THE COVER

This is a copy of the earliest map in existence today of the town of Stratham. The historic reproduction was produced for wide distribution during the 250th observance.

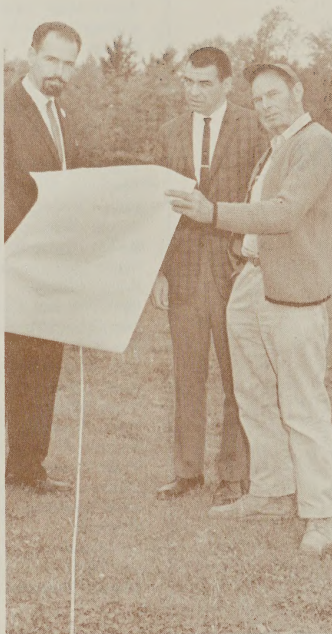

FOREWORD

It was an eventful year for Stratham, 1966. It saw the climax of two years' worth of planning and hard work in a highly successful and long to be remembered 250th anniversary observance. There was fun all year, of course, but there was a great lesson learned also. Through the pages of the history that was published, and by the varied programs held throughout the year, Stratham got a fine insight to the very rich heritage it enjoys.

The pages of this annual report tell of some of the highlights of our year with special emphasis on the highly imaginative entries in the 250th anniversary parade. Also, the traditional reports have been included, pared wherever possible to make meaningful reading. Should any taxpayer seek further information about his town government, he should contact the selectmen or other town officials.

We hope that now, after the fine tribute to our past, we can continue to work in the future for the very best interests of this community. There's always considerable work to be done, as this report indicates, and we always are ready to listen to constructive suggestions for getting it done efficiently and economically.

AN OPEN LETTER OF APPRECIATION

*250th Anniversary Committee, Inc.
Town of Stratham, N. H.*

GENERAL CHAIRMAN:
Charles B. Nelson

VICE CHAIRMAN:
Robert Goodrich

SECRETARY:
Elizabeth Batchelder

TREASURER:
Nelson Barker

FINANCE COMMITTEE:
Isabel Colwell

It is with a great deal of pride we submit the financial report of the 250th Anniversary. Over the last two years we had been authorized by the town and its organizations to put on a birthday celebration, second to none, this we feel was accomplished.

Thanks to all the wonderful people of Stratham who contributed so much of their time and effort and more particularly to the thirty committee chairmen who worked so diligently to make this affair such a great success.

As the challenge of this great milestone in our history has been met so successfully we charge our future citizens and generations to carry on and to keep Stratham always at the forefront.

CHARLES B. NELSON
General Chairman of the
250th Anniversary Committee

TOWN WARRANT TO BE
ACTED ON MARCH 11

STATE OF NEW HAMPSHIRE
STRATHAM TOWN WARRANT

To the Inhabitants of the Town of Stratham in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Stratham on Tuesday, the 14th day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to amend the Zoning and Land Use Ordinance adopted at the special Town meeting held June 10, 1959, as follows:

A. To amend Article IVa, Section H, paragraph 4 by substituting for the words "40,000 square feet" the words "one acre" so that Article IVa, Section H, paragraph 4 amended will read: "Minimum Land Area. A lot shall not be less than one acre."

B. To omit Section E of Article

IV: "Customary home occupations carried on in the house by a resident person. The outside display of items other than home products produced on the premises is not permitted."

4. To see if the Town will vote to amend the Building Ordinance adopted at the annual Town meeting held March 12, 1957 as follows:

A. To omit Section I of Article I and insert in lieu of it the following Section I of Article I: "No building or structure shall be erected, and no building shall be structurally altered, maintenance and interior remodelling excluded, without a building permit from the Building Inspector, to whom adequate plans and specifications of the proposed building or alterations shall be submitted. The fees for permits shall be according to the following schedule:

VALUE — \$5,000 and under;
PERMIT fee \$5.00.
VALUE \$5,000.00 and over;
PERMIT fees \$1.00 per \$1,000.00 of value.

B. To amend Article IV, Section I, by adding paragraph g, to read: "Before issuance of a building permit, the Building Inspector may require that property lines be properly established by iron pipes at least 1" in diameter driven into the ground at

least 2'-0" or by concrete and/or granite bounds, all to be set by a registered Engineer.

