Town Of Colebrook

Annual Town Report

Year Ending December 31, 2005

Story behind the Cover
The Trinity United Methodist Church

Methodism was first preached in the area in 1816. Reverend Moses Potter held services in the log schoolhouse. Circuit riders also held services when in the area.

The Methodist Episcopal Church was built in 1870 and dedicated in 1871 when Rev. J.H. Knott was the pastor.

With a growing congregation and the closing of the Columbia Methodist meeting house, the decision was made to renovate and enlarge the building. The Reverend Guy Roberts was the pastor during the renovations which were completed in 1908.

The word "Episcopal" was dropped from the name in 1939.

The Methodist Church has the largest seating capacity of any church in town allowing many concerts and large funerals to be held there.

The four stained glass windows on the Bridge Street side are unique. They represent four organizations: The Grand Army of the Republic, The Grange, The Knights of Pythias, and The Odd Fellows.

All revenue above the estimated budget revenue received by the town from fees and charges for recreation and park services and facilities may be deposited into this fund. The money in the fund shall be allowed to accumulate from year to year, and shall not be considered part of the Town's general surplus. The fund shall be held in the custody of the Town Treasurer, who shall pay out amounts from the funds as ordered by the Board of Selectmen and the Recreation Advisory Board for the provisions of recreation services (no further Town Meeting approval required). These funds may be expended only for recreation purposes as stated in RSA 35-B, and no expenditure shall be made in such a way as to require the expenditure of other town funds which have not been appropriated for that purpose. The motion passed with a voice vote.
- Article 13** Greg Placy made a motion to authorize the Selectmen on behalf of the **Colebrook School District** to convey a **conservation easement** on thirty (30) acres of Town-owned land held by the Colebrook Water Works (Map R-5, Lot 39.) The purpose of this easement is to provide State-required mitigation for the approximately three (3) acres of wetland being disturbed at the **Colebrook School Ball Fields**. Frank Dumaine seconded the motion and it passed with a voice vote.
- Article 14** Larry Rappaport made a motion, seconded by Frank Dumaine, to **accept, ratify and confirm** the reports of the Agents, Selectmen, Auditors and all other Town Officers.
- Article 15** To transact any other business that may legally come before this meeting.
- Earlier in the evening, Library Trustee Rosalie Smith thanked Pam Bunnell for her twenty years of service as a Library Trustee. Moderator Jon Frizzell recognized Mrs. Bunnell once again.
- Bruce Katz asked the Selectmen to consider placing the list of tax abatements in future town reports.

The meeting was adjourned at 8:07 pm.

Respectfully submitted,

Sheila M. Beauchemin
Town Clerk

Tax Collector and Town Manger's Report

Thankfully taxpayers saw a decrease in their tax rate this year. The cutoff date for the unpaid taxes listed in this book is December 31, 2005. The percentage of unpaid 2005 taxes is 8.05 percent; however 1.29 percent of those listed did pay their taxes before February 18th, 2006. The town is preparing to take tax deeds to a few properties this year. This is something that town officials do not like to do but state laws have to be followed. The homeowners will have the opportunity to repurchase their property within a certain time frame.

The abatements given during 2005 are listed in the book this year due to a request made at last year's town meeting. The auditor's transmittal letter is not in your report this year as the audit has not been completed. As soon as it is completed and the reports are received, the newspapers will be notified at a regular selectmen's meeting and anyone can come into the office to pick up a copy of the transmittal letter.

Colebrook selectmen and employees have spent many hours negotiating with the State of New Hampshire on permitting issues and with New England Waste Services on contract issues for the landfill project which will cap the old landfill, as well as treat any contaminated water on site. Public Works Director Kevin McKinnon has spent 90 percent of his time at the landfill ensuring the construction was done according to specifications and dealing with any problems as they arise.

Titus Hill was a peaceful and low traffic road before the landfill project started. Residents on Titus Hill from Skyline Drive intersection to the Spring Street intersection are going to receive a reduction in the value of their properties until the project is completed. Colebrook officials do appreciate their cooperation and patience with the traffic problems.

Colebrook is going to do a feasibility study of the water system and how to best connect the new wells with the current system. This study will also address what funding is available through grants and loans and guide the town in how much the water rates need to be increased to support the system.

