TOWN OF CROYDON TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

TO THE VOTERS OF THE TOWN OF CROYDON, County of Sullivan, in the State of New Hampshire, qualified to vote on Town Affairs:

You are hereby notified to meet at the Croydon Town Hall, 879 NH Rte 10, in said Croydon on Tuesday, the 10th day of March 2015, at 11:00 o'clock in the forenoon, (polls not to close earlier than 7:00 o'clock in the afternoon), to act upon Article One (1); and to meet at the said Hall on Saturday the 14th day of March 2015, at 9:00 o'clock in the forenoon to act upon the remaining warrant articles.

Article 1. To choose one Selectmen for three years, one Selectmen for one year, one Town Clerk/Tax Collector for three years, one Trustee of the Trust Funds and Cemeteries for three years, one Town Auditor for two years, and all such officers and agents that may be necessary for the transaction of the Town business for the ensuing year.

Article 2. To see if the Town will raise and appropriate the sum of Four Hundred Three Thousand Nine Hundred (\$403,900) for general town operations:

Executive	\$38,000
Election, Reg. & Vital Statistics	\$ 600
Financial Administration	\$27,000
Revaluation of Property	\$ 6,000
Legal Expense	\$ 3,500
Personnel Administration	\$33,600
Planning & Zoning	\$ 1,000
General Government Buildings	\$30,000
Cemeteries	\$ 500
Police (NL Dispatch)	\$ 12,200
Ambulance	\$ 13,700
Highway & Streets	\$175,000
Street Lighting	\$ 3,200
Sanitation	\$ 53,200
Health	\$ 100
Direct Assistance	\$ 2,000
Vendor Payments (Health Agencies)	\$ 4,300
Total	\$ 403,900

Article 3. To see if the Town will raise and appropriate the sum of Thirty Thousand Dollars (\$30,000), to be placed in the Capital Reserve Fund for Highway Equipment. (Recommended by Select Board)

- Article 4. To see if the town will raise and appropriate the sum of Five Thousand Dollars (\$5,000), to be placed in the Capital Reserve Fund for Town Revaluation.
(Recommended by Select Board)
- Article 5. To see if the Town will raise and appropriate the sum of Twenty-Two Thousand Seven Hundred dollars (\$22,700) for the yearly payment on the note for the Samuel Morse Property purchased by the town in 2006.
- Article 6. To see if the Town will raise and appropriate the sum of Eight Thousand Dollars (\$8,000) for general cemetery maintenance for the 2015 season. The funds to support this article are to be removed from interest earned in the Henry J. Sawyer Memorial Fund and the Ruger Memorial Fund.
- Article 7. To see if the Town will raise and appropriate the sum Thirty-Three Thousand Three Hundred Thirty-Four Dollars (\$33,334), for completion of repairs to Bouldervale Road. The funds to support this article will come from the Highway Block Grant.
- Article 8. To see if the Town will raise and appropriate the sum of Six Thousand Eight Hundred Fifty Dollars (\$6,850), for the testing of the monitoring wells at the transfer station.
- Article 9. To see if the Town will raise and appropriate the sum of Twenty One Thousand Five Hundred Dollars (\$21,500) for the town-wide property revaluation. The funds to support this article is to be removed from the Town Revaluation Capital Reserve Fund.
- Article 10. To see if the Town will raise and appropriate the sum of Thirty-Six Thousand Six Hundred Sixty-Five Dollars (\$36,665), for leveling and base coating on sections of Pine Hill Road, Cash Street, Brighton Road, and Croydon Brook Road.
- Article 11. To see if the Town will raise and appropriate the sum of Thirteen Thousand Dollars (\$13,000), for the exterior repairs and painting of the Town Hall.
- Article 12. To see if the Town will vote to authorize the Select Board to enter into a five year lease/purchase agreement for the sum of One Hundred Fifty-Three Thousand Eight Hundred Ninety-Five Dollars (\$153,895), for the purpose of leasing a Dump Truck for the Highway Department, and to raise and appropriate through taxation Thirty-Two Thousand Six Hundred Six Dollars (\$32,606), for the first year's payment for that purpose. The existing 2002 Freightliner Dump Truck will be traded towards the lease purchase of this vehicle. This lease agreement contains a fiscal funding (escape) clause.
- Article 13. To see if the Town will raise and appropriate the sum of Fifty Thousand Two Hundred Twenty Dollars (\$50,220), to be added to the Town Office Building Capital Reserve Fund to come from the General Fund balance and represents the amount received from the Harry Van Santford Jr. bequest.
- Article 14. To see if the Town will raise and appropriate the sum of Thirty-Nine Thousand Four Hundred Dollars (\$39,440), for the Croydon Police Department.
- Article 15. To change the Veteran's Tax Exemption from \$100 to \$500.
(Submitted by petition)

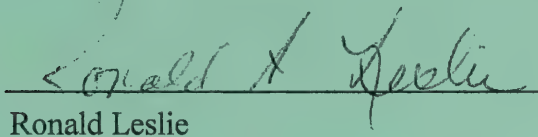

Article 16. To transact any other business that may legally come before this Town meeting.

