**ALPHONSE J. SUROWIEC**

**1922 - 1970**

Al Surowiec has served as a selectman in Sanbornton since 1959. Most of his responsibilities and experiences in that capacity he found challenging; some he found discouraging; all he found educational.

One of his most recent special assignments was to the "police committee" directed by vote of the 1970 Town Meeting. He would have taken great satisfaction in assisting in the selection and appointment of the first full-time police officer for the town, as protection of our people and their property has been of concern to him for many years.

It was this same desire to protect people and property that prompted him to join the Fire Department when it was organized in 1951. He was very proud of the department, and was always seeking ways to improve it.

His life was unspectacular. He lived quietly and responsibly, giving freely of his time and energy to better his community. Never did he realize in what high regard he was held by that community.

## SELECTMEN'S REPORT

Our Bicentennial Year of 1970 with all the various events that took place is now history. The program was a success and enjoyed by a great many people. We all join in a big Thank You to the Bicentennial Committee who devoted so much time and effort to plan and coordinate all the events which made the Celebration a success. Reports of the Bicentennial Committee (Mrs. M. Atwood, Mr. R. Carpenter, Mr. O. Joslyn, and the Selectmen) will be found on another page.

The Selectmen wish to thank the Citizens Committee appointed by the Moderator for their report and assistance in the selection of the Chief of Police. With the appointment of a full time Police Chief some things that have been left undone no doubt will be better controlled in the future.

Work continues on the rebuilding of Morrison Road and Hale Road up to the boundary line of the Mrs. Pierce property. It has been readied for black top and should be done this year.

We again remind all students who wish to apply for a scholarship that applications may be acquired from the school principal and must be filed at his office on or before May 1st, 1971.

The Selectmen wish to thank the Persons Concrete Corporation for the gift of a used Photo Copy Machine—this is a most welcome addition to our office equipment.

Both the Town Hall and the Library Building had an outside paint job this past year and some repairs were made on the Town Hall Foundation.

The New Hampshire Water Pollution Commission has ruled that open dump burning must cease by 1975. The Selectmen, with the help of some interested citizens will have a report to present at the 1972 March meeting.

The Selectmen again ask that you file your inventories and wish to call to the attention of all taxpayers that legally they have no recourse regarding their assessment for tax purposes unless they have returned their inventory blanks to the assessors before April 15th.

Last December the residents of Sanbornton were shocked to learn of the sudden death of one of their Selectmen, Al Surowiec. Al was born and raised in Sanbornton, was a real gentleman at all times, ever ready to lend a helping hand and was a conscientious, fairminded Selectman. We dedicate this Town Report in memory of Al.

The Selectmen wish to thank each and everyone for their help and assistance during this past Bicentennial year.

**Division of Municipal Accounting**  
**STATE TAX COMMISSION**  
Concord, New Hampshire

February 19, 1971

**SUMMARY OF FINDINGS AND RECOMMENDATIONS**

Board of Selectmen  
Sanbornton, New Hampshire  
Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Sanbornton for the fiscal year ended December 31, 1970, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audit reports must be given to the Town Clerk as part of the permanent records.

**SCOPE OF AUDIT**

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Library and Fire Department.

**FINANCIAL STATEMENTS**

**Comparative Balance Sheets — December 31, 1969 and December 31, 1970:**  
(Exhibit A-1)

Comparative Balance Sheets, as of December 31, 1969, and December 31, 1970, are presented in Exhibit A-1. As indicated therein, the Net Debt of the Town decreased from \$19,773.39 to \$3,721.08 during 1970.

**Analysis of Change in Financial Condition:** (Exhibit A-2)

An analysis of change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

<b>Analysis of Change in Financial Condition</b>	
<b>Decreases in Net Debt:</b>	
Net Budget Surplus	\$5,499.76
Long Term Notes Paid	11,550.00
Decrease in Accounts—	
Payable — Yield Tax	35.36
	<hr/>
	\$17,085.12
 <b>Increases in Net Debt:</b>	
Surplus Used To Reduce Tax Rate	\$1,000.00
Tax Collector's Excess Credits — Net	32.81
	<hr/>
	1,032.81
	<hr/>
<b>Net Decrease in Net Debt</b>	<b>\$16,052.31</b>

**Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues: (Exhibits A-3 and A-4)**

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1970, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$3,187.53 plus a net unexpended balance of appropriations of \$2,312.23 resulted in a net budget surplus of \$5,499.76.

