TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Derry qualified to vote in town affairs:

Voters in District No. 1 are hereby notified to meet at the Veterans Memorial Hall in said district, and voters of District No. 2 are hereby notified to meet at the East Derry Fire House in said district, on the fifth day of March, 1974, at seven o'clock in the forenoon, to act upon the articles required to be voted on by official ballot. (Articles 1 through 15) By vote of the Selectmen, the polls for this meeting will remain open from seven o'clock in the forenoon until eight o'clock in the afternoon, and as much longer thereafter as the Town, at the opening of the meeting, may vote.

All voters are further notified to meet at eight o'clock in the afternoon on the twelfth day of March, 1974, at the Veterans Memorial Hall to act on all other articles in this warrant.

① To elect a Selectman for three years, Town Clerk, Treasurer, Collector of Taxes, Library Trustees, Trustees of the Trust Funds, and other necessary Town officials for the year ensuing.

② To elect delegates to the Constitutional Convention.

③ By Petition: Do you favor the continuation of the town manager plan as now in force in this town?

④ To see if the Town will vote to rescind the present Derry Zoning Ordinance and adopt in place thereof the following zoning ordinance:

To promote the health, safety, convenience, and general welfare of the Town of Derry, to secure efficiently and economy in the process of developing the town and to keep it an attractive place in which to live and to do business, the following ordinance is hereby enacted by the voters of said town in meeting convened in accordance with authority conferred by Chapter 51, Section 50 to 71 of the Revised laws of New Hampshire 1942 and Chapter 31 NHRSA 1955.

Article 1. DEFINITION OF ZONES

For the purpose of this ordinance, Derry is divided into four zones namely: Retail Business Zone, Industrial Zone, Mobile Home Zone and General Residence Zone.

Section 1.100 — RETAIL BUSINESS ZONE

Section 1.110 — The area bounded by a line 200 feet south of South Avenue, a line 200 feet west of Maple Street and Central Street, a line along the center of Rollins Street and Lenox Road, a line 200 feet east of Birch Street and Crystal Avenue.

Section 1.120 — The area 200 feet either side of Birch Street and Crystal Avenue extending from Shutes Corner at the southern end to Ross Corner on the north. The depth of said Retail Business Zone on the Easterly side of Crystal Avenue shall extend Easterly to the Cooperative School District land and land of Gilbert H. Hood, Jr. from a point on Crystal Avenue at the Northerly bound of the walkway to Cooperative School District land to a point Northerly thereof on Crystal Avenue at the Northerly bound of land of Herbert Gurney [A&W Root Beer].

Section 1.121 — The area bounded and described as follows: Beginning at a point in the southwest corner of a Parcel of land owned by Public Service Company of N.H. Pension Fund, said point being on the easterly property line of Crystal Avenue,

approximately 360' southerly of the intersection of said Crystal Avenue and Pinkerton Street.

Thence S 73° 28' 26" E - 380.00' to a point, said point being the southeasterly boundary of a parcel of land owned by Public Service Company of N.H. Pension Fund;

Thence N 16° 26' 00" E - 345.59' to a point, said point being on the south boundary of Pinkerton Street;

Thence along Pinkerton Street 611.23' to the northwesterly corner of a subdivision approved by the Town of Derry on November 22, 1966, designated as Hoodcroft Block No. 2;

Thence S 00° 29' 33" W - 1288.95' to a point, said being on the north property line of the Derry Co-op School District;

Thence along said northerly property line of the Derry Co-op School District N 42° 07' 21" W - 930.19' to a point, said point being the northeast corner of the property owned by Herbert Gurney;

Thence N 73° 28' 26" W - 540.00' to a point, said point being on the easterly property line of Crystal Avenue;

Thence along said easterly property line of Crystal Avenue N 16° 31' 34" E - 294.76' to the point of beginning, said described parcel of land contains 17.52 acres of land, more or less.

Section 1.130 — The area 600 feet either side of Rockingham Road from Lawrence Road to the Windham town line.

Section 1.140 — The area 600 feet either side of Londonderry Turnpike from West Running Brook on the North to a line 200 feet northerly of Berry Road on the South.

Section 1.150 — All distances in the above sections are measured from the center of the street or road. Where a boundary line of a zoning district divides a lot in single ownership upon the effective date of these amendments, or amendment to the zoning map, either zoning district may be interpreted as extending no further than 25 feet into the adjacent district.

Section 1.160 — All that land included in the following description: Commencing at a point on the Southwestly side of Route 28, also known as the Manchester Road and at land owned by Tinkham Enterprises, Inc. formerly Doctor John Giblin Farm; thence Southwestly by said Tinkham land to said Tinkham Southeasterly bound; thence continuing in the same direction in a straight line to Franklin Street; thence Southeasterly by Franklin Street to its intersection with Folsom Road; thence Northeasterly by said Folsom Road to its intersection with the Manchester Road; thence Northwestly by the Manchester Road to the point of beginning.

Section 1.370 – All Mobile Homes installed after the enactment date of this amendment shall be located solely in the Mobile Home Zone or in an existing legally operated Mobile Home Park, or a location presently occupied by a Mobile Home provided it meets with Article II, Section 6, except that a landowner or lessee may accommodate the trailer or mobile home as a non-paying guest for a period or periods not to exceed 30 days in each calendar year.

Section 1.371 – For the purpose of the zoning laws of the Town of Derry, a Mobile Home is defined as follows:

A single-family dwelling unit with all the following characteristics:

a. Designed for long-term occupancy containing a flush toilet, a tub or shower bath, and cooking and eating facilities, with

plumbing and electrical connections provided for attachment to outside systems.

b. Designed to be transported, after fabrication, on its own wheels or on flatbed or other trailers or detachable wheels.

c. Arrives at the site where it is to be occupied as a dwelling substantially complete, including major appliances and furniture and ready for occupancy except minor unpacking and assembly operations, location on foundations supports, connection to utilities and the like.

d. Is capable of being readily disconnected or disassembled and moved to another location.

In contrast to a Mobile Home, a pre-fabricated dwelling is one:

a. in which major structural or utility components are transported, after fabrication, by flatbed, trailer or other device, but not on its own wheels.

b. the components of which arrive at the site where it is to be occupied without major appliances and furniture, and is not ready for occupancy.

c. which is designed and intended for permanent installation on a lot, and cannot be readily moved to another location.

Section 1.400 GENERAL RESIDENCE ZONE

Section 1.410 – All the rest of the town not included in the above three zones and, except as otherwise provided by this ordinance, shall be limited to residential type construction and uses. However, accessory uses, including business, may be permitted by special exception of the Zoning Board of Adjustment provided such use is not objectionable by reason of noise, smoke or fumes and shall not occupy more than 25 percent of the gross floor area of the principal dwelling or 25 percent of the lot, if not within an existing building.

Article II. GENERAL PROVISIONS

Section 1 – Nothing in this ordinance shall be construed to prevent the continuance of any existing use of land or building, but when any non-conforming use is discontinued for at least one year or any building or structure is altered, or destroyed by fire, lightning or otherwise, or damaged to an extent affecting the valuations of said building more than 50 percent of its replacement value, said building shall be subject to the building provisions of this ordinance. No addition shall be built that brings any part of the addition closer to the lot line than required for new construction.

Section 3 – No junk yard or place for the storage of discarded machinery, vehicles, or other materials shall be permitted.

Section 5 – Industrial uses may be permitted, by special exception of the Zoning Board of Adjustment, in any zone in the Town of Derry provided:

Industrial construction and use located upon lots of five acres or more with provision for parking vehicles of all the employees on the premises provided.

1. that the building located thereon are not nearer than forth [40] feet to the boundaries of said lot and are not nearer than five hundred [500] feet to a housing development, which development is restricted by deed and recorded plot plan for residential use only.

2. That no existing dwelling is located within one hundred fifty [150] feet from any part of an industrial building on said lot unless written permission is obtained from the owner of such dwelling.

3. that said lot is not located within four hundred [400] feet of Beaver Lake, Island Pond or Rainbow Lake.

4. that said industry must be of a type that does not produce smoke other than from normal heating and power producing purposes.

5. and that said industry is not one of the following: Acetylene Gas Manufacture, Ammonia, Beachline Powder, Chlorine Manufacture, Asphalt Manufacture or Refining, Blast Furnace, Boiler Making, Brick, Terra Cotta or Tile Manufacturing, Coke Manufacturing, Cresote Treatment or Manufacturing, Dye Stuff Manufacturing, Emery Cloth or Sandpaper Manufacturing, Foundries, Slaughtering of Animals or Fowls, Smelting of Ores, Stockyards, Tanning or Curing of Raw Hides or Skins or Japanning of Leather, Tar distillation or Manufacturing, Manufacturing of Tar Roofing or Tar Waterproofing, Manufacture of Gunpowder and other explosives. In acting upon such special exceptions, the Board shall consider whether said use will adversely affect the neighborhood and may impose conditions and safeguards pertaining to off street parking, loading areas, access drives, signs, scenery from adjoining lots, and setbacks greater than minimum requirements of this ordinance.

Section 6 – No permit shall be granted for the construction of or placement of a building or dwelling on a lot in any zone, unless said lot shall comply with the following requirements:

a. As used in this section, a residential lot shall be defined as a lot or parcel of land on which a dwelling or mobile home is situated, including lots for the placement of mobile homes within mobile home parks.

b. From and after the enactment of this section, all lots not supplied either by the municipal sewer system or municipal water system shall contain a minimum area of [1] one acre, with a width of at least 125' at the 35 foot setback line from the street or on the road. However, this requirement shall not be applicable to any legally existing or approved lot containing at least 25,000 square feet with a width of 125 feet at the 35 foot setback line from the street or on the road, provided said lot meets the requirements of the State Water Supply and Pollution Control Commission.

c.[1] Residential lots where municipal water or municipal sewer are available, shall contain a minimum of 15,000 square feet with a width of at least 100 feet at the 35 foot setback from the street or on the road. Residential lots where community water systems are available must contain a minimum of one acre [43,560 sq. ft.] with a width of at least 125 feet at the 35 foot setback from the street or on the road.

[2] Residential lots where both public water and sewer are available shall contain a minimum of 10,000 square feet with a width of at least 100 feet at the 35 foot setback line from the street or on the road.

d. Only one residential building or dwelling shall be situated on a lot.

e. Each residential lot must face on an approved street.

f. All buildings or dwellings shall be set back with a minimum of thirty five [35] feet from the street line or to conform with the average setback of the structures, three hundred feet [300'] from either side of the building on the same side of the street. Side and back line setback shall be a minimum of fifteen feet [15].

g. No commercial or industrial building shall be constructed or placed on a lot smaller than required for a dwelling.

h. Buildings or businesses not connected to public sewer, shall require 10,000 square feet of lot size above the minimum for the zone for each 200 gallon per day of sewage effluent after the first 200 gallons per day unless the owner can show adequate plans for sewage disposal on a smaller lot.

i. Any business built or expanded after the date of this ordinance, shall have adequate off street parking for employees

and customers on land in the same title as the business property.

Section 7 – MULTIPLE DWELLINGS AND APARTMENTS

Definitions – MULTIPLE DWELLINGS

A dwelling or building designed and used exclusively for residential purposes by more than two families, each suite having an independent entrance from the ground and halls, but no connection with each other except in such portion as may be a two-family dwelling and divided from one another by party walls or floors or both.

APARTMENT HOUSE

Is a building arranged or intended or designed to be occupied by three or more families living independently of each other and doing their cooking upon the premises, or by three or more individuals or groups of individuals living independently but having a common heating system and a general dining room.

