**TOWN OF TILTON WARRANT**  
**State of New Hampshire**  
**Polling Hours 10:00 a.m. to 6:00 p.m.**

To the inhabitants of the Town of Tilton, in the County of Belknap, qualified to vote in Town affairs.

You are hereby notified to meet at the Winnisquam Regional Middle School on March 10, 1987 at 10:00 a.m., to act on the following subjects.

1. To choose a Selectman for a term of three years. One Town Clerk for three years. One Road Agent for the ensuing year. One Treasurer for the ensuing year. One Park Commissioner for a three year term. Two trustees of the Trust Funds, one for a three year term and one for a two year term. Three members of the Budget Committee, two for a three year term and one for a two year term. Two Sewer Commissioners, one for a three year term and one for a two year term.

2. To see if the Town will vote on the adoption of the amendments to the existing Town Zoning Ordinance as proposed by the Planning Board and by special ballot prepared for same.

3. To see if the Town will adopt the provisions of RSA 72:43-b and 43-c for expanded exemptions on real estate which provide for a resident 65 years of age up to 75, a \$5,000 exemption; a resident 75 years of age up to 80, a \$10,000 exemption; a resident 80 years of age or older, a \$20,000 exemption, provided that the resident owns the real estate individually or jointly with another or his spouse with whom he has been living for at least 5 years as man and wife; said resident had a net income of less than \$7,000 or combined income with spouse of less than \$9,000; and owns assets of any kind, tangible or intangible, less bona fide encumbrances, not in excess of the value specified in RSA 72:43-c, III; provided that the exemptions shall be based upon the assessed value of the real estate?

4. To see if the Town will vote to raise and appropriate and authorize the withdrawal from the Revenue Sharing Fund to include Principal and interest, established under the provisions of the State and Local Assistance Act of 1972 for use as a setoff against appropriations for the following purpose and in the amount indicated herewith. (Recommended by the Budget Committee)

Administration	\$80,000.00
----------------	-------------

5. To see if the Town will vote to appropriate the sum of Four Thousand Dollars (\$4,000.00) to be used to further the vitalization of the downtown area. Said sum of money may be used to match any grants from any public or private organization, agency, or governmental unit that may be available to the Town to pay for professional assistance in seeking funds for vitalization; and to continue the Town's vitalization efforts. (not recommended by the Budget Committee)

6. To see if the voters of the Town of Tilton will instruct the Selectmen to permit the Tilton-Northfield Recreational Council to continue its activities on the second floor of the Tilton Town Hall, as it has continuously for the past thirty (30) years, until said Council has secured a more suitable location to which it may remove. (by petition)

7. To see if the Town will vote to have the Selectmen of the Town of Tilton to negotiate with the State of New Hampshire to obtain a lease for the Town to have the use and control of State owned shorefront, in the east Tilton part of town north of the railroad trestle on the shore of Lake Winnisquam and the Winnepesaukee River, for the use of the inhabitants of the Town for recreational purposes. (by petition)

8. To see if the Town will vote in favor of a non-binding resolution; as a plea to the State legislature to bring before the voters a referendum to amend the State constitution; as to enable the voters of New Hampshire the right to yeah or nay the reaffirmation of individual judges in the State of New Hampshire; and to be done by secret ballot at an interval of not greater than every six years. (by petition)

9. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from State, Federal or another Governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95b.

10. To see if the Town will vote to authorize the Board of Selectmen to accept donations, gifts or property that might become available prior to next Town Meeting.

11. To see if the Town will vote to accept the Budget submitted by the Budget Committee, and pass any vote in relation hereto.

12. To see if the Town will vote to authorize the Board of Selectmen to convey property acquired by the Town, by Tax Collector's Deed, by public auction or in such manner as determined by the Selectmen as justice may require.

- 13. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
- 14. To see what action the Town will take in regards to the reports of its officers and agents.
- 15. To choose any other officers and agents for the ensuing year.
- 16. To transact any other business that may legally come before said meeting.

## REPORT OF THE BUILDING INSPECTOR

In 1986 there were 89 permits issued, 15 were single family homes, 41 were alterations, additions, garages, and misc. residential permits, 25 were commercial permits from offices, shops and rental units to industrial buildings on Route 3. Two apartment buildings were renovated and improved. Six mobile home permits were issued.