5. To see if the Town will establish a Town Conservative Commission of five (5) conservation-minded members, according to Chapter 36A, R.S.A. of New Hampshire. The Commission to be appointed within one month, with the first-named empowered to call the commission together within two months from this date.

6. To see if the Town will raise and appropriate the sum of Six Hundred Dollars (\$600.00) to install a new heating system at Wiggin Memorial Library: this sum to be supplemented by an additional Four Hundred Dollars (\$400.00), on deposit by the library trustees.

7. To see if the Town will vote to authorize the Selectmen to appoint a committee of not more than four (4) to work with them to study the feasibility of purchasing the land of David and Elizabeth Noyes on the south side of Route 101 adjacent to Stratham Hill Park.

8. To see if the Town will vote to authorize the Selectmen to take a one year option on the land of David and Elizabeth Noyes, raise and appropriate the sum of fifty dollars for the same.

9. To see if the Town desires to

have an airport for private and commercial use located, either in part or in its entirety, within the geographical limits of the Town.

10. To see if the Town will vote to allow the Selectmen to borrow money in anticipation of taxes.

11. To see if the Town will vote to allow a 1% Discount on such property taxes as are paid within 30 days from the day the Tax Warrant is committed to the Tax Collector; the date to be printed on the tax bill.

12. To transact any other business that may legally come before this Meeting.

The Polls will open from 10:00 a.m. to 7 p.m. at the Lower Town Hall to elect Town Officers and to act upon Articles 3 and 4.

The discussion and action of the other Articles in the Warrant at 8:00 p.m. in the Upper Town Hall.

Given under our hands and seal, this 16th day of February, in the year of our Lord nineteen hundred and sixty-seven.

PLANNING BOARD PROJECTS IN 1966

The planning board in the year past has been working on the expansion of two subdivisions of which one has been approved at this time.

The building ordinance of Stratham is another project of the board. There will appear in the town warrant amendments to articles which have created the most problems to our building inspector, with more amendments to follow in 1968.

We, as a planning board have also been keeping abreast of the developments of the Seacoast Regional Plan.

The planning board wishes to extend to the towns people an invitation to its meetings so that Stratham will be zoned and planned the way it is desired by the majority of the town.

WIGGIN MEMORIAL LIBRARY

The library is now open fifteen hours a week; on Thursday afternoons from 2:00 to 5:00 p.m. for the convenience of children who may get off the bus to study and do reference work. Adults are also welcome at this time. Three hundred twenty-five (325) new books have been added to the collection in addition to numerous gifts and Memorial books. One hundred dollars (\$100.00) has been received in State Aid for Juvenile non-fiction. Through the New Hampshire State Library Development Program we have also been awarded an additional \$100.00 for reference materials. The trustees, librarian and assistant librarian, meet regularly at the library on the 2nd Wednesday of each month at 8:00 p.m. Three hundred ninety-five (395) persons have active borrowing cards at the library and during 1966, the circulation was 2,474 — juvenile books; 1,676 — adult fiction and 776 — adult non fiction, making a total of 4,926 books circulated. Much progress has been made on the project of cataloging.

In cooperation with the Friends of the Library, a series of film programs have been held, which have had excellent attendance. Twenty-

one children participated in and completed the summer reading program which was open to children from grades 4-8. Two groups of pre-school children were invited to a short story hour and a visit on the bookmobile. The friends cleaned the cellar and shelved historical materials. We were hosts, for the second time, to the south-east district for a book meeting with approximately 30 people attending. The Unity Club held its library-oriented program at the library, at which Mrs. Anne Molloy, author of children's books, was the speaker.

In cooperation with the staff of Memorial School, a book fair was held in November. Profit from the sales netted each \$42.09. Our share was invested in children's classics.

The library was used extensively by the 250th anniversary committee for meetings and for headquarters, previous to the celebration. During the actual celebration, the library was open and housed several exhibits. Many questions from visitors were answered concerning genealogical and other historical information at this time. The Friends of the Library, sponsored a float in the parade.

We are grateful for the continued use of the library by many groups and individuals, and wish

to express our thanks to the Friends under the chairmanship of Mrs. Patricia Flad for their continued assistance.

Wiggin Memorial Library's Float in the anniversary parade stressed the library's founding in 1911.

