

DANVILLE  
TOWN HALL

EST. 1836

2006  
ANNUAL  
TOWN  
REPORTS

**On the cover:**

**The Town Hall sign advises the residents of  
events that happen throughout the year.**

**This year we proudly announce the  
2006 Annual Report**

Much appreciation is due to the people who collaborated on the production  
of this Town Report:

Donna Sullivan  
Jill Fleming  
Janie Sigilman  
Committee Members  
Department Heads

**ANNUAL REPORTS**

**TOWN OF DANVILLE**  
**NEW HAMPSHIRE**

**For the Fiscal Year Ending**  
**December 31, 2006**

## DEDICATION

The best of what a community is, often is left to it by those who came before. Such is true with the character, or heritage of a town. Landmarks depicting historical events, houses and public buildings restored and maintained providing snapshots of how we lived in earlier times, historical accounts and legends of the joys and tragedies of our ancestors, all abound in this small, rural NH town we once called Hawke, we now call Danville, but we've always called home.

The town of Danville is honored to dedicate this year's annual report to the woman who brought this historical abundance into full focus.

**Ruth J. Rich** was a native of Boston, but lived in her “adopted hometown” of Danville throughout the 1960’s and ‘70’s. During that time she wrote the only published history of the town. Mrs. Rich was Town Clerk for several years, and in that capacity became acutely aware that there was no single compiled source of the history of Danville. She was intensely interested in history, as she had founded the Hawke Historical Society, and served as its charter president for several years. She also was instrumental in having the Old Meeting House listed on the National Register of Historic Places. She had the sleuthing skills necessary to undertake the research for such a project, as she had worked for the FBI and the Army Intelligence Corps earlier in her life. The nation’s bicentennial was on the horizon, and Mrs. Rich decided the time was right to take on the project of writing the history of Danville. Her goal was to have it published to coincide with the country’s bicentennial celebration.

**The History of Danville, New Hampshire** was a huge success when it first was published in 1976. It sold out again in 1999, when it was republished with encouragement and assistance from the Danville Heritage Commission. Today it remains the only published history of Danville, and is one of the most requested historical volumes at the Colby Memorial Library for those in town who don’t have their own copy.

In later years Ruth and her family relocated to the south coast of Oregon. She passed away in September of 2005 at the age of 82.

Danville has always been and continues to be a wonderful place to live with a colorful history and a bountiful heritage. We are grateful to Ruth Rich for bringing that into perspective and helping us appreciate it more fully

## **SELECTMEN'S MESSAGE**

### **To the residents of Danville**

2006 saw changes in the Board of Selectmen with the election of Shawn O'Neil and the appointment of Joe Luna, after the resignation of Dave Knight. The five-man Board works well together and the two new members bring new perspectives and insight to the Board as well as their own areas of expertise. We welcome Shawn and Joe and thank Dave for his service to the town.

2006 also saw the implementation of the controversial cart system for curbside trash pick-up. It seems that after using the system for a few months, it is quite successful and accepted. Bulk pick-up is still provided to our residents four times a year as well as curbside recycling. All this has been done with a \$40,000.00 savings to the taxpayers. An added benefit is the appearance of Danville on trash day with all the green barrels lined up neatly along the roadside instead of buckets, barrels and bags.

With the population still growing, we have seen a demand for more and more services. There have been not only more calls but more serious calls for both the Fire and Police Departments. The Road Agent is certainly busier as well as the Building, Fire, Plumbing, and Electrical Inspectors.

The Fire Department, manned with more daytime coverage, is responding to medical and fire calls more quickly and efficiently than ever before. Thanks to their quick response and the help of our neighboring Fire Departments, there have been great saves on two major house fires.

The Police Department has also responded to the needs of Danville by adding a third full-time officer. There are plans for a fourth officer, which is greatly needed for the many police related calls from well-being checks to major felonies.

The Board of Selectmen is also investigating the use of the second floor of the town hall to meet the many demands placed on this building. Also, the upstairs is a large and historic room that should be used by the citizens of Danville.

The Board of Selectmen wishes you the best in 2007 and wants you to know that we are here to serve you.

J. Russell Pouliot, Chairman  
Robert S. Moore, Vice Chairman  
John Russo  
Shawn O'Neil  
Joseph Luna

## TREASURER'S ANNUAL REPORT

The Town's **General Fund** for the fiscal year of 2006 was a year of challenge and opportunity due to economic changes in Danville. The Town experienced the first full year of the property revaluation and the setting of a new tax rate.

A need was found to support the General Fund's cash flow requiring the necessity to borrow with "**Tax Anticipation Notes**". The first borrowing of **\$100,000** in May 2006 was caused by a court judgment against the Town in the amount of \$141,000 that required payment in advance of the receipt of the tax bills in June. The second borrowing of **\$250,000** in November 2006 was caused by a delay of setting the tax rate with the Department of Revenue and the receipt of taxes due in December.

The balance in the **General Fund** started in January at \$2,392,127 and ended in December with **\$3,367,761**. This ending balance represents a cash increase of \$975,634 over 2005. The total income for the year was \$10,229,022, and the total expense was \$9,253,387. The net income for the year was \$975,634 in 2006, compared with \$57,593 in 2005. The interest earned on the General Fund Cash Management Account increased to \$58,079 due to the favorable interest rates during 2006.

In addition to the General Fund, there are eight (8) other funds in the custody of the Treasurer that are separate from the General Fund and have been established with the approval by town vote or other legal means. The total amount of these combined funds on December 31, 2006 was \$795,968.

The **Conservation Fund** ended the year with a balance of **\$703,366**. This fund was established pursuant to New Hampshire Revised Statutes Annotated (RSA) 36-A "Conservation Commissions". The primary source of funds in this account comes from Current Use Change Taxes paid to the Tax Collector. In 2006 the fund received \$14,550 in Current Use Changes Taxes and \$35,395 in interest paid by the bank. Money may be expended from the fund by the Conservation Commission for conservation purposes and to purchase land in the name of the Town without further approval of the town. Disbursements from the fund were authorized by a majority of the Conservation Commission Members in the amount of \$50,622.

The **Heritage Fund** ended the year with a balance of **\$273**. This fund was established pursuant to New Hampshire Revised Statutes Annotated (RSA) 674:44 "Heritage Commission". Money appropriated by the Town and any gifts received may be placed into the Heritage Fund and expended from the fund with the authorization of a majority of Heritage Commission Members without further approval from the Town. The only income was interest in the amount of \$13.36. There were no disbursements in 2006.

The **Cable Access Special Revenue Fund** ended the year with a balance of **\$17,976**. This fund was established by a warrant article approved by the town pursuant to New Hampshire Revised Statutes Annotated (RSA) 31:95-c. The law allows towns to restrict revenues, or portions of revenue, from a specific source to expenditures for specific purposes. The revenue is limited to town activities received through user fees. The income for this fund is received from cable fees collected when cable users pay their monthly bills. The fund received \$7,242 in 2006. Disbursements from the fund may only be authorized by vote of the Town, which was done by warrant article in 2006 in the amount of \$5,000.

The **Impact Fee Fund** ended the year with a balance of **\$64,567**. This fund was established pursuant to New Hampshire Revised Statutes Annotated (RSA) 674:21 "Innovative Land Use Controls". Impact Fees are an assessment paid by the developer for public school facilities in order to accommodate increased demand on the capacity of these new public school facilities due to new development. The fund received impact fees in the amount of \$10,959 that were collected by the Building Inspector, and \$2,014 in interest paid by the bank. Disbursements from the fund are only by order of the Board of Selectmen to be used solely for capital school facility expenses for the school district. There were no withdrawals in 2006.

The **Granger Road Bond Fund** ended the year with a balance of **\$1,201**. The fund was established by the Planning Board as a condition of approval for compliance with road regulations within a sub-division. The fund received \$59.23 in interest, and there were no withdrawals.

The **Kinney Road Bond Fund** was closed in 2006 and ended the year with a balance of **\$0.00**. The fund was established by the Planning Board as a condition of approval for compliance with road regulation within a sub-division. All funds (\$4,895) were withdrawn by order of the Board of Selectmen and used to finishing paving requirements requested by the Road Agent.

The **Recreation Revolving Fund** is maintained in separate Savings and Checking Accounts. The funds were established pursuant to New Hampshire Revised Statutes Annotated (RSA) 35-B:2 II. The fund receives money from fees and charges for recreation services and programs. Disbursements are made by a majority of Recreation Committee Members without further authorization from the Town. These funds are spent only for recreation purposes.

The **Recreation Savings Account** ended the year with a balance of **\$3,823.19**. The revenue received was \$188.45 in interest paid by the bank. There were no disbursements from the fund.

The **Recreation Checking Account** ended the year with a balance of **\$4,762**. The income received from recreation fees and services was \$31,422, and \$88.91 was received in interest paid by the bank. Disbursements of \$31,008 supported various public recreation programs held throughout the year.

All the funds are on deposit with TD Banknorth, N.A., Kingston, NH. The **total of all funds** in the custody of the Treasurer on December 31, 2006 was **\$4,163,730**. (Note: Account balances do not reflect the "cents" and have been "rounded" for the sake of simplicity.)

If the public would like more information or has questions concerning any of the accounts listed, please feel free to call me.

Sincerely,  
Elisabeth "Betsy" Sanders, Treasurer

## TOWN CLERK REPORT

ITEM	NUMBER ISSUED	CHANGE FROM 2005	REVENUE
Motor Vehicle Registrations	4110	-1411	677,013.62
Dog Licenses	648	+289	7,656.00
Marriage Licenses	8	-8	552.00
Certified Copies	16	+2	152.00
Filing Fees	8	-2	8.00
Returned Check Fees	17	+2	425.00
<b>Total</b>			685,806.62

The Town Clerk's Office had a very exciting year. We went with the State online registration MAAP program, which means that we can now register vehicles up to 26,000LBS. We also have the capability of issuing Vanity Plates and conservation Moose plates.

