Selectmen's Commentary

The Selectmen have had an interesting year. With the election of a new Selectman (welcome, Andrew) and one leaving (thanks for your help, Dave) it gave a new perspective to our office. Andrew has come up with some interesting ideas and the Selectmen have tried some of them. This year we had our first Selectmen's Coffee to see if it would help increase citizen participation to meet a little less formally on a Saturday morning. The results were promising and we hope to do it again in the near future. We also tried meeting at 6:00pm but wound up conflicting with the Planning Board, Zoning Board, Budget Committee and sometimes the Conservation Committee. Because of that fact we have had to go back to our old time of 5:00pm on the first and third Tuesday of every month.

Our year started out with the Needs Assessment Committee hard at work finishing up a proposal for the moving of Town Hall, Town Shed and the Police Station. The Bond did not pass but the Selectmen appreciate their effort. The Needs Assessment Committee re-organized and after many meetings and hard work they will be offering another proposal at this year's Town Meeting. Please look over the information available so you can make an informed decision. Audrey Sylvester and the "Moose Plate Grant" Committee were successful in obtaining a \$10,000.00 grant to aid in the planning of repairs and changes to the Town Hall. In the process of looking over the upstairs of Town Hall an old Backdrop was discovered. This is being restored through private donations.

As everyone can remember, the rains came again in May causing some flooding and definitely, high water. The Fire Dept, Rescue Squad and Town Crew did an excellent job of providing help where and when they could. Unfortunately, a bridge on West Meadow Road became unsafe and the road had to be closed. The replacement of that bridge and the scheduled replacement of the Jones Road Bridge are on the Warrant this year.

Barry Wheeler's gravel pit was the topic in May with the main problem for some Towns people being the noise. After meeting with the Planning Board, an agreement was reached to limit the time that the Rock Crusher could operate and that what was crushed was for Town use only.

Steve Lucier, our Road Agent reported in June that he toured the town with a FEMA representative and looked at four different sites that could qualify for FEMA funds. During that inspection it was noted that the second bridge on West Meadow Road was damaged also. That is being addressed on this year's warrant also.

We wish to thank all those who have volunteered their time and skills to the town this year, and encourage anyone with an interest to join a committee or attend some of the meetings listed on the back of the Town Report. All meetings are open to the public and our community is made stronger through *your* participation.

Respectfully submitted,
Peter Fenton, Chairman Board of Selectmen

Inspectors of the Election: Harriett Douglass, Linda Niven, Carolyn Verity, Donald Jackson, Margaret Ainslie, Edythe Craig, Audrey Sylvester, Belinda Glennie, Amy Blitzer, Phyllis Wilcox, Melanie Muchow, Elizabeth Rodd, Ruth Ann Harris, and Eileen

Kelly

Ballot Counters: Brian Carter, Leah Keller, and Carey Rodd

2. To adjourn the meeting until Wednesday, March 15, 2006, at 7:00pm, at the Bradford Elementary School on the Old Warner Road. The raising of money and remaining articles in the Warrant to be taken up at the adjourned meeting.

Meeting reconvened at 7:20 with approximately 305 in attendance. Thomas Pitts led the Pledge of Allegiance. Frances Chelland and Fred Hubley served as Ballot Clerks for the evening. The winners of the previous day's election were announced as well as the results for the school ballots. A description of the rules that were to be followed was given. A number of people from the press were present. Mark Goldberg, Fire Chief, explained that due to the unusual circumstances of there being a larger than normal crowd (standing room only) that the meeting could continue due to the fact that it was in a non-combustible building and most of the fire fighters were present.

3. To see if the town will vote to raise and appropriate Two Million Eight Hundred Thousand dollars (\$2,800,000) to purchase and renovate the Valley Transportation land and buildings at tax map 6 lot 103(Rte 114, Bradford), 41.46 acres currently owned by Fred Brunnhoelzl, for town facilities and to build a salt shed, and to authorize the issuance of not more than \$2,800,000 of bonds or notes for this purpose. This warrant will also authorize the Selectmen as agents to issue and negotiate such bonds or notes and to determine the rate of interest thereon. Paper Ballot required. Two thirds vote to pass. (Selectmen recommend)(Budget Committee recommends) There was a lengthy discussion on the Article. Robert Foor of the Planning Board addressed the importance of the Master Plan and its effect on a purchase such as Valley Transportation. Peter Tennet then spoke as the architect who helped give a visual portrayal of the proposed new site and later clarified some of the figures on footages, answering Philip LaMoreaux's question of the size of the needs of the departments involved. Andrew Pinard, Gary Wall, and Ruth Ann Harris spoke against the proposal as did Sarah Chaffee, Donald Johnsen raised a point of order and Everett Kittredge spoke to the needs of having a new facility. After considerable discussion, William Glennie was recognized and asked those present if any one there had not made up his/her mind at this point and the article was moved and seconded by David Pickman. The ballot vote was taken

YES 128 NO 160
Article Not Carried

A motion was made by Ann Largy to move Article 29 to be heard next. The motion was seconded by Susan Reynolds. A vote to decide to move article carried.

29. To see if the town will vote to adopt as a by-law or ordinance of the Town, the Solid Waste Management Ordinance made by the Board of Selectmen on October 2, 1989 pursuant to RSA 31:39. Further to authorize the Board of Selectmen, following duly noticed public hearings, to amend this ordinance from time to time as needed and to adopt such fees as are necessary to carry out the terms of the ordinance. (Majority vote required). Article was moved by Philip LaMoreaux and seconded by Robert Foor. Gary Wall asked why another ordinance was required. Cheryl Behr explained it was to make recycling mandatory. Ann Ball wanted to know if it meant that we would still have

mandatory recycling. Cheryl Behr answered in the affirmative. Rebecca Herman proposed a motion to amend to strike the wording after 31:39. Motion was seconded. Robert Foor, Christopher Way, and Jonathan Steiner felt it was best to leave it as it was originally worded. He was concerned that it would allow non-residents to take advantage of our recycling station. Melanie Muchow felt the amendment was a good idea. Philip LaMoreaux called the amendment. The amendment was voted on and did not carry. Christopher Frey wanted to know where the money from the trash goes. Cheryl Behr explained that it went into the general fund. Perry Teele made an objection to the word fees, stating that tax payers are already paying enough without adding fees for trash removal. Gary Warriner wanted to know if the trash removal went out for bid. Cheryl Behr explained that it was a contract with our present carrier. George Cilley moved the questions and it was seconded. The article is left in its original wording.

Article Carried

4. To see if the Town will vote to raise and appropriate the sum of One Million Four Hundred Seventy Thousand Two Hundred Seventy Six Dollars (\$1,470,276) for general municipal operations. These figures do not include appropriations voted in separate warrant articles. (Majority vote required)

- | | |
|------------------------|-----------|
| g. Planning and Zoning | 22,841.00 |
|------------------------|-----------|

Andrew Pinard made a motion to amend to amount by another 50,000 explaining that there is no money set aside for the necessary work to be done on Main St. Christopher Frey cautioned that the taxes would increase 20% if everything passes. George Cilley can't see the reason for another feasibility study. Eileen Kelly asked if item g can be moved. Article 4 could be moved to later. The amendment was defeated.

