ADMINISTRATION

Regular monthly meetings of City Council	12
Special meetings	13
Public hearings	12
Ordinances passed	4
Resolutions adopted	11

All City Council meetings, because of lack of space at City Hall, are now held at the Martha Prescott Auditorium.

Regular council meetings are held at 7.30 p.m. the last Monday of each month. Special meetings and hearings are well publicized. These sessions are usually interesting and informative and all those who desire to see how the business of governing our city is conducted are more than welcome.

ADMINISTRATIVE OFFICERS

AUDITOR	Dana S. Beane, Jr.
BUILDING INSPECTOR	Merle B. Sargent
CITY CLERK	Kenneth R. Dunlap
CIVIL DEFENSE DIRECTOR	Lou Athanas—succeeded by Alfred O. Boudreau

John F. Weeks
A. D. Vaughan, Airport Manager

Laconia Municipal Airport

The year 1959 saw another improvement to the airport—the construction of a parking ramp adjacent to the Administration Building. Passengers are now able to board Northeast Airlines planes about fifty feet from the building, providing faster and more efficient loading and unloading, as well as additional comfort to passengers during inclement weather.

STATISTICS FOR THE PAST YEAR:

Passengers handled by Northeast Airlines	5,592
Passengers via executive or transient aircraft	14,936
Aircraft arrivals and departures to or from other airports	7,265

The above figures show a steady increase in the use of our municipal airport for transportation to and from this area whereas other means of public transportation have been curtailed or limited.

Kenneth L. Sherman, Superintendent

-----------------------------------	-------

The 1959 summer season at the parks and playgrounds opened on June 26th and closed September 3rd.

Opechee and Leavitt Parks specialized in swimming instruction, life saving, and water sports. Two Senior Red Cross lifeguards and one Junior Red Cross lifeguard were in attendance five days a week from 9 a.m. to 5 p.m. One Senior lifeguard was on duty from 5 p.m. to 9 p.m. seven days a week, and on Saturday and Sunday afternoons. Swimming instruction was given to approximately 325 children each morning. Mrs. John Chandler offered her services as instructor to a class of beginners and divided her time between Opechee and Leavitt Parks. This was greatly appreciated, not only by the Park Commission, but by the children she served.

In addition to waterfront activities, arts and crafts were taught at Leavitt Park. At Tardif, Wyatt, and Memorial Parks, arts and crafts, tennis matches, checker tournaments, bicycle races, etc. were enjoyed by those in attendance.

Waterfront activities were extremely popular at Opechee Park and the wading pools at Tardif and Memorial Parks were put to great use. The attendance at all parks was quite heavy—due in part to the fact that large numbers of adults availed themselves of the swimming facilities, especially on Saturday and Sunday afternoons and in the evenings.

Weirs Beach had an exceptionally good season. Actual revenue received was \$8,913—well over the estimated amount of \$8,000.

All parks, including Weirs Beach, were fully staffed by competent and qualified guards and attendants, supervised by William Bastraw who served as Director and Supervisor of Recreation. Maintenance and improvements were not neglected, and while there is still much to be done before our parks and playgrounds meet the goal set for a high level of recreational facilities, the citizens of Laconia can well be proud of the progress made over the past years.

Roads under construction . . .

Daisy Gardner Road

Drains . . .

Parker Place

Surveys, estimates, specifications and other data furnished to the various city departments. . . .

PLANNING BOARD

Jason C. Sloan, Director

Laurette B. Johnson, Secretary

In June of 1959 a Land Use Plan for the City of Laconia was completed. This plan, prepared under an Urban Planning grant from the U. S. Government, plus matching funds provided by the State Planning and Development Commission and the City of Laconia, represents nearly two years' work on the part of the Planning Division of the State Commission, the local Planning Board, and the Planning Director. Accompanied by maps and charts, the Land Use Plan will serve as a basis for long range planning for the orderly development of the city.

Since traffic and parking are two of the major problems facing all cities today, the Planning Board has spent considerable time on studies to effect improvements in Laconia. An important recommendation of the Board which was adopted this last year was the changing of all angle parking on Main and Pleasant Streets to parallel parking. This change was made solely to improve traffic flow in our business section and the results have certainly proven it to be a wise decision. Continuous study by the Planning Board of our traffic and parking problems has resulted in many minor changes and a long awaited Traffic Survey was completed in 1958 in cooperation with the State Highway Department and will serve as a sound basis for future traffic planning.

