## How to Use This Report

---

---

The Annual Report pertains to the year 2009 and contains information gathered from Town Departments, Officials, Committees, and relevant outside agencies. Enclosed you will find results of the March 2009 Town Meeting (p. 13). In addition, the BLUE section contains the 2010 Town Warrant for the upcoming Town Meeting. In the last half of the report you will find Financial Reports (p. 96-150) and Vital Statistics (p. 151-155) for the fiscal year ending December 31, 2009. Finally, inside the back cover we have listed a directory of town services available to our citizens.

---

---

### Part I / Election Day

---

---

**Polls will be open**  
**Tuesday, March 9, 2010 7:00 AM - 7:00 PM**  
**Henniker Community School Gymnasium, 51 Western Avenue**  
*Please Vote.*

---

---

### Part II / Town Meeting

---

---

**Saturday, March 13, 2010 1:00 PM**  
**Henniker Community School Cafetorium, 51 Western Avenue**

Any person with a hearing disability who wishes to attend this year's public town meeting on Saturday, March 13, 2010 and needs the services of a sign language interpreter, please contact the selectmen's office at least 72 hours in advance (603/428-3221, Town Hall, 18 Depot Hill Rd.) so that the town can make arrangements with an interpreter for your accommodation.

# Report of the Selectmen

---

---

The year 2009 was one of those years that a lot of us are happy to see go into the dust-bin of history. From the Selectmen's point of view it was a year that started grappling with difficult decisions about our budget, and pretty much ended the same way, along with a whole lot of study, discussions, and negotiations dealing with several thorny issues concerning Class VI roads. Many of the budget decisions we were forced to make last year have made the current deliberations more difficult, and many of the hard choices we are currently making still will apparently not reduce the tax rate to a level we would like to see without additional reductions in service levels.

However there were some highlights along the way. A couple of our bridges made the news. On a high note we received an award for the reconstruction of the Ramsdell Road Bridge. This was followed by the devastating news from the State Department of Transportation that their bridge inspection report required the forced closure of the Western Avenue Bridge. The Board received approval from the 2009 Town Meeting to authorize funding to hire an engineering firm to begin the long process of designing a repair or replacement of the bridge. They are preparing a complete cost analysis and preparing to take us to the next step, which is the design phase. The Town is on the DOT's "Bridge Aid Funding" list but the state's 80% funding reimbursement would not be available until 2015 or 2016 at the earliest.

We had two notable retirements in 2009. Our Police Chief for the last 20 years, Tim Russell retired, and Mary Dowse retired from her key position at the wastewater treatment plant after more than 20 years. For the selection of our new Police Chief we had a committee made up of Jim Crane, retired Business Administrator of the SAU, with his long history and knowledge of the local school situation, Bill Christiano, head of Security at NEC, Mary Ellen Schule as a citizen and staff member of White Birch Community Center, and former Selectwoman Cheryl Morse help us with the screening and interviewing of candidates. The process resulted in the selection of Chief Ryan Murdough. Additionally, over the course of the year we have seen cooperation and joint training activities between our Police, Fire and Rescue departments and college organizations. We also made adjustments to the parking restrictions and street direction to make accommodations for the New England College to develop their new athletic field beside Grove Street. We have had some great examples of community involvement and co-operation between New England College and town committees and boards in relation to promoting various activities. We have had the usual variety of boards and committees working during the year, and even though development has slowed down there always seems to be enough work for the Conservation Commission, Planning Board and Zoning Board of Adjustment to keep busy. One special Committee that has been doing a lot of research and is about to render a report is the Solid Waste Committee. They have researched the operation of our current transfer station, studied 'Pay As You Throw' options, and looked at single stream recycling operations and a variety of other aspects of dealing with solid waste. Their report will provide fodder for discussions throughout 2010.

Another effort that started in 2009 and will continue into 2010 is participation in the Safe Routes to Schools program. This effort, coordinated by the Central NH Regional Planning Commission, is really a program to get children walking more and getting exercise, but may lead to getting some substantial funding for sidewalks and other infrastructure.

After Town Meeting we completed the purchase of the lot surrounding the Police station, something we had been working on for several years, and an acquisition that protects the parking lot and gives us expansion room if ever needed for that facility.

The "Gathering on the Green" organized by the Spirit of Henniker Organizational Team. (SHOT) was a Memorial Day highlight.

---

## Report of the Selectmen (continued)

---

ABOVE (left to right), Henniker Board of Selectman. Tom Watman, Ron Taylor, Leon Parker, Kris Blomback and Rocky Bostrom.

The Selectmen endorsed the Planning Board's request to fund the first 'Henniker Community Profile' update, the original profile being conducted in 1998. Since that time, a two-day workshop was conducted at the Henniker Community School and many new ideas were generated from the participation of about one hundred twenty five participants who attended. One official committee has already been created by the Selectmen and is known as the Azalea Park/Trails Committee. Several other non-town committees are currently being established and will be a driving force to create more positive interest in the Town's future. One of the last significant actions by the Selectmen was to support the Conservation Commission's work in providing an agreement to become the 'Executory Interest Holder' for three contracted conservation easements, which included properties amounting to approximately 542 acres. We thank Harold and Ann Miller Rice along with Daniel and Carol Goodenough for their generous easement donations, and Martha Sunderland for one that is in progress. All easements guarantee public access. Thanks also to Brian Holtz of the Society for the Protection of New Hampshire Forests and the Piscatquog Land Conservancy for this important role in bringing these agreements to fruition.

Finally, we extend our deep appreciation to the town's employees who serve our community with great dedication and pride. We look forward to seeing you at the Town Meeting on March 13<sup>th</sup> at 1:00 pm and ask for your support.

Respectfully submitted,

*HENNIKER BOARD OF SELECTMEN:*

Leon Parker, Chairman  
Kris Blomback, Vice Chairman  
Thomas Watman, Chairman January through December 15<sup>th</sup>  
Ronald Taylor  
Carl 'Rocky' Bostrom

# Report of the Town Administrator

---

---

The town continues to develop policies that enhance the safety of its citizens, such as prohibiting the Community Park Bandstand to be used by skateboarders, bicycles and roller skates. Not only was this causing damage but also it was unsafe to utilize the facility in such a manner. The Board also revised the Mail Box ordinance and Hawkers and Peddlers ordinance. Other approved changes were the updating of the Community Center/Grange rental forms and Building Permit forms. The Board adopted a revision to the parking regulations on Grove Street, in which no parking is allowed on a portion of the south side. The Selectmen also adopted a revision to the Solid Waste facility in adding a fee for 'ash'.

The Fire/Rescue Departments have implemented an innovative method of expanding the full time ambulance coverage at the fire station to twenty-four hours Sunday night through Friday at 5:00 pm. Weekends remain to be staffed by call members.

Several major upcoming projects have been in the contractual planning stages in 2009. They include the engineering contract with Hoyle, Tanner and Associates to prepare cost estimates and engineering needs required for the rehabilitation or reconstruction of the Western Avenue bridge in West Henniker, and the bidding specifications relative to the hiring of Vision Appraisal Services for the upcoming revaluation.

The Selectmen have endorsed the application for a Safe Routes to School Grant that will be an ongoing project for the next two or three years. This grant encourages more physical exercise and local walking programs in concert with recommending projects that make a safer walk to the Community School.

I would like to take this opportunity to give special thanks for the support given by the Budget Advisory Committee, the Board of Selectmen and the department heads and staff, whose expertise and dedication have been so important in successfully maintaining town government.

Finally, I would invite anyone to call or visit me at the town hall at any time if you have any concerns or questions. I am a firm believer in an open door policy and welcome your input. My e-mail address is [peterflynn@tds.net](mailto:peterflynn@tds.net).

Respectfully submitted,

Peter R. Flynn  
Town Administrator

**Incorporated:** 1768

**Origin:** This area was first known as Number 6, one of a line of settlements running between the Merrimack and Connecticut Rivers. Some early settlers were families from Marlborough, Massachusetts, who named it New Marlborough. In 1752 the Masonian Proprietors granted the land to Andrew Todd, who gave it the name Todd's-town. The town was incorporated as Henniker in 1768 by Governor John Wentworth, in honor of Sir John Henniker, a London merchant who had shipping interests in Boston and Portsmouth prior to the Revolution. This town has the distinction of being "the only Henniker on earth."

**Villages and Place Names:** Colby, Henniker Junction, West Henniker, Emerson Station

**Population, Year of the First Census Taken:** 1,127 residents in 1790

**Population Trends:** Population change for Henniker totaled 2,769 over

50 years, from 1,675 in 1950 to 4,444 in 2000. The largest decennial percent change was 44 percent between 1960 and 1970, followed by a 38 percent increase between 1970 and 1980. The 2008 Census estimate for Henniker was 5,051 residents, which ranked 68th among New Hampshire's incorporated cities and towns.

**Population Density and Land Area, 2008 (NH Office of Energy & Planning):**  
114.5 persons per square mile of land area. Henniker contains 44.1 square miles of land area and 0.7 square miles of inland water area.

## Record of Affirmative Votes from 2009 Town Meeting

### Town of Henniker *State of New Hampshire*

#### RECORD OF AFFIRMATIVE VOTES AT TOWN MEETING 2009

Polls opened at the  
Henniker Community School Gymnasium in Henniker  
on Tuesday the Tenth (10th) day of March,  
at seven of the clock in the morning (7:00 a.m.)  
and voting commenced on the following:

- 01) Town Officers were voted as follows for the ensuing year. (\* asterisk indicates person(s) elected):
- |  |  |
|--|--|
| <u>Selectmen - 3 year term</u><br>Kris Blomback * 372<br>C. E. "Rocky" Bostrom * 374 | <u>Trustees of the Tucker Free Library -<br/>3 year term</u><br>Patti N. Osgood* 441<br>Jamie Ramsey* 389  |
| <u>Town Treasurer - 1 year term</u><br>Susan Damour * 461                            | <u>Cogswell Spring Water Works<br/>Commissioners - 3 year term</u><br>Donald G. Blanchard * 467            |
| <u>Cemetery Trustee - 3 year term</u><br>Barbara Dellorusso * 445                    | <u>Planning Board - 3 year term</u><br>Edward L. Miner* 279<br>Richard Patenaude* 261<br>Jeffrey Roach 238 |
| <u>Trustees of the Trust Funds - 1 year term</u><br>Linda C. Connor * 478            | <u>Supervisor of the Checklist -<br/>5 year term</u><br>Lisa G. Hadley* 461                                |
| <u>Trustees of the Trust Funds - 2 year term</u><br>Daniel R. DaCosta * 443          |  |
- 02) **Amendment 1.** Are you in favor of amending Article II Definitions for "Junkyard" to delete the current language and use NH RSA 236:112(1) as the new definition; and add language to Section §133-12 listing the current NH RSA requirements for fencing, distance from highways, and operations and maintenance for junkyards? Proposed by the Planning Board.
- YES 321      NO 187
- 03) **Amendment #2.** Are you in favor of amending Articles XIV Board of Adjustment and Article XV Zoning Board of Adjustment relative to the statutory authority and procedures

---

## Record of Affirmative Votes from 2009 Town Meeting (continued)

---

of the ZBA, including clarification on Variances, Special Exceptions, Equitable Waivers of Dimensional Requirements, and Rehearing? Proposed by the Planning Board

YES 262 NO 236

- 04) **Amendment #3.** Are you in favor of adding language to Article IV General Provisions Section §133-14 that renames the section "Excavation"; references the state laws that regulate excavations; explains that the Planning Board is the regulator of excavations in Henniker, as voted on at the 1981 Town Meeting; that the Planning Board is responsible for developing local regulations for excavations and what the intent of the regulations are; and to correct a typographical error? Proposed by the Planning Board.

YES 282 NO 221

- 05) **Amendment #4.** Are you in favor of amending Article XIII Administration Section §133-51 to allow the Board of Selectmen to appoint a designee to enforce the Henniker Zoning Ordinance; to add language to Section §133-52 that allows the Board of Selectmen to appoint a designee to issue building permits and for the Board of Selectmen to adopt building permit fees; to delete language in Section §133-52 referencing permits for Zoning Ordinance compliance; and deleting Section §133-53 Issuance of Permits? Proposed by the Planning Board.

YES 214 NO 293

- 06) **Amendment #5.** Are you in favor of amending Article II Definitions to delete "Manufactured Housing Subdivision" and to delete current language for "Manufactured Housing Park" and use NH RSA 205-A:1(II) as the new definition; Delete Section §133-10; and delete reference to "manufactured housing subdivision" from Section §133-98C. Proposed by the Planning Board.

YES 282 NO 217

- 07) **Amendment #6.** Are you in favor of amending Article II Definitions to add definitions for "Fraternity/Sorority", "Fraternity/Sorority House", "House of Worship", and renaming the definition for "Student Housing" to "Dormitory"; to amend Section §133-33A to rename "Churches" to "Houses of Worship", delete "Fraternalities" and "Sororities" as Permitted Uses, and add "Fraternity House" and "Sorority House" as Allowed by Special Exception; and amend Section §133-33E to rename "churches" to "house of worship". Proposed by the Planning Board.

YES 298 NO 211

- 08) **Amendment #7.** Are you in favor of amending Article XI Signs to clarify the intent of Sections §133-43, §133-44A, §133-44C, §133-44D, §133-44E, §133-44F, §133-44K, §133-44L, and §133-46A; Amend §133-44G to define sign maintenance; Delete current language in §133-44H and replace it with language exempting government-sponsored signs from the provisions of the Article; Amend §133-44I to allow signs to project over a public way or sidewalk, remove provision for sign setbacks from property boundaries, and allow the Planning Board to require a sign setback; Delete provision from §133-44 J that gives the Board of Selectmen waiver authority for sign height; Add §133-44M to discuss provisions of sign framework; Add §133-44N to list exemptions to the Article; Add §133-44O to define "business" as used in this Article; Delete §133-45A and insert language for "Attached Business Signs"; Delete §133-45B; Amend §133-45C to renumber it to §133-45B, describe the freestanding signs allowed for single businesses, multiple businesses, and non-fixed location businesses; Renumber §133-45D to §133-45C; Renumber §133-45E to §133-45D, add language regarding flag and banners and how they are regulated, and amend

---

## Record of Affirmative Votes from 2009 Town Meeting (continued)

---

how portable/seasonal /temporary signs are regulated and for how long; Add §133-45E regarding how temporary signs in Proctor Square traffic triangle are regulated; Add §133-45F regarding how temporary signs placed behind windows that are visible by the public are regulated; Amend §133-46 to add size requirements for CR1, delete "multiple business listings", add language for Proctor Square Temporary Sign; Add §133-46A and §133-46B to regulate how Attached Business Signs and Freestanding Signs are measured; Amend §133-46H to increase the sign of temporary signs for the sale/rental of property/buildings; and Add §133-46D that exempts portable/seasonal/temporary signs from requiring a permit. Proposed by the Planning Board.

YES 212      NO 283

- 09) **Amendment #8.** Are you in favor of removing all references to "Institution" and "Institutional" from Article II Definitions, Section §133-22(A), Section §133-24(A), Section §133-26(A), Section §133-29, Section §133-30, Section §133-31, and Section §133-32? Proposed by the Planning Board.

YES 257      NO 229

- 10) **Amendment #9.** Are you in favor of amending Article II Definitions (Zoning Regulations, Chapter 133-3) for "Structures" to read "Anything constructed or erected with a fixed location on the ground. Structures include, but are not limited to, buildings, swimming pools, manufactured housing, billboards, and poster panels. It shall not include installations, such as fences, mailboxes and flagpoles?" Submitted by Petition and supported by the Planning Board.

YES 198      NO 301

*The meeting reconvened at the Henniker Community School Cafetorium on Saturday, March 14, 2009 at 1:00 pm. Cheryl Morse and Joe Damour, who are attending their last meeting as a selectmen, led us in the Pledge of Allegiance. Wayne Colby, the Moderator, reminded all in attendance to check in with the Supervisors of the Checklist at the back of the room. The green voting card they give you will be required to vote on all articles. The Moderator introduced the front table- Kimberly Johnson, Town Clerk/Tax Collector; Deborah Aucoin, Deputy Town Clerk/Tax Collector; the Selectmen, Tom Watman, Joseph Damour, Cheryl Morse, Ronald Taylor and Leon Parker; and Peter Flynn, Town Administrator.*

*Election results from Tuesday, March 10, 2009 were reported. The only contested race was the planning board with Edward Miner and Richard Patenaude being elected. All the Amendments passed except for Amendment #4 and Amendment #9 which failed. All the election results are posted on the bulletin board at Town Hall and on the Town's website. The Moderator reminded all the elected officials must take the "oath of office" at the Town Clerk's office before beginning their official duties.*

*Some quick announcements:*

*1. The 3<sup>rd</sup> grade class will be selling food and drink in the Life Skills room to help fund their 2010 trip to Washington D.C. Feel free to visit the room at anytime through out the meeting.*

*2. The Old Home Days/Spirit Committee has a power point presentation out in the hall. They have pictures from Old Home Days this past summer and from Winter Carnival March 7, 2009.*

*3. On your seat you will find a pink pamphlet with information about the Community Profile meeting April 17 and April 18, 2009. There was a profile done 10 years ago. That created the*

---

## Record of Affirmative Votes from 2009 Town Meeting (continued)

---

*Community Outlook, the White Birch Dial a Ride and it was used as a guide to update the Master Plan. There is no agenda for this meeting-this is a discussion among Henniker residents and business owners about the direction they would like to see the Town go, what changes you would like to see, how you would like to see those changes take place etc. A contact person was given in case someone had questions concerning the profile.*

*The Moderator explained how the meeting would be run. The meeting will be orderly and in a legal fashion. Everyone will have a chance to speak. The discussion must be on the article being discussed. The body of the meeting may overturn the moderator's decision on a vote for an article if they question his outcome of the vote.*

*When an article is presented, it will be submitted in a motion. There will be a 2<sup>nd</sup> to the motion, and the presenter will speak to the motion. Then the town meeting attendees will be able to speak to the motion. Please announce your name before you speak. If you would like to make an amendment to the motion, it must be in writing. Don't worry about the wording; we will help with the wording if necessary. Take turns speaking and your remarks should be directed to the moderator. There will be no debate among each other and please do not get personal. A written request for a ballot vote on any article must be submitted in writing and signed by 5 registered voters before any vote is taken on that article.*

*We are all in the "same sandbox" so play nice!*

- 11) To see if the Town will vote to raise and appropriate the sum of up to Two Hundred Fifty Thousand Dollars (\$250,000) for the feasibility engineering study portion of the Western Avenue Bridge Rehabilitation Project; of which eighty percent (80%) is reimbursed by the State of New Hampshire DOT Bridge Aid Fund in the amount of Two Hundred Thousand Dollars (\$200,000) and furthermore, that the Town authorize the Selectmen to withdraw Thirty Thousand Dollars (\$30,000) from the Bridge Capital Reserve Fund established at the 2008 town meeting. The remaining cost estimate of Twenty Thousand Dollars (\$20,000) will be raised through taxation.

**AMENDMENT #1** to Article #11: To see if the Town will vote to raise and appropriate the sum of up to Two Hundred Twenty Five Thousand Dollars (\$225,000) for the feasibility engineering study portion of the Western Avenue Bridge Rehabilitation Project; of which eighty percent (80%) is reimbursed by the State of New Hampshire DOT Bridge Aid Fund in the amount of One Hundred Eighty Thousand Dollars (\$180,000) and furthermore, that the Town authorize the Selectmen to withdraw Thirty Thousand Dollars (\$30,000) from the Bridge Capital Reserve Fund established at the 2008 town meeting. The remaining cost estimate of Fifteen Thousand Dollars (\$15,000) will be raised through taxation. But to expend no money until the state funds are available.

### **AMENDMENT #1 TO ARTICLE #11 FAILED**

**AMENDMENT #2** to Article #11: To see if the Town will vote to raise and appropriate the sum of up to Two Hundred Fifty Thousand Dollars (\$250,000) for the feasibility engineering study portion of the Western Avenue Bridge Rehabilitation Project; of which up to eighty percent (80%) is reimbursed by the State of New Hampshire DOT Bridge Aid Fund in the amount of Two Hundred Thousand Dollars (\$200,000) and furthermore, that the Town authorize the Selectmen to withdraw up to Thirty Thousand Dollars (\$30,000) from the Bridge Capital Reserve Fund established at the 2008 town meeting. The remaining cost estimate of up to Twenty Thousand Dollars (\$20,000) will be raised through taxation.

<b>TOTAL</b>	<b>\$</b>	<b>907,751</b>

**AMENDMENT #1** to Article #23: Motion to raise and appropriated the sum of Eight Hundred Ninety Five Thousand Seven Hundred Forty Dollars (\$895,740) for Highway Department, Highways and Streets and Street Lighting.

---

# 2010 Warrant

---

## AMENDMENT #1 TO ARTICLE 23 FAILED

**VOTED** to raise and appropriate the sum of Nine Hundred Seven Thousand Seven Hundred Fifty One Dollars (\$907,751) for the Highway Department, Highways and Streets and Street Lighting.

Highway Department	\$	612,626
Highway and Streets	\$	274,900
<u>Street Lighting</u>	<u>\$</u>	<u>20,225</u>
TOTAL	\$	907,751

- 24) **VOTED** to raise and appropriate the sum of No Funds (\$0) to be added to the already established Highway Equipment Capital Reserve Fund. *Selectmen recommend.*
- 26) **VOTED** to raise and appropriate the sum of up to One Hundred Fifty One Thousand Eight Hundred Eighty One Dollars (\$151,881) for road improvements, which reflects the estimated amount of the Town's share of the State of New Hampshire's Highway Block Grant in the amount of One Hundred Fifty One Thousand Eight Hundred Eighty One Dollars (\$151,881). If no revenue is received from the State of NH this amount will not be spent. This is a non-lapsing appropriation per RSA 32:7,VI and will not lapse before two (2) years or upon completion of the project, whichever comes first. *Selectmen recommend.*

**MOTION** made to restrict reconsideration of Articles 15 through 24 and Article 26, in accordance with RSA 40:10, Paragraphs 1 and 5.

