Russell Clark	David Wyre
Vincent Osgood	Joan McGoldrick
Carol Lowden	Robert Hudson
Ed Cutler	Rockland Jones

MINUTES OF TOWN MEETING
Woodstock, New Hampshire
March 14, 1989

The meeting was called to order at 10:00 a.m. by D. Kenneth Chapman, Moderator. A motion was made by Edith Chaisson to dispense with the reading of the entire warrant, seconded by Dan Barry. Affirmative vote-unanimous. The moderator then opened the polls for voting, polls closed at 6:00 p.m.

The moderator called the business meeting to order at 7:45 p.m., noting that there had been 347 votes cast and the ballot clerks had just finished counting the ballots. He then requested a motion to adopt four short rules of the meeting that can only be changed by a vote of the meeting. The rules are: 1. Speaker must stand and identify himself. 2. Only registered voters may speak and vote. 3. Anyone, not a registered voter, wishing to address an issue may do so only with the permission of the Moderator. 4. Reconsideration of any article can only be accepted by the chair immediately after the vote is announced on the article. Motion by June Barry, seconded by Edith Chaisson to accept the rules. Vote-affirmative, unanimous.

Ken welcomed everyone to the meeting, including students from one or two High School classes.

Article #1 To choose all necessary Town officers for the year ensuing:

Selectman for Three Years:

James H. Fadden	89 Votes
Bonnie Ham	251 Votes
Charles Harrington	1 Vote
Bruce Chase	1 Vote

Fire Chief for One Year:

William Mellet	317 Votes
Kip Ayotte	1 Vote
Russell Clark	1 Vote
Quentin Boyle	1 Vote

Library Trustee for Three Years:

Deborah Batchelder	311 Votes
--------------------	-----------

Harry Shamberger	1 Vote
Judy Boyle	1 Vote

Trustee of the Trust Funds for Three Years:

Deborah Showalter	302 Votes
Quentin Boyle	1 Vote

Budget Committee for Three Years (Vote for Two):

Bruce Chase	273 Votes
Dennis MacKay	222 Votes
Dan Barry	2 Votes
Wilfred Ayotte	1 Vote
William F. Albrecht	1
Neil Wilson	1 Vote
Judy Tetley	1 Vote
Etta Martin	1 Vote
Francis Gallant	1 Vote
Judy Boyle	1 Vote
Sherry Hoover	1 Vote
James Fadden Jr.	1 Vote
Don Showalter	1 Vote
Quentin Boyle	1 Vote
Vincent Osgood	1 Vote
Charles Harrington	1 Vote

Planning Board for Three Years (vote for two):

Frank McNamara	221 Votes
Scott G. Rice	247 Votes
Sam Boyle	2 Votes
Ed Wiggett	1 Vote
Richard Rand	1 Vote
Dan Barry	1 Vote
Candace Mitchell	1 Vote
Neil Wilson	1 Vote
Vincent Osgood	1 Vote
Quentin Boyle	1 Vote
Deborah Conklin	1 Vote
Bruce Chase	1 Vote
Peter Miller	1 Vote
Paul Gilman	1 Vote

Planning Board for Two Years:

Dennis MacKay	238 Votes
Vinnie Osgood	2 Votes
Neil Wilson	2 Votes
Dan Barry	2 Votes
Clifford Ayotte	2 Votes
Wallace Ward	1 Vote
Quentin Boyle	1 Vote
Charles Harrington	1 Vote
Noel Frame	1 Vote
Samuel Boyle	1 Vote
Judith Boyle	1 Vote
James Fadden Jr.	1 Vote
Bruce Chase	1 Vote
Debra Andrews	1 Vote
T. Corbeil	1 Vote

Planning Board for One Year (vote for two):

William F. Albrecht	277 Votes
Neil Wilson	3 Votes
Dan Barry	2 Votes
Vin Osgood	2 Votes
Carol Lowden	2 Votes
Jessie Boyle	1 Vote
Henry Coburn	1 Vote
Quentin Boyle	1 Vote
Candace Mitchell	1 Vote
Judith Boyle	1 Vote
Mike Conklin	1 Vote
William Shea	1 Vote
William Waterhouse	1 Vote
Roger Coutu	1 Vote
Bruce Chase	1 Vote
Don Showalter	1 Vote
Francis Gallant	1 Vote
Fred Lee	1 Vote
James Fadden Sr.	1 Vote
Noel Frame	1 Vote
D. Showalter	1 Vote
Fred Englert	1 Vote
Charles Harrington	1 Vote

Sherry Hoover	1 Vote
Arnold Ham	1 Vote
Evie Gagnon	1 Vote
S. Boyle	1 Vote
K. Ayotte	1 Vote
Eileen Rice	1 Vote
Don Ayotte	1 Vote
E. Martin	1 Vote
Richard Rand	1 Vote
Mike Lannon	1 Vote
Peter Miller	1 Vote
J. Chesebrough	1 Vote

The Moderator then deferred to Deanna Mackay, Town Clerk. Deanna said that there were five public officials whom we would like to honor tonight: Town Treasurer, Priscilla Avery, for 20 years of service; Irene Ayotte, Supervisor of Checklist, 20 years of service; Marcia Cousineau, Supervisor of Checklist, 22 years of service; Fred Lee, Ballot Clerk, unknown number of years of service; John Maynard, Police Chief, 20 years of service. Engraved Revere bowls were presented to Priscilla, Irene and Marcia, and an engraved key to John Maynard. Fred Lee was not in attendance and will be given his plaque later this week.

Article #2 To see if the Town will vote to authorize the Selectmen to sell property taken on tax titles and further authorize the Selectmen to sell any other personal property owned by the Town which is no longer used for municipal purposes, and in every instance sale shall be by public auction or advertised sealed bid. So moved by Bill Albrecht, seconded by Charles Harrington. Affirmative vote-unanimous.

Article #3 To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes. So moved by Charles Harrington, seconded by Paul Gilman. Affirmative vote-unanimous.

Article #4 To see if the Town will vote to authorize the Selectmen to apply for, accept and expend, without further action by Town Meeting, money from the State, Federal or other governmental unit or private source that may become available during the fiscal year, in compliance with RSA 31-95-b. So moved by June Barry,

seconded by Edith Chaisson. Affirmative vote-unanimous.

Article #5 To see if the Town will vote to adopt the provisions of Chapter 287 of the Revised Statutes Annotated, as amended, relating to playing beano in the Town of Woodstock, and that the following question be placed upon the ballot to be used at said meeting: "Shall the provisions of Chapter 287 of the Revised Statutes Annotated, as amended, relative to playing games of beano, be adopted in the Town?" Vote by ballot, affirmative note: Yes-212; No-83.

