---------------	--------------	---------------

### TOWN WARRANT

To the inhabitants of the Town of Hebron, in Grafton County, in the State of New Hampshire, you who are qualified to vote in Town affairs:

You are hereby notified to meet at the Community Hall in Hebron on Tuesday the 14th day of March, 2000 next, at 11 A.M. to act upon the following subjects:

ARTICLE:

- 1. To choose all Town Officers for the ensuing year by official ballot: The polls will open at 11 A.M. and close at 9:00 P.M., and the business meeting will commence at 7:00 P.M.
- 2. To see if the Town will authorize a two percent discount on property taxes if paid within thirty days of the date of the tax bill.
- 3. To see if the Town will vote to raise and appropriate the sum of \$79,000 for the following Capital Reserve Funds: (Recommended by the Selectmen)
 

Police .....	\$6,000
Fire .....	\$12,000
Highway .....	\$6,000
Communication .....	\$3,000
EMS .....	\$12,000
Bridges .....	\$10,000
Town Hall (Rogers Property) .....	\$20,000
Town Highway Shed .....	\$10,000

- 4. To see if the Town will vote to raise and appropriate the sum of \$35,000 for the Police Department to purchase a Police Cruiser and to authorize the Selectmen to make payment from the CRF entitled "Police". (Recommended by the Selectmen)
- 5. To see if the Town will vote to authorize the Selectmen to withhold the Statewide Property Tax payment to The State of New Hampshire and to place the same in escrow until the final disposition of the so called Portsmouth Court Case challenging said tax.
- 6. To see if the Town will vote to raise and appropriate the sum of \$20,000 for Hobart Hill Improvements. (Recommended by the Selectmen)
- 7. To see if the Town will vote to raise and appropriate the sum of \$4,105 to be administered by the coordinators and to purchase a PA System and provide programming in the Gazebo on the Hebron Common for fiscal year 2000. (Recommended by the Selectmen)
- 8. To see if the Town will vote to raise and appropriate the sum of \$10,000 to establish an Assessment/Reassessment Capital Reserve Fund per RSA 35:1 and designate the Selectmen as Agents to expend from this fund per RSA 35:15. (Recommended by the Selectmen)
- 9. To see if the Town will vote to raise and appropriate the sum of \$108,000 for an Ambulance and to authorize the Selectmen to (1) use \$40,000 from the CRF entitled "EMS" and (2) finance the remaining \$68,000 by a five year note. (Recommended by the Selectmen)
- 10. To see if the Town will vote to raise and appropriate the sum of \$3,000 for the Perambulation of the Groton/Hebron Town Line. Set amount is not to

be expended unless Groton appropriates an equal amount. (Recommended by the Selectmen)

11. To see if the Town will vote to rescind the affirmative vote on Article 5 from the March 1999 Town Warrant Article which appropriated Ten Thousand Dollars (\$10,000) for the removal of the house from the Rogers property.
12. To see if the Town will vote to authorize a subdivision of the Rogers property and make an appropriation of \$2,500 for expenses. Options will be presented. (Recommended by the Selectmen & Needs Committee)
13. To see if the Town will vote to raise and appropriate the sum of \$10,000 for future Design work for Town Buildings. (Recommended by the Selectmen & Needs Committee)
14. To see if the Town will vote to raise and appropriate the sum of \$10,000 to establish a Police/Fire/Public Service Building Capital Reserve Fund per RSA 35:1 (Recommended by the Selectmen & Needs Committee)
15. To see if the Town will vote to raise and appropriate the sum of \$50,000 for Renovations to The Schoolhouse (Selectmen's Office & Land Use Bds). (Recommended by the Selectmen & Needs Committee)
16. To see if the Town will vote to raise and appropriate the sum of \$56,000 for Renovations to Memorial Hall/Library Complex (Recommended by the Selectmen & Needs Committee)
17. To see if the Town will vote to raise and appropriate the sum of \$1,500 for a Storage Shed at the Beach. (Recommended by the Selectmen & Needs Committee)
18. To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray charges for the ensuing year. This article will exclude all previous warrant articles. (Recommended by the Selectmen)

Given under our hands and seals this 25th day of February, 2000.

