## DEDICATED TO THE MEMORY OF LYMAN R. HAMMOND, SR.

The Board of Selectmen hereby dedicates the 1988 Town of Raymond Annual Report to the memory of Lyman R. Hammond, Sr.

Lyman was born in Raymond in 1910 and attended Raymond schools. As a young man, Lyman (or "Hammy" as he was known to all) was elected as Town Road Agent in 1936 and served in that capacity for the next twenty-five years. This length of service is unsurpassed by any other individual holding this office in the Town of Raymond. In recalling his memory, it would be appropriate to mention the pride he took in seeing his son, Lyman Jr. and his grandsons, Kevin and Richard, carry on the family tradition, bringing to over half a century one family's supervision of roadways in the Town of Raymond.

A kind and gentle man, Lyman's faithfulness to the town and its people will be remembered by countless citizens for years to come. Most assuredly, his exemplary record of public service has earned him a place in Raymond's history.

# ANNUAL TOWN MEETING

MARCH 12, 1988

The Annual Town Meeting of Raymond, N.H. was called to order at 10 AM at the Raymond Junior/Senior High School Gymnasium, by Moderator Nelson Sherman. The Reverend J. Chandler Newton offered a prayer and the flag of the United States was saluted. The ballot boxes were inspected and the Moderator announced the ballot clerks for the meeting as follows: Delmar Anderson, Francis O'Brien, Florence Bell, Joan King, Nancy Ladd, Pauline Gordon, Sandra Ellis, and Assunta Ege. Attorney Gordon Snyder, served as assistant moderator. Supervisors of the Checklist Elizabeth Robinson and Marion Lovejoy were present. The Moderator read the results of the Tuesday, March 8, 1988 election of town, school district officers, and the zoning results. The orange voting card "M" was used.

## ARTICLE #1

To see if the Town will appropriate \$600,000.00 or any other sum for the construction, reconstruction, alteration, enlargement, and relocation of the Dudley-Tucker Library; and for purchasing equipment and furnishings of a lasting character in connection therewith; to determine whether this appropriation shall be raised by borrowing or otherwise; or to take any action relative thereto. The sum to be raised may be reduced by the amount of funds from grants-in-aid or other funds as may now or hereafter be forthcoming from Federal, State, local or private agencies that would benefit the town. Recommended by the Budget Committee.

A motion was made by Ronald Simone that the Town appropriate \$600,000.00 or any other sum for the construction, reconstruction, alteration, enlargement, and relocation of the Dudley-Tucker Library; and for purchasing equipment and furnishings of a lasting character in connection therewith; to determine whether this appropriation shall be raised by borrowing or otherwise; or to take any action relative thereto. The sum to be raised may be reduced by the amount of funds from grants-in-aid or other funds as may now or hereafter be forthcoming from Federal, State, local or private agencies that would benefit the town. The motion was seconded by Reginald Maisey. Discussion followed.

The Moderator announced that the polls would be open for one and one half hour and the voting on the issue would terminate at 12:20 PM. The meeting was recessed for one half hour. The meeting reconvened at 11:30 AM. A green bond issue yes/no ballot was used.

*The vote on Article #1 was announced by the Moderator as follows: 386 votes cast, 198 yes, 187 no, and one blank ballot; 258 was needed to pass this Article.*

*The vote on Article #1 was in the affirmative.*

## ARTICLE # 2

To see if the Town will vote to authorize the Board of Selectmen to apply for, accept, and expend, without further action by the town meeting, money from the state, federal, or other governmental unit, or a private source, which becomes available during the year, provided the monies be used only for legal purposes for which a town may appropriate money; and that the expenditure not require expenditure of other town funds. Further, that the Selectmen will hold a public hearing on the action to be taken.

A motion was made by Ronald Simone that the Town authorize the Board of Selectmen to apply for, accept, and expend, without further action by the town meeting, money from the state, federal, or other governmental unit, or a private source, which becomes available during the year, provided the monies be used only for legal purposes for which a town may appropriate money; and that the expenditure not require expenditure of other town funds.

Further, that the Selectmen will hold a public hearing on the action to be taken. The motion was seconded by Mary Ann Austrew.

*The vote on Article #2 was in the affirmative.*

## ARTICLE #3

To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

A motion was made by Ronald Simone that the Town vote to authorize the Selectmen to borrow money in anticipation of taxes. The motion was seconded by Franklin Bishop.

*The vote on Article #3 was in the affirmative.*

## ARTICLE #4

To see if the Town will vote to authorize the Selectmen to transfer tax liens and convey property acquired by the town by tax collector's deed by public auction (or

advertised sealed bid) or in such other manner, as determined by the Selectmen as justice may require.

A motion was made by Ronald Simone that the Town vote to authorize the Selectmen to transfer tax liens and convey property acquired by the Town by tax collector's deed by public auction (or advertised sealed bid) or in such other manner as determined by the Selectmen as justice may require. The motion was seconded by Dana Kingston.

*The vote on Article #4 was in the affirmative.*

#### **ARTICLE #5**

To see if the Town will authorize the Board of Selectmen to enter into an agreement for the purchase of land for future town purposes, such purchase to be authorized by a town meeting vote.

A motion was made by Sally Paradis that the Town authorize the Board of Selectmen to enter into an agreement for the purchase of land for future town purposes, such purchase to be authorized by a town meeting vote.

The motion was seconded by Dana Kingston.

*The vote on Article #5 was in the affirmative.*

#### **ARTICLE #6**

To see if the Town will vote to accept a donation of land by Pike Industries for the purpose of constructing a municipal complex. The parcel is bounded by Scribner Road and Old Manchester Road, as is described as Raymond Tax Map 5, Lot 52-6.

A motion was made by Sally Paradis that the Town vote to accept a donation of land by Pike Industries, should the parcel be forthcoming, for the purpose of constructing a municipal complex. The parcel is bounded by Scribner Road and Old Manchester Road, and is described as Raymond Tax Map 5, Lot 52-6. The motion was seconded by Franklin Bishop.

*The vote on Article #6 was in the affirmative.*

#### **ARTICLE #7**

To see if the Town will authorize the Selectmen to accept private donations of land, interest in land, or money for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N.H. Land Conservation Investment Program (LCIP) RSA 221-A, and authorize the Selectmen to apply for and accept the state matching funds

under the LCIP for the purposes of acquisition of the fee or lesser interest in conservation land. Said appropriated funds and state matching funds may be expended by majority vote of the Conservation Commission with the approval of the Selectmen.

A motion was made by Franklin Bishop that the Town authorize the Selectmen to accept private donations of land, interest in land, or money for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N.H. Land Conservation Investment Program (LCIP) RSA 221-A, and authorize the Selectmen to apply for and accept the state matching funds under the LCIP for the purposes of acquisition of the fee or lesser interest in conservation land. Said appropriated funds and state matching funds may be expended by majority vote of the Conservation Commission with the approval of the Selectmen. The motion was seconded by Dana Kingston.

*The vote on Article #7 was in the affirmative.*

#### **ARTICLE #8**

“Shall we adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure? These statutes provide that tax sales to private individuals for nonpayment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the state may acquire a tax lien against land and buildings for unpaid taxes.” (Inserted on petition of ten or more registered voters).

A motion was made by Gloria Carney that the Town adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure. These statutes provide that tax sales to private individuals for nonpayment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the state may acquire a tax lien against land and buildings for unpaid taxes. The motion was seconded by Doris Gagnon. Discussion followed.

The moderator declared the polls open for twenty minutes to vote on this issue. A gold yes/no ballot was used. The meeting was recessed until 1:45 PM.

During the recess, Chairman of the Board of Selectmen, Ronald Simone administered the Oath of Office to the new Fire Chief Kevin Pratt and the new Deputy Fire Chief Donald Tenney.

The vote on Article #8 was announced by the Moderator as follows: 282 votes cast, 236 yes, 9 no, and

one blank ballot. The meeting was reconvened at 1:45 PM.

*The vote on Article #8 was in the affirmative.*

#### ARTICLE #9

To see if the Town will vote to raise and appropriate the sum of \$2,431,480.00 to defray town charges for the year ensuing. Said sum is exclusive of Special Articles 1, 10, 11, 12, 13, 14, 15, and 16. Recommended by the Budget Committee.

A motion was made by Harold Wood that the Town vote to raise and appropriate the sum of \$2,431,480.00 to defray town charges for the year ensuing. Said sum is exclusive of Special Articles 1, 10, 11, 12, 13, 14, 15, and 16. The motion was seconded by Ronald Simone. Chairman of The Budget Committee read the Town Budget. Discussion followed.

*The vote on Article #9 was in the affirmative.*

#### ARTICLE #10

To see if the Town will vote to raise and appropriate the sum of \$26,400.00 in support of Raymond Ambulance, Inc. for the provision of emergency medical services to the Town of Raymond for the year of January 1, 1988 thru December 31, 1988; and to authorize the Board of Selectmen to enter into an agreement with the Raymond Ambulance, Inc. for said emergency services. Recommended by the Budget Committee.

A motion was made by Sally Paradis that the Town vote to raise and appropriate the sum of \$26,400.00 in support of the Raymond Ambulance, Inc. for the provision of emergency medical service to the Town of Raymond, for the year of January 1, 1988 thru December 31, 1988; and to authorize the Board of Selectmen to enter into an agreement with the Raymond Ambulance, Inc. for said emergency services. The motion was seconded by John Barnes, Jr. A written request signed by five voters for a secret ballot on this article was received. A pink yes/no ballot was used. The moderator declared the polls would close at 2:05 PM. The vote on Article #10 was announced by the moderator as follows: 272 ballots cast, 236 yes, 35 no, and one blank ballot.

*The vote on Article #10 was in the affirmative.*

#### ARTICLE #11

To see if the Town will vote to raise and appropriate the sum of \$6,750.00 to erect a chain link fence on Ai S. Welch Field. Said fence to run along the entire length of

common property between Welch Field and all abutters on Bambi Lane. Recommended by the Budget Committee.

A motion was made by John Barnes Jr. that the Town vote to raise and appropriate the sum of \$6,750.00 to erect a chain link fence on Ai S. Welch Field. Said fence to run along the entire length of common property between Welch Field and all abutters on Bambi Lane. The motion was seconded by James Demeritt.

*The vote on Article #11 was in the affirmative.*

#### ARTICLE #12

To see if the Town will vote to raise and appropriate the sum of \$25,000.00 to extend the municipal water system from a point beginning at Paradise Drive and Acre Street, and ending at the end of Katie Lane, a distance of approximately 1,450 feet, to serve the area of Acre Street and Katie Lane. (Inserted on petition of ten or more registered voters). Not recommended by the Budget Committee. Discussion followed.

A motion was made by Franklin Bishop that the Town vote to raise and appropriate the sum of \$25,000.00 to extend the municipal water system from a point beginning at Paradise Drive and Acre Street, and ending at the end of Katie Lane, a distance of approximately 1,450 feet, to serve the area of Acre Street and Katie Lane. The motion was seconded by Lorraine Menard. Discussion followed.

*The vote on Article #12 was in the negative.  
(83 Yes/136 No)*

*A motion was made by James Demeritt and seconded by Richard Houle to reconsider Article #12.*

*The vote on the reconsideration of Article #12 was in the affirmative.*

A motion was made by Cheryl Myers to see that the Town not spend \$25,000.00. To see that the town apply for and accept any State or Federal Funds for the purpose of extending the municipal water system already on 107 up to the end of Acre Street and Katie Lane, a distance of approximately 1,450 feet. The motion was seconded by Lorraine Menard.