2014 Selectboard Report

The Selectboard lost a valued member this year, John Clements. John brought a great deal of experience to the board and has been sorely missed.

The board survived for a bit with James Harding and Ronald Leslie, eventually appointing Steve Cunningham as a selectman to return the Board to its full complement of three. Kym Car continues to function as our administrative assistant keeping us out of trouble. Kym still has occasional assistance from her predecessor, Charlene Little.

The select board has, as in the past, worked to be fiscally conservative. Financial aid provided by the Town to residents was well under budget, reflecting the hard-working, independent residents Croydon has. We have received a \$50,220 bequest from Harry Van Sanford. The Selectboard is grateful to Mr. Van Sanford for his holding Croydon in his heart and thinking of us this way. This bequest appears on a warrant article as to its disposition.

A bill for over \$20,000 to repair a plow truck bill reinforces the need for a new plow truck and a capital reserve fund for future trucks.

We have asked the Road Agent to keep his own budget, to be approved by Selectboard, in the future. This should provide a higher degree of accuracy and accountability.

Looking forward, the work on the handicap access to the town office has languished for various reasons, and may be better ignored until 2016. At that point, Croydon may have the funds to build a new office or addition level with the new parking lot.

This year the selectmen hope to have the town hall repainted and some minor repairs made. We also intend to refinish the floors in the town hall and stage.

Thanks to all those who have served the town in various capacities, often with no or low pay.

2014 Bookkeeper's Report

The interest rates for CDs are slowly rising, but are still at very low rates; this directly affects the amount of money available for the town to spend. The stock market has had another good year. We are up 14.06% this year. Approximately 30% of the Sawyer Fund was allocated to the stock market (\$352,000). Its value as of 12/31/2014 was \$634,614.50 an increase of \$280,212.17 since the original purchases. This is money that may not be spent, but increases the overall value of our portfolio. Dividends, which may be spent, from the stock market mutual funds were a large portion of our income and will probably continue to be until interest rates rise further.

CROYDON POLICE DEPARTMENT REPORT FOR THE YEAR 2014

The call numbers for 2014 are up, to the same numbers as the year before, 556. I continued to have cases before the Newport District Court, winning all of the cases for 2014, and I had no cases before the Sullivan County Superior Court.

The number of motor vehicle stops were up by double from last year, to include double the summonses written. It is difficult to determine why people are violating the motor vehicle laws with the fines being so high, but they continue to do so. The number of motor vehicle accidents are down from 2013.

The number of dog complaints are up from last year, but the number of unlicensed dogs was only one in 2014.

The cruiser is still aging, going on it's 11th year. The cost to repair is down, due to having to pay no labor cost, as the cruiser is being repaired, as it can, in house, by David Hooley at the Croydon Highway Garage. You will see a reduction in the cruiser maintenance budget line item this year due, in part, to this method of repair. The fuel budget line item has also been reduced with the reduction in the price of fuel per gallon recently. The cruiser was used for 10603 miles this year, with the beginning mileage being 96314.7 and the ending mileage being 106917.

I continued with the Lunch With the chief program at the Croydon Village School and it is still being very well received by the students at the school. This program will continue into 2015.

New London Police Department is still our dispatch center and they are doing a great job. There has been some changes in personnel at the dispatch center, however, all of the current dispatchers have been trained properly, with some doing ride alongs in the Croydon cruiser to assist them in learning the Town of Croydon. The option for them to continue to do so remains available to them. Chief David Cahill of the Sunapee Police Department has allowed me to utilize his repeater so that I now have two police channels to speak with New London, enhancing communication with New London Dispatch and them with me. You will also see a reduction in the Sullivan County repeater line item for 2015, thanks in part to communication between Selectman Steve Cunningham and the outgoing Sheriff Michael Prozzo. The reduction is because I infrequently use the county frequency.

Again, as requested in the past, please do not hesitate to contact me, either directly or through New London Dispatch when you have a question or problem. Call right away. Do not let the matter go and no matter is too small for us to discuss or for me to respond to.