Fees collected were \$4,269.00 for all permits.

Respectfully submitted,

Michael H. Prindle  
Building Inspector

**AUDITOR'S REPORT**

To the Members of the Board of Selectmen  
Town of Tilton  
Tilton, New Hampshire

We have examined the combined financial statements and the combining fund and account group financial statements of the Town of Tilton, New Hampshire as of and for the year ended December 31, 1985, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the combined financial statements and the combining fund and account group financial statements referred to above present fairly the financial position of the Town of Tilton, New Hampshire at December 31, 1985, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the combining fund and account group financial statements. The accompanying financial information listed as supplemental schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Town of Tilton, New Hampshire. The information has been subjected to the auditing procedures applied in the examination of the combined, combining fund and account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

April 4, 1986

Carri, Plodzik, Sanderson

## REPORT OF THE CHIEF OF POLICE

This is the beginning of the tenth year (87) that I have held the reins of this Department and my fifteenth year as a Police Officer for the Town of Tilton. I was appointed acting Chief at Town Meeting 1977 and confirmed as Chief on a permanent basis in August that year. Since 1977 we haven't increased the size of our force nor have we increased the size of our police office. When I took on this responsibility, I vowed, in addition to my sworn duties, to turn around the poor public image of this Department and operate the Department as though it was a business. Since I've been in charge of overseeing your Police Department we have never gone over our budgeted limit, not so in the years prior to '77'. In 1977 your Police Department handled 2921 calls for service, that is, calls requiring some response from an Officer. In 1986 we responded to 4458 calls for service. This kind of increase was handled by improving management, allocation of our existing force, and the determination of your Officers to provide you with a quality service. We have reached our point of saturation however and you should be concerned with our ability to provide the same level of service in the future if we continue to see an increase in our activity.

There is one problem that we have yet to overcome though, and from a business standpoint should be addressed; that is the constant turnover of Officers. Without question your level of service is adversely effected because of this. Additionally funds are being used to maintain Department personnel levels rather than to improve the training levels of on board people. For example: we lose a trained man to a better paying department. While we are shorthanded, no one may go to in-service training school to improve the Department's ability to provide a better service. Additionally while we attempt to fill the position, that slot is filled by our Detective Corporal. We lose here twice, 1. We pay a corporal's wage and receive a patrolman product, 2. The Town is without the investigative service it deserves. This continues until we are able to hire a new man. Usually we attract inexperienced people because of our wages. This results in a loss to you in terms of lack of experience. Then the recruit must attend a ten week academy at a cost of approximately \$4,000-include another \$6,000 to cover the slot and we've spent \$10,000 to replace an experienced officer with an inexperienced officer. This in my opinion is poor business practice. We average two replacements a year or about \$20,000 a year wasted on average. We've replaced 21 full time Officers since I took over in 1977. So you see it's a costly problem.

I hope this report is helpful to you in understanding your Police Department and considering its future.

Respectfully,

George S. Prescott  
Chief of Police

**REPORT OF THE SELECTMEN**

The tax rate (\$46.54 for \$1000 valuation) has evolved as a result of many "outside" factors, over which the Board of Selectmen has had very little control. Such areas as:

- Welfare assistance due to State guideline changes
- School costs as affected by the revision of the formula of sharing costs
- Legal fees-planning board/ZBA/welfare
- Management and personnel to handle the increasing public demands.
- Tax exemptions-elderly, blind, veteran, contaminated wells, religion and academy exemptions etc. Total exemptions over \$12 million presently in effect.
- Rubbish and waste costs of disposal.

The Board is very concerned about the preservation and restoration of the historical assets of the Town. Tilton has become very well known throughout the State and Northeastern United States because of these historical landmarks. Many of the statues and monuments, the bridge to the island, the fence around the Civil War Monument, and the Town Hall itself are all in need of varied maintenance and repair.

The Downtown Revitalization Committee, through the Board of Selectmen, has applied for and received grant funds to continue its efforts regarding the feasibility study of Tilton from the old Mosquito Bridge area to the Franklin Town Line.

The restoration of the inside as well as outside of the Town Hall building has been a major concern of the Selectmen. More efficient utilization of all areas inside the building are necessary in order to carry out the expanding demands made upon local government.

