ANNUAL TOWN REPORT

TROY, NEW HAMPSHIRE

1985

Year ending December 31, 1985

UNIVERSITY OF NEW HAMPSHIRE
LIBRARY

To The Residents of the Town of Troy:

Last Fall it was with great pride that we saw the erection of a monument dedicated to the residents of the Town of Troy -- Veterans -- men and women, who left their home to serve in the U.S. Army, U.S. Navy, U.S. Coast Guard, U.S. Army Corp, U.S. Air Force, U.S. Marine Corp and the "CBs" of the Navy during World War II, the Korean Conflict and the Vietnam War.

The dedication of this monument was made possible by a very active committee and a generous community whose contributions made it all possible. It is with great appreciation that we thank the committee who had the foresight to also establish a permanent history for the Town of Troy by way of a "Book of Memory" containing each veteran's name to be kept in the Town Library.

In continuing the tradition begun by the dedication of that monument, we feel that it is very appropriate that this year's Town Report be dedicated to the memory of those Veterans.

Troy is a beautiful New Hampshire town in the shadows of Mt. Monadnock, old-fashioned with its Town Square, Town Hall, and churches.

The residents and selectmen are exceptionally proud to be able to dedicate this Town Report in continuation of their memorial and we thank all who participated.

REPORT OF THE TOWN ROAD AGENT

The winter of 1985 was very expensive due to the unusually large amounts of snow storms which took many tons of sand and salt.

With the Highway Block Grant, we cut brush, removed stones, replaced culverts and repaired ditches. We also repaved with a pug mix, 6/10 of a mile on Gap Mountain Road, the upper part of South Main Street, Morse Street and the Richmond Road.

This year we hope to finish the Gap Mountain Road and start on the lower part of West Hill and go as far as we can up the Mackey Road.

Harlan R. Mitchell
Road Agent

REPORT OF TROY WATER/SEWER DEPARTMENT

1985 was a productive year for the Water/Sewer Department. It was also a year of changes in our personnel Department. Mr. Richard Martin, who was the Superintendent of the Water/Sewer Department, took on another job in Virginia where he and his wife Doris have moved. We would like to wish them well.

Mr. John Firmin is our new Superintendent and his assistant is Chester Priest. Both are doing a fine job.

We have made changes in our blower system which will help to maintain a more efficient working system at the plant.

We still have a few more outside readers to install to complete this project and this is scheduled to be done this year.

We would like to remind you that our meetings are held the 1st Thursday of each month and that these meetings are open to the public.

Respectfully submitted,
Water/Sewer Commissioners

Frederick Lawrence, Chairman
Robert Grover, Vice Chairman
David Rollins
Harlan Mitchell
Theodore LaPointe

REPORT OF THE GAY-KIMBALL PUBLIC LIBRARY

This year the library trustees have worked very hard on badly needed refurbishing of the building by contracting electrical work, carpeting the main floor and having a new circulation desk installed. Mr. Fuller Ripley replaced the water-damaged thermopane picture window in the Ripley reading room.

A number of activities have been held in the library this year, the most ambitious and exciting being the American Library Association funded book discussion series entitled "Let's Talk About It". Ours was one of 12 libraries chosen by the N.H.S.L. which coordinated the series. The series of 5 book discussions were led by scholars from area colleges and the books were provided by the N.H. Council for the Humanities. Attendance was very good and the programs were enthusiastically received. Our thanks to Constance Grover who was the discussion group leader. Trustees Darcy Doyle and Kathy Marrotte served light refreshments - also greeted with enthusiasm, I might add!

The I.R.S. Outreach program placed a qualified tax consultant in our library on two different occasions to offer help with income tax problems. We are now stocking a variety of forms and information booklets during the tax season.

Our Reading Rainbow summer program enrolled 36 children and gave out 25 awards and certificates.

The Ripley room was used by a number of committees during the year and local grade school and kindergarten children have visited throughout the year for library story time.

We also held another successful spring book sale thanks largely to Bill Matson who again brought up books from the Fort Devens Library.

Our grateful thanks to Durale Watkins for those charming bulletins she has done each month again this year. Thanks are due also to Ralph Eaton, Bob Grover, Ed Lang and Ron Woodley who assisted us in various ways; to the family members of our trustees who have joined in when work needed to be done; and to the many people who donated books and money to our library.

Respectfully submitted,

Shirley Lang, Librarian

SELECTMEN'S REPORT

This year has been a good year for the town in our estimation.

The main event was the dedication of the Veterans Memorial which did a lot for Troy in showing other communities in New Hampshire how a small town worked together with pride on this project.