We have extended our hours for the convenience of our customers. We are hoping by April to do mail in registrations. This will happen if the Town Budget passes in March.

Dog registrations increased significantly last year due to the mailing reminders. All dogs must be registered by April 30, 2007 to avoid fines.

Doreen Moore  
Town Clerk

Christine Tracy  
Deputy Town Clerk

### HERITAGE COMMISSION

The Heritage Commission meets every second and fourth Wednesday of each month at 7:30 PM at the Town Hall.

The Commission is actively engrossed in working with the Board of Selectmen in trying to save the Webster Stage Coach Stop and is looking into funding through New Hampshire Department of Transportation. Funding is needed to move the Stagecoach Stop across the Rt. 111A, prepare the site and lay a dry stone foundation. An archaeological survey will be conducted in the area around the Stagecoach Stop.

Due to the historical significance of the Webster Stagecoach Stop and Store, the Heritage Commission applied and received notice that the Webster Stage Coach Stop has been listed on the New Hampshire Register of Historic Places.

The Commission cleaned up the Beehive Hut this year. The log fence around the Beehive Hut was repaired during the fall cleanup and the sign was repaired.

The Heritage Commission maintains a web page on the Town website, [www.townofdanville.org](http://www.townofdanville.org). Please visit and click on *Heritage Commission*, information regarding the Town's rich history can be found there.

The Heritage Commission invites any resident with an interest in the Town and its heritage to join the Commission or stop by one of our work sessions or meetings. We are currently seeking one full member and three alternate members and anyone wishing to join may send a letter of interest to the Board of Selectmen and the Commission.

The Commission also has a Heritage Fund, which can be used to help save historic town owned structures. Donations are always accepted and tax deductible.

Ron DiCarlo, Chairman  
Barbara Byrne  
Bill Gard  
Carol Baird  
Julie DiCarlo

## TRUSTEE OF THE TRUST FUNDS REPORT

During the year of 2006, the Trustee of Trust Funds had the following key activities in our capital reserves:

### Capital Reserve Funds Newly Created

- Municipal Mosquito Control Expendable Trust established per WA-2006-22.
- Police Station Capital Reserve, which should have been established in 1999 per WA-1999-18, and, an additional \$10,000.00 added to this capital reserve per WA-2000-11.

### Capital Reserve Fund Withdrawals

- Police Cruiser Capital Reserve; per guidance from DRA along with DBOS approval we transferred \$11,618.74 from the existing Police Cruiser Capital Reserve account to the newly established Police Station Capital Reserve.
- Clyde Goldthwaite Rec. Field Fund per WA-2006-25 for \$5,950.00.
- Municipal Mosquito Control Expendable Trust per WA-2006-22 for \$9,020.00.

### Capital Reserve Fund Additions

- Fire Department Capital Reserve per WA-2006-18 for \$30,000.00.
- Cemetery Capital Reserve per WA-2006-20 for \$5,000.00.
- Clyde Goldthwaite Rec. Field Fund per WA-2006-25 for \$1,000.00.

Danville's investments along with approximately 570 municipalities, school districts, etc. throughout the State of NH have their investments in the New Hampshire Public Deposit Investment Pool. The annual % yield on our investments in 2006 was 5.11%. The graph below summarizes the annual % yield seen on our funds in the NHPDIP since 2000.

For a complete list of all funds and fund activities along with the 2006-year ending balances, please see the 2006 Investment Summary Report located in the Danville Town Report.

Respectfully Submitted,

Stephen R. Cotton, Trustee/Bookkeeper  
Peter Meigs, Trustee  
Julie Dicarlo, Trustee

Danville Trustee of Trust Funds

## CEMETERY REPORT

The Cemetery Trustees would like to thank everyone for their support over the past years. It is nice to hear from the taxpayers that the Cemetery maintenance is to their liking and approval. We are hoping that we can keep doing everything in stages as it is easier on the taxpayers also and we are able to phase all of our projects.

This past year we have been working on ways to be able to keep the “past” alive in our history. Many of the older stones from the early years in Danville are starting to break and be more fragile. The cleaning wears on them so we try not to do it often as well as the rains and snows. We are planning on starting a digital photography record of the stones in the cemetery, which should also assist us with the mapping projects.

The mapping project came to a slow down this year as the weather was either rainy or hot and it just did not seem to coordinate itself with the schedules of the Trustees. We are working in the Center Cemetery in the front section and have had some success but the layouts get a bit jumbled at times as you find areas that are just this way and that. We then have to place the measurements on graph paper and transpose them again onto larger paper and then have it laminated. It is a time consuming process but we are moving along.

The stonewall work was moved to Old Meeting House Cemetery this year. The front main wall between the Old Meeting House and the Cemetery was starting to lean, we had this straightened out and areas aligned so that the main gate will now close properly. Our hope is to this year get that refinished and painted to make the appearance nicer.

We have surveyed the remaining lots at Old Meeting House Cemetery and have found that there are very few left (a total of 32 lots). Our hope is to get the funds from the Capital Reserve and be able to re-excavate Center Cemetery lot addition and find out how much of the area is going to be able to be usable for burials. We are in desperate need for burial space.

If you are interested in a burial plot please contact either Beth Caillouette or Leon Buzzell and we will gladly set up a time to meet with you.

We have also had numerous inquiries from family members looking for their relatives (genealogy) work and private cemetery owners and it is always interesting to work with people on these matters. So if you have any cemetery questions or would like to know more and meet with the Trustees please feel free to contact us.

Thank you, Leon Buzzell, Beth Caillouette & Constance Metcalfe  
Cemetery Trustees

## ROAD AGENT'S REPORT

The early winter of 2006 was a very mild snow winter with the last time that we plowed or sanded was late February. There are many other years that we can deal with the winter season until well into April. The end of the year winter season was also mild and we only had to plow/sand the roads twice in December which allowed the highway department to turn back over \$41,000.00 of the 2006 Budget.

The Pleasant Street Bridge project was installed in May four (4) days before the flooding started on Mother's Day. We had roads closed and detours all over the town. We had wash outs on Long Pond Road, Kingston Road, and Hampstead Road. After the floods and all repairs were finished and back to normal we were able to collect over \$17,000.00 between the Highway Dept., Fire Dept. and Police Dept. from the FEMA.

Due to the floods other projects had to be put on hold, due to the fact that the floods and then the repairs took time to finish.

This year we are planning to do at least one half of Long Pond Road project along with other small drainage projects on Long Pond Road, along with the new bridge over Pow Wow Brook.

I am also hoping to put in the new bridge on Sandown Road, along with all the normal road maintenance around Town.

Just a winter reminder – if it is your trash day and you put your barrel out for pick up please remember to keep it in your driveway so that it can be reached by the trash truck in your driveway. Also remember we do have a parking ban when it snows and please do not park in the roadway during and after a storm.

We are also trying to comply with the Federal EPA stormwater guidelines. These guidelines are mandated by the Federal EPA and we have to follow them and report to the EPA yearly. Also watch the newspapers for the twice-yearly regional household hazardous waste drop-offs they are held each Spring in Plaistow and in the fall in one of the other regional towns. Attached is a list of ten things that you can do to help prevent stormwater runoff pollution.

- Use fertilizers sparingly and sweep up driveways, sidewalks, & roads
- Never dump anything down storm drains
- Vegetate bare spots in your yard
- Compost your yard waste
- Avoid pesticides; learn about integrated pest management
- Direct downspouts away from paved surfaces
- Take your car to the car wash instead of washing it in the driveway
- Check car for leaks, and recycle motor oil
- Pick up after your pet
- Have your septic tank pumped and system inspected regularly.

Thank you for all your help and support.

Bruce Caillouette, Road Agent

## ANIMAL CONTROL DEPARTMENT

Danville's Animal Control Department is comprised of one Animal Control Officer (ACO) and, beginning in 2007, an Assistant ACO (Stefanie Dube). The ACO works on an as-needed, on-call basis. In 2006 the ACO responded to and resolved more than 400 calls and complaints that involved everything from lost dogs/cats, abandoned animals, rabid animals, injured animals, loose horses and incidents of animal cruelty. In addition to responding to calls and complaints, the ACO also had several other accomplishments during 2006.

In early 2006 the ACO (on her own time and at no cost to the Town) began an aggressive campaign through various advertising media to license every dog in Danville. As a result more than 700 dogs were licensed, which is double that from the previous year. This licensing effort raised \$4,972.50 in revenues. Licensing dogs is not only required by state law but it ensures that dogs are properly vaccinated. Up-to-date licenses also enable the ACO to be more efficient in returning lost dogs to their owners promptly. Revenues generated from licensing and other related fines/fees are:

1. Dog Licensing	\$4,972.50
2. Lack of License fines	\$2,825.00
3. Other Fines	<u>\$1,150.00</u>
<b>Total</b>	<b>\$8,947.50</b>

On April 22 the ACO held a region-wide rabies clinic in Danville, where 48 animals were vaccinated and 1 was micro-chipped. Another rabies clinic will be held in the spring of 2007. Region-wide rabies clinics are important because they provide a convenient, economical means for people to get their dogs/cats properly vaccinated. The ACO also continues to assist residents in getting their pets spayed/neutered through a low-cost spay/neuter program through the State. This program is currently available for pet owners whether or not they receive public financial assistance.

Danville has had a severe feral cat population problem the past several years. In an effort to address this problem, the ACO worked with Merrimack River Feline Rescue to implement a spay/neuter and release program at no cost to the Town. As a result of this program, the feral cat population has visibly declined.