**Summary Statement of Receipts and Expenditures: (Exhibit B-1)**

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1970, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1970, is indicated in Exhibit B-2.

**Statement of Long Term Indebtedness: (Exhibit H)**

A statement of outstanding long term indebtedness as of December 31, 1970, showing annual debt service requirements, as contained in Exhibit H.

**AUDIT PROCEDURE**

The accounts and records of all town officials charged with the custody, receipts and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to changes which may be necessitated by the return of verification notices.

**GENERAL COMMENTS**

**Current Surplus:**

The current surplus (excess of total assets over current liabilities) increased by \$4,502.31 in 1970, from \$20,791.61 to \$25,293.92, as shown herewith:

	December 31,1969	December 31,1970
Total Assets	\$160,400.53	\$180,039.01
Current Liabilities	139,608.92	154,745.09
Current Surplus	\$20,791.61	\$25,293.92

**Conclusion:**

The provisions of Chapter 184 of the Laws of 1955 require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in the audit report is optional, at the discretion of the Board of Selectmen.

We extend our thanks to the officials of the Town of Sanbornton for their assistance during the course of the audit.

Very truly yours,

Frederick E. Laplante, Director

DIVISION OF MUNICIPAL ACCOUNTING

## SANBORNTON FIRE DEPARTMENT

Our "Bicentennial Year" proved to be a very active year for the Fire Department.

Many hours were spent in cutting and clearing the trails for the Snowmobile Races and in policing the event. The races proved to be a financial success for the Department.

We now have twenty-one "Plectron" receivers installed in the firemen's homes. This is a tremendous advance in our alerting system.

The Department responded to thirty fire calls—seventeen in town and thirteen mutual aid calls.

Many hours were spent by the firemen in training, one hundred ninety-five man hours were spent attending a course sponsored by the State Board of Education, and eighteen men attended the Fire School at Lily Pond.

The Department suffered a great loss in the tragic death of Assistant Chief Alphonse Surowiec. There can never be a more loyal member. A memorial Fund has been established, the interest of which will be used for Educational Purposes in Sanbornton. We welcome donations.

Many thanks to the Ladies Auxiliary for their untiring efforts in behalf of the Fire Department.

The budget for the Mutual Aid Communications Center has been prepared and presented to the County Delegation for action. When the Center becomes a reality it will be a tremendous step forward in the fire service as well as an insurance relief for the townspeople.

The Department acknowledges the valuable assistance of the Lakes Region Mutual Fire Aid Association.

GEORGE S. CURRIER  
Fire Chief

## **WOMEN'S AUXILIARY OF THE SANBORNTON FIRE DEPARTMENT**

The Women's Auxiliary of the Sanbornton Fire Department was founded on November 18, 1969. The first officers were President, Ruth Gray; Vice President, Gertrude Beadle; Secretary, Joyce Craig; and Treasurer, Aileen Cole. Its aim is to assist the fire department through canteen service at the scene of fires, fund raising and aiding other department projects. The first activity was to put on the Snowmobile Supper in January, 1970, as part of the Bicentennial Celebration. A booth in the Old Home Day "Fair" representative of the Old Country Store was stocked with pickle and cracker barrels, penny candy and wheels of cheese. In September the women assisted with the annual supper for N.H. Fire Chiefs. On all three occasions they wore old-fashioned dresses.

Average man hours per call	— 28.7

There are at present 31 volunteer firemen and 4 junior firemen enrolled in the Department. A Regular Meeting, Officers' Meeting and Drill is held once each month as well as attendance at Mutual Aid Meetings and Fire Schools.

Nine Members completed the Standard Fire Aid course given by the Red Cross.

Five more Radio Alert receiving units have been purchased making a total of 15 units.