- | | |
|---------------------------------|-----------|
| h. General Government Buildings | 17,676.00 |
|---------------------------------|-----------|

Ann Ball questioned what this was and was informed by Cheryl Behr that is was for general upkeep. Custodian, fire alarm system, telephone, Baptist Clock winding.

| i. Cemetery | 21,059.00 |
| j. Insurance | 58,200.00 |
| k. Other General Government | 23,246.00 |

Laura Hall made a motion to amend for an increase of \$500.00 to this line item as her CAP budget was cut by that amount and she felt it was still necessary in order to provide the services that were there in the past. The amendment passed. Amended amount 23,746.00

- | | |
|-----------------------------|------------|
| l. Police Department | 242,254.00 |
| m. Fire Department | 89,750.00 |

Susan Janicki wanted to increase the line item in order to have more inspectors in case of emergency. No motion was made. Item remained unchanged

p. Emergency Management	1,000.00
q. Highway Department	334,584.00
r. Bridge Maintenance	8,000.00
s. Street Lighting	3,500.00

Lawrence White wanted to know how to go about requesting lighting in a particular location. Gary Wall wanted to know if there was a list containing all of the locations. Cheryl Behr informed him there was a list available at the Town Hall of how many, but actual locations are unknown at this time. Many in the audience started listing locations of various lights throughout the town.

t. Solid Waste Collection	44,550.00
u. Solid Waste Disposal	61,500.00

There was an amendment to increase this line item by \$16,000 in order to remove fees from trash removal. Philip LaMoreaux, Susan Reynolds, William Glennie, Gary Wall, Jonathan Steiner all requested to know where the fees went, and where the recyclables money was. Cheryl Behr explained that it goes into the general fund, and then an appropriation is needed to pay to get rid of the different materials. Jonathan Steiner was concerned that no fees would mean non-Bradford trash would be deposited at our transfer station. Gary Warriner wanted to know if the trash removal went out for bid. Cheryl Behr explained that it was a contract with our present carrier. The question was moved and seconded by Perry Teele. Amendment did not pass. Cheryl Behr directed people to the Town Report for the numbers they were looking for.

v. Inoculations	1,500.00
-----------------	----------

Total 1,470,276.00

Selectmen recommend. Budget Committee recommends.

The Total Budget for items a through dd was moved and seconded. The total amount voted on was \$1,470,776.

Total Budget Passed

5. To see if the town will vote to charge the Selectmen to develop a three year plan (in place with bids from three separate engineers, architects and construction companies) to :
 - a. Renovate and retrograde the existing Town Hall for Town Offices.
 - b. Build an independent structure on town-owned property for the Police Station (preferably on Main Street).
 - c. Build an independent structure on town-owned property for the Highway Department.

By petition. (Majority vote required)

Christopher Frey made a motion to pass over waiting the outcome of article 3.
Motion to pass over carried.

6. To see if the Town of Bradford will vote to approve the extension of medical benefits and participation thereof to Elected and Appointed Officials, Volunteer Fire Fighters and Part Time Town employees pursuant to their qualifications as prescribed under the Medical Eligibility rules and guidelines of the Local Government Health Trust (a/k/a the benefits administrator) Dated November 2004. 100% of the cost of all medical benefits by any and all participants in these categories shall be the sole responsibility of the participant unless otherwise designated by the vote of a subsequent town meeting. By petition (Majority vote required).

Andrew Pinard proposed an amendment to the article as follows: At the end of the Article the following statement is to be included. In the event that it is determined that any one of these specific employee categories does not meet the Local Government Center 75% participation requirement and will adversely affect overall participation, that specific category of employee will be deemed ineligible for the extension of benefits due to Local Government Center guideline non-compliance. Dan Coolidge (as Moderator) asked what is the intent with reference to specific category of employees mean. If participation, caused a category to fall below the 75%, would they be disqualified? Andrew Pinard wanted to defer to Joseph Conway, but was asked by Daniel Coolidge if it was Local Government Center specific categories. Andrew Pinard answered in the affirmative. Joseph Conway explained that there were three categories in the article elected officials, volunteers and part-time workers. The wording had been discussed with the Local Government Center Officials. Everett Kittredge asked if that 75% included the Zoning Board and all other boards. How would it be determined? Gary Wall stated that each one would be under a different group, results of the insurance Committee. According to Joseph Conway the 75% would be determined by the Local Government Center. Cheryl Behr asked why do it if those people you wish to offer insurance to don't want it or can't afford it, especially when there is a real possibility that the regular workers could lose their insurance. Gary Wall answered to protect those that were now getting insurance. The Amendment Carried. There was a motion as amended. Deborah Bede wanted to know why the Rescue was not included. Cheryl Behr said that the Local Government Center doesn't allow Rescue Squads as they are not part of the Fire Department. She asked are you part of the Fire Department. Deborah Bede said no. Mark Goldberg stated that the Rescue Squad is definitely part of the Fire Department. The question was called.

A motion to Restrict Reconsideration was made. The motion was moved and Seconded.

Motion Carried

Article 5 was taken up again. Robert Foor of the Planning Board asked where's the money? William Glennie wanted to do a Needs assessment, but there's no money. Benjamin Smith feels that no further needs assessments need to be done as there were so many made already. Cheryl Behr explained that because no money was

attached to the original warrant article no money could be added at this time. Most people felt it followed the Master Plan and shouldn't cause a problem for future use. Robert Foor explained that it was not exactly what the Article had intended

7. To see if the Town of Bradford will vote to require that any change to the Town of Bradford Personnel Plan; by the Board of Selectmen; that alters, changes or affects the percentage of monetary coverage paid by the Town for each participant for Health, Medical or Dental benefits or alters, changes, adds or deletes eligibility requirements within any group category for the purposes of benefit coverage shall be required to come before the Town Meeting for vote. This Warrant shall be retroactive to the Town of Bradford Personnel Plan revised and adopted by the Board of Selectmen dated June 21, 2005. By petition (Majority vote required)
Sue McKevitt asked if this could be explained in plain English. Gary Wall wanted to change the 35 hour clause to 40 hours. Cheryl Behr explained the change was due to one long time employee who was considered full-time even though they worked less than 40 hours. Yvonne McCormick claimed that in her line of work 36 hours weekly is considered full time. Susan Reynolds on the other hand stated that if she only worked 36 hours weekly, she'd be considered AWOL. Steven Lucier wanted to let the Selectmen do their job. A hand count was taken

27. To see if the town will vote to accept 2400 lineal feet of Old Mountain Road from the intersection of West Road to the driveway of Jane M Lucas as a Class V road upon the improvement of the road by the abutters. The improvements must conform to the minimum Class V standards as approved by the town and be accepted by the road agent, prior to December 2007. If not completed within this time, this article will expire and the town will not accept the road without an additional vote. (Majority vote required.) Jane Lucas addressed this warrant article as an abutter to this road. The property owners would like to subdivide their three properties away from the original acreage. Ann Ball said that where there were only 3 houses that the "road" would be little more than a driveway. George Cilley stated that it didn't come up to minimum standards for a class V road. Perry Teele feels that the town should not accept any new roads that are not paved. Susan Janicki said that as long as the road was up to standard it should be O.K. James Raymond stated that his in-laws own the land and they are not planning on developing the land. William Glennie said he was opposed to developing ½ mile of road. He didn't feel it was necessary The Article was Called. The call was carried.

28. To see if the town will vote to completely discontinue Lord Road, currently a Class VI Road so that it will no longer be a town road. Lord Road is approximately 1800 feet in length and is located off Woodview Heights adjacent to map 2 lot 60 and is owned by James and Margaret Raymond. (Majority vote required). Perry Teele stated that any old roads should remain on the Town records. James Raymond didn't know the road existed when he bought the property, but has been paying taxes on it for a number of years. The road had been discontinued back in the 1800'. Ann Ball wanted to know what happens to the road. She was told, by James Raymond that anyone wishing to could certainly walk through, but that it has been private property for quite some time. Steven Lucier stated that, Class V or VI roads are owned by the abutting property owners. The only exception was Howlett Rd that the town purchased in

1847. Jane Johnsen stated that she doesn't believe that the property belongs to James Raymond. The Article was Called. The call was carried

Town Clerk/Tax Collector Commentary 2006

As I end my twentieth year as Town Clerk and fifteenth year as Tax Collector, I am pleased at how far we have come in that period of time.