### MOTION PASSED

- 25) To see if the Town will vote to raise and appropriate the sum of Six Hundred Twenty Two Thousand Three Hundred Thirty Five Dollars (\$622,335) for solid waste disposal for the ensuing year.

**AMENDMENT #1** to Article #25: To see if the Town will vote to raise and appropriated the sum of Five Hundred Ninety Eight Thousand Three Hundred Thirty Dollars (\$598,333) for solid waste disposal for the ensuing year.

## AMENDMENT #1 TO ARTICLE #25 FAILED

**VOTED** to raise and appropriate the sum of Six Hundred Twenty Two Thousand Three Hundred Thirty Five Dollars (\$622,335) for solid waste disposal for the ensuing year.

- 26) **VOTED** to raise and appropriate the sum of up to One Hundred Fifty One Thousand Eight Hundred Eighty One Dollars (\$151,881) for road improvements, which reflects the estimated amount of the Town's share of the State of New Hampshire's Highway Block Grant in the amount of One Hundred Fifty One Thousand Eight Hundred Eighty One Dollars (\$151,881). If no revenue is received from the State of NH this amount will not be spent. This is a non-lapsing appropriation per RSA 32:7,VI and will not lapse before two (2) years or upon completion of the project, whichever comes first. *Selectmen recommend.*

Cemetery Trustee would like to act on Article 28 before Article 27, would that be ok?

---

## Record of Affirmative Votes from 2009 Town Meeting (continued)

---

The Moderator said that would be ok

- 27) **VOTED** to raise and appropriate the sum of No Dollars (0) to be added to the already established Tucker Free Library Fund for the purpose of repairing and maintaining the library building. This is an Expendable Trust Fund established in 2000 under the provisions of RSA 31:19-A with the Trustees designated as agents to expend. *Selectmen recommend.*
- 28) **VOTED** to raise and appropriate the sum of One Hundred Seventy Eight Thousand Four Hundred and Eight Dollars (\$178,408) for the Tucker Free Library.
- 29) Shall the Town vote to adopt the provisions of RSA 36-A:4-a-1 (b) to authorize the Conservation Commission to expend funds for contributions to 'qualified organizations' for the purchase of property interests, or facilitating transactions related thereto, where the property interest is to be held by the qualified organization and the Town will retain no interest in the property?

### NO MOTION MADE

**MOTION** made to restrict reconsideration on Article 25 and Articles 27 and 28, in accordance with RSA 40:10, Paragraphs 1 and 5.

### MOTION PASSED

- 30) **VOTED** to raise and appropriate the sum of up to Eighty Five Thousand Dollars (\$85,000) for the purpose of purchasing Lot 399-B located on Western Avenue (next to the Police Station) and to authorize the Board of Selectmen to withdraw Ten Thousand Dollars (\$10,000) from the Capital Reserve Fund established for land purchase at the 2008 town meeting, and the remaining \$75,000 to be raised through taxation.
- 31) **VOTED** to raise and appropriate up to \$10,000 to develop a practice softball field, including installation of a backstop fence, and to authorize the withdrawal of up to \$10,000 from the Athletic Fields Capital Reserve Fund adopted at 2008 town meeting.
- 32) **VOTED** to establish a Recreation Revolving Fund pursuant to RSA 35-B:2-II. The money received from fees and charges for recreational park services and facilities shall be allowed to accumulate from year to year, and shall not be considered to be part of the town's general fund unreserved fund balance. The town treasurer shall have custody of all monies from the fund, and shall pay out same only upon order of the Board of Selectmen (no further town meeting approval required). These funds may be expended only for recreation purposes and leisure activities as stated in RSA 35-B, and no expenditure shall be made in such a way as to require the expenditure of other town funds that have not been appropriated for that purpose.
- 33) **VOTED** to establish an expendable trust fund under the provisions of RSA 31:19-a, to be known as the Old Home Days Expendable Trust Fund, for the use of the Henniker Old Home Days Committee and raise and appropriate the sum of Three Thousand Four Hundred Fifty Nine Dollars (\$3,459) from surplus representing money from a previous Old Home Days to be placed in this fund, and furthermore, to authorize the Selectmen as agents. *Selectmen recommend.*
- 34) To see if the Town will vote to discontinue the Swimming Pool Capital Reserve Fund created in 1983. Said Funds, with accumulated interest to date of withdrawal, are to be transferred to the Town's general fund. (Principal balance \$14,535 plus interest)

---

## Record of Affirmative Votes from 2009 Town Meeting (continued)

---

**AMENDMENT #1** to Article #34: To see if the Town will vote to discontinue the Swimming Pool Capital Reserve Fund created in 1983. Said Funds, with accumulated interest to date of withdrawal, are to be transferred to the Recreation Revolving Fund – Athletic Account. (Principal balance \$14,535 plus interest)

### **AMENDMENT #1 TO ARTICLE #34 FAILED**

**AMENDMENT #2** to Article #34: Move to table motion of Article 34 until such time as further study can be conducted. Such study to include determination of the amount that was donated for the dedicated purpose through profits from sale of real estate and to include communication with the family who directed donation of the profits of the real estate sale to be used for a swimming pool to ascertain their current wishes for use of the funds that were received from their direction originally.

Need to have 2/3's vote to table motion.

### **MOTION TO TABLE ARTICLE #34 WITH AMENDMENT #2 PASSED**

- 35) To see if the Town will vote to discontinue the Multimodel Path Capital Reserve Fund created in 1998. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the Town's general fund. (Principal balance \$14,279 plus interest)

**MOTION** made to **TABLE** Article #35: Need to have 2/3's vote.

### **MOTION TO TABLE ARTICLE #35 FAILED**

**VOTED** to discontinue the Multimodel Path Capital Reserve Fund created in 1998. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the Town's general fund. (Principal balance \$14,279 plus interest)

- 36) **VOTED** to discontinue the Town Hall Renovation Capital Reserve Fund created in 1999. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the Town's general fund. (Principal balance \$4,724 plus interest)

- 38) **FAILED** to have the Town of Henniker, New Hampshire vote to adopt the following resolution, and shall upon adoption, notify in writing members of our congressional delegation of said vote:

We, the citizens of Henniker, New Hampshire, call upon our congressional representatives, Representative Hodes and Shea-Porter, and Senators Shaheen and Gregg, to do the following:

Actively work in support of the creation of a U.S. Department of Peace and Non-Violence, as described and presented to the US House of Representatives in the 110<sup>th</sup> Congress as HR 808, the purpose of which "shall be dedicated to peacemaking and the study of conditions that are conducive to both domestic and international peace."

To transact any other business that may legally come before this meeting)

The meeting was adjourned at 7:55 pm.

# TOWN WARRANT 2010

Town of Henniker  
*State of New Hampshire*

The polls will be open for voting  
at the Henniker Community School Gymnasium  
51 Western Avenue  
**from 7:00 AM to 7:00 PM**  
**Tuesday, March 9, 2010**

To the inhabitants of the Town of Henniker  
in the County of Merrimack in said State  
qualified to vote in Town Affairs:

You are hereby notified to meet at the  
Henniker Community School Gymnasium in Henniker  
on Tuesday the ninth (9th) day of March next,  
at seven of the clock in the morning (7:00 a.m.)  
to act upon the following:

---

---

## 2010 Warrant (continued)

---

---

- 01) To choose the following Town Officers for the ensuing year.

Selectmen.....	One positions for 3-year terms
Planning Board .....	Two positions for 3-year terms
Trustees of the Trust Funds .....	One position for 3-year term
Town Treasurer.....	One position for 1-year term
Cemetery Trustee.....	One position for 3-year term
Trustees of the Tucker Free Library .....	One position for 3-year term
Cogswell Spring Water Works Water Commissioners ...	One position for 3-year term
Supervisor of the Checklist.....	One position for 6-year term
Moderator.....	One position for 2-year term

To vote on the following:

Changes in *bold/italic*

- 02) Amendment 1: Are you in favor of amending Chapter 133, Zoning Regulations, by adopting the following? Proposed by the Planning Board.

Amend Article V, RV Village Proper District, Section 133-22 Land uses, paragraph A by adding ***House of Worship*** as a Permitted use. Amend Article VIII, Section 133-29 CH Heavy Commercial District; Section 133-30 CM Medium Commercial District; Section 133-31 CR Commercial Recreation District and Section 133-31 paragraph A CR-1 District; and Section 133-32 CV Village Commerce District by adding ***House of Worship*** as a Permitted use. Amend Article VIII, Section 133-33, ED Educational District, paragraph A by adding ***House of Worship*** as a Permitted use and deleting House of worship as a use Allowed by Special Exception. Amend Article VI, RN Residential Neighborhood District, Section 133-24 Land uses, paragraph A by adding ***House of Worship*** as a use Allowed by Special Exception. Amend Article VII, RR Rural Residential District, Section 133-26 Land uses, paragraph A by adding ***House of Worship*** as Allowed by Special Exception.

PURPOSE: The purpose of these amendments is to allow House of Worship uses in all Zoning Districts by right or Special Exception. The term “institutional” was deleted last year, which un-intentionally prohibited this use.

- 03) Amendment 2: Are you in favor of amending Chapter 133, Zoning Regulations, by amending Article IV General Provisions, Section 133-17 One principle building allowed per lot, to read? : Proposed by the Planning Board. ***Except for Multi-unit dwelling(s) developments that adhere to the requirements of Sections 133-41 & 133-42 and are located in the RV Village Proper & CV Village Commerce Districts,*** there shall be only one principle building on a lot.

PURPOSE: Currently the community allows for the development of multifamily projects. The intent of this amendment is to encourage designs that are in keeping with the character of the community, enable greater variety of homes and provide for flexibility in site design.

- 04) Amendment 3: Are you in favor of amending Chapter 133, Zoning Regulations, Article XIV Board of Adjustment, Section 133-59 Granting a Variance, by deleting this Section in its entirety and replacing it as follows? Proposed by the Planning Board.

The Board of Adjustment may, on an appeal, grant a variance from the provisions of this

---

---

## 2010 Warrant (continued)

---

---

Chapter, under the powers specified in RSA 674:33 I(b).

PURPOSE: During the 2009 Legislative Session, the criteria for granting a variance was changed (RSA 674:33, I (b)) and this new language becomes effective on January 1, 2010. The language currently contained in the Zoning Ordinance must be changed in order to be consistent with the new state law.

- 05) Amendment 4: Are you in favor of amending Chapter 133, Zoning Regulations, by amending Article XXV Wireless Communication Towers, by amending the following Section? Proposed by the Planning Board.

Amend Article XXV, Wireless Communication Towers, Section 133-130, Location, Construction, and Performance Requirements, Paragraph B.2 - Height Limitations, by amending the existing paragraph as follows: PWSFs in Wooded Areas. ***A personal wireless service facility located in a wooded area shall not project higher than twenty (20) feet above the average height of the five tallest trees within a 180 foot radius of the proposed tower.*** Further, a PWSF located in a wooded area must be camouflaged to blend in with the natural character of such area. Appropriate camouflaging for wooded areas includes: ranger or forest fire watch towers of a size typically found in the State of New Hampshire, artificial trees, or other structures acceptable to the Planning Board.

PURPOSE: The purpose of this amendment is to further define average tree height and define the area where tree height measurements should be taken.

- 06) Amendment 5: Are you in favor of amending Chapter 133, Zoning Regulations, by amending Article XXV Wireless Communication Towers by amending the following Section? Proposed by the Planning Board.

Amend Article XXV, Wireless Communication Towers, by adding the following new language: ***133 – 134 Waivers. Where the Planning Board finds that a particular Section of this Article would serve no valid public purpose, given the specific characteristics of the site and neighborhood in which a Personal Wireless Service Facility (PWSF) is proposed and would not be in conflict with the goals outlined in Section 133 –126 Purpose, the Board may approve a waiver to any specific Section of this Article.***

PURPOSE: The purpose of this amendment is to provide the Planning Board with the authority to waive any requirement contained in the Article XXV in order to address conflicts, unique circumstances and provide greater flexibility.

- 07) Amendment 6: Are you in favor of amending Chapter 133, Zoning Regulations, by adopting the following? Proposed by the Planning Board

Amend Article V, RV Village Proper District, Section 133-22 Land uses, paragraph A by adding ***Schools*** as a Permitted use. Amend Article VIII, Section 133-29 CH Heavy Commercial District; Section 133-30 CM Medium Commercial District; Section 133-31 CR Commercial Recreation District and Section 133-31 paragraph A CR-1 District; and Section 133-32 CV Village Commerce District by adding ***Schools*** as a Permitted use. Amend Article VIII, Section 133-33, ED Educational District, paragraph A by adding ***Schools*** as a Permitted use. Amend Article VI, RN Residential Neighborhood District, Section 133-24 Land uses,

---

---

# 2010 Warrant

---

---

paragraph A by adding *Schools* as a use Allowed by Special Exception. Amend Article VII, RR Rural Residential District, Section 133-26 Land uses, paragraph A by adding *Schools* as Allowed by Special Exception. Amend Article II, Section 133-3 Terms defined, by adding the following definition: *Schools: Any building, part thereof, or group of buildings, the use of which meets State requirements for elementary, secondary, vocational or higher education.*

PURPOSE: At this time schools are not specifically allowed in any zoning district and the term “school” is not defined. These proposed amendments will allow schools in all Districts either by right or by Special Exception. The term “institutional” was deleted last year, which unintentionally prohibited this school uses.

TOWN WARRANT  
**Addendum**  
2010

Town of Henniker  
*State of New Hampshire*

Town Meeting begins at 1:00 PM  
at the Henniker Community School Cafetorium  
51 Western Avenue  
Saturday, March 13, 2010

To the inhabitants of the Town of Henniker  
in the County of Merrimack in the said State  
qualified to vote in Town Affairs:

You are hereby notified to meet at the  
Henniker Community School Cafetorium in Henniker  
on Saturday the thirteenth (13th) day of March next,  
at one of the clock (1:00 p.m.) in the afternoon  
to act upon the following:

---

---

## 2010 Warrant Addendum (continued)

---

---

- 8) To see if the Town will vote to raise and appropriate the sum of One Hundred Sixty Thousand Dollars (\$160,000) to purchase of a new Front End Loader as specified by the Town's Road Agent and authorize the withdrawal of \$60,000 from the already established Capital Reserve Fund for this purpose; the remaining \$100,000 to be raised from taxation. This is a non-lapsing article per RSA 32:7 and will not lapse before two (2) years or upon completion of purchase, whichever comes first. **Selectmen recommend.**
- 9) To see if the Town will vote to authorize the selectmen to enter into a long-term lease/purchase agreement in the amount of One Hundred Sixty Thousand Dollars (\$160,000) payable over a term of sixty months (60) at a rate of Two Thousand Eight Hundred Eighty Two Dollars (\$2,882) per month, to purchase a new Front End Loader for the Highway Department and to raise and appropriate Thirty Four Thousand (\$34,573) for the first year's payment with this amount taken from the already established Capital Reserve Fund. (2/3 ballot vote required)
- 10) To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000) to purchase a new Police Department heavy duty 4-wheel drive vehicle. This is a non-lapsing article per RSA 32:7 and will not lapse before two (2) years or upon completion of purchase, whichever comes first. **Selectmen recommend.**
- 11) To see if the Town will vote to authorize the selectmen to enter into a long-term lease/purchase agreement in the amount of Thirty Thousand Dollars (\$30,000) with the sum of Thirty Thousand Dollars (\$30,000) payable over a term of forty-eight months (48) at a rate of Seven Hundred One Dollars and Fifty Five Cents (\$701.55) per month to purchase a new Police Department heavy duty 4-wheel drive vehicle and to raise and appropriate the sum of Eight Thousand Four Hundred Nineteen Dollars (\$8,419) for the first year's payment for that purpose. (2/3-ballot vote required)
- 12) To see if the Town will raise and appropriate the sum of Two Hundred Ninety Thousand Dollars (\$290,000) for the purpose of supporting a campus wide energy efficiency lighting project at New England College which includes upgrades and new systems throughout 21 buildings on campus and to also include the installation of a low "E" ceiling and ice controls in the Lee Clement arena. Furthermore, this appropriation is 100% reimbursable to the Town from an American Recovery and Reinvestment Act grant through the New Hampshire Office of Energy and Planning. A requirement for receiving the grant is that it must be processed through a municipality and the Town acts as a Grantee only and the amount does not represent any taxpayer's expense. No expenditure under this article shall occur unless the town receives the full amount of the stated grant. **Selectmen recommend.**
- 13) To see if the Town will raise and appropriate the sum of up to Fourteen Thousand Dollars (\$14,000) for the purpose of funding a professional energy audit for town buildings. Furthermore, this appropriation is 100% reimbursable to the Town from an American Recovery and Reinvestment Act grant through the New Hampshire Office of Energy and Planning. No expenditure under this article shall occur unless the town receives the full amount of the stated grant. **Selectmen recommend.**
- 14) To see if the Town will vote to raise and appropriate the sum of One Hundred Thousand Dollars (\$100,000) to be added to the already established Bridge Capital Reserve Fund. This fund is established under the provisions of RSA 35:1 for the purpose of funding future repairs to the Town's bridges and to include engineering and other related costs. **Selectmen recommend.**

---

---

## 2010 Warrant Addendum (continued)

---

---

- 15) SUBMITTED BY PETITION: To see if the Town will vote to authorize the Town of Henniker Board of Selectmen to sell Tax Map 1, Parcel 98 upon the following terms and conditions:
- a. The purchase price shall not be less than \$200,000;
  - b. After construction of a private road between Parcels 44 and 99 as well as Parcels 100 and 102F the owner of Tax Map 1, Parcel 98 but not later than two years from the date of sale, the owner shall gift to the Town of Henniker or its Conservation Commission Tax Map 1, Parcel 98 subject to a retained easement to construct, use and maintain the private road.
  - c. The sale by the Selectmen shall be by advertised sealed bids, good faith negotiations with private parties or by such other method of sale the Selectmen determine to be in the best interests of the Town.
- 16) SUBMITTED BY PETITION: To see if the Town will vote to convey a conservation easement on the town-owned parcel identified as Tax Map 1, Lot 98. The easement will consist of 35 acres more or less, 5 acres (located at the southwest corner of the lot) to which the town shall retain development rights. The easement will be held by a qualified organization as defined under RSA 36-A:4-a. The easement monitoring fees and related expenses will be paid from the Town's existing Conservation Fund. The conservation easement shall ensure the property is maintained in perpetuity as open space and prohibit any industrial or commercial activities (except agriculture and forestry), future subdivision, and any rights of way (except for public recreational purposes). The purpose of this easement will be to protect forest land, wildlife habitat, wetlands, and streamside areas along Amey Brook and another unnamed brook.
- 17) To see if the Town will vote to raise and appropriate the sum of One Million One Hundred Ninety Eight Thousand Eight Hundred and Three Dollars (\$1,198,803) for general municipal operations. *Selectmen recommend.*

- 18) To see if the Town will vote to raise and appropriate the sum of Five Hundred Thirty Thousand Six Hundred and Six Dollars (\$530,606) for the operating expenses of the Wastewater Treatment Plant. **Selectmen recommend.**
- 19) To see if the Town will vote to raise and appropriate the sum of Three Hundred Thousand Dollars (\$300,000) for the operating expenses of Cogswell Spring Water Works. **Selectmen recommend.**
- 20) To see if the Town will vote to raise and appropriate the sum of One Million Eighty One Thousand Five Hundred and Eighteen Dollars (\$1,081,518) for the Police Department. **Selectmen recommend.**
- 21) To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000) to be added to the already established Police Building Capital Reserve Fund. **Selectmen recommend.**
- 22) To see if the Town will vote to raise and appropriate the sum of Twenty Six Thousand Nine Hundred and Forty Dollars (\$26,940) for Animal Control. **Selectmen recommend.**
- 23) To see if the Town will vote to raise and appropriate the sum of Five Hundred and Three Thousand Three Hundred and Sixty Eight Dollars (\$503,368) for the Rescue Squad and Fire Department. **Selectmen recommend.**
- 24) To see if the Town will vote to raise and appropriate the sum of One Hundred Seventy Five Thousand Dollars (\$175,000) to purchase a new ambulance for the Rescue Squad and authorize the withdrawal of up to One Hundred Thirty Thousand Dollars (\$130,000) from the Capital Reserve Fund created for that purpose. The balance of Forty Five Thousand Dollars (\$45,000) is to come from general taxation. This is a non-lapsing article per RSA 32:7 and will not lapse before two (2) years or upon completion of purchase, whichever comes first. **Selectmen recommend.**
- 25) To see if the Town will vote to raise and appropriate the sum of Nine Hundred Twelve Thousand Three Hundred and Sixty Seven Dollars (\$912,367) for the Highway Department, Highways and Streets and Street Lighting. **Selectmen recommend.**

Highway Department	\$	617,762
Highway and Streets	\$	274,380
Street Lighting	\$	20,225
TOTAL	\$	912,367

- 26) To see if the Town will vote to raise and appropriate the sum of up to One Hundred Fifty Eight Thousand and Fifty Six Dollars (\$158,056) for road improvements, which reflects the estimated amount of the Town's share of the State of New Hampshire's Highway Block Grant in the amount of One Hundred Fifty Eight Thousand and Fifty Six Dollars (\$158,056). If no revenue is received from the State of NH this amount will not be spent. This is a non-lapsing appropriation per RSA 32:7, VI and will not lapse before two (2) years or upon completion of

---

## 2010 Warrant Addendum (continued)

---

---

- the project, whichever comes first. *Selectmen recommend.*
- 27) To see if the Town will vote to raise and appropriate the sum up to Thirty Six Thousand Dollars (\$36,000) for the purpose of repairing the roof and cupola of Henniker Community Center; furthermore to authorize the Selectmen to withdraw up to Thirty Six Thousand Dollars (\$36,000) of which is the accumulated interest derived from the Proctor Family Trust Fund for this purpose. This is a non-lapsing article per RSA 32:7 and will not lapse before two (2) years or upon completion of the project, whichever comes first. (This article will have no impact on the tax rate.) This requires a 2/3 majority vote. *Selectmen recommend.*
- 28) To see if the Town will vote to raise and appropriate One Hundred Twenty Five Thousand Dollars (\$125,000) for the revaluation of the town's Assessment of Properties and authorize the withdrawal of One Hundred Thousand Dollars (\$100,000) from the Capital Reserve Fund established for that purpose. The balance of Twenty Five Thousand Dollars (\$25,000) is to come from general taxation. This is a non-lapsing article per RSA 32:7 and will not lapse before two (2) years or upon completion of project, whichever comes first. *Selectmen recommend.*
- 29) To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000) for the Town's commitment to the application for a grant for the Safe Routes to School Program set forth by the New Hampshire Department of Transportation. The funding is One Hundred Percent (100%) reimbursable by the State upon completion of project(s) authorized by the NHDOT; and furthermore, dispensing of funds from this article is contingent upon the DOT awarding the grant. This is a non-lapsing article per RSA 32:7 and will not lapse before two (2) years or upon completion of purchase, whichever comes first. *Selectmen recommend.*
- 30) To see if the Town will vote to raise and appropriate the sum of Six Hundred Eighty One Thousand Three Hundred Fifty Five Dollars (\$681,355) for solid waste disposal for the ensuing year. *Selectmen recommend.*
- 31) To see if the Town will vote to raise and appropriate the sum of One Hundred Seventy Eight Thousand Four Hundred and Eight Dollars (\$178,408) for the Tucker Free Library.
- 32) To see if the Town will vote to discontinue the Swimming Pool Capital Reserve Fund created in 1983. Said Funds, with accumulated interest to date of withdrawal, are to be transferred to the Town's general fund. (Principal balance \$15,461 plus interest). *Selectmen recommend.*
- 33) SUBMITTED BY PETITION: We the undersigned, being legal voters in the Town of Henniker, do hereby petition the Board of Selectmen of said Henniker to place the following article in the warrant for the 2010 annual meeting:

To see if the town will vote to reclassify that portion of the road known as Brown's Way from it's intersection with Old Hillsboro Road 0.45 miles from a Class VI highway to a Class V highway conditional upon compliance with betterment assessments as authorized by RSA 231:22a, and RSA 238:8.

