---

In the death of High Sheriff Frederick D. Elliott on May 16th, 1944, this County lost a most efficient official and a man who was held in the highest esteem by citizens in all walks of life.

He was first elected Sheriff at the fall election in 1916, and at every election thereafter, was re-elected by the highest vote of any candidate on the ticket; and during the years that he served as an enforcement officer, won the respect of all with whom he came in contact by his love of fair dealing.

He was a native and life long resident of Laconia, and in his early years was identified with his father, the late Dana Elliott in the trucking business, and later was in business for himself, operating, with his son, the Laconia Street Railway and other enterprises.

During the years he served as sheriff he conducted the investigation of two murders; one of the respondents is now serving a life sentence at the State Prison in Concord, and the other was executed for his crime.

He was successful in bringing to justice many criminals for various offenses.

He was twice married. His first wife, Grace Swain Elliott, died November 1st, 1927. He later married Charlotte Guay Elkins, who survives him. Sheriff Elliott's family included four children, Deputy Sheriff Fred S. Elliott, who recently filled out the term of his father as High Sheriff, and who is now a deputy on the staff of Sheriff Homer Crockett, Mrs. Marguerite Aldrich, Mrs. Dorothy Surpine and Thomas Elliott.

Clerk Heating Committee

Belknap County Farm, Laconia, N. H.

May 23, 1944

At a meeting of the Belknap County Delegation the following members were present: Chairman Arthur H. Lord, Oe Varney, Jos. Cotton, Richard Varney, David O'Shan, Geo. W. Tarlson, Alfred L. Guay, Elmer Tilton, Malcolm Barney, John M. Ewing, C. O. Hopkins, Chas.

F. Stafford, Forest A. Bucklin, Joseph W. Smith, Walter Woodman and Ned Rogers. Also present were the Board of County Commissioners: Chairman Oliver M. Colby, Joseph F. Smith, and Jason E. Sanborn, State Senator Lewis Wilkinson, and Mr. Gifford, heating engineer.

After an excellent dinner served at noon, Chairman Lord called for a rising vote of thanks to Supt. and Matron Mr. and Mrs. Flanders for the splendid dinner and the courtesy shown the members of the delegation. The vote was unanimously in the affirmative.

Chairman Lord called upon the chairman of the heating committee, Malcolm Barney, for a report of the findings of the committee. Mr. Barney presented six bids for the improvement of the heating system for the Court House and presented Heating Engineer Gifford, who explained the different types of heating and advised some kind of automatic heat by use of an automatic stoker, which he advised would amply take care of both the Court House and the new addition. Chairman Lord inquired as to the durability of such a system. Mr. Gifford said it would last a long time; he further explained the difference between inside and outside control of heat and said with the automatic stoker system and outside control, it would reduce the consumption by about 15%.

Mr. Barney further explained that all the bids offered the automatic stoker would burn soft coal. Discussion followed by Mr. Cotton, Mr. O'Shan and others regarding system. Mr. Barney then called for the reading of the bids for installing the automatic heating. Mr. Hopkins then read the following bids:

Cleghorn, \$3892.00; B. G. Walker, \$1900.00; Sidney F. Baker, \$2120.00; Meredith Heating & Plumbing Co.,

\$2195.00; Franceour & Keroack, \$2096.00 and Northern Heating and Plumbing Co., \$2045.00.

Mr. Cotton inquired further of Mr. Gifford as to what assurance we have that this type of plant would fulfill the needs and requirements to give adequate heat. Mr. Gifford replied that he knew of other instances where the system has given satisfaction and that there was no reason why it would not give satisfaction in this case.

Chairman asked Commissioner Colby to explain to the delegation how payments for this improved heating would be met. Mr. Colby inquired of Mr. Gifford for an estimate of the cost of new piping and work not specified in the bids for additional heating. Mr. Gifford gave as an estimate the cost would be \$275.00 (two hundred seventy-five dollars). Mr. Colby recommended that we accept this figure, the estimate of Mr. Gifford. Mr. Colby stated there would be, or that the board of Commissioners would try to save enough from the 1944 budget to meet the cost of these bills for the automatic stoker and for the additional work not specified.