The breakdown for the calls for 2014 are as follows with a comparison to last year:

Town of Croydon

Report of the Road Agent

2014

I would like to start out by thanking Carl Dombroski for all his help and the residents of Croydon for all their support this past year. It seemed to be a long winter with not too many days between storms. That didn't let up much in the summer, with most of the rain storms having heavy downpours. We went through around 2200 tons of sand which included 240 tons of sand at the resident's sand shed on Cash Street; and about 280 tons of salt. Mud season was not as bad as I expected. We were able to keep up by trucking in the stone ourselves instead of waiting for deliveries.

During the summer we did the routine road maintenance. We extended 2 culverts to increase the road shoulder. We have a few more to extend this year, and we will be working on some areas to improve drainage. We paved a section of Bouldervale Rd. from the Grantham line to the first box culvert. We are looking to complete the rest of Bouldervale this summer, and repair some of the bad spots on Cash St., Pine Hill and Brighton Rd.

We would also like to thank the Croydon Fire Department for the donation of the generator and transfer switch. We can now power the entire garage during outages. Thanks also to Camp Coniston for the donation of five large lights for the garage. This has made it much easier when we have repairs to do at night. Thanks again to those organizations for their support.

Equipment: We would like to replace the older Freightliner plow truck. The truck is now in its 14th year of service and the dump body on this truck is 25 years old. We would appreciate your support on the warrant article for the new Plow Truck.

Things at the transfer station have been going well. We collected 2700 lb of aluminum cans which created around \$1600.00 in revenue. We recycled 23.66 tons of junk mail which covered the cost of hauling the container and generated only \$3.10 in revenue, and we hauled 12 tons of scrap metal this year which generated \$2,473.67 in revenue. We had 9 units with Freon to get rid of at a cost of \$72.00; we took 14.40 tons of glass to New London at a cost of \$331.20 and disposed of 228 tires at a cost of \$448.25. This all nets out to approximately \$3369.32 in revenue from the items that we recycle. We appreciate Carl (Speedy) and Amy for their hard work at the transfer station this year.

On the next page you will find a break down of the Highway Budget for 2015 and on the bottom of the budget there is an explanation of some of the line items and what they will cover.

David Hooley
Road Agent

Town of Croydon Highway Dept. Budget 2015

Line Item	2015 Budget
Wages (Net)	\$68,807.00
Winter Sand	\$15,000.00
Road Salt	\$22,000.00
Diesel Fuel	\$21,300.00
Propane	\$1,700.00
Assoc & Training	\$325.00
Road Side Mowing	\$4,500.00
Phone	\$1,268.00
Electric	\$2,400.00
Radio Equipement	\$100.00
Road Materials	\$15,000.00
Vehicle Maintenance	\$15,000.00
Postings	\$100.00
Misc. (Signs, Post, Rental)	\$4,000.00
Tools	\$3,500.00
TOTAL	\$175,000.00

This list explains a few of the line items and their purpose:

Road Side Moving: The cost for rental of the mower will increase. So I plan to put this out to bid and then compare our cost to do the work in house against the rental cost and labor. The budget number is based on prior bids to complete the work.

Vehicle Maintenance: This number appears high due to one planned purchase; new tires for the grader. This will run right around \$10,000 based on quotes gathered at this point.

Tools: We need to replace the compressor at the garage. The current one is 25 years old and on its last leg. We have repaired the bottom of the tank three times over the last two years. At this point it cannot produce the pressure we need for tires and tools. We would also like to purchase a 1" drive impact gun and a 1" drive torque wrench. We do a lot more in-house maintenance on the trucks and have had a need for these items quite often.

Thanks for your support,

David Hooley

Dear NRRA Member,

As a member of Northeast Resource Recovery Association (NRRA), your community has access to all the services of this first in the nation, 33-year old recycling cooperative. Your member-driven organization provides you with:

- Up-to-date **Technical Assistance** in waste reduction and recycling including solid waste contract negotiations;
- **Cooperative Marketing** to maximize pricing and **Cooperative Purchasing** to minimize costs;
- Current **Market Conditions** and Latest **Recycling Trends, both regionally and nationwide;**
- **Innovative Programs** (i.e. Dual Stream, Consolidation and Single Stream);
- **Educational and Networking Opportunities** through our Annual Recycling Conference, our new Bi-weekly "Full of Scrap" email news, monthly Marketing meetings, **members' only website**, workshops and Fall Facility Tours;
- **School Recycling Club** - a program to assist schools to promote or advance their recycling efforts;
- **NH DES Continuing Ed Credits;**
- **NH the Beautiful Signs, Grants, Bins and Recyclemobiles.**

NRRA membership has grown to include more than 400 municipalities, businesses and individuals in New Hampshire, Vermont, Massachusetts, Connecticut and Maine. NRRA, as a non-profit organization, is unique in that we do not charge a "brokerage fee" or work to maximize profit gains, but rather has a minimal "Co-op" Fee" which is re-invested to further your recycling programs and solid waste reduction efforts in schools and municipalities.