To transact any other business that may legally come before this meeting. (This article is meant to allocate time that public acknowledgments may be voiced and is not meant to add additional warrants to the meeting. The final decision is the responsibility of the Town Moderator - per Henniker Town Counsel).

# Police Department

---

---

BACK ROW (L-R) Officer Matthew O'Connor, Officer Michael Martin, Chief Ryan Murdough, Sergeant Matthew French, Officer Neal Martin, Officer Jeffrey Summers. FRONT ROW (L-R): Officer Mark Lindsley, Officer Stephen Dennis, Officer Benjamin Tokarz, Officer Michelle Moir, Officer Amy Bossi, Officer Jeffrey Iadonisi.

The year 2009 has been a year of transition for the Henniker Police Department.

Our long time Chief of Police, Timothy Russell retired in June and I was handed the reigns to succeed him as your Police Chief. He served in the capacity of Chief for 20 years. I take great pride in being only the third full time police chief the town has had since 1969.

Officer Jeffrey Summers was hired to fill the opening left by Chief Russell's retirement. Jeff has been with us as a part time officer for seven years. He is currently attending the New Hampshire Police Standards and Training full time police academy and will graduate on April 9, 2010. We are all excited to have Jeff on board and feel he will continue to be an asset to the department and the community.

As in previous years, this year we received several grants through the New Hampshire

Highway Safety Agency for speed enforcement patrols, DWI enforcement patrols, and for the first time, a DWI Sobriety Checkpoint grant. These grants allow us to dedicate an officer to be on patrol and enforce motor vehicle laws at no cost to the taxpayer.

We continue to send officers to schools and trainings to provide the community with the best possible police officers. Two accomplishments this year are that Sgt. Matthew French was certified to teach the R.A.D. (Rape Aggression Defense) class to women. This class offers self defense skills to women through classroom and practical application. We will be offering this class to female members of the community this year. Also Officer Stephen Dennis completed an intense Drug Recognition Expert training that certifies him as an expert in determining what drugs a person is under the influence of. This is a valuable resource to the department.

---

---

## Police Department (continued)

---

---

We have been working with New England College to improve our relationship with the staff and students. We have formed a committee that is run by the NEC student senate president and comprised of NEC staff, students, community members and myself. I have found these meetings to be beneficial. We also have Sgt. French available for two hours a week at the Simon Center to answer questions, concerns and offer any advice to students. It is my goal to encourage students to become invested in the town while they are here obtaining their education to strengthen the college, community and police relationship.

In closing, I would like to thank the residents of Henniker for the opportunity to be your Chief of Police. I am very fortunate to have an awesome staff, which is dedicated to the community and the department. Please feel free to contact us if we can assist you in any way.

Respectfully Submitted,

Ryan Murdough, Chief of Police

# Animal Control

---

---

I wish to express my gratitude to the citizens of Henniker for your support and continued commitment.

Henniker Animal Control is active with lost dogs, strays, abandoned dogs (some friendly / some not so friendly), dog/cat bites, nuisance animals (domestic/wild), Rabies, West Nile and the list goes on.

**Please do not feed or handle wild animals.**

1. Enjoy wild animals only from a distance. Never handle or attempt to pet or feed wildlife.
2. Do not keep wildlife as pets.
3. Do not feed pets outside. If you do, clean up the area thoroughly after every feeding. Leftover cat or dog food will attract wildlife.
4. If you keep a bird feeder, clean up spilled seed to avoid attracting other forms of wildlife (bears) and small rodents, which in turn attract predators such as fox and coyote.
5. Keep your home in good repair. If wild animals can't get in, they can't build nests inside.
6. If you think a wild animal may be sick or injured, contact one of the following listed below:

**Animal Control Officer**

**Henniker Police Department, 428-3213**

**Henniker Health Officer, 428-3221**

**NH Fish & Game, 271-3421**

**NH Div of Public Health, 271-4496**

**NH Sate Veterinarian 271-2404**

**Be Careful !**

**!! Protect Your Family !!**

*Have all your animals vaccinated*

**West Nile Virus (WNV) information can be found at:**

**<http://www.cdcgov/ncidod/dvdid/westnile>**

**Eliminate standing water and other mosquito breeding locations.**

In warm weather, mosquitoes can breed in any puddle that lasts more than 4 days!

Remove old tires from your property.

Turn over wheelbarrows and change water in birdbaths at least twice weekly.

Turn over plastic wading pools when not in use.

**Protect yourself from mosquito bites.**

If outside during evening, nighttime, and dawn hours when mosquitoes are most active and likely to bite, children and adults should wear protective clothing such as long pants, long-sleeved shirts, and socks.

Consider the use of an effective insect repellent.

**Thank you for your time, support and cooperation  
during the past year!**

Respectfully submitted,

Walter Crane

Animal Control

Officer

---

# Emergency Management

---

---

Dear Henniker Residents,

I want to thank you for your continued support through the past year. 2009 thankfully did not strike us with another ice storm, flood, or natural disaster. However, it did bring a flu season like no other. I worked the majority of the year with the Capital Area Public Health Network (CAPHN), and other regional and state partners, as the H1N1 virus provided new challenges and the development of new plans.

Even though our community did not experience a natural disaster in 2009, what was learned from the Ice Storm of 2008 did play a role in the launch of the Henniker Emergency Management Facebook page. This page will provide residents with instant information and updates during emergencies. Citizens who have a Facebook account can program alerts to be sent to their mobile phones or receive updates via email.

During the upcoming year planning will continue and community outreach will take center stage. The goal is to provide residents with useful materials and tools to be referenced during an emergency. This will assist Henniker households in preparing for, and responding to any situation that our community may face.

Thank you again for your continued support

I look forward to serving you in 2010.

Tia Hooper  
Director of Emergency Management

Note: "The Capital Area Public Health Network (CAPHN) is a community health and safety collaborative established in 2004 to identify and solve community health problems and improves local public health emergency preparedness. The CAPHN is based at Concord Hospital and is comprised of coalition community members, as well as organizations, involved in providing for the public's health and safety." To learn more about CAPHN you can visit their website at <http://www.capitalareaprepares.com>.

---

## Fire Department

---

---

During 2009 the Fire Department responded to 370 incidents. This number does not include medical calls. We issued 248 fire permits.

We had another busy year conducting fire prevention activities. We provided fire prevention training at the Henniker Community School and with area preschools. We performed 115 plan reviews/inspections of properties in Town to ensure adequate fire protection and life safety measures were in place. We had training with New England College and the NH Fire Academy to educate NEC staff and student residence hall supervisors about fire prevention and safety. We also held a fire muster at NEC so students could experience some of the tasks involved in firefighting and to raise awareness of fire safety on campus.

Henniker experienced several significant fires during 2009 including the first fatal fire in Town since 1969. Fire injuries and deaths are tragic for the family, friends and firefighters involved. My condolences to all who were affected. Each year nearly 3000 people die in home fires in the US. Many of these tragedies could be prevented by having operating smoke detectors, installing residential fire sprinklers and building to meet life safety codes.

It is important for everyone to assess their fire safety. Whether you rent or own, take responsibility for your own safety. Are your heating appliances safely installed and properly maintained? Are you keeping

---

---

## Fire Department (continued)

---

---

combustible items at least three feet from woodstoves and space heaters? Do your sleeping areas have two means of exit that can be easily accessed? Are there working smoke and carbon monoxide detectors on every level of your home? Develop and practice an exit plan.

As always, I want to thank the members who devote so much of their time to the Fire Department and their families who endure frequent interruptions in their lives. Please support the local employers who allow members to leave during the business day to protect our community.

Respectfully Submitted  
Keith Gilbert  
Chief

---

## Forest Fire Warden and State Forest Ranger

---

---

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or [www.des.state.nh.us](http://www.des.state.nh.us) for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at [www.nhdf.org](http://www.nhdf.org).

Spring fire season was unusually short this past year, with wet weather beginning the third week in April and lasting virtually all summer long. Consequently both the number of fires and the number of acres

### 2009 FIRE STATISTICS

Grafton	11	35
Hillsborough	12	94
Merrimack	1	45
Rockingham	62	30
Strafford	2	3
Sullivan	20	10

burned were below the last five year average. Due to state budget constraints, the staffing of our statewide system of 16 fire lookout towers was limited to class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookout towers are credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. The towers fire spotting capability was supplemented this year by contracted aircraft and the Civil Air Patrol when fire danger was especially high. Surprisingly the largest single fire this year occurred in late November during an unusual dry spell, in the northern Coos County town of Clarksville. This fire burned 17.1 acres and is presumed to have been caused by a careless hunter. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2009 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters

# Forest Fire Warden and State Forest Ranger (continued)

clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at [www.firewise.org](http://www.firewise.org). Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

# Henniker Fire Auxiliary

---

---

## Henniker Fire

## Auxiliary

The past year was a very successful year for the Henniker Fire Auxiliary. We are growing as an organization, and finding our niche within our community.

We were able to assist the members of the Henniker Fire and Rescue with several fires this past year. We are continuing to develop ways to assist and support these two vital departments.

In 2009 the Auxiliary was able to benefit from two very successful fundraisers. This summer we assisted the Fire Department in the first annual Fireman's 100 that was located in Weare, NH. We were able to sell food to the various participants and fans of the Fireman's 100. We are anticipating more people this coming summer! We also hosted our third annual Cookie Craze in December.

We would like to thank all of you who have supported us throughout the year with your donations and participation at our events. The Auxiliary is looking forward to another great year supporting the members of Henniker Fire and Rescue.

**If you are interested in finding out more about our organization, please feel free to e-mail us at [hennikerfireauxiliary@gmail.com](mailto:hennikerfireauxiliary@gmail.com). Applications are available at the Henniker Fire Station.**

ABOVE: Shelagh Mannix (left) helps to raise funds on behalf of the Auxiliary during the first annual "Fireman's 100" which was held in Weare in the Summer of 2009. (Right) Butch Joos races toward the finish line where over eight teams of firefighters from surrounding towns competed for the trophy. Congratulations goes out to Keith Gilbert, Varyl French and Pete Twombly (not pictured) who were the overall winners.

### **2009 ANNUAL REPORT TO BOARD OF DIRECTORS**

This report is presented to the Board of Directors of the Capital Area Fire Compact as a summary of general activities for the 2009 calendar year. It is also forwarded to the Town offices of the Compact's member communities for information and distribution as desired.

The Compact's operational area is 711 square miles with a resident population of 125,225. The Equalized Property Valuation is currently listed as over thirteen billion dollars. We also provide and receive mutual aid responses with communities beyond our member area.

The Compact provides 24/7 emergency dispatching service to its twenty member communities. This service is delivered by the City of Concord Fire Department's Communications Center utilizing eight shift dispatchers and the Dispatch Supervisor. Fire and Emergency Medical dispatched calls totaled 20,624 in 2009, down slightly from the previous year. We continue to be one of the busiest regional dispatch centers in New Hampshire. The detailed activity report by community is attached.

Mutual aid automatic responses are provided from neighboring departments based on type of call, geographic proximity, type of hazard, and time of day.

The Chief Coordinator responded to 161 incidents in 2009, assisted departments with management functions on major incidents, and participated with Chief Officers in mutual aid response planning. He also participates on several state and regional committees that affect mutual aid operations. The 2007 Command Vehicle functions as a Command Post on mutual aid incidents.

Firefighter John R. Burton III of Bow resigned as Treasurer of the Compact early in 2009. John had served as Treasurer for 25 years. Unfortunately, John passed away in July. He will be missed by all.

The current officers of the Compact, elected in January 2009 are:

President, Chief Ray Fisher, Boscawen  
Treasurer, Chief Daniel Andrus, Concord

Vice President, Chief George Ashford, Northwood  
Secretary, Deputy Chief Matthew Hotchkiss, Northwood

We continue to perform an active role in the implementation of the New Hampshire Fire Mobilization Plan. This response plan is available to all communities and mutual aid systems statewide, or beyond, whenever their local resources have been exhausted.

Homeland Security has provided major funding in support of our communications systems upgrades. All departments received digital portable and mobile radios in recent years. The conversion of our dispatch center console to digital capability was completed in June 2009, and digital base stations were previously supplied. We have received recent grant approvals to provide microwave control of remote radio sites.

The 2009 Compact operating budget was \$ 932,187. All Compact operations, including the Chief Coordinator's position, office, command vehicle, and dispatch services are provided through this budget. Funding is by the

# Capital Area Mutual Aid Fire Compact (continued)

member communities and based on a combination of property valuations and population.

The Compact Training Committee chaired by Assistant Chief Dick Pistey, with members Chief Keith Gilbert, Chief Gary Johnson, and Chief Peter Angwin assisted all departments in hosting mutual aid training exercises during the year. Mutual aid drills involve several departments and test the system capabilities in fire suppression, emergency medical, mass casualty, rescue, hazardous materials, incident management, and personnel safety. We thank the Training Committee for their continuing support to the Compact.

The Central New Hampshire HazMat Team, represents 55 communities in Capital Area and Lakes Region mutual aid systems and is ready to assist or respond to hazardous materials incidents in our combined coverage area. The team is directed by Chief Bill Weinhold with three mobile response units and welcomes personnel interested in becoming members. Thanks to the team members for their dedication in providing this important emergency service.

We urge all departments to send representatives to all Compact meetings. Your input is needed and your members need to be informed of all Compact activities and planning.

Thanks to all departments for your great cooperation.

Please contact any Compact officer or the Chief Coordinator if we may be of assistance.

Dick Wright, Chief Coordinator

# Rescue Department

---

---

The Henniker Rescue Squad is pleased to report on Department activities for the year 2009. It was another busy year for us. After three years with little or no call volume increase, in 2009 we had a modest 2% increase in calls. In 2009 the squad responded to 581 emergency medical calls. Of these calls, 25% were for trauma related emergencies and 10% were for cardiac related emergencies. Falls and motor vehicle crashes continue to be the largest contributors to our trauma related calls.

Like the town's around us, we occasionally require the assistance of mutual aid to cover calls that we are unable to cover. Fortunately we are still on the providing end more than we are on the receiving end. In 2009 we responded to calls outside of Henniker 115 times. Thankfully we required assistance only 22 times. In past years we sometimes required assistance because we simply did not have the staff available. We are happy to report that due to additional station staffing that was implemented in 2009, the request for mutual aid assistance to Henniker is now occurring only when our resources are committed to other calls.

At an average of over one call per day we continue to need additional volunteers. We currently have a roster of 25 members, but due to ever increasing work and personal commitments the amount of time each member can donate continues to diminish. For over 30 years the Squad was able to operate with volunteers alone. In 2001 the Town hired two full-time EMT/Firefighters to work weekday hours. In 2009 we added a part-time night shift to allow us to have an EMT in the station Sunday nights through Thursday nights. We continue to need more volunteers to assist with weeknight and weekend emergency responses. If you are interested in serving your community by offering state-of-the-art pre-hospital emergency medical care, please contact the Rescue Squad at 428-7552.

As with all town departments we have done our utmost to run as efficiently as possible and eliminate any unnecessary purchases. In 2009 the Town authorized an operating budget for the Rescue Squad of \$226,875. Our financial report is as follows:

Actual Rescue Squad Expenditures:	\$198,950*	
Ambulance Capital Reserve:	25,000	
Station Repairs Capital Reserve:	<u>2,500</u>	
Total Expenditures:		\$226,450
Billing Receipts:	\$142,712	
Accounts Receivable:	41,696	
Paramedic Intercept & Other Revenue:	<u>17,813</u>	
Total Revenue:		<u>\$202,221</u>
<b>Total Net Operating Cost (NOC):</b>		<b>\$ 24,229**</b>
<p>* \$27,925 under budget  ** 64,015 less than 2008.</p>		

Currently, the Henniker Rescue Squad has 5 First Responders, 12 EMT-Basics, 5 EMT-Intermediates, and 3 Paramedics. This level of staffing has required over 6,000 hours of Nationally Certified Licensure Training. Once licensed, our responders must attend additional training hours to maintain certifications and to stay current with the latest technology in emergency medicine. Annually the squad attends nearly 1,000 hours of continuing education.

---

---

## Rescue Department (continued)

---

---

Although the Town of Henniker reimburses for the tuition cost of licensure classes up to the EMT-Intermediate level and the cost of all the required continuing education hours, the responders are not paid for their time to attend these classes. In essence the members of the squad donate over \$12,000 in training time to the Town of Henniker.

We would like to thank the residents of Henniker for all of your continued support throughout the year. Your donations and vocal support of us makes the call to duty that much easier. In 2009 "The Friends of Henniker Rescue Squad" put over \$5,000 worth of donations to good use in the purchase of updated equipment that we otherwise would have to put off or not purchase at all. Much of this money comes from the generosity of the residents in memoriam of love ones or through individual fund raising events. We thank you very much.

It is important to point out the benefit that the Town has in the longevity of the members of the Squad. At the conclusion of 2009, the Henniker Rescue Squad had contributed a combined 140 years of service to the Town of Henniker. I would like to personally thank the members for all of their dedication and for all the hours that they donate.

We would like to extend our appreciation to Lieutenant Carl "Rocky" Bostrom whom retired in August 2009. Rocky gave over 20 years of dedicated service to the Rescue Squad. Although he has officially retired from the Rescue Squad, his continued involvement with the Fire Department will allow us to tap his years of experience for hopefully many more years to come. Thank you Rocky.

At the conclusion of 2009 the Rescue Squad Roster included:

Tom French, Chief (15)	Steve Meade, Deputy Chief (6)
Greg Aucoin, Lt. Training Officer (3)	Keith DeMoura, Lt. Clerk (7)
Kate Aucoin (2)	Adam Burritt (1)
Mick Costello (11)	Jacob Dodge (1)
Ray Eaton (7)	Jason Fellows (8)
Varyl (Woodie) French (24)	Rachael Frost (1)
Lee Gaudette (1)	Trevor Greene (1)
Lexi Harmon (4)	Justin Hart (1)
Ryan Hornblower (1)	KT Kielwein (2)
Martin Lamoureux (14)	Mike McManus (2)
Robert Reusch (1)	Raelyn Viti (1)
Cathy Whalen (26)	

\* () Years of service to the Henniker Rescue Squad

Respectfully submitted,  
Thomas French, Chief

# Cogswell Spring Water Works

2009 was a very busy year for the water department. We accomplished several large projects. The first was the installation of two chemical storage tanks. This eliminated the handling of drums of chemicals. We found a leak in the water main that runs from Bridge Street to Connor Dorm by way of underneath East Dorm so we had to replace 240 feet of water main to go around the building instead of under it. Next we had to replace several failed gate valves in the ten-inch water main that ran from the bottom of Depot Hill Road to the Storage Tank that is up on Depot Hill. This involved shutting the tank down and draining it, replacing four ten-inch gate valves, three six inch gate valves and sixty feet of pipe. While the tank was drained we cleaned and inspected it. We cleaned the

inside, checked for leaks. The inspection was done by Natgun Corporation, a company that specializes in the building and repair of concrete tanks. It was decided to remove any trees and brush on top of the tank as well as the slopes, dig down on the outside of the tank and install a perimeter drain. When we were done we reseeded the disturbed areas (see picture above). The tank is sixty feet long by sixty feet wide by fourteen feet deep and is completely earth covered. It was built around 1914. The next step is to raise the funds to seal the inside. We also responded to three large diameter water main breaks as well as eleven shut downs in service lines for homeowner repairs. My thanks to Connor Backhoe Services, Connor Transport, Henniker Directional Drilling, and Three Season Landscaping.

Respectfully Submitted By  
Norman R. Bumford, Superintendent

# Henniker Wastewater Treatment Plant

---

---

In 2009 the Henniker Wastewater Treatment Plant processed 75 million gallons of wastewater and 132,000 gallons of septage, which produced 254 tons of biosolids. The biosolids were shipped to the Merrimack, NH Composting Facility for further treatment and ultimate disposal.

In late April our contractor completed the installation of our new clarifier drive and rake arm mechanism in clarifier #1. Clarifier #2 was completed in late May. This equipment replaced original plant equipment that had been in operation for 33 years. During the summer we raised several manhole frames and covers to grade on Bridge and Main Street.