The handicapped accessibility aspects of using the Town Hall for other town services such as the Police Department; Planning Board/Zoning Board of Adjustment meetings and public hearings; Budget Committee; Conservation Committee and all other commissions and committees where public access is required, must be addressed. The Selectmen realize that in order to better utilize the areas available within the Town Hall, that an assessment must be made and definite plans developed, to carry out the needs of efficient town management.

Fire Station — the efforts of such people as George Corliss Jr and Mrs Evelyn Lloyd and others were paramount in the overall development and implementation of a long time dream.

We also want to express our sincere appreciation to all Town employees, heads of departments and to all the members of the various boards and committees who gave so freely of their time and energy.

Respectfully submitted,

William W. Joscelyn, *Chairman*

Ronald P. Mills Sr.

James W. Dodge

From Mar. 17 to Dec. 31, we issued 4018 decals for the new Municipal Agent Program which the Town is now participating in.

Respectfully submitted,

F. Gayle Twombly, CMC  
 Town Clerk

#### FEDERAL REVENUE SHARING REPORT

Balance as of Oct. 31, 1986 80,487.14

The **Treasurer's Report** was not available at the time of printing.

**REPORT OF THE HIGHWAY DEPARTMENT**

The winter of '85-'86 wasn't severe as far as snow was concerned but we did have many "nuisance" storms and freezing rain. We used much more sand than usual which requires salt to keep the sand workable. As a result, we used approximately 150 tons more salt than usual. On an average winter we use 300 tons of salt.

With the rainy spring and summer the construction projects were all delayed and in some cases postponed to 1987. Notably the drainage and reconstruction of upper Chestnut St.

Projects completed include: Sealing of Mountain View Drive, Circle Drive, Lancaster Heights, Jacob Rd. and Westwood Drive. Shimming of Chestnut St., Highland Ave, Prospect St., High St. and Jacob Rd. used approximately 135 tons of shim mix. This was done with Northfield's grader and a roller from Pike at no charge. Philbrick Rd. was paved with 3" of asphalt. Center St. was paved with 1" of asphalt to complete the drainage job done at the Fire Station.

Trees and stumps were removed from Lockmere, Park Rd. and Pleasant St. Again because of all the rain the seven cemeteries, the island and the monument had to be mowed nearly every week. The fence on the Route 3 cemetery was replaced and the others were painted.

A new area for scrap metal was cleared and the metal was sorted and removed. Some clean up remains at the old area. What to do with tires, scrap and building materials is a continuing and expensive problem.

Maintenance was done on the Town equipment mainly by the Town crew.

An inventory and ten year plan for Town streets has been started.

Projects for 1987:

Chestnut St., Reconstruction and drainage and pavement

Grant St., Reconstruction and pavement

Morrison Ave., Shim and pave

Highland Ave., pave

Linden Ave., Shim and pave

Maple Ct., Shim and pave

Northern Shores, Shim and seal

Manville Rd., Shim and pave

Replace the guard rail on Packer Brook on Pine St. and Chestnut St.

Cement work on Pine St. culvert

Repair sidewalks in Lochmere.

Respectfully submitted,

David Wadleigh, *Road Agent*

Town of Tilton

## REPORT OF WELFARE FAIR HEARINGS OFFICER

This is the first report of the Fair Hearing Officer, said position having been created and filled by the Selectmen during the latter part of 1986.

The duty of the Fair Hearings Officer is to hold an appeals session for applicants who have been denied some form of Welfare Assistance by Town Authorities. An appeal session, to be held, must be requested by the applicant and by law must be held within a specific period of time.

State Laws are very specific regarding when, how, and what must be done for Welfare applicants who can prove a need for basic subsistence.

During the latter part of 1986 one appeal was made and a full hearing was held. A second Fair Hearing was requested and the appeal session was scheduled for early 1987.

Whereas particular and specific details of each case are private, details of hearings cannot be made public.

There is no question that some applicants are in dire need of immediate assistance and it is both legally and morally wrong; not to reach out to help one another. It is also obvious to me that there are some individuals who have a unique way and knowledge of the existing laws, so that it enables them to avoid responsibilities of self support. This is most unfortunate for taxpayers who must pay for Welfare. Until there are some changes made in the laws, we must all bear the burden, through taxation for those who are truly needy and those who skirt the edges of the existing laws.