Through your continued support and dedication, NRRA has assisted our members to recycle over 69,686 tons in fiscal year 2013-2014!

Please contact NRRA at 800-223-0150 / 603-736-4401 or visit our website at www.nrra.net

Croydon Volunteer Fire Department
For the year ending December 31st, 2014

Croydon Fire and Rescue ended the 2014 year with a total of 97 calls. The breakdown appears below:

Medical	47
Motor Vehicle	15
Tree/Wire	12
Alarm Investigation	9
Mutual Aid	8
Fire	4
Welfare Check	1
<u>911 Hang-up</u>	<u>1</u>
	97

Three major acquisitions of equipment occurred this year. In July a new propane generator was installed which upon power failure will turn on automatically and support both the apparatus area as well as the function hall. The old generator was donated to the Town for use at the Highway Garage.

The fire department also purchased a Thermal Imaging Camera. A Thermal Imaging Camera is a type of **thermographic camera** used in firefighting. By rendering infrared radiation as visible light, this camera allows firefighters to see areas of heat through smoke, darkness, or heat-permeable barriers. This helps us to identify that there are no hidden sources of heat which could ignite. This unit can also be used in motor vehicle accidents to assist in determining the number of persons in a vehicle as well as their direction of travel if they left the immediate area.

The third acquisition occurred through the assistance of Police Chief, Richard Lee and the Town of Washington. A boat and trailer became available made possible through grant funds. The department has reconditioned the boat and put it into service. This is a 16ft V-bottom aluminum boat with a 25 hp outboard motor and trailer that can be used in all types of water rescues.

In 2014 we continued to work with Croydon non-profit organizations by donating the use of the function hall for two events to each organization. This has provided a lot of opportunities for members of Croydon as well as surrounding communities. In addition this has given a lot of visibility to our function hall and all that it has to offer. Our special thanks to the Croydon Congregational Church for embracing the need for community involvement and extending their usage of the function hall to bring many great events to Croydon.

Respectfully submitted,

Steven R. Rizza, Chief

CROYDON HISTORICAL SOCIETY 2014

Hello Croydon townspeople, one more year until our 250th celebration.

Our 'Fine Dining' raffle winners were pampered by the museum servants in May, getting to mingle with neighbors that they don't often see. It's been proven, the more tickets you buy is almost a sure win. Some repeat winners use this strategy.

(Picture inset is the Keeping Room setup.)

Beatrice H. Smith is our Oldest Croydon Resident, at 95. She was recognized by the Society officially in August at the tractor parade event, with family and friends in attendance. She is a quiet matron, who doesn't like to call attention to herself.

We acquired a few significant physical donations this year. The Bob Nelson family donated some great farm implements, including a

horse drawn field roller, seeders, harness, to list some. This all came from the original Davis Farm on Old Springfield Rd, Ryder Corner. Then we acquired a number of items from the Hickey family, off the Paul Farm, which they have sold on Reeds Mill Rd, a very early winnower, which is used to separate grain from the chaff, other horse drawn plows and seeders, a one horse sleigh, and several chairs and a dresser placed into the museum, to

list some things too. All this is in the museum barn, waiting to be placed and labeled for viewing.

The Linton family (Shirley and Joyce) donated Leon Linton's homemade wooden gavel that he used as town moderator from 1941 to 1955. The Diotte family (Brenda and Cynthia) donated a metal stamp of R. Durkee, Croydon,

NH, found years ago in the dirt on Barton Rd by their boys, also, a handmade wedding dress of Grandma Diotte. Monetary donations, memory and others continue to come, and we can hardly say thank you enough for these. We've lost a number of folks this year, Madeleine Dearden, John Clements, selectman 6+ years, Bob Smith, John Weber, Eleanor Reney, all having contributed to the history of Croydon, personally and families.

During the Veteran Dinner at the Croydon Fire Station hall, we recognized Clayton Phillips as our town's oldest veteran. The talented young singers lead by Amanda Leslie, and the participants singing their service theme songs, added to the enjoyment of the gathering.