Each year brings more changes that help streamline the work being done at the combined office.

Most of the changes take place “behind the scenes” and hopefully do not disturb the flow of work to be done.

Of great importance this past year was the implementation of the new Election Program. The average voter did not see any change, but the system checks for any fraud immediately, as a voter is counted. By keeping paper ballots and checklists, it assures the voter of anonymity, without compromising the new system.

The registration mailers and mail in dog licenses continue to be well received.

The State has promised to start on phase two of the registration program this coming year, which will mean additional possibilities for the town offices. Also, the dog program is going through an update to make that process more efficient.

This coming year looks to be another in a series of updating and streamlining services to the public.

Bradford Planning Board

Chairman: Bob Foor / Phil LaMoreaux
Members: Marcia Keller, Barbara Vannatta, Bill Glennie, Susie Janicki, Edythe Craig,
Andrew Pinard (Selectmen's Representative)
Alternates: Jim Bibbo, Carol Meise

The Planning Board continues to meet twice each month on the second and fourth Tuesdays. The board addresses applications, public hearings, and consultations during the first monthly meeting. The second monthly meeting is a work session devoted to updating regulations, planning documents and files.

The Central New Hampshire Regional Planning Commission has continued to provide Circuit Rider planning services on Wednesdays from 10 A.M. until 2 P.M. The Circuit Rider also attends the first Planning Board meeting of the month to act as a consultant to the Board. The Circuit Rider service has continued to provide a valuable resource to the Board by providing resources to public questions at town hall, researching policy when the Board handles new situations and providing review of all major subdivisions.

Planning Board Chair Bob Foor resigned from the board November 14, 2006. Bob served as Chair of the Planning Board for over seven years. Bob takes with him a level of efficiency and knowledge that will be missed by members of the Board. Upon his resignation the board appointed Phil LaMoreaux Chair and appointed Edythe Craig to fill Bob Foor's seat and to sit as Vice Chair. Marge Cilley continues to provide an invaluable service to the community as the secretary for the Planning Board. The duties of the position include preparation of the agenda for meetings, mailing and posting of notices, preparation of meeting minutes and handling of correspondences.

During 2006, the Planning Board approved one major subdivision, eight minor subdivisions, four lot line adjustments, one voluntary merger of lots, two new site plans and two site plan modifications. A total of 28 new lots were created. Additionally two gravel pit applications were updated. One 9 lot subdivision approved with conditions in 2005 is in the final stages of site work completion.

All subdivision applications and site plans continue to be sent out for professional review at the expense of the applicant. Any subdivision that includes an internal road or cistern is reviewed by a professional engineer. The Board coordinates with all Town departments throughout the applications process, seeking feedback from the Fire Department, Police Department, Road Agent, Conservation Commission, Selectmen, and Building Inspector.

Respectfully submitted,

Phil LaMoreaux

Bradford Zoning Board of Adjustment

The Zoning Board of Adjustment meets at the Town hall at 7:00pm the first Tuesday of each month.

The Bradford Zoning Ordinance and New Hampshire statutes authorize the board to grant Special Exception, Variances, and hear appeals from Administrative Decisions. The need for an appeal is referenced by the Building Inspector during the building permit process. Information is available at the Town Hall.

During 2006, fourteen appeals were heard. Thirteen were granted, six with some conditions to be met, usually involving the Planning Board or building permits. One appeal was denied.

Individuals are encouraged to attend a regularly scheduled meeting for informal discussion about the appeal process.

The Board is comprised of five elected members and up to five alternates. Alternates are always needed. The ZBA is a good introduction to state and local land use regulations. State seminars are provided.

Cemetery Trustees

This year, we will ask for another \$3000 in the warrant article for Gravestone Repair. We began work on the stones most in need of help, starting with the Baptist Church cemetery, then Presbury for the storm damage, and several gravestones in Union cemetery that needed repair. This depleted the currently available funds.

Some of our seventeen cemeteries still have family lots with little or no Care funds, dating from the years when each family took care of its own lot. If you have a family lot with no Care Trust Fund, the Trustees would encourage a one-time Trust Coverage to alleviate this situation. At present, a portion of the lot purchase goes to the Town for the use of the lot and another portion for the Care Trust Funds. The interest income from the Trusts and the Cemetery Maintenance Funds cover much of the cost of the upkeep of the cemeteries.

Computerized block mapping of the layout of the cemeteries is continuing, with Marshall and Howlett cemeteries completed. In addition to making plots much easier to find, it is giving a further check on the accuracy of names and locations. Three other cemeteries still have to be done, as well as copying the program for Presbury cemetery to match the existing program. Tree work was done at Baptist Church Cemetery and the new sign put up. We hope to work on other signs this year. We had eight burials this year, with two new lots sold.

Cemetery Rules and Regulations are posted at open cemeteries; Sunny Plain has a black box with copies for distribution. Please take the time to read the Regulations, especially the notes for shrubbery, flowers, ornaments and monuments. We have established opening and closing dates for our active cemeteries:- April 1 and November 1, or as ground conditions permit.

We wish to thank Jarna and Gary Perkins, who have distributed Veterans flags for Memorial Day. Please advise any of us if someone has been overlooked in this process.

We want to thank our superintendent Dick Moore for his excellent care of all of our cemeteries for over thirty years, and also the town officers for their help and cooperation.

Bradford Police Department

A number of changes have occurred over the past year. Perhaps the biggest is the change from New London Dispatch to Merrimack County Dispatch. During the budgeting process we had added 5% for New London Dispatch. This was based on information from the year before that yearly adjustments would be approximately 5% and we should use that as budgeting figure. We later learned that our fees were going to be raised 64%. Needless to say this required an examination of our dispatch fees.

The end result as I indicated is that we changed from New London to Merrimack County and were able to reduce our costs. It did require some radio programming and a new base station. These have been addressed and we are now up and running. The unfortunate part of this is that we are using a report management system compatible with New London and the surrounding area served by New London Dispatch. Merrimack County's system is different and not compatible. We did not find this a deal breaker and opted for change.

I would like to publicly thank New London Police Department and Chief David Seastrand for his support over the years.

Our personnel continue to do an outstanding job day in and day out. We have had days where coverage has been problematic. So far we have been able to address these issues. We do need to find a part time officer who can assist with our coverage issues. Over the summer Officer Ed Shaughnessy heard a police pursuit coming in the town of Bradford. He demonstrated calm and professionalism by clearing the Main Street and Rte 103 lights and holding traffic clear of the intersection while clocking the suspect vehicle's at 113 miles per hour through the lights. Officer Shaughnessy later was involved with arresting the suspect on Center Road. This is one example of the work done by these Officers. I thank each and everyone of them for a job well done.

James S. Valiquet, Chief of Police

Bradford Fire Department

The year was basically quiet for the Fire Department. We had a busy span during the dry spring responding to brush fires in Bradford and the surrounding communities. Then the weather changed and we were busy during the floods that hit the state in May.

Afterwards, things quieted down and stayed that way for the rest of the year. This gave the Department time to catch up on lingering maintenance issues and time to do more training.

It is still very disheartening to drive around Bradford and see so many buildings not identified with their street numbers clearly displayed. We are hoping it will not take an unfortunate incident for people to realize how important it is to have their property properly identified. Remember, if we cannot find you we cannot help you in case of an emergency.