Article #6 "Are you in favor of the adoption of the Zoning Ordinance as proposed by the Planning Board?" (Ballot vote required). Vote by ballot, article defeated, Yes-128; No-186.

Article #7 To see if the Town will vote to oppose any State or Federal legislation or administrative action designating the Pemigewasset River, from its source to New Hampton, as a Wild and Scenic River, and further, to support exclusion of the River from the Federal Wild and Scenic Rivers program study. So moved by Nancy Holtzman, seconded by June Barry. A lengthy discussion followed concerning the program, the regulations that would be imposed and the quality and quantity of the river. Motion made by Bill Mellett to amend the article to add: "However, the Town would like to go on record as being very concerned with the quality and quantity of water in the Pemigewasset River and instructs the Selectmen to so notify the State and Federal Representatives and Senators." Seconded by Bill Albrecht, vote in the affirmative, some opposition.

A vote was then taken on the amended article which was as follows: To see if the Town will vote to oppose any State or Federal legislation or administrative action designating the Pemigewasset River, from its source to New Hampton, as a Wild and Scenic River, and further, to support exclusion of the River from the Federal Wild and Scenic Rivers program study. However, the Town would like to go on record as being very concerned with the quality and quantity of water in the Pemigewasset River and instructs the Selectmen to so notify the State and Federal Representatives and Senators. Affirmative vote with some opposition.

Article #8 To see if the Town will vote to change the name of the existing Highway Department Vehicle Acquisition Capital Reserve Fund, established at Town Meeting, 1988, to the Highway Department Heavy Duty Vehicle Acquisition Capital Reserve Fund. So

moved by Vincent Osgood, seconded by Ruth Frank. Affirmative vote with opposition.

Article #9 To see if the Town will vote to raise and appropriate the sum of Twelve Thousand Dollars (\$12,000.00) to be placed in the Highway Department Heavy Duty Vehicle Acquisition Capital Reserve Fund. So moved by Louis LaCombe, seconded by Nancy Holtzman. Affirmative vote-unanimous.

Article #10 To see if the Town will vote to raise and appropriate the sum of Twenty Three Thousand Five Hundred Dollars (\$23,500.00) for the purchase of a one ton truck with plow and sander for the Highway Department, said sum to be withdrawn from the Highway Department Heavy Duty Vehicle Acquisition Capital Reserve Fund. So moved by Paul Gilman, seconded by Dennis MacKay. Affirmative vote-unanimous.

Article #11 To see if the Town will vote to change the name of the existing Fire Department Vehicle Acquisition Capital Reserve Fund, established at Town Meeting, 1988, to the Fire Department Truck Capital Reserve Fund. So moved by Jean Chaisson, seconded by June Barry. Affirmative vote-unanimous.

Article #12 To see if the Town will vote to raise and appropriate the sum of Twelve Thousand Dollars (\$12,000.00) to be placed in the Fire Department Truck Capital Reserve Fund. So moved by Bill Albrecht, seconded by Fred Germaine. Affirmative vote-unanimous.

Article #13 To see if the Town will vote to raise and appropriate the sum of Eighteen Thousand Dollars (\$18,000.00) for the purchase of a van for the Fire Department, said sum to be withdrawn from the Fire Department Truck Capital Reserve Fund. So moved by Fred Germaine, seconded by Ellie Osgood. Affirmative vote-unanimous.

Article #14 To see if the Town will vote to raise and appropriate the sum of Five Thousand Three Hundred Thirty Six Dollars (\$5,336.00) of interest on Revenue Sharing Funds and transfer said sum to the General Fund. So moved by Charles Harrington, seconded by Nancy Holtzman. Affirmative vote-unanimous.

Article #15 To see if the Town will vote to raise and appropriate the sum of Sixty Three Thousand Dollars (\$63,000.00) for the

reappraisal of the Town and to authorize the withdrawal of Forty Two Thousand Dollars (\$42,000.00) plus accrued interest from the Capital Reserve Fund created for that purpose, the balance to be raised through general taxation. So moved by Bill Albrecht, seconded by Ruth Frank. Affirmative vote with opposition.

Article #16 To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) from the Water Tap Fee Account for water meter installation. So moved by June Barry, seconded by Dan Barry. Affirmative vote-unanimous.

Article #17 To see if the Town will vote to raise and appropriate the sum of Thirty Seven Thousand Eight Hundred Thirty Five Dollars (\$37,835.00) from the Water Tap Fee Account to be applied to the Long Term Water Bonds. So moved by Bill Albrecht, seconded by Paul Gilman. Affirmative vote-unanimous.

Article #18 "Shall we adopt the provision of RSA 72:43e for the adjusted elderly exemptions from property tax? These statutes provide for the following exemptions, based on assessed value, for qualified taxpayers: for a person 65 years of age up to 75 years, \$10,000; for a person 75 years of age up to 80 years, \$15,000; for a person 80 years of age or older, \$20,000. To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000 or if married, a combined net income of less than \$12,000, and own net assets of \$30,000 or less, excluding the value of the person's residence." (By petition) Ballot vote required. So moved by Bill Albrecht, seconded by Nancy Holtzman. The Moderator pointed out that Article 18 and Article 19 have similar points so discussion of both articles would be held at the same time. The polls were opened for voting on Article 18. No one wished to vote. The Moderator cast one vote in opposition. Article 18 defeated.

Article #19 "Shall we adopt the optional adjusted elderly exemptions from property tax? The optional exemptions, based on assessed value, for qualified taxpayers shall be as follows: for a person 65 years of age up to 75 years, \$20,000; for a person 75 years of age up to 80 years, \$30,000; for a person 80 years of age or older, \$40,000. To qualify, the person must have been a New Hampshire re-

sident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, a taxpayer must have a net income of less than \$10,000, or if married, a combined net income of less than \$12,000; and own net assets of \$30,000, or less; excluding the value of the person's residence." (By petition) Ballot vote required. So moved by Bill Albrecht, seconded by June Barry. Affirmative vote, Yes-94; No-10.

Article #20 To see if the Town will vote to raise and appropriate the sum of Forty Thousand Dollars (\$40,000.00) for engineering services for a sewer line for Lost River Road. So moved by Natalie Weeden, seconded by June Barry. A discussion was held concerning how many houses would be serviced and where the line would go. Bonnie explained that there is reserved capacity at the treatment plant for Lost River Road, plus the fact that the houses that were existing at the time of the agreement on May 20, 1986, would be exempt from a sewer tap fee. Bill Mellett pointed out to the voters that the treatment has not been finished by the Satter Company as promised and probably could not take the extra capacity from Lost River Road for a while as it does not appear the Satter Company intends to finish the plant in the near future. We still have pumps and meters that do not work along with other various items. Many voters had questions concerning the fact that the sewer treatment plant was not completed. Moderator D. Kenneth Chapman felt that we were getting too far off the subject at hand but would allow further discussion under the other business portion of the meeting. Affirmative vote with opposition.

