	Helen Underhill	99 votes

Article 2. By Ballot. "Shall we adopt the provisions of RSA 72:43-b and 43-c for expanded exemptions on real estate which provide for a resident 65 years of age up to 75 a \$5,000 exemption; a resident 75 years to 80 years of age, a \$10,000 exemption; a resident 80 years of age or older, a \$20,000 exemption, provided that the resident owns the real estate individually or jointly with another or his spouse with whom he has been living for at least 5 years as man and wife; said resident had a net income of less than \$7,000 or combined income with spouse of less than \$9,000; and owns assets of any kind, tangible or intangible, less bona fide encumbrances, not to exceed the value specified in RSA 72:43-c III; provided that the exemptions shall be based upon the assessed value of the real estate?"

MINUTES (continued)

Results of ballot vote: 123 Yes, 13 No. Article 2 passed.

Elected officers were then sworn in by Moderator Lawrence Underhill.

Article 3. To raise and appropriate such sums of money appearing in the Town Budget as necessary to defray Town charges for the ensuing year. Abby Metcalf moved the motion to raise and appropriate \$52,125 as requested in Article 3. Ernest W. Hartley seconded the motion. Edward French questioned the increase in Town Building expenses. Mr. Ritchie replied by stating that painting the Town Hall and Library buildings and putting storm windows on the Town Office Building in addition to repairing the plaque honoring Piermont Veterans would take most of the increase. Motion to raise \$52,125 was carried by an Aye vote.

Article 4. To raise and appropriate money to maintain highway and bridges in the amount of \$35,000. Abby Metcalf moved the article, seconded by Bill Putnam. Peter Saladino questioned voting on this article until after Article 20 had been voted. Motion was made by Peter Saladino, seconded by Wayne Godfrey to Table Article 4 until after Article 20. The motion to Table carried by Aye vote.

Article 20. Moderator Underhill read the article calling for a sum not to exceed \$100,000 for the purchase of highway equipment. Selectman Ritchie recommended that we pass over this article as Fernand Fagnant had been elected Road Agent and had his own equipment. Much discussion followed. Sumner Harris moved to pass over Article 20, Alec Szuch seconded. Motion passed by a show of right hands.

Moved by Mr. Hartley, seconded by Robert Robb to raise Article 4 from the Table, Yes motion carried. Motion made by Abby Metcalf, seconded by Bill Putnam to raise \$35,000 for Highways and Bridges passed by an Aye vote.

Article 5. To appropriate the Highway Department State Subsidy. Motion made by Abby Metcalf, seconded by James French, passed by an Aye vote.

Article 6. To raise and appropriate \$750 for the Police Dept. Motion made by William Deal, seconded by Larry Akerman, passed by Aye vote.

Article 7. To raise and appropriate \$8,431 for the Fire Department. Motion made by David "Tim" Cole, seconded by Dean Osgood. Passed by right hand vote.

Article 8. Motion made by William Deal, seconded by Ernest Hartley to raise \$2,600 for Ambulance, Fire and Police Dispatching Services. Motion so carried by Aye vote.

MINUTES (continued)

Article 9. To raise and appropriate money for support of the library. Motion made by Robert Robb to raise \$4,800 for the support of the Library, seconded by Bonnie French. Carried by Aye vote.

Article 10. To see if the Town will vote to raise and appropriate money for the Orford Community Health Service. Motion made by Dean Osgood, seconded by Katherine Wescot, to raise \$2,500. Mrs. Mark Harris and Mrs. Barbara Dyke attended the meeting to explain where the money was used, what the organization is and why the increase was needed. They have a renewable six month contract with Hitchcock Hospital and provide many services that enable elderly residents to stay in their own homes. They also provide new-born baby care and instructions to new mothers, in addition to well-child clinics. Motion to raise \$2,500 carried by Aye vote.

Article 11. To see if the Town will vote to appropriate and authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as setoffs against budget appropriations in the amount indicated and further to authorize the Selectmen to make pro-rate reductions in the amounts if estimated entitlements are reduced or take any other action hereon.

Abby Metcalf moved, seconded by Ernest Hartley. Motion carried by left hand vote.

Article 12. To see if the Town will vote to raise and appropriate money to pay Piermont's share of the costs as a member of the Upper Valley-Lake Sunapee Council. \$385 budgeted, moved by James French, seconded by Ernest Hartley, Jr. Discussion was started by Peter Saladino and Walter Rodimon questioning why do we need this, where is the money being used, where are we headed. James French replied to these questions by explaining that they were trying to establish a good planning system for the future. If a business were to come to Town it will be done properly. Brian Van Guilder referred to a survey done two years ago and complimented the Planning Board for their efforts. Robert Robb suggested including in the Town Report next year information as to where the money was used and what was accomplished. Motion to raise \$385 carried by a standing vote.

Article 13. To see if the Town will raise and appropriate money for the

White Mountain Community Service. Moved by Arnold Shields, seconded by Robert Elder to raise \$200. Motion carried by Aye vote.

Article 14. To raise and appropriate \$500 for the Cottage Hospital in Woodsville. Moved by Arnold Shields, seconded by Abby Metcalf. Abby questioned purpose, Selectmen said it was for cardiac equipment and also was used to help patients carry financial load. Motion carried by Aye vote to raise \$500 for Cottage Hospital.

Article 15. To see if the Town will vote to approve the Pool Regulations which were voted upon and passed at Special Town Meeting held June 28, 1983. Moved by Bonnie French, seconded by Sumner Harris, passed by Aye vote.