The Veterans committee will be intact for one more year, to add two or three more names to the Monument, and more landscaping.

Donations are still being taken to use for this project and to offset the cost. They can be made at The Monadnock Bank.

There is a small fund at the bank in memory of Dr. Samuel Paul who passed away in California. This fund will be used in the future at the War Memorial Programs at Sand Dam. This was Dr. Paul's pet project for the youth of Troy.

We are sad to report the passing of four life-long residents of Troy this past year. Henry Rouleau who was the holder of the Boston Post Cane, a very proud man who lived and worked in Troy most of his life.

Harriett Brown, a former long-time Visiting Nurse, a strong supporter of the Daughters of the American Revolution and a life-long member of the Trojan Grange. Harriett, in younger years, was very active in town functions.

The Town Treasurer from way back over 28 years and School Board 13 years Mr. Roger Smith, also a long-time superintendent of the Troy Water Department, will long be remembered by local residents as being involved in Town affairs and committees for years. A truly dedicated man to the Town of Troy.

A long-time Town Clerk whose office was in her home for years, Vivian Abare, who also served the town faithfully till near the end as Secretary of TEASI. She will be missed by all.

The people we have just mentioned were life-long volunteers, the kind of people who put in many hours to help keep the town functioning and improving to what it is today.

Again, we commend the Art Festival for being bigger and better and in taste with the type of get together that the residents seem to want. It seems to be an old home day to many that attend. Please keep up the good work, you did great John Callahan, Sr.

From the reports in this report you can tell we have a great base-

ball program for the children and a good summer program. A reminder, these programs need volunteers to keep active, always looking for new members.

Again thanks Senior Citizens for the flowers in Town, they are well appreciated.

We again this year thank the Police Chief and his officers for maintaining peace and quiet in the town, the low key used to solve problems when they arise, and the assistance given where needed.

In the coming year we hope we can maintain the services that are provided in town. With the higher cost of insurance, home health care and services, we will insure people will get the care need by those who can not pay. But, we ask that requests for assistance be necessary so that the really needy can be provided for; so no one goes without.

Our Town Clerk's office is still open 37 hours a week as posted to serve you as you require in the transaction of Town business. We hope the posted hours as posted are convenient to those who commute to work. We have not heard otherwise.

We thank those who have come forward and assisted when needed. A good example was during Hurricane Gloria.

We look forward to a good year.

TROY CEMETERY COMMITTEE

The Cemetery Committee was very pleased with the work accomplished during the year. Grave lots, stone markers, fences and road were repaired. A stone wall was built around the flag pole that was given to the town by Ellinor L. Harkins in memory of her husband, Robert W. Harkins, Sr.

We had some very willing helpers, with Mr. Hurst building the stone wall and Jay Rollins and Russell McDermott doing the mowing and general maintenance work.

TROY POLICE DEPARTMENT

The Troy Police Department is pleased to report that we have had a decrease in the number of major crimes. We attribute this decrease to the awareness and cooperation on the part of the residents of the Town of Troy and to the amount of additional police exposure during the past year.

The Police Department wishes to thank the residents of Troy for their timely and accurate reporting of crimes committed as well as the reporting of suspicious persons and vehicles. These actions are of great assistance to us in resolving and preventing crimes.

The Troy Police Department, with the cooperation of the Troy Schools, businesses and civic groups, plans this year to institute the Child Safe Video Program for the identification of missing children should the need arise. The children will be filmed on video tape from each side, in motion, and asked a few pertinent questions such as name, address, etc. The filming of a moving, speaking child gives a more accurate picture than still photographs and has helped greatly in identifying and returning missing children to their homes. There will also be an up-date on the finger print cards. Explanation sheets and permission slips will be issued through the schools. This service will also be available for pre-school children upon request of their parents.

All Troy officers have completed and successfully passed the mandatory training program that became effective on January 1, 1985.

I would like to thank all police department personnel for their efforts in achieving our goals and in doing so within our budget limits.

Respectfully Submitted,

Elmer E. Gladding

WELFARE DEPARTMENT

Effective January 1, 1986, the welfare laws have changed. Additional liabilities have been imposed on the town which will substantially increase local aid to qualified persons.

Some areas of liability previously under the towns will now become the liability of the County and State.

It is unknown at this time what impact the additional liabilities will have on the Town of Troy. We will continue to make every effort to assure that our elderly, handicapped, and other qualified applicants receive assistance as needed.

Many thanks to "Stonewoods'" for the free home delivery service they will provide for the sick, elderly and handicapped. The service will be for food and other necessities.

