SUMMARY ANNUAL TOWN MEETING

MARCH 9, 2010

At 7:30 p.m. Moderator Desjardins welcomed all to the annual meeting and introduced himself, Town Clerk Jean Oleson, Town Manager Edward Samson and Selectmen Leo Enos, David Stickney and Allan Carr. He thanked the Deputy Moderators (Don Crane, Ben Oleson and Ed Samson), Supervisors of the Checklist and all the election volunteers.

The colors were brought forward by the JROTC from WMRHS. Moderator Desjardins introduced Imani and Isabella Gaetjens-Oleson who sang the National Anthem. The Pledge of Allegiance was led by Allvin (Whitey) Leonard.

Town Manager Ed Samson also welcomed everyone to the Annual Town Meeting. He acknowledged that this year's town report is dedicated in memory of Regis Cronauer who passed away in March of 2009. Mr. Cronauer was instrumental in leading the Ambulance Corp to where it is today. He served on the Fire Dept and did a lot for the town and deserved the recognition.

Mr. Samson also acknowledged the cover of the Annual Report. It is a picture taken by a local resident and generously donated for the cover. He also thanked Charity Blanchette for once again preparing the annual report. Mr. Samson thanked all those who put the budget together; from the department heads to the Board of Selectmen and the Budget Committee. He noted that the town employees do an excellent job and the Town is fortunate to have them.

Moderator Desjardins stated that the polls opened at 8:00 a.m. for voting on the official ballot items, Article 1 election of town officers, the school ballot and the school warrant articles and the special Election State ballot. He said the polls closed at 7:00 p.m. for those purposes and the deliberative phase is now convening for consideration of warrant articles 2 – 26. Moderator Desjardins stated that the voter check in system will be used again this year and reminded those who had not received their voter cards to do so now.

Article 1 Election of Officers

Selectman, Leon H. Rideout	3 year term
Moderator, Paul D. Desjardins	2 year term
Supervisor of Checklist, Sandra E. Doolan	6 year term

Colonel Town Investment Committee	
No filings – many write-ins	
David Fuller, Jr (appointed)	March 2011
Charles Schmidt (appointed)	March 2011

Article 2 – Capital Reserve Funds

To see if the Town will vote to raise and appropriate the sum of One Hundred Thirty Five Thousand Dollars (\$135,000.00) to be added to the following Capital Reserve Fund accounts previously established for the purpose and in the amounts indicated:

Highway	\$ 40,000.00
Fire Department	\$ 40,000.00
Town Hall Improvements	\$ 10,000.00
Bridge Replacement	\$ 20,000.00
Revaluation	\$ 10,000.00
Police Dept	\$ 5,000.00
Library	\$ 5,000.00
Cemetery	<u>\$ 5,000.00</u>
Total	\$135,000.00

Article 2 was moved and seconded. Discussion followed. Article 2 carried.

Article 3 – Purchase new front end loader

To see if the Town will vote to raise and appropriate the sum of One Hundred Ten Thousand Dollars (\$110,000.00) to purchase a new front end loader and to authorize the withdrawal and expenditure of said sum from the Highway Capital Reserve Fund created for that purpose.

Article 3 was moved and seconded. Discussion followed. Article 3 carried.

Article 4 - Purchase new tank truck

To see if the Town will vote to raise and appropriate the sum of One Hundred Seventy Six Thousand Dollars (\$176,000.00) to purchase a new tank truck and to authorize the withdrawal and expenditure of Eighty Eight Thousand Dollars (\$88,000.00) from the Fire Department Capital Reserve Fund created for that purpose and Eighty Eight Thousand Dollars (\$88,000.00) from the fund balance surplus.

Article 4 was moved and seconded. Discussion followed. Article 4 carried.

Article 5 – Purchase new ambulance

To see if the Town will vote to raise and appropriate the sum of Seventy Thousand Dollars (\$70,000.00) for the purchase of a new ambulance and to authorize the withdrawal and expenditure of said sum from the fund balance surplus.

Article 5 was moved and seconded. Discussion followed. Article 5 carried.

Article 6 – Purchase new skid steer for Transfer Station

To see if the Town will vote to raise and appropriate the sum of Twenty Four Thousand Dollars (\$24,000.00) to purchase a new skid steer for the Transfer Station and to authorize the withdrawal and expenditure of Twenty Thousand Dollars (\$20,000.00) from the Motor Vehicle Waste Fund, a special revenue fund created for that purpose and Four Thousand Dollars (\$4,000.00) from the 5 Cent Can Fund, a special revenue fund created for that purpose.

Article 6 was moved and seconded. Discussion followed. Article 6 carried.

Article 7 – Purchase new tractor and lawn mower for Colonel Town

To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand Dollars (\$25,000.00) for the purchase of a new tractor and lawn mower for the Colonel Town Recreation Department and to authorize the withdrawal and expenditure of said sum from the fund balance surplus.

Article 7 was moved and seconded. Discussion followed. Article 7 carried.

Article 8 – Improvements to the Williams Street drainage system

To see if the Town will vote to raise and appropriate the sum of Four Hundred Fifty Five Thousand Eighty-Seven Dollars (\$455,087.00) for the purpose of making improvements to the Williams Street drainage system. Out of this amount Three Hundred Forty Three Thousand Six Hundred Fifty Dollars (\$343,650.00) will be paid from a FEMA Hazardous Mitigation Grant. The remaining One Hundred Eleven Thousand Four Hundred Thirty Seven Dollars (\$111,437.00) to be drawn from the fund balance surplus. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the Williams Street Drainage Project is completed or by December 31, 2015 whichever is sooner. (Recommended by the Board of Selectmen and the Budget Committee)

Article 8 was moved and seconded. Discussion followed. Article 8 carried.

Article 9 – Feasibility Study for Town's sewer lines

To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand Dollars (\$25,000.00) for a feasibility study of the Town of Lancaster's sewer lines and to authorize the withdrawal and expenditure of said sum from the fund balance surplus.

Article 9 was moved and seconded. Discussion followed. Article 9 carried.

Article 10 – American Red Cross

To see if the Town will vote to raise and appropriate the sum of One Thousand Five Hundred Twenty Five Dollars (\$1,525.00), \$.45 per capita (based on 2008 Lancaster population of 3388), for the support of the American Red Cross

Article 10 was moved and seconded. Discussion followed. Article 10 carried.

Article 11 – Lancaster-Whitefield-Littleton Tri-Town Public Transit

To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) for the support of the Lancaster-Whitefield-Littleton Tri-Town Public Transit Route.

Article 11 was moved and seconded. Discussion followed. Article 11 carried.

Article 12 – Senior Wheels Demand Response Program

To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) for the support of Senior Wheels Demand Response Program.

Article 12 was moved and seconded. Discussion followed. Article 12 carried.

Article 13 – CASA

To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500.00) for the support of CASA (Court Appointed Special Advocates) of New Hampshire.

Article 13 was moved and seconded. Discussion followed. Article 13 carried.

Article 14 – Caleb Interfaith Volunteer Caregivers

To see if the Town will vote to raise and appropriate the sum of Three Thousand Five Hundred Twenty Dollars (\$3,520.00) for the support of the Caleb Interfaith Volunteer Caregivers.

Article 14 was moved and seconded. Discussion followed. Article 14 carried.

Article 15 – North Country Senior Meals Program

To see if the Town will vote to raise and appropriate the sum of Four Thousand Five Hundred Dollars (\$4,500.00) for the support of the North Country Senior Meals Program.

Article 15 was moved and seconded. Discussion followed. Article 15 carried.

Article 16 – Mt Washington Regional Airport

To see if the Town will vote to raise and appropriate the sum of Two Thousand Four Hundred Sixty Dollars (\$2,460.00), \$.75 per capita, for the Town's share of the operating budget for the Mt. Washington Regional Airport for the current fiscal year.

Article 16 was moved and seconded. Discussion followed. Article 16 carried.

Article 17 – Northern Human Services/White Mountain Mental Health

To see if the Town will vote to raise and appropriate the sum of Five Thousand Eight Hundred Five Dollars (\$5,805.00), for the support of Northern Human Services/White Mountain Mental Health.

Article 17 was moved and seconded. Discussion followed. Article 17 carried.

Article 18 – Northern Gateway Chamber of Commerce

To see if the Town will vote to raise and appropriate the sum of One Thousand Six Hundred Seventy Nine Dollars (\$1,679.00), \$.50 per capita, for the support of the Northern Gateway Chamber of Commerce.

Article 18 was moved and seconded. Discussion followed. Article 18 carried.

Article 19 – Mt Prospect Ski Club

To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) to pay for the cost of operating the Mt Prospect Ski Club.

Article 19 was moved and seconded. Discussion followed. Article 19 carried.

Article 20 – Community Contact Division of Tri-County Community Action

To see if the Town will vote to raise and appropriate the sum of Four Thousand Six Hundred Dollars (\$4,600.00) for the support of the Community Contact Division of Tri-County Community Action.

Article 20 was moved and seconded. Discussion followed. Article 20 carried.

Article 21 – Accept Mary Elizabeth Lane and Sunnyview Drive

To see if the Town will vote to accept Mary Elizabeth Lane and Sunnyview Drive as depicted on those plans entitled "Subdivision of Land, High Point Acres, for Emmanuel Marceau, Prospect Street, Lancaster, New Hampshire" by Mark VanderHeyden, L.L.S., dated March 13, 2002 and recorded in Coos Deeds as Plan #2019 (sheet 1 of 2) and Plan #2020 (sheet 2 of 2). Mary Elizabeth Lane and Sunnyview Drive are also shown on Map R10 of the Town of Lancaster Tax Maps.

Article 21 was moved and seconded. Discussion followed. Article 21 carried.

Article 22 – Adopt amendment to Mt Washington Reg. Airport Authority

To see if the Town will vote to adopt the 2010 Amendment to the Mount Washington Regional Airport Authority Intermunicipal Agreement. Copies of the 2010 Amendment, as well as the existing Agreement, are available for review at the Lancaster town office, and will also be available the day of the meeting.

Article 22 was moved and seconded. Discussion followed. Article 22 carried.

Article 23 – Resolution – definition of "marriage".

To see if the Town will vote to approve the following resolution to be forwarded to our State Representative(s), our State Senator, the Speaker of the House, and the Senate President.

Resolved: The citizens of New Hampshire should be allowed to vote on an amendment to the New Hampshire Constitution that defines "marriage". (By Petition)

Article 23 was moved and seconded. A petition requesting a written ballot vote on Article 23 was presented to the Moderator. A lengthy discussion followed. Article 23 carried – 88 yes and 73 no.

Article 24 – Lancaster School Playground

To see if the town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000) for the Lancaster School Playground (additional equipment) and Outdoor Fitness/Walking Trail. The rest of the \$80,000 estimated cost will be raised through grants and other contributions. (By Petition) (Not recommended by the Board of Selectmen and not recommended by the Budget Committee)

Article 24 was moved and seconded. A lengthy discussion followed. Show of voter cards was not definitive so physical card count was taken. Article 24 carried, 81 yes, 57 no.

Article 25 – Operating Budget

To see if the town will vote to raise and appropriate the sum of Four Million Seven Hundred Seventy Two Thousand Four Hundred Six Dollars (\$4,772,406.00) which represents the operating budget. Said sum does not include any other Warrant Articles.

Article 25 was moved and seconded. Discussion followed. Article 25 carried.

Article 26

To transact other business that may legally come before this meeting.

Motion was made, seconded and carried to adjourn the meeting at 9:10 p.m.