Article 16. (By Petition) To see if the Town will vote to raise and appropriate the sum of \$150 for support of the Community Action Outreach Program. Motion to table made by Peter Saladino, seconded by Helen Ritchie. Voted no to motion to table. Robert Elder moved we raise \$150, seconded by Elaine Evans. Voted No by show of hands.

Article 17. To see if the Town will vote to authorize the Selectmen to appoint the Road Agent. If approved, the Selectmen would appoint a Road Agent in March 1985 for the first time. Moved by James French, seconded by Mr. Snowman. Arnold Shields spoke against losing the ability to vote for anyone. Dean Osgood amended the motion to "authorize the selectmen to appoint a temporary road agent in case of vacancy until the next election". Sumner Harris seconded the amendment and it passed by Aye vote.

Article 18. To see if the Town will vote to raise and appropriate the sum of \$300 for the printing of a Town Information Guide. Moved by Russell Gould, seconded by Ernest Hartley. It was explained that approximately 1,000 guides would be printed and distributed to residents and future residents of town explaining the various Town Boards and what was available to townspeople and when. Motion carried by Aye vote.

Article 19. To see if the town will vote to appropriate the sum of \$8,500 to repair the Town grader. Moved by Dean Osgood, seconded by Bonnie French. Jim French asked what repairs were needed. Frank Rodimon, Sr. answered that among other things it needed new hydraulic lines, rear hub, bushings and general maintenance. Moderator Underhill also read the estimate given to the Town by Austin Bross. Motion carried by Aye vote.

Article 21. To see if the Town will vote to authorize withdrawal of funds from the town Equipment Capital Reserve Fund to help pay for the loader and dump truck and to name the Selectmen as agents of the Town to expend

MINUTES (continued)

such funds for such purpose. Motion made by Sumner Harris, seconded by Robert Robb to pass over Article 21. Motion carried by Aye vote.

Article 22. To see if the Town will vote to authorize the prepayment of taxes and to authorize the Tax Collector to accept payments in prepayment of taxes as provided in RSA 80:52a. Motion made by William Deal, seconded by Alec Szuch to pass Article 22. Motion carried by Aye vote.

Article 23. To see if the Town will vote to petition the Department of Revenue Administration to have an audit made by the Division of Municipal Accounting and to make an appropriation to cover the expense of such an audit. Motion made by Ernest Hartley to Pass over this Article, seconded by Abby Metcalf, carried by Aye vote.

Article 24. Motion to authorize the Selectmen to borrow money in anticipation of taxes moved by James French, seconded by Arnold Shields. Motion carried by hand vote.

Article 25. To see if the Town will vote to authorize the Selectmen to sell real estate acquired by the Town by Tax Collector's Deed to the highest bidder. Moved by William Deal, seconded by Meda Kinghorn. Passed by Aye vote.

Article 26. To see if the Town will vote to pay into the Town Equipment Capital Reserve Fund all or part of its unencumbered surplus funds remaining on hand at the end of 1983 Fiscal Year. Motion made by James French to pay \$9,460.66 into the Town Equipment Capital Reserve Fund, seconded by Arnold Shields. Motion passed by hand vote.

Article 27. To transact any other business that may legally come before said meeting. It was requested that notices of tax sales and meetings be put in the ShoCase. It was also requested that the Selectmen find out if some recurring Articles can be voted indefinitely instead of having to vote every year, such as the Articles relative to prepayment of taxes and borrowing money in anticipation of taxes.

Motion to adjourn was made by Arnold Shields, seconded by Ernest Hartley. Meeting adjourned at 10:10 P.M.

Arvilla M. Bedford, Piermont Town Clerk

**WARRANT FOR ANNUAL TOWN MEETING

WARRANT (continued)

ARTICLE ELEVEN. To see if the Town will vote to raise and appropriate money to pay Piermont's share of the costs as a member of the Upper Valley-Lake Sunapee Council.

ARTICLE TWELVE. To see if the Town will raise and appropriate money for the White Mountain Community Service.

ARTICLE THIRTEEN. To see if the Town will raise and appropriate money for the Cottage Hospital in Woodsville.

ARTICLE FOURTEEN. To see if the Town will vote to raise and appropriate the sum of \$150 for support of the Community Action Outreach Program.

ARTICLE FIFTEEN To see if the Town will vote to petition the Department of Revenue Administration to have an audit made by the Division of Municipal Accounting and to make an appropriation to cover the expense of such an audit.

ARTICLE SIXTEEN. To see if the Town will vote to authorize the prepayment of taxes and to authorize the Tax Collector to accept payments in prepayment of taxes as provided in RSA 80:52a.

ARTICLE SEVENTEEN. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes as permitted under the Municipal Financial Act.

ARTICLE EIGHTEEN. To see if the Town will authorize the Selectmen to sell real estate acquired by the Town by Tax Collector's Deed to the highest bidder.

ARTICLE NINETEEN. To see if the Town will vote to pay into the Town Equipment Capital Reserve Fund all or any part of its unencumbered surplus bonds remaining on hand at the end of the 1984 Fiscal Year as provided in RSA 35:5.

ARTICLE TWENTY. To see if the Town will vote to authorize the Selectmen to apply for, accept, and expend without further action by the Town Meeting, money from any state, federal or governmental unit or a private or public source which becomes available during the fiscal year as provided for and subject to the requirements of RSA 31:95-b.

ARTICLE TWENTY-ONE. To see if the Town will authorize withdrawal of funds from the Town Equipment Capital Reserve Fund for the purchase of a new riding lawn mower for the cemeteries and other Town work, and to name the Selectmen as agents of the Town to expend such funds for such purpose.