Loring R. Stevenson  
*Fair Hearings Officer*

**YOUTH ASSISTANCE PROGRAM OF NORTHFIELD, SANBORNTON,  
AND TILTON, INC.  
1986 TOWN REPORT**

Our Youth Assistance Program has had increasing activity this year. Not only have we worked with young people in need of court diversion but we have had opportunity to become involved with youths and families in need of help.

Our daytime parent support group is exciting and productive. We are making plans for an evening meeting as well.

Strides are being made in an independent living program for youths to help prepare them for a time when they may strike out on their own. Study includes job hunting, apartment living, home and money management, etc.

The People Program is small but growing. We need adult volunteers. It is a worthy and rewarding activity. There are many youngsters who need a caring adult to spend special time with them. All prospective volunteers are carefully screened. We work closely with them to help build successful and happy relationships.

We are pleased to report that we have many new volunteers for the Juvenile Review Boards. Without these good people we could not do the all important court diversion work.

Our appreciation is offered to the police departments of Sanbornton, Tilton and Northfield and to the personnel of the Winnisquam Regional School District. It is a pleasure working with you.

Respectfully submitted,

Martha C. Douglass, *Director*  
Dawn Bartron, *Assistant Director*

**HALL MEMORIAL LIBRARY**  
**Public Library of Tilton and Northfield**  
**1986 Report**

Many newcomers came to the library in 1986, frequently calling to ask "Where are you?" Yes, we are on the Northfield side of the river, at Park and Elm Streets, across from the Union Sanborn Elementary School. We serve both Tilton and Northfield as their public library, receiving funds from both towns. During week days for ten months (Sept.-June) the library is open 9 hours each day, with a short day Saturday, 11-2. Summer months (July and August) the library opens five hours Monday through Thursday and 11-2 on Friday and Saturday. Children's books, including the special books for preschoolers, are very well-used and adults appreciate the flow of new books, including many best-sellers, and the up-to-date encyclopedia, Current Biography, Reader's Guide to Periodical Literature (backed up by seven-year collections of Newsweek, Time, U.S. News and others), when information is needed. We are fortunate in being able to participate in the state-wide inter-library loan system and the State Library reference department augments our smaller collection. Cookbooks, how-to-do it books and history, art and poetry provide a movable feast.

During the first quarter of 1986, N.H. authors were emphasized partly due to the librarian's presentation before the Lakes Region Chapter of the NHRTA in Meredith, on January 20. Four authors who were emphasized at the meeting and in the library exhibit were: Donald Hall of Danbury, poet laureate of New Hampshire, critic, baseball fan and author of the ever-popular "String Too Short To Be Saved"; Tomi De Paola of New London, author-illustrator of such children's books as "Strega Nona"; Elizabeth Yates of Peterborough who writes for older children and adults, noted for her spiritual insight and generosity as well as for her talent; and Morgan Llywelyn, author of "Lion of Ireland" and other Celtic tales, formerly of Intervale.

The high point of the second quarter was the Robert Cormier Open House at the library on April 29. Only the co-operation of six other libraries and the N.H. Council for the Humanities made this opportunity possible. Nancy Conklin of Tilton School spearheaded the meetings preparing for this visit Barbara Powers was co-hostess. Visitors came from some distance to hear the famous young-adult author ("Chocolate War" and "Beyond the Chocolate War" are among his books). He answered questions, autographed books, and provided the sixty or seventy who met him at the library with an unforgettable experience.

During the summer a large dinosaur dominated the entrance hall, inviting children to take part in the summer reading program: "Books Are Big Fun!" Over twenty did enthusiastically read and make reports, making them all winners. On August 20 they enjoyed an ice-cream party with games, prizes and sharing unusual book reports.

The last quarter provided the new time for the annual book sale, held at the library on October 18. Camille Tolme and other Friends of the Library staffed the tables. Marjorie Wentworth of the Poetry Society of New Hampshire provided an eye-catching display to turn our thoughts to Poetry Day (Oct. 15) and Stephen Randall of the Northfield Historical Society brought in an impressive exhibit of "Women at Work" based on the oral history project by older Warner women recalling a way of life that has radically changed. What stories some of our citizens could tell!