*The vote on the amended Article #12 was in the affirmative.*

#### ARTICLE #13

To see if the Town will vote to raise and appropriate the sum of \$30,000.00 to extend the town water system

that is currently on Essex Drive, to the intersection of Twins Road, thence along Twins Road 500'. The reason being is to resolve a problem of bacteria contamination that has existed for the last 12 to 15 years. (Inserted on petition of ten or more registered voters). Not recommended by the Budget Committee.

A motion was made by Shaun Mulholland to see if the Town will vote to raise and appropriate the sum of \$30,000.00 to extend the town water system that is currently on Essex Drive, to the intersection of Twins Road, thence along Twins Road 500'. The reason being is to resolve a problem of bacteria contamination that has existed for the last 12 to 15 years. The motion was seconded by Franklin Bishop.

A motion was made by Shaun Mulholland to amend Article #13 to read to see that the Town not spend \$30,000.00. To see that the town apply for and accept any State or Federal funds for the purpose of extending the water main already on Essex Drive to the end of Essex Drive, the entire length of Twins Road and the entire length of Pond Road. The motion was seconded by William Prince. Discussion followed.

*The vote to amend Article #13 was in the affirmative.*

*The vote on the amended Article #13 was in the affirmative.*

#### ARTICLE #14

To see if the town will vote to raise and appropriate the sum of \$25,000.00 to extend the municipal water system from its present end to the end of Otter Road, a distance of approximately 1,809 feet. (Inserted on petition of ten or more registered voters.) Not recommended by the Budget Committee.

A motion was made by Byron Lodge that the Town vote to accept Article #14 as printed. The motion was seconded by Franklin Bishop.

A motion was made by Ronald Simone to amend Article #14 to raise and appropriate the sum of \$25,000.00 to extend the municipal water system from its present end to the end of Otter Road, a distance of approximately 1,809 feet. This appropriation is contingent upon funding from the N. H. Department of Transportation in the amount of \$16,000.00; and further all costs in excess of \$16,000.00 will be funded with the Raymond Water Department monies. The motion was seconded by Dana Kingston.

*The vote to amend Article #14 was in the affirmative.*

*The vote on the amended Article #14 was in the affirmative.*

#### ARTICLE #15

To see if the Town will vote to raise and appropriate a sum not to exceed \$25,000.00 (Twenty-Five Thousand Dollars), to assist in the installation of a 12" diameter ductile iron water main to provide potable water to the residents of Liberty Tree Acres. Beginning at the end of the municipal system on Old Manchester Road and terminating with a connection to the Southern New Hampshire Water Company System. This appropriation is contingent upon the Southern New Hampshire Water Company proceeding with the project to connect to the municipal system with a 12" main. (Inserted on petition of ten or more registered voters.) Not recommended by the BUDGET COMMITTEE.

A motion was made by Barry Bronson that the Town vote to raise and appropriate a sum not to exceed \$25,000.00, to assist in the installation of a 12" diameter ductile iron water main to provide potable water to the residents of Liberty Tree Acres. Beginning at the end of the municipal system on Old Manchester Road and terminating with a connection to the Southern New Hampshire Water Company System. This appropriation is contingent upon the Southern New Hampshire Water Company proceeding with the project to connect to the municipal system with a 12" main. The motion was seconded by Louise Abelli.

*The vote on Article #15 was in the affirmative.*

A motion was made by Ronald Simone and seconded by Michael Quintal to reconsider Article #15.

*The vote on the reconsideration of Article #15 was in the negative.*

#### ARTICLE #16

To see if the Town will vote to raise and appropriate the sum of \$41,050.00 in support of the following Social Service Agencies: Seacoast Mental Health Center, Inc. \$2,500; Rockingham County C.A.P., Inc. - \$9,988; Lamprey Health Care Service \$4,500; Area Homemaker-Home Health Aide Service - \$4,000; Rockingham Child & Family Service - \$4,500; Exeter Area Visiting Nurse Association - \$11,610; Seacoast Big Brother/Big Sister of N. H. - \$2,200; Seacoast Task Force on Family Violence \$1,000; Ritchie McFarland Children's Center - \$400; Women's Resource Center - \$352. Recommended by the Budget Committee.

A motion was made by Ronald Simone that the Town raise and appropriate the sum of \$41,050.00 in support of the following Social Service Agencies: Seacoast Mental Health Center Inc. - \$2,500; Rockingham County C.A.P., Inc. -\$9,988; Lamprey Health Care Service - \$4,500; Area Homemaker-Home Health Aide Service - \$4,000; Rockingham Child & Family Service - \$4,500; Exeter Area Visiting Nurse Association - \$11,610; Seacoast Big Brother/Big Sister of N. H. - \$2,200; Seacoast Task Force on Family Violence - \$1,000; Ritchie McFarland Children's Center - \$400; Women's Resource Center - \$352. The motion was seconded by John C. Martin.

The vote on Article #16 was in the Affirmative.

#### ARTICLE #17

To see if the Town will vote to transfer the unreserved balance remaining in the Federal Revenue Sharing Account to the General Fund. The balance is \$7,015.16 plus accumulated interest and will be applied as an offset against the Town Maintenance budget. Recommended by the Budget Committee.

A motion was made by Ronald Simone that the Town vote to transfer the unreserved balance of \$7,015.16 plus accumulated interest and will be applied as an offset against the Town Maintenance budget. The motion was seconded by Sally Paradis.

The vote on Article #17 was in the Affirmative.

#### ARTICLE #18

To see if the Town will vote to establish a Capital Reserve Fund within the Raymond Water Department under the provisions of RSA 35:1 for the purpose of providing improvements to the Municipal Water System, and to raise and appropriate the sum of \$5,000.00 in the Water Department budget to be placed in this fund, and to name the Water Commissioners as agents for the fund.

A motion was made by Sally Paradis that the Town vote to establish a Capital Reserve Fund within the Raymond Water Department under the provisions of RSA 35:1 for the purpose of providing improvements to the Municipal Water System, and to raise and appropriate the sum of \$5,000.00 in the Water Department Budget to be placed in this fund, and to name the Water Commissioners as agents for the fund. The motion was seconded by Dana Kingston.

*The vote on Article #18 was in the affirmative.*

#### ARTICLE #19

To see if the Town will vote to sell a parcel of land owned by the Town of Raymond to Lorraine Menard, abutter to the parcel owned by the town. The parcel is described as beginning at the granite marker at 4 Katie Lane, south approximately 40 feet to the Menard property line, then east approximately 147 feet, then back north westerly along road to the granite marker first mentioned. All costs associated with the sale of the parcel, including but not limited to, appraisal costs to determine the sale price, legal fees, and survey costs will be paid by Lorraine Menard.

A motion was made by Lorraine Menard to amend Article #19 to remove survey from the Article as a survey was done 6-82 on the land abutting this land and I am willing to accept a quick claim deed. The motion was seconded by Martha J. Welch.

The vote on the amendment on Article #19 was in the affirmative.

*The vote on amended Article #19 was in the negative.*

#### ARTICLE #20

To see if the Town will vote to adopt the following By-Law:

No. 88-1 Regulation of Use of Highway. Commercial vehicles are excluded from using Main Street, Epping Street, and Harriman Hill Road as "through roads." A commercial vehicle is any vehicle of 18,000 pounds G.V.W. or over. Commercial vehicles making a pick-up or delivery are permitted.

A. PENALTY - Any person, firm, or corporation violating this By-Law shall be guilty of a violation.

This By-Law will take effect upon its passage at the Annual Town Meeting of the Town of Raymond.

A motion was made by Michael Quintal that the Town vote to adopt the following By-Law; No. 88-1 Regulation of Use of Highway. Commercial vehicles are excluded from using Main Street, Epping Street, and Harriman Hill Road as "through roads." A commercial vehicle is any vehicle of 18,000 pounds G.V.W. or over. Commercial vehicles making a pick-up or delivery are permitted. The motion was seconded by John Barnes, Jr.

A motion was made by Stephen Keith to amend Article #20 as follows:

No. 88-1 Regulation of Use of Highway. Commercial vehicles are excluded from using Main Street, Epping Street, and Harriman Hill Road as "through roads." A commercial vehicle is any vehicle of 18,000 pounds G.V.W. or over. Commercial vehicles making a pick-up or delivery or vehicles owned by residents of Raymond are permitted.

A. PENALTY - Any person, firm, or corporation violating the By-Law shall be guilty of a violation.

This By-Law will take effect upon its passage at the Annual Town Meeting of the Town of Raymond. The motion was seconded by Michael Quintal.

*The vote to amend Article #20 was in the negative.*

*The vote on Article #20 was in the negative.*

#### **ARTICLE #21**

To see if the Town will vote to display the POW-MIA Flag on the town designated flag pole every day of the year until all questions concerning the fate of America's POW's and MIA's are sufficiently resolved. (Inserted on petition of ten or more registered voters).

A motion was made by John Barnes, Jr. that the Town vote to display the POW-MIA Flag on the town designated flag pole every day of the year until all questions concerning the fate of America's POW's and MIA's are sufficiently resolved. The motion was seconded by Paul Greenaway.

*The vote on Article #21 was in the affirmative.*

#### **ARTICLE #22**

To see if the Town will vote to establish a Committee to investigate alternative forms of Town Government and report their findings/recommendations to the Annual Town Meeting in 1989. The Committee will consist of seven (7) members appointed by the Moderator. The Committee will include one Selectman.

A motion was made by Michael Quintal that the Town vote to establish a Committee to investigate alternative forms of Town Government and report their findings/recommendations to the Annual Town Meeting in 1989. The Committee will consist of seven (7) members appointed by the Moderator. The Committee will include one Selectman. The motion was seconded by Ronald Simone.

*The vote on Article #22 was in the affirmative.*

#### **ARTICLE #23**

To see if the Town will vote to establish a Committee to formulate plans in preparation of celebrating the Town's 225th birthday in 1989. Committee members will be appointed by the Selectmen.

A motion was made by Sally Paradis to establish a Committee to formulate plans in preparation of celebrating the Town's 225th birthday in 1989. Committee members will be appointed by the Selectmen. The motion was seconded by Dana Kingston.

*The vote on Article #23 was in the affirmative.*

#### **ARTICLE #24**

To see if the Town will vote that since the Raymond Water Company was established by legislative action and is a municipal department of the Town of Raymond, with elected officials, and is supported in part by taxpayer monies, and it being the public's right to know, that for each year the Water Commissioners and Selectmen are directed to publish annually in the Town Report the aggregate amount of water accounts unpaid sixty days and after each quarter, and the names of the users with the amount of their individual accounts which are ninety or more days delinquent as of December 31st each year. (Inserted on petition of ten or more registered voters).

A motion was made by Hughin Holt that for each year the Water Commissioners and Selectmen are directed to publish annually in the Town Report the aggregate amount of water accounts unpaid sixty days after each quarter, and the names of the users with the amount of their individual accounts which are ninety or more days delinquent as of December 31st each year. The motion was seconded by Nathan Pearce. Discussion followed.

A motion was made by Gordon Snyder to indefinitely postpone Article #24. The motion was seconded by Cheryl Kenney.

First Vote was 61 Yes/ 61 No. The vote was recounted to reflect 64 Yes/65 No.

*The vote to indefinitely postpone Article #24 was in the negative.*

*The vote on Article #24 was in the affirmative.*

#### **ARTICLE #25**

To see if the Town will authorize the Planning Board to prepare a Capital Improvements Program in accordance with New Hampshire Revised Statutes Annotated 674:5-8 to complete the Town's updated Master Plan.

A motion was made by Michael Quintal that the Town authorize the Planning Board to prepare a Capital Improvements Program in accordance with New Hampshire Revised Statutes Annotated 674:5-8 to complete the Town's updated Master Plan. The motion was seconded by James Demeritt.