The Winnisquam Fire Station was used as a meeting place by the following organizations:

The 4-H Club, Fire Mutual Aid Association, The Happy Helpers, Belknap County Law Enforcement Assn., Winnisquam Boat & Ski Club, Lake Shore Drive Assn., The N.R.A., Belmont Shores Assn., Sanbornton Bay Assn.

More than 200 children in the Winnisquam Area attended this year's Annual Carol Davis Children's Christmas Party and were given ice cream, candy and presents by a real Santa Claus and had a ride on the Fire Truck.

The present fire equipment consists of:

1	-	1968	—	1000 gallon pumper
1	-	1952	—	850 gallon pumper
1	-	1951	—	350 gallon pumper

## REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The 1970 forest fire season was a quiet one in this area, quiet in part because of your continued cooperation and favorable weather conditions.

Fires that did occur were, for the most part, caused by debris burning, children and smokers.

The elimination of these three causes of forest fires would drastically change this picture—to bring about this change we make the following suggestions:

1. When the ground is not covered with snow a permit to burn must be obtained from the Forest Fire Warden. This permit covers waste burning, even if in an incinerator, grass burning, as well as garden trash and brush burning such burning is restricted by regulation to prior to 9:00 A.M. and after 5:00 P.M. with the following exceptions:

Commercial or industrial burning is permissible at any time under normal conditions but only with the approval of the District Chief and a written permit from the Forest Fire Warden.

2. Fires caused by children can be prevented only with the complete cooperation of parents in the supervision of their children, keep matches out of reach of children, this action will help to prevent fires and may save a life, the life of your child. Try to explain this to your child, won't you?
3. Forest fires caused by smokers can be reduced in number by the exercise of more care in the discarding of matches and smoking material whether from a vehicle or by a hiker. In all cases, make sure that the butt or match you discard is out, dead out. Smokey says, "Thanks for your help," and invites you to join with him in setting a good example for others in the prevention of fires and the protection of our environment.

Number of fires reported and acres burned:

STATE	484 fires	244 acres
DISTRICT	74 fires	67 acres
TOWN	2	1/2 acre

Fire Permits issued in Sanbornton — 119

**ANNUAL REPORT OF THE  
SANBORNTON PLANNING BOARD**

At a Special Town Meeting on July 20th, after three years of meetings, hearings, and deliberations, the residents voted affirmatively on a group of amendments to the Zoning Ordinance. By this action new "Set-back" distances were established, and Travel Trailer and Mobile Home definitions were clarified. The most far reaching and important amendment voted was that calling for the establishment of two Forest Conservation Districts in the town, with minimum lot sizes of six acres. The Zoning ordinance has been reprinted and copies are available to all citizens at the Town Clerk's office.

The opposing forces of land development versus environmental preservation collided in Sanbornton at a public hearing relative to the proposed subdivision of five hundred acres on Steele Hill. Over 100 concerned citizens came to the Town Hall to express their fear of the problems such rapid massive development would bring to the town. Subsequent meetings of the Planning Board have been very well attended and, as a result of the citizens' desire for stricter controls, further changes in the Sanbornton Zoning ordinance will be presented for a vote on Town Meeting Day, March 9, 1971.

If approved by the peoples ballot this amendment will divide the present General Residence and Agricultural District into zones with minimum lot sizes of 1½ acres, 3 acres and by extending the Hopkinson Hill Forest Conservation District back over Steele and Eastman Hills change this latter area to six acre minimum lots. The amendment will change the present recreation area around Hunkins Pond to General Agricultural with a 3 acres minimum lot size and will increase the minimum lot size requirement in the remaining Recreation Districts from 15,000 feet to 1½ acres. Finally a 600 foot wide strip on either side of all existing town roads within the Forest Conservation Districts will be General Agricultural with 3 acre minimum lot sizes.

With the establishment of minimum lot size of 6 acres in the Forset Conservation Districts in the more remote areas of the town, Sanbornton is unique in the state of New Hampshire and the envy of many concerned citizens now trying to preserve their home environment from the too rapid change that is brought about by the mass developer whose only interest is profit.

The Library has continued to serve the children attending the Sanbornton Central School, as well as our adult readers.

The Library participated in the Sanbornton Bicentennial in three ways. The building, which was featured on the Bicentennial coin, was painted on the outside in early summer. An open house at the Library was held on August 22nd as part of the festivities.

