TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Jackson in the County of Carroll in said state, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Jackson on Tuesday, the 12th of March, next, at nine of the clock in the morning, to act on the following subjects:

1. To choose all the necessary Town Officers for the ensuing year. Polls open at 9:00 A.M. and close at 6:00 P.M.

1 Moderator for	2 years
1 Selectman for	3 years
1 Trustee of Trust Funds for	3 years
1 Trustee of Cemeteries for	3 years
1 Library Trustee for	3 years
1 Auditor for	1 year
1 Supervisor of Check List for	6 years

Articles #2, #3 and #4 will be voted on by ballot during regular polling hours.

2. To see if the Town will vote to adopt Amendment No. 1 to add "Jackson Historical Society and/or Jackson Historical museum" to Permitted Uses in the Rural Residential District. Section 4,B.1.a. agreeable to a petition signed by W. Richard Burack, et al.
Recommended by the Planning Board.
3. To see if the Town will vote to adopt Amendment No.2 as proposed and recommended by the Planning Board and required by the Federal Emergency Management Agency in order to maintain continued eligibility in the National Flood Insurance Program.
The amendment of Section 10 includes the following: Added definitions of Base flood, Development, Lowest floor, Mobile home and Substantial Improvement. Section 10 C.(4) location and design of interior equipment, Section 10 N. Construction and improvement alteration requirements for enclosed spaces below the 100 year flood elevation, and Section 10. O. Procedures for Variances and Appeals.
4. To see if the Town will vote to adopt Amendment No. 3 as proposed and recommended by the Planning Board to amend Section 11. SIGNS C.1. allowing not more than two directory type signs each sign not to exceed 64 square feet or more than 12 feet above ground level and Sec.11 C.3 directional signs for Jackson ski areas shall not exceed 64 square feet or more than 12 feet above ground level.
5. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations for the same.

37. To see if the Town will vote to raise and appropriate the sum of \$350.00 for the Early Intervention Program (birth to 3 years) of Children Unlimited, Inc. Agreeable to a petition signed by Carol Ludington, et al. Selectmen favor.
38. To see if the Town will vote to raise and appropriate the sum of \$174.00 in support of Carroll County Against Domestic Violence and Rape's shelter for battered women and children. Agreeable to a petition signed by L. Bruce Hill, et al. Selectmen favor.
39. To see if the Town will vote to raise and appropriate the sum of \$732.00 for the Visiting Nurse Services of Northern Carroll County, Inc. Agreeable to a petition signed by Alice McLane, et al. Selectmen favor.
40. To see if the Town will vote to approve the establishment of an expendable Trust Fund entitled "PUBLIC EDUCATIONAL/GOVERNMENTAL CABLE TELEVISION (PEG)". The Trust is to be funded through the receipt of the Town of Jackson/State Cable TV contractual franchise fee as is disbursed to the Town from time to time and until otherwise rescinded by Town Meeting vote action. Trust monies, at the discretion of the Board of Selectmen, may be distributed to the non profit Valley Vision, Inc. for operations and purchase of equipment. DiFruscio and McClave favor. Kelly opposed.