Bradford Rescue Squad

The Bradford Rescue Squad responded to many calls in 2006 – including medical emergencies, motor vehicle crashes and other trauma, and assistance at fire scenes – in Bradford and portions of Sutton and Newbury, where we provide patient transport in support of the talented members of Sutton Rescue and Newbury FAST.

The squad continues to struggle with manpower issues and is vigorously seeking individuals who have an EMT license, or are willing train, to ensure our ongoing ability to provide ambulance service.

While our squad is a completely volunteer organization the ‘job’ is far from thankless – in fact, the thanks you often get are very heartfelt.

We would like to thank everyone for their continued support and wish you a healthy year.

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdf.org.

Fire activity was very high during the first several weeks of the 2006 fire season, with red-flag conditions issued by the National Weather Service and extreme fire danger in many sections of the state. The largest forest fire during this period occurred in late April and burned 98 acres. The extremely dry conditions in spring resulted in over twice the amount of acreage burned than in all of 2005. Our statewide system of fire lookout towers is credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. Fires in the wild land urban interface damaged 6 structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

Emergency Management

The Capital Area Public Health Network (CAPHN) is a collaborative of municipalities and health and human service agencies in the capital area. It encompasses the 23 municipalities in the Concord Hospital service area: Allenstown, Barnstead, Boscawen, Bow, Bradford, Canterbury, Chichester, Concord, Deering, Dunbarton, Epsom, Henniker, Hillsborough, Hopkinton, Loudon, Northwood, Pembroke, Pittsfield, Warner, Washington, Weare, Webster, and Windsor.

The CAPHN is currently working to develop a regional plan to respond to public health emergencies. The plan will address an event as large as a pandemic avian flu, a smaller scale event such as a Hepatitis A outbreak or a terrorist incident such as Smallpox or Anthrax. These plans will cover all individuals living in the Concord Hospital service area.

Responses to public health emergencies could include the following:

1. Opening a clinic to provide medications or vaccinations to a portion of the population.
2. Supporting quarantine for a person who has been exposed to a contagious disease.
3. Supporting isolation for a person who is sick from a contagious disease.
4. Expanding the local medical capacity by opening an acute care center
5. Developing a plan to deal with mass fatalities
6. Communicating with the public on how to stay healthy and safe.

Bradford Building Department

Bradford, in 2006, issued seven permits for new homes and one permit for a commercial property, along with many permits for additions, storage units, decks, and of course many repairs.

In June of this year Charles Meany III , (Chip), who had been our Building Inspector for ten years resigned . We would like to thank Chip for the years of service to his community.

In June, Edwin Fowler was hired as Building Inspector/ Code Enforcement Officer, having retired from years with the Army Corp of Engineers. The hours for the inspector have been expanded to include office hours by appointment.

The secretary for the Building Department can provide you with any forms you need to complete a building application, help you with information, or make an appointment with the Building Inspector. Feel free to call between these hours, 8:00 a.m and 12:00 p.m Monday thru Friday, at 938-5900.

Highway Department

The winter was uneventful but the floods on Mother's Day in May caused extensive damage. Blaisdell Lake Road, Forest Street, Main Street and Jewett Road had major damage.

The large road project was rebuilding Center Road from Cheney Hill Road to Cressy Road, but was behind schedule due to the floods and gravel problems. Most of the maintenance, mowing, ditch cleaning, and culverts being replaced were done late but completed. We chip sealed Fairgrounds Road from Main Street up to Pleasant View Road and High Street.

We maintain the roads for the residents to ensure safety while driving and we thank you for your continued support.

Respectfully submitted,

Bradford Parks and Recreation

Parks and Recreation had another busy year. French's Park clean up took place on May 20th with a hard working crew, but unfortunately, due to high waters, our clean up continued with every flooding. The high waters also caused some damage to the swim line which will have to be replaced in 2007. We'd like to thank Heather Labelle, Jon Cook, Fritz Von Beren, Gary Perkins, and the Beaton Family for taking care of the swim line this year. Additional signage was added to the Park to meet law changes within the state. Another grill was purchased and will be in place for the spring of 2007.

The 4th of July weekend was busy with our third annual beef roast and street dance. Forty-six people registered for the Red Cross Blood Drive while the Cow Flop Bingo was happening on the Lake Sunapee Bank lawn. The winners of the Cow Flop Bingo were 1st prize, Dawn Rich and 2nd prize, Kim Lowe. Our parade float entry of French's Park, complete with water and swimmers, took first place! The Bradford Batonnettes also performed in the parade.

The Red Cross Swimming Program was held during the last two weeks of July. Although it was only two weeks later than usual, the weather and water were much warmer. Instructor Nicole Wallace added two additional swim classes to accommodate the 61 participants.

The Pond and Stream Safari Program took place one morning during swim lessons at French's Park. Sponsored by the Lake Sunapee Protection Association, participants were able to gather tiny creatures from the water with the help of nets and buckets and then learn the creature's identities. Another program sponsored by the Lake Sunapee Protection Association was Lake Sunapee's Secrets. Participants had classroom time to learn more about watersheds, then spent time on the boat at Sunapee taking water samples, testing the ph, and the depth of the water.

Bradford Fun Day was the best yet! This event sponsored by Parks and Recreation and the Kearsarge Area Preschool had families hanging out at Brown Shattuck Field for a day of family fun. In addition to the hayrides, games, crafts, and food, we had a full day with DJ Bud Duclos providing music and being our emcee for the day. Pop corn, sno cones, and cotton candy were also available this year! The New England K9 Search and Rescue did a program on Lost Proofing Your Child and did a live demonstration with their rescue dogs. Several critters from Reptiles on the Move, including a 10 foot snake and a 5 foot alligator were available for everyone to see and touch. Mr. Phil who showed us a little magic and made lots of balloon hats, ended the days festivities.

The Halloween Party at the BACC was well attended with approximately 150 attendees having dinner at the Grave Yard Diner. The Bradford Police Department judged the decorated and carved pumpkin contest.

During the year we offered painting classes, line dance classes and attended some Fisher Cats games.

We look forward to another successful year in 2006. If you have any suggestions or ideas for future events or activities, or if you would like to donate some time to Parks and Recreation, please give our Director a call at 938-6228.

Report of the Brown Memorial Library

Brown Memorial Library is now open Sundays! For many years there have been requests for the Library to be open on Sundays, but the money was not there. In 2006 Katrina Jacobsen donated the funds to support opening the Library on Sundays, on a one year trial basis. The experiment was very popular, and this year the Budget Committee approved an increase to support Sunday hours in the Library budget to present to Town Meeting. Thank you, Mrs. Jacobsen for your great generosity, encouragement, and vision.

The librarians, with help from the Friends of the Brown Memorial Library and many volunteers, presented a variety of programs at the Library. Every Wednesday morning stories are read to younger kids. At Easter time there is the Easter egg hunt, and in December Santa visits. The Friends sponsored a reading by "Young Area Poets" in June. The summer reading program featured Egypt -- Tombs and Mummies. The "Book to Movie" discussion series shows a different movie each month, with multiple copies of the books available in advance; also check out the International Film series with monthly offerings from around the globe.

In October on the evening of Friday the 13th, "Eyes on Owls" was presented by Marcia and Mark Wilson to a rapt audience packing the Bradford Elementary School gym. The program was jointly sponsored by the Library and the Conservation Commission. With magnificent live owls, and people practicing their different calls, it was a hoot!

The ongoing "book sale", organized and run by volunteers in support of the Library, has been very popular. Open Saturdays on many holiday weekends and by chance throughout the year, it is a great opportunity to stock up your reading shelf, recycle good books for others to enjoy, and make a donation to support the Library.

