# PLYMOUTH CELEBRATES ITS 250<sup>TH</sup> SEMIQUINCENTENNIAL

## THE YEAR IN REVIEW

The year began with a musical production Of "Marking the Moment"

Numerous activities were set up through the months that followed by dedicated volunteers

In preparation of the upcoming parade Main Street was dressed in red, white and Blue

**The Town Proclamation was read in front of the Town Hall**

**This bell (cast by an apprentice of Paul Revere) had been sitting on the floor of the bell tower in the townhall since the late 1800's. It was hung just in time for the celebration weekend!**

**The canon was fired to signify the start of the parade**

**Many came out for the 250<sup>th</sup> parade celebration**

**and Family Fun Day Activities**

**Executive Councilor Ray Burton took his turn in the parade.  
Ray, you will be missed.**

**The year ended with the annual Christmas Parade**

---

**MEETING SCHEDULE OF  
TOWN BOARDS AND COMMISSIONS**

---

**BOARD OF SELECTMEN**

Meets on the 2<sup>nd</sup> and 4<sup>th</sup> Monday of each month, 6:00 PM, Meeting Room,  
Town Hall (as posted at the Town Hall or call the Selectmen's Office)

**PLANNING BOARD**

Meets on the 3<sup>rd</sup> Thursday of each month, 6:30 PM, Meeting Room,  
Town Hall. Also, work sessions are held on the  
1<sup>st</sup> Thursday of each month at 6:30 PM

**CONSERVATION COMMISSION**

Meeting dates/time posted at Town Hall  
Or contact Chairperson for the date/time and location

**PARKS AND RECREATION COMMISSION**

Meets on the 2<sup>nd</sup> Wednesday of each month, 5:30 PM, Parks & Recreation Office  
Plymouth Elementary School

**ZONING BOARD OF ADJUSTMENT**

Meets on the 1<sup>st</sup> Tuesday of each month at 7:00 PM  
Town Hall

All other committees meet at the call of the Chairperson.  
Contact the Chairperson for the location and time.

Jeffrey Trojano  
Mathew Willette  
William Tallman, Part-time

### **Health Officer:**

Tom Morrison  
Brian Murphy, Deputy Health Officer

---

PLYMOUTH SELECT BOARD  
2013 ANNUAL REPORT

---

The highlight of 2013 was Plymouth's celebration of its Semiquincentennial, the 250<sup>th</sup> anniversary of the grant of the Town's charter in 1763. Preparations began in earnest in late 2012 by a dedicated committee of volunteers chaired by Steve Rand, with co-chairs Lisa Lundari and Patrice Scott. Throughout 2013, the people of Plymouth came together to enjoy a series of truly memorable events.

January brought "Marking the Moment," an original musical about the history of Plymouth by the Educational Theatre Collaborative (ETC) at Plymouth State University. The cast of 120 included local citizens of all ages, along with professional actors and PSU faculty, staff, and students. "Marking the Moment" became the theme of the entire Semiquincentennial year, and the musical went on to win the prestigious Moss Hart Memorial Award for 2012-2013 from the New England Theatre Conference.

The ongoing 250<sup>th</sup> celebration also included a series of Reminiscing Nights presented by the Plymouth Historical Society, together with the 250<sup>th</sup> celebration committee. These focused on Plymouth's history and were presented by local people with a connection to that history. Topics included Draper & Maynard, Plymouth as a Ski Destination, The Plymouth Fair, Revisiting Plymouth through Post Cards, and Plymouth's One-Room Schoolhouses.

Early in the year, Town Administrator Paul Freitas proposed restoring the bell in the Town Hall tower to its rightful place. The bell, one of the treasures of Plymouth, was struck by the foundry of Henry N. Hooper, who was an apprentice of Paul Revere. Thanks to the volunteer efforts of Building Inspector Brian Murphy and other volunteers among Plymouth's citizens, the bell was re-hung against a dramatic backdrop and rang for the first time in many years as part of the 250<sup>th</sup> celebration.

March elections saw Bill Bolton and Neil McIver elected to the Select Board, replacing Charlie Buhman, who chose not to run for a third term, and Ray Gosney. Karen Freitas was reelected as Town Clerk, and Linda Buffington as Tax Collector. The Select Board budget—approximately \$180,000 below the prior year—passed without controversy at Town Meeting, with the Budget Advisory Committee reporting five consecutive years without a budget increase. Select Board Chair Val Scarborough noted that this could not be sustained indefinitely, as infrastructure maintenance and improvements would need to be addressed in the future. Somewhat more controversial were 3 petitioned warrant articles to amend the zoning ordinance to more broadly protect areas near the Baker and Pemigewasset Rivers. These were not supported by the Planning Board, and were ultimately defeated by the Legislative Body.

On July 12, Plymouth lost one of its most loyal and hardworking citizens with the passing of Allen K. MacNeil. Allen's life was devoted to service, to include three terms in the New Hampshire Legislature 10 years on the Plymouth Select Board, and numerous other boards and committees. Most recently, he was known for his efforts in organizing the annual Fishing Derby at Fox Pond. He will be missed.

Over the course of the year, the Select Board voted to appoint a number of new members to the Planning Board, as well as the Energy and Conservation Commissions. The decision was also made to establish the position of Finance Director, and Anne Abear, who has a

---

PLYMOUTH SELECT BOARD  
2013 ANNUAL REPORT - Continued

---

wealth of experience in municipal finance and administration, was selected for the job.

Plymouth's Semiquincentennial celebration went into high gear from July 17 through 21, beginning with Summerfest! This family festival of food, fun and music was put on by the Town and Plymouth State University, and was described as "magical." Ensuing events included an old-time barn dance, reunions, train rides, displays of vintage and antique equipment, a colonial garden, cultural performances, tours of historic homes, and much more—all with a focus on Plymouth's 250-year history. Central events were the "Marking the Moment" Anniversary Parade, with over 50 participants and coordinated by the Plymouth Rotary Club; the Ceremony in front of the Town Hall, where proclamations were presented by Federal, State, County, and local officials; and the Bridge House Family Fun Fair, with contests, games, and fun for all. The grand finale included birthday cakes and fireworks, with music by the Pemigewasset Choral Society and the NH Music Festival Brass.

Just as it's not possible to include all of the incredible events that were part of our celebration, we couldn't begin to list the countless individuals and organizations who worked so hard to make it such an extraordinary success. All are acknowledged in the commemorative program, and they have our enduring gratitude for the roles they played.

On August 28, Plymouth joined communities across our Nation in "Let Freedom Ring," a ceremony commemorating the 50-year anniversary of Martin Luther King's "I Have a Dream" speech. This event included the ringing of the bells at the Plymouth Congregational Church, the Episcopal Church of the Holy Spirit, PSU's Rounds Hall, and the Plymouth Town Hall, all simultaneously with bells Nationwide.

September brought Captain Jack Olmstead's retirement from Plymouth Fire and Rescue after over 25 years of full-time service to our Town. We are sincerely grateful to Captain Olmstead for his dedication, care, and compassion to the lives of citizens and visitors of Plymouth, and for his continued service as a call firefighter.

As the year went on, the Select Board continued the discussion with the fire and police chiefs concerning the requirements of their departments. This discussion led to a special Town Meeting at which the Legislative Body was asked to vote to authorize the Select Board to expend capital reserve funds to enhance the Communications Center at the Police Station and purchase the building next to the Fire and Rescue Building on Highland Street, which was made available to the Town by Gerard and Barbara Boyle. The purchase was completed, and the building will provide much-needed space for offices and sleeping quarters and allow for improvements to the current building to provide better equipment storage.

Commercial development this year included the opening of the Bank of New Hampshire and McDonald's at Riverside Landing, as well as ground-breaking for a children's dental center and orthodontist practice at Boulder Point. In December, the Enterprise Center at Plymouth ECP) had its grand opening on North Main Street. The ECP, a business incubator and accelerator, is operated in a partnership between Plymouth State University and the Grafton County Economic Development Council, and is expected to result in economic development and job opportunities in the Plymouth area.

---

PLYMOUTH SELECT BOARD  
2013 ANNUAL REPORT - Continued

---

Plymouth's 250<sup>th</sup> anniversary celebration continued into November and December, when a time capsule containing letters, pictures and other items was buried on the Town Common to be opened in 2063 to give residents of the future a glimpse of life in Plymouth in 2013. Members of the Plymouth Historical Society published their book, *Five More Decades in Plymouth, New Hampshire*, the thoroughly researched and beautifully written sequel to Eva Speare's 1963 book. Most significantly, the original Town Charter issued by King George and Governor Wentworth was found in a previously unopened box in the Town's vault. This historical document will be publicly displayed at Town Hall during 2014. Finally, the 250<sup>th</sup> Anniversary banner led off the Annual Holiday parade, carried by members of the Select Board and other notables.

As the year drew to a close, the Town of Plymouth joined with Plymouth State University in recognizing the passing of Executive Councilor/Grafton County Commissioner Ray Burton. Ray was a tireless advocate for the north-country, and he had a significant, positive effect on keeping the focus directed to our region of the state. Both the Town and University benefitted greatly from Ray's work at the County and State level, and his loss has been felt state-wide.

The economic challenges that we've faced for several years still exist, but Plymouth remains fiscally stable, with an unreserved fund balance of close to \$1.2 million. Due to a town-wide revaluation, property values in general dropped, resulting in the need for a slightly increased tax rate to meet the budget obligations approved at last year's Town Meeting; however, the tax bills that most residents received were lower for the second half of 2013 than in the first half of the year. Department heads have maintained frugality in their expenditures and Plymouth has received State and Federal grants that have helped save the Town's resources. For this, thanks go to Plymouth's Emergency Management Director and his excellent working relationship with the NH Department of Homeland Security and the Federal Emergency Management Agency.

Plymouth continues to meet each new challenge through the dedication and commitment of our citizens, our Town employees, our fellow elected officials, and those who serve on Plymouth's many volunteer committees and boards. Together, we celebrated our illustrious history throughout 2013, and we continue to make history each day. Thank you for all that you contribute to that history.

Respectfully Submitted,

Plymouth Select Board  
Valerie Scarborough, Chair  
Michael Conklin  
Richard Lewis  
William R. Bolton  
Neil McIver

PLYMOUTH POLICE DEPARTMENT  
2013 ANNUAL REPORT

---

The Town of Plymouth has a unique make up of traditional residents, short-term residents, and an ever growing transient population, all of whom have diverse needs. 2013 was especially challenging because we had to meet all those needs with rookie personnel. A good portion of the year was spent training these personnel and fine-tuning our enforcement efforts to enhance the safety and quality of life for everyone in the town.

As in the past our agency continues to experience turnover. Officer Kevin Kelly, a four year veteran of law enforcement, accepted a position with the Amherst Police Department. Officer Richard Ort, a six year veteran to law enforcement and our senior patrol officer, has accepted a position with the Tilton Police Department. Both Officer Ort and Officer Kelly's years of experience and skill set will be missed in our community. The Department now welcomes Officer Brianna Gerior as our newest full time officer. Officer Gerior comes to us by way of the University Police Department where she held the position of patrol officer. As I write this, we still have a vacant position. Now begins the search of a suitable candidate worthy of Plymouth's high expectations to fill this vacancy.

We experienced several large events in 2013. Some were scheduled and others came to fruition all on their own. Two of the more notable events were our 250<sup>th</sup> celebration and the World Series. The 250<sup>th</sup> required several weeks of planning but in the end it was extremely successful and well worth it. I personally enjoyed planning and working the 250<sup>th</sup> Celebration tremendously. The Red Sox winning the World Series not only posed several enforcement challenges but also required a significant amount of planning and resources. All riotous behavior was contained "On Campus" and there was no damage to town property or reports of damage by residents. The University Officials responded swiftly with the immediate suspensions of students who engaged in reckless and destructive behavior. This strategy has proven to be the most effective in changing negative conduct, and we are thankful for their efforts.

In 2013, Deputy Chief Hutchins conducted a major overhaul of our website: [www.plymouthpd.org](http://www.plymouthpd.org). Our website is now more interactive, contains public awareness alerts, press releases, wanted criminals, electronic forms and much more. Deputy Chief Hutchins did an outstanding job with the website and I encourage you to peruse it at your earliest convenience. In 2014 we will be exploring the potential use of some social media sites in an effort to keep our community informed.

From July 1, 2012 through June 30, 2013 the office of the Plymouth Police Prosecutor handled a total of 574 arrests. 446 cases were processed through the Plymouth District Court and/or the Plymouth Family Court. 18 juvenile cases were processed and 5 of those cases were referred to the local Restorative Justice Program.

Even with a green patrol division I am amazed at the level of talented officers who serve the Town of Plymouth. I am extremely pleased and honored to serve with and lead all the employees of the Plymouth Police Department. These individuals are the backbone of our

PLYMOUTH FIRE AND AMBULANCE DEPARTMENT  
2013 ANNUAL REPORT

---

In 2013 Captain (Jack) John Olmstead, Jr. decided to retire after 27 years of dedicated service to the Town of Plymouth. Although he has retired as a fulltime member Jack continues his service as a part time member of this department.

In November 2013, Jason Nichols was hired to fill the vacancy; Jason has been working in the emergency services since 2005. In the short time he has been with us he has proved to be an asset and works well under stressful situations.

Ben Thibault was promoted to Captain of Emergency Medical Services, Brian Tobine was promoted to Captain of Maintenance and Stephen Vachon was promoted to Captain of Information.

The fire and emergency medical service is constantly changing to improve the quality of care we can provide, this year many members have become Advanced Emergency Medical Technicians (AEMT). This advancement enables them to provide a higher level of medical care to the citizens and visitors of this town. Technical rescue calls are increasing with swift water emergencies, Hazardous Material calls and High Angle Rescue. The department has been training in these fields to ensure adequate response. The equipment used by the responders also is being updated, most people think all we need is a big red truck, these days we also require gas meters, ones that can detect explosive gases, carbon monoxide, oxygen, cyanide and others. Climbing equipment is needed for high angle rescue, cold weather water suits are used for ice rescues. These are a few of the tools we use and train on.

This year the two members were blessed with new arrivals to there family, Captain John Keller and family celebrated the birth of there new baby girl and Firefighter Brian Peck and family also rejoiced with the birth of a baby girl as well.

The purchase of the land and building adjacent to the current facility is greatly appreciated; currently we have been working on getting the building ready for use to occupy it.

The members of the department would not be able to do their jobs without the support of the residence of this great town, we thank you.

Respectfully submitted,

Casino Clogston  
Chief

PLYMOUTH HIGHWAY DEPARTMENT  
2013 ANNUAL REPORT

---

Happy Birthday Plymouth.

As soon as everything thawed out, we continued with our road ditching on the gravel roads. When we were done ditching a road, we added more gravel onto it. Our dirt roads are better than they have ever been.

The gravel that we used came from crushing the waste asphalt pile which contained bricks, cement blocks, rocks and asphalt chunks that were donated to the town from local private contractors. After it gets crushed, the finished product is good usable gravel that doesn't cost very much to make.

Tree trimming was another project that we did. We continue to trim overhanging trees on our rural roads. It was another busy tree trimming year, here at the highway department. All the dead or dangerous trees that were near power lines were taken down by the electric co-op for us. We cut up the wood and use it for heat at the garage. Thanks to Jim Horan and all the crews that we work with at the co-op.

Our roadside mowing was done again with our new sidewalk tractor which Lyman ran. Each road was cut back to where it should be.

Chris McCormack ran the town sweeper and kept the roads in Plymouth looking good and clean.

Again, this year, I would like to thank some of the other town departments which we worked with. Jim Blake, and his crew at park and recreation, help us by splitting all of our firewood that we got during this year's tree trimming. A big Thanks for all your help. Also, thanks to Mike Ray for letting us keep our pile of winter sand there. It helps keep down all the traffic congestion at the highway dept.

Meredith Ford continues to help the highway department by supplying us with not only technical advice, but actually repairing our equipment on a moment's notice. Pete French, Steve, Thanks for providing us with exceptional service, anytime we needed it.

Each employee at the highway department is devoted to their job. During each and every snow storm, ice storm, hurricane or flood these guys leave their personal lives behind to come into work. They are true professionals.

But especially during this winter season, I would like to thank my co-workers, Chris McCormack, Joe Fagnant, Lyman Boyce, Steve Walsh, Jeremiah Sargent, Josh Hill, for their dedication, and also to their families, for supporting what we do.

Respectfully submitted,

Peter Furmanick

---

PLYMOUTH PARKS AND RECREATION DEPARTMENT  
2013 ANNUAL REPORT

---

The Plymouth Parks and Recreation Department is proud to have brought another stimulating year of programming geared towards promoting healthy lifestyles and a strong sense of community for our residents of all ages. This goal continues to push us to offer a variety of greatly needed and well attended programs as we move into the New Year.

Our summer enrichment program was designed to offer suitable options for all our children. Children in grades 1-4 participated in educational and recreational activities while on campus. Through partnerships, in which transportation and resources were shared to defray ever rising costs, we were able to explore and utilize the wealth of local attractions that make our area remarkable. Friendships prospered and team building abounded through the diligent efforts of our energetic, creative staff. Older students were invited to participate in our Counselor in Training (CIT) program through which they improved their leadership skills as they supported our staff in working with the younger campers. Our CIT Program not only fosters strong work ethic and creates very favorable ratios, but also proves to be very cost effective for our budget. Our summer experience culminated when the youth of all age groups embraced the idea of serving others as they planned and hosted a family luncheon event at Fox Pond Park.

Sadly, we lost a dear friend this past year. Allen MacNeil was the man who built, from the ground up, one of our greatest yearly events. He worked the many hours tirelessly to offer the families of Plymouth and the surrounding communities our spring fishing derby which boast to be 34 years young! Over the years Allen developed partnerships with organizations such as the Plymouth Rotary Club, NH Fish and Game and many local businesses that have donated money towards tagged trout prizes. We can't thank Allen and his lovely wife, Evelyn, enough for their dedication to this very special event. In memory of his dedication, our department will continue hosting the derby. We won't say goodbye, we will simply say "Gone Fish'n".