During "Be Kind to Animals Week" the ACO worked with the nonprofit Danville Rainbow Association (Rescuing Animals In Need by Offering Welfare) to sponsor a very successful Pet Food Drive. We sincerely thank those who donated food and supplies both during the drive and at other times. The drive was very timely as the Floods of 2006 occurred the following week and devastated the Salem NH Animal Rescue League with more than four feet of water. All their food and supplies were lost and we were able to assist them with the food and supplies from the Pet Food Drive.

The ACO also coordinated two educational outreach demonstrations for the public. The first was a wildlife demonstration for Danville Elementary School students that was made possible through donations from the Danville Rainbow Association, the Danville Conservation Commission and others. This educational outreach program, called "Wind Over Wings," featured a live Golden Eagle, a Bald Eagle and a Saw-whet Owl (New England's smallest owl). The purpose of this program was to provide children a personal connection with wildlife that will lead to responsible stewardship of animals and the environment. Responsible stewardship leads to reduced incidents of animal cruelty. (Wind Over Wings is a nonprofit wildlife rehabilitation and education center.) The second demonstration was given by Plaistow Police Officer Alex Porter and his police dog "Stryker" at Danville's Old Home Days. Officer Porter put his canine companion through all his exercises and showed everyone how indispensable a well-trained dog can be in helping the police to do their job. Children as well as adults were thrilled with both demonstrations.

In 2007 the ACO will put forth a warrant article for an ACO vehicle and would appreciate your support. Currently the ACO uses her own personal vehicle to transport animals. She is not reimbursed for fuel, mileage or maintenance related to animal rescue and transport. Using her own vehicle to transport rescued animals also potentially places not only herself but her own pets at risk as some animals may carry diseases that can be transmitted to other pets as well as humans.

Thank you for your continued support.

Sheila Johannesen  
Danville Animal Control Officer

## POLICE DEPARTMENT ANNUAL REPORT

The Danville Police Department, with an authorized sworn staff of 12 positions, provides a complete range of public safety and community based services. These include emergency response, criminal investigations, motor vehicle enforcement, animal control, juvenile services, and a wide array of community focused crime prevention programs.

Statistically, 2006 was a record year for the police department. Although we generally expect that our activity level will increase from year-to-year to some degree, we never anticipated that our calls for service (CFS) would jump 27%. As a result, we were faced with numerous challenges throughout the year and worked long days in order to manage the workload. Below is a graph that illustrates a partial listing of our activity.

We were fortunate to receive some grant awards in 2006. In March, we received \$6500.00 from the U.S. Attorney's Office to purchase Tasers. These devices are recognized to be among the safest, most effective use of force tools available to law enforcement officers today. In addition, we received several items of used Thermal Imager Night Vision equipment from the U.S. Military, which include Individual Weapon Night Sights, Short Range Thermal Imager (SRTI) developed for short-range mobile surveillance, and AN/PVS-7 Goggles; previously designed for U.S. Ground Forces.

The voice mail system for the police department was updated earlier this year in order to provide better service to the community. Menu options were installed to allow you to

leave messages for the Police Chief, Administration, Animal Control, or connect to our dispatch center through the Rockingham County Sheriff's Department.

Please refer to the following numbers for police services:

- 911 (Emergency)
- 382-9403 (General Business w/message options)
- 382-1212 (Fax)
- 382-4443 (Rockingham County Dispatch Direct)

You can also visit us on the Internet for other non-emergency police services including police logs and community news at <http://police.townofdanville.org>.

In December, Jason Pond was promoted to the rank of Corporal. For the past six years, Jason has been among the most active on the department. He is consistently among the department leaders for DWI arrests and motor vehicle stops. In addition to his productivity, he also serves as the department's Computer Analyst – saving the Town hundreds of dollars in professional technical support fees. Highlighting his list of accomplishments, Jason graduated from New Hampshire's 141<sup>st</sup> NH Full-Time Police Academy, marking only the fourth officer in history to do so while wearing a Danville patch.

Moving forward, our main goal is to finalize plans for a new police facility. With ever increasing taxes, it has been a slow and painstaking process. Inadequate town owned property along Main Street is forcing us to shift our attention to locations off the beaten path in order to control expenses. One such parcel is located next to the Highway Department off of Hersey Road, which geographically, is centrally located in town. The land has been viewed by local developers and appears to a good choice and cost effective location for a new building.

My sincere thanks for all the public support expressed to the police department throughout the year. I would particularly like to thank Tom Doyle, Laura Farley, the Danville Chenille Co., and all of the thoughtful folks from the Iron Wheel Association. I was overwhelmed by your extreme generosity and acts of kindness. Lastly, to my extended family of officers and staff, thank you for another incredible year. You're the best!

As always, my best wishes to all of you for a safe and happy 2007.

Wade H. Parsons  
Chief of Police

## **FIRE DEPARTMENT**

The Danville Fire Department has a roster of 22 active members and 2 Fire Explorers (training cadets). 16 members of the department currently hold National Registry of EMT (Emergency Medical Technicians) certification. EMS and Fire training is provided at least twice a month to keep our members up to date on certifications and to keep our skills sharp.

We are very proud of the members who have enrolled in state and national courses to better themselves and the department: Captain Robert Sharpe, FF Joe DeRusha, FF Matt Dowd and John Hughes successfully completed and passed the National Registry EMT course and FF Brian Delahunty, FF Scott LaBelle and Steven Woitkun Jr. are currently attending the course. When they receive their certifications, 86% of our members will hold EMT certification. Captain Robert Sharpe and FF Joe DeRusha completed NH Firefighter Level II training and FF Scott LaBelle completed NHFFI training.

Part/Time FF/EMTs have been manning the station weekdays since your approval in April 2005. This has been a great asset to the citizens of Danville. Response times to emergencies have been dramatically cut and on-duty personnel have been available for:

- \* Well-being checks
- \* Public Assists
- \* Burn Permits
- \* Fire Inspections & Investigations
- \* Fire Prevention & Public Education
- \* Vehicle Maintenance
- \* Station Maintenance & upgrades

There were 3 well-involved structure fires this past year that were extinguished rapidly due to the quick response of the DFD. In each case the damage was held to a minimum considering how involved the fire was when the call came in.

As always, we depend on our dedicated on-call force to answer Fire & EMS calls 24/7, 365 days a year. These men and women are highly trained and dedicated professionals who are always ready to help their neighbors.

In 2006 we answered a total of 325 calls for Fire & EMS, a 4.1% increase over 2005. The May floods severely impacted our resources with 29 calls for service in a period of a few days. Once again the men and women of the DFD were there to assist with evacuation, pumping out basements, road closures and property conservation.

I would like to remind the residents of Danville the importance of displaying your proper house number. Reflective numbers at the end of the driveway and mounted to the residence will assist us in finding you when you need help fast. It is extremely frustrating when we are called for help and we experience delays due to non-existent or inadequate house numbers. In Medical and Fire Emergencies, "Seconds count."

The awards for the 2006 Assistance to Fire Fighter Grants have been announced and sadly the Town of Danville was not awarded the grant request we submitted. We will continue to pursue any grant monies available in 2007 to update or replace our aging equipment. Firefighters Corey Ward and Tim Griswold have been instrumental in the grant process and have put in many hours completing the cumbersome grant application process. Corey has also designed our new web page please visit it at <http://fire.townofdanville.org>

We ask you, the voter, to please support our 2007 Warrant Articles. We have 3 on the ballot: 1) To dispose of any surplus equipment. This is equipment that we no longer use, which might be valuable to another department and the money will go to the General Fund to offset the tax burden; 2) To add \$40,000 to our Fire Truck Capital Reserve Fund for future fire truck purchases. This allows us to save money for future replacement of obsolete equipment; and

3) We are proposing to remove \$31,200 from the Capital Reserve Fund to purchase a F350 pick-up to replace a 1978 Dodge pick-up. This vehicle will be used for:

- |   |   |
|---|---|
| <ul style="list-style-type: none"> <li>* Department Business</li> <li>- Inspections &amp; Prevention</li> <li>- Training events</li> <li>- Pick-up supplies from vendors</li> <li>- Building maintenance</li> <li>- Weather Emergencies; downed wires, closed roads, etc.</li> <li>- Anytime a vehicle is needed to conduct efficient DFD operations</li> </ul> | <ul style="list-style-type: none"> <li>* Wildland &amp; Structure Fires</li> <li>- Fire scene clean up &amp; carrying hose</li> <li>- Personnel transport</li> <li>- Carry equipment</li> </ul> |
|---|---|

If we are successful in acquiring this new truck, we would reassign 13U1 to the North Danville Fire Station. This would allow FF/EMTs to respond to emergencies in the North end of town with a well-equipped vehicle to deal with medical and fire emergencies.

Seasonal Burn Permits are very successful here in Danville. Once you have been issued one, you need only to call the station to inform us that you will be burning. The state has made many changes in how, when and what you may burn and the 2007 permits reflect those changes. Please come on in and fill out or renew your Seasonal Burn Permit. You will see our new permit on our web site.

In closing, since I became Chief in May of 2004, one of my goals was to have a well-equipped, highly-trained fire department that was able to mitigate any emergency encountered by a Danville resident. With the support of the residents and dedication of DFD members, we have accomplished that goal. I would like to take this opportunity to thank the Danville Fire Association for their continued support through equipment donations and I thank you, the voters for helping us help you.

Respectfully submitted,  
Steve Woitkun-Fire Chief

## **PLANNING BOARD REPORT**

In 2006, the Danville Planning Board saw a reduction in the rate of residential development within the Town. While growth continues, 2006 saw fewer applications for residential subdivisions. The Planning Board attributes this to the overall housing market in the region and not to anything specific to Danville. At the same time, 2006 saw an increase in interest in commercial development within town. Several residents have approached the board with questions regarding the Town's ordinances for business development. The Planning Board continues to look for ways to attract business to our Town. Overall, the Planning Board anticipates that growth will continue due to the Town's location and rural environment. A complete listing of the applications that came before the Planning Board and the status of those applications is contained at the end of this report.

