day. Of course, the facility would not work well without the help of the patrons of Chesterfield doing their part and recycling at home.

We have had a problem with hypodermic needles this past year. Since this is a big problem we have put into effect a program to dispose of hypodermic needles. All you have to do is place them in a clear plastic soda bottle and wrap it tightly with duct tape and mark it "Bio-Hazard", then bring it to a Transfer Station attendant so we can dispose of it properly.

There will also be a ban on putting CRTs in the waste stream beginning in July of 2007, so we will be starting a program at that time to recycle all CRTs. There are other programs that we are working on as well, and hope to have in effect soon so that we can better serve the public. We will keep you all posted as we make progress.

Our truck is still proving to be a great asset to us. It allows us to move fuller containers more efficiently and conveniently for us. It also has proven to save us money.

Thank you for doing your part in recycling,

Leon F Dunbar, Jr.
Pete Geneseo
Ron Fish
Jim Guirza

CHESTERFIELD TRANSFER RECYCLING FACILITY
2006 ANNUAL REPORT

The Chesterfield Transfer Recycling Center received the following units in 2006:

POLICE DEPARTMENT REPORT

I would like to thank the Town of Chesterfield for the opportunity to present the Chesterfield Police Department's activity over the past year and some of our goals and programs for 2007.

It is my hope that 2006 was an anomaly in that we have responded to far more criminal cases than in past years. A sexual assault or burglary can take a hundred man hours to investigate. It often requires traveling to interview witnesses, process evidence and complete reams of paperwork. As investigators need to move quickly on leads or witnesses, they are unable to conduct these investigations when they also have to answer dog calls and accidents. This results in overtime and a strain on the department's scheduling and resources.

In 2006 we had a string of thefts and burglaries which taxed the resources of the department. Through many extra hours and determination, the department solved well over 100 thefts, 6 burglaries, and fully investigated all sexual assaults to their conclusion. Chesterfield was the victim of 46 instances of theft of mail. Chesterfield officers spent many extra hours doing surveillance which was coordinated with the U.S. Postal Inspectors Office. As a result suspects were identified and are awaiting federal indictments as well as state charges. In addition, 54 Chesterfield vehicles were entered and items stolen. Again, the suspects have been identified and are awaiting indictment. These investigations are detailed and time consuming requiring a great effort from all the officers of the department. A small agency does not have the scheduling depth of a larger department and these investigations are dynamic and labor intensive. This puts a strain on the many other tasks expected of this agency as well as proactive enforcement.

These investigations also put a strain on the limited and inadequate physical operations in the existing building. There is no adequate interview space and evidence storage is strained to a breaking point. Also Officers work with the perception of professionalism that this old carriage shed projects. We are hopeful that the town will look favorably on the new Town Office Complex which will provide this department with a professional and workable space to continue to provide Chesterfield with the level of service that we are dedicated to provide.

Lt. Duane Chickering currently oversees all investigations. His experience has made the difference in the successful conclusions and prosecution of these cases this year. Yet the pace it requires will be difficult to maintain. As we are a small department all the officers have had to pitch in on these investigations. While everyone has pulled together as a team on these cases, in the long term, patrol officers should be patrolling our roads, neighborhood and highways.

Officer Keith Naylor left the department in 2006. We were very lucky to find Dave Eldridge to fill his position. Dave brings with him 20 years of experience in Law Enforcement as well as a friendly and calm demeanor. He will be attending courses on Interviewing, latent print recovery and investigation. Our hope is that Dave will be able spend the majority of his time on major investigations thus freeing up the other patrol staff to return to their important proactive duties.

Officer Kevin White is expanding his work with the school and is active on their safety committee. Kevin has developed an excellent rapport as the department's liaison officer. He is also looking at various safety and training topics to enhance safety at the school.

Officer Collin Zamore continues to lead the department in proactive patrol activity. He has also led the investigations on several sexual assaults this year. I am very proud of the job he has done on these complicated and emotionally draining investigations.

2006 was a very successful year for the regional prosecutor program. Attorney Scott Trendell successfully prosecuted a huge case load from 8 departments serving 26,000 people. Sadly, as of February 28, 2007 the program has ended. Scott Trendell has resigned and left the practice of law. In the end the program was a victim of its own success. In 2005 the program agreed to bring on Hinsdale and Alstead in an attempt to bring in more resources that were needed. This also brought with it an increase in case load and the need for more resources. This ongoing tension put a strain on the program, which continued only through a spirit of good will between the towns and the Swanzey Police Department. When Scott Trendell resigned and we could no longer hold the program together. The Cheshire County Chief's of Police have been investigating the feasibility of moving the program under the supervision and administration of the County Attorney's Office. With the can-do spirit of Peter Heed and the County's Executive Council, we are currently working out the details on plans to move the program under the supervision of the County Attorney's Office. This pilot program will be funded by the 8 towns currently in the program. It is anticipated that it will expand in the future as many towns have indicated a desire to join in the success of the program. This will allow for a more efficient process as different departments deal with the same people, not knowing the other has similar cases. A \$300,000 grant from the federal government will help in this transition. While the program will be paid by the participating towns for the near future, at some point a "supermajority" may be obtained at which time we will discuss making district court prosecution a County run program.

The 4 years of hard work by the Town Office Complex Committee has reached its intended conclusion. All the hours and public hearings have produced plans for a building that the Town can be proud of. We are presenting a building which will add to the aesthetics of our town center, provide for the needs of the police department and town offices for many years, be efficient and at a reasonable cost. We have spent many hours looking at the cost of the building. Many cuts have been made to reduce the cost without reducing the function, quality or durability of the building. Police Departments can be one of the more expensive buildings for any town to build. Public safety buildings don't have the open space of a highway department, library or Fire Department. It has complex adjacency matrixes as well as being a secure disaster ready building. This building also has space for public meetings for the many committees we have in town government and the Emergency Operations Center.

As many of you know, our current building is not satisfactory for us to continue to function. We are expected to operate in any weather, in any situation, and with the worst society has to offer. The department has one bathroom used by officers, drunks and arrests; it also serves as our kitchen. Our civilian secretary sits 6 feet from arrests, jeopardizing her safety and expanding her vocabulary. Cruisers with thousands of dollars of equipment and expected to respond at a moments notice sit out in the snow and cold. There is no private interview space for victims to share their worse moments of their lives or suspects to confess without constant distractions. We hope you will support this department and the service we give at the bond vote on March 13, 2006.

2006 showed an increase of accidents and a slight increase in injuries. Of the 15 injuries which occurred in the Town during the past year, 12 were on Route 9, 1 on Gulf Road, 1 on Mountain Road, and 1 on Old Swanzey Rd. This year the underlying causes of the injury accidents vary widely. The primary listed contributing factors for injury accidents were: driver inattention (3 accidents with 5 injuries), weather (2), driving while intoxicated (2 accidents with 3 injuries), fell asleep (3), crossing center line (1) and avoiding animals (1). Our resources will be focused on trying to reduce these injuries further.

It is important to keep your attention on the road. We have responded to many accidents this year where the driver was eating, selecting music, shaving or just enjoying the scenery. It only takes a few seconds for a person's life to be changed forever. Please remember to take a second at stop signs to stop and be sure that it is safe to proceed into traffic. Also, it is important to follow the speed limits. While it is human nature to have confidence in one's driving skills, others may not be as proficient. The higher a vehicle's speed, the less reaction time the driver has and a vehicle's kinetic energy is increase exponentially.

I wish to thank the residents of Chesterfield for their continued support and assistance. Many times the information you have provided has made the difference in successful resolutions to our investigations. Please feel free to call us with any concern you have, as it is our goal to provide only the best service to our town. Our business line is 363-4233, if you have a need of immediate response call 911.

Chesterfield Conservation Commission Annual Report – 2006

There were several high points during 2006 for your commission. Perhaps the most significant was being honored as the recipient of the Monadnock Conservancy's annual **Phil Faulkner Award** for "an organization that achieves significant conservation of natural resources by engaging diverse stakeholders." The award was presented at the Monadnock Conservancy's Annual Meeting in August, and the award plaque can be viewed in the Town Office Meeting Room. It should be noted that your commission appreciates greatly the support for conservation shown by town residents; that support is a crucial component of the work that we do and therefore this resulting award.

A second and related high point was our involvement in a group effort to permanently protect with conservation easements almost 700 acres of land at the headwaters of California Brook in the eastern part of town. Working with four Chesterfield property owners, The Horatio Colony Trust, The Monadnock Conservancy, and the State of New Hampshire LCHIP Program, as well as private foundations, this large tract of land will forever be forests, rocky ridges, and productive wetlands and streams, home to such reclusives as bobcats, tupelo trees and Jefferson salamanders. The town contribution, taken from the Conservation Fund, was only about \$75 per acre! This is Phase I of the California Brook Natural Area, the completion of which will feature a hiking trail from The Horatio Colony Preserve on West Hill in Keene to Pisgah Park in Chesterfield.

A third high point was the opening of the Bear Mountain Trail, a section of the Wantastiquet-Monadnock Trail. With a turnout of at least 40 people for the opening, this trail is located on Plain Rd. in Hinsdale, and was a joint effort with the Hinsdale Conservation Commission and the Friends of Pisgah. Together with the Ann Stokes Loop, the Daniels Mt. Trail and portions of the Daniels Mt. Loop, all in Chesterfield, this new section helps to keep the west section of the Wantastiquet-Monadnock Trail from Brattleboro to Pisgah Park on track for a grand opening by 2008 or 2009. The new trailhead is marked by a sign on the west side of Plain Rd. Either follow North Hinsdale Rd. down into Hinsdale, or take Plain Rd. from the flashing light on Route 119 in Hinsdale, or hike over from the Madame Sherri Parking Lot.

We continue our role as the eyes and ears of the New Hampshire DES Wetlands Bureau and spend considerable time evaluating wetlands permits and responding to citizen complaints about wetland violations. We also have been helping the Spofford Lake Association with their successful milfoil control program. We strongly recommend that anyone having any question about whether a permit is required for planned construction near wetlands, streams or Spofford Lake, check in at the Town Office. We thank the large majority of Chesterfield residents who want to do the right thing regarding the protection of our valuable wetlands and other water assets. They are a crucial part of our quality of life.

We thank our trail stewards for their help with both the Bear Mountain Trail work, and on our continuing development of a permanent open space habitat site in our Friedsam Town Forest.

OFFICE OF EMERGENCY MANAGEMENT

EMERGENCY - Police and Fire 911

NON-EMERGENCY 355-2000

Chesterfield Police 363-4233

The year 2006 was, fortunately, free of major emergencies. Be assured that your emergency management team stayed active throughout the year, however, focused on upgrading skills, procedures and equipment in order to be as well prepared as possible to face future challenges.

One of those potential challenges is the possibility of an influenza pandemic or other major medical emergency. Members of your emergency team have attended training for epidemic/pandemic response in Concord, and have met in Manchester with Governor Lynch and U.S. Secretary of Health and Human Services Leavitt.

Along with other area towns, we have been working with Cheshire Public Health Network, of which Chesterfield is a part, to complete a regional health and medical annex to our "all-hazards" local Emergency Operations Plan. This is being funded through a grant from the U.S. Dept. of Homeland Security, and distributed through each state to geographically linked groups of local communities. A portion of our grant has gone to contract a writer to compose the regional document, with a small operating award to each town. Our Town signed a Memorandum of Understanding with the State to take part in this effort to assure the health and well-being of our communities.

Towns are grouped around Points of Distribution (PODs), and our Community is partnered with Westmoreland, Hinsdale, Richmond and Winchester. In addition to regular regional meetings, your team has met several times with representatives from these communities and the State Response Clinic Coordinator to review our early preparedness plans and to walk through the sites we have designated for emergency medical distribution. We considered a variety of issues, including traffic control, security, documentation and delivery logistics, and are incorporating suggestions from these walk-throughs into our planning.