FIRE DEPARTMENT

Early in the year, we received the International Fire Truck with a 750 gallon per minute pumper and a 2000 gallon booster tank. This truck was instrumental in actually saving two houses from burning and a very big help in our other fires.

This year the department had to call on six of our neighboring departments to help fight the spectacular Raedar Farm blaze.

For the first time in our brief history we were able to win two trophies in the fire truck parades of Lee and Exeter. The Fire Department float won a prize in its division of the 250th Anniversary parade.

STRATHAM HILL PARK

Stratham Hill Park is a tract of land comprising of 43 acres given to the Town of Stratham by the Hon. Edward Tuck in the year of 1905. This park to be used by the people of Stratham and surrounding Towns forever free of charge. But owned and maintained by the Town of Stratham.

There was great foresight on the part of the Hon. Edward Tuck more than 62 years ago in securing this piece of land for the enjoyment of the people in this area.

However, it also gave the people of Stratham the duty to manage and maintain this park. In the past, the three Selectmen of Stratham have always looked after this park and administered to its needs when necessary, usually with interested volunteer help because of the limited budget.

In 1950 the Selectmen appointed 3 park Commissioners to assist them in recommendations on the park. They are: Mr. Ridge Marsh; Mr. Henry Burke; and Mr. George R. Brown.

Later, in the year of 1957, the Stratham Hill Park Association was

formed. The members are all people interested in promoting and maintaining the Park. Guided by the prudential Committee, composed of the 3 Selectmen, the 3 Park Commissioners, and President, Secretary, and Treasurer, plus 3 interested members. This Association was designed and a Constitution drawn up by Lawyer Batchelder of Exeter. Regular meetings are held and records maintained and the park has been greatly improved by the Association under very limited funds. Because of the Natural Beauty of this Park, the hill, and its elevation, enabling people from the summit to look out to the East to the Atlantic Ocean and North to Great Bay presents a view unequalled by any post card.

Extending up the slopes of the hill are large, tall stately pines, providing cover for the trails and lend to more esthetic value. Without the woodland this park would be just another hill. So we must protect it and manage it properly.

Two years ago a sum of money was left to the Stratham Hill Park Association by Miss Sadie & Harriett Jewell. One third of the money was spent to improve the park, the remaining two thirds was invested by the Trustees of the Trust Funds and the Interest to be spent

each year on the Park. This money gave the Association a chance to do many improvements beneficial to the Park. Long range plans are being developed to insure continual improvements.

Accomplishments during 1966 were:

I. Development of pavilion area.

A. Completion of the enlargement of the pavilion.

B. Artesian well installed and drinking fountain.

C. Toilet facilities.

D. Lighting facilities.

E. Grading pavilion and parking area.

II. Improvement of Little League Ball Field.

A. Grading and seeding.

B. Backstop and perimeter chain link fence.

C. Concrete dug outs.

III. Bronze plaque dedicating ball field to be forever known as the "Sadie and Harriett Jewell Memorial Field."

IV. Esthetic Vista Improvement from the Summit.

V. Presented by the Rockingham County Extension Forrester for consideration of a long range forestry plan for future improvement and management of all woodland at the park.

VI. Presented by the U. S. Department of Agriculture, Soil Conservation Service, for consideration of a long range land use plan for recreation for all land at the park.

SCHOOL REPORT WARRANT

The State of New Hampshire

To the Inhabitants of the School District in the Town of Stratham qualified to vote in district affairs:

You are hereby notified to meet at the Memorial School in said District on the thirteenth day of March, 1967, at eight o'clock in the afternoon to act upon the following subjects:

1. To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen and pass any vote relating thereto.

2. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of the statutory obligations of the District.

3. To see if the District will raise and appropriate a sum not to exceed \$400.00 to extend and improve the parking lot at the Memorial School.

4. To see if the District will raise and appropriate a sum not to exceed \$8,000.00 for the establishment of a public kindergarten at the Memorial School.

5. To see if the District will raise and appropriate a sum not to

exceed \$1,000.00 for the leasing of buses for transportation.

6. To choose Agents, Auditors and Committees in relation to any subject embraced in this Warrant.

7. To transact any other business which may legally come before the meeting.

Given under our hands at said Stratham this thirteenth day of February, 1967.