The Planning Board continues to review all of the subdivision and site plan applications to make sure they meet state and local regulations and to help maintain the rural character of Danville. The Planning Board reviews each of the applications at our regularly scheduled meetings, has all plans reviewed by both the Conservation Commission and Town Engineer, and then conducts an on-site examination of the proposed development site.

At the 2006 Town Meeting, voters approved several of the Zoning changes recommended by the Planning Board. The most notable zoning changes were an update to the signage ordinance and a change to the boundaries of the Commercial/Retail & Service Zone. In 2006, the Planning Board has recommended several additional zoning changes and we ask for your support of these Warrant Articles.

2006 marked the second year that Danville had an elected Planning Board. Previously, Planning Board members were appointed by the Board of Selectmen. The transition from an appointed Board to a fully elected Board will be completed in 2007 as the last of the appointed members reach the end of their appointed terms. We ask that voters consider the candidates for Planning Board membership that are listed on the 2007 Ballot and make an informed decision.

The Planning Board has been encouraged by the large amount of interest in planning issues shown by the residents of Danville. Our hearings have been very well attended with a wide diversity of thought expressed. In addition, many of the Town's residents watch our meetings on Danville's cable channel 20. This type of participation helps ensure that development in Danville is managed appropriately. The Planning Board meets on the second and fourth Thursdays of the month at 7:30PM in the Town Hall. We invite you to join us at these meetings and invite you to get involved with the activities of the Board.

Barry Hantman, Chairman  
Chris Giordano, Secretary  
Joseph Luna, Selectmen's Representative  
Walter Baird, Member  
Tara Burkhardt, Member  
Chip Current, Member  
Bill Hadley, Member  
Phil Emilio, Alternate

### **Specific Applications Reviewed by the Planning Board in 2006**

**Map 1-51.** Stage 3 subdivision of land owned by Lewis Builders Development Inc., Caleb Commons, northerly extension of Caleb Drive to create sixteen lots. Conditionally approved April 27<sup>th</sup>.

**Map 1-45.** Stage 3 subdivision of land owned by Hoyt Real Estate Trust, Caleb Drive, Caleb Corners to create twenty-four lots. Conditionally approved April 27<sup>th</sup>.

**Map 3-81.** Stage 3 subdivision of land owned by Peter and Mary Downes, 34 Colby Road, to create two lots. Approved July 13<sup>th</sup>. Recorded July 14<sup>th</sup>.

**Maps 2-14 and 2-15.** Site Plan Review for land owned by Iron Wheel Inc., Spindle Street to expand Iron Wheel Park and add ten additional units. Approved April 13<sup>th</sup>. Recorded May 12<sup>th</sup>.

**Maps 2-15 and 2-16.** Stage 3 subdivision for land owned by Iron Wheel Inc., Brentwood Road to create fourteen lots. Approved February 23<sup>rd</sup>. Recorded March 8<sup>th</sup>.

**Map 4-210-1.** Stage 3 subdivision for land owned by Timothy & Brenda O'Neil, 37 Johnson Road to create eight lots. Approved June 8<sup>th</sup>. Recorded June 12<sup>th</sup>.

### **ZONING BOARD OF ADJUSTMENT**

The Danville Zoning Board had eight cases come before it in 2006 and the start of 2007 two of these were a combined case involving a Special Exception and a Variance for in-law apartments, one was an appeal against executive decision.

- Two cases were applications for Special Exceptions to allow home businesses under Article IV.A.2 of the Zoning.
- Two applications for variances from the wetlands setback (Article VIII.D.1.a) were heard.
- Two cases involved the new Accessory Use ordinance (in-law apartments), Article IV.4. Case one was disapproved; case two was the applicant coming back for a new hearing with recommended changes incorporated.
- One case was for exceptions to open space requirements and Frontage requirements in a Cluster Subdivision
- One case was for an Appeal against executive decision.

Two cases were denied, one was ruled as unnecessary due to changes in town zoning that took place during the 2006 Town Ballot, the balance of five were allowed.

Total ZBA Expenses: \$1,364.42

Total ZBA Income: \$1,102.52

The board lost a valuable resource this year as Sheila Johannesen stepped down from the position as Clerk for the Board. Sheila's dedication and overall concern for the community will be missed. The board welcomes a new Clerk Janet Denison who we hope will step right in and provide the service the Town has grown to expect.

The board meets on demand with hearing notices being posted outside the Town Hall.

## BUILDING INSPECTOR'S REPORT

2006 saw very little activity in new construction; the efforts of the Town seem to be in remodeling or renovation. The breakdown is as follows:

New Homes	5	442,000
Garages	5	173,200
Decks & Porches	14	123,436
Additions	12	436,900
Pools	7	67,000
Other	<u>22</u>	<u>250,282</u>
	65	<b>1,492,818</b>

J. R. Pouliot, Building Inspector

## ASSESSOR'S REPORT

In 2006, the Town entered into a contract with Brett S. Purvis & Associates for assessing services. As part of this contract, a portion of Danville will be measured and listed on an annual basis to check for errors or omissions in assessment data. In 2006 properties on tax map 1 as well as Iron Wheel Park were reviewed for accuracy. All property owners should check their property record card annually for accuracy.

Property assessment will be compared to sales prices annually to see if an overall change to assessments is warranted. The 2006 property assessments remained at the 2005 assessments unless a physical change was made to the property or an error was corrected.

Any property owner who feels their equalized assessment does not reflect the market value of their property as of April 1, 2006 may file abatement with the Town. The deadline to file an abatement of 2006 taxes is March 1, 2007.

The deadline for filing for any of the exemptions or tax credits is April 15. The Town currently offers the following tax credits and exceptions: elderly for those over 65, veterans, and the blind.

Applications for current use need to be submitted by April 15. To qualify for current use a property owner must have at least 10 acres of undeveloped land. Land enrolled in the current use programs is eligible for a reduced tax assessment.

Any of the above mentioned applications may be obtained from the Town offices.

A representative of the assessing company is available the first Tuesday of each month to answer any questions that a taxpayer may have. If you wish to meet with the assessors call the town offices to schedule an appointment.

Rod Wood, Brett S. Purvis & Associates

## CONSERVATION COMMISSION

As another year passes, the Conservation Commission has once again, been hard at work. The survey of the town forest has been completed as part of the many requirements of the conservation easement. It was hoped the conservation easement would be completed in 2006, but due to unforeseen circumstances, the Commission hopes to have the easement completed in 2007.

The Commission updated the Conservation Section of the Master Plan with help from the Rockingham Planning Commission. The Commission reviewed information supplied by two bidders for mosquito spraying in town. Our recommendation was given to the Selectmen.

The Commission reviewed one subdivision plan for the Planning Board and also went on one site walk with them. Concerns and recommendations for this review were submitted to the Planning Board. The Commission also looked into 4 potential wetland violation complaints.

The Commission sponsored an educational program for the elementary school for Earth Day called "Wind over Wings". The presentation went well and the students thoroughly enjoyed it. Commission member, Jason Holder, owner of Adventurelore, offered his services to the Recreation Committee for their Old Home Day celebration. A big thank you goes out to Jason and the Recreation Committee for a great time.

The Commission held an art contest in which four elementary students participated. The students were asked to draw something related to conservation to be placed on tree tags as a logo. The tags will be used to identify conservation areas and "do not cut" buffer zones in town. Two winners were chosen by all who participated in the voting. The Commission held a presentation meeting and all four students were given gift certificates for participating in the contest. The two winners were presented with an appreciation letter and a finished tree tag with their art logo on it.

The Commission worked with Beaver Solutions in installing the flexible pond leveler in the pond of the town property known as the Sandilands. This was in an attempt to fix the flooding problem created by the beavers.

The Commission was given an aerial photo of Danville from the states CTAP program. It was framed by the House of Frames who did an outstanding job. The photo looks great and can be viewed at the Town Hall.

In the Commission's pursuit of preserving the town's natural resources and open space, the Commission has a parcel of land we would like to purchase. There will be a public hearing in early 2007 regarding this purchase. The Commission will continue its pursuit to protect and preserve the town's natural resources by pursuing future land purchases.

I would like to thank everyone who supported the Commission and its efforts in preserving our town's natural resources and to preserve open space for all to enjoy. I would also like to thank the members for their continuous hard work and dedication.

The Commission meets the first and third Thursday of the month at 7:30 p.m. at the Town Hall. The public is always encouraged to attend.

## RECREATION COMMITTEE REPORT

2006 saw the Recreation Committee sponsoring many varied activities and trips, some brand new and some old favorites. This year our new activities included: a flashlight Easter Egg Hunt with bonfire and pizza for ages 11 – 15 at the Goldthwaite Recreation Area; the Seacoast United Community Soccer Day Camp at Colby Pond Recreation Area; and the 4 mile Road Race/Fitness Walk and Children's Fun Run during the expanded Old Home Days weekend in August. Our old favorites included February Vacation Ski Trip, the Easter Egg Hunt and coloring contest for ages 1 – 10, Summer Recreation Program for ages first grade – 15, Senior Beacon Lobsterfest overnight trip, our holiday Senior Luncheon and the Tree Lighting with the Danville Police Department.