ANNUAL REPORT

This past year, Home Health Care and Community Services has provided home and community based services to the residents of Troy as in previous years. These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and service fees. Those that could not be covered by outside funding have been supported by your town.

The following statistical and financial information represents our agency's activities in your community during fiscal year 1985.

HOME HEALTH CARE AND COMMUNITY SERVICES
FINANCIAL REPORT

The total cost of free services in your town this past year was \$16,682.00.

Funds applied toward the cost of free services were as follows:

Town Funds	\$7,150.00
County	2,698.00

The total deficit in 1985 for Troy is \$6,834.00.

On the basis of this past year's level of services provided to your town, an appropriation or budgeted figure of \$13,984.00 for home care services and \$1,925.00 for meals-on-wheels is recommended to cover the costs of anticipated activity in 1986.

ANIMAL CONTROL

During the past year, there has been a substantial increase in Animal Control activity.

The major complaints were on unrestrained dogs running at large.

Based on complaints received, this department has taken sixty-five dogs to the Humane Society during 1985. In most every case they were unlicensed, had no identification, and many were badly neglected.

Less than twenty dogs were reclaimed by their owners. Failure on the part of dog owners to provide adequate shelter, food or water falls within the "Cruelty to Animals" statute and may result in legal action.

I would like to thank Charles Adams, Animal Control Officer, and "Deputy Dog" Dan Breen for the outstanding job they have performed over the past year.

SOUTHWEST SOLID WASTE MANAGEMENT DISTRICT

I would like to take a few minutes to bring you up-to-date on the progress being made by the Southwest Solid Waste Management District to develop Waste Management Systems for the City of Keene and the 22 member towns.

As you will recall last spring, there was a serious division within the district not only as to direction but between members. Also there was a lack of understanding and education by not only district members but the public as a whole.

In July, 1985, as a result of the public hearing held by the State Solid Waste Management Board, the 149-M district remained intact and the Board suggested that subdistricts could be established where feasible and meeting federal and state regulations for Waste Management system. A 53-B subdistrict was formed consisting of the City of Keene and 9 other towns. It is possible that one or more additional subdistricts may be established in 1986, either through a group of several towns joined in a joint project or one town having a fully approved waste disposal method.

As of this writing, five additional towns have petitioned and been accepted to become members of the 53-B subdistrict. Warrant articles will be included for voter's acceptance at the town meetings this spring.

The District in the fall of 1985 reached two major conclusions:

1. That the District needed the talent of fully qualified engineers to assist and guide it's deliberations.
2. In order to develop the best Waste Management System(s) for the district, it must evaluate all logical alternatives.

The Engineering Firm of Kimball Chase which has had a hand in the Claremont, Portsmouth, Concord, etc. Waste systems development, was employed in November of 1985. Engineering analyses have been completed and there appears to be two logical alternatives for systems to be further evaluated.

1. A 250-350 Ton Per Day Waste-To-Energy Facility.
2. A Regional Lined and Monitored Landfill.

Further study and evaluation are proceeding in an orderly manner.

A target for proceeding with a Request for Proposal is scheduled

for this fall with vendor selection and analysis to be completed by early 1987. Construction is scheduled to begin sometime in 1987. This is not a simple task as it is not only the engineering aspect but financing and federal and state permitting.

The District is also proceeding to review the recycling requirements and to develop recommendations for solutions on a regional basis.

One misunderstanding that has arisen may be summed up by this question, "If my town is a 149-M member, why do I have to contribute to a 53-B Subdistrict?" Unfortunately, the RSA's provide that all municipalities must participate in and contribute to the research and planning for a Waste Management System. But the implementation of any system(s) can only be accomplished through a 53-B subdistrict that has been legally structured to finance, build, operate, etc. Thus, where 149-M expends some for research and planning with final recommendations for the system(s) to be placed in operation, the 53-B Subdistrict must expend funds for developing and Requests for Proposals through the final implementation. Thus, the two money items to be assessed to member municipalities are confusing but that is the result of legal legislation.

As we move to implementing Waste Management System(s), there will be required education with full understanding by voters in your municipality as well as the public in general. The District is planning educational and public relation programs which will impart full knowledge on engineering, pollution, finance, etc. The District meetings are open to the public and it is recommended that you urge your key people and other in your municipality to attend or present questions to the officers of the District. The officers or key District people will be happy to meet with any municipal groups upon request.

Periodically the District will advise you of its progress so that everyone will be fully informed.

It is hoped that this information will be of assistance to you.