In June, Mary Dowse retired from her position as Chief Operator after 20 plus years of dedicated service to the Town of Henniker. Thank you Mary for all of the contributions you made to the successful operation of this facility. You will be missed.

Kurt Robichaud filled the vacant Chief Operators position. Kurt is a licensed grade 2-wastewater treatment plant operator that came to us with several years of wastewater treatment experience, most recently with the towns of Jaffrey and Greenville, New Hampshire. Good luck Kurt and welcome to the team.

Many thanks to the residents of Henniker for their support and commitment to protecting the environment.

Respectfully submitted:  
Ken Levesque, Wastewater Superintendent

## Parks & Properties Department

---

In 2009 we maintained our 11 acres by mowing as needed and leaf removal. We trimmed trees of the dead limbs for safety reasons. We also removed the old material and replaced the safety cover for the ball field fence with new safer material.

Some benches in the soccer fields were replaced and we removed and replaced some of the broken plaster on one of the Grange walls and repainted the repairs.

We also replaced the thermostat covers in several buildings with tamper proof covers due to the heat being set at very unreasonable temperatures, which was getting costly. We also completed the annual removal and replacement of the air conditioners at Town Hall and the front screen doors at the Tucker Free Library

We performed our usual winter maintenance on most town building steps and walkways. We also painted parking lot space lines.

I have returned \$9,329.73 in unspent appropriations, and to simplify the budgeting process in the future, I have combined both the Transfer and Parks Departments into one budget. There will no longer be a separate department for Parks.

Respectively Submitted,  
Robert Pennock  
Superintendent

TOP: Marc Boisvert and Pete Fernandes repairing and replacing park benches at the Old Concord Road Soccer Fields. BOTTOM: Selectman Ron Taylor and Assistant Superintendent Pete Fernandes install a new historical marker at Community Park on Main Street.

---

# Highway Department

---

2009 was a productive year for the Highway Department. We completely rebuilt 6,000' of Craney Hill Road that included tree and stump removal, new drainage, ditching, gravel, installing geotextile fabric, and 1,200' of 6"-underdrain topped with 3" of pavement. Also, one mile of Craney Hill Road was shimmed and overlaid.

We crushed 5,000 yards of gravel and screened 3,000 yards of winter sand. We cut and chipped brush damaged from the ice storm.

The shop was busy doing preventive and routine maintenance, rust repairs, sandblasting and painting truck bodies and plows.

There were no personnel changes for the year. The Highway Department's Assistant Superintendent Scott Davison reached a milestone in completing the Senior Level (Step 3 out of 4) in the University of New Hampshire's T<sup>2</sup> Program. Our Heavy Equipment Operator Tom Weston and our Mechanic Brian Weikel both reached the first level in the same program. This program is promoted by both federal and state highways.

As of now we are well into the winter season that, to this point, appears to be a normal pattern. Once again I would like to thank the residents of Henniker for their ongoing support.

John Margeson  
Superintendent / Road Agent

## Transfer Station/Recycling Center

---

We had a safe and productive year. I was able to return to the Town \$73,212.70 in unspent appropriations, mostly due to the sagging economy resulting in less trash and building debris being delivered to this facility.

We started two new recycling programs this fall. We added used cooking oil to the recycling program, collecting and selling 100 gallons so far to be recycled. This will help cut down on maintenance at the sewer treatment plant and in private septic systems. In addition we have added #3 thru #7 to #1 and #2 plastics that we already recycled. This also includes the plastic grocery shopping bags. Please ask an attendant for more information on our recycling programs or call 428-7604. Please leave a message and your call will be returned as soon as possible.

One of the reasons for so much trash is being sent to the incinerator instead of recycling. This metal frame will not burn and is not recyclable at the incinerator.

In 2009 there were 2,648.26 tons of trash delivered to the co-op under the Town of Henniker's name, at a total cost including transportation of \$164,395, of this only 999.87 tons actually flowed thru the Transfer Station. These 999.87 tons amounted to only 37.7% of the total trash delivered. The actual cost to the town after receiving monies from the private haulers is \$65,258 including transportation costs. The total unexpended 2009 budget monies returned to the Town and monies from grants, haulers, fees and recycling was \$201,782 or 32.4% of the 2009 budget request.

Our recycling percentage for the total amount of trash is only 16.85% but if you go by what trash actually comes to the recycling center, it is 34.95%. I would say that for a volunteer recycling program the town does a pretty good job and should be proud. With the large increase cost per ton for year 2010, more recycling would certainly help to keep the disposal cost down.

The rate per ton for trash disposal in 2010 has gone up from \$45.50 to \$62.10, which results in over a \$40,000 increase and that is the major increase for this year's budget.

We delivered 264 tons of building debris in 25 containers to be land filled at a cost of \$24,576.50. Again due to the economy we handled less material. I have secured a contract with Empire Inc of Billerica Mass. through our bid system for the next two years at a reasonable cost. A two-year contract will help when doing next years budget.

I have also combined the Parks Department with the Transfer Station Budget therefore doing away with some duplicate items. It has resulted in a budget savings of about \$27,000.

Respectively Submitted,  
Robert Pennock  
Superintendent

# Transfer Station/Recycling Center (continued)

## 2009 Recycling Results

<i>Items</i>	<i>Weight (tons)</i>	<i>Monies Received</i>	<i>Avoided Cost</i>

## Solid Waste Disposal Committee

---

---

The Henniker Solid Waste Disposal Committee was created in May 2008 by the Board of Selectmen to investigate and report on the options available to the Town for the disposal of its solid waste, including recyclables.

The purpose of the Committee is not to develop policy, but to provide the data and information that the Selectmen need to evaluate the alternative methods of solid waste disposal and recycling expected to be available to the town in the years ahead. The Committee is expected to disband after producing and delivering a report to the Selectmen.

The nine members of the Committee have been busy the past year and one-half. There have been thirty scheduled meetings through the end of 2009, and Committee members have made several dozen visits to solid waste disposal incinerators, landfills and recycling facilities, to learn more about the business of solid waste disposal. Committee members have visited the transfer stations of all of our immediate neighbors, and have traveled to Lee, New Boston, Peterborough and Plymouth to visit transfer stations which have been reported as being particularly well run. They surveyed about forty of the Town's businesses, to get an appreciation of the specific needs businesses have for solid waste disposal, and the potential for increased recycling. They also attended many meetings where solid waste disposal issues were being discussed, including meetings held in neighboring towns.

The result of the Committee's activities is a report to the Town that is nearly complete and expected to be presented to the Board of Selectmen before Town Meeting in March 2010. It will be made available to the public after it is presented to the Board. Residents and business owners and managers are encouraged to read it when it becomes available, and to discuss and consider the pros and cons of the various options available to the Town. The report could lead to changes in the way solid waste is handled in the Town.

Respectfully submitted:

John V. Kjellman  
Chairman

---

---

## Recycling Committee

---

---

The Henniker Recycling Committee had a quiet 2009, deciding to cease meeting for most of the year as the Solid Waste Disposal Committee conducted its work and to await its report before moving forward. Member Joan O'Connor conducted the compost bin sale in Spring, as part of the state-wide program to increase composting of kitchen food scraps and yard waste and remove this heavy material from the trash taken to the incinerator. Thank you Joan for your continued effort on this initiative. I encourage all of you who can to look into composting as an easy way to reduce your household trash and create material for use in your gardens and potted plants.

The committee expects to start meeting again in 2010 and anyone with interest in joining the committee should contact Town Hall for more information. Thank you to everyone who has worked to reduce their waste and increase their recycling in the past year.

Respectfully Submitted,  
The Henniker Recycling Committee

---

---

## Welfare Department

---

---

In 2009 the local welfare budget was within the allotment budgeted by the Town of Henniker. Once again the assistance needed for local residences included housing, electric, heating fuel, medications and food. With the economic climate of the country and the unemployment rate soaring, keeping the allocated budget in check was a challenging task. But with local, state and federal agencies, we were able to meet the needs of those facing financial hardship.

This year in 2010, the financial climate continues to be a challenge. I foresee the same financial crisis of housing, heat, electrical, food, and medication to be the needs of the residents of Henniker. Again, we will assist those in crisis and empower them to seek other agencies to meet their needs.

Brenda J. Slongwhite  
Welfare Director

---

---

## Town Clerk / Tax Collector Department

---

---

The last decade has seen many changes in the Town Clerk/Tax Collector's office. We have gone on-line with the State of New Hampshire to process automobile and boat registrations, which allows us to offer more services to our residents. In 2005 the main floor of the Town Hall was renovated giving us much needed space. With our additional space, we extended our office hours and also added one additional part-time staff member, which enabled us to serve the growing population more efficiently and in a timelier manner, making waiting in long lines a thing of the past. We once had to type marriage licenses, now we are on-line with Vital Records, which allows us more access to birth, marriage and death records to issue to our residents.

**Service with a smile.** Pictured left to right are the staff members of the Town Clerk / Tax Collector's office: Helga Winn (Assistant), Deborah Aucoin (Deputy) and Kimberly Johnson (Town Clerk/Tax Collector).

The office was very busy during the year of 2009. Even though our revenue was down a little, on the

Town Clerk side, we still processed close to 6000 motor vehicle transactions, 350 boat registrations, 20 marriage licenses/civil unions and licensed 700 dogs. Of course, we were also kept busy with tax and utility payments.

Remember that when you get your boat renewal letters from the State of NH, you may bring them to our office to process. The town does receive part of the fees paid when completing the process in our office, so please consider registering your boat with us.

PLEASE remember that all dogs over four months of age that reside in Henniker MUST be licensed by April 30 every year. Rabies and neutering/spaying certificates (if applicable) are required for registration/renewal. Civil forfeiture for not obtaining a dog license is a fine of \$25.00 (RSA 466:13). We begin to issue new dog licenses in February. Look for us at the annual Rotary Rabies clinic in April at the fire station.

Helga, Debbie and I have enjoyed our interactions with you in 2009, and look forward to continuing our wonderful relationships with the residents of the Town of Henniker in the coming year.

Respectfully submitted,  
Kimberly I. Johnson  
Town Clerk/Tax Collector

---

# Tucker Free Library

---

---

The Henniker community should be congratulated for supporting some form of a public library in town since 1889. Once housed in a rented room, our predecessors had the foresight to realize the importance of a library for this community. In 1903 the participants of the Town Meeting voted to accept the gift of a library from George Tucker and, subsequently, the land purchased by Henry A. Emerson. Our leaders recognized that this gift was the embodiment of the principles and values that a library afforded a community. This gift was hailed as "a monument, landmark, and record of freedom of thought." (Program for the dedication ceremony of the Tucker Free Library).

The gift of George Tucker totaled \$49,000. Of that \$16,811 (34%) was used to build the library. Today, the remaining \$32,189 (1905 amount) has a value of \$253,935 and provides 32% of the trust fund revenue generated by the Town Trust Funds for the Tucker Free Library. A study of Town Reports indicates that the Tucker Free Library has received, as interest from our trust funds, a total of \$992,152.18 since 1903. That is money that the library did not have to ask the town to supply through annual appropriations.

In 2009, the trustees received notification that the Tucker Free Library was one of three beneficiaries of the estate of Ann Soderstrom. The portion of the estate that the library was to receive was \$189,114. If it was decided to use the Ann Soderstrom money in a similar fashion to the George Tucker donation; 34% on building renovations and the remainder put into a trust fund, in 100 years this fund could be worth \$6,303,825. It has been suggested that we use some of the Ann Soderstrom money to bridge the budget gap in 2010. If we did the future value of the fund would drop to \$5,677,766. If all the money were put into a trust fund then the future value could be as high as \$9,551,192. If we are forced to bridge the budget gap with this money then the value is reduced \$626,059 to \$8,925,133.

This year we must ask the Henniker community to show their support for the Tucker Free Library. We need your help. Our budget was cut by \$16,080 for this fiscal year. We anticipate that we can bridge the gap with additional revenue generated by our trust funds but we still have a deficit of \$12,396 (\$8,367 increase in operation expenses and a \$3,020 decrease in revenue).

## WHAT DOES THIS BUDGET CRISIS MEAN TO THE TUCKER FREE LIBRARY AND THEREFORE THE HENNIKER COMMUNITY?

- Hours reduced.
- Book budget reduced.
- Magazine budget reduced.
- Building maintenance/repairs reduced.
- Reduced utility costs through reduction of hours.
- Programming reduced.
- No computer equipment purchased or repaired.
- Personnel expenses cut.

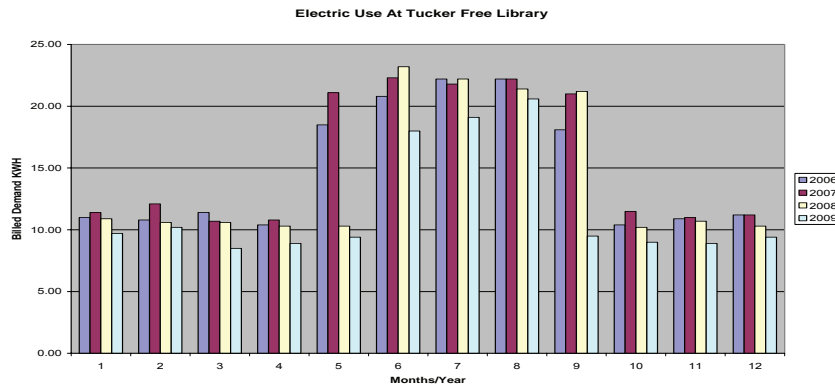

For 105 years the trustees of the Tucker Free Library have guided the direction of growth of the Tucker Free Library. They have been deliberate stewards of an architecturally outstanding building in this town. They have, through their collective wisdom, provided this community with a cultural and educational resource that promotes that "knowledge and learning... are essential to the preservation of a free government." (RSA 202-A:1).

The Board of Trustees has been fiscally considerate when making appropriation requests from the Town of Henniker. Old town reports indicate that the library trustees have a long history of fiscal conservatism; making do, stretching every dollar, and trying to make the best decisions possible -- always with an eye on the taxpayers.

- The Board of Trustees has gone through the budget process with every other town department and acted responsibly when asked to make fair and proportionate cuts.
- At Town Meeting last year, the TFL Board reduced our appropriation request by \$5,454. It was also decided that we would forgo a vote on our expendable building maintenance trust fund, which saved the taxpayers an additional \$5,000. These were hard decisions, but like everyone else, the Tucker Free Library tightened its belt and made cuts.

# Tucker Free Library (continued)

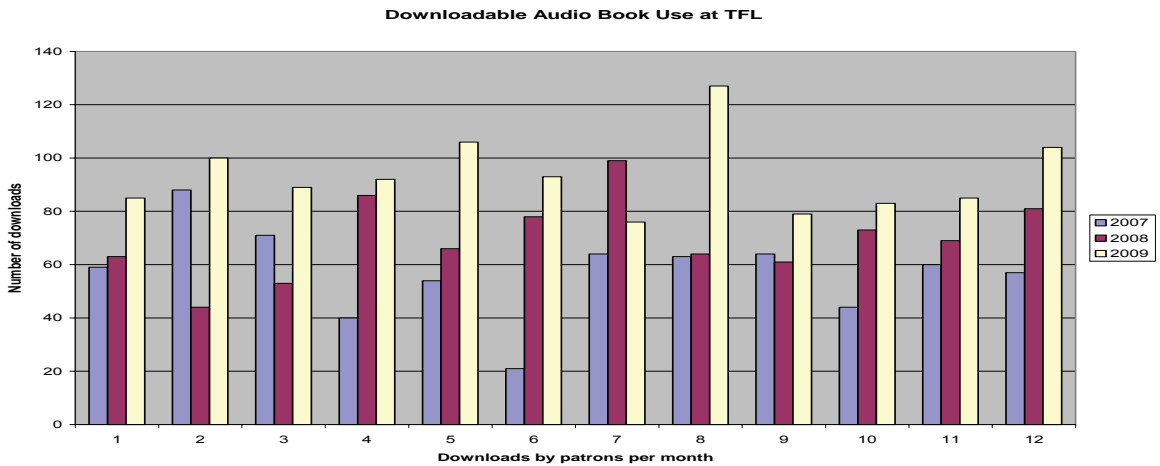

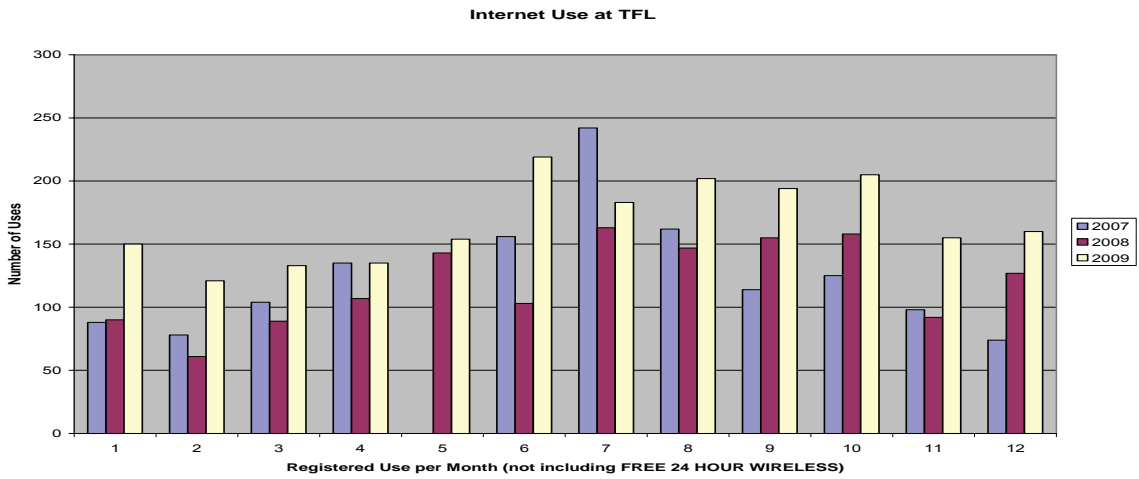

- One of the most commonly asked questions of 2009 was "Why aren't you planting shrubs and flowers in front of the library?" In light of the economic hardships that many members of our community faced, the Board of Trustees decided to address only the safety and building maintenance concerns posed by the front of our building. While all felt the cosmetic enhancement of a garden would be nice, they concurred that it was fiscally irresponsible to use tax dollars to make such cosmetic improvements. A fund was set up and so far \$500 has been donated to purchase plants for a garden area.
- The trustees also agreed that painting the exterior of the library and new carpeting should be delayed until the economy improved. They felt that since many members of our community were putting off their own home improvements, the library should do so as well.
- Fiscal responsibility also translates to the careful and deliberate utilization of heating and air conditioning equipment. The programmable thermostats at the Tucker Free Library are password protected. They are set at 67 degrees during the chilly fall and spring months while the library is open. Recognizing that some patrons may be coming to the library for warmth, the thermostats are set at 69 degrees during hours of operation in the harsh cold months of winter.
- During the summer, staff members open windows early in the morning and use box fans to draw in the cool air. Since humidity is the enemy of our library collection, it is only during the extremely humid weather that the air conditioner is actually employed.

In 1905 Henniker residents came to the Tucker Free Library to read periodicals, share knowledge, and borrow books. The Tucker Free Library of 2010 looks the same, but the service expectations of our community are so much greater and vastly more expensive. Computers, audio books, magazines, Kill-a-Watt meters and thermal heat loss detectors are just a few things that are now provided by the library. Books, DVD's, puzzles, and programs are things that people expect to find at their library. Even though the services are different, the building and what it means to this community remain the same. Not only is it a place that people come for educational purposes, it is a place that people turn to for essential services that they can no longer afford. Many days find people waiting to use the Internet computers at the library to look for jobs or file unemployment claims. It is a place where they seek entertainment. It is a place where they come to be warmed or cooled. It is a place where they come to feel that they are a part of this community.