These activities would not have been possible without the many volunteers who worked diligently to make them happen. The Recreation Committee would like to extend sincere thanks to these volunteers including: Jan Pouliot and the Danville Fire Department for building and monitoring the bonfire for the flashlight egg hunt and also for allowing the Road Race Committee to use the Fire Station for the Road Race and providing refreshments for the runners after the race; the Road Race Committee consisting of Lori Mahoney, Jonna Grenier, and Sharon Skinner who worked tirelessly to make this first-time event an overwhelming success; the Danville Police Department for doing the Kids Identification kits and traffic control during the race; Erin Drislane for coordinating the Kids Fun Run; Cherie & Allan Hess for their help with Old Home Days & the Tree Lighting; Shawn & Michelle O'Neil for Old Home Days, our summer program t-shirt sponsors including – Carol Linehan Century 21 Bridge Realty; Con-Tempo Homes, Danville Automotive and Mayo's Market; the Bilecki Family and the Boy Scouts and Girl Scouts for their help with the Tree Lighting and Senior Luncheon and last, but not least, our family members for all their help and support throughout the year.

The Danville Recreation Committee continued to do more joint trips and events with Atkinson, Plaistow and Sandown. Unfortunately, our four-town Olympics for summer program had to be cancelled due to severe thundershowers but we were able to enjoy such joint sold out trips as Menopause the Musical, the Boston Duck Tour & Vinnie T's, and the Rockettes Christmas Spectacular with Sandown. The four towns ventured to Yankee Candle/Home Town Buffet/Bright Nights and the Indian Head Christmas Show together and also sponsored the Senior New Year's Eve Celebration with the Vic Geary Center for over 100 seniors who enjoyed a roast beef dinner, door prizes and dancing to DJ Bud to ring in 2007.

As the Recreation Committee enters their 8<sup>th</sup> year of leading programs, activities and trips for Danville Residents we have decided to ask the Danville Residents once again to support our Warrant Article to hire a year-round, part-time Recreation Director. This position would be for 780 hours per year or approximately 15 hours per week at a rate of \$15.00/hour or \$11,700.00 annually. Obviously some weeks would entail more work than others depending on the time of year and activities planned.

Some people might be leery of there being enough work to keep the Recreation Director busy for the approximately 15 hours per week we are requesting, but the Recreation Committee sees this as a great opportunity for the town to offer more programming for all ages from pre-school up to seniors. The Recreation Committee and Recreation Director would work together to implement new programs possibly including pre-school arts & crafts, special events for toddlers, elementary age after school workshops, special events and programs for school vacations, middle school-age get-togethers possibly including dances, bus trips and talent shows, adult workshops on whatever topics people might request, day-trips, overnight trips, family and youth trips, senior drop-in

activities, monthly lunches, summer band concerts – the possibilities are endless. Because all of these activities would be self-funded the only cost to the town would be the Recreation Director’s salary of \$11,700.00 (\$15.00/hr x 780 hours).

One of the questions posed to the members of the Recreation Committee is “What would you do if a Part-Time Recreation Director was hired?” The answer is we would be doing some of the same things we do now – we would still be involved in the planning of new programs and activities as well as our current offerings of Senior Luncheons, Easter Egg Hunt, Summer Program, Community Bus Trips, Ski Trips, Children’s Craft Workshops, Christmas Tree Lighting, etc. The only difference being the town would have a go-to person, one central contact person, the Part-Time year-round Recreation Director to do the legwork for the programming and activities (which is a considerable amount of work) and to be able to offer more activities. We would be advisors, volunteers and chaperones as needed.

The other question posed is “What would you do if a Part-Time Recreation Director was not hired?” Our Recreation Committee was started 8 years ago and we have tried to expand our offerings. Unfortunately, without a Part-Time Recreation Director some of our activities may have to be scaled back due to the work and family commitments of the current 5 members. Our goal is to see our Recreation Program grow and blossom under the direction of a Part-Time Recreation Director to offer more for all residents of Danville.

We, as taxpayers too, realize this will mean a small increase in our already large tax bills, but our town is growing. Recreation, whether through sports-related activities or social events, is very important for our town. Please vote yes for the Warrant Article to raise and appropriate \$11,700.00 for the purpose of hiring a part-time year-round Recreation Director.

Our second warrant article would establish a capital reserve fund for Danville Recreational Facilities. This capital reserve fund would be used for establishing and maintaining new and current recreational facilities in town. We hope that you will support this article also. This year funds were used from the Clyde Goldthwaite Recreational Facility Capital Reserve Fund to install the basketball fence to keep vehicles off the court and balls in play inside the fence.

The Recreation Committee meets the third Thursday of each month beginning at 6:30 pm at the Town Hall and the public is invited to attend.

Dawn Weston, Chairperson

On behalf of the Recreation Committee members including Judy Armstrong, Peggy Creighton, Erin Drislane and Lori Mahoney

*Dexter*

## FORESTRY COMMITTEE REPORT

The Forestry Committee experienced a successful year filled with activities. In March 2006 the voting public of Danville demonstrated its trust in the Forestry Committee by strongly defeating a warrant article to “Dissolve the Forestry Committee”. This meant that the public was in support for the Forestry Committee to manage the Town Forest. Thank you all for your many votes of confidence.

The major achievement of the year was the removal of the fire ruined house foundation and all the associated residential trash. This valuable contribution to the Town was made possible under the leadership of Chairman Andy Ward. All the equipment and labor was provided free of charge by committed volunteers. Nearly 2 tons of metal, 25 bags of trash articles, and 32 tires were removed from the property of about one acre in size. The area was cleared of all debris to make a small parking area on the edge of the Town Forest. What was formerly known as the “West Lot” was transformed into the “Hawke Conservation Area”. This is a new recreational opportunity for community residents for enjoy. The beautiful sign at the entrance to the area was created and donated by the Forestry Committee Chairman, Andy Ward. The whole effort was done FREE-OF-CHARGE by volunteers. A Town Forest Information Board was installed within the parking area. There are maps and information about the Town Forest. The photographs show critters and sights of the Town Forest. These were taken by Forestry Committee member Betsy Sanders. The information will change on a seasonal basis.

The Forestry Committee has a web site [www.townofdanville.org/forestry](http://www.townofdanville.org/forestry) that has special photographs, forestry news, forestry links, and announcements of events hosted by the Forestry Committee. The technical aspect of managing the information on the web site is due to the efforts of Forestry Committee member Curt Springer.

A wonderful walking footpath has been made for a tour of the forest to see the heron rookery and a large beaver lodge at the Great Meadow. The path continues along an old logging road to Tucker Road and then meanders through the woods back to the parking area. The whole tour takes about one hour. Forestry Committee member Chris Lauria has volunteered many hours clearing paths to make the experience a very enjoyable one. The Forestry Committee has hosted several guided tours for the public for recreational and educational purposes. There will more tours for the public to enjoy and learn about the history and natural resources of the Danville Town Forest. Please schedule a forest walk into your calendar!

The Forestry Committee is working to reduce the flooding of the Tucker Road to allow greater access to the forest by working with a professional to install “pond levelers” within the beaver dam to drain more water from the area. Thanks to the Conservation Commission a recorded survey of the Town Forest was completed. The Forestry Committee continues to work with the Conservation Commission on the completion of a legal agreement for a conservation easement of all 423 acres of the forest.

Watch for upcoming forest events. The Forestry Committee is committed to conserve and manage this special place of natural resources and wildlife habitats. We will continue to inform and educate the public of the potential of a Town Forest and to provide the public with opportunities to use and appreciate our forest resources. A special welcome and thank you is extended to all! For more information please call Betsy Sanders at 642-5070.

## **CABLE COMMITTEE**

During 2006, Danville's Cable TV provider, Adelphia Communications, was acquired by Comcast. This change in provider occurred with no impact to the Town's Cable TV Channel and no impact to cable TV subscribers in Town. With Comcast as the new provider, we hope that we will see additional services and options offered to Danville's residents.

During the year, Danville's Cable Channel 20 continued to provide the residents of Danville with access to almost all of the Town committee meetings. Virtually all Board of Selectmen meetings, Heritage Committee meetings, Conservation Committee meetings, Planning Board meetings, Forestry Committee meetings and Budget Committee meetings were televised. In addition, these meetings were rebroadcast several times throughout the week providing additional viewing opportunities. Also, the 2006 Town Meeting Deliberative Session was broadcast live as was the Regional Selectmen's Meeting and local church services have been broadcast each Sunday morning. When meetings are not being shown, Danville's Channel 20 broadcasts the Town's electronic bulletin board that provides information about upcoming Town and community events.

During 2007, upgrades to the system are planned to provide a clearer signal.

It is important to note that the Town's Cable TV System operates with no impact to the Town's Tax Rate. The funds were provided by Adelphia Communications based on fees returned to the Town in accordance with our franchise agreement. A Warrant Article allowing the Town to accept and utilize these funds was approved by the voters in 2005 and 2006 and a similar Warrant Article will appear on the ballot in 2007.

We hope you enjoy watching Danville's Cable TV channel and hope that you find it useful and informative. We would appreciate any suggestions that you might have.

Barry Hantman, Cable Coordinator and Lindsey Ahearn, Camera Operator

## **WEBSITE COMMITTEE**

The website committee has worked to improve the website this year, with goals of making it more helpful for residents and easier for us to post information on a timely basis.

In particular, we have tried to look at the website from the point of view of somebody who is new to town and needs to know where to go for various services. This led to the renovation of our "new resident" page.

We have added another member and now meet on a regular basis, usually the third Wednesday of each month at 8 pm. All residents are welcome to attend. But you might find it more convenient just to send an e-mail to [webmaster@townofdanville.org](mailto:webmaster@townofdanville.org). We try to respond to all questions and suggestions as soon as we can.

The town website is the site "of record" for the town, where you will find official information, including notices, upcoming activities, and minutes of meetings. Please visit us at <http://www.TownOfDanville.org> and take a look.

I would like to thank the other members of the website committee, all volunteers, for their individual efforts this past year. We have different points of view, but we have always been able to come to agreement on specific plans and priorities. As always, we are thankful for the help, support, suggestions, and, above all, the timely submissions of content by town boards, officers, and staff.