"Marking the Moment", celebrating Plymouth's 250<sup>th</sup> anniversary brought our community together in remarkable ways. Plymouth Parks and Recreation was proud to be part of these events which offered our residents opportunities to celebrate many amazing years! It was exciting to see the town and organization working together toward this "Marking the Moment" celebration.

While we were disappointed to hear that we did not receive another round of afterschool funding, once again our department and our community have pulled together to continue this invaluable program. Partnerships such as Plymouth Elementary School and the NH Electric Cooperative help us to continue to serve the over 70 working families taking advantage of our afterschool program. The program goals include not only quality time and support for our students, but a safe place for students to be, encouraging once again a healthy lifestyle for our residents. Surveys have indicated that this is one of the most valued and necessary programs offered. The ten years of grant funding provided us with the knowledge and foundation to successfully continue the program and offer it in a cost effective way. Stay tuned!

---

PLYMOUTH PARKS AND RECREATION DEPARTMENT  
2013 ANNUAL REPORT

---

In closing, I would like to thank this community for their continuous support and involvement in all that we do. The many volunteers and part-time staff we are lucky enough to have work with us make each individual program a success. Also, this report would be incomplete without many thanks to my exceptional staff for their positive attitudes and willingness to go above and beyond so that others may enjoy their leisure time.

Respectfully submitted,

Larry Gibson  
Director of Parks and Recreation

---

PLYMOUTH RECYCLING CENTER  
2013 ANNUAL REPORT

---

Dear Plymouth Residents,

I would like to say thank you to all the residents of Plymouth for their continued efforts in recycling. Without your help it would put more costs on you in taxes. We strive very hard to keep our budget level funded, even with the many changes in recycling costs we maintain a very low cost budget, which is offset by some revenue, all due to your help.

We made some energy efficiency upgrades to our downstairs bay lighting, stairway, utility room, baling area, and office, replacing regular lighting with LED fixtures. The total cost was \$2,665.00, for which the New Hampshire Electric Coop gave us a 50% rebate of \$1,332.50, resulting in an energy savings of \$601.00 per year.

We also replaced the old heating system in the office and put in a new efficient one, making more savings there as well.

Thank you for all your help in keeping our costs down to a minimum, we continue to ask that you do all you can to recycle, which in turn brings revenue back to the town.

Please feel free to call or stop by the office to see me, I am more than pleased to listen and consider any suggestions you may have.

Sincerely,

Michael D. Ray  
Recycling Manager

---

PEASE PUBLIC LIBRARY  
2013 ANNUAL REPORT

---

The Pease Public Library is a beloved community library that provides welcoming new spaces to everyone that comes through the door. You can search for a new book, bring your children to story time or a music and movement class, join the chess club or knitting group, book a room for your meeting or simply sit by the fireplace and read a magazine.

This year at the library, we enjoyed giving out the donated New Hampshire Music Festival coupons to library patrons to attend their weekly concerts and our patrons donated 57 boxes of food to the local food pantry through the summer reading program. We participated in "The Big Read: New Hampshire" in October, learning about Edgar Allan Poe. We hosted a national touring Civil War 150 exhibit from The Gilder Lehrman Institute of American History in March and a series of Civil War author talks including New Hampshire author's Mike Pride and Mark Travis, and a concert by Pat Victor.

We continue to work together with the Plymouth Historical Society to bring six New Hampshire Humanities programs to our community. We enjoyed Richard Hesse' talk about Daniel Webster, we sang along with Marek Bennett and Woody Pringle for the "Rally 'Round the Flag" Civil War music program and learned about the history of the White Mountain Huts. For Plymouth's 250<sup>th</sup>, The Young Ladies Library Association organized a library float for the parade, they provided a display of YLLA artifacts in the library and hosted refreshments. The YLLA Endowment series hosted Dr. Robert Swift, Books and Blooms in June and the first art exhibit was hung in the library, John Anderson's flower photographs.

We welcomed new staff at the library, Tom Merkl, Shana Zarnowski, and Kathleen Guilmett. Tanya Robbins joined us as Youth Services Librarian in September 2012 and three employees retired.

Tanya leads the children's story time and she has planned many craft programs and holiday parties this year. Tanya's new winter story time series, makes four 8-week story time sessions for your children. Music with Miss Becky is a popular Thursday morning program. We hosted a Mother's Day Tea and an Easter Egg Hunt. Tanya planned our first "Touch A Truck" event as a kick-off for the summer reading program. This event was so popular, attracting over 200 families, we plan to do it again. The summer reading program was fun-filled with many programs, crafts and an end of summer picnic at Fox park which was held indoors due to the rain. The Trustees purchased an AWE Literacy computer station for children 2-8 years old. This has been a popular addition to the children's room.

We continually review the services offered to you in an effort to provide you with the resources you need. We offer computers, wireless Internet, a computer printer, a copier and educational computer games for kids. You have online access to Ancestry.com for genealogy, Value Line to access stock information, NoveList so you can look for your next favorite book, EBSCO reference databases for access to articles and research resources, and you can download free e-books and audiobooks.

---

PEASE PUBLIC LIBRARY  
2012 ANNUAL REPORT (Continued)

---

The lower level provides a variety of community meeting spaces: a large meeting room for non-profit organizations, small rooms for tutoring, and an additional meeting/study space in the lobby area. PbCAM (Pemi-Baker Community Access Media) has an office and a large production studio.

Library staff, trustees, volunteers and the Young Ladies Library Association, Town hall employees and the Selectboard, town departments and library patrons have all worked together to create and support your public library. We look forward to seeing you at the library.

Rebekka Mateyk  
Library Director

**BUILDING AND CODE ENFORCEMENT  
2013 ANNUAL REPORT**

---

Building Permits granted for the Semiquincentennial Year 2013 were on a par with Permits granted for the last three years. There was a bit of a fall-off from the number issued in previous years and one would be hard pressed to point to any one factor as the main contributor due to the varied nature of the work being tracked. Residential renovations and additions, interior or exterior, are always the main leaders in Plymouth, but there have been new commercial enterprises setting up shop in existing spaces (mostly reflected in signage applications), new single family homes and new commercial buildings.

Interest in new building along the Tenney Mtn corridor has been spurred since the completion of the initial phase of development at Riverside Landing. There have been many phone calls and informal meetings with folks looking to build along the corridor, most of them along the south side and to the east of Smith Bridge Rd. Two projects have been before the Planning Board (and ZBA) and should be going forward in short order; one being the dental offices on Boulder Point adjacent to WalMart (already in development) and the other at the Plymouth Business Park, off of Hamilton Way.

PLANNING BOARD  
2013 ANNUAL REPORT

---

The Plymouth Planning Board reviewed eight applications in 2013 including one three-lot subdivision and three site plan applications for a pediatric dental office, apartment house and sober rooming house. Three boundary line adjustments also occurred as did a design review for preliminary site development at Riverside landing on Tenney Mountain Highway. A non-binding site plan was presented to the Board by Plymouth State University regarding the proposed conversion of their campus energy co-generation facility to natural gas.

The Enterprise Center at One Bridge Street, located on the site of the old Richelson building, was completed in the fall and opened as a small business incubator having obtained site plan approval in 2012. Three proposed amendments to the Plymouth Zoning Ordinance put forth by citizen petition warrant article were defeated at town meeting in March. No proposed changes to the zoning ordinance were put forth by the Planning Board in 2012.

The Planning Board held several public information sessions in early summer to solicit citizen input on issues relating to the Tenney Mountain Highway access management update undertaken by North Country Council. NCC is presently finishing up the update's first draft report after having worked with the planner to map out potential traffic congestion areas and indicators of future land use needs. Recommendations from the corridor update will provide guidance for the next Master Plan revision.

Our volunteer Planning Board, appointed by the Board of Selectmen, is regularly scheduled to meet the first and third Thursday of each month at 6:30 p.m. at the Town Hall as per the published yearly schedule and the RSAs that govern planning board activities. Work sessions are held on the first Thursday of the month as needed to discuss planning issues of concern and items of interest within the planning process. Third Thursdays of the month are devoted to the public hearing review process for land use applications such as subdivisions, site plan review and boundary line adjustments if applications are submitted. With proper notification which satisfies RSA 675:7, additional public hearings and work sessions may be convened at the discretion of the Planning Board chairman. In the absence of submitted applications, the regular third Thursday public hearing meeting may be cancelled at the discretion of the chairman.

All Planning Board meetings are televised live and are repeatedly aired on Channel 3 pbGOV-3 Public TV. All meetings are open to the public and subject to rules of procedure. The full text of the Zoning Ordinance, Site Plan Review Regulations, and Subdivision Regulations along with applications for Subdivision Review, Design Review, Boundary Line Adjustments, Lot Mergers and Site Plan Review are available on-line at [www.plymouth-nh.org](http://www.plymouth-nh.org). In addition, copies of the most recent 2008 Master Plan can be downloaded. Hard copies of all previously mentioned materials are available at town hall for a nominal charge. Draft planning board minutes are available on the town's website and are updated to final form after approval by the Board.

---

**PLANNING BOARD**  
**2013 ANNUAL REPORT (Continued)**

---

Mr. Patrick Roach left the Planning Board upon his move to Bridgewater after several years of dedicated service and was presented a plaque by the Board of Selectmen for his volunteer efforts. We wish him the best in his future endeavors. As always, we appreciate the professional expertise provided by both Michael Vignale, PE; the town's contracted engineer and Brian Murphy, Plymouth Building Inspector / Zoning Enforcement Officer and the time and effort given by our volunteer Planning Board in our collaborative effort to support the highest and best use of the landscape for all citizens.

**Current Members of the Planning Board:**

Mike Ahern—Chairman	Paul Wilson
John Randlett-Vice Chairman	Jack Scarborough
John Kelly	Bob Dragon – Alternate
Neil McIver-BOS representative	William Bolton-BOS representative alternate

ZONING BOARD OF ADJUSTMENT  
2013 ANNUAL REPORT

---

In 2013, the Zoning Board of Adjustment heard markedly fewer cases than in the previous year, meeting only in January, March, May and December. However, the few cases before the ZBA last year often involved cases seeking multiple levels of relief. The ZBA's charge on behalf of the Town is to serve as the vehicle for determining administrative relief to landowners from local zoning ordinances which may not fairly apply in all circumstances to all properties.

While zoning ordinances are the rules relied upon to guide land use –requests to the ZBA by land owners for zoning relief ensure that the overall template of zoning law is being applied fairly and with required scrutiny. Working alongside the Planning Board under the directive of **RSA's 672-678**; the ZBA reviews each request for zoning relief in an adjudicatory capacity which balances the rights of all within the parameters of the existing zoning ordinance. By its nature, the ZBA supports the presumption that any zoning ordinance component may be found flexible to a specific applicability *if all determining criteria for approval can be met and approved by a majority of the ZBA*. Each application is viewed neutrally, and each case individually judged on its own merits as it pertains to the current zoning ordinance; bearing in mind that no precedent is implicitly created or set by any zoning relief.

Under the authority of the *Zoning Ordinance of the Town of Plymouth*, regular changes or updates to zoning guidelines can be affirmed by majority public vote at the annual Town Meeting. The changes put forth by warrant article hopefully reflect the intent and philosophy of the Master Plan *while amalgamating* the present needs of the community in terms of proper growth and development.

The Plymouth Zoning Board of Adjustment is scheduled to meet the first Tuesday of each month at 7:00 p.m. at Town Hall in a public hearing format when applications have been received for review. All Zoning Board of Adjustment meetings are televised live and are also aired afterwards on Plymouth's public access Channel 3, which may be found via the town's website [www.plymouth-nh.org](http://www.plymouth-nh.org). State statutory guidance does not require a monthly meeting of the ZBA unless applications have been submitted for review.

All ZBA meetings are open to the public and the public may speak when authorized by the presiding ZBA chairman. The principal role of the Zoning Board of Adjustment is to review applications for possible relief through the mechanics of zoning ordinance variances, special exceptions or equitable waivers of dimensional requirement and to hear appeals from the zoning determinations made by administrative officials. Successful approval of these requests to the ZBA can remove zoning impediments to proposed land use development. The full text of the zoning ordinance and application forms for the Zoning Board of Adjustment are available on- line at [www.plymouth-nh.org](http://www.plymouth-nh.org). Hard copies of the zoning ordinance are available at Town Hall for a nominal fee.

---

**ZONING BOARD OF ADJUSTMENT**  
**2013 ANNUAL REPORT (Continued)**

---

**In 2013, the Zoning Board of Adjustments ruled on the following cases:**

Variances: 5 approved; 0 denied

Special Exceptions: 5 approved; 1 denied

Re-hearings: 0

Rehearing Requests: 0

Administrative Appeals: 0

The Zoning Board of Adjustment is comprised of appointed citizen volunteers and optimally is made up of five members with several alternate members. We encourage Plymouth residents to consider volunteer service by requesting appointment by the Selectmen.

**Current Members of the Zoning Board of Adjustment:**

Patrice Scott, Chair   Howard Burnham   Wallace Cushing  
Freeman Plummer                                  Omer Ahern, Jr.

*Respectfully submitted—Sharon A. Penney, Community Planner*

## CAPITAL PLANNING COMMITTEE FOR FY 2013-2014

---

Continuing a practice begun in 1987 the Town of Plymouth Capital Planning Committee (Committee) has developed the latest revision to the Town's Capital Improvement Plan (CIP) for fiscal year 2014 – 2020. The CIP is one component of the Town's Master Plan and is annually revised by a subcommittee of the Planning Board. This subcommittee is comprised of volunteer citizen members and representatives from the Selectmen's Office, Advisory Budget Committee and Plymouth Planning Board. The updated CIP is one source of information used by the Advisory Budget Committee and Board of Selectmen to develop the Town's annual budget that is presented to voters at Town Meeting.

The Town's capital expenditures are those purchases or budget items of significant cost such as major equipment and replacement/maintenance of Town buildings. Also included in the plan are major infrastructure costs like construction and repairs to roads, bridges and sidewalks. Each year the Committee revises the CIP based on history of recent budgets and the projected expenses for the next six years. The Committee gathers information from the heads of the municipal departments, the Town offices and other community sources, and then updates the CIP to incorporate this new data.

The overall goal of the CIP is to forecast and sequence the needed expenditure of funds so that expenditures can be timed in such a way as to have a leveling influence on the Town's tax rate. Another goal of the Committee is to minimize borrowing to acquire capital items, thereby preventing the added cost of interest on loans. The Committee advocates the use of capital reserve funds to accumulate the money for an item prior to its purchase/construction.

Again this year the Committee was able to make effective use of the previously compiled inventory of the Town's municipal assets to support its targeted goal for capital expenditures.

The format of the CIP spreadsheet again presents the proposals for each municipal department in the same order as they appear in the Town's general budget. This arrangement makes it easier, especially for the Advisory Budget Committee and the Board of Selectmen, to work with the two documents. We continue to include a section documenting the capital planning for potential future Public Safety Buildings in the hopes that this project will eventually be approved.

The Committee would like to expand its membership and welcomes new volunteers interested in helping with the planning of the Town's capital expenditures. The Committee conducts its work during the late fall in one early evening weekly meeting of one hour.

Respectively submitted for the Committee,  
John Randlett

Capital Planning Committee Members:

John Randlett – Committee Chair  
Paul Freitas  
Anne Abear

PLYMOUTH CONSERVATION COMMISSION  
2013 ANNUAL REPORT

---

During 2013, the Plymouth Conservation Commission (PCC) continued its mission to manage, maintain and publicize protected conservation areas within the Town of Plymouth, including the:

- 163-acre, town-owned, Walter-Newton Natural Area (with the scenic Rainbow Falls)
- 105-acre Fauver Preserve Conservation Easement
- 1,100-acre Plymouth Mountain Conservation Easement
- 93-acre Tenney Mountain, town-owned, Conservation Easement
- 65-acre Walter Texas Hill Ski Trails Conservation Easement.

Selected 2013 activities:

1. Hiking trail development and maintenance is an ongoing PCC effort. The trails in Plymouth's conservation areas are well-used and easily accessed, thanks to parking lot maintenance by the PCC and Plymouth's Highway Dept., and trail maintenance by the PCC and volunteers. This year the PCC continued work on new trails within the Texas Hill Ski Trails conservation area, and a new easement by the Fauver's, overseen by the Pemi-Baker Land-Trust. These new trails provide access to Rainbow Falls and existing trails from two locations along Texas Hill Rd and connect the Walter-Newton Natural Area to the new Fauver easement and to the Plymouth Mountain Conservation Easement. The PCC partnered with students and faculty of Plymouth State University's Geography Club to develop, maintain and map these trails, which are now open for hiking and snowshoeing. A new trail map is almost done and should be available for download from our website in 2014 ([www.plymouth-nh.org/committees/conservation](http://www.plymouth-nh.org/committees/conservation)).
2. The PCC continue to patrol for and remove trash (mostly cans, bottles, general garbage) that is periodically dumped in these conservation areas. Happily, this year has seen a dramatic reduction in the frequency and volume of litter in the parking areas, which we hope will continue in 2014. The Commission very much appreciates the removal of large trash items by the Plymouth Highway Department.
3. Boundary monitoring is an important ongoing, annual task of the Commission. This effort ensures that any encroachment into conservation areas is identified and dealt with in a timely manner. Reblazing of boundaries trees is an important part of this effort. These statewide monitoring reports, including those from Plymouth, are available at <http://www.nh.gov/oep/planning/programs/clsp/documents/annual-report.pdf>. See page 7 for Plymouth's report.
4. The Commission engages in community outreach activities including Earth Day activities at Plymouth State University, guided hikes, and a new, monthly column in the Record Enterprise called "Conservation Matters". PCC members publish in this column in rotation with other Conservation Commissions in the region.