Checklists for businesses, schools, childcare providers, faith-based agencies, home health and other organizations were distributed to each town, with suggestions on how these groups might prepare for a widespread emergency that could effect their people and operations. These checklists have been delivered or mailed to relevant local entities by this department.

The State has produced an all-hazards brochure called "Preparing for an Emergency: the Smart Thing To Do," signed by Governor Lynch, which offers valuable suggestions in regard to basic emergency planning for individuals and families. This has already been distributed to many residents within the town.

As part of a community information forum, we presented an informational hour at the Senior Luncheon in November, explaining the plans that are being formulated, and answering questions and concerns of

the attendees. Brochures were distributed at this event. They were also included in the December school newsletter, will accompany the annual distribution of weather-alert radio replacement batteries in early 2007, and will be available at future school and town meetings.

The parents of eighth grade students worked on distributing the replacement batteries for the radios, which are supplied by Vermont Yankee. The dollars realized from their efforts were allocated for the class trip. This project will be repeated by Chesterfield School parents in 2007.

Your Director, Assistant Director and State Representative spent time in August participating in the Vermont Yankee Comprehensive Review sponsored by the Department of Homeland Security. Prior to this meeting questions were submitted to our Police and Fire Departments regarding areas in which they would normally be responsible in the event of an incident at Vermont Yankee.

I also attended the formative meetings of the Emergency Directors Regional Resource group, which brings together Emergency Management Directors from all over Cheshire County, along with representatives from Mutual Aid and the Sheriff's Office, and has resulted in a valuable exchange of ideas and information.

New radio equipment was obtained for our communications room at the Central Fire Station, with additional communications upgrades expected in the future. Agreements are nearly completed between the Town and the Spofford Fire District and Chesterfield Fire & Rescue Precinct to accept the installation of new sirens from Vermont Yankee at each of the three fire stations in town. These upgraded warning devices will benefit the community by allowing us to better warn residents of any emergency situation, and we look forward to having them installed soon, possibly by the spring of 2007.

We will be starting a survey of our residents who are interested in volunteering in an emergency to better assess the skills and resources available to us locally. This includes a wide range of skills applicable in emergencies, from medical backgrounds and EMS service to ham radio capabilities, record-keeping, chainsaw abilities to help keep roads open, and others. Please let us know if you are interested and able to help in an emergency situation. In the meantime, as always, we welcome any questions, suggestions and/or thoughts you may have regarding emergency preparedness in our community.

I remind you that each of us needs to make our own emergency plans and discuss them with all members of the household. The Vermont Yankee calendar is a good source of basic information for any type of emergency, and there is an almost limitless amount of information now available online. Recommended sites include www.ready.gov, www.fema.gov, www.redcross.org, www.nhoem.state.nh.us and www.pandemicflu.gov.

Ruth Van Houten
Emergency Management Director

CHESTERFIELD HEALTH OFFICER 2006 ANNUAL REPORT

I took on the responsibilities of being the Chesterfield Health Officer on March 1, 2006. The Health Officer's responsibilities include the review and approval of all new septic system designs submitted to the New Hampshire Department of Environmental Services for their approval. I am also required to investigate all cases of septic system failure. It is required that I inspect any child care and/or foster care applicant's residence for health and safety issues. My duties are also to investigate any reported unhealthy conditions such as garbage that would attract rodents or create any other unhealthy situations.

In 2006 the most activity was centered on the pending advancement of the Bird Flu. The New Hampshire Department Health and Human Services has been very active on monitoring the conditions worldwide and organizing state and local agencies to be prepared for any pandemic that may evolve. I would like to express my gratitude to Ruth Van Houten and her Emergency Management Team for the active role they are taking in preparing for whatever the future may hold regarding this possible catastrophic disease . In the event that a pandemic should develop there will be a good plan in place to deal whatever comes our way.

Another issue that everyone in Chesterfield should be concerned about is the advancement of the EEE and the West Nile Virus. There have been multiple cases of each on the east side of New Hampshire and the infections seem to be advancing westward. EEE is the more serious of the two which can cause neurologic damage or death. Both illness are arboviral being mosquito-borne. These diseases are carried by birds which in turn infect the biting mosquito which then infects any human it may feed upon. It is very important that we watch for and remove if possible any standing water that can be a mosquito breeding spot. Standing water of more than two or three days such as old tires, birdbaths, play pools, etc. should be kept empty. Personal protection methods should be used such as using Deet insect products and avoiding exposure during the hours when and where the mosquito is most active. Additional information is available at the NHDHHS website www.dhhs.nh.gov.

I am available at the town office most mornings if there is any issue that needs to be brought to my attention. The office phone number is 363-4624.

Respectfully Submitted

Chet Greenwood
Chesterfield Health Officer

Parks and Recreation Commission Report

The Chesterfield Parks and Recreation commission is pleased to report that another successful season. And while we say we, the credit goes solely to our working director, Melissa Metivier and staff. We started the season with a hot sunny Memorial Day Weekend and while June was not hot July and the first two weeks of August stayed mostly in the 80's. Our summer recreation program was well attended and will reappear in 2007 with some modifications to keep current with the changing youth demographics. As usual we had several unexpected incidents which included the emergency removal of one of the huge pine trees which line the Wares Grove Beach.

Again this summer we were fortunate to get the help of the Boy Scouts who moved loads of sand at North Shore Beach and generally worked to repair damage from the flooding of 2005. We thank them for all their hard work at North Shore and also for their continued efforts at Wares Grove where they loaded piles of debris into a 30 yard dumpster. We also need to thank the Transfer Station for the loan of that 30 yard dumpster to make our job easier.

While the last two weeks of the season, including Labor Day Weekend, were a bit of a disappointment with temperatures in the low 70's and high 60's overall the summer was wonderful. Wares Grove alone saw almost 23000 people. Over 100 children enjoyed the rec program and the Red Cross ran two sessions of swim lessons.

We would like to thank a long term commission member who has recently resigned to handle the increasing responsibilities of her other volunteers positions. Ruth Vanhouten has been a true asset to the Parks and Recreation commission. Among other things she is responsible for the improved tennis court. She has been a tireless worker, a stickler for detail, and her memory and perseverance have been critical to the success of various endeavors taken by the commission. We will miss her and we hope if you see her in town, you take the time to thank her for her dedication to this town.

Sincerely,

Parks and Recreation Commission

Chesterfield Cemeteries 2006 Report

2006 followed in the footsteps of 2003 – 2005 as being an exceptionally wet year. Many challenges faced us this year. But with the help and support of the Cemetery Commission and our hard work, the goal of keeping the cemeteries well maintained and always presentable were met and exceeded. Much thanks to Jim Guirza for his dedication and hard work under difficult weather conditions.

The repairs and restoration to the Estler Tomb in the Chesterfield West Cemetery were completed. The work done by John Willette was excellent and was completed within the budgeted amount.

The Cemetery Commission has continued to implement an annual program to restore and repair stones that have been deteriorating over time. Keene Monument did a great job of stone repair at several cemeteries including the Noyes Robertson Coolidge Cemetery on Castle Road, the Spofford Cemetery, the Ware Joslyn Cemetery, the Center Cemetery and the Chesterfield West Cemetery.

Bob Riley repaired and rebuilt several stone walls at the Noyes Robertson Coolidge Cemetery, the Center Cemetery and the Forecourt at the Friedsam Cemetery that had been damaged from all the ice and rain over the last few winters. Many thanks for his fine work.

A special thank you to the highway department for the use of their equipment and personnel without which our work would have been much more difficult.

The Commission was able to purchase a 1998 four wheel drive one ton pick up truck replacing the 1984 truck we had used for 6 years.

The Commission and I look forward to another rewarding year overseeing the care and maintenance of Chesterfield's twenty-one cemeteries.

Respectfully submitted,

Patricia Gilbert
Cemetery Sexton

CODE ENFORCEMENT / BUILDING INSPECTION 2006 ANNUAL REPORT

Having completed my first year as the Chesterfield Code Enforcement Officer / Building Inspector I feel I am becoming more efficient in performing my duties. This position requires constant awareness of building activities through out Chesterfield. Some residents are unaware that Chesterfield enforces compliance to all New Hampshire adopted building codes. I encourage anyone contemplating a building or remodeling project to check with our office for all town and state requirements. I'm available most mornings to process permit requests or assist anyone with questions.

At present The state code requirements are based on the 2000 ICC codes and recent editions of NFPA codes. The NFPA codes cover Fire Safety, Life Safety and Electrical. There are also ADA codes and NHDES regulations. There is an upcoming bill in legislature to adopt the 2006 ICC codes. These may become effective by later this year. One of the major impacts of this will be the requirement for new single family homes to have sprinklers installed. Although this requirement will be costly it will greatly reduce the likelihood of death or major injury from fire in the home.

Jeff Cunningham continues to serve as Deputy Code Enforcement Officer. He covers this office if I'm unable to be available. Jeff assists me on Thursday afternoons as this allows him to stay abreast of our ongoing activities.

Although 2006 was a very active year for this department I expect the real estate market and mortgage rates to have some impact on the year 2007.

Our permit rates were increased on April 1 2006 and are subject to revision by the Selectboard on April 1st. each year.

In 2006 we issued 147 new permits and 194 Certificate of Occupancies. There were 34 Lake Zone permits, 37 Spofford area permits, 32 Chesterfield Village area permits and 44 West Chesterfield area permits. The total received for new permits and renewals was \$31669.

CHESTERFIELD PUBLIC LIBRARY REPORT – 2006

The Chesterfield Public Library experienced an increase in 2006 of both library users and in the circulation of all types of library materials. The automated circ/catalog system is working well and allows us to better track areas of library usage and other statistics.

We are pleased to report that our library has joined the New Hampshire State Library program with “Overdrive” that now makes downloadable books available to our card holders. Come in for user information, and pick up your new borrower cards, if you have not already done so.

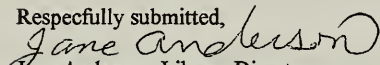

Other technology news: We now offer wireless Internet connections at the library for public use, and if you have not yet checked our website, you will find it at chesterfieldlibrary.org. The low-vision enhancement computer, donated by the Lion's Club some time ago, is still available to all, as well as four additional computers for library users.

Our “Treasure Reading” summer program was well attended and lots of adventurous fun. The 2007's program will be “Reading Road Trip USA”. Be sure to sign the youngsters up for six weeks of traveling activities. Also remember Monday morning preschool story hour at 10:30am and the storytime on last Saturday of the month at 10:00am.

For all ages we offer all types of print materials, as well as videos, DVD's, audio books and CD's, copier and fax machine. We are happy to deliver materials to shut-ins, request materials via the NH inter-library service, and assist you in obtaining needed information.

We extend our thanks again to all our volunteers and the Library Friend's Group members for your continued support and assistance. Thanks, too, to all of you in the community who donated books, money, silent auction items, baked goods and all manner of wonderful support. We appreciate all of you.

Respectfully submitted,

Jane Anderson, Library Director

WELFARE DIRECTOR'S REPORT
2006

The general assistance budget line is in every Town's annual budget mandated by State regulations. Anyone has the right to file for assistance and then those applications are reviewed using set requirements. I strive to treat each client with dignity and understanding. My responsibilities as the Welfare Director are to help those who qualify for assistance as well as direct clients to seek assistance from the State and/or local organizations. I also try to use the taxpayers' dollars efficiently as I keep an eye on my fiscal responsibility.

The % of the General assistance budget line has increased this year from 23% in 2005 to 39% in 2006. Surprisingly, 85% of the assistance provided this year was for rent and mortgage assistance and only 5% towards fuel assistance. The later part of 2006 with its mild weather could be the driving factor in the low fuel assistance requests.

I have worked closely with other local organizations such as Southwestern Community Services and the Help-line. The folks at Help-line have been an invaluable ally in my extending assistance to our community. I also thank those selfless individuals who faithfully serve our community at Joan's Pantry, Keene Community Kitchen and the Salvation Army. These volunteers make such a difference as they gracefully and respectfully reach out to those in need.