GARDEN TYPE APARTMENT HOUSES

Garden Type Apartment Houses are buildings conforming to multiple dwelling and-or apartment house specifications located with each building having its own sub-divided lot and cluster developments acceptable provided all requirements of this section are met. All multiple dwelling buildings shall be planned so that the entire subdivision will have light, air and a recreational area and shall have a common owner.

REQUIREMENTS

Density: A minimum lot area of 2,500 square feet per unit.

Maximum lot coverage: Broadway – twenty-five [25] per cent.

Minimum lot frontage: One hundred and fifty [150] feet.

Minimum yard requirements: [1] Front - Thirty [30] feet; [2] Side Yard - Thirty [30] feet; [3] Rear Yard - Thirty [30] feet.

Maximum height: Forty-five [45] feet.

Distance between buildings for Garden Type Apartments: Minimum - Thirty-five [35] feet.

Off Street Parking: A parking space—an area of not less than 180 square feet not exclusive of access or maneuvering area, or ramps or columns, to be used exclusively as a temporary storage space for motor vehicles. Two [2] parking spaces per dwelling unit shall be provided.

Recreation Space: 15 percent of gross area.

Maximum length of structure: Two hundred [200] feet.

Water and Sewer: Multiple dwellings, apartment houses and garden type houses shall be connected to the municipal water and sewer system.

Construction Requirements: A. Four stories or more - Semi-Fireproof - Buildings shall be of incombustible materials in all structural parts: their exterior bearing walls shall be of four-hour fire resistive construction. Their columns and frames shall be of two-hour fire resistive construction and their floors and roofs shall be of one-hour fire resistive construction and shall furnish protection of one-hour fire resistive rating against the spread of fire. B. Three stories - Light Wood and Masonry Construction: Buildings shall be exterior bearing walls of masonry or other construction of incombustible materials of four-hour fire resistive construction and their frames, floors and roofs may be of wood. C. Two Stores or less: Wooden Frame Construction - buildings may have walls, frames, floor and roofs of wood.

Article III. BUILDING PROVISIONS

Section 2 – No building, structure or mobile home shall be erected or placed on a lot without first obtaining a permit from the Town Building Inspector. And no structure or mobile home shall be altered to an extent affecting more than 30 percent of

the total floor area of the existing building without first obtaining a permit from the Town Building Inspector. Adequate plans for the proposed building or alterations shall be submitted. No addition shall be built that will bring any part of the addition closer to the lot line than required for new construction.

Section 3 — The Town Building Inspector shall base his approval or rejection of the proposed plans, upon the effect such operations are likely to have on the value and use of other property in the vicinity and upon the following schedule of requirements:

a. Foundations shall be constructed of concrete, brick, cement block, or stone except that industrial structures and accessory buildings or residences intended for summer occupancy only, may be set on brick, stone or concrete piers. By special permit of the Town Building Inspector where soil conditions may require, timber post may be used.

b. Chimneys shall be constructed of concrete, brick or stone and lined with standard flue linings for chimneys from the ground. All chimney entrances shall be of fire-proof construction.

c. Buildings must be framed according to good building practice, and outside walls shall be covered with fire resistant or wood shingles, sidings, clapboard, stucco or brick and other materials approved by the fire chief. Buildings of materials customarily painted shall be painted.

d. Pitch roofs must be constructed according to a good building practice and covered with wood, tile, asphalt, slate or cement asbestos shingles, or other suitable roofing material.

e. Sewage: All dwellings and buildings in public use, shall be equipped with sewage disposal systems approved by the N.H. Water Supply and Pollution Control Commission. If the Sewer line comes within 100 feet of the property line or for special use of lagoons, refer to sewer ordinance and amendments thereto.

f. Electrification: All dwellings and buildings when wired for electricity shall be wired in accordance with the National Electric Code.

Article IV. RETAIL BUSINESS ZONE

Section 1 — No use shall be permitted that is injurious, noxious or offensive to the neighborhood by reason of the emission of odor, fumes, dust, smoke vibration, noise, or other cause.

Section 2 — The following types of uses shall be permitted:

Article V. GENERAL RESIDENCE ZONE

Section 1 — No use shall be permitted that is injurious, noxious, or offensive to the neighborhood by reason of the emission of odor, fumes, dust, smoke, vibration, noises or other cause.

Section 2 — The building inspector shall ascertain, before issuing a permit for the construction or alteration of any building, whether or not the intended use of such structure will in any manner be detrimental to the neighborhood in which it is to be located. Should any question exist in the opinion of the building inspector, regarding the effect of such intended use of the neighborhood, he shall before issuing a permit, submit the case to the Board of Adjustment for review. The Board of Adjustment shall hold hearings to determine the reaction of property owners in the neighborhood and grant or refuse a permit on the basis of their findings.

Section 3 — Nothing in Article V shall prevent land being used or structures altered, or used for the production or sale of farm produce by occupants of such land, unless such use is injurious, noxious or offensive to the neighborhood.

Article VI. ERECTION OF SIGNS

Section 1 — All signs to be restricted to retail business and industrial zones only, with the exception of businesses incidental to the home in which case signs are to be restricted on size to [3] three square feet. Sub-division signs and for sale signs are permitted in the residential zone.

Section 2 — Blinking and rotating signs are prohibited.

Section 3 — No sign shall exceed a size of [48] forty-eight sq. ft.

Article VII. ENFORCEMENT

Section 1 – The Board of Selectmen shall appoint for a term of one year a Building Inspector, who, by his training and experience, is qualified to administer this ordinance. An application fee shall be charged for each permit, other than those for municipal structures, in accordance with the following schedule:

Dwelling Structure Living Area	Structure Other than Dwelling Floor Area	Fee
700 sq. ft. or less	1,000 sq. ft or less	5.00
701 to 1,200 sq. ft.	1,001 to 1,800 sq. ft.	25.00
1,201 to 3,000 sq. ft.	1,801 to 3,400 sq. ft.	35.00
3,001 to 7,000 sq. ft.	4,501 to 10,500 sq. ft.	50.00
7,001 to 15,000	10,501 to 22,500	75.00
15,001 sq. ft. or more	22,501 sq. ft. or more	100.00

For each land use or business use other than building - \$5.00. All fees collected shall be added to the general fund of the Town of Derry. However, in the event the applied-for permit is not issued, said fees shall be refunded.

Section 2 – The Building Inspector shall be the Administrative Officer of this ordinance.

Section 3 – Any person before commencing work on the erection or alteration of any building or structure, if said alteration affects more than 30 percent of the existing floor area, must first obtain a permit duly granted for such erection or alterations by the Building Inspector. Before a permit shall be issued by the Building Inspector, he shall determine whether the proposed construction or alteration conforms to all conditions of this ordinance and a specific blueprint or other record of the approved plan shall be filed before permit is granted. The Building Inspector shall make known his decision within ten days from the date he received application and he shall make inspection of all buildings in a process of construction and report any violations to the Board of Selectmen. Such permits shall be valid for one year from the date of issuance. Said permit may be renewed for a further period of one year, provided that construction under the original permit was commenced during the first year. On new building "construction commenced" shall mean the completion at least of the foundation. The renewal permit fee shall be \$2.00. After a foundation is constructed, buildings must be completed within one year unless the time is extended by the Building Inspector for good cause. All permits issued prior to the enactment of this amendment shall expire one year from the date of enactment of this amendment unless renewed under the above provision.

Section 4 – No permit shall be issued for construction or alteration unless the proposed structure will present a reasonable appearance and will be in keeping with the neighborhood and unless the building is to be finished on the exterior in a permanent manner and is to be suitably painted on the outside whenever the same is of wood or a material customarily painted. This is intended to eliminate the erection of structures obviously out of place for the neighborhood where they are located, and which may be a detrimental effect on property values and neighborhood character. When an objection, on account of the appearance of a proposed structure as above indicated, is raised by a majority of the families residing or owning property within a radius of 500 feet of the property in question, the Board of Adjustment shall hold a public hearing to receive evidence on both sides and shall have the authority to decide whether the permit shall be issued or not.

Section 5 – Upon any well founded information that this ordinance is being violated, the Selectmen shall, on their own

initiative take immediate steps to enforce the provisions of this ordinance by seeking an injunction in the Superior Court or any other appropriate legal action.

Section 6 – Whoever, violates any of the provisions of the above regulation shall be punished upon conviction by a fine not exceeding \$10.00 for each day of each violation.

Article VIII. BOARD OF ADJUSTMENT

Section 1 – The Board of Selectmen shall appoint a Board of Adjustment, which Board pursuant to the regulations and restrictions set forth in this ordinance, may in appropriate cases and subject to appropriate conditions and safeguards, make special exceptions to the terms of this ordinance in harmony with its general purpose and intent, and in accordance with general or specific rules as put forth in this ordinance.

Section 2 – The Board of Adjustment shall consist of five members. When the Board is first organized, one member shall be appointed to serve on e year, one for two years, one for three years, and one for four years and one for five years and thereafter the appointing authority shall annually appoint one member for a term of five years. Said members shall be removable by the appointing authority upon written charges, and after public hearing. Vacancies shall be filled for the unexpired term.

Section 3 – The Board shall adopt rules in accordance with the provisions of the ordinances. Meetings of the Board shall be held at the call of the Chairman and at such other times as Board may determine. Such Chairman, or in his absence the acting Chairman, may administer oaths and compel the attendance of witnesses. All meetings of the Board shall be open to the public. The Board shall keep minutes of its proceedings showing the vote of each member upon each question, and if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall be immediately filed in the office of the Board and shall be a public record.

Section 4 – Appeals to the Board of Adjustment may be taken by any person aggrieved or by any officer, department, board or bureau of the municipality affected by any decision of the administrative officer. Such appeal shall be taken within a reasonable time, as provided by the rules of the Board, by filing with the officer from whom the appeal is taken and with the Board, a notice of appeal specifying the grounds thereof. The officer from whom the appeal is taken shall forthwith transmit to the Board all the papers constituting the record upon which the action appealed from, was taken.

Section 5 – An appeal stays all proceedings under the action appealed from, unless the officer from whom the appeal is taken certified to the Board of Adjustment after notice of appeal shall have been filed with him, that by reason of facts stated in the certificate a stay would, in his opinion, cause imminent peril to life or property. In such case proceedings shall not be stayed otherwise than by a restraining order which may be granted by the Board or by the Superior Court on notice to the officer from whom the appeal is taken and case shown.

Section 6 – The Board of Adjustment shall fix a reasonable time for the hearing of the appeal, give the public notice thereof, as well as notice to the parties in interest, and decide the same within a reasonable time. Upon hearing any party may appear in person or by agent or attorney.

Section 7 – The Board of Adjustment shall have the following powers:

- a. To hear and decide appeals where it is alleged there is an error in any order, requirement, decision or determination made by an administrative official in the enforcement hereof or of any

ordinance adopted pursuant thereto.

b. To hear and decide special exceptions to the terms of the ordinance upon which such Board is required to pass under such ordinance.

c. To authorize upon appeal in specific cases such variance from the terms of the ordinance as will not be contrary to the public interest, where owing to special conditions a literal enforcement of the provisions of the ordinance will result in hardship, and so that the spirit of the ordinance shall be observed and substantial justice done.

d. In exercising the above-mentioned powers such Board may, in conformity with the provisions hereof, reverse or affirm wholly or partly, or may modify the order, requirement decision, or determination appealed from and make such order or decision, as ought to be made, and to that end shall have all the powers of the officer from whom the appeal is taken.

e. The concurring vote of three members of the Board shall be necessary to reverse any action of such administrative official, or to decide in favor of the applicant on any matter upon which it is required to pass under such ordinance, to affect any variation in such ordinance.