The first display of the season was Hummel figurines in January, along with a book on the subject. Marie Tavares organized a display of Native American handicraft in March, the Friendship Grange exhibit was lent by Marion Houlihan in April, while Arline Sheehan's second grade "Young Authors" had a display of their original books in June. The Christmas tree donated by David Cheever from his Bean Hill lot and The T-N Garden Club's beautiful Christmas wreath made by Clara Hardy added to our holiday cheer. Much appreciation is due all the above and everyone who contributed to making the library a pleasant and inviting place.

Regular Story Hours for pre-schoolers and Free Film programs for all ages were held throughout the year.

Respectfully submitted,

Doris B. Ullrick, *Librarian*  
Rachel Entwistle, *Asst. Librarian*  
Gertrude Joscelyn, *Library Aide*

## REPORT OF THE DISTRICT NURSE Jan. 1, 1986 through Dec. 31, 1986

The number of visits totaled 913. 526 in Tilton, 387 in Northfield, with 74 office visits. There were 67 admissions, 16 readmissions, 40 discharges, and 797 revisits.

Divisions of visits according to diagnosis:

Antepartum	1	Blood Dyscrasia	46
Postpartum	19	Cancer	93
Prem/high risk	18	Arthritis	4
Well Child/Inf.	36	Diabetes	19
Gynecological	2	EENT	2
Neurological	45	Gastro-Int.	24
Respiratory	7	Periph. Vasc.	47
Orthopedic	7	Mental Health	45
CVA	60	Non-Ortho.	4
Cardiac	240	Adult Health	194

On January 1, 1986 the District Nurse office was moved from 183 Main Street-upstairs-to 192 Main Street-downstairs. The moving was done by the Board of Directors and spouses. Many thanks to all. Along with the new office came a sign. The sign was taken down and put up again by the nice folks at Bryant & Lawrence who also donated the paint with which the Rev. Corringham painted and lettered the sign so beautifully. Thank you Bryant & Lawrence. Thank you Rev. Corringham.

On May 17th the T-N District Nurse had a booth at the Franklin Hospital Health Fair. Many people stopped by to have their blood pressure checked and/or to receive pamphlets.

Eight blood pressure clinics were held in 1986. Seven were held in the recreation room of the Belle Peabody Apartments. A total of 109 were seen. Mr. and Mrs. Richard Smart assisted.

Two Well-Child clinics were held this year. Dr. Weinraub volunteered for one of them and Dr. Friend for the other. Dr. Mishcon and Dr. Schneider have also volunteered to take their turns. Assisting at the Clinics were Nan Smart, Lib Robert, Kay Stewart, Linda Goodwin, Doris Picknell, Mary Dwinal, Marty Moore, Edith Croteau, and Jean Pisczek. Thank you to all the people associated with the clinics.

Thank yous to Cindy Zachelli, RN and Meg St. Gelais, RN for substituting for the District Nurse when needed.

The distribution of Christmas baskets was once again coordinated by the District Nurse with much help from school nurse Kerry Rainville, RN. Thank you also to all the organizations and anonymous donors for trying to make Christmas better for all.

I wish to extend my heartfelt thanks and appreciation to all organizations and individuals, including the Board of Directors of the T-N District Nurse Association, who have assisted me in carrying on the work of the T-N District Nurse.

Sincerely,

Deanna L. Stillings, RN

## ANIMAL CONTROL OFFICER REPORT 1986

The animal control officer handled 106 cases in 1986. Of the 120 cases, 97 were involving dogs, 8 involved cats and 15 cases involved horses, cattle, rabbits, chickens, sheep, etc. Thirty-one dogs were picked up. Eight were returned to their owners, two were adopted and 21 dogs were transported to the New Hampshire Humane Society. Five cats were picked up and five cats were transported to the Humane Society. Three other cats were adopted. A rabbit and a horse were picked up by the animal control officer. The rabbit was adopted and the horse was returned to its owner.

By your Animal Control Officer:	
Dogs & Puppies	23
Cats & Kittens	<u>2</u>
TOTAL	25
From Tilton Residents:	
Dogs & Puppies	55
Cats & Kittens	<u>104</u>
TOTAL	159
Total number of Dogs, Pups, Cats & Kittens from the town of Tilton	184

We are enclosing a copy of the report on all towns that used the shelter facilities and services in 1986. Your Society's shelter has been inspected and licensed by the State and fulfills your licensed dog pound requirements. It also complies with RSA 442-A, the Rabies Control Act for holding stray dogs.