Respectfully Submitted,

Carol Ross
Welfare Director

Rescue Inc Report

During fiscal 2005/06, Rescue Inc. struggled with the realities of the healthcare/insurance industry along with the impact of rising costs and diminishing returns in our local economy.

We staffed for the growing volume of calls but received less for our efforts because of cuts in Medicare/Medicaid payments. We also treated more uninsured/underinsured patients and wrote off more bad debt than ever before. When you add our surging fuel costs, rising expenses and six figure insurance rates you can see how difficult it has become to balance our emergency medical care with the money needed to pay for it.

During fiscal 2005/06, Rescue Inc. nevertheless, continued building upon our operational success by adding new member towns, enhancing our technical rescue capabilities and increasing the number of lifesaving medical procedures we perform. To keep our skills sharp and to put more medically trained volunteers into our rural communities, our Training Center taught hundreds of CPR students and (re)certified dozens of EMT's at all levels – including paramedics.

During this past year we also took steps to evolve from our more informal volunteer based past, to a large paid-staff/volunteer non-profit business with the fiscal and operational discipline to sustain a healthy balance sheet. This transition, which still supports our volunteer/paid-staff model, is being made so we can continue, long into the future, the speed and level of care our member communities expect.

Challenging our model, we believe, will be the on-going Medicare/Medicaid cuts that continue to push costs from the Federal/State level down to Local governments and individuals. Our Agency, like healthcare in general, is being forced to absorb the impact of these financial adjustments and the resulting local social changes, by increasing budgets and making resource adjustments. Rescue Inc., already operating 'lean' with strong financial controls, a good volunteer roster, tight staffing and even managers riding ambulances, has needed and will need again, a larger subsidy to offset the operating deficits caused by these far-reaching changes.

While we are requesting a \$2.00 per capita increase in subsidy fees for fiscal 2006/07 and can substantiate our need with reams of data, the bottom line is; the demand for our services continues to grow while insurance reimbursement and payments from self insured patients are falling. Federal/State Governments are not paying us enough to recover our costs and the neediest members of our community simply cannot pay for our services.

Despite these challenges, Rescue Inc. remains committed to our mission. Given the individual cost and factoring in the *thousands* of lives that Rescue saves each year, we believe we still represent an outstanding value to our member communities. Throughout our service area we made over 4,000 calls and treated over 4,300 patients (+10%). We

had many dramatic saves at car accidents, completed several dangerous water and gorge rescues, and performed many other technical rescue services. We even delivered a baby. While our crews have experience handling the entire scope of pre-hospital emergency medicine, in Chesterfield we treated back pain, heart attacks, cardiac arrest, choking and airway obstructions, diabetic emergencies, difficulty breathing, drug overdoses and alcohol intoxication, stroke, along with trauma's from auto, bike and motorcycle accidents, broken bones, falls and severe bleeding – to name a few. As can be expected, the largest volume of motor accidents occurred in the Rt. 9 corridor. Rescue coordinates its efforts with Chesterfield Fire/First Responders and this joint effort saved many lives. Ms. Ruth Van Houten, a resident of Chesterfield is appointed by your Select Board to serve on the Rescue Inc. Board of Trustees. Ms. Van Houten is a very active Board member who volunteers a significant amount of time and effort to Rescue Inc..

We thank you for your continued support. Chesterfield's subsidy is an important part of the financial resources we need to accomplish our mission in your community.

Sincerely,
David V. Dunn
Executive Director

Chesterfield Fire Warden Report for 2006

This was a quiet year for Chesterfield. I wish to express my condolences to the Perham family for their loss and I will miss Deputy Warden Louis Perham.

With the help of the Deputy Wardens, over 200 permits were issued and I wish to thank them for their assistance.

With the help of Deputy Fuller, we have applied for matching funds from the State for safety equipment.

A reminder that you need a permit for any size fire unless the ground is completely covered with snow. This includes chimeneas and cooking stands sold by chain stores.

Respectfully,

Merrill R. Yeaw
Fire Warden
428 Pond Brook Road
West Chesterfield, NH 03466

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdf.org.

Fire activity was very high during the first several weeks of the 2006 fire season, with red-flag conditions issued by the National Weather Service and extreme fire danger in many sections of the state. The largest forest fire during this period occurred in late April and burned 98 acres. The extremely dry conditions in spring resulted in over twice the amount of acreage burned than in all of 2005. Our statewide system of fire lookout towers is credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. Fires in the wildland urban interface damaged 6 structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

Public Health Emergency Preparedness and Response Planning

The Keene All Health Hazard Region (KAHHR) planning group is planning actions so that southwest New Hampshire will swiftly and effectively respond to and recover from a public health emergency. Public Health emergencies differ from more common disasters (i.e. ice storm, flood, fire) in both scope and duration. A public health emergency is defined as an event that affects the public's health: a highly contagious disease, for example, or a natural disaster, or bioterrorism. A public health emergency could last days or months. It might affect only a specific town, or an entire country.

Every community member is equally vulnerable. We might expect worker shortages due to illness or caring for a family member. Ill patients and worried citizens might overwhelm healthcare providers. The region might open an Acute Care Center (ACC) to manage overflow from medical facilities. The region might open Points of Distribution clinics (PODs) to quickly provide medications to citizens. In addition, we might impose isolation or quarantine orders. And we might need expanded morgue facilities to process higher-than-normal numbers of deaths.

The dedicated KAHHR planning group considered each of these issues and customized a response to suit our region's needs. No single municipality has the resources to manage a health emergency by itself. The remedy is advance planning and combining resources from towns, medical, and social service organizations so that the region provides a powerful response.

The Cheshire Public Health Network coordinates the region's preparedness planning with advice from the planning team of representatives from: the Towns of Alstead, Chesterfield, Fitzwilliam, Gilsum, Harrisville, Hinsdale, Keene, Marlborough, Marlow, Nelson, Richmond, Roxbury, Stoddard, Sullivan, Surry, Swanzey, Troy, Walpole, Westmoreland, and Winchester; Cheshire Medical Center; Home Health Care, Hospice & Health Community Services (HCS); local chapters of the American Red Cross and Monadnock United Way; Monadnock Family Service (MFS); Keene State College; SAUs; employees from the NH Departments of Health and Human Services, and Homeland Security/Emergency Management; and other agencies.

If you have any questions or concerns regarding how the region is preparing for a public health emergency, please contact the Cheshire Public Health Network Coordinator at the Cheshire Medical Center: 354-5454 ext. 2130, or sward2@Cheshire-Med.com

CHESTERFIELD RETIREES & SENIORS PROGRAMS
REPORT FOR 2006

On the second Wednesday of each month, excepting January, February and August, we serve a complete, home-cooked meal. It is a pleasant, social time for Chesterfield-area senior residents. We welcome newcomers.

Luncheons are held at the town hall, following the HCS free blood pressure clinics that are held from 11:30 AM to 12:30 PM. The July event is held at Wares Grove picnic area at Spofford Lake, weather permitting.

In May of 2006 we hosted, for the second year, an enjoyable comedy group called "The Covenant Players." We hope to be able to provide other entertainments or speakers this year.

The first luncheon in 2007 will be held at the town hall on Wed., March 14th. We serve at 12:30 PM. Our guests do help with the costs with their contributions. The Town of Chesterfield also gives financial aid. These monies pay for much of the food, necessary supplies, table decorations and flowers, and occasional entertainment. Reservations are very helpful. Please call Joanne at 363-8348.

Another senior activity is the Age In Motion (A.I.M.) program, under leadership from Home Health Care. The next ten-weeks session will start on Tuesday, February 6th and continue every Tuesday and Thursday from 1 to 2 PM, at the town hall. One may join the group at any time, with the required medical approval. A voluntary donation at each session is appreciated and reduces the amount our town is billed by HCS. Call 352-2253 ext. 168 at HCS for further information.

We are grateful to our town for its contribution so that we can keep these programs alive.

Also, sincere thanks to those persons at the recycling center for rescuing and distributing used ski poles. They do make great walking sticks, especially in the winter! We appreciate this thoughtfulness.

Respectfully submitted,

June Rawlings

(Also Audrey Ericson, Jean Hanson, Neil & Cathy Jenness, Margaret Johnson, Joanne MacLean, Gail Meyer and Nancy Miller.)

HCS - Home Healthcare, Hospice & Community Services
 Report to the Town of
CHESTERFIELD
 2006

Annual Report

In 2006, Home Healthcare, Hospice and Community services (HCS) continued to provide home care and community services to the residents of Chesterfield. The following information represents HCS's activities in your community over the past twelve months.

Service Report

Services Offered	Services Provided
Nursing	1265 Visits
Physical Therapy	105 Visits
Speech Pathology	17 Visits
Occupational Therapy	15 Visits
Medical Social Work	86 Visits
Home and Community Based Care*	10 Hours
Home Health Aide	1437 Visits
Homemaker	81 Hours
Adult In-Home Care	401 Hours
Child Health & Prenatal Care	16 Hours
Health Promotion Clinics	12 Clinics
Age in Motion	40 Sessions
Meals-On-Wheels	553 Meals

Total Unduplicated Residents Served: 97

* Home and Community Base Care is a Medicaid program which offers extended home care services to individuals who are in need of nursing home level care but can be maintained at home for a lower cost.

Prenatal and well child care, hospice services and regularly scheduled "Nurse In" clinics are also available to residents. Town funding partially supports these services.

Financial Report

The actual cost of all services provided in 2006 with all funding sources is projected to be \$339,738.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 2007, we request a total appropriation of \$8,032.00; \$6,500.00 to be available for home care services, \$332.00 for Meals-On-Wheels and \$1,200.00 for Age in Motion.

Thank you for your consideration.

VISITING NURSE ASSOCIATION & HOSPICE OF VT AND NH *Homecare, Hospice and Maternal & Child Health Services in the Town of Chesterfield*

The VNA & Hospice is like the local police and fire departments—a strategic part of the community's safety net—with services that must be continuously available to anyone in need. The town's support continues to be crucial for patients. Surrounded by memories, familiar furnishings, and family photographs, people almost always wish to confront the issues of illness, accident or aging, and dying in the comfort of their homes.

Other reasons to support these services:

- The VNA & Hospice's ability to provide healthcare at home helps keep patients out of emergency rooms and hospitals. Thus the need for town emergency services is reduced.
- Thanks to advances in medical technology, treatments including wound imaging, pain management, chemotherapy, antibiotic and nutrition infusion may now be administered by a home health nurse.
- Family members and other caregivers receive direction and guidance, making their care more effective and less stressful. This results in significant health, social and emotional benefits for both the patient and the caregiver.

Our core programs are Homecare (short- and long-term care), Hospice, and Maternal and Child Health. Town funding ensures that these medically necessary and supportive services are provided to all Chesterfield citizens, including the uninsured and under-insured.

Between July 1, 2005 and June 30, 2006, VNA & Hospice staff provided 17 home visits in West Chesterfield. These individuals were cared for by our nurses, physical, occupational and speech therapists, medical social workers, home health aides, or personal care attendants.

On behalf of the people we serve in your community, thank you for your continued confidence.

Sincerely,
Susan H. Larman, BSN, MBA
President and CEO

BRATTLEBORO AREA
DROP IN CENTER

REPORT FOR TOWN REPORT, MARCH, 2007

The Brattleboro Area Drop In Center provided emergency food assistance to 43 unduplicated Chesterfield residents in 2006. This is an increase of 54% over 2005. It represents ten families, including twenty adults and twenty-three children. Overall, the Center provided food to 5433 unduplicated individuals, and outreach and case management services to 272 homeless individuals, in the past year.

We have been serving an increasing number of working families who are unable to make ends meet in times of high costs for fuel, medicine, and childcare. We do not anticipate this trend reversing itself in the upcoming year, as the households we serve from your community, as well as the rest of our service area, are still increasing.

We are very appreciative of the ongoing support Chesterfield provides to our agency.