A continuing project was initiated in honor of Sanbornton's 200th Birthday. A collection of Old Sanbornton pictures, photographed and put on slides, was begun. The current collection of about one hundred pictures of old pictures was shown by Trustee Barbara Akerman to the June meeting of the Sanbornton Historical Society and to the November meeting of the Sanbornton Bay Grange.

Our thanks to Mrs. Mildred Coombs, Mrs. Ellen Jesseman, Mrs. Bonnie Randall, and Mrs. Priscilla Bodwell for their help at the Library during 1970.

## 1970 SANBORNTON CONSERVATION COMMISSION REPORT

Members of the commission looked at town owned land to be considered for multiple use management which would stress sound conservation principles. The parcels which have been examined to date are the Hermit Lake parcel, the "Town Forest" at the old fairgrounds, and a small old growth hardwood lot at the south side of Hunkins Pond Road. Selectman Craig has been of assistance in locating town owned parcels. Assistance in this planning is being given by our county forester, Don Scott. Mr. Scott has also assisted the commission in obtaining soil survey maps of the town and county, and aided us in becoming familiar with how to use the maps, and the information contained in the survey.

Seedlings of several varieties of trees will be donated to the town nursery by the commission and individual members this spring.

Some members (or) (Wayne Smart and Dave McKay) are sharing the duties of attending the town and Lakes Region Planning Board meetings when possible, in order to offer assistance in conservation matters and also to keep the Conservation Commission advised of current developments in the planning area.

A previously arranged shrub planting project around the town offices and the adjoining pond was combined with a fishing derby for the youngsters as a part of the Sanbornton Bi-Centennial celebration. Considerable effort was devoted to this combined project by each member of the commission, and we were all pleased to see the children eagerly participate in both the shrub planting and the fishing derby.

The success of the derby was enhanced by the assistance of Dr. Carpenter in both the planning and the execution of the affair, and the commission wishes to thank him for his participation. Some Bi-Centennial coins were awarded to youngsters as a part of the derby.

Recently, arrangements have been made to coordinate the improvements to the town owned forest land with the vocational and agricultural departments of Tilton-Northfield High School. Students, under the supervision of their teachers and with guidance from the commission and our county forester, will perform timber stand improvement work on certain town owned woodlands.

During the year Mr. Bodwell and Mrs. Dyment attended soil conservation meetings at the Forestry Building in Laconia. Present commission members are:

David P. McKay, Chairman

Mrs. Dexter Dyment, Secretary-Treas.

Mrs. Joseph Macozek, Publicity Chairman

Robert Bodwell, Mrs. Chester Novicki, Wayne Smart

## REPORT OF THE BICENTENNIAL COMMITTEE

The celebration of our town's 200th birthday began on January 3-4 with Snowmobile races and a Coronation Ball sponsored by the Lakes Region Snowmobile Club and the town fire department. This was followed by a different event each month, ranging from a Children's fishing derby to the August Old Home Day and Mini Fair.

It was our plan to have something of interest to all groups without adding to our taxes. The treasurer's report will show that we have paid to the town the advance given us, also the expenses of legal advice and insurance. In addition, we gave \$750.00 to implement a grant for the restoration of the Lane Tavern; donated \$150.00 to the P.T.A. Scholarship Fund and \$150.00 to the Firemen's Fund in loving memory of our Chairman, Alphonse J. Surowiec, who was called from our midst just two days after our final observance.

We plan to prepare two albums to preserve an account of the year's events. These will be kept at the Library and the Selectmen's Office. This may finish our activities. The Bicentennial coins which financed the major part of the year's events are practically gone. Only a few other mementoes remain.

The cooperation of all participants was deeply appreciated by your committee. We feel that all deserve a personal "Thank You." While that is impossible, we think that Dr. Carpenter deserves recognition for his labors in getting the Coin manufactured "just so" also for his design which he submitted, very ably shared by our Robert Wiggins. We would thank the local merchants who underwrote the printing of the "Program of Events."

Today we join all the citizens of Our Town and its friends in wishing Sanborn Town "Happy Birthday" with 200 or more to come!