Moved by Elmer Tilton, seconded by Mr. Cotton, that we go into executive session. The vote was in the affirmative.

It was moved by Mr. Stafford, seconded by Elmer Tilton, that the appreciation of the Delegation be extended to the Heating Committee for their fine report given us on the heating of the Court House Building. The vote was unanimously in the affirmative.

Moved by Malcolm Barney that the County Commissioners be given authority to award the contract

for the remodelling of the Heating Plant at the Court House to the lowest bidder, B. G. Walker, in the amount of \$1900.00; also to reimburse Mr. Gifford for his work as engineer in connection with the work, in an amount not to exceed \$200.00; to pay for any other work necessary for the completion of this work, as early as possible and that these items be paid for from money already appropriated for operation of Belknap County for the year 1944. The vote was unanimously in the affirmative.

Further remarks regarding the contracting of the heating of the Court House were made by Mr. Guay and others; Mr. Tilton suggested that the contractors are responsible men and that they would be under the supervision of Heating Engineer Gifford from start to finish.

Moved by Mr. Hopkins, seconded by Mr. Tilton, that we adjourn. The vote was in the affirmative. Meeting adjourned at 2:35 P. M.

## COMMISSIONERS' REPORT

---

To the Citizens of Belknap County:

In compliance with the laws of the State of New Hampshire, the Commissioners of Belknap County present the annual report of the County Commissioners, Treasurer, Superintendent of Home and House of Correction, Clerk of Superior Court, Sheriff, Solicitor, Chaplain, and Auditors for the year ending December 31, 1944.

### COUNTY HOME

In presenting this report we want you to be fully conscious of the fact, that the year 1944 was not an easy one in which to carry on institutional work. It has been well nigh impossible to secure competent laborers even though high wages were paid. However in spite of all difficulties the administration of the Home under the supervision of Mr. and Mrs. Leon Flanders has been on the whole satisfactory. Abundant crops have been harvested. These with plenty of milk, cream, beef and pork raised and consumed at the Home, have aided materially in furnishing good, wholesome food to all. Come to your Belknap County Home and thus secure first hand knowledge of conditions there. A welcome awaits you.

### WELFARE AND RELIEF

The cost of relief during 1944 was considerably less than in 1943. Again the reason for this was plenty of work at good wages.

### BELKNAP MTS. RECREATION AREA

In accordance with the vote of the County Delegation authorizing the Commissioners to do what they

---

thought best; the Recreation Area is open to the public this year, being operated only to a limited extent due to the present war-time conditions.

**SPECIAL**

Again, we wish to call the attention of the citizens of Belknap County, to the most important fact of all, as was stated in the 1943 report. We think the taxpayers should have in mind, the fact, that a new building is very badly needed in which to care for the inmates at the County Home.

Respectfully submitted,

OLIVER M. COLBY,  
JASON E. SANBORN,  
JOSEPH F. SMITH,

*County Commissioners.*

**DIVISION OF MUNICIPAL ACCOUNTING  
STATE TAX COMMISSION  
Concord, New Hampshire**

September 14, 1944

Board of County Commissioners,  
Belknap County  
Laconia, New Hampshire

Gentlemen:

In accordance with the provisions of Chapter 82, Section 27, of the Revised Laws, the biennial audit and examination of the accounts of Belknap County has been made by the Division of Municipal Accounting of the State Tax Commission. This audit covered the fiscal years ending December 31, 1942 and December 31, 1943, and the period from January 1, 1944 to July 31, 1944. Submitted herewith is the report of this audit, including Exhibits and Schedules as hereafter listed.

**SCOPE OF AUDIT**

Included in the audit and examination were the accounts and records of the Board of County Commissioners, County Treasurer, Clerk of the Superior Court and Superintendent of the County Farm.