Melinda Bussino
Executive Director

60 South Main Street, P.O. Box 175, Brattleboro, Vermont 05302

CHESTERFIELD FIRE DEPARTMENT

During 2006 the volunteers of the Chesterfield Fire and Rescue Precinct responded to 191 calls. Although an increase of 10 calls over 2005 statistics, the calls were not as time consuming.

We received 35 radios through a Homeland Security grant, which helped with the balance of funds in Small Equipment Capital Reserve Fund. Work was started on the West Station to improve energy efficiency and to reduce heating costs. Volunteers installed a bathroom with a composting toilet, and purchased insulation and wall covering to begin insulating the building.

As you may be aware, Chief Louis Perham lost his battle with cancer in late November. The Commissioners and the volunteers supported "Louie's" wish to be Chief as long as he felt capable-he was capable until his death. We mourn his loss, but remember his commitment, and dedication to firefighting, to his crew, and to this town.

In December Stephen "Bart" Bevis was appointed Chief. Bart has previously served as Chief of the West Chesterfield Fire Department for 3 years and as Assistant Chief of the Chesterfield Fire Department for eight years. In 2007 we will continue to provide the high quality fire, rescue, and safety services as in the past. In order to maintain this commitment we are always in need of volunteers, drop by any of the stations on Sunday morning between 9:00 and 10:00 AM to talk about joining the department.

We welcome Katrina Jackson as a new EMT in training.

We sincerely acknowledge and appreciate the unselfish dedication of the volunteers and their families who help keep our community safe.

We also wish to thank our community for the ongoing support given to the Fire Department.

Respectfully submitted,
 Stephen "Bart" Bevis, Chief
 Chesterfield Fire and Rescue

Commissioners:
 Deb Hogancamp, Chairperson
 Leon Wyman
 Michael Leclaire

**WARRANT FOR THE
CHESTERFIELD FIRE AND RESCUE PRECINCT
TOWN OF CHESTERFIELD, NH
FOR THE YEAR 2007**

To the inhabitants of the Chesterfield Fire and Rescue Precinct, Town of Chesterfield, county of Cheshire, state of New Hampshire, qualified to vote in precinct affairs:

You are hereby notified to meet at the Center Station of the Chesterfield Fire Department, 492 Route 63, in said Chesterfield on Tuesday, the 20th day of March, 2007 at 7:00 PM to select Precinct Officers and to vote on the following articles:

Article 1: To elect a Moderator for the ensuing year

Article 2: To elect a Secretary / Treasurer for the ensuing year.

Article 3: To elect a Commissioner for three years (2007-2009)

Article 4: To see if the Precinct will vote to raise and appropriate the sum of \$97,123 for the following purposes, or act in any way related thereto:

(Recommended by the Commissioners)
(Recommended by the Budget Committee)

Item	Recommended by Commissioners Fiscal Year 2007	Recommended by Budget Committee Fiscal Year 2007
Administrative Expenses	\$750	\$750
Building Maintenance	1,500	1,500
Equipment Testing	1,670	1,670
Small Equipment	5,500	5,500
Small Equipment Repair	2,000	2,000
Fire Prevention Program	700	700
Insurance	8,900	8,900
Training	2,500	2,500
Operations Payroll	26,500	26,500
Audit Expenses	1,000	1,000
Contracted Services	1,500	1,500
Dues	300	300
Legal Expenses	60	60
Rescue Supplies	1,500	1,500
Supplies	250	250
Electricity	2,400	2,400
Heating Oil	8,813	8,813
Telephone	1,500	1,500
Vehicle Gas and Oil	2,125	2,125
Vehicle Maintenance	10,000	10,000
Bond and Interest	17,655	17,655
	\$97,123	\$97,123

- Article 5: To see if the Precinct will vote to raise and appropriate the sum of \$11,000 to be added to the already established Chesterfield Fire and Rescue Precinct Small Equipment Capital Reserve Fund, or act in any way related thereto.
(Recommended by the Commissioners)
(Recommended by the Budget Committee)
- Article 6: To see if the Precinct will vote to raise and appropriate the sum of \$13,905 for the purchase of small fire and rescue equipment and to authorize the withdrawal of the sum of \$13,905 from the Chesterfield Fire and Rescue Precinct Small Equipment Capital Reserve Fund for that purpose, or act in any way related thereto.
(Recommended by the Commissioners)
(Recommended by the Budget Committee)
- Article 7: To see if the Precinct will vote to raise and appropriate the sum of \$38,500 to be added to the already established Chesterfield Fire and Rescue Precinct Heavy Equipment Capital Reserve Fund, or act in any way related thereto.
(Recommended by the Commissioners)
(Recommended by the Budget Committee)
- Article 8: To see if the Precinct will vote to raise and appropriate the sum of \$15,000 to be added to the already established Chesterfield Fire and Rescue Precinct Building Maintenance Non-Capital Reserve Fund, or act in any way related thereto.
(Recommended by the Commissioners)
(Recommended by the Budget Committee)
- Article 9: To see if the Precinct will vote to raise and appropriate up to \$26,000 for removal and replacement of shingles on the center fire station and to authorize the withdrawal of up to \$26,000 from the Chesterfield Fire and Rescue Precinct Building Maintenance Non-Capital Reserve Fund for such purpose, or act in any way related thereto.
(Recommended by the Commissioners)
(Recommended by the Budget Committee)
- Article 10: To see if the Precinct will vote to raise and appropriate up to \$3,000 for removal and replacement of the existing furnace at the West Station and authorize the withdrawal of up to \$3,000 from the Chesterfield Fire and Rescue Precinct Building Maintenance Non-Capital Reserve Fund for such purpose, or act in any way related thereto.
(Recommended by the Commissioners)
(Recommended by the Budget Committee)
- Article 11: To see if the Precinct will vote to establish the Firefighting Equipment Replacement Equipment Expendable Trust Fund and to name the Commissioners as agents to expend and furthermore to raise and appropriate \$7,000 to be placed in the fund. The intent is to replace or repair uninsured gear, tools and equipment in a catastrophic event or an act of God or individuals that damage or destroy gear, tools or equipment requiring utilization of funds beyond the operating budget capability.
(Recommended by the Commissioners)
(Recommended by the Budget Committee)
- Article 12: To transact any other business that may legally come before the meeting.

Heating Oil	8,625	8,625
Telephone	1,500	1,500
Vehicle Gas and Oil	1,250	1,250
Vehicle Maintenance	10,000	10,000
Bond and Interest	18,510	18,510
Emergency Contingency Fund	<u>7,000</u>	<u>7,000</u>
	\$99,185	\$99,185

A voice vote was in the affirmative on a motion made by Louis Perham and seconded by Richard Cooper.

Article 5: A voice vote in the affirmative on a motion made by Amy Lafontaine and seconded by Richard Gauthier to raise and appropriate the sum of \$14,500.00 to be added to the already established Chesterfield Fire and Rescue Precinct Small Equipment Capital Reserve Fund, or act in any way related thereto.

(Recommended by the Commissioners)
(Recommended by the Budget Committee)

Article 6: A voice vote in the affirmative on a motion made by Richard Cooper and seconded by Robert Brockman to raise and appropriate the sum of \$18,565 for the purchase of small fire and rescue equipment and to authorize the withdrawal of the sum of \$18,565 from the Chesterfield Fire and Rescue Precinct Small Equipment Capital Reserve Fund for that purpose, or act in any way related thereto.

(Recommended by the Commissioners)
(Recommended by the Budget Committee)

Article 7: A voice vote in the affirmative on a motion made by Amy Lafontaine and seconded by Richard Cooper to raise and appropriate the sum of \$38,500.00 to be added to the already established Chesterfield Fire and Rescue Precinct Heavy Equipment Capital Reserve Fund, or act in any way related thereto.

(Recommended by the Commissioners)
(Recommended by the Budget Committee)

Article 8: A voice vote in the affirmative on a motion made by Robert Brockman and seconded by Richard Gauthier to raise and appropriate the sum of \$5,000.00 to be added to the already established Chesterfield Fire and Rescue Precinct Building Maintenance Non-Capital Reserve Fund, or act in any way related thereto.

(Recommended by the Commissioners)
(Recommended by the Budget Committee)

Article 9: A voice vote in the affirmative on a motion made by Richard Cooper and seconded by Richard Gauthier to raise and appropriate up to \$5,000 for the construction of Restroom Facilities at the West Station and to authorize the withdrawal of up to \$5,000 from the Chesterfield Fire and Rescue Precinct S Building Maintenance Non-Capital Reserve Fund for that purpose, or act in any way related thereto.

(Recommended by the Commissioners)
(Recommended by the Budget Committee)

Article 10: To transact any other business that may legally come before the meeting.

On behalf of the members of the Chesterfield Fire & Rescue, Louis Perham expressed sincere thanks to Donald Lafontaine for his many years of service as a Precinct Commissioner.

Robert Brockman requested that the Precinct consider the potential of establishing a fire pond on Pinnacle Springs Road in Chesterfield and to provide an update of the evaluation.

A motion to adjourn the meeting was made by Richard Gauthier and seconded by Richard Cooper. The moderator declared the meeting adjourned at 7:15 PM.

Respectfully submitted,

Jane D. Perham
Secretary/Treasurer

**SPOFFORD FIRE DISTRICT
2006 COMMISSIONERS REPORT**

The year 2006 may go down in history as one of the more frustrating or perplexing years for the Commissioners of the Spofford Fire District.

Thanks to an almost 4 to 1 approval by town voters of the proposed PDD#1 at last years Town Meeting and passage of the proposed bond to finance construction of a new fire station by 86% of those present at a well attended Spofford District Meeting, the commissioners moved forward and made arrangements for the bond sale which was finalized in July. This was after thorough review of the NH Bond Counsel and their lawyers who researched, in detail, all of our procedures completed to date to be sure all was done in compliance with all applicable laws, RSA's, and other related issues. All was found to be in order, with no indication of any procedure not being done correctly. The money is now deposited under our control and construction documents completed. Construction was scheduled to start in late October.

At the 11th hour, an individual filed suit against the Town of Chesterfield objecting to certain actions taken, or not taken, by the Planning Board in approving PDD#1. This has held up all further development of the property and construction of our new station, even though it has nothing to do with the District or developers directly. On advise of legal council, all work was stopped. This situation has and will cause unexpected additional costs to this project, however the Commissioners will not ask for additional funds to cover these possible costs, but instead will look at cost saving measures from within the project scope.

Recently, all parties involved in the lawsuit have reached an agreement that satisfies most of the concerns raised and should allow this desperately needed building to be built. A new PDD is being presented to the voters for approval at this years Town Meeting, known as PDD#3. Passage of this revised PDD will allow the project to move ahead as soon as possible. Note that this will be a non-debatable written ballot vote by all voters of the Town of Chesterfield.

Please note from the other reports printed herein that the operating budget, capital reserve funds and special requests show virtually no increase over last year.

Thank you, as always, for your continued support of the 25 men and women of the Spofford Fire Dept. It is very much appreciated.

Dave Thomas, Chairman
Chet Greenwood
Mike Wiggin

Warrant for the Spofford Fire District For the Year 2007

To the inhabitants of the Spofford Fire District qualified to vote on the affairs of the District:
You are hereby notified to meet at the Spofford Village Hall on Tuesday, March 20th, 2006 at
7:30PM to vote on the following articles:

Article 1: To choose a moderator for the ensuing year.

Article 2: To choose a clerk/treasurer for the ensuing year.

Article 3: To choose a Commissioner for three years: 2006, 2007, 2008

Article 4: To see if the District will vote to accept the operating budget or act thereon:

(Recommended by the Budget Committee)

(Recommended by the Commissioners)

Heating Oil	\$ 4,375.00
Phone & Lights	\$ 2,200.00
Worker's Compensation	\$ 715.00
Fire & Liability Insurance	\$ 4140.00
Janitorial Expenses	\$ 900.00
Office/Computer Expenses	\$ 1,400.00

--------	-------------

Article 5: To see if the District will vote to raise and appropriate the sum of \$24,000.00 to be added to the Heavy Equipment Capital Reserve Fund previously established.