If you would like to come in to the museum, would like to join us in our efforts to preserve Croydon's history, want a 2014 ornament, or would be willing to help with plans for the 250th, please contact us through the town office or email:

Oldest Croydon Resident - Croydon Historical Society

Cane Recipient — Beatrice Augusta Hiltz Smith

Bea was born May 30, 1919, in New Brunswick Canada. The daughter of James & Blanch Hiltz. Bea is the youngest of four children. Her siblings were Gordon, Ruby and Hilda, they are all now deceased. Her father was a cooper (barrel maker) in Canada. When Bea was 4 years old the whole family moved to the United States in 1922-23, and lived in Connecticut. Her Dad worked for Bridgeport Brass Company. Bea was educated in Connecticut but had to leave school in the 9th grade to take care of her Mother. Her Mom passed away when Bea was 19 and at that time she became a U.S. Citizen and went to work for the State Hospital in Newtown, Connecticut. She met Robert E. Smith in 1951 and married shortly after and had two daughters. Roberta, born in 1953 and Charleen, born in 1954. While living in Connecticut, Bea was a stay at home mother.

The Smith family moved to Croydon in 1961, living on Cash Street in the home next to the East Village Cemetery.

While living on Cash Street, Bea worked for Green Acres Ice Cream, Croydon, as a production line worker.

In 1964 the family moved to the farm on Loverin Hill. In 1968 they purchased the farm from Bea's father James and Ox Yoke Farm was created. The Smith's raised beef and veal. Both Bea and Bob worked outside of the farm. Green Acres Ice Cream closed and Bea went to work for Woodlawn Nursing Home as a housekeeper and was promoted to Supervisor of housekeeping. She worked for Woodlawn for 17 years, retiring in 1991 at the age of 72.

Bea still lives on the farm with her daughter Roberta. Bea is an active member of the Croydon Congregational Church of Croydon. Her hobbies are reading and cross stitch. Bea has one Grandson, Nick Avery, Roberta's son, and one Great Granddaughter, Hayley Avery, Nick's daughter. Both Charleen Smith Little and her husband Edward and Nick Avery and his wife Staci live on land that was once part of the original farm.

Bea's husband Robert E. Smith passed away in April 2014.

One story that Bea likes to tell is how she got her new name of Beatrice H. Smith. It seems when she first moved to Croydon in 1961 and tried to register to vote one of the Supervisors of the checklist said the town already had a Beatrice A. Smith in town, who lived on Ash Swamp Brook Rd. So Bea took the first letter of her maiden name as her middle initial.

The Croydon Historical Society publicly presented the cane to Bea at our tractor parade event on August 9th, 2014.

Incorporated: 1763

Origin: Chartered in 1763, Croydon was named for a suburb of London, the location of a palace under which several archbishops of Canterbury were buried. Among the grantees was Captain Stephen Hall, whose grandson Samuel Read Hall (1795-1877) was born in Croydon. Professor Hall established the first teacher training school in the US, authored the first instructional book for teachers, and was reputed to be the first teacher to use a blackboard. He taught at several New England colleges, including Phillips Andover Academy and Holmes-Plymouth Academy, now Plymouth State University.

Villages and Place Names: Croydon Flat, Ryder Corner

Population, Year of the First Census Taken: 537 residents in 1790

Population Trends: Population change for Croydon totaled 436 over 53 years, from 312 in 1960 to 748

in 2013. The largest decennial percent change was a 37 percent increase between 1980 and 1990; the smallest change was a six percent increase between 1990 and 2000. The 2013 Census estimate for Croydon was 748 residents, which ranked 202nd among New Hampshire's incorporated cities and towns.

Population Density and Land Area, 2013 (US Census Bureau): 20.3 persons per square mile of land area, which tied with Milan. Croydon contains 36.8 square miles of land area and 0.7 square miles of inland water area.

Regional Planning Commission

October 6, 2014

Town of Croydon
879 NH Route 10
Croydon, NH 03773

Greetings,

At their August 2014 meeting, the Commission approved Municipal and County membership dues for Fiscal Year 2016. The Town of Croydon membership dues for Fiscal Year 2016 (July 1, 2015 through June 30, 2016) will be \$1,006.95. This letter is for your budgetary planning purposes, and an invoice for this amount will be sent in June/July of 2015.

It has been a very productive year at the Commission, and a report that you can include in your Annual Town Report will be forthcoming. A copy of the Commission's annual financial audit will be available on our website (www.uvalsrpc.org) in the coming weeks. If you wish to see a copy sooner, please contact your appointed Commissioner(s) or give us a call.