*The vote on Article #25 was in the affirmative.*

A motion was made by John Barnes, Jr. to adjourn the meeting. The motion was seconded by Roger Retzke.

The meeting adjourned at 5:55 PM.

Town Clerk/Tax Collector

*INDEPENDENT AUDITOR'S REPORT*

To the Members of  
the Board of Selectmen  
Town of Raymond  
Raymond, New Hampshire

We have audited the general purpose financial statements of the Town of Raymond as of and for the year ended December 31, 1988, as listed in the table of contents. We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Raymond at December 31, 1988, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Raymond. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

January 20, 1989

NOTE: The complete Audit is available for review at the Town Office during regular business hours.

# THE STATE OF NEW HAMPSHIRE

## THE POLLS WILL BE OPEN FROM 10:00 A.M. TO 7:00 P.M.

To the Inhabitants of the Town of Raymond, in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Iber Gove Middle School gymnasium in said Raymond on Tuesday, the fourteenth day of March, 1989, at ten of the clock in the forenoon, to act upon the following subjects:

### Article 1.

To choose all necessary Town Officers for the year ensuing.

### Article 2.

Do you favor the adoption of the Town Manager plan as provided in Chapter 37 of the Revised Statutes Annotated? (Inserted on petition of ten or more registered voters)

### Article 3.

Are you in favor of amending Article 3.3 of the Town Zoning Ordinance by including in the Commercial Zone established by Article 3.3 the property located on the southerly side of Main Street, just east of Moulton Street, more particularly described as Tax Map 25, Lots 7 and 8 on the Town of Raymond Tax Maps. This property has been used and taxed as Commercial property for in excess of fifteen (15) years. ( Inserted on petition of twenty five or more of registered voters) THE PLANNING BOARD RECOMMENDS A "YES" VOTE ON THIS ARTICLE.

### Article 4.

Are you in favor of amending Article 3.4 of the Town Zoning Ordinance by including in the Industrial Zone established by Article 3.4 the property located on the westerly side of Chester Road, N.H. Route 102, just south of N.H. Route

107, more particularly described as Tax Map 27, Lots 1-1, 1-3, and 1-4 and Tax Map 28, Lots 1-5 and 1-6 on the Town of Raymond Tax Maps. (Inserted on petition of twenty five or more registered voters) THE PLANNING BOARD RECOMMENDS A "YES" VOTE ON THIS ARTICLE.

### Article 5.

Are you in favor of amending the Zoning Ordinance of the Town of Raymond to rezone the real estate known and described as Tax Map 7, Lots 14, 13, 2, 12 and 7A and Map 4, Lot 53, being situated on Route 27 formerly Old Route 101 in the vicinity of the Candia Town Line and extending easterly thereof as described in Exhibit A attached hereto, to the Industrial Zone instead of its present residential zone? (Inserted on petition of twenty five or more registered voters) THE PLANNING BOARD RECOMMENDS A "NO" VOTE ON THIS ARTICLE.

### Article 6.

Are you in favor of the adoption of the revised Zoning Ordinance as proposed by the Planning Board?

Given under our hands and seal this fifteenth day of February, in the year of our Lord, nineteen hundred and eighty-nine.

# THE STATE OF NEW HAMPSHIRE

## THE POLLS WILL OPEN AT TEN A.M.

To the Inhabitants of the Town of Raymond, in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Iber Gove Middle School gymnasium in said Raymond on Saturday, the eighteenth day of March, 1989, at ten of the clock in the forenoon, to act upon the following subjects:

### Article 1.

To see if the Town will appropriate One Million Six Hundred Thousand Dollars (\$1,600,000) or any other sum for the construction of a Safety Complex, consisting of police, fire, ambulance and related facilities; and for purchasing equipment and furnishings of a lasting character in connection therewith; to determine whether this appropriation shall be raised by borrowing or otherwise; or to take any action relative thereto. The sum to be raised may be reduced by the amount of funds from grants-in-aid or other funds as may now or hereafter be forthcoming from Federal, State, local or private agencies that would benefit the town. RECOMMENDED BY THE BUDGET COMMITTEE.

### Article 2.

To see if the Town will appropriate Two Hundred Eighty Thousand Dollars (\$280,000) or any other sum for the construction, reconstruction, alteration, enlargement and relocation of the Dudley-Tucker Library; and for purchasing equipment and furnishings of a lasting character in connection therewith; to determine whether this appropriation shall be raised by borrowing or otherwise; or to take any action relative thereto. The sum to be raised may be reduced by the amount of funds from grants-in-aid or other funds as may now or hereafter be forthcoming from Federal, State, local or private agencies that would benefit the town. RECOMMENDED BY THE BUDGET COMMITTEE.

### Article 3.

To see if the Town will vote to raise and appropriate the sum of Two Million Six Hundred Seventy-five Thousand Nine Hundred Fifty-five Dollars (\$2,675,955) to defray town charges for the year ensuing. Said sum is exclusive of Special Articles No. 1, 2, 4, 10, 11, 12, 14, 15, 16, 17, 18, 20, 21, 22, 23, and 24. RECOMMENDED BY THE BUDGET COMMITTEE.

### Article 4.

To see if the Town will vote to authorize the establishment of a Capital Reserve Fund (pursuant to RSA Chapter 35) for the construction, alteration, enlargement and relocation of the Dudley-Tucker Library and to raise and appropriate

the sum of Ten Thousand Dollars (\$10,000) toward this purpose, and to appoint the Selectmen to be agents to expend said Capital Reserve Fund. NOT RECOMMENDED BY THE BUDGET COMMITTEE.

### Article 5.

To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action by the town meeting, money from the state, federal, or other governmental unit, or a private source, which becomes available during the year, provided the monies be used only for legal purposes for which a town may appropriate money; and that the expenditure not require expenditure of other town funds. Further, that the Selectmen will hold a public hearing on the action to be taken.

### Article 6.

To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

### Article 7.

To see if the Town will vote to authorize the Selectmen to transfer tax liens and convey property acquired by the town by tax collector's deed by public auction (or advertised sealed bid) or in such other manner, as determined by the Selectmen as justice may require.

### Article 8.

To see if the Town will authorize the Board of Selectmen to enter into an agreement for the purchase of land for future town purposes, such purchase to be authorized by a town meeting vote.

### Article 9.

To see if the Town will vote to authorize and ratify the appointment of not more than 5 alternate members to any appointed local land use board, who shall be appointed by the Board of Selectmen in accordance with New Hampshire Revised Statutes Annotated, Chapter 673:6,I.

### Article 10.

To see if the Town will vote to raise and appropriate the sum of Eighty Three Thousand Three Hundred Thirty-three Dollars (\$83,333) to improve the Harriman Hill Road/N.H. Route 27 intersection including the installation of traffic signals. This appropriation is contingent upon receiving One Hundred Sixty Six Thousand Six Hundred Sixty-seven Dollars (\$166,667) in State aid. RECOMMENDED BY THE BUDGET COMMITTEE.

**Article 11.**

To see if the Town will vote to raise and appropriate the sum of Sixty-Five Thousand Dollars (\$65,000) to improve 375 feet of Prescott Road as part of the Prescott Road Bridge replacement project. **RECOMMENDED BY THE BUDGET COMMITTEE.**

**Article 12.**

To see if the Town will vote to establish a Committee to investigate alternative methods for the disposal of septage and solid waste and report their findings/recommendations to the Board of Selectmen. The Committee will consist of nine (9) members appointed by the Board of Selectmen . The Committee will include one Selectmen, one member of the Budget Committee, one member of the Planning Board, one member of the Industrial Development Committee, the Raymond Health Officer and four (4) citizens at large; and to raise and appropriate the sum of twenty-five hundred dollars (\$2,500) to cover expenses of the Committee's investigation. **RECOMMENDED BY THE BUDGET COMMITTEE.**

**Article 13.**

As the implementation of a recycling program is an integral part of any communities plan for the disposal of its solid waste, the Selectmen are hereby asking for a consensus of the voters in formulating a plan for recycling in the Town of Raymond.

**Article 14.**

To see if the Town will vote to raise and appropriate the sum of One hundred Ninety-two Thousand Two Hundred Seventy-six Dollars (\$192,276) to purchase and equip a new fire truck and authorize the withdrawal of One Hundred Thousand Dollars (\$100,000) from the Capital Reserve Fund created for that purpose. The balance of Ninety-two Thousand Two Hundred Seventysix Dollars (\$92,276) to come from general taxation. **THE BUDGET COMMITTEE RECOMMENDS THE TOWN VOTE TO RAISE AND APPROPRIATE THE SUM OF \$192,276 TO PURCHASE AND EQUIP A NEW FIRE TRUCK AND AUTHORIZE THE WITHDRAWAL OF ONE HUNDRED TEN THOUSAND DOLLARS (\$110,000) FROM THE CAPITAL RESERVE FUND CREATED FOR THAT PURPOSE. THE BALANCE OF EIGHTY-TWO THOUSAND TWO HUNDRED SEVENTYSIX DOLLARS (\$82,276) TO COME FROM GENERAL TAXATION.**

**Article 15.**

To see if the Town will vote to raise and appropriate the sum of Sixty Nine Thousand Nine Hundred Dollars (\$69,900) to construct a new highway department garage. **RECOMMENDED BY THE BUDGET COMMITTEE.**

**Article 16.**

To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be added to the Highway Department Capital Reserve Equipment Fund previously established; and to authorize the Selectmen to be agents to expend said Capital Reserve Fund. **NOT RECOMMENDED BY THE BUDGET COMMITTEE.**

**Article 17.**

To see if the Town will vote to raise and appropriate within the Water Department Budget the sum of Five Thousand Dollars (\$5,000) to be added to the Capital Reserve Fund previously established for the purpose of improving the Municipal Water System. **RECOMMENDED BY THE BUDGET COMMITTEE.**

**Article 18.**

To see if the Town will vote to authorize the establishment of a Capital Reserve Fund (pursuant to RSA Chapter 35) for the future revaluation of the Town and to raise and appropriate the sum of Five Thousand Dollars (\$5,000) towards this purpose, and to appoint the Selectmen to be agents to expend said Capital Reserve Fund. **NOT RECOMMENDED BY THE BUDGET COMMITTEE.**

**Article 19.**

To see if the Town will vote to create a Capital Reserve Fund under the provisions of RSA 35:1 for the purchase of conservation lands and to appropriate five (5) percent of the funds generated by the Land Use Change Tax in 1989 to be placed in said fund; and to authorize the Selectmen to be agents to expend said Capital Reserve Fund, to be used as the local matching funds or part of the local matching funds required under the N.H. Land Conservation Investment Program (LCIP) RSA 221-A; and to authorize the Selectmen to apply for and accept state matching funds under the LCIP. **RECOMMENDED BY THE BUDGET COMMITTEE.**

**Article 20.**

To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000) to finance Raymond's 225th Anniversary Celebration. **THE BUDGET COMMITTEE RECOMMENDS THIRTEEN THOUSAND DOLLARS (\$13,000) TO BE RAISED AND APPROPRIATED FOR THIS ARTICLE.**

**Article 21.**

To see if the Town will vote to raise and appropriate the sum of Twenty-six Thousand One Hundred Eighty-seven Dollars (\$26,187) in support of Raymond Ambulance, Inc. **RECOMMENDED BY THE BUDGET COMMITTEE.**

**Article 22.**

To see if the Town will vote to raise and appropriate the

sum of Forty Six Thousand Eight Hundred Sixty-five Dollars (\$46,865) in support of the following Social Service Agencies: Rockingham County C.A.P., Inc. - \$12,305; Lamprey Health Care (specifically for Senior Transportation) \$5,800; Area Homemakers-Home Health Aide Service - \$4,000; Exeter Area Visiting Nurse Association, Inc. \$12,105; Seacoast Mental Health Center, Inc. - \$2,000; Seacoast Big Brother/Big Sister of N.H. - \$2,000; Seacoast Task Force on Family Violence - \$1,000; Women's Resource Center - \$405; Rockingham Counseling Center - \$5,000; McFarland Children's Center - \$2,250. RECOMMENDED BY THE BUDGET COMMITTEE.