Section 8 – No member of the Board of Adjustment shall sit upon the hearing of any question which the Board is to decide in a judicial capacity who would be disqualified from any cause, except exemption from service and knowledge of the facts involved gained in the performance of his official duties, to act as a juror upon the trial of the same matter in any action at law. If a member shall be disqualified or unable to act in any particular case pending before the Board, the appointing authority, upon application of the Board, shall appoint a member to act in his place upon said case.

Section 9 – Any person aggrieved by any decision of the Board of Adjustment, or any decision of the legislative body of such municipality in regard to its plan of zoning, or any taxpayer, or any officer, department, board or bureau of the municipality, may apply to the Superior Court within thirty days after the action complained of has been recorded, by a sworn petition, setting forth that such decision is illegal or unreasonable, in whole or in part, specifying the ground upon which the same is claimed to be illegal or unreasonable.

Section 10 – The court shall direct the records in the matter appealed from to be laid before it, hear the evidence and make such order approving, modifying or setting aside the decision appealed from as justice may require, and may make a new order as a substitute for the order of the Board. The filing of the petition shall not stay proceedings upon the decision appealed from, but the court may, on application, notice to the Board and on cause shown, grant a restraining order.

Section 11 – An order of court to send up the record may be compiled with by filing either the original papers or duly certified copies thereof, or of such portions thereof as the order may specify, together with a certified statement of such other facts as show the grounds of the action appealed from.

Section 12 – The court may take evidence or appoint a referee to take such evidence as it may direct and report the same with his findings of fact and conclusions of law.

Section 13 – Cost shall not be allowed against the Board unless it shall appear to the court that it acted with gross negligence, or in bad faith, or with malice in making the decision appealed from.

Section 14 – All proceedings under this subdivision shall be entitled to a speedy hearing.

Article IX. CONFLICTING PROVISIONS

Section 1 – Whenever the regulations made under the authority hereof differ from these prescribed by any statute, ordinance or other regulation that provision which imposes the greater fee, restriction or the higher standard shall govern.

Article X. AMENDMENT

Section 1 – The regulations, restrictions and boundaries as set forth in this ordinance, may from time to time be amended or repealed. In case of a protest against such change, signed by the owners of twenty percent either of the area of the lots included in such proposed change, or of those immediately adjacent in the rear thereof, extending one hundred feet therefrom, or to those directly opposite thereto, extending one hundred feet from the street frontage of such opposite lots, such amendments shall not become effective except by the favorable vote of two-thirds of the town meeting.

5 To see if the Town will vote to amend the Derry Zoning Ordinance by the addition of the following Section:

Section 1.500 – CONSERVATION AND OPEN SPACE ZONE:

1. Included in this zone is the abandoned right of way of the old Nashua - Rochester branch of the Boston and Maine Railroad. Buildings of all types, including but not limited to residential, industrial, commercial and mobile homes, shall not be constructed, erected or placed in this zone. A building setback of thirty-five [35] feet is required on each side of this zone.

6 By Petition: To see if the Town will vote to rescind the provisions of Article 1, Section 1.410 of the Derry Zoning Ordinance and adopt in place thereof the following provisions:

Article 1, Section 1.410 – All the rest of the town not included in the preceding three zones shall be limited to residential type construction and uses, except as otherwise provided in this ordinance. Business uses secondary to the home may be permitted, by special exception from the Zoning Board of Adjustment, to allow a place of work within their legal residence for persons employed in one of the following professions, occupations or trades:

1. Lawyer, doctor, clergyman, real estate agent, insurance agent or similar recognized profession;
2. Artist, artisan or craftsman;
3. Tradesman or repairman.

Provided:

1. Such business use is not injurious, noxious or offensive to the neighborhood by reason of emission of odor, fumes, dust, smoke, vibration, noise or other cause;

2. The residential use is established prior to the business use;

3. The business use is conducted within the residential building or other existing structure, and does not exceed 25 percent of the total normal living area of the residence. The normal living area is defined as that portion of the residential building consisting of living room(s), kitchen(s), dining room(s), family room(s), den(s), bedroom(s), and laundry room(s);

4. The business use does not change the residential character of the dwelling and the property;

5. Not more than one sign or other advertising device is displayed on the property and it does not exceed a size of three square feet;

6. Not more than one person not residing in the home is employed on the premises at the same time;

7. Sufficient off-street parking for the employee, clients, and customers is provided, and where lot size permits, the parking

area is not within 25 feet of the front lot line nor within 10 feet of side and rear lot lines;

8. Not more than one business use will be conducted on the property;

9. The business is not contrary to any covenants or conditions contained on the deed to the property.

Special exceptions granted under this ordinance are intended to allow for a specific business use by the current residents, and, as such, shall not be transferable to subsequent occupants.

To be deleted is the following Article 1, Section 1.410 -

All the rest of the town not included in the above three zones and, except as otherwise provided by this ordinance, shall be limited to residential type construction uses. However, accessory uses, including business, may be permitted by special exception of the Zoning Board of Adjustment provided such use is not objectionable by reason of noise, smoke or fumes and shall not occupy more than 25% of the gross floor area of the principal dwelling or 25% of the lot, if not within an existing building.

SELECTMEN'S REPORT

To the Citizens of Derry:

During 1973 Derry has moved ahead in many areas. The votes of the people taken at the Town Meetings of last year have been acted upon. The Selectmen have hired a Town Manager, instituted the initial stages of the overhaul of the water system and put out for engineering or construction of all the sewer work authorized. Further, the upgrading of the Police Department continued, the Highway Department hot topped over one mile of road and sealed over five miles of road and placed over two miles of underground drainage with numerous catch basins. The landfill operation has been greatly enhanced by the acquisition of our new compactor and we have expanded the voluntary recycling operation. The Selectmen, as directed, have met and corresponded at great length with the State Department of Public Works and Highways over the question of a Route 102 By-Pass and we have been involved in many other endeavors too numerous to mention.

We take pride that all of this has been accomplished with a decrease in the Town Share of the Tax Rate for which the Selectmen are responsible.

The Selectmen's program for 1974, together with the details of our 1973 efforts, are outlined on the pages of the Town Report. We wish to continue the efforts that have been started and especially to expand road rebuilding and maintenance. This, of course, can only be done with your support at Town Meeting for the programs encompassed in our requested appropriations.

Respectfully submitted,

The Board of Selectmen

Board of Selectmen
c/o Mr. Frederick Tompkins, Chairman
Town Hall
Derry, New Hampshire

Gentlemen:

Due to a workload in excess of the personnel resources available to this Division during the calendar year 1973, we have been unable to perform an examination and audit of the accounts and records of your Town for the fiscal year ended December 31, 1972 before the publication of your 1973 town report.

We regret the inconvenience which this may cause and wish to assure you that an audit of your accounts will be scheduled as expeditiously as possible.

Our current projections provide that our next examination will cover the Town records for the fiscal year ended December 31, 1972 and December 31, 1973.

We are pleased to inform you that the 1973 Legislature has authorized additional positions for our audit staff. It is expected, therefore, that annual audits will be made on a more timely basis in the future.

Very truly yours,

Frederick E. Laplante

PROCEEDINGS

Article No.

1, 2, 3 & 21By Ballot

(At 8:00 p.m. the meeting was called to order and following the Salute to the Flag and the rules of the meeting read by the Moderator the following ensued:)

THE MODERATOR. Now, as I understand it, Articles 1, 2, 3 and 21 have already been disposed of and we will take up the next article.

MRS. NEWELL. Can I make a motion?

THE MODERATOR. Yes, mam.

MRS. NEWELL. Mr. Moderator, at many of these Town Meetings the business drags on and on, and many people tire and begin to straggle out, missing the chance to vote on articles of importance. Many such articles are passed by a very small percentage of voters.

Therefore, I move that this meeting adjourn not later than eleven o'clock this evening and the business be finished at a continued session. Harriett C. Newell.

MR. BURDICK. I Will second it.

THE MODERATOR. Before there is any discussion I would like to have Mr. Tompkins who had made a suggestion in keeping with this particular resolution speak. I think he suggested 11:30, is that correct?

MR. TOMPKINS. That is correct.

THE MODERATOR. Would you care to amend that to 11:30 because the selectmen would recommend that.

MRS. NEWELL. I would.

THE MODERATOR. You make that amendment, 11:30. And Mr. Burdick seconds it, and it will be continued tomorrow at 8:00 o'clock right here and everything will be locked up and left as it is. Any discussion on that motion? The question has been moved. All those in favor say "Aye". Those opposed "No". The "Ayes" have it. It is a vote and I so declare. Mr. Burdick, you have a motion?

MR. BURDICK. I don't have a motion at this time. However, a point of information. Since the 1972 Town report is an historical document of the Town of Derry and relative to the reporting of the ballot questions of the 1972 Town Meeting, I find after examination that there is no reference made to certain zoning proposals as are outlined in the ballot last year that require two thirds vote by law in order to carry. Publication this year indicates that these questions articles passed with majority vote. However, under decision of the Selectmen last year and Town

Counsel and Moderator I believe certain parts or certain questions on the ballot required two-thirds vote. And I think the minutes of this meeting should correct the statement or the error that is printed. And I refer specifically to the article relative to the East Derry business zone. The article relative to The Derry Village business zone. The Article relative to 25,000 square feet per dwelling unit. The article pertaining to three acre zoning that did carry last year, but it didn't require a two-thirds vote.

Therefore, I move that these corrections be made in this year's minutes so that future reference to the outcome of the 1972 ballot would be legal.

THE MODERATOR. Do I hear a second on that.

MRS. CASTEN. Seconded.

THE MODERATOR. The question has been moved. You understand what the motion is. It doesn't involve any money just involves a correction, as I understand it.

MR. BURDICK. Just involves corrections, Mr. Stancik, and I hope this can be corrected by reference to the vote last year. However, I want the record this year to show that those articles did not carry. They are not law today.

(After further discussion the following ensued.)

THE MODERATOR. Fred Tompkins questions that 8-A, 1, 782 to 623, that is more than two-thirds.)

(After further discussion 8-A was stricken.)

MR. GRINNELL. It appears that this matter should be referred to the Moderator and the Town Clerk to check with last year's records and that we should vote to have them correct the records in accordance with what the Town Clerk's records show in the warrant.

THE MODERATOR. All right. Are you prepared for the vote? All those in favor say "Aye". Those opposed "No". The "Ayes" have it. It is a vote and I so declare. We will take up Article 4, unless someone wants to go to some other Article. Mr. Tompkins.

MR. TOMPKINS. Mr. Moderator, I move we take up Article 5 first.

THE MODERATOR. The motion has been made to take up Article 5. Do I hear a second.

MR. BOYCE. Seconded.

THE MODERATOR. Any discussion? All those in favor say "Aye". Those opposed "No". The "Ayes" have it. It is a vote and I so declare and we will take up Article 5. Mr. Manning.

MR. MANNING. Mr. Moderator, I move the adoption of Article 5 as printed.

THE MODERATOR. The motion has been made by Mr. Manning to adopt Article 5 as printed. Do I hear a second?

MRS. FREY. Seconded.

(After discussion the following ensued:)

MR. ROLFE: I move the question, Mr. Moderator.

THE MODERATOR. The question has been moved. Do you understand what the question is, to adopt Article 5 as printed. All those in favor say "Aye". Those opposed "No". The "Ayes" have it. It is a vote and I so declare.

