FOR YOUR INFORMATION...

This is a synopsis of some of the laws that affect a great many people. For further clarification of these laws please refer the State of New Hampshire Revised Statutes Annotated as indicated.

DOGS - Pursuant to RSA 466:1-7, if your dog is over 3 months old you are required to license it by **APRIL 30 of each year**. Proof of rabies vaccination and spaying or neutering is required at the time of licensing. Licenses may be obtained at the Town Clerk Office.

REGISTERING TO VOTE & ABSENTEE BALLOTS - If you have established permanent domicile in the Town of Hill, are a United States Citizen and are 18 years of age or older you have the right to register to vote. Voter registration cards are available at the Town Clerk Office. You may also register to vote at the polls during Election Day.

If you are a legally registered voter for the Town of Hill you may request an absentee ballot for any elections. If you will be out of Town, disabled or just unable to get to the polls for voting on the day of elections, you may apply for an absentee ballot. Ballots are obtained at the Town Clerk Office.

TAX BILLS - All real estate property taxes are assessed on April 1st of each year. The tax year is April 1st through March 31st. The first billing of each year (June) is calculated at 50% of the previous year tax rate. The tax rate is set prior to the second billing of each year (November).

The taxpayer may, by March 1st following the date of notice of the tax and not afterwards, apply in writing to the Board of Selectmen for an abatement of the assessed tax as provided under RSA 76:16. If you are elderly, disabled, blind, a veteran or a veteran's spouse, or are unable to pay taxes due to poverty or other good cause, you may be eligible for a tax exemption, credit, abatement or deferral. For details and application information contact the Board of Selectmen.

Real estate tax payments will be applied first to the oldest delinquent real estate taxes (if any) for the indicated property. Payment of a current bill does not prevent collection of previous unpaid taxes, nor does an error in the name of the person(s) taxed prevent collection. If payment is made by check or money order, it is not considered paid until the check or money order is cleared by the bank. A \$25 fee plus all additional delinquency penalties and collection costs will be charged for any check returned by the bank for any reason.

If you are not the present owner of the property that you received a bill for, please forward to the proper owner. The tax collector issues bills to the last known reported owner of the property and the last known address. Any real estate property sales issued in the current month will not be recorded with the Board of Selectmen and the

Tax Collector until the middle of the following month. All address changes should be directed to the Office of Tax Collector.

TIMBER YIELD TAX (RSA 79) - Timber is considered to be real estate, therefore taxable. Timber is only taxed at the time it is cut and at a rate, which encourages the growing of timber. In order for the Town to be aware of cutting operations the owner of the property must notify them of cutting by filing an Intent to Cut. Timber tax is assessed upon the receipt of the Report of Wood Cut, which must be filed with the Town within 60 days of completion of cutting. Timber on all land ownership is taxable at 10% of the stumpage value at the time of cutting. Fines for non-compliance may be assessed. The DRA and Division of Forest & Lands have authority to issue a cease and desist for any cutting operation not in compliance with RSA 79.

The following are the only exceptions to taxation. No Intent to Cut is required and timber is not taxable for these items:

1. 10 MBF saw logs and 20 cords fuel wood for personal use.
2. 10 MBF saw logs and 20 cords of wood for land conversion purposes when all permits for the conversion have been received.
3. Shade and ornamental trees, usually considered to be trees within striking distance of a building.
4. Christmas trees, fruit trees, and nursery stock and short rotation tree fiber.
5. Any amount of firewood for maple syrup production.
6. Government and utilities not selling the wood.

CURRENT USE (RSA 79-A) - The purpose of Current Use is to preserve open space – a property tax strategy to help landowners keep their open space undeveloped. Land is assessed at its present use rather than its highest potential use. Current Use does not require land to be open to public use.

Parcels must be at least 10 acres in size or bring in \$2500 in annual agriculture or horticultural products. Parcels can be sold with no penalty. It remains in current use regardless of who owns it. No "buy out" provision exist. Once the land is accepted, it is in forever. Current Use applications must be submitted to the Board of Selectmen on or before April 15th with a fee of \$12.34. Upon approval, applications are recorded at the Merrimack County Registry of Deeds.

Current Use assessment ranges include farm land, forestland, unproductive land and wetlands. A 20% additional recreation adjustment is available for allowing certain recreation activities.

If the parcel's use physically changes or the changes create a parcel of less than 10 acres in size, a penalty of 10% of the full and true market value of the changed portion is assessed at the time of change. Only the acres changed are assessed, the remainder stays in current use. For more information contact DRA at 271-2687 or at www.state.nh.us/revenue/revenue.htm.

**THE STATE OF NEW HAMPSHIRE
TOWN OF HILL, NH
TOWN WARRANT**

To the inhabitants of the Town of Hill in the County of Merrimack, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Hill Town Hall in said Hill on Tuesday, the 13th day of March, 2001, at 11:00 a.m. to vote on the following subject:

ARTICLE 1: To choose all necessary Town Officials for the ensuing year.

ARTICLE 2: To vote on the petitioned zoning ordinance amendments relative to Wellhead Protection Overlay District and the restriction of special exceptions in this district. (The planning Board does not recommend this article)(See the attached sample ballot for the specific wording of the amendment)

NOTE: By law, the meeting must open before the voting starts. Therefore, the meeting and the polls will be open at 11:00 a.m. for the consideration of Article 1. At noon the meeting will recess but the polls shall remain open and shall not close until 7:00 p.m.

The meeting will reconvene at the Hill Town Hall on Thursday, the 15th day of March, 2001 at 7:00 p.m. to act on the remaining articles of this warrant.

ARTICLE 3: To see if the Town will vote to raise and appropriate the following sums for the general municipal operations, exclusive of individual and special warrant articles:

	APPROP 2000	2001 APPROP	2001 BUDGET COM

Int. on Tax Anticipation Notes	500	1,000	1,000
TOTAL OPERATING BUDGET	448,290	444,711	439,366

ARTICLE 4: To see if the Town will vote to raise and appropriate \$1,000 to be placed into the Building Improvement Capital Reserve Fund for handicap accessibility. (Recommended by the Selectmen and Budget Committee)

ARTICLE 5: To see if the Town will vote to raise and appropriate \$9,000 to be placed into the Fire Dept Heavy Equipment Capital Reserve Fund. (Recommended by the Selectmen and Budget Committee)

ARTICLE 6: To see if the Town will vote to raise and appropriate \$5,000 to be placed into the Revaluation of Town Capital Reserve Fund for this purpose. (Recommended by the Selectmen and Budget Committee)

ARTICLE 7: To see if the Town will vote to raise and appropriate \$2,000 to be placed into the Master Plan Capital Reserve Fund to defray the costs for updating the Master Plan. (Recommended by the Selectmen and Budget Committee)

ARTICLE 8: To see if the Town will vote to raise and appropriate \$9,000 to be placed into the Highway Heavy Equipment Capital Reserve Fund to defray the costs for highway equipment. (Recommended by the Selectmen and Budget Committee)