Article #21 To see if the Town will vote to raise and appropriate the sum of Eighty Five Thousand Dollars (\$85,000.00) for the purchase of land and buildings adjacent to the new Town Office Building, said sum to be funded by long term notes or bonds over an eight (8) year period. (Ballot vote required) So moved by Natalie Weeden, seconded by June Barry. Article defeated, Yes-29; No-75.

Article #22 To see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000.00) for an Ash Quench System. So moved by Ruth Ballmer, seconded by Vincent Osgood. Affirmative vote with opposition.

Article #23 To see if the Town will vote to authorize the Selectmen to take an option on any and all lands which may, in the

opinion of the majority of the Board of Selectmen, be in the best interest of the Town of Woodstock and do all things incidental thereto. So moved by Bob Bujeaud, seconded by Warren Priest. Affirmative vote-unanimous.

Article #24 To see if the Town will vote to raise and appropriate the sum of Thirty Five Thousand Dollars (\$35,000.00) for the purchase of the Gordon Carkin property on Route 3, for conservation purposes, said sum to be raised as follows: Twenty Thousand Dollars (\$20,00.00) from private donations and Fifteen Thousand Dollars (\$15,000.00) from State matching funds; and to authorize the Selectmen to apply for and accept the State matching funds under the N.H. Land Conservation Investment Program (LCIP), RSA 221-A, in an amount up to \$15,000 for the purpose of acquisition of the fee or lesser interest in conservation land. This appropriation is contingent upon receipt of the private donations and the matching State grant from LCIP. So moved by Katherine Didier, seconded by Bill Albrecht. Bonnie explained that this land has just been sold but the buyer is willing to sell the land to the Town for \$38,000, so the article would have to be amended to \$38,000, with \$20,000 from private donations and \$18,000 from state matching funds under the New Hampshire Land Conservation Investment Program. If we do not get the private funds or matching funds, then we do not acquire the land. Bill Albrecht said in return for the \$20,000 donation the abutter would like a boundary line adjustment of approximately 100 feet and the land limited to daytime use to restrict traffic. Motion by Ruth Ballmer to amend this article to raise and appropriate \$38,000 with \$20,000 from private donations and \$18,000 from state matching funds under the New Hampshire Land Conservation Investment Program. Seconded by Theda Bujeaud. Vote on the amendment affirmative with opposition.

A vote was then taken on the amended article as follows: To see if the Town will vote to raise and appropriate the sum of Thirty Eight Thousand Dollars (\$38,000.00) for the purchase of the Gordon Carkin property on Route 3, for conservation purposes, said sum to be raised as follows: Twenty Thousand Dollars (\$20,000.00) from private donations and Eighteen Thousand Dollars (\$18,000.00) from State matching funds; and to authorize the Selectmen to apply for and accept the State matching funds under the N.H. Land Conservation Investment Program (LCIP), RSA 221-A, in an amount up to

\$18,000 for the purpose of acquisition of the fee or lesser interest in conservation land. This appropriation is contingent upon receipt of the private donations and the matching State grant from LCIP. Affirmative vote with opposition.

Article #25 To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. Motion was made by Town Clerk Deanna MacKay to amend the Library budget to increase it by \$767.00 due to calculation error, seconded by Stan Hilliard. Affirmative vote-unanimous.

Motion was made by Bonnie Ham, seconded by Dan Barry to amend the budget to include \$40,000 from Article 20, for engineering services for Lost River Road Sewer Line. Affirmative vote with some opposition.

Motion made by Bonnie Ham, seconded by Stan Hilliard to amend the budget to include \$3,000.00 from Article 24, and also to add \$3,000.00 to the Revenue side of the budget. Affirmative vote with some opposition.

Motion made by Patricia Timbury, seconded by Ruth Ballmer to amend the budget to add \$600 for concerts. Affirmative vote, some opposition.

Motion made by Bill Mellett, seconded by Fred Mellet to add \$2,000.00 to Parks Department budget for recreation equipment or facilities in Woodstock village. Affirmative vote, Yes-34; No-21.

Motion made by June Barry, seconded by Theda Bujeaud to add \$320.00 to Recreation budget for skating rink. Affirmative vote, some opposition.

Motion made by Bill Albrecht to raise and appropriate the sum of \$1,399,694.00, seconded by Stan Hilliard. Also, to add the sum of \$3,000.00 to the Revenue side of the budget. Affirmative vote-unanimous.

Article #26 To transact any other business that may legally come before the meeting. Moderator D. Kenneth Chapman spoke to the voters at the request of the Selectmen and the Town Attorney. Now that zoning was defeated, they would like some input and guidance from the voters as to how to handle problems such as height restrictions, flood plain, parking and set-backs. Atty. Keating

explained that ordinances could be adopted addressing these issues for the people to vote on at a Special Meeting later this year. Discussion followed on some of the issues of concern, the feeling of most being if the Board of Selectmen have some needed ordinances, then they should be brought before the voters at a meeting, whether a Special Town Meeting or the next Annual Town Meeting.

Motion by Patricia Timbury that the names and salaries of the Town Employees be printed in the Town Report, seconded by Jessie Boyle. Affirmative vote-unanimous.

Motion made by Dan Barry that the Selectmen make a survey of the wages of all Town employees to see how they compare to other towns and make recommendations to the next Town Meeting. Motion seconded by Mr. Hartigan. Affirmative vote-unanimous.

The voters then requested that we return to the subject of the sewer treatment plant expansion. During a lengthy discussion, many voters expressed concern that the punch list items for the plant had not been completed, that the irrevocable letters of credit were revoked, and in the future that we should require performance bonds. It was the consensus of the people that no more units at Deer Park be allowed to connect to the sewer or water as suggested by the Building Inspector, until the sewer treatment plant is finished. Patricia Timbury commended the Board of Selectmen and the Planning Board for at least trying to think ahead and make these people pay for some of the things that they are causing to happen and for at least trying to control some of this.

Bonnie Ham offered the motion that last year we declared March 30 as Norman B. Fadden Day, and in doing so we said it should be read into the minutes of this Town Meeting: On behalf of all the residents of Woodstock, we declare March 30, 1988, NORMAN B. FADDEN DAY. Each March 30th henceforth will be observed as such. Further, NORMAN B. FADDEN is officially appointed Selectmen Emeritus in perpetuity. The above action was seconded by Warren Priest. Affirmative vote-unanimous.