1995 Annual Report

41. To see if the Town will vote to approve Resort Sports Networks (RSN) Channel 3 use fee as determined by contract between Resort Sports Network and State Cable TV to be disbursed directly to Valley Vision, Inc. for their use as needed in PEG channel operations. DiFruscio and McClave favor. Kelly opposed.
42. To see if the Town would vote to direct the Planning Board to develop and propose an amendment to the Jackson Zoning Ordinance to address night sky pollution from exterior lighting and to implement standards to prevent intrusive exterior lighting. Part of this amendment to include abutter notice and appeal. Agreeable to a petition signed by Thom Perkins, et al. Selectmen oppose.
43. To see if the town will raise and appropriate the sum of \$20,000.00 to repair and resurface Town roads. Selectmen favor.
44. To see if the Town will vote to raise and appropriate the sum of \$3,500.00 for hydrant services to be provided by the Jackson Water Precinct. Selectmen favor.
45. To see if the Town will vote to create an expendable trust fund under the provisions of RSA 31:19-a to be known as the Highway Equipment Purchase, Repair or Lease Fund and to raise and appropriate the sum of \$20,000.00 for that purpose. Selectmen favor.
46. To see if the Town will vote to raise and appropriate the sum of \$25,817.25 towards the purchase of a Police Cruiser subject to Fleet Assistance and withdraw the sum of \$3,000.00 plus accrued interest from the Police Cruiser Capital Reserve Fund. Selectmen favor.
47. To see if the Town will vote to raise and appropriate the sum of \$21,000.00 plus the trade in of the 1990 one ton highway truck for the purchase of a 4x4 highway truck. Selectmen Favor.
48. To see if the Town will vote to raise and appropriate the sum of \$2,000 for the State Aid Reconstruction Program: the State of New Hampshire to appropriate \$4,000.00 on July 1, 1996.
49. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for the capital reserve fund known as the Ambulance Capital Reserve Fund. Selectmen favor.
50. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for the Transfer Site Capital Improvement Fund as an expendable trust fund under RSA 31:19-a. Selectmen favor.
51. To see if the Town will vote to create an expendable trust fund under the provisions of RSA 31:19a to be known as the Bridge Repair and Maintenance Fund and to raise and appropriate the sum of \$15,000.00 For that purpose. Selectmen Favor.
52. To see if the Town will vote to raise and appropriate the sum of \$4,000.00 for a culvert for Eagle Mountain Road. Selectmen favor.

Town of Jackson, New Hampshire

53. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for the Town Administrative Office Building Capital Reserve Fund. Selectmen favor.
54. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for expenses which may be incurred by the Gray's Inn Committee in preparing a master plan for the property. Selectmen favor.
55. To act upon other business that may legally come before this meeting.

Given under our hands and seals this 20th day of February in the year of our Lord nineteen hundred and ninety six.

1995 Annual Report

SELECTMEN'S REPORT

Sometimes it is good to take a brief look over our shoulders to see where we have been as we decide our future. The 1970 Town Report was 50 pages including the school report. The warrant asked for the establishment of a Planning Board and the creation of a Conservation Commission. The town had just been revalued and the tax rate was \$1.22 per \$100 of valuation. The inventory total was \$12,692,375. The amount to be raised by taxes was \$154,846.98. 72% of the town is still in the National Forest but second homes and condominiums have altered our landscape.

We are asking you to consider several capital expenditures as we look to the future. In our opinion, it is time to build a town office building to consolidate the records and offices of the town clerk, tax collector, selectmen and planning board. We would reactivate the Gray's Inn Committee asking them to prepare a master plan for the Gray's Inn property taking into account not only our present needs but the future as well. Our bridges need painting and repairs. Scales are the only way to assure fair assessment of costs at the transfer site. The emergency communication transmitter on Thorn Mountain should be converted to solar power for lower operating expense.

The town's sales assessment ratio is currently at 94%. 58 building permits were issued this past year with 14 of those permits for single family homes and the remainder for alterations and additions. There seems little indication that development of property such as the subdivisions of the 1980's can be anticipated in the near future. This means our revenues will likely remain at the same level which is a factor to be considered in our budget deliberations.

We are recommending a small raise for all town employees based on the 2.9% cost of living index. We continue to fully participate in our employee health insurance coverage.

Our community has been saddened by the loss of two men whose devotion to the town is a legacy of community concern and loyalty for all those who come after us. Both served on the Board of Selectmen but it is in Memorial Field we see their influence and vision. Arthur Doucette carried to completion the acquisition and construction of the town park, ballfield and pond. Lee Harmon formed the Eastside Walk Foundation to build the handicapped accessible path along the Wildcat River. We have all been enriched by their legacy.

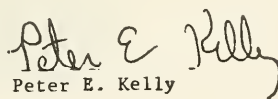

Our thanks to Chuck Stone and Bob Temple for maintaining the skating rink, to the Mountain Garden Club for tending the gazebo garden and to all the volunteers who serve on the Planning Board, Zoning Board of Adjustment and the Conservation Commission. We are grateful to Pam Abbott who retired as Deputy Town Clerk and Tax Collector and to Carl Slack for clearing the sidewalk to the library. The volunteer members of the Jackson Fire Department and the Bartlett-Jackson Ambulance give unstintingly of their time and expertise. The Police Department, Highway Department, the Transfer Site crew and our indispensable Town Office employees continue their devoted service.