Sincerely,

Robert Rieseberg
Chairman

TROY RECREATION WAR MEMORIAL PROGRAM

The Recreation Department was very busy this past summer with a large increase in the number of participants at Sand Dam and also an increase in the number of children taking swimming lessons.

The water quality at the Sand Dam was much improved this past summer because of Beaver Dams that were removed. The State is also monitoring the Troy Mills dump and reports there is no hazardous waste draining into the water.

The addition of the bathroom facilities at Farrar Field and the Sand Dam this past year were a much needed necessity.

The movies on the Common were again a big success this past summer with an average attendance of about 75.

We anticipate the attendance will continue to grow this summer with the return of Barry Cook as the summer Director.

TROY YOUTH BASEBALL ASSOCIATION

TO OUR SUPPORTERS AND FRIENDS:

This past year represented the first year as an organization for the Troy Youth Baseball Association and thanks to you, the townspeople, the town's officials and the area's businesses, 1985 was a highly successful year.

Through the volunteer efforts of many people, your financial support and the support of the town's officials at Town Meeting and throughout the year, the Association was able to achieve all of its first-year goals while resolving the various problems we encountered. We could not have been successful without your support.

Our primary objectives in 1985 included a revitalization of a girls' softball program, upgrading the baseball program, providing a positive atmosphere for the children so as to develop positive social values and character traits, and just as important, providing, and participating in, various town social functions for the general public. Regarding the Girls' Softball program, the Association exceeded its initial objective of providing equipment and field time to one or two expected teams by providing uniforms, as well, to all three teams involved. As for upgrading the youth baseball program, we again exceeded our expectations by providing much needed new equipment, and new uniforms for three of four Little League teams. The Little League also included one unexpected expansion team. The Association has not only been successful in these areas which require your financial support, but also in the areas of providing a positive atmosphere for the children, and participation in social functions. We could not have succeeded in these areas without the support of the fine volunteers who stepped forward to lend us a hand this past year. This support allowed us to provide, or participate in, various social functions including an Opening Day Parade, the Memorial Day Parade, a wet sponge toss at the Arts and Crafts Festival and the Haunted House held at the Town Hall. We are grateful for your support in these areas of success in 1985. However, our work in these areas is not yet done.

In 1986 we expect to complete our ambitious goal of upgrading the youth baseball and softball programs as well as to continue to be involved in the social activities of Troy. Further, we expect to strengthen our organization with the addition of new members and officers who are the lifeblood of any volunteer organization. In this area we need your support and dedication so we can continue to serve the 160 children involved in the program, their parents and you, the townspeople.

Finally, I would like to extend my sincere appreciation to all those people who made this first year of the Troy Youth Baseball

Association so successful. We look forward to your continued support in 1986.

Respectfully,
Paul W. Swift
President
Troy Youth Baseball Association

TROY INDUSTRIAL DEVELOPMENT COMMITTEE

The Industrial Development Committee has been meeting regularly the first Monday of each month since January 1985. There are eight active members and three serving in an advisory capacity. A two-sided, single page brochure (see pages 73 and 74 of this Town Report) has been printed and is currently being mailed to existing business concerns in New England and New York. Copies have been placed in certain locations and the committee would welcome additional distribution suggestions. The mass mailing of the brochure is designed to call attention to Troy's bid to attract industrial development. A file of back up information is being assembled to answer client's questions and to supply them with related materials for their development planning.

Roadside signs are currently being designed for both Route 12 approaches to Troy to catch the eye of the large number of persons passing through in the many cars, buses, and trucks.

The Mattala Lot (8.3 acres) just off Route 12 near the fire station has been surveyed and is currently being considered by a client. The Hayes Lot (11 acres) in the Industrial Park will be surveyed shortly. Residents having land they wish to sell for possible industrial development should make their site locations known to the committee.

A colored slide presentation is being prepared for possible use at industrial fairs and as sales pitch to appropriate groups. Residents' suggestions as to procedures, ideas, and designing would be welcomed by the committee. It is our town and we all favor sound economical growth and development.

Locate in Troy, New Hampshire

Troy has the distinct advantage of offering industrial relocation or building sites in a region of backyard vacation opportunities. New Hampshire has over 1,300 lakes and ponds, 32 state parks, many ski areas, and a four-season appeal with unlimited year-round events. The area boasts many fine inns for dining, three colleges, several banks, highly competitive warehouse-type food stores, several shopping malls, machine shops, a fine 180-bed hospital, and many recreational sites for boating, swimming, and picnicking. The climate of the Monadnock Region offers something for everyone with cool summer nights and sunny, blue-sky days. Ample snow cover from December on insures downhill and cross-country skiers many fun-filled days. In short, the quality of life in New Hampshire is most worthy of thought when a business decides to locate or relocate.