(Recommended by the Budget Committee)

(Recommended by the Commissioners)

Article 6: To see if the District will vote to raise and appropriate the sum of \$9,200.00 to be added to the already established Small Equipment Capital Reserve Fund previously established

(Recommended by the Budget Committee)

(Recommended by the Commissioners)

Article 7: To see if the District will vote to raise and appropriate the sum of \$1,000.00 to be added to the Spofford Water Hole Expendable Trust previously established.
(Recommended by the Budget Committee)
(Recommended by the Commissioners)

Article 8: To see if the District will vote to raise and appropriate the sum of \$9,200.00 to purchase Fire Gear, Radios, Pumps, Generators and Computers and authorize the withdrawal of \$9,200.00 from the existing Small Equipment Capitol Reserve Fund created for that purpose.
(Recommended by the Budget Committee)
(Recommended by the Commissioners)

Article 9: To see if the District will vote to raise and appropriate the sum of \$53,000.00 for constructing and equipping a new fire station and authorize the withdrawal of \$53,000.00 from the New Building Capitol Reserve Fund created that purpose.
(Recommended by the Budget Committee)
(Recommended by the Commissioners)

Article 10: To see if the District will vote to raise and appropriate the sum of up to \$50,000.00 For the purpose of constructing and equipping a new fire station and to authorize the withdrawal of up to \$50,000.00 of the interest earned on the bond proceeds. The amount raised shall not exceed the amount of interest earned.
(Recommended by the Budget Committee)
(Recommended by the Commissioners)

Article 11: To see if the District will vote to create an expendable trust fund under the provisions of RSA 31:19-a to be know as the Catastrophic Emergency Fund for the purpose of paying for unexpected emergencies not budgeted for, including payment of insurance deductibles and to raise and appropriate the sum of \$1,000.00 for this purpose and to appoint the Commissioners as agents to expend from the fund.
(Recommended by the Budget Committee)
(Recommended by the Commissioners)

To transact any other business that may legally come before said meeting.

Commissioners: David Thomas, Chairman
Michael Wiggin
Chester C. Greenwood

**BUDGET REPORT
SPOFFORD FIRE DISTRICT

**MINUTES FOR THE SPOFFORD FIRE DISTRICT MEETING
FOR THE YEAR 2006**

Moderator Mike Bentley called the meeting to order at 7:34PM at the Spofford Village Hall on Tuesday, March 21, 2006. By way of information he informed the people that Linda Thomas was distributing paper ballots for Article 4 and that in order to cast a vote, a person had to be checked off the town register list of voters in the District. There were 66 people in attendance.

- Article 1: To choose a moderator for the ensuing year. On a motion by Chet Greenwood and seconded by Dave Thomas, Mike Bentley was elected unanimously.
- Article 2: To choose a clerk/treasurer for the ensuing year. On a motion by Dave Thomas and seconded all over the room, Donna Pineau was elected unanimously.
- Article 3: To choose a Commissioner for the years: 2006, 2007, 2008. On a motion by Chet Greenwood and seconded by Mike Wiggin, David Thomas was elected unanimously.
- Article 4: To see if the District will vote to raise and appropriate the sum of one million five hundred and sixty five thousand dollars (\$1,565,000.00) for the purpose of financing the construction and original equipping of a new Fire Station. One million five hundred and sixty five thousand dollars (\$1,565,000.00) of such sum to be raised through the issuance of bonds or notes under and in compliance with the Municipal Finance Act, RSA 33:1 et seq., as amended: to authorize the Commissioners to apply for, obtain and except federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project: to Authorize the Commissioners to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof: and to authorize the Commissioners to take any other action or to pass any other vote relative thereto.

(Recommended by the Board of Commissioners, Recommended by the Budget Committee)

Amendment to Article 4:

The amount be changed from one million five hundred and sixty five thousand dollars (\$1,565,000.00) to one million five hundred and forty seven thousand dollars (\$1,547,000.00) On a motion by Mike Wiggin, seconded by Susan Newcomer, was passed unanimously.

After a debate (see page 4&5) on a motion by Chief Buckley and seconded by Dave Thomas, a vote was called at 9:02pm. A separate ballot box was provided. Linda Thomas and Donna Pineau checked off voters from the Spofford Precinct Voters List provided by the Town of Chesterfield. 66 paper ballots were cast with 57 yes votes and 9 no votes, Article 4 passed with greater than 2/3 majority.

Article 5: To see if the District will vote to accept the operating budget or act thereon:

Heating Oil	\$ 4,468.00
Phone & Lights	\$ 2,200.00
Worker's Compensation	\$ 692.00
Fire & Liability Insurance	\$ 5,300.00
Janitorial Expenses	\$ 750.00
Office/Computer Expenses	\$ 1,200.00
Rescue Supplies	\$ 1,500.00
Gas and Diesel Fuel	\$ 985.00
Equipment Repairs and Maintenance	\$ 5,000.00
Radio Repairs/Replacement	\$ 1,750.00
Building: Repairs, Maintenance, Upgrade	\$ 5,000.00
Training & Dues	\$ 4,000.00

Payroll and other related Expenses	\$18,600.00
Small Equipment	\$ 2,500.00
Hepatitis B & TB Inoculations	\$ 800.00
Defib Service Contract	\$ 880.00
Fire Prevention Program	\$ 100.00
Financial Audit	\$ 2,500.00
	\$58,225.00

(Recommended by the Board of Commissioners, Recommended by the Budget Committee)

On a motion by Mr Buckley, seconded by Mr Greenwood, adopted as read was passed unanimously.

Article 6: To see if the District will vote to raise and appropriate the sum of \$24,000.00 to be added to the heavy Equipment Capital Reserve Fund or act in any way thereto.

(Recommended by the Board of Commissioners, Recommended by the Budget Committee)

On a motion by Mr Wiggin, seconded by Mr Schlichting, adopted as read was passed unanimously.

Article 7: To see if the District will vote to raise and appropriate the sum of \$50,000.00 to the already established New Building Capital Reserve Fund or act in any way related thereto.

(Recommended by the Board of Commissioners, Recommended by the Budget Committee)

On a motion by Mr Wiggin, seconded by Mr Buckley, adopted as read was passed unanimously.

Article 8: To see if the District will vote to raise and appropriate the sum of \$9,200.00 to the already established Small Equipment Capital Reserve Fund or act in any way related thereto.

(Recommended by the Board of Commissioners, Recommended by the Budget Committee)

On a motion by Mr Guyette, seconded by Mrs Newcomer, adopted as read was passed unanimously.

Article 9: To see if the District will vote to raise and appropriate the sum of \$1,000.00 to the already established Spofford Water Hole Expendable Trust or act in any way related thereto.

(Recommended by the Board of Commissioners, Recommended by the Budget Committee)

On a motion by Mr Thomas, seconded by Mr Buckley, adopted as read was passed unanimously.

Article 10: To see if the District will vote to withdraw up to the sum of \$4,4300.00 from the existing Small Equipment Capital Reserve Fund to purchase SCBA, fire gear & hose..

(Recommended by the Board of Commissioners, Recommended by the Budget Committee)

On a motion by Mr. Guyette, seconded by Mr Orr, adopted as read was passed unanimously.

Article 11: To see if the District will vote to withdraw up to the sum of \$190,000.00 from the New Building Capital Reserve Fund for engineering, architectural design and land acquisition for a new Fire Station.

(Recommended by the Board of Commissioners, Recommended by the Budget Committee)

On a motion by Mr Greenwood, seconded by Mr Buckley, adopted as read was passed unanimously.

To transact any other business that may legally come before said meeting.

Chief Steve Buckley extended well wishes for the future a big thank you to Jeanne Peterson, outgoing treasurer, on behalf of the District for a job well done.

Susan Newcomer expressed a need for recognition and tribute to Bob Callahan who recently passed away, for all his contributions to the town and for years of dedication and service to the District. He was the Fire Warden for the Town of Chesterfield and the Village of Spofford.

A Motion was made by Mike Wiggin and seconded by Neil Jenness, that read as follows:

To see if the District will authorize the Commissioners to appoint a Committee to determine the

appropriate use of the existing Spofford Village Hall/Fire Station once the Fire Department moves to a new facility. The Committee to consist of one Commissioner, one Historical Society member, two Spofford District resident and one close neighbor. The Committee to report at the 2007 District meeting. The motion was adopted as read and passed unanimously.

Mike Wiggin wanted to mention in the minutes, the M-3 truck that was put together by the volunteer Firefighters, lead by Mike Fuller. It is a beautiful piece of equipment that is worth far more than the monetary value put into it because of all the dedication and hard work of the men and women in our Spofford Fire Department.

On a Motion by Mike Wiggin and seconded by Dave Thomas the meeting was adjourned at 10:05pm.

Respectfully Submitted,

Donna Pineau
Clerk/Treasurer

Discussion to Article 4:

Mike Wiggin made a motion to amend the amount to one million five hundred and forty seven thousand dollars, seconded by Susan Newcomer. Mike Wiggin explained the current building deficiencies and the anticipated construction cost breakdown. He stated that the project was anticipated as a necessity starting in 1970 and that acquiring land was the major holdup all these years. The land has been found and donated to the district at no cost to the taxpayers. Floor opened to questions. Andy Cay asked who prepared the bond estimate and was it backed up by any bids. Mike Wiggin stated he had prepared it and that it was not at this time backed up with bids with the exception of hard quotes on windows and doors. Mike Wiggin stated that the road project had begun engineering and that the 3 phase power would be needed by both the Fire House and the Emery-Beal project and may end up a joint effort. Mrs. Cay asked about how the money came up. Dave Thomas stated that we would go to the New Hampshire Bond Bank and have the monies in our bank account in July of this year. The first interest payment due in 2/07 and first level principle payment of \$80,000 per year starting 8/07. It would be a 20 year bond with the interest payment going down every year, estimated at a rate of 4.99%. The payment is estimated at \$163,684.00 which equates to a \$.54 per thousand tax impact. After 10 years it drops to \$.34 and at 20 years to \$.14. Susan Newcomer asked if the first \$80,000.00 payment would come out of the Capitol Reserve fund. Dave explained it would come from the bond money after it is placed in our account. Mike Wiggin addressed a question about the "original equipping" portion of Article 4, stating that it was how they were told to write it up and that all existing equipment would be moved to the new building with the exception of a commercial washer and dryer were necessitated by OSHA and furthermore grants were being applied for to help with these purchases and a possible grant for a generator. Susan Newcomer stated that she hoped the specs for the new building was in line with future needs and space. Mike Wiggin stated they had thought that through and there was some extra space and that the doors are to be 14' high to accommodate large vehicles when the time came for them. A question was asked about the current operation budget and the future operation budget and how it would be effected. A study had not been done yet but we will be getting energy efficiency and possible passive solar installation so the thought was that it may be a negligible difference. Chief Steve Buckley addressed questions about the number of Fire Stations in Chesterfield and the necessity of having three stations in town. He explained about the growing inquiries from insurance companies asking location and proximity to homeowners. This has a direct impact on insurance costs. Mr. Dompier raised a few questions, the number of volunteer staff, the continued quality of volunteers, the necessity of 3 stations, the possibility of combining Chesterfield and Spofford under one new fire station, centrally located and cutting the cost of them by just taxing voters for one new station and/or adding the Police Department at the same time. A question was asked about the cost to renovate the existing Fire House versus the cost of a new one. Mike Wiggin explained that it could not be done physically or legally because of many inadequacies such as septic, plumbing, electric, space and it has no parking opportunities. Mr. Dompier said he was not happy with the way his questions were answered earlier. Mike Wiggin explained that we are two separate taxable entities with two separate rates and that Spofford residents do not pay taxes for the Chesterfield Fire Department and neither do they pay for ours. Mr. Dompier stated he knew a little about electricity and asked why we needed 3 phase electric to a fire station and why we need a sprinkler system and he wanted this more fully evaluated. Mike Wiggin stated in answer to his statements that the rules were clear and that a sprinkler system is mandatory in the new building. In answer to the necessity for 3 phase power, Chet Greenwood explained that the fire pump needed it and also the emergency generator, the commercial washer and the dryer. Mike Bentley asked if there was further discussion. Mike Wiggin stated that the cost of the new building was about \$200 per square foot, with no frills, just the bare necessities. A question was asked about what plans were in store for the current building. Mike Wiggin explained that design concepts for the future had been done but it all came down to the issues of no parking, plumbing, electric and septic. Wayne Dingman said he was new to the town and