As always the Commission encourages town residents to join our efforts in preserving the natural resources of the town by considering putting your own lands in conservation. We thank the residents of the town for their ongoing support as we work on your behalf. Contact PCC by e-mail: [plyconcomm@gmail.com](mailto:plyconcomm@gmail.com).

Respectfully submitted by the Commission,

Lisa Doner, Chair	Gisela Estes	Alan Davis	Susan Swope	Paul Estes
Paul Wilson	Rachelle Lyons	Amey Bailey	Duane Snell

HEALTH OFFICER  
2013 ANNUAL REPORT

---

There were no major public health incidents in Plymouth in 2013. We remained vigilant however, continuing planning and coordination with our Public Health team. We continue to partner in the Regional Coordination Council, an eighteen-town collaboration that develops, implements and trains in preparation for Public Health threats. The N.H. Division of Public Health Services has expanded our Region, and as of July 1, 2013 it encompasses eighteen Towns.

For a number of years, we have had an Eastern Equine Encephalitis (E.E.E.) and West Nile Virus (W.N.V.). Prevention Program. This included trapping of mosquitoes throughout the community, typing them, testing them, and disseminating information on the effects of these diseases, as well as how best to prevent them. There were no positive tests in Plymouth in 2013, but there were in other regions of the State. Due to the fact that we have not had a positive test result in a number of years, the cost vs. benefit of continuing this program can no longer be justified. We are discontinuing this program. As many of you know, the cost to operate this program has been shared equally by the Town of Plymouth, the Plymouth School District, and Plymouth State University. We are thankful for these health initiative partnerships, and are confident that they will continue if/when the need arises.

The Pemigewasset River quality was tested to evaluate whether it meets the State of N.H.'s guidelines for recreational activities. Though Plymouth does not have any designated beaches, the boat launch and the Riverfront Park are used extensively. We therefore feel it is important to monitor the health of this waterway.

The water quality of the Baker River is monitored by the Baker River Watershed Association. Please visit their website for more information: [www.bakerriverwatershed.org](http://www.bakerriverwatershed.org)

Regular testing of the Crystal Spring continues. All of the tests performed in 2013 were absent bacteria. Details of these tests may be viewed at the Plymouth Fire Department. We are thankful that Plymouth Parks and Recreation Director Larry Gibson and his staff maintain the grounds at the Crystal Spring.

In 2013 we responded to the following matters related to Public Health:

Administrative (I.E. Meetings, Hearings)	4
Business	1
Child Care	4
Crystal Spring (I.E. Inquiries; Site Visits; Testing.)	8
D.E.S. Investigations	2
Food Service	4
Permit/Plans Review	7

MEMORIAL SERVICE FOR COUNCILOR BURTON  
DECEMBER 14, 2013

---

Words written by Councilor Burton, read by Dwayne Baxter

“Governor Hassan, it would give me great pleasure if you would accept this portrait of me, done by my good friend and Bath resident, Craig Pursley. It is not for me, but for my family: sister Mary and husband Ken Grimes, sister Joan and husband Dan Day, brother Stephen and wife Martha, my nephew Ray and wife Judy Grimes, and all family members and friends that I make this request. It is to honor them for all the time they allowed me to have to do my job, while sacrificing the time I might have had with them. They understood that to do the job for which I was elected, that it took dedication and a full-time commitment.

I also hope that it will be an inspiration to others, that if you listen to those who elected you, you just might be elected several times again!

Thank you on behalf of myself and my family and friends,  
Ray Burton”

PLYMOUTH REGIONAL CHAMBER OF COMMERCE  
2013 ANNUAL REPORT

---

The Board of Directors and staff of the Plymouth Regional Chamber of Commerce appreciate the Town of Plymouth's continued support in 2013. It has been a steady year for us, as our total membership has remained level with 225 paid members with 112 (50%) of those members from the town of Plymouth. Our market penetration of the total businesses in town, we have 52% of them as active members in the Chamber, where the industry average is just a little over 21%.

As in the past, the Town's contribution continues to go a long way in assisting the Chamber in accomplishing many positive goals as we continually strive to increase our visibility and service to the Plymouth community.

Our mid-October move of our business office to the new Enterprise Center at Plymouth building at One Bridge Street is a positive addition to this facility and the work it will do supporting economic development in our region. The Chamber is looking forward to strengthening our partnership with Grafton County Economic Development and Plymouth State University in these endeavors.

Also new to the Chamber this year, is the launch of our annual Leadership Academy program. The purpose of the Leadership Academy Program is to cultivate civic awareness and engagement among existing and emerging leaders within the region. Program participants are exposed to the many challenges and opportunities facing the region, and are encouraged to engage in those where they can exercise their passion and expertise toward improving the community.

The Plymouth Regional Welcome Center at the Plymouth State University Ice Arena & Welcome Center continues to grow in the numbers of businesses it serves, as well as in the services it offers to our community.

Our marketing efforts for the Plymouth Regional Map-Guide & Directory continue to grow with a new and more robust brochure style format. 25,000 copies were printed this year and were distributed statewide in local rest areas and information centers, as well as the Big-E in Massachusetts.

The Chamber continues to grow its website at [www.plymouthnh.org](http://www.plymouthnh.org) making it the go-to spot for visitor and community information, and is in the midst of a redesign to add new enhancements and features. This website is bringing new information to the people who access its pages. Our comprehensive regional calendar of events, business listings, links, job bank, lodging and dining opportunities, real estate, and access to business opportunities make our new website more useful. It is a very valuable and useful tool to both area residents and visitors alike. If you have not visited our website recently, we encourage you to do so in order to see the positive impact and usefulness to the entire Plymouth community.

In this past year, our Board of Directors and committees have continued to work hard on a number of issues important to the success of the Plymouth business community. New com-

PLYMOUTH REGIONAL CHAMBER OF COMMERCE  
2013 ANNUAL REPORT (Continued)

---

mittees, membership, regional marketing, expanded benefits and exposure for businesses, and enhanced programs and events are producing positive results. The Chamber's very successful Brown Bag Lunch Series continue to provide educational opportunities to local businesses on a monthly basis.

The Chamber continues to be one of community groups involved in the highly successful Plymouth Hometown Holiday Parade. This event brought thousands of people into our community this year, and over 30 local businesses and organizations participated in the Parade this year as well. In addition, this year we assisted with Plymouth's 250<sup>th</sup> Celebrations and the events it brought to the community.

This past summer, the Chamber was once again in charge of the Friday noon-time concerts on the Common, and secured sponsorship for all nine concerts. These events are an active part of Plymouth's summer season, and have been a favorite of residents and visitors.

In addition to these efforts, the Chamber's Technical Assistance Program continues to provide much need assistance and value to small and emerging businesses in our regional communities. This consultative service is provided free of charge to businesses regardless of their chamber affiliation. In the two years since its inception, this program has provided varied levels of assistance from business plan development, to marketing assistance, to product launches, and is being greatly received by dozens in the small business community. This program is totally grant funded and does not add any cost to the Chamber's budget.

The Plymouth Chamber of Commerce offers many important services and works with a significant number of individuals throughout the year. It is our intent that the information we have provided will be enlightening and useful to you in seeing that any funding received will continue to assist the Chamber in its mission.

Respectfully submitted,

Scott M. Stephens  
Executive Director  
Plymouth Regional Chamber of Commerce

PEMI-BAKER TV  
2013 ANNUAL REPORT

---

**Government Access: Channel 3 or 82.4**

The Towns of Ashland and Wentworth continue to be supporting members of the station in 2013.

The following Plymouth Board meetings were broadcast regularly this year: Select, Planning, Zoning, School, and Water & Sewer District.

Other Government meetings broadcast this year: two NH Rail and Transit Authority Meetings, two NH Senate Hearings, one Scoping Meeting (Northern Pass Transmission Project), and one OEP Listening Session(siting process.)

**Public Access: Channel 20 or 82.5**

CH 20 videographers and volunteers focused on Plymouth's history and 250<sup>th</sup> events this year. Filming at "Reminiscing Nights" held by the Plymouth Historical Society, PBTv produced the following CH 20 videos: *Draper & Maynard History*, *Ski History of Plymouth*, *Plymouth Through Postcards*, and *The One-Room Schoolhouse*.

This summer resulted in 11 additional videos chronicling nearly every 250<sup>th</sup> Celebration event. The volunteers of this project deserve a round of applause for their contributions. There were many! Special thanks to videographer Forrest Seavey for his dedication to Plymouth's 250<sup>th</sup> Video Project and to Gusti Buhrman for hosting the video *Historic Homes of Plymouth*. Wallace Stuart also filmed CH 20 events as well as meetings for CH 3, as in the past. The 50<sup>th</sup> Anniversary Celebration of MLK's March on Washington was videotaped in Plymouth to mark the occasion.

Other reoccurring CH 20 topics popular with the producers of 2013: more Northern Pass Project updates featuring Jack Savage of the NH Society for the Protection of Forests. Two religious programs are broadcast weekly. Producers were also critical of the wind turbine build-up and videotaped a debate on the pros and cons of wind power in New Hampshire.

Stop by the office in the lower level of the Pease Public Library for more information on the next meeting or call PBTv at 536-8116 for more information.

Respectfully submitted,

Juliet Harvey  
Executive Director, PBTv

## 2013 REPORT OF FOREST FIRE WARDEN AND STATE FOREST RANGER

---

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 603-271-1370 or [www.des.state.nh.us](http://www.des.state.nh.us) for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at [www.nhdf.org](http://www.nhdf.org).

This past fire season started in late March with the first reported fire on March 26th 2013. April, which is the traditional start to our spring fire season, started very dry with little measurable precipitation until the middle of the month. Approximately 70% of our reportable fires occurred during the months' of April and May. The largest fire was 51 acres on April 29th. 81% of our fires occurred on class 3 or 4 fire danger days. By mid May, extensive rains began which provided us with a very wet summer overall. We had a longer fall fire season due to drier than normal conditions following leaf fall. Fortunately most of these fires were small and quickly extinguished. As has been the case over the last few years, state budget constraints have limited the staffing of our statewide system of 16 fire lookout towers to Class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting was supplemented by the NH Civil Air Patrol when the fire danger was especially high. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2013 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at [www.firewise.org](http://www.firewise.org). Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

## INDEPENDENT AUDITOR'S REPORT

---

To the Board of Selectmen  
Town of Plymouth  
Plymouth, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Plymouth as of and for the year ended June 30, 2013, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of Town of Plymouth's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Plymouth, as of June 30, 2013, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages 7 through 23 and 54 through 59 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Plymouth's basic financial statements as a whole. The combining nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. The combining nonmajor fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

*Grzelak & Company, P.C., .C.*

PEMIGEWASSET RIVER LOCAL ADVISORY COMMITTEE  
2013 ANNUAL REPORT

---

**Key Events – 2013:** PRLAC completed the multi-year effort to completely re-write the 2001 Pemi River Management Plan which no longer reflected current river conditions. We worked closely with the Lakes Region Planning Commission and North Country Council in this process. The Management Plan (MP) is to the river what a Master Plan is to a town in that it assesses a) where we are today, b) outlines a long term vision, and c) identifies issues we expect to deal with in implementing this vision. The MP can be accessed <http://lakesrpc.org/PRLAC/files/PemiCorrMgmentPlan2013.final.pdf>. The MP was introduced to corridor town Planning Boards by members providing a brief summary of what we have concluded are the major threats to both the quality and quantity of our water resources in the future. Water Quality Testing – in 2013 we expanded our WQ testing program – number of test stations increased from 9 to 10; sampling for E coli/Phosphorous increased from 3 to 4 times per year; and we have added Nitrogen, Nitrates, and Chlorides (salt) to our lab testing effort. The river continues to be impaired for pH (acidity) which means it does not meet pH standards for a Class B river. The river segment near the Ayers Island Dam continues to be listed as impaired for Dissolved Oxygen. Both conditions are considered moderate and not in need of immediate attention. Lab testing results (E coli, Phosphorous, Nitrogen, Nitrates, Chlorides) were well below concern level limits. Lab tests are relevant to both public health and river health. Permit Applications – PRLAC received 7 development permit applications in 2013 all of which had Pemi water quality implications. On-site reviews were conducted on 6 of the applications. All were approved, however, discussion continues on a PRLAC proposed change to one.

**Focus in 2014:** The extensive MP review process produced ~ 20 areas of concern which are covered in some detail in the Concerns/Recommendations section of the plan. The issue that rose to the top priority is Stormwater Runoff, which is already creating problems in our region such as flooding, erosion, and non-point source pollution. The source of the problem is *impervious surfaces* (paved, built, or otherwise altered areas where water cannot infiltrate) that prevent natural recharge and reduce natural groundwater recharge rates. There is already evidence that this issue is negatively affecting water resources in more developed parts of the state. The problem is complex because it can be caused by poor stormwater management anywhere in our 1000 square mile watershed. It contributes to 80% of surface water impairments in the state. While the state does regulate some non-point sources of stormwater, reducing much of the stormwater runoff is left up to property owners and municipalities through thoughtful property management. Rivers and streams do not recognize town borders yet active participation by municipal entities today is the key to any comprehensive solution. PRLAC will work with corridor town Planning Boards to see what can be done to improve runoff management in our region. The initial focus will be on new development – finding ways to limit post-development runoff to pre-development levels. Encouraging the infiltration of runoff into our groundwater serves both to mitigate flooding and protect needed groundwater supplies. This is not a crisis issue in our region today but there is some urgency in getting runoff mitigation started in 2014.

PRLAC continues to enjoy financial support from 90% of the Pemi Corridor towns, Thornton to Hill, that we work most closely with. All corridor communities receive our monthly meeting agendas and minutes. The public is invited to attend our meetings. For details call the chairman at the number listed below. Thank you for continuing to support protection of this key corridor resource.

Max Stamp  
PRLAC Chair  
744-8223

---

PEMI BAKER SOLID WASTE DISTRICT  
2013 ANNUAL REPORT

---

This past year, the Pemi-Baker Solid Waste District continued its cooperative efforts to promote waste reduction, increase recycling, and to provide residents with a means of properly disposing of their household hazardous wastes (HHW). The District held two (2) one-day collections, one in Littleton and the other in Plymouth. A total of 220 vehicles came to the collections. In 2013 we hired Clean Venture, Inc. to be our contractor. The District was very impressed with the staff's work effort and the professionalism that they exhibited. Both collections ran very smoothly and without any issues.

The total disposal costs were \$21,492 (Down from \$30,860 in 2012). The District was awarded a grant from the State of NH for \$5,490. It also received \$5,000 from Casella Waste and \$3,500 from North Country Council. The net expenditure for the HHW collections was \$7,502 (a cost of \$.24 per resident). The table below highlights the District's HHW collection data since 2009. The District also coordinated the pickup of fluorescent light bulbs that had been collected at member towns' recycling facilities. Over 44,000 feet of straight fluorescent tubing along with compact fluorescents and other types of fluorescents were recycled.

In 2014, the District will hold collections in Littleton (Sunday, August 24<sup>th</sup>) and in Plymouth (Saturday, September 27<sup>th</sup>). Individual residents can help keep the District's disposal costs down and reduce the toxicity of the environment by remembering a few of these helpful tips; Buy only what you need. If you have leftover product, properly store it so it will last. Use biological controls and organic products for pests and diseases in the garden when feasible. Apply chemical pesticides only as a last resort and be sure to follow the directions on the label. Lastly, air-dry your leftover latex paint. When completely dried, latex paint maybe disposed of in your household trash.

As always, citizens interested in participating in the development of the District's programs are welcome to attend the District's meetings. Information regarding the place and time of the meetings is available at all municipal offices and recycling centers. If at any time an individual community needs assistance in regards to their solid waste/recycling program, please contact the District at 838-6822 or by email at [pemibakerswd@yahoo.com](mailto:pemibakerswd@yahoo.com)

Respectively Submitted,  
Dan Woods, District Coordinator

NORTH COUNTRY COUNCIL, INC.  
2013 ANNUAL REPORT

---

As we celebrate our 40<sup>th</sup> year of regional planning, opportunities to make the organization more sustainable have never been greater but we need your membership support. NCC and its communities will face challenges in the coming months particularly in such a large remote region, experiencing both accelerated change and declining state and federal funding. But this is the very reason for the existence of North Country Council—to be aware of problems and pressures and to be ready to provide assistance and advice to each town and to lead the region forward.

North Country Council is your Council. It is responsive to your requirements and requests, and above all, it is willing and capable of successfully addressing your needs, large and small. As one of our greatest supporters Colonel Oliver Nelson put it, “Over the past several years, the Council and my small town have worked closely together on problems with both local and regional impact. The solutions have saved my town money, solved the problems, and provided the Council with yet more knowledge and experience which could be used to assist other towns in the North Country”

Building communities and regional capacity is no small task and certainly is not a straight forward one. To prepare for the future, the NCC Board of Directors and staff just completed a strategic planning process to meet our regional challenges head on. North Country Council’s FY 2014-2016 Strategic Plan not only reorients our regional planning focus to our seven subregions including Upper Coos, Lancaster Area, Androscoggin Valley, Littleton area, Haverhill area Plymouth area, and Mount Washington Valley but identifies five strategic priorities that the organization is determined to address in the next three years. A summary of these five strategic priorities include:

1. **Leadership:** *NCC identifies and effectively addresses local and regional issues and opportunities. As a regional leader NCC is focused on continuous education and productive teamwork through its board, staff, and partners (members, funders...).*
2. **Evaluation and Assessment:** *Within each program area (planning and economic development), evaluate projects and services, focus on outcomes. Identify emerging issues and project opportunities at the local and regional level – assess stakeholder needs, impact, staffing, cost, and availability of resources.*
3. **Financial Sustainability and Asset Utilization:** *Strengthen long-term viability through revenue diversification, asset utilization, and establishment of reserve funds.*
4. **Stakeholder and Public Relations:** *Further engage stakeholder groups through targeted communication. Spotlight regional issues, forums, and leaders. Communicate NCC accomplishments, value of service, and impact.*
5. **Strategic Development:** *Advance NCC’s commitment to quality work and relevancy through the implementation of the FY 2014 - 2016 Strategic Plan.*

NCC is now stronger and better prepared for the future as a result of the FY 2014-2016 Strategic Plan.