Motion was made by Brian Beaudin to take whatever leverage the Town can reserve to recover some of the monies that have been lost in the renegeing of the developers part of our sewer plant. Also, we should have a security that is cast and so if this happens again we can have some leverage and recover some of our losses. We should take

whatever pressure we can to ensure we get the money from the developer. Motion was seconded by Paul Gilman. Affirmative vote-unanimous.

Motion was made by Stan Hilliard, seconded by Deanna Mackay to adjourn at 12:05 a.m.

Respectfully submitted,
Deanna MacKay
Town Clerk

STATE OF NEW HAMPSHIRE
— — — — —

To the inhabitants of the Town of Woodstock, in said State, qualified to vote in Town and State affairs:

You are hereby notified to meet at the Woodstock Town Hall in said Woodstock, on the thirteenth day of March next, being the second Tuesday of March, at ten o'clock in the forenoon, (the polls are to open at 10:00 A.M. and may not close prior to 6:00 P.M.; business meeting to be held at the Town Hall at 7:30 P.M.) to act upon the following:

Article 1. To choose all necessary Town officers for the year ensuing.

Article 2. To see if the Town will vote to raise and appropriate the sum not to exceed Five Hundred Fifty Thousand Dollars (\$550,000.00) for the purpose of construction of a new fire station, such sum to be raised by the issuance of serial bonds or notes under and in compliance with the provisions of the Municipal Finance Act (N.H. RSA 33.1 et seq., as amended). To authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Woodstock, and pass any vote relating thereto. (By Petition). ($\frac{2}{3}$ Ballot Vote Required)

Article 3. To see if the Town will vote to raise and appropriate the sum not to exceed Seven Hundred Five Thousand One Hundred Twenty Dollars (\$705,120.00) for construction of sewer line, lift station and force main for Lost River Road, such sum to be raised by the issuance of serial bonds or notes under and in compliance with the provisions of the Municipal Finance Act (N.H. RSA 33.1 et seq., as amended). To authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Woodstock, and pass any vote relating thereto. (By Petition) ($\frac{2}{3}$ Ballot Vote Required)

A-2

Article 4. To see if the Town will vote to raise and appropriate the sum not to exceed One Hundred Thousand Dollars (\$100,000.00) for the purchase of land for a sewer lift station on Lost River Road, such sum to be raised by the issuance of serial bonds or notes under and in compliance with the provisions of the Municipal Finance Act (N.H. RSA 33.1 et seq., as amended). To authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Woodstock, and pass any vote relating thereto. (2/3 Ballot Vote Required)

Article 5. To see if the Town will vote to raise and appropriate the sum not to exceed Fifty Thousand Dollars (\$50,000.00) for the purchase of land for well radius, such sum to be raised by the issuance of serial bonds or notes under and in compliance with the provisions of the Municipal Finance Act (RSA 33.1 et seq., as amended). To authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Woodstock, and pass any vote relating thereto. (2/3 Ballot Vote Required)

Article 6. To see if the Town will vote to raise and appropriate the sum not to exceed Forty-Three Thousand Dollars (\$43,000.00) for the purchase of a loader-backhoe, such sum to be raised by the issuance of serial bonds or notes under and in compliance with the provisions of the Municipal Finance Act (N.H. RSA 33.1 et seq., as amended). To authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Woodstock, and pass any vote relating thereto. (2/3 Ballot Vote Required)

Article 7. To see if the Town will vote to authorize the Selectmen to sell property taken on tax titles and further authorize the Selectmen to sell any other personal property owned by the Town which is no longer used for municipal purposes, and in every instance sale shall be by public auction or advertised sealed bid. (Majority Vote Required)

Article 8. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes. (Majority Vote Required)

Article 9. To see if the Town will vote to authorize the prepayment of taxes and authorize the Collector of Taxes to accept payments in prepayment of taxes. (Majority Vote Required)

Article 10. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend, without further action by Town Meeting, money from the State, Federal or other governmental unit or private source that may become available during the fiscal year, in compliance with RSA 31-95-b (supp.). (Majority Vote Required)

Article 11. To see if the voters of the Town will answer the following question in the affirmative: "Shall we adopt the provisions of RSA 287-E relative to the conduct of games of bingo and the sale of Lucky 7 tickets?" (Ballot Vote Required)

Article 12. To see the the Town will vote to reserve a sufficient amount of the existing capacity at the North Woodstock Sewer Treatment Plant for existing structures on Lost River Road, Hiltz Drive and Sargent Street (approximately 125 housing units). This capacity cannot be used for any other purposes without a vote of the Town. (By Petition) (Majority Vote Required)

Article 13. To see if the Town will vote to adopt the following ordinance: Maximum height of buildings shall be twenty-six feet (26') to the primary eaves, except for domestic radio and television antennas, silos, barns, church towers, water storage structures, weather instruments or wind operated devices. Chimneys and smokestacks cannot extend more than eight feet (8') above the highest peak of the house or building. The maximum height above ground level for the floor of any occupied space shall be twenty-six feet (26'). (Majority Vote Required)

Article 14. To see if the Town will vote to adopt the following ordinance; In North Woodstock Village from the Lincoln town line along Route 3 to the intersection with Route 112, and along Route 112 from the Lincoln town line to the intersection with Route 3, the minimum set-back for the placement of buildings and structures used for commercial purposes shall be five feet (5') from any highway right of way, ten feet (10') from both side lot lines and fifteen feet (15') from the rear lot line. (Majority Vote Required)

Article 15. To see if the Town will vote to adopt the following ordinance: For all other sections of Town the minimum set-back for the placement of buildings and structures used for commercial purposes shall be fifteen feet (15') from any public right of way, fifteen feet (15') from any lot line, and thirty feet (30') between any buildings not included under Article 16. Buildings shall be a minimum of thirty feet (30') apart. (Majority Vote Required)

Article 16. To see if the Town will vote to adopt the following ordinance: There shall be no minimum distance between buildings and structures on the same lot that are intended to be used in conjunction with the primary structures on that lot, so long as they are not intended to be used for business or dwelling purposes. (Examples include sheds, garages, gazebos, etc.) (Majority Vote Required)

Article 17. To see if the Town will vote to adopt the following ordinance: These set-back requirements (Articles 14, 15 and 16) may be waived or reduced by the Board of Selectmen for existing lots if an undue hardship is placed upon the land by their strict enforcement and the waiver and reduction is in the best interests of the Town. (Majority Vote Required)

Article 18. To see if the Town will vote to adopt the following ordinance: All set-back dimensions shall be measured from the boundary line to the nearest point on the building. (Majority Vote Required)

Article 19. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) to be placed in the Fire Department Capital Reserve Fund. (Majority Vote Required)

Article 20. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) to be placed in the Highway Department Heavy Duty Vehicle Acquisition Capital Reserve Fund. (Majority Vote Required)