**FINANCES**

**Ten Year Statements:**

Statements covering a ten year period, which have been prepared from reports on file in this office, and which indicate the trend of Belknap County finances during this period, are presented in the following exhibits:

- I Comparative Balance Sheets
- IV Apportionment of County Taxes
- V Classified Summary of Receipts and Expenditures

**Change in Net Debt:**

Year ended December 31, 1942 (Exhibit II)

Year ended December 31, 1943 (Exhibit III)

In these Exhibits an analysis of the change in Net Debt is made.

It will be noted that in the year ended December 31, 1942, the Net Debt of the County was decreased by \$33,539.84. This decrease was occasioned by a substantial budget surplus and the payment of maturing bonds during the year.

In the year ended December 31, 1943, a reduction of \$32,691.76, was made in Net Debt. As in 1942, this decrease in Net Debt resulted from a budget surplus and the payment of maturing bonds.

It is of interest to note, however, that in each of these years the amount of cash surplus of the previous year was used as estimated revenue in the preparation of the current budget and the calculation of the County tax. This amounted to \$17,083.23 in 1942, and \$22,448.49 in 1943. It is commendable therefore that a substantial reduction in Net Debt was made in each of these years despite the fact that almost \$40,000.00 of the cash surplus was used as heretofore stated, inasmuch as the use of the cash surplus necessarily decreases the asset and consequently increases Net Debt.

**Bonded Debt and Annual Maturities: (Exhibit VI-A)**

All outstanding bond issues are included in Exhibit VI-A, which indicates the original amount and date of each issue, and the annual maturities of principal and interest. It is noted that the final maturities of the 1935 Refunding Bonds occur in 1945, the 1939 Refunding Bonds in 1948, and the 1937 Refunding Bonds in 1957.

**Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues:**

Fiscal Year ended December 31, 1942 (Schedules A-2 & A-3)

Fiscal Year ended December 31, 1943 (Schedule B-2 & B-3)

In the year 1942, an excess of actual revenue over estimated revenue of \$531.30, and a net unexpended balance of appropriations of \$21,917.19, resulted in a net budget surplus for the year of \$22,448.49.

In 1943, an excess of actual revenue over estimated revenue of \$1,079.17, and a net unexpended balance of appropriations of \$24,029.30, produced a net budget surplus of \$25,108.47.

**Summaries of Receipts and Expenditures:**

Fiscal Year ended December 31, 1942 (Schedule A-1)

Fiscal Year ended December 31, 1943 (Schedule B-1)

Period Jan. 1, 1944 to July 31, 1944 (Schedule C-1)

Summaries of the receipts and expenditures of the County, made up in accordance with the uniform classification of accounts, for the fiscal years ended December 31, 1942, December 31, 1943, and the period from January 1 to July 31, 1944, are presented in Schedules as indicated. Proof of the Treasurer's balance, as of July 31, 1944, is shown in Schedule C-2.

**Accounts of Commissioners and Treasurer**

All orders issued by the County Commissioners and Clerk of the Superior Court during the period under review were examined and compared with corresponding entries in the Treasurer's records. Supporting vendors' invoices, payrolls and County relief orders were likewise examined. The classification of expenditures, as noted and the totals of receipts and expenditures, as indicated by the Treasurer's records, were verified.

---

### **County Farm Accounts**

The accounts and records of the Superintendent of the County Farm were examined and audited. Receipts of the Farm from the sale of milk, livestock, produce and wood, and for board and care, were checked by source through the triplicate receipt forms. All funds from these sources were properly accounted for by the Superintendent through deposits to the credit of the County Treasurer's account in the Laconia National Bank.

Expenditures made from the Farm Superintendent's Petty Cash fund were supported by proper receipts.

### **Clerk of the Superior Court**

The financial accounts and records of the Clerk of Belknap County were examined for the period covered by the audit of other County accounts. Invoices, expense accounts and payrolls supporting orders issued by the Clerk of Court were inspected. Receipts from fines, costs and bail were checked from the court dockets and found to be properly recorded by the Clerk with one exception. An adjusting entry covering this omission will be made by the Clerk and will be included in his September 1944 account.