Respectfully submitted,

Jean E. Oleson, Town Clerk

Photo compliments of Coos County Democrat

TOWN MANAGER'S REPORT

Welcome to 2011, we have survived the economic slump of 2010. Lancaster has weathered the storm well. The proposed budget figures for the 2011 budget are less than the approved 2010 figures.

The budget process begins in the month of September and involves all members of Town Government. It starts with Department Heads preparing a budget that is reviewed by me before being presented to the Lancaster Board of Selectmen. The Selectmen will then finalize a budget that will be given to the Budget Committee. The Budget Committee then meets with each Department Head before presenting a budget to the public for a final review before it comes before the voters at Town Meeting in March. Though this process is long, I can assure the Townspeople that the end result is you are presented a budget that allows your Town to provide quality service for the least amount of money possible.

We did not experience many catastrophic events and that always make life a lot easier. One unfortunate event was damage to the Mount Orne Covered Bridge. On May 26, 2010, a tractor trailer truck was driven from New Hampshire into Vermont across the Mount Orne Bridge. The driver of this truck was from California and I sure hope that his poor judgment is not a fair representation of all California truck drivers. The bridge sustained extensive damage and was closed as a result.

I was amazed at the number of people that were inconvenienced by the bridge closing. I have received hundreds of inquires as to when the bridge will open. The damage caused by the truck has been repaired and all costs associated with this event, were paid by the trucking company's insurance.

The bridge remains closed until issues unrelated to the truck damage are addressed. The bridge has rotting support timbers and worn decking that must be repaired before it would be safe for vehicles to cross. The repairs will be costly and as a result we must work with New Hampshire Department of Transportation to receive funding for the necessary repairs. This repair will be done as quickly as possible but as yet, I do not know when the bridge will open.

The occasional bad things (bridge) are few and most days are good days. I talk with many people each day and if they have concerns or questions, I do my best to answer them. I encourage residents with questions to call or stop by and I will always take the time to listen and do my best to satisfy.

I would like to thank the Board of Selectmen for devoting their time assisting with the governing of Lancaster.

I also wish to thank the employees of Lancaster. Each employee works hard and truly cares about Lancaster. This makes my job easier. Thanks.

Respectfully submitted,

Edward Samson, Town Manager

REPORT OF THE BOARD OF SELECTMEN

Every year brings new challenges and this year was to be no exception. I hear budget horror stories from neighboring communities as they battle to prepare the 2011 budgets. The Lancaster Selectboard working closely with our department heads and town manager have prepared a budget that is less than the 2010 budget.

As chairman of the board of Selectmen I am proud of the Town manager, all the department heads and employees, who have met those challenges as a team. This is what makes Lancaster special.

I am proud to be a Selectman in Lancaster. The old saying is true now more than ever "you cannot please everyone." I want to assure the Citizens of Lancaster that when the Board of Selectmen makes a decision we do not make those decisions lightly, and they are made with the Towns best interest in mind.

We have a lot of good people on our boards and we appreciate each and every one of them. They give up so much time and energy to serve Lancaster's residents, a special thank you to all.

Photo compliments of Coos County Democrat

SUPERVISORS OF THE CHECKLIST

2010 turned out to be quite a year. Out of the blue we had to hold a “special election” as one of our State Representatives resigned his post and it had to be filled – but never fear, even on short notice, we managed to pull it off without any trouble.

We thought we would give you an overview of what we did this year and it is listed below:

- ❖ Jan. 19th – We sat for additions and corrections to the Checklist and also any change of party that voters requested.
- ❖ Jan. 22nd – We sat for voter registration for the WMRHS Deliberative Session and the Special Primary.
- ❖ Feb. 2nd – The Special Primary was held.
- ❖ Feb. 27th – We sat for additions and corrections to the Checklist for Town meeting.
- ❖ Mar. 9th – Town Meeting. You may also register at the polls on Election Day.
- ❖ Mar. 10th – We helped to count the School District Ballots at the WMRHS.
- ❖ June 1st – We sat for additions and corrections to the Checklist. This was also the last day that you could change your party until Election Day.
- ❖ Aug. 25th – All of the Supervisors of the Checklist attended an ElectionNet Training in Littleton.
- ❖ Sept. 7th – We sat for additions and correction to the Checklist for the State Primary. This was the last day that you could register to vote until Election Day.
- ❖ Sept. 14th – State Primary Election. You can register to vote at the polls on Election Day.
- ❖ Oct. 14th – We went to Genesis Health Care Center and Holton Point and registered voters.
- ❖ Oct. 23rd – We sat for additions and corrections to the Checklist. This was the last day to register to vote until Election Day.
- ❖ Nov. 2nd – State General Election. You can register to vote at the polls on Election Day.

We will be continuing to update our records as we have in the past. If you are not able to come to any of the sessions that may be posted to register, you may go into the Town Clerk's Office and they will help you. You will need some form of identification such as a driver's license, birth certificate, rent receipt or light or gas bill receipt to prove residency. If you are a naturalized citizen we would also need to see your naturalization papers.

As in the past we ask that you be courteous to the ballot clerks as they ask for your name. We know a lot of you but we have to follow the statues that are given to us --- and RSA 659:13 states – “you are to state your name to the ballot clerk.” This is also a way for us to make sure that we have your name spelled right and that we have your correct address.

We are here for you and if you have any questions we will do our very best to have an answer for you and if we don't have one we will make sure that we get you one as soon as possible.

Always remember – “Your Vote Does Count!”

Supervisors of the Checklist

Sandra E. Doolan

Eleanor Emery

Respectfully submitted,

Jean E. Oleson, Town Clerk

2010 was a big year for elections, 4 including 2 special elections. On February 2, we voted in a Special State Primary Election for State Representative for Coos District 2. In conjunction with the Annual Town Election, we voted in a Special State General Election for Coos District 2 for State Representative on March 9. Then the State Primary was held September 14 and the State General Election on November 2. Voter turnout for the November election was high with 1,127 votes cast out of 2,151 registered voters.

Something new for 2011, Lancaster residents can now renew their vehicles on-line 24/7. The Town Clerk's office has implemented E-Reg, an online renewal system developed by Interware Development Company, Inc. (IDC) of Mont Vernon, NH supported by BMSI of Franconia, NH. With E-Reg the clerks' office is open 24 hours a day, 7 days a week. Citizens can log onto the internet (lancasternh.org), go to Town Clerk, registrations (E-Reg icon), order and pay for their registrations at their convenience.

In addition to the E-Reg, the Town Clerk's office now offers Dog License Renewals online via the Town Website.

Effective January 1, 2011, Municipal Agent Fee will be \$3.00 additional fee per registration (Per RSA 261:74-d). That is a \$.50 increase per registration over last year.

Don't forget to register your dog by April 30th to avoid a penalty.

FYI – effective January 1, 2011, vehicles 1996 and older are exempt from title. Titles that are mailed and returned to the State because a person has moved are kept forever. They are not forwarded. To get the title you have to contact the Title Bureau. You can get several motor vehicle forms from the Dept of Safety website. You can also check availability of a vanity plate on the Dept of Safety website.

Visit the town's website at www.lancasternh.org. There is a lot of valuable information on the site with links to the different departments.

2010 ASSESSING REPORT

The Town of Lancaster experienced another down year in the real estate market in 2010. There were again a number of foreclosures and bank sales, short sales, and other distress sales. Many of these sales were the same properties that drove the market up a few years ago. These sales have obviously influenced the market downward. Overall, the town's assessment base is well over 10% above average selling prices. This is acceptable as long as there is still consistency and equity between property assessments. The purpose of municipal property assessment is to fairly distribute the tax burden voted at town meeting amongst property owners.

Part of Lancaster's efforts to maintain quality property assessment data is the continuation of its cyclical reinspection / data verification program. The town's contracted assessing company visits properties that have been flagged for review from building permits, planning and zoning board action, recent sales, along with randomly selected properties to check measurements and verify other information used to calculate assessed values. We ask for your cooperation as they complete this important task. They carry identification and their vehicles are on file with the town office and the police department.

Other functions of the assessing department include updating the town's tax maps, 911 property addressing, property transfers / deed review, and various state reporting. In the years since the statewide property tax was implemented the state has continually imposed more regulations and oversight of the property assessment function. Some regulations have been positive and have improved equity, while others have simply increased bureaucracy.

Did you know...with 636 parcels in Current use, the Town of Lancaster contains the fourth largest number of Current Use properties in the state behind the towns of Weare, Canaan, and Conway.

TAX COLLECTOR'S REPORT

Where does the time go? It feels like I just finished writing the 2009 Annual Report. 2010 was a quiet, quick year. The following are dates I would like to make the taxpayer aware of in the up coming year:

- February Delinquent Notices will be mailed
- April Water Meters read the 1st week of April
Water/Sewer bill mailed the 2nd week of April
Delinquent notices due date the 15th
Lien process begins with issuing an impending lien notice on any unpaid taxes after the delinquent due date
Impending deed notices will be mailed to property owners and mortgage holders on any outstanding 2009 tax liens (2008 tax levy)
- May Due date on 1st Issue Water/Sewer bill
Impending lien notice due date the 20th
Lien will be executed on the 20th on any unpaid delinquent taxes after the impending lien due date. Mortgage notices mailed within 45 days of this date
Execute tax collectors deeds on May 26th on any outstanding 2009 tax liens (2008 tax levy) after the impending deed due date
- June Issue 1st Issue Property Tax bill
- July Due date on 1st Issue Property Tax bill
- October Water Meters read 1st week of October
Water/Sewer bill mailed 2nd week of October
- November Issue 2nd Issue Property Tax bill
Due date on 2nd Issue Water/Sewer bill
- December Due date on 2nd Issue Property Tax bill

Respectfully submitted,

Charity Blanchette
Tax Collector

OVERLAY – Amount Raised for Abatements

RSA 76:6 limits overlay to an amount not to exceed 5% of the net tax commitment for the municipality, its state education tax amount and local school tax, its share of the county budget, and village district(s), if any. For your municipality, we anticipate that limit will be:

5% Limit \$ 262,914

*Requested Amount \$ 20,000

*Your actual overlay will be slightly different due to rounding.

BUDGETARY FUND BALANCE RETENTION

Responsible long term financial planning requires an adequate level of general fund unreserved fund balance to mitigate future risks and to ensure stable tax rates. The GFOA suggests municipalities retain between 8% and 17% of regular general fund operating revenues or no less than 2 months of general fund operating expenditures. In NH, this is calculated by adding the municipality's general fund operating appropriations, the state education tax amount, the local school net tax commitment, and the county appropriation. Based on our best available information, the suggested levels for your municipality would be:

5% 404,639 8% 647,423 10% 809,278 17% 1,315,773

Your **budgetary unreserved fund balance** from the MS-5 is: \$ 1,789,771

The amount **voted** from "surplus" is: \$ 319,437

The amount used for RSA 32:11 **emergency** appropriation is: \$ 0

The amount you wish to use to **set tax rate**: \$ 0

The amount you wish to **retain** is: \$ 1,470,334

I hereby acknowledge that I have been advised by the DRA on the recommended retainage ranges as described above.

WELFARE DEPARTMENT

The Town of Lancaster provides assistance to families and individuals with identified and verified needs as required by law.

The Basic Legal Duty

The basic local welfare duty is described in RSA 165:1, I, which says:

Whenever a person in any town is poor and unable to support himself, he shall be relieved and maintained by the overseers of public welfare of such town, whether or not he has a residence there.

This simple statement imposes substantial responsibilities. The word “whenever” means there is no time limit to the duty to assist. The word “shall” means that no municipality may treat the program as optional, even when the local budget for the task has been fully expended. The duty includes all persons, not just those who can be classed as a “resident.” The local welfare program truly constitutes the “safety net” for all persons in the state of New Hampshire.