It is important to have more than one person know any given job in case of sickness, vacations, etc.; and, because of this, the following cross trainings have been instituted. Kevin McKinnon, April Hyde and David Begin are being trained to operate the water treatment system at the landfill. David Begin is training April and T.J. Rossitto to operate the water and sewer departments, including lab work.

Several EMS personnel are working to obtain one dispatch frequency to facilitate more effective dispatching methods during emergencies. Colebrook received a grant to obtain a generator to operate the dispatch center during power outages. The generator was ordered the first of January and has been shipped. The transfer switch has been installed and, as soon as the generator arrives it will be connected to the building's electrical system. This will enable dispatch, the district court, licensing and the entire town hall to have power during any power outage.

I want to close this report by thanking Colebrook employees for their dedication to their jobs and the Colebrook residents for making it enjoyable to work for you.

Respectfully submitted,

Donna Caron
Town Manager

Colebrook Police Department

We have arrived at our yearly gathering yet again. I hope all is well with everyone and their families. Since we met last year the Colebrook Police Department almost lost one of our brother officers in Iraq. Corporal Joseph Caron was wounded in action last July in Ramadi, Iraq. He is currently home going through physical therapy and hopes to be back to work in the fall of this year.

During his absence Officer Bridget Jeffers went from part-time to full-time status. This is temporary until Corporal Caron can return to full duty. Officer Jeffers is currently at the police academy. Officer Timothy Stevens attended a RADKIDS instructor seminar this year. The tuition was paid for by the Key Club. Officer Stevens is hoping to have a curriculum for this childhood safety program set up to start teaching in the fall at the Elementary School. He will also continue to coach the CPAL softball team this year along with active participation in the Special Olympics through coaching and management. Officer David Radun and Officer Guthrie Peet both attended the Intox School at the Academy last fall. Officer Peet will be assuming head coaching position of the CPAL baseball team.

There were two new part-time officers brought onboard last year. Officer Brendon McKeage and Officer Christopher Ladd were sworn in during 2005. Officers McKeage, Jeffers and Ladd took up a lot of the slack that was created from Corporal Caron's situation during 2005 through 2006. Their dedication is deeply appreciated, as are all of the Officers who work for the town.

I want to remind all bike riders under the age of 16 about the new law that requires helmets as of January 1, 2006. Please abide by this as it is for your protection.

Hopefully we will have everyone back by the next town meeting. Have a great 2006 and Go Pittsburgh Steelers!

Stephen R Cass
Chief of Police

Public Works Report for 2005

This has been a year of accomplishments!

We are closing our landfill, after a decade of butting heads with Concord, by using a unique methodology that will save taxpayers any increase in taxes as this project is designed to pay for itself. There was a three and a half year concerted effort by Town, State, and private sector people to receive all the necessary permits for this project to go forward. A huge thank you is in order to Governor Benson and now Governor Lynch, Commissioner Nolan, and Dr. Michael Sills from the state sector. Senator Gallus and Representative Eric Stohl were instrumental in paving the way through legislation and, of course, Councilor Burton was there for us also.

Our Selectboard and Town Manager went through countless meetings and briefings, contract negotiations, and agreements to be read, understood, and signed.

We now have an operating treatment system that is cleaning up the contamination that did exist on the site, and will treat the groundwater around the landfill itself.

In July we hired David Begin to be our foreman of the public works crew. He has done an excellent job, with the crew completing a number of projects this year. Titus Hill Road was ditched and readied for the truck traffic to the landfill. Brush cutting took place on a town wide basis. Piper Hill Road had 350' of fabric and gravel placed from the town line west. The grader was out and about during the good weather, grading a total of 120 miles of roadway. This is because roads were graded multiple times through the season. We had two men leave us this year and welcomed Daniel Lyons and Anthony Rossitto to the crew.

The sewer department had a dilemma arise this year on High Street. A main line collapsed causing replacement of the whole line. The crew fit this in between their regular duties. We can't do this kind of work as quickly as some people might like, not being a construction company. High Street also got a much needed repaving job done.

We are now testing wastewater for Groveton (Northumberland), bringing in some added revenues for the department. We welcomed April Hyde to the water and the sewer departments, as well as an operator for the landfill treatment system. April has a degree in earth sciences which has already been a big asset to the town.

I have been the resident engineer at the landfill which has been a full time job since July.

I want to thank all my crew for doing a great job this year, as they always do! These people keep our infrastructure working, and our roads safe to travel on.

