## THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the Town of Lee, in the County of Strafford in said State, qualified to vote in Town Affairs: (L.S.)*

You are hereby notified to meet at the Town Hall in said Lee on Tuesday, the thirteenth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To raise and appropriate such sums of money as may be necessary for the maintenance of highways.

4. To see if the Town will vote to raise and appropriate the sum of two hundred dollars (\$200.00) for fire protection.

5. To see if the Town will vote to raise and appropriate the sum of one thousand one hundred dollars (\$1100.00) for Old Age Assistance and Relief.

6. To see if the Town will vote to raise and appropriate the sum of two thousand dollars (\$2000.00) for Lee Hook Road. The state to contribute five thousand dollars (\$5000.00).

7. To see if the Town will vote to raise and appropriate the sum of four hundred fifty-four dollars and twenty-nine cents (\$454.29) for the construction of Class V highways under the provisions of the T. R. A.,

so called. The State will contribute the sum of three thousand twenty-eight dollars and fifty-nine cents (\$3,028.59).

8. To raise and appropriate the sum of two thousand dollars (\$2000.00) for the Cartland Road Bridge.

9. To see if the Town will vote to raise and appropriate the sum of five hundred dollars (\$500.00) for a sand spreader.

10. To see if the Town will vote to raise and appropriate the sum of six hundred dollars (\$600.00) to remodel tool shed.

11. To see what sum of money the Town will vote to pay the fire chief and make appropriations for same.

12. To see if the Town will vote to raise and appropriate the sum of one thousand fifty dollars (\$1050.00) for the Fire Department.

13. To raise and appropriate for the economic advancement of the Town through publicity and promotional services of the Seacoast Regional Development Association, in cooperation with other regional communities, a sum not exceeding one one-hundredth of one per cent of assessed valuation, namely fifty-five dollars (\$55.00).

14. To see what sum of money the Town will vote to raise and appropriate for the care of the Town Dump.

15. To see if the Town will vote to authorize the Selectmen to use the funds of the Town of Lee School Fund turned over to the town by the State of New Hampshire for the purpose of paying in part the assessment of the Oyster River School District.

16. To see if the Town will vote to authorize the Selectmen to appoint an Inspector of Buildings who shall hold office for a term of one year, and by vote fix and regulate his compensation as authorized by Section 1, Chapter 156, N. H. Revised Statutes Annotated, 1955.

17. To see if the Town will vote to adopt the following Building Regulations as authorized under Sections 2-5 inclusive, Chapter 156, N. H. Revised Statutes Annotated, 1955.

18. To see if the Town will vote to establish a Planning Board of five (or seven) members with duties as set forth in Chapter 36, N. H. Revised Statutes Annotated, 1955, to make a study of the Town's development and report to the Town appropriate recommendations for the promotion and maintenance of the Town's best development. The Board members shall consist of one Selectman and four (or six) other citizens appointed by the Selectmen, as provided in Chapter 36, N. H. Revised Statutes Annotated, 1955.

19. To see if the Town will vote to raise and appropriate the sum of approximately two thousand three hundred dollars (\$2300.00) to defray the cost of its share of the Strafford County Government.

20. To see what sum of money the Town will vote to raise and appropriate for the Memorial to be erected at Hampton Beach.

21. To see if the Town will vote to authorize the use of the Lee Center School Building as a Community Center if and when title to said premises is decreed to be in the Town of Lee. (Petitioned by Lloyd F. Stevens and twenty-three others, registered voters of the Town of Lee.)

22. To see if the Town will vote to have the Town Meetings held in the evening of Town Meeting Day, and to see at what hour would be the most convenient for the voters. (Petitioned by Leonard Wenant and nine other registered voters of the Town of Lee.)

23. To see if the Town will vote to authorize the selectmen to hire money in anticipation of taxes.

24. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this twentieth day of February, in the year of our Lord nineteen hundred and fifty-six.

ROBERT L. KENISTON,  
R. CARL SANDERS,

#### LEE FIRE DEPARTMENT

In 1955 the Fire Department responded to six chimney fires, no damage at any one; ten grass and woods fires, some of which had been put out upon arrival of the trucks and at which there was very small amount

of ground burned over; and two building fires with damage claimed at \$20,000.

One truck attended two fire-truck parades held in Dover. There were two Lee trucks at the fire at the UNH dairy barn in Durham; one about two hours and the other about four hours.

Mutual Aid has been called only once during the year, which was at the Chadbourne fire; Durham, Dover, Madbury and Newmarket responded.