WARRANT (continued)

ARTICLE TWENTY-TWO. To see if the Town will vote to appropriate the additional sum of \$108,900 which includes additional federal and state grants for the purpose of constructing sewage and sewage facilities, and further to authorize the Selectmen to incur indebtedness in anticipation of the receipt of all federal and state assistance relating to this project including the prior Town Meeting vote of June 28, 1983, and to borrow all sums appropriated by issuance of bonds or notes under the Municipal Finance Act and also to authorize the selectmen to take all action necessary to carry out these purposes.

(The Town has received additional federal and state grants for the sewage facilities in the Village. It is necessary to authorize the expenditure of these additional funds and also to authorize the selectmen to borrow this sum in anticipation of receipt. All costs incurred by the Town for the construction of these sewage facilities will be paid for by the property served.)

(A ballot vote is required and this Article must be approved by a two-thirds vote of those present and voting.)

ARTICLE TWENTY-THREE. To see if the Town will vote to appropriate the sum of \$750 for the purposes of civil defense.

(The Town will be reimbursed by the federal government for one half of this amount.)

ARTICLE TWENTY-FOUR. To see if the Town will vote to adopt the provisions of RSA Chapter 149-I which would confer powers on the selectmen to adopt ordinances for the regulation of public sewers and facilities including, but not limited to sewer assessments and sewer rentals.

(The Town needs to adopt RSA Chapter 149-I so as to give the selectmen the authority over the new public sewer and sewage facility as required as a condition of receipt of Federal grants from EPA.)

ARTICLE TWENTY-FIVE. (By petition) To see if the town will vote to discontinue (close) the following roads which are no longer useful to the Town but that are still being maintained by the Town with Town road funds:

1. The Cole Hill road from the bridge just beyond the Veghte residence to the top of the hill just before the White residence.
2. The so-called Bedford road from the point of entry to the Town Dump to the end of the Town right-of-way.
3. The Swain Meadow road and bridge to the so-called School Lot.
4. The North and South road in its entirety.

WARRANT (continued)

(Under State law, the approval of all or part of this Article will result in the complete discontinuances of these roads and the land on which the roads are located will revert to the ownership of the abutting landowners on each side. Parcels of land which depend on these roads for access will lose that access. Such landowners can appeal to the Superior Court either to reverse any vote of discontinuance, or in the alternative, ask the Court to assess damages against the Town for the loss of the right-of-way. All land affected by the highway discontinuance, would have to be reassessed for real estate tax purposes. This information taken from the opinion of the Town Attorney, Laurence F. Gardner, dated February 14, 1985, a copy of which is available at the Selectmen's Office.)

ARTICLE TWENTY-SIX. To transact any other business that may legally come before said meeting.

Given under our hands and seal of the Town of Piermont this 18th day of February, 1985.

SELECTMEN'S REPORT

Nineteen-eighty-four has been a year of many problems. Most of them have been the recurring type which take up time year after year, but '84 had some special problems also.

The snow storm on town meeting day last year was our major storm of the year, and a stiff introduction to the Road Agent's problems by our newly elected Road Agent. In early summer very heavy rains raised havoc with our roads. With limited help our Road Agent, Fernand Fagnant, did a superior job of flood damage repair with a minimum of disruption to our residents. However, a good portion of our highway funds were used for this purpose which left much less for normal highway maintenance.

We appointed Wayne Godfrey as Chief of Civil Defense. His first call to duty was assessing the flood damage and he did a very good job. Wayne has shown a great deal of interest and enthusiasm for this position, and we hope Wayne will continue his interest in this direction.

Our tax rate advanced sharply in 1984 due to increased school funding and the movement of more open space into current use taxation.

With the development in town of new homes being built and lived in, as our transition to a bedroom town continues, probably our tax rate will continue to advance as it has in every other town in this area. At the present time our tax rate continues to be well under the State average rate as well as one of the lowest in Grafton County.

Our dump situation is still unresolved and the pressure is increasing to close it. We expect that eventually the case will go to court. If Piermont has to close its dump facility and transport its rubbish to who knows where it will be far more expensive and inconvenient than we care to anticipate.

Six years ago work on plans, financing, and operation of a village waste water system began. At present writing it has gone to bid. The low bid for construction may be announced by Town Meeting Day and work to tear up our streets will start in May and be completed with the system in operation by November.

As this is the writer's last year as selectman, I publicly thank all of our Town Officers for the support and cooperation they have given me for the past six years. It has made this time-consuming job much easier to bear.

1984 ANNUAL LIBRARY REPORT

Before I begin the report for 1984, I would like to mention two items which were inadvertently omitted from last year's report. A rocking chair, which had belonged to Esther LaPierre, was given by Katherine Johnson to the Children's Room at the Library. This chair has been much used and enjoyed especially by our "Readers" to the school children.

An eight-inch slice of an old and very large elm tree, which had died from Dutch elm disease, was given to the 4-H Outdoor Awareness group led by Jane Slayton and Bruce Stevens. This group counted the rings of the tree, determined its dates as 1877 to 1982, and marked particular rings which coincided with historic happenings in the town. The wood was then re-finished by the young people and made into a beautiful and unusual table which was presented to the library on Arbor Day. It and its accompanying legend of historic dates and events is on display at the library. It is well worth a visit to the library just to see this table. (The table was entered in the North Haverhill Fair in 1984 and won a Blue Ribbon!)