ARTICLE 9: To see if the Town will vote to raise and appropriate \$2,000 to be placed into the Police Heavy Equipment Capital Reserve Fund to defray the costs for police equipment. (Recommended by the Selectmen and Budget Committee)

ARTICLE 10: To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of establishing a wellhead protection area district and to raise and appropriate the sum of \$1,000 to be placed in this fund. (Recommended by the Selectmen and Budget Committee)(Majority vote required)

ARTICLE 11: To see what sum the Town will vote to raise and appropriate the following amounts for the following projects to Capital Outlay (The Budget Committee recommend \$15,000)(The Selectmen recommend \$30,000):

	<u>00 APPROP</u>	<u>2001 APPROP</u>	<u>2001 BUD COMM</u>
GRAVEL CRUSHING	52,600	30,000	15,000

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of \$15,000 for building renovations upon the relocation of the Town Offices. This article is contingent upon the passage of the School Renovation Project presented by the Hill School Board at the School District Meeting of March 21, 2001. This shall be a non-lapsing account for not more than five years. (Recommended by the Budget Committee)(The Board of Selectmen recommend \$30,000)(Majority vote required)

ARTICLE 13: To see if the Town will vote to raise and appropriate \$16,929 to enter into a contract with the Bristol Emergency Medical Service for ambulance coverage in the Town. (Recommended by the Selectmen and Budget Committee)

ARTICLE 14: To see if the Town will vote to withdraw \$17,055 from the Edwin W. Ferrin Memorial Trust as per the trust document to be deposited in the General Fund to offset the General Government Expenses.

ARTICLE 15: To see if the Town will vote to authorize the Selectmen to accept \$44,210 from the State of NH Highway Block Grant Fund to defray costs of Highway reconstruction.

Given under our hands and seal this 15th day of February in the year of our Lord two thousand one.

William Henry, Chairman

Michael Stanley

John W. Moses

****SPECIAL WARRANT ARTICLES****

Special warrant articles are defined in RSA 32:3.VI, as appropriations 1) in petitioned warrant articles; 2) appropriations raised by bonds or notes; 3) appropriations to a separate fund created pursuant to law, such as capital reserve funds or trust funds; or 4) an appropriation designated on the warrant as a special article or as a nonlapsing or nontransferable article.

SUBTOTAL 2 RECOMMENDED			0	0	46,929	0	31,929	15,000

****INDIVIDUAL WARRANT ARTICLES****

Individual warrant articles are not necessarily the same as "special warrant articles". An example of an individual warrant article might be negotiated cost items for labor agreements or items of a one time nature you wish to address individually.

Treasurer: Brandi Threlfall

SELECTMEN'S REPORT

With much anticipation but little fanfare, the Cass Mill Bridge was opened in November. The rocky road to bridge completion also led to a bump in the tax rate, owing to an error made in reporting revenues associated with the project. Many building permits were issued this year and a busy spring for assessing is anticipated. It is very important that everyone who is planning to build or make changes in use to their properties are issued a permit to make our records accurate and fair for all residents. Changes at the transfer station are planned, including some recycling to help reduce the bulk in the compactor, and of course, the landfill. A bin for commingled glass, plastic and aluminum will be added; also, a construction waste bin is being considered. We have also made available, a stump dump for residents at the town gravel pit. A key can be signed out from the road agent or at the town clerks office during regular business hours. The veterans' monument has been completed, and was dedicated during the Veterans Day ceremony. There are still some decorative rosettes to be replaced on the original monument, and will be taken care of soon. Contract negotiations are underway with Adelphia cable with an expansion of coverage, and offering new services on the table. A change in ambulance service has been made, necessitated by the Franklin EMS being overburdened. Pending approval of a warrant article at town meeting, Bristol has been acting as our first response ambulance since January. The selectmen's office would like to thank all board members, employees and volunteers for their time and effort in the past year. I would like to encourage others to get involved to help shape our town's future.

Respectfully submitted,

Bill Henry, Chairman

I hereby certify that the preceding Tax Collector/Town financial report is correct according to the best of my knowledge and belief.

Desiree L. Mahurin,
Town Clerk/Tax Collector

TAX COLLECTOR/TOWN CLERK NARRATIVE

The year of 2000 brought some state law changes with the registering of motor vehicles. Dramatic changes were implemented for the registration of construction vehicles. The title law has also been changed to a fifteen-year period. Do not sell or buy a vehicle newer than 1989 without the previous title. 1989 vehicles will be required to be titled until the year 2003. Also effective January 1, 2001 any vehicle older than 1989 will be required to provide a valid proof of vehicle identification number verification. Valid documents are a copy of a valid (not expired) previous owner's registration, valid out of state title, or Verification of VIN form (form 19A) signed by an authorized agent. Verification of VIN forms may be obtained in my office. These forms must be completed and signed by a NH Law Enforcement Officer, Authorized NH Licensed Dealer or NH Inspection Station. These documents will be filed with the State of New Hampshire Department of Safety.

The restoration and preservation project of the Town records has been going well. I will have completed all of the vital records, which include births, deaths and marriages, from 1850 – 1991 by the end of 2001. I will also be working with the Genealogical Society of Utah to have the vital record documents up to approximately 1915 microfilmed. The Town will receive a copy of the microfilmed documents at no charge.

As always, I would like to express my appreciation to the residents of Hill for your continued support. I enjoy my job very much and I strive to do my job the very best that I possibly can.

Respectfully Submitted,

Desiree L. Mahurin,
Town Clerk/Tax Collector

HILL VOLUNTEER FIRE DEPT.

COMMERCE STREET
HILL, N. H. 03243

The fire department responded to 66 calls in year 2000. A breakdown of these calls are as follows.

Chimney	3
CO Alarm	2
Fire	3
Forestry	8
Fuel Spill	1
Lines Down	2
Medical	26
Motor Vehicle Accidents	5
Mutual Aid	9
Special Service	6

This was an average year for calls as compared to previous years, but an above average year for other activities around the station. Many maintenance duties were performed on the building as well as on the trucks and some equipment, some of these duties included painting of the trim on the outside of the building, electrical work was done to bring old work up to code, painting on the inside of the building was done as well, we also completed some unfinished projects from the previous years. Work on trucks included rebuilding some valves on the pumps, and repairing a leak in the water tank on 11M2.

There will be a change in our ambulance service to the town, starting no later than March 31, 2001 Bristol Fire Department will be responding as our primary ambulance, Franklin will be used as a back up ambulance or if needed a second ambulance providing they are available. If you have any questions as to the changes please feel free to contact me at the fire station.

Two members of the fire department, Ben Fredette and myself went to Idaho to fight wildland fires, we where gone two weeks from the end of August into September. We where stationed at the Clear Creek Camp in the Salmon/Challis National Forest.

The members of the department would like to express to the community their thanks for the continued support of the department.

I would like to take this opportunity to thank the men and women of the department for their support and for the many hours of time they have devoted to the department over the past year. Also I would like to thank their families for their patience in having a loved one as a member of the Hill Fire Department. As always a job well done, thank you.