There are many number of things a person or family may require in order to meet their basic needs. Sometimes, the question becomes: What must be done today so that this person or family has shelter, heat, lights, and food *today*? This is different from assistance programs based in federal or state helping agencies. Those programs have specific and limited responsibilities, and they have time to process applications. For example, Medicaid is only a medical assistance program, while Temporary Aid to Needy Families (TANF) is limited to economic assistance. The local welfare official will deal with the full range of needs presented by an individual or a family, and must be prepared to respond promptly to those needs.

The amount spent in 2010 is as follows:

WELFARE ACCOUNTABILITY

	Food	Rent	Fuel	Medical	Electric	Other	Total
January	\$120.00	\$5,159.00	\$534.00	\$19.00	\$230.00	\$150.00	\$6,212.00

THE STATE OF NEW HAMPSHIRE
TOWN OF LANCASTER
LANCASTER TOWN WARRANT
2011

To the inhabitants of the Town of Lancaster, in the County of Coos, qualified to vote in town affairs.

You are hereby notified, to meet at the Town Hall in said Lancaster on Tuesday, the 8th day of March, at Eight O'clock in the forenoon to act upon the subjects hereinafter mentioned. The polls will be open at said meeting place on said date from Eight O'clock in the forenoon to act upon Article 1 by written ballot and will remain open until 7:00 P.M. for this purpose.

The business meeting will be held at 7:30 P.M. at the above mentioned Town Hall to act upon the remaining articles.

ARTICLE 1: To choose One (1) Selectman for Three (3) years; One (1) Treasurer for Three (3) years; One (1) Town Clerk for Three (3) years; One (1) Trustee of Trust Funds for Three (3) years; One (1) Library Trustee for Three (3) years; One (1) Cemetery Trustee for Three (3) years; One (1) Emmons Smith Fund Committee member for Three (3) years; Three (3) Budget Committee members for Three (3) years; Three (3) Colonel Town Spending Committee members for Three (3) years; and Two (2) Colonel Town Investment Committee members, no term limit.

ARTICLE 2: To see if the Town will vote to raise and appropriate the sum of **One Hundred Thirty Five Thousand Dollars (\$135,000.00)** to be added to the following Capital Reserve Fund accounts previously established for the purpose and in the amounts indicated:

Highway	\$ 40,000.00
Fire Department	\$ 40,000.00
Town Hall Improvements	\$ 10,000.00
Bridge Replacement	\$ 20,000.00
Revaluation	\$ 10,000.00
Police Dept	\$ 5,000.00
Library	\$ 5,000.00
Cemetery	<u>\$ 5,000.00</u>
Total	\$135,000.00

(Recommended by the Board of Selectmen and the Budget Committee)

ARTICLE 3: To see if the Town will vote to raise and appropriate the sum of **One Hundred Thousand Dollars (\$100,000.00)** for the purchase of a new excavator to be shared by the Highway, Sanitation and Water Departments and to authorize the withdrawal and expenditure of said sum from the fund balance surplus.

ARTICLE 4: To see if the Town will vote to raise and appropriate the sum of **Twelve Thousand Dollars (\$12,000.00)** for the purchase of a new equipment trailer for the Highway Department and to authorize the withdrawal and expenditure of said sum from the fund balance surplus.

ARTICLE 5: To see if the Town will vote to raise and appropriate the sum of **Fifteen Thousand Dollars (\$15,000.00)** for the purchase of a new support/tow vehicle for the Fire Department and to authorize the withdrawal and expenditure of said sum from the fund balance surplus.

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of **One Hundred Seven Thousand Dollars (\$107,000.00)** for the purchase of Two (2) new Solarbee Aerators for the Sanitation Department and to authorize the withdrawal and expenditure of said sum from the sewer fund balance surplus.

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of **Twenty One Thousand Dollars (\$21,000.00)** for the purchase of a new Muffin Monster Grinder for the Sanitation Department and to authorize the withdrawal and expenditure of said sum from the sewer fund balance surplus.

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of **Twenty Two Thousand Dollars (\$22,000.00)** for the purpose of replacing the existing garage with new construction for the Colonel Town Recreation Department and to authorize the withdrawal and expenditure of said sum from the fund balance surplus.

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of **Forty Thousand Dollars (\$40,000.00)** to purchase a new Demo Grinder for the Transfer Station and to authorize the withdrawal and expenditure of **Ten Thousand Dollars (\$10,000.00)** from the 5 Cent Can Fund, a special revenue fund created for that purpose and **Thirty Thousand Dollars (\$30,000.00)** from the fund balance surplus.

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of **Five Hundred Thousand Dollars (\$500,000.00)** for the purchase of a new ladder truck for the Fire Department. Out of this amount **Four Hundred Seventy Five Thousand Dollars (\$475,000.00)** will be paid from a FEMA Assistance to Firefighters Grant. The remaining **Twenty Five Thousand Dollars (\$25,000.00)** to be drawn from the fund balance surplus.

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of **One Thousand Five Hundred Thirty Three Dollars (\$1,533.00)**, \$.45 per capita based on 2009 Lancaster population of 3407, for the support of the American Red Cross

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of **Two Thousand Dollars (\$2,000.00)** for the support of the Lancaster-Whitefield-Littleton Tri-Town Public Transit Route.

ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of **Two Thousand Dollars (\$2,000.00)** for the support of Senior Wheels Demand Response Program.

ARTICLE 14: To see if the Town will vote to raise and appropriate the sum of **Five Hundred Dollars (\$500.00)** for the support of CASA (Court Appointed Special Advocates) of New Hampshire.

ARTICLE 15: To see if the Town will vote to raise and appropriate the sum of **Three Thousand Five Hundred Twenty Dollars (\$3,520.00)** for the support of the Caleb Interfaith Volunteer Caregivers.

ARTICLE 16: To see if the Town will vote to raise and appropriate the sum of **Four Thousand Five Hundred Dollars (\$4,500.00)** for the support of the North Country Senior Meals Program.

ARTICLE 17: To see if the Town will vote to raise and appropriate the sum of **Two Thousand Four Hundred Sixty Four Dollars (\$2,464.00)**, \$.75 per capita, for the Town's share of the operating budget for the Mt. Washington Regional Airport for the current fiscal year.

ARTICLE 18: To see if the Town will vote to raise and appropriate the sum of **Five Thousand Eight Hundred Five Dollars (\$5,805.00)**, for the support of Northern Human Services/White Mountain Mental Health.

ARTICLE 19: To see if the Town will vote to raise and appropriate the sum of **One Thousand Seven Hundred Three Dollars (\$1,703.00)**, \$.50 per capita, for the support of the Northern Gateway Chamber of Commerce.

ARTICLE 20: To see if the Town will vote to raise and appropriate the sum of **Five Thousand Dollars (\$5,000.00)** to pay for the cost of operating the Mt Prospect Ski Club.

ARTICLE 21: To see if the Town will vote to raise and appropriate the sum of **Four Thousand Six Hundred Dollars (\$4,600.00)** for the support of the Community Contact Division of Tri-County Community Action.

ARTICLE 22: "To see if the Town (Lancaster, NH) will vote to raise and appropriate the sum of **One Hundred Dollars (\$100.00)** for the support of the Lancaster Community Cupboard (Food Pantry)." (By Petition) (Not recommended by the Board of Selectmen or the Budget Committee)

ARTICLE 23: To see if the Town will vote to register and disseminate to all concerned its objection, opposition and commitment to stop the construction of any portion of the 1200 Megawatt High Voltage Direct Current Transmission Line in the Town of Lancaster as presently proposed by Northeast Utilities, Nstar and Hydro-Quebec since such a huge scar constructed and erected through and above the Town's treasured residential and scenic private properties will cause inestimable damage to the orderly economic development of the Town, its economy, and the health and wellbeing of its residents;

Or to take any other action relative thereto.

THE FIRST SIGNATORY ON THE FIRST PAGE OF THE PETITION IS THE PETITIONER OF THE ARTICLE AND WILL BE LISTED AS SUCH ON THE TOWN MEETING WARRANT. VALERIE HERRES.

(By Petition)

ARTICLE 24: To see if the town will vote to raise and appropriate the sum of **Four Million Seven Hundred Thirty Two Thousand Three Hundred Twenty One Dollars (\$4,732,321.00)** which represents the operating budget. Said sum does not include any other Warrant Articles.

ARTICLE 25: To transact other business that may legally come before this meeting.

Given under our hands and seal this _____ day of February, in the year of our Lord, Two Thousand and Eleven.

2010 Annual Report

2010 was a busy year for the Lancaster Fire Department. We have seen an increase in both medical calls and structure fires. The department also continued its prevention activities with increased inspections and fire code enforcement. This not only makes the buildings safe for the occupants and visitors, it makes the buildings safer for the firefighters if there is a fire. We have also been very busy searching for alternative funding sources. During 2010, we were able to secure approximately \$20,000.00 in funding for several different projects.

During the Annual Awards Banquet, the annual Lt. Donald White Fireman of the Year award was given to Derik Crowell and the EMS Attendant of the Year was awarded to Clarence "Jug" Dingman. We also gave awards for years of Service. Joe Boemig, Claire Brasseur, Robert Hunt, Nathan Wert, Callie and James Dingman, Alan Rich, and Derik Crowell each received awards for 5 years of service. John Wilkinson was awarded a plague for 10 years of service, and Andy Buteau received a plague for 30 years of service.

As I write this annual report, the department is taking delivery of the tanker which was approved during the 2010 Town Meeting. This piece of apparatus is going to greatly enhance the response capabilities of the department. Without the support of the community, we would not be able to provide the level of service that we are able to provide to the community.

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdf.org.

This past fire season had a slightly lower number of fires, as well as lower number of acres burned than the 5 year average. What made this fire season somewhat unusual was that it lasted most of the summer. New Hampshire typically has a fairly active spring fire season and then the summer rains tend to dampen fire activity later in the season. This year virtually all areas of the state had fires throughout the summer due to the periodic dry spells throughout the season. As has been the case over the last few years, state budget constraints have limited the staffing of our statewide system of 16 fire lookout towers to Class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting was supplemented by contracted aircraft and the NH Civil Air Patrol when the fire danger was especially high. The largest fire for the season was 10.3 acre fire in Charlestown. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2010 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

ONLY YOU CAN PREVENT WILDLAND FIRE

HEALTH DEPARTMENT 2010 ANNUAL REPORT

By mandate of the State of New Hampshire, the Health Officer and the Deputy Health Officer, along with the Board of Selectmen, make up the Town's Health Department. The Health Officer is empowered to investigate and attempt to resolve any issues within the Town which affects or may affect the health of its residents.

Almost all of the people I've had to deal with have been very cooperative. For those who aren't; I do have various powers provided by state law which will usually gain compliance. So far I haven't had to resort to many of those. Knowing how bothersome some of these rules can be, I truly appreciate your cooperation in complying with them.

Several plans have been completed or updated during the year. The money expended has been from grants so have cost the Town nothing. We understand that any money provided by the government actually comes from you, the taxpayers. Therefore we try to be as tight as possible with the money they offer and use only what we need, not what's available. We are presently updating the Point of Distribution (POD) plant. This is a plan for how to provide treatment for up to 13,000 people in the area should there be a pandemic, terrorist action or some other mass casualty. This update is being done in conjunction with the North Country Health Consortium with the cooperation of various Health Officers and Emergency Management Directors in the North Country.

Captain Steven Jones of the Lancaster Fire Department fills the position of Deputy Health Officer.