LIBRARY REPORT (continued)

1984 has been a busy year at the library. In January and February a successful reading-discussion program on the topic, "The American Dream," was held. During the fall there was a discussion series funded by the Council for the Humanities on a most appropriate subject, George Orwell's novel, 1984. The three lectures and discussions were led by University of New Hampshire professors.

For National Library Week we had a writing contest for the Piermont Village School students on "Why I Like the Library" or "Why the Town Needs a Library." The winners were Asa Metcalf and Melanie Robie. As their prize I took them to the Dartmouth Book Store where they were allowed to choose a book each, which was presented to the library at our Open House on May 6, 1984. A copy of the winning essay and the child's name is in each book chosen.

At the May 6, 1984 Open House, Helen Underhill was also honored for her 49 years of service to the library. She was named an Honorary Trustee.

There have been many exhibits at the library, most prepared by local citizens. Our shelves may look like the seashore with sea shells and starfish, or they may be bright with colorful pictures or jewelery of flowers and butterflies, or quilts may be on display. It's always changing, so we hope people will make it a habit to come and see what there is to see; it may be an exhibit from the Montshire Museum of Science or sheriff badges and other memorabilia from the American Wild West and Wells Fargo Company!

Programs for both adults and children took place during the summer. They ranged from stenciling and chicken scratch pillows for adults to "no cook snacks" for the children.

"Artist of the Month" continues - we are always hoping a new artist will volunteer his or her work for all to enjoy. We have had many town's people volunteer to read to the school children. Can we interest more to volunteer? The particular need is for reading to the Kindergartners. We have become more active as the school library. One way is by being open on Thursday morning. This is giving the school more access to the library. Betsy Eaton has continued to teach library skills. Each school room is also alternating with Shirley Gould on doing the bulletin board. We have had some very interesting and thought-provoking bulletin boards. You should come in to see it change each month.

The librarians are always trying to bring more and exciting resources to our patrons. To do this we have added the three more hours for the school children, Stephanie Gordon has completed a course in "Selecting Library Materials", and many trips have been made to Twin Mountain to choose State Library books for our shelves. We have also bought new books and

tapes with our funds. We urge everyone to come in and see what we have to offer. We are here to help and to serve - so become regular library patrons!

I'd like to thank the school personnel for their interest and cooperation in helping us to help our young people use, enjoy and have an interest in their library. For all the help, advice and support given to me by the Trustees and Library volunteers, I am grateful. To all who have shared their talents and interests to make the Piermont Library an interesting and cheerful place to visit, I say, "Thank You!"

We have had book sales and an open house. We thank you for your support of these efforts. We have had contributions of books and magazines from many of you. It's been a great year, and we will do all we can to make 1985 even better. You can really make it so, if you are one who does not use the library, and now decide to visit us. Please come to see us. We are open to the public from 10 A.M. to 8 P.M. on Tuesdays and on Saturdays from 1 to 4 P.M.

PIERMONT HISTORICAL SOCIETY REPORT

The Piermont Historical Society held four regular meetings during 1984. At the first meeting on April 27, 1984 the following officers were elected:

President	George Isac
Vice President	Agnes Perkins
Recording Secretary	Marian Shields
Corresponding Secretary	Kaye Burbank
Treasurer	Alec Szuch
Director at Large	Vincent Tomes
Director of Preservation	Helen Underhill

The program at this meeting was about "Buttons" with guest speaker, Billie Stelzer, Mel Gitchel's mother.

Meda Kinghorn presented a history of the Piermont Mutual Fire Insurance Company at the second meeting of the year on June 29, 1984. A short slide presentation about the Piermont Volunteer Fire Department was also given at this meeting.

The third meeting on August 23, 1984 featured Dr. Edwin Blaisdell's fascinating collection of old glass and farm tools and implements.

On October 19, 1984, the annual "Roots" program was held. Agnes Hodsdon Perkins presented the family history of the Childs-Hodsdon families.

A special meeting was held on September 21, 1984 at which Larry Coffin of Oxbow High School gave an excellent slide program. The slides were made from old photographs and picture post cards depicting scenes from Piermont and the surrounding towns beginning in 1970 to around 1920. The slides were made by Mr. Coffin's students at Oxbow.

The Historical Society participated in "Good Neighbor Day" on July 22, 1984 and held one tour/hike on September 23, 1984, which went to the Lund Cemetery and the Manning Monument.

Respectfully submitted,
Marian R. Shields, Recording Secretary

FIRE CHIEF'S REPORT

FIRE! It is a cry which carries terror and fright to people in its path. Fire causes death, disfigurement, loss of home and possessions, and destruction to nature. The tragedies caused by fire fill television news programs, fictional drama and make colorful front page newspaper stories. Yet, people whose lives have never been touched directly by fire don't seem to realize just how destructive it can be. Unfortunately, most people don't give this threat a moment's thought or they take only the slightest precautions to prevent fire.

Fire kills nearly 8,760 people in the U.S. annually. Only automobile accidents and falls rank higher among causes of accidental death. Most fire victims die by inhaling smoke or toxic gases long before the flames have reached them.

Last year (1984) three very damaging fires happened in Piermont. Property damage was heavy but luckily there were no injuries or deaths. However, treasured possessions of families were lost and can never be replaced.

Firefighting is rugged work, hard on men and equipment. It seems we had more than our share of repair work on fire trucks last year. Repair bills took a big chunk out of the budget but maintenance has to be done to be on call 24 hours a day. In the next year or two, body work will be necessary on Engine I and mechanical work on the tanker.