May 30 — Memorial Day	

SUPERINTENDENT OF SCHOOLS REPORTS

To the School Board of Stratham,
New Hampshire:

I am pleased to submit my nineteenth annual report as Superintendent of Schools. I express my sincere thanks to each member of the Stratham School Board, supervisors, teachers, members of the Parent-Teacher Association and to the citizens for their continued cooperation and support during the year.

The school year 1966-1967 opened with the following teaching staff:

Mrs. Gwendlyn Allen, Principal,
Remedial Reading
Mrs. Judith Levis, Grade 1
Nancy Bartlett, Grades 1-2
Mrs. Adeline Liberatore, Grade 2
Mrs. Katherine Peabody, Grade 3
Mrs. Bertha Wiggin, Grade 4
Mrs. Marian Burwell, Grade 5
Mrs. Ruth Sargent, Grade 6
John Danahy, Grade 6
Mrs. Marguerite Scamman, Grade
7
Mrs. Sally Wool, Music
Mrs. Regenia Matthews, Art
Mrs. Virginia Holder, Nurse
Mrs. Anna Pike, Physical Educa-
tion
Kathleen Caddigan, Handwriting

Mrs. Ruth Sargent replaced Mrs. Allen as teacher of grade 6 last March when the Title I program was introduced. Because of the large size of grade 6 it was necessary to divide the Class and Mr. John Danahy was employed as the other grade 6 teacher.

Mrs. Sally Wool replaced Mrs. Janet Layton as teacher of music and Mrs. Anna Pike succeeded Mrs. Patricia Flad as teacher of physical education.

Mrs. Hilda Barker retired after 27 years of competent and dedicated service in the Stratham schools.

It is our sincere wish that she will enjoy many happy years of retirement.

The enrollment as of December 23 was as follows:

Grade 1	31	Grade 5	25
Grade 2	28	Grade 6	33
Grade 3	28	Grade 7	21
Grade 4	26		

This is a total of 192 pupils as compared to 196 for a corresponding date last year.

Under Title I of the Elementary and Secondary Education Act, Stratham's entitlement for 1965 -

1966 was \$4,990.00. A project was prepared and approved to provide remedial reading, speech therapy and psychological services for educationally deprived children. Mrs. Allen was relieved of her duties as teacher of grade 6 so that she could serve as a part-time remedial reading teacher and principal. A considerable amount of equipment was purchased to implement the program. A speech therapist visits the school once a week to work with students who need this service and psychological services are provided when needed. Several students are benefiting from the program.

Under Title II, Stratham received its share of the Supervisory Union allotment of library books and classroom sets of books and filmstrips. This year, in addition to more library books, it is hoped that approval will be received for the purchase of sets of maps for the upper grade classrooms.

The tuition rates for 1967-1968 as approved by the State Department of Education and announced by the Exeter School Board are as follows:

Estimated Per Pupil Cost for 1966-1967:	
Senior High students	\$546.62
Rental charge	\$ 28.38
	<hr/>
	\$575.00

Junior High students	\$487.23
Rental charge	\$ 46.77
	<hr/>
	\$534.00

These estimated per pupil costs compare with the state average per pupil costs of \$589 for high school and \$518 for junior high school for 1966 - 1967 exclusive of rental charges.

The AREA School Plan for Brentwood, East Kingston, Exeter, Kensington, Newfields and Stratham for the pupils of grades 7-12 went into effect on July 1, 1966. The first meeting of the AREA Advisory Committee was held in October and another meeting is scheduled for February.

The AREA Junior High School was voted by the Exeter School District in March, 1966, and construction of the \$1,425,000 building was started the last of August. There is every reason to believe that the building will be ready for occupancy in September, 1967.

Mr. Frederick King, Teacher consultant for Supervisory Union No. 16, explains some of the work which he is doing in the area of curriculum as follows:

We are at the beginning of a new period in the teaching of social studies. The sophisticated ideas and methods of the social scientist are

deemed accessible to the child from six to twelve years old — providing they are developed in words and situations that the child is able to handle on his own.

Last year a workshop for teachers was held in social studies education and an in-service course from the university was conducted in Exeter. Since then the State Department of Education has produced a guide called NEW VIEWPOINTS IN SOCIAL STUDIES FOR NEW HAMPSHIRE SCHOOLS, K-12.