Thank you for your on-going support of North Country Council and our mission to strengthen the North Country. If there is a project or need in your town, please call us because we are at your service.

Sincerely,  
Jeffrey R. Hayes  
Executive Director

## **GRAFTON COUNTY SENIOR CITIZENS COUNCIL, INC. ANNUAL REPORT 2013**

Grafton County Senior Citizens Council, Inc. is a private nonprofit organization that provides programs and services to support the health and well being of our communities' older citizens. The Council's programs enable elderly individuals to remain independent in their own homes and communities for as long as possible.

The Council operates eight senior centers in Plymouth, Littleton, Canaan, Lebanon, Bristol, Orford, Haverhill and Lincoln; and sponsors the Grafton County ServiceLink Resource Center and RSVP and the Volunteer Center. Through the centers, ServiceLink and RSVP, older adults and their families take part in a range of community-based services including home delivered meals, community dining programs, transportation, counseling, chore/home repair services, recreational and educational programs, and volunteer opportunities.

During 2013, 450 older residents of Plymouth were served by one or more of the Council's programs offered through the Plymouth Regional Senior Center and 72 Plymouth residents were assisted by ServiceLink:

- Older adults from Plymouth enjoyed 6,439 balanced meals in the company of friends in the Plymouth center's dining room.
- They received 7,412 hot, nourishing meals delivered to their homes by caring volunteers.
- Plymouth residents were transported to health care providers or other community resources on 3,463 occasions by our lift-equipped buses.
- They received assistance with problems, crises or issues of long-term care through 924 visits with a trained outreach worker and 120 contacts with ServiceLink.
- Plymouth's citizens also volunteered to put their talents and skills to work for a better community through 5,515 hours of volunteer service.

The cost to provide Council services for Plymouth residents in 2013 was \$186,358.

Such services can be critical to elderly individuals who want to remain in their own homes and out of institutional care in spite of chronic health problems and increasing physical frailty, saving tax dollars that would otherwise be expended for nursing home care. They also contribute to a higher quality of life for older friends and neighbors. As our population grows older, supportive services such as those offered by the Council become even critical.

Grafton County Senior Citizens Council very much appreciates Plymouth's support for programs that enhance the independence and dignity of older citizens and enable them to meet the challenges of aging in the security and comfort of their own communities and homes. *Your assistance is particularly important this year because the federal sequester has resulted in a state contract reduction of \$120,000—primarily affecting support for our senior meals programs and transportation.*

Roberta Berner, Executive Director

PEMI-BAKER COMMUNITY HEALTH  
2013 ANNUAL REPORT

---

**Pemi-Baker Community Health (PBCH)** is a non-profit offering home health, hospice, outpatient rehab, aquatic & fitness memberships, and community services. Our mission is *to improve the health and wellbeing of the communities by providing excellence in health care services through outreach, in-home and facility based programming.*

Health is not a moment in time, but an ongoing adventure. Decisions about being healthy happen from the day we are born until the day we die. PBCH's programs assist members of our community in this journey to become and stay healthy through life and with Hospice we can make the end of life journey one of hope, and dignity while putting the patient/family in the driver's seat. Most of our community members would choose to remain healthy at home and many have been able to realize this possibility.

Town funds are used to match grant funding, to provide services to those with limited or no ability to pay and to augment (as in Hospice care) the cost of services that are not covered through third party payers. The agency is dependent upon charitable donations and town funds to continue to provide services. Our website [www.pbhha.org](http://www.pbhha.org) is a resource for the many programs offered at PBCH.

The programs at PBCH are designed to interact with the community and strengthen the many things that make our community healthy. Communication and input is essential so please do not hesitate to call 536-2232 or email me [cengelbert@pbhha.org](mailto:cengelbert@pbhha.org).

Pemi-Baker Community Health is interested in the complete health of the community.

As one person said after meeting the team,

*"This might seem logical by just looking at your name, but discussion about local foods, renewable energy, coordination of programs throughout a lifetime were above and beyond our knowledge of you. You are fun. From sitting and talking with you we found you all to be witty and engaging. Last time I sat with my doctor it was tense and awkward. Now we were in a different setting, but we are assuming that this attitude permeates all you do."*

Our success is thanks to our skilled, passionate, customer oriented, fun loving staff (they do tend to give above and beyond!) and to a community who has supported us in so many ways. We are known to be friendly and we are in the helping business. We are pleased to be part of the community and touching lives: yours, your family's, your neighbor's with a customer oriented, client centered approach in a partnership to improve health and lives.

Respectfully,

Chandra Engelbert, RN, BSN, MBA  
Executive Director

---

## NEW HAMPSHIRE HUMANE SOCIETY 2013 ANNUAL REPORT

---

New Hampshire Humane Society provided animal care needs for strays and abandoned animals to the Town of Plymouth or the year 2013 for the town's animal care needs. New Hampshire Humane Society, located on Meredith Center Road, Laconia, New Hampshire, is a resource for the constituents of Plymouth in matters related to animal welfare, adoption, relinquishment, training, education, and is a community resource for those with pet related needs.

The shelter, NHHS, provides care and comfort, medical and behavioral rehabilitation for those that arrive at our door. Animal control officials or Police Department have 24 hour a day access for strays or abandoned animals from the Town of Plymouth.

All animals are spayed or neutered prior to adoption. We offer many programs to the residents of Plymouth. Notably two spay/neuter options: 1) SNAP Spay Neuter Assistance Program for reduced cost surgical sterilization of privately owned pets, and 2) our NO COST Fund for those truly in financial crisis. Both funds can be applied to via internet web access. See below. Providing these two options helps reduce the numbers of unwanted kittens and puppies within the Town. We operate a pet food pantry for those who need help feeding their pets.

The Pantry provide the nutritional relief necessary to keep an animal in their home and with the families that love them, avoiding the heart wrenching decision to surrender a pet that has been loved since puppy or kitten hood. We offer education/outreach to students within the Plymouth School System. We provide Volunteer opportunities for all over the age of 16. We partner with the Plymouth State University and encourage meaningful volunteerism. We have a vibrant and robust Internship program for college students and those bound for the animal health fields from high school. Our Volunteers logged 8,385 hours of service in 2013.

New Hampshire Humane Society has been an advocate for animals since 1900 originally called the Women's Humane Society, a place that battered women could seek safe harbor, with their children and the family pet. At that time we were but a cluster of safe houses in Nashua and Salem. Over time we developed into the NH Humane Society at the site known by all today. As a registered 501 ( c ) 3 charity, we are pledged to advocate for the animals we serve, speaking for those that cannot speak for themselves. NHHS receives funding only from private donors, like minded stewards, local businesses, and contracts such as the one in place with the Town of Plymouth.

Animal activity – 2013 - from the Town of Plymouth is as follows:

Dogs transported by Police = 5 (No cats or kittens transported).

Strays transported by citizens = 9 (6 cats, 1 Kitten, 2 Rabbits)

Pets surrendered from Plymouth =4 (1 Dog, 3 Cats)

There were no Cruelty calls in 2013.

Respectfully submitted  
Marylee Gorham  
Acting General Manager  
603-52403252x309

*"The greatness of a nation can be judged by the way its animals are treated." Gandhi*

Respect    Advocacy    Integrity    Stewardship    Excellence

December 17, 2013

To the Residents of Plymouth:

Thank you for investing in Genesis Behavioral Health and contributing to the health, well-ness, and safety of our community!

The appropriation we received from the Town of Plymouth's 2013 budget helped us support the cost of providing emergency mental health care to the residents of your town.

During Fiscal Year 2013 (July 1, 2012 to June 30, 2013), we served **167 Plymouth residents** and provided emergency services to **38 Plymouth residents**. We provided \$23,110.60 in charity care.

Age Range	Number of Patients
Ages 1 – 17	42
Ages 18 – 61	114
Age 62 and over	11

The mental health crisis in New Hampshire is real. We know firsthand that reduced access to mental health care leads to increased demand on many of the systems in our community, including emergency rooms, law enforcement, first responders, courts, corrections, schools and municipalities like yours. The economic cost of untreated mental illness is more than 100 billion dollars each year in the United States, causing unnecessary disability, unemployment, substance abuse, homelessness, inappropriate incarceration, suicide and wasted lives (National Alliance on Mental Illness, 2011).

The repercussions of reduced funding and limited access to mental health care are devastating. Mental health treatment helps people foster fulfilling, relationships, maintain stable employment and contribute to their community. We work with your police and fire departments, as well as local hospitals, to provide emergency services 24 hours a day, 7 days a week, to **any resident of Plymouth** experiencing a mental health crisis, regardless of their ability to pay.

Your investment is an essential component of our funding and is critical to the sustainability of the emergency services program. Genesis Behavioral Health improved the health of 3,274 individuals last year. On behalf of all of them, we thank you.

Sincerely,

Margaret M. Pritchard, Executive Director

PLYMOUTH ENERGY COMMITTEE  
2013 ANNUAL REPORT

---

2013 saw the Plymouth Energy Commission oversee the winding down of the Better Buildings program. Plymouth was one of three New Hampshire communities chosen to participate in the Better Buildings program; a three year grant funded program undertaken in conjunction with the State of New Hampshire Office of Energy and Planning and the New Hampshire Community Development Finance Authority to provide resources and financing for energy efficiency upgrades on commercial, industrial, municipal and residential buildings within Plymouth. Over the life of the program, Better Buildings helped oversee 36 residential and 21 commercial weatherization projects within Plymouth with an estimated annual cost savings of over \$96,000 on participant's energy bills.

As the Better Buildings project wound down in 2013 the Energy Commission oversaw the expenditure of the program's remaining funds. Among the projects the Energy Commission helped initiate included weatherization projects on eight low income residences in town. These projects were completed at no cost to the homeowners, through the efforts of the Plymouth Area Renewable Energy Initiative (PAREI) and funds from Better Buildings and the New Hampshire Electric Cooperative's Home Performance with Energy Star program. In addition to these projects the remaining Better Buildings monies funded energy audits on the Plymouth Town Hall and Highway Department garage as well as four Button Up New Hampshire workshops put on by PAREI. The energy audits were conducted to aid in identifying future measures that could be undertaken to reduce energy usage on these town buildings.

2013 saw the implementation of the next phase of the town's streetlight conversion project. This program, begun in 2012, will see the conversion of streetlights in town from High Pressure Sodium to LED technology for the purpose of increasing the effectiveness and energy efficiency of the streetlights as well as the removal of any unnecessary or redundant lighting. Streetlights in the downtown and adjacent residential area have been converted to the new LED's. The project will continue in phases with the remainder of the downtown and outlying areas scheduled to be converted by 2015.

PLYMOUTH HISTORICAL SOCIETY  
2013 ANNUAL REPORT

---

*The celebration is over, but the work has just begun...*

Needless to say, 2013 was the busiest year the historical society has had in its forty-year history. While thought and planning started years before, the real work of preparing for the 250<sup>th</sup> Celebration started in earnest in January and continued through the end of the year. The historical society saw this celebration as an opportunity not only to share Plymouth's rich past but to remind people of the resources available in the collection and the ongoing work that takes place at the museum.

In support of the celebration the historical society provided information and photos for Educational Theatre Collaborative's original musical *Marking the Moment*, which recounted Plymouth's 250 years. The production, which featured a cast of 120 community members of all ages, was presented the Moss Hart Memorial Award for best Community Theatre as well as the Moss Hart Memorial Trophy, recognizing it as the best production in New England. (DVDs of the performance are available for sale through the historical society)

Following that event in January, the historical society organized five Reminiscing Nights which were presented monthly, February through June. Local people presented on topics of local history—the Draper & Maynard Sporting Goods Company, Skiing in Plymouth, the Plymouth Fair, Revisiting Plymouth Through Post Cards, and Plymouth's One-room Schoolhouses. Presentations were recorded for posterity as well as being aired on PBTv and being made available for purchase on DVD.

The largest undertaking in commemorating the semiquincentennial was the publication of the book, *Five More Decades in Plymouth, New Hampshire 1963–2013*. It was compiled as a companion book to Eva Speare's *Twenty Decades in Plymouth, New Hampshire 1763–1963*, and recounted some of the people and events of the last fifty years in Plymouth. It was originally slated to be completed for the big celebration in July, but was delayed until late fall. Two unforeseen benefits of this delay were that it allowed coverage—in narrative and photos—of the 250th Celebration and it became a popular item for holiday gift giving.

In addition to the participation above, the historical society contributed to the 250th by providing photos and composing the booklet for the Historic House Tour, creating a pamphlet on the history of the Keniston-Freeman Summer Concert Series, and leading a historic walking tour of downtown Plymouth. Of course, we also continued our usual work maintaining museum hours, accepting artifact donations, responding to research requests, and engaging individuals in helping to collect Plymouth's history. We also hosted two NH Humanities Council presentations which tied in with our celebration—Family Stories: How and Why to Remember and Tell Them and New Hampshire's One-Room Rural Schools: The Romance and the Reality.

While the recent participation in the 250th Anniversary was important, there is still much work to be done. In the coming years, the historical society looks forward to using the momentum of interest and support provided by the celebration to propel the activities of the society forward

---

PLYMOUTH HISTORICAL SOCIETY  
2013 ANNUAL REPORT (Continued)

---

and engage people to be proactive in collecting and preserving Plymouth's more recent history.

Collecting history is vital. With the fast pace of our lives, ubiquitous technology, and planned obsolescence of most items, little thought is given to what will become the record of today for future generations. The historical society will take a proactive approach in the collection of the town's history through gathering oral/video histories; encouraging individuals, families, businesses, and organizations to create a record of their own history; holding scanning days at the museum to receive photos from individual collections for the archives; and to revamp the popular Facebook community of the 250th Celebration into an ongoing exchange,

Sharing this history is equally important. Though resources are limited, we hope to expand access to the collection through revamping our website (including the addition of an online store), changing the exhibits in the museum, adding narratives to enrich the experience, and investing in new technology that will allow digital cataloging. This will provide better access to information and items in the collection. We will also continue the Reminiscing Nights and are looking for presenters and topics.

The success of these initiatives rests on the participation and support of our community. We encourage you to take part in our projects, donate items and information to the archives, and to financially support our efforts through your membership and contributions. The projects of the Plymouth Historical Society rely SOLELY on the monies raised through memberships, retail sales, and donations. We receive no funding from other sources.

The museum is open Saturdays, 10:00–2:00, May–November. Mail can be sent to PO Box 603, Plymouth, NH 03264. If you would like to receive notices of PHS events, please email—[plymouthhistoricalsociety@roadrunner.org](mailto:plymouthhistoricalsociety@roadrunner.org) and put **EMAIL** in the subject line.

I look forward to hearing about your part in Plymouth's history.

Lisa Lundari  
(536-1646)  
*President, Plymouth Historical Society*

---

PLYMOUTH MUNICIPAL AIRPORT  
2013 ANNUAL REPORT

---

2013 was a good year for the airport. The year began with exceptionally wet and rainy conditions. However, due to the drainage improvements, the turf runway held up very well. There were no problems with maintenance equipment and no cost overruns for the budget.

There were several successful fly-ins and events at the airport. In June, a group of experimental aircraft enthusiasts held a fly-in and cook out. The Retired Delta Pilots reunion fly-in was held in spring and fall. There was a high turnout of attendance. Approximately 50 aircraft came to the fall fly-in. The Pease Public Library summer reading program hosted a "Touch a Truck" event at the airport with construction vehicles, emergency response vehicles, airplanes, race cars, and farm equipment. This event was well attended. Later in the summer, Ray Burton made his final visit on his annual airport tour where he met with NHDOT Commissioner Christopher Clement, NHDOT Aeronautics Director Patrick Herlihy and a number of Plymouth citizens. Several bush planes equipped with skis are presently utilizing the ideal snow conditions on the runway for the 2013-14 winter season. Overall air traffic was steady and General Aviation has been healthy throughout the year.

Several improvements have been made. The Plymouth Hi-way department graveled, graded and trimmed trees along the airport access road. It was decided by the Plymouth Select board that trees needed to be harvested on airport land. A contract was awarded to cut the trees this winter. The Town of Plymouth is working with the FAA and NHDOT Division of Aeronautics to develop a 20 year Master plan for the airport. Plymouth State University is currently renegotiating its ten year lease for the NOAA Automated Weather Observation Station which has proven to be a valuable asset.

2014 looks like it will be another very good year. The airport is an alternative landing site for the Dartmouth Hitchcock Medical Helicopter and is regularly used by the NH Air National Guard Helicopters for training. The airport serves the area as a large staging area for disasters and emergencies. It is a vital asset for the community and region.

Respectfully Submitted

Colin McIver  
Airport Director

## CADY ANNUAL REPORT – 2013

---

Communities for Alcohol- and Drug-free Youth (CADY) would like to express our deep appreciation to the citizens of Plymouth for your 2013 appropriation to youth substance abuse prevention. Since 1999, our community education, youth development programs, partnerships, trainings and outreach have been shattering myths about illicit drug use and underage drinking with science-based facts and building healthy foundations and promising futures for hundreds of local youth. CADY's work promotes the vital relationships and connections youth need to grow and thrive and the tools to prevent the harms of substance abuse: academic failure, crime, suicide attempts, and even death.

Substance misuse is directly linked to our toughest social problems: Addiction; Homelessness; Domestic Violence; Larceny and other forms of Crime. 85% of NH State Prison inmates have drug or alcohol problems or both. Drug-related deaths have quadrupled since 1995. Some employers can't fill jobs because otherwise qualified candidates can't pass drug tests. We cannot afford to incarcerate our way out of this growing problem—we must prevent serious situations from occurring in the first place with evidence-based prevention practices. Prevention is simply the most responsible and cost effective solution to substance abuse.

