IN DEDICATION

We dedicate this Annual Town Report to Charles "Charlie" Eaton for his many years of tireless and selfless dedication to the matter of Town Affairs.

Charlie was elected as a Selectman shortly after his arrival in Stoddard. His first term was to begin in 1951 and he has remained actively involved in the Town since, intermingling duties as a Selectman, auditor, Chief of Police and Constable for a period of 25 years, representing Stoddard in the NH House of Representatives in 1959 and 1961 and serving terms as a member of the NH Senate District 10. He was again elected as Selectman in the latter part of the 1970's and has served until the present time.

Now, sudden, major surgery has removed Charlie from the duties of office temporarily. We hope that this brief taste of retirement giving time to devote to family and friends that he never had before will not deter him from return to Town Government.

We wish to thank you, Mr. Eaton, for the sense of fairness that you have tried to instill in us, the great sense of humor you have imparted and the countless witty stories you have told that made us retain our sense of sanity in times that seemed most difficult, if not adverse.

SELECTMEN'S NARRATIVE

As 1984 came to a close, the Selectmen looked back over a very busy year for Town business.

Our new cemetery addition, adjacent to the Old Cemetery on Center Pond Road is now complete and lots are available for sale. If interested, please contact Evelyn Holmes.

It seems with all the new legislation and changing of laws, more responsibility has fallen on the shoulders of the Towns pertaining to roads and subdivisions. Presently the Selectmen are in litigation on three separate roads and one in particular, the Valley Road, is going to be quite costly. Again, we hope that all three will be resolved to the Town's best interest.

We wish to remind you all that this is your Town, and we hope that the citizens of Stoddard become more involved in letting their wishes be known.

The Planning Board meets at the Town Hall on the first Tuesday of every month. Please make it a point to attend.

Our Solid Waste Transfer Station has been fenced in and the area policed up. We wish to thank Andy Smith for the fine job he is doing to keep a tidy operation. We are all aware that the site is a short term solution what with so many changes taking place in Cheshire County regarding disposal of solid waste.

Our new tax maps are nearly 70% complete. We project they will be finalized by early summer. They will be of invaluable assistance to both the Selectmen and the people of Stoddard.

Those of you who attended the School Budget hearing know that the cost of education keeps accelerating every year, but not by the hand of the School Board. Tuition for Junior and Senior High School students we have little control over, and as the projected overall enrollment in Keene declines, the individual tuitions increase unless budget cuts are made at the Keene Junior and Senior High School levels.

We cannot thank enough all those involved in Town business who volunteer countless hours of their time to make Stoddard a fine Town in which to live and vacation.

STODDARD FIRE AND RESCUE DEPARTMENT

This year, the Fire & Rescue Department answered a total of 52 calls, broken down as follows: 1 Brush fire, 6 Chimney Fires, 1 Smoke Investigation, 1 House Fire, 2 Motorcycle Accidents, 4 Auto Accidents, 21 Rescue Calls, 13 Mutual Aid Calls, 1 Forest Fire, and 2 Vehicle Fires.

The Rescue Truck we purchased last year has really proven its worth many times over with 21 Rescue Calls, 4 Auto Accidents and 2 Motorcycle Accidents responded to, along with the fact that due to the addition of a Cascade System and other equipment carried on board, the Rescue Truck responds to all Fire calls as well as to Rescue Calls. The Cascade System allows us to refill our Self-contained Breathing Apparatus bottles. We have 5 Self-contained Breathing Apparatus that supply a fire-fighter with 15 minutes of clean breathing air. Now that they can be refilled 2 additional times each, that means 45 minutes of breathing air per apparatus. You can imagine the value of this added time in a blaze. Three Self-contained Breathing Apparatus are carried on the Rescue Truck and two are carried on our Attack Pumper.