Curt Springer, Chairman

## COLBY MEMORIAL LIBRARY REPORT

We had a busy year. We registered 190 new patrons. There have been 11,859 patron visits and a circulation of 29,710. We added 1,946 books, 16 audiotapes, 74 CDs, 168 DVDs, and 81 videos. Please visit the library to check out our numerous items. We offer family passes for the Boston Museum of Science. We have 8 public access computers, six of which have Internet access. There is an online resource available to the public at the library and it can be accessed from home PCs via Internet. It is called NHewLink. It provides access to 2,300 magazines, 1,500 of which are full-text. In addition there are 5 national newspapers, and a good general reference database. The State of New Hampshire funds NHewlink. Please come to the library to get your password. We also have "Learn-a Test" which is an online resource of practice tests for SAT, GED, ACT, Civil Services exams, etc. We also have Britannica Encyclopedia online as well.

We are pleased to announce that we will be offering a new service through the State Library to allow Danville residents to download audio books. This exciting new program is partly funded through a grant that we applied for at the end of the year. MP3 players will be available to borrow if needed.

"Treasure Reading" was the slogan for our summer reading program. 110 children participated in this program and read 1,019 books and older children read for 7,843 minutes. Steve Blunt performed at our kick-off. We offered an evening at the PAC Center in August with two performers in cooperation with Sandown, Plaistow, and Atkinson libraries. In August we had our annual picnic at the Danville Fire Association Hall and children who had participated received certificates and a free book.

The Mystery and Suspense Book Discussion group meets the first Thursday of the month at 7PM. All are welcome to join.

Marina Forbes presented a program on Russian Easter Eggs in March. Elizabeth Cameron presented a composting program in June. During the month of October we offered a program entitled, "Danville Reads". The group read "A Walk in the Woods" by Bill Bryson and discussed it. The Friends of the Colby Library and The Friends of Recreation sponsored a program on orienteering, GPS and Geo-caching.

The 63 second-graders visited us in October as part of a program designed to bring children into the town buildings so they can see what we do. The Director visited the Middle school and presented all 8<sup>th</sup> graders with library cards who didn't have one and information about our library.

Several local artists have displayed photography and art work in our gallery this year.

We wish to thank the Friends of the Colby Library who have raised money to provide additional programs and shelving this year. Thanks to all who donated books, videos, magazines, and audios. Special thanks to those who presented us with monetary memorial donations.

Library hours were Monday and Tuesday 12-8 PM, Wednesday and Thursday 10AM to 6PM, and Saturday 10AM-1 PM. Preschool Storytimes are held on Thursday at 10 AM and 1 PM.

Dottie Billbrough, Director

Elizabeth Cameron, Virginia Rafuse, Luis Sanchez, Trustees.

## INDEPENDENT AUDITOR'S - 2005 REPORT

To the Members of the Board of Selectmen  
Town of Danville  
Danville, New Hampshire

We have audited the accompanying financial statements of the Town of Danville, as of and for the year ended December 31, 2005 as shown on pages 3 through 7. These financial statements are the responsibility of the Town of Danville's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

Management has not implemented Governmental Accounting Standards Board (GASB) Statement No. 34, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments*. Therefore, these financial statements are presented following the principles that were in effect prior to GASB Statement No. 34. Management has not presented government-wide financial statements to display the financial position and changes in financial position of its governmental activities and business-type activities. The financial statements presented do not contain separate statements for governmental, proprietary, if applicable and fiduciary fund types, nor are major and non-major funds separately identified and classified. The financial statements presented report expendable and nonexpendable trust funds, some of which would be reported as special revenue and permanent funds under the new reporting model. The financial statements also present a general long-term debt account group which should not be reported as such, but the information contained therein should be included in the government-wide financial statements were they presented. Also, the financial statements do not contain any information on capital assets because the government has not maintained historical cost records of such assets. Management has not presented a management's discussion and analysis as required. The amounts that would be reported in the missing statements and required supplementary information, and the effects of reclassifying and properly reporting the information presented are not reasonably determined.

In our opinion, because of the effects of the matters discussed in the preceding paragraph, the financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Town of Danville as of December 31, 2005, or the changes in its financial position or its cash flows, where applicable, for the year then ended.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Danville basic financial statements. The combining and individual fund statements are presented for the purposes of additional analysis and are not a required part of the basic financial statements. For reasons stated in the third paragraph of this report, we expressed an opinion that the financial statements of the Town of Danville do not fairly present financial position, results of operations, and cash flows in conformity with accounting principles generally accepted in the United States of America. Therefore, we do not express an opinion on the accompanying combining and individual fund statements.

Plodzic & Sanderson Professional Association

February 16, 2006

**FAMILY MEDIATION & JUVENILE SERVICES**  
**Of Southern Rockingham County**  
**2006 Annual Report**

2006 was a year of growth for our agency. We provided services to 1435 youth and parents from the towns of Atkinson, Danville, Hampstead, Kingston, Newton, Plaistow and Salem, NH.

Besides funding received from the above towns, monies were also received from Heritage United Way, the Rockingham County Incentive Funds and private donations. Please visit us at [www.fmjs.org](http://www.fmjs.org) to learn more about the programs and services we have to offer, at a low or no cost, to residents and their families in need of support.

2006 achievements included:

- Our diversion courses all sustained substantial increases in attendance over 2005; stop shoplifting 52%, anger management 45%, drug and alcohol 39%;
- Referrals to the agency increased by 24%;
- Youth placed at community service sites – 1143 hours of service returned to the community;
- \$6,170.50 in monetary restitution was returned to the victims;
- Peer Mediation workshops were held at Sanborn and Timberlane Regional Schools and also at the Hampstead Middle School;
- More fundraising initiatives were held, allowing us to sustain and improve programs; and
- Over 66 volunteers attended our ‘Holiday Gathering’ – our annual appreciation night.

Family Mediation & Juvenile Services is dedicated to serving area youth and families. We would again like to thank the townspeople, judges, police departments, schools, donors, volunteers (mediators, community service supervisors, etc.) and the staff, who make it all possible.

***REVENUE REPORT***

**STATE OF NEW HAMPSHIRE  
TOWN OF DANVILLE**

**2007 Town Meeting Warrant**

To the inhabitants of the Town of Danville in the County of Rockingham in said State, qualified to vote in Town affairs:

*First Session of Annual Meeting (Deliberative)*

You are hereby notified to meet at the Danville Fire Association Hall in Danville, New Hampshire on Saturday, the third day of February 2007, at ten o'clock in the forenoon to deliberate upon the articles included in the warrant. This session shall consist of explanation, discussion, and debate of warrant articles 11 through 35. Warrant articles may be amended subject to the following limitations: ( a ) warrant articles whose wording is prescribed by law shall not be amended and ( b ) warrant articles that are amended shall be placed on the official ballot for a final vote on the main motion as amended.

*Second Session of Annual Meeting (Voting)*

You are hereby also notified to meet on Tuesday, the thirteenth day of March 2007, at 8:00 o'clock in the morning at the Fire Association Hall, Danville, New Hampshire to vote by official ballot on the election of town officials, and on all warrant articles. By vote of the Selectmen, the polls for the meeting will remain open from 8:00 o'clock in the morning until 8:00 o'clock in the evening.

*Article 2007-1*            *Choose all necessary Town Officers for the year ensuing. (March 13<sup>th</sup> only)*

*Article 2007-2*            *Choose all School District Officers for the year ensuing. (March 13<sup>th</sup> only)*

*Article 2007-3:*        Are you in favor of the amendment of the Zoning Ordinance for the Town of Danville as proposed by the Planning Board as follows:

To clarify the requirement for Site Plan Review for Multi-Unit/Multi-Family and Commercial Development as well as establish a requirement for Site Plan Review for a change in use, change in ownership, and change in renter for commercial businesses. Specifically, this would add a new ARTICLE IV.A.1.d.4), ADD a new ARTICLE VII.T., and modify the wordings of ARTICLES IV.B.2.g. and IV.C.2.e. The exact wording of these modifications and additions follows:

To ADD a new ARTICLE IV.A.1.d.4) to read: "Site Plan Review and approval shall be required for all multi-unit (also referred to as multi-family) development as stated in ARTICLE VII.T."

To MODIFY ARTICLE IV.B.2.g. to read: "Site Plan Review and approval shall be required for each business as stated in ARTICLE VII.T."

To MODIFY ARTICLE IV.C.2.e. to read: "Site Plan Review and approval shall be required for each business as stated in ARTICLE VII.T."

To ADD a new ARTICLE VII.T. to read:

T. Site Plan Review

1. All applicants for multi-unit/multi-family residential development and all applicants for commercial/retail/industrial development (including expansion of existing multi-unit/multi-family or commercial/retail/industrial development) shall apply to the Planning Board for Site Plan Review in accordance with the requirements as provided for in the Town of Danville Site Plan Review Regulations, as amended.
2. Commercial/Retail/Industrial development that has a change of use (e.g., change in business type, change from residential to non-residential use), change of ownership, or, in the case of commercial/retail/industrial rental property, a change in renter, shall apply to the Planning Board for Site Plan Review in accordance with the requirements as provided for in the Town of Danville Site Plan Review Regulations, as amended. In accordance with the Site Plan Review Regulations, the Planning Board shall determine whether a full or minor review is required. If a minor review is indicated due to a change of use, ownership, or renter, the applicant shall follow the process contained in the Regulations and shall specifically address the portions of the Site Plan Review Regulations appropriate for the change(s) proposed. At a minimum, the applicant shall address traffic, driveway and pedestrian access, parking, lighting, signage, rest rooms, waste disposal, wheelchair access, nuisance, and public health and safety (including fire protection). If a full review is indicated, the applicant shall follow the process contained in the Regulations and shall address all of the sections contained therein. **RECOMMENDED BY THE PLANNING BOARD.**

**Article 2007-4:** Are you in favor of the amendment of the Zoning Ordinance for the Town of Danville as proposed by the Planning Board as follows:

To change the penalty provisions within ARTICLE X.C. to match current RSA provisions. The specific change follows:

To MODIFY ARTICLE X.C. by replacing the words “not to exceed” with the word “of”.