It has been my pleasure to serve you during the last year. If you have any concerns that may fall under my jurisdiction, please call the Town Office at 788-3391.

Respectfully submitted,

Ronald Wert
Health Officer

Great Northwoods Journal

LANCASTER POLICE DEPARTMENT 2010 ANNUAL REPORT

To The Citizens of Lancaster:

In 2010, officers responded to 5,638 calls for service, a slight reduction from 2009 calls for service. There were 350 reported crimes investigated in 2010 which is slightly less than the 2009 total which was 353. Arrests for those crimes were almost identical from last year with 194 in 2010 as compared to 192 in 2009.

Officers investigated 148 accidents, down significantly from the previous year's high of 192. During 2010, officers issued over a hundred more traffic citations than the previous year; 759 in 2010 compared to 618 in 2009. I believe that increased traffic enforcement has led to the reduction in accidents and I will continue an aggressive traffic enforcement program in this current year.

The number of traffic accidents could be reduced even more if drivers paid better attention to their surroundings and minimized the distractions caused by cell phones and other electronic devices. We all need to drive defensively and to reduce cell phone usage while driving.

On September 25, 2009, this department participated in a prescription drug "take back" program sponsored by the Drug Enforcement Administration. The impetus for this program was the realization that illicit use of prescription drugs is a growing problem for the nation. The effort to collect and destroy the expired and unused drugs lurking in home medicine cabinets and on kitchen counters, was an effort to minimize the misuse of these potentially harmful drugs.

The Drug Enforcement Administration reported that the Lancaster collection effort yielded the second highest amount of drugs collected in the whole state. Nine large boxes of prescription medications were collected weighing 173 pounds. Only one other New Hampshire community surpassed these figures, and that was Nashua, which reported 235 pounds of drugs. In total, there were a 408 collection points around New England that yielded a whopping 25,810 pounds of prescription medications. The success of this program demonstrated the necessity to remove these drugs from potential abuse.

Sgt. Christopher St. Cyr is currently serving in the Middle East as a member of the New Hampshire National Guard. He was activated in September, and underwent training at Fort McCoy in Wisconsin, before deployment in early November. He will serve for one year as a member of a security team guarding convoys in Iraq. We wish him a safe mission and a speedy return to his family and Lancaster.

Sgt. St. Cyr had several important duties while employed at the police department. Two of those were department prosecutor for all adult misdemeanor and violation cases, and the other was firearms instructor and range officer. In anticipating Sgt. St. Cyr's deployment, Officer Timothy Charbonneau was selected to attend the Police Prosecutor

course at the police academy. Officer Charbonneau successfully completed the two week course and has done an excellent job filling the role as prosecutor in the absence of Sgt. St. Cyr.

Officer Jason Desrochers was selected to assume the duties of firearm instructor and range officer and successfully attended the Firearms Instructor course at the academy in the fall. He has already begun filling that role and assuring there will be no lapses in training.

Because of Sgt. St. Cyr's absence, all full-time officers have had to assume additional duties and share the work load. Officer Ryan Presby is now responsible for investigating all bad check cases as well as computer crimes and traffic enforcement. Officer Pat Carr is responsible for maintaining the police cruisers and continues as the department DARE officer, (Drug Awareness Resistance Education). Throughout the school year, Officer Carr continues to visit the elementary school, where he interacts with the children sending a positive message, and reinforcing the department's mission of preventing and reducing drug and alcohol abuse among school age children.

Cpl. Paul (Skip) Hood is the department juvenile officer and is responsible for the prosecution of all juvenile cases. He also assists Officer Charbonneau, when necessary, with prosecuting adult criminal cases.

In closing, I would like to thank all my officers for their service and hard work, and their commitment to the safety and protection of the citizens of Lancaster. I also wish to thank my crossing guards, Joe Hoey and Dave Webster for their twice daily vigil, shepherding Lancaster's children to and from school. Finally, last but not least, I also wish to thank my administrative assistant Wendy Houghton for her assistance and dedication to the department.

It is a pleasure to serve you. Please remember to buckle up and drive safely.

Respectfully Submitted,

Chief John R. Gardiner

HIGHWAY DEPARTMENT

2010 was another busy year for the Highway Department. We continued our paving of Town roads by placing a 2 inch base coat on Page Hill Road from Third Street to the top of the hill, a 1 inch top coat along Holton Park and a shim and overlay along Stebbins Hill Road. We replaced several catch basins and culverts throughout Town where needed and made great progress in ditching along the sides of roads to keep storm water from washing them out.

Due to your support at last year's Town Meeting we were able to purchase a new loader. This has been a great asset to the department. We continually perform regular maintenance and needed repairs on the equipment we have to prolong their life and ensure quality work. I would like to thank my crew for their dedication and hard work and the residents for their patience as we perform our work.

LANCASTER TRANSFER STATION & RECYCLING CENTER

The employees at the Lancaster Transfer Station would like to thank all the great recyclers in Lancaster. The amount of recyclables is up a little from 2009 even thou the economy is not that great, but the amount of trash is down 5 tons which is a good thing. The following is a list of what we recycled in 2010:

1. 192 Tons of Cardboard = 384,000 lbs.
2. 61.5 Tons of Newspaper = 123,000 lbs.
3. 11.37 Tons of Office Paper = 22,740 lbs.
4. 62.3 Tons of Low Grade Paper = 124,600 lbs.
5. 8.34 Tons of Tin Cans = 16,680 lbs.
6. 1.91 Tons of Aluminum Cans = 3,820 lbs.
7. 6.36 Tons of Plastic Jugs = 12,720 lbs.
8. 140 Tons of Glass = 280,000 lbs.
9. 100 Tons of Tires = 200,000 lbs.
10. .45 Tons Copper & Brass = 900 lbs.
11. 118.92 Tons Scrap Steel = 237,840 lbs.
12. .2 Tons Scrap Aluminum = 400 lbs.
13. 80 Tons of Compost = 160,000 lbs.
14. 52 Tons of Shingles = 104,000 lbs.
15. 15 Tons of Textiles = 30,000 lbs.
16. 4.3 Tons of Paint = 8,600 lbs.
17. 1.15 Tons of Propane Tanks = 2,300 lbs.
18. .25 Tons of Fluorescent Bulbs = 500 lbs.
19. 2.94 Tons of Batteries = 5,880 lbs.
20. 3.5 Tons of Antifreeze = 7,000 lbs.
21. 9.98 Tons of Electronics = 19,960 lbs.
22. 7.2 Tons of Waste Oil = 14,400 lbs.

Total recyclables recycled in pounds = 1,759,340Lbs. (879.67 tons)
Total Municipal Solid Waste in pounds = 1,003,080Lbs. (501.54 tons)
Total Demolition in pounds = 772,920Lbs. (383.96 tons)
Total of everything handled at facility= 3,535,340lbs. (1,765.17 tons)

1,759,340 lbs. of recyclables divided by 3,332 residents = 528 lbs. per resident, divided by 365 days = (1.45lbs.of recyclables) per resident each day.

1,003,080 lbs. of garbage divided by 3,332 residents=301lbs. per resident, divided by 365 days= (.82lbs. of trash) per resident each day.

It's nice to see that the residents produce almost twice as much recyclables as trash.

Lancaster's recycling rate for 2010 is **63.5%** not bad.

Dennis Patnoe, Supervisor

LANCASTER WATER AND WASTEWATER TREATMENT FACILITIES 2010 ANNUAL REPORT

Lagoon Wastewater Treatment Facility

E.P.A. # NH0100145

During the year 2010 the Lancaster Lagoon Treatment Facility operated efficiently, we experienced no major State or E.P.A. violations and continue to discharge quality treated wastewater as required by National Pollutant Discharge Elimination System (NPDES) requirements. In 2010, the Lancaster Wastewater Facility treated and discharged 314,561,000 gallons of treated wastewater to the Connecticut River with an average discharge rate of 862,000 gallons per day. The months of October and February proved to be the highest effluent flow.

Grange Wastewater Treatment Facility

E.P.A. #NH0101249

The Grange Wastewater Facility serves 14 residential homes and discharged 1,420,800 gallons of treated wastewater into Otter Brook with an average discharge rate of 3,893 gallons per day (design flow >3,500 gpd), the months of March and October with the highest flow. Throughout the summer 2010, the water and sewer department re-constructed Grange filter bed #3 (last one) to help remedy an ongoing problem with its sand filters. In doing so the Water and Sewer department personnel saved over \$50,000 dollars performing the job "in house". Future plans are to inspect the collection system for inflow and infiltration in 2011.

Lancaster Water Treatment Facility

E.P.A. #1291010

In 2010 the Lancaster Water Facility produced 139,375,000 gallons of water with an average flow rate of 381,849 gallons per day. The months of January and September were the most demanding. The average annual fluoride concentration was 1.40mg/l and average chlorine residual was 1.25mg/l. The Water Facility experienced no water quality violations and continues to monitor and test for sources of problems and concerns. We are continuously providing superior, reliable and safe drinking water to the consumers of Lancaster.

EMERGENCY MANAGEMENT DEPARTMENT 2010 ANNUAL REPORT

The Emergency Management Department is responsible for preparing for emergencies; Really Big Emergencies. We work with the State and Federal Emergency Management organizations to prepare for mass casualties due to natural or man-made causes. The Emergency Management Director (EMD) works for the Town Manager and ensures that the Town Emergency Management Plan is kept up to date. As the EMD, I also work with and help coordinate the training and plan development efforts of the various town agencies that would be involved in resolving a mass casualty.

The Town's Emergency Operations Plan is a required document which must be updated every four years. It was updated this year to bring it into compliance with new rules for many types of plans. All of our plans, including the Hazard Mitigation Plan have been brought up to date and comply with the new rules.

As the EMD, I also work with the Health Officer to develop plans for mass casualties. The current undertaking involves a Point of Distribution (POD) plan. This plan is being developed with the support and guidance of the North Country Health Consortium.

To repeat past recommendations plan on being on your own for several days if "The Big One" happens. The normal first responders will probably be trying to save themselves and their families first. The state will be taking care of the most people they can with what resources they have available. We are told it may be three weeks before we see any help from other sources. We need to be as prepared as we can be. It is expected that an average of 1/3 of our available responders will be unable to respond at all, to say nothing of responding immediately. Please prepare yourself and your family.

Ronald Wert
Emergency Management Director
Town Of Lancaster, NH

Great Northwoods Journal

SAFETY COMMITTEE

The Town of Lancaster's Safety Committee helps watch over the town's property and employees to keep things safe. The committee has an employee from each department that meets by monthly and inspects the town's property for safety concerns that may cause injury to the public or employees. For 2010, there were just a few minor incidents to inspect.

The committee members for 2010 are:

- Transfer Station – Dennis Patnoe 788-3200
- Ambulance/Fire Department – Zina Schmidt & Bob Hunt 788-3221
- Police Department – Paul (Skip) Hood 788-4659
- Water/Sewer Department – Tim Brown 788-3201
- Highway Department – Jug Dingman 788-3749
- Col. Town – Al Pryor 788-3321
- Secretary – Jean Oleson 788-2306

There are 26 areas that are inspected each year and they are as follows

- | | |
|--|---|
| 1. Police Department | 15. Middle St & North Road Valve Bldgs |
| 2. Fire Department | 16. Ray & Deb's Valve Box Vault |
| 3. Ambulance Building | 17. Colonel Town Community House |
| 4. Transfer Station | 18. Colonel Town Pool & Bath House |
| 5. Main Sewer Pump Station | 19. Colonel Town Playground |
| 6. Sewer Lagoons | 20. C T Fields, Garage, Snack Bar & Scorers Booth |
| 7. Summer Street Pump Station | 21. Community Camp |
| 8. Main Street Pump Station | 22. Town Garage |
| 9. Industrial Park Sewer Pump Station | 23. Water & Sewer Department |
| 10. Water Tank, Industrial Park | 24. Town Hall |
| 11. Water Tank, Reservoir Road (New) | 25. Weeks Memorial Library |
| 12. Water Tank, Reservoir Road (Old) | 26. Town Cemeteries |
| 13. Water Treatment Plant | |
| 14. Sand Pit, Salt Shed & Pipe Storage | |

The Safety Committee Supervisor would like to thank the members for there effort to keep us all safe.