We also purchased some new chimney cleaning equipment this year and an asperator for the Rescue Truck, a new First Aid Kit with miscellaneous supplies and a power Ice Auger to be used for opening holes in ice to accomadate our suction lines. This tool should save much valuable time in setting up Portable Pumps on a Pumper to draft from ponds or a stream. This equipment was all purchased with YOUR donations and we wish to thank all who donated to the department, and we hope to see you at our annual Chicken Barbeque this summer. Don't forget, the Department cleans chimneys, pumps wells, pumps cellars and refills Fire Extinguishers free of charge. We wish to apologize to anyone who had problems with our fire extinguisher service this year. The company we have done business with for the past 4 or 5 years has gone out of the refilling part of the business. The company we turned to next could not return extinguishers quicker than 4 months time. We now are doing business with a company we know will serve us better. For any of these services, call Chief Don Fleming or Deputy Chief John Cressy.

REPORT OF THE PLANNING BOARD
Town of Stoddard

The Stoddard Planning Board meets monthly on the first Tuesday of each month, at 7:30PM; anyone with business to discuss with the board may attend.

In 1984, the board received eight requests for subdivision. Six of these were approved and two that did not comply with the Stoddard subdivision regulations were denied.

At the August meeting, Chairman Charles Fosberry submitted his letter of resignation as a member of the board. Laura Fletcher was chosen to finish out his term as Chairman, and the Selectmen appointed Thomas Yocono to serve the remainder of his term as a member of the board.

Three members of the board attended lectures on municipal law presented by the New Hampshire Municipal Association. These lectures are very beneficial to the board in keeping informed concerning any changes in laws pertaining to the jurisdiction of planning boards as well as making us aware of the trend in decisions being rendered in legal cases involving towns and cities within the state.

The major project before the board at present is the preparation of a Master Plan for Stoddard. The board met with a representative from the Southwest Regional Planning Commission on January 16, 1984, to discuss the proper procedures and steps necessary to formulate our Master Plan. The information already available and research previously completed was reviewed, and it was concluded that the board could not proceed until the new tax map is completed. Lucy Hill and Fran Rumrill were selected to serve, in conjunction with the selectmen, on a committee to assure the proper naming of the streets and roads of Stoddard on the new map. We are now awaiting the completion of the new map.

The board is still deeply concerned with Stoddard's need for Zoning regulations to help in guiding future growth, but we now must have a Master Plan in place before zoning can be proposed again.

The board encourages input from the citizens of Stoddard concerning our Master Plan. We would also like to encourage abutters to attend hearings on proposed subdivisions. We are interested in hearing your views before making our decisions.

Respectfully submitted,

**REPORT
of the
TOWN FOREST FIRE WARDEN & STATE FOREST RANGER**

Our first forest fire prevention law was enacted by our State Legislature 90 years ago. This early law set in place a cooperative forest fire prevention and suppression effort between city and town governments and State government. It simply stated that no open fire could be kindled, when the ground is free of snow, without the written permission of the town/city Forest Fire Warden. This law also stated that anyone kindling a fire without written permission shall be liable for the damage caused and subject to a \$1000 fine.

During the past 90 years, this law has worked so well that it has remained unchanged. All open fires when the ground is not covered with snow must be authorized by the local Forest Fire Warden. Persons kindling a fire without a permit when one is required are liable for damages caused, fire suppression costs, and are subject to a \$1000 fine.

This cooperative fire prevention law has contributed significantly to our nationally recognized annual forest fire loss record.

REPORT OF HEALTH OFFICER

Along with the normal duties of a Town Health Officer a water testing program was conducted this year in our lakes and streams. With the usage our lakes receive they tested normal with no need for concern at this time. I will continue to monitor on a regular schedule in 1985.

STODDARD HISTORICAL SOCIETY

We were fortunate in having some very interesting speakers discussing fascinating subjects this year at the Stoddard Historical Society Meetings. These meetings are held four times a year, election of officers taking place at the annual meeting which is held in August.

Current officers are: *Joseph Coughlin*, President; *Virginia Toone*, Vice-President; *Dorothy Patnode*, Secretary; *Frances Rumrill*, Treasurer. Board of Directors: *Olga Radimska*, *Trevor Price* and *Alan Rumrill*.

The Society buildings have undergone extensive restoration and repainting this year.

Requests for our book, "The History of Stoddard", have come from all over the country and appear to be accelerating.