(After further discussion the following ensued:)

MR. QUIMBY. Mr. Moderator, I propose we delay voting on this article and take up Article 4 at this time and then vote on both ballot articles at the same time. I make such a motion, if necessary.

MR. BURDICK. I will second it.

THE MODERATOR. All right. We will take up Article 4 so we can vote on everything. The Town Clerk has a printed ballot that

says "Yes or No" so you vote the ballot on which there is a "Yes or No" as Article 4. We will take up Article 4 at this time:

To see if the Town will vote to appropriate a sum not to exceed \$350,000.00 for the purpose of replacement of water mains and the improvement of the Fordway well field and authorize the Selectmen to raise said sum by borrowing and the issuance of bonds or notes of the Town under the provisions of RSA 33, and amendments thereto; and further authorize the Selectmen to negotiate the terms thereof and do all other acts necessary to accomplish said borrowing and pass any vote relating thereto.

First of all, I will entertain a motion.
 MRS. CASTEN. I so move.
 MRS. HEMEON. Seconded.

THE MODERATOR. Any discussion on Article 4:
 (After discussion the following ensued:)

THE MODERATOR. If there is no further discussion on this Article we will move to do the voting.

MR. SKILLIN. I move we vote on Article 4.
 MR. TRAYERS. Seconded.

(Whereupon the Supervisors of the Checklist conducted the voting on Articles 4 and 5 and the polls were kept open for two hours from the inception of the balloting.)

THE MODERATOR. Ladies and gentlemen, we will proceed while the voting is taking place, although the polls will remain open until six minutes after eleven because I looked at my watch and it was six minutes after nine when the discussion stopped, even though the polls opened at nine. We will then go to the assistant moderator after the polls close we will go to the counting of the ballots, but the voting will continue on until six minutes after eleven.

(After further discussion the following ensued.)

MR. HAYWARD, Mr. Moderator.
 THE MODERATOR. Yes.

MR. HAYWARD. We have talked about this Article 17 and Article 18. We have got into it a little bit. I know Article 18 is in the budget here under Article 4. So I think Article 17 is too. I move that we take up Article 17 out of order and then Article 18 and get them out of the way since we got into this.

MR. QUIMBY. Seconded.

THE MODERATOR. Mr. Hayward made the motion, seconded by Conrad Quimby. Any discussion on taking up Article 17 and 18 at this time? The question has been moved by Mae Casten. All those in favor say "Aye". Those opposed "No". The "Ayes" have it. It is a vote and I so declare. We will take up Article 17:

To see if the Town will vote to raise and appropriate a sum not to exceed \$225,000.00 for the design and construction of a main sewer pumping station near Forway Road; and to further authorize the Selectmen to initially borrow such sum or sums either by bonds or note of the Town, and on such terms as the Selectmen deem advisable, as provided by the terms of Municipal Finance Act, RSA Chapter 33 and amendments thereto, and pass any vote relating thereto. (The Town anticipates that about 95% of this appropriation will eventually be funded by the State and/or Federal Government.)

THE MODERATOR. What is your pleasure on that Article?

MR. TOMPKINS. I move we adopt it as read.

THE MODERATOR. Selectman Tompkins moves that we adopt it as written. Anybody second it?

MR. GARLAND. I second it.

THE MODERATOR. It has been seconded. Any discussion. (After discussion the following ensued:)
 MRS. DiMARZIO. Move the question.

THE MODERATOR. The question has been moved. Everybody understand the question, that it be adopted as printed. All those in favor say "Aye". Those opposed "No". The "Ayes" have it. It is a vote and I so declare. Now we will go to Article 18:

To see if the Town will vote to raise and appropriate a sum not to exceed \$100,000.00 for the construction of sewer lateral extensions; and to further authorize the Selectmen to initially borrow such sum or sums, either by bonds or notes of the Town, and on such terms as the Selectmen deem advisable, as provided by the terms as the Selectmen deem advisable, as provided by the terms of Municipal Finance Act RSA Chapter 33 and amendments thereto, and pass any vote relating thereto. (The Town anticipates that about 95% of this appropriation will eventually be funded by the State and/or the Federal Government.)

THE MODERATOR. What is your pleasure on this Article?

MRS. FREY. I move we adopt the Article as printed.

MR. BARKA. Seconded.

THE MODERATOR. Motion has been made we adopt the Article as printed. Mr. Barka seconded the motion. Any discussion?

(After discussion the following ensued:)

THE MODERATOR. The question has been moved. Do you understand the question, to adopt the Article as printed. All those in favor say "Aye". Those opposed "No". The "Ayes" have it. It is a vote and I so declare.

We will take up Article 6 at this time:

Article 6: To vote to raise and appropriate such sums of money as may be necessary for the maintenance of the poor, for laying out and repairing highways, including Town Road Aid Plan Apportionment "A" and Town Road Aid Plan Apportionment "B", for building and repairing bridges, for the suppression of moths, for police department, for the Derry District Court, for hydrant service and electric lights, for salaries of Town officials, for the Board of Health, for the expense of the Town Buildings, for support of the libraries, for State and County taxes, for the observance of Memorial Day, for aid to the Derry Visiting Nurse Association, for the Greater Salem Mental Health Clinic, for the Head Start program, for the Southern New Hampshire Regional Planning Commission, for playground purposes and for band concerts, for cooperating with the State and Federal governments in the control of insect pests and white pine blister, for ambulance service, and for all necessary charges arising in said Town, and pass any vote relating thereto.

THE MODERATOR. What is your pleasure on this item? Mr. Tompkins?

MR. TOMPKINS. I move we take up this Article and do it on a detailed basis by turning to page 14 and taking up the budget details and move to any other Article that might be listed in the budget details as we go along.

MR. METTS. Seconded.

THE MODERATOR. Any discussion on the motion made and seconded? The question has been moved. Everybody understand the motion? All those in favor say "Aye". Those opposed "No". The "Ayes" have it. It is a vote and I so declare.

(After discussion the following ensued:)

MR. TOMPKINS. Mr. Moderator, I move to amend the Town Officers' Salaries, to increase the amount of money appropriated by \$9,500.00, view of the fact that the Town has voted in the recent election to take on a Town Manager. And this represents the best calculation we can make for approximately half a year's salary and anticipated expense for the gentleman, if and when we

get him, which happens to be on July 1. I would move that we place this item in the total bringing it up to \$75,552.00.

MRS. CASTEN. Seconded.

THE MODERATOR. It has been seconded by Mrs. Casten. Any discussion?

(After discussion the following ensued:)

MR. TRAYERS. Move the question.

THE MODERATOR. The question has been moved by Mr. Trayers on adding \$9,500.00 to the \$66,052.00. Now, do you understand the question? This is only the addition. You are not adopting. You are still going to have to vote on the adoption. This is whether you want to add \$9,500.00 to that item. All those in favor say "Aye". Those opposed "No". It appears that the "Ayes" have it. It is a vote and I so declare.

(After further discussion the following ensued:)

MR. SCOTT. I would suggest on this budget detail, Town Officers' Salaries you have not taken them up, only as to the \$9,500.00, that is all you have done. Now, I would suggest that you read each item separately, the selectmens' pay, the treasurer, the town counsel and trustees, and as you read them if there is any question on one of those we will go back to them and discuss them. If not, they will be voted all in one bunch.

THE MODERATOR. If you want me to do it that way it will take extra time. I will read them off, if you so desire.

MR. SCOTT. We are here spending money and it is time well spent.

THE MODERATOR. Mr. Scott, is that a motion?

MR. SCOTT. That is a motion, yes, item by item.

MR. GARLAND. Seconded.

THE MODERATOR. The motion has been made and seconded that we take up each item under each category, such as, Town Officers' Salaries, Town Officers' Expenses. Is that what you want me to do? All right. You know what the motion is on the Floor. All those in favor say "Aye". Those opposed "No". The "Ayes" have it. It is a vote and I so declare.

(After further discussion the following ensued:)

THE MODERATOR. It is seven minutes after eleven o'clock. The Polls have been open two hours and one minute since the last discussion for a total of two hours and seven minutes. And the polls are going to close. If there is anybody in here who has not voted on the particular questions that are taken up by ballot, if they will do so. . . . If not, I will declare the polls closed, and the assistant Moderator and the ballot clerks will go to the counting of the ballots. All right. Hearing nothing further I will declare the polls closed.

(After further discussion the following ensued:)

MR. BEAULIEU. Mr. Moderator.

THE MODERATOR. Yes, sir.

MR. BEAULIEU. I would like to amend that to read \$150,000.00, and I would like to make a motion to reduce that to \$150,000.00.

THE MODERATOR. A motion has been made to reduce that to \$150,000.00 by Mr. Beaulieu. All right. Well, he has a right to make a motion. Does anybody second that motion?

MR. CARLISLE. I second it.

THE MODERATOR. Any discussion on the motion to reduce the Police Department salaries to \$150,000.00?

(After discussion the following ensued:)

THE MODERATOR. The question has been moved. We are on the motion to reduce the \$197,505.00 to \$150,000.00. Does everybody understand the motion? If you vote "Yes" it means that you are in favor of reducing the amount that is printed to \$150,000.00. If you vote "No" you are not necessarily voting on

that item, but you are not voting on the particular item, just on the motion to reduce.

All those in favor say "Aye". Those opposed "No". The "Nos" have it. It is a vote and I so declare.

Now, under the motion that was made earlier we are going to suspend until tomorrow at 8:00 o'clock. And we will be here at 8:00 o'clock. But before we suspend we will give you the verdict of the vote, the ballot vote. Mr. Howard will give you the vote.

MR. HOWARD. Ladies and gentlemen, if I can have your attention. On the Articles, this is for the housing Article, "Yes" 279, "No" 125. The first Article passed 279 to 125. Article 2, 274 "Yes", 131 "No", both Articles passed with a simple majority.

On the bond issue it requires a two-thirds vote. Total vote was 407 and 1 blank, two-thirds is 271, "Yes" 257, "No" 149. The motion did not carry.

MR. BURDICK. Mr. Moderator, having voted with the majority, I move that we reconsider this Article. I believe it is of the utmost importance to the Town of Derry to provide adequate water service for fire protection and consumption.

MRS. CASTEN. I second the motion.

THE MODERATOR. The both of you raise your right hand. Now, you are saying you voted with the majority. Do you solemnly respectfully swear that you voted with the majority vote on this item and want it to be reconsidered.

MR. BURDICK. I did.

MRS. CASTEN. I did.

THE MODERATOR. All right. It will be reconsidered. And again we will have to have the checklist and the ballots for tomorrow.

(After discussion the following ensued.)

THE MODERATOR. All those in favor to reconsider at this time—We are going to vote and I will look up some law. There has been some question raised and I think it is properly taken, as to whether we can reconsider a ballot vote taken. All those in favor of reconsideration say "Aye". All those opposed "No". The "Ayes" have it. It is a vote based upon the facts that the research of the law will show.

(Whereupon at 11:30 p.m. the Meeting was recessed until Wednesday, March 14, 1973 - 8:00 p.m.)

The Derry Town Meeting reconvened at 8:00 p.m., Wednesday, March 14, 1973.

MR. MODERATOR. We will continue with the budget at the point we left off last night, which was the Police Department.

MR. CONRAD QUIMBY. I make the motion to move to Article 14.

(After discussion the following ensued:)

MR. MODERATOR. This motion is out of order.

MR. CONRAD QUIMBY. I was just trying to speed things up Joe.

MR. MODERATOR. I will now continue with the budget.

MR. CUMMINGS. I move that we table the parking meter Article which is Article 9, and make the motion to move to Article 25. If Article 25 is passed, there will be no need to take up Article 9.