In 2008 taxpayers realized a \$5.01 service value for every dollar appropriated to the library. In 2009, with increases in use in all categories of service at the Tucker Free Library, **that value has increased to \$7.06**. What does this number mean? It means that if everyone in Henniker had to go out and buy their reading materials, movies, magazines, audio books, and pay for the Internet service (including 24 hour wireless) that we provide **FOR FREE to ALL** members of the community, it would cost taxpayers **\$1,206,386.00!** (See Value Added Calculator)

## Summary of 2009

- **Staff** The Tucker Free Library advertised for and hired our first children/youth services librarian in 2009. Since starting in October, circulation in the children/youth department has increased over 15%! This has been accomplished by reaching out to various organizations in the community to increase awareness of the library and the importance of reading for the children of Henniker. A strong programming base has been designed to bring in more kids and their families. These programs include:
  - Creation of a teen blog (<http://tflteenreaders.wordpress.com/>).
  - Collaboration with the Henniker Teen Center.
  - Collaboration with White Birch, offering story times for preschool children.
  - New after school program targeting k-3<sup>rd</sup> graders.
  - Visits from Carrie, the Tail Waggin' Tutor, our resident reading therapy dog.
  - Involvement in various professional committees to learn how to better promote materials to children.
  - Collaboration with local athletic teams to promote reading. This includes our first ever incentive with the Manchester Monarchs as well as continuing to offer kids of Henniker tickets to the NH Fishercats and the Portland Seadogs.
  - Development of additional programs including our traditional summer program.
- **Board of Trustees** Jamie Ramsey was elected in 2009. Terry Simkin resigned in November 2009. Wayne Colby was appointed to replace him as vice chair. Patti Osgood, was named chair, while Jean Colby was asked to continue her duties as treasurer. Christine Putnam-Anderson and Jamie Ramsey share the duty of recording secretary.
- **Friends** The Friends of the Tucker Free Library assisted in funding several programs during the summer. They also continue to support the preschool story time.
- **Special Projects**
  - Received 4 Kill-a-Watt meters through a grant from PSNH.
  - Added two Thermal Heat Loss Detectors through a community service gift from Ayer & Goss.
  - Received a grant through the Kids, Art, and Books program to supplement our summer reading entertainment budget.
- **Computers/Internet**
  - Installed a second Internet line for added system security.
  - Installed a second file server. This enables us to segregate our public access computers from our administrative computers to build our infrastructure beyond current capacity.
  - Installed nComputers and added additional public access Internet computers.
  - Utilized a special nonprofit organization to purchase software at a greatly reduced cost. Through this organization we were able to purchase \$4,319 worth of software necessary to run our entire computer system for \$180.
- **Building Improvements -- Completed**
  - Outlets added along south windows of Main Floor to allow for fans to be used in windows. Cost: \$855.67.
  - Outlets added on the Main Floor to accommodate additional Internet computers. Cost: \$433.10.
  - Fourteen discolored light covers on the Main Floor were replaced to realize the maximum benefit of the 2008 lighting retrofit. Cost: \$639.50.
  - Deteriorated planters on front landing removed. Overgrown shrubs removed. New drip line installed. Mulch islands installed. Cost: \$890.
- **Building Improvements -- Outstanding**
  - Exterior trim and windows need to be painted. 2008 Quote 1: \$7,500; Quote 2: \$11,487. This improvement will become more expensive in April 2010 if lead paint is found on the exterior. New federal regulations will add significantly to the labor and associated costs of this project.
  - South windows on Main Floor need to be refurbished. These windows have become a safety hazard as the ropes disintegrate. 2009 Quote: \$2,980.
  - Carpeting on Main Floor and lower level needs to be replaced.
  - Locks installed in areas not easily monitored by library personnel. Quote: \$4,790.
  - Panic strobe and audible signal installed between floors. Quote: \$1,475.
  - Enhanced video surveillance in the building to cover understaffed/secluded areas. Quote: \$11,468

# Tucker Free Library (continued)

- **Donations & Trust Funds**

- On October 6, 2009 the Board of Trustees held a Public Hearing to accept a \$5000 donation from the estate of Helen Cammett. The Tucker Free Library was named beneficiary of her life insurance policy. Helen was a children's librarian working for the city of Lynn, MA. She died February 18, 2009.
- On October 6, 2009 the Board of Trustees held a Public Hearing to accept a donation from the estate of Ann S. Soderstrom in the amount of \$189,114.81. The Tucker Free Library was named as a beneficiary in her last will and testament. Ann was a long time patron of TFL; most recently she was a home delivery client. She died August 11, 2008.
- Additional donations were also received from:

• Mary Jo Faulkner for Hazel Gilbert	
• Arthur & Sally Kendrick for Hazel Gilbert	
• Fred & Carol Brunnhoelzl for Hazel Gilbert	
• Rodney & Carolyn Patenaude for Hazel Gilbert	
• Karla Meyette for Hazel Gilbert	
• Steve & Linda Connor for Hazel Gilbert	
• David & Kathy Dunlap for Hazel Gilbert	
• Davis & Towle for Hazel Gilbert	
• Katherine & Stuart Patenaude for Hazel Gilbert	
• Helen Connor for Hazel Gilbert	
• Jennifer Connor for Hazel Gilbert	
• Pat St. Laurence for Hazel Gilbert	
• Pat St. Laurence for Charlotte Brunnhoelzl	
• Katherine & Stuart Patenaude for Charlotte Brunnhoelzl	
• White Mt Capital Matching for Hazel Gilbert	
• Henniker Rotary for Walter K. Robinson Fund	
• Clarence & Lois Fitch for Robert Fitch Fund	
• Alicia MacLeay for Mary F. Kjellman Fund	
• Patte Silva Bowser In honor of Isabel Bowser	
• Amy Patenaude	
• Scott & Carolyn Turner for General Fund	
• B.J. Entwisle for Vivian Allen	
• William & Myra Hood for Vivian Allen	
• Eva Holbriiter for Vivian Allen	
• Bonnie's Book Group for Vivian Allen	
• Mark & Lynnea Koester for General Fund	
• Dr. & Mrs. David Coletti for Vivian Allen	
• Rebecca Weber for Vivian Allen	
• Bonita & David Conway for Vivian Allen	
• Linda C. Correll for Vivian Allen	
• Anne Sayce for General Fund	
• Jan Warburton for Vivian Allen	
• Henniker Rotary for Team "O" Chili Win	
• Ayer & Goss for Thermal Heat Loss Detectors	
• Rebecca & Peter Josephson for General Fund	
• Martha Nemiccolo for Mary F. Kjellman	
• Becky Holmes for Francis O. Holmes	
• Carolyn & Rodney Patenaude for Robert Fitch	
• Judith Englander for General Fund	

# Tucker Free Library (continued)

Proceeds from long established funds continue to greatly benefit the operation of the library and also allow the purchase of equipment, books, and other media in specific categories. These funds include: Marjorie B. Bennett Fund, Scott J. Berry Fund, Anna L. Childs Fund, D&W and E.L. Cogswell Fund, L.A. Cogswell Fund, Willis Cogswell Fund, Alice Colby Fund, James W. Doon Fund, Robert N. Fitch Fund, Francis O. Holmes Fund, A.D. Huntoon Fund, Mary F. Kjellman Fund, Henry Preston Fund, and the George W. Tucker Fund.

Submitted on behalf of the Trustees of the Tucker Free Library by Lynn M. Piotrowicz, Director

# Building Inspector / Code Enforcement Officer Report

It has been an enjoyable experience to have the opportunity to work with the residents of Henniker, and all the building professionals in the community, to create a safe and healthy environment. Thank you for your cooperation and guidance throughout the year. I am looking forward to 2010 to be one of education and safety for all residents and construction professionals.

Respectfully submitted,  
 Romeo Dubreuil  
 Building Inspector / Code Enforcement Officer

## Assessing Technician Report

---

---

This past year, the assessing department began the task of preparing for the 2010 US Census. As the liaison, this office was charged with making numerous changes to the Census Bureau's list of streets and roads, and providing them with all the E911 address changes we made in town. Maps provided by the Census Bureau had to be up-dated as well, to be sure all street names were correct.

**Remember, it is important to participate in the 2010 Census.**

The information you provide will help in obtaining federal funding, give the schools accurate head counts of what to expect for student population in the coming years, determine how many representatives we can have in Congress, and an accurate count of residents in Henniker.

The assessing office has also been preparing for the 2010 revaluation. The state requires all towns to up-date values every 5 years. This is our year. It is hard to imagine that it's been 5 years since the last revaluation! The revaluation process will begin around April 1<sup>st</sup>, 2010 and will be completed in early fall.

If you have any questions regarding your current assessment, exemptions, veteran's credits, Intents to Cut, Excavation Permits, current use or just want to chat, we are open Monday - Friday 8:00 am to 4:30 pm. Or call 428-3221 X 2.

Respectfully submitted,  
Cynthia Marsland  
Assessing Technician

## Land Use Coordinator Report

---

---

We booked the Henniker Community Center for no less than 103 days during the year 2009. Many events took place at this public building, including private parties, business presentations, public meetings, exercise classes and special events put on by the Community Center Activities Committee. In 2009 the Selectmen also instituted a rental policy and process for folks who want to use the Angela Robinson Bandstand and Community Park. We also continued into our 2nd year of leasing the town-leased athletic fields to private sport organizations.

We continue to publish the Outlook on a quarterly basis, mailing this important piece of communication to every postal patron in the town of Henniker. In 2009, we expanded from six to eight pages to accommodate the number of community and town submissions. Thank you to the seniors at White Birch Community Center for organizing the mailing each quarter.

In 2009 we instituted new applications for residential and commercial building permits, clarifying that the State's building code is now in affect in all towns and cities. The most recently adopted version of the State codes are available at Town Hall for research purposes. We coordinated 71 building inspections in 2009 (not included those conducted by the Fire Department), and processed 108 various permits.

We welcomed two new part-time staff members, one part-time consultant, and two work-study students. Valerie Simeone, Office Assistant, has been a welcome addition to help alleviate the workload of the dual offices of both Selectmen and Land Use (in addition to her other part-time role as Assistant to the Director of Finance). Romeo Dubreuil came on board as our new Building Inspector and Code Enforcement Office. Mark Fougere became the town's new Planning Consultant in 2009, and brings extensive knowledge and experience to the Planning and Zoning Boards. In addition, we were very grateful for the help of two work-study students from New England College: sophomores Kenscia Michell and Sam Topliffe. They were instrumental in helping with a long-term archiving project, putting into order all past zoning, planning and building applications so they could be more readily accessible as public records.

As always, please do not hesitate to contact us anytime we can be of assistance, as we are here in service to you, the residents of Henniker.

Respectfully submitted,  
Nicole Gage, Land Use Coordinator / Executive Secretary

# Zoning Board of Adjustment

---

---

The Zoning Board received 10 applications for public hearing during calendar year 2009. During those public hearings audience questions suggest some confusion by the public as to the role of the Zoning Board when acting upon a variance/special exception application. Zoning Boards exist to grant relief from town ordinances if an applicant can demonstrate that he/she is entitled to such relief based upon the circumstances applicable to their particular use of a property.

When deciding whether to grant variance relief from an existing town ordinance the Board applies criteria provided by the Legislature. Effective January 1, 2010 anyone seeking an area or use variance must demonstrate special conditions with respect to their property that distinguish it from other properties in the area, evidence that because of said conditions, no fair and substantial relationship exists between the general public purpose of the ordinance and specific application of that provision to their property to demonstrate a hardship. The applicant must also demonstrate that the requested relief will not be contrary to the public interest, that the spirit of the ordinance will be observed if relief is granted, that granting the relief will result in substantial justice and that the value of surrounding properties will not be diminished if relief is granted.

A special exception is applicable when the town ordinances expressly allow a particular use subject to Zoning Board approval. To obtain a special exception the Board applies criteria provided by the Legislature as well. A special exception may be granted when the applicant presents evidence that the specific site is appropriate for the requested use/structure; it will be compatible with neighboring land uses, it will not create undue traffic congestion or unduly impair pedestrian safety, it will be in the public interest, it will not create hazards to the health, safety or general welfare of the public, nor be detrimental to the use of or out of character with the adjacent neighborhood and will not constitute a nuisance because of offensive noise, vibrations, smoke, dust, odor, heat glare or unsightliness.

In 2009 the Board determined that four of the five-variance applications submitted met the legislative determined criteria and one did not. The Board determined that three of the four applications for special exceptions met the required criteria for relief and thus granted four variances and three special exceptions. The Board also received one motion for rehearing, which it denied.

During calendar year 2009, the Zoning Board saw the departure of longtime Planning Consultant Laura Scott, and the arrival of Mark Fougere. The volunteer board is very appreciative of the high degree of skill provided to us by both Planning Consultants.

Doreen Connor,  
Chairman

2009 Zoning Board (from left to right). Back row: Jennifer Astholz (Recording Secretary); Roni Hardy (Alternate); Bob Stamps, Bruce Trivellini (Alternate), Jeff Connor. Front row: Doreen Connor (Chair), Gigi Laberge. Not pictured: Joan Oliveira.

---

---

## Planning Board

---

---

ABOVE: Henniker 2009 Planning Board. TOP ROW (left to right): Leon Parker, Selectmen's Representative Alternate; Kellie Dyjak; Richard R. Patenaude; Jeffrey Roach; and Thomas Howard, Alternate. BOTTOM ROW: Mark Fougere, Town Planning Consultant; Ronald Taylor, Selectmen Representative; Kristin Claire, Chairman; and Terry Stamps, Budget Director (not pictured, Scott Osgood).

I would first like to thank my fellow Board members for contributing their valuable time and energy to our community. Without their support and dedication, my job would be truly difficult and challenging.

The Board addressed 11 cases this year. Three cases involved minor subdivisions; five were site plans and three involved conceptual consultations. In addition, the Board took on the task of updating the Town's Earth Removal Regulations. After significant discussion and controversy, the Board decided to hold off on any changes to the regulations and concentrated on ensuring existing operations are adhering to current standards.

The Board welcomed a number of new faces in 2009. Rick Patenaude was elected as a new Board member and Tom Howard was appointed an alternate member. In addition, after many years as Henniker's Planning Consultant, Laura Scott resigned her position to move on to a full time position in another town. Her hard work and dedication to Henniker was most appreciated. In April, Mark Fougere was hired as the Town's new Planning Consultant. Mark has brought with him many years of planning and consulting experience and we are fortunate to have him. Also, it has been announced that Scott Osgood has decided not to run for office. Scott has been a long term member of the Planning Board and the former chair. His many years of service are deeply appreciated and his advice, thoughts and skills will be greatly missed.

Kristin Claire,  
Chairman

# Conservation Commission

---

---

The Henniker Conservation Commission consists of seven volunteer members appointed by the Selectmen to 3 year terms. The Commission was established to provide "for the proper utilization and protection of the natural resources and for the protection of watershed resources of town." (NH RSA 36-A). The Commission is the only local board specifically charged to protect the natural resources of the town.

The following is a list of projects undertaken and accomplishments achieved in 2009 by the Conservation Commission in endeavoring to carry its responsibilities to the community:

This is the 10th year we have monitored the water quality of the Town's lakes and ponds. This year's results show that Pleasant Pond continues to have high quality water and there is no indication that the water quality of the other water bodies has degraded further. French Pond experiences a cyanobacteria bloom for the 4<sup>th</sup> consecutive summer resulting in posting of state public health advisories. We continue to work in conjunction with the French Pond Watershed Association to address this issue.

On May 30, we were joined by members of the Five Rivers Conservation Trust to dedicate the Chase Brook Conservation Area. This is a unique 61 acre property at the corner of Flanders Road and Craney Hill bisected by Chase brook and easily accessed by existing trails.

We were also able to play an important role in helping to secure conservation easements on three other properties totaling 542 acres:

- ◆ a wooded 329 acre parcel off of Rush Road with long sections of Amey and Brown Brooks and a state designated snow mobile trail;
- ◆ a 107 acre parcel of farmland and forest that lies between French Pond Road and Dodge Hill Road; and
- ◆ a 106 acre forest and wetland parcel that adds to an existing 170 acre conservation area off of Freeman-Colby Road (completion of this easement is expected in 2010).

Henniker now has approximately 14% of its land area conserved. About half of this area is the Army Corps of Engineers' Hopkinton – Everett Flood Control Reservoir. How does Henniker compare to some nearby towns when it comes to permanently protected land?

Concord	19%	Greenfield	18%	New London	16%
Deering	24%	Hancock	37%	Peterborough	23%
Dunbarton	26%	<b>Henniker</b>	<b>14%</b>	Stoddard	58%
Francestown	16%	Hillsborough	18%	Sunapee	12%
Goffstown	10%	New Boston	16%	Weare	16%

Over the course of the year we were happy to work with staff and students from John Stark Regional High School to evaluate the natural resources on 3 town-owned lots. Seventeen juniors and seniors from the Environmental Science class and 110 sophomores made multiple trips to these lots during the fall semester. They conducted formal surveys of trees, amphibians, and mammals and collected informal data on the hydrology of each site. This culminated in an informative presentation by the students at our February 3, 2010 meeting.

We conducted our third annual Contoocook River Cleanups in collaboration with the New England College student club, the Environmental Action Committee. To date we have removed 70 tires and hundreds of pounds of other trash and debris

There were a variety of site visits related to wetland permit applications, forestry cuts with the potential for wetlands impacts, planning board applications, and water quality concerns.

---

---

## Conservation Commission (continued)

---

---

Our subcommittees have continued their work. The Open Space Subcommittee hosted informational meetings with landowners and the Society for the Protection of NH Forests on the value and benefits of land conservation and is in the process of drafting an Open Space Plan for the town. The Water Resources Subcommittee is reviewing and updating the Town's Water Resources Management Plan and planning for 2010 outreach activities.

Projects planned for 2010 include public presentations about the Mink Hills, the results of 10 years of water quality monitoring of Henniker ponds and lakes, the serious threat of the Asian Long-horned Beetle, and White-Nose Syndrome in bats.

ABOVE: Opening day of the new Chase Brook trail. Pictured from left to right are Chuck Knox (Five Rivers Conservation Trust), Martha Sunderland (Conservation Commission), Mark Mitch (Conservation Commission), Holly Green (Conservation Commission), Jed Dubreuil, Bob French (Henniker Trail Travelers), Gail Hayden, and Scott Osgood (Planning Board).

**We welcome your participation and invite you to attend any of our meetings – we meet at the Grange at 7 p.m. on the 1<sup>st</sup> and 3<sup>rd</sup> Wednesday of every month. Please consider volunteering – we currently have opening for alternate members.**

---

---

## Central N.H. Regional Planning Commission

---

---

Established in accordance with state law, the Central New Hampshire Regional Planning Commission (CNHRPC) is a voluntary association of 20 communities in Merrimack and Hillsborough Counties. The Town of Henniker is a member in good standing of the Commission. Henniker's representatives on the Commission are James McElroy and Scott Osgood.

The Commission's mission is to comply with State statute by preparing and adopting regional plans and a regional housing needs assessment and by evaluating developments of regional impact, to provide data, information, training, and high-quality, cost-effective services to our member communities, to advocate for our member communities and assist and encourage them in intermunicipal endeavors, and to coordinate our efforts with the other regional planning commissions in New Hampshire.

In 2009, the Central New Hampshire Regional Planning Commission undertook the following local and region-wide activities:

- ◆ Provided technical assistance services for member communities, including workforce housing ordinance creation, grant writing assistance, variance criteria education, reviewing the process to adopt new flood maps, and planning board process training.

---

# Central N.H. Regional Planning Commission (continued)

---

- ◆ Completed the draft Central New Hampshire 2009 Housing Needs Assessment.
- ◆ Conducted over 200 traffic counts throughout the region and analyzed accident and other NHDOT data.
- ◆ Completed the update of the 2011-2020 Regional Transportation Improvement Program (TIP) and initiated the update of the Regional Coordinated Transportation Plan. A copy of the TIP can be found at [www.cnhrpc.org/transportation/documents.html](http://www.cnhrpc.org/transportation/documents.html).
- ◆ Coordinated the activities of the CNHRPC Transportation Advisory Committee (TAC). Henniker's representative on the TAC is Scott Osgood. Key activities of the TAC included providing technical advice to the CNHRPC regarding transportation plans, programs, and projects; evaluating and ranking applications for the Transportation Enhancement (TE) and Congestion Mitigation and Air Quality (CMAQ) programs; and evaluating and ranking projects within the Regional Transportation Improvement Program (TIP).
- ◆ Provided assistance to thirteen communities with Safe Routes to School (SRTS) projects including grant writing, comprehensive travel plan preparation, and technical assistance for infrastructure projects. In 2010, the CNHRPC will continue to assist communities that have received SRTS grants and communities interested in developing new programs.
- ◆ Convened a Currier and Ives Scenic Byway Committee with representatives from Salisbury, Webster, Hopkinton, and Henniker to create a Scenic Byway Corridor Management Plan.
- ◆ Continued to acquire, update, and utilize Geographic Information Systems (GIS) data for planning, cartography, and analysis across all projects.
- ◆ Worked closely with the Contoocook and North Branch Rivers Local Advisory Committee (CNBRLAC), and the Southwest Regional Planning Commission to begin an update to the 1994 Contoocook and North Branch Rivers Management Plan.
- ◆ Provided continuing technical assistance to the Upper Merrimack River Local Advisory Committee (UMRLAC), specifically working to undertake the Upper Merrimack Buffer Protection Study.
- ◆ Continued to host and provide staff support to the alternative transportation service "PATH" - Program for Alternative Transportation and Health - which encourages and provides incentives for people to rideshare, bicycle, walk, or take transit to work. More information on PATH can be found at [www.path-nh.org](http://www.path-nh.org).

For additional information, please contact the CNHRPC staff or visit us at [www.cnhrpc.org](http://www.cnhrpc.org). CNHRPC Commission meetings are open to the public and interested citizens are encouraged to attend.

## Community Profile Steering Committee

---

---

ABOVE: A spaghetti dinner was served by Community Profile Committee members. Shown here are volunteers Gayle Crane, Jim Crane (SAU 24 Administrator) and Cheryl Morse (Selectperson). BELOW RIGHT: Members of the community joined together for a Friday night and Saturday in April 2009 to participate in the Henniker Community Profile project.

The Henniker Community Profile was held in conjunction with the UNH Cooperative Extension on April 17<sup>th</sup> & 18<sup>th</sup> 2009 at the Henniker Community School. Many townspeople came together for this two-day event to share their ideas and collaborate about the future direction for Henniker. The event began with a Spaghetti and potluck dinner, made possible by generous donations from local businesses and the tasty potluck contributions of the many participants. Jennifer Connor provided a wonderful history of the town, culminating in how history helped to shape the Henniker of today. The community members then split into small group discussions to identify strengths, challenges and visions for the future. Saturday began with breakfast and coffee and the identification of key issues that were later developed into 4 action committees for further exploration. A luncheon fundraiser was hosted by the Henniker Community School 7<sup>th</sup> Graders to raise funds for their 8<sup>th</sup> Grade trip to Washington D.C. The UNH Cooperative extension compiled the results of the entire event in a report available to all Henniker Residents and town officials. The report can be used to help guide decisions made by

town committees and the Board of Selectman so that they may reflect the wishes of the townspeople and is available at the Henniker Town Hall. The resulting 4 action committees include: Nature Tourism Action Committee, Riverwalk Action Committee, Business Association / Chamber of Commerce Action Committee and the Community Communication Action Committee. Meetings for the action committees continue with the Riverwalk Committee having obtained official designation as a town committee.

Generous donations were made by The Henniker Rotary, Country Spirit Restaurant, Idlewild North Steakhouse, Dunkin Donuts of Henniker, Morgan's Signs, and The Harvester Market. Without the generosity of these local businesses and organizations the event would not have been possible.

Additional thanks to the committee members for the year plus of time spent in planning this event: Chad Carter, Jim Crane, Louise Frank Cyr, Amanda Gilman, Lia Houk, Rebecca Warner Mancini, Cheryl Morse, Jim O'Rourke, Lori Runksmeir, Martha Sunderland and MaryEllen Schule. Special thanks for help the day of the event to Marcia Barford and Gayle Crane.