Many travellers visited us on Sunday afternoons during July and August and expressed surprise and appreciation at the diversity of the collection in the Society's buildings.

Our meetings are open to everyone and we welcome new members.

Meetings are held at the Town Hall in the evening on the third Monday of April, June, August and November. There are always refreshments.

Respectfully,
Joe Coughlin

REPORT ON THE STODDARD CONSERVATION COMMISSION

Back in the late 50's Stoddard Town meeting voted to establish a Conservation Commission, a municipal body created for the protection of natural and watershed resources. For the last 5 years the commission has been inactive. However, there is renewed interest and a new commission has been named by the selectmen. The members are: *Micky McKinley*, Chairperson; *Jane Abert*; *Charles Chandler*; *Charles Eaton*; *Kathy Fleming*; *John Lightbody, Jr.*

What are the responsibilities of a Conservation Commission?

- * to inventory natural resources
- * to recommend proper use of those resources
- * to coordinate local efforts on issues related to natural resources.

What are the powers of the Commission?

- * may cause local review of proposed dredge and fill projects
- * may undertake to designate prime wetlands
- * may manage town forests
- * may request funds for the Commission, which may accumulate from year to year.
- * may receive gifts of money or property and manage them
- * may acquire the fee or lesser interest in land or water rights in order to conserve or properly use natural or watershed resources.

The Commission members are eager to work to conserve the natural beauty of Stoddard. We welcome your questions, suggestions, and help.

STODDARD SCHOOL DISTRICT TEACHERS REPORT

The educational program stresses Math, Metrics, Health, Social Studies, Science, Physical Education, Music, Art, and Computer Languages. Our Language Arts program has the following components: Reading Comprehension, Grammar, Structural Skills, Phonics, Spelling, Handwriting, Capitalization, Punctuation, Dictation, Creative Writing, and Reading for enjoyment. The manner in which the students are taught is varied. Some subjects are taught in small, on grade level groups, while others are done individually and independently. Occasionally, we work in large mixed grade level groups.

Some of the people who have contributed to the success of the school this past year are: Paraprofessional Aides - Robin Dunham, Sharyn Dinkel, Beth Kemp, and Lucy Hill; Music Teacher - Karen Desrosiers; Nurse - Gail Johnson; Volunteer Physical Education Teacher - Mary Conklin; Custodians - Agnes Yocono and Ann Lord. Many thanks to the P.T.A. for helping with, and funding some of our special programs. Thanks also to Olie and Muriel Quist for their continued help.

We have continued with the traditional programs of the past. In the spring we had Prize Speaking and Memorial Day services. We added a new program this past year which has been coupled with Prize Speaking, and that is 6th Grade Graduation. Congratulations to Tracy Hamilton and Debbie Power our first graduates. We had our end of the year picnic at Granite Lake in June. Since school has started we have had our annual Halloween costume parade and Christmas program. In June of 1984 our special field trip was to Strawberry Banke with lunch by the Atlantic at Odiornne Point. Everyone enjoyed this trip.

In cooperation with the Guidance Department at Keene Junior High School, several programs are planned for the sixth graders. These include a slide presentation, a question and answer period, a visit to the Junior High School and a special meeting to acquaint parents with the Junior High School.

I was again able to obtain a \$400.00 matching grant from the NH Commission on the Arts. This is part of the "Artist In The School" program. We enjoyed folk singer Margaret McArthur; dancing with Dudley Laufman; and story telling and making soap with Cora Bard. Willard Richardson told stories of life on the farm, and butter making was lots of fun. To culminate the year's activities we all enjoyed our own home made ice cream.

Several special programs were enjoyed in 1984. Slide presentations were given by I.F.Y.E. students from Cheshire County Extension Service. We participated in the State of NH Classroom Fluoride Mouth Rinse Program. Our 3rd annual overnight was a success. In November and December the entire school participated in an Indian unit. Kass, an intern from the Harris Center, did survival shelters, weaving, and games with the students. We studied the Indians from different parts of the U.S. A high point was cooking an Indian dinner: wild game pie, succotash, and corn muffins.