1,232 new titles were added to the collection in 2006, including 397 video and audio tapes and discs, and 835 books. There are three computers with high speed internet connection available for public use, and public wireless internet service during library hours. If you are looking for a book or for information old or new, stop in and ask the librarians; if a book is not in the collection it may be available through inter-library loan from across the state. Library hours are: Monday 10am to 8pm, Wednesday 10am to 7pm, Saturday 10am to 3pm, and Sunday 11am to 3pm.

Librarians and Staff:

Friends of Brown Memorial Library

Friends' member Jan Riley organized 4th graders in a community service project--preparing more than 700 eggs for the annual Easter Egg Hunt.

In 2006, the Friends of Brown Memorial Library continued the Annual Easter Egg Hunt and Storytime; and sponsored “Tombs and Mummies,” a summer reading program. A special event, *Young Poets Read from Their Work* featured award-winning poets Rosemary Bateman, Emily Anderson and Andrew Thompson from Kearsarge Regional and Katherine Skylar Losik from John Stark Regional High Schools, who read their own original poetry. The Friends purchased the 2006 edition of *Culturegrams*, two computer chairs, and through a generous donation from a member of the Friends, contributed funds to buy a new outdoor library lantern. *Books on Wheels* continues to provide library services to people unable to physically visit the library. Contact the library or Bea Howe at 938-2955 to use this service.

Librarian Meg Fearnley read stories during *Tombs & Mummies*, the 4-week Summer Reading Program attended by 19 children.

Bradford Area Community Center

In 2006 several technology upgrades were made. The Senior Room has a wallmounted projection screen, overhead projector, and surround sound system installed. A new DVD and VCR player, as well as a new receiver, which will accommodate a computer, have been added to the room. New darkening shades have been added for daylight projection viewing. The Community Center also obtained a certificate of license from the Motion Picture Licensing Corporation for the right to publicly show VCRs and DVDs.

The computer classes will start up again with the assistance of 5 new computers. The computers have up to date software, wireless DSL connection, and are networked with new laser and inkjet printers. Instruction can be viewed from a 27" LCD TV monitor that is mounted on the wall.

The Community Center assisted the Bradford Newbury Sutton Youth Sports by sponsoring criminal background checks on all the coaches and continued to assist the Bradford Bridge with the out of town paper distribution.

During the school break in December, the Community Center offered three days of crafts and games and offered a movie on one day. This was well attended by children and adults.

The Kearsarge Area Preschool, Mountain View Senior Center, and the public joined together to make stepping stones for a new walkway to the playground in the back of the building. Additional landscaping was done for more beautification.

A major undertaking was the replacement of the floor in the preschool room due to some sub flooring issues. Bruss Construction donated their time and employees to prepare the floor for new tile.

In addition to Bruss Construction, the BACC would like to thank Charlene Harris, Edythe Craig, John Drusendahl, Gary Perkins, Addy Stewart, Dawn Pettiglio, Fritz Von Beren of FVB Landscaping, and Bill Lucas of Lucas Electric for all their continued support.

The Community Center wishes to thank Bryan Ayars for all his help and assistance as a former committee member.

The Bradford Area Community Center is dedicated to providing services which will enhance the lives of area residents in a safe, convenient and supportive environment. Through the Community Action Program, Kearsarge Area Preschool, Parks and Recreation, and the Community Center, many services are provided for socialization, education, recreation and health care. In addition, many other organizations use the Community Center, offering their services to the community.

The Center provides excellent space for all sorts of events: birthday parties, showers, wedding receptions, political functions, and meetings. Please contact the office for rates and availability of room rentals. Activities and services offered are posted in the building, town website, cable, local media, as well as our monthly newspaper, The Bradford Bridge.

Feel free to contact the office (938-6228) or e-mail bacc@mettelecom.com. Our thanks to our Director, Jarna Perkins and Edythe Craig, our volunteer administrative assistant, for all they do for the community center.

Bradford Conservation Commission

The Bradford Conservation Commission was established in 1969. Its purpose is to compile information on the Town's watersheds and other natural resources, to become familiar with State and Federal regulations concerning such, and to advise the Selectmen, Planning Board, and other local committees and boards on environmental issues. A conservation commission is a valuable source of information for the other municipal organizations, all of which have other primary responsibilities.

The Conservation Commission commented to the Planning Board and the ZBA where appropriate on some of the new or proposed lots and subdivisions in town. The Master Plan update was completed this year by the Planning Board with additional involvement by the commission on the mapping information. On the State level, wetlands and shore land protection regulations are constantly changing with new information arriving monthly.

Voters at last year's town meeting decided to permanently protect the historic/recreational/and natural resource values of the Bradford Bog/Bradford Springs Hotel properties. With the assistance of Perry Teele and Beales Associates, the lots were surveyed and recorded. The Ausbon Sargent Land Preservation Trust will begin work on the wording of the easement in January. A public hearing will be announced.

The new trail map that was begun in 2005 was completed. This map is a reformulation of the years of research of Perry Teele and the mapmaking expertise of Bill Duffy. The map is available through the Brown Memorial Library.

Our annual autumnal Bradford Bog boardwalk repairs were accomplished in one day of fine weather.

The Commission joined efforts with the Brown Memorial Library to bring a presentation on Owls to the Elementary school in October, the slide show and live owls were fascinating. More than 150 people attended, and half the hooters were kids. Another program is planned for the spring.

If you have questions or concerns about wetlands, pollution or lake front issues, contact a commission member.

Bradford Historical Society

The Bradford Historical Society was established to collect, preserve, and display information from Bradford's past to the present and is open to everyone. The Old Post Office and the Schoolhouse at the Center are both owned by the Historical Society. The Old Post Office is usually open Saturdays in the warm months from 1:30 to 3:00 and other times by appointment. It houses many albums, collections, artifacts, and is a meeting place. The contents are available for research or browsing. Inquiries come from many parts of the United States as well as locally. The summer of 2006 there was an exhibit at the building featuring the Bradford/Newbury Fair.

This year we have twenty three new accessions, including further genealogy, broadsides, 1938 hurricane pictures, old Bradford postcards, a picture of the Bellevue Hotel, a Bradford Braves shirt, a "Police Court of the District of Bradford" iron stamp, and other artifacts, pictures, records and papers.

Available are a few copies of *Two Hundred, Plus, Bradford in Retrospect*, and the genealogy, *Early Families of Bradford* as well as notepaper and the 2007 calendar of old Bradford scenes. Also some Giant Pumpkin Seeds.

The Old Post Office was moved in 1979 from near the railroad tracks to the location by the transfer station. It is a small building, not temperature controlled, and space is limited. We find many Bradford items leaving town. This is the time for the Society to work to erect a larger, safer, convenient building with minimal upkeep for the invaluable town archives and ephemera stored there. With the goal of building soon, the front Marshall lot was cleared, has been bushwhacked and mowed for two years, and inspected to suggest solutions to the drainage, one swale ditched and the results will be noted. Stakes have been placed to indicate the general building site. Various building plans are being studied.

To all those who donated, we are grateful that these items stay in our town where everyone is welcome to look at them. Please remember your town historical society when you are cleaning out old pictures and papers. History is very like a jigsaw puzzle and you may have the finishing piece. If you have any interest in Bradford's past, there will be something in the materials available at the Old Post Office for you enjoyment.

Town of Bradford Scholarship Committee

Joshua Allen, son of Dawn and James Allen was the recipient of the 2006 Town of Bradford School Scholarship. He graduated from Kearsarge Regional High School and is attending Plymouth State University in New Hampshire. Joshua was very active in school activities, sports and assisting in Bradford Parks and Recreation events.

This scholarship fund, created in 1961, has given out many scholarships over the years to young Bradford students who are furthering their education. In order for high school students to apply they should meet the following requirements:

- Live in Bradford
- Must be furthering their education in a university, college, school of nursing or technical institute
- Submit a typed written application telling the committee about their academic goals, extra curricular and community activities and how living in Bradford has help promote these goals.