Bruce D. MacDougall  
William W. Gabler  
Bruce A. Barnard  
Board of Selectmen

## HEBRON POLICE DEPARTMENT Annual Report for 1999

For the year of 1999 the Hebron Police Department received over four hundred and fifty calls for services and information through the Grafton County Sheriff's dispatching services as well as calls to the Chief's home, Lt. White's residence and Officer Gabler's home. There were over six hundred radio calls and there were forty-six emergency 911 calls resulting in almost one emergency run every week.

Domestic Violence calls were again our biggest problem which resulted in over a dozen criminal complaints and arrests of both adult and juvenile offenders. Three of our officers were assaulted and injured in effecting arrests in one of these domestic encounters which resulted in one juvenile arrested and two adults arrested and all jailed. Motor vehicle accidents were down as well as other violations but court time was up due to backlogs and offenders given postponements of their trials.

The members of the Hebron Police Department will continue to provide the necessary services to the citizens of Hebron to the best of our abilities and resources to make sure Hebron remains a safe place to live and raise a family. I thank the citizens and selectmen for their past support and hope they will continue in the future.

Respectfully submitted,  
Harold T. Reilly Sr.  
Chief of Police

Lieut. Wm. White  
Off. Wm. Gabler  
Off. J. Somers

I would like to take this opportunity to say thank you to all the people, selectmen and members of the Police Department for their sympathy, understanding and help they showed and gave me this past year in which I lost my wife and two other members of my family. Your support and kindness was greatly appreciated by my family and me. Thank you again, very much.

H. T. Reilly Sr.

## HEBRON FIRE DEPARTMENT Annual Report for 1999

In 1999 the Hebron Fire Department responded to 135 calls. This compares with 122 calls in 1998, 110 calls in 1997, 116 calls in 1996.

The type of incidents breaks down as follows: 79 medical emergencies, 18 requests for mutual aid, 6 alarm activations, 3 chimney fires, 2 smoke investigations, 7 trees on wires, 3 transformer fires, 2 trees down, 2 carbon monoxide investigations, 1 brush fire, 1 oven fire, 1 heavy equipment fire, 2 hazardous material incidents, and 8 service calls. I am happy to report that there were no major fires in the town during 1999.

The trend of the last few years continued, as we experienced an increase in emergency medical calls. These ran the gamut from illness to all manner of accidents involving personal injury.

I reported last year that we were engaged in extensive planning for a new radio communication system throughout our mutual aid association. During 1999 the Hebron Fire Department began acquiring the equipment for the upgrade. Our plan is to complete our purchases for upgrade during 2000, well before the December 2001 deadline. This new system necessitates that we share in the cost of the new dispatch center and associated hardware with thirty-four other towns. This increase will be in the order of \$2,700 a year. This is a reasonable fee, considering what we are getting for the money: a state-of-the-art communication center for handling emergencies and a radio transmitter on the new tower atop Tenny Mountain. This will eliminate the shortcomings of our current system and fill in all the dead spots we have to deal with now.

As of 1999 we have completed four years of ambulance service in the town. Your support for this service has been most gratifying, and in hindsight it is clear we made the right decision in implementing it. When one considers what towns without their own ambulance are now being charged for service, we have a bargain.

In the fall of 1999 we contracted with Comstar, Inc. to do our ambulance billing. The complexity of billing insurance companies and the follow-up of denied claims were more than we could do in-house. Now, with our billing being handled by this professional service, we should expect \$12,000 to \$14,000 a year income (I'll let you know how good my estimate is next town meeting).

Our 1984 ambulance is now 16 years old, and while it still answers the call of duty, it is time to replace it. Safety standards have changed, built-in systems have changed, and we want to provide our citizenry the best in emergency medical care.

Finally, I want to thank the community for the support it has given the department. Our success reflects your concern for the safety and well-being of our town and its people.

Respectfully submitted,  
John M. Fischer, Chief

## PEMI-BAKER HOME HEALTH AGENCY An Agency Review: 1999

Town Representative: Enid Reed

1999 has continued to be a challenging year for home care providers. The biggest obstacle for all home care agencies, was around the issue of Medicare cuts to the home health benefit. The Balanced Budget Act of 1997 was designed to curb the growth of the benefit by reducing spending over a five-year period by \$16.1 billion. In actuality, that figure is actually closer to \$47 billion. In 1997, approximately 9 percent of Medicare healthcare spending went to pay for home care. In 1998, after passage of the Balanced Budget Act, only 6.2 percent of the Medicare budget went to home care. The figures projected for 1999 and 2000 indicate an even lower amount. Over the past two years, more than 2,000 home health agencies across the country have been forced to close, and hundreds of thousands of Medicare beneficiaries are no longer receiving home health services.