**Article 23.**

To see if the Town will vote to raise and appropriate the sum of One Thousand Six Hundred Forty Dollars (\$1,640) to assist Seacoast Hospice a nonprofit organization. (Inserted on petition of ten or more registered voters) RECOMMENDED BY THE BUDGET COMMITTEE.

**Article 24.**

To see if the Town will vote to upgrade Shatagee Road to provide safe passage for pedestrian and vehicular traffic; and to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000) for removal of the knoll for visibility and any necessary work that the road agent feels is needed. (Inserted on petition of ten or more registered voters) RECOMMENDED BY THE BUDGET COMMITTEE.

**Article 25.**

To see if the Town will vote a three year freeze on property taxes. (Inserted on petition of ten or more registered voters)

**Article 26.**

To see if the Town will authorize the Raymond Planning Board to delegate its minor site review powers and duties to a committee of qualified professionals consisting of the building inspector, consultant planner and road agent or his designee in accordance with NH RSA 674:43,III. Decisions of the committee may be appealed to the Planning Board.

**Article 27.**

To see if the Town will authorize the Raymond Planning Board in accordance with NH RSA 674:43 (Chapter 256:2, Laws of 1987), to include change or expansion of use of tracts for nonresidential uses or for multi-family dwelling units (structures with 3 or more dwelling units) under its Site Plan Review Regulations. The Planning Board proposes this article in order to be consistent with the laws of 1987 regarding Site Plan Review Regulations.

**Article 28.**

To see if the Town will vote to designate Long Hill Road as a Scenic Road in accordance with RSA Chapter 231. (Inserted on petition of ten or more registered voters or abutters)

**Article 29.**

To see if the Town will vote to instruct the Town's representatives to the General Court to respond to our solid waste crisis by taking all necessary measures to insure that New Hampshire adopt legislation that will permit consumers to return for refund of deposit within New Hampshire all soda, beer, wine cooler, and liquor containers and that all unclaimed deposit monies shall be collected by the state and no less than 80% shall be returned annually to local municipalities for the sole purpose of implementing, expanding and reimbursing community recycling projects. (Inserted on petition of ten or more registered voters)

Given under our hands and seal this fifteenth day of February, in the year of our Lord, nineteen hundred and eighty-nine.

## MUNICIPAL SERVICES DIVISION

Your summary Inventory of Property Valuation and Statement of Appropriations have been approved. You may proceed with the assessment of 1988 taxes on the basis of the following figures.

Net Assessed Valuation \$200,282,656.00

**Taxes Committed to Collector:**

Town Property		
Taxes Assessed	6,799,596	
Precinct Taxes Assessed		
Total Gross		
Property Taxes	\$6,799,596	
Less: Est. War Service		
Tax Credits	28,675	
Net Property		
Tax Commitment	\$6,770,921	
Tax Rate - Town		\$33.95
- Precinct		
- Precinct		
- Precinct		

In the event any adjustment was made in the Appropriations Section, we have enclosed a copy of the changes. Revenues and Credits have been approved as shown on the enclosed copy of the third page of the Statement of Appropriation. In accordance with RSA 21-J:35,II, we also enclose a written explanation of the change.

The net amounts approved for school, county and precincts are indicated below. These amounts are the total monies which should be transferred to each of these units of government.

Net School Appropriations	\$5,822,660
County Tax Assessment	205,975
Net Precinct Appropriation (1)	

In arriving at the above approved rate the Overlay has been set in the amount of \$39,832.00.

Very truly yours,  
Barbara T. Reid  
Director

### SEPARATE TAX RATES TO BE PRINTED ON 1988 TAX BILLS (RSA 76:11;11-a;I3)

DATE: October 18, 1988

UNIT OF GOVERNMENT	RATE
Municipal	\$ 4.55
County	.98
School	28.42
Combined Rate (Municipal, County, School)	\$33.95

Precinct-	
Precinct-	
Amount of Taxes to be Committed (per official tax rate letter)	\$6,770,921

also show the assessed valuation of all lands and buildings for which said person is being taxed. The 1988 rate breakdown reflects a proportionate share of the Reimbursement a/c Property Exempt by 1970 Special Session for each unit of government.

RSA 76:13 provides that interest at 12% per annum shall be charged upon all taxes except resident taxes not paid on or before Dec. 1, except that in the case where a tax bill was sent to a taxpayer on or after November 2 and before April 1st, interest shall not be charged until 30 days after the bills are mailed. The collector shall state on the bill the date from which interest will be charged.

The tax bill which you mail must contain the date from which interest will be charged and this date is determined by the date you send the last bill on the list committed to you. RSA 76:13 also requires that you notify this department in writing of the date on which you send the last bill. There is enclosed a form for this purpose.

Department of Revenue  
Administrations  
Barbara T. Reid, Director

RSA 76:11 provides for delivery of the list (warrant) to the collector within thirty days of receipt of approval of the tax rate unless for good cause the time is extended by the department. The collector shall within thirty days after receipt of the warrant from the selectmen (assessors) send out the tax bills unless for good cause the time is extended by this department.

RSA 76:11-a Information Required. The tax bill which is sent to every person taxed, as provided in section II, shall

# TOWN CLERK/TAX COLLECTOR

Another busy year has passed in your office of the Town Clerk/Tax Collector with over \$7,000,000.00 collected and processed.

The additional work undertaken in providing municipal agent services (automobile renewal plate decals) for Raymond's residents has proved to be a popular and time saving convenience to the community. We are pleased that the new service has worked out so well.

The approval by Raymond's voters last year of the article limiting the purchase of tax liens to the Town, State, or County and eliminating outside investment groups or individuals from the process will, we feel, return the handling of these matters closer to home with more favorable results for both the town and the taxpayers.

The new year promises to be even busier as our tax records and transactions will be transferred and handled by a new computer system. We expect this new change will result in even better service rendered by this office and, enable us to maintain accurate and efficient service in our over-growing community.

I would like to thank the community for their support and patience during the past year and my deputy, Doris Gagnon, for a job well done.

Respectfully submitted  
Gloria E. Carney  
Town Clerk/Tax Collector

## TOWN CLERK'S CASH RECEIPTS 1988

Vehicle Registrations	\$520,485.00
Vehicle Titles	2,163.00
Dog Licenses	2,873.00
Dog License Penalties	126.00
Marriage Certificates	1,107.00
U.C.C. Filings	2,526.50
Vital Statistics	424.00
Miscellaneous Fees	300.25
Dog Fines	415.00
Plate Sticker Fees	6,022.00
Overage	59.42
<b>TOTAL RECEIPTS</b>	<b>\$536,501.17</b>

# TAX COLLECTOR'S REPORT

## SUMMARY OF TAX ACCOUNTS

FISCAL YEAR ENDED DECEMBER 31, 1988 (JUNE 30, 1989)

DR.

	1989	1988	Prior
Uncollected Taxes-Beginning of Fiscal Year: (1)			
Property Taxes	\$	\$	\$ 786,759.40
Resident Taxes			19,560.00
Land Use Change Tax			12,000.00

# RAYMOND FIRE DEPARTMENT

The Raymond Fire Department responded to 207 calls this year, they were as follows:

Structure Fires	9
Chimney Fires	17
Brush Fires	25
Accidents	47
False Alarms	27
Mutual Aid	13
Miscellaneous	69

## Miscellaneous Breakdown

Car Fires	13
Gasoline Leak	17
Smoke in the Building	10
Lockout	6
Smoke Detectors	5
Wires Down	14
Bomb Scare	1
Search & Rescue	2
Dumpster Fires	1

Inspections completed totalled 486 and breaks down as follows:

Occupancy Permits	206
Fire Place/Chimney	84
Furnace	83
Wood/Coal	27
Foster/Day Care	10
Fire Inspections	55
Miscellaneous	21

This has been a busy year for our Fire Department. Total number of calls and building inspections have increased. Structure fires are low compared to a ten year comparison of fires in Raymond. I feel that these low figures even with increased building are accredited to years of Fire Prevention Inspection. Today Fire Prevention Inspection is as aggressive as it ever has been with Lieutenant Paul Hammond doing a majority of the inspections.

This year we are proud to say that the Fire Department holds the Charters for the Cub Scouts, Boy Scouts and Explorers Post. Thanks to Firefighter Kevin Woods we were made aware of the Firefighter Explorer Post available through the Boy Scouts of America. The Post was organized in April and is very successful today thanks to Arthur Rollins, Jr. and fifteen young adults. Other adult leaders that have assisted are Rick Sahlin, Paul Welch and Richard Audette. This group is a big help at fires and are financially self supporting.

Our fleet is in good repair except our 1974 Engine 1. The pump on that truck does not reach its rated capacity.

This means we must have the pump rebuilt. There is rust and other work to be done as well. The other problem is the age of the equipment is making it hard to get parts.

In 1988 a Truck Committee was formed. Six manufacturers have been consulted and 300 man hours spent on research. The Capital Reserve Fund has \$100,000 set aside for fire equipment. You will note that I have put an article in for a new engine with a 1500 GPM Pump. This will help assure our present insurance rating.

Experience and training is very strong and the Town can be proud. We have four firefighters, when years of dedication are added, equal 135 years; Frederick Welch, Ralph Brown, Edward Moulton and Burgess Robinson. It is helpful to be able to draw from this kind of experience. We were happy to be able to host a Certified Firefighter I class in Raymond for 62 area Firefighters. R.F.D. had six Firefighters and six Explorers (future Firefighters) in this class. This means, after this class, 25 Raymond Firefighters will be State Certified. We had two classes on Radiation Monitoring thanks to Emergency Management's Richard Davis. We have Firefighters at all levels of State Certification.

In March, the Department met with another change. The first time in our 92 year history we had a female apply for membership. She passed the requirements and is now a member of the Department. Her name is Lisa Perkins.

My sincere thanks to all the dedicated Firefighters that have helped protect life and property with a cost to your family life, personal income and meals. My thanks also to the family members of the Firefighters for helping them be this dedicated. The following are your Firefighters.

Wayne Welch, Dept. Chief	Ed Moulton
Don Tenney, Dept. Chief	Peter McKinley
Paul Welch, Capt.	Richard Nunziato
Mike Poole, Capt.	Curtis Northrep
Bill Hoitt, Lieut.	Ted Welch
Mike Williams, Lieut.	Chuck Perkins
Paul Hammond, Lieut.	Lisa Perkins
Chan Newton, Chaplin	George Plante
Kerry Pratt, Secretary	Don Ray
Ralph Brown	Burgess Robinson
Bruce Welch	Arthur Rollins, Jr.
Norman Cole	Vance Ryan
Richard Davis	Rick Sahlin
Robert Gould	Alan Smith
Micol Greenwood	Phil Talbot
Kevin Hammond	Kevin Woods
Russell Hammond	

Finally, to all the others that make our jobs easier and safer. The Selectpersons for their support; the Town Office people for daily help; the Raymond Ambulance for automatic response where needed and daily help at the station; the Raymond Police for dangerous intersection pro-

tection and help on investigations; the Dispatch for their assistance; and the Highway Department for their rapid response when we ice up the roads.