**RECOMMENDED BY THE PLANNING BOARD**

**Article 2007-5:** Are you in favor of the amendment of the Zoning Ordinance for the Town of Danville as proposed by the Planning Board as follows:

To REPLACE the first sentence of ARTICLE VII.F., Building Code. The current code, BOCA, is defunct and has been replaced by Senate Bill 234, effective July 8, 2006. The specific wording change for the first sentence of ARTICLE VII.F., Building Code, follows:

F. BUILDING CODE

The minimum standards for all construction within the Town of Danville shall be in accordance with the State Building Code as defined in RSA:155-A1.IV, as specified by Senate Bill 234, effective July 2006 and all of its amendments.

**RECOMMENDED BY THE PLANNING BOARD**

*Article 2007-6:* Are you in favor of the amendment of the Zoning Ordinance for the Town of Danville as proposed by the Planning Board as follows:

To ADD an additional sentence to the end of ARTICLE VI.A. that would clarify the frontage requirements within the Mobile Home/Manufactured Home Zone. The specific wording change would add a sentence to the end of ARTICLE VI.A., MINIMUM LOT SIZE, as follows:

A. MINIMUM LOT SIZE

Except as provided elsewhere in this Ordinance, the minimum lot size shall be two (2) acres, and the minimum frontage requirements shall be two hundred feet (200') on a Class I through Class V highway. The dwelling unit must be located on a contiguous upland soil area of at least 1/2 (one-half) acre. A lot that does not meet these requirements shall be considered a non-conforming lot. Within the Mobile Home/Manufactured Home Zone, the full frontage required must be on the roads specifically stated in the description of that zone specified in ARTICLE III.D. or roads within an approved mobile home park.

**RECOMMENDED BY THE PLANNING BOARD**

*Article 2007-7:* Are you in favor of the amendment of the Zoning Ordinance for the Town of Danville as proposed by the Planning Board as follows:

To RESTRICT the residential and non-residential use on a single lot in the Commercial/Retail and Service Zone and the Highway Commercial and Light Industrial Zone by adding a new ARTICLE IV.B.2.h. and ARTICLE IV.C.2.f. The specific wording change for these articles follows:

**ARTICLE IV.B.2.h.:** No Commercial/Retail and Service Zone usage shall be combined on a lot with an existing residential use. Lots with existing residential uses shall be permitted to establish customary/home occupations under the provisions for customary/home occupations in the Residential/Agricultural Zone. Except as specifically provided in this Ordinance, residential and non-residential uses shall not be combined on the same lot.

**ARTICLE IV.C.2.f.:** No Highway Commercial and Light Industrial Zone usage shall be combined on a lot with an existing residential use. Lots with existing residential uses shall be permitted to establish customary/home occupations under the provisions or customary/home occupations in the Residential/Agricultural Zone, Except as specifically provided in this Ordinance, residential and non-residential uses shall not be combined on the same lot.

**RECOMMENDED BY THE PLANNING BOARD**

**Article 2007-8:** Are you in favor of the amendment of the Zoning Ordinance for the Town of Danville as proposed by the Planning Board as follows:

To CLARIFY the intent of the Extended Family Accessory Living Unit by adding a new ARTICLE IV.A.4.c.1. (and renumbering the existing paragraphs IV.A.4 c.1. through IV.A.4.c.7 accordingly). The specific wording change follows:

**ARTICLE IV.A.4.c.1.** The proposal meets the objectives outlined in ARTICLE IV.A.4.a. and restrictions as specified in ARTICLE IV.A.4.b. **RECOMMENDED BY THE PLANNING BOARD**

**Article 2007-9:** Are you in favor of the amendment of the Zoning Ordinance for the Town of Danville as proposed by the Planning Board as follows:

To CLARIFY the meaning of “living space” by adding the words “(per NFPA 101)” after “living spaces” in ARTICLES VII.S.4.6)a) and VII.S.4.7)a). The specific wording change follows:

**ARTICLE VII.S.4.6)a):** Sprinklers shall not be required in residential garages, open attached porches, carports and similar structures. However, ALL attached garages or those that are located under living spaces (per NFPA101) shall be protected by sprinklers.

**ARTICLE VII.S.4.7)a):** Sprinklers shall not be required in residential garages, open attached porches, carports and similar structures. However, ALL attached garages or those that are located under living spaces (per NFPA 101) shall be protected by sprinklers. **RECOMMENDED BY THE PLANNING BOARD**

**Article 2007-10: Citizen’s Petition**

Are you in favor of the following amendment to the Zoning Ordinance for the Town of Danville as follows: To add the following article to the Zoning Ordinance to affirm the right of a landowner to build a house on a suitable lot anywhere in Town.

**ARTICLE IV.E. (Proposed):**

E. SINGLE FAMILY HOMES

Notwithstanding any other provision of this ordinance, single unit dwellings and accessory buildings, which meet applicable lot area and road frontage requirements and other ordinance governing residential construction, will be allowed anywhere in the Town of Danville. **THIS IS A PETITIONED WARRANT ARTICLE. NOT RECOMMENDED BY THE PLANNING BOARD**

**Article 2007-11 Operating Budget**

“Shall the town raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote for the first session, for the purpose set forth therein, totaling Two Million Four Hundred Thirty-one Thousand Thirteen Dollars (\$2,431,013)? Should this article be defeated, the default budget shall be Two Million Two Hundred Seventy-eight Thousand Six Hundred Forty-four Dollars (\$2,278,644) which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.”

***Article 2007-12 Sandown Road Bridge Replacement***

To see if the Town will vote to raise and appropriate the sum of Seven Hundred Sixty-six Thousand Five Hundred Dollars (\$766,500) for the construction of the bridge and raising of the roadway on Sandown Road to prevent flooding and to accept the State Bridge Aid of Six Hundred Thirteen Thousand Two Hundred Dollars (\$613,200) and to authorize the withdrawal of Seventy-one Thousand Five Hundred Dollars (\$71,500) from the Sandown Road Capital Reserve Fund established for that purpose. The balance of the Eighty-one Thousand Eight Hundred Dollars (\$81,800) to be raised through general taxation. This project is a continuation of an approved 2000 Warrant Article for Sandown Road Bridge work. This appropriation is in addition to Warrant Article 2007-11, the operating budget. (Majority vote required)

**Recommended by the Board of Selectmen  
Recommended by the Budget Committee**

***Article 2007-13 Addition to Sandown Road Bridge CRF***

If Warrant Article 2007-12 fails, to see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000) to be added to the Sandown Road Capital Reserve Fund previously established. The appropriation is in addition to Warrant Article 2007-11, the operating budget. (Majority vote required)

**Recommended by the Board of Selectmen  
Recommended by the Budget Committee**

***Article 2007-14 Long Pond Road Culvert Replacement***

To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000) for the culvert construction on Long Pond Road at Pow Wow Brook and authorize the withdrawal of Eleven Thousand Dollars (\$11,000) from the Long Pond Road Culvert Capital Reserve Fund created for that purpose. The balance of Nineteen Thousand Dollars (\$19,000) is to come from general taxation. This appropriation is in addition to Warrant Article 2007-11, the operating budget. (Majority vote required)

**Recommended by the Board of Selectmen  
Recommended by the Budget Committee**

***Article 2007-15 Addition to Long Pond Road Culvert CRF***

If Warrant Article 2007-14 fails, to see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be added to the Long Pond Road Culvert Capital Reserve Fund previously established. This appropriation is in addition to Warrant Article 2007-11, the operating budget. (Majority vote required)

**Recommended by the Board of Selectmen  
Recommended by the Budget Committee**

***Article 2007-16 Create Highway Sand/Salt Storage Building Capital Reserve Fund***

To see if the Town will vote to establish a Highway Sand/Salt Storage Building Capital Reserve Fund under the provisions of RSA 35:1 for the future building of a sand/salt storage building to fulfill a future EPA requirement for stormwater management and to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be placed in this fund. This appropriation is in addition to Warrant Article 2007-11, the operating budget. (Majority vote required)

**Recommended by the Board of Selectmen**

**Recommended by the Budget Committee**

***Article 2007-17 Change in Police Chief Term***

To see if the Town will vote to change the elected term of the Police Chief from a one-year term to a three-year term pursuant to RSA 41:47: the election to a three year term beginning with the 2008 election. (Majority vote required)

***Article 2007-18 New Police Station Capital Reserve Fund***

To see if the Town will vote to raise and appropriate the sum of Forty Thousand Dollars (\$40,000) to be added to the New Police Station Capital Reserve Fund previously established. This appropriation is in addition to Warrant Article 2007-11, the operating budget. (Majority vote required)

**Recommended by the Board of Selectmen**

**Recommended by the Budget Committee**

***Article 2007-19 Purchase New Police Vehicle***

To see if the Town will vote to raise and appropriate the sum of Thirty-four Thousand Dollars (\$34,000) to purchase and equip a new four wheel drive police vehicle. This appropriation is in addition to Warrant Article 2007-11, the operating budget. (Majority vote required)

**Recommended by the Board of Selectmen**

**Recommended by the Budget Committee**

***Article 2007-20 Purchase and Equip Animal Control Vehicle***

If Article 2007-19 does not pass, to see if the Town will vote to raise and appropriate the sum of Sixteen Thousand Six Hundred Thirty-six Dollars (\$16,636) to purchase and equip a vehicle for the Danville Animal Control. This article is in addition to Warrant Article 2007-11, the operating budget. (Majority vote required)