raised the question of combining the Spofford Fire Station project with the Chesterfield Police Station/Town offices project. He was informed that Chesterfield Police/Town Offices have their land now in town by the school which is where they want it to be, not on Route 9 and not with the Spofford Fire Department. A question from the floor asked had there been consideration of melding the Spofford District to the Town of Chesterfield and having everything under one taxable District. Mike Wiggin explained that this did come up a few years ago and that it was decided that there were different needs and priorities unique to each area, such as Spofford Village has many more Rescue calls and that the lake may pose sewer and water issues in the future that may make it prudent to have district residence only vote on them. Chet Greenwood talked of the joint meeting of Chesterfield and Spofford Selectmen, Fire Departments and Commissioners a couple of years ago and it was decided then that even if there were some redundancies, the gains over road it with each area backing up the others and having the ability to service a fast growing community efficiently. Mr. Dingman again showed his concerns for the tax implications for the proposed new facility being a burden on just the District, although he concedes the necessity of a new building. Mr. Dompier stated that if we in fact had the 1.5 million for use, he wanted to make sure the town was doing it's due-diligence on the property, the plans and the fire needs of the town. Chief Buckley stated that there have been 54 Fire and Rescue calls so far this year which is an increase from past years. He also informed the district that Spofford was just upgrade due in large part to training and qualification and is first in a Mutual Aid agreement with West Keene as they are to us. Mr. Dingman stated he thought that enough time or thought had not gone into this purchase yet and that the tax increase wasn't wanted at this time. He still feels that we should save money by joining the Police Station and the burden to the town of Chesterfield. Mike Wiggin reiterated that time was not rushed as the project started on the table in 1970 and it is in the 1970 records of the meetings. The biggest issue for all these years was a suitable land acquisition at an affordable cost. After 3 years of negotiations with the past owner of the parcel of land off Route 9, that block was removed with the donation of 2 acres to the Spofford Fire District from Don Emery and Kevin Beal. Bob Clarkson wanted to be clear on the cost that was stated as \$0.54 per thousand, above and beyond the current \$0.53 now taxed which will be slightly more that the Town of Chesterfield pays currently at \$0.86 and that the impact to a \$200,000.00 home owner would be only \$108.00 more per year for the first 10 years, dropping to \$68.00 for the next 10 years and then only \$28.00. Dave Thomas stated that Mr. Clarkson was correct. Dave stated that due-diligence was preformed as they had already done testing of the land and it was found to be perfect for out needs. Susan Newcomer wanted the fact known that Chesterfield built their Fire Station 15 years ago at a cost of approximately \$750,000.00 and that with inflation she feels this is not an unreasonable cost for what the District will get. Chief Buckley pointed out that the building would be a backup for Emergency Management in the case of evacuation needs for Spofford and for West Chesterfield. Johnny Schlichting wanted it put on record that he was in favor of and fully behind the new Fire Station, having been in the village for many, many years and hopes that everyone understood the work that had gone into this and the need for everyone to approve it. Mr. Dompier asked what was the contingency if the vote didn't pass and we could not continue to operate the Fire Department out of the Spofford Village Hall. Mike Wiggin stated the Commissioners would get right back to work, make the necessary changes and come right back as soon as possible for another vote. From the floor was a request to call the question. Mike Bentley opened the vote at 9:02pm.

SCHOOL BOARD REPORT

Change has been a recurrent theme for the Chesterfield School Board this year. The Board bid farewell to our distinguished principal of sixteen years, Martin Mahoney, in June 2006. Under a transition plan established in 2005, Sharyn D'Eon, formerly our assistant principal, became our new principal. Last summer, Dr. Christopher Morris was hired as assistant principal to complete our administrative team. Although Chesterfield School regularly experiences staff turnover, this last year saw the departure of many long-term personnel including Marcia Esche, our music teacher who, for many years, directed the jazz and music bands; Carol Riendeau, our Food Service Director, who served more meals to children than we can count; Virginia Gitchell, a sixth grade teacher and beloved Nature's Classroom leader; and Patrick Whalen, the head of our physical education program. The Board, itself, reluctantly accepted the resignation of Board member Jane Carroll in May. The Board is grateful to each of them for their many years of professional service and dedication which enriched the lives of the hundreds of students passing through the school's classes and lunchroom.

Having concluded contract negotiations last year, the Board was able to refocus its efforts this year on its quintessential roles -- policy formulation and implementation and the setting of educational goals for the district. The Board initiated a comprehensive review of its policies. Board policies provide the foundation for all school operations, guiding the day-to-day functioning of district employees. Policies allow the Board to operate efficiently and afford the time to create a strong educational program for our students. With numerous changes to state and federal statutes over recent years, it was imperative that the Board step up its policy review cycle to ensure that it addressed new mandates. As a result, the Board initiated a comprehensive policy review study in 2006 to be completed this year.

The Board also established the following goals in four critical areas:

- *Academics -- Move the Chesterfield NECAP scores into the top 25% of New Hampshire Schools by 2009.*
- *Special Education -- Review all special education programs and support to ensure cost effective delivery of special education services.*
- *School Environment -- Assess bullying behavior in the Chesterfield School community and develop a plan to effectively address bullying and reduce its incidence.*
- *Communication -- Increase communication between important constituencies in the Chesterfield School community (e.g., the school board, school administrators and staff, parents and taxpayers) and promote community engagement to enhance school programs.*

For information on the steps we are taking to achieve these goals, please contact any member of the school board directly or join us at our monthly meetings held on the second Monday of each month at 5:30 p.m. in the school library. There is always an opportunity for public input at these meetings.

Community volunteers are needed to serve on various committees related to these goals. If you have experience or a special interest related to the goals, your time and energy to help us meet our objectives would be most appreciated. Contact any Board member or our school principal, Ms. D'Eon, if you want to become involved.

One of the most significant challenges facing the Board and this community is ensuring that the state meets its obligation to provide funding for an adequate education for our children. We encourage Chesterfield residents to make their voices heard at the State level on this important issue this year.

The Chesterfield community has strongly supported its school and the education of its children in the past. We, the members of your school board, in collaboration with the Chesterfield School administration, are working hard to make sure that our education program merits your continuing support.

Respectfully submitted,

Barbara I. Girs, Chair
Greg M. Blair
Ege Cordell
Judy Idelkope
Kristin R. McKeon

COMPLIANCE STATEMENT

This school district receives federal financial assistance. In order to continue receiving such federal financial assistance, this school district will not discriminate in their educational programs, activities or employment practices on the basis of race, language, sex, age, or handicapping condition, under the provisions of Title IX of the 1972 Educational Amendments; Section 504 of the Rehabilitation Act of 1973.

Complaints regarding compliance with Title IX regulations should be submitted in writing to the Title IX liaison for School Administrative Unit 29, the Director of Human Resources, 34 West Street, Keene, New Hampshire.

Complaints regarding compliance with Rehabilitation Act of 1973 - Section 504 should be submitted in writing to the Director of Special Education, 34 West Street, Keene, New Hampshire.

Wayne E. Woolridge
Assistant Superintendent of Schools

STATE OF NEW HAMPSHIRE SCHOOL WARRANT

To the inhabitants of the school district in the Town of Chesterfield qualified to vote in District affairs:

You are hereby notified to meet at the Chesterfield Elementary School in said District on the 10th day of March, 2007, at 7:00 p.m. to act upon the following articles:

- ARTICLE 1:** To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.
- ARTICLE 2:** To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto.
- ARTICLE 3:** To see if the District will vote to raise and appropriate the sum of \$100,000 for boiler replacement and related heating system reconstruction at Chesterfield School, and to authorize the withdrawal of up to \$70,000 from the Capital Reserve Fund established by voters on March 5, 1994 for such a purpose. The balance of \$30,000 is to be funded from unencumbered funds available at the end of the fiscal year, June 30, 2007, or to take any other action in relation thereto. *(This article is recommended for approval by the Chesterfield School Board and the Chesterfield Budget Committee.)*
- ARTICLE 4:** To see if the District will vote to appropriate and authorize the School Board to transfer up to \$30,000 of its unencumbered funds, if any remain on hand at the end of the fiscal year, June 30, 2007, to be deposited in the Capital Reserve Fund established by voters on March 5, 1994, for the purpose of major renovation/reconstruction of the school buildings and related costs, or to take any other action in relation thereto. If there is an insufficient, undesignated fund balance as of June 30, 2007 to fund this appropriation and the appropriation in Article 3 (Boiler Replacement), Article 3 will be funded first, with any additional surplus to be applied to this warrant article. *(This article is recommended for approval by the Chesterfield School Board and the Chesterfield Budget Committee.)*

ARTICLE 5: To see if the School District will vote to create a planning committee to consider withdrawal from School Administrative Unit 29; said committee to consist of two members of the Chesterfield School Board, appointed by the Chesterfield School Board; one member of the Chesterfield Budget Committee, appointed by the Chesterfield Budget Committee; four members of the public, appointed by the Moderator; and the Superintendent of Schools, who shall serve as a non-voting member of the committee.

ARTICLE 6: To see if the Chesterfield School District will vote to create a study committee to evaluate the feasibility of a joint school/public library housed in the current Chesterfield Public Library facilities; said study committee to consist of ten members:

- 1 budget committee member selected by the budget committee;
- 1 town selectman selected by the Chesterfield select board;
- 1 Chesterfield library staff representative and 1 Chesterfield Library Board member selected by the Chesterfield Library Board;
- 1 Chesterfield School library staff member and 1 school board member selected by the school board;
- 3 community members selected by the school district moderator, and;
- the district's superintendent who shall serve as a non-voting member.

If any of the aforementioned boards or committees do not choose representatives by May 31, 2007, then it shall be the school district moderator's prerogative to select additional community representatives to provide a full complement of 10 study committee members.

ARTICLE 7: To transact any other business that may legally come before this meeting.

STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the school district in the Town of Chesterfield qualified to vote in District affairs:

You are hereby notified to meet at the Chesterfield Elementary School in said District on the 10th day of March, 2007, at 10:00 in the forenoon to bring in your votes for the election of school district officers. The polls will open not later than 10:00 a.m., nor close earlier than the termination time of the District Meeting (as a minimum, 10:00 a.m. – 7:00 p.m.)

ARTICLE 1: To choose all necessary school district officers:

Two members of the school board for the ensuing three years
A moderator for the ensuing year
A clerk for the ensuing year
A treasurer for the ensuing year from July 1, 2007

Given under our hands at said Chesterfield, this 12th day of February, 2007.

CHESTERFIELD SCHOOL BOARD-

Barbara J. Girs, Chair
Gregg M. Blair
Ege Cordell

INDEPENDENT AUDITOR'S REPORT

To the Members of the School Board
Chesterfield School District
Chesterfield, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Chesterfield School District, which collectively comprise the School District's basic financial statements as of June 30, 2006 as listed in the table of contents. These financial statements are the responsibility of the School District's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

The government-wide statement of net assets does not include any of the School District's capital assets nor the accumulated depreciation on those assets; and the government-wide statement of activities does not include depreciation expense related to those assets. These amounts have not been determined. Therefore, in our opinion, the financial statements referred to above do not present fairly the respective financial position of the governmental activities of the Chesterfield School District at June 30, 2006, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund and the aggregate remaining fund information of the Chesterfield School District as of June 30, 2006, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

As described in Note 2, as of July 1, 2005, the School District has implemented a new financial reporting model, as required by the provisions of Governmental Accounting Standards Board Statement No. 34, *Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments*.