Sincerely,
Kevin F. McKinnon

Office of the Town Clerk

As the saying goes, "*things are a-changing.*" The new motor vehicle system was implemented in August for us; and after a month of talking to ourselves rather than our customers, we felt more comfortable with the processes (some of them new) that we can now accomplish.

The following is a breakdown of the revenues turned over to the Treasurer during the year ending 2005:

Motor Vehicle Registrations (3,357)	\$413,444.00
*Of this, \$140 was refunded due to errors	
Dog Licenses (464)	\$3,158.00
*Of this, \$1,081.50 paid to Department of Agriculture for animal control per RSA 466:4	
Vital Statistics Abstracts	\$4,714.00
*Turned over to the State of New Hampshire	
Municipal Agent Fees, Vital Records & UCC's	\$13,593.35
Dog Fines	\$325.00
Bad Check Collection Fees	\$100.00
Requests for Voter Checklist	\$75.00
Filing Fees	<u>\$9.00</u>
TOTAL Turned Over to Treasurer	\$435,418.35

New laws are being created every day that pertain to our job. Most have to do with security and privacy. Some seem silly for a small town but we are required by law to adhere to them state-wide, so please be patient if we ask you to get a paper or produce identification.

Respectfully submitted,

Sheila M. Beauchemin, Town Clerk

Colebrook Recreation Department Report

The Colebrook Recreation Department offered several of the same programs that have been held in previous years, such as Youth soccer league, Travel team soccer, Youth basketball league, 3 & 4 grade basketball travel team, Play Soccer camp, Summer day camp, HOAP, Tennis camp, Book discussion group, Paul Hogan basketball camp, and Movie nights. These programs have continued to see success over the years. The enrollment in each program has remained at a steady level. Many of these programs have worked due to the help of volunteer coaches and parents.

There have also been several new programs added over the past year: No school day camp, Drama camp, Adult indoor soccer, Fisher Cats baseball game trip, Father-daughter dance, and a pre-school program working on physical skills called Surf & Turf. It is our hope that several of these new programs will continue throughout the current year for the community to enjoy.

September was the start of the seventh HOAP (Healthy Older Adult Program) season with a kick-off breakfast and lawn games. Membership is once again over 100 members from Colebrook and the surrounding area. To become a member, an individual must be at least 55 years in age and complete a survey packet. Being a member of the program makes you eligible for several programs at a reduced cost. HOAP is the recreation department's largest program and it is still continuing to grow. Additions to the program this year include a daily swimming program at the North Country Community Recreation Center and a Talent Fair. HOAP members have visited the theater, taken a shopping trip, held a holiday party, and gone for tea, with several activities still left to complete this HOAP season.

With the addition of the Recreation Revolving Fund for the 2005 year, we were able to purchase four portable basketball hoops to be used for the 1st & 2nd grade basketball players during the Youth Basketball League. These basketball hoops allow children to practice age appropriate skills to better prepare them for the next level.

The recreation department offered six different adult programs throughout the year, involving over 150 members of the community; while eleven various sports and art programs were offered for the children of the community serving over 500 children. This would not be possible without the help of volunteer coaches, instructors, and members of the community.

I would like to thank the Recreation Advisory Board for all of their assistance in 2005, especially those members whose terms have expired. Thank you for your time and commitment - it is appreciated.

Respectfully submitted,
Melissa Shaw

Colebrook Planning Board Report

The Colebrook Planning Board continues to be busy. We have overseen a number of subdivisions as well as building permits. We have worked hand in hand with various state and local agencies to be accommodating and make things inviting to attract businesses to town. The board will continue to do everything within its power to work with applicants and to encourage expansion of existing businesses, as well as the start up of new business.

Normally, we meet once a month to conduct any business that may come before the board. This year, however, we met twice a month for eight months because we set internal goals of revamping our procedural policies and rewriting some of the ordinances to reflect what is happening in our community today. We continue to work on this.

The board is comprised of a group of dedicated people. They receive no stipend for their efforts. The Planning Board budget is a little confusing. We raise money through taxes to pay for newspaper ads, mailings, legal opinions and other things; most of which, however, is reimbursed by the applicants. The board's expense to the taxpayers is actually very small. We are looking to slightly raise the application fees to help offset most of the remainder of any budgetary shortfalls.

Our standard meeting schedule is the second Tuesday of the month. We invite and encourage all to attend our meetings. The board is always looking for alternate members and welcomes participation.