Pemi-Baker Home Health took a proactive approach to their business and instituted case management for clinical services. Like most agencies preparing for further reductions, Pemi-Baker also made significant reductions in clinical and administrative staff in an effort to contain costs under the Medicare cuts. Conservative in their visit frequency, the home care staff spend additional time performing multiple tasks that were once associated with additional visits. Well thought out business strategies, and sheer determination, were key to Pemi-Baker's ability to survive many changes in healthcare and to sustain short- as well as long-term viability.

1999 was another successful fund-raising year. For all town residents who made a contribution to the agency—thank you. The agency works extremely hard to bring in money for programs that are not funded by traditional sources. Pemi-Baker is also a member of the Rural Home Care Network and, together with eleven other central NH agencies, managed to secure five major healthcare contracts.

The Hospice Program remains active and vital to patients and families facing terminal illness. Diane Arsenault, MD, assumed the position of Medical Director for the program after Joseph Rotella, MD, moved from the area. The agency holds blood pressure clinics, immunization clinics, foot care clinics, diabetic screening as well as their annual Flu Clinic. Health promotion and newborn visits are performed on a regular basis. The agency represents home care by participating in the Wellness Series sponsored by Speare Memorial Hospital. Be sure to read their newsletter that comes out three times a year—it's full of good information.

In closing, Pemi-Baker Home Health remains your local, nonprofit agency, dedicated to providing in-home health care and supportive services to residents of all ages who need to recover from surgery or illness, have chronic or terminal illnesses, or need other supportive services. Home care staff work as a team of caring professionals, providing a benefit for all involved. Home care takes place where people want to be taken care of—in their homes. By remaining dedicated supporters, we will enable Pemi-Baker Home Health to take care of people who need and deserve it.

## REPORT TO THE PEOPLE OF DISTRICT ONE

### by Executive Councilor Ray Burton

It is a pleasure to report to you as one of your elected officials serving on the five-member Executive Council within the Executive Branch of your NH State Government. This five-member elected group acts much like a board of directors for your very large NH State Government carrying out the law and budget as passed by the NH House & Senate and signed into law by the Governor. We also act upon gubernatorial nominations to the entire Judicial Branch of your Government, State Supreme Court, Superior Court, Probate Court, District Court—all are nominated by the Governor, a posted public hearing must be held by the Council and then a vote to deny or confirm the nomination is held. Persons interested in serving on a volunteer board of commission should contact Kathy Goode at the Governor's Office, 271-2121.

This is a brief list & quick reference of some of the available services from NH State Government for citizens looking for financial and technical assistance and general information.

**Adjutant General John Blair** (Army & Air Guard of NH) 271-1200. Community Presentations on Drug Demand Education.

**Director Bruce Cheney of the NH Emergency E-911 Office** 271-6900. Mapping Services to towns, tours, and presentations available.

**Director Art Haeussler of the State & Federal Surplus** 271 -2602. Informative newsletter about surplus foods, products, etc.

**Commissioner Steve Taylor, NH Dept. of Agriculture** 271-2561. Information on restoring old barns, controlling pests, has NH Weekly Market Bulletin available.

**Attorney General Phil McLaughlin** 271-3658. Financial grants for domestic violence victim assistance, consumer protection bureau. Call Mark Thompson for listing.

**Consumer Advocate Mike Holmes** (Public Utilities) 1-800-852-3793. Handles complaints about electric bills, phone bills, etc.

**NH Director of Prison Industries Dennis Race** 271-1875. Available products in furniture, data entry, signs, decals, car repair, printing and web page development.

**NH Director of Historical Resources Nancy Dutton** 271-3558. Consults, has information about, historic structures, preservation, and appropriate laws and regulations.

**NH State Librarian Mike York** 1-800-499-1232. Has services for persons with disabilities, electronic information, archives and political library.

**NH Director of Emergency Management Woodbury Fogg** 1-800-852-3792. Is ready to respond to inquiries about ice jams, floods, high winds, oil spills, big fires, etc.