Your firefighters continue to do an outstanding job by attending regular drills, work details, etc. It is very easy to forget how to operate a piece of equipment if you don't continue to practice with it. They maintain a sense of duty and pride in serving their community.

For new equipment this year, we request three new N.F.P.A. approved firefighting coats. A new vinyl portable tank liner is essential as the old canvas liner has been patched many times and is starting to rot due to age which makes it undependable. Replacement hose is ongoing as it is necessary to keep hose updated. The quarter turn valve will make it much faster and easier to keep water on a fire when pumping from a portable tank - this is a much needed item.

Again this year, please be fire conscious and be safe. Remember smoke detectors save lives, use them. Have a safe year.

David "Tim" Cole, Fire Chief

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Our first forest fire prevention law was enacted by our State Legislature 90 years ago. This early law set in place a cooperative forest fire prevention and suppression effort between city and town governments and State government. It simply stated that no open fire could be kindled, when the ground is free of snow, without the written permission of the town/city Forest Fire Warden. This law also stated that anyone kindling a fire without written permission shall be liable for the damage caused and subject to a \$1,000 fine.

During the past 90 years, this law has worked so well that it has remained unchanged. All open fires when the ground is not covered with snow must be authorized by the local Forest Fire Warden. Persons kindling a fire without a permit when one is required are liable for damages caused, fire suppression costs and subject to a \$1,000 fine.

This cooperative fire prevention law has contributed significantly to our nationally recognized annual forest fire loss record.

CIVIL DEFENSE REPORT

What is Civil Defense:

Shall mean the preparation for and the carrying out of all emergency functions, other than functions for which the military forces are primarily responsible, to prevent, minimize and repair injury or damage resulting from the occurrence or threat of widespread or severe damage, injury or loss of life or property resulting from any natural or manmade causes, but not limited to fire, flood, earthquake, windstorm, wave action, oil spill or other water contamination requiring emergency action to avert danger or damage, epidemic, air contamination, blight, drought, infestation, explosion, riot or hostile military or paramilitary action. RSA:107:2.

I am sure everyone remembers this spring when we had all the high water and the flash flood in June. Damage estimates were put at 165 thousand dollars, this does not include loss of crop yields to farmers. It does include 50 thousand dollars worth of damage to town roads because of an article left out of the town warrant to accept federal monies. We were not able to recover our losses. It will be in this years warrant. This year an article in the warrant will ask for a civil defense budget, if raised, 50% of this money will be raised by federal monies. I will be at town meeting all day to answer any questions.

UPPER VALLEY-LAKE SUNAPEE COUNCIL

The Upper Valley-Lake Sunapee Council is a public, non-profit voluntary association of towns and cities in the Upper Valley and Lake Sunapee areas. Our thirty-one (31) communities are in two states and five counties.

The Council consists of a Board of Directors and a professional staff. Each town or city annually appropriates funds for the Council's operation and sends two representatives to participate on the Board of Directors. The Board elects officers, adopts the annual work program and budget, and develops policies and positions on issues that are important to UV-LSC communities.

The Upper Valley-Lake Sunapee Council is the official organization that brings towns and cities within our region together. By bonding together and pooling their resources, local governments have a highly trained, professional staff available to them for a wide variety of services. Areas of expertise include land use planning, master planning, economic and community development, water quality management, transportation, landscape architecture, housing, capital budgeting, historic preservation, downtown revitalization, solid waste planning, recreation and fiscal and environmental impact analysis. The Council also serves as a collective voice for these towns and cities in dealings with state and federal governments, thereby protecting and furthering the needs and interests of our communities.

The Council has continued to expand its staff capabilities over the past year. Staff members include Robert Varney, Executive Director; Vicki Smith, Senior Planner; Lisa Mausolf, Historic Preservation Specialist; Gregg Lantos, Transportation Planner; Tad Redway, Landscape Architect and Planner; Melinda Artman, Community Development Coordinator; John Olmstead, Housing Rehabilitation Specialist; Susan Elder, Economic Development Specialist; Lee Ann Scully, Assistant Planner; Jim Klinger, Draftsman; and Barbara Belloir, Jeanne Riley and Lori Brown, Secretaries. These staff members have greatly expanded the level and range of expertise available to our communities.

The Council has been busy working on a variety of regional programs during the past year. The following is a brief summary of some of our regional activities:

- provided administrative and planning services to the Upper Valley Solid Waste District, a bi-state district with 15 member communities;
- developed regional septage management plans which will become components of the solid waste plans for the Sullivan County, Upper Valley and Pemi-Baker Solid Waste Districts.

UPPER VALLEY-LAKE SUNAPEE COUNCIL (continued)

- prepared a regional transportation development plan and participated on regional transportation advisory committees (Lebanon Regional Airport, Advance Transit);
- continued the regional historic preservation program, including historic surveys, national register nominations and historic preservation plans;
- established the Sullivan County Economic Development Program to retain and expand employment opportunities in Sullivan County;
- completed phase one of the Lake Sunapee Management Plan, including survey of all properties around the lake;
- co-sponsored a successful Household Hazardous Waste Collection Day, groundwater protection seminar and Municipal Law Lecture Series;
- provided economic, population, housing and other data to communities, organizations, banks, real estate firms and consultants for use in fiscal studies, market analyses and grant applications.

As requested by communities, the Council prepared applications for state and federal funds, evaluated development proposals, prepared amendments to local zoning, subdivision, site plan review and other local regulations and provided mapping, drafting and other planning assistance.