Article 21. No arrangements or agreements to distribute water from the Woodstock Water System outside the Town of Woodstock will be made without the vote of the Town at a Town Meeting. In the event of a bonafide emergency the Public Works Department is authorized to distribute water as they deem proper. (By Petition) (Majority Vote Required)

Article 22. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) for the reappraisal of the

Town and to transfer Twenty-One Thousand Dollars (\$21,000.00) raised in 1989 (per Article 15) to be placed in the existing Capital Reserve Fund created for that purpose. (Majority Vote Required)

Article 23. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) for a study of additional well sites for the Municipal Water System. (Majority Vote Required)

Article 24. To see if the Town will vote to rescind the action taken on Article III of the Special Town Meeting held on November 22, 1988, relative to the ordinance concerning the keeping of livestock. (By Petition) (Majority Vote Required)

Article 25. To see if the voters of the Town will answer the following question in the affirmative: "Shall we adopt the provisions of RSA 72:28, V and VI for an optional veterans' exemption and an expanded qualifying war service for veterans seeking the exemption? The optional veterans' exemption is \$100, rather than \$50. (Ballot Vote Required)

Article 26. To see if the voters of the Town will answer the following question in the affirmative: "Shall we adopt the provisions of RSA 72:35, IV for an optional property tax exemption on residential property for a service-connected total disability? The optional disability exemption is \$1,400, rather than \$700. (Ballot Vote Required)

Article 27. To see if the Town will vote to designate and proclaim April 22, 1990 as Earth Day 1990, and to set aside that day for public activities promoting preservation of the global environment and launching the "Decade of the Environment." (By Petition) (Majority Vote Required)

Article 28. To see whether the Town will vote to deposit all of the revenues collected pursuant to RSA 79-A (the land use change tax) in the Conservation Fund in accordance with RSA 36-A:5 III, as authorized by RSA 79-A:25 II. (By Petition) (Majority Vote Required)

Article 29. To see if the Town will vote to rescind Article 25 of the March 1986 Town Meeting relative to accepting and operating a Wastewater Treatment Plant on Route 3 and its discharge permit. (By Petition) (Majority Vote Required)

Article 30. To see if the Town will vote to raise and appropriate the sum of Thirty Eight Thousand Dollars (\$38,000.00) for the purchase

A-6

of 4.8 acres of land on Route 3, said sum to be raised as follows: Eighteen Thousand Dollars (\$18,000.00) from New Hampshire Fish and Game Department, Twenty Thousand Dollars (\$20,000.00) from private sources. No Town funds required. (Majority Vote Required)

Article 31. To see if the Town will vote to raise and appropriate the sum of Forty Thousand Dollars (\$40,000.00) from the Water Tap Fee Account to be applied to the Long Term Water Bonds. (Majority Vote Required)

Article 32. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

Article 33. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this 23rd day of February, 1990.

POLICE DEPARTMENT REPORT

— — — — —

The Woodstock Police Department has three new officers for 1989. Fred Brosseau was hired as a part-time officer. Douglas Moorhead was hired as Sargent. Theresa Pellitier was also hired as a part-time officer.

D.A.R.E. (Drug Abuse Resistance Education) is being presented in the Lin-Wood School to 5th and 6th grade students. Traditional drug abuse programs dwell on the harmful effects of drugs. The program emphasis of Project D.A.R.E. is to help students recognize and resist the many subtle pressures that influence them to experiment with alcohol and marijuana. Program strategies focus on feelings relating to self-esteem, interpersonal and communication skills, decision making, and positive alternatives to drug abuse behavior. The sessions will be conducted by a specially trained uniformed police officer with the long term goals of D.A.R.E. to include: 1) a reduction in the supply of controlled substance as a result of reduced demand; 2) more positive identification with police officers; 3) improved decision-making in all life situations; 4) an overall reduction in criminality.

The officers of the Woodstock Police Department completed the following training:

Brosseau, Fred: completed NH Police Standards and Training Part-time Academy, Officer Survival, Civil Liability & Search Warrants, Miranda & Search Warrants, Drugs, D.W.I., Domestic Violence. A total of 114½ hours of training.

Clark, Russell: completed training in Search Warrants & Miranda, 2 on Drugs, Domestic Violence. A total of 9½ hours training.

Demers, Mark: completed training in Officer Survival, Civil Liability & Search Warrants, 2 on Drugs, Domestic Violence. A total of 12 hours of training.

Hilliard, David: completed training in Search Warrants & Miranda, Drugs, D.W.I., Domestic Violence, Highway Drug Interdiction. A total of 19 hours of training.

LaRue, Paul: completed training in Civil Liability and Search Warrants, Miranda and Search Warrants, 2 on Drugs, D.W.I., Domestic Violence, Highway Drug Interdiction, Civil Liability. A total of 28 hours of training.

Mack-Keeney, Barbara: completed training in NH Police Standards and Training Full-time Academy, Officer Survival, Civil Liability and Search Warrants, 2 on Drugs, D.W.I., Domestic Violence, Sexual Assault, D.A.R.E. Instructor, Child Abuse, Ritualistic Crime. A total of 522 hours of training.

MackKay, Dennis: completed training in Civil Liability and Search Warrants, 2 on Drugs, D.W.I., Fire Arms Instructor Recertification. A total of 19 hours of training.

Maynard, John: completed training in Civil Liability and Search Warrants, Miranda and Search Warrants, 2 on Drugs, D.W.I., Civil Liability. A total of 17½ hours of training.

Moorhead, Douglas: completed training in Drugs, D.W.I., Domestic Violence, First Line supervision. A total of 54 hours of training.

Pellitier, Theresa: completed NH Police Standards and Training Part-time Academy, Domestic Violence, Drugs, D.W.I. A total of 109 hours of training.

Smith, Philip: completed training in Officer Survival, Civil Liability and Search Warrants, Miranda and Search Warrants, Drugs, Domestic Violence, Property Control. A total of 30 hours of training.

West, Jerry: completed training in Civil Liability and Search Warrants, Miranda and Search Warrants, Drugs, Domestic Violence, D.W.I. A total of 16 hours of training.

NEW HAMPSHIRE HUMANE SOCIETY
Laconia, N.H.
 — — — — —

Office of Selectmen
 Town of Woodstock
 Woodstock, N.H. 03262

Dear Selectmen:

The 1989 totals of the number of animals brought to the N.H. Humane Society shelter from your town are as follows:

By your Animal Control Officer:

Dogs and Puppies	10
Cats and Kittens	0
	—
Total	10

From Local Residents:

Dogs and Puppies	16
Cats and Kittens	28
	—
Total	44

Other Animals:	6
----------------	---

Total Number of All Animals Received:	60
---------------------------------------	----

We are enclosing a copy of the report on all towns that used the shelter facilities and services in 1989. Your Society's shelter has been inspected and licensed by the State and fulfills your licensed dog pound requirements. It also complies with RSA 442-A, the Rabies Control Act for holding stray dogs.