Statistics for 2005:

	<u>Issued</u>	<u>Denied</u>	<u>Tabled</u>
Building Permits Issued	87	1	1
Building Permits Extended	2	0	
Sign Permits Issued	12	2	
Driveway Permits Issued	12	0	
Site Plans Approved	4	0	
Site Plan Waivers Approved	6	0	
Subdivisions Approved	6	1	
Boundary-Line Adjustments Approved	2	0

2005 Library Report

The library welcomed Rose James to the staff in August; Rose has taken on her responsibilities with enthusiasm and is a great asset to the library. We also have two new trustees, Karen Ladd and Lisa Kenny.

The C-Pal grant money was used to purchase a Digital projector and DVD/video player and cabinet, allowing us to show new releases on DVD's every Thursday night.

The book group is still active, reading such books as Ethan Frome, West of the Night, Bridget Jones' Diary, Seabiscuit, and Sister of the Traveling Pants. Everyone is welcome to attend one or all sessions, held the second Thursday of the month at 6:30 p.m.

Entertainment programs held or sponsored by the library included Leslie Smith and The Theatre of Life puppets. Leslie also did a puppet workshop for the school. Wildlife Encounters made a trip north to entertain the audience with live animals. Cold Science was our program closer. The cookout was well attended and Chefs Russell Fuller and Mike Smith did another superb job of cooking. We once again sponsored an entertainer at the Moose Festival. Michael Zerphy clowning with the crowd and did mime acts. Many of these programs were funded by grants.

Last summer's reading program theme was "Camp WannaRead". We kicked it off with a "Welcome to Camp WannaRead" by Scott Kepnes. This year's summer reading theme is "Treasure Reading".

The dream of local genealogists has started to take shape. We applied for a grant from the Tillotson Foundation to purchase a computer, bookcases, software and microfilm. Sheila Parkhurst is generously donating her time, entering statistics from local towns into the computer. We purchased Family Tree Maker software to aid patrons in charting their family history. The bookcases will be used to hold local family genealogies and genealogy books. This project is expected to be completed this summer.

I want to thank the Trustees and staff for their support this year and Lori Morann for doing a great job on the flowers.

Respectfully submitted,

Julie Colby

**TOWN WARRANT
COLEBROOK, NEW HAMPSHIRE
THE POLLS WILL BE OPEN FROM 8 A.M. TO 6 P.M.**

To the inhabitants of the Town of Colebrook, in the County of Coos, in the State of New Hampshire, qualified to vote in Town Affairs.

You are hereby notified to meet at the Colebrook School Gymnasium in said Town of Colebrook on **Tuesday, March 14, 2006 at 7:00 P.M.** in the evening, to act upon the following subjects:

Article 1 To bring in your ballots for the selection of Town Officers to be elected by ballot for the Town of Colebrook for the ensuing year.

Article 2 To see how the Town will vote on the following three proposed amendments to the Colebrook Zoning Ordinance, to be voted on by official ballot. Copies of the complete proposals, as well as the current Zoning Ordinance, are available for review at the Town Clerk's Office, and will be available during the election.

Amendment # 1: Are you in favor of the adoption of Amendment No. 1 to Article IV, Section 1 as proposed by the Planning Board for the Town of Colebrook as follows:

- 1) No new lot shall be approved by the Planning Board unless it has at least 150 feet of frontage either on a public street or on a private street approved by the Planning Board. No building whose use requires an approved sewage disposal system under Town or State law shall be constructed on any lot without at least 150 feet of frontage on a public street or approved private street, unless that lot legally existed as a separate lot, as reflected by properly-recorded plans or deeds, prior to March 14, 2006; provided, however, that all such buildings shall be in compliance with the current RSA . (Recommended by the Planning Board)

Amendment #2: Are you in favor of the adoption of Amendment No. 2 to Article III as proposed by the Planning Board for the Town of Colebrook as follows:

- 2) Temporary Signs: Any sign placed outdoors for a period of time of 30 days or less. (Recommended by the Planning Board)

Amendment #3: Are you in favor of the adoption of Amendment No. 3 to Article IV, Section 11 as proposed by the Planning Board for the Town of Colebrook as follows:

- 3) A temporary sign (one placed outdoors for 30 days or less) is allowed without a permit or fee, provided however that: (a) prior to the erection of the sign, the Town of Colebrook shall be notified of the sign, its location, and expected time of removal, using a form provided by the Town; (b) the date of sign placement shall be shown on the sign itself in letters easily read from street level; (c) no temporary sign shall violate the provision of Subsection D, "Prohibited Signs"; and (d) any temporary sign remaining in place for a combined total of more than 30 days without a permit shall be a violation of this Ordinance. (Placement would be in Section 11.B as subparagraph #7.) (Recommended by the Planning Board)

Article 3 To see if the Town will vote to raise and appropriate the sum of **\$1,772,483.00** for **General Government**. (The Selectmen recommend passage of this article.)