The above information about the scholarship is available each year in the Guidance Departments of our local high schools and newspapers. Bradford students interested in applying for the 2007 scholarship should contact their high school guidance department and send their written application to Dawn Rich, P.O. Box 225, Bradford, NH 03221 no later than April 30, 2007.

Funds for our scholarship are available due to the support of friends and businesses in our local area. Bradford Business Association membership continues to support our fund. We thank Jane Lucas and her birthday guests with their donations to our fund in celebration of her very special birthday. A generous donation from Marlene and Karl Scribner was sincerely appreciated. The committee can always count on the support and guidance of Cheryl Behr, our administrative assistant and Everett Kittredge, trustee for the scholarship fund,. Thank you, Cheryl and Everett.

For this scholarship to continue we need your tax deductible donations. Please assist us in giving our Bradford students a scholarship to further their education. Please mail all donations to the following:

Needs Assessment Committee

Following the failure of the proposal by the Needs Assessment Committee (NAC) to purchase and renovate the Valley Transportation property at the 2006 Town Meeting, the Committee was recalled and reinstated to review the needs outlined and to develop a recommended solution. While the full committee met at least twice each month beginning in April 2006, several sub-committees also met and revisited the Valley proposal, looked at facilities in other towns, considered other locations in Bradford, researched grant possibilities, developed long term funding proposals, and worked with professional help to prepare preliminary designs. This information was presented at the bi-monthly meetings while the communications sub-committee transmitted the deliberations to the public through handouts, newspaper articles, and additional public meetings.

After review, discussion, and considerable deliberation by the 19 members, the NAC was unanimous in its findings and recommendations. The committee's conclusions support last year's findings concerning the town's needs. The town highway department sheds have deteriorated to the point where they are unsafe. The police department facilities are inadequate in both size and design for Bradford's safety and public well-being. The renovation of the Town Hall is overdue by several decades.

The Committee recommends the construction of a new highway garage and a new police station. Each building will be designed specifically for the needs of those departments. To minimize cost, the committee recommends that both buildings be built on land that the town already owns and designed so that septic and water facilities can be shared by the two buildings. The committee recommends that the Town Hall be renovated to improve town administrative offices and regain the use of the second floor for town functions.

The construction program will take approximately 2 - 2 ½ years to complete with the bond funds being drawn down over this period of time.

In 1979, the estimated cost to upgrade and replace a new highway garage was \$49,000. The Town failed to approve this proposal. Construction costs have increased considerably since that time. Both construction costs and interest rates are anticipated to rise in the near future.

The Needs Assessment Committee's recommendation is unanimous: Move ahead quickly with the construction of all three facilities. Your neighbors who serve on this Committee are:

“Moose Plate” Conservation License Plate Grant

Through efforts of the Bradford Needs Assessment Town Hall Grant Subcommittee, the Town of Bradford was awarded a \$10,000 “Moose Plate” Conservation License Plate grant from the NH Division of Historical Resources. The grant is intended to preserve and readapt Bradford’s historic Town Hall (listed on the National Register of Historic Places in 1980).

History

Bradford was incorporated in 1787. In 1796 monies were appropriated and a site chosen for a new meetinghouse. In 1797, the meetinghouse (the present Town Hall) was built at Bradford Center (on Rowe Mountain Road). When railroads came to town in 1844 and the center of town shifted to Main Street, the 1797 meetinghouse was dismantled and rebuilt in 1863 at its current location, 75 West Main Street. Throughout Town Hall’s history, changes have occurred in both its physical plant and use, including the addition of a stage in 1906 where Vaudevillian performers entertained. People came to lectures, exhibitions, and concerts; watched movies; attended school plays, graduations, dances and local theatrical performances. Pre-school and kindergarten children attended school; townspeople came to deliberate Town Meeting warrant articles and to vote. Town offices and a police department redefined the interior in recent years.

Town Hall’s Future

Town Hall is one of Bradford’s oldest buildings. The “Moose Plate” grant is a beginning to prevent the building from further deterioration; and to develop a multi-phase rehabilitation plan that brings the building up to current codes and standards (including handicapped accessibility) with sensitivity to the building’s architectural heritage. Preserving Town Hall will insure that the building will continue to serve generations of Bradford residents as a center for governmental, town, civic, and cultural activities.

Bradford Independence Day Committee

The BIDC would like to thank all of the people who supported the Independence Day Celebration

Atlas Fireworks will be putting on the fireworks show again this year at the cost of \$10,000.00 (ten thousand dollars). The remaining \$5,000.00, (five thousand dollars) will go toward the parade and the activities at Brown Shattuck field.

Many thanks go to all the people who have helped make this celebration happen, especially Barry Wheeler who has so generously donated the use of his property to launch the fire works.

Kearsarge Area Preschool

2006-2007 Board of Directors: Elizabeth Labbe, President; Maureen O'Keefe, Vice President; Jacqui Cahill, Secretary; Claire Vannatta, Treasurer; Desmond Skillings, Representative to BACC; Jennifer Critch, Karen Strickland, and Gwen Ware, Officers.

One of the big changes for the Kearsarge Area Preschool in 2006 was that we bid farewell to teacher's assistant Sheri Olsen (now Valiquet) in January. The "cooperative" in "parent cooperative" worked beautifully as parents pitched in to help Directing Teacher Lyn Betz in the classroom until a replacement could be hired. We welcomed Melissa Gambino to our staff at the end of January, and for some families it was a reunion rather than a new meeting. Melissa has fifteen years of experience working with young children and families, both in Hawaii and in the Kearsarge region, and she "clicked" with K.A.P. from Day One.

Fifteen K.A.P. students "graduated" and started at area kindergartens in September. We hear from our alumni and their families that the new kindergarten teachers at K.R.E.S. at Bradford are fantastic and the children are loving learning at the "big school."

Though our program closes for the summer, K.A.P. organized the second annual Fun Run for the town's smallest athletes at the Bradford Independence Day celebration as well as providing crafts and activities for children during the morning. In the classroom, Bruss Construction replaced the tile section of our floor, which now looks great!

We also thank the BACC and the KRES Bradford janitorial staff, who provided protective feet on our chairs and tables and waxed the floors over the December break.

In other facility improvements, our playground now has a beautiful walkway paved with stepping stones made by the children and volunteers from the Mountain View Senior Center. Our special appreciation to Jarna Perkins for organizing this project, and for all she does to keep our room and the building in good working order.

Our website has a new address, www.kearsargeareapreschool.org, and we are grateful to Janice Loz of Screaming Woman Design for donating her services as our new webmaster. Additional information about the school, as well as registration forms for the 2007-2008 school year, are available on line.

Milfoil Mitigation Program

The net was put in by mid May across the North end of the cove in Lake Massasecum. The Milfoil crew started their five week summer schedule in early July. The crew harvested the milfoil in the north cove, but not in the plots the State had suction harvested last year. The State biologist came back again this year with their "Suction Harvester" in late July and August. He spent 10 days clearing their designated plots. The state will monitor their areas next year with divers.

The Lake Hosts were stationed at the boat ramp and provided boater information, did inspections and assisted in an overall effort to continue and control the milfoil also other exotic weeds into Lake Massasecum also to prevent the spread to other lakes.

The success of this program once again remains dependent on the support of NHDES and the Town Of Bradford. The lakeside volunteers remain willing and able to maintain and monitor the nets, check the shallows, and contribute as they are able, to help supplement the funding deficit.