MRS. CASTEN. Seconded.

MR. MODERATOR. The motion has been to table Article 9 and take up Article 25. All those in favor say "Aye." Those opposed "No." The "Ayes" have it. It is a vote and I so declare. Article 25 reads as follows:

Article 25: By petition: To see what action the Town wishes to take on the following question: "Do you favor suspension of

parking meters in the Derry business district, Broadway and vicinity, for a trial period of one (1) year?"

MR. CUMMINGS. I move that we adopt the Article as printed.

MR. SKILLIN. Seconded.

MR. MODERATOR. The motion has been made to adopt the Article as printed. Is there any discussion on this item.

(After discussion the following ensued:)

MR. SKILLIN. Is a year required for this trial period, or could it be amended to six months? Could I make an amendment to reduce it to six months?

MR. MODERATOR. I think it can legally be amended.

MR. SKILLIN. I make the motion to amend Article 25 to change it from one year to six months.

MRS. CASTEN. Seconded.

(After discussion the following ensued:)

MR. MODERATOR. This trial period cannot be changed to six months.

MR. SKILLIN. I withdraw my motion.

MRS. CASTEN. I withdraw my second.

MR. MODERATOR. I think this item has had sufficient discussion, and I think everyone understands the issue. We will put it to a vote. All those in favor say "Aye." Those opposed "No." The "Nos" appear to have it.

MRS. DIMARZIO. I move that a standing vote be taken.

MR. MODERATOR. Standing vote was taken. The "Ayes" have it. It is a vote and I so declare.

MR. GORDON. I make the motion that we remove the \$2,500.00 out of Parking Meters (8-1) which would have been for supplies and repairs. We will not be needing this in the coming year.

MRS. CASTEN. Seconded.

MR. MODERATOR. It has been seconded to remove the \$2,500.00 for parking meters and supplies.

(After discussion the following ensued:)

MR. GORDON. I withdraw that motion.

MR. HOWARD. I move we take up Article 9, and pass it as printed.

MRS. CASTEN. Seconded.

MR. MODERATOR. The motion has been moved. There has already been enough discussion on this matter. We will put it to a vote. All those in favor of adopting Article 9 as printed say "Aye." Those opposed "No." The "Ayes" have it. It is a vote and I so declare.

MR. TOMPKINS. I move that we take up Article 27.

MR. HOBSCHE. Seconded.

MR. MODERATOR. Mr. Tompkins moved that we take up Article 27, seconded by Mr. Hobsch. All those in favor say "Aye." Those opposed "No." The "Ayes" have it. Article 27 reads as follows:

Article 27: By petition: Warrant Article - To see if the Town will authorize the Selectmen to install five (5) each 3500 Lumens Mercury Street Lights, to replace those already in use on the upper portion of Everett Street, beyond the High Street intersection, and an additional one, for the purposes of safety, by more adequate lighting, and to appropriate the sum of Two Hundred Thirty (\$230.00) Dollars to cover the cost of the operation thereof. (Disapproved by Budget Committee)

(After discussion the following ensued:)

MR. HOBSCHE. I move that this item be disapproved.

MR. GORDON. Seconded.

(After discussion the following ensued:)

MR. METTS. I move the question.

MR. MODERATOR. The question has been moved. All those

* in favor will say "Aye." Those opposed "No." The "Nos" have it. It is a vote and I so declare.

FROM THE FLOOR. I make the motion that no Christmas lights be placed within one hundred feet of the traffic light, (green or red lights) because it makes it difficult to determine the traffic lights from the Christmas lights.

MRS. CASTEN. Seconded.

MR. MODERATOR. The question has been moved. All those in favor say "Aye." Those opposed "No." Standing vote taken, the "Nos" have it. It is a vote and I so declare.

MR. DAVIS. I would like to be recognized because I have a resolution that I would like to present at this time. It pertains to both libraries, MacGregor and Taylor, and it does not require any funding. The resolution reads as follows:

"WHEREAS, The Town of Derry, New Hampshire created a Budget Committee in the Year of Our Lord 1942

and "WHEREAS, Its Purpose-in-life is to prevent amounts appropriated each year from exceeding what are necessary and sound for the proper economical functioning of all Town Departments. . .

and "WHEREAS, Said Budget Committee has, during the past few years, been too relaxed and much too easy-going, resulting in less vigilance and more excessive allocations of taxpayers' hard-earned money. . .

THEREFORE, BE IT RESOLVED

THE WE, as deeply concerned citizens of This Town of Derry, do give direct instruction

to Our Budget Committee, as follows:

"You, Our Budget Committee, must henceforth require all departments and all units within the compass of the Town Budget which ask for an increase in amount appropriated. . .to have at least one spokesman or one spokeswoman present at the Open Budget Hearing in January, said representative to explain why more money is needed by them AND stand ready to answer questions from members of the Budget Committee. . .or, even more important. . .from members of the Audience of Citizens.

This instruction to said Budget Committee further stipulates that NO INCREASE IN APPROPRIATION will be granted to any department or to any unit which fails to comply with this fair, reasonable AND much-needed requirement." This resolution is presented in the form of a motion.

MR. CHADBOURNE. Seconded.

MR. MODERATOR. The motion has been made and seconded. Is there any discussion on this matter?

MR. GAY. Mr. Moderator, I move the adoption on the resolution which was read by Mr. Davis.

MR. MODERATOR. The question on the floor is that no increase in appropriations will be made to any department unless the department head is present to justify the increase. All those in favor say "Aye." Those opposed "No" The "Ayes" have it. It is a vote and I so declare.

MRS. SABELLA. I would like to move that this meeting authorize a two hundred (\$200.00) increase in each library, MacGregor and Taylor.

TOTAL	<u>405,800.00</u>

MR. MODERATOR. What is your pleasure on this article?

MR. BURDICK. I move that this article be adopted to the extent that no funds be expended beyond that which is received from the Federal Government on a priority basis.

MR. MacGREGOR. Seconded.

(After discussion the following ensued:)

MR. BURDICK. Seeing that this is already included, I will withdraw my motion.

MR. MODERATOR. Mr. Burdick has withdrawn his motion. Mr. MacGregor will you withdraw your second?

MR. MacGREGOR. I withdraw my second.

MR. MODERATOR. Motion withdrawn.

(After discussion the following ensued:)

MR. MODERATOR. There will be no further discussion until a motion has been made.

MR. TOMPKINS. I move that we adopt Article 14 as printed.

MR. GORDON. Seconded.

MR. MODERATOR. The motion has been made. Any discussion?

(After discussion the following ensued:)

MR. KATSAKIORES. I would like to make an amendment to the pending motion. That we lay on the table any action on this Article and apply the funds to the general budget after it is passed.

MR. CARLISLE, JR. Seconded.

MR. MODERATOR. Any discussion?

(After discussion the following ensued:)

Article 20: To see if the Town will vote to authorize the Selectmen, as in their discretion they may deem advisable, to employ either the State Tax Commission or a private accounting firm to accomplish an audit of the Town books.

MR. PICKARD. I move we pass it as printed.

MR. CHADBOURNE. Seconded.

MR. MODERATOR. The motion has been made to pass the Article as printed. There being no discussion we will vote on it. All those in favor say "Aye." Those opposed "No." The "Ayes" have it. It is a vote and I so declare.

MR. PICKARD. I move that we take up Article 22.

MR. CHADBOURNE. Seconded.

MR. SENTER. If there is no objection, I move that we accept Article 22 in its entirety. We should vote on the entire Article, and I think someone has an amendment to my motion.

MRS. CHRISTIAN. Seconded.

MR. GLEASON. I move to amend Article 22 to add for designation as a Scenic Road- g. English Range from Route 102 to By-pass 28.

JUDGE GRINNELL. I understand we are discussing the amendment, before this is put to a vote I think perhaps we should consider whether it's legal or not to do this. It is my understanding of the law that the purpose of the Articles in the Town Report is to tell the people what the plans are so that the people will know about it before it comes up in the meeting, so as to better protect their interests. We have not heard from any of the people who live on that road. If the road is not in the Article, I do not think we can legally add another. I think it would be wise for Mr. Gleason to withdraw his amendment and submit it in an Article at a later time.

MR. SENTER. I withdraw my motion.

MR. GLEASON. I withdraw my amendment.

(After discussion the following ensued:)

MRS. CASTEN. Will someone read the definition of a Scenic Road?

MR. MODERATOR. I will now read Article 22.

Article 22: To vote on the designation of certain roads as Scenic Roads, as follows:

By petition of The Derry Conservation Commission – To see

if the Town will vote to designate the following roads as scenic under the provisions of RSA 253:17 & 18, for the purposes of protecting and enhancing the scenic beauty of Derry, and further that the Selectmen of said Derry, shall, regarding such road or roads designated as scenic, file the appropriate request for suspension of specifications when making application to the Commissioner of Public Works and Highways for Town Road Aids Funds under RSA 241:7 (1).

- a. Stark Road from Lawrence Road to Kilrea Road
- b. Mill Road from Stark Road to Island Pond Road
- c. Cole Road from Route 102 to the Chester Town Line
- d. Cross Road from Adams Pond Road to Back Chester Road (otherwise known as Old Chester Road)
- e. Bowers Road from Windham Road to Fordway Extension
- f. Frost Road from Rockingham Road to Windham Town Line

The Conservation Commission requests that each road be voted on separately.

By petition of Alan Leach and others – To see if the Town will vote to designate the following roads as scenic under the provisions of RSA:17 & 18, for the purposes of protecting and enhancing the scenic beauty of Derry, and further, that the Selectmen of said Derry shall, regarding such road or roads designated as scenic, file the appropriate request for suspension of specifications when making application to the Commissioner of Public Works and Highways for Town Road Aid Funds under RSA 241:7 (1)

- a. Goodhue Road from Windham Town Line (at Rockingham Road) to Gulf Road
 - b. Gulf Road (including part known as Brady Rock Road) from Island Pond Road to Goodhue Road
 - c. Kilrea Road from Rockingham Road to Gulf Road
- (After discussion the following ensued:)

MR. MODERATOR. We will take up Article 22 section by section and vote on each one individually.

JUDGE GRINNELL. I move that we designate Stark Road from Lawrence Road to Kilrea Road as a scenic road. (22-a)

MRS. CASTEN. Seconded.

MR. MODERATOR. There has been enough discussion. All those in favor of Article 22-a say "Aye." Those opposed "No." The "Ayes" have it. It is a vote and I so declare.

MR. BURDICK. I move that we designate Mill Road from Stark Road to Island Pond Road. (22-b)

MR. GORDON. Seconded.

MR. MODERATOR. The question has been moved. All those in favor of Article 22-b say "Aye." Those opposed "No." The "Ayes" have it. It is a vote and I so declare.

MR. BURDICK. I move that we designate Cole Road from Route 102 to the Chester Town Line. (22-c)

MRS. CHRISTIAN. Seconded.

MRS. CASTEN. This is the one the Road Agent said he didn't want. Will the Road Agent read off the roads he wants and the ones he doesn't want?

(After discussion the following ensued:)

MR. MODERATOR. The question has been moved. All those in favor of 22-c say "Aye." Those opposed "No." The "Nos" have it. It is a vote and I so declare.

MR. MODERATOR. All those in favor of designating Cross Road from Adams Pond Road to Back Chester Road (otherwise known as Old Chester Road, (22-d) say "Aye." Those opposed "No." The "Ayes" have it. It is a vote and I so declare.