Municipal and County dues continue to be a vital part of the Commission's overall budget for three reasons:

- First, in fiscal year 2015, municipal and county dues will enable the Commission to leverage more than \$600,000 in other sources that will provide services and advance local projects throughout the region.
- Second, municipal and county dues allow Commission staff to provide Planning Board and other local technical assistance, demographic research, ordinance development, and local regulatory assistance. We are able to use a portion of dues to develop regional training programs that build local planning knowledge and decision-making capacity in the region's communities.
- Third, the Commission's state funding (from the NH Office of Energy and Planning) totals approximately \$10,000 per year. This is the only funding the Commission receives to provide technical assistance to the 27 communities within the region aside from municipal dues. With the exception of dues, all other funding sources are project-specific and do not afford the Commission the flexibility to assist communities when they inquire about local issues.

The Commission is also continuing the Service Incentive Program (SIP) which allows communities to use up to 15% of their paid dues each year, up to 50% of any project, towards other assistance that they may need from the Commission. For Fiscal Year 2016, your community could use \$151.04 toward contracted services with the Commission through this

program. Many communities utilize the Service Incentive Program for Commission assistance in developing their local Master Plan or other local planning projects.

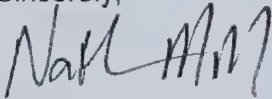

As members of the Commission, the Town of Croydon has the authority to appoint two Commissioners to help guide the organization. Our records currently indicate that the Town of Croydon has appointed the following Commissioner(s).

- Vacant

Please keep us up to date on any changes to your Commissioner status, so that we can ensure your Commissioners are involved in all that we are doing. We look forward to another productive and engaging year.

I would be happy to meet with you at your convenience to provide an overview of how the Commission can assist your community or answer any questions you may have about the organization. Please feel free to call or stop by our office any time.

Sincerely,

November 7th, 2014

Board of Selectmen
Town of Croydon
879 Route 10
Croydon, NH 03773

Dear Board of Selectmen,

I am writing to respectfully request that the Town of Croydon appropriate \$2,111.40 of Town funds to Lake Sunapee Region VNA & Hospice (LSRVNA) in FY2015 to support unreimbursed and charity care provided by LSRVNA to Croydon residents. This request is equal to a per capita rate of \$2.76 and is based on a Town population of 765.¹

In 2014 - our 44th year - LSRVNA continued to provide all services, except for long-term private duty care, regardless of individual insurance coverage or ability to pay, in Croydon and other local towns which support our operations. As in years past, LSRVNA shares a symbiotic relationship with local residents and town governments. Despite the value of the services we provide, LSRVNA would not be able to offer these comprehensive home health and hospice services, especially in cases of limited ability to pay, without the support of our towns and their residents. In our 2013 *Community Benefits Report* filed with the NH Division of Charitable Trusts, LSRVNA quantified and reported that under-reimbursed or unreimbursed services it provided to the community had a total value of nearly a half a million dollars.

The U.S. Census Bureau continues to report that 10,000 people turn 65 years of age in the United States every day. 70% of our agency's revenue comes from Medicare for services provided to this same age group. It is clear that the need for home care services, especially for seniors, is only going to increase.

In support of my request, I am providing compelling statistics which illustrate the depth of our involvement in the Town of Croydon. In the past year, LSRVNA:

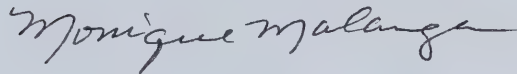

- ❖ Provided over 205 hours of nursing, therapy and in-home long term supportive care to 7 residents;
- ❖ Provided approximately 229 in-home nursing, therapy and social work visits to these residents. 2 of these visits were provided without any remuneration to

LSRVNA. The NH Medicaid program reimburses LSRVNA at roughly 60% of the Agency's visit cost;

- ❖ One resident received 13 visits through our hospice program and, thanks in part to our support, they were able to spend their last days at home. Their families and loved ones are eligible for bereavement support and counseling for the next 14 months at no cost.
- ❖ Community clinics (flu, blood pressure, Ask-A-Nurse and foot care) and support groups (caregiver, bereavement, parent-child) were utilized by 34 residents.

I realize that dollars remain at a premium, which makes me that much more grateful for your consideration. On behalf of our dedicated staff, volunteers and Board of Trustees, thank you for the leadership support that enables us to fulfill our mission to the Town of Croydon and other area communities. Please do not hesitate to call me at 526-4077 if I may be of any further assistance or if you would like me to attend a meeting.