## **GENERAL COMMENTS**

### **County Farm — Classification Book and Invoice**

It is recommended that the use of a classification book for recording county farm receipts and expenditures be adopted. This should be similar in form to those used in other counties, but adapted to the particular requirements of Belknap County. Sample forms will be submitted.

Inasmuch as this record book would be kept in the office of the County Commissioners, the Superintendent should be provided with a rubber stamp which would provide the following information:

1. Extensions Verified .....
2. Approved by .....
3. Charge to Account .....
4. Bid or Waiver No. ....
5. Paid by County Order No. ....

Each invoice should be stamped by the Superintendent and after it has been approved by him and the proper classification noted thereon, it should be sent to the Commissioners for payment and recording.

Monthly totals of receipts and expenditures may be transferred from the farm classification book to the general fund book in which all County receipts and expenditures are recorded. Inasmuch as each order issued in payment of a County Farm account will be entered separately in the County Farm book by number, name of payee and amount, it will not be necessary to duplicate this information in detail in the general fund book of the County. This also applies to County Farm receipts as each item should be entered in the County Farm book, indicating the name of the remitter and the source of the receipt.

#### **Discounts:**

County Farm bills which are subject to discount should be approved by the Superintendent and sent to the Commissioners for payment before the discount period expires.

#### **Triplicate Receipts:**

The triplicate copies of the individual receipt forms issued by the Superintendent of the County Farm should be attached to the summaries which are sent to

the Commissioners' office covering remittances made with the County Treasurer.

**County Officers' Expense Accounts:**

During the course of the audits of the several counties, the need for a standard form on which the Commissioners and other County officials can report expenses incurred in the conduct of their office has become apparent. This Division is developing a form for this purpose and its use is recommended. A copy of this form will be submitted as soon as it is completed.

**Competitive Bidding:**

As stated in the report of our previous audit, all purchases of over \$50.00, should be subject to competitive bidding. It is recognized that under conditions which exist at present it is increasingly difficult to always secure bids on contemplated purchases. However, we believe that in cases where bids are not forthcoming or where bidding will not fulfill its purpose, the Commissioners should waive such bidding and attach the waivers to the proper invoices and vouchers as required by law.

**Exemption from Federal and State Excise Taxes:**

Under the provisions of the 1942 Revenue Act, counties and municipalities are exempted from the payment of excise taxes levied on purchases of certain commodities by the federal government. The exemption also applies to the transportation of property. A schedule indicating items specifically exempted is enclosed herewith.

When making purchases of materials or equipment, as indicated therein, it should be required that invoices

show the gross price, the amount of the tax, and the net price to the County. Exemption certificates should be filed to avoid payment of the tax.

The County is also exempt from the payment of the State tax on gasoline used for other than highway purposes. An account of gasoline so used should be kept and application for rebate filed with the State Treasurer within 90 days of purchase. (Revised Laws-Chapter 120-Section 10)

**Recreation Area—Inventory of Equipment :**

It is recommended that an inventory be made of all equipment, materials and supplies owned by the County at the Recreation Area. This inventory should be kept up to date by the proper recording of the acquisition or disposal of such equipment, materials, or supplies.

**Conclusion :**

The accounts and records of all county officials were found to be in good condition and the accounting procedure, with certain exceptions as noted herein, conformed to the standard procedure prescribed by this Division.

Section 31 of Chapter 211, Laws of 1939, provides that: "Upon completion of each audit, as herein provided, a report thereof, shall be made to the proper local officials and a copy of such report or a summary of its essential features shall be published in the next annual report of the county, city, town, school district, village district or precinct concerned."

In accordance with the provisions of this law, therefore, the text of this report should be printed in the next annual County report in its entirety. The publication of Exhibits and Schedules is optional.

Our appreciation and thanks is hereby expressed to all County officials and employees for their assistance during the course of the audit.

Yours very truly,

## REPORT OF SUPERINTENDENT

---

To the Commissioners of Belknap County:

Gentlemen: We hereby submit our report of the year ending December 31, 1944, for Belknap County Home, House of Correction and Jail.