Respectfully submitted,
Dennis Patnoe
Safety Committee Supervisor

COLONEL TOWN RECREATION

The year 2010 at Colonel Town was extremely busy as usual. There was a wonderful turnout for the fourth year in a row when the baseball/softball parents, players and spectators set aside a special work day to prepare the fields for Opening Day. The FunRaisers worked hard to keep the snack bar staffed throughout the spring season. Congratulations to the Way North 14U Girls Softball team for winning the New England and National championships.

Improvements were made to the Community Camp, the biggest of which was the start of a grill site renovation in September on the Day of Caring by Public Service and Asplundh. They did a tremendous job! The VFW continues to renovate grills sites. Thanks for everyone's help!

The season programs continue to do well. This year's annual Bonnet Parade and Easter Egg Hunt, sponsored by the Rotary Club, were well attended. Thankfully, we were able to hold this fun event outside. The Lions Club sponsored the 49th Annual Window Painting Contest. The Lions Club and Rotary Club always donate time and money to benefit and support our youth. A special thanks to Passumpsic Savings Bank for, once again, sponsoring the youth basketball program. Another season of youth dance classes started in September. We welcomed Madison Benoit to our staff as she assisted with the program. There are more than 50 children enrolled in the jazz, modern, ballet and tap classes for preschool through 6th grade. The Spring dance recital will be held at the WMRHS auditorium in April. Safe Haven had another wonderful summer. The children enjoyed a variety of activities and local field trips due to the generosity of many people and local businesses. The children enjoyed their annual visit to the town's fire trucks and ambulances. For the third year in a row, Joy's X-Treme Ice Cream treated them to a free ice cream cone. Father Ray did a wonderful job as the DJ for the season-ending Safe Haven dance.

Volunteers are crucial to our organization's success. This year's Volunteer of the Year is awarded to Andy Cliche. His soccer expertise has improved Colonel Town's soccer program immensely. Andy started a successful summer women's soccer program, provided soccer clinics for our youth, coached the soccer travel teams, and refereed many soccer games. For more than ten years, he has served on the Spending Committee. His "Little Debbie" boxes have been the favorite door prizes at the Annual Father/Daughter Dances for many years. His kindness and generosity epitomizes the perfect volunteer. His dedication to working with young people definitely personifies Lou Leaver's motto: "It's Not Me. It's Not You. It's Us!"

In closing, we'd like to thank all the volunteers, coaches and program leaders for another incredible year. Many of our programs, camps, intramural and travel teams couldn't survive without your commitment. Children benefit from the many positive

experiences they incur while participating in the many programs we are able to offer. You help make memories that will last.

Respectfully submitted,

Edward & Denise Wood, Directors

January 25, 2011

Report to the Citizens of Lancaster, Beneficiaries of the Col. Francis L. Town Trust:

We welcomed two new members to the Col. Town Investment Committee this year, Dave Fuller, Jr., and Charlie Schmidt. The committee wishes to thank them for volunteering and we look forward to working with them in the years to come.

The Trust's market value as of 12/31/2009 was \$3,037,478.32. As of 12/31/2010, the total market value of the Trust was \$3,193,048.83. The increase in the market value of the Trust for the 2010 was 5.12%, reflecting all income, less expenses having been distributed to Colonel Town Spending Committee during the year. The low interest rate market continues and the outlook for 2011 is the same. As of 12/31/10, the Trust's portfolio is balanced at 48.68% Equities; 48.78% Fixed Income; and 2.54% Cash.

Total income for 2010 was \$117,081.73 representing a total asset yield of 3.67% to ending market value as of 12/31/2010; as compared to income of \$116,386.94 recognized in 2009. Distributions for 2010 to the Col. Town Spending Committee totaled \$110,408.44, up from \$109,691.60 last year. There was a \$459.76 distribution from principal made in 2009 that was repaid to principal from income in 2010. This was due to a pre-payment of accrued interest necessary to buy some bonds at the end of 2009. Expenses of \$6,673.29 were deducted from income as follows: \$4,621.84 which was half of the Passumpsic Savings Bank management fee of .30% of assets (please see additional information below) and \$6.28 foreign taxes paid; \$1,045.41 in pre-paid accrued interest in purchases of bonds in secondary market (this will be off-set once the interest is received by the Trust); NH State Filing Fee of \$75.00; premium on insurance bond of \$400.00; Probate Court cost of \$65.00. As mentioned above, \$459.76 was transferred back to principal in 2010. The Probate filing was completed by Passumpsic Savings Bank as part of their management agreement with the Trust.

In 2010, we reached the end of the first 3 years of our contract with Passumpsic Savings Bank with an asset based management fee of .30% of assets. This fee will be increased 3 basis points each year, beginning in 2011, for the next 5 years. Due to the hard bond market continuing, and in a never ending search to provide more funds to Col. Town, the Committee made the decision at the end of last year to pay half of the Passumpsic Saving Bank management fees from principal as allowed under the Uniform Trust Code. In 2010, \$4,621.89 in fees were paid from principal. Combining with the \$4,621.84 paid from income, the management fees totaled \$9243.73 for 2010.

Finally, the monthly income disbursed to Col. Town will continue at its current level of \$8435 per month, with any excess income distributed at the end of the calendar year. We hope the market improves so that we can increase the disbursement level in the near future.

Respectfully submitted,

LANCASTER MUNICIPAL CEMETERIES

2010

The Trustees of the Lancaster Municipal Cemeteries oversee and maintain six cemeteries: Summer Street Cemetery (located across from the Col. Town field and at the end of Cemetery Street), Wilder Cemetery on Main Street (on the hill between the Methodist and Christian Science Churches), #10 Cemetery (located on Martin Meadow Pond Road), Marden Cemetery (located on North Road), a one-person lot (located on South Lancaster Road, and Wentworth Cemetery (located on Pleasant Valley Road).

David Currier, the supervisor and his assistant, Derik Crowell did a very good job in maintaining all of the above cemeteries. We would like to take this opportunity to show our appreciation by thanking them for job well done, and keeping our expenses down.

As usual, 2010 has been a very quiet year. At any time, if anyone should happen to see someone doing any inappropriate things, please call one of the Cemetery Trustees listed below. Or report the incident to the Lancaster Police Department immediately. We would greatly appreciate it.

As a reminder, every year, we usually request that the people remove the faded ornaments, dead flowers or plants, and other lawn decorations by May 1st in preparation for the clean-up for Memorial Day and the summer months. No dogs are allowed at any of the cemeteries. Rules and Regulations reports are available upon requests.

We have received many favorable comments about the condition of the cemeteries. We, as the committee, are proud of our cemeteries. We welcome any ideas and comments you may have, whether they are good or bad. And we also welcome any donation of flowers, bulbs and plants.

Respectfully submitted,

Cemetery Trustees

WILLIAM D. WEEKS MEMORIAL LIBRARY ANNUAL REPORT 2010

2010 showed continued growth for the Weeks Memorial Library. Despite news reports that books as we know them are disappearing, the library circulated more than 33,000 books, a 3^{1/2}% increase over 2009. More than 2000 books were sent out on interlibrary loan through the state's free van delivery service, and another 500 were received for our patrons from other libraries. Our own collection numbers more than 58,600. Items we need and do not own can be located and requested, on-line, from any other library in New Hampshire. A trip to the library for code and password provides access to the Overdrive program which includes several thousand audio books and a growing number of e-books.

The Trustees of the library reported in June that their campaign to match the \$50,000 challenge from the Gladys Brooks Foundation had more than met its goal. The library's book endowment now stands at \$461,000, and the dream of the Trustees is to reach a half million. Income from the endowment will be used to off-set book purchases.

In August we received with regret the resignation of long-time children's librarian Lisa Brown. Ronnie Zajac, who had been leading story hour and Wonderplay programs, has taken over as new children's librarian. She has been concentrating on adding new programs. In addition to the regular story hour, Wonderplay, Doll Club, and weekly Lego Club, Ronnie has started a third/fourth grade and a fifth/sixth grade book group, regular Friday game day, Readers' Theatre, and author of the month. A comic book club for budding artists begins in January. Also new is the daily bus from the elementary school to the library after school each day.

Wingate Hall, the library's meeting room, is booked during most of the library's open hours for library programming, adult book group, tutoring, quilting, Funflyers, and more. Our website www.weekslib.org includes information on library services, a monthly calendar of activities, and on-line registration for many of the children's programs.

The library's four public computers were used by more than 4300 persons during 2010. Wireless access is available for those persons with their own laptop computers. Several new microfilm sets have been purchased for our microfilm reader/printer. We now own on film the Democrat (1884 to date), The Republican (1855-1971), the Gazette (1872-1885, 1891-1916), the Whitefield Times (1897-1916), White Mountain Echo (1878-1896), and the Groveton Advertiser (1909-1921).

Residents and taxpayers of Lancaster can obtain free library cards for access to thousands of books, DVDs, videos, audio books and CDs, and magazines by showing proof of residency. Suggestions for new services and materials are always welcome. Whether you are working on your own genealogy, doing research, or just looking for a good book to read, the library is the place to come!

PLANNING BOARD

The planning board heard fifteen (15) cases this year. Fourteen cases were approved (one approval lapsed) and another case was withdrawn.

These cases consisted of:

Six (6) minor subdivisions located on Elm Street, Garland Road, Portland Street, Garland Road, Reed Road, and Stebbins Hill Road. **Two (2) minor site plans** located on Middle Street and Causeway Street. **Two (2) minor/technical subdivisions** located on Garland Road and Pleasant Valley Roads and Arthur White Road & Cabot Trail. **Four (4) lot line adjustments/technical subdivisions** located on Morel Road, Whitney Road, North Road & Whitney Road and Brickyard Road. **One (1)** request to remove a section of a stone wall for access to property on a scenic road located on Gore Road was approved.

I wish to thank the board members, the alternates, and staff members for their faithful attendance.