1995 Annual Report

TOWN OF JACKSON
NEW HAMPSHIRE 03846

OFFICE OF TOWN CLERK
POST OFFICE BOX 336

RESULTS OF THE JACKSON TOWN MEETING MARCH 14, 1995

Polls were opened at 11:00 AM by Moderator Raymond Abbott Jr. and closed at 6:00 PM. The meeting was called to order by Raymond Abbott Jr. at 7:00 PM. The opening flag ceremony was conducted by Brownie Troop 116, Junior Girl Scout Troop 2197, and Cadet Troop 732. There was a moment to remember Bob Lunt, Town Clerk and Tax Collector who passed away September 16, 1994. A prayer was then offered by Rev. Dr. Robert Abarno for the meeting.

The Moderator accepted a motion to dispense with the reading of the Warrant. It was also voted to dispense with the use of the check list for voting.

ARTICLE 1 Results of the ballot voting were given:

Selectman for 3 years	Peter Kelly	172
Town Clerk/Tax Collector for 1 year	William H. Botsford	173
Trustee of Trust Funds for 3 Years	Joanna G. Kelly	179
Trustee of Cemeteries for 3 years	Alicia M. Hawkes	179
Library Trustee for 3 years	Scott Hutchison	169
Auditor for 1 year	Frank J. Connolly Jr.	176

ARTICLE 2 Voted to raise such sums as necessary.

ARTICLE 3 Voted \$16,900.00 Town Officers Salaries.

ARTICLE 4 Voted \$59,400.00 Town Officer's Expenses.

ARTICLE 5 Voted \$143,600.00 Maintenance of Highways.

ARTICLE 6 Voted \$1,000.00 Reconstruction of Sidewalks.

ARTICLE 7 Voted \$300.00 Street Signs.

ARTICLE 8 Voted \$68,600.00 Police Department.

ARTICLE 9 Voted \$39,100.00 Fire Department.

ARTICLE 10 Voted \$2,500.00 Emergency Communications. It was questioned what this was. It is the antenna on Thorn Mountain (Tyrol) with Bartlett.

ARTICLE 11 Voted \$4,520.00 Ambulance Services.

ARTICLE 12 Voted \$102,000.00 Solid Waste Disposal.

ARTICLE 13 Voted \$9,000.00 Maintenance of Town Property.

ARTICLE 14 Voted \$3,600.00 Maintenance of Town Park.

ARTICLE 15 Voted \$4,500.00 Maintenance of Cemeteries.

ARTICLE 16 Voted \$8,500.00 Street Lighting. Last years discussion of sodium high intensity (orange) lights vs. white lights was brought up. A possible savings of \$600 to \$800 was mentioned. No change was made.

ARTICLE 17 Voted \$78,250.00 Insurance. Including Blue Cross/Blue Shield which is Plan JW Managed Care. \$23,000 of this is reimbursed.

ARTICLE 18 Voted \$20,000.00 Social Security and N.H. Retirement System.

