REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board of Sutton District:

During the year 1944-1945 the following teachers were employed:

School	Teacher	Training	Yr. Grad.
Sutton Mills	Sadie E. Kelly	E. Tenn. Nor. U. E. C. A. T. S. N.	
North Sutton	Lorraine Cadoo	Thetford Academy	1918
South Sutton	Josiah B. Kelly	U. E. C.	1929
Music	Blanche Bailey	K. T. C.	1932

GENERAL STATISTICS

	Mills	North	South	Total 1944-45	Total 1943-44

As seen from the above table the percent of attendance was excellent and the amount of tardiness low. Other items remain about the same as in our previous report. The number of pupils residing in the district and attending public schools was 119.

Warner High School	16
New London High School	6
Andover High School	4
Warner Elementary	9
Bradford Elementary	1
Local Schools	83
Total	119

Beginning in September 1945 only two schools were opened with grades 1-4 at North Sutton and grades 5-8 at the Mills. Considerable alterations were made in both buildings to meet the new conditions. Under this arrangement the pupils in both schools seem farther advanced at this time than they would have been in a school with eight grades. A serious drawback in the plan is the large number of pupils in each school,—about 46 at the Mills and a few less at the North. For the number of pupils in the district there should be three rooms with only grades 1-2 in the primary, 3-4-5 in the intermediate and 6-7-8 in the upper grades.

The time has arrived when the district should definitely consider the construction of a three-room school building with modern equipment. In addition to the classrooms there should be a lunch room, a kitchen, and a teacher's room or nurse's room where sick pupils may rest until taken home. Under this arrangement teachers and pupils could do better work under more healthful conditions.

JOHN A. SINCLAIR,
Superintendent of Schools.