Respectfully submitted,  
Chief Kevin Pratt

## REPORT OF THE FOREST FIRE WARDEN

The Town had 25 brush and grass fires in 1988. Over six hundred dollars has been received from people that did not comply with the State Burning Permit Laws. The State requires that any person wishing to kindle an outside fire, must obtain a permit the day of the burn. A burning permit may be obtained free of charge every day of the week from the Warden or Deputy Wardens. The time set aside for permit writing is 3:00 p.m. to 5:00 p.m. It is a good idea to call first at 895-3321.

In 1988 our State had some costly forest fires. Milton, N.H. had a fire that lasted six days and threatened the DePrezio Lumber Forest. Firefighters responded from all over the State. Raymond sent two firefighters to assist in bringing the fire under control. Kerry Pratt and I spent 8

hours on Moose Mt. and at the end of the day, the fire was totally extinguished.

In closing, I would like to warn that predictions for the summer of 1989 are for a very dry year. It will be very important for parents of children to impress upon them not to play with matches or start any kind of fire.

I want to thank all the residents of the Town for their help in preventing forest fires. Also, I would like to thank all the Raymond Fire Department members and my Deputy Fire Wardens.

Your Forest Fire Warden  
Chief Kevin Pratt

## RAYMOND AMBULANCE INC. REPORT 1988

The Raymond Ambulance Association had many changes during the year of 1988. To start with, the number of ambulance calls increased dramatically. The ever increasing population has caused the ambulance calls here in Raymond alone to increase more than 25% over the last year. Raymond Ambulance responded to 829 calls last year.

The ever changing economy caused the decrease of day time volunteers and Raymond Ambulance was faced with a means of providing personnel to cover ambulance calls during the day. The best way we could assure everyone that an ambulance would be available was to hire two persons for this job during the week days of Monday through Friday. So started the first ever need to bill for services rendered by Raymond Ambulance. After 29 years of volunteer service, we had to change our procedures. It was as hard a decision to make for Raymond Ambulance

personnel as it was for patrons to accept. To more properly comply with rules and regulations our name was changed to Raymond Ambulance Inc.

Raymond Ambulance in its endeavor to provide increasing service has members who are continuing their education to provide this. We hope to have a paramedic certified shortly and an EMT-Intermediate also on the daytime crew.

We are here to help the people of our town and our neighbors, and continue to need your help to enable us to serve you.

Respectfully submitted,  
Richard E. Lahr, President  
Raymond Ambulance Inc.

# POLICE DEPARTMENT

As you can see from the statistics, which are up .05%, we have had an extremely busy year. Our two newest officers, Richard McFadden and Jonathan Kelly, graduated from the New Hampshire Police Academy's required ten week training program. We hope to add an additional officer which will allow us to have two men out during peak activity hours by this time next year. Over the next couple of years we will attempt to regain the one officer per one thousand population suggested by Municipal Management Studies.

Your Police Officers are extremely effective in keeping the community safe. They are well respected as professionals in the criminal justice system. Each of them maximizes their effectiveness through informational exchange both within the Department and other agencies. Through these efforts, we requested the State Police Drug Enforcement Unit to send in an undercover team to make drug purchases in suspected areas in town. This four-week operation netted eighteen pushers that were rounded up in June. This emphasizes the need for the department to grow with the community in order to keep a check on criminal activity.

Each Officer in the Department has attended specialized training throughout the year. The Police Standards and Training Council offers numerous technical and developmental studies at no cost to the town. We also take advantage of developmental seminars offered by the Federal Government through available grants. In addition to these, we also attend low cost seminars available from professional training institutions.

Through the efforts of our State Representative Mr. Barnes, the law enforcement community was successful in obtaining legislation that enabled all Police Agencies in the State to keep a central record of wanted persons that could be accessed instantaneously.

Through the year we also maintained our public service commitment in the schools, with safety lectures, street law classes, driver training, as well as general support interaction with faculty. We assisted the pre-schools with visits both to the school and having them visit the station. Community groups also invited us to speak in a wide range of subjects from drugs and alcohol to babysitting safety. We graduated 29 certified hunters with the able assistance of Bill Carney, to whom we express our gratitude. We look forward to continued work with the community groups in the coming year.

We are asking for your support in obtaining a Safety Complex. The present facility is not conducive to safe working conditions. A visit by the New Hampshire Municipal

Trust (the Workmans Compensation Carrier) this fall pointed out the potential dangers from cramped processing area, narrow entrance and exit areas, complicated by lack of storage space, and inadequate sanitary facilities as potential liabilities. We have long endured these deplorable conditions understanding the needs of educating our children in better environments. The time is now to correct the poor working conditions that exist in this otherwise growing community.

Each of your Police Officers would like to thank the people who have supported and assisted them through the year:

Our wives who are supportive and understanding.

Family members who exist around difficult schedules.

Marian Lovejoy for coordinating things.

Dispatchers that are our first contact with the public.

Fire, Highway, Ambulance Departments with whom we work with closely under extreme conditions for your common safety.

Town Departments and office personnel for their cooperation.

State Police, Sheriff Department, neighboring Police, Fire and Ambulance Departments for their timely assistance. The cooperation you have extended has made the duties easier. We look forward to the same encouraging spirit flourishing in the year to come.

For the Department  
Richard E. Dolan, Chief

Sgt. Peter Dyrkacz

Patrolmen:  
Shawn Coope  
Timothy Dolan  
Mark Biggar  
Richard McFadden  
Jonathan Kelly

Special Officers:  
Burgess Robinson  
Robert McMullen  
Brian Jalbert  
Kevin Mercier  
Ross Oberlin

## POLICE 1988 DEPARTMENTAL STATISTICS

	1985	1986	1987	1988

<b>TOTAL CASES PROCESSED</b>	6109	5953	6970	6180

## RAYMOND DISPATCH CENTER

Again, as always, the statistics of the Departments we serve reflect an increase in activity in the Center.

We have had a very busy year with a lot of illness and surgery among our staff and two resignations within one week. All Dispatchers pitched in to insure that the Town was covered. We also had personnel who had worked with us in the past. We would like to thank Pauline Gordon, Richard Davis and Burgess Robinson who gave up week-end time to answer the call for help.

We have a very dedicated group of trained personnel who know the importance of the Center and feel a commitment to its principle of provided 24 hour service to the Town and its residents.

We also dispatch for Fremont Fire and Rescue and Deerfield Fire and Rescue. These Towns pay a per capita fee for this service which helps with the income side of the budget.

We would like to thank the Rockingham County Sheriff's Department and its Director of Communications, David Lincoln for the donation of a cassette recorder which will record the phone and radio lines in the station. We have had a problem with the installation, but this should be on line the first week of February.

We would also like to thank Richard (Ditty) Davis for coming to our rescue whenever disaster strikes and the radio ceases to function. He always comes promptly to hook-up our back-up radio so that we are never down for more than minutes. We are working on rectifying this so that it will only mean a flip of a switch to change radios.

We are also hoping for the passage of the Emergency Complex which will give us a safer work environment with space to work more efficiently. This is long overdue as the Disatch area has dwindled as the work load has increased in direct proportion to the population.

We would like to thank all the departments we work with for their cooperation and support. This includes the Raymond Police Department, Raymond Fire Department, Raymond Highway Department, Raymond Ambulance Association, Raymond Water Department, Raymond Building Inspector and the Fremont and Deerfield Fire Departments and Rescue Squads.

We would also like to thank the people of Raymond for their support and assistance in continuing to work together to make this a good and safe place to live.

Respectfully submitted,  
Marian E. Lovejoy  
Head Dispatcher

# RAYMOND PLANNING BOARD

The Raymond Planning Board has been very busy this year. There has been a slight decrease in Site Plans and Subdivisions, however, the Board has kept busy updating the Zoning Ordinance, implementing an updated Master Plan and creating a Capital Improvements Program.

The Planning Board meets several times a month for worksessions and public hearings. The Board has a part-time Planner, Gerald Coogan, who has regular hours in the Town Office on Thursdays. Appointments may be made through the Planning Board Secretary, Bette Patterson.

The legislature is expected to pass a few planning and environmental laws this session which will cause the Board to continue to update and refine its local land use regula-

tions. One of the important pieces of proposed legislation will be an impact fee bill, which the Board will closely monitor.

The Board looks forward to 1989 as a year of "normal" growth for the Town. The Board consists of residents who volunteer their time and talents to make Raymond a better place to live. As Chairman, I would like to thank the members who have served the Town this past year. They are Jeffrey Immonen, Vice Chairman, Francis Keefe, Secretary, Stephen Sloan, Jeffrey Smith, Daniel Roy and Barry Kirkorian. The Board invites any interested citizens to attend our meetings as the members welcome comments and suggestions!

James Demeritt, Chairman

## BUILDING INSPECTOR/HEALTH OFFICER

1988 proved to be the year of proof for Raymond. We saw a fairly unique phenomena happen in the form of growth as well as property value. Raymond constructed only five (5) more living units (for a total of 145 units) in 1988 than it did in 1987 (with a total of 140). Although this might seem trivial, but in a time when most areas of the state's southern tier were seeing a 40-50% decline in housing units, a 3.5% increase was extremely unusual.

To explain this phenomena briefly, Raymond's property values traditionally lagged 20-25% behind similar property in surrounding communities. When housing construction slowed in those communities, values leveled off and in some instances actually dropped slightly, Raymond still had "value" room to grow in order to be in line with surrounding communities. For this reason, Raymond has seen a moderately steady growth pattern while others have slowed. In support of this theory, in 1983 Raymond ranked 7th in property value in average homes in comparison with our six abutting towns. A survey released in late 1988 placed us 5th. Although growth has its drawbacks, it also has some mitigating factors such as our new commercial shopping

centers as well as expanding industrial and recreational opportunities; all of which broaden the tax base and create jobs and a more enjoyable lifestyle. It also lessens our needs to travel great distances for supplies, services and employment.

Additionally, Raymond has twelve to fifteen million dollars of new construction with the residential/commercial-industrial split being twelve to thirteen million in residential and two to three million being commercial-industrial. 1988 saw around eleven million residential and four million in commercial-industrial construction, while 1989 has all the signs of improving the commercial-industrial ratio even further.

I would like to take this opportunity to thank the Raymond citizens for their support during the year.

Respectfully submitted,  
Richard J. Mailhot  
Building Inspector/Health Officer

# HIGHWAY DEPARTMENT

I'd like to tell you a little more about the process of road repairs. It is not just a case of having someone come in and shim/overlay our roads. We have certain steps that we have to have done, then try to set up some type of schedule for the paving crew to coincide with our work schedule.

To prepare a road for shim and overlay, the following steps are taken:

1. Cut any dead trees or brush.
2. Clean out the ditch lines, which consists of taking a grader, and pulling the material out onto the road, then taking the loader, pick it up and haul it off to the pit. This will be used to reclaim the pit at a later date.
3. Clean all culverts, which consists of taking a fire truck, and hose, and flush out all the dirt, etc., or replace any culverts that need it.
4. Then, after the road is shimmed and overlaid, we have to back and build up the shoulders of the road with crushed bank run to help prevent the edge of the pavement from breaking off.

So, you can see that this is a very time consuming process, especially with a crew of four. This takes most of the summer months: to accomplish, but we still have to do patching, equipment repairs, catch basins, culverts, and any other day to day duties that come up.

Here is a list of the five miles of roads that were prepared and then shimmed/overlaid in 1988:

Lane Road (2 sections)	Otter Court
Old Bye Rd.	Brown Rd.
Green Rd.	Clover Court

Main St.  
Harriman Rd.