Town of Jackson, New Hampshire

- ARTICLE 19 Voted \$7,200.00 Town Library.
ARTICLE 20 Voted \$2,000.00 Planing Board.
ARTICLE 21 Voted \$1,407.00 North Country Council, Inc.
ARTICLE 22 Voted \$5,000.00 Legal Expenses and Damages. This is paid to Town Counsel.
ARTICLE 23 Voted \$100.00 Civil Defense.
ARTICLE 24 Voted \$3,000.00 Welfare Claims.
ARTICLE 25 Voted \$500.00 Eastern Slope Airport Authority.
ARTICLE 26 Voted \$732.00 Visiting Nurse Services
ARTICLE 27 Voted \$1,430.00 Children's Health Center. This is the same as last year, 26 Jackson children. Was Children and Youth.
ARTICLE 28 Voted \$1,837.00 Gibson Center for Senior Services.
ARTICLE 29 Voted \$1,140.00 Carroll County Mental Health Services.
ARTICLE 30 Voted \$450.00 Community Action Outreach Program. \$200.00 Big Brother Big Sister Organization, also administered by the Tri-County Community Action Program.
ARTICLE 31 Voted \$1,048.00 Family Health Centre (Family Planning, Pre-Natal and Primary Care Programs).
ARTICLE 32 Voted \$350.00 Early Intervention Program.
ARTICLE 33 Voted \$174.00 Carroll County Against Domestic Violence and Rape.
ARTICLE 34 Voted \$20,000.00 Repair and resurface Town roads.
ARTICLE 35 Voted \$3,500.00 Hydrant services.
ARTICLE 36 Voted to abolish the Capital Reserve Fund for the Capping of the Solid Waste Facility and to distribute the balance of that account as presented in the following articles.
ARTICLE 37 Voted to establish a Capital Reserve Fund for the Capping of the Meloon Road Transfer Site (should that ever become a reality) and to transfer \$89,420.11 plus interest. Discussion on this indicated there is no pollution at Meloon Road and this probably will never be needed.
ARTICLE 38 Voted to raise and appropriate the sum of \$87,713.00 for a new fire truck body to be mounted on the Mack chassis. \$10,000.00 of that sum to come from the dissolution of the Capital Reserve Fund for the capping of the Solid Waste Facility and withdraw \$55,560.93 plus interest accrued from the Capital Reserve Fund for Fire Dept. Equipment, the balanceto be raised by taxation.
ARTICLE 39 Voted to raise and appropriate the sum of \$51,483.90 for a new 4-wheel drive highway truck with warranty, hydraulics,one-way plow, wing and dump body with the trade-in of the 1989 International, \$10,000.00 to come from the dissolution of the Capital Reserve Fund for the Capping of the Solid Waste Facility and to withdraw \$30,467.00 plus accrued interest from the Capital reserve fund for Highway Equipment, and the balance to be raised by taxation.
ARTICLE 40 Voted to raise and appropriate the sum of \$10,000.00 f rom the dissolution of the Capital Reserve Fund for the Capping of the Solid Waste Facility toward the purchase of scales for the Bartlett-Jackson Transfer Site and to permit the Selectmen to

1995 Annual Report

enter into a lease-purchase agreement. There was discussion on this article including an increase in tipping fees possible in the future, the scale costs (\$18M + \$8M calibration and installation), less Bartletts portion.

At 8:00 there was a 15 minute break in the meeting.

ARTICLE 41 Voted to create an expendable general fund trust fund under the provisions of RSA 31:19-a, to be known as the Civil Defense Enhanced 911 Fund, for the purpose of implementing E911 and to withdraw the sum of \$1,412,21 plus accrued interest from the Civil Devense escrow savings account and to designate the Selectmen as agents to expend. It was mentioned the project starts this year and is projected to carry over for five years.

ARTICLE 42 Voted to create an expendable general fund trust fund under the provisions of RSA 31:19-a, to be known as the Transfer Site Capital Improvement Fund and to withdraw the sum of \$3,000.00 plus accrued interest form the Transfer Site Capital Improvement escrow savings account and to designate the Selectmen as agents to expend. Discussion indicated that a public hearing is still needed to expend and that this is just a transfer from savings to a trust.

ARTICLE 43 Voted to create an expendable general fund trust fund under the provisions of RSA 31:19-a, to be known as the Fire Pond Fund and to withdraw the sum of \$8,350.65 plus accrued interest from the Fire Pond/Dry Hydrant escrow savings account and to designate the Selectmen as agents to expend.

ARTICLE 44 Voted to raise and appropriate the sum of \$2,000.00 for the State Aid Reconstruction Program: the State of New Hampshire to appropriate \$4,000.00 on July 1, 1995. It was questioned by Lee Harmon as to where this was spent. Peter Kelly answered the question stating it was well spent. 5 Mile Circuit and other state roads were included.

ARTICLE 45 Voted to accept the provisions of RSA 31: 95-b providing that any town at an annual meeting may adopt an article authorizing indefinitely until specific rescission of such authority, the Selectmen to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year. Per Ray Abbott, this is as the previous authorization for the Selectmen to borrow.

ARTICLE 46 Voted to authorize indefinitely until specific rescission of such authority, the Selectmen to dispose of a lien or tax deeded property in accordance with RSA 80:42 and as justice may require

ARTICLE 47 Voted to accept the provision of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to issue tax anticipation notes.