Every town has stray animal problems. We encourage your town and especially your Animal Control Officer, to use our services more in 1990.

Sincerely,
 FRITZ T. SABBOW
Executive Director

REPORT OF THE NORTH COUNTRY COUNCIL

The year 1989 marked the North Country Council's seventeenth year of successful operation. As chartered under NH RSA 36:45, the Council provides non-profit local and regional planning assistance to member municipalities. In addition to general planning services, the Council offers its constituents specialty services in cultural resource conservation, economic development, housing, natural resource management, solid waste management and transportation. The four standing Council committees, Economic Development, Housing, Land Use and Transportation, actively direct the Council's policies in these areas.

In **Woodstock**, the Council continued to administer the **North Woodstock** Housing Improvement Program, which rehabilitated eighteen residences by the project's completion.

Community planning challenges dominated the Council's 1989 agenda. Changing state mandates and furthered residential and commercial growth busied local planning and zoning boards throughout the year. The Council assisted these boards in preparing for the challenges through regional workshops, technical bulletins and newsletters and as-needed assistance on technical and specific issues. The Council co-sponsored the popular Municipal Law Lecture Series which addressed new case law, grandfathering and the revised excavation statute. The Council also assisted numerous towns in revising zoning ordinances, sub-division regulations and site plan review regulations, thereby updating these regulations to better meet and manage the new challenges.

The Council's 1989 work program continued to promote community development projects, as well. Managing close to two million dollars in Community Development Block Grant monies, the Council administers programs in ten North Country communities. Many are housing improvement programs, yet others support sewer projects, day care development, and municipal water supply projects.

In summary, it is important to understand that the Council is or-

ganized to provide these valuable service for the benefit of our local town governments. The Council's continued success in meeting the ever-changing demands of the North Country is dependent upon the active participation of our members. We rely upon and enjoy your involvement as town officials and concerned citizens, and look forward to asisting you in this coming year.

WHITE MOUNTAIN MENTAL HEALTH & DEVELOPMENTAL SERVICES 1989 Director's Report

The 1990's will usher in a different type of service delivery system in Mental Health and Developmental Services. The system will be more comprehensive in its ability to care for the most impaired individuals in our communities. The transition of individuals from the institutions (New Hampshire Hospital and Laconia State School) has almost been completed. The institutions have been reduced in size and there are limits on who can now be admitted. The focus of care has been shifted to the community.

We have accommodated this change with an expansion of our housing and community support (case management, respite and supported housing) services. The growth of our Agency has tripled in the last five years. Most of the growth has been in the area of supports for the formerly institutionalized population. The other services we offer have not experienced this kind of growth or change. The demand remains high for these services and the supports have not kept pace. One example is our outpatient Mental Health program. We see more people for more visits in this program than any other. However, we have not received increases in state or federal support which match the demand for service. Forty-two percent of the people we see do not have insurance and are responsible for their own fee. We approach you to assist us in our efforts to continue to help us to provide these services. Thank you for your past support and for your continuing concern.

The following information will summarize some of our work during this past year.

Mental Health Services - We operate one full-time and three part-time offices. The full-time office is located in Littleton at 16 Maple Street. The part-time offices are located in Woodsville at Woodsville Clinic, in Lincoln at the Lin-Wood Medical Center, and in Lancaster at Weeks Memorial Hospital.

Last year, we saw over 800 individuals for 4,115 outpatient visits.

- 400 visits were of an emergency nature
- 21% of our service involves children

- 14% of our service involves the elderly
- 65% of our service involves adults
- Our Partial Hospitalization Program offered over 6,000 hours of service.

We offer a comprehensive array of services including: 24 hour emergency, drug and alcohol, case management, inpatient, and partial hospitalization.

Development Services

- Early Intervention - Home based service for 0-3 year old children who are delayed in their development. Services include: screening, assessment, treatment, and referral. Last year, we began to provide clinics throughout our region to increase our ability to serve more children.

- Day Habilitation Program - Provides instruction to our most severely impaired adult population. The program works in conjunction with their residential programming as well as providing training and instruction in self care skills, pre-vocational skills, paid work, and other therapeutic services such as speech therapy and physical therapy. This program has been primarily used by former Laconia State School residents; however, we have had community clients who have been referred by the local school systems. Last year, we served twelve (12) clients in two locations (Littleton and Pike).

- Supported Employment - Provides training, instruction, and work adjustment for mentally ill and mentally retarded individuals. Paid work opportunities for the individuals can take place either in the community or in the Workshop itself. We currently operate three active job sites directly in the community. We recently turned over one of our job crews directly to an employer. We have also completed over twenty individual job placements.

We are grateful for your past support of our programs and look forward to continuing to serve you in the future.

Respectfully submitted,
DENNIS C. MACKAY
Area Director

MOOSILAUKE PUBLIC LIBRARY

Annual Report - 1989

— — — — —

The Moosilauke Public Library is grateful for community support. Our programs have been attended by record numbers this year and our library services used by twice as many people as in 1988. 280 new library cards have been issued. Interlibrary loan requests completed from other libraries in the NHSL system have increased 20 times. More businesses, teachers and students are using our library as a resource.

New library shelving was installed in the library in 1989 and the collection completely reshelfed. The computer donated to the library by the state in 1988 was put "on-line" and can now access the data banks of other libraries in the state using a toll free 800 number. The NHSL van stops once a week at the library now allowing for faster free delivery of books and materials for interlibrary loan.

Programs sponsored by the library in 1989:

Adult Book Discussion Series was funded by a N.H. Humanities grant and sponsored jointly with the Lincoln Library. Guest lecturers led each session. Spring 1989.

Three Programs at Linwood School. On March 23rd storyteller Carolyn Perrot presented an evening program of story and song for children and adults. She was funded by a N.H. Humanities grant. On May 4 two programs **Egyptology** and **Fossils** were presented during school hours for elementary and middle school children sponsored by the library through the North Country Co-op.

Storytimes for Preschool Children. Three eight week sessions of storytimes for children were presented in 1989.

Summer Reading for Riches Program for grades one through eight. Lots of books were completed by nearly 30 children. Prizes were awarded at a ceremony attended by parents. The top readers celebrated with the librarian at an outing to Clark's bears.

Heart of the White Mountain History Series. This popular four evening event was sponsored jointly with the Lincoln Public Library. Arnold Ham, Les Sargent, Murray Clark, and Eleanor Parker each made presentations that were as entertaining as they were informative.