MR. MODERATOR. All those in favor of designating Kilrea Road from Rockingham Road to Gulf Road say "Aye." Those opposed "No." The "Nos" have it. It is a vote and I so declare.

MR. GARLAND. On the motion I made to accept the expenditures, the figure is \$2,479,487.46.

MR. MODERATOR. All those in favor of accepting the figure \$2,479,487.46 say "Aye." Those opposed "No." The "Ayes" have it. It is a vote and I so declare.

MR. GARLAND. I move we accept the revenue figure of \$1,794,880.00.

MR. MacGREGOR. Seconded.

MR. MODERATOR. The motion has been made to accept the revenue figure of \$1,794,880.00. All those in favor say "Aye." Those opposed "No." The "Ayes" have it. It is a vote and I so declare.

JUDGE GRINNELL. I would like to have all of us rise in a standing ovation of admiration for Harriett C. Newell, who attended both nights of the Town Meeting, and stayed for the close of both hearings.

MR. PICKARD. I move that we take up Article 26.

MR. CHADBOURNE. Seconded.

MR. MODERATOR. The motion has been made to take up Article 26. All those in favor say "Aye." Those opposed "No." The "Ayes" have it. It is a vote and I so declare. Article 26 reads as follows:

Article 26: By petition: Warrant Article – To see if the Town of Derry will vote to allow each town department and commission the opportunity to use and/or acquire any parcel of town owned land before it is offered for public sale and to pass any vote relating thereto.

MR. GORDON. I move that we adopt the Article as printed.

MR. SMITH. Seconded.

MR. MODERATOR. The question has been moved. All those in favor say "Aye." Those opposed "No." The "Ayes" have it. It is a vote and I so declare.

MR. PICKARD. I move that we take up Article 28.

MR. CHADBOURNE. Seconded.

MR. MODERATOR. The motion has been made to take up Article 28. All those in favor say "Aye." Those opposed "No." The "Ayes" have it. Article 28 reads as follows:

Article 28: To hear the reports of agents, auditors and committees heretofore chosen, and pass any vote relating thereto.

MR. CHADBOURNE. I move we adopt the Article as printed.

MR. PICKARD. Seconded.

MR. MODERATOR. The motion has been made to adopt the

Article as printed. All those in favor say "Aye." Those opposed "No." The "Ayes" have it. It is a vote and I so declare.

MR. PICKARD. I move that we take up Article 29.

MR. CHADBOURNE. Seconded.

MR. MODERATOR. The motion has been made to take up Article 29. All those in favor say "Aye." Those opposed "No." The "Ayes" have it. It is a vote and I so declare. Article 29 reads as follows:

Article 29: To appoint any necessary committee on any Article embraced in this warrant.

MR. CHADBOURNE. I move we adopt the Article as printed.

MR. GORDON. Seconded.

MR. MODERATOR. The motion has been made to adopt the Article as printed. All those in favor say "Aye." Those opposed "No." The "Ayes" have it. It is a vote and I so declare.

Article 30: To transact any other business that may lawfully come before this meeting.

REVERAND KING. I move that the polls be open at 7:00 a.m. instead of 10:00 a.m. next year to encourage more people to participate in voting.

**SPECIAL TOWN MEETING
June 26, 1973**

Joseph Stancik, Moderator, opened the meeting at 8:00 P.M. The Moderator read the rules of the meeting and the warrant for the special town meeting.

Moderator Joseph Stancik asked for a motion on Article 1, of the warrant. Frederick Tompkins made a motion to take up Article 1, the motion was seconded. The voice vote was favorable and declared so by the Moderator. Paul Porter asked for a standing vote. Joseph Stancik asked those in favor of a standing vote to stand. A small group stood, so Mr. Stancik reversed it and asked those opposed to a standing vote to stand. The vote to have a standing vote lost and declared lost by the Moderator.

Frederick Tompkins, Selectman, outlined the program in detail. A discussion period followed. Some of the speakers were: John Sivik, Paul Porter, Frederick Manning, George Conley, Robert Carlisle, William Napoli, etc.

John Sivik asked if this plan to increase water pressure for the Industrial Park, would just mean more building, more children, more schools and in a couple of years, we would be back in the same position we are in today.

Mrs. Minzner spoke at length against this article and concluded that industry should supply their own water supply.

Frederick Manning spoke in behalf of the Derry Betterment Committee. He stated that this group supported the Selectmen on these proposals for the Town of Derry and urged the meeting to support it. George Conley asked Mr. Tompkins to clarify the anticipated future revenue. Robert Carlisle asked about the \$60,000. Bill Napoli also asked about the \$60,000. Fred Tompkins, explained that the \$60,000, from the Federal Revenue Sharing Fund, could be used for this purpose, on a priority basis. This was a case of public health, something had to be done about our present Fordway Well Field. These wells supply better than half of the Derry water supply.

Warren Garland, budget committee member, explained that our water needs were desperate and that we couldn't afford to turn down this article.

Mr. Garland made the following motion: "I move that \$500,000.00 be appropriated for the purpose of constructing and laying water mains, constructing water storage tanks and constructing other related facilities and that to raise this appropriation, the Board of Selectmen, is authorized to borrow \$500,000.00, under the Municipal Finance Act." Mrs. DiMarzio seconded the motion.

Peter Moulds asked, if Article 4, was defeated, if that would cross off Article 1, 2 & 3. Mr. Tompkins said "No".

Mr. Richard Low made a motion to amend the motion and vote on all 4 articles at the same time.

The Moderator explained that this could not be done. The bond issue had to be voted on by ballot and the motion had to be worded just the way Mr. Garland made the motion.

The vote was in favor to proceed with the voting. The polls opened at 8:52 P.M. The Moderator announced that the polls would remain open for two hours.

At 9:35 P.M., the Moderator continued with the meeting and announced the polls would close at 11:00 P.M.

Mr. Richardson made a motion, seconded by Bill Napoli, to take up Article 2. The vote passed and declared so by the Moderator. Mr. Stancik read Article 2, the question was moved. The Moderator. "All those in favor say "Aye". Those opposed, "No". The "Ayes" have it. The vote on Article 2 was unanimous.

The Moderator read Article 3. Paul Porter moved to accept Article 3 as printed. Warren Garland seconded the motion. The Moderator. "All those in favor say "Aye". Those opposed "No". The "Ayes" have it. The vote on Article 3 was unanimous.

The Moderator read Article 4. Millie DiMarzio made a motion to accept this article as printed. Frederick Tompkins seconded the motion. The Moderator. "All those in favor say "Aye". Those opposed "No". The "Ayes" have it. The vote on Article 4 was unanimous.

Mr. Tompkins moved that there would be no reconsideration of Article 1. Mr. Garland seconded the motion. The vote was in favor. The Moderator stated he had already ruled that there would not be any reconsideration.

The voting on the last three articles finished at 9:40 P.M.

The Moderator declared the polls closed at 11:00 P.M. The

ballot clerks proceeded to count the ballots with the following results:

Article 1, Bond Issue \$500,000.00

Yes:	339
No:	114
Total	<u>453</u>

This article needed a 2/3 majority vote. The article passed. The Moderator announced the results.

The ballots were sealed in compliance with the law. Phyllis Hemeon made a motion to adjourn. The motion was seconded. As there was no other business to come before the meeting, the Special Town Meeting adjourned at 11:20 P.M.

TOWN MANAGER'S REPORT

The Town of Derry adopted the Town Manager plan at the March 1973 Town Meeting and the incumbent Town Manager has been on the job since September 1, 1973. The process of learning a new organizational structure, different state laws, a very different budgetary structure and developing a rapport with Town Officials, employees and citizens is a time consuming process. It has been fascinating, complex and frustrating in that order, but basically, a problem solving approach learned over fourteen years experience in local government has brought satisfaction from the progress being made to improve the efficiency and effectiveness of Derry's municipal government. A newcomer is first impressed with the competence and dedication of Town Officials and employees. The hours that the Selectmen devote to Town business is far in excess of any local elected officials I have known in the past. Department Heads also devote far in excess of a normal work week to get their work done in a manner satisfactory to themselves and the public. Even lower echelon Town employees demonstrate a "we try harder" attitude that provides the taxpayers the highest level of services available for the dollars being spent.

The underlying purpose of the Town Manager plan is to provide the Town's Municipal Corporation with full time professional administrative leadership. A corporation the size of Derry with a General Fund and budget of \$1.6 million cannot expect to operate as effectively with a part-time three-man board of directors in charge of Town operations. It is more economical to hire a Town Manager to be in charge of the day to day operation of the Town as a business hires a business manager.

Several areas of improvement in Town operations absorbed considerable amount of the new Town Manager's time. One of these was the Town's insurance program. While part of this was a familiarization with the condition of Town building and insurance coverage, it has led to a number of building safety improvement projects and the upgrading of the Town's insurance coverage with the assistance of the Town's insurance broker of record.

A second area of progress is in the computerization of routine Town operations. The bugs are being worked out of the Water and Sewer utility billing automated processing, the Town's payroll will be computerized for the first time in January 1974, the Voter Checklist will be automated by the March Town Meeting, the Residence Tax bills will be printed and the warrant for them prepared by computer, plus the dog license warrant and bills to dog owners will be done by computer in 1974. The Town's experience has been that computerization of its routine activities does not save money, but it does free clerical personnel for other duties.

The pursuit of improved services and funds from other levels of government is also an important aspect of a Town Manager's responsibilities. This past six months the Town Manager, with the assistance of other Department Heads, has made applications for State and Federal assistance for the sewer pumping station replacement project, the surface aerator project, a sewer lateral extension design project, a treatment systems design project, a conservation commission grant for land title searches, a National Commission of the Arts grant for a downtown revitalization study and Bureau of Outdoor Recreation grant for park improvements to Hood Park and Veterans Field recreation areas. Efforts have also been made to bring a Federally funded hot lunch program for the elderly to Derry and to relocate the Employment Security assistance program to a more convenient and heated location.

Much remains to be done to complete some of these projects and work on other goals to make Derry a better community in which to live, work and raise a family. 1974 should be a banner year for progress in Town government programs.

Respectfully submitted,

Frank C. Carlton,
Town Manager

TOWN ENGINEER REPORT FOR 1973

Although three building maintenance employees reported to the Town Engineer for most of 1973, engineering personnel consisted of one - Town Engineer. Surveying help was provided by maintenance personnel, the Highway Department and outside professional help for speed and accuracy. The Engineer performed surveying, drafting and designing as well as consultation. Renovations in Adams Memorial Hall, directly supervised by the Engineer, included the Tax Collector's Office, Selectmen's Office, Building Inspector's Office and finishing the new Police Squad Room. Other work was handled directly by Mr. Bernard Duval, carpenter.

For the Highway Department, the Engineer aided the Road Agent in drainage projects on Floyd Road, Woodland Park and Kilrea Road (TRA); the pavement overlay project involving 7 streets and 2 parking lots; the operation of the Town landfill including the purchase of a compactor; new road inspections involving 10 escrow deposit releases; the establishment of 5 escrow deposits for new subdivision roads; and reaching a decision on a number of problems ranging from land and equipment purchases to disposition of some of the citizen service requests. On the 1973 Tsienneto Road TRA project, the Engineer

performed the initial survey, drafting, design, field stake-out and the negotiations for easements. Unfortunately staff limitations delayed this project until late Fall when only clearing and initial grading could be accomplished, but construction will resume on this 2,000 foot long segment in the Spring and will continue to the next segment as soon as the 1974 engineering staff can prepare the plans and obtain easements. The Pinkerton Street Sidewalk project did not get started because time prevented the consummation of the required easements. This project should also begin in the Spring of 1974. The Engineer worked closely with the Chief of Police and Road Agent to channelize the roadways and re-time the signals at the intersection of Crystal Avenue, Birch Street and Broadway. An ambitious road program for 1974 has been set up with the Road Agent but it can be fully and properly implemented only with surveying and drafting help to prepare easement and construction plans.