ARTICLE 48 Voted to accept the provisions of RSA 202-A:4-c providing that any town at an annual meeting may adopt an article authorizing indefinitely until specific rescission of such authority, the public library trustees to apply for, accept and expend without further action by the town meeting, unanticipated money from a state, federal or other governmental unit of a private source which becomes available during the fiscal year.

ARTICLE 49 Defeated the institution of a policy for the Jackson Grammar School, whereas, the students would be free to participate in a moment of silence on a daily basis throughout the school year. There was considerable discussion on this article. Some

Town of Jackson, New Hampshire

stated it would not be binding and was an improper article. A motion was made to pass over but this was withdrawn and the article defeated by voice vote. ARTICLE 50 To act upon other business. Under this article #45 was requested. It was stated to be as #42 "boilerplate" or clean up articles. The Planing Board and Route 16 Commercial district were discussed. A comment was made in regards to the character of Jackson being maintained. The Planing Board should hear any thoughts on this. A motion was made to dissolve and the meeting was dissolved at 8:32PM.

AUDITOR'S CERTIFICATE

The undersigned, auditor of the Town of Jackson, New Hampshire, does hereby certify that he has examined the accounts, books, vouchers, statements and other financial records of said town and its various officers.

Auditor found that the Tax Collector was not making timely remittances of all funds received to the Treasurer. Unpaid liens of April 15, 1993, were not deeded to the town after April 16, 1995.

Auditor found the accounts, books, vouchers, statements and other financial records of said town and its officers to be true and accurate in all other respects.

Respectfully submitted,

Frank J. Connolly, Jr.
Auditor

Town of Jackson, New Hampshire

LIBRARY TRUSTEES' REPORT

Jackson Public Library was a busy place in 1995. The number of visits by patrons has increased, and book circulation figures are up as well. Mrs. Priscilla Bissell, the Librarian, and her assistant, Susan Way, continue their fine work.

The children of the Jackson Grammar School visit the Library on Tuesday mornings from 9:00-11:00. Allowing the children exclusive hours works very well. The Jackson-Bartlett Pre-School children pay occasional visits to the Library; and their teacher, Melissa Grady, chooses new reading material for them weekly from the Library.

The Trustees held honor system book sales on the porch off and on all summer. The results were excellent and sales will be held again next summer. Thanks to all who donated books or purchased them.

The Friends of the Library under the direction of Peggy Connolly, Chairman, and Mary Ann Limerick, Treasurer, were able to donate a considerable sum to the Library this year. The Library received a healthy donation from "Christmas in July" at Christmas Farm Inn. Thanks to all participants who thought of the Library on that special evening.

On July 10th a book signing was held at the Library. Special thanks to author Rich Johnson for donation of a share of the profits from his wonderful book on Jackson.

1995 Annual Report

Library Trustee, Scott Hutchison, recently resigned after four years as Treasurer. Thanks go to him for his fine and caring work on behalf of the Library. Welcome Roger Chambers.

The Library is fortunate to receive many gifts and donations during the year of funds, books and periodicals, too numerous to list, but all are deserving of sincere thanks. Special mention should be made to Doreen Wigglesworth, Barbara Moreton and Doris Luneau for their hours of volunteer service to the Library.

Respectfully submitted,

Pamela D. Abbott

1995 Annual Report

REPORT OF TRUSTEES OF CEMETERIES

There were no great changes in 1995 to be reported here, just two beautifully maintained cemeteries in Jackson Village and Dundee. Pat Donnelly has been responsible for grooming the Village Cemetery for many years, Dean Davis keeps Dundee mowed, and Floribunda does a fine job of maintaining plantings. All together, their work inspires many compliments from residents and visitors alike, and we thank them for their talents.

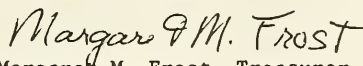

At Christmas this year, Floribunda decorated the gate at the Village Cemetery with wreaths. This added nicely to the wreaths and swags on the fence, which have been funded and erected privately over the years by local families in memory of loved ones.

A total of eleven grave sites were assigned in 1995 at both cemeteries.