Respectfully  
submitted by:  
Amanda Gilman

# Community Center Activities Committee

---

---

The Henniker Community Center has been able to host a variety of programs and events. The Teen Center has also been improved upon and attendance has reached a record high. The Henniker Community Center committee, which is composed of dedicated volunteers, has grown in members and is always seeking individuals looking to make a difference in the community.

Some of the programs and events that have been offered or are currently being held at this time are:

- ◆ **Babysitter Connection**-this offered parents the opportunity to interview and meet potential babysitters. This event was successful for those babysitters and families who participated.
- ◆ **Diane Kordas's Romper Rhythm and Puppets Show** was offered twice this year. Attendance was minimal but those who attended enjoyed the show.
- ◆ A children's singing entertainer **Kathy Lowe** offered her talents to our community and gathered quite a crowd with her songs and interactive music.
- ◆ A **Halloween Fair** was held and received with an attendance of approximately 70 friends and families.
- ◆ **Toddler Playgroup** is offered on Tuesday mornings, this offers parents and their children an opportunity to mingle and make friends with other children.
- ◆ **Open Mic Night** was an ongoing monthly night where people shared their musical talents. It is amazing how many gifted musicians and singers are right here in our community!
- ◆ **Movie Night** has grown this past year. It is a wonderful night for families to come to the community center with refreshments or dinner and sit and watch a movie for free.
- ◆ **You Should Be Dancin** Dance class was attended by several young children. It was well received and enjoyed by all participating dancers.

The committee would like to recognize those who have helped support and assist with programs and events. Our appreciation goes to **New England College TEACH** group for assisting with events and providing activities, **White Birch Community Center** for coordinating events with the community center and **Cabin Fever Video** for the free rentals for Movie Night. All these programs and events have offered opportunities for over 175 people!

The Teen Center is growing and appears to be the place to hang out on Friday nights for 7-8<sup>th</sup> grade students.

The Mission of the Teen Center is to:

1. Provide a place of positive activities for teens in a safe and relaxing environment.
2. To Provide a place where teens can feel welcome and participate in fun and constructive activities that they help define.
3. Teens help to develop upon our program, while building friendships, skills and a sense of pride and responsibility in the Center and within the Community.

---

## Community Center Activities Committee (continued)

---

4. It is our hope to offer offsite recreation and adventure opportunities a few times throughout the year to help build upon leadership skills and self esteem.

The Teen Center is in the lower level of the Henniker Community Center, which is located at 57 Main Street. Very dedicated individuals who volunteer their time, staff this center. It is chaperoned by two volunteers per evening.

The hours of the Teen Center are:

- ◆ Friday evenings with a closed-door format from 7-9 pm for 7th-8th grade only (closed-door format refers to teens entering the center at 7 pm and remaining at the Teen Center until a parent or guardian picks them up at 9:00 pm).
- ◆ Saturday evenings from 7-10pm. This is a drop-in format that allows teens to come and go from opening at 7 pm to the closing at 10 pm. Parents or guardians should make arrangements with their teens as to when it is appropriate for them to come to the center or leave the center.

The Teen Center has seen an increase in numbers. In the 8<sup>th</sup> grade alone we have seen approximately 75% of the students from Henniker Community School attend. Parents/guardians have commented what a wonderful opportunity it gives the Teens to come and hang out with friends while being supervised.

With the upcoming New Year we are hoping to expand and grow our committee, as well as the programs and events offered at the Community Center. To learn more please visit the Henniker website ([www.henniker.org](http://www.henniker.org)) under Henniker Community Center.

Sincerely,  
Shannon Camara, Chair

## Historic District Commission

---

---

The Historic District Commission is the designated steward of the historic buildings and land in the immediate vicinity of Town Hall. This includes the Town Hall building, the Hearse House, the Town Green, the ball field, memorial trees, and historic features. The Commission members are dedicated to the preservation and restoration of these Henniker historic features.

This last year we have been working with the Historical Society towards the restoration of the historic, antique Sounding Board, which now hangs in the upstairs lobby of Town Hall. Sounding boards were originally used in 18<sup>th</sup> century Meetinghouses to hang above a speaker to project the voice to the back of the room. Henniker's Sounding Board is very rare as so few still exist in New

Hampshire. It is unusually stately, sculptural and badly in need of restoration. The many coats of paint are peeling and the wood joinery is separating. Our hope is to find grant funding for the restoration so that no town funds will be used. Once restored, it will hang in the Historical Society Museum, which has the security and environmental requirements to keep this true town treasure safe and secure.

This year we identified the memorial trees around Town Hall. A bronze plaque will be set this Spring to mark the Bicentennial Tree which was planted in 1968 from a Bound Tree oak sapling.

In the next year we will be looking into the possible restoration of the 2<sup>nd</sup> floor meeting room of Town Hall. This room was used through the 1950's for such activities as town meetings, plays, operas, musical concerts, dances, and basketball. It has not been touched for over 50 years and is still very much in its original condition. Grant funding will be pursued so that no town funding will be used.

We hope the town appreciates our efforts in restoration and preservation of the town's historic features. If you have an interest in history and historic preservation and would like to join our efforts, please let us know.

Respectfully submitted,  
Jon Evans, Chair

## Spirit of Henniker Organizational Team (S.H.O.T.)

---

---

Following the 2008 Old Home Days, a group of us that had put on this event decided that we weren't ready to stop putting on events for our town. We formed the Spirit of Henniker group and with the blessing of the Selectman, went forward in planning our first event.

In March of this year we put on our Moonlight Madness Winter Carnival. The days activities circled around the Snow Sculpture contest. Who knew that our biggest worry would be wondering if the snow would melt before the judges scored them. It was a beautiful day and following the contest, everyone gathered around a large bon fire to socialize and cook marshmallows.

For a long time our group felt that there should be a celebration after the Memorial Day Parade. Aside from a large crowd of current Henniker residents, many people come to the parade that either lived in Henniker at one time or just like our little town. Either way, we knew that if we planned things out properly we wouldn't have a shortage of participants. Gathering on the Green was a success and is something that I personally hope to have every year.

---

---

## S.H.O.T. (continued)

---

---

Our last event of the year was our Music on Main Street. We had planned to hold it on a Saturday night so that the college students could join in the fun. Unfortunately mother nature had other ideas and we were forced to hold this event the following day on Sunday afternoon. While we didn't get the large groups that we were hoping for, everyone that came out seemed to have a great time.

Next year will bring on more SHOT activities for everyone to enjoy. Our group was formed by several volunteers throughout this community. We all hold different jobs and have varied interest which works to our favor. All money that is used to pay for items such as bands, prizes, banners etc...is raised by our group. We have never used any town funds and shouldn't ever have to.

We appreciate all of your support. For information on upcoming events go to [www.spiritofhenniker.org](http://www.spiritofhenniker.org)

Respectfully,  
Terri Trier

**Current SHOT members:** Gwen Airgood, Paul Brien, Marti Capuco, Bill Christiano, Deb Connor, Caleb Dobbins, Kirsten Dobbins, Jim Eilenberger, Mary Gilbert, MaryEllen Schule

## Highway Safety Committee

---

---

The Highway Safety Committee sits in an advisory capacity to the board of selectman. It is comprised of town department heads, fire and rescue personnel, and volunteers from throughout the community. Please see the list of members located at the front of this town report.

We normally meet when the selectman are seeking advice or a recommendation on a particular project. We review a variety of issues ranging from parking concerns to speed limits to offering safety opinions on a particular roadway. Upon making a recommendation to the board of selectman, they may elect to implement all, or part, or none of it. We usually conduct public meetings at the fire station and meet six to eight times a year.

We are always seeking volunteer community members to participate on the committee. If you are interested, please contact Town Administrator Peter Flynn at the town office.

In closing, I would like to thank the members of the committee for their dedication and commitment to the towns highway safety.

Respectfully Submitted,  
Chief Ryan Murdough  
Chairman

---

---

## Energy Committee

---

---

The Henniker Energy Committee started off the year organizing for a Renewable Energy Conference, hosted at New England College in March, 2009. Representatives from renewable energy businesses, state government and non-profits came together to discuss and present updates on opportunities for renewable energy development in New Hampshire. It was an enlightening afternoon of speakers and contacts for the Energy Committee members and town residents present.

In May, we were joined by new select board representative Kris Blomback. In June, Mark Mitch attended the Local Energy Conference in Manchester and returned with valuable information pertaining to American Recovery and Reinvestment Act (ARRA) grants for municipalities to carry out energy related work.

In August representatives of the Jordan Institute came to Henniker and gave a presentation at the Town Hall on energy audits and toured two municipal buildings (Town Hall and the Community Center). The committee prepared a request for proposals (RFP) with the help of Mark Fougere, town planner. The RFP was posted on the New Hampshire Office of Energy and Planning website in late fall. Four companies responded to Henniker's advertisement. After extensive review, the Committee awarded the contract and is in the process of writing away for the ARRA grant for the cost of a Level Two energy audit of ten municipal buildings for 2010.

Tony Caplan  
Chairman

---

---

## Community Concerts Committee (continued)

---

---

*“Wonderful piece of Americana.”*      *“Very good summer attraction.”*  
*“Great way for town people to gather and visit, share and bring children to.”*  
*“Thanks for a great venue and keep up the really great work.”*

These were some of the comments received from the 220 evaluations completed at the 2009 Henniker Summer Concert Series. With the budget allocated by the town, the committee planned and presented 11 Tuesday evening concerts. Attendance varied from a high of 300 residents to a low of 50 on one of the rainy evenings.

There were three very rainy evenings where we held the concerts indoors at the Henniker Community Center, and each of these had lower attendances, 50 – 75 people. Although the indoor venue was less desirable to residents, we did not have to cancel any concerts due to the weather and having the Community Center as an alternative venue is a plus.

Attendance was representative of the community, with perhaps more seniors and young families represented. Although our evaluations did not reflect this, comments we received from attendees indicated that the concerts brought people to Henniker from many of the surrounding towns like Concord, Loudon, Hillsboro, Hopkinton, Weare, Antrim and Bradford, which may be accounted for from weekly publicity in the Monitor, Messenger, Villager and Intertown News.

We created a brand for the Henniker Summer Concert Series with our advertising and promotional materials and had new signs created for the Series, using the color palette selected for the promotional materials. The promotional theme was carried through for the Holiday Concert poster as well.

We conducted 2 evaluations this summer, one mid-way through the series and the other at the end of the series. Each evaluation asked respondents to rank the performers and recommend which performers they would like to see again. We also asked for suggestions for other bands to consider and types of music to explore. A copy of the compiled evaluations is available in the Selectmen's Office or from a committee member.

From this compilation, the Music Committee will select 5 performers to book for next summer. We will then use the recommendations of the attendees for other groups to review for potential booking next summer. Attendees were generally pleased with the variety of artists presented this summer –many indicating they would like to see more of the same next summer. The other categories of music that scored well were Blues, Country and Folk Music. We will keep this in mind as we seek performers for 2010.

Mid-way through the summer temporary lighting was added to the Bandstand which was greatly appreciated, as it begins to get dark earlier. By the time the last concerts are staged, it is dark by 7:45 PM. The lights were helpful, both for the audience and the performers.

At the start of the series we again recognized the contributions of long time Henniker Concert Mistress Angela Robinson, who ceremoniously “passed the baton” to Committee Chairman Tom Dunn to kick off the season. Angela served on the committee this year assisting with the transition. In September, with Angela’s one year appointment completed, we welcomed Betty Watman, as the newest committee member.

In December the Committee hosted the Annual Holiday Concert, featuring the Nevers Second Regimental Band, the Carol Sing and a visit from Santa. The event was held in the Great Room at New England College on a snowy afternoon adding to the festivity with nearly 100 people in attendance. Co-sponsors NEC and Henniker Rotary Club provided and served refreshments. With funding from the Henniker Rotary Club and the Summer Youth Employment Program, members of the Henniker Youth Theatre created a documentary film about Angela Robinson which was premiered at the Concert. Copies were handed out as gifts to attendees by Santa Claus, adding to the afternoon’s festivities.

## Riverwalk ~ Azalea Park/Trails Committee

---

---

The new Henniker Riverwalk/ Azalea Park Committee was formed as a result of the Community Profile held last spring which suggested that improved access to the river would be beneficial to the town's future. River recreation draws people to the town, which helps businesses thrive. The committee began its work by conducting a series of site visits of existing trails here in town and of similar types of projects in other towns, such as Peterborough and Keene. Initial planning identified Azalea Park, located behind the Henniker Community School, as a focal point for improving river access from the downtown and this will be phase 1 of the committee's activity. Phases 2 through 5 of the committee's long term plans are to formalize and publicize the various networks of riverside walking and biking trails throughout town as well as other river recreation focal points.

Initial work on Azalea Park is intended to make it a safe, accessible and inviting space for use by citizens and visitors to Henniker of all ages. Proposed groundwork includes shoring up the river bank, improving visual access and foot traffic from Main Street, and installing amenities such as benches, outdoor classroom spaces and possibly lighting. The committee is currently working on the specifics of the work needed to accomplish this including drawing up plans, acquiring required permits and identifying and pursuing funding sources.

Interested citizens are needed to assist in planning, plan drafting, site work and safety design. It would also be wonderful to hear about memories of the park from earlier times.

**Special Request:** If anyone knows where the original arched sign for the park is, please let us know as we are interested in refurbishing or reproducing it!

The Riverwalk/Azalea Park Committee meets monthly on the second Monday and the public is welcome!

-Martha Sunderland

---

---

## Athletic Program for Youth Committee

---

---

The 2009 Athletic Program had a successful year. The Program supported approximately 380 children playing on 41 teams in 5 different sports over three athletic seasons. The children ranged from kindergarten to 8<sup>th</sup> grade; and the sports included baseball, softball, soccer, basketball and cheerleading. There were 14 members of the Athletic Committee who managed areas including individual sports, budget, equipment, uniforms, communications, and fundraising. In addition, the committee members coordinated over 100 volunteer coaches, assistant coaches and others. The large number of volunteers participating in some way in the athletic program makes it one of the largest organizations in the town of Henniker. In 2009, athletic volunteers gave the town of Henniker close to 8000 hours of their collective time.

The Athletic Committee accomplished a number of goals in 2009 as well. Thanks to a lot of help and effort by Peter Flynn, a new softball practice field was begun on the Old Concord Road complex. It will be finished in the spring of 2010 for the softball season. Again, with thanks to Peter Flynn, the broken fence and backstop at the Town Hall baseball field were replaced. The guidelines for the athletic program were updated, and a Code of Conduct for parents and players was established. Finally, the Athletic Committee formalized its fundraising efforts by creating a Fundraising Director. There is now a snack shack at the soccer field, and more fundraising is coming. Thanks to Jaime Weston for all of her efforts this year.

We are mindful that not everyone in town has children who participate in the athletic program and thus may have some concerns about funding for our programs. We work hard to spend only on items that are needed. Our budget controls are very tight, and all expenses are accounted for. We also do our best to look for outside sources of funding to support these projects.

In 2010 the Athletic Committee will continue to work on improving our program. One major goal is to get a website up and running that will not only be a resource for news and schedule information but will also serve as a portal for our coaches and directors. We will be able to send "blast" email notifications to parents about practices, games and

---

---

## Athletic Program for Youth Committee (continued)

---

---

schedule changes. Also we hope to begin offering online sign-ups for our sports programs. Thank you to Chad Carter for taking the lead role on this project. Second, we will work on enhancing our educational opportunities for coaches. Third, the Athletic Committee will offer a basic wrestling program for younger children beginning in 2010. Fourth, our focus will be on identifying long term issues that the program needs to address.

Finally, we want to thank Peter Flynn and all of the volunteers and coaches who work so hard for the athletic program. Of special note are the folks who left the committee this year. They are Glenn Sullivan, Holly Cole, Brian Dubreuil, and Shannon Camara. We also welcome, Greg Jensen, Chad Carter, Chrissy Aucoin and Chris Woodbury. Athletics teach our kids about teamwork and competition. They help with fitness and provide our community's children with an outlet that is productive and has long term benefits.

Respectfully Submitted,  
Marc McMurphy  
Member – Henniker Athletic Committee

---

## Safety and Loss Prevention Committee

---

---

*The purpose of the Safety & Loss Prevention Committee, as required by Title XXIII, RSA 281-A:6, is to bring workers and management together to work cooperatively to promote workplace safety, assist the employer and make recommendations for change. The Committee encourages participation and suggestions from all employees.*

In 2009, members of the committee did educational outreach to all employees on proper lifting techniques in an effort to prevent strains and sprains. We also recommended slip-on ice grippers as an inexpensive piece of personal protective equipment for employees to keep on hand in order to prevent slips and falls during the icy, winter season.

We received a complementary review from Primex on the quality of our new-employee orientation checklist that is now distributed to all new employees.

We followed through on concerns brought to the attention of the committee regarding the potential hazards of the out-dated baseball bleachers ("wooden grandstand") located behind Town Hall. They were subsequently removed.

The committee took advantage of a free service offered by the New Hampshire Local Government Center's Property-Liability Trust by offering a "lunch and learn" training on the topic of lock-out and tag-out. This resulted in positive feedback from employees on the importance of working with the hazards of electrical, pneumatic, hydraulic and pressurized energy sources and procedures for locking-out, disconnecting and re-energizing electrical equipment during repair or maintenance activities.

In addition to the above, the committee worked hard at simplifying the annual inspection process. This involves having the six committee members do an onsite inspection of no less than twelve town properties or campuses where regular employment or volunteer activities take place, and subsequently reporting recommendations for improved safety to department heads, selectmen and the town administrator.

At the end of 2009, the committee considered creating a wellness subcommittee to pursue a grant opportunity to offer incentives for individual employees or teams to improve overall fitness. The committee also recommended a seatbelt policy education campaign and conducted a self-assessment on 10 best practices for municipal safety programs. The committee found that the Town of Henniker's program is very close to meeting all 10 best practice recommendations and will consider working on alternative-work-duty policies in 2010 as a way to save 2.5% on future annual insurance policies premiums. Although researching and adopting such policies would be time-consuming, it could lead to an annual cost savings of over \$1,100 to the town.

Respectfully submitted,  
Nicole Gage, Chairman

---

# Henniker Rotary Club

---

---

Rotarians live by the motto of *Service Above Self* and this year we demonstrated that locally in the following ways:

- Conducting three highway picks along Route 114 south of the village
- Hosting the 20<sup>th</sup> Annual Rabies Clinic, resulting in the vaccination of 153 dogs and cats
- Participating in the Summer Concert Series and Henniker Old Home Days
- Assisting the Merrimack County Nursing Home in its annual Fall Fun Fest for residents
- Continuing to maintain and improve landscaping at Amey Brook Park
- Presenting Middle School “Service Above Self” awards to outstanding youngsters
- Donating to Hillsborough, Henniker and Weare Food Pantries
- Providing scholarship assistance to local high school seniors heading off to college or technical schools
- Offering grants to local non profit organizations serving the Henniker/Hillsboro region
- Decorating downtown Henniker for the holidays with festive wreaths on all the lamp posts
- Co-sponsoring the Henniker Holiday Concert in December

ABOVE: Henniker residents bring their dogs to the 20th Annual Henniker Rotary Rabies Clinic held at the Fire Rescue Station (April 2009).

In addition to focusing our service efforts in the Henniker and Hillsboro area, the club was actively involved in a number of Rotary International Service Projects including Pure Water for the World and Polio Plus. Rotarians contributed funds in 2009 to purchase water filters for villages in Nicaragua and Honduras, to the Guatemala City Children’s Project (Safe Passage) and Pokuase, Ghana Women’s Trust for Health Training and Micro-lending projects. We also participated in the Moore Mart National Guard Care Packages Program to send supplies to guardsmen in Afghanistan and Iraq.

The Chili Fest continues to put Henniker and Pats Peak on the map as a summer festival destination with visitors from all over New England participating. Nearly 2,000 people attended the Sixth Annual Henniker Rotary Club Chili Fest at Pats Peak in August. Chili Fest 2009 raised \$25,000 and provided the basis for some of the larger donations made by the club this year, including grants to sponsor the Hillsboro-Deering High School-DECA Career Development Conference, assist Child and Family Services in building a new multi-purpose building for sports and theater at Camp Spaulding, contribute to the New England College Covered Bridge Restoration Project, support the Weare Rocketry Team National Competition Trip and underwrite the White Birch Summer Swimming Lesson program. Other local grants were awarded to, among others, Antrim Girls Shelter, Henniker Community Profile Project, Farmsteads of New England, Concord SPCA, Weare Animal Guardians and Wings of Dawn. Next year’s Chili Fest is scheduled for Sunday August 22, 2010. New applications for individuals, organizations and restaurants interested in entering the contest or car show will be available at [www.ChiliNewHampshire.org](http://www.ChiliNewHampshire.org) after April 15<sup>th</sup>.

Past president Janice McElroy has been selected as District Governor Nominee Designate for Rotary International’s District 7870, which encompasses 59 clubs with 2,500 members in central and southern New Hampshire and Vermont. She will be confirmed as District Governor July 1, 2011. She is the third member of the Henniker Club to be selected for this honor in the club’s 25 year history. Previously, William Damour (1994-1995) and Jean Louis Nicknair (2000-2001) held the office of District Governor. Only one other club in this district has had as many members serve as District Governor in the history of Rotary.

The Henniker Rotary Club was chartered in 1984 to serve the communities of Henniker, Hillsborough, Deering and Weare. It is one of nearly 33,000 Rotary International clubs worldwide. In its 25 years of service, the club has raised and donated over \$250,000 to local, regional and international service and humanitarian projects. Ours is an active, involved membership of local business and professional leaders. We invite you to learn more about Rotary by contacting Peter Flynn, membership chairman at [pflynn1022@aol.com](mailto:pflynn1022@aol.com) or in the Town Administrator’s office. The club meets weekly on Thursday mornings at 7:30 AM at the Henniker Congregational Church.

---

---

# Henniker Historical Society

---

---

We have had another busy year at the Historical Society. We are very fortunate to have been able to maintain a stable budget in these rough economic times. This is due to the generous support of the community. THANK YOU.