Bradford Women's Club

The Candlelite Inn was again the location for our annual tea with red hats abound. Some of the other meetings included the making and displaying beautiful quilts, the benefits of the Bradford Rescue Squad, computer instruction and back by popular demand, hair and makeup tips.

Community Projects

We continue with the garden maintenance in Bicentennial Park and will be adding a small granite bench for people to sit and enjoy the flowers

The swim program that is co-sponsored with Parks and Recreation had another successful year. This is coordinated by Jarna Perkins and Jane Lucas.

Fund raisers to support our community projects include:

Our sausage and pepper booth at the July 4th Celebration was enjoyed by many people, young and old.

In November our Annual Holiday Craft and Antiques Fair sparkled with color and new consigners. It was a big success and supported by local residents.

A sale of flower bulbs for spring planting is planned.

The prizes awarded on the Sophie Burke raffle were an Italian Dinner Basket, a Needlepoint Christmas Tree Skirt, a Gift Certificate to the Appleseed Restaurant and an adorable wooden birdhouse.

We held our first annual Holiday Party, just for fun. This will certainly be repeated next year and many years to come. Jim Allen, again, was our wonderful Santa when we coordinated this years story hour and tree lighting with the library committee.

The BWC cookbook is now completely sold out and we are looking to reprint it in the spring. Our BWC Scholarship was awarded to Heidi Slatunas, a member of the Bradford Rescue Squad. This was our first award to a woman going back to college.

This year we are pleased to welcome several new members. We also lost Estelle Rooney, age 90, who was a valued member of our club who attended meetings all this year.

The Clough Care Center welcomed us in September for their annual birthday party with smiles all around.

The BWC has changed several days and hours to accommodate our many working members. It appears to be a successful plan as we are getting larger numbers at our meetings and it is appreciated by many.

Bradford-Newbury-Sutton Youth Sports

In 2006 Bradford, Newbury, Sutton Youth Sports (BNSYS) provided team-based athletic opportunities for area youth. In the spring and summer there were 199 participants in the Baseball and Softball program. This was an increase of over 30% from 2005. In the fall, the Soccer program welcomed 156 children. This was an increase of over 20% from a year ago.

During the summer of 2006 BNSYS hosted the first Annual Cougar Baseball Camp which was run by Kearsarge High School coach Rob Bennett, his staff and members of the High School team. In its first year, there were 25 participants. We look forward to the continued success of this camp.

Another exciting event held for the first time, was the 100 inning game. This event kicked off the beginning of the Baseball season by inviting area towns to compete in this fun-filled tournament hosted by BNSYS. We look forward to hosting this event again in 2007.

In 2006, BNSYS opened the new Softball field at Warren Brook Park. The funds to build this new facility were generously donated by area individuals and businesses. We thank everyone for their wonderful support.

The Soccer program continues to grow and flourish. In the hot August sun, BNSYS again hosted the Major League Soccer Camp, which brought in professional Soccer players to help over 75 of our area youth improve their skills.

In the Fall of 2006, BNSYS hosted the third through sixth grade girl's Soccer tournament to end the year. Several nearby towns were invited to participate. We are pleased to announce that our BNSYS girls took home third place in the event.

BNSYS continues to maintain a strong presence in community events. Our yearly fundraising event at the Fourth of July celebration was once again a huge success. Additionally, BNSYS cooked up sausage and hot dogs at the Newbury Old Home Day as well as at the Fall Festival event sponsored by the Newbury Recreation Committee.

Our largest fundraising event is the Annual BNSYS Golf tournament. This year's event was our most successful ever. Many thanks to all those who contributed and participated in the event.

New this past year is the BNSYS web-site which provides an informative overview of all the happenings with the area youth sports. Our home-page can be found at www.bnsys.org.

BNSYS is fortunate to have wonderful facilities available to us. Warren Brook Park, where our Babe Ruth Baseball, T-Ball, Softball and Soccer games are played, is owned by the organization. Our Baseball and Soccer games for younger children are played at the Elementary School fields and the Brown-Shattuck Park in Bradford. BNSYS maintains all of these facilities used during our seasons.

Upcoming projects and purchases for this year include:

- A new storage shed and maintenance facility at the Warren Brook Park
- Additional fencing for the Softball field
- A well to provide water at Warren Brook Park
- Repairs to the roofs on the dug-outs and Snack Shack at the Elementary Fields

- New uniforms and equipment needed for all the youth programs

BNSYS is a volunteer organization that relies heavily on community support. In the past, most of that support has come from contributions from individuals, families and businesses. While we will continue to reach out for volunteers in the area, we will also be asking the Towns of Bradford, Newbury and Sutton for some additional financial support as well. It is our goal to provide the best quality sports opportunities to our area youth, while reinforcing the concepts of sportsmanship and team participation.

Our current Board of Directors includes:

Ed Andersson Secretary
Jane Bready Fundraiser
Tina Desfosses Softball Director
Jen Dow Soccer Director
Diane Gadoury Treasurer
Steve Patten Baseball Director and Field Maintenance

CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

28 Commercial Street ❖ Concord, New Hampshire 03301
❖ phone: (603) 226-6020 ❖ fax: (603) 226-6023 ❖ internet: www.cnhrpc.org

Established in accordance with state law, the Central New Hampshire Regional Planning Commission (CNHRPC) is a voluntary association of 20 communities in Merrimack and Hillsborough Counties. The Town of Bradford is a member in good standing of the Commission.

The Commission's mission is to improve, through education, training, and planning assistance, the ability of the municipalities of the region to prepare and implement municipal plans; to prepare a plan for effective and appropriate development and utilization of the resources of the region; and to assist municipalities in carrying out the regional plan.

The Commission also provides a variety of planning services, including consultations on planning issues; planning research; sample ordinances, regulations, and planning documents; access to Census information and other data sources; grant information; review and comment on planning documents; development review; and educational programs. Membership also entitles a community to affordable master planning assistance, geographic information systems (GIS) mapping, build-out analysis preparation, and other land use and transportation planning-related assistance.

On behalf of the Town of Bradford in 2006, CNHRPC staff:

- Provided circuit rider services to the Planning Board, attending Planning Board meeting, holding office hours during the day, conducting research, coordinating with other Town boards and officials regarding applications and other issues, responding to questions from the public and applicants, assisting with organizing files, correspondence and escrow account tracking, reviewing subdivision and site applications, reviewing proposed subdivision regulations changes, and other duties as required.
- Assisted the Planning Board in completing and adopting the Master Plan.
- Revised Master Plan maps.
- Coordinated printing and distribution of Master Plan.
- Researched mandatory design review question and drafted an ordinance for mandatory design review. Also researched questions about 1 lot in 2 towns, public noticing, and amendments to subdivision regulations.

In addition to the local services described above, in 2006 the Central New Hampshire Regional Planning Commission:

- Held five Commission meetings (in February, April, June, September, and November) with programs on agricultural preservation with Commissioner Taylor of the NH Department of Agriculture, regulatory takings with the staff counsel from LCG, the NH Department of Transportation long range planning effort, workforce housing, and technology for micro business development. Commission meetings are open to the public and interested citizens are encouraged to attend.
- Provided general local planning assistance to member municipalities and responded to inquiries regarding zoning ordinance, subdivision regulation, and site plan review regulation revisions.