Our important work could not be accomplished without the participation and dedication of so many. As a non-profit we achieve progress through the efforts of dedicated volunteers and community investment from the towns we serve. We believe every child from Plymouth deserves the opportunity to live up to his or her full potential and we dedicate ourselves to that end. One significant and noteworthy accomplishment in 2013 was the Grafton County adoption of a county-wide juvenile justice program under the auspices of the Grafton County Attorney's Office. This initiative led by Representative Mary Cooney provides partial sustainability for the CADY Restorative Justice Program and ensures service delivery for local youth.

To see detailed program information and pictures of local youth participating in skill building activities, youth conferences, and leadership programs, please go to our website at [www.cady-inc.org](http://www.cady-inc.org) or like us on Facebook at [www.facebook.com/cadyinc](http://www.facebook.com/cadyinc).

Your municipal allocation to CADY helped to continue many vital programs and connections that build the potential and promise of Plymouth youth. Our energy and commitment for continuing our work is strong. While we are proud of our many successes, we have a long way to go. Still too many young people are engaging in dangerous behaviors—the need for a local safety net against substance use is great. In these challenging economic times, support from the town of Plymouth is more important than ever and is greatly appreciated. This is our chance to thank you for your partnership—and for sharing our vision of safe and drug-free communities—together we will continue to make a powerful difference for our children and prevent the harms and high costs associated with substance use.

Sincerely,

Deb Naro  
Executive Director

# NOTICE

If you own real estate lots that were involuntarily merged by municipal action, you may be able to have those lots restored to their pre-merger status.

Your property may qualify if two or more lots were merged for zoning, assessing, or taxation purposes and the merger occurred:

- During your ownership, without your consent; or
- Prior to your ownership, if no previous owner consented to the merger.

To restore your property to pre-merger status, you must:

- Make a request to the local governing body
- No later than December 31, 2016.

Once restored:

- Your properties will once again become separate lots; however, they must still conform to applicable land use ordinances. Restoration does not cure non-conformity.

*This notice must be:*

- *Posted continuously in a public place from January 1, 2012 until December 31, 2016, and*
- *Published in the 2011 through 2015 Annual Report.*

*Read the full statute at [RSA 674:39-aa Restoration of Involuntarily Merged Lots](#).*

---

## NOTES

---

**TOWN OF  
PLYMOUTH, N.H.**

**MINUTES OF THE  
2013  
ANNUAL MEETING**

---

THE STATE OF NEW HAMPSHIRE  
MINUTES OF THE 2013 ANNUAL MEETING  
OF THE TOWN OF PLYMOUTH

---

To the inhabitants of the Town of Plymouth in the County of Grafton and the State of New Hampshire qualified to vote in town affairs:

You are hereby notified to meet at the Plymouth Elementary School in said Plymouth on Tuesday, the 12th of March, next, polls to be open *for voting on Article 1* at 8:00 o'clock in the forenoon, and to close not earlier than 7:00 o'clock in the afternoon, and you are hereby notified to meet at the Plymouth Elementary School in said Plymouth on Wednesday, the 13th of March, next, at 7:00 o'clock in the afternoon for the deliberative session of the Town Meeting at which time action will be taken upon the remaining articles of this warrant.

ARTICLE 1: To elect the following town officers which appear on the official town ballot for the ensuing year: (2) Selectman-3year term, (1) Town Clerk-3year term, (1) Tax Collector-3 year term, (1) Cemetery Trustee-3yr term, (1) Trustee of Trust fund-3yr term, (1) Library Trustee-3year term

Selectman for 3 years.....	William R. Bolton Jr.....	379 votes
Selectman for 3 years.....	Neil F. McIver.....	316 votes
Tax Collector for 3 years.....	Linda Buffington.....	738 votes
Town Clerk for 3 years.....	Karen Freitas.....	734 votes
Cemetery Trustee for 3 years.....	Allen MacNeil.....	701 votes
Library Trustee for 3 years.....	A. Joan Bowers.....	131 votes
Trustee of Trust Funds 3 years.....	Richard Manzi.....	12 votes

ARTICLE 2: Proposed by Citizen Petition: Are you in favor of amending Section 710.1 of the Zoning Ordinance of the Town of Plymouth, NH to add the following italicized language?

710.1 *Consistent with the purpose of the Master Plan to preserve natural resources and aesthetic features of our environment*, it is hereby established that an Environmentally-Sensitive Zone be created to include all land within 500 feet as measured horizontally from the edge of the normal river channels of the Baker and Pemigewasset Rivers and the mean high water line of Loon Lake.

**Yes    320            No    494**

ARTICLE 3: Proposed by Citizen Petition: Are you in favor of amending Section 710:4 of the Zoning Ordinance of the Town of Plymouth by adding a new Section 710.4 (E), to follow existing Section 710.4 (D). Section 710.4 (E) shall read:

710.4(E) Notwithstanding the above, within the Environmentally-Sensitive Zone as it

overlays land on the north and south sides of the Baker River between the Rumney town line and its confluence with the Pemigewasset River:

- i. No earth may be placed in or removed from the environmentally-sensitive zone for construction, to satisfy construction-related requirements, or for other activities outside of the environmentally-sensitive zone.
- ii. No earth may be removed from the environmentally-sensitive zone to compensate for lost floodplain due to construction or any other activity outside of the environmentally-sensitive zone.

**Yes 316 No 498**

ARTICLE 4: Proposed by Citizen Petition: Are you in favor of amending Section 710.1 of the Zoning Ordinance of the Town of Plymouth, NH to add the following italicized language?

710.1 It is hereby established that an Environmentally-Sensitive Zone be created to include all land within 500 feet as measured horizontally from the edge of the normal river channels of the Baker and Pemigewasset Rivers and the mean high water line of Loon Lake, *except that the Environmentally-Sensitive Zone shall not extend south of the Tenney Mountain Highway between Yeaton Road and Highland Street.*

**Yes 313 No 502**

### **DELIBERATIVE SESSION**

The second session of the legal meeting of the inhabitants of the Town of Plymouth, NH was held in the gymnasium of the Plymouth Elementary School on Wednesday, March 13, 2013 at 7:00 o'clock in the afternoon. Moderator Quentin Blaine opened the 250<sup>th</sup> Annual Meeting of the Town of Plymouth at 7:03pm. Moderator Blaine led those present in the Pledge of Allegiance and began the annual meeting. There were 89 registered voters in attendance.

Chairman of the Selectboard, Valerie Scarborough made presentations to outgoing selectmen Charles Burhman and Raymond Gosney in recognition of their respective years of service to Plymouth. Chairman Scarborough also recognized local citizen Janet Moorehead for the beautiful photo on the front cover of the annual town report.

Moderator Blaine announced the results of the town election.

A "point of order" motion was made from the floor by John Tucker. He brought forth a motion asking that all the warrants be combined into one article totaling \$7,205,931.50. He stated that in all his years of looking at budgets he could not

find anything wrong with this budget.

A second “point of order” was brought forth by Patrice Scott stating she had concerns that there were DRA requirements that would not allow this motion and not sure of the legality of the motion.

Several others spoke against the motion.

**Motion fails by voice vote.**

ARTICLE 5: To see if the Town will vote to raise and appropriate the sum of \$1,473,250 for FY 13/14 general governmental expenses, as follows:

Salaries, Fees and Expenses - Selectmen’s Office	\$ 390,672
Election, Registration, Vital Statistics - Town Clerk’s Office	\$ 151,162
Financial Administration	\$ 209,172
Reappraisal of Property	\$ 64,410
Contract Services Legal & Other	\$ 111,910
Personnel Administration	\$ 3,500
Planning and Zoning	\$ 124,875
Land Use Enforcement	\$ 82,668
General Government Buildings	\$ 58,000
Cemeteries	\$ 45,397
Misc. Insurance (workers comp, liability & unemployment)	\$ 159,904
Emergency Management	\$ 10,001
Care of Trees	\$ 2,000
Debt Service SRF – Landfill Closure	\$ 58,579
Education and Training Expense	\$ 1,000

and to authorize withdrawal of \$2,217 from the HVAC – Town Hall Capital Reserve Fund.

This amount to also be offset in the amount of \$16,000 from the Perpetual Care Fund

**No discussion**

**Article 5 passes by voice vote.**

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of \$95,946 for FY 13/14 Welfare Assistance, as follows:

Welfare Officer	\$ 10,946
Welfare Vendor Payments	\$ 85,000

**No discussion.**

**Article 6 passes by voice vote.**

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of \$1,577,706 for FY 13/14 public safety-police and parking as follows:

Police Department	\$ 1,123,348
Parking	\$ 94,293
Dispatch	\$ 360,065

This amount to be offset in the amount of \$94,293 from the Parking Fund.

**No discussion.**

**Article 7 passes by voice vote.**

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of \$1,238,649 for FY 13/14 public safety – fire & ambulance, as follows:

Fire Department	\$ 1,116,829
Ambulance	\$ 121,820

**No discussion**

**Article 8 passes by voice vote.**

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of \$383,186 for FY 13/14 for sanitation as follows:

Recycling/Solid Waste Disposal	\$ 379,886
Pemi-Baker Solid Waste District Dues	\$ 3,300

**No discussion.**

**Article 9 passes by voice vote.**

**Point of Order brought up by John Tucker. Mr. Tucker asked what is the opinion of the Budget Committee regarding these articles.**

**Chairman of the Budget Committee, John Randlett, answered the question stating that the budget committee recommends passage of all of the warrant articles as written.**

**Motion made by Charlie Burhman to restrict reconsideration of Articles 5 thru 9.**

**Motion passes by voice vote.**

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of \$824,815 for FY 13/14 for the Highway Department, as follows:

Highway Department	\$ 769,815
Street Lighting	\$ 55,000

and to authorize withdrawal of \$4,140 from the Sidewalk Improvement Capital Reserve Fund.

**There was a short discussion on the new street lighting.**

**Article 10 passes by voice vote.**

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of \$982,946 for FY 13/14 for departmental operations, as follows:

Parks and Recreation	\$ 557,034
Library	\$ 372,137
Patriotic Purposes	\$ 19,000
Band Concerts	\$ 6,000
Town Common/Traffic Islands	\$ 4,000
Friends of the Arts	\$ 100
Airport	\$ 6,175
Health Enforcement	\$ 18,500

This amount to be offset in the amount of \$6,175 from the Airport Fund.

**A short discussion ensued about the repairs on the town common as part of an Eagle Scout project.**

**Article 11 passes by voice vote**

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of \$37,600 to fund FY 13/14 Capital Land and Improvements, as follows:

Landfill Monitoring & Testing	\$ 6,000
Selectmen's Copy Machine Lease/Purchase	\$ 6,600
Fire Building Maintenance & Repair	\$ 25,000

Pursuant to RSA 32:7, VI, these will be non-lapsing, nontransferable appropriations and will not lapse until the earlier of 2016 or when the respective project/purchase is complete.

**No discussion.**

**Article 12 passes by voice vote.**

**Motion made by Ray Gosney to restrict reconsideration of Articles 10 thru 12.  
Motion passes by voice vote.**

ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of \$135,000 to fund the following Capital item:

Improve Road Construction	\$ 125,000
Repair/Replace Crosswalks	\$ 10,000

and to authorize the withdrawal of \$50,000 (offset) from the Motor Vehicle Capital Reserve Fund established for this purpose.

Pursuant to RSA 32:7, VI these will be non-lapsing, nontransferable appropriations and will not lapse until the respective project/purchase is complete or in three years, whichever is less.

**No discussion.  
Article 13 passes by voice vote.**

ARTICLE 14: To see if the Town will vote to raise and appropriate the sum of \$60,000 for a complete revaluation and to authorize withdrawal of \$60,000 (offset) from the Revaluation Capital Reserve Fund established for this purpose.

Pursuant to RSA 32:7, VI, this will be a nonlapsing, nontransferable appropriation and will not lapse until the earlier of 2016 or when the respective project/purchase is complete.

**A short discussion regarding commercial rental properties was brought up by Patrice Scott. Ms. Scott would like to see rental properties tax assessment based on rental income.**

**Town of Plymouth Assessing Supervisor, Kathryn Lowe, stated that this approach has been tried but the information had not been forthcoming.**

**Several others spoke against this approach.**

**No further discussion.**

**Article 14 passes by voice vote.**

ARTICLE 15: To see if the Town will vote to raise and appropriate the sum of \$35,789 to fund FY 13/14 payment 3 on a 3 year lease to purchase agreement for the purchase of three (3) police cruisers. This lease agreement contains a non-appropriation clause. (Majority vote required).

and to authorize the withdrawal of \$343.40 from the Police Cruiser Capital Reserve Fund

established for this purpose.

Pursuant to RSA 32:7, VI, this will be a nonlapsing, nontransferable appropriation and will not lapse until the earlier of 2016 or when the respective project/purchase is complete.

**Short discussion regarding the performance of the new cruisers.**

**No further discussion.**

**Article 15 passes by voice vote.**

ARTICLE 16: To see if the Town will vote to raise and appropriate the sum of \$35,000 for the purpose of continuing the remediation of the gasoline leak adjacent to the Highway Garage. This sum is ninety-five (95) percent offset by State Oil Discharge and Disposal Cleanup Fund reimbursements leaving a net cost to the town of approximately \$1,750.

**No discussion.**

**Article 16 passes by voice vote.**

**Motion made by Dick Lewis to restrict reconsideration of Articles 13 thru 16.**

**Motion passes by voice vote.**

ARTICLE 17: To see if the Town will vote to add to existing Capital Reserve Funds under the provisions of RSA 35:1 for the following purposes and raise and appropriate the respective sums (totaling \$100,000) to be placed in said funds:

Material Handling Equipment- Highway	\$ 25,000
Replace 2006 Ambulance	\$ 40,000
Highway Heavy Equipment	\$ 35,000

Pursuant to RSA 32:7, VI, these will be non-lapsing, nontransferable appropriations and will not lapse until the earlier of 2016 or when the respective project/purchase is complete.

**No discussion.**

**Article 17 passes by voice vote.**

ARTICLE 18: To see if the Town will vote to raise and appropriate the sum of \$136,971 to fund payment # 3 of the Library Expansion Project. And to authorize the withdrawal of \$136,971 from Capital Reserve Library Expansion Fund established at Meredith Village Savings Bank for this purpose.

Pursuant to RSA 32:7, VI, these will be non-lapsing, nontransferable appropriations and will not lapse until the earlier of 2016 or when the respective project/purchase is complete.

**No discussion.**

**Article 18 passes by voice vote.**

ARTICLE 19: To see if the Town will vote to raise and appropriate the sum of \$89,074 for the below listed agencies:

Animal Control Agreement with Humane Society	\$ 6,500
Regional Planning Commission dues	\$ 4,604
Baker River Watershed	\$ 200
Pemi River Local Advisory Committee	\$ 250
Pemi-Baker Home Health Agency	\$ 15,000
Grafton County Senior Citizens	\$ 15,000
Tri-County Community Action	\$ 4,300
Voices Against Violence	\$ 4,000
Red Cross	\$ 800
Pemi Youth Center	\$ 3,000
Genesis-Lakes Region Mental Health	\$ 7,500
CADY	\$ 6,000
CASA-Court Appointed Child Advocates	\$ 800
Pemi Bridge House	\$ 10,000
Mid-State Health	\$ 6,000
Plymouth Chamber of Commerce	\$ 2,600
Pemigewasset Valley Chamber of Commerce	\$ 795
Conservation Commission	\$ 1,725

**There was a short discussion about the Baker River Watershed and the Animal Control Agreement with the Humane Society.**

**Article 19 passes by voice vote.**

**Motion made by Mike Conklin to restrict reconsideration of Articles 16 thru 19.**

**Motion passes by voice vote.**

**NOTE: There is no Article 20. Typographical error in the numbering of the warrant**

ARTICLE 21: To transact any other business that may legally come before said meeting.

**Henry Ahern asked about the perambulation of the town line between Plymouth and Bridgewater. He believes that the boundary line between his property in Plymouth and Bridgewater is incorrect.**

**David Kent asked for a “sense of the meeting” regarding the use of The Record Enterprise as the official newspaper for town notices.**

**Several people spoke both for and against the motion.**

**The motion fails by hand count 43 to 31.**

**John Wood asked for a “sense of the meeting” regarding the blinking caution light on Highland Street near the former Hitchner property. He would like to see it turned off for periods of time in an effort to save money. It was noted by the town administrator that the light was not a town issue but a State of New Hampshire DOT issue.**

**Motion passes by voice vote.**

**Meeting adjourned at 8:20pm.**

**Respectfully submitted,**

**Karen Freitas  
Town Clerk

**MINUTES OF THE  
2013  
SPECIAL TOWN MEETING**

---

MINUTES FOR THE 2013 SPECIAL TOWN MEETING  
OF THE TOWN OF PLYMOUTH

---

To the inhabitants of the Town of Plymouth in the County of Grafton and the State of New Hampshire qualified to vote in town affairs:

You are hereby notified to meet at the Plymouth Elementary School in said Plymouth on Wednesday, September 25, 2013 at 7:00 o'clock in the afternoon for the deliberative session of the Special Town Meeting at which time action will be taken upon the following articles on this warrant:

A legal meeting of the inhabitants of the Town of Plymouth, NH was held in the gymnasium of the Plymouth Elementary School on Wednesday, September 26, 2013 at 7:00 o'clock in the afternoon... Moderator Quentin Blaine opened the meeting at 7:00 pm and led those present in the Pledge of Allegiance and began the special meeting.

Moderator Blaine explained the he would be operating under moderator rules as written in the March 2013 annual town report. He had a copy on hand should anyone need to see the rules.

He also asked that when it came to voting on the warrant articles that registered voters only use their voices and raise the citizens voting cards that they had received when checking into the meeting.