Harriman Hill Rd.  
Center St.

Also, for a reconstruction project, 2300' of Heath Rd. was rebuilt. We also assisted the Water Dept. with laying 1800' of water main on Otter Court.

This year is the first year we installed our own guardrails. We installed approximately 450' on Old Bye Road, and about 50' on Pecker Bridge (Main Street).

We took on five new roads to plow/maintain in 1988. It is getting harder to keep up with all the new roads and the old roads with a crew of four full time men and myself. Also, we have to take care of the landfill site. We also took care of a few water problems around town: 1) On lower Main Street (under drain, crush stone), 2) Ham Rd. (drop inlet, under drain), 3) Prospect Street (dry structure, crush stone, frame/grate), 4) Culverts, ditch lines at Sun Hill and various other locations.

This time, our equipment is in good shape. But as I am sure you know, we have outgrown our present building and we are keeping some of our valuable equipment outside, which is aging faster due to the fact that it sits outside in adverse weather, and that is when we need it the most, when it freezes and snows. (Try to fire up a diesel engine that sat outside.) As you probably know, I have asked for a storage shed to house this equipment in, for I am sure it will add to the life of the equipment.

I'd like to thank all the part/full time help that make up the Raymond Highway Department.

Respectfully submitted,  
Richard A. Hammond  
Supervisor of Highway Dept.

# DUDLEY-TUCKER LIBRARY

In the 1987 annual library report, I discussed the development of a proposal by Trustees and Town Selectmen for the library relocation, expansion, and renovation. Although this proposal received a majority of votes at the March Town Meeting, it did not receive the 2/3rds majority needed to pass a bond issue. Beyond being a disappointment to both staff and patrons, the inability to expand and meet state and federal handicapped accessibility standards has narrowed the focus of the library through-out 1988.

The need to continue to meet the recreational reading, research, and educational demands of our expanding community has forced us to re-evaluate all of our current collections and weed out 691 titles from library shelves. Severe and chronic space constraints have forced the Library Trustees to adopt the following policy: **DUE TO SPACE CONSTRAINTS, THE DUDLEY-TUCKER LIBRARY IS TEMPORARILY SUSPENDING THE ACCEPTANCE OF DONATED USED PRINT MATERIAL. ANY UNIQUE OR SPECIAL INTEREST VOLUMES MAY BE SUBMITTED TO THE LIBRARIAN FOR CONSIDERATION.**

There have been some truly bright points to 1988 at the library. Through-out the year we added to our new VCR cassette collection. We now have 85 educational, entertainment, and childrens cassettes circulating. Patrons have been enthusiastic in their response to this new offering and thanks to the generosity and interest of the Raymond Community Learning Group, we have a developing arts and crafts, and personal improvement video collection.

The friends of the Library have spent a busy year working as library advocates through-out the community. Through their fund raising efforts, they donated money to begin a collection of childrens read-along books and have added to our ongoing renovation and building fund. Both the library staff and trustees are most appreciative of the efforts of the core members: Jan Arsenaault, Kathy Bailey, Jocelyn Lister, and Jean Simone.

The staff and the Friends Group continue to sponsor a much needed shut-in service. Lack of handicapped accessibility eliminates the ability for some of our patrons to visit the library. Although choosing books for them is not always successful, it does allow these patrons an opportunity to use at least a small segment of library services. It is important to remember that **all** services should be available to **all** members of the community.

In order to work towards all State Liberty standards, the staff revised all library policies and procedures. These were then adopted by the Trustees and forwarded to the

State Library for further review. We are pleased to report that our policies were highly praised by the State Library Consultants and that they are considered guides for other small libraries to use when developing their own policies.

Story-time is still held weekly on Tuesday's at 10:30 a.m. Parents of the participants have organized holiday parties and have sponsored a donation canister, kept at the library, for contributions to the library building fund. We currently have a total of more than \$2,000.00 in this account.

Our summer reading program, "BONE UP ON READING", had 51 participants reading a total of 431 books. A wrap-up party, which included a balloon launch, was held on August 19th.

## 1988 STATISTICS

### Circulation:

## REPORT OF THE SOUTHERN NEW HAMPSHIRE PLANNING COMMISSION

The Southern New Hampshire Planning Commission offers a wide variety of services, resources and technical assistance to all towns that are dues-paying members of the Commission. A professional planning staff, assisted by consultants in certain specialized fields for which the Commission is unable to employ a full-time staff, work under the direction of your representatives to the Commission in developing and carrying out planning programs that require regional perspective which pertain to your community.

Local planning assistance requests are normally made by the Planning Board and/or the Board of Selectmen of your town based on Your local priorities. However, certain general studies, notifications or acquisition of resources that are deemed essential for all member municipalities of the Commission are also conducted with the concurrence of the Commission.

Services that were performed for the Town of Raymond during the past Year are as follows:

1. Provided testimonies to the House and Senate committees of the 1988 session of the General Court on the HB 899, 928, 1045, 1104, 1069, and 1072; and SB 338 and 326. These bills pertain to planning and zoning issues which were relevant for the municipalities;
2. Co-sponsored the Municipal Law Lecture Series, to which Raymond officials were invited;
3. Prepared two grant applications for the water supply project in Raymond under the Community Development Block Grant program.

Raymond's Representatives to the Commission are:

Mr. John S. Barnes, Jr.  
Mr. Francis Keefe

Executive Committee Member: Vacant

# RAYMOND RECREATION DEPARTMENT

The sight of another busload of high school students pulling up in front of the Canadian youth hostel made me sweat with nervous anticipation. My worst fears might come true. The ski trip to Mt. Saint-Anne in Quebec had gone very well so far, almost too well. I was, however, always waiting for the other shoe to fall.

The nine hour drive and border crossing went without a hitch. Our registration in the center for international travel in the heart of the old city of Quebec went smoothly.

I had a constant stream of teenagers with wet hair in my room. I was under the mistaken belief that they simply liked me and wanted to visit. I soon discovered the only outlet on the floor was in my room. Into this outlet they plugged every type of hair dryer and curling iron imaginable.

The first two days of skiing had been superb with fresh powder every day, no lift lines, and bright sunshine. Our evenings had been spent walking around the old city exploring. With the possible exception of La Fondu's, the restaurant we ate our meals in, everything seemed to be perfect. (The kids all hated the food and I must admit a McDonald's Bic Mac from down the street seemed awfully tempting.)

I wondered if these new arrivals would be as responsible as the Raymond kids had been so far, and frankly I was suspicious of big time problems that night!

The February vacation trip to Quebec was an offshoot of the very popular weekly ski program we have been running over the past few years. The 1988 season was the most popular to date with fifty high school students and forty-five middle school students participating in the six weekly trips to Highlands Mountain in Northfield, N. H. We were also, through special arrangements with the State of N.H., able to receive free lift tickets and bring eighty skiers to Sunapee ski area and Cannon Mountain ski area.

Many of our other programs have continued to grow. For adults, the Aerobics program is the overall winner as far as number of participants is concerned. Many sessions are nearly full with ninety or more registrants. There are now thirteen volunteer leaders, eleven babysitters and a babysitting coordinator. Leaders are trained and certified by two distinctly separate certification agencies and are all CPR certified. We now offer one class at 5:45 p.m. each day and one at 4:30 p.m. three times a week, as well as body toning, to all our participants.

Other adult programs include volleyball (co-ed and women's), basketball on Wednesday and Sunday evenings, Over Thirty Basketball on Monday evenings, Men's indoor soccer, First Aid & CPR courses, Knitting, and Quilting. Each week during the fall, winter and spring, school buildings are used for community activities between fifty and seventy times. The scheduling of these activities, preparation of calendars and custodial instructions, and dealing with the large number of different requests takes up a great deal of office time. The success of many of the community programs supported fully or in part by the Recreation Department comes from the fair and easy access to school buildings. This access comes from a very bold and progressive stand the School Board took in 1977 and this policy continues to be a cornerstone for future recreation programming.

With spring came the first Annual Easter Parade and Egg Hunt which was an overwhelming success. The summer of 1988 started off with a new program, the Raymond/Epping Youth Basketball camp. This weeklong camp was a cooperative effort between Raymond and Epping to provide an intensive fun basketball experience for the youth of these two towns.

The Summer Playground program, always popular and well attended, continued along those lines. Many new trips and ideas were instituted this year such as a special event at the Prescott Park Arts Festival for Raymond kids, a visit to the Children's Museum in Boston and in Portsmouth (and of course the Albacore) were among the new trips. The program designed to provide summer recreation for teenagers (named Rick's Reck'n Crew) was again very popular growing to nearly fifty registrants. The swim program at Onway Lake was, as always, well attended with most sessions of swim lessons filled to capacity.

The Annual Youth Soccer camp closed out the summer season and opened the fall soccer season. The Youth Soccer Club saw its numbers swell to nearly three hundred. The Halloween Party sponsored by the Scouts and Recreation Department was better attended than we anticipated. We finally broke into the area of preschool and readiness programming with a new monthly program called 'Toddler Time' which is run by Barbara Pinto-Maurer. The Youth Basketball Program has grown to nearly one hundred - twenty first to fourth graders and twenty fifth and sixth graders. The Annual Tree Lighting Ceremony closed out the year on the coldest and windiest day of December.

Volunteers play an important role in Raymond's "recreational" programs. Not limited to strictly Recrea-

tion Department programs, these volunteers provide leisure activities for literally thousands of Raymond's citizens. This past year as a member of the Executive Board of the N. H. Recreation and Park Association we promoted changes to state statutes which limits the liability of volunteers. This law was enacted in July of 1987 due to the support of many representatives and I wish to thank Jack Barnes for his help, advice, and overall support of this new law.

It is impossible for me to say thank you to the very large network of volunteers who work without financial reward on programs and ideas which come about in town. You know who you are, and without you much of what takes place in leisure activities wouldn't happen.

For me, the most rewarding experience has been the success of Raymond's youth to prove that they can handle responsibility and adulthood. This past year I had the good fortune of spending considerable time with Raymond's teenagers and it is time I have valued and enjoyed. They have rekindled my hope for tomorrow.

My suspicions of problems in Quebec were unfounded. The time spent in the Youth Hostel had the unexpected

reward of allowing our young people the opportunity of confronting, face to face, teenagers from other countries and experience cultures from around the world. The busload that arrived that evening were exchange students from France arriving in Quebec to meet their Canadian counterparts. The three groups sat up until the wee hours talking about school, music, parents and their homes. For most of the group it was their first experience at being a foreigner and exposure to other cultures. We all gained from our experience in Quebec much more than great skiing, Quebec was an adventure!

Respectfully Submitted,

# SUPERINTENDENT OF SCHOOLS REPORT

## FOR

### SCHOOL DISTRICT MEETING SATURDAY, MARCH 11, 1989

This report covers the period March 7, 1988 to the present.

#### **Finances:**

Education has always been an important part of life in Raymond and residents make substantial financial efforts to support their schools. The elementary school, a renovated middle school and the brand new Raymond high school present solid evidence that learning places for children is a top Raymond priority.

It is a pleasure to report that teacher turnover has been reduced to an acceptable level. Student discipline has improved and will continue to improve. Highly qualified teachers and administrators have been employed. They enjoy a strong support staff made up of aides, custodians, food service, nurses and secretaries. Buildings are cleaner, brighter and preventative maintenance efforts have increased.

Students are transported to and from school in a safe and efficient manner. Payrolls, personnel administration, accounting procedures, purchasing, insurance and general operating activities are being carried out effectively by hard-working competent people. Important as all of this is, these foundations serve a single purpose only; the instruction of children.