The Historic Marker for the "Site of the First Meeting House" has been moved back to its original location at 487 Flanders Road. Alan Michie of Michie Corp. generously contributed the necessary equipment and time for this project. Our 21st marker was installed this fall at the Community Center. The building was originally built as a Baptist Church in 1834. Later it became the Methodist Episcopal Church. Leander Cogswell purchased the land and building. He separated the parcel and donated the smaller portion to the church. He named the larger portion Community Park and donated it to the Town of Henniker. Later the building was purchased by the Masonic Association. The Masons donated the building to the Town. It is now known at the Community Center. The town maintenance crew assisted the Society in placing the marker.

Restoration on the Sounding Board has been delayed as our application for a grant was denied. We are currently applying to a different source for funds. We are working with the Historic District Commission on this project.

Angela Robinson donated a new copier to the Society. It is great as our old one could not do the kind of copying we needed done. Thank you Angela.

We recognized two people with the Boston Post Cane this past year. The first was Mildred O'Leary. Upon Mildred's passing we presented the cane to Leslie Bradford.

We continue to receive generous donations to the Lillian M. Ayer Fund. The balance is now \$8,830.00.

Recently we had a request for copies of some Henniker pictures. We are there for you for any information about Henniker or copies of pictures you might want. Please feel free to call as we will assist in any way possible. The phone number is 428-6267. We have an answering machine and check our calls on Thursdays and Saturdays.

Once again we have a college student working on transcribing the Edna Dean Proctor letters. It is slow work but it will be a great project when completed as the information will be more readily available.

We are also continuing our programs with the Grammar School. The interest of the young people is great to experience.

**We continue to need volunteers for our open hours. We are open Thursdays from 10:00am to 2:00pm and the 1st and 3rd Saturdays from 10:00am to 1:00pm.**

ABOVE: Volunteer, Marie Gilbert manning the table of Historical Society goods for sale at the Annual Library sale.

ABOVE: This historical marker was installed in 2009 to acknowledge the history of what is now known as the Henniker Community Center building.

*Respectfully submitted,  
Nina Morse, President*

October 14, 2009

Peter R. Flynn, Town Administrator  
Town of Henniker  
Depot Street  
Henniker, NH 03242

Dear Mr. Flynn:

Community Action Program Belknap-Merrimack Counties, Inc. is requesting program and financial support from the Town of Henniker for the continuation of the Warner (Kearsarge Valley) Area Center programs, local services and staff for 2010. The Warner Area Center, located at 49 West Main Street, Warner, provides outreach to the homebound and direct assistance and services to income eligible, low income, disabled and elderly residents of your community.

The attached budget reflects the minimum costs of maintaining and continuing the operation of the Warner Area Center. I respectfully request that an item be placed in the budget in the amount of \$8,016.00 for the continuation of services to the low income and elderly residents of the Town of Henniker through the Warner Area Center of the Community Action Program Belknap-Merrimack Counties, Inc.

I have also attached a detailed summary which provides a brief description of Community Action Program Belknap-Merrimack Counties, Inc. programs, the number of people served and more than \$289,304.45 of services provided to the residents of Henniker utilizing federal, state and private funds through the Warner Area Center during the past year.

The staff at the Warner Area Center wish to thank the Town of Henniker for their support in the past. With your continued interest and support, we will be able to continue services and assistance to the low income and elderly residents in your community.

Sincerely,

Laura Hall, Area Director  
Warner (Kearsarge Valley) Area Center

# Concord Regional V.N.A. (*Visiting Nurse Association*)

---

---

Dec. 7, 2009

Peter R. Flynn, Administrator  
Town of Henniker  
2 Depot Hill Road  
Henniker, NH 03242

Dear Mr. Flynn,

During the past year, Concord Regional Visiting Nurse Association has been privileged to provide comprehensive health care services to the residents of Henniker. CRVNA provides services based on health care needs regardless of income levels.

The total amount of services rendered to Henniker residents for the past year was \$95,322.00.

Please call me at 1-800-924-8620, extension 5669 if you have any questions. Thank you for the privilege of serving your residents.

Yours truly,

*Violet M. Rounds*

Chief Financial Officer

## **ANNUAL REPORT OF THE TOWN OF HENNIKER**

The Concord Regional Visiting Nurse Association (CRVNA) continues to offer comprehensive health services to the residents of Henniker. The following is a description of these services:

**Home Care Services** respond to the health care needs of those patients with acute or chronic illnesses that require skilled professional and paraprofessional care so they may return to or remain in their homes. Emphasis is on promoting independence and maximum functioning of the patient within the least restrictive setting. Patients who receive services range from children who have a complex medical condition to frail elders who require supportive assistance to stay in their own homes.

**Hospice Services** provide professional and paraprofessional services to the terminally ill patient with a limited life expectancy. The goal is to enhance the quality of the patient's remaining life by helping he/she remain at home in comfort and dignity. Emphasis is on pain and symptom management and skilled intervention to meet the patient's special physical, emotional and spiritual needs.

CRVNA's Hospice House provides residential care to terminally ill patients who have no primary caregiver or need a supported residential setting. Often patients are transferred into the Hospice House when a caregiver is exhausted and unable to care for them at home any longer. To date, this house has provided a home to approximately 900 terminally ill residents.

**Community Health Services** include health education, health maintenance and preventive health services. The program includes preventive care, adult and senior health, child health, Baby's First Homecoming, immunizations for all ages, supportive services to school districts parent education and support, health education and nutritional counseling.

Community Health includes health promotion services which focus on the low and marginal income families and individuals to prevent illness by professional assessment and screening for health risks and needs, by early intervention

---

---

## Concord Regional V.N.A. (continued)

---

---

to prevent, eliminate, or minimize the impact of illness and/or disability, and by anticipatory guidance and health teaching. Emphasis is on promoting healthy children, families and individuals through early intervention and health teaching. Services rendered in the clinic setting are: child health, adult screening, and immunizations. Home visits are made in crisis situations or when needed health care cannot be given in the clinic. Senior health services are provided at congregate housing sites.

Over the past two years Senior Health Clinics have expanded to reach out to seniors who may require a monthly check by a nurse of their blood sugar, blood pressure, and/or diabetes management. The expansion of these services was in response to the decrease in Medicare services to seniors.

Professional and paraprofessional hourly home services are provided on a private fee-for-service basis. Health education and instruction are part of each home visit or clinic visit.

Anyone in Henniker may request service: patient, doctor, health facility, pastor, friend or neighbor. The nurse who completes an assessment will coordinate with the patient's physician a plan of care to meet the patient's specific needs. If the patient does not have a physician the nurse will assist the patient to identify one and schedule a visit. The agency has developed a program with the NH-Dartmouth Family Practice Residency Program to coordinate a house call visit by a resident to a frail elder's home who is unable to leave his/her home.

A call to Concord Regional Visiting Nurse Association (1-800-924-8620) is all that is necessary to start services or make inquiries. The CRVNA office is open Monday through Friday from 7:30am to 5:00pm. A nurse is on call twenty-four hours a day. The On-Call Nurse can be reached by calling 1-800-924-8620.

Federal regulations specify a charge is applicable to all visits. Fees are scaled for the individual without health insurance and/or who is unable to pay the full charge. However, to fee scale, federal regulations require a financial statement be completed by the patient or responsible person. The community health services are provided to residents often free of charge.

This agency is certified as a Medicare/Medicaid Provider, licensed by the State of New Hampshire, and is a member agency of the United Way of Merrimack County.

### **Total visits made during October 1, 2008 through September 30, 2009:**

# White Birch Community Center

---

---

White Birch Community Center is a private, nonprofit organization that has, for more than 30 years, dedicated activities to enriching the lives of those residing in the greater Henniker area. During this time, the agency has grown to serve children, families and senior adults in a wide variety of programs. We are the largest nonprofit agency and licensed child care facility operating in Henniker. We serve families with children ages 12 months through 14 years of age, and senior adults. Last year, more than 160 families enrolled in our programs of child care, nursery school, enrichment activities, swim lessons, and summer camps. More than 250 seniors from Henniker participated in hundreds of programs and activities, all aimed at providing opportunities to promote healthy aging.

The mission of White Birch Community Center states that the agency “*enriches the lives of our citizens by providing social, education and recreation programs for families, children, and adults in a stimulating, supportive and safe environment.*” At the core of our mission statement is the premise that all who wish to participate in our programs shall be given the opportunity, regardless of ability to pay. With this philosophy in mind, White Birch Community Center offers scholarships to anyone who qualifies. This scholarship funding derives from private donations, grants, fund raising events, and our United Way allocation.

## **SENIOR ADULT PROGRAMS**

During 2009, the White Birch Senior Adult Program continued to expand its services offered to our older residents. The Bugle, the monthly newsletter received by nearly 800 individuals, highlights events, classes, outings, and provides timely information for seniors. The *Monthly Luncheon* continues to draw huge crowds with many thanks to our committed volunteers and the dedication of our Senior Program Coordinator, Pat Mathison. Other regular activities include free computer classes, *Lunch and Learns* (a provided lunch with a guest speaker discussing relevant topics), exercise programs, shopping trips, art and cultural excursions, weekly movies and card/board games, book clubs, AARP 55 Alive Defensive Driving Classes, and tax preparation assistance. In addition to these offerings, White Birch coordinated 40 rides for seniors through our Dial-A-Ride program. With White Birch Community Center as their base, the skill and expertise of our Senior Program Coordinator, and the countless hours of volunteer time, the White Birch Senior Adult Program serves to meet the unique needs of the older adults in our community.

## **YOUTH PROGRAMS**

The Early Care and Education Program at White Birch served more than 100 children ages 12 months to 14 years. Used primarily by working parents, the program offers developmentally appropriate experiences to enhance and optimize each child’s development.

Crayon College, an iconic symbol of White Birch Community Center, served more than 60 children in its 35<sup>th</sup> year of operation. Crayon College is a traditional nursery school program, serving three and four year old children in part-day programs. Our teaching staff offers each small class hands-on opportunities in a stimulating, caring environment.

The After School Program at White Birch serves children when they are not in school. Our new Director of School Age Programs, Michael Freeman, joined White Birch in 2009, bringing with

---

---

## White Birch Community Center (continued)

---

---

him many years of experience, enthusiasm, and expertise. Full day programs were offered during school vacations, snow days, and teacher development days. During the summer, our school age children enjoyed participating in our Summer Day Camps. With weekly field trips to state parks, museums, amusement parks, as well as weekly themed activities, school age children participated in many exciting and creative activities.

In collaboration with Henniker Community School, White Birch began offering on-site before school care as of September. This program came as a direct response to the change in school operating hours, seeking to reduce the likelihood children would be left at home unsupervised.

### **COMMUNITY PROGRAMS**

Certainly worth mentioning is the 6<sup>th</sup> annual White Birch *BASH!*. Held at Pat's Peak in April, more than 175 supporters of White Birch gathered for an evening of dinner, dancing, silent auction, and most of all-fun.

At the end of June, White Birch coordinated with the American Red Cross to offer swimming lessons to Henniker children. With the donated use of the Mile-Away Campground pool and a grant from the Henniker Rotary Club, these lessons were offered to 25 children at a very low cost.

In 2009 MaryEllen Shule organized two family events. In October, Mr. Phil entertained and informed children and families about safety issues. Rounding out the year, *Breakfast with Santa* once again delighted young and old alike.

After more than 30 years of offering programs to the community, White Birch continues to search for new and innovative programs to meet community need. Most recently, White Birch Community Center was granted a child care license to provide before and after school programming on site at the local elementary school. This new program was a direct result of an identified need determined by survey and feedback information as well as school personnel observations.

Building relationships with community partners, researching and analyzing data and trends, as well as obtaining participant feedback are methods we employ to modify or create new programs and services. The ability to adapt and develop programs based on the changing needs of the community makes White Birch an effective and valuable community resource for all.

Respectfully submitted,  
Bobbie Gaudette  
Executive Director

**PROJECT LIFT - ADULT EDUCATION**  
63 West Main Street - P.O. Box 43  
The Gables Building  
Hillsboro, NH 03244  
(603) 464-5285

October 14, 2009

Mr. Peter Flynn, Town Administrator  
Henriker Selectmen's Office  
2 Depot Hill Road  
Henriker, NH 03242

**Re: Literacy/Adult Ed. Donation**

Dear Mr. Flynn:

Please accept this letter as our annual appeal for donation from the Town of Henriker to Project LIFT Adult Education Program. We served 2 students from Henriker in 2009; one student achieved passing their GED examination. The donation of \$298.00 paid for materials for study and testing materials for each student. Even though Henriker students are slated to receive services from the Concord Second Start Office, it only makes more sense for them to come to Hillsboro. We are more than happy to accommodate the needs of students from Henriker. Since 1992, LIFT has served 20 students from Henriker.

Thank you for your support and we ask for continued support for year 2010. Please call me for any additional information or questions you may have concerning the program.

Sincerely,

Julith G. Prunier, M.S., CPTC  
Program Director

## THE STATE OF NEW HAMPSHIRE EXECUTIVE COUNCIL

JOHN D. SHEA  
EXECUTIVE COUNCILOR

8 McIntire Road  
Nelson, NH 03457  
Phone: 603-847-9008

State House Room 207  
107 North Main Street  
Concord, NH 03301  
Phone: 603-271-3632  
Fax: 603-271-3633

### ANNUAL REPORT FROM EXECUTIVE COUNCILOR JOHN D. SHEA

If you are interested in learning more about the work I do on the Executive Council, I issue a newsletter to all 67 Communities on the results of each meeting as they pertain to Council District Two. It is also available at: <http://www.nh.gov/council/district2/reports>

#### **Business Finance Authority**

In the past year, the Business Finance Authority (BFA) has enabled over 131 New Hampshire businesses to access over \$22 million in financing. As a result of the BFA's program 591 jobs were retained or created.

#### **New Hampshire Health and Education Facilities Authority**

For any facility requesting approval we conduct a public hearing to gather input from the community. The New Hampshire Health and Education Facilities Authority participate in the construction of borrowers' facilities. The organization was also involved in the renovation and equipping of these facilities and provides working capital and refinanced certain existing indebtedness. During the past two years, \$1.2 billion was approved for assistance to hospitals, medical centers, and schools.

#### **Nominated Boards, Commissions, & Civil Commissions**

Over 300 appointments are approved each year to various state boards and commissions. In District 2 there were 96 appointments, representing 30 communities. Additionally, hundreds of Notaries, Justices of the Peace and Commissioners of Deeds were reviewed and approved. If you are interested in serving on a board or commission please go to: <http://www.sos.nh.gov/redbook/index.htm> for more information.

#### **Governor's Advisory Commission on Intermodal Transportation (GACIT)**

The Governor's Advisory Commission on Intermodal Transportation (GACIT) is dedicated to making government more accountable to the people of New Hampshire. For New Hampshire's Ten Year Transportation Improvement Plan we held public hearings in 10 communities from Alstead to Somersworth, NH.

#### **The American Recovery and Reinvestment Act Funding Program**

I will be sending along a progress report for each community. The current estimates are that 3,872,686 work hours have been paid for with ARRA funds. I continue to visit the 67 communities, town offices, fire, police and health centers.

# 2009 Summary Inventory of Valuation (Form MS-1)

## SUMMARY INVENTORY OF VALUATION FORM MS-1 FOR 2009

The values and figures provided represent the detailed values that are used in the town tax assessments. This information, as well as town revenue and school information, determine the annual tax rate.

<u>Land</u>	<u>Acres</u>	<u>Value</u>	
Current Use	16,883.79	1,765,770	
Discretionary Preservation Easement	0.07	3,213	
Residential	6,268.33	174,394,034	
Commercial/Industrial	965.66	16,559,475	
TOTAL	24,082.67		
<b>Total taxable land</b>			<b>192,722,492</b>
Exempt land *	3,363.66	12,592,700	
<u>Buildings</u>		<u>Value</u>	
Residential		178,561,963	
Manufactured Housing		3,270,400	
Commercial/Industrial		31,834,200	
Discretionary Preservation Easement		13,125	
<b>Total taxable buildings</b>			<b>213,679,688</b>
Exempt buildings *		34,791,000	
Public Utilities (PSNH)		9,424,300	
<b>Value before exemptions</b>			<b>415,826,480</b>
School dining/dormitory/kitchen exemption (1)		150,000	
Improvements to assist disabled		75,674	225,674
<b>Modified assessed valuation of all properties</b>			<b>415,600,806</b>
	<u>#</u>		
Blind exemption	3		150,000
Elderly exemption	27		3,588,550
Disabled exemption	10		846,500
Wood heating energy exemption	23		42,509
Solar energy exemption	13		93,853
Total dollar amount of exemptions			4,721,412
<b>Net value on which the tax rate for municipal, county &amp; local education is computed (This value = modified valuation - exemptions)</b>			<b>410,879,394</b>
Less public utilities (PSNH)		9,424,300	
<b>Net valuation without utilities on which tax rate for state education is computed</b>			<b>401,455,094</b>

\* Exempt land and buildings are: town-owned properties, New England College, State of NH, US Government, religious

### INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen  
Town of Henniker  
Henniker, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Town of Henniker, as of and for the year ended December 31, 2008, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of Town of Henniker's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Henniker, as of December 31, 2008, and the respective changes in financial position for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The management's discussion and analysis and budgetary comparison information on pages 6 through 20 and 46 through 50, are not a required part of the basic financial statements but are supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Henniker's basic financial statements. The combining nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. The combining nonmajor funds financial statements have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Reconciliation of Governmental Funds Balance Sheet to the Statement of Net Assets  
December 31, 2008

Total Fund Balances - Governmental Funds \$ 3,962,566

Amounts reported for governmental activities in the statement of net assets are different because:

Capital assets used in the governmental activities are not financial resources and therefore are not reported as assets in governmental funds.

Cost	\$ 47,159,519	
Less accumulated depreciation	<u>(31,956,890)</u>	15,202,629

Long-term liabilities, including bonds payable, are not due in the current period and therefore are not reported as liabilities in the funds. Long-term liabilities at year-end consist of:

Bonds payable	(1,300,000)	
Compensated absences	(168,513)	
Unamortized bond premium	<u>(23,228)</u>	<u>(1,491,741)</u>

Total Net Assets - Governmental Activities \$ 17,673,454

The accompanying notes to the basic financial statements are an integral part of this statement.

# Report of Municipal Auditors (continued)

## TOWN OF HENNIKER

Reconciliation of the Statement of Revenues, Expenditures and Changes  
in Fund Balances of Governmental Funds to the Statement of Activities  
Year Ended December 31, 2008

Total Net Change in Fund Balances - Governmental Funds \$ (1,852,013)

Amounts reported for governmental activities in the statement of activities are different because:

Capital outlays are reported in governmental funds as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense.

Capital outlays	\$ 1,632,215	
Depreciation expense	(629,317)	
Loss on disposal of assets	<u>(2,347)</u>	1,000,551

Repayment of bond and capital lease principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net assets.

Principal on bonds		190,000
--------------------	--	---------

In the statement of activities, certain operating expenses are measured by the amounts earned during the year. In governmental funds, however, expenditures for these items are measured by the amount of financial resources used.

Compensated absences (increase) decrease		(7,984)
Amortization of bond premium		<u>3,508</u>

Change in Net Assets of Governmental Activities		<u>\$ (665,938)</u>

## TOWN OF HENNIKER

Notes to Basic Financial Statements  
December 31, 2008

### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Town of Henniker (the "Town" or "Government") have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is responsible for establishing GAAP for state and local governments through its pronouncements (Statements and Interpretations). Governments are also required to follow the pronouncements of the Financial Accounting Standards Board (FASB) issued through November 30, 1989 (when applicable) that do not conflict or contradict GASB pronouncements. The significant accounting policies established in GAAP and used by the Town are discussed below.

#### A. THE REPORTING ENTITY

The Town is a local government governed by an elected Board of Selectmen. As required by GAAP, these financial statements are required to present the Town and its component units (if any).

Component units are legally separate organizations for which the elected officials of the primary government are financially accountable. The primary government is financially accountable if it appoints a voting majority of the organization's governing body and (1) it is able to impose its will on that organization; or (2) there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on, the primary government. A primary government may also be financially accountable if an organization is fiscally dependent on the primary government. Fiscal dependency is the ability to complete certain essential fiscal events without substantive approval by a primary government: (a) determine its budget without another government's having the authority to approve and modify that budget; (b) levy taxes or set rates or charges without approval by another government; and (c) issue bonded debt without approval by another government.

#### B. BASIC FINANCIAL STATEMENTS – GOVERNMENT-WIDE FINANCIAL STATEMENTS

The Town's basic financial statements include both government-wide (reporting the Town as a whole) and fund financial statements (reporting the Town's major funds). Both government-wide and fund financial statements categorize primary activities as either governmental or business type. The Town does not have any business type primary activities.

In the government-wide Statement of Net Assets, the governmental activities column (a) is presented on a consolidated basis, (b) and is reported on a full accrual, economic resource basis, which recognizes all long-term assets and receivables as well as long-term debt and obligations. The Town's net assets are reported in three parts – invested in capital assets, net of related debt; restricted net assets; and unrestricted net assets. The Town first utilizes restricted resources to finance qualifying activities.

---

---

# Report of Municipal Auditors (continued)

---

---

## TOWN OF HENNIKER

Notes to Basic Financial Statements  
December 31, 2008

The government-wide Statement of Activities reports both the gross and net cost of each of the Town's functions / programs. The functions / programs are also supported by general revenues. The Statement of Activities reduces gross expenses (including depreciation) by related program revenues, operating and capital grants. Program revenues must be directly associated with the function or activity. Operating grants include operating-specific and discretionary (either operating or capital) grants while the capital grants reflect capital-specific grants. The net costs (by function) are normally covered by general revenue. The Town does not allocate indirect costs.

This government-wide focus is more on the sustainability of the Town as an entity and the change in the Town's net assets resulting from the current year's activities.

### C. BASIC FINANCIAL STATEMENTS – FUND FINANCIAL STATEMENTS

The financial transactions of the Town are reported in individual funds in the fund financial statements. Each fund is accounted for by a separate set of self-balancing accounts that comprises its assets, liabilities, reserves, fund equity, revenues, and expenditures/expenses. The individual funds account for the governmental resources allocated to them for the purpose of carrying on specific activities in accordance with laws, regulations, or other restrictions. Funds are classified into three major categories: governmental, proprietary and fiduciary.