As always the fire department is looking for new members if anyone is interested in becoming a member please contact any existing member or call the station at 934-5350

Sincerely
Chip Fredette
Fire Chief

CHECK YOUR SMOKE DETECTORS THEY SAVE LIVES!

TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER REPORT

There are 2,200 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The number of fires reported during the 2000 fire season was below average as referenced in the statistics below. Despite this, our network of fire towers and detection patrols were still quite busy with the fire towers being first to report over 135 fires. These fires were quickly and accurately reported to the local fire department for their prompt and effective suppression efforts. Wildland fires occurring in areas where homes are situated in the woodlands are a serious concern for both landowners and firefighters. Homeowners can help protect their homes by maintaining adequate green space around them and making sure that houses are properly identified with street numbers. Please contact the Forest Protection Bureau to request a brochure to assist you in assessing fire safety around your home and woodlands.

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ALL outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. Forest Rangers have investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217, or for general information visit our website at www.dred.state.nh.us.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection system and reports from citizens aid in the quick response from local fire departments. These factors are critical in controlling the size of wildland fires, keeping the loss of property and suppression costs as low as possible. Due to permitting and fire safety concerns, please contact your local fire department BEFORE using portable outdoor fire places and vessels, including those constructed of clay, concrete or wire mesh.

Please contact your local fire department before doing ANY outside burning.

REMEMBER ONLY YOU CAN PREVENT FOREST FIRES!!

State of New Hampshire

Hill Police Department

Hill, New Hampshire

The year 2000 continued to be a busy one for your Police Department.

Again, we are having the same problem that we have had in the past, and that many towns our size have. That problem is turnover. We can only hire people with no or very little experience. We train them, give them experience and they go onto full time employment or to another town that can pay more than we do.

During this year we lost Glenn Laramie. Glenn was hired for more money and hours by his father in Andover.

As we speak, Joe Mahoney has applied for a full time position with the Andover Police Department. Joe has been offered the position and his background investigation is in progress. What that means to us is uncertain at this point.

We did approximately 450 property checks during the year 2000. I feel that is a contributing factor for the small number of burglaries that we have in town.

The police department applied for a new Motorola digital cruiser radio and a Panasonic Lap Top computer. We have received the computer and it is in use. We are anticipating the cruiser radio within a few months. Eventually that will allow us to do our reports in the cruiser, and if everything goes as expected, within a couple of years, we will be able to run a registration, license and wanted person check from the cruiser. The cost of the two projects is in excess of \$10,000.00. However both of these projects were at no cost to the town thanks to federal monies.

The Department turned over \$ To the Town for Pistol Permits, Court fines, and Police reports.

The following complaints were investigated:
Animal Complaints

Assault (Simple)	3
Bail Jumping	1
Bench Warrants	4
Burglary	3
Burglary Alarms	5
Criminal Mischief	2
Defective Equipment	16
Department Assists	22
Domestic Violence	11
Harassment	2
Issuing Bad checks	1
Missing Person	1
Motor Vehicle Accidents	
Fatal	1
Personal Injury	4
Property Damage	11
Motor Vehicle Complaint	1
Noise Complaint	3
Property Damage	18
Public Assistance	7
Speed Warnings	92
Theft	4
Theft Deception	1
Violating Bail Order	1
Vicious Dog	1
911 Hangups	8

The following cases were prosecuted:

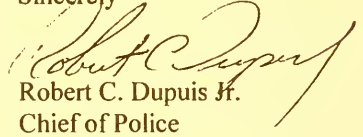

Assault(Simple)	3
Bail Jumping	1
Criminal Mischief	1
Criminal Trespass	1
Domestic Violence	5
Driving While Intoxicated	2
Felon in Possession of a Firearm	1
Issuing Bad Checks	1

PAGE # 3

Leash Law Violation	4
Operating After Suspension	5
Speed	27
Stop Sign Violation	2
Uninspected Motor Vehicle	7

Again, I would like to thank the Citizens of Hill for the cooperation that the Department has received during 2000 and the hope that it continues.

Sincerely

Robert C. Dupuis Jr.
Chief of Police

HILL PLANNING BOARD REPORT

I would like to take the time to thank all of the Planning Board members for all of their hard work and long hours during a busy and demanding year. The Board would also like to thank the Board of Selectmen for their support and guidance.

Accomplishments:

1. The Planning Board placed two zoning ordinance amendments on the March 14, 2000 town election ballot, both of which passed.
2. Ten driveway permits were issued and three problem driveways were corrected.
3. One subdivision application was approved turning one lot into two lots.
4. One gravel excavation permit was renewed.
5. The Planning Board and the Zoning Board of Adjustments held one joint public hearing on an application for a special exception to build a campground in the rural residential district. The Planning Board denied the application.
6. The Planning Board is in the final stages of revising the subdivision regulations. This has been an ongoing process with many interruptions.
7. A hired planner gave eight hours of training. Most of the time was spent reviewing State RSAs and subdivision regulations.

The Planning Board has made the initial steps in the updating of the Master Plan. The current plan is over 15 years old and by law an update is required. The Lakes Region Planning Commission will be assisting the Board with this large task. It will take three to five years to complete, and public participation and input from the residents of Hill are important. So keep an eye out for notices of upcoming meetings.

Respectfully submitted,

Denise Robie, Chairman

Planning Board Members:

Ken Magoon, Vice-Chairperson
Shaun Bresnahan, Jr., Secretary-Treasurer
John Moses, Selectman
David Brennan
Dana Lamprey
David Maluchnik
Seymour Goldberg, Alternate

HILL PUBLIC LIBRARY

32 CRESCENT STREET
HILL, NH 03243
phone (603)934-9712

Ann Clement, Librarian

LIBRARIANS REPORT

The Hill Public Library had a great year. We have 445 library card holders. We loaned 700 books to adults and 1214 books to children. We had 1438 children attend our programs.

Our Easter Egg Hunt was held inside due to rain and about fifty people showed up for a fun time and lots of goodies.

Our Friends Group again provided a dedication of new books for all babies born in 1999. We had a hearing dog and its owner as guest speaker and also Elizabeth Yates a New Hampshire author.

We held a seven week Summer Program on Thursdays where a reading activity time was enjoyed. This was done by Librarian Ann and several volunteers, Caroline Wilson, Jeannie Gabert, Sandy Hawkenson, Fran Sanderson, Liz Carlson and Ann. We appreciate their efforts which made a very wonderful program for our children.

In May, Patricia Rosen joined our Library Staff part time to replace the hours Caroline Robie used to fill prior to her retirement. It's great to have Tricia.

The Friends of the Library sponsored a book and bake sale in June and also a successful membership drive was held. A new Library sign was purchased by the Friends Group. Their support is very valuable to us.

Also in October a Pumpkin Festival was held. It was a success and fun also. In November the Friends provided a program about a Seeing Eye dog and its owner. It's nice how much the children enjoy these events, especially when animals are involved.

In November the Friends Group along with a "CLIF" Grant (Childrens Literacy Foundation) provided a program for our community when Mary Lyn Ray, a New Hampshire Children's author, came to read and talk about her career and how and what makes an author.