White Mountain Collection Established. Gifts from two donors initiated the libraries locked collection of White Mountain Books.

Eleanor Parker donated her family's collection of older books on the White Mountains in the Fall of 1989. Included in this group of titles are several classics on White Mountain tourism and hiking.

Mabel Potter and her family summered in the White Mountains in the early part of this century. Her father, Professor Karl P. Harrington, owned a cottage in North Woodstock. An avid hiker and naturalist he authored the 1926 classic, **Walks and Climbs in the White Mountains**. Mrs. Potter and her children decided in December 1989 to donate her father's collection of older White Mountain books to the Moosilauke library.

Both of these collections are being catalogued and will be available to patrons for use in the library.

The Librarian has participated in meetings of the North Country Library Co-op, the N.H. Library Forum, and the Five Rivers Area Library Network. She completed one course in Library Cataloguing from the SLL of UNH.

Several people have given time this year at the library helping reshelve books and with other tasks. 1989 Library volunteers: Eleanor Parker, Gary Rolph, Jennifer Brown, Anne Hurlbutt, Kay Anderson, Jed Miller, Priscilla Cox and Maureen Sayers. Special appreciation goes to Paul Gilman for doing many special things for the library since our move to the new Town Office Building and to Bill Mellett, John MacKay, and Steve Welch who assembled the new library shelving. Contributions of prizes to **The Reading for Riches** summer program by local merchants helped make it a success. Doug Moorhead of the Woodstock Police Department added a special touch to the summer awards ceremony. Money donations from the area's residents and businesses have helped to furnish the library. THANK YOU!

WOODSTOCK CONSERVATION COMMISSION

RSA 36-A directs a Conservation Commission to: 1) “. . . conduct researches into its local land and water areas . . .”; 2) “. . . seek to coordinate the activity of unofficial bodies organized for similar purposes . . .”; 3) “. . . keep an index of all open space and natural, aesthetic or ecological areas, with the plan of obtaining information pertinent to the proper utilization of such areas, including lands owned by the state or lands owned by a town or city. It shall keep an index of all marshlands, swamps, and other wetlands in a like manner . . .”; 4) “. . . keep accurate records of its meetings and actions. . .”

Since October, when the Commission became active again, meetings have been held on the first Monday of the month. Our agenda includes reviewing Wetlands permits, Planning Board issues, hearings of projects with environmental impact, seminars and conferences, and working on the index of town property. Minutes of the meetings are filed in a green book at the town office.

The chair and two members attended the annual meeting of the NH Association of Conservation Commissions. The whole Commission attended the hearing on the relocation of Route 112 near Beaver Lake. Members also attended meetings on the Heritage Trail, a hiking trail from Massachusetts to Canada along the rivers and wetlands classification.

The major project being undertaken is the index of town property with maps being made and pertinent material collected and organized. This will be expanded to include the areas of responsibility outlined in the RSA. We welcome interested people who would like to help or make suggestions.

PATRICIA S. TIMBURY
Chair

REPORT OF THE WOODSTOCK PLANNING BOARD

In 1989, the Planning Board saw less activity due to the continued slow pace of real estate activity.

During the year the Board approved four small subdivisions and considered two others that remain incomplete and on hold pending further information.

The Board also assisted the Board of Selectmen on a couple of problems.

There remain vacancies on the Board so if you are interested in the future of the Town, and have time to spend each month, you might consider being involved.

Respectfully submitted,
WILLIAM F. ALBRECHT
Chairman

RECREATION DIRECTOR'S REPORT

The Recreation Department has had a very busy year and it seems that our momentum is gaining. More programs have been offered and community participation is better than ever. The Recreation Committee has worked diligently with the Town Manager and the Recreation Director in building a better program.

The Recreation Committee consists of volunteers from both towns who are interested in helping recreation flourish in our area. At present our members are Robert Nelson, Quent Boyle, Mary Ganey, Marcy Dovholuk, Lance Burak, Bonnie Ham, Fran McCarron and Mike Reardon. Attendance for our 1989 meetings was as follows:

Quent Boyle attended 12 of our 15 meetings.

Bob Nelson attended 13 of our 15 meetings.

Rick Baker attended 10 of 11 meetings while he was a member of the committee. Rick has moved and is no longer a member.

Lance Burak attended 6 of our 15 meetings.

Mary Ganey attended 10 of our 15 meetings.

Bonnie Ham did not attend any meetings.

Fran McCarron attended 2 of our 15 meetings.

Jim Miller served six months on the committee and attended 4 of 6 meetings.

Marcy Dovholuk joined the committee in August and attended 3 of 5 meetings.

Mike Reardon is a new member this year.

Town Manager Dick Brown attended 5 of our 15 meetings.

The Recreation Department has developed a working relationship with the Littleton Courier, (namely Mike Dickerman), and as a result we have a weekly section in the paper just for recreation programs. Mike Dickerman has done a super job of keeping us in the news and keeping you informed.

This past year the Recreation Department has also added more counselors to our summer program, ensuring better safety for our participants. For instance, in 1988 we had four counselors which provided a ratio of one staff member to 13 kids. In 1989 we added two counselors and a junior counselor to reduce the ratio to one counselor to seven kids. On a high school playground this level of supervision

may not be necessary, but when hiking in the woods, swimming or on field trips it is imperative.

Summer Camp Highlights: Local senior citizens participated in the Arts & Crafts program once a week. We had water balloon wars on Fridays, bike races in the sand pit, a bike hike to Echo Lake, and field trips to Canobie Lake and Weirs Beach. Street hockey, basketball shoot-outs, soccer wiffle ball, kick ball and open gym time on rainy days were popular events.

Our volunteer participation this year was excellent and I would like to thank everyone who helped: The Little League assistants, Pee-Wee supporters, Mountain Bike Race promoters, and open gym time assistants.

The support that has been shown by local businesses and corporations, in the way of time or money or both, has, again been excellent.

The Recreation Department still hopes to upgrade our local ski slope. We have been plagued with problems over the past two years, but help is on the way. A group has been formed under the guidance of the Recreation Committee to address specific concerns geared toward improving the quality and consistence of our facility. This group, known as the Ski Committee, is headed by Dana Bartlett. The participating members are Stan Dovholuk, Lance Burak, Tom & Natalie Weeden, Jane & Art Duguay, Leslie Holloway, Darlene Davis, Rick Kelley and myself. Goals of the committee are to obtain a more reliable engine; hopefully electric. (Note: We did look at the engine that the Town of Littleton offered, as indicated in last year's Annual Report. Loon Mountain lift experts advised us that the cost was too high for an engine of that vintage and, consequently, we decided not to purchase it.) We already have over 60% of the materials needed to make snow, but water is in short supply. It is our goal as a committee to see the Kanc runs consistently throughout the winter and provides a reliable recreational facility for the whole family.