The Raymond Schools are rapidly moving into a position of excellence. We have curriculum directors who teach and monitor other teachers in Mathematics, Science,

English and Social Studies. We have been selected and funded to take part in the New Hampshire School Improvement Program. We are a part of the Governor's Executive Training Program. Our schools have made the Approved List administered by the State School Board. Class size is favorable to exemplary. Year long study teams have made major improvements in Science, Mathematics, and Social Studies.

English is scheduled for 1989-90. An eighteen month study leading to Accreditation by the New England Association of Schools and Colleges will begin this summer. The Federal Government is funding a powerful effort that will produce training and years of technical assistance for Drug Free Schools and Community. In addition to these major projects our teachers, administrators, and support staff attend conferences, workshops and formal graduate courses so that skills are sharpened and we keep up to date with a rapidly changing world.

The School Board gives out clear signals that it expects the best for the children attending the Raymond Schools. The best really means excellence. We are committed to doing our best; the residents of Raymond have a right to expect the best..... the only acceptable standard.

Thank you for your continued support of the Raymond Schools.

Respectfully submitted,  
James S. Carnrite  
Superintendent

# RAYMOND SCHOOL BOARD REPORT

Raymond has many projects moving forward in the working stage while some have been completed.

One such project, is the Board review of every Raymond School District Policy. As we review revisions, additions and deletions are necessary to keep pace with a changing school community.

This is our third year of our own SAU. Many positive projects have resulted because of being our own separate union. Positive changes have taken place while still striving to make SAU #33 one of the best.

The greatest feeling I have had as a board member and shared by my fellow Raymond School Board members was the day this past September the Raymond High School opened its doors to students. You would be very proud of the students that have entered the halls of Raymond High School and the way they have protected the building you have built for them. Many educators from other areas that have come to Raymond have spoken very highly of the building and also about the dedication of the Raymond people responsible for the fine building.

The Raymond School Board would like to thank everyone who had a part in making this building possible. I don't want to make a list because I know a person or group would be omitted. So thank you to everyone who had a part in building the new high school.

In September, we received revenue from the State because of extra money from the Sweepstakes. We had the choice to either turn the money in for tax reduction or use it for the education of Raymond students. In September we took it to you, the voters to make the choice. After we explained the areas we needed the money for, you the public, gave us approval. It was at that meeting we dedicated and named the Middle School in honor of Iber Holmes Gove. The School Board, was honored to be able to name the

building after a person who has given so much to the town of Raymond and so much for the education of children.

In December of 1988 Raymond High School was chosen by the Executive Board of the N.H. Alliance for Effective Schools as one of the new pilot schools to participate in the New Hampshire School Improvement Program. As I write this report the first Training Institute is taking place; three long days of training attended by teachers, administrators, students, a school board member, parents and community representatives. It is a three year program that will help improve our schools in Raymond. Since our society is changing; our schools must be able to change now and in the future.

This was the school year the School Board opened up negotiations with the Raymond teachers. It is always a hard time for both teachers and the board to settle so that everyone is satisfied.

Since this is our 2nd year of administering the California Achievement Test (CAT) in grades 2 through 11 we can compare scores. The presentation by Raymond Curriculum Directors in January showed an increase in student achievement from last year. Some areas are still in need of improvement but in general we are up from last year. In most areas we are at the national level. The Raymond School Board is very proud of this accomplishment and wishes to thank all who helped reach higher levels of achievement by our students.

The Raymond School Board thanks all who are striving for the best education for the Raymond students. We feel that with everyone working together the only way we can move is forward.

Thank You Everyone!  
Respectfully Submitted,  
Sandra Lee Ellis, Chairperson  
Raymond School Board

# RAYMOND STAFF DEVELOPMENT COMMITTEE

Sandra Lee Ellis, Chairperson  
Susan Lassins, Vice Chairperson  
Donna Woodard, Treasurer  
Joyce Merrow, Secretary

## Members

**Administration:** Cheryl Stratchko  
Roderick Crepeau  
Joel Jenne  
Denis Joy

**Teachers:** Julie Richard  
Michelle Neller  
Joann Zylak

**Parents:** Arthur Devlin  
Florence Bell

The 1988 school year was both positive and productive for the Raymond Staff Development Committee. In September a survey was sent to all staff members. This survey assisted the committee to organize workshops the teachers felt would be beneficial to their teaching needs. The workshops offered were well attended. Also, this year as in past years, many of the workshops were presented by our own staff.

Raymond joined Seacoast Educational Services in presenting a comprehensive in service day for all seacoast area teachers. This day was coordinated by fourteen southeastern New Hampshire school districts. Workshops were planned to cover all areas of the curriculum. The Raymond School District sponsored Business Education. The evaluation forms for the workshop were very positive and the teachers indicated it was a productive day.

The following workshops were presented in the Raymond School District during the 1988 school year.

Oil Immersion Microscope  
Project Wild  
LEAST Approach to Discipline  
Communication with your Children  
Logical Outcomes  
Here's Looking at You 2000  
School Climate Workshop  
Math Their Way  
Fraction Bars & Decimal Squares  
Gesell Examiners Refresher Workshop  
Managing Classroom Behavior  
Children of Alcoholics  
NASA Space Ed. Program/Solar System/Life on the Space Shuttle  
Project Impact  
Health Quest: A Stress Management Program to use with children  
Appleworks - Word Processing  
Logowriter - An Introduction  
Business Education Workshop  
Teaching Physics in Elementary Grades  
Teaching Chemistry in Elementary Grades

I would like to thank the committee for the time spent developing these workshops and the effort spent in preparation and review for the presentation of the workshops. The history of the Raymond Staff Development Committee has been one of hard work and support for bringing the best professional opportunities possible to the teachers of Raymond; this year's committee was no exception and continued with this tradition.

Also I would like to thank the taxpayers for their support; without whom many of these programs could not be presented. Thank you.

Respectfully Submitted,  
Sandra Lee Ellis, Chairperson  
Raymond Staff Development  
Committee

# LAMPREY RIVER ELEMENTARY SCHOOL

## PRINCIPAL'S REPORT

RODERICK D. CREPEAU, PRINCIPAL

Skating was splendid that late February afternoon about a year ago. It felt good to be outside, so I stayed at the pond a little longer enjoying the sunshine, blue sky, and fresh air. The phone was ringing when I finally arrived at home. Sandy Ellis, chairperson of the school board, was on the line. She hesitated a bit telling me that Allen Bridle had died.

Allen had taught first grade at Lamprey River Elementary only since September 1987. During his short time with us, he found a place in our hearts and memories. He made friends easily, enjoyed teaching, and most of all, liked the children. His passing left a ragged tear in the fabric of our school.

They say there are giants in the earth. When they pass from our view, they cannot be replaced. Muriel Proctor, librarian, passed away this fall. I can think of no one better to work with children. She loved them all, found that extra bit of time to help find that special book, and built one of the best elementary school libraries in New Hampshire. It was my privilege to know and work with Muriel, one of the finest people I have ever known.

The passing seasons marked other events and changes as well. Readiness, first, and second graders planted flowers in the beds in front of the school. Seven hundred balloons were launched into the spring skies in a gentle burst of color. Fourth graders were writing partners with readiness students. Miss Sarbaugh's class wrote a book about school and gave it to our library. One literal minded boy wore a dress to school on dress-up day. This past Christmas, LRES students in preschool through grade 4 brought their pennies to school for the relief effort in Soviet Armenia. On the Thursday before the holiday each class presented Santa with their pennies and cards. On that day your children reached across two continents giving 77,815 pennies amounting to \$778.15.

Beyond the visible classroom, where teachers make their most obvious contribution toward educating children, is the world of committees. Teachers give generously of their after-school time to work on improving curriculum, coordinating and arranging for special assembly programs, meeting with parents, planning Staff Development programs, and special projects.

This past year, under the direction of Cheryl Strachko, Assistant Superintendent, our Science curriculum was completely revised and updated for the first time since the school

opened in 1976. New science texts and related materials were waiting for our students when they returned to school in September. Last spring and summer our readiness faculty also revised and updated our Readiness curriculum. This year, LRES faculty is working on overhauling the Social Studies curriculum. In addition, we are piloting two unique projects which we think will benefit children considerably. Positive Action is a program intended to help students continue to develop and enhance their self confidence. The Grow Lab project sponsored by the National Gardening Association, under a National Science Foundation grant, is intended to further stimulate more effective teaching and learning of science in the elementary schools. This indoor garden will be used in selected classrooms later this spring to provide a hands-on approach to learning about science. Projects such as these all take planning and coordination which are accomplished by teachers after the children go home.

Parents are equally as involved and are welcome in our school. Their support shown to children is demonstrated in countless ways every day. In between formal events such as an open house or parent conferences, forgotten lunches are brought in, a cake is sent in for a holiday, time is volunteered in a classroom, a teacher is thanked with a note. Perhaps most visible are the many activities sponsored by the Lamprey River Elementary School P-TO under the direction of Mrs. Judy McDermott, President.

This group of dedicated and talented people arrange programs for parents such as Logical Consequences and Communicating With Your Child, operate Santa's Secret Store, manage the Call-In Program, provide Hot Dots, fingerprinting during registration, and purchase needed extras for the students and the school which are not in the school budget. This year these included two classroom walls, the Mr. Wizard Video Science Series, a computer, a printer for enrichment, and adjustable basketball hoops. The P-TO also provides the school with grants for bringing both performing arts and special science assemblies to students, although space to conduct them is getting tougher to find.

Enrollment continues to increase dramatically, challenging our ability to find space for classes, strains our existing services, in short--affecting every aspect of the school. Even with the removal of the fifth grade to the middle school in September, we experienced a net loss of only forty students. A comparison of enrollment at the beginning of this decade with the present illustrates this growth.

**ENROLLMENT AT  
LAMPREY RIVER ELEMENTARY**

<b>GRADE</b>	<b>1980-81</b>	<b>1988-89</b>
Preschool	0	24
Readiness	14	60
Grade 1	95	155
Grade 2	83	148
Grade 3	109	120
Grade 4	127	123
Grade 5	112	0
Special Ed.	11	32
<b>TOTAL:</b>	551	662

This trend is likely to continue in the foreseeable future. Next year, our first grade enrollment will, at the least, be the same as it was this year. The large numbers of students presently in grades one and two will of course move up. As a community, we will continue to be challenged to meet the diverse and demanding educational needs of an expanding population of elementary age youngsters who march through our doors in greater numbers each year.

Respectfully submitted,  
Roderick D. Crepeau  
Principal

# IBER HOLMES GOVE MIDDLE SCHOOL

## PRINCIPAL'S REPORT

Joel T. Jenne - Acting Principal

In many respects this was a year of transition for the Iber Holmes Gove Middle School. The 1988-89 school year marked the first year that the middle school was housed in its own facility. The removal of the high school students and staff had a greater impact on middle school programs than was first realized, but the adjustments, for the most part, have been swift, positive and ongoing. Renovations to the building are complete with just a few loose ends needing to be tied up.

The movement of the fifth grade to the middle school meant the arrival of a population not previously housed in this building. Both the staff and students have been assimilated into the program and activities without major difficulties, and much of the credit for this goes to, the fifth grade teachers who have exhibited a positive, professional attitude throughout.

The support staff and office personnel should also be commended for working hard to meet the expanding needs of one hundred and thirty additional middle schoolers this year. Although the overcrowding of the school as a whole has been somewhat alleviated by the removal of the high school students, the overcrowding of individual classrooms, particularly the fifth and sixth grades continues to be a problem.