**NH Employment Security Comm. John Ratoff** 1-800-852-3400. Finds employees, trains them, keeps them working.

**NH Environmental Services Comm. Robert Varney** 271-3503. Air Resources, Waste Management (dumps/landfills) water/sewers, wetlands permits, river management.

- NH Fish & Game Dept. Director Wayne Vetter 271-3421.** Hunter Education, public boat launches, wildlife centers.
- NH Health & Human Services Comm. Don Shumway 1-800-852-3345.** Public Health, AIDS info, mental health, youth & families, long-term care, disabilities, elderly services, ombudsman.
- NH Insurance Dept./Comm. Paula Rogers 1-800-852-3416.** Processes complaints about insurance fraud.
- NH Labor Department Comm. Jim Casey 1-800-272-4353.** Handles complaints about wage and hours, workers' compensation, and vocational rehabilitation.
- NH Community Technical College System Comm. Glenn DuBois 1-800-247-3420.** Info on programs for college credit, scholarships, at the seven-campus system throughout the State.
- NH Dept. of Resources & Economic Development Comm. George Bald 271-2411.** Info on all State parks, economic development, ski operations, trails bureau, tourism maps, State forestry nursery and international commerce, and camping reservations.
- NH Department of Safety Comm. Richard Flynn 271-2791.** Fire safety standards/training, motor vehicle registration, boating safety, State Police.
- NH Secretary of State William Gardner 1-800-562-4300.** Corporate name department, records management & archives, securities regulation.
- NH Transportation Dept. Comm. Leon Kenison 271-3734.** NH Airports, bridges, highway design, public transportation, railroads, public works—all are part of this key department.
- NH Veterans Council Director Dennis Viola 1-800-622-9230.** Advocate for veterans and their families.
- NH Veterans Home in Tilton, Commandant Barry Conway 286-4412.** A very suitable home for veterans with approved care and rehabilitative services.
- NH Youth Services Dept. Comm. Peter Favreau 271-5942.** Youth Center in Manchester, Detention Center in Concord, and the Tobey School for Youth.
- All of NH State Government is accessible through 271-1110 and through the NH Webster System at <http://www.state.nh.us>, or call my office anytime at 271-3632, or e-mail to [rburton.@gov.state.nh.us](mailto:rburton.@gov.state.nh.us)

Respectfully submitted,

Concord, NH 03301

## BRISTOL COMMUNITY CENTER 1999 Report to the Town of Hebron

The Staff of the BCC wishes everyone a Happy & Healthy New Year. This year has been a great year at the BCC. We had a new ceiling and lights installed in Tapply Hall and the nursery school room. This has made a tremendous difference. We had some major furnace problems this year and had to have these attended to. We would like to thank Shirley Yorks for the wonderful landscaping work that she has done on the outside of the building. She has put in endless hours and made the outside of the building a place to be proud of. We also thank Doug Lamos for the time he put in repairing the stone wall in the front of the building. We are in the process of applying for grants and fund-raising money to fix the outside wall of the archery range to stop the leaking we have experienced in the downstairs for many years.

The BCC has been a busy place with record numbers attending our programs in 1999. We added a Pre-Camp Open House Program to assist working parents. We continue to offer our Teen Open House Program on Tuesday evenings with a growing number of teens attending each week to play pool, basketball, ping pong, computers or watch movies. We have also begun a Cooking Time during this program where the teens can cook a meal to serve all participants. Also new this year was yoga, beginner wrestling, ballroom & line dancing, acting programs and guitar lessons. *During the course of a normal week at the BCC over 1,000 people come through our doors for the many programs offered.*

Hebron residents participated in many programs offered during 1999. They were offered archery, baseball, basketball, dances, Teen Open House, After School Open House, karate, junior high basketball, baseball & softball, umpire clinics, Red Cross First Aid & CPR, hunter safety, Boy Scouts, Girl Scouts, Tot Time, SHARE, volleyball, summer programs, Haunted House, Ghost Walk, Easter Egg Hunt, Father & Daughter Valentines Dance, Carnival Queen, Jack Frost & Miss Snowflake, soccer, gymnastics, TOPS, Tai Chi, craft classes, senior citizen lunches and trips, Santa's Village, yoga, softball pitching clinics, acting classes, wrestling, guitar classes, dance classes and more.