ARTICLE 1: To see if the municipality will vote to appoint the selectmen as agents to expend from the Building – Fire Maintenance/Repair/Replace Capital Reserve Fund previously established in 2005.

Chairman of the Selectboard, Valerie Scarborough explained that these three warrant articles would not raise any additional tax monies and would give the Selectboard the authority to withdraw and spend the monies in the three capital reserve accounts.

A question was raised from the floor asking what the article was actually for as there had been no information provided in the article as written.

Chairman Valerie Scarborough explained that because these articles were for spending authority only they had to be written as is. Chairman Scarborough further explained that there had been two public hearings prior to this meeting and that the article was to purchase the building next door to the fire station on Highland Street.

Another citizen asked what the amounts were in each capital reserve account. Town Administrator Paul Freitas responded:

Article #1 \$124,323  
Article #2 \$124,303  
Article #3 \$130,945

---

MINUTES FOR THE 2013 SPECIAL TOWN MEETING  
OF THE TOWN OF PLYMOUTH (Continued)

---

The purchase price on the house would be \$228,000.

Several citizens spoke both for and against the proposed article.

**Article 1 passes by majority voice vote**

ARTICLE 2: To see if the municipality will vote to appoint the selectmen as agents to expend from the Building – Police Maintenance/Repair/Replace Capital Reserve Fund previously established in 2005.

Several citizens spoke both for and against the proposed articles.

**Article 2 passes by majority voice vote**

ARTICLE 3: To see if the municipality will vote to appoint the selectmen as agents to expend from the Dispatch Equipment Reserve Capital Reserve Fund previously established in 2001.

**Article 3 passes by majority voice vote.**

**Meeting adjourned at 7:32pm**

Respectfully submitted

Karen Freitas  
Town Clerk  
9/27/2013

## NOTES

---

**TOWN OF  
PLYMOUTH, NH**

**2014  
MODERATOR'S RULES OF PROCEDURES**

**FOR**

**TOWN OF PLYMOUTH  
AND  
PLYMOUTH SCHOOL DISTRICT  
ANNUAL MEETINGS**

TOWN OF PLYMOUTH and PLYMOUTH SCHOOL DISTRICT

MODERATOR'S RULES OF PROCEDURE

Unless changed by the voters at a Meeting, the Moderator intends to use the following Rules of Procedure to conduct Meetings for the Town of Plymouth and the Plymouth School District:

1. The Moderator will not follow Robert's Rules of Order. The Moderator will use the following general rules of procedure. The intent of the rules is to permit a fair discussion of the issues before the Meeting, keep the Meeting moving, and provide basic rules to govern procedural issues.
2. By majority vote, the voters can overrule any decision that the Moderator makes and any rule that the Moderator establishes. A voter may raise a request to overrule the Moderator by a Point of Order.
3. Unless announced otherwise at the Meeting, the Moderator will take up Articles one at a time and in the order that the Articles appear on the Warrant.
4. The Meeting will consider each Article as follows:
  - a. The Moderator will announce the Article and read the text of the Article.
  - b. The Moderator will recognize a member of the Select Board, School Board, or a petitioner of a petitioned Article, to move adoption of the Article.
  - c. If the motion is seconded, the Moderator will recognize a member of the Select Board, School Board, or a petitioner of a petitioned Article, to explain the Article if they wish to do so.
  - d. The Meeting will debate the Article and then vote on the Article. The Moderator does not intend to re-read the Article before a vote unless the Meeting votes to have the Moderator do so or there has been a significant amendment to the Article.
5. No one may speak to the Meeting unless he or she has the floor.
  - a. No one may have the floor unless recognized by the Moderator.
  - b. Except for Points of Order, the Moderator will not recognize a speaker unless she or he is at a microphone.
  - c. Please state your name each time you speak to the Meeting.
  - d. Even if you do not have the floor (not at a microphone and recognized), you may speak to raise a Point of Order to challenge a Moderator's ruling.
6. The Moderator will allow only one motion on the floor at a time. There are two exceptions to this rule:
  - a. You may raise a Point of Order at any time.
  - b. If you have the floor (at a microphone and recognized) you may also make:
    - I. A motion to amend the pending motion.
    - II. A Motion to Call the Question.

7. All substantial amendments and motions are to be in writing. Exceptions are amendments regarding technical changes to a printed Article, Points of Order, or Motions to Call the Question.
8. The Moderator will not accept negative motions, which are motions that require a “no” vote to vote in the affirmative, such as “I move that we not adopt the budget.”
9. Motions to Call the Question are motions that end discussion on the current motion. They are not debatable and require a two-thirds vote. Prior to voting on a Motion to Call the Question, the Moderator may allow voters who are standing in line at a microphone, and anyone seated at the head table who has previously indicated to the Moderator that he or she wishes to address the motion, to speak. In addition, the Moderator may refuse to recognize a Motion to Call the Question if, in the Moderator’s opinion, voters have not had an adequate opportunity to discuss the issue.
10. The Moderator may allow non-resident School District officials, the school principal, and consultants or experts who are in attendance for the purpose of providing information about an Article to speak to the Meeting. Other non-residents may not speak to the Meeting without the permission of the voters.
11. All comments and questions are to be addressed to the Moderator. The Moderator will choose the individual to respond to a question.
12. Each speaker may only speak once until everyone who wishes to do so has spoken except that the Moderator may allow someone who has already spoken to respond to a question.
13. The Moderator may limit the amount of time that each speaker may address a motion. As a general rule, initial presentations on Articles should take less than ten minutes and subsequent speakers should limit the time for their comments and questions to less than three minutes.
14. All speakers must be courteous and must speak to the issues, not the persons raising them. The Moderator will not allow personal attacks or inappropriate language.
15. The Moderator may determine the method of voting except as required by law. Any voter who doubts the accuracy of any non-counted vote may require the Moderator to determine a vote by a counted show of hands or a counted standing vote.
16. Votes on bond issues over \$100,000 must be by secret ballot and require a two-thirds majority to pass. Votes on amendments to bond articles require a simple majority. Votes on amendments to bond articles do not require a secret ballot.

17. Any five voters may request that a vote be taken by secret ballot. The following procedures must be followed to request a vote by secret ballot:
  - a. The request must be in writing and presented to the Moderator during the meeting but prior to voting.
  - b. Five voters who requested the secret ballot must be present at the Meeting at the time of the vote.
  - c. A separate request must be submitted for each vote on which a secret ballot is requested.
  
18. Motions to Reconsider an Article may be made after a vote has been taken but are subject to the following restrictions:
  - a. Mandatory Restriction: If the Meeting votes to reconsider a ballot vote on a bond issue of over \$100,000, the Article cannot be reconsidered until a reconvened Meeting held at least seven days after the original vote. (RSA 33:8-a).
  - b. Optional Restriction: Any voter may introduce a Motion to Restrict Reconsideration of an Article at any time after the Article has been considered. If the Meeting votes to reconsider an Article after having previously voted to restrict reconsideration, the Article will be reconsidered at a reconvened Meeting held at least seven days after the original vote. A vote to restrict consideration of an Article is final and cannot be reconsidered later in the Meeting. (RSA 40:10).
  
19. The Moderator may vote on all Articles. However, the Moderator plans to vote in only two instances:
  - a. To break a tie.
  - b. To make a vote a tie if a motion the Moderator opposes would otherwise be carried by one vote.
  
20. If any person behaves in a disorderly manner and, after notice from the Moderator, persists in such behavior, or in any way disturbs the meeting or willfully violate any rule of proceeding, the Moderator may have a police officer or any legal voter of the town remove such person from the meeting. (RSA 40:8).
  
21. The Moderator may adjourn the Meeting to a future date at a time certain if the Meeting runs past 11:00 p.m.

Quentin Blaine  
Town of Plymouth Moderator  
Plymouth School District Moderator

**TOWN  
OF  
PLYMOUTH**

**2014**

**WARRANT AND BUDGET**

**THE STATE OF NEW HAMPSHIRE  
WARRANT FOR THE 2014 ANNUAL MEETING  
OF THE TOWN OF PLYMOUTH**

To the inhabitants of the Town of Plymouth in the County of Grafton and the State of New Hampshire qualified to vote in town affairs:

You are hereby notified to meet at the Plymouth Elementary School in said Plymouth on Tuesday, the 11th of March, next, polls to be open *for voting on Article 1* at 8:00 o'clock in the forenoon, and to close not earlier than 7:00 o'clock in the afternoon, and you are hereby notified to meet at the Plymouth Elementary School in said Plymouth on Wednesday, the 12th of March, next, at 7:00 o'clock in the afternoon for the deliberative session of the Town Meeting at which time action will be taken upon the remaining articles of this warrant.

ARTICLE 1: To elect the following town officers which appear on the official town ballot for the ensuing year: (2) Selectman-3year term, (1) Moderator-2year term, (1) Town Treasurer-3 year term, (3) Cemetery Trustee-3yr term, 2yr term, 1yr term (1) Trustee of Trust fund-3yr term, (2) Library Trustee-3year term, (1) Supervisor of Checklist-6year term

**AND “To bring in your votes for Executive Councilor”**

DELIBERATIVE SESSION

ARTICLE 2: To see if the Town will vote to pass the following RESOLUTION:

WHEREAS, the founders intended that government should be answerable to, controlled by, and dependent upon “to people alone” (*James Madison, Federalist No. 52, 1788*); and

WHEREAS, the influence of corporate and other moneyed interests on the political process has diminished the dependency on the people alone;

BE IT RESOLVED that the voters of Plymouth, New Hampshire, instruct Plymouth’s state representatives to call for, and Plymouth’s congressional representatives to propose, an amendment to the United States Constitution declaring that the rights and protections afforded to citizens by the Constitution of the United States apply only to natural persons; and the Federal and State legislatures shall have the authority to regulate and limit, but not ban, all expenditures from any source supporting or opposing the election of any candidate for Federal or State office, or for any initiative or referendum. Plymouth’s state legislators are instructed to ratify such a constitutional amendment.

IF A MAJORITY OF VOTERS support the question, the Plymouth Select Board shall immediately, and on the twenty-first day of January of each year, until Congress has proposed an amendment and such amendment is ratified by the State, send a written notice to Plymouth’s congressional delegation and to Plymouth’s state legislators, informing them of the instructions from their constituents.

This article inserted by petition (advisory only)

ARTICLE 3: To see if the Town will vote to establish a revolving fund pursuant to RSA 31:95-h, for the purpose of police special details. All revenues received for police special details will be deposited into the fund, and the money in the fund shall be allowed to accumulate from year to year, and shall not be considered part of the town's general fund unreserved fund balance. The town treasurer shall have custody of all moneys in the fund, and shall pay out the same only upon order of the governing body and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created.

The Select Board recommends passage of this article

ARTICLE 4: To see if the Town will vote to authorize the appointment of not more than Five (5) alternate land use board members to the town's land use boards, as is authorized by NH RSA 673:6.

The Select Board recommends passage of this article

ARTICLE 5: To see if the Town will vote to raise and appropriate the sum of \$1,537,634 for FY 14/15 general governmental expenses, as follows:

Salaries, Fees and Expenses - Selectmen's Office	\$ 377,692
Election, Registration, Vital Statistics - Town Clerk's Office	\$ 156,755
Financial Administration	\$ 248,519
Reappraisal of Property	\$ 75,000
Contract Services Legal & Other	\$ 158,786
Personnel Administration	\$ 3,500
Planning and Zoning	\$ 129,984
Land Use Enforcement	\$ 85,441
General Government Buildings	\$ 59,000
Cemeteries	\$ 45,210
Misc. Insurance (workers comp, liability & unemployment)	\$ 126,402
Emergency Management	\$ 11,500
Care of Trees	\$ 2,000
Debt Service SRF – Landfill Closure	\$ 56,845
Education and Training Expense	\$ 1,000

This amount to also be offset in the amount of \$16,000 from the Perpetual Care Fund

The Select Board recommends passage of this article.

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of \$93,245 for FY 14/15 Welfare Assistance, as follows:

Welfare Officer	\$ 18,245
Welfare Vendor Payments	\$ 75,000

The Select Board recommends passage of this article.

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of \$1,670,828 for FY 14/15 public safety-police and parking as follows:

Police Department	\$ 1,183,739
Parking	\$ 114,292
Dispatch	\$ 372,797

This amount to be offset in the amount of \$80,000 from the Parking Fund.  
If warrant Article 3 passes this amount will also be offset by an additional \$20,000.

The Select Board recommends passage of this article.

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of \$1,336,796 for FY 14/15 public safety – fire & ambulance, as follows:

Fire Department	\$ 1,213,171
Ambulance	\$ 123,625

The Select Board recommends passage of this article.

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of \$380,117 for FY 14/15 for sanitation as follows:

Recycling/Solid Waste Disposal	\$ 376,817
Pemi-Baker Solid Waste District Dues	\$ 3,300

The Select Board recommends passage of this article.

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of \$858,521 for FY 14/15 for the Highway Department, as follows:

Highway Department	\$ 803,521
Street Lighting	\$ 55,000

The Select Board recommends passage of this article.

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of \$1,010,941 for FY 14/15 for departmental operations, as follows:

Parks and Recreation	\$ 575,057
Library	\$ 405,543
Patriotic Purposes	\$ 4,000
Band Concerts	\$ 6,000
Town Common/Traffic Islands	\$ 4,000
Friends of the Arts	\$ 100
Airport	\$ 6,241
Health Enforcement	\$ 10,000

This amount to be offset in the amount of \$6,241 from the Airport Fund.  
This amount will also be offset by a \$16,000 donation from the Library Trust fund.

The Select Board recommends passage of this article.

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of \$44,000 to fund FY 14/15 Capital Land and Improvements, as follows:

Landfill Monitoring & Testing	\$ 6,000
Selectmen's Copy Machine Lease/Purchase	\$ 8,000
Fire Building Maintenance & Repair	\$ 30,000

Pursuant to RSA 32:7, VI, these will be non-lapsing, nontransferable appropriations and will not lapse until the earlier of 2017 or when the respective project/purchase is complete.

The Select Board recommends passage of this article.

ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of \$85,000 to fund the following item:

Highway – Replace 2003 F550	\$ 85,000
-----------------------------	-----------

And to authorize the withdrawal of \$85,000 from the Highway Heavy Equipment Capital Reserve Fund established for this purpose.

Pursuant to RSA 32:7, VI, this will be a nonlapsing, nontransferable appropriation and will not lapse until the earlier of 2017 or when the respective project/purchase is complete.

The Select Board recommends passage of this article.

ARTICLE 14: To see if the Town will vote to raise and appropriate the sum of \$31,000 to fund the following item:

Recycling – Replace Skid Steer	\$ 31,000
--------------------------------	-----------

And to authorize the withdrawal of \$31,000 from the Recycling Equipment Capital Reserve Fund established for this purpose.

Pursuant to RSA 32:7, VI, this will be a nonlapsing, nontransferable appropriation and will not lapse until the earlier of 2017 or when the respective project/purchase is complete.

The Select Board recommends passage of this article.

ARTICLE 15: To see if the Town will vote to change the purpose of the existing Recycling Equipment Capital Reserve Fund to the Recycling Equipment & Property Maintenance Capital Reserve Fund and further designate the Select Board as agents to expend from said fund. (2/3 vote required)

ARTICLE 16: To see if the Town will vote to raise and appropriate the sum of \$5,200 to

fund the following item:

Parks and Recreation Turf Tractor walk behind mower         \$     5,200

Pursuant to RSA 32:7, VI, this will be a non-lapsing, nontransferable appropriation and will not lapse until the earlier of 2017 or when the respective project/purchase is complete.

The Select Board recommends passage of this article.

ARTICLE 17: To see if the Town will vote to discontinue the Highland Street Capital Reserve Fund with said funds with accumulated interest to date of withdrawal to be transferred to the municipality's general fund.

The Select Board recommends passage of this article.

ARTICLE 18: To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of Highland Street Road Repairs and to raise and appropriate the sum of four hundred, eighty five thousand dollars (\$485,000) for this purpose. The said funds to come from fund balance and no amount to be raised from taxation. Further to designate the Board of Selectmen as agents to expend from this fund.

The Select Board recommends passage of this article

ARTICLE 19: To see if the Town will vote to raise and appropriate the sum of \$125,000 to fund the following Capital item:

Improve Road Construction   \$   125,000

This amount to be offset by \$125,000 from fund balance and no amount to be raised from taxation.

Pursuant to RSA 32:7, VI these will be non-lapsing, nontransferable appropriations and will not lapse until the respective project/purchase is complete or in five years, whichever is less.

The Select Board recommends passage of this article.

ARTICLE 20: To see if the Town will authorize the Select Board to enter into a three (3) year, (\$125,562) lease to purchase agreement for the purpose of lease/purchasing three (3) police cruisers, and to raise and appropriate the sum of \$41,854 to fund the first year's payment. This is year 1 of a 3 year lease to purchase agreement. This lease agreement contains a non-appropriation clause. (Majority vote required).

Pursuant to RSA 32:7, VI, this will be a non-lapsing, nontransferable appropriation and will not lapse until the earlier of 2018 or when the respective project/purchase is complete.

The Select Board recommends passage of this article.

ARTICLE 21: To see if the Town will vote to raise and appropriate the sum of \$25,000 for the purpose of continuing the remediation of the gasoline leak adjacent to the Highway

Garage. This sum is ninety-five (95) percent offset by State Oil Discharge and Disposal Cleanup Fund reimbursements leaving a net cost to the town of approximately \$1,250.

The Select Board recommends passage of this article.

ARTICLE 22: To see if the Town will vote to add to existing Capital Reserve Funds under the provisions of RSA 35:1 for the following purposes and raise and appropriate the respective sums (totaling \$196,880) to be placed in said funds:

Town Reval	\$	20,000
Replace 2006 Ambulance	\$	40,000
Highway Heavy Equipment	\$	35,000
Bldg-Police Maint/Repair/Replace	\$	25,000
Material Handling equipment – Hwy	\$	25,000
Replace 87 Fire Engine	\$	44,380
Replace Breathing Apparatus	\$	7,500

Pursuant to RSA 32:7, VI, these will be non-lapsing, nontransferable appropriations and will not lapse until the earlier of 2017 or when the respective project/purchase is complete.