Troy village boasts a modern sewage plant, full-time police coverage, an excellent volunteer fire department, ambulance service, membership in the Southwestern Mutual Aid System, a fine elementary school, one bank, a library, and four churches. Secondary school students are bussed to a Regional School of 1,100 students only 10 miles away. The principal industrial employer, Troy Mills, Inc., a leading manufacturer of non-woven textile products, has been in operation for more than 120 years in its present location and is an integral part of the community.

Troy's southwestern New Hampshire location places it only 12 miles from the Massachusetts border and 19 miles from Vermont. Within a radius of 40 miles are a number of excellent residential and commercial centers including Keene, Peterborough, Dublin, and Jaffrey, New Hampshire; Greenfield, Gardner, Athol and Fitchburg, Massachusetts, and Brattleboro, Vermont.

The quality of life in New Hampshire is enhanced by a record of stable employment and a diversified labor force with a steady growth rate. New Hampshire has the lowest crime rate in New England, the lowest per capita state tax rate in the nation, and there is no personal state tax on earned income or general sales tax.

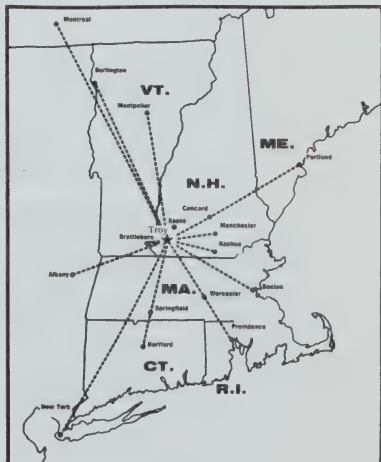

The Monadnock Region is noted for its exceptional fall foliage displays. There are summer theatre groups, an outstanding lecture series, frequent band and group instrumental concerts, college cultural offerings, square, folk, and contra dances, craft fairs, county fairs, and senior citizen activities. With Boston and its airport only two hours away, New Hampshire has the world at its door while enjoying tranquility in one's daily life.

Won't you give Troy a "good hard look" by calling one of the numbers listed for detailed information. Request a team of Troy committee persons to meet with your representatives. A slide presentation will be available with committee narrators to document Troy's unique lifestyle.

Looking for a Location?

Discover Troy in southwestern New Hampshire, an industry-oriented town of over 2,300, nestled in the shadows of majestic Mount Monadnock, the second most-climbed mountain in the world. Troy is served by the north-south access of Route 12 and is only a few miles from Interstates 89, 91, and 93. It is approximately 80 miles from Boston, 60 miles from Concord, NH, and 250 miles from New York City.

An all-weather airline in Keene (9 miles) maintains daily round-trip flights to Boston, New York City, Newark and Philadelphia, and a major bus line services Troy daily.

There are currently industrial sites available of 11 and 14 acres. Privately owned land is available, subject to intended use determination.

CHESTERFIELD CABLEVISION

Chesterfield Cablevision is pleased to report that as of December 1985, the proposed original system was completed with one exception, and over half of the homes that can be served by cable are subscribing. In 1986 we have a planned extension of over one mile up the Richmond Road, and we are just a few days away from providing service in the trailer park off of Dort Street. We are pleased to report that in spite of initial delays the system is virtually complete and working very well.

TROY PLANING BOARD

The Planning Board continues to meet on the first and third Wednesday of each month at 7:30 p.m., in the Town Hall. Any interested residents are encouraged and welcome to attend meetings.

This past year of 1985 proved to be an eventful one for the Planning Board in which several accomplishments were achieved.

One of the most significant was the adoption of the Site Plan Review Regulations that will effect non-residential site plans and multi-family development in excess of two (2) units. This regulation provides a guarantee to the town, and more importantly to the abutters of the site under development, that what is originally proposed and approved will be the finished product. An additional benefit of this is that it will help maintain an orderly pattern of growth for your town.

Also, the Planning Board, with the assistance of Southwest Regional Commission, was able to incorporate all of the current zoning and subdivision regulation into one loose leaf unit for easy referral. These booklets can be obtained from the Town Clerk's Office.

During the year the Planning Board approved four (4) subdivisions and one (1) boundary line adjustment and was able to return in excess of \$180.00 to the Town fund. This does not include any revenue from the sale of the Planning and Land Use Regulations Booklets.

The Planning Board was saddened by the passing of (Mrs.) Beverly Theroux this past summer. She was an exemplary secretary who was very devoted to the task and the varied duties incumbent of the position.