In or around October, Lynn Christopher became a welcome volunteer at our library. She maintains the library while librarian Ann reads to all the kindergarten and first graders each and every Thursday morning.

Again, It has been a successful year and we continue to grow, while fulfilling the needs and desires of our library patrons.

Sincerely,

Ann M. Clement

HIGHWAY DEPARTMENT REPORT

Building repairs and maintenance was performed which included weather sealing the three bay doors and replacing weather damaged areas. This will help keep the heating costs down in the 2001 cold season. All of our heavy equipment is now diesel powered with the purchase of the F550 Ford truck this year. This means we only need one type of fuel on the premises for fueling equipment.

RoadWork: The last two miles of Murray Hill Road was paved. This completes the major paving projects for awhile. We started the gravel road program late this fall and will continue for a number of years until we upgrade all gravel roads.

New Equipment: The new 2000 loader/backhoe and the new Ford F550 truck are on line. We are pleased with their performance.

Village: Catch basins were cleaned out and mowing of the town strips and lots were done. Roadside brush mowing was also completed on all other town roads.

Sincerely,

Dean C. Wheeler, Road Agent

CEMETERY TRUSTEES REPORT

Our principal project this year was the restoration of the fence around Bunker Hill Cemetery, undertaken by Barrett Batchelder as a volunteer who was working toward his Eagle Scout Badge. He and his Boy Scout Troop #370 spent many hours clearing away trees and branches around the edge of the cemetery, painting the long picket fence at the front and installing new octomesh fencing around the other sides. The appearance of the cemetery is so improved that we feel a deep debt of gratitude to Barrett and his troop, especially the leaders, Jeff Laliberte and Mike Stanley who gave so much of their own time to work with the boys. We are also grateful to the townspeople who gave donations to the scouts to help with this project.

Much work remains to repair broken stones and to put stones back in their places in the Murray Hill Cemetery and the Bunker Hill Cemetery. This is a long-range project, which we hope to begin this coming year.

Respectfully submitted,

Denise Robie
Linda Denningham
Mary Brown,
Cemetery Trustees, Town of Hill, NH

PARKS AND RECREATION COMMITTEE REPORT

The Hill Parks and Recreation Committee has had a very busy and exciting year. We have lots of wonderful things planned for the upcoming year.

On September 16 and 17, 2000 with the help of many volunteers and contributions from area businesses, the playground in the Maurice P. Wheeler Park was installed. The park still has some groundwork to be completed, which will take place in the spring of 2001. Everyone's efforts have paid off by the enthusiasm shown from the children and families that have frequented the playground since its installation.

On May 22, 2000, The Friends of the Hill Parks and Recreation Programs was established as a public, non-profit charitable organization. The Friends group has held six very successful fundraisers since May. The group became established to assist the Municipal Parks and Recreation Committee with additional avenues to fund the many exciting projects and activities we have planned over the coming months. The Friends group has also adopted a stretch of highway in memory of "Skip" Wallace. This stretch runs up NH Route 3A from the corner of Old Town Road to the Bristol town line. The road needs to be cleaned four times a year. If you would like to know more about this or would like to be included in the clean up, please contact me.

The next large endeavor you will see taking place is the clean up of the Hill pond. Plans are already underway to have the pond dredged as well as installing a new fire pit, and erecting a gazebo style bandstand. A picnic table and two benches have already been installed. Our hope is to see the citizens of Hill enjoy this area in the summer as a picnic area as well as in the winter for family skating.

The Parks and Recreation Committee along with the Friends of the Hill Parks and Recreation Programs would like to take this time to thank the citizens of Hill for all of your support. The committee is always looking for volunteers. If you would like to become involved in any of the upcoming projects, please do not hesitate to contact me or any one of our committee members.

Respectfully submitted,

Rhonda Bucklin, Chairman

Parks and Recreation Committee:

Linda Byers

Desiree Mahurin

Jo-Ann Rayno

INDEPENDENT AUDITOR'S COMMUNICATION OF REPORTABLE CONDITIONS AND OTHER MATTERS

To the Members of the
Board of Selectmen
Town of Hill
Hill, New Hampshire

In planning and performing our audit of the Town of Hill for the year ended December 31, 1999, we considered the Town's internal control structure in order to determine the scope of our auditing procedures for the purpose of expressing our opinion on the financial statements. Our review of these systems was not intended to provide assurance on the internal control structure and should not be relied on for that purpose.

Under the standards established by the American Institute of Certified Public Accountants, reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control structure that, in our judgment, could adversely affect the Town's ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statements. A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities, in amounts that would be material in relation to the financial statements being audited, may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might constitute reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses as defined above.

We are pleased to report that, during the course of our review of internal controls, no material weaknesses in the Town's accounting systems and records were identified. Minor weaknesses or other considerations coming to our attention were generally procedural in nature and dealt with administrative or recordkeeping practices. In these instances, we made specific recommendations or provided instruction to applicable individuals during the course of our audit fieldwork.

This report is intended solely for the information and use of management and others within the administration. This restriction is not intended to limit distribution of this report, which is a matter of public record.

Ballots cast on Election Day of March 14, 2000 = 126	24% of total voters
Voters present at Town Meeting of March 16, 2000 = 80	15% of total voters

**BRISTOL COMMUNITY CENTER
2000 REPORT TO THE TOWN OF HILL**

The Staff of the BCC wishes everyone a Happy & Healthy New Year. This has been an exciting year at the BCC with the culmination of the Archery Range Wall Project that has waited many years to get done. We received a grant from Franklin Savings Bank for \$7,500 towards this \$17,500 project. JP Morrison Construction did the work and were able to tear out the wall between the property, coat the foundation, put in drainage from the back of the building to the street and rebuild the wall – all within a few days!! This has made a tremendous difference. We would like to thank Franklin Savings Bank & JP Morrison Construction for making this project become a reality.

The Bristol Recreation Advisory Council is proud to announce a name change for the year 2001. The Council voted to change the name of the Bristol Community Center to the Tapply Thompson Community Center. This is to honor the two men that made the Community Center a reality. Reverend A. Brownlow Thompson came to Bristol in the mid-twenties as the minister for the Methodist Church. It was the dream of Reverend Thompson to have a central meeting place for all youth willing to participate in organized and creative areas of responsible activity. Reverend Thompson left the area for a number of years and during this time the Methodist and Congregational Churches united and formed the present Federated Church. The Methodist Church building (BCC) was retained and used for church/school activities. When A.B. returned in 1942 he began to increase the use of the building for youth directed programs. Pews were often moved aside on weekdays to allow for archery and other programs. In October of 1946, the Federated Church Committee voted to underwrite the expense of hiring a full-time paid director and whatever other expenses were necessary. Fortunately for everyone, they were able to secure the services of Richard “Wink” Tapply as the first Director.