We want to thank the Newfound Area School District for their continued support of the BCC and its programs. We hold many of our programs and practices at the local schools to accommodate our growing numbers. We are now using the Bridgewater Hebron Village School for our basketball program and it is a wonderful facility to have available for the kids and adults. Our soccer program has more than doubled in the last few years. We are grateful for their appreciation of the importance of recreation in the Newfound Area.

In ending the BCC wishes to thank the many Hebron volunteers who have donated their time and energies by working in our sports leagues, helping with our Haunted House, Santa's Village and our numerous other fund-raising and youth activities. Thank you all!! We couldn't do it without you.

Respectfully submitted,  
Leslie Dion, Director of Recreation

## GRAFTON COUNTY SENIOR CITIZENS COUNCIL, INC. 1999 ANNUAL REPORT

Grafton County Senior Citizens Council, Inc. is a private nonprofit organization that provides programs and services to support the health and well-being of our older citizens. The Council's programs enable elderly individuals to remain independent in their own homes and communities for as long as possible.

The Council operates eight senior centers in Plymouth, Littleton, Canaan, Lebanon, Bristol, Orford, Haverhill and Lincoln and also sponsors the Retired and Senior Volunteer Program of the Upper Valley and White Mountains (RSVP). Through the centers and RSVP, older adults and their families take part in a range of community-based long-term services including home delivered meals, congregate dining programs, transportation, adult day care, chore/home repair services, recreational and educational programs, and volunteer opportunities.

During 1999, 41 older residents of Hebron were served by one or more of the Council's programs offered through the Plymouth Regional Senior Center:

- Older adults from Hebron enjoyed 852 balanced meals in the company of friends in the Plymouth Center's dining room.
- They received 906 hot, nourishing meals delivered to their homes by caring volunteers.
- They received assistance with problems, crises or issues of long-term care through 89 visits by a trained social worker.
- Hebron's citizens also volunteered to put their talents and skills to work for a better community through 98 hours of volunteer service.

The cost to provide Council services for Hebron residents in 1999 was \$10,918.

Such services can be critical to elderly individuals who want to remain in their own homes and out of institutional care in spite of chronic health problems and increasing physical frailty. They also contribute to a higher quality of life for our older friends and neighbors. In addition, community-based services offered by the Council save tax dollars over nursing home care or other long-term care options. As our population grows older, supportive services such as those offered by the Council become even more critical.

Grafton County Senior Citizens Council very much appreciates Hebron's support for our programs that enhance the independence and dignity of older citizens and enable them to meet the challenges of aging in the security and comfort of their own communities and homes.

Carol W. Dustin  
Executive Director

**PEMI-BAKER YOUTH & FAMILY SERVICES COUNCIL, INC.**  
**1999 Annual Report**

The Council is an organization dedicated to promoting community-wide approaches that support the development of healthy youths and their families. The Council currently coordinates five programs that are available to people in Eastern Grafton County:

1. **Juvenile Court Diversion** - a voluntary program for first-time juvenile offenders which holds them accountable for their actions. Volunteers from the community develop a contract with each youth and family. Contracts may include community service, referrals to other agencies and programs, personal development tasks, etc. We have found that, of the youths who graduated from Diversion in 1996 through 1998, 92% have not committed a subsequent offense since, saving tens of thousands of dollars in court-ordered services.
2. **Plymouth District Court Community Service Program** - coordinates and tracks youths through productive community service projects in their own home towns.
3. **The OPTIONS Program** - a 12-hour early intervention program for teens which focuses on alcohol, tobacco and other drugs. Courses are nonjudgmental and confidential. Teens in the small groups are asked to assess their relationships with these substances and learn what they can do to reduce their use or stop using entirely. Of all the youths who successfully completed the program in 1996 through 1998, not one, 0%, has re-offended.
4. **OCTAA (On Campus Talking About Alcohol & Other Drugs)** - offered in cooperation with local police departments and Plymouth State College, OCTAA provides an effective educational opportunity for anyone age 18+. This is also a lifetime risk-reduction program on the use and abuse of drugs, and is self-funded.
5. **Information and Referral** - provides area residents with a clearinghouse of information on regional human service agencies and programs. People calling the **PEMI-BAKER RESOURCE LINE** (a collaborative program with Spaulding Hospital and the Whole Village) can receive free and confidential assistance on how to access these resources. Callers ask how to report child abuse, how to access public assistance or counseling services, where to find after school activities for children, etc. The Council will distribute over 3000 comprehensive *Grafton County Resource Guides* in 2000 to help towns, police, schools and other human service providers find services for the people they work with.