Sincerely,

Monique Malanga

Southwestern Community Services

Over 45 years of people helping people in Cheshire and Sullivan counties

TOWN OF CROYDON

Outside Agency Request for Funding FY 2015-2016

Southwestern Community Services provides assistance through transitional housing and emergency shelter programs, workforce and senior rental housing, education and childcare, nutrition and health, energy conservation, weatherization programs, day and employment services for developmentally disabled individuals and workforce development for clients and dislocated workers.

Southwestern Community Services is requesting \$502.00 in town funding.

In 2013 – 2014 Southwestern Community Services (SCS) provided 73 units of service to the citizens of Croydon totaling **\$50,159** in direct assistance. SCS is requesting 1% of the amount of that direct support. The 1% request results in an increase from the amount requested in 2014-2015.

SCS requests support from each town in our service area. Beginning last year, SCS began to request 1% of the amount of direct support that SCS invested into that community in the previous program year. This means that from year-to-year the amount of the town funding requests will change. For example, if next year Croydon sees an increase in the amount of direct support that SCS provides, Croydon will also see an increase in the amount of funding that SCS requests from the town.

I have included SCS' Annual Report and SCS' Economic Impact Report (EIR) for Croydon. The EIR breaks down the amount of direct assistance provided to the citizens of Croydon by SCS program.

Please do not hesitate to contact me by phone at 719-4246 or by e-mail at jwhite@scshelps.org if you would like additional information regarding the agency in general or if there are additional questions about the change in SCS' policy as it relates to town funding requests. SCS welcomes open communication between the agency and the communities that the agency serves. We are happy to conduct office tours in Keene or Claremont. Agency staff is also available to present information focusing on the agency as a whole or on specific programs. SCS is grateful to have the Town of Croydon's support; we look forward to working with you in the future.

Thank you for your consideration.

SULLIVAN COUNTY NUTRITION SERVICES

NEWPORT SENIOR CENTER, INC.

P.O. BOX 387 • 76 SOUTH MAIN ST. • NEWPORT • NEW HAMPSHIRE • 03773

BRENDA BURNS, Executive Director- (603) 863-5139

September 29, 2014

Board of Selectmen
Town of Croydon
879 N.H. Rte.10
Croydon, NH 03773

Dear Members of the Board,

The threat of senior hunger is real. Seniors require greater consideration towards their health and medical needs that can become compromised when there is not enough food to eat. The number of seniors over the next several years is projected to increase at high percentages for Sullivan County.

These changing demographics will have a profound impact on our meals-on-wheels program as we try to provide adequate nutrition to those living in your community. The nutrition needs and challenges of seniors are much different than the rest of the population and must be considered.

Sixty-two percent (62%) of our clients reported he/she is experiencing food insecurities. Food insecure seniors are at increased risk for chronic health condition such as, depression, heart attack, asthma and congestive heart failure.

Sullivan County Nutrition Services (SCNS) traveled 70,117 miles last year, to provide meals-on-wheels in Sullivan County. The federal and state funding we receive does not cover the full cost of a meal. State and federal funding does not cover any cost for meals delivered above and beyond our contracted units (meals). SCNS has provided meals above and beyond the contracted units for the past ten years. By design, (nationally) the program has a part of its funding formula an element of community support.

It is that time of the year when we solicit community support for the meals-on-wheels segment of the program. Your financial support will help to insure your residents have a well-balanced nutritious meal delivered to his/her home and a safety check, which is especially important for those who live alone.

Your support, along with state and federal support, will prevent the need for placing seniors, who ask for assistance, on a wait list. At the same time, citizens with mobility problems can maintain independence and remain in his/her home.

Please allow us to continue to provide a hot meal and a safety check to elderly and disabled individuals living in your community. To help ensure that we are able to meet these basic and vital needs, SCNS ask for your support of \$204.00 (.65 cents per meal).

Without your contribution, SCNS would not meet our cash match requirement. Your contribution will allow SCNS to continue to access partial State and Federal Funds used to provide the elderly and disabled citizens in your community with a well-balanced nutritious meal, safety check and access to other services from which he/she may benefit.

I will include a factoid regarding the history of SCNS and statistics relative to this request. Should you have any questions, please feel free to contact me at 863-5139. Thank you for your continued support.