“Wink” had been a member of Reverend Thompson’s Boys Club and easily assumed the role of apprentice under him. Their philosophy from the beginning was “If one adult life is influenced for the good, it is money well spent.” In his new position “Wink” spent seven days a week to get the program on its feet and build public support for the concept. Survival meant continually proving that organized activities were meaningful to the youth and helping to contribute to their future as citizens in the communities they would live in. The Community Center was extremely lucky to have a man like “Wink” at the helm during those formative years. His name is known far and wide in Recreation circles to this day as a father of recreation in New Hampshire. (info taken from the History of the Bristol Community Center by Charles E. Greenwood – copies available at the BCC). A dedication ceremony will be held in the Spring.

We want to thank the Newfound Area School District for their continued support of the BCC and its programs. We hold many of our programs and practices at the local schools to accommodate our growing numbers. We are grateful for their appreciation of the importance of Recreation in the Newfound Area.

In closing, the BCC wishes to thank the many Hill volunteers that have donated their time and energies by working in our sports leagues, helping with our Haunted House, Santa’s Village and our numerous other fundraising and youth activities. Thank you all!! We couldn’t do it without you.

Respectfully submitted,

Leslie Dion, Director of Recreation

Hill Town Letter
December 2000

I am happy to report that the Visiting Nurse Association of Franklin continues to perform efficiently providing home care services to the residents of Northfield. During this 55th year of service, the staff of the VNA continued to ensure that we deliver personalized quality care to our clients while we transitioned to a new Medicare reimbursement system, took on new programs and remained fiscally stable in very labile health care economy.

We began implementation of the Community Health Care Fund sponsored Care Management program, a joint outreach effort with Newfound Area Nursing Association, to elders and disabled adults within the 12 communities served by both agencies. The Community Care Coordinator works one-on-one with clients to identify services for which they are eligible and facilitates the initiation of those services according to the client's wishes.

During this year the Department of Health and Human Services implemented a new program for elders called ServiceLink, a telephone information/referral service for elders across New Hampshire. The Visiting Nurse Association of Franklin has been active in the development of the Merrimack County ServiceLink organization and its satellite office located at the TRIP center in Franklin.

In 2000 we were fortunate to have the opportunity to add the Good Beginnings parent support program to our services. Paired with our Health Care Support service for young families, the Good Beginnings volunteers support a particular family with a newborn who may just need a little ongoing coaching to get off to a healthy start in life.

As members of the Caring Community Network of the Twin Rivers, the VNA of Franklin has been involved in several multi-community programs of collaboration to improve issues of the public health. Currently we are participating in an effort to provide programming for drug and alcohol abuse prevention with the schools as well as after school programs. Members of law enforcement, the school systems, health care providers and the faith community are meeting to develop community cohesion in our effort to provide young people with positive alternatives to chemical dependency.

We also continued to provide community specific screening programs such as blood pressure clinics and flu clinics in Hill as well as in the other communities we serve.

The Board of Directors of the Visiting Nurse Association is comprised of volunteers from each of our constituent communities. Representing Hill is Karen Seibel. Ms. Seibel contributes her time, expertise and energy to provide support and oversight to this organization.

We look forward to 2001 and the opportunities to work collaboratively with communities as we all endeavor to improve the quality of life for all of us.

UNH Cooperative Extension

As your local link to the University of New Hampshire, Cooperative Extension provides practical, research-based education to people of all ages, helping them make informed decisions that strengthen youth, families, and communities, sustain natural resources, forests, wildlife and agriculture, and improve the economy.

Merrimack County residents benefit from a wide range of Extension offerings, which include 4-H and youth development programs, monitoring water quality in our lakes and rivers, reducing the use of pesticides, parenting programs, land use management, food safety, forest stewardship, family finances, meeting the needs of low income families, strengthening our communities and developing a strong volunteer base while providing a wide range of information to citizens. This year, Extension expanded its public outreach with a toll-free Family, Home & Garden Info Line, staffed Monday through Friday, 9am to 2pm (1-877-398-4769).

Extension staff provides education to forest landowners, food producers and plant growers that helps keep their enterprises profitable, thus preserving their land as open space. Many studies show that open space helps keep property taxes low, as it places few demands on taxpayers for services.

A major statewide Extension initiative, Strengthening New Hampshire Communities has impacted Merrimack County. Extension staff have worked with the communities in a variety of ways. Several Merrimack County towns have participated in Extension's exciting *Community Profile* process. A Community Profile is a tool to help community members create a vision about what they want their community to be like, and then forms action groups to reach those goals. In addition Cooperative Extension provides publication notebooks for all town libraries. The Extension currently participates in a monthly radio program on WKXL providing information to the communities throughout the County. Extension information can also be obtained from the Web at ceinfo.unh.edu. Follow-up support is available from UNH Cooperative Extension staff.

Other community efforts include after school programs, teen assessment projects, wellness teams, town office visits, the Master Gardener program, working with town officials to make sure local ordinances are "agriculture-friendly" and assisting schools with maintenance of athletic fields and landscaped areas.

The staff in Merrimack County includes nine Extension educators, two state specialists and three support staff. Educators reach approximately one of every four families in the county.

**HILL SCHOOL DISTRICT WARRANT
2001
THE STATE OF NEW HAMPSHIRE**

To the inhabitants of the School District in the Town of Hill qualified to vote in District affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE HILL TOWN HALL IN SAID DISTRICT ON THE TWENTY-FIRST OF MARCH 2001, AT 7:00 P.M. TO ACT ON THE FOLLOWING ARTICLES:

- ARTICLE #1 TO SEE IF the School District will vote to raise and appropriate the sum of one million four hundred ninety-seven thousand thirty-two dollars (\$1,497,032) for the construction of an addition, renovation of the existing space, and original equipping of a school building; one million four hundred twenty-three thousand seven hundred fifty dollars (\$1,423,750) of such sum to be raised through the issuance of bonds or notes under and in compliance with the Municipal Finance Act, RSA 33:1 et seq. as amended; to authorize the School Board to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; to authorize the School Board to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; furthermore, to authorize the withdrawal of up to seventy three thousand two hundred eighty two dollars (\$73,282) from the School Building Capital Reserve Fund created for this purpose; and to authorize the School Board to take any other action or to pass any other vote relative thereto.
The School Board Recommends this Appropriation.
The Budget Committee recommends this Appropriation.
2/3 Ballot Vote Required
- ARTICLE #2 TO HEAR reports of Officers, Committees, Auditors, Agents or others chosen to pass any vote relating thereto.
- ARTICLE #3 TO CHOOSE Agents and Committees in relation to any subject embraced in this warrant.
- ARTICLE #4 TO SET the salaries of the School Board and other officers or agents of the District or take any other action in relation thereto.

ARTICLE #5 TO SEE IF the District will vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500) to be added to the Capital Reserve Fund for School Construction and authorize the use/transfer of up to that amount from the year end undesignated fund balance (surplus) available on July 1 of this year.
The School Board recommends this appropriation.
The Budget Committee recommends this appropriation.
(Majority vote required)

ARTICLE #6 TO SEE WHAT sum of money the District will raise and appropriate for the support of the schools, for the salaries of school district officials, teachers, employees and agents, and for the support of statutory obligations of the District; and to authorize the application against said appropriations of such sums as are estimated to be received from state and federal sources together with other income; the School Board to certify to the Selectmen the balance between the estimated revenues and appropriations, which balance is to be raised by taxes by the Town. This article does not include appropriations voted in other warrant articles.
(Majority vote required)

ARTICLE #7 To transact any other business that may legally come before the meeting.