Total service figures for the Council are as follows:	1998	1999
Juvenile Court Diversion/Teen Court .....	52	49
OPTIONS Program .....	42	46
Information and Referral calls and visits .....	208	483
Grafton County Resource Guides. ....	2000	3000
OCTAA (no summer course) .....	96	139

Respectfully submitted,  
Steven P. Bradley, Executive Director

## GAZEBO PROGRAMS 1999

Using money appropriated at the March Town Meeting, donations collected at the programs and made directly to the Gazebo Fund, a grant from the New Hampshire State Council on the Arts, and the sponsorship of a program by the Hebron Historical Society, we were able to bring a variety of events to the Gazebo in 1999.

The first program was the 39th Army Band which performed to an audience of over 200 people who turned out on a sweltering evening to hear the music played by the members of the New Hampshire National Guard. There have been many requests to hear this group again.

We tried another format for the Camp Program by having "Two Fiddles", Dudley and Jacqueline Laufman, who were to teach and play country dance music which we hoped the campers and audience would enjoy. Unfortunately, due to inclement weather, scheduling conflicts and the problems of moving the program to the Camp Berea gym, the campers were not able to attend. However, there were other people in attendance who enjoyed the commentary and music the Laufmans provided.

The Hebron Historical Society sponsored "The Carter Mountain Boys" who entertained with their popular toe-tapping bluegrass music.

A new kind of concert took place when John Faggiano from the Concord School of Music got over 80 people involved in playing percussion instruments. Young and old had a chance to make music playing drums, cymbals, bells, tambourines and sticks. Even after the "official" concert ended, John led people in some more of that ancient art form.

The Family Fun Day was a great success with more activities and events. The cribbage, basketball and frisbee throw competitions were popular, B.J. Hickman, the magician, delighted all who saw his show, and the State Police canine demonstration was interesting. A new addition to the day was a fund-raising barbecue put on by the Fire Department and a dessert making competition. After the desserts were judged, they were served for all to enjoy at the supper. The folk singers, David Colburn and Deborah Stuart, gave a concert which had been sponsored in part by a grant from the New Hampshire Council on the Arts and The National Endowment for the Arts. The day ended with a display of fireworks put on by Jack Bradley that drew applause from all.

The trumpeter who performed for the Salute to Veterans program put on by the Hebron Historical Society on Veterans Day, November 11, was also sponsored by the Gazebo Programming Fund.

At least 100 people attended each of the Gazebo events this past year, and the coordinators would like to thank the people who made donations and voted to support the programs, Bill White Realty for providing the free popcorn at each event, Camp Berea for providing ice and a backup hall, The Hebron Historical Society and The New Hampshire Council on the Arts for sponsoring programs, and the people who helped make and serve popcorn and drinks.

We look forward to another year of fine family programming at the Gazebo on the Hebron Common in 2000 and appreciate suggestions for possible programs and artists.

Jane H. Ramsay and Everett N. Begor  
Coordinators

## REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law, and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. During the 1999 season Forest Rangers were busy assisting communities with suppression of difficult and remote multi-day fires. Forest Rangers have also investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The 1999 fire season was a challenging but safe year for wildland firefighters in New Hampshire. The severe drought conditions throughout the spring and summer months, combined with residual effects of the 1998 Ice Storm, resulted in a dramatic increase in wildland fires. In addition to burning in excess of 452 acres, 35 structures were also impacted by wildfire. Wildland fires in the urban interface is a serious concern for both landowners and firefighters. Homeowners can help protect their structures by maintaining adequate green space around them and making sure that houses are properly identified with street numbers.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

Please contact your local fire department before doing ANY outside burning.

**Remember, only you can prevent forest fires!!**

### 1999 Fire Statistics (All Fires Reported through December 10, 1999)

<i>Totals by County</i>	<i>Numbers</i>	<i>Acres</i>	<i>Causes of Fires Reported</i>

## BRIDGEWATER-HEBRON VILLAGE DISTRICT REPORT

This year witnessed the opening of the new school. This event went very smoothly thanks to the community efforts of all. Likewise, the transition for the children went equally well due to the efforts of parents and teachers.