The budgetary comparison information is not a required part of the basic financial statements, but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

The Chesterfield School District has not presented a management's discussion and analysis that accounting principles generally accepted in the United States of America have determined is necessary to supplement, although not required to be part of, the basic financial statements.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Chesterfield School District's basic financial statements. The combining and individual fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. They have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Professional Association*

September 27, 2006

CHESTERFIELD SCHOOL DISTRICT MEETING MARCH 11, 2006

Judith Moreau, School District Clerk, appointed the following persons as ballot clerks: Linda Lord, Shirley Philbrick, Margaret Winn, Amy LaFontaine, Paula Duston and Tony O'Neil.

The Moderator called the meeting to order at 7:00 pm for the purpose of acting on the articles in the warrant. The Moderator explained that warrant articles over \$10,000 (ten thousand) would be voted on by paper ballot.

The Moderator took a moment to make introductions, introducing himself, the Moderator, Gary Winn; the Chesterfield School Board: Chair Jacqueline Reilly, Kristin McKeon, Jane Carroll, Barbara Girs and Judy Idelkope; Principal of the Chesterfield School, Martin Mahoney; Assistant Principal, Sharon D'Eon; Superintendent of SAU 29, Michele Munson; Assistant Superintendent of Towns, Wayne Woolridge; Business Manager for Towns, Timothy Ruehr; SAU 29 Attorney, Chuck Grau.

Article 1: Jacqueline Reilly moved, and Barbara Girs seconded, that the District receive the reports of agents, auditors, committees or officers chosen in the annual report. Barbara Girs recognized Jacqueline Reilly for her 4 years of service to the Chesterfield School Board.

Article 2: Judy Idelkope moved that the district raise and appropriate \$7,275,825 (seven million, two hundred seventy-five thousand, eight hundred and twenty-five) for the support of schools, for the salaries for school district officials and agents and for the statutory obligations of the District. Seconded by Jacqueline Reilly. Judy Idelkope spoke to the budget presented. Fred Szmít moved to vote with a show of hands, and was seconded by Anita Barber. A voice vote was declared in the affirmative. The Moderator declared Article 2 passed on a hand vote of 91 (ninety-one) Yes and 5 (five) No.

Article 3: Kristin McKeon moved that the District approve the cost items included in the collective bargaining agreement reached between the Chesterfield School Board and the Chesterfield Education Association which calls for the following increases in salaries and benefits:

Year Estimated Increase

2005-2006 \$11,780 (eleven thousand, seven hundred and eighty)

2006-2007 \$114,487 (one hundred fourteen thousand, four hundred eighty-seven)

2007-2008 \$69,620 (sixty-nine thousand, six hundred and twenty)

2008-2009 \$76,882 (seventy-six thousand, eight hundred and eighty-two)

And, further to approved the cost items for 2005-2006, said sum to come from a transfer of appropriations within the current budget and will not require additional funds to be raised through general taxation for the 2005-2006 fiscal year; and, further to raise and appropriate the sum of \$114,487 (one hundred fourteen thousand, four hundred and eighty-seven) for the 2006-2007 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid the prior fiscal year. Seconded by Judy Idelkope. Kristin McKeon spoke to the teachers contract negotiations. There was a motion to move the question, and was seconded. A voice vote in the affirmative for moving the question was declared by the Moderator. The paper ballot for Article 2 showed 83

(eighty-three) votes-Yes and 23 (twenty-three) votes-No. 108 (one hundred and eight) votes were available. 107 (one hundred and seven) votes were cast. The Moderator declared that Article 3 passed by paper vote.

Article 4: Kristin McKeon moved to pass over Article 4, to move that the District, if Article 3 is defeated, authorize the Chesterfield School Board to call one special meeting, at its option, to address Article 3 cost items only. Seconded by Jacqueline Reilly. The Moderator declared Article 4 to be passed over by a voice vote.

Article 5: Jane Carroll moved that the District approve the cost items included in the collective bargaining agreement reached between the Chesterfield School Board and the Chesterfield Support Staff Association which calls for the following increases in salaries and benefits:

Year Estimated Increase

2006-2007 \$33,934 (thirty-three thousand, nine hundred and thirty-four)

2007-2008 \$36,241 (thirty-six thousand, two hundred and forty-one)

2008-2009 \$38,725 (thirty-eight thousand, seven hundred and twenty-five)

And, further to raise and appropriate the sum of \$33,934 (thirty-three thousand, nine hundred and thirty-four) for the 2006-2007 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid the prior fiscal year. Seconded by Kristin McKeon. Jane Carroll reported on the Support Staff contract negotiations. Fred Rowley moved to end discussion. Seconded by Sue Sciuto. A voice vote in the affirmative for moving the question was declared by the Moderator. Barbara Girs moved to vote by voice vote. Seconded by Marsha Esche. Bob Del Sesto spoke against voting by voice vote. Barbara Girs withdrew the motion, and Marsha Esche withdrew her second. The paper ballot for Article 5 showed 95 (ninety-five) votes-Yes and 10 votes-No. 108 (one hundred and eight) votes were available. 105 (one hundred and five) votes were cast. The Moderator declared Article 5 passed by paper vote.

Article 6: Tony O'Neil moved to pass over Article 6 that the District, if Article 5 is defeated, will authorize the Chesterfield School Board to call one special meeting, at its option, to address Article 5 cost items only. Seconded by Judy Idelkope. The Moderator declared Article 6 to be passed over by voice vote.

Article 7: Barbara Girs moved that the District appropriate and authorize the Chesterfield School Board to transfer up to \$30,000 (thirty thousand) of its unencumbered funds, if any, remaining on hand at the end of the fiscal year, June 30, 2006, to be deposited in the Capital Reserve Fund established by voters on March 5, 1994, for the purpose of major renovation/reconstruction of the school building or related costs. Seconded by Ruth Van Houten. The paper ballot for Article 7 showed 95 (ninety-five) votes-Yes and 2 (two) votes-No. 108 (one hundred and eight) votes were available. 97 (ninety-seven) votes were cast. The Moderator declared Article 7 passed by paper vote.

Article 8: The Moderator declared the polls for Election Officials closed at 8:30 p.m.

The Moderator asked for any other business that may legally come before this meeting.

Sharon D'Eon announced that following the conclusion of the District Meeting; there will be a presentation on the Full Day Kindergarten in the music room.

The Moderator recognized Jacqueline Reilly. Jacqueline Reilly publicly thanked Karen Riendeau, Food Service Manager, who is retiring. A standing ovation of gratitude was received from the body.

Jacqueline Reilly thanked Martin Mahoney for his many years of dedicated service as the Chesterfield School Principal. Jacqueline Reilly and Kristin McKeon presented the following resolution to Mr. Mahoney. A standing ovation of gratitude was received from the body.

A RESOLUTION
Adopted March 11, 2006

WHEREAS, Martin F. Mahoney, distinguished educator, graduated from Keene State College, receiving a Bachelor's degree in 1972 and a Master's degree in 1984; and,

WHEREAS, Martin F. Mahoney brought strong leadership and dedication as Principal of Chesterfield School from 1990 to 2006. Mr. Mahoney also taught at Chesterfield School, and served as principal of Westmoreland School and the Walpole schools from 1972 to 1990 before having the good sense to return to Chesterfield; and,

WHEREAS, Martin F. Mahoney received the distinct honor of New Hampshire Principal of the Year in 1990 from the New Hampshire Association of School Principals; and,

WHEREAS, Martin F. Mahoney served the Chesterfield School District in an exemplary fashion as a leader who consistently worked toward the implementation of quality education for Chesterfield's students, and who was a tireless advocate for children. He could always be seen at student functions and high school events in which former Chesterfield School students were involved; and,

WHEREAS, under Martin F. Mahoney's leadership, volunteers in the communities of Chesterfield, West Chesterfield and Spofford were the first in New Hampshire to plan and construct a four-room addition to Chesterfield School; and,

WHEREAS, Martin F. Mahoney's Incident Command skills will be missed, and the staff may need to call on him for monthly reminders of fire drills; and,

WHEREAS, Martin F. Mahoney's compassion and dedication to the Cheshire YMCA's American Heritage Tour for twenty-five years stands second to none; and,

WHEREAS, Martin F. Mahoney will be fondly remembered for his "clear and concise analogies," never saying in one word what he could say in 1,000 (including his principal's reports for the town's annual report); and,

WHEREAS, Martin F. Mahoney is also known for his annual Halloween and St. Patrick's Day costumes, and the kilt he proudly wore; and,

WHEREAS, the voters of the School District of Chesterfield wish to extend their best wishes to Mr. Mahoney for many years of peace, happiness and good health upon his retirement, as well as sun-filled tee times in Ireland next fall; now, therefore, be it

RESOLVED, that the voters of the Chesterfield School District recognize Martin F. Mahoney's contribution to the children, the school, and the Towns of Chesterfield, West Chesterfield and Spofford by unanimously adopting this resolution as a tribute to Martin F.

Mahoney, to be entered into the permanent records of the district, and that a copy of this commendation be presented to Mr. Mahoney.

THE CHESTERFIELD
SCHOOL DISTRICT

There was an announcement that the Saturday of Memorial Day Weekend will be set aside as the Martin Mahoney Reinembrance Day.

Jacqueline Reilly moved to adjourn the meeting at 8:45 p.m. and was seconded by William Bucknell. The Moderator declared the meeting adjourned by voice vote.

The official town checklist was used for the elections. 152 (one hundred fifty-two) ballots were cast in the ballot box. No absentee ballots were cast.

School Board Member for 3 years

Ege Cordell	94
Michael P. Robarge	50
Barbara Girs (write in)	1
Jane Allen (write in)	1

Ege Cordell was declared the winner.

Moderator for 1 year

Gary W. Winn was declared the winner.

Clerk for 1 year

Judith (Jody) Moreau	138
----------------------	-----

Judith (Jody) Moreau was declared the winner.

Treasurer for 1 year

Anita J. Barber	91
Sandi Witalis	44
Barbara Girs (write in)	1

Anita J. Barber was declared the winner.

All election officials will wait the prescribed three days for reasons of recall to take the oath of office and to sign the prescribed oath of office.

A True Copy Attest:

Judith A. Moreau, Clerk
Chesterfield School District

ADMINISTRATIVE REPORT

Since the last budget was approved at the Chesterfield District Meeting, the State of New Hampshire passed new minimum standards. The new standards include, among other things, sections related to wellness, physical activity and technology. The Board has created new policies to meet the new regulations.

Although the federal legislation “No Child Left Behind” was adopted in 2002, there continues to be new regulations we must meet.

New Expectations Regarding No Child Left Behind – This past year we moved from testing all students in grade three and six to testing all students in grades three through eight. Even though more than 80 percent of our students scored at grade level or above on the most recent assessment, we continue to struggle with our economically disadvantaged student subgroup, as well as our special education population.

Next year a State Science Assessment will be added as part of NCLB. Each Chesterfield student in grades four and eight will be tested in science. This proposed budget includes funds for teachers to work over the summer aligning the Chesterfield science curriculum with the new State Science Standards from which the science tests were created.

Chesterfield students will benefit from a recent announcement that SAU 29 will receive \$75,000 from Title II of No Child Left Behind which authorizes a competitive Mathematics and Science Partnership Grant. We wrote the grant last fall with the help of Professor Tom Bassarear from Keene State College. The grant is intended to encourage institutions of higher education and local school districts to participate in professional development activities that increase the subject matter knowledge and teaching skills in mathematics. Professional development activities must be classroom focused and aligned with state standards. As a result of the \$75,000 SAU 29 received for this grant, several teachers from Chesterfield will be able to participate in the five days of math workshops offered this summer.

The titles of the workshops available to Chesterfield teachers are: Unpacking Math Grade Level Expectations, Manipulatives/Inquiry-Based Strategies, Reading and Writing across the Math Curriculum, Differentiated Instruction, Alternative Methods of Assessments & Coping with Math Anxiety.