Respectfully,

Brenda Burns, Executive Director

Factoid About Meals-on-Wheels

History

The Meals-on-Wheels (MOW) program delivered its first meal in Philadelphia, PA in 1954. The program was modeled after a similar program that was started in England to support seniors during World War II. In 1972, the federal government made the program a permanent program through the implementation of the Older American's Act. The act provides a basis for providing meals to seniors (60 years or older) or people with qualifying disabilities. As an integral part of the act, the framework for funding not only involved federal support but also monies from local sources. The general formula put forth by the grant is 75 to 80% garnered from federal sources, 15 to 20% to be raised from local support (counties & municipalities) with the balance derived through private donations. Obviously these are general guidelines, but it points out that community participation and personal commitment are key elements.

Sullivan County Nutrition Services (SCNS) started its participation in the Meals-on-Wheels program in 1972, and operated out of a department store's basement in Newport. The initial program served 25 meals per day and had an initial operating budget of \$20,000. In 1980, the program established meal sites in Claremont and Charlestown to meet an ever growing need for service. Forty-two years later we are serving over 130,000 meals per year. All but two communities in Sullivan County receive meal services through this program (Plainfield, and Langdon). We have not received any requests from these communities. Should there be a request, we would make every accommodation to service the request.

Community Support

SCNS requests each community that is being served to support the MOW program. Our request reflects the number of meals and individuals that have been served in your community during the past year and the historical trend that has been experienced. If your community is not served, no money is requested. If your community has few meals and people being served historically, then it is conceivable that your requested support would be reduced. Should your community have an increase in meals served, a modest increase is often requested. The bottom line is that we simply ask for support that is commensurate with the degree of service provided and seldom is equal to the total cost of service. Any difference is raised through private donations, and is consistent with the funding formula that was put forth by the Older American's Act.

SCNS

Sullivan County Nutrition Services is a part of the Newport Senior Center, a 501(c) 3 organization. SCNS operates three congregate meal sites in Newport, Earl Bourdon Centré (Claremont) and at the Town Office Complex in Charlestown. We have an annual independent audit performed each year and must comply with all aspects of the program grant guidelines. Oversight is provided by the State of N.H., Department of Elder and Adult Services. We encourage communities to visit us and to discuss any questions they have about any aspect of the program. Thank you in advance for your support.

October 7, 2014

Dear Board members,

West Central Behavioral Health has provided high quality, research-based mental health services to vulnerable people in our region since 1977. As part of our mission to reduce the burden of mental illness and improve the quality of life in our community, we offer outpatient therapy and support services for individuals, couples, families, and groups. Our 24-hour Crisis Hotline connects callers to emergency mental health services 365 days a year.

One of our recent accomplishments has been training ordinary citizens throughout our community to respond to warning signs of mental health crises through a program called Mental Health First Aid. This training teaches people how to direct someone to professional assistance during potentially dangerous situations, and to know when to seek emergency aid. As a public service, we offer this training to the community at no cost. During the last 12 months, we have trained and certified about 150 local residents in Mental Health First Aid.

We thank the Town of Croydon for your support of West Central Behavioral Health's community programs in fiscal year 2014. During that year, West Central provided therapeutic services to 13 Croydon residents, including six children.

To help sustain our commitment to provide affordable mental health services to residents of Croydon and a broader area that includes Sullivan and southern Grafton counties, West Central Behavioral Health requests funding of \$800 from the Town of Croydon for the fiscal year running from July 1, 2015 to June 30, 2016.

West Central appreciates your continued support. Please feel free to contact me at 448-0126 ext. 2100 if you have questions.

Sincerely,

Heidi Postupack
Director of Development
West Central Behavioral Health

TOWN OF CROYDON TOWN WARRANT

Article 10. To transact any other business that may legally come before this Town meeting.

Jane Dearden asked for people to volunteer to be on a committee to help organize the 250th Town Anniversary celebration that will be in 2016.

Sharon Grader asked when the Morse House payment would be completed. It was stated that it is a 30-year note that was started in 2006. Ron Leslie then discussed his understanding of why the property was purchased and the future uses the town may be looking at for the land, such as new location of the transfer station, as the current one is in a water area, new location for highway garage as the old one is near the river also. Dave Hooley discussed the EPA testing the river behind the current highway garage in the summer of 2013.

Dave Shackett wanted to hear from the Trustees of the Trust Funds on how fund money is invested. Angela Nelson spoke at length about policies used by the Trustees on how they invest the funds and what account the funds are currently in.

Jane Dearden discussed the up-coming events of the Historical Society.

Sharon Grader suggested that everyone attend the School Board meeting that will begin at 1:00pm. This received a round of applause.

Meeting adjourned at 10:30 am

The preceding pages are a true and accurate account of the Town Elections held on March 11, 2014 and the Town Business Meeting that was held on March 15, 2014, at the Croydon Town Hall, according to the best of my knowledge and beliefs.