The Planning Board acts as an advisory board to the Mayor and City Council and many civic problems are referred to the Board for research, study and recommendation. The Board is presently meeting twice a month. Five of its members, plus the Planning Director, completed this past year a ten-week seminar on Zoning and Planning which was conducted jointly by the State Planning and Development Commission, the University of New Hampshire, and the New Hampshire Planning and Zoning Association.

Alfred O. Boudreau

CIVIL DEFENSE

*Alfred O. Boudreau, Director
Henry T. Peary, Assistant*

In May, 1959, the City Council voted to turn the Lakeport railroad station over to Civil Defense for use as a communications center and remodeling was immediately started by the members of Civil Defense. There is now a meeting hall, an office, a store room, a utility room, two rest rooms, a room for County CD headquarters, and a room for a communications unit. This unit, headed by H. James Tyler, will be known as the Communications Control Center for Area #4, including Belknap County and the City of Laconia.

The following CD units are being reactivated: Auxiliary police, radiological, medical and nurses, supply, transportation, health and sanitation, educational, mass feeding, reception, registration, welfare and records. Two completely new units have been organized—the Motorcycle Courier Service (attached to Communications Unit) and a Skin Divers Unit, to be on call at all times for water rescue and recovery emergencies.

The Belknap Ski Patrol Unit is expected to sign up very soon. Its first aid instructors have already been assigned to first aid stations by Dr. Kathleen Robinson, the medical head of emergency hospitals and first aid stations.

Civil Defense is sorely in need of volunteers for most of the above units. Unless the public responds, Civil Defense cannot succeed in this or any worthwhile undertaking—it can only be as effective and strong in its plans for Laconia as the people of the community actively participate IN these plans.

Members of Ground Observer Corps,
Civil Defense

Mayor Huot handing Civil Defense Director Alfred Boudreau the keys to the Lakeport railroad station now used as CD headquarters

ZONING BOARD OF ADJUSTMENT

Jason C. Sloan, Clerk

During this past year the Board of Adjustment heard an average number of petitions seeking variances from the Zoning Ordinance, the majority of which were minor variations concerning side lot line setbacks, lot divisions, etc. However, a few cases were seeking major variances and the Board very carefully deliberated before reaching its decisions. Laconia is fortunate in having serious, faithful members of this Board because to a large degree the success or failure of the Zoning Ordinance depends upon their good judgment.

It would seem that after ten years the Zoning Ordinance has proven sound and effective. However, like all ordinances, it should be constantly reviewed in the light of changing conditions in the city. Any extreme increase in the number of variances sought should be carefully checked to see whether changes in the Zoning Ordinance may be required.

BOARD OF ADJUSTMENT HEARINGS FROM July 1, 1958 to June 30, 1959

PUBLIC LIBRARY

*Staff: Barbara B. Cotton, Librarian
Bertha Fowler Lott, Asst. Librarian
Margaret K. White - Marie C. Pray
Elizabeth Crowther - Ruth E. Johnson
Marion Fulton*

Janitors: Francis M. Bolduc - Donald B. Lucier

In accordance with national library standards patrons are re-registered every three years. At present there are 2,557 adult and 3,263 juvenile borrowers. This is the largest number for any corresponding period in the history of the Laconia library. Upon payment of a minimum fee privileges were extended during the past year to 155 non-residents, excluding pupils enrolled in local schools.

Thirty elementary classes visited the children's room to select books. In addition to bookmobile service at four schools, 2,551 volumes were loaned to teachers for classroom collections.

National Library Week was observed in April. With the cooperation of WLNH a few pupils, representing all schools, discussed books and authors during a radio interview each day. The evening program for Open House provided the opportunity for visitors to see the library's valuable collection of local Indian artifacts and to hear Mr. Solon Colby speak about Indians of this region.

Approximately the same increase in circulation has been made each year since 1956, which is a partial indication of the great value of the bookmobile and the new children's room to the entire community.

Bertrand Morin

WELFARE DEPARTMENT

Bertrand Morin, Director

Lauvette Johnson, Secretary

This department received an appropriation of \$78,869.09 of which \$29,869.09 was allocated to Direct Relief and \$49,000 to Old Age Assistance.