The UVLSC has provided a number of specific services for the Town of Piermont over the past year. As part of a comprehensive regional plan, septage disposal problems in the town have been identified and solutions to these problems are currently being investigated. The Council has prepared several chapters of a Master Plan for the Town, which have been reviewed by the Planning Board.

The Council's staff of professionals stands ready to assist your community in addressing the planning and growth management issues which you will face during the coming year. We also encourage you to become more familiar and involved with the Council, since we are essentially an arm of local government addressing your needs.

REPORT OF THE GRAFTON COUNTY COMMISSIONERS

We appreciate this opportunity to more directly communicate with our taxpaying citizens through their annual town/city reports.

Because of our July 1st fiscal year, it is hard to anticipate the local tax impact of the county budget. The Commissioners are accountable to the public and taxpayers, and accordingly are extremely conscious of meeting the citizens' needs adequately and efficiently, yet as economically as possible. However, we are faced with similar budgeting dilemmas as towns and cities. Real budget concerns are created by the federal and state mandated programs and services without supporting funds or local control, and the increased demand for services while attempting to hold down budgets and taxes. We all must maintain a close relationship with our legislators. The Commissioners are following very closely the pending legislation regarding settlement and assistance programs, and hope that the towns are also involved in this very important issue.

Courtroom #2 was finished last summer and was dedicated during the opening of the fall term of Superior Court on September 13, 1983. We anticipate having a second judge in March, which should relieve the backlog and reduce the need for masters.

Counties, as well as towns, are experiencing the transition of the courts into the new State Unified Court System, and should notice a decrease in local expenses for the judicial system. However, the counties will have to "reimburse" \$2.75 million to the Unified Court System in fiscal year 1985, which means approximately \$200,000 to Grafton County. We also expect that the counties will retain certain operating expenses such as Probate Court guardianship and appeals costs, Superior Court bailiff costs, and probably will have to provide court space, furnishings and equipment without remuneration.

On Commissioner recommendation, the Delegation Executive Committee appointed a Jail Study Committee to review the needs for the county correctional facility. The National Institute of Corrections made an independent study of the correctional facility at no cost to taxpayers, and issued an encouraging report recommending minor changes, but overall indicating a good facility in general compliance with laws, regulations and meeting needs. Some attention is being given to the need for additional space, especially for "weekend" incarcerations. There was no recommendation for new permanent facility construction at this time.

Grafton County is currently involved in litigation in a retirement buy-back issue which could have heavy impact on all local governments in the N.H. Retirement System. Assessment on Grafton County in this one case could run approximately \$70,000 plus legal fees and could result in a serious "domino" effect on local governments.

REPORT OF GRAFTON COMM. (continued)

Grafton County will be going through the budgeting process in May and June, with a public hearing on the Commissioners recommendations expected to be held in mid-June. The hearing will be advertised, and we strongly encourage your attendance at the hearing to voice your opinions and feelings on the budget. We welcome your attendance and comments.

The Commissioners meet Mondays at 9:30 a.m. at the Courthouse and at 12:30 p.m. at the Nursing Home. Meetings are open to the public.

Grafton County Commissioners:
Dorothy Campion-Corcoran, Chairperson
Richard L. Bradley, Vice Chairman
Arthur E. Snell, Clerk

TO THE CITIZENS OF GRAFTON COUNTY:

Grafton County Commissioners submit the following report in a continued effort to communicate with you on a more direct basis.

The county fiscal year 1985 tax rate to towns increased by 6.76%, mainly due to increased liabilities and mandates for services. One reason is that the child placement budget has escalated from \$40,000 in fiscal year 1982 to over \$250,000 in fiscal year 1985. These costs are a direct result of RSA 169 when towns succeeded in getting laws changed to place financial responsibility on the counties. Also, the settlement statute, RSA 164, was changed regarding accumulating days for settlement, so that once the County has liability, the liability now remains with the County indefinitely. In addition, as experienced by towns and cities, the cost of nursing care has rapidly increased because of reduced federal and state funding, and will continue to increase at the local level with property taxes funding more of these services in the future.

We anticipate some budget relief with the new unified court system as soon as total costs of the court operations are fully funded by the State as intended in the legislation.

Because of the increasing unfunded mandated services and the unknown nature of federal and state participation in those mandated services, it becomes more difficult each year to budget in a realistic maner - a problem shared in common with towns and cities.

We are continuing energy conservation measures, with appreciable cost savings to the taxpayers. Window modification, with a five year payback, is one of our long term conservation measures, as well as modification to the heating control system.

REPORT OF GRAFTON COMM. (continued)

Correctional needs and facilities are continually monitored and reviewed to comply with current standards and regulations. Studies have been completed and new construction was not recommended at this time.

In accordance with federal revenue sharing requirements, all county facilities and services are regularly reviewed for compliance with handicap regulations.

The Commissioners hold regular weekly meetings every Monday and encourage public attendance. Grafton County budget is processed through May and June and the Commissioners welcome input and strongly recommend your attendance at the public hearing normally held in mid-June.

We appreciate your continued interest and support.

Minutes of Business Meeting March 13, 1984

At the meeting of the inhabitants of the school district in the Town of Piermont, N.H. qualified to vote in the district affairs, holden at the town hall in said town, the thirteenth day of March, nineteen hundred eighty-four at ten o'clock A.M., Moderator Lawrence Underhill read the warrant to all assembled. The ballot box was open for inspection, then closed and locked, the polls were declared open.