JACKSON CONSERVATION COMMISSION

ANNUAL REPORT - 1995

The Jackson Conservation Commission is an extension of the Office of the Selectmen of the Town of Jackson. The primary function of the Commission is to monitor the status quo of the natural resources of the community and to serve as advocates for their protection and preservation. Jackson is blessed with natural scenic beauty, clean air and water, quiet starry nights, and a procession of striking seasonal changes which have served historically as the basis for our tourism/recreation-based economy. Public lands such as Jackson Falls, Prospect Farm, Memorial Park, potentially the Gray's Inn property and the numerous private lands under Conservation Easements to the Town all serve to promote and enhance the scenic and rural character of the community. Continued support from the community for enforcement of environmental laws and adoption of the provisions of the existing River Conservation Plan for the Wildcat River (which also applies to our other rivers) will do much to help strike a balance between development and good environmental practices.

Throughout the year the Commission has evaluated the merits of numerous applications for Dredge & Fill Permits through discussion and site visits, and has made recommendations to the NH Wetlands Board. Members have monitored and documented the effects of recent flooding events and are considering courses of action private landowners might take to minimize damages in future floods. The Commission monitored the cleanup of a fuel spill in town. As an adjunct to these monitoring duties, members have been reviewing local regulations and ordinances along with other historic documents in order to become more informed and thus better serve the community.

1995 Annual Report

In other areas the Commission has continued to support and oversee the fish stocking program at the pond in Memorial Park. Except for a few misunderstandings with adults about the posted regulations, most honored the 10 years and under, 2 fish limit, and the pond has become a popular destination for family outings. I have to add a serious need for caution and adult supervision. My son George mapped the depths of the pond as a science project and found the water to deepen abruptly quite close to shore.

Historically, the Commission has been a service organization in the community. We have sponsored roadside and riverbank cleanups, view-clearing projects, trail maintenance, gazebo building, and the like. Recent advancements in the insurance industry have severely curtailed the degree to which a member or community volunteer can participate in such activities without specific coverage. The Board of Selectmen has a policy addressing this concern. As such, the Commission financed work done at Prospect Farm this past summer by suitably insured individuals. Smaller scale projects which do not involve the operation of power equipment will be planned for the future.

The citizens of Jackson are welcome and encouraged to be involved in our activities. We will address any environmental concerns which fall under our jurisdiction or expertise. Please contact any member or come to our monthly meetings held at 5:00 PM at the Jackson Public Library on the second Thursday of each month.

ROAD AGENT'S REPORT

The winter of 1994-95 was a mild one, not much snow, which resulted in frozen culverts, icy roads and a warm spell which necessitated closing Dundee Road and Iron Mountain Road because of mud. In late Fall we experienced flood damage to some of the roads due to heavy rains. We had no major breakdowns with equipment.

Three hundred and fifty yards of pugmill mix was put down on town roads, ditches were cleaned, and roadside brush cutting and chipping were done. Winter sand was hauled in, and plowing and sanding commenced at Thanksgiving.

A new all-wheel drive International was purchased to replace the 1989 International, and a new sander for the Dodge one-ton truck was purchased. We would like to replace the Dodge truck this year.

Roads which were sealed with tar were Dundee Road, Old Jackson Road, Red Barn Road, Wilson Road and Eagle Mountain Road.

Brush was cut and chipped at Prospect Farm, maintenance work was done on town property and in the Fire Station.

Respectfully submitted,

Arthur E. Fernald
Road Agent

Iron Mountain.

1995 Annual Report

JACKSON POLICE DEPARTMENT

In the fall of 1994 we installed an oil heater in the Police Department to replace the electric heat. In 1994 it cost \$2,352.68 for heat and electricity in the Police Station. In 1995 it cost \$964.47 for heat and electricity for the Police Department, a savings of \$1,388.21.

The four-wheel drive cruiser has been a great help this year with all the storms we have had. It was great to be able to respond to calls without having to worry about getting stuck or sliding off the road, and we were able to answer the call in a timely manner.

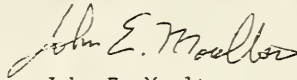

As you will see the police activity has gone up a little, and motor vehicle accidents have gone down a little.

Police Activity for 1995

57 Criminal Cases
34 Criminal Cases (Cleared by court or other means)
70 Defective Equipment Tags Issued
49 Motor Vehicle Warnings Issued
48 Motor Vehicle Summonses Issued
20 Motor Vehicle Accidents
75 Alarms Answered (all but one were false)

The Jackson Police Department would like to thank the community for all their help and support.