1) Executive	\$ 91,579.00

1) Water Department	\$ 329,840.00
2) Sewer Department	\$ 202,641.00

Article 7 To see if the Town will vote to raise and appropriate the sum of **\$95,746.00** for the support of the **Colebrook Public Library**, \$85,116.00 of which to be raised through taxation and \$10,630.00 of which is to come from other Library balance on hand January 1, 2005, book sales, donations, trust funds, non-resident fees, other communities, over due fines, book resale's, copying fees etc., such funds to be expended under the direction of the Board of Library Trustees. (The Selectmen recommend passage of this article.)

- Article 8** To see if the Town will vote to raise and appropriate the sum of **\$66,487.00** for the operation and maintenance of the **Colebrook Cemeteries**, the sum of \$54,487.00 to be raised through taxation and \$12,000.00 to be raised from burials, cemetery trust funds and other Colebrook Cemetery revenues. (The Selectmen recommend passage of this article.)
- Article 9** To see if the Town will vote to raise and appropriate the sum of up to **\$10,000.00** to be added to the **Colebrook Cemetery Grounds Maintenance and Reclamation Fund** (Expendable Trust created 2005), and to authorize the use of the December 31, 2005 fund balance in that amount for this purpose. (This represents excess 2005 cemetery appropriations.) (The Selectmen recommend passage of this article.)
- Article 10** To see if the Town will vote to raise and appropriate the sum of **\$201,514.00** for the **Colebrook Dispatch Center**, (Capital Fund created 1999) of which \$ 120,023.26 will be raised through taxation, \$17,700.00 will be withdrawn from the Colebrook Dispatch Savings Equipment Fund and the remainder to be offset by revenues raised from the participating towns. (The Selectmen recommend passage of this article.)
- Article 11** Shall we modify the elderly exemptions from property tax in the town of Colebrook , based on assessed value, for qualified taxpayers, to be as follows: for a person 68 years of age or older, **\$15,000.00**. To qualify, the person must have been a New Hampshire resident for at least 5 years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$13,400.00 or, if married, a combined net income of less than \$20,400.00; and own net assets not in excess of \$35,000.00 excluding the value of the person's residence. (The Selectmen recommend passage of this article).
- Article 12** To see if the Town will vote to authorize the Selectmen to grant a fifty foot (50') right-of-way to Morris Sage across the southeast corner of land owned by the Town known as the "Parsons Lot" (Tax Map #114-16) located off Lynch Road. REPORT ON THE COLEBROOK CEMETERIES

Colebrook has within its boundaries four cemeteries of which the trustees are responsible for three. The fourth is the private Roman Catholic cemetery on South Main Street just north of the Shrine.

The Cemetery Trustees have the responsibility of being the general overseers of the care and maintenance of the three cemeteries. However, in as much as the bulk of the money raised for the maintenance comes from perpetual trusts, the trustees of the Trust Funds of Colebrook are charged by State law with the task of insuring that the trust money is used as the original donors expected it to be.

Village Cemetery:

The Village Cemetery is located on U.S. Route 3 at the northern edge of the village. The bulk of the old cemeteries trust funds are dedicated to this cemetery.

Reed Cemetery:

The Reed Cemetery is located in East Colebrook at the junction of the Forbes and Reed Roads. With one exception the rules that apply to the burials in the Village Cemetery apply to those of the Reed Cemetery. The exception is that, due to the limited space available for future burials, only those persons with either a strong family connection to the cemetery or own their lots may be buried in that cemetery.

Titus Hill Cemetery:

This cemetery is located on Titus Hill Road, east of the village. Since there are no maps associated with this cemetery and no records exist of where the old graves are located, this cemetery, for all practical purposes, is closed to future burials.