Our Block Grant monies this year are being used on "Expanding Art Experiences". Eve Kenyan, a Keene artist worked with the children doing stenciling and printing. Their works were exhibited at the town hall during the Christmas program. The children took great pride in their accomplishments. More art experiences are planned for spring.

It was a very special year for us at the James M. Faulkner Elementary School. I would like to thank parents, PTA and towns people for their continued interest and support. We are proud of our school, come and visit us.

Respectfully Submitted,
Barbara K. Cutting

STODDARD SCHOOL BOARD REPORT

The Stoddard School Board meets the first Thursday of every month at the James M. Faulkner Elementary School, at 7:30 PM. Anyone wishing to appear before the board is asked to please contact a board member so that we may place your name onto the agenda.

It has been a pleasure working with new board member, Nancy Cressy. Nancy attends the Special Education meetings on behalf of the Stoddard School District.

We wish to also welcome new teacher's aide Sharyn Dinkle.

The AREA Agreement for tuition students to Keene High School grades 9-12, is in the process of being rewritten - amended. It was originally prepared almost 20 years ago, and the AREA sending board membership agreed that the language should be brought up to the 80's. Sue Bernier is currently involved in monthly AREA meetings to work on this project.

The elementary school will be repainted in the Spring. The board has budgeted for some minor landscaping work to be done at the school also.

Respectfully submitted,
Philip Hamilton, Chairman
Sue Bernier
Nancy Cressy

STODDARD SCHOOL DISTRICT NURSE'S REPORT

The School Health Program for the year 1983-84 provided an assessment of each student's physical characteristics especially related to screening of height, weight, scoliosis, vision and hearing. Any physical needs indicating further examination or treatment were referred to the parents.

Educational health information was presented during the academic year to establish a background in basic health concepts. Current concerns such as drugs, nutrition, personal hygiene, prevention and control of disease were explored. The major purpose of these presentations is to develop attitudes and behavior which will promote good physical and mental health.

Respectfully submitted
Gail Johnson, School Nurse

PTA REPORT

The Stoddard PTA meets on the first Wednesday of the month at 7:30PM at the school. Officers for the current year are: Acting Presidents - Sue Bernier & Kathy Fleming and Secretary/Treasurer - Barbara Cutting. The entire membership will again take turns being Vice-President for the year, this worked out very well last year. Due to the number of volunteers agreeing to work on the PTA's activities we look forward to another successful year. Each month a member, or two, takes full charge of all the activities for the month (hot dog days, parties, fund raisers, meeting night refreshments, etc.).

In September, the PTA began it's year with a membership supper. New members are encouraged to attend. Planning for the year, and delegation of duties took place. Thanks for the volunteerism and cooperation among members.

The annual school Halloween party was held at the end of October. We invited all preschool age children to join us at the school for the party. The PTA provided the games, prizes and refreshments.

In November a bake sale was held on Election Day, at the Town Hall. The PTA would like to thank all those who worked on the sale, those who generously donated food items, and the townspeople who made our sale a financial success.

December was a very busy month for active PTA members. The annual PTA Christmas party was enjoyed by all - thanks to the great cooks for all the delicious refreshments. All Stoddard elementary and preschool age children received a gift from Santa. Stoddard 4-H members, and some PTA helpers provided the refreshments for the evening. This was part of the PTA sponsored Christmas Program. We wish to thank Gordon Garnett for the beautiful tree he provided for the event. A special thanks goes to Santa.

The PTA was involved in many other events during the year, which included: twice a month Hot Dog Days at school, an Annual Pot Luck Supper in April, a Penny Social (silent auction - watch for posters of the event), Nancy Evans was invited as a guest speaker to inform our membership about the Chapter I program, an assembly was funded and an IFYE Speaker for the school children, a printer was purchased for the school computer, food was provided for the cookout at the end of the year, prizes were provided for Annual Prize Speaking Night, refreshments were provided for the 4-H Achievement Night, and additional shelves were purchased for the new bookcases at school.

Come out and join us. Help support your school and the children of Stoddard!