The Select Board recommends passage of this article.

ARTICLE 23: To see if the Town will vote to raise and appropriate the sum of \$136,971 to fund payment # 4 of the Library Expansion Project. This amount to be offset in the amount of \$136,971 from Library donations currently held by the Town Treasurer.

The Select Board recommends passage of this article.

ARTICLE 24: To see if the Town will vote to raise and appropriate the sum of \$89,432 for the below listed agencies:

Animal Control Agreement with Humane Society	\$	6,500
Regional Planning Commission dues	\$	4,742
Baker River Watershed	\$	200
Pemi River Local Advisory Committee	\$	250
Pemi Baker Community Health Agency	\$	15,000
Grafton County Senior Citizens	\$	15,000
Tri-County Community Action	\$	4,300
Voices Against Violence	\$	4,000
Red Cross	\$	1,500
Pemi Youth Center	\$	3,000
Genesis-Lakes Region Mental Health	\$	7,500
CADY	\$	6,000
CASA-Court Appointed Child Advocates	\$	800
Pemi Bridge House	\$	10,000
Mid-State Health	\$	6,000
Plymouth Chamber of Commerce	\$	2,600
Conservation Commission	\$	2,040

The Select Board recommends passage of this article.

ARTICLE 25: To see if the Town will vote to discontinue the following Capital Reserves Funds with said funds and accumulated interest to date of withdrawal, to be transferred to the Town's general fund (RSA 35:3 and 35:16-a):

Ambulance Defibrillators Capital Reserve Fund	(\$ 2,088.91)
HVAC – Town Hall Capital Reserve Fund	(\$ .05)
Hydraulic Rescue Capital Reserve Fund	(\$ 13,655.65)
Ambulance Rescue Capital Reserve Fund	(\$ 1,296.17)
pb CAM Equipment & Facilities Capital Reserve Fund	(\$ 12.41)

**Majority Vote Required**

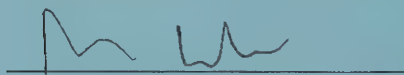

ARTICLE 26: To transact any other business that may legally come before said meeting.

Given under our hands this 6th day of February 2014

Valerie Scarborough, Chair  
Michael Conklin  
Richard Lewis  
William Bolton  
Neil McIver

Select Board, Town of Plymouth

# BUDGET OF THE TOWN OF PLYMOUTH, NEW HAMPSHIRE

Appropriations and Estimates of Revenue for the Ensuing Year January 1, \_\_\_\_\_ to December 31, \_\_\_\_\_

or Fiscal Year From July 1, 2014 to June 30, 2015

### IMPORTANT:

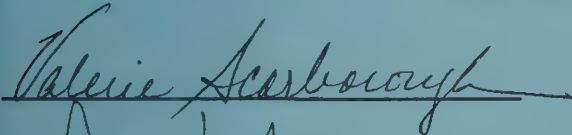

Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list the operating budget and all special and individual warrant articles in the appropriate recommended and not recommended area. All proposed appropriations must be on this form.
2. Hold at least one public hearing on this budget.
3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the town clerk, and a copy sent to the Department of Revenue Administration at the address below within 20 days after the meeting.

This form was posted with the warrant on (Date): \_\_\_\_\_

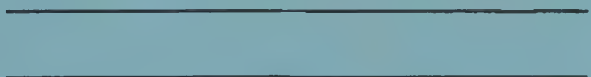

### GOVERNING BODY (SELECTMEN)

*Please sign in ink.*

**THIS BUDGET SHALL BE POSTED WITH THE TOWN WARRANT**

FOR DRA USE ONLY

NH DEPARTMENT OF REVENUE ADMINISTRATION  
MUNICIPAL SERVICES DIVISION  
P.O. BOX 487, CONCORD, NH 03302-0487

Dana I. Hadley

WATER/WASTEWATER SUPERINTENDENT:

Kirk A. Young

---

## COMMISSIONERS' REPORT

---

The district continues to make infrastructure improvements while having kept water and sewer rates stable for the past several years. The Commissioners and District staff have increased operational efficiency, reduced costs, and obtained grants for both energy projects and operational projects to reduce the burden on ratepayers. However, a factor outside of our normal operations may negatively impact rates this year (See Legal below).

### Renewable energy projects

- We received a 300,000 grant from the PUC in December 2013 that will provide for 130 KW of solar photovoltaic electrical generation at the waste water treatment plant. When installed this spring, the project will generate approximately 20% of the plant's electric needs, about \$20,000. The district contributed \$90,000 in grant match to get the PUC funding. The lifetime of the solar panels will be at least 40 years, so the installation will save \$800,000 at today's electrical rates.
- The net-zero solar energy retrofit at the office is operating with a surplus; in other words, we are generating more electricity from solar power than we need. As a result, NHEC purchased some of our surplus credit last spring.
- We have upgraded a number of pumps and motors with financial assistance from NHEC, further reducing our operating costs.

### Sewer collection system

- After seven breaks in 2012-13 along Tenney Mountain Highway, we replaced a section of the sewer main between Burger King and the Baker River. This repair was funded out of existing reserve accounts and did not impact sewer rates. District voters may recall that they approved a \$2M bond for repairs along Tenney Mountain Highway but we did not borrow money for phase I as described. We expect to borrow money, as approved, for the next phase of repair in 2014.
- Repairs to the sewer main on Fairgrounds Road are being designed now, and we will communicate with ratepayers about the plans soon.

### Planning

- Wright-Pierce Engineers will finish our Water Master Plan in 2014. This is a planning process begun in 2011 by the Commissioners to assess infrastructure and provide GIS mapping, water auditing and flow testing services.
- Wright-Pierce will also conduct Phase III of our sewer collection system evaluation and planning services under a federal mandate contained in our discharge permit through EPA and the state DES.
- Efforts continue to locate a new water source for Plymouth. The District has hired Emery and Garrett Ground Water Consultants of Meredith for this work.
- Concern over continuing salt contamination of our wells due to I-93 runoff has precipitated ongoing meetings with local and state DOT officials. Documentation of "as-built" plans that were supposed to mitigate such runoff was requested, as well as suggestions for additional mitigation. The District was awarded a \$15,000 wellhead protection grant from DES that was written by Emery and Garrett to investigate and provide a more in-depth analysis of salt sources and reduction options.

---

## COMMISSIONERS' REPORT - Continued

---

### Legal

A lawsuit filed against the district by Riverside Landing, LLC. (intersection of Tenney Mountain Highway and Highland Street) has caused the district to budget \$80,000 of potential legal costs. If the lawsuit requires full litigation, both water and sewer rates may be impacted by .40 per thousand gallons.

- George Poulin is the new Financial Assistant. George is a graduate of Plymouth State University and has worked in the financial field for several years.
- Sean Wolters was hired as the District Mechanic, filling a position that had been vacant for a few years.
- Jay Harrington was hired as the District's laboratory technician to replace Arthur Prince who retired at the end of May.
- The Commissioners sincerely appreciate the efforts of District staff to provide you with safe and reliable service. Our business office staff in addition to the Financial Assistant, consist of Dana Hadley, District Administrator and Office Assistant Kim Haines. Kirk Young is the Water & Wastewater Superintendent, and operations staff based at the Sewer Treatment Facility are: John Crowley, Fred Yeaton, Roger Morin, Gary Hancock Dan Putorek, Sean Wolters and Jay Harrington.

Your Commissioners have strived to keep water and sewer rates affordable while providing quality water and sewer services. If you have any questions or concerns, please contact the staff at the main office or online at [www.pvwsd.org](http://www.pvwsd.org).

Respectfully submitted,

Steve Kahl (term expires 2014)  
Judi D'Aleo (term expires 2015)  
Mary Crowley (term expires 2016)  
Commissioners

---

## OPERATIONS' REPORT

---

### Water and Wastewater Divisions

The water division began work on the preparation of a Water Master Plan for the District. This is a process of gathering our maintenance records together to incorporate the information in the plan and will give us a comprehensive overview of the water distribution system. We put an emphasis on updating and verifying our water service and valve locations. This led to replacing several curb stops and valves. We will be able to quickly locate water service connections, valve locations and will be particularly helpful in an emergency situation. The Master Plan will inventory and determine the condition of our water assets and infrastructure. This will be especially useful in planning for future needs. It will allow us to prioritize upgrades or replacement of our lines and equipment and serve as a financial tool to plan financing for these projects. In addition, it will give us a review to optimize and improve our operation and maintenance procedures. The cost of this work is partially offset by a grant from the New Hampshire Department of Environmental Services. We also are working to "tighten" up the system, check for service line or other leaks in an effort to eliminate wasted water.

The wastewater division continued to work with issues with the sewer force main serving the Tenney Mountain Highway section of town. The line runs from our Pump Station #4 at 330 Highland Street, next to Burger King and continues eastward along the Baker River cross country until it discharges on Highland Street. The 10 inch ductile iron pipe was installed by developers of Tenney Mountain in the 1980's. The high pressure and corrosive effects of use generated at levels less than for which it was designed which has taken its toll on the line. This past fall approximately 1800 feet of line was replaced from the pump station adjacent to Burger King along the highway eastward to the area near the eastern end of the Hatch Plaza-Marshals Parking lot. The Plan is to continue with this line replacement along the Baker River following the existing route to the base of the athletic fields of Plymouth Regional High School. The remaining line condition is being assessed as well as examination of an alternate energy saving route for the line. The new line is made up of corrosion resistant fused High Density Polyethylene Pipe (HDPE).

The wastewater treatment facility saw the highest amount of septage received to date. Although the loadings to the treatment facility were higher, we actually saw an improvement this year in the percent removal efficiency. This gives the District additional revenue that does not have to be raised by user fees and provides a safe disposal for septage haulers to further protect the community. The upgrade at the wastewater treatment facility from a few years ago, has been a big improvement and help to our processes. We continue to look for ways to improve our process and to keep costs under control.

We strive to provide the community with safe reliable service, and it is a team effort. My thanks go to the efforts of the crew: John Crowley, Fred Yeaton, Roger Morin, Gary Hancock, Dan Putorek, Sean Wolters, and Jay Harrington. My thanks also go to the office staff: Dana Hadley, District Administrator; Kim Haines, Office Assistant; and George Poulin, Finance Assistant. The support and guidance from the District Commissioners:

---

## OPERATIONS' REPORT (Continued)

---

Steve Kahl, Judith D'Aleo and Mary Crowley are greatly appreciated. Lastly, thank you, the District residents for your continued support.

Year-end data for the Water Pumping Systems are as follows:

Total gallons water pumped in 2013	165,710,600	— gallons
Average gallons water pumped daily	452,761	— gallons

Year-end data for the Wastewater Treatment Facility are as follows:

Total Effluent Flow	130,748,600	— gallons
Average Daily Effluent Flow	358,993	— gallons
Percent of Average Daily Flow to Design Capacity (0.7MGD)	51.3	— percent
Pounds of TSS <sup>1</sup> to the Treatment facility	885,040	— pounds
Pounds of TSS out to the Pemigewasset	13,581	— pounds
Removal of Solids Efficiency	98.5	— percent
Pounds of BOD <sup>2</sup> to the Treatment Plant	790,973	— pounds
Pounds of BOD out to the Pemigewasset	16,175	— pounds
Removal of BOD Efficiency	98.0	— percent
Total Septage Received	2,605,832	— gallons
Revenue Received from Septage	\$199,165	— dollars
Biosolids Removed from Waste Stream	250.5	— dry tons

## Water Quality Test Results

As of 1987, State Law requires that all Community Water Systems must notify its customers in writing, on an annual basis, of all factors of water quality for which tests have been made.

Below are those results for tests conducted on typical treated water being delivered to District customers. Dates of water sampling was July 3, 2012 and August 20, 2013 for Well # 1 and Well # 2.

Test Name	State Standard	Actual Test Result	
		Well #1	Well #2
Antimony	<.006 mg/l	<0.001 mg/l	<0.001 mg/l
Arsenic	<0.01 mg/l	<0.001 mg/l	<0.001 mg/l
Barium	2.0 mg/l	0.052 mg/l	0.012 mg/l
Beryllium	<0.004 mg/l	<0.001 mg/l	<0.001 mg/l
Cadmium	<0.005 mg/l	<0.001 mg/l	<0.001 mg/l
Chromium	<0.10 mg/l	<0.001 mg/l	<0.001 mg/l
Copper	<1.3 mg/l*	0.14 mg/l	0.035 mg/l
Iron	<0.30 mg/l*	0.20 mg/l	1.0 mg/l
Lead	<0.015 mg/l	<.004 mg/l	<.004 mg/l
Manganese	0.05 mg/l*	0.12 mg/l	0.27 mg/l
Mercury	<0.002 mg/l	<0.0001 mg/l	<0.0001 mg/l
Nickel	<0.10 mg/l	<0.001 mg/l	<0.001 mg/l
Selenium	<0.05 mg/l	<0.001 mg/l	<0.001 mg/l
Silver	<0.1 mg/l*	<.001 mg/l	<.001 mg/l
Sodium	<250.0 mg/l	140 mg/l	62 mg/l
Thallium	<.002 mg/l	<0.001 mg/l	<0.001 mg/l
Zinc	5.0 mg/l*	0.034 mg/l	0.036 mg/l
Chloride	<250.0 mg/l	160 mg/l	32 mg/l
Fluoride	4.0 mg/l	0.25 mg/l	0.33 mg/l
“pH, untreated”		5.9 SU	5.9 SU
“pH, treated”	6.5 - 8.5	7.3 SU	7.3 SU
Sulfate	250 mg/l	14 mg/l	19 mg/l
Nitrate	<10.0 mg/l	<0.5 mg/l	<0.5 mg/l
Nitrite	<1.0 mg/l	<0.5 mg/l	<0.5 mg/l
SOC's (synthetic organic chemicals)	Varies	ND	ND
VOC's (volatile organic compounds)	Varies	ND	ND

Test Result Notes:

ND = None Detected

\* = Secondary Standard

< = less than

General Note: District personnel sample for Total Coliform Bacteria and Fecal Coliform Bacteria twice each month at six NHDES registered sites. Results for routine coliform testing, these bacteria are absent unless otherwise noted. Hypochlorite is injected to maintain a minimal free chlorine residual of approximately 0.20 mg/L. The low pH of the raw well water is being raised to a pH range of 6.8 to 7.4 standard units by the use of sodium hydroxide solution to lessen corrosion.

## AUDITOR'S REPORT

---

**Plymouth Village Water & Sewer District**  
227 Old North Main Street, Plymouth, NH 03264

Tel: (603) 536-1733.....Fax: (603) 536-1734

January 31, 2014

Dear District Residents and Rate Payers:

Our auditors, Plodzick and Sanderson, P.A. of Concord will be in our office to start the audit on February 18<sup>th</sup>. We expect it to be available for review by the end of April.

Please contact me if you would like a copy of it when available. Our previous audits are available for your review at the District business office during our normal working hours.

Very Truly Yours,

Dana I. Hadley  
District Administrator

ANNUAL DISTRICT MEETING  
PLYMOUTH VILLAGE WATER & SEWER DISTRICT  
MARCH 12 and 14, 2013  
MINUTES

---

A legal meeting of the Plymouth Village Water & Sewer District, Plymouth, NH was held in the gymnasium of the Plymouth Elementary School on Tuesday, March 12, 2013. The polls were open at 8:00 o'clock in the forenoon. Article 1 of the warrant would be voted on by printed ballot during the hours of 8:00am through 7:00pm.

The polls were closed to voting at 7:00pm and the ballots were counted. At the completion of the counting the following result was announced.

Total Votes Cast – 492

ARTICLE 1: District Officers

Commissioner for 3 years	Mary Crowley	248
--------------------------	--------------	-----

Deliberative Session

The deliberative session of a legal meeting of the Plymouth Village Water & Sewer District was held at the Pease Public Library on Thursday March 14, 2013 at 7:00 o'clock in the evening. Moderator Robert Clay opened the meeting with the Pledge of Allegiance and announced the results of the votes cast on March 12, 2013.

ARTICLE 2: ENGINEERING AND REPAIR OF THE SEWER FORCE MAIN – PASSED  
AS AMENDED

To see if the District will vote to raise and appropriate the sum of Two Million Dollars (\$2,000,000) for engineering and repair of the sewer force main running from sewer pump station 4 (330 Highland Street) cross country to the line's discharge point on Highland Street (the Project). This appropriation to be funded as follows:

- a) Pursuant to RSA 33:3-a, II, to authorize the use of Four Hundred Forty Thousand Dollars (\$440,000) of the remaining funds borrowed in 2008 under Article 2 & 3 of the 2008 Annual District Meeting for Odor Control and Engineering Fees for the Sewer Treatment Plant upgrade to finance the Project. The funds remaining from the 2008 bond were not used for that purpose due to the receipt of a grant for that purpose.
- b) One Million Five Hundred Sixty Thousand Dollars (\$1,560,000) of such sum to be raised through the issuance of bonds or notes under and in compliance with the Municipal Finance Act, RSA 33:1 et seq., as amended; to authorize the Commissioners to apply for, obtain and accept federal, state or other aid, if any, which may be available for the Project and to comply with all law applicable to the Project. To authorize the Commissioners to issue, negotiate, sell and deliver such bonds or notes and to determine the rate of interest thereon and the maturity and

other terms thereof: and to authorize the Commissioners to take any other action or to pass any other vote relative thereto.

The Commissioners recommend this appropriation. Will require a ballot vote to be approved by 2/3 of District Voters attending the Annual Meeting. The ballot box will remain open for One (1) Hour following the call of the vote.