### *Finances*

The Village District seems to be on target based on current analysis and future projections. The present tax of .85 is below our initial predictions of \$1.25/1000. Next year's rate will increase by less than \$.05. Remember, the bond issue will be retired in early 2004!

Thanks to private donations and community labor, the new playground was installed late fall (savings: \$30,000). To those who donated and/or helped, thank you! The school computer network is underway. The network infrastructure is completed and the individual computers will be installed shortly. We plan to start installing computers in the library and complete the computer lab later this year.

### *Bridgewater-Hebron Village District Receives a Charitable Nonprofit Status [501(c)(3)]*

We have raised about \$25,000 of private funds for this project. About half has been expended thus far. We are currently working on additional grants to complete the lab. We have received a challenge grant of \$5000 in the memory of Frank O'Neil. We have also received about \$2000 toward that portion of that grant. If you are interested, please consider a tax deductible contribution toward this project. This lab will also be used as a community resource to conduct adult classes in technology. For information on a tax deductible contribution, please call the Treasurer, Hank Woolner, at 744-5055.

For those interested, the lab uses an IBM Netfinity server using MS Windows NT networked to Apple iMacs which can run as native Macs or use Windows 98. In short, the infrastructure in the building can support either Apple or PCs, which will give the greatest flexibility for the future. All can access the Internet.

### *Additional News*

Mr. & Mrs. King donated another parcel of property to the Town of Bridgewater to be donated to the Village District. We are proposing to purchase the Westcott property which is now surrounded by the school on both sides and the building towers over her property in the rear. The land and building are on Route 3A across from the store and in the commercial zone. Because of the fields, lots, pond, and state restrictions, the existing campus has very little room for additional parking, outbuildings and the like.

This proposal will require a deposit of \$24,000 and a final payment of \$75,000 in 2005. The owner will remain on the property and will retain the mortgage for that period for a 2% per year interest rate. *We have also received a \$20,000 donation for this purpose.* It is a good investment for the district. The location of the school building relative to Mrs. Westcott's home was unfortunate but required by the State. In addition, this summer we had to install a drilled well on this property, as the construction of the roads may have drained the existing surface well.

Please support this article at the District Meeting on March 21, 2000.

### *School Building Collaborations*

Our community school has offered space to a number of activities. The BCC has used the Gym for a basketball league, volleyball for adults has started and other activities have been initiated in the evenings. Community members have commented on how nice it is to have a neighborhood school.

It has been a great year due to the efforts of both communities.

Terence Murphy, Bridgewater

Derry Riddle, Hebron

William White, Hebron

Commissioners

## REPORT OF THE FACILITY NEEDS COMMITTEE

*As result of the petition that was circulated to ask for a special town meeting, at which the Board of Selectmen and the voters were asked to delay removal of the Rogers house until further consideration at the next annual Town Meeting in March 2000 and have the Selectmen appoint a Facility Needs Committee to make recommendations. Being approved by the voters at said special meeting. The following is being submitted to the voters at the 2000 Town Meeting.*

We've studied the needs for town facilities—including office space for the Board of Selectmen, Town Clerk, Tax Collector, Police, Library, Planning Board, Board of Adjustment, Historic District Commission, Conservation Commission, an improved facility for the Highway Department, a new Meeting Hall and an expanded or new Safety complex to house the Fire, Police and EMS functions.

Recommendations are as follows:

### *The Rogers Property:*

Background: Seven years ago (March 1993) the town bought the Rogers property. The eight (approx.) acres, was seen as being close to the town center, with sufficient room for town offices and a town hall. Since establishing a capital reserve fund in 1995 "for the purpose of constructing a future town hall at the Rogers property," the Town has set aside \$20,000 each year, and if this year's Article is approved, the Town will have approximately \$105,000 in the fund including interest.

At the 1999 meeting, the Board placed Article 5 in the warrant to remove the house from the property. There was no presentation of the intent of the Board as to how the Town would use the property. They announced at the meeting that if the town took their recommendation and removed the house, they would get back to the town with a plan. The meeting approved the Article.

The Needs Committee recommends that the meeting discuss Articles 11 and 12 together before voting on Article 11.