In this Union this fall the formal study of our social studies program was begun. A curriculum study committee was established consisting of eight members from various towns in the union with the teacher consultant as chairman. Each of the committee members in addition to representing our towns also was chosen so that each grade level was represented. Each member then acts as a chairman for her grade level when each grade holds a discussion.

In addition to this, an advisory committee consisting of the principals of each school in the union, the teacher consultant and the head of the social studies department at Exeter High School will work closely with the general committee to read, review and evaluate the material and progress.

Curriculum planning is a many step process. One does not change a school program without a complete study of the existing program and the possibilities for the future. The present general committee is discussing a philosophy, determining objectives, selecting concepts to be taught, planning learning experiences, examining grade by grade content, looking at the total program sequence, selecting appropriate materials, finding ways to evaluate the program once it is underway, and in the end to have a written guide available for each teacher in social studies teaching for the schools of School Union No. 16. Each of these steps deserves lengthy consideration but space does not permit it.

We have a long way to go, and many hours will be spent in this task. We must search, however, for an education that prepares children to cope with a social world radically different from the one that exists at present. To this aim each teacher joins me in this important curriculum work. We are attempting each year to examine a different curriculum area so that we never remain static. Education is a "changing scene" and as our society changes so must our school program.

As you read these reports on the past school year, please remember

that they are your story as much as they are ours. Without the cooperation of parents and the community as a whole, none of this would have been possible.

HOW SALARY COSTS ARE MET

Superintendent

1965 - 1966

Exeter	\$6,477.78
East Kingston	319.12
Greenland	855.63
Kensington	469.90
Newfields	428.27
Stratham	699.30

\$11,750.00

Teacher Consultant

Exeter	\$4,201.80
East Kingston	207.00
Greenland	555.00
Kensington	304.80
Newfields	277.80
Stratham	453.60
State's share	2,500.00

\$ 8,500.00

Handsome beards graced our men-folk's faces in the year of our observance

THE SCHOOL HEALTH SERVICE

To the Superintendent of Schools:

The School Health Service is designed to serve the physical and emotional health needs of all children in the school system, collectively and individually, and to promote an awareness among parents of these needs and of available help through this department.

The School Nurse offers leadership and guidance to the development and maintenance of the health program. Following are some of the health services included in The Stratham Memorial School Health program this year:

Maintaining individual records of heights, weights, vision and hearing, physical examinations, histories of immunizations and diseases, and any special notes.

Vision and hearing testing; physical examinations and urinalyses in specific grades, and all referred. Follow-up of physical examination findings. If parents are not present, communication (personal or by letter) must be made. Also, conferences with the Principal and Teachers in relation to physical examinations, visual or hearing losses or other apparent problems.

Referrals for special services: crippled children; sight conservation; hearing; mental health; speech; dental, etc.

In general, dental health has been highlighted in the schools through demonstrations, clinics, and education. Our dental hygiene clinic was sponsored again this year by the Stratham Parent Teacher Association, in cooperation with the State Department of Health.

Psychological evaluations have been made available under Title I funds. Conferences with, and suggestions by the physician have aided school personnel in adjusting their approach to children's learning problems more successfully.

Pre-school clinics which are held on Registration Day are the best way we know of determining whether a child is physically and emotionally ready for Grade I. At this time heights, weights, result of vision — and in some instances hearing — tests are entered on the child's permanent school health record. Dental surveys and recommendations will be made this year under the State Dental School Readiness Program by registered state dental health hygienists. Our speech therapist will be present for such

evaluations as seem necessary. Immunizations may be brought up to date and conferences will be held with our school physician, Dr. John Tuthill.

The importance of a pre-school clinic for vision screening of children aged 3½ to 6 years cannot be overemphasized, as the earlier a Lazy-eye is discovered in a child, the more readily it will respond to treatment. We plan to hold our Lazy-eye clinic on Registration Day this year.

Health Education — Through education only can we expect most favorable returns from our efforts to establish good understanding and practices of health, hygiene, and safety. Available through the State Department of Health, the University of New Hampshire, and other sources are films, filmstrips and various helpful aids to enrich the health education curriculum. We try to present these in conjunction with special class units at a time when our material will be most meaningful to the students.

May I express my sincere appreciation to the individuals and the organizations that have helped in so many ways to make this a successful and productive year.

VIRGINIA D. HOLDER, R. N.