St. Brendan's Cemetery:

This is a private cemetery under the control of St. Brendan's Catholic Church in Colebrook; with the exception that the town annually provides a sum of money to assist in its maintenance. We exercise no jurisdiction over its operation. All trust funds that were previously held by the Trustees pertaining to persons buried in this cemetery were turned over (with State approval) to the St. Brendan Trustees in the early 1980's.

Cemetery Trust Funds:

There are five different types of trust funds relating to the village cemeteries: perpetual care, cleaning of tombstones, flowers, trees and shrubs, and general maintenance.

NOTE:

It should be stressed here that the Colebrook Trustees of the Trust Funds are not bound to accept bequeaths from wills or otherwise perform tasks which they feel are not in the best interest of the Town. (e.g. further flower funds.) The Trustees may reject such bequeaths. Consequently, should lawyers or persons drawing up wills call for advice, it is strongly urged that the Trustees advise the person plainly that any bequests against Trustees policy will not be accepted.

Perpetual Care:

This is by far the largest number of trust funds held by the Trustees of the Trust Funds. They can be divided into three types:

- a. **RESTRICTED:** the oldest and largest number of trust funds. These are set up so that the interest is used only for the maintenance of a specified lot.
- b. **NON-RESTRICTED:** in the early 1980's the wording of the perpetual care trust funds was changed to allow the excess interest accumulated from each new trust to be used for the care of the cemetery as a whole.
- c. **GENERAL TRUSTS:** starting in 1986, by a vote of the townspeople at the Annual Town Meeting, it was decided to do away with specific trusts. Perpetual care funds are now transferred to a general cemetery trust fund, and except for the year that the money was received, the identity of the trust is no longer kept separate. We do, however, keep a name card on file of these trusts for reference purposes.

Cleaning of Stones:

There are three trusts that contain within their instructions wording that calls for occasional cleaning of the tombstones. These instructions are to be honored as long as adequate funds are available over and above the general care and maintenance of the lots. No further trusts of this nature will be accepted, as the Cemetery Trustees have initiated a cleaning and reclamation program for the complete cemetery.

Flower Funds:

Originally there were twenty-four (24) lots for which flower funds had been established. These called for flowers to be placed on the lots each Memorial Day. These requests have been honored as long as funds were available to maintain the lots and purchase the flowers. Only nine (9) remain with sufficient funds. Annually (just before Memorial Day) the Trustees of the Trust Funds will contact one of the local flower shops and contract the placement of the flowers on the respective lots. No further trusts of this nature will be accepted.

(All lot locations are based on Nancy Dodge's register of cemetery plots and are all located in the Village Cemetery)

Trees and Shrubs:

This fund was established by Elizabeth and Nellie Young to beautify the Village Cemetery. It can be used for the purchase of trees and shrubs, perennials, etc little or nothing of the account had been used over the years, and as a result it has grown to considerable size. Presently, approximately \$500 is withdrawn each year to trim the hedges and shrubs.

General Maintenance:

Frank Leonard left money for the general care and maintenance of the Village Cemetery. The interest of this fund has been used primarily to paint the wrought iron fence.

Tibbett's Family Trust:

These funds are to be used to create and maintain the Tibbett's Memorial Park, and such other programs that will add to the beauty of the cemetery. The expenditure of these funds is to be determined annually by the Trustees of the Trust Funds in conjunction with the Cemetery Trustees.

New Cemetery Trusts:

The purchase price of a new lot includes both the costs of the lot and the perpetual care. It is paid to the Treasurer of the Cemetery Trustees, who then turns it over to the Trustees of the Trust Funds.

Colebrook Cemetery Trustees Report

On May 30th, 2006 a dedication ceremony for the new fence, plaques and flagpole was held. Representatives of the North Country Ministerium, George L. O'Neil Post #62 and Stephanie Lyons, who rendered several vocal renditions, were in attendance to help us with the dedication. This spring the plaques will be installed on the outside wall of the tomb.

In May Sheila Parkhurst became the Cemetery sexton. During the time the Cemetery was open she and her crew, Arthur Truesdale, Larry Shawney and Glenn Raymond, Jr., kept the grounds in excellent condition with several projects completed. The cemetery shed, tomb and fences were painted, stones were cleaned and the old disposal area was cleaned and made ready for closure.

When we closed for the season in October, Sheila Parkhurst presented the Board with her resignation. As there were burials that needed to be done until December 1st Arthur Truesdale took on the responsibility. We advertised in house for a new sexton and Arthur Truesdale stated his interest in the position. At our December 6th 2005 regularly scheduled meeting, the trustees present voted to offer him the position.