GIVEN UNDER OUR HANDS AND SEAL AT HILL, NEW HAMPSHIRE ON THIS TWENTY-FIRST DAY OF FEBRUARY, 2001.

**Town of Hill, New Hampshire
Annual School District Meeting
March 22, 2000**

Minutes of Meeting

The Annual School District Meeting was called to order at 7:13 p. m., Wednesday, March 22, 2000, at the Hill Town Hall, by Moderator, William Cummings. Invocation was given by Linda Denningham.

Moderator Cummings explained the procedure of voting by secret ballot for Article 1 and that the polls must remain open for one hour after the vote is called. He then asked Attorney Edward Lawson to address the issue of reconsideration since several voters had called him recently with questions about this issue. Attorney Lawson explained that if a motion was made to reconsider an article, and accepted, the vote would have to take place at a public hearing, at a later date, not less than 7 days after the District Meeting with at least two days public notice. The article would be passed if it were accepted by majority vote.

Moderator Cummings read the results of the District Election: School Board for 3 years- Alice Farris; Moderator for 1 year- William Cummings; School Clerk for 1 year- Frances Sanderson; and Treasurer for 1 year- Tricia Rosen.

Article 1: A motion was made by Gerry Desrochers, and seconded by Alice Farris, to see if the School District will vote to raise and appropriate the sum of One Million Seven Hundred Five Thousand Five Hundred Dollars (\$1,705,500) for the construction and original equipping of an addition to and renovations to the existing building, and to authorize the issuance of not more than One Million Six Hundred and Twenty Eight Thousand Dollars (\$1,628,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the school board to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to authorize the withdrawal of Seventy Seven Thousand Five Hundred Dollars (\$77,500) from the School Building Capital Reserve Fund created for this purpose. **2/3 Ballot Vote required**

-Gerry made his regrets at this time for School Board member, David Kelly, who could not attend because he was on his way to Philadelphia with his Robotics Team from Pembroke Academy for competition.

Amendment: Gerry Desrochers made a motion to change the word 'building' to 'buildings' to include the Town Hall. Motion was seconded by Alice Farris. Gary David suggested that the words 'and Town Hall' be added to 'school building' and Mr. Desrochers Mrs. Farris agreed to this suggestion.

Motion on amendment to add 'and Town Hall' to Article 1 carried on card vote.

Polls opened for secret ballot at 8:36 p.m.

9:00 p.m. Moderator Cummings called the meeting back to order even though the polls remained open. He brought to the attention of the voters Mr. Lawrence Robie's 99th birthday. Mr. Robie received a hearty birthday serenade from all of those in attendance.

Article 2: Gerry Desrochers made a motion, seconded by Alice Farris, to hear reports of Officers, Committees, Auditors, Agents or others chosen to pass any vote relating thereto.
Motion carried on card vote.

Article 3: Gerry Desrochers made a motion, seconded by Alice Farris, to 'continue active' Agents and Committees in relation to any subject embraced in this warrant.
Motion carried on card vote.

Article 4: Gerry Desrochers made a motion, seconded by Alice Farris, to set the salaries of the School Board and other officers and agents of the District or take any other action in relation thereto.
Truant Officer \$15
School Board Chairman \$425
School Board Member \$375
School District Moderator \$15
School Clerk \$60
School Treasurer \$480
Motion carried on card vote.

Article 5: Alice Farris made a motion, seconded by Gerry Desrochers, to see if the District will vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500) to be added to the Capital Reserve Fund for School Construction and (to) authorize the use/transfer of up to that amount from the year end undesignated fund balance (surplus) available on July 1 of this year.
Majority vote required. *Motion carried on card vote.*

Article 6: Gerry Desrochers made a motion, seconded by Alice Farris, to see if the District will vote to authorize the School Board to enter into a 3-year lease agreement for the purpose of leasing a school bus, and to raise and appropriate the sum of Twenty Eight Thousand Six Hundred Sixteen Dollars (\$28,616) for the first year's payment for that purpose.
Majority vote required. *Motion defeated on card vote.*

Polls closed for Article 1 at 9:41 p.m.

Article 1 was defeated. Yes: 44 No: 76

Article 7: Gerry Desrochers made a motion, seconded by Alice Farris, to see if the District will vote to raise and appropriate the sum of One Million Forty Four Thousand Six Hundred and Twenty Nine Dollars (\$1,044,629) for the support of the schools, for the salaries of school district officials, teachers, employees and agents, and for the support of statutory obligations of the District; and to authorize the application against said appropriations of such sums as are estimated to be received from state and federal sources together with other income; the School Board to certify to the Selectmen the balance between the estimated revenues and appropriations, which balance is to be raised by taxes by the Town. This article does not include appropriations voted in other warrant articles. Majority vote required. *Motion carried on card vote.*

Fran Sanderson made a motion to reconsider Article 1 on May 17, 2000 at 7 p.m. at the Hill Town Hall to find a solution to the safety issues at the school. Motion was seconded by John Nesteruk.
Motion defeated by card vote. Yes: 28 No: 50

Article 8: To transact any other business that may legally come before the meeting.
Majority vote required. No other business. Motion to adjourn made by John Lynch and seconded by John Moses. *Motion carried by majority vote.*

Respectfully submitted,

Frances Sanderson

Hill School District Building Committee Report

Following the defeat of the building proposal at the School District Meeting in March, 2000, the Building Committee continued to meet monthly to review design concepts and once one was selected at the best alternative, to refine it for presentation at the School District Meeting in March 2001. There were some changes in the members of the committee since last year. The committee is comprised of the following groups and individuals:

School Board	Gerard Desrochers, Dave Kelly, Alice Farris
Selectmen	John Moses
Planning Board	Shaun Bresnahan
Budget Committee	Steve Clement
Library Trustees	Jane Chandler
Public	Rhonda Bucklin, Randy Pabst, Tricia Rosen, John Chandler, Gary David
Jennie Blake	Deb Gendron
SAU 18	Christine Tyrie, John Hanson
The Turner Group	John Pettit, Alan Tang, Daisy Dunham

After several meetings the committee agreed on a proposed plan which was circulated in the community during the Hill Library Fall Festival. The proposal was the subject of a public forum in December, 2000. The public hearing on the bond issue, required by RSA 33:8-a, began on January 31, 2001. Due to inclement weather the bond hearing was recessed on January 31, 2001 and it continued on February 14, 2001.

The building proposal that is being presented this year is similar to the one that was proposed in 1985. Classrooms and some support spaces will be added to the rear of the existing Town Hall structure, renovations to various areas of the Town Hall will provide the other support spaces that are needed. The existing Jennie Blake School structure would be used for the Town Offices, Conference Room, Parks and Recreation, and a combined Town / School Library.