This year the Board held hearings on the following cases:

- Case #719** **Robert J Holland and Mark Morel.** Applicants request a lot line adjustment/technical subdivision to adjust various lot lines between two abutting parcels with frontage on Morel Road in Lancaster and Morel Road and Route 142 in Dalton. No new lots to be created. Tax Map R29 Lot 011 Whitefield-Dalton Road (53.3 acres); Tax Map R29 Lot 012, 3 Morel Road (7.37 acres). **Review application for completeness. Vote on final approval. APPROVED**
- Case #720** **Allen Bouthillier.** Applicant requests a lot line adjustment/technical subdivision to adjust various lot lines between two abutting parcels with frontage on Whitney Road and Hodge Road in Lancaster. No new lots to be created. Tax Map R18 Lot 024 (158 acres)-off Hodge Road; lands within Tax Map R18 Lots 001(55 acres), 008 (40 acres), 014 (52.8 acres)-off Whitney Road. **Review application for completeness. Vote on final approval. APPROVED**
- Case #721** **Danny and Sherry Lufkin.** Applicants request a minor subdivision to divide approximately 17.53 acres into two lots. Said minor subdivision will result in lot 1 – 2.00 acres (new lot); lot 2 – 15.53 acres (new lot). Land zoned Agricultural. (Tax Map R15 Lot 043, 232 Elm Street) **Review application for completeness. Vote on final approval. APPROVED**
- Case #722** **Raymond Dubreuil.** Applicant requests to develop and construct a campground consisting of RV and tent sites on land already approved for “Outdoor Recreation”. Said plan will be an addition to the already approved drive-in theater site plan at the same location. Land zoned Commercial/Industrial. (Tax Map P05 Lots 050 & 051, Causeway Street). **Review application for completeness. Vote on final approval. APPROVED with conditions.**
- Case #723** **Barry Riddel.** Applicant requests to remove a portion of a stone wall and some trees on a scenic road to create a driveway entrance. Land zoned Agricultural. (Tax Map R19 Lot 019, Gore Road). **APPROVED**
- Case #724** **Thomas R & Nancy Southworth.** Applicants request a minor subdivision to divide approximately 11.75 acres into two lots. Said minor subdivision will result in lot 1 – 3.80 acres (new lot); lot 2 – 7.95 acres (new lot). Land zoned Agricultural. (Tax Map R18 Lot 035, 267 Garland Road). **Review application for completeness. Vote on final approval. APPROVED**

- Case #725** **Beverly J Esson.** Applicant requires a minor subdivision to divide approximately 66.25 acres into two lots. Said minor subdivision will result in lot 1 – 6.10 acres (new lot); lot 2 – 60 acres (new lot). Land zoned Agricultural. (Tax Map R17 Lot 042, 223 Portland Street). **Review application for completeness. Vote on final approval. APPROVED**
- Case #726** **Paul & Ann Haslanger.** Applicants request a minor/technical subdivision to divide two lots of approximately 27.16 acres combined into two lots of different areas as the originals. Said minor/technical subdivision will result in lot 1 -- 14.76 acres and lot 2 – 12.40 acres. No new lots created. Land zoned Agricultural. (Tax Map R12 Lots 074 & 075, Garland & Pleasant Valley Road). **Review application for completeness. Vote on final approval. APPROVED**
- Case #727** **Weeks Medical Center (Weeks Memorial Hospital).** Applicant requests to construct a 6,400 square foot wood fired heating plant on their property to supply heat and hot water to the Hospital complex in a Commercial Zoning District. Land Zoned Commercial. (Tax Map R10 Lot 028 (15.25 acres) & 029 (3.14 acres), 159 & 173 Middle Street). **Review application for completeness. Vote on final approval. APPROVED with conditions.**
- Case #728** **Paul & Marilyn Crane.** Applicants request a minor/technical subdivision to create 2 new lots off of Arthur White Road/Cabot Trail and to perform a lot line adjustment of two existing lots. Said minor/technical subdivision will create new lot 6 – 12.02 acres, new lot 7 – 16.32 acres, adjusted existing lot 4 – 12.68 acres with remaining lands to stay in original lot. Land Zoned Agricultural. (Tax Map R13 Lot 036 (49.6 acres) & 066 (10.02 acres), End of Arthur White Road and Cabot Trail). **Review application for completeness. Vote on final approval. APPROVED with conditions.**
- Case #729** **Dana Blais and Dennis R & Constance M Patnoe.** Applicants request a lot line adjustment/technical subdivision to adjust various lot lines between two abutting parcels with frontage on Whitney Road and North Road in Lancaster. No new lots to be created. Land Zoned Agricultural. (Tax Map R18 Lot 006 (2.08 acres), 442 North Road & Tax Map R18 Lot 003 (3.25 acres), 25 Whitney Road). **Review application for completeness. Vote on final approval. APPROVED**
- Case #730** **Weeks Medical Center and Kenneth J & Sharon J Bushaw Jr.** Applicants request a lot line adjustment/technical subdivision to adjust various lot lines between two abutting parcels with frontage on Brickyard Road in Lancaster. No new lots to be created. Land Zoned Commercial. (Tax Map P12 Lot 012 (2.26 acres), 38 Brickyard Road & Tax Map P12 Lot 013 (0.84 acres). 40 Brickyard Road). **Review application for completeness. Vote on final approval. PLAN WITHDRAWN**
- Case #731** **Crystal Savage.** Applicant requests a minor subdivision to divide approximately 58.04 acres into two lots. Said minor subdivision will result in lot 3 – 5.10 acres (new lot) and lot 1 – 52.94 acres (remaining land). Land zoned Agricultural. (Tax Map R12 Lot 040, Garland Road). **Review application for completeness. Vote on final approval. APPROVED**
- Case #732** **Mildred Congdon.** Applicant requests a minor subdivision to divide approximately 28.94 acres into two lots. Said minor subdivision will result in lot 1 – 2.74 acres (new lot) and lot 2 – 26.20 acres (remaining land). Land zoned Agricultural. (Tax Map R17 Lot 054 (28.94 acres), 41 Reed Road). **Review application for completeness. Vote on final approval. APPROVED with conditions.**

Case #733 George F, Sally W & George C Carter. Applicants request a minor subdivision to divide approximately 107.45 acres into two lots. Said minor subdivision will result in lot 2 – 12.01 acres (new lot) and lot 1 – 95.44 acres (remaining land). Land zoned Agricultural. (Tax Map R16 Lot 049 (107.45 acres), Stebbins Hill Road). **Review application for completeness. Vote on final approval. APPROVED with conditions.**

In addition to the above hearings, the board reviewed and approved commercial and residential building permits, reviewed wetlands applications, approved 4 voluntary mergers, reviewed zoning decisions and worked on the Master Plan.

The Planning Board consists of 6 full members, a select board representative and 4 alternates. All members are volunteers appointed by the Board of Selectmen.

The Planning Board meets the 2nd Wednesday of each month at 6:30 p.m. in the second floor meeting room of the Town Hall. Deadline for submission of an application is 20 days prior to the meeting. If you are interested in serving on the Planning Board please contact the Town Office at 788-3391. Your name will be forwarded to the Board of Selectmen.

ZONING BOARD OF ADJUSTMENT

In 2010 the Zoning Board heard 8 appeals, 4 requests for a special exception and 4 requests for a variance. Of the 4 variance requests, 2 were for area variances and 2 were for use variances.

In 2010 Millard Martin Jr. resigned his position on the board. "Sonny" was a long time member of the Zoning Board. Thank you "Sonny" for your many years of service. George "Skip" Sansoucy and Allan Carr also resigned their positions on the board. Thank you Allan and Skip for serving your community.

Case #485 Walter Kelly/Thad & Jayne Kallas for a special exception concerning article 5.02 j of the zoning ordinance to site a light manufacturing business (fabricating and finishing custom drapery hardware: rods, finials, etc.) which is incidental to a retail business. Lot zoned Commercial. (Tax Map P07 Lot 62, 17 Bunker Hill Street, 0.12 Acres). **GRANTED.**

Case #486 Raymond Dubreuil Jr. for a special exception concerning article 5.03 h, uses permitted by Special Exception in the Commercial/Industrial Zoning District, to site an outdoor recreation facility (drive-in movie screen with up to 100 auto parking spaces and 15 RV camping sites). Lot zoned Commercial/Industrial. (Tax Map P02, Lots 021 & 022, 52 & 68 Causeway Street, 2.46 Acres). **GRANTED for a drive-in movie screen and parking area on the left hand side of the road (Causeway Street) but not for campers. Approval includes up to 7 nights a week of events.**

Case #487 David M. & Susan C. Hood for an area variance concerning article 5.01(d) "Permitted Uses". Applicant requests to convert an existing 3 dwelling unit apartment building into a 4 dwelling unit apartment building with under 10,000 square feet of land in the Residential Zone ".....no greater than four (4) dwelling units per 10,000 square feet of land and with a minimum of one off-street parking space per unit" required. Lot Zoned Residential. (12 Summer Street, Tax Map P 07 Lot 051; 0.12 Acres). **GRANTED with the following condition: minimum of 4 off street parking spaces will be maintained year round.**

Case #488 Gregory & Lynette Westcott for a use variance concerning article 5.01i "Permitted Uses". Applicant requests to site a 26' X 50" doublewide manufactured home with porch on a slab on Mechanic Street in the Residential Zoning District. See also Section 3.28 of the Zoning Ordinance – Definition of "Manufactured Housing". Lot Zoned Residential. (39 Mechanic Street, Tax Map P11 Lot 019: 0.55 Acres). **DENIED.**

Case #489 FB Spaulding/Robert Snowman for a special exception concerning article 6.12, "Sign Special Exception-Size Exceptions". Applicant requests to place a 3.3' X 8' Reader Board Sign with internal lighting on their property in addition to their already approved and permitted signs on North Main street in a Commercial/Industrial Zoning District. Lot Zoned Commercial/Industrial. (244 Main Street, Tax Map P03 Lot 042; 1.77 Acres). **GRANTED with the following conditions: sign must stay within the appropriate setbacks for freestanding signs in the Commercial/Industrial Zoning District, only approved for one**

additional freestanding sign not to exceed 26.5 sq ft and sign shall not stand higher above ground than it does at time of application.

Case #490 Weeks Medical Center for a special exception concerning article 5.02, "Other uses not inconsistent with the purposes of this Ordinance and the Commercial District". Applicant requests to construct a 6,400 square foot wood fired heating plant on their property to supply heat and hot water to the Hospital complex in a Commercial Zoning District. Lot Zoned Commercial. (159 Middle Street, Tax Map P10 Lot 029; 3.12 Acres). **GRANTED with the following conditions: must merge lot with current hospital lot and no area variance for height required as boiler stack is attached to building.**

Case #491 Maurice E LaCroix & Chester Savage, Jr. for an area variance concerning article 4.04 "Minimum Lot Size". Applicants request approval to construct a single family home with private water and sewer on a 0.92-acre lot in the Agricultural District. Minimum lot size in the Agricultural District with private water and sewer is 1 acre. Lot Zoned Agricultural. (McGary Hill Road, Tax Map R12 Lot 056: 0.92 Acres). **GRANTED with the following conditions: must comply with the setbacks, two bedroom dwelling only, must have DES approval of the septic design or area variance is denied.**

Case #492 Michael Huntington for a Use Variance concerning article 5:01 "Non Permitted Uses/Restricted Uses" in the Residential District. Applicants request to board and raise 2 saddle horses upon two abutting parcels he owns in the Residential District totaling 5.04 acres combined. Lots Zoned Residential (167 Portland Street, Tax Map R17 Lot 067-1.24 acres & Off Reed Road, Tax Map R17 Lot 058-3.8 acres). **GRANTED with the following conditions: variance approved for only 3 horses. Additional horses or introduction of other types of livestock would require a separate variance. Approval is based on lots 058 & 067 in Tax Map R17 owned by same people. If lots come under separate ownership variance will be voided. All animal waste will be contained within property borders and handled in a way so as not to create a public nuisance or health issue.**

The Zoning Board currently consists of five full members and two alternates. All members are volunteers appointed by the Board of Selectmen.

The Zoning Board meets on the last Wednesday of each month, when required, at 6:30 PM in the second floor meeting room of the Town Hall. Deadline for submission of application is 14 days prior to the meeting. If you are interested in serving on the Zoning Board of Adjustment, please contact the Town Office at 788-3391. Your name will be forwarded to the Board of Selectmen.

LANCASTER CONSERVATION COMMISSION

To the residents of Lancaster, NH,

The Conservation Commission members are Paul Crane, Allan Carr, David Rexford, John Accardi, Robert Elwell, Paul Theroux and Leon Rideout, Selectmen Representative.