Fund financial statements focus on major funds of the primary government in contrast to the governmental and business type (if any) activities reported in the government-wide financial statements. Major funds represent the government's most important funds and are determined based on a minimum criteria set forth in GASBS No. 34 (numerical formula using total assets, liabilities, revenues, or expenditures/expenses of either fund category or activity combined). Major individual governmental funds are reported in separate columns in the fund financial statements with a combined column for all other nonmajor funds. The general fund is required to be reported as major fund. The following fund types are used by the Town:

1. **Governmental Funds** – The focus of governmental funds' measurement (in the fund statements) is upon determination of financial position and changes in financial position (sources, uses, and balances of financial resources) rather than upon net income. The following is a description of the governmental funds of the Town:

General Fund is the general operating fund of the Town and is used to account for all resources except those required to be accounted for in another fund.

Special Revenue Funds are used to account for the proceeds of specific revenue sources (such as federal and state grants, capital reserves, and library operations, etc.) that are legally restricted to expenditures for specific purposes.

Capital Project Funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities.

Permanent Funds are used to account for trust arrangements in which the Town is the beneficiary of the earnings on the principal, including public-purpose funds previously classified as nonexpendable trust funds.

---

---

# Report of Municipal Auditors (continued)

---

---

## TOWN OF HENNIKER

---

Notes to Basic Financial Statements  
December 31, 2008

2. Fiduciary Funds – The reporting focus of fiduciary funds is on net assets and, for private purpose trust funds, changes in net assets. Since by definition these assets are being held for the benefit of a third party and cannot be used to address activities or obligations of the Town, these funds are not incorporated into the government-wide statements. The following is a description of the fiduciary funds of the Town:

Private Purpose Trust Funds are used to report trust arrangements under which the principal and interest benefits individuals, private organizations, or other governments, but not the Town. The assets are essentially held in trust for someone outside the reporting entity.

Agency Funds are used to report assets held in a purely custodial capacity for individuals, organizations, or other governments outside of the reporting entity. The assets for these funds equal the liabilities and there is no operating activity to report.

### D. BASIS OF ACCOUNTING

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. Two different measurement focuses are used under the new financial reporting model, the flow of current financial resources and the flow of economic resources. The determination of when transactions are recognized is referred to as the basis of accounting. Like measurement focus, there are two different bases of accounting used; the accrual basis and the modified accrual basis.

#### Government-Wide Financial Statements

The government-wide financial statements use the flow of economic resources measurement focus and the accrual basis of accounting. Under this method, generally, all revenues, expenses, gains, losses, assets, and liabilities should be recognized when the economic exchange takes place. The government-wide financial statements report all of the assets, liabilities, revenues, expenses, and gains and losses of the entire government. These financial statements do not report fund information. Instead they focus on two specific types of activities performed by the government, "governmental activities" and, when applicable, "business type activities". Governmental and proprietary fund types are included in the governmental and, when applicable, business type activities reported in the government-wide financial statements and therefore utilize the measurement focus and basis of accounting applicable to these statements. Fiduciary funds are not reported in the government-wide financial statements.

#### Fund Financial Statements

Governmental fund financial statements use the current financial resources measurement focus and the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues and asset are recognized when they susceptible to accrual; i.e., both measurable and available. Measurable means the amount of the transaction can be determined. Available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period, generally within sixty days after year-end. Expenditures and liabilities are recognized in the accounting period in which the fund liability is incurred and due, with certain modifications. Debt service and capital lease payments are recognized when the payment is due and compensated absences, claims and judgments, and special termination benefits are recognized to the extent that the liabilities are "normally expected to be liquidated with expendable available financial resources". Fiduciary fund financial statements use the economic resources measurement focus and the full accrual basis of accounting.

---

---

## TOWN OF HENNIKER

---

Notes to Basic Financial Statements  
December 31, 2008

### E. ASSETS, LIABILITIES, AND NET ASSETS OR EQUITY

#### Cash and Cash Equivalents and Investments

The Town has defined cash and cash equivalents to include cash on hand, demand deposits as well as short-term investments with a maturity date of within three months of the date acquired by the Town.

Investments are stated at fair value (quoted market price or the best available estimate).

#### Interfund Activity

Interfund activity is reported as loans, services provided, reimbursements, or transfers. Loans are reported as interfund receivables and payables as appropriate and are subject to elimination upon consolidation. Services provided, deemed to at market or near market rates, are treated as revenues and expenditures / expenses. Reimbursements are when one fund incurs a cost, charges the appropriate benefiting fund and reduces its related cost as a reimbursement. All other interfund transactions are treated as transfers. Transfers between governmental funds are netted as part of the reconciliation to the government-wide financial statements.

#### Inventories

For fund financial statements, inventories are accounted for utilizing the purchase method. Under this method, inventories are recorded as expenditures when purchased. For government-wide financial statements, inventories are carried at cost using the first-in, first-out method.

#### Capital Assets

For government-wide financial statements, capital assets purchased or acquired, in accordance with the Town's capitalization policy, are reported at historical cost or estimated historical cost. Contributed assets are reported at fair market value as of the date received. Additions, improvements and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred. Depreciation on all assets is provided on the straight-line basis over the assets estimated useful lives.

ASSET	Capitalization	Estimated Useful
	Threshold	Lives
Land	All	na
Land Improvements	All	20
Buildings and Improvements	All	25-50
Machinery, Equipment and Other	\$1,000	5-20
Vehicles	\$1,000	7-15
Infrastructure	\$10,000	20-50

For fund financial statements, capital assets purchased for governmental operations are accounted for as capital expenditures of the governmental fund at the time of purchase.

---

---

# Report of Municipal Auditors (continued)

---

---

## TOWN OF HENNIKER

---

Notes to Basic Financial Statements  
December 31, 2008

### Compensated Absences

For government-wide financial statements the Town accrues accumulated unpaid vacation and sick leave and associated employee-related costs when earned (or estimated to be earned) by the employee. For governmental funds, only the current portion, (the amount estimated to be paid within one operating period) is accrued. The long-term portion represents a reconciling item between the fund and government-wide presentations.

### Long-term Obligations

All long-term debt is reported as liabilities in the government-wide financial statements. Long-term debt generally consists of bonds payable, capital leases, accrued compensated absences, and special termination benefits. Governmental funds reported in the fund financial statements are concerned with current financial resources only and do not report long-term debt. Instead, debt proceeds are reported as other financing sources when received and payments of principal and interest are reported as expenditures when due.

### Governmental Fund Equity

For governmental funds the unreserved fund balances represent the amount available for appropriation in future periods subject to statutory requirements and limitation; the reserved fund balances represent the amounts that have been legally identified for specific purposes and are not appropriable for expenditure; and the designated fund balances represent tentative plans for future use of financial resources.

### Revenues

Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded on the accrual basis when the exchange takes place. On the modified accrual basis, revenue is recorded when the exchange takes place and in the period in which the resources are measurable and available. Revenue resulting from non-exchange transactions, in which the Town receives value without directly giving equal value in return, generally includes grants and donations and is recognized when applicable grantor requirements, including purpose, eligibility, timing, and matching have been met.

General revenues on the Statement of Activities include property taxes and aid from various State of New Hampshire sources that are not program revenues (charges for services, or related to operating or capital grant programs).

### Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures. Accordingly, actual results could differ from those estimates.

---

## TOWN OF HENNIKER

---

Notes to Basic Financial Statements  
December 31, 2008

### NOTE 2 - STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

#### Legal Debt Limit

Per state statute, the Town may not incur debt at any one time in excess of 1.75% of its locally assessed valuation as last equalized by the Commissioner of the New Hampshire Department of Revenue Administration.

For the year ended December 31, 2008, the Town had not exceeded its legal debt limit.

#### Risk Management

The Town is exposed to various risks of loss related to property loss, torts, errors and omissions, injuries to employees and natural disasters. There have no significant reductions in coverage from the prior year and settlements have not exceeded coverage in the past three years.

The Town is a member of the *Local Government Center Property-Liability Trust, LLC (LGC)*. LGC provides certain property and liability insurance coverage's to member towns, cities and other qualified political subdivisions of New Hampshire. The Trust is classified as a "Risk Pool" as described in Statement Number 10 of the Governmental Accounting Standards Board. The Town shares in contributing to the cost of, and receiving the benefits from a self-insured pooled risk management program. The membership and protection run from July 1<sup>st</sup> to June 30<sup>th</sup>. LGC-PTL maintains a self insured retention above which it purchases reinsurance and excess insurance. Limits of protection and deductibles are set-forth in the Summary of Amounts of Protection and Public Official Schedule Bond.

Contributions paid in 2008 for FY2009, ending June 30, 2009, to be recorded as an insurance expenditure totaled \$57,743. Additional contributions paid in 2008 for FY2009, ending June 30, 2009 to be recorded as an insurance expenditure totaled \$821. Refunds due to the Town in 2008 for FY2009, ending June 30, 2009 totaled \$0.

The Town purchases workers compensation insurance through Primex. Primex is a pooled risk management program under RSA 5-B and RSA 281-A. The Primex board has retained \$500,000 of the risk of each loss and has decided to self-insure the aggregate exposure and has allocated funds based on actuarial analysis for that purpose. The member participation agreement permits Primex to make additional assessments to members, should there be a deficiency in contributions for any member year, not to exceed the member's annual contribution. At this time, Primex foresees no likelihood of an assessment for this or any prior year.

# Report of Municipal Auditors (continued)

---

---

## TOWN OF HENNIKER

---

Notes to Basic Financial Statements  
December 31, 2008

### Claims, Judgments and Contingent Liabilities

#### Grant Programs

The Town may participate in state, federal and private funded programs, which are governed by various laws, regulations, contracts and agreements of the grantor. Costs charged to these programs are subject to audit or review by the grantor; therefore, to the extent that the Town has not complied with laws, regulations, contracts and agreements of the grantor, refunds of money for any disallowed claims, including amounts already collected, may constitute a contingent liability of the Town. At December 31, 2008, the Town believes that there are no significant contingent liabilities relating to compliance with the laws, regulations, and contracts and agreements governing these programs; therefore, no provision has been recorded in the financial statements for such contingencies.

#### Litigation

The Town is subject to various claims, and sometimes lawsuits, which arise in the normal course of operations. Management of the Town believes that the outcome of these contingencies will not have a materially adverse effect on the financial statements and accordingly, no provision for loss has been recorded.

## TOWN OF HENNIKER

Notes to Basic Financial Statements  
December 31, 2008

### NOTE 3 - DEPOSITS AND INVESTMENTS

Deposits and investments as of December 31, 2008 are classified in the accompanying financial statements as follows:

Statement of net assets:	
Cash and investments	\$ 5,878,426
Fiduciary funds:	
Cash and investments	-
	<u>\$ 5,878,426</u>

Deposits and investments as of December 31, 2008 consist of the following:

Cash on hand	\$ 120
Deposits with financial institutions	3,526,042
Investments	<u>2,352,264</u>
	<u>\$ 5,878,426</u>

#### Credit Risk – Deposits

The Town maintains deposits in accordance with RSA 41:29 which states that the treasurer shall deposit all such moneys in participation units in the public deposit investment pool established pursuant to RSA 383:22 or in solvent banks in the state, except that funds may be deposited in banks outside the state if such banks pledge and deliver to a third party custodial bank or the federal reserve bank collateral security for such deposits, United States government obligations, United States government agency obligations, or obligations of the state of New Hampshire in value at least equal to the amount of the deposit in each case. The amount of collected funds on deposit in any one bank shall not for more than 20 days exceed the sum of its paid-up capital and surplus.

#### Credit Risk - Investments

The Town maintains investments in accordance with RSA 41:29 which states that whenever the town treasurer has in custody an excess of funds which are not immediately needed for the purpose of expenditure, the town treasurer shall, with the approval of the selectmen, invest the same in obligations of the United States government, in the public deposit investment pool established pursuant to RSA 383:22, in savings bank deposits of banks incorporated under the laws of the state of New Hampshire or in certificates of deposits and repurchase agreements of banks incorporated under the laws of the state of New Hampshire or in banks recognized by the state treasurer. Any person who directly or indirectly receives any such funds or moneys for deposit or for investment in securities of any kind shall, prior to acceptance of such funds, make available at the time of such deposit or investment an option to have such funds secured by collateral having a value at least equal to the amount of such funds. Such collateral shall be segregated for the exclusive benefit of the town. Only securities defined by the bank commissioner as provided by rules adopted pursuant to RSA 386:57 shall be eligible to be pledged as collateral. At least yearly, the selectmen shall review and adopt an investment policy for the investment of public funds in conformance with the provisions of applicable statutes.

# Report of Municipal Auditors (continued)

## TOWN OF HENNIKER

Notes to Basic Financial Statements  
December 31, 2008

Investments made by the Town as of December 31, 2008 are summarized below:

	Balance	Rating	Rating Agencies
Money market funds	\$ 274,234	na	
U.S. government securities	158,635	na	
Equities	936,463	na	
Mortgage backed securities	14,426	na	
Corporate bonds	447,515	na	
Mutual funds	<u>520,991</u>	na	
	<u>\$ 2,352,264</u>		

### Concentration of Credit Risk

The Town does not have a formal investment policy that limits the amount the Town may invest in any one issuer. Investments of 5% or more of the Town's investments are as follows:

		%
Money market funds	\$ 274,234	12%
U.S. government securities	158,635	7%
Equities	936,463	40%
Mortgage backed securities	14,426	1%
Corporate bonds	447,515	19%
Mutual funds	<u>520,991</u>	<u>22%</u>
	<u>\$ 2,352,264</u>	<u>100%</u>

### Interest Rate Risk

The Town does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

### Custodial Credit Risk

Custodial credit risk for deposits is the risk that in the event of a bank failure, the Town's deposits may not be returned to it. The Town does not have a policy for custodial credit risk on deposits. The town's bank balance as of December 31, 2008 was \$2,117,974. Of that amount, \$234,646 was covered by FDIC insurance, \$1,877,536 was covered by a Tri-Party Collateral agreement between the town, Citizens Bank and the Bank of New York, and \$5,792 was uninsured and not collateralized.

For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the Town will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. Of the Town's \$2,352,264 in various investments, \$0 is held by the investment's counterparty, not in the name of the Town.

### NOTE 4 - INTERFUND BALANCES AND TRANSFERS

#### Balances

Individual interfund balances at December 31, 2008 consisted of the following:

	Due From	Due To
Major Funds:		
General fund	\$ 261,812	\$ 59,692
Nonmajor Funds:		
Library fund	-	-
Capital reserves	-	-
Water fund	-	84,222
Sewer fund	-	177,555
Parks fund	-	35
Conservation fund	59,692	-
	\$ 321,504	\$ 321,504

#### Transfers

Individual interfund transfers for the year ended December 31, 2008 consisted of the following:

	Transfers In	Transfers Out
Major Funds:		
General fund	\$ 248,209	\$ 242,940
Common trust funds	-	23,209
Nonmajor Funds:		
Capital reserves	225,000	225,000
Conservation fund	17,940	-
	\$ 491,149	\$ 491,149

The Town makes routine transfers during the year between the general fund and other funds based upon statutory or budgetary authorization.

## TOWN OF HENNIKER

Notes to Basic Financial Statements  
December 31, 2008

### NOTE 7 - LONG-TERM LIABILITIES

The Town can issue general obligation debt instruments to provide funds for the acquisition and construction of major capital equipment, infrastructure and other facilities. General obligation debt instruments are "direct government obligations" and consequently are a pledge of the full faith and credit of the Town. The Town is obligated under certain leases accounted for as capital leases. The leased assets are accounted for as capital assets and capital lease liabilities in the government-wide financial statements. In the governmental fund financial statements the lease is recorded as an expenditure and other financing source in the year executed; annual lease payments are recorded as expenditures when paid. Other long-term obligations include compensated absences and early retirement obligations.

A summary of long-term liabilities outstanding at December 31, 2008 is as follows:

	General Obligation Bonds	Capital Leases	Compensated Absences	Unamortized Bond Premiums	Total
Beginning balance	\$ 1,490,000	\$ -	\$ 160,529	\$ 26,736	\$ 1,677,265
Additions	-	-	7,984	-	7,984
Reductions	(190,000)	-	-	(3,508)	(193,508)
Ending balance	<u>1,300,000</u>	<u>-</u>	<u>168,513</u>	<u>23,228</u>	<u>1,491,741</u>
Current portion	180,000	-	-	1,548	181,548
Noncurrent portion	1,120,000	-	168,513	21,680	1,310,193
	<u>\$ 1,300,000</u>	<u>\$ -</u>	<u>\$ 168,513</u>	<u>\$ 23,228</u>	<u>\$ 1,491,741</u>

Long-term liabilities outstanding at December 31, 2008 consisted of the following:

	Issue Year	Interest Rate	Maturity Date	Original Amount of Issue	Amount Outstanding 12/31/08
<u>General Obligation Bonds</u>					
Fire station bond	1994	Var	2015	\$ 132,900	\$ 35,000
Sewer bond	1988	Var	2008	100,000	-
Transfer station bond	1990	Var	2010	315,000	30,000
Landfill closure/septage	1995	Var	2015	910,000	265,000
Landfill closure bond	1998	Var	2018	150,000	50,000
Water storage tanks	2001	Var	2021	575,000	365,000

## TOWN OF HENNIKER

---

Notes to Basic Financial Statements  
December 31, 2008

### NOTE 8 - PROPERTY TAXES

#### Property Tax Calendar

The Town is responsible for assessing, collecting and distributing property taxes in accordance with state legislation. The property tax year is from April 1 - March 31. Unpaid property taxes may be liened (following statutory notification and procedural guidelines) as soon as 30-days after the final bill (or installment) is due. Unpaid taxes are assessed interest at a rate of 12% up to the "lien date," at which time the rate increases to 18%. Two years from the execution of the real estate tax lien the Tax Collector may execute to the lienholder a "deed" of the property subject to the real estate tax lien and not redeemed (paid).

#### Revenue Recognition

The Town recognizes property tax revenues when they are levied (i.e., after a warrant for collection is committed to the Tax Collector by the Board of Selectmen). This is a GAAP departure (from *GASB Statement #1* generally, and specifically *NCGA Interpretation -3 "Revenue Recognition - Property Taxes"*). Under GAAP, certain disclosures are required of property tax revenues that are not received during the period, or within 60-days thereafter, that are recognized as receivables without a corresponding reserve. The Town believes that this application of GAAP to its property tax revenues would result in misleading financial statements since such GAAP application would reduce fund balance by the amount of uncollected property taxes; concurrent with a GAAP requirement to record an expenditure (and payable) for the amount due to the local education authority (such amount based solely on a share of the uncollected property taxes). This GAAP departure as applied to New Hampshire towns was addressed by the GASB in 1984. The GASB, in responding to an inquiry on this matter, provided justification for the departure from the 60-day rule due to the unique legislation in the State of New Hampshire regarding the Town's responsibility for (and expenditure recognition of) intergovernmental payments to the local education authority (school district). This justification has been reviewed and accepted by the New Hampshire Department of Revenue Administration (which requires GAAP-based regulatory reporting) and has been established as a widely prevalent practice followed by most New Hampshire towns.

## TOWN OF HENNIKER

Notes to Basic Financial Statements  
December 31, 2008

### NOTE 9 - PENSION PLAN

The Town participates in the New Hampshire Retirement System (the "System"), a cost-sharing multiple-employer defined benefit pension plan and trust established in 1967 by RSA 100-A:2 administered by a Board of Trustees. The plan is a contributory plan that provides service, disability, death and vested retirement benefits to members and their beneficiaries. Benefit provisions are established and may be amended by the New Hampshire State Legislature. The System issues a publicly available financial report that includes financial statements and required supplementary information for the System. That report may be obtained by writing to New Hampshire Retirement System, 4 Chenell Drive, Concord, New Hampshire 03301.

The System is funded by contributions from both the employees and the Town. Per RSA-100:16, plan member contribution rates are established and may be amended by the New Hampshire State legislature while the employer contribution rates are determined by the System Board of Trustees based on an actuarial valuation. Plan members are required to contribute 5.0%, for Group I employees, and 9.3%, for Group II employees, of their covered salary and the town is required to contribute at an actuarially determined rate. The Town's contribution rates for the year ended December 31, 2008 were 8.74% for Group I employees, 11.84% for Group II Policemen, and 15.92% for Group II Firemen, as applicable. The Town contributes 65% of the employer cost for police and firemen employed by the Town and the State contributes the remaining 35% of the employer cost. The State of New Hampshire contributions represent on-behalf fringe benefit payments, which in accordance with GASB Statement No. 24, are required to be reported as a revenue and expense in the statement of activities and as a revenue and expenditure in the governmental funds statement of revenues, expenditures and changes in fund balances. The Town contributes 100% of the employer cost for general employees of the Town (if applicable). The Town's contributions to the System for the years ending December 31, 2008, 2007, and 2006 were \$164,085, \$142,968, and \$117,172, respectively. For the year ended December 31, 2008 on-behalf fringe benefit payments made by the State of New Hampshire amounted to \$36,067.

### NOTE 10 - DEFERRED COMPENSATION PLAN

The Town offers to its full-time employees a deferred compensation plan in accordance with an agreement entered into on April 30, 1985. The plan is administered by the The Copeland Companies, under section 457 of the Internal Revenue Code and RSA Chapter 101-B of the statutes of the State of New Hampshire. Participation in the plan is optional to eligible employees.

Contributions to the plan are made through employee withholdings under the terms identified in each employee's Participant Agreement.

Participants shall elect a payment option, from those available under the Investment Contract, at least 30 days before the payments of benefits is to commence. If a timely election is not made then the benefits will be paid as a Life Annuity with payments guaranteed for 10 years.

### NOTE 11 - POST-RETIREMENT HEALTH CARE

The Town does not provide post-employment health-care benefits except those mandated by the Consolidated Omnibus Reconciliation Act (COBRA). The requirements established by COBRA for post-employment health-care benefits provide that employees who elect coverage under the Act are responsible for the cost.