The Building Committee believes this proposal is in the best long term interest of both the School District and the Town. There are many benefits to the project:

- The Civic Center design concept from the moving of the Town is maintained.
- Six adequately sized classrooms will be available for use. The existing grade level structure would immediately occupy 5 of the rooms. The sixth room would be available for use as an Art and Technology space now, and as the number of students continues to increase, it would become the 6th classroom. The six classrooms would have a combined capacity of approximately 145 students. The number of students in Jennie Blake School, as of February 1, 2001 is 103 and it has been as high as 109 this school year.

- Adequate spaces will be provided for Special Education, Nurse, Speech, Title One, Guidance, Behavior, Administration, and a Teacher's Room.
- Additional storage space will be available.
- The Amsden Auditorium stage will be slightly larger and it will be handicap accessible via a stairway lift.
- School parking would be located on the north side of the existing Town Hall. This will eliminate the congestion caused by the staff parking along Crescent Street.
- Handicap accessibility to Town and School District meetings and other functions held in the Amsden Auditorium will be available. The new construction will include an elevator.
- The Amsden Auditorium and Cafeteria will continue to be available for Town functions, use by other organizations in the community, and residents.
- A larger Library with Internet access will promote more use from the community and the school. An office area will be available for the Librarian.
- Selectmen will have a larger office and will be better able to accommodate townspeople wanting to meet with them
- A Research Room will be created where people can work on projects that require access to Town records.
- The Police Department will have more room and the office will be handicap accessible.
- A conference room will be available for routine meetings of the Planning Board, Zoning Board, Budget Committee, etc. Large audiences would be accommodated by using the Amsden Auditorium or the Cafeteria.
- A new larger vault for the archival storage of Town records will be created in the basement of the Jennie Blake building using the current vault door and frame from the Town Hall. Adequate storage space will be available for all Town boards.
- The parking for all Town business would be on the south side of the Jennie Blake building, where the small playground is today. This will eliminate the traffic from the area between the Town Hall and Jennie Blake School, clearing up a very dangerous situation.

Please review the budget summary, conceptual drawings and the estimated tax rate impact of the bond issue which are part of this report. The construction estimates presented to the community since last fall have been based on average square foot costs determined from reviews of other projects. After interviewing three firms the Building Committee selected Cobb Hill Construction of Concord as the construction manager. They have reviewed the conceptual drawings and preliminary designs with various sub-contractors and material suppliers. They have confirmed to the Building Committee that the project can be completed within the budget that has been proposed. The tax rate impact has been estimated using a constant assessed valuation for the town. Actually, the assessed valuation has been growing each year due to new construction and renovations. The continued growth in the assessed valuation will help reduce the tax rate impact in future years from what is shown on the chart that has been prepared.

A majority of the members of the Budget Committee at their meeting of February 21, 2001 voted to "recommend" the warrant article for the building project.

The Building Committee feels this project is the best long term solution for both the School District and the Town and that it addresses the needs that currently exist.

The Building Committee urges everyone to attend the Annual School District Meeting at 7:00 PM on Wednesday March 21, 2001. The decision to be made is important to our community and everyone should be involved in understanding the needs, discussing the proposal and determining the solution.

Proposed Renovations and Additions to the Jennie D. Blake Elementary School

Budget Summary

(Updated 01/25/01)

This is an educated guess at this schematic design level

	10/11/00	01/25/01
	Estimated \$\$\$	Estimated \$\$\$
1. Construction Costs	\$1,043,750	\$1,043,750
• New Construction – 8,400 SF @ \$110/SF	\$924,000	\$924,000
• Renovations – 1,200 SF @ \$45/SF	\$49,500	\$49,500
• Renovations – 100 SF @ \$55/SF	\$30,250	\$30,250
Elevator	\$40,000	\$40,000
2. Renovations to Jennie Blake (Misc. Life Safety Code and Accessibility Upgrades)	\$30,000	Town responsibility – Hill School District cannot legally bond this part of the project
3. Estimated Site Development/Prep	\$45,000	\$45,000
Subtotal “Hard” Costs	\$1,118,750	\$1,088,750
4. “Soft” Costs (approx. 25%) (Includes items such as Furnishings and Equipment, Architectural/Engineering design fees, Site Borings, Materials testing during construction, Legal and Administrative costs, Etc.)	\$279,688	\$272,188
5. Project Contingency (approx. 10%)	\$139,844	\$136,094
Estimated Project Total	\$1,538,282	\$1,497,032

**Annual Report of the Hill School Board
and the Superintendent of Schools
2000-2001**

The Jennie Blake School welcomed three new staff members for school year 2000-2001: Tara Strand, kindergarten teacher, Jeannette Murray, guidance counselor and Carol Benton, music teacher. Their transition into the system was smooth, and the children are being well served by all staff.

May 2000 New Hampshire Improvement and Educational Assessment Program (NHIEAP) results for the Jennie Blake students showed marked improvement over the previous year. Efforts by staff to focus on curriculum and better preparation for testing have been effective. Teachers, under the direction of Ms. Gendron, are also involving students in hands-on learning, which is sometimes accomplished by learning experiences outside the regular classroom. Environmental Camp, a weeklong science curriculum for students, takes place in Sunapee, giving students both academic and social opportunities.

In December the Department of Education published school profiles on-line. Three years of data that includes NHIEAP scores, cost per pupil, teacher/student ratios, etc. can be viewed by going to <http://www.measuredprogress.org/nhprofile>. Communication with all members of the school community continues to receive top priority by staff and administration. Student performance is featured in a school profile pamphlet that includes graphs, charts, statistics and highlights from the Jennie Blake School. A copy is available by calling the school (934-2245). A new Hill/Franklin newsletter is now included in *The Telegram* quarterly. Newsletters can be obtained by calling the SAU office (934-3108).

One of the features in the newsletter involved completion of a new playground. The project was a collaborative effort of the entire Hill community. Funds were secured through a vote at a special school district meeting. A committee led by Rhonda Bucklin and Desiree Mahurin involved community members in planning, purchasing and installing new playground equipment. The students are enjoying the new playground and the staff are appreciative of the hard work done by community members.

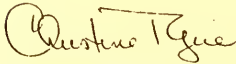

The building committee which formed last year continued to meet. A different proposal was developed for the voters' consideration at this year's town meeting. The proposal would move students to a renovated and enlarged town hall and move town offices to the current Jennie Blake School. The town and school would share a large library space, also located in the current Jennie Blake School. The proposal will give students and staff the additional room needed to insure a quality educational experience. There would be space for small group instruction, additional storage, small office areas for the school nurse, guidance counselor, and speech assistant, as well as more classroom space as needed. The proposal also addressed life safety needs of the existing structure. That proposal goes to the voters and requires a 2/3's majority to be approved.

As was mentioned in last year's report, the town of Hill continues to deal with changes in demographics at the same time that education becomes even more individualized and regulated. Providing a quality elementary school program remains challenging. The School Board and administration are committed to maintaining quality for over 100 Hill students at Jennie Blake School and over 70 Hill students at Franklin Middle and High Schools who deserve the best we can afford. The Board continues to look for supportive community members and invites them to attend the regular Board meetings each second Wednesday of the month at 6:30 PM at the Jennie Blake School, or call Ms. Gendron at the school and ask how to get involved.