Many thanks to Ron Jacques for his untiring efforts and leadership before retiring as chairman, and to the members of the Board for their devotion and sincerity to the board's activities.

TROY EMERGENCY AND AMBULANCE SERVICE, INC.

Year end reports are always a hassle...and usually full of boring facts and figures. As a long-time member and as President of TEASI, I would like to say that there is nothing boring about TEASI's report. We have great corporate officers and an excellent crew. My next few words will be dedicated to them.

Most everyone HAS to work...and in exchange for working, one usually receives payment of one kind or another, commonly known as a paycheck. There are approximately 16 hard-working people, that have no set hours, no sick-pay, no vacations, no fancy benefits. They must run at a moments notice regardless of weather, re-arrange personal lives, and give many hours to education. Their only paycheck is the satisfaction of helping others. I am talking about our Volunteer Crew of TEASI, some that have been with us for our full 10 years of service, some that have just joined and are excited and eager to become one of these rare people. Dedication seems like such a small reason to have such a team behind our ambulance...a dream was developed, but it is dedication that keeps it a reality. Dedication and love of helping others, of having the satisfaction of knowing that someone still cares, keeps our members going. What do we need? More of what we have...people who like to help people. If someone is out there, that has these qualities....come join us....we would love to have you become a member. My hat goes off to our crew and my sincere thanks for being able to serve them as their president.

Last, but certainly not least, our thanks go to you, the people, for the continued support you offer. Your financial support has enabled us to continue with our free service and your moral support gives us the reason to continue.

Boring 1985 report? I don't think so. If there were more people in the world like TEASI has....there would be no need for recorded facts or figures. So, once again....hats off to our crew. You have done a wonderful job and as your president and a member of this town....many, many thanks.

Ray Woods
President TEASI

REPORT OF CHECK-LIST SUPERVISORS

The year 1986 brings 3 elections to the voters in the Town of Troy. We first have our own Town Election on March 11th, then the State Primary Election on September 9th. On November 4th we have the State General Election. Beside the election dates, we have two annual meetings. The annual school meeting takes place on March 4th at M.R.H.S. in Swanzey and our annual Town Meeting takes place on March 12th at Troy School Gym. We urge all of you to take advantage of these elections and meetings to exercise your right to vote.

We take this time to bring to your attention the many avenues a resident/voter in the Town of Troy has to register to vote or to make changes and/or any corrections on your voter registration card. The Supervisors of the Check-List will be holding eight (8) sessions this year for additions and/or corrections to the check-list. The meetings all take place at Troy Town Hall and will be on the following dates: February 22nd, March 1st, May 3rd, June 3rd, August 19th, August 30th, October 14th, and October 25th. Beside these specific meeting dates, you may register to vote or make any correction during regular business hours with our town clerk. You may make any address correction during any of these above times or by calling one of the supervisors at home. If you wish to change party affiliation, this must be done at one of our regular sessions mentioned above.

Since the State of New Hampshire now requires that we list your address on the check-list, we encourage all of you to make 1986 the year to up-date your registration card and make needed corrections. If you are not yet a registered voter than make this the year you register to vote!!

When you come to vote at the elections above why not stop by our table and check your registration card to see if it contains all the correct information?

Please feel free to contact one of us should you have any questions or any corrections concerning your voter registration cards.

Check-List are posted at The Monadnock Bank and the Town Clerks Office. Dates and times of meetings will be posted at these places plus at the Troy Post Office and in the Keene Sentinel.

Respectfully,

Supervisors of the Check-List

Marie Rouleau	242-6470
Mary Raitto	242-3098 (weekends and after 4:00 PM week-days)
Carrie Mattson	242-3354 (weekends and after 5:00 PM week-days)

GRAND MONADNOCK ARTS COUNCIL

The Grand Monadnock Arts Council, a non-profit community arts organization, has in the past years requested financial support from the Town of Troy. Your town has acted on our requests in the past, granting up to \$150 in support, for which we are deeply grateful.

The Arts Council is a major community arts organization, with services that benefit people in towns throughout the Monadnock Region. These are some of our programs:

- We act as a clearing house and resource center for arts information.
- We administer the Arts for Special Audiences program, funded by the Monadnock United Way, which sends performers and artists to nursing homes, Friendly Meal sites, day care centers, senior citizens groups and organizations that help the mentally and physically handicapped.
- We are the only regional loan center in this part of the state for the National Gallery of Art, providing film and slide shows free of charge to area schools, organizations and individuals.
- We recently initiated and received funding (Dewing Foundation Grant and gift from the Friends of the Keene Public Library) for a program that sends artists and performers bimonthly to the Keene Public Library to enrich their story hours.
- We also recently developed and are presenting a cultural series, free to the public, with the Horatio Colony Museum.
- We are working on an active "Arts in Public Places Program" thus far involving Peerless Insurance Company and the Cheshire County Courthouse.