For the Planning Board, the Engineer has attended most meetings and reviewed nearly all plans submitted since April 1973 and submitted written reports on 34 of these. Verbal reports were given on minor questions, when time restrictions were critical and to augment the written reports. On-site inspections and office

conferences were held with prospective subdividers at their request.

For the Water Department, the Engineer performed surveys and coordinated efforts to obtain easements for construction of the new 2 million gallon water tank and offered advice and assistance during the water search earlier in the year.

Additionally, the Engineer implemented a method for the Board of Selectmen to administer access to Town Highways and furnished engineering advice to the Building Inspector, Board of Selectmen, Zoning Board, Chief of Police and Fire Departments. Engineering supplies and equipment have been purchased for the Town and an Engineering Office will be established as soon as the space becomes available. An official town highway map has been started and should be completed for release by year's end.

Respectfully submitted,

William D. Nace, P.E.
Town Engineer

1973 REPORT OF THE ASSESSOR

The year ending March 31, 1973 again broke the previous record, with 875 properties changing ownership. About 10% of these transfers are resubdivided into smaller lots. The average assessment of these transfers is approximately 61% of market value. Assessments were made on approximately 285 new or remodeled structures including homes, apartments, industrials, swimming pools, mobile homes etc., with a total gain of \$7,701,100 in assessed valuation.

**DERRY WATER DEPARTMENT
1973 Annual Report**

1973 was a good year for the Water Department. The Town voted to spend \$500,000.00 on a new two million gallon Water Tank and new 12" mains along High Street to Ross's Corner, up Franklin Street to the Industrial Park.

We continued with our Meter Program. We installed and rebuilt more than 300 meters. We installed over 3,000 feet of copper for new services, and over 1,220 feet of new mains.

We worked along with the Highway Department by replacing all the old services before they hot-topped, thus avoiding the need of digging up a road again in the future.

We completed four new wells at Fordway that are producing well. We have more to put in when the weather gets warmer. We are trying to obtain a higher quality water for our customers.

In 1973, Hadco went on their own water supply, which has reduced our output immensely.

Although the Revenue Sharing didn't materialize as expected, the Selectmen authorized the Department to purchase a new backhoe out of our own revenues.

**REPORT FROM THE WASTEWATER DEPARTMENT
1973**

During the last year we experienced problems with our Aerators during the winter operation.

We started the year anticipating the reconstruction of our Sewage Pump Station on Fordway Street, and finished the year still waiting for Federal Funds. We received almost \$50,000. from the insurance settlement for the Pump Station explosion.

We went the entire year without having to discharge any appreciable amount of effluent into Beaver Brook.

We are in the process of design of some of the shorter streets for the installation of sewer lines, in the hopes of receiving Federal funds in the future.

In 1974, we are looking forward to the completion of our Sewer Plant Design Study, and the awarding of a contract to design a new Treatment Plant.

Superintendent

DERRY POLICE DEPARTMENT

The Derry Police Department has undergone many notable changes over the last twelve months. We have added new personnel, as authorized at last year's Town Meeting, and updated our reporting systems.

Our officers have been trained in various fields of law enforcement ranging from recruit training to extensive management courses. They have enrolled in college courses at St. Anselm's in such areas as criminal investigation, case preparation, and psychology. They have participated in police prosecution courses sponsored by the New Hampshire Training Council and attended many one-day police seminars. Your officers received approximately fifty-six weeks of training other than roll-call training which is a continuing learning process which takes place at the beginning of each shift.

The Chief attended a one-week seminar in Philadelphia, the main topic of which was labor relations. This, as well as all other training, was obtained through the use of Federal and State funds along with a small percentage of local funds.

The Department has been reorganized by dividing it into two divisions, Patrol and Services. Present Department strength consists of twenty-four full-time officers and eight special officers. A clerical staff of two works on a part-time basis for a total of sixty hours a week.

During 1973 we instituted a Ride-Along Program which is designed to bring the police and public closer together through understanding. It is designed for high school students in Junior and Senior years and adults, and because of its apparent success we plan to continue the program.

We have been invited to speak with the students of Pinkerton Academy on several occasions and feel the talks were mutually beneficial.

We remain ready and willing to serve.

Respectfully submitted,
Edward B. Garone
Chief of Police

DEFENSE CIVIL PREPAREDNESS AGENCY ACTIVITIES FOR 1973

Defense Civil Preparedness Agency has been working on an on-site assistance program during the year 1973. This consists of updating department annexes to the Disaster Plan. We have also conducted a RAMANT course to familiarize personnel with the survey meters.

Great interest has been generated by the HAM operators at the EOC who have been training and held exercises this year.

We have had a total of 1819 man-hours volunteered to this department in 1973.

The EOC conducts meetings every Tuesday night and tests the warning equipment 12 times a year.

There has been considerable work trying to retain the headquarters for our department at the old Post Office building, which is the only eligible building in this town for the EOC.

Respectfully submitted,

Robert A. Ross,
Director

ANNUAL REPORT

HIGHWAY SAFETY COMMITTEE

Committee membership during the year included the following changes. William Nace was appointed in January to fill a vacancy created by the retirement of Lt. Ernest Gaines; in March, Scott Gerrish replaced William Boyce; and in April, Larry Brown joined the Committee to succeed William Howard who, due to a business transfer, resigned his membership. Messrs. Blanchard, DiPietro, and Tompkins continued as regular members, as well as Edward B. Garone as Chairman.

It was decided at the July meeting that future meetings would be held quarterly rather than monthly.

Stop signs, yield signs, school zone and school crossing signs were requested from the New Hampshire Department of Public Works and Highways, Traffic Division, under the Municipal Sign Program.

No new major projects were undertaken during 1973. However, the traffic light at the intersection of Broadway, Crystal, and Birch was discussed at length. Mr. Nace provided the engineering input which resulted in what we believe to be a workable situation for turning and through traffic at this corner.

The Police Department plans to request funding through the Highway Safety Agency for a radar unit in 1974 which, if awarded, will mean a savings of \$817.88 to the Town.

Respectfully submitted,

Edward B. Garone, Chairman

CONSERVATION COMMISSION REPORT

The Derry Conservation Commission, under the chairmanship of Ken Senter, was instrumental in getting three roads (Cross, Mill and Stark) designated as Scenic Roads at the 1973 Town Meeting.

The Commission also viewed the source of the Beaver Brook watershed in anticipation of the need for preserving the brooks, ponds and swamps as a possible future water source for the town.

A listing of unused roads was compiled, but much time will be needed to look back through the records of each Town Meeting to find out what disposition, if any, was made by the town on each road.

The Commission applied for a grant from the Ford Foundation to be used for title search of the abandoned railroad right of way and important wetland and swamp areas of the town.

In 1974 we hope to identify the wetlands of the town, preserve the abandoned railroad right of way, and create a greenbelt along Beaver Brook. It is also anticipated that we will look over all town owned land with a view toward assuring the proper management of each area.

One Thousand dollars was budgeted for the Commission and \$184.75 was expended, leaving a balance of \$816.25 which, with Town Meeting approval, will be put into a Conservation Commission Fund, being accumulated for future use.

Respectfully submitted,

Peter Payne, Chairman

**DERRY PLANNING BOARD
1973 ANNUAL REPORT**

During the year 1973 the Planning Board continued to hold bimonthly meetings, to which the public was invited. One meeting has been reserved each month to consider long range planning and policies.

The Planning Board held twenty-one regular and five Special Meetings in 1973, reviewing fifty-one preliminary plans creating 288 lots; approved forty-three final plans with 134 lots; approved for recording seventeen plans showing 23 lots; and heard seven resubdivisions encompassing 58 lots, with several plans still under investigation.

The Board advertised an open letter to the citizens of the Town, in order to form a Sub-Committee of the Planning Board. Ten persons have volunteered to serve on the Sub-Committee which will study and make recommendations to the Board in the areas of rules and regulations, zoning, building codes and master planning.

The monthly Southern New Hampshire Regional Planning Commission meetings, held in Manchester, New Hampshire, have been attended by nominated representatives: Thomas Comunale, Craig Schnell, Frederick A. Tompkins and Howard Dearth (alternate).

The Planning Board has established a liason to each Board in order to promote a more rounded concept for planning aspects. Mrs. May Casten, Secretary, is liason to the Zoning Board. Mr. Benjamin C. Newell is liason to the Conservation Commission. Mr. Thomas Comunale, Chairman, is liason to the Budget Committee.

By the time the Annual Town Meeting is held, there will have been two Public Hearings on the proposed amendment changes, re-adoption of the Zoning Ordinance and adoption of the BOCA Codes. These amendments and those presented by petitions will appear in the Town Warrant for a vote of the people.

Respectfully submitted,

ZONING BOARD OF ADJUSTMENT REPORT

The Zoning Board of Adjustment held 21 hearings during 1973. Eighty appeals were made to the Board, 52 appeals were granted, 15 were denied, and 9 were cancelled or withdrawn.

Accessory Use (Business)	25
Setback Requirements	25
Signs	8
Mobile Homes	6
Private Roads or Drives	8
Misc.	8

In addition to the above the Board held 2 Zoning Seminars with Town Counsel and conducted 12 workshops to study the Zoning Laws and to make recommendations for changes to the present Ordinance. The Board has drafted an amendment to the Zoning Ordinance and petitioned the Planning Board to present to the voters for their approval a change which will clearly clarify the intent of the Accessory Use section (Article I, Section 1.140) of the Ordinance.

It is apparent to the Board of Adjustment that a need exists to clarify the intent of the law which permits accessory Business use in the Residential Zone. The Board of Adjustment sincerely hopes that voters will give their support to this amendment.

Our Library continues to gain in circulation, new patrons and the offering of inter-library service. We maintain our excellent cooperation with other libraries and are happy to report that almost 100% of all requests made to us are filled. This service will continue and we are pleased to offer it to our patrons.

Nursery, kindergarten and elementary classes have visited the Library during morning hours, and several Library meetings have been held in our building. Our collection of large print books (for those with difficulty in reading the regular print) is steadily growing and we are appreciative of the donations of money towards this type of reading material. We now have over 100 of these books, which are widely read and which receive most favorable comments. Our paperback section continues to thrive and has a wide circulation.

A new service was added in September, when a branch Library was established for the residents of Nutfield Heights. The Librarian makes monthly trips to these apartments to take books, and the response has been good.

Many gifts of various types have been received during the year and we sincerely thank all those who have given so generously. The Derry Garden Club decorated the Library for the holiday season and we thank them for their interest over the years.

My sincere thanks and appreciation to the Trustees and the Library staff for their constant support and cooperation during the past twelve years.

Library hours are as follows: Monday, Tuesday, Thursday, Friday, 2:00 until 8:00. Wednesdays, 10:00 until 8:00. Saturdays, 2:00 until 5:00.

TAYLOR LIBRARY

The Taylor Library has had another busy year, resulting in our circulation remaining at the same high level as last year.

The State Library Bookmobile has visited us three times during the year. From it we have borrowed six hundred thirty-two adult fiction, one hundred seventy-seven adult non-fiction and thirty-one juvenile books.

We have also made numerous specific requests to the State Library and other libraries in the state in behalf of our patrons. This is a service that we are happy to offer to supplement our own collection.