A motion was made by Bill Houle and seconded by Paul SanSoucie to amend the article by inserting the words "or alternative discharge points" between the words Highland Street and (the Project). The sentence would then read "To see if the District will vote to raise and appropriate the sum of Two Million Dollars (\$2,000,000) for engineering and repair of the sewer force main running from sewer pump station 4 (330Highland Street) cross country to the line's discharge point on Highland Street or alternative discharge points (the Project)."

The amendment passed with an affirmative voice vote.

The polls opened for voting at 7:38pm and were to remain open for one hour.

Polls closed at 8:38pm.

Yes – 16                      No – 1

Article 2 passes, as amended, by the required 2/3 majority ballot vote.

**ARTICLE 3: ADDITION TO EXPENDABLE TRUST ACCOUNT (SEWER DIVISION) FOR EMERGENCY COLLECTION SYSTEM REPAIR – PASSED**

To see if the District will vote to raise and appropriate Four Hundred Thousand Dollars (\$400,000) to be added to the Sewer Division Expendable Trust Account for Emergency Collection System Repair with said funds to come from the unassigned fund balance and no amount to be raised from user fees.

The Commissioners recommend this appropriation. (A majority vote required)

Voted by affirmative voice vote to raise and appropriate the sum of Four Hundred Thousand Dollars (\$400,000.00) for the above stated purpose.

**ARTICLE 4: ADDITION TO CAPITAL RESERVE FUNDS (WATER) – PASSED**

To see if the District will vote to raise and appropriate the sum of Sixty One Thousand Two Hundred Dollars (\$61,200) to be placed in existing Water Division Capital Reserve Funds under the provisions of RSA 35:1 as follows:

Land & Infrastructure Acquisition	\$15,000
Source Water	\$10,000
Water Storage Tank	\$18,000
Vehicle and Heavy Equipment Replacement	\$18,200

The Commissioners recommend this appropriation. (A majority vote required)

Voted by affirmative voice vote to raise and appropriate Sixty One Thousand Two Hundred Dollars (\$61,200.00) to be added to the existing Capital Reserve Funds for the Water Division as stated above.

ARTICLE 5: ADDITIONS TO EXPENDABLE TRUST FUNDS (WATER) – PASSED

To see if the District will vote to raise and appropriate the sum of Eleven Thousand Dollars (\$11,000) to be placed in the existing Water Division Expendable Trust Funds under the provisions of RSA 31:19-a as follows:

Storage Tank Inspection	\$7,000
Water Distribution Emergency Repair	\$2,000
Pump and Motor Repair	\$2,000

The Commissioners recommend this appropriation. (A majority vote required)

Voted by affirmative voice vote to raise and appropriate the sum of Eleven Thousand Dollars (\$11,000.00) for the above stated purpose.

ARTICLE 6: ADDITION TO CAPITAL RESERVE FUNDS (SEWER) - PASSED

To see if the District will vote to raise and appropriate the sum of Thirty Seven Thousand Nine Hundred Dollars (\$37,900) to be placed in existing Sewer Division Capital Reserve Funds under the provisions of RSA 35:1 as follows:

WWTF Expansion and Upgrade	\$14,000
Sewer Main Replacemen	\$ 5,000
Vehicle & Heavy Equipment Replacement	\$18,900

The Commissioners recommend this appropriation. (A majority vote required)

Voted by affirmative voice vote to raise and appropriate the sum of Thirty Seven Thousand Nine Hundred Dollars (\$37,900.00) to be added to the existing Capital Reserve Funds for the Sewer Department as stated above.

ARTICLE 7: ADDITION TO EXPENDABLE TRUST FUNDS (SEWER) – PASSED

To see if the District will vote to raise and appropriate the sum of Seventy One Thousand One Hundred Dollars (\$71,100) to be placed in the existing Sewer Division Expendable Trust Funds under provisions of RSA 31:19-a as follows:

Collection System Pump and Machinery Repair	\$20,000
Collection System Emergency Repair	\$10,000
WWTP Emergency Pump & Machinery Repair	\$41,100.

The Commissioners recommend this appropriation. (A majority vote required)

Voted by affirmative voice vote to raise and appropriate the sum of Seventy One Thousand One Hundred Dollars (\$71,100.00) to be placed in the existing Expendable Trust Funds for the Sewer Division as stated above.

#### ARTICLE 8: OPERATING EXPENSES – PASSED

To see if the District will vote to raise and appropriate the sum of One Million Nine Hundred Seventy Three Thousand Six Hundred Forty Nine Dollars (\$1,973,649) for the operating budgets of the Water and Sewer Divisions for the year 2013. Said sum does not include warrant articles addressed.

The Commissioners recommend this appropriation. (A majority vote required)

Voted by affirmative voice vote to raise and appropriate the sum of One Million Nine Hundred Seventy Three Thousand Six Hundred Forty Nine Dollars (\$1,973,649.00) for the operating budgets for the water and wastewater divisions for the year 2013.

A motion was made by Paul SanSoucie and seconded by Dave Moorhead to restrict reconsideration of Articles 3 through 8.

The motion passed by affirmative voice vote.

#### ARTICLE 9: TRANSACTION OF OTHER BUSINESS

To transact any other business that may legally come before said meeting.

At this time Dick Flanders gave a very informative talk about the history of the Plymouth Village Water & Sewer District from its inception as the Plymouth Water Co. in 1879 through today and its commitment to clean water and a healthy environment. He also spoke concerning his goals and the advances the district has made during his time in office.

Upon the completion of his talk Commissioner Flanders was honored for his 15 years of service on the Board of Commissioners. Both Judy D'Aleo and Steve Kahl publicly thanked him for his leadership and guidance. He was presented with a plaque for his many years of service, a gift certificate and a cake for all to enjoy.

The polls closed for Article 2 at 8:38.

The meeting returned to the results of Article 2.

As there was no other business, the meeting was adjourned at 8:40pm.

Respectfully submitted,

Carol P. Mabin  
District Clerk

The Commissioners recommend this appropriation. (A majority vote required)

**Article 6:**

To see if the District will vote to raise and appropriate the sum of Two Million Six Hundred Fifteen Thousand Two Hundred Eighty One Dollars (\$2,615,281) for the operating budgets of the water and wastewater divisions for the year 2014. Said sum does not include warrant articles addressed. (Majority vote required)

The Commissioners recommend this appropriation. (A majority vote required)

**Article 7:**

To see if the District will vote to rescind article 7 from the 2008 Annual Meeting as approved by voters authorizing borrowing in the amount of One Hundred Thousand Dollars (\$100,000) for repairs to the Control Building floor at the treatment facility. This borrowing was not necessary due to the District securing funding from the American Recovery and Reinvestment Act of 2009.

The Commissioners recommend this appropriation. (A majority vote required)

**Article 8:**

To see if the District will vote to rescind article 5 from the 2009 Annual Meeting as approved by voters authorizing borrowing in the amount of Four Million One Hundred Eighteen Thousand Dollars (\$4,118,000) for constructing improvements and upgrading to the Wastewater Treatment Facility. The full amount of the original authorization was not necessary due to the funding from the American Recovery and Reinvestment Act of 2009.

The Commissioners recommend this appropriation. (A majority vote required)

**Article 9:**

To see if the District will vote to rescind article 2 from the 2010 Annual Meeting as approved by voters authorizing borrowing in the amount of One Hundred Fifty Thousand Dollars (\$150,000) for the purpose of maintenance and improvement on the screw pumps at the wastewater treatment facility. This borrowing was not necessary due to the District securing funding from the American Recovery and Reinvestment Act of 2009.

The Commissioners recommend this appropriation. (A majority vote required)

**Article 10:**

To see if the District will vote to rescind article 3 from the 2010 Annual Meeting as approved by voters authorizing borrowing in the amount of Fifty One Thousand Dollars (\$51,000) for the purpose of replacing the emergency generator and wiring upgrades on Foster Street. The District secured a grant through New Hampshire Department of Environmental Services for this project.

The Commissioners recommend this appropriation. (A majority vote required)

**Article 11:**

To see if the District will vote to rescind article 4 from the 2010 Annual Meeting as approved by voters authorizing borrowing in the amount of Fifty Thousand Dollars (\$50,000) for the purpose of maintenance and improvements on the 2.5 Million Gallon Storage Tank. This project was completed using funds from the operating budget.

The Commissioners recommend this appropriation. (A majority vote required)

**Article 12:**

To see if the District will authorize the Commissioners to convey personal property by bill of sale or otherwise upon terms and conditions as they deem appropriate. (A majority vote required)

**Article 13:**

To transact any other business that may legally come before said meeting.

Given under our hands the 11th day of February, 2014

## SUPERINTENDENT'S REPORT 2013-2014

---

The School Districts of SAU 48 continue to move forward with the charge of giving every student the opportunity to acquire the skills and abilities to be a successful citizen.

Preparing students to meet the challenges of the 21st century is a top priority in SAU #48. To achieve success, our students need to have the ability to think critically, apply knowledge at high levels, and use technology tools to access, evaluate, and communicate information. Innovative technology and media skills are integrated throughout the Common Core State Standards in order to prepare our students for future academic and workforce training programs. Students are beginning to develop interdisciplinary project-based digital portfolios that positively impact their higher order thinking skills, effective communication skills, and their knowledge of technology.

Just as student learning has changed, so has assessment of that learning. Our educators continue to engage in professional development opportunities, aligning curriculum maps with the Common Core State Standards, and documenting multiple measures of assessments including formative, summative and performance based assessments to evaluate student learning. Students are preparing for the Smarter Balanced Assessment for Spring 2015, which will be replacing the NECAP statewide assessment.

K-8 mathematics educators throughout SAU #48 have engaged in intensive professional development with our new mathematics series aligned to the Common Core. We continue to upgrade our technology tools, wireless, and network infrastructure to support the interactive online resources across all content areas.

We continue to update our school web sites so that all citizens have access to our resources. Many of our meetings and public hearings are broadcast on the public access channels of the Time Warner Cable system. As always, we welcome your comments.

Thank you very much for your continued support.

NURSE'S ANNUAL REPORT  
PLYMOUTH ELEMENTARY SCHOOL

---

The following is the 2013 report of the health services at Plymouth Elementary School.

Over the past year approximately 395 students were provided access to health services through the nurse's office at Plymouth Elementary School. There were on average, 50-60 visits per day for injuries, illness and scheduled medication administration. Assessing the health concerns of all the students' remains the chief goal of the program, with particular attention paid to those children with identifiable physical and learning disabilities. This includes working closely with parents, teachers and the Special Education Department.

Speare Memorial Hospital continues to sponsor a Dental health clinic where screenings, cleanings and oral hygiene education are done at the school. Weekly fluoride treatments have been replaced by a paint-on varnish done twice a year for approximately 275 students from k-8. Ruth Doane, the dental hygienist and coordinator of this program, works with our students throughout the year on an as needed basis to coordinate dental care to our students.

I also coordinate staff wellness by providing CPR and first aid courses, flu clinics and education. I maintain a web page found at the PES site and update this with health alerts and medical information frequently.

The SAU #48 school nurses meet monthly to monitor and update policies and programs. Speare Memorial Hospital and Plymouth Pediatrics continue to support our office as a community health resource.

If you have any questions regarding your child's health please contact me anytime.

Respectfully submitted,

*Carolyn Varin*

Carolyn Varin, RN

PLYMOUTH SCHOOL DISTRICT  
PRINCIPAL'S REPORT 2013

---

Dear Friends and Families of Plymouth Elementary School,

**Bold and innovative!** The Commissioner's Circle of Excellence recognized Plymouth Elementary School for "bold and innovative" practices that support excellence in student achievement. Our expansion of STEM (Science Technology Engineering Mathematics) was specifically highlighted at a ceremony in Concord. The STEM approach includes problem-solving strategies, real-world significance, hands-on activities, and rigorous reflection. Our students love STEM! We are fortunate to have many community partners who enrich our STEM program.

A broadcast program is another example of bold and innovative learning that we launched this year. Our sixth graders, under the direction of computer teacher Mr. Lines and English teacher Mrs. Cahoon, collaborate to write, produce, edit, announce, and provide tech support. The results bring the whole school together. The weekly broadcast is posted on our server for teachers to access every Friday. Each broadcast includes the *Pledge of Allegiance* lead by one of our primary classes and a classroom showcase.

In addition to bold and innovative programs, we provide a high level of curriculum, instruction and assessment based on the Common Core State Standards. New to our website is a Parent Curriculum Overview which provides a map of expected skills, interdisciplinary and content areas of focus. We are in the second year of implementing Math in Focus, a program that deepens the understanding and skills so that students can persevere through tough problems. In language arts, we are expanding our curriculum to include more "real world" nonfiction offerings as well as Shakespeare and daily writing.

Our students are actively and ardently involved in activities beyond the classroom. Our disciplined band, chorus, and drama programs continue to be a source of community delight and pride. From our Veterans Day and Memorial Day tributes to our seasonal concerts, audiences leave inspired. Our intramural and athletic programs continue to thrive and to provide wholesome opportunities for students to explore a variety of physical and team activities. Community service is a natural part of our culture. From recycling activities to providing relief to local and global communities, our students strive to make the world a better place each day.

Our vibrant learning community reflects wonderful families of Plymouth. As always, we are grateful for the many partnerships we have that support student safety and learning. If you have any questions, concerns or ideas, we encourage you to contact us via email, phone or simply stop in for a visit. For event updates, resources, and galleries of celebrations from our PES Community, visit our new website [www.pes.sau48.org/](http://www.pes.sau48.org/).

Thank you for your constant and consistent support.

Respectfully Submitted,

*Julie Flynn*

## PLYMOUTH SCHOOL DISTRICT MEETING

### Minutes

State of New Hampshire

March 4, 2013

---

A legal meeting of the inhabitants of the School District in the Town of Plymouth, in the County of Grafton, State of New Hampshire, qualified to vote upon District affairs was called to order by Moderator Quentin Blaine at 7:02 pm on Monday March 4, 2013 at Plymouth Elementary School. He reminded everyone to check in with the supervisors of the checklist to receive ballots and registered voter cards. Mr. Blaine led those present in the Pledge of Allegiance to the flag. He pointed out the rules of order are printed on pages 102-105 and the warrant is on page S15, yellow section, in the Town of Plymouth 2012 Annual Report. Mr. Blaine then reminded everyone to use the microphone and to turn cell phones, pagers, other electronic devices to a quiet setting.

Article 1: To see what action the District will take relative to the reports of agents, auditors, committees and officers.

Moved and seconded to accept all reports as read. No discussion. **Majority voice vote in the affirmative, declared reports accepted. Article 1 passes.**

Article 2: To see if the District will vote to establish a contingency fund in accordance with Revised Statutes Annotated 198:4-b, such contingency fund to meet the cost of unanticipated expenses that may arise during the year and, further, to see if the District will raise and appropriate the sum of one thousand dollars (\$1,000) for such contingency fund. (The School Board recommends this appropriation.) (Majority vote required.)

Moved and seconded as read. No discussion.

**Majority voice vote in the affirmative, declared as read. Article 2 passes.**

Article 3: To see if the District will vote to raise and appropriate the sum of eight million four hundred sixty-five thousand one hundred one dollars (\$8,465,101) for the support of schools, for the payment of salaries for the school district officials, employees and agents and for the payment of statutory obligations of the District which do not include the sums found in Article 2. (The School Board recommends this appropriation.) (Majority vote required.)

Moved and seconded as read. No discussion.

**Majority voice vote in the affirmative, declared as read. Article 3 passes.**

Article 4: To transact any further business which may legally come before this meeting.

Everyone was reminded that voting for town and school district will take place in this same location Tuesday, March 12 from 8 am to 7 pm.

Motion to adjourn the meeting was moved and seconded, majority voice vote in the affirmative. **Meeting adjourned at 7:06 pm.**

Respectfully submitted,

*Susan Jane H. Clay*

Susan Jane H. Clay  
School District Clerk

**PLYMOUTH  
SCHOOL DISTRICT**

**2014**

**WARRANT AND BUDGET**

---

STATE OF NEW HAMPSHIRE

---

To the inhabitants of the School District in the Town of Plymouth, in the County of Grafton, State of New Hampshire, qualified to vote upon District Affairs:

You are hereby notified to meet at the Plymouth Elementary School on Monday, the third (3rd) day of March, 2014 at 7:00 o'clock in the evening to act upon the following subjects:

Article 1: To see what action the School District will take relative to the reports of agents, auditors, committees and officers.

Article 2: To see if the School District will vote to establish a contingency fund in accordance with Revised Statutes Annotated 198:4-b, such contingency fund to meet the cost of unanticipated expenses that may arise during the year and, further, to see if the District will raise and appropriate the sum of one thousand dollars (\$1,000) for such contingency fund. The School Board recommends this appropriation. (Majority vote required.)

Article 3: To see if the School District will vote to approve the cost items included in the collective bargaining agreement reached between the Plymouth School Board and the Plymouth Education Support Staff Association which calls for the following increases in salaries and benefits:

<u>Year</u>	<u>Estimated Increase</u>
2014-2015	\$ 30,859
2015-2016	\$ 29,541
2016-2017	\$ 33,164

and further to raise and appropriate the sum of thirty thousand eight hundred fifty-nine dollars (\$30,859) for the 2014-2015 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels in accordance with the most recent collective bargaining agreement. The School Board recommends this article. (Majority vote required.)

Article 4: To see if the School District will vote to raise and appropriate the sum of sixty thousand dollars (\$60,000) for technology tools for students. The School Board recommends this appropriation. (Majority vote required.)

Article 5: To see if the School District will vote to raise and appropriate the sum of eight million one hundred ninety-three thousand ninety-two dollars (\$8,193,092) for the support of schools, for the payment of salaries for the school district officials, employees and agents and for the payment of statutory obligations of the District which do not include the sums found in Article 2, 3 and 4. (The School Board recommends this appropriation.) (Majority vote required.)

Article 6: To transact any further business which may legally come before this meeting.