If you would like more information about the Arts Council and its service programs, please feel free to call the office at 357-3906. Thank you in advance for listing the Arts Council's request in your 1986 Warrant.

Sincerely,

Erika Radich
Executive Director

MINUTES OF TOWN MEETING - TROY, N.H. MARCH 12, 1985

The polls were opened at 10:00 AM by Moderator Peter Howe at the Troy Town Hall. The polls remained open until 7:00 PM.

The meeting to take up the warrant was opened by Moderator Peter Howe at the Troy School Auditorium on School Street at 7:30 PM on March 13, 1985. The salute to the flag was led by the Troy Boy Scout Troop #309 and the invocation was given by Rev. Mark Pride of the Troy Congregational Church.

Moderator Howe thanked David Dahl of the Troy School for providing the sound system for our use.

- c. Fire Department 19,500.00
- d. Overseer of Poor 21,000.00
- e. Dogs 1,000.00

Wayne Kennison and Mark Dill raised the question as to why the fire box at the fire station was not in working order at the time of their fire on February 11, 1985. According to the Warrent and minutes of the 1983 town business, Article 12, a fire box at the Fire Station and another at the Town Hall were to be in working order. Clif Cole, Fire Chief answered that because of the Telephone Co. changing poles all through town, and wires have not been replaced. Passed as read.

ARTICLE 8. To see if the Town will vote to raise and appropriate \$12,000.00 for the care of cemeteries. \$11,000.00 to come from the Trust Funds, as recommended by the Budget Committee and Selectmen. Passed as Read.

ARTICLE 9. To see if the Town will authorize the Selectmen to expend the Highway Block Grant of \$27,535.00 that the Town received from the State for the calendar year 1985 for maintenance, construction and reconstruction of Class IV and Class V Highways. Recommended by the Budget Committee and Selectmen. Passed as read.

ARTICLE 10. To see if the Town will vote to raise \$123,710.00 for the Water/Sewer Department. Budget Committee Recommendation: \$100,000.00 Selectmen recommendation \$123,710.00. David Hunt suggested that because of income from Water/Sewer bills that the amount be amended to read \$100,000.00. Fred Lawrence stated that the department had requested \$123,710.00 to cover any unforeseen breakdowns which would require immediate monies to cover cost. Amendment defeated. Passed as read.

ARTICLE 11. To see if the Town will vote to raise and appropriate \$15,610.00 for the Gay-Kimball Library as recommended by the Budget Committee and Selectmen. Passed as read.

ARTICLE 12. To see if the Town will vote a sum of money \$163,747.00 for the payment of Sewer Bonds. Income from the State of New Hampshire will be \$133,485.90. Recommended by Budget Committee and Selectmen. Passed as read.

ARTICLE 13. To see if the Town will vote to raise and appropriate \$5,000.00 to be used by the Troy Industrial Development Committee. The expenditure of money to be used by the Committee with the approval of the majority of Selectmen for expenditures involved in promoting the development of the Troy Industrial Park. Budget Committee Recommended \$2,500.00. Selectmen Recommended \$5,000.00.

There was much discussion regarding the need for \$5,000.00 for a committee just getting started. Questions were asked as to where the money was spent from previous committee. Not having the answer someone suggested that that information be located. Wayne Kennison said that most of this year's budget would be spent for a brochure telling what the Town of Troy was in hopes of accomplishing with the Industrial Park. Suggestion was that the article be amended to read \$2,500.00.

ARTICLE 13. To see if the Town will vote to raise and appropriate \$2,500.00 to be used by the Troy Industrial Development Committee. The expenditure of money to be used by the Committee with the approval of the majority of Selectmen for expenditures involved in promoting the development of the Troy Industrial Park. Passed as amended.

ARTICLE 14. To see if the Town will raise and appropriate the sum of \$1,000.00 for Forest Fire suppression as recommended by the Budget Committee and Selectmen. Passed as read.

ARTICLE 15. To see if the Town will vote to raise and appropriate and authorize the withdrawal of this sum for this purpose from the Revenue Sharing Fund established under provisions of the State and Local Assistance Act of 1972 as amended for the Capital Reserve Funds for the following specific purposes and in the amounts indicated herewith or take any other action thereof. Recommended by Budget Committee and Selectmen.

a. Reassessment of Town (1986)	\$1,500.00
b. Police Department	2,000.00
c. Fire Department	3,000.00
d. Highway Department	3,000.00

Passed as read.