Respectfully Submitted,

Gerard Desrochers, Chairman
David Kelly
Alice Farris

Christine Tyrie
Superintendent of Schools

REPORT OF THE PRINCIPAL

Facility: The limited space remains one of our biggest obstacles in trying to deliver a quality education with diverse needs and programs. The Building Committee has been meeting faithfully during the year with The H.L. Turner Group to solve this problem with a possible renovation and expansion. The proposed plan would solve space needs for both the school and the town. The plan includes a joint library, which is exciting many people. Friends of the Library are coordinating potential plans with the school.

Rhonda Bucklin and Desiree Mahurin of the Parks and Recreation Committee led the effort for the new playground installation, which took place on September 16th. New equipment, including benches and tables, has brought new life to this community park and lots of fun for students during recess.

Staff: We have added several new and dynamic teachers to our staff this year.

Theme & Climate: Our theme of Respect & Responsibility continues to contribute to a positive building climate. With increased student accountability, we have seriously reduced inappropriate and/or unsafe actions. This year, we split lunch times in addition to recess times, which has reduced wait time and has eased space and supervision.

Curriculum: The Jennie D. Blake staff is working diligently to improve academic standards in all subject areas at all levels. Some pertinent changes should be noted:

Mathematics: Students now begin every class with a Problem of the Day. The **EveryDay Math Program** in K-3 continues to strengthen problem solving and application skills. Students in grades 4,5,6 math are taught according to levels, not grades. As well, a group of 6th graders are working at a 7/8 level in hopes of joining an advanced math group at the Franklin Middle School. A more comprehensive program is needed at the upper level and we are hoping to fund one during the next two years. Also, coordinate assessments for 5th and 6th graders have eased the Grade 7 transition according to our most recent graduates.

Literacy: This year we implemented a comprehensive **Houghton Mifflin Program (K-6)**, which includes phonics skills, vocabulary building, and content-based stories. Reading Specialist Michelle Thrasher has been working for the second year with staff and students to identify strengths and weaknesses. The lowest 20% of our readers (3-6) continue work in an intensive **Corrective Reading Program** to help bring them up to grade level. With this program in place for only one year, 10% of our students have already rejoined their on-level course. As well, K-2 students are receiving small group and 1:1 sessions. On or above level students are also grouped and receive 450 minutes of reading instruction weekly, 50 minutes more than last year. Quarterly Writing Prompts and Power Writing are used to improve essay writing.

Science: School-wide, all students have been exploring more in science. With the identified need for more science, students now have a weekly 90-minute science lab. Monies appropriated last year enabled the school to purchase basic supplies such as magnifying glasses, magnets, and microscopes to help support more hands-on programming. Guest speakers and field trips continue to increase interest and knowledge. Locally, Prescott Farm offered a mini-course in animal tracking this year for our 4th and 5th graders. The Salmon Restoration Project is still an effective tool for grade 3 students. The nurse is supplementing the curriculum with nutrition and health classes. Also, the Second Annual Science Fair will take place in March 2001.

Technology: Last year's grant allowed us to reduce our student to computer ratio to 10:1. Students are using computers for word processing and basic database and spreadsheet work. Extensive research has also been incorporated across the disciplines. We are in need of a computer teacher/trained technician to keep pace with the needed changes.

Co-Curricular: This year we only had a girls' basketball team, as there was no coach available for the boys. We are participating in the Presidential Fitness Program. As well, we have had many curriculum-based field trips including the grade 6 Sargent Camp in September. In April, the 5th and 6th grade students will attend a weeklong program at Nature's Classroom to kick off their interdisciplinary unit on Oceanography. Last March we participated in the Fit with 5 Program building wide. Our efforts won us \$300 of playground toys for the students.

The staff and students of Jennie D. Blake would like to thank all of those who volunteer their time and efforts to help our students succeed. We extend a special thanks to Ann Clement who volunteers her time every Thursday to provide library time for our students and to Karen Pabst, our PTO President, for her efforts to coordinate staff and parents. Also, we have had many parents volunteer their time this year, which has helped to build community spirit for teachers and students. Let us continue investing in our future by investing in our youth.

SCHOOL ADMINISTRATIVE UNIT EIGHTEEN ANNUAL SALARIES

Salary for Superintendent:

July 1, 2000 through June 30, 2001 \$ 70,700.00

Each district pays as follows:

Franklin	\$63,417.90	89.7%
Hill	<u>7,282.10</u>	10.3%
	<u>\$70,700.00</u>	

Salary for Business Administrator:

July 1, 2000 through June 30, 2001 \$ 49,000.00

Each district pays as follows:

Franklin	\$43,953.00	89.7%
Hill	<u>5,047.00</u>	10.3%
	<u>\$49,000.00</u>	

Salary for Curriculum Coordinator:

July 1, 2000 through June 30, 2001 \$ 46,000.00

Each district pays as follows:

Franklin	\$41,262.00	89.7%
Hill	<u>4,738.00</u>	10.3%

INDEPENDENT AUDITOR'S REPORT

To the Members of the School Board
Hill School District
Hill, New Hampshire

We have audited the accompanying general purpose financial statements of the Hill School District as of and for the year ended June 30, 2000 as listed in the table of contents. These general purpose financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Hill School district has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

The general purpose financial statements referred to above also do not include the Jennie D. Blake School Student Activity Fund which should be included in order to conform with generally accepted accounting principles. The amount that should be recorded in this fund is not known.

In our opinion, except for the effect on the financial statements of the omissions described in the preceding paragraphs, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Hill School District, as of June 30, 2000, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.

*Hill School District
Independent Auditor's Report*

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Hill School District taken as a whole. The individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Hill School District. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

* Amount of line 5252 which is for Health Maintenance Trust \$ 0 (see RSA 196:20-c.V)

Help! We ask your assistance in the following. If you have a line item of appropriations from more than one warrant article, please use the space below to identify the make-up of the line total for the ensuing year.

Acct. #	Warr. Art. #	Amount	Acct. #	Warr. Art. #	Amount

****SPECIAL WARRANT ARTICLES****

Special warrant articles are defined in RSA 32:3.VI, as appropriations 1) in petitioned warrant articles; 2) appropriations raised by bonds or notes; 3) appropriations to a separate fund created pursuant to law, such as capital reserve funds or trust funds; 4) an appropriation designated on the warrant as a specific article or as a nonrepaying or nontransferable article.

SUBTOTAL 2 RECOMMENDED		XXXXXXXXXX	XXXXXXXXXX	XXXX	1,499,532	XXXXXXXXXX	1,499,532	XXXXXXXXXX

****INDIVIDUAL WARRANT ARTICLES****

Individual warrant articles are not necessarily the same as "special warrant articles". Examples of individual warrant articles might be: 1) Negotiated cost items for the assessment; 2) Contingency appropriations; 3) Supplemental appropriations for the current year for which funding is already available; or 4) Deficit appropriations for the current year which must be funded through taxation.