At 6 o'clock P.M., polls were declared closed by Moderator Lawrence Underhill. Immediately a tally of votes was made by Barbara Robb, George F. Ritchie, Helen Underhill and Helen Ritchie. Ballots cast 176. Votes received as follows: For Moderator - Lawrence Underhill - 73; For clerk - Barbara Robb - 162; For treasurer - Meda Kinghorn - 169; For board member - Robert Elder - 140; For auditors - Charles Morrill - 33; Lydia Reardon - 22.

MINUTES (continued)

March 20, 1984

8:00 P.M.

Meeting called to order March 20, 1984 at 8:00 p.m. by Lawrence Underhill. Moderator read warrant to all assembled and swore in all school officials newly elected. Motions were then in order for:

Article I. Bob Lang moved article I be accepted as read: Ernest Hartley, Sr. seconded motion. Vote passed with no discussion.

Article II. Bonnie French moved article II be accepted as read: Jean Daley seconded motion. Vote passed with no discussion.

Article III. Abby Metcalf moved article III be accepted as read; seconded by Mrs. Belyea. Alfred Stevens asked what the total amount was in the Capital Reserve Fund. He was told the \$15,061. asked for in article III was the total amount. It is to be used to purchase a new school bus to replace the bus we have now. A 41 passenger which is larger than the one we now have. Sumner Harris said Bruce Stevens spent a lot of time researching why we should have a new bus now and he would answer any questions people have. Vote passed.

Article IV. Jean Daley moved article IV. Seconded by Bonnie French. Don Smith asked how we plan on raising the capital asked for. The sum to be raised is in the total figure asked for in the school budget. The bus would be in service in Sept. Vote passed.

Article V. Rob Elder moved article V with the amount being asked for be changed to \$316,529.14. Seconded by Abby Metcalf. Amount changed because Oxbow dropped their tuition from 3,450 to 3,200. Added on article III. This is already raised but has to show on revenue column, add on article IV, this amount must be raised by taxes and add on 1,500 for school to tie in on sewer system for village. Bob Lang wondered why school should hook into the town system. He was told government funds easier if more town property hooked up instead of just town hall. Grant monies will bring pipe up to building and have to raise money to hook up to school. Large part of funding for system may be in jeopardy if town buildings aren't hooked up. Nancy Underhill wonders why this is brought out now instead of in beginning when had sewage meetings. Jean Daley said school was asked to tie in because FHA said would give town 75% of cost to town but want more municipal buildings in. Cost to town would be greatly reduced. The Federal and State funding is still in tack. Roger Hutchins said he had talked to the plumber who cares for school buildings and he said the old system won't last forever so would make sense to tie in on village system now when you could do it a lot cheaper than you would be able to do it at a later date.

MINUTES (continued)

Edna Snowman asked to have Teacher Incentive Pay explained. Teacher may apply for this money by submitting proposal of over and above usual curriculum planning for another year. Vote passed.

Article VI. Arnold Shields complemented the board on the good job they have done with the budget and quality of the education they are providing. Sumner Harris said last year we talked about taking a closer look at all the tuition schools and what they provide. A questionnaire has been developed and sent to all schools. We now have data to compare schools. The students this year had to go to all the schools. The students asked questions and brought responses back to the classroom. Rob Elder said parents have been giving a lot of input this past year to school board and they appreciate it.

Arnold Shields moved to adjourn. Bonnie French seconded motion. Motion passed.

REPORT OF SCHOOL NURSE
Piermont Village School
1983-1984

Number of Pupils examined - 63

Number of School Visits - 35

Number of Physicals given - 32

(Given by Dr. Lance Osadchey)

Back to school head checks were made at the beginning of the school year. This is repeated at any time during the year as it seems necessary. No cases of Pediculosis were reported during this school year. Weights and heights are taken. Routine screening of vision and hearing are done during the first few months of school. Parents of all pupils who failed these tests are notified, and a recommendation for further tests by a qualified person is made. No outstanding illnesses or accidents occurred.

In the spring, with permission from the school board and parents a program on human development was conducted for the 7th and 8th grades by Mr. Barrett and myself. Parents were invited to see the material used before it was presented to the youngsters.

With continued cooperation of parents and teachers my job is made easier. I find the children in general good health and well cared for.

Respectfully submitted,
Jean D. Putnam, RN, School Nurse

SUPERINTENDENT'S REPORT

To the School Board and Citizens of the Piermont School District:

I herewith submit my twentieth annual report to the voters of the Piermont School District:

A year ago, charges of a "rising tide in mediocrity" were nailed to the schoolhouse door. Members of the National Commission on Excellence in Education assembled in the White House rose garden to present their blue covered report, *A Nation At Risk*, to President Reagan. The report was to be both headlined and maligned in the months that followed but the President turned the whole report into several political issues: return to tougher educational standards, tougher discipline policies, merit pay for teachers, voucher system and prayer in the public schools.

The merit pay issue has been publicized and chastised by various segments of the educational community. But, the focal point of any debate, whether it be national, state or local, it has to be obvious that a higher base for all

SUPERINTENDENT'S REPORT (continued)

salaries has to be included on the incentive pay plan agenda. There has been much give-and-take on this point, but it now appears that action on teacher's salary levels will be the primary legacy of the report.

Some criticisms of the report suggest that, with some exceptions, they do not address the most difficult conceptual and political issues. Instead they reassert what is well-known, make exaggerated claims on flimsy evidence, pontificate on matters about which there could scarcely be agreement, and make recommendations that either cost too much money, cannot be implemented, or are too general to have any meaning.

Somewhere between the two points of view will have consensus. But, if teachers are to be paid a "professional" wage several components must be included:

1. As with all professional people, teachers must pass a rigorous state examination as do lawyers, doctors, etc. Our colleges and universities do not want to certify that teaching candidates are prepared for the classroom therefore some other vehicle must be found.