More work has been done to complete the trucks but they are not all finished yet. Two two-way radios have been installed in the trucks, 300 feet of hose has been added, and a 32-foot extension ladder and red light have been added to the second truck. Six new coats, four fire helmets, two spotlights, two First Aid kits, and two hand lanterns were given to the Department by the Auxiliary.

Regular meetings of the Fire Department are held at the fire house the 2nd Thursday of the month at 7:30 P. M. Dues are \$2.00 a year; \$1.00 for insurance, and \$1.00 for refreshments served at the meetings. Fire Department officers for 1956 are:

Chief, Lloyd Stevens	Oldfield 9-3827
First Capt., Gilman Menter	Oldfield 9-3859
Second Captain, Roger Jennison	Dover 1654-21
Secretary-Treasurer, Ty Cunningham	Oldfield 0-3813
Directors:	
Ralph Granger—3 years	Oldfield 9-3498
Charles Piper—2 years	Epping 2464
Charles Brady—1 year	Oldfield 9-3820

The chairman of the Board of Selectmen is automatically a director each year.

State Regulations insist that you have a permit to install oil burners before they are actually installed.

This permit may be secured from the Chief of the Fire Department at any time.

Oldfield 9-3477 is the Red Network phone number for the Fire Department. Please do not use it for any other purpose than an emergency. When calling, please give your name, type and location of fire if possible as it lessens the confusion and will make it easier to give quick and better service by the department.

Many thanks to all who are helping us to be a bigger and better service to the town.

LLOYD STEVENS,  
Chief.

#### AUDITORS' CERTIFICATE

We have examined the accounts of the Selectmen, Treasurer, Tax Collector, Road Agent, Trustees of the Trust Funds, Library Trustees, Town Clerk and Treasurer of the Lee Fire Department and find them correct.

MARY B. CARPENTER,  
JOHN L. RANDALL, JR.,  
Auditors of Lee.

#### BUILDINGS REGULATIONS SUGGESTED FOR TOWN ADOPTION

1. The Inspector of Buildings shall be appointed by the Selectmen annually and shall be the administrative officer of this ordinance. He shall receive applications and fees for the erection or alteration of buildings and electric wiring thereof as

provided in this ordinance, shall keep complete records of all applications and his action on the applications; promptly survey and inspect all buildings, alterations, or uses proposed, accept and deposit with the Town Treasurer all fees collected by him under this ordinance, and may issue permits for erection, alteration or remodeling of all buildings, and use of land, if in his opinion the proposal complies with the law of the State, this ordinance and other town ordinances and by-laws, provided that in any instance where license or permit fees for uses are required his permit shall constitute only an approval on which the proper authority may issue a license on payment of required fees; any other duties prescribed by law, shall act in cooperation with the fire warden in any matter in which their duties as prescribed by law may coincide or conflict; and shall take such action in the enforcement of this ordinance as may be directed by the Selectmen.

2. No building construction shall be started; no alterations of existing buildings of an estimated cost of more than \$200 undertaken, and no building shall be put to any different use than on the day of enactment of this ordinance until a permit thereof has been issued under the terms of this ordinance.
3. No application for a permit required by this ordinance shall receive action by the Building Inspector unless made in writing. All applications for a permit to build, construct, alter or remodel any building shall be accompanied by a sketch or plan of the proposed building or alterations, and a statement of its intended use when built, constructed, altered or remodeled. A fee of one dollar shall

be paid for all permits issued. A building permit shall become void unless operations are commenced within six (6) months from date of approval, unless such time is extended by the building official.

4. Upon receiving such application the Building Inspector shall promptly take such action as may be indicated in the way of investigation or public hearings to acquaint himself with the merits of the application. He may, without judging the application on its merits, refer the application to the Board of Adjustment. If, however, he finds the proposed building, alteration, or use of buildings to conform with the law and this ordinance he may at once issue the permit in writing over his signature. If he finds the proposal in any conflict with the law or this ordinance he shall fix whatever restrictions or conditions on the proposed construction or use as may be in his best judgment, right and proper, or for reasonable cause refuse the permit.
5. No building or structure shall be erected, altered, rebuilt, substantially repaired, or remodeled unless in compliance with the following:
  - a. *Commercial building.* No building intended or designed to be used for industrial, commercial, or other public use shall be erected, altered, or used for any purpose which does not provide non-combustible walls and partitions between its component parts.
  - b. *Exits.* No building intended or designed for any public use or congregation of people shall be erected, altered, or used for any purpose which does not provide adequate exits, as described in Chapter 176, Revised Laws of New Hampshire and Chapter 153, Laws of 1943, and in

the regulations of the State Department of Health. (1)