In 2010, the Commission looked over New Hampshire Department of Environmental Services letters and permits. We also looked over the plans for construction of drainage and wetlands for Williams Street project.

There were no major projects for 2010.

In 2011, the Commission has plans to look at all plans of wetlands and to make a list of all lands in the Town that are in Land Trusts for future reference for the Town Selectmen and Planning Board.

Respectfully submitted,

Paul Crane, Chair

LANCASTER ENERGY COMMITTEE

The Town of Lancaster's Energy Committee has been in existence for a little over 3 years. In our first couple of years our goal was to make the community aware of our existence as well as issues regarding energy creation, cost, efficiency and conservation. We accomplished this in those years by circulating literature, handing out CFL bulbs and engaging anyone interested in discussion about our environment our energy needs. It was not until 2010 that our committee returned a great benefit to the Town. Energy Efficiency and Conservation Block Grant (EECBG) funding was awarded to the Town to perform energy audits on municipal buildings. Although it was not a requirement, the existence of an Energy Committee in town added a lot of credibility to our proposals.

The audits are still in process as of this writing. The results of them will give some direction to our Town Boards when drafting new ordinances and regulations and Department Heads when proposing building upgrades and capital improvement projects.

As with most Town Boards and Committees our group is small but always welcomes new members with ideas and energy. If anyone is interested in contributing to our purpose please contact any of the committee members listed below or stop into the Town Office.

Sincerely,
Lancaster Energy Committee-
Cid Southworth
Lucy Wyman
Ben Southworth
Melissa Grella

HERITAGE TRAIL

This year, because we are a volunteer group, the report is commencing with a request for anyone with time and desire to work on this local trail to call (603) 788-4009 or (603) 788-3239 for information and how **you** can help! The trail is local and permission to use each landowner's property is granted by an easement allowing use and care of the trail. There are approximately 25 miles of trail in Lancaster and Whitefield. If you have never checked this resource out I suggest you do if you like to be out of doors with friends or family. The segments are short with much to offer the local residents.

In addition to the ongoing trail upkeep several projects were completed:

- ✓ A new home was provided for storing our tools by Lancaster.
- ✓ A plaque was purchased and installed on the Curtis Smith/Bunker Hill segment to honor a charter member and dedicated conservationist, Kay Whitman. Take a short hike and you can view this site.
- ✓ Downed trees, fast growing grass and brush were, somewhat, kept clear from the trail. **More help is needed!**
- ✓ Weeks Hospital donated a sign router and material for making quality signs
- ✓ New signage allowing dogs kept under control to be with their owners was put on the White Mountains Regional High School section.
- ✓ We were able to work one day with folks from the Adaptive Sports Program on trail maintenance, which was great. There were 12 young people with supervisors. Much got done in a short time. Thanks.
- ✓ We also, were able to work with the WMRHS forestry class and their teacher to clear a very unruly snarl of blown down trees near Blood Brook.
- ✓ The Mountain View Grand Hotel hosted us for a meeting with the non-mechanized State Trails Bureau head, Jennifer Codispoti, to share ideas to enhance our efforts. Thank you.
- ✓ Several snowshoe hikes were sponsored by the HT folks.
- ✓ A major project was setting up a Google Group website online to share information with each other like the minutes, trail needs and pictures. The URL is <https://sites.google.com/site/nhheritagetrailancwhtfld/home>.
- ✓ Please check online at lancasternh.org or whitefieldnh.org for maps and trail descriptions.

Next year's plans are to take better care of the trails, replace some rotted bog bridges, to improve signage and trail markings and post activities on the internet.

Respectfully submitted,

Lawrence Underhill

Caleb Interfaith Volunteer Caregivers **38 King's Square, Suite 9** **Whitefield, NH 03598**

Caleb Interfaith Volunteer Caregivers, a not-for-profit organization which was established in October of 1995, continues to provide services to older adults in 8 northern NH communities. Caleb's heartfelt mission is to enhance independent living for seniors (60+), by relieving isolation and assisting with friendly visits, care and supportive services through a network of volunteers and the fostering of caring communities.

In 2010, Caleb Caregivers celebrated its 15th anniversary and is still going strong serving the seniors of the North Country. Caleb's 2010 statistics show that volunteer hours, miles and trips have exceeded last year's figures by leaps and bounds. This growth shows just how much Caleb Caregivers is needed in the local communities. Caleb assisted more than 297 Bethlehem, Dalton, Groveton, Jefferson, Lancaster, Littleton, Twin Mountain and Whitefield seniors. Over \$65,886.00 worth of services were provided **FREE** to clients. Caleb's 74 active volunteers donated over 3,160 hours, drove over 37,501 miles, and made 4,169 trips to help their older neighbors remain independent! Without these dedicated volunteers, Caleb would not exist. These volunteers give their time, their talents and most of all their hearts. Transportation to medical appointments and running errands is one of the most requested services through Caleb. Many of Caleb's trips were local, but some of our trips took us to Hanover, North Conway, Manchester, Concord, and St. Johnsbury. It costs \$2.00 per mile, plus a waiting fee, to take a ride in a local taxi cab. Caleb Caregivers does more than just alleviate financial burdens through a free ride, it offers companionship that makes it a personalized experience for the senior.

Transportation is only **one** of the services that Caleb volunteers provide. Caleb volunteers provide other services as well; friendly visiting, telephone reassurance, help with chores, paperwork, computer training and light housekeeping are to name a few. Caleb volunteers also assist with various community programs, such as the Commodity Supplemental Food Program. This state run program is available, every other month, to NH seniors that are 60+ and that financially qualify. Caleb volunteers help distribute this food to seniors, who are homebound. Volunteers also help with Caleb's Pet Food Project, which began in October of 2002. Since this time, Caleb has distributed over **36** tons of **FREE** pet food/litter to help seniors feed their pets. Caleb's Project Cool Air provides air conditioners and fans to seniors that need the appliances during the summer months. Most of the seniors that receive these appliances have COPD or some other health related condition. Caleb is able to offer this service due to the generosity of the Lancaster and Littleton Rotaries. Without the various services that Caleb provides, many older adults who need just a little extra help to continue living independently, might have had to go into a nursing home. The average cost of nursing home care is \$210.00 per day.

There are no fees for the services that are provided by the Caleb Caregivers. The program is funded through grants, fundraisers, donations, appeals and generous appropriations of the towns in which the services are provided. We want to thank the residents of Lancaster for their support and for making it possible for us to continue our mission of serving seniors in need. The \$3,520.00 appropriated at last year's Town Meeting was greatly appreciated, and we ask for your continued support in 2011. Volunteers are always in great demand, so if you would like to become a volunteer, request a volunteer, or know someone who would benefit from our services, please call the Caleb Office at 837-9179, or contact one of the Board Members.

CONNECTICUT RIVER JOINT COMMISSIONS

2009-2010

This year the Connecticut River Joint Commissions faced and dealt with a financial crisis which could have bankrupted the Organization. Through the oversight and vigilance of some of our commissioners major financial shortfalls in matching funds for grants and administrative weaknesses were discovered. The resulting shortfall in administrative funds forced us to lay-off paid staff and reduce our operating costs to bare-bones for the 2010-2011 fiscal years. We were able to return our business/office manager to part-time duty and several commissioners stepped up to the plate to continue program services and devise plans to sustain the operation and reimburse our grantors for overmatched funds.

As of this writing we have paid back all outstanding debt, continued our program commitments, largely through the help of the regional planning commissions, and met the requirements of our two state grants. We are currently planning to contract as much programming help as we can afford.

We have come through a difficult period but the future looks bright for the CRJC and its Local River Subcommittees.

Thanks to all who helped us through this difficult period.

THE GREAT NORTH WOODS WELCOME CENTER

This year the Welcome Center received visitors from 39 states and also from Australia, South Africa, France, Austria, New Zealand, Italy, Switzerland, Scotland, Germany, United Kingdom, Israel, Mexico City and the Ukraine.

Response from the visitors was extremely positive. Remarks such as “great service, beautiful building, we are glad you are here, exceptionally clean rest room, and great help” were heard by our staff.

The addition of WIFI was very well received as were the minor renovations of more brochure racks and tables and chairs for the visitors.

Many of our guests commented on how beautiful our town was and how friendly people were.

Our visitor rate was up 10% over last year. We saw this as a good omen in our lagging economy.

The Welcome Center provides a smiling face to our visitors and help for our local businesses as we give information and brochures.

The staff and board of directors are grateful to the Lancaster voters in their continuing support of the center.

MT. PROSPECT SKI CLUB & TOW

Thanks to the continuing, generous help from the Town of Lancaster, many dedicated volunteers too numerous to mention and an old-fashioned snowfall, the rope tow at Mt. Prospect has been able to open four days a week to accommodate the WMRHS Ski Team in addition to the general public.

This year the club initiated an after-school program which it hopes to grow in 2011-12. The "new" '76 Tucker groomer purchased two years ago continues to give good service as does the donated Yurt now covered with a new "skin" purchased last year.

This year the WMRHS Alumni Race proved to be a big hit and it is anticipated it may become an annual event. This little ski venue is surely a jewel in the North Country's crown!

NORTHERN GATEWAY REGIONAL CHAMBER OF COMMERCE

The Northern Gateway Regional Chamber of Commerce (NGRCC) is the premier business advocacy organization in Coos County. Membership continues to grow and includes a diverse group of businesses from all 12 towns that we represent.

We provide members with a multitude of marketing opportunities, professional development and networking events. Our office makes hundreds of referrals each year by providing potential visitors, customers and clients with information about our local businesses and what our extraordinary region has to offer!

Our new and improved website, www.northerngatewaychamber.org, is now linked directly to www.nhgrand.org which has dramatically increased our members' internet exposure and interest in our region by visitors and potential residents alike. In 2010 we experienced in excess of 60,000 hits per month.

The Chamber publishes a 30 page Vacation and Relocation Guide designed to draw tourists to our area. It features a comprehensive guide to the goods and services available. Forty thousand copies of this publication are distributed throughout the states to Welcome Centers, hotels, dining and recreational establishments, local REALTORS and Town Offices. It is also available to view on our website.

We are a member of the NH Association of Chamber of Commerce Executives. NGRCC collaborates with other Chambers as well as other business organizations to create a stronger, more visible business community. We strive to empower, network, inspire and faithfully support our business members.

The towns of Lancaster, Jefferson, Whitefield, Groveton, Dalton, Northumberland, Stark, Stratford, and Randolph, New Hampshire, and Gilman, Guildhall, and Lunenburg, Vermont, are well represented by the dedicated Board of Directors, committee members and staff. We work hard for you and with you to make this region a better place in which to do business.

Our funding comes from membership dues, fundraising activities, and town appropriations. Continued support through these resources ensures that we can continue to effectively serve our membership.

As always, we sincerely thank the towns, local businesses and residents for their continued support.

December 2010

Dear Friends,

We would like to thank all of you for your support of the North Country Council this past year. We have made a number of positive changes and completed a number of projects throughout the region. Once again, we reaffirmed the Council's commitment to serve community and regional needs.

We continued to deliver planning and economic development services throughout the region. We have continued with our traditional programs in master planning, natural resource planning, Brownfields Assessments and transportation planning, and these will continue to be a focus of North Country Council.

As many of you have seen, there is also a renewed emphasis on energy planning and in partnership with the Office of Energy and Planning; we have offered technical assistance to a number of communities in regards to energy efficiency. We have developed and published regional guidelines for the North Country to assist them in identifying developments of regional impact in their communities.