A new "Book Return" receptacle has been placed by the front steps of the library for the convenience of our patrons.

We wish to thank all those who have donated bookmarks, books and paperbacks. Our sincere appreciation to all who have helped make this year a successful one.

Come in and browse. The library is open on Tuesdays and Thursdays from 2:00 until 8:00.

Respectfully submitted,
Ruth A. Varney, Librarian

DERRY RECREATION & PARKS COMMISSION 1973 ANNUAL REPORT

The energy crisis is on everyone's mind these days. We in the department have not only been affected by it, but we also are doing our small part to help. To some, recreation is bottom man on the totem pole, but it is obvious that the taxpayers will have more leisure time and they will spend it closer to home. For this reason the Recreation Department began feeling the impact of this during the summer. Now we are planning our activities accordingly.

Our motto will be "Discover Derry" and we will adjust to the changing life styles of the citizens to provide those programs which they demand of us. Such as, the lighting of sports areas, in order to increase the use of those areas. The input of several suggestions pertaining to ice arena, land acquisition and funds for special teams, all originated with groups of taxpayers. The Recreation Department will do its best to see these demands are met.

The approval of \$15,000 for lighting, fencing and improvements culminated 10 years of effort by various groups to expand the usability of Veteran's Memorial Field and by opening day; the lights will be on, the fence up and a toilet built for that sports complex. This is part of an overall plan to improve and expand our sporting areas throughout the town. At Hood Park the tennis courts will be lighted and the fence finally finished. Also a fence was built around Smith Field at Derry Village School. We have requested these items be considered for matching federal funds from the Land and Water Conservation Act through the Bureau of Outdoor Recreation. This should give us \$12,500 back on the money we spent for these projects. We also expended \$15,000 in Revenue Sharing Funds towards the new roof and boiler at the West Side Community Center. Although our 1973 budget was record high, it still amounts to less than 3% of the tax dollar.

Due to the energy crunch we have noticed a definite increase in our operational costs from gasoline to lumber. As a result, we over expended our budget again, but hope we have planned enough to cover us in the new year.

The Recreation Department staff is an unusual one. They work well together and provide more for the town than any similar group I know. With only 3 full time people, Director Gerald H. Cox, Diane LaPlante Secretary and Don Ball to do the maintenance and summer playground supervision, we felt the need for another person and secured the services of Jack Gannon through the Emergency Employment Acts' Public Employment Program in which the federal government pays the salary until the end of March.

Volunteers are the real leaders of our program. Without them helping us as coaches, referees, money raisers, cooks, ski patrol, chaperones, bus drivers and raft of other jobs, we could not conduct the kind of programs we offer our townspeople. The cost of doing these programs without volunteers would be prohibitive. So without mentioning any names I want to publicly say "THANK YOU" to all those folks who gave a little bit of themselves for recreation.

More help came from the Public Employment Program and the Neighborhood Youth Corps. About \$7,000.00 in payroll was paid by the County and federal government to youths who helped us on the playgrounds and in the parks. Among the local youths were: Brian Cassel, James Coldwell, Joseph Melcher, Chris Memento, Michael Barden, Lottie Hills, Bruce Preston, Steven Lloyd, Penny Sampson, Debbie Sampson, Bonnie Boyle, Genevieve McFarland and Steven Butler.

The part time paid staff included: Allen Beattie, Peter Brassard, Dave Cino, Michael Fayle, Harry Demos, Kathy Galgano, Brian Hoffman, Claudia Ketchum, Bryan Lister, Gail Little, Greg Staples, Greg Monty, Robin Roemer, Susan Roemer, James Tagalakis, Sandra Crocker, Carol Madden, Pamela Willey and Melindia Nicholson.

Special thanks to Mr. & Mrs. Ralph Skillin, Mr. & Mrs. Roland Routhier, Mrs. Tris and Mrs. Sandra Crocker for allowing us to use their facilities for special programming.

We may consider ourselves fortunate to have so much for so little. We compare very favorably with other towns our own size, in every way. Our total expenditure in 1973 for all recreation amounted to approximately \$103,000.00, trust funds and other income included. This came to a per capita expenditure (or for each person) of \$5.62, a 90 cents increase over last year.

We aim to serve all citizens of Derry regardless of age. Our pre-school playground is set up at Alexander-Carr Playground and the Senior Citizens meet at St. Lukes Methodist Church.

Our office is located at 29 West Broadway in the Adams Memorial Building (Town Hall). We welcome all visitors and find something for everyone to do. You may phone 432-7295 or come in any weekday, from 9 to 12 and 1 to 5 p.m.

Many organization activities are coordinated by our department. Special activities coincide with holidays and the various seasons. All of our programs are listed weekly in the local newspapers, but if you have a particular area of interest and want to find out if there is a similar group in town which shares your interest... ask us.

Try these just for fun: Alexander-Carr...Pierce Avenue, lighted ski area, ski jump, ski lodge, no charge for lessons for children, on Saturday; Adults—Wednesday nights; Housewives—Tuesday and Thursday mornings; Teenagers—Friday nights; Scouts camping grounds and trails for hiking. NO HUNTING. Pre-school play equipment and a swinging bench for the mothers. Summer playground open 9-12 and 1-5 p.m. Mon.—Fri. Arts & Crafts and many different activities.

MacGregor Park...East Broadway. This is where the library, band shell and war monuments are located. During summer

months a weekly band concert free of charge, on Tuesday evenings. Otherwise, it's only a place with trees and benches where you can rest or run barefoot in the grass.

Hood Park. . . Rollins Street. Hood Pond, swimming lessons for children and open swim with life guards on duty; tennis with 2 lighted courts; housewives lessons-Tuesday and Thursday mornings. Basketball—3 lighted outdoor courts; summer playground program (5-15), games, arts & crafts etc. Playground equipment; Hockey rink and ice skating; Horseshoes, shuffleboard and badminton. Fireplaces and picnic tables.

School we use too. Hunter Safety Course every spring. Hood Jr. High: Buckley Field: Tackle football (1-15), Flag football for boys (7-12), Teenage baseball (13-16), Grasshopper baseball (7-12), Legion baseball (15-18), and Lady Bug (girls softball) 7 and up. Hood Jr. High Gymnasium: Volleyball (men) Oct.-March on Mon., Basketball Clinic (boys) Feb., Basketball (girls Jr. Pin-Ups on Sat. mornings. Grinnell School Gymnasium; Basketball (boys) Dec.—March Sat. mornings, Basketball (men) Oct.—March on Wed. night., Basketball (women) Pin-Ups Oct.—March Tues. evenings, Basketball (teenage) Wed. 6-7:30 p.m. and men 7:30-9:00 p.m. South Range: Minor League (7-12). Derry Village: Smith Field—Little League (8-12). . . Veterans Field—Railroad Avenue. We have two new lighted tennis courts, softball field for men and women, which is lighted for night time use and skating in the winter too, also a new toilet building. West Side Community Center, located on West Broadway is being renovated. . . .volunteers are needed.

Other things in other places included: dog obedience, square dancing, golf, ski and skate sale, teen dances, scouting, 4-H, campfire girls, bowling, roller skating and ice skating. Join in the fun. . . .with your friends.

Cooperation with other departments has been the best its ever been. We have also cooperated in every way with our new town manager and hope to continue doing so. Activities dealing with the Senior Citizens new Hot Lunch Program and transportation has fitted in with our existing programs for them. "Crafts-Reation" and "Folks-Reation" two federal funded programs will continue and possibly expand in the coming year. This is the only area of programs where we do more for the females than we do the males.

Recreation's future in Derry looks like a growing one. With so much interest in hockey and tennis our work is cut out for us. We are still interested in providing as much of the "life time sports" for our participants, but it looks like fun things like "belly Dancing" will also be offered for those interested. We are looking forward to a land acquisition plan which will bring 100 acres of prime land to park recreation use in time for the bicentennial in 1976. Plans to complete the eight new tennis courts are also on the docket for this year. Other improvements are minimal, but the prospect of lighted tennis courts and softball should help for the coming season. Our biggest plans are for the West Side Community Center, with about half of the work done, we would like to be done and moved in by this time next year, but we'll need everyone's help to do it.

As usual, we too make mistakes and some are perennial. This town still does not have a public outdoor firing range. Park land in East Derry is non-existent although the State talks about Shepard Park up there. The problem at MacGregor Park improved somewhat, but the vandalism at Hood and Alexander—Carr increased. With our programs, the largest goof is with girls and women's activities. If we could expand them about 25% we would be in good shape. Teenage programs also leave something to be desired. No dances in the past 8 months. A chery is still

waiting to be discovered.

Justification of many sports is always someone's "thing". We do not keep exact figures on attendance at all of our activities, but we can say that, except for skiing and skating, we have had at least a 10% rise in participation. Primarily teenagers who can't find employment or don't want to. You only have to look at the faces of the participants to see the value of providing, "things to do and a place to do them."

As we progress, we must thank the citizens of Derry for their support at every turn. Without their help we would have very little. As long as we have that kind of backing we will try to give the public what it is looking for. At the same time, keeping our operation open and available to constructive criticism at any time.

Gerald H. Cox, Director

DERRY VISITING NURSE ASSOCIATION

The Derry Visiting Nurse Association provides the following health services to the residents of Derry, Londonderry, Chester, Windham and Hampstead:

1. Medical order visits to the home for:
 - a. general nursing care such as dressings, injections, bed baths, catheter changes, blood pressure checks.
 - b. physical therapy for stroke, accident, arthritis and muscular dystrophy patients.
 These visits are ordered by a physician and patients are charged according to their ability to pay. Visits to Medicare patients may be reimbursed by Medicare. Medicare only pays for skilled nursing care provided by a certified home health agency such as the Derry Visiting Nurse Association.
2. Health supervision which consists of home instruction in health care, hygiene, prevention of disease, proper diet, and care of handicapped patient; assistance in obtaining and the use of correct medical supplies; and loan of a limited amount of medical equipment free of charge and without time limit as available.
3. New baby visits to provide free home instruction to new mothers in the care of newborn children; diet, immunization, etc.
4. Assistance in the utilization of state services such as:

- a. crippled childrens' clinics (orthopedic, diagnostic, etc.)
- b. amputee clinics
- c. cystic fibrosis clinics
- d. Office of Mental Retardation
5. Community health services, such as:
 - a. free testing of T.B. contacts
 - b. classes for expectant parents
 - c. venereal disease education programs
 - d. diabetes screening, X-ray, and measles clinics
 - e. outreach program for the elderly

The Derry Visiting Nurse Association is the only health organization serving the towns of Derry, Londonderry, Windham, Chester and Hampstead. If you have need for the professional services of the Association, please contact Mrs. Nancy Demers, Director of Nurses, at the Visiting Nurse Association office in Derry; telephone 432-7776.

The New Hampshire Forest Fire Service is represented in every town, city or unorganized place in our state by the Forest Fire Warden. Anyone wishing to kindle an outside fire when the ground is not covered with snow must first obtain the written permission of the Fire Warden. Except for cooking fires, no fire can be kindled between 9:00 A.M. and 5:00 P.M. unless it is a commercial or industrial burn or it is raining. The Fire Warden is assisted in his work by the District Forest Fire Chief who works for the Department of Resources and Economic Development Forest Fire Service.

Fire prevention was, again this year, the most important part of the Forest Fire Warden's job. Fire statistics show the need with 72% of the fires caused by smoking, debris burning and children. Smokey the Bear is an important prevention tool but he still needs much help from the public. Parents should warn their children of the hazards of playing with matches. Children tend to forget that a lighted match held in their hand is a potential forest fire.