The dedication and renaming of the middle school was one of the highlights of the school year. The school was renamed the Iber Holmes Gove Middle School in a ceremony held September 22, 1988, in honor of Iber Holmes Gove for her support of and involvement in Raymond education.

A variety of new programs and activities were instituted at the middle school level during the school year. An enrichment program taught by Paula Devlin has proven to be very successful in helping some of our students go above and beyond what is offered in our standard curriculum. Our Chapter One Auto Skills program in both reading and mathematics taught by Fran Sanschagrin is an exciting new program that provides tutorial assistance for students having difficulty in both the reading and mathematics areas. A quiet reading period designed to reinforce the importance of reading for everyone was adopted school wide.

We are offering a special program this year for the seventh and eighth graders that includes drug and alcohol

education, library and reference skills training, utilization of the media in education and the integration of special activities into the standard curriculum. A special thanks to Suzanne Lussier, Pat Schoch, Sissel Dahl, Paula Devlin, Ardell Welch and the seventh and eighth grade classroom teachers for their help in instituting this program.

Our unified arts program is in full swing this year with a variety of special and high level activities taking place on a daily basis. The energy and enthusiasm that these teachers bring to their programs is commendable.

The middle school interscholastic program, which was instituted last year, has grown both in terms of numbers and level of competition. We hope to expand this program and our intramural program even further next year, as this has helped the middle schoolers to develop a sense of cohesiveness and pride.

Again this year the sixth grade will be going to Nature's Classroom and the eighth grade will be taking a trip to Washington, D.C. Teachers at both these grade levels should be commended for the hard work they have done organizing and fund raising for these trips.

Support for the middle school and the middle school program has been evident in a variety of areas. The Parent Core Group has been growing in membership and is instrumental in providing a positive link between the parents and teachers of middle school students. The School Board, Superintendent and Assistant Superintendent have made available both time and resources to help guide the middle school through this period of transition. And the Raymond community at large, even in the face of financial concerns, has increasingly shown that they want quality programs and quality schools. For this support, I personally thank you.

As we near the end of our first year as sole occupants of the Iber Holmes Gove Middle School, we look back to our successes and short comings as learning experiences upon which to build. But more importantly we look forward to the realization of a vision, a vision that will continue to move us in the direction of excellence. It is time for the Iber Holmes Middle School to look to the future.

Respectfully submitted,  
Joel T. Jenne  
Acting Principal

**THE ENROLLMENT FIGURES  
AS OF DECEMBER 31, 1988  
ARE AS FOLLOWS:**

GRADE 5	120
GRADE 6	107

Jeannie Debus, In-school Restriction  
Ardell Welch, Teacher/Consultant

# RAYMOND HIGH SCHOOL

## PRINCIPAL'S REPORT

Denis R. Joy, Principal

We're in the new school and we are well!

Besides having a new building in which to house our students in grades nine through twelve, Raymond High School is making steady progress and inroads on other fronts.

Raymond High School and Lamprey River Elementary School competed for, and have been selected to receive, a three-year United States Department of Education grant for technical assistance towards local drug education programs. We have already begun some projects.

Several weeks ago, we were notified by the Alliance for Effective Schools that Raymond High School had been selected as one of the five New Hampshire schools to participate in a three-year School Improvement Program. This project has the support of the New Hampshire Department of Education, the New Hampshire School Boards Association, the New Hampshire Association of School Principals, the New Hampshire Education Association, and American Federation of Teachers (NH).

A member of the junior class, Edward Walsh, was the winner of the slogan contest for Raymond's two-hundred-twenty-fifth birthday celebration. His winning slogan was "Innovation-Tradition-Progress."

Because of moving into more suitable space and several curriculum changes, Raymond High was fully accredited this year by the New Hampshire Department of Education.

Our in-school restriction program has had a positive impact on our school. The number of out-of-school suspen-

sions has been drastically reduced! Students who are restricted have the opportunity to keep up with school work while they are isolated from their peers. Our restriction supervisor is also heavily involved in working with drop-out prevention. He has worked closely with former dropouts who have returned to school and with other students who have been identified as being "at risk." Thus far this year, our drop-out rate seems to be quite a bit less than the average for the past three years which was over 8 per cent.

Graduates are enrolling in post-secondary education at an increasing rate. The percentage of students continuing in school after graduating from Raymond High School has risen from 17% of the class of 1986 to 36% of the class of 1988.

We are in the process of applying for membership in the New England Association of Schools and Colleges. If our timetable holds true, we will do a self-evaluation of our school programs during the 1989-1990 school year, and a visiting committee of other professionals will come to Raymond during the next academic year and evaluate our assessments.

Christopher George, our social studies department coordinator, has led the teachers in his area in a complete review of the social studies curriculum. By this fall the entire syllabus will have been thoroughly revised. In the past three years, we have reviewed the mathematics, science, and social studies curricula. Language Arts and English will be the main areas of study for the 1989-1990 school year.

Respectfully submitted,

# SCHOOL LUNCH REPORT 1987-88

## RAYMOND SCHOOL DISTRICT #33

Change. Surely the word "change" conjurs up more emotional images than most other words in the language.

And change is what we are experiencing here in the Raymond School Food Service Program, - for one great change this past year was the completion of the new Raymond High School. And the renovation of the Middle School - now with its new name The Iber Holmes Gove Middle School. Still The Lamprey River Elementary is bursting at the seams, more change will be in store for our elementary school in the future. Now what has changed in the Raymond School Food Service Program.

1. We have a new staff at our High School, this staff is learning what the needs of our students are - nutritional - as this staff becomes more professional our students will be happier and healthier, and enjoy eating lunch at school. At this time more than 75% of the High School students eat lunch at school and 15% of them eat breakfast at school. We offer the students and staff 7 to 8 choices daily, at a price that can't be beat, - \$.85 cents - \$1.00 for students and \$1.50 for adults. Plus a variety of ala carte items from \$.05 - \$.60 cents per item. In the early part of the year change was very difficult, but the more we learn the better we get.
2. With the new High School opened, our Middle School became less crowded and our students are enjoying nutritious breakfast and lunches in a less crowded dining area. Most of the staff stayed at the Middle School, so the change was an easier one for them. Our participation at the Middle School is 76% for lunch and about 30% for breakfast. Our students at the Middle School have 4 choices daily for lunch and 2 to 3 choices for breakfast daily, with a snack time for the fifth and sixth grades. Still the best buy at \$.85 for students and \$1.50 for adults. We are very proud of our breakfast program at the Middle School.
3. Lamprey River Elementary School - The change there is that we now have grades R - 4th, but the numbers are about the same. Our staff is the same and has been for several years. Participation at the Elementary School is about 72% for lunch and about 75% for snack milk. The cost of an Elementary lunch is a great buy at \$.80 per day. The Elementary has an offer

verses serve lunch line. One big change is that we have a new ticket system at the Elementary School. We now have an envelope ticket that goes home each Friday with the student and is to be returned on Monday morning with, money and choice of lunch, milk or snack milk. This is a change that needs time and cooperation to enforce, but each week it gets better and better. (Note to parents: Please use the envelope provided by the LRESL program.) Once this system catches on it will be a very accountable one. We must all give change a chance.

#### 4. Other Changes:

The Public's image of the school food service is often only what people remember when they were in school. Well we have changed that image and we have changed for the better. We are proud to be part of a quality food service program and invite you to come in some time to enjoy school lunch with your child. Remember that school food service programs are the most nutritious and most sanitary establishments in town. We have also reduced the sugar, fat and salt in our school lunches to meet the intent of the dietary guidelines.

Another change was our lunch prices. In the 1985-86 school year it was necessary to increase our lunch prices by \$.05 cents and again this school year by \$.10 cents a total of \$.15 cents in eight years. This increase was very necessary, because of labor, food and equipment cost. We will continue to try to keep our school lunch cost as low as we possibly can. We are still one of the lowest priced school lunch programs in the state.

Your School Food Service Staff here in Raymond is a professional one. Out of our staff of 19, 14 of them are either certified or working for certification in the N.H.S.F.S.A. This Association is a professional and growing Association. Its theme this year is "Building Bridges to the Future". The Future for Raymond is a Bright one, if we can all work together for our Students to become Healthier, Wise and caring Adults.

Respectfully submitted,  
Susan A. Marangelli

Mildred R. Guptill  
School District Treasurer

# RAYMOND SCHOOL DISTRICT WARRANT

## STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE SCHOOL DISTRICT,  
IN THE TOWN OF RAYMOND, NEW HAMPSHIRE,  
QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Community Gymnasium in said District, on the eleventh day of March, 1989, at three thirty P.M. in the afternoon to act upon the following articles:

1. To see if the District will appropriate the sum of One Hundred Ninety Two Thousand, One Hundred Twenty Two Dollars (\$192,122.00) for the purchase of four (4) portable classrooms and attendant space; to determine whether such sum shall be raised by borrowing or otherwise; to authorize the School Board to take any and all actions necessary to carry out any vote hereunder; or to take any other action relative thereto. (Recommended by the Budget Committee.)
2. To see if the District will vote to authorize the School Board to withdraw the sum of Forty One Thousand, Three Hundred Ninety Dollars (\$41,390.00) from the capital reserve fund previously created for the renovation of existing school buildings and construction of new school buildings and authorize the School Board to expend that sum toward the purchase of four (4) portable classrooms. (Recommended by the Budget Committee.)
3. To see if the District will vote to raise and appropriate One Hundred Ninety Two Thousand, One Hundred Twenty Two Dollars (\$192,122.00) for the purpose of purchasing four (4) portable classrooms and attendant space. (Not Recommended by the Budget Committee.)
4. To hear the report of auditors and pass any vote relating thereto.
5. To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from the State, Federal or other government unit or a private source which becomes available during the 1989-90 school fiscal year provided that such expenditures not require the expenditure of other School

District funds. Further, that the School Board hold public hearing prior to accepting and spending such money.

6. To see if the District will vote to raise and appropriate Ten Thousand and 00/100 Dollars (\$10,000.00) as a contingency fund, to meet the cost of unanticipated expenses, all in accordance with RSA 198:4-b. Further, that any surplus in this account at the close of the fiscal year be transferred to the Capital Reserve Fund for renovation of existing buildings and the construction of additional school buildings, and for the cost of such renovations and construction. (Recommended by the Budget Committee.)
7. To see if the School District will vote to authorize a Champagne Ball to be held on July 8, 1989 in the Raymond High School as a part of Raymond's 225th Anniversary Celebration. (Inserted by petition.)
8. To see if the School District will vote to raise and appropriate the sum of Eight Million, One Hundred Ninety Eight Thousand, Two Hundred Ninety Seven Dollars (\$8,198,297.00) for the support of schools, for the payment of salaries and benefits for the school district officials and agents other than benefit and salary increases to teachers; and for the payment of statutory obligations of the District.

To transact any other business that may legally come before this meeting.

GIVEN UNDER OUR HANDS AND SEAL THIS 16th  
DAY OF FEBRUARY, 1989

A True Copy of Warrant - Attest:

*AUDITOR'S REPORT ON FINANCIAL PRESENTATION*

To the Members of the School Board  
Raymond School District  
Raymond, New Hampshire

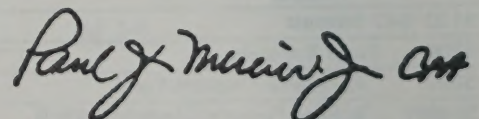

We have examined the general purpose financial statements of the Raymond School District as of and for the year ended June 30, 1988, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts financial statements results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly the financial position of the Raymond School District at June 30, 1988, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements and schedule listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Raymond School District. Such information has been subjected to the auditing procedures applied in the examination of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

September 22, 1988

CARRI PLODZIK SANDERSON