We continue to be very active in transportation planning and partnering with the Department of Transportation help in developing projects for the Transportation Enhancement funds as well as helping communities develop projects for the Safe Routes to Schools funds. Next year we will begin the process of updating the Transportation Ten Year Plan and hope that many of you will be able to participate.

In economic development, we continue our strong relationship with the Department of Commerce and the Economic Development Administration (EDA) in bringing funding and project development to the region. Two projects that we are very involved with is the reuse of the Groveton Mill and the natural gas and methane pipeline to the Gorham Paper Mill. We also continue to help in the development of incubators in Mount Washington Valley and Grafton County. These, along with other economic opportunities, will continue to be a focus in the coming year.

Again, thank you for all of your support for the Council. I hope that my staff and I can continue to be of service to your community. The Council is here to serve you. It is your organization. Our staff and Board are committed to responding to community needs. If there is a project or a need in your town, please call us. We are dedicated to both supporting our individual towns and promoting regional unity in the North Country.

North Country Transit

Public Transit to the North Country

Senior Wheels-Freedom Express-Fixed Routes-Long Distance Medical

31 Pleasant Street, Suite 100 , Berlin NH 03570

Phone: 603-752-1741 Fax: 603-752-2117

Toll Free: 1 -888-997-2020

A Tri-County CAP, Inc. Program Berlin/Gorham Pittsburg/Colebrook/N. Stratford Groveton/Whitefield Lancaster/Littleton

North Country Transit, a Tri County Community Action, Inc. program started providing transportation services over 30 years ago. The first services provided were demand response (door-to-door) transportation to the elderly and disabled of Coos County. Through our demand response service North Country Transit is allowed to offer public transportation by “open door” policy meaning, if room is available on the vehicle a person of any age can ride if the ride needed can be provided along the route. In January of 2006, a public transit route between the towns of Littleton, Lancaster, and Whitefield began operating expanding North Country Transit’s service area to not only Coos County but now into northern Grafton County. The Tri Town Public Transit Route provides many residents with transportation to get to work, shopping, after school activities, medical appointments, etc. The service makes four round trips a day stopping at designated stops along the route and deviating ¼ mile to accommodate people. Since beginning operations on January 4, 2006, the Tri Town Public Route has shown an increase in ridership every year. Last year the Tri Town provided 15,545 passenger trips provided Monday through Saturday.

North Country Transit is also the service provider for Littleton Regional Hospital clients via the “Littleton Regional Hospital Care-A-Van”. This service is open to residents of any age in the northern Grafton County and southern Coos County towns.

North Country Transit is staffed by 28 people that includes: a full time Director, Administrative Assistant/Accounting Clerk, and Operations Manager, 2 part time Dispatcher/Mobility Managers, 3 full time Drivers, 17 part time Drivers, 1 full time Mechanic, 1 part time mechanic, 1 Travel Trainer, and 18 Volunteers (long distance drivers, and office help). Trips can be scheduled by calling a toll free number that connect to a central call center. The trip request is taken and entered into scheduling software that later compiles all the trips into driver manifests. The manifest schedules the trips in the most cost efficient and productive manner possible without sacrificing safety or quality. State of New Hampshire Criminal Record and Motor Vehicle Record checks are performed on all drivers employed by NCT and all drivers are trained in procedures for Emergency Evacuation and Passenger Assistance Techniques and take a Defensive Driving Course. These trainings and courses are required every three years. Vehicles operated by the program are all wheelchair accessible.

The program operations are funded through a mixture of resources. Currently funding to operate our Tri Town public route between Lancaster, Whitefield, and Littleton consists of 50% Federal Transit Administration funding, 16% State and Federal funding from the Transition Assistance for Needy Families, 2% contribution from United Way, 4% from transportation for Medicaid clients, 24% is derived from subscription passes, fares, fundraising, sponsorships, and CSBG funds from Tri County CAP, and 4% is town funding contributions.

What does it cost to ride? The fares charged by public transportation are in relation to distance traveled. Multi-ride passes can also be purchased at a savings. Elderly and disabled transportation for door-to-door service as well as long distance medical service provided by volunteer drivers is a suggested donation in relation to the distance traveled. During the summer months from the last day of school to the day before school begins student passes are offered for the Tri Town Public Route at a cost of \$25 for unlimited rides for the entire season. Youth have to be under 18 years of age to qualify.

Gift Certificates for all services can be purchased by calling the 800 number. Many people purchase gift certificates to give to elderly parents, children to get to work or activities, etc. They make a great gift idea!

More information on the services provided, operating days and hours, public transit route schedules, and types of services provided in different areas of Coos and northern Grafton County can be found on the web at www.tccap.org under the transportation link or by calling 1-888-997-2020 and speaking to a scheduler. If education on how to use our services is necessary we can help by setting up an appointment with a travel trainer who may provide a free ride explaining how to use the system and of course the schedulers at North Country Transit would be helpful to assist?

Home Health & Hospice Services

Northwoods Home Health and Hospice, a division of Weeks Medical Center, is grateful for the opportunity to serve the residents of Lancaster and greatly appreciates your continued support and confidence. Town funding is critically important and is used to assist families and individuals who are unable to pay for Home Health and Hospice Services and to support care where funding does not cover direct costs.

Our Home Health and Hospice Services continue to provide Lancaster residents with a wide range of services. Northwoods Home Health and Hospice provides continuity of health care from the hospital to patients' homes. Services include skilled nursing; physical, occupational, and speech therapies; licensed home health aides; homemakers; medical social services; intravenous therapies and care to the terminally ill.

Our Medicare Certified Hospice program continues to provide excellent palliative care to the terminally ill. Northwoods Hospice is a special kind of holistic care . . . focusing on the emotional and spiritual needs of the family, as well as the physical needs of the patient at the end of life. No one is refused care based on an inability to pay. Over the last year, an increasing number of hospice patients received care, support and love from our nurses, aides and volunteers. To celebrate their memory, a luminary service was held and many residents from area towns were in attendance.

Thank you for your continuing support and confidence.

2010 Northern Human Services Director's Report

White Mountain Mental Health Common Ground

In a difficult financial environment for human service organizations, I am happy to report that there has been a great deal of positive activity this year at Northern Human Services. Both our mental health and our developmental services programs have been able to look upon the challenges of the past year as opportunities to develop creative, efficient, accountable innovations. Some highlights:

- Telemedicine expanded to serve local hospital emergency rooms. In partnership with all seven hospitals in the NHS service area, we have begun offering emergency mental health evaluations via video. Hours of wait time and costly and dangerous travel will be eliminated by this service, made possible by a federal HRSA grant.
- Children in need of expert evaluation by a child psychiatrist continue to be seen by a Dartmouth Child Psychiatrist, via video, from our Littleton office. Feedback from children and their families has been very positive.
- In this tough economy, employment is a huge challenge for many of our clients. To respond to this need, we have hired a supported employment specialist who is specially trained in assisting persons with mental illness to seek, obtain and keep jobs. This is one of the "evidence-based practices" we have implemented, using methods that have been proven to be effective in studies across the country. Many North Country businesses are welcoming our clients as employees, and finding them to be great employees.
- Common Ground hosted the director of an organization in Adelaide, Australia. This is the latest in a series of visits from agencies around the world. These organizations have been referred to visit us due to the quality of our services and our individualized approach to meeting people's needs.
- We have implemented training via the internet for our staff, saving substantial money and time and offering our employees a huge array of educational options.
- Our student services program continues to provide extensive supports to school-aged children whose families and schools want them to remain in the community. This service prevents costly and disruptive placements away from family and friends.
- Our Woodsville Common Ground office, located at St. Luke's Hall, has grown substantially this year, with three service coordinators, a nurse and a housing specialist providing services in the southern part of our service area.

All of these varied activities depend on the support of our towns. **This year our mental health offices served 83 people from the Town of Lancaster, providing 389.80 hours of counseling.** Our developmental services program, Common Ground serves **102** throughout the area.

Thank you for your continued support of our services. We want to be here when you need us.

Respectfully Submitted,

Jane C. MacKay, LICSW
Area Director

Dear Supporting Community,

During 2010, Mount Washington Regional Airport closed out construction of a new taxiway that improves safety, capacity and hangar access. This \$325,000 project was 97.5% funded by federal and state sources, bringing construction jobs and funds to our region. Airport funds paid for the rest.

The airport continues to be a base for Civil Air Patrol and medical helicopter operations, as well as Angel Flight, which (through locally based pilots) provides free, non-emergency medical flights to patients in need. We also host many visitors, such as parachuting clubs and powered parachutes, along with business and leisure travelers and second-home owners, all of whom bring revenue to our local communities and area businesses.

As you may know, the airport has been successful in applying for and receiving additional grants to fund more work locally. An environmental assessment is underway and works on an improved apron ramp and a building to house the airport-owned snow removal equipment will get underway in the spring.

Importantly, during 2010, supporting towns approved an amendment to our Intermunicipal Agreement that more accurately reflects how we operate and how the all-volunteer board that oversees the airport is recognized by the state. The amendment has been reviewed and approved by the New Hampshire Attorney General; summary and complete copies are available at the offices of all member towns. We thank you for your support of the amendment on your town's 2010 warrant.

Looking ahead, we plan to continue working to improve the safety and functionality of the airport, which is a critical part of the North Country's transportation infrastructure. We will continue to fund the bulk of our ongoing operation through fuel sales, hangar leases, parking fees collected from transient pilots, and donations from businesses and individuals who recognize the value of this unique resource.

Through careful management, strong volunteer engagement, and steady but modest increases in revenues generated from airport users, we have been able to maintain a level per capita sponsor town share again this year, as we've done for the past decade. We appreciate your ongoing support of the airport.

All of our meetings are open to the public. In most months, we meet on the last Tuesday; you can check by calling ahead. We encourage you to visit the airport—during our meetings or as you're just out and about.

Edward Stevens, Chairman/Airport Manager

*Executive Councilor
District One*

REPORT TO THE PEOPLE 2011 Ray Burton, Executive Councilor

Writing this report to the citizens of District One is always an interesting undertaking to try to condense on one page a quick look at where your NH State government might be headed in 2011 and the years ahead.

There have been significant changes in the membership of the Legislature and Executive Council at the NH State House. This coupled with a serious lack of money to accomplish basic needs as currently being delivered will certainly present challenges for NH House and Senate members. My suggestion is to stay in close touch with your local Senators and House Members. To find your local State Senator and House Members go to: <http://gencourt.state.nh.us/house/members/wml.aspx> Another good source for information is your local library or Town/City Clerks Office.

This is the planning year for the 10 year transportation plan. Highway, rail, aviation, and public transportation projects are all a part of the hearing process that the five Executive Council members will be holding. Hearings are held in each of our Districts. Local information from the area regional planning commissions is key to having successful projects included in the proposed plan which is delivered by law to the Governors desk by December 15, 2011 and then by law to the NH House and Senate by January 2012.

I cannot emphasize enough the urging of local citizens to volunteer for the dozens of volunteer boards and commissions which the Governor and Council are required to find individuals to serve on. For a list of those commissions go to: <http://www.sos.nh.gov/redbook/index.htm>. If you are interested in serving send your letter of interest and resume to Jennifer Kuzma, Governors Office, 107 North Main St., Concord, NH 03301. Tel: 603 271-2121.

There are three District Health Councils in District One that meet 3 times a year to hear directly from the Commissioner of Health and Human Services. If you are interested in being added to this list send your email address to me at ray.burton@myfairpoint.net.

As always, my office has a supply of NH Constitutions, official tourist maps and other information about the Executive Council. I am always available to speak with local groups.

It is an honor to represent your region.