Several people went above and beyond to keep the cemetery a place to be proud of and we wish to acknowledge them. Before we started spring cleanup, members of the Colebrook Key Club removed all the old flags from the Cemetery. They were disposed of in the proper manner by the American Legion. Ellie Gooch and Virginia Stickney placed flowers and Christmas wreaths at the main entrance to the Cemetery. At the location of the old tomb, Frances Haynes and Jean Haynes planted and maintained flowers during the summer. Leighton (Sonny) Cree repaired several Veteran Flag Markers and drew up specifications for the closure of the old disposal area.

In January Sheldon Gray resigned as a Cemetery Trustee and the Selectmen appointed Camilla Jane Stewart to fill his term.

We all were truly saddened with the passing of the former sexton, Roland B. Martin, and wish to express our sincere sympathy to his family.

With appropriations raised at Town meeting, we were able to purchase a walk behind mower and a zero steer riding mower. The riding mower enabled us to cut down on costs as it reduced the time necessary for mowing.

Within the Colebrook Village Cemetery, lots were sold to Robert I. and Jerry Grant, Irene and Valtin Bean, Craig and Monique Washburn, Ernest Ellingwood or Frances Vitale, and Mark and Darlene Cote. Lots were purchased in the Tibbetts Memorial Park by Ronald G. and Mary Haynes and David and Betty Bellows. There were eight entombments from other towns, which we received reimbursement for, along with twenty-eight committals, seventeen full burials and eleven cremations.

Several old stones in the front portion of the Village Cemetery were repaired. This is a project we plan to continue this coming year with funds raised through our annual budget.

The Trustees feel we had a very productive year and look forward to next year. Future improvements we are committed to are:

- ❖ Repair and clean old stones
- ❖ Excavate the area of the old disposal area
- ❖ Pave the roadway to the tomb
- ❖ Pave remaining entranceways up to the fence line
- ❖ Continue with our reclamation area project
- ❖ Rebuild the existing road system

Respectfully submitted,
Sally S. Wentzell, Chairman
Bookkeeper for the Colebrook Cemetery Trustees

Fire Precinct Warrant – 2006

STATE OF NEW HAMPSHIRE, County of Coos. To the inhabitants of the Colebrook Village Fire Precinct, qualified to vote on Precinct affairs: You are hereby notified to meet at the Fire Station in said Precinct on March 28th, at 7:00 o'clock in the evening, to act upon the following articles:

- Article 1:** To choose by ballot and plurality vote, a Moderator for the ensuing year.
- Article 2:** To choose by ballot and major vote, a Clerk for the ensuing year.
- Article 3:** To choose by ballot and major vote, one Fire Warden for the ensuing three years.
- Article 4:** To choose by ballot and major vote, one Fire Warden for the ensuing two years.
- Article 5:** To choose by ballot and major vote, a Treasurer for the ensuing year.
- Article 6:** To choose all other officers and agents for the ensuing year or to authorize the Fire Wardens to appoint the same.
- Article 7:** To see what sum of money the Precinct will vote to raise and appropriate for General Government for the year 2006.
- Article 8:** To see what sum of money the Precinct will vote to raise and appropriate for outside fire services for the year 2006.
- Article 9:** To see what sum of money the Precinct will vote to raise and appropriate for debt service for the year 2006.
- Article 10:** To see if the Precinct will vote to raise and appropriate the sum of **\$7,800.00**, for the purchase of a four wheeled, all wheel drive, **all terrain vehicle** for rescue operations. Of this amount, \$6,000.00 will come from the special rescue fund established for this purpose, and the balance of \$1,800.00 is to be raised by taxes. The Wardens recommend this appropriation. (2/3 ballot vote required).
- Article 11:** To see if the Precinct will vote to authorize the Wardens to borrow money to defray the expenses of the Precinct in anticipation of taxes, for the ensuing year. The Wardens recommend this article.
- Article 12:** To see if the Precinct will vote to accept and approve the reports of the Fire Wardens, Treasurer, and Auditors as printed in the annual Report of the town of Colebrook for the year ending December 31, 2005.
- Article 13:** To transact any other business that may legally come before this meeting.

Given under our hands at said Colebrook, N.H. this 20th day of February 2006.