- c. *Garages.* No public garage for the storage of five or more automobiles, or having any service or repair enterprises connected therewith shall be erected, altered, or enlarged unless the building is so constructed, or the proposed alterations, enlargements, or extensions shall be of slow-burning or non-combustible material, except that use of automatic sprinklers may obviate the use of such slow-burning or non-combustible materials.
- d. *Roofs.* No roof of any building shall be covered or recovered in whole or in part save with non-combustible or fire resistant roofing materials.
- e. *Fire-stops.* No building of wood or other combustible material shall be erected, altered, remodeled, or enlarged without providing fire-stops in every combustible wall or partition, at every floor and between floor joints at every partition.
- f. *Chimney construction.* No chimney shall be built, erected, or altered below the roof unless containing a tile or brick lining and with an iron cleanout door at or near its base, and shall extend at least three feet above the roof. No chimney shall be built, erected, or altered below the roof having wood or other combustible materials within one inch of the chimney and no chimney shall have its base resting upon any floor or beam of combustible material.
- g. *Thimbles.* No wall paper or other combustible material shall be laid over any thimble or thimble hole in any chimney.
- h. *Smoke pipes.* No smoke pipes shall be installed

or erected so as to be within twelve inches of any combustible floor or ceiling, unless amply protected with non-combustible material. No smoke pipe shall be installed or erected which passes into or through partitions or walls of combustible material, except when guarded by a double collar of metal with air space of at least five inches, or by at least five inches of brick or other non-combustible material between the pipe and the combustible material.

- i. *Electric wiring.* All electrical wiring shall conform with approved methods and practices for safety to life and property. Compliance with the National Electrical Code, as published by the National Board of Underwriters, shall be prima facie evidence of such approved methods and practices.
- j. *Foundations.* All structures shall be set on solid foundations of cement, brick, stone or other acceptable masonry except that in special cases where buildings are to be used for accessory use the Building Inspector may waive the requirements of this section and permit the use of wood, metal or masonry piers.
- k. *Minimum building area.* Every dwelling unit to be used by a single family shall have a minimum ground floor area of five hundred square feet.
- l. *Outside walls* shall be constructed of material commonly used for outside construction and materials customarily painted shall be painted.
- m. *Sewerage.* All dwellings and all commercial, public or industrial buildings shall be connected to the public sewer system when available. When a public system is not available a private

sewage disposal system is required. The type, size, and construction of all septic tanks and drainage fields shall be approved by the town health officer.

- n. *Exceptions.* The construction of small accessory buildings not used for living purposes, together with minor alterations, repairs and general upkeep of existing buildings shall be exempt from the provisions of this Ordinance.
6. Board of Adjustment. The Selectmen shall appoint a Board of Adjustment of five members, one of whom may be a member of the Planning Board, said Board of Adjustment to serve without compensation. The Board of Adjustment shall have authority to allow slight variances from the specific terms of this Ordinance, where it can be shown that unnecessary hardship would otherwise result. NOTE: Where a Board of Adjustment exists by reason of action for zoning, the first sentence should be deleted from this section.
7. Amendment. This Ordinance may be amended by a majority vote of any legal town meeting when such amendment is published in the warrant calling for the meeting.
8. Enforcement. Upon any well-founded information that this Ordinance is being violated, the selectmen shall, on their own initiative, take immediate steps to enforce the provisions of this Ordinance by seeking an injunction in the Superior Court or by any other appropriate legal action. Whoever violates any of the provisions of the above regulations shall be punished upon conviction by a fine not exceeding ten dollars for each day of each violation.
9. Takes effect. This Ordinance shall take effect upon its passage.

10. Conflicting provisions. Whenever the regulations made under the authority hereof differ from those described by any statute, ordinance, or other regulations, that provision which imposes the greater restriction or the higher standard shall govern.
11. Validity. If any section, clause, provision, portion, or phrase of this ordinance shall be held to be invalid or unconstitutional, by any court or competent authority such holding shall not affect, impair or invalidate any other section, clause, provision, portion, or phrase of this Ordinance.
  - (1) See pamphlet published by New Hampshire State Department of Health, *Standards Relating to Fire Escapes and Fire Exits*.