We wish to thank all who have cooperated in any way in maintaining this Home under conditions which are far from normal. There is much to be said, of which we could go into detail, but it would take space and paper which is not consistent with the war effort.

Early in the year it was voted by the delegation to change what has for years been known as the Belknap County Farm to henceforth be known as the Belknap County Home and we notice with satisfaction that the new name is already well established.

Some necessary repairs have been made in the main institution but shortage of labor and material have prevented any extensive improvement or repairs.

We have been fortunate in receiving consideration from all with whom we have dealings, so that we have been enabled to secure sufficient supplies of food, clothing and medicinal requirements.

We shall endeavor to keep everyone at the Home as comfortable and happy as possible.

Respectfully submitted,  
LEON W. FLANDERS, Supt.  
BEATRICE M. FLANDERS, Matron

### REPORT OF COUNTY SOLICITOR

---

To the Board of County Commissioners and the  
Citizens of Belknap County:

The grand jury did not sit at the March 1944 Term of Superior Court. There were only three charges of felonies pending at the time and the nature of those was such that they were disposed of in the lower courts with the prior approval of the Chief Justice of the Superior Court and the presiding justice for the March Term.

At the October Term 1944 five indictments were returned against four persons, and disposition was as follows:

(1) State vs. Philip G. Little—breaking, entering and larceny. Plea, guilty. Sentence: three to five years in the state prison; committed.

(2) State vs. Philip G. Little—rape. Nol prossed.

(3) State vs. Morrison J. Kelley—breaking, entering and larceny. Plea, guilty. Sentence: one year in the House of Correction; suspended. Probation for three years.

(4) State vs. Stanley R. Perkins—forgery. Plea, guilty. Sentence: one year in the House of Correction; Suspended. Probation and ordered to pay costs of \$75.00. (Restitution made prior to arraignment.)

(5) State vs. Carroll F. Brown—larceny by bailee. Plea, guilty. Sentence: one year in the House of Correction; committed.

Of the five offenses, four were committed in the city of Laconia and one in Alton.

More than seventy-five cases of criminal prosecutions have been handled by this office during the past year, including the felonies above mentioned, and in addition to advising in regard to matters which did not result in formal criminal complaints.

A change interesting to your solicitor is in the character of non-support cases. Previous to the present war such cases usually involved poor living conditions and low incomes. Today such cases more often involve the freedom and decrease in sense of responsibility which come sometimes with increased earnings.

Respectfully submitted,

ROBERT V. JOHNSON,  
County Solicitor

**CHAPLAIN'S REPORT**

---

Belmont, N. H.

February 5, 1945

Belknap County Commissioners

Court House

Laconia, N. H.

Gentlemen:

It hardly seems possible that this can be my thirteenth annual report as Chaplain of Belknap County Home and I wish to thank you for your kind cooperation during these years of service. I feel very sure that much good has been done and that God has used the efforts made to the comforting the hearts of those whom I have tried to help. Services are held the first Sunday of the month at 1:45 in the afternoon in the men's dining room which all the inmates of the Home, Jail and House of Correction are privileged to attend and many avail themselves of the opportunity to do so. I owe much to those who have so kindly assisted in the conduct of the meetings. Commissioner Sanborn has been most kind in being present nearly every Sunday during the year helping us in our musical program. Miss Hazel M. Tinkham as pianist, Mrs. Maud Hackett and Mrs. Beatrice Flanders have been most faithful in helping in the worship services.

During the year there has been much sickness and, as to be expected, several deaths. All that can be done to help those who are sick and dying has been done by Supt. and Mrs. Flanders. I personally wish to thank them for their kindness to me, as Chaplain, and their kindness to those under their care. Only those who have been in close touch with the work of the Belknap

County Home can realize how great the burden is, with the shortage of good help in the Home and on the Farm.

Trusting that the blessing of God may be given you as Commissioners during the coming year and all those who are charged with the responsibility of carrying on the affairs of our fine County of Belknap, I am,

Sincerely,