APPROPRIATION FOR DIRECT RELIEF WAS EXPENDED AS FOLLOWS:

Appropriation \$ 29,869.09

EXPENDED:

41 Families (151 persons)	\$ 6,310.03
18 Single persons	4,375.11
21 Veteran families (107 persons)	5,243.86
2 Single veterans	25.53

15,054.53

Salaries and other expenses 5,193.17

Expended for Direct Relief \$ 31,147.70

Returned to E & D Account \$ 8,721.39

BREAKDOWN OF AMOUNT EXPENDED FOR DIRECT RELIEF:

Food	\$ 3,700.93
Gas and electricity	252.40
Clothing	555.43
Fuel	1,141.46
Rent	1,370.00
Board and care: adult	1,321.75
child	3,609.10
Medical, hospital and funeral expenses	4,003.46
Surplus commodities	401.73
Salaries	3,927.00
Office expense, supplies, telephone, etc.	864.44

Total Direct Relief \$ 21,147.70

Due to a short layoff in two or three of our industries, Direct Relief expenses were slightly higher than last year's. However, it is to be noted that the city benefits to some extent by putting to work in the various city buildings men who, although physically able, cannot find employment and have to be helped by the city. This work does not consist of doing janitor work and—were it done—would require additional expense in labor to the city. Working in cooperation with several departments, a total of approximately 64,500 man-hours was given to the city by welfare recipients during the fiscal year, and some of the departments helped were:

School Department. Painting and cleaning two boiler rooms; painting boys' and girls' lavatories; painting room adjoining cafeteria; painting one storage room; painting first and second floor hallways; and, when called upon, helping to shovel snow.

Civil Defense. Cleaning and painting inside Civil Defense headquarters, formerly Lakeport railroad station.

Parks. At *Memorial*, continuing our project of cleaning and clearing the hill which will eventually be used for skiing, 16 cords of wood were chopped by men who needed fuel; and cleaning baseball diamond; at *Opechee* cutting brush and clearing adjoining land near Clairmont Avenue; at *Leavitt* painting one section of fence and also doing minor repairs for the benefit of Babe Ruth League.

Fire Department. Shoveling snow away from fire hydrants.

Police Department. Cleaning, washing and painting police lock-up.

The complete care of abandoned cemeteries is now the responsibility of this department. Extensive work was done last year such as clearing brush growth and removing rocks which prevented the use of a lawn mower. A part-time labor schedule will be started early next Spring in order that these cemeteries will be in good condition for Memorial Day.

**APPROPRIATION FOR OLD AGE ASSISTANCE
WAS EXPENDED AS FOLLOWS:**

Appropriation	\$ 49,000.00
---------------	--------------

Expended:

Old Age Assistance and Aid to Permanently and Totally Disabled	44,266.19
---	-----------

Roland J. Morin

ACCOUNTING DEPARTMENT

*Roland J. Morin, Fiscal Officer
Mae H. Caverly, Payroll Clerk
and Assistant to Fiscal Officer*

This department takes care of accounting and payrolls for all city departments, with the exception of the Water Works.

The new centralized accounting system, after its initial year of operation, is running smoothly and efficiently. All the necessary machines and equipment needed for the changeover have been paid in part during this fiscal year—the balances due will be paid in full during the next fiscal year.

Appropriation for year	\$13,460.85
No. Checks Issued (Accounts Payable)	5,301
Total Amount	\$1,622,303.49
No. Checks Issued (Payroll)	10,123
Total Amount	\$1,079,875.72

Special Events

Planning Director Jay Sloan officially greets Penny Pitou, world famous Olympics skier.

National Water Ski Championships meet, August, 1959

A.B.C. (Auto-Boat-Carnival) Day, a successful promotion sponsored by Laconia merchants, was held April 11, 1959. Exhibits on Main Street of cars, boats, mobile homes, home equipment and construction equipment attracted thousands of people from all over the Lakes Region.

PROGRESS REPORT

- . . . Start made towards developing a year-round program of recreation for Laconia.
- . . . New elementary school on Pleasant Street constructed.
- . . . Long-awaited memorial to veterans erected.
- . . . Federal loan of \$43,500 for preliminary sewer plans approved by Community Facilities Administration.
- . . . Plans made to extend Ward 3 boundary lines in order to keep representation.
- . . . 118,000 square yards of city streets resurfaced.
- . . . Installation of 17 new street lights authorized.
- . . . New parking apron in front of administration building at airport completed.
- . . . City converted to telephone dial system—first call made March 29, 1959.

OUR THANKS TO . . .

- . . . Mr. W. M. Bisson for his thoughtful gift of six settees placed on the Gale Memorial Library lawn.
- . . . The clergymen who gave the invocations before the regular City Council meetings.
- . . . The Lions Club for the gift of eight trash cans placed at convenient spots throughout the city.
- . . . The numerous individuals and committees who gave generously of their time and energy to serve the city in so many different ways.