- Coordinated sub-regional workshops related to Planning Board process and general land use/transportation planning issues.
- Coordinated three meetings of the CNHRPC Regional Resource Conservation Committee (R2C2). The R2C2 seeks to bring representatives of each of the region's communities and conservation organizations together to work on conservation and natural resource issues that affect the overall region.
- Conducted nearly 200 traffic counts throughout the region.
- Finalized the update of the FY 2007-2016 Regional Transportation Improvement Program (TIP) and participated in the development of the New Hampshire Transportation Business Plan, a CAC-written plan that is a 25-year vision that will serve to advance transportation, economic development, land use and environmental goals throughout the State.
- Organized and hosted four meetings of the CNHRPC Transportation Advisory Committee (TAC). The TAC:
 - Renders technical advice to the CNHRPC regarding transportation plans, programs, and projects:
 - Evaluates and ranks application for the Transportation Enhancement (TE) and Congestion Mitigation and Air Quality (CMAQ) programs. Each program is competitive statewide with more than 3 million dollars in federal funding per year for the TE program and 7 million for the CMAQ program.
 - Evaluates and ranks projects within the Regional Transportation Improvement Program (TIP). The Regional TIP provides an avenue for projects to be considered for inclusion within the Statewide 10 Year Transportation Improvement Plan which is the guiding document for all major highway improvements on state roads.
- Continued to maintain and improve the regional transportation model. The transportation model is an integral component of the I-93 Bow to Concord Transportation Planning Study and other local and regional transportation planning projects.
- Developed a gravel roads fact sheet and provided guidance to local Boards and officials related to Class 6, gravel, and other road issues.
- Provided continuing technical assistance to the Upper Merrimack River Local Advisory Committee (UMRLAC) and assisted in the UMRLAC Management Plan update.
- Conducted a survey of 55+ housing in the CNHRPC region, funded by NHHFA.
- Through the N.H. Department of Environmental Services support to the 9 regional planning commissions through the Regional Environmental Planning (REPP) Program, 2006 REPP work items included drafting the first volume of an innovative land use handbook to be distributed to communities and refinements to the Sprawl Indicators GIS data and mapping project.

For additional information, please contact the CNHRPC staff or visit us on the internet at www.cnhrpc.org.

Senator Harold Janeway District 7

As your State Senator, I appreciate the opportunity to serve you and wanted to report from the New Hampshire Senate on important state issues affecting you, as residents of Bradford.

Here are some statistics that may be of interest: The Town of Bradford received \$1,139,208.36 in state funding in 2006. Education grants made up \$979,749 of this total.

The balance of state aid consists of the following: \$56,365.36 from the Rooms and Meals Tax, as well as \$77,204 for Highway Block Grants, and \$25,890 in Revenue Sharing.

I am serving as a member of Senate Finance (vice-chair), Health and Human Services, Ways and Means, Wildlife, and the Fish and Game Committees. I have been appointed to the New Hampshire Retirement System Board of Trustees. I would be happy to hear from you on issues of concern.

In addition to the two overarching issues that will dominate this session; addressing the state supreme court's challenge to define education adequacy by June 30 and crafting a budget for the coming biennium, I will be concentrating on several key issues important to the citizens of New Hampshire: helping New Hampshire's working families by increasing the minimum wage, protecting New Hampshire citizen's health by supporting the smoking ban in restaurants and bars and increasing health care access and internet safety for children, protecting New Hampshire's special places and open spaces by increasing funding of the Land and Heritage Investment Program and supporting the Governor's initiative to reduce the dropout rate in our high schools.

If you wish to contact me about these or any other matters I hope you will do so. Please call me at (603) 271-3041 or email me at harold.janeway@leg.state.nh.us.

Lake Sunapee Visiting Nurse Association

When you speak to patients' families, no matter what the age, the desire to have the family unit together with the support of community friends and neighbors is key to their sense of well-being. The number one need/concern of seniors according to a 2003 AARP study is how to live in their own home and their own community for as long as possible. Eighty-three percent want to stay in their existing home as long as possible and recognize that they may need to make some changes in order to do so.

The population in New Hampshire is expected to grow 29% between now and 2020. The NH population 65 years and over will grow 177% from 163,615 to 332,178 during that time. Friends and family members provide eighty percent of all long term care at home.

All of these changes will have substantial impact on our community in terms of needed social and economic resources. A vital community depends on a variety of resources to meet the needs of its residents. Town leadership depends on the quality and commitment of community-based organizations to support physical, emotional, social and financial "health" in the town.

Since its founding in 1970, Lake Sunapee Region VNA has evolved to meet the needs of the community. Our mission is to provide home health, hospice, personal support, health promotion and other non-medical services that encourage independence and preserve dignity for people of all ages. This year was no exception.

Lake Sunapee Region VNA invested in education to ensure competency of staff in pediatrics, hospice and palliative care, wound care and more. A number of staff became certified in specialty areas in order to ensure that the latest advances in health care are available to you at home. We continue to acquire the necessary medical and information technology to support excellence in care. LSRVNA consistently ranks above the 95th percentile in patient satisfaction, and meets or exceeds state and national standards for patient outcomes. In October 2006, Outcome Concept Systems ranked Lake Sunapee Region VNA in the top 25% of home care agencies nationally based on publicly available data.

When you choose Lake Sunapee Region VNA for your home health and hospice care, you can feel comfortable knowing that among the more than 120 staff and 70 active volunteers, many are your neighbors and friends who stand ready to care for you 24 hours a day, 7 days a week. Almost 30% of the staff have been with us for over 15 years, with six years being the average length of employment. Sixty-three percent live within the Kearsarge, Sunapee or Newport area. Every staff person undergoes reference and background checks, extensive orientation and training. Every employee is fully covered by liability insurance. We know that these kinds of standards are important to you when you choose a provider.

Think about your family, friends and neighbors and what home health and hospice care might mean to them.

Think of the woman who suffered from a rare neurological disorder for the last 10 years of her life. After falling in love in high school and 50 years of marriage, her husband was determined to care for her at home. After he experienced some health problems, he realized he would need help. LSRVNA physical therapists helped him get back to good health. Physical therapists, nurses and home health aides helped this patient to "make the best possible use of her continuing more limited abilities." "The aides were so capable and loving that my wife felt like they were a part of

the family. Finally, hospice care became a reality. Hospice “made it possible for my wife to be comfortable at home surrounded by our family.”

Think of the young couple bringing home their first born infant who needed to be closely monitored for newborn jaundice and breathing issues. “Bringing home our newborn was exciting and overwhelming.” The Lake Sunapee Region VNA nurse came to our home several times to check on our son’s feeding, weight, breathing and on my progress...all in the comfort of our own living room. The care we received made the transition from hospital to our home much more manageable.”

Think of the teenager whose life changed forever when he was struck by an automobile and sustained life threatening injuries. The family was insistent on bringing their child home rather than having him enter a rehab facility. Unable to walk, speak, eat, or use his arms, this child needed nursing care, physical and occupational therapy. His parents believe that their son is doing well- or better- at home than he could ever have done in a facility away from the support of his family, friends and community. Miracles do happen!

The Lake Sunapee Region VNA volunteer Board of Trustees and staff plans for the future using information gathered from all of you in the community. As we look to that future, we are grateful for the support of our member towns, businesses, service organizations and individuals who value our work and our mission. Our planning focuses on achieving operating efficiencies, expanding revenues sources, and collaborating with local and regional organizations to implement programs and services that will support town residents; in short, to help strengthen the rich tapestry of services and support that makes your community special to you.

More than 484 residents of Bradford utilized home care services and programs through Lake Sunapee Region VNA during the past year. Home care was provided for 43 residents. Three residents and their families received 332 days of hospice, volunteer support and bereavement care. Long-term care and personal care support services helped 7 patients remain at home. Lifeline and home telemedicine services monitored 34 residents during the year to keep them safe at home. More than 400 residents used our many community health services including support groups for adults and children, foot care, blood pressure and immunization clinics. Thank you for the opportunity to care for residents of the Bradford community. We renew our commitment to you to provide the quality home health and hospice services you expect with the caring, respect and compassion you deserve.

Sincerely,
Andrea Steel
President and CEO