*Article 11 - to rescind the vote for Article 5 from the 1999 meeting.*

At the 1999 annual meeting, Article 5 was passed to remove the house from the Rogers property and carried an amount of \$10,000 for that purpose. As a

result of the special town meeting decision, the Selectmen encumbered the \$10,000 so that, if the 2000 meeting decided to remove the building, the money would be available. A yes vote on this Article is a vote to keep the house, a no vote is a vote to remove the house and reaffirm the decision of the 1999 meeting. The Committee recommends that the meeting revisits this issue as old business and vote yea or nay on this issue.

*Article 12 - subdivision of the Rogers property*

If the vote is to remove the house in Article 11, the Needs Committee recommends passing over Article 12. If the vote is to keep the house, then consideration of Article 12 is recommended. Under Article 12, the Committee would ask the meeting to vote:

- a. Subdivide the property and sell the house with approximately 2 acres, the town keeping the remaining (approx.) six (6) acres for town use.
- b. Not subdivide the property, keep the house and land for town use.
- c. Sell the entire property as is.

*Article 13 - Raise necessary money for Design work for Town Buildings.*

*Article 14 - Police/Fire/Public Safety Building - Capital Reserve Fund.*

The Committee estimates the need for this building is approximately 5–10 years off. In our opinion such a building will cost in the range of \$200,000–\$300,000 (this is only an estimate by the committee). We recommend setting aside \$10,000 this year, with possible increases in future years such that approximately half of the necessary funds will be available when the town decides to build.

*Town Offices*

*Article 15 -Renovations to the Schoolhouse*

The Selectmen, Selectmen's secretary, tax maps, etc., will occupy the first floor of the school, with room for open meetings. The Land Use Boards (Planning Board, Board of Adjustment, Conservation Commission, and Historic District Commission) will occupy the second floor. To make the building handicapped accessible, a lift, similar to that in the church, will be installed to the right of the entry, removing most of the existing interior wall on the right of the entry. On the second floor the lift would exit directly into the meeting room and not be accessible from the hall. The double bathrooms on each floor are to be changed to single unisex handicapped accessible bathrooms. The existing electrical service would be moved to allow for the lift and changed to a 200 amp. service. Some of the existing wiring would be replaced or removed as necessary, and some circuits would be added. The handicapped access through the front door necessitates that a ramp with a 12:1 ratio be added across the right front of the building, and the two stepping stones that currently exist would be moved farther from the building allowing for a platform. A railing would be added to the ramp. Stabilizing the steeple and installing new carpeting.

*Article 16 - Renovations to the Memorial Hall/Library complex*

Memorial Hall (old Selectmen's office) would be modified to allow front door access to the Town Clerk and Tax Collector (currently with office in home), with separate access to an expanded police office in the rear. The plans

include two new bathrooms (removing the existing bathroom) and an expansion of the existing enclosed bridge to the adjoining library. This will allow for a separate entrance for the police offices, a police bathroom and bathroom access for the library. A new heating system would eliminate the electric heat in the library and the same furnace will service the Memorial Hall. The existing septic would be filled in and a new field added under the Common.

*Article 17 - Beach Storage and Change Shed*

The Committee recommends an appropriation of \$1500 for the purpose of storing tools and providing a place to change other than using the temporary toilets rented by the town.

*Article 18 - Budget Article*

If the Towns People vote to keep the Rogers house, the Committee would recommend amending General Government Buildings to include an amount for immediate repairs to the property.

*Town Highway Department - Article 7*

Although the Committee recommends no action other than to approve the increase in the Capital Reserve Fund for the Highway Department, the needs of the Highway Department were evaluated as follows: a heated building with water and sewage that would serve as a garage for storage and repairs of equipment. The proposed building would be 50x65' with an attached carriage shed 30x50'. The existing sand/salt storage shed would be demolished and replaced with a pole barn 32x60' constructed on the 3.58 acre lot.

The final recommendation is that a permanent Capital Outlay Committee appointed by and reporting annually to the Selectmen continues the work of this Committee. The report should include a schedule of all future capital expenditures, responding to the needs of the town and in keeping with the fiscal policy set by the Board.

### BUILDING PROJECT/ADDITION?

If you are not sure if your project needs a building permit,  
please check with the Selectmen.

### DO YOU OWN A BOAT?

Register with the town and not the state. The town receives all tax money on  
boats when they are registered in Hebron at the marina.

### SNOWPLOWING DRIVEWAYS

Fees are to be paid to "Town of Hebron" no later than November 1st.  
*NO bills* will be sent.