Respectfully submitted,

John E. Moulton
Chief of Police

JACKSON FIRE DEPT

The Jackson Fire Department once again had a successful fund-raising campaign this year generating enough monies to purchase a much needed carbon monoxide toximeter for the department. The meter is used to detect oxygen levels, or lack there of, in the form of increased levels of carbon monoxide and other harmful gases. To date this tool has been used several times following chimney fires as well as other investigation calls from the community. The first anniversary was recently acknowledged for last years successful fund-raising campaign to purchase the Jaws of Life. This tool has been used three times, twice in Jackson and once in Bartlett in its first year of service. The department would like to sincerely thank Ed Milan for all his help and generous donations to the annual barbecue. We would also like to thank the community for its continued support of the departments fund-raising activities.

The new truck was delivered and is now in service. Engine 5 is a 2000 gallon per minute pumper and it currently houses the Jaws of Life rescue tools. This truck fills the necessary needs specific to this community with low gear ratios for the steep inclines, pumping capacity for property protection and equipment storage and transportation to the scene.

Training has continued for the department. Advanced vehicle extrication training was provided to members of the fire department as well as the local ambulance services. Continuing education scheduled for this year include a Firefighter I class, school bus extrication class and familiarization training on the carbon monoxide detector and ongoing training with Engine 5.

In closing, the entire Department would like to remind the community to check the batteries in smoke and fire detectors each spring and fall when turning clocks forward and back. In addition, we would like to remind you to shovel snow from all exits from your home, not just those used on a regular basis.

Respectfully submitted,

Jackson Fire Department

Director

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

In calendar year 1995, our three (3) leading causes of fires were Children, Non-Permit fires not properly extinguished and Smoking Materials.

Violations of RSA 224:27 II, the fire permit law and the other burning laws of the State of New Hampshire, are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

To aid your Forest Fire Warden, Fire Department and State Forest Fire Officials, contact your local Warden or Fire Department to find out if a permit is required. This also helps to prevent unnecessary response to a controlled burn.

1995 Fire Statistics

Forest Ranger Reported Fires

Number of Fires for Cost Share Payment 465
Acres Burned 437
Suppression cost \$147,000+

Lookout Tower Reported Fires 555
Visitors to Towers 26,165

Number of Fires Local Community 2

Fires Reported by County

Belknap 11
Carroll 50
Cheshire 39
Coos 17
Grafton 26
Hillsborough 71
Merrimack 49
Rockingham 106
Strafford 78
Sullivan 18

Suppression Cost \$1,156.00

Local communities and the State share the cost of suppression on a 50/50 basis. The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid the quick response from the local fire departments.

**BARTLETT-JACKSON EMERGENCY MEDICAL SERVICES
ANNUAL REPORT**

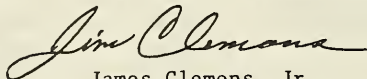

1995 showed an increase of 85%, going from 157 to 289 calls for service. The largest increase was in medical emergencies which more than doubled.

I overspent last year's budget by \$4,891.04 (see expenditures). The bulk of that was \$3,000.00 for a new defibrillator. Our old one could no longer be serviced due to age. \$606.00 was spent on a new set of tires for the ambulance. \$520.00 was refunded to the Town of Jackson for overpayment. It should also be noted that these costs were absorbed by our income over the year.

With so many calls last year and income percentage up, we are able to fund this budget on our own. There will be a zero cost to the taxpayers for 1996.

A reminder to everyone the 911 system is up and running very well. Use this number in an emergency only to reach Police, Fire and Ambulance. The Non-Emergency Phone Number is 539-6119.

Respectfully submitted,

James Clemons, Jr.
Executive Director

Town of Jackson, New Hampshire

1995 ANNUAL REPORT OF THE JACKSON PLANNING BOARD

During 1995 the Jackson Planning Board approved a 2-unit cluster subdivision, a 3-lot subdivision, a combination boundary line adjustment and subdivision, and 3 boundary line adjustments. The Planning Board also assisted residents and members of the public who requested advice on interpretation of the town regulations and procedures relative to the location of buildings and signs.