Teachers will be paid \$100 per day from the grant for participating in these workshops. We will also have workshops available for teachers in the fall and the spring of the next school year.

Although we are grateful for the federal revenue that supports this grant, the NCLB mandate is underfunded. In 2005, the New Hampshire School Boards Association projected yearly expenditures related to No Child Left Behind at \$577 per student. That same year they projected an anticipated increase in federal revenue for NCLB at \$75 per student.

A few Chesterfield teachers and other staff members from nine schools in SAU 29 and Winchester Elementary School participated in summer curriculum work in science, math, health, and social studies in 2006. The primary focus of the activities was the alignment of SAU 29 curriculum to the New Hampshire new Curriculum Framework.

The goal of the social studies curriculum committee was to create a fifth and sixth grade curriculum that is aligned with the newly adopted New Hampshire State Frameworks. The document maintains a logical sequence through the grade levels. The revisions have eliminated unnecessary repetition between the fifth grade and the seventh grade curriculum addressing American History. The curriculum revision addressed the following fifth grade topics: U.S. Government and Citizenship, United States Regions, Canada, Latin American, and Mesoamerican Civilizations (Aztec, Inca, and Maya).

Sixth Grade topics include: Ancient Civilizations (River Valley and Classical Civilizations), Western Europe (Medieval to Age of Exploration), and Economics. Leaving off at the Age of Exploration in Western Europe provides an excellent transition to the U. S. History curriculum in the seventh grade.

In 2007, curriculum work will emphasize K-12 science, math, and guidance, as well as continued work in social studies with a focus in social studies in kindergarten through grade four.

Chesterfield students and all students in SAU 29 schools participated in the Northwest Evaluation Association program during 2006-2007. NWEA has grown dramatically in recent years as school districts seek a method for measuring individual student progress over time. The computer adaptive tests give students, parents, and teachers immediate feedback on student progress and level of performance.

Chesterfield's students at Keene High School continue to perform well. This past year Chesterfield had 202 students enrolled at Keene High School. These students are taking advantage of a wide range of academic, as well as co-curricular activities. In English, 67 percent of the Chesterfield students earned a grade of "B" or better. In mathematics, 51 percent earned grades of "B" or better. In science, 71 percent of the students earned grades of "B" or better. In social studies, 68 percent of the students earned a grade of "B" or better. In world language, 69 percent of the students earned grades of "B" or better. The overall attendance rate for Chesterfield students at Keene High School was 95.6% compared to 95.2% for the overall Keene High School population.

Eighty-three percent of Chesterfield's 2006 graduates at Keene High School currently are continuing their education through full-time college, part-time college, or other post secondary programs. The following are the institutions Chesterfield students from the Class of 2006 are attending: Boston University, MA; Keene Beauty Academy, NH; Keene State College, NH (10); McIntosh College, NH; Merrimack College, MA; Methodist University, NC; NHCTC, NH (3); Northeastern University, NY; Queens University, NC; Rensselaer Polytechnic Institute, NY; Rochester Institute of Technology, NY; Southern NH University, NH; Suffolk University, MA; Syracuse University, NY; UNH, NH (4); University

of Maine, ME; University of Vermont, VT; Utica College, NY; VT Technical College, VT; Wingate College, NC; and Worcester Polytechnic Institute, MA.

The Chesterfield School community should be very proud of its school. The improvement that has occurred should not be taken for granted, nor should the strong support given to the school by the community. Continuation of this improvement is highly contingent upon open lines of communication between home and school and a good understanding of what goes on in the schools.

Please make the time to visit the school, attend a school-related activity, or attend a school board meeting. Please be sure to attend the annual district meeting on Saturday, March 10, at 7:00 p.m.

Wayne E. Woolridge
Assistant Superintendent of Schools

PRINCIPAL'S REPORT

Elementary Enrollment

The district's official K-8 enrollment, as reported to the New Hampshire Department of Education on October 1, 2006, totaled 395 students. Since that time we have now peaked at 398 students.

Enrollments are as follows:

Kdg.	38	Grade 1	45	Grade 2	38
Grade 3	38	Grade 4	40	Grade 5	39
Grade 6	55	Grade 7	50	Grade 8	55

The school's enrollment appears to be fairly stable. I predict our enrollment for the 2007-2008 school year to be around 401 students.

Staffing Changes

We have had several changes in staff this year. Most notably is the departure of Mr. Martin Mahoney. Mr. Mahoney served as Principal for many years. Joining me as Assistant Principal is Dr. Christopher Morris. Dr. Morris comes to us from Illinois.

In addition to the changes in administration, we have had many vacancies due to resignations, retirements or moves. Below is a list of the new hires and who they replaced.

<u>New Teacher/Aide</u>	<u>Position</u>	<u>Replacing</u>
Mrs. Nancy Eddy	7/8 Language Arts Teacher	Ms. Kerry Gilmore
Miss Megan Fowler	7/8 Mathematics Teacher	Ms. Sandra Demerly
Ms. Lisa Russ	7/8 Science Teacher	Ms. Elisebeth Sheltmire
Mrs. Tina Ramsey	Grade 6 Teacher	Mrs. Gina Gitchell
Mrs. Kathy Chmiel	Grade 1 Teacher	Ms. Laurel Powel
Mr. Chris Young	Physical Education Teacher	Mr. Patrick Whalen
Mr. John Lee	Spanish Teacher	Mrs. Elsa Borrero
Mrs. Allyson Schoales	6/7/8 Music Teacher	Mrs. Marcia Esche
Mrs. Kate Stohr	Grade 2 inclusion aide	Ms. Sara Hubbard
Ms. Emily Todd	Grade 3 inclusion aide	Mrs. Stephanie Kelly
Mrs. Laurel Powell	Grade 4 inclusion aide	Mr. Stan Marino
Ms. Rebecca Mello	Grade 5 inclusion aide	Mrs. Robyn Dunphy
Ms. Jesse Kamal	One-on-one inclusion aide	New Student
Mrs. Laurie Ingrams	Part-time Library aide	Ms. Emily Todd
Mrs. Laurie Brantley	Sub-Reading Specialist	Ms. Rosemary Jablonski
Mrs. Pat Porter	Lunch Program	Mrs. Carol Riendeau
Mrs. Margaret Winn	Part-time Lunch Aide	Mrs. Rose Ashworth

Goals

This summer a meeting was held with the school board to set new goals for the direction of Chesterfield School. At this time, we are currently working on four specific goals. They are as follows:

1. *Move the Chesterfield NECAP scores into the top 25% of New Hampshire Schools by 2009.*
2. *Analyze the effectiveness of Special Education Programs and Support.*
3. *Initiate a comprehensive understanding of bullying in the Chesterfield School community and create an effective plan to address and respond to incidences of bullying behaviors.*
4. *Increase community engagement and communication between the Chesterfield School Board and the Chesterfield community.*

Full Day Kindergarten

It is with great pleasure that I announce that we are into our second year of full day kindergarten. The increase in this program has provided our youth with more time to become acquainted with the school environment. In addition to daily programming, I would also like to note initiatives in the area of Language Arts and Math literacy. Both Mrs. Rydant and Mrs. Goulas are joined by various staff members to provide small group exposure to various literacy activities. I would like to recognize the efforts of Mrs. White, Mrs. Kowalski, Mrs. Mathers, Mrs. Mills, Ms. McPike, Mrs. Prentiss, and volunteers, Mrs. Mary Morrisette and Mrs. Judy Idlekope. This program has provided our students with learning opportunities we could not offer in a half-day setting.

Members of our early childhood team have also begun meeting with local day care providers to plan out early intervention strategies. Meetings are held and discussions are focused around the needs of future incoming students. We look forward to continuing our conversations and preparing ourselves for the needs of incoming students.

Building Maintenance

Many projects were accomplished last summer. First, the boiler system was replaced in the original section of the school. Abatement on the old courtyard boiler was completed, as well as abatement of the middle school science room floor. The main office was painted and new flooring was laid. The classrooms of Mrs. Dunn, Ms. Belyea and Ms. Markland, as well as the primary resource room also received new flooring. We continue to replace old door hardware and the exterior doors were re-keyed.

Current projects include repairs to a section of the bleachers in the gym, repairs and a study on the 1988 boiler, and work on a water tap for the well. The Facilities Committee continues to meet the third Thursday of the month at 5:30 p.m.

Fields

We welcome everyone to take a look at Mahoney Field. Thanks to the many volunteers and financial support from local businesses, a complete renovation occurred last spring. New fencing, dugouts and attention to the grounds were accomplished. Aspects of the renovation were completed in time for a special dedication ceremony for Mr. Mahoney. The field was named in honor of his years of service to the education and recreation programs of our community.

Student Recognition

I would like to recognize some individuals for their achievements and accomplishments over the past year.

Chorus - Alize Cordell, Megan Dudek, Ryan Todd and Danny Todd

I could go on and on with all the achievements our students earn. Chesterfield School is a special place with a very committed staff. We continue to strive to give the youth of our community the best educational experience possible. This could not be achieved without the enormous amount of support and dedication from the employees and the community members. I would like to take this time to thank all of you for your efforts and interest in our school. I look forward to continuing our partnership in making Chesterfield School the best it can be.

Respectfully submitted,

Sharyn K. D'Eon

SCHOOL LUNCH REPORT

The start of school this year saw changes with a new food service manager and new part-time kitchen assistant. Also new was the installation of a computer system for tracking monies and meals. Everyone in the school received their own "PIN" number.

Our breakfast count remains steady. We are serving between 45 and 50 per day. Our lunch counts average around 240 each day and we serve between 5 and 10 staff daily. The menus are changing and we urge students to try "new tastes". Feedback has been very positive.

Our Thanksgiving meal was very special with organic turkeys, dinner rolls and dressing donated by United Foods. Homemade pies were made by parents, friends and members of the community. We received enough pies so everyone who wanted pie had a piece for 2 days! Many thanks to everyone who helped to make this day special for the students.

Our days are rushed as we serve breakfast, start preparing lunch, clean up after breakfast and continue to prepare lunch to serve at 11:00 a.m., and then clean up again starting at 12:30. There are many other hours spent doing behind the scenes work. We prepared quite a few bag lunches for class trips this past fall. We also had students come in and do community service in the kitchen in December. Other students have asked to volunteer in the kitchen during the year.

Respectfully,

Pat Porter
Food Service Manager

SCHOOL HEALTH SERVICES REPORT

August, 2005 – December, 2006

Annual Health Services Performed

- Height and weight -- all students
- Student visits to the health office: first aid, illness, medications, in need of community resources, patient education.
- Vision/Hearing screening -- alternate grades - Pure Tone (Acuity); new student and special education referrals.
- Medications -- for short-term and chronic conditions; prescription and nonprescription medications.
- Annual Flu Clinic -- coordinated by JVRN and administered by HCS (Home Health Care, Hospice and Community Services): voluntary, for staff to receive influenza vaccine (every Fall).
- School Health Policies and Procedures -- reviewed, revised and recommended to administration as needed.
- Accident reports requiring medical referral.
- Referrals for community resources to assist students and families: Keene Rotary (school clothes), vision, counseling, New Hampshire Healthy Kids health insurance, Operation Toy Drop (Christmas gifts), Brattleboro Reformer (winter clothing), medical.
- Participation in special education (IEP) meetings, as needed, for medically fragile students.
- State mandated reports of suspected child abuse/neglect, and annual immunization audit.
- Cheshire Smiles Mobile Dental Health Clinic -- they annually screen children in Grades K-3 for dental decay - December, 2006, with parent's permission. Some are referred for follow-up teeth cleaning, fluoride treatment and referral to a local dentist to apply sealants. Although a \$10.00 donation is requested, their services are usually donated. This Nurse deemed it appropriate to donate \$10 per person from a Nurse's Fund - which includes donations from the Town's Hamilton Fund for Needy Children, Friends of Chesterfield School, and other donation sources to support this cause, to promote the health of our children.

Respectfully submitted,

Jane Vincello, RN, BSN/BA, M.Ed.