2. Teacher education must include majors in the major fields of study not education majors.

3. Teacher education must include four years of liberal arts in addition to one year of educational courses and training.

4. Local School districts must provide internships up to three years with pay for candidates. Would you like to be operated on by a doctor who knew the proper procedures but had never been in an operating room?

We must pay our good teachers more but it must be based on performance — not one year older you get a raise. The old axioms of the union that administrators will favor their friends, the teachers mistrust the system, and other sophomoric reasons have lost their veracity. The real world rewards people for a job well-done and the teaching profession must join — it is no exception.

The Piermont School District is going through the pangs of dwindling enrollments and all the possible solutions that range from closing the school and tuitioning out all students or maintaining the status quo and not changing a thing. Whenever you analyze the problem you try to determine from the facts presented most cost effective and educationally sound solution. Additionally, whenever a town closes its village school it loses some flavor because people then do not have an institution to rally around as they once had; and, writing from a personal point of view, once gone - never resurrected.

The Valley News recently published some very interesting statistics

SUPERINTENDENT'S REPORT (continued)

concerning Average House Values, Average Rent, and Average Family Income in the Upper Valley. Comparisons of adjoining districts should be of interest to readers of this report:

Town	Average House Value	Average Rent	Average Family Income
Lyme	54,400.00	303.00	24,287.00
Orford	38,900.00	253.00	19,631.00
Haverhill	39,300.00	198.00	19,437.00
Bradford	45,000.00	204.00	19,255.00
Piermont	44,000.00	197.00	17,947.00

An area of concern to many school boards and administrators in the North Country is attempting to provide quality and expensive programs that are now being required of secondary schools and soon will be of middle and junior high schools. Instead of trying to reinvent the wheel, many districts are banding together to employ adjunct faculty or itinerant teachers. Although this type of a proposal is not always accepted, because of human frailties and program deficiencies, it is certainly a very satisfactory method to satisfy a district's educational needs.

The 1985-86 budget does not reflect an increase but this is mainly due to the capital reserve and funds raised for transportation. Our largest expenditure continues to be in the area of out-of-district tuition. A comparison of tuition charges should be of interest to the Piermont voter:

	<u>Junior High</u>	<u>Senior High</u>
Oxbow	3,450.00	3,450.00
Orford		3,000.00
Hanover	4,078.00	4,034.00
Haverhill	2,350.00 (est.)	3,000.00 (est.)

May I take this opportunity to thank the staff, school board and voters for their wonderful support during the past year.

Respectfully submitted,
Norman H. Mullen, Superintendent of Schools

REPORT OF THE ASSISTANT SUPERINTENDENT OF SCHOOLS

I herewith submit my fifteenth report to the voters of the Piermont School District.

The school year opened for our staff on August 22, 1984 with our annual fall workshop. The single day workshop was entitled: Stress Management and Teaching: Coping in the Classroom and was presented by Dr. Mark C. Johnson, Assistant Professor of Psychiatry at the Dartmouth Medical School. The morning session began with an introduction to the concept of stress and a brief review of Stress Physiology and continued with an explanation of the stress cycle and the role of coping skills. A number of examples were given from teaching situations. Next came the introduction to progressive muscle relaxation and a relaxation training session. The afternoon session dealt with stress related problem solving in the classroom. This included behavioral strategies for class/stress management. The workshop concluded with a role playing exercise followed by a question and answer period. This very timely subject was very well received by all staff members.

Last spring our Piermont children performed creditably on the Stanford Achievement Tests. These tests are run throughout S.A.U. #23. When the machine scored tests are returned all of the schools are ranked in Reading and Math. Grades one through six and grades seven and eight are compared separately. In Reading in grades one through six the Piermont Village School placed first among the S.A.U.'s six elementary schools with a percentile rank of 86. In Math one through six, Piermont placed third with a percentile of 65. In grades seven and eight we ranked third in Reading with a percentile of 55 and third in Math with a percentile of 30. I wish to commend Mr. Barrett, the teachers and the children for their fine showing.

I would like to direct your attention to the enrollment projection for the Piermont Village School printed separately in the School District Report. This projection sets down the actual enrollments as they have occurred over the past five years (top portion). Then the percentages of in or out migration are computed for each grade from year to year. When we apply these percentages to our present enrollment and to the incoming kindergarten classes we get an idea of what our student enrollments are likely to be over the next five years (bottom portion).

The Board and Administration have studied these figures carefully in order to provide direction with respect to school organization and staffing. With pupil teacher ratios in the 10 to 1 range or less over the next few years, it is obvious that both the Board and the Administration will be searching for staffing options that will be cost effective without compromising the high level of educational opportunity that we have traditionally provided.

ASST. SUPERINTENDENT'S REPORT (continued)

Many thanks to the School Board, Mr. Barrett, the Staff, and to the voters of Piermont for their fine support.

Respectfully submitted,
Harold J. Haskins, Assistant Superintendent of Schools

SCHOOL ADMINISTRATIVE UNIT #23

Report of Superintendent's and Assistant Superintendent's Salary

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire requires that school district annual report show the total amount paid to the superintendent and assistant superintendent.

One-half of the School Administrative Unit expense is prorated among the several school districts of the Unit on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30. The Superintendent of S.A.U. #23 during the 1984-1985 school year will receive a salary of \$47,383.00 prorated among the several school districts. The Assistant Superintendent will receive a salary of \$36,865.00 prorated among the several school districts.