Below are the activities offered this past year (an* indicates new programs):

Pee-Wee Sports, Soccer, Basketball, Baseball, "K-8 Dance Class (full-time), *Karate (full-time), Adult & Youth Pick-Up Basketball, Soccer, *Floor Hockey, Volleyball, Swim Lessons, Free Swim Time, Summer Camp, Kanc Ski Slope, Mountain Bike Race, 3-on-3

Men's Basketball League, *Men's Basketball League (held in Plymouth), Aerobics, *Weightlifting, Open Gym Time on Saturdays, Hiking Club, *Ping-Pong, and Tuckerman's Ravine Ski Trip.

1989 Participation Statistics are as follows:

	Lincoln	Woodstock
Pee-Wee Soccer	16	8
Swimming	22	7
Little League	47	16
Summer Camp	30	36
Adult Indoor Soccer	11	5
Adult Basketball	9	11
Skiing	169	157

On behalf of the Recreation Committee, I would like to again express our thanks to all volunteers, contributors and supporters of our recreation programs. We look forward to another year of providing you with quality recreation activities.

Respectfully submitted,
 Tony Mure
Recreation Director

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

— — — — —

During calendar year 1989, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without a fire permit from the Forest Fire Warden, children and debris burning fires that escaped control. All these causes are preventable, but only with your help.

Please help your town and state forest fire officials with forest fire prevention. By New Hampshire State Law (RSA 224:27b), "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material, except when the ground is covered with snow, **without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done.**"

Violations of RSA 224-27 and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000 and/or a year in jail and you are also liable for paying all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1989 including several large fires in Allenstown, Alton, Chesterfield, Concord areas, as well as the 100 acre fire on Mt. Belknap in Gilford.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of Forests and Lands at 271-2217.

Forest Fire Statistics - 1989

Number of Fires Statewide	550
Acres Burned Statewide	554

Number of Fires District	16
Acres Burned District	16.5
Number of Fires Town	0
Acres Burned Town	0

Respectfully submitted,
WILLIAM MELLETT
Forest Fire Warden

JOHN Q. RICARD
Forest Ranger
Canaan, N.H.

NORTH COUNTRY HOME HEALTH AGENCY 1989 ANNUAL REPORT

The North Country Home Health Agency, Inc. is a not-for-profit community service agency providing a wide range of home care services to the residents of twenty-one North Country communities. The Agency is beginning its twentieth year of providing quality home care service. The Agency's well utilized programs include: intermittent Skilled Nursing Care; Homemaker/Home Health Aide visits; Physical, Speech and Occupational Therapies; Parent-Aide (child abuse prevention) services; Adult-in Home Day Care; Alzheimer's Disease and Related Disorders Respite care; School Nursing; and clinics and screenings for the community and businesses. 1989 was a busy and exciting year for the Agency. After an extensive search for long-term housing for the Agency we moved to new quarters located at 4 Mt. Eustis Road, Littleton. Through a unique co-operative effort the Agency has been able to secure a long-term lease in the new office building owned by Ammonoosuc Family Health Services, located on property leased by the Littleton Hospital Association and funded by a loan to AFHS by the Farmer's Home Administration. As a result of this move the Agency is able to provide service more efficiently. The Agency also instituted a Cholesterol screening and education program during 1989. Through generous donations from local Lions and Rotary Clubs the Agency purchased cholesterol screening equipment and trained the professional nursing staff to provide individual education. As a result, the Agency has expanded the community and business health screening programs and will continue to expand these programs in 1990.

The Agency provided a total of 9,697 home visits during 1989, conducted 31 clinics and screenings for the community and businesses (including administering 570 influenza immunizations), and provided 30,434 hours of Adult-in-Home Care services.

In the Town of Woodstock, NH, 24 individuals received:

Skilled Nursing Visits	90
Homemaker Visits	47
Home Health Aide Visits	13
Physical Therapy Visits	104
Speech Therapy Visits	2

The Agency welcomes your comments or suggestions regarding services that are currently being provided or that you would like to see provided in the future.

Respectfully submitted,
MARY E. PRESBY
Executive Director
North Country Home Health
Agency, Inc.

1989 REPORT: COMMUNICATION'S CENTER

For the year we had a total of 49,592 radio transmissions. These are broken down as follows:

Lincoln Police Department	33,762
Lincoln Fire Department	811
Woodstock Police Department	10,869
Woodstock Fire Department	658
Lin-Wood Ambulance	3,004
National Forest Service	488

We had a total of 39,470 telephone calls. These are broken down as follows:

Lincoln Police Department	24,051
Lincoln Fire Department	195
Woodstock Police Department	4,108
Woodstock Fire Department	104
Lin-Wood Ambulance	642
National Forest Service	80
Emergency 911	10,290

The dispatch received 229 alarms. Of those 193 were responded to in Lincoln and 28 were in Woodstock. We are now monitoring alarms. We have a new computerized alarm system of which 37 come directly to the Communication's Center.

The Fire Departments were paged out 81 times. The Lincoln Fire Department responded to 54 of these and the Woodstock Fire Department responded to 27 of them.

The Lin-Wood Ambulance was paged out 344 times.

We acquired the "911" Emergency Line this year. This line was called 10,290 times. It was a much needed addition to the two towns.

Our "Good Morning" Program is still going strong and has doubled this year. We now have a total of 39.

On our program of trying to keep track of how many people walk into the Police Station in a year, we had a total of 4,395. Of this total, Dispatch handled 3,169 and the police handled 1,057. Sometimes

they were handled by both departments of which 522 were handled.

We had a change in personnel this year. Miss Gretta Briggeman resigned in February to go to a larger department and John Horgan was hired.

We would like to take this time to thank the residents of Lincoln and Woodstock for their continued support.

Respectfully submitted,
Carol Rannacher,
Chief Dispatcher
Pat Reardon
Joe Trudell
John Horgan
Dispatchers

INDEPENDENT AUDITOR'S REPORT**

— — — — —

To the Members of
the Board of Selectmen
Town of Woodstock
Woodstock, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Woodstock and the combining and individual fund financial statements of the Town of Woodstock as of and for the year ended December 31, 1988, as listed in the table of contents. These financial statements are the responsibility of the Town of Woodstock's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1C, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Asset Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Woodstock, New Hampshire at December 31, 1988, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles.

Also, in our opinion, the combining and individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the Town of Woodstock at December 31, 1988, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole and on the combining and individual fund financial statements. The accompanying financial information listed as a schedule in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements of the Town of Woodstock. Such information has been subjected to the auditing procedures applied in the audit of the general purpose, combining and individual fund financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements of each of the respective individual funds and account groups, taken as a whole.