**Recommended by the Board of Selectmen**

**Not Recommended by the Budget Committee**

***Article 2007-21 Establish ACO Vehicle Capital Reserve Fund***

If Article 2007-20 does not pass, to see if the Town will vote to establish an Animal Control Vehicle Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of future purchase and equipping of a vehicle to be used for/by Danville Animal Control and to raise and appropriate the sum of Six Thousand Dollars (\$6,000) to be placed in this fund. This article is in addition to Warrant Article 2007-11, the operating budget. (Majority vote required)

**Recommended by the Board of Selectmen**

**Not Recommended by the Budget Committee**

***Article 2007-22 Purchase Fire Department Pickup Truck***

To see if the Town will vote to raise and appropriate the sum of Thirty-one Thousand Two Hundred Dollars (\$31,200) to purchase and completely outfit a 2008 F-350 pick-up truck for use by the Fire Department and authorize the withdrawal of Thirty-one Thousand Two Hundred Dollars (\$31,200) from the Fire Truck Capital Reserve Fund previously established. NO TAX IMPACT (Majority vote required)

**Recommended by the Board of Selectmen  
Not Recommended by the Budget Committee**

***Article 2007-23 Fire Truck Capital Reserve Fund***

To see if the Town will raise and appropriate the sum of Forty Thousand Dollars (\$40,000) to be added to the Fire Truck Capital Reserve Fund previously established. This appropriation is in addition to Warrant Article 2007-11, the operating budget. (Majority vote required)

**Recommended by the Board of Selectmen  
Recommended by the Budget Committee**

***Article 2007-24 Fire Department Surplus Equipment***

To see if the Town will allow the Fire Wards to sell, trade or bid any surplus equipment that is no longer used in the Fire Department normal operations. Any revenue received will be added to the general fund. (Majority vote required)

**Recommended by the Board of Selectmen  
Recommended by the Budget Committee**

***Article 2007-25 Municipal Mosquito Control Expendable Trust Fund***

To see if the Town will vote to raise and appropriate the sum of Twenty-three Thousand Eight Hundred Dollars (\$23,800) to be added to the Municipal Mosquito Control Expendable Trust Fund established for the purpose of management and spraying for mosquito control. This appropriation is in addition to Warrant Article 2007-11, the operating budget. (Majority vote required)

**Recommended by the Board of Selectmen  
Recommended by the Budget Committee**

***Article 2007-26 Public Educational and Government Access Budget***

To see if the Town will vote to raise and appropriate the sum of Seven Thousand Three Hundred Forty-two Dollars (\$7,342) from the Cable Access Special Revenue Fund for Public Education Government Access (PEG), such funds to come from fees returned to the Town from Comcast or its successor company, under the Franchise Agreement. This appropriation is in addition to Warrant Article 2007-11, the operating budget. NO TAX IMPACT. (Majority vote required)

**Recommended by the Board of Selectmen  
Recommended by the Budget Committee**

***Article 2007-27 Center Cemetery Expansion***

To see if the Town will vote to raise and appropriate the sum of Twenty-five Thousand Dollars (\$25,000) for the future cemetery expansion to be used for site work in Center Cemetery and to authorize the withdrawal of Twenty Thousand (\$20,000) from the Cemetery Capital Reserve Fund established for that purpose. The balance of Five Thousand (\$5,000) to be raised through general taxation. This appropriation is in addition to Warrant Article 2007-11, the operating budget. (Majority vote required)

**Recommended by the Board of Selectmen  
Recommended by the Budget Committee**

***Article 2007-28 Establish Town of Danville Recreational Facilities CRF***

To see if the Town will vote to establish the Danville Recreational Facility Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of Danville recreational facilities improvement and to raise and appropriate One Thousand Dollars (1,000) to be placed into this fund. (Majority vote required)

**Recommended by the Board of Selectmen  
Not Recommended by the Budget Committee**

***Article 2007-29 Part-time Danville Recreation Director Position***

To see if the Town will vote to create the position of Danville Recreation Director and to raise and appropriate the sum of Eleven Thousand Seven Hundred Dollars (\$11,700) for the purpose of hiring a part-time (15 hours per week) Recreation Director. This appropriation is in addition to Warrant Article 2007-11, the operating budget. (Majority vote required)

**Recommended by the Board of Selectmen  
Recommended by the Budget Committee**

***Article 2007-30 Colby Memorial Library Expend Interest***

To see if the Town will vote to raise and appropriate the sum of Eight Hundred Twelve Dollars (\$812) to purchase library shelving and authorize the use of that amount from interest income earned from the library's Bank North checking account. This appropriation is in addition to Warrant Article 2007-11, the operating budget. NO TAX IMPACT. (Majority vote required)

**Recommended by the Board of Selectmen  
Recommended by the Budget Committee**

***Article 2007-31 Town Owned Historic Structure Preservation***

To see if the municipality will vote to raise and appropriate Five Thousand Dollars (\$5,000) to be used in connection with preservation of the town owned historic structures. Said appropriation shall be placed in the Heritage Fund pursuant to RSA 674:44-d and may be expended from such fund by the Heritage Commission, as previously authorized in 1997 with approval of the Selectmen but without further approval of the Town Meeting. This appropriation is in addition to Warrant Article 2007-11, the operating budget. (Majority vote required)

**Recommended by the Board of Selectmen  
Recommended by the Budget Committee**

**Article 2007-32     *Continue Sandown Road Bridge Capital Reserve Fund***

“To see if the municipality will vote to continue the Sandown Road Bridge Capital Reserve Fund created in 1997.”

**Article 2007-33     *Use Unexpended Sandown Road Bridge Capital Reserve Funds To Reduce Property Tax Rate***

If the warrant article continuing the Sandown Road Bridge Capital Reserve Fund passes, to see if the municipality will vote to formally advise the Board of Selectmen to use any residual funds not utilized for its intended purpose to reduce the Town’s property tax rate during the tax year they become available.

**Article 2007-34     *Citizen Petition-Rescind SB-2***

By petition: Shall we rescind the provisions of RSA 40:13 (known as SB 2), as adopted by the Town of Danville, New Hampshire on March 16, 1996, so that the official ballot shall no longer be used for voting on all questions, but only for the election of officers and certain other questions for which the official ballot is required by state law? (A 3/5 Majority vote required)

**Article 2007-35     *Regulating Horses and Other Domestic Animals***

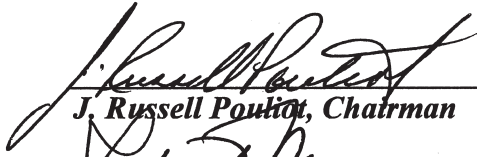

To see if the Town will adopt the following ordinance pursuant to authority granted to it by RSA 31:39:

**Regulation of Horses and Other Domestic Animals**

1. Any horse or other domestic animal found in a public place away from the property of the animal’s owner or keeper and not under the restrained control of said owner or keeper, may be taken into custody by the Danville Animal Control Officer or a Danville Police Officer. The Officer shall make reasonable efforts to notify the owner or keeper of the animal(s) before seizing them.
2. Any horse or other domestic animal that is seized by the Danville Animal Control Officer or a Danville Police Officer in a public place, where the owner or keeper cannot be identified or located, shall be held by the Town at a Town approved facility. The owner or keeper of the animals(s) shall be responsible for all damages and expenses incurred in the capturing and holding of the escaped animal(s), and for boarding costs and any medical care required by the holding facility.
3. Any owner or keeper of a horse or other domestic animal who willfully or negligently permits such animals to run at large in public places, out of the enclosure of such owner or keeper, may be subject to a penalty not exceeding \$1,000 for each offense.
4. In addition to any penalty, or in conjunction with any penalty, or as an alternative to any penalty imposed under this section, the Town of Danville may request that the Court require the owner or keeper of the horse or other domestic animal which has been impounded for running at large, to pay for the boarding and impoundment fees established by the animal shelter or holding facility and any reasonably necessary medical expenses incurred during the impoundment of the animal(s) regardless of whether the animal(s) is redeemed by the owner or keeper from the animal shelter or holding facility.

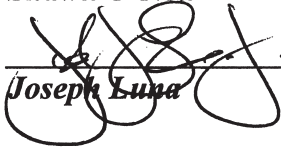

Given under our hands and seal, this 22nd day of January in the year 2007.

  
J. Russell Pouliot, Chairman

  
Robert Moore, Vice Chairman

  
John Russo

  
Shawn O'Neil

  - 300 TULIPS

**Design & Planting by Charles Coffin, 2006**

***Sign created by Danville resident Andy Ward. Thank You.***

***Union Church:***

Has a hand pumped organ, kerosene lantern chandeliers and wood stove. The church is currently used for services every Sunday in July and a Thanksgiving evening service.

***Sanborn Library:***

This library is housed in one of the early schoolhouses and is opened one afternoon a week during the summer time.

***Town Pound:***

Built to house animals that strayed. The finder would place the animals in the pound. The owners had to pay a fine to the Town to redeem their animals.

***Red School House:***

Maintained as a museum by Village Improvement Society.

**Cooperage:**

Donated by Dorothy Sargent and moved from Elm Farm (599 Main Street) to its present location on Beach Plain Road. This building is where wooden barrels were made.

**Stage Coach:**

The only remaining stagecoach shop building in the state.

***Town Hall:***

Built in 1886, our Town Hall was placed on the National Register of Historic Places on December 1, 2000.

**Roll of Honor:**  
 World War I &  
 World War II.

**Danville Heritage Commission Bulletin Board:**  
 To honor Danville's Unique History.

***Danville's Safe:***

Located in Tax  
Collector's Office.  
Now holds old  
records.