Every town has stray animal problems. We encourage the town of Tilton, especially the Animal Control Officer, to use our services more in 1987.

Sincerely,

Fritz T. Sabbow  
Executive Director

**TILTON-NORTHFIELD FIRE DISTRICT WARRANT**

To the Inhabitants of the Tilton-Northfield Fire District, qualified to vote in District Affairs:

You are hereby notified to meet in the Winnisquam Regional High School Cafeteria on Monday, March 16, 1987 at 7:30 o'clock in the evening to act on the following:

1. To choose a Moderator for the ensuing year.
2. To choose a clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose a Fire Commissioner for the ensuing three (3) years.
5. To hear the reports of the Treasurer and Fire Commissioners and pass any vote relating thereto.
6. To see if the District will vote to renew the Water Contract and raise money for the same in the sum of Twenty-nine thousand dollars (\$29,000.00).
7. To see what action the District will vote to take in regard to payment of insurance, payroll, school training, alarm system, new equipment, truck maintenance, station maintenance, equipment maintenance, equipment replacement, supplies, office supplies, administration, truck fund, dry hydrants, building fund, elections and registrations and other incidental expenses in the sum of One hundred ninety-two thousand five hundred sixty six dollars (\$192,566.00).
8. To see if the District will vote to raise and appropriate Eleven thousand dollars (\$11,000.00) for the support of the Winnisquam Fire Department.
9. To see if the District will vote to authorize the Fire Commissioners to apply for, accept and expend money from the State, Federal or other governmental unit or a private source should any become available during the year.
10. To see if the District will vote to authorize the Fire Commissioners to borrow money in anticipation of taxes.

11. To see if the District will vote to raise and appropriate Fifteen thousand nine hundred sixty-one dollars (\$15,961.00) for the purpose of renovating Engine #3 (1970 International).
12. To transact any other business that may legally come before the meeting.

A true copy of Warrant Attest:

Lewis D. Read  
David C. Schofield  
Thomas G. Gallant

Wood Stove Prob.	1	1-1968 International 750 gal. pump	
Rubbish	1	1000 gal. tank	
Brush Fires	17	1-1981 International 1000 gal. pump,	
Misc.	10	1000 gal. tank	
Rescue Search	1	1-1980 Ford Rescue Vehicle	
Gas Spills	3	1 Forestry Jeep	

The Winnisquam Fire Department responded to a total of two hundred and eighty calls in nineteen eighty six. The Department consists of sixteen active and probationary members, six of which are Emergency Medical Technicians.

Training sessions and drills are held frequently, and Fire Schools are attended annually by members.

Regular business meetings are held the first Thursday of each month at 8 p.m. Officers meetings are held the second Tuesday of each month at 7 p.m., and special meetings are held as needed.

In the past year the Winnisquam Fire Department held fundraisers in which to purchase medical equipment, to update our rescue. Each year the medical field becomes more technical, therefore the Winnisquam Rescue team is trying to keep up with the most current equipment. The Winnisquam Fire Department would like to thank all those who supported, and donated to our Department. Special thanks to Sarge and Gerry Watts of Sarge's Country Store, they are two people who are always there regardless of what time of day or night.

The annual Carole Davis Memorial Christmas party was held for the children in the Winnisquam area.

Respectfully submitted,

Charlene McDonald  
Clerk-W.F.D.

**Annual Report of the  
Concord Regional Solid Waste/Resource Recovery Cooperative**

January, 1987

Member Municipalities

Allenstown	Canterbury	Henniker	Pembroke
Andover	Concord	Hill	Salisbury
Belmont	Deering	Hillsborough	Tilton
Boscawen	Dunbarton	Hopkinton	Warner
Bow	Franklin	Laconia	Weare
Bradford	Gilford	Loudon	Webster
Bristol	Gilmanton	Northfield	

In the past year, the Cooperative has been working with Signal Environmental Systems in monitoring and assisting the effort of permitting for the proposed resource recovery facility in Concord. The project requires obtaining over twenty-five local, state and federal permits and approvals. At present, two permits are outstanding and these are expected to be granted in 1987.