## REPORT OF THE RECREATION COMMITTEE

The recreation committee wishes to review the activities and projects we have organized and carried out during 1969 and 1970 in the town of Sanbornton.

### Summer 1969:

It was voted to give \$30.00 to the Sanbornton Softball Team for the required entry fee in the Laconia Softball League. As a result of the team's hard work they became the league champions.

A complaint was published in the local paper in regard to the condition of the Sanbornton Town Beach on Lake Winnisquam. In answer to this complaint, the recreation committee submitted a written statement of the rules and regulations of the beach as well as the plans for the present and future improvements of the area. This statement was published the following day in the local newspaper.

The wooded area was raked and cut, and the brush burned. We hope to also have a fence put up along the boundaries in the near future. Our many thanks to all the volunteer help from local interested residents assisting us in this project.

Through the efforts of the health officer and the recreation committee, two chemical toilets were leased for the summer season. Weekly rubbish collection was arranged for during the summer season. Robert Gilman brought in sand for the beach area which added greatly to the safety and enjoyment of everyone using it during the summer season.

George Cotsibas was in charge of the swimming program. Swimming tests were given through the Franklin Rd Cross Chapter by Martha Morin, certified to do testing.

### Winter 1969-1970:

The ski tow was put in readiness by interested local residents and was operated on weekends and during school vacations weather permitting. Bi-Centennial Ski Races were held February 28, 1970. Approximately 60 parents and children attended, watching and participating, in spite of the snow and wind conditions that day. Trophies and ribbons were purchased from Saymore Trophy Company in Laconia by the bicentennial committee. Engraving on the trophies was done after the race by Saymore Trophy. Trophies were won by Philip Bodwell, Roger Glines, Dori Wiggin, and Willie Ellis. Ribbon winners were Gerry Morrison, Louis Brooks, Nancy Wiggin, Brian Picciano, Evelyn Sanborn, Michael Glines, Joel Ellis, Walter Joslyn, Melissa Powers, and Cheryl Joslyn. Cocoa and cookies were served to everyone at the school after the event.

Much help was given by many townspeople to help make the event a success and the recreation committee is grateful to all for their help.

### Spring and Summer 1970:

The recreation committee cooperated and helped the Conservation Committee with the Bicentennial Fishing Derby held at the fire station pond May 23, 1970. Prizes were given for the various fishing contests.

The swimming program began with the rebuilding of the raft. Foam blocks were used on the bottom instead of the old barrels to float it on. New chain was bolted on for a stronger way of anchoring the raft. Picnic tables and rubbish containers were placed at the beach. Sand was brought in for the beach, regular rubbish collection started and the chemical toilets were brought in for the summer season. A certified Red Cross swimming instructor, Martha Morin, was hired to conduct the swimming program. We had a good attendance and the results were very rewarding.

#### **Winter 1970:**

The ski tow underwent its usual check up for the winter operation by local townspeople. Haven Sanborn took care of the necessary ski registration. New snow fence was purchased and Bill Powers had it placed in the safety areas. The ski tow hours are: Saturday and Sunday—1:00 P.M. to 4:00 P.M. and during school vacations—weather permitting.

The recreation committee wishes to thank Bill Powers for the many hours devoted to running the ski tow.

A parcel of land was sold by the Town of Sanbornton and the money from it will be placed in the recreational fund for the town. Expenses for 1970 will be paid from this fund as voted by the residents last year. It is the hopes of the recreational committee that the money from this sale can be used for permanent improvements and projects rather than to be used just as yearly expenses each year.

#### **Expenses for 1969-1970:**

- June \$30.00 Softball League Fee
- August \$109.00 Swimming Instructor and Expenses
- Sept. \$8.00 Swimming Testing
- Oct. \$115.00 Toilets at Beach
- Nov. \$10.00 Ski Tow Registration

#### **1970**

## **PRESERVE THIS REPORT**

---

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters in advance. It should be borne in mind that if copies are left at home there may not be a sufficient number at the hall to go around on town meeting day. This year, or any year, it is desirable for you to have a copy of the annual report as soon as issued. It is also important for you to preserve and bring it with you town meeting day.