Breaking ground for new elementary school on Pleasant Street.

Flag raising ceremonies at new Pleasant Street school.

Unveiling of new War Memorial in Veterans Square.

Dedication of new War Memorial took place June 7, 1959. City officials, representatives of patriotic organizations and a group of Gold Star mothers participated in the exercises.

RESOLUTIONS

CITY OF LACONIA

In the Year of our Lord one thousand nine hundred and fifty-nine.

A RESOLUTION on the Death of Clarence S. Newell.

Resolved by the City Council of the City of Laconia, as follows:

WHEREAS, the governing body of the City of Laconia is saddened by the recent death of Clarence S. Newell; and

WHEREAS, Mr. Newell was in the employ of the city as its Treasurer for thirty-five years; and

WHEREAS, during those many years he earned the admiration and respect of everyone for his great devotion to his duties; and

WHEREAS, the City of Laconia has lost a good and valued friend,

BE IT RESOLVED that the Mayor and City Council extend to the family of Clarence S. Newell an expression of deepest sympathy; and

BE IT FURTHER RESOLVED that this resolution be engrossed upon the permanent records of the City of Laconia and that a copy be sent to the family of Clarence S. Newell.

Passed and approved this 18th day of March 1959.

/s/ Bernard L. Boutin
Mayor

CITY OF LACONIA

In the Year of our Lord one thousand nine hundred and fifty-nine.

A RESOLUTION on the Death of Henry I. Burbank.

Resolved by the City Council of the City of Laconia, as follows:

WHEREAS, the Mayor and City Council are saddened by the death of Henry I. Burbank; and

WHEREAS, Mr. Burbank served the city as Councilman from Ward 3 for five terms; and

WHEREAS, he was a faithful and conscientious member of the Planning Board for several years; and

WHEREAS, at the time of his death he was completing his third session as a member of the State of New Hampshire Legislature; and

WHEREAS, because of his active interest in the city and its problems, he will be greatly missed by everyone;

BE IT RESOLVED that the Mayor and City Council extend to the family of Henry I. Burbank an expression of deepest sympathy; and

BE IT FURTHER RESOLVED that this resolution be engrossed upon the permanent records of the City of Laconia and that a copy be sent to the family of Henry I. Burbank.

Passed and approved this 25th day of May, 1959.

/s/ J. Oliva Huot
Mayor

	<hr/> \$2,408,000.00	\$335,000.00	\$170,000.00	<hr/> \$2,573,000.00

NOTES:

- Although all these bonds are general obligations of the City of Laconia, principal and interest payments are in whole or part paid from sources other than general property taxation:
- (1) Principal paid entirely this year from taxation, although in prior years *part* of bond retirement has been paid from surplus in revenues from sewer connection users.
 - (2) Paid entirely from Laconia Water Works revenue, principal \$30,000.00, interest \$22,475.00.
 - (3) Portion of issue used for parking lots is being retired from Parking Meter Fund revenue, business contributions. During past year \$22,117.15 of above principal, and \$9,370.30 of interest.
 - (4) Although above \$1,000.00 principal and \$135.00 interest was in budget of City, the Goss Trust Fund reimbursed City for such amounts.
 - (5) Paid entirely from Laconia Water Works revenue, principal \$9,000.00, interest \$2,114.01 (\$2,526.50 less prem. and interest upon issuance of bonds of \$412.49 = \$2,114.01).

1. for reimbursement on 1958 projects (Including costs to finish and hydrants)	\$ 63,005.48
2. for reimbursement on costs incurred to date on scheduled 1959 projects	2,641.19
3. for reimbursement on River St. project completed in 1957	1,012.11
*4. for reimbursement on loop extension from State School to Bisson Development	*9,321.89
	75,980.67

Balance of bond issue not yet disbursed to Water Works \$ 10,019.33

*The bond issue provided a \$10,000 appropriation for this extension. The Water Works billed the City for this amount as follows:

Cost of extension main	\$ 14,321.89
Less—Developer contribution	5,000.00
	\$ 9,321.89
The Water Works <i>should have billed</i> the City for this extension as follows:	
Correct cost of extension	12,580.21
Less—Developer contribution	7,500.00
	5,080.21

Excess received by Water Works

\$ 4,241.68

Appropriate authorization should be obtained from the City of Laconia in regard to the treatment of this excess.