In December, 1986, the NH Supreme Court ruled on an appeal by Public Service of New Hampshire of the project's power rate filing determined by the Public Utilities Commission. The court ruling confirmed the PUC procedures, allowing the resource recovery project to proceed.

In 1987, it is anticipated that the permitting will be completed, the project will be permanently financed, and construction of the 500 ton per day refuse to energy facility will be initiated.

## 1986 REPORT OF THE CONSERVATION COMMISSION

The purpose of the Conservation Commission is to insure protection and utilization of the community's natural resources and watershed resources. As such we collect information about these resources and provide input regarding the same to citizens, town and state agencies. In addition, by law we are required to review Dredge and Fill applications, and if necessary provide comments to the State Wetlands Board.

The Commission's primary accomplishment in 1986 was the enactment of a Wetlands Conservation District to the Town's Zoning Ordinances at the 1986 Town Meeting. We were gratified by the Town's support of this Chapter, which is a recommended objective of the Master Plan. This is a big step forward toward protecting our groundwater and promoting quality land use practices.

The number of Dredge and Fill applications requiring on site inspection and comment increased again this year. Increased applications for docks was noted. Citizen inquiries and consultations about Dredge and Fill applications also increased. Consultations with the State Wetlands Board, Belknap County Soil Conservation District, Water Supply and Pollution Control Commission, and Fish and Game Department personnel provided us with useful technical information in making comments and answering inquiries.

The Commission consulted with NH Fish and Game Department about the massive fish kill at the Lochmere Hydro Station in response to citizen's complaints. When the fish deflection device was found to be ineffective, the Fish and Game Department ordered the generating plant closed down for the remainder of the fish migration. It is hoped that a solution can be found to prevent this water polluting situation from occurring again in 1987.

A Commission member testified at a Legislative hearing in Concord, presenting the Town's position on the Army Corps of Engineer's Flood Control proposal as voted at the 1985 Town Meeting.

Commission members attended workshops and regional meetings about groundwater and aquifer protection, wetland protection, dredge and fill standards, identification of natural resources, and land use planning. Materials acquired at these meetings are on file and available to other town agencies and interested citizens.

We are encouraged by the increased awareness of the community in promoting quality land use practices. Commission members are available for consultation about wetlands, water resources, and requirements for State Dredge and Fill applications. Members can be contacted directly or at monthly Commission meetings.

Respectfully submitted,

Justine B. Gengras, *Chairman*

### THE SEWER FEASIBILITY STUDY

The Flow Infiltration Analysis, and the Sewer System Mapping date completed by Whitman & Howard Inc. for the Town of Tilton has been completed. It is available for public scrutiny at the Town Hall.

**TILTON-NORTHFIELD RECREATION DEPARTMENT  
ANNUAL REPORT 1987**

The activities provided by the TN Recreation Dept. have given enjoyment and knowledge to many people of our towns in all age groups from pre-school to senior citizens. New programs and continuing programs are offered throughout the year. Some of the various programs are: pre-school classes, basketball, family skating, skating lessons, skiing lessons, aerobic dance, aerobic exercise, afterschool specials, tap, ballet & jazz, soccer, golf lessons, swim lessons, playground and various other programs. It is our desire to offer a well-rounded program schedule to the area citizens.

At a recent council meeting with the Tilton Selectmen we were informed that our operation must vacate the Tilton Town Hall, which has been used by the TN Rec Dept. for over thirty years. The town of Tilton needs the space for town meetings, votings, etc. which has previously been done in the schools. We, as the Tilton Northfield Recreation Council are looking into possibilities to build a recreation center for the two towns. Our first step is to find a spot of land. We will be trying to obtain a spot behind the baseball field in the Northfield Pines area from the town of Northfield at town meeting by way of a warrant article. We will need the support of the voters to obtain this. Please help us out by participating at the town meeting to vote on this article.

The council acknowledges with gratitude the public funding of these programs. Our thanks to all the organizations, merchants and individuals who have contributed materials, funds and time.

Respectfully submitted,

Charles Dwinal, *Chairman*

*Recreation Director-Cindy Rose, Chairman-Charles Dwinal, V. Chairman-Robert Jordon, Secretary-Barbara Foster, Treasurer-Valerie Allen, Marcial Charron, Betty Brown, Sharon Watson, Dick Smart, Ed Phelps, Bob Cyr.*