The Planning Board is proposing amendments to two sections of the Zoning Ordinance to be voted on at Town Meeting this year. The proposed amendment to Section 10 - Areas of Special Flood Hazard is in response to recommendations by the National Flood Insurance Program to assure that property owners in flood hazard zones are eligible for flood insurance. The second proposed amendment revises Section 11 - Signs to correct a typographical error, and to bring the size and number limitations more in line with the present character of the town. Though the Planning Board spent considerable time discussing potential changes to the section concerning uses permitted in the Village District, the Board does not have an amendment to this section to propose at this time.

The Planning Board is indebted to Dee McClave, Planning Board Secretary, for her skilled and dedicated assistance.

Planning Board meetings are held in the Town Hall the second Thursday of every month, at 7:30 pm. All interested members of the public are welcome to attend.

Respectfully submitted,

Sarah Kimball

North Country Council, Inc.

Regional Commission & Economic Development District
The Cottage at the Rocks
RFD #1, Glessner Road
Bethlehem, New Hampshire 03574
(603) 444-6303 • FAX: (603) 444-7588

NORTH COUNTRY COUNCIL 1995 ANNUAL REPORT

This last year has been a year of great growth for the Council. The high point of the year came with North Country Council's move to the new regional resource center on November 1. The center will provide expanded information, data and resources. It will bring together under one roof, public technical assistance providers, businesses and non-profits for regional advocacy and partnership. The new center, located at the Rocks Estate in Bethlehem, offers conference facilities, electronic network connections and technical assistance..

It has also been a very productive year for the regional transportation planning program. We have undertaken a scenic byway project in the Connecticut River Valley involving 13 towns, and will in the near future expand this effort to the remaining 38 towns in the region. We have also completed a list of projects to be included in the state ten-year highway plan. We have completed the North Country program for transportation enhancement funding and have been active in transportation projects at the local and regional level.

We have had a successful public works development program this year. Littleton's industrial development project and Conway's sewer project are underway. We have started the work to fund a sewer expansion project in Haverhill and a water development project in Berlin. The total of these 4 projects exceeds \$6.5 million. In addition, we have provided detailed engineering assistance and leadership on 16 additional projects across the region totaling \$10 million.

The Council hosted the third annual Ingenuity Fair which exhibited the manufacturing and business creativity of the North Country to 10,000 visitors. We also conducted our fourth annual business survey of the 3000+ businesses in the region. We have been working on the development of a regional commercial kitchen with the town of Lancaster and the state Rural Development Council. We also have updated the NCC industrial marketing video with support and assistance from DRED and Fleet Bank.

The Council continues to be actively involved in telecommunications, from a legislative and coordinative role. In addition, we have been participating in a variety of statewide forums to make sure our telecommunication needs as a region are being heard.

Town of Jackson, New Hampshire

Recognizing that adequate and affordable health care is an essential component of the region's economic infrastructure, the Council is committed to supporting and facilitating regional efforts to improve the coordination and delivery of health care services. Our involvement has been prompted by our work with CHOICE, Inc., a non-profit education and cost containment organization that is affiliated with the NHMA. In that same period of time, we've been meeting with local health care providers to get their views on the region's health care practices, problems, and potential solutions.

On the solid waste front, the Council is providing solid waste technical assistance to all member towns on solid waste and recycling issues.

We have continued our commitment to community planning assistance. We have provided 4 training sessions in the region for local planning boards. We have also provided project assistance to 17 towns on local land use, planning and design issues and have worked with virtually every town in the region to answer short-term planning questions.

North Country Council is participating in a national demonstration highway planning corridor project with three other regional planning commissions along Route 16 under the auspices of the NH Department of Transportation. Our segment of this project involves approximately 90 miles of Route 16 beginning at the southern end of the Mt. Washington Valley and ending in Wentworth Location. The project involves an intensive land use and transportation assessment and will be both GIS and data base formatted. The public participation process has been designed to involve all the communities along the corridor to develop innovative land use and traffic management recommendations.

This coming year promises to build on the progress of 1995. We will see the growth and development of the regional center, the establishment of a business resource library and a community design center in cooperation with several major universities. On behalf of the Board of Directors of NCC, we thank you for your involvement in the Council and we look forward to serving you in 1996.

Sincerely,

Preston S. Gilbert
Executive Director