ARTICLE 16. To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under provisions of the State and Local Assistance Act of 1972 for use as appropriations for the following specific purposes and in amounts indicated herewith or take any other action hereon. As recommended by the Budget Committee and Selectmen.

a. Gay Kimball Library	\$2,000.00
b. Senior Citizens	1,000.00
c. Town buildings - General Repair	4,000.00

Passed as read.

ARTICLE 17. To see if the Town will vote to authorize the Selectmen to withdraw \$10,000.00 from the Capital Reserve Fund for the Highway Department to be used for the purchase of equipment and property as it becomes available if it is deemed necessary and advisable by the Selectmen. Recommended by Budget Committee and Selectmen.

Wayne Kennison asked what the equipment might be and Harlan Mitchell stated that the present sander was old and tired and they were looking for another second hand one in good condition. Bill Matson stated that the Town has a chance to purchase the State Barn on Route 12 when the new State barn further north on 12 was completed, and we would need the money available if need be. Passed as read.

ARTICLE 18. To see if the Town will vote to authorize the Board of Water/Sewer Commissioners to transfer \$8,000.00 from unencumbered funds from the operation of the sewer system to the Capital Reserve Fund created under Article 20 of the 1984 Annual Meeting of the Town of Troy to provide for capital improvements and capital equipment pertaining to the sewer system or the sewage treatment facilities. Passed as read.

ARTICLE 19. To see if the Town will vote to raise and appropriate \$13,000.00 for a Veterans' War Memorial that has been selected and recommended by the committee appointed for that purpose as voted in Article 28 of the 1984 Town Meeting. The funding, if voted, can be for one year or over a longer period as the voters desire. The terms of the existing committee should be extended until the project is completed. Not recommended by the Budget Committee. Recommended by Selectmen.

Paul Theroux suggested that the Memorial be paid for through donations instead of taking monies from the budget. George Dubina stated that we already have a Memorial on South Street, and questioned having a second. After much discussion, article Passed as read.

ARTICLE 20. To see if the Town will vote to accept the necessary amount of land from Map 1 Lot 3 & 4 of the Tax Map, now owned by James and Carolyn Walsh, to allow the Selectmen to lay out a town road of about 300 ft. +/- . The cost of construction, maintenance and plowing to be the responsibility of the owner of Map 1 Lot 3 & 4 of the Troy Tax Map. Passed as read.

ARTICLE 21. To see if the Town will vote to grant to the Planning Board the authority to review and approve or disapprove site plans for the development of tracts for non-residential uses or multi-family dwellings, which are defined as any structure containing more than two (2) dwelling units, whether or not such development includes a subdivision or resubdivision of the site; pursuant to the provisions of RSA 674:43-44. Upon passage of this article it shall be the duty of the Town Clerk to file with the Cheshire County Registry of Deeds, a certificate showing that the Planning Board has been so authorized, giving the date of such authorization. Passed as read.

ARTICLE 22. To see if the Town of Troy will change the Town meeting day to the first Saturday morning after the Town Election Day. (By Petition.) Defeated

ARTICLE 23. To see if the Town of Troy will increase the Board of Selectmen pay from \$1,200.00 per person annually to \$3,700.00 per person annually and abolish the Administrative Assistant position to the Board of Select persons. (By petition.) Tabled 35 yes 14 no

ARTICLE 24. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:05 b. Passed as read.

ARTICLE 25. To see if the Town will vote to authorize the Selectmen to borrow money to pay charges and the interest thereon. Passed as read.

ARTICLE 26. To see if the Town will vote to authorize the Selectmen to transfer tax liens and convey property acquired by the Town by Tax Collector's Deed by Public Auction (or advertized bid) or in such manner as determined by the Selectmen as justice may require.
Passed as read.

ARTICLE 27. To hear reports or committees, agents, or officers here-
fore chosen and take any action relative.

Janet McCullough, Town Auditor, stated that she had heard rumors that the books of the Tax Collector were a disaster. She said that this was not ture, that the Tax Collector's books were in very good order and she had no problems in auditing.

Wayne Kennison commended the fire department for a job well done the morning of the fire at his garage/business.

The Street light committee was not present to make a report, however Bill Matson said that they had made the report that there were 59 lights that they recommended be removed. This is to be reviewed by the Highway Safety Committee and Planning Board. It was suggested that the Budget Committee be invited to this meeting as there is a charge from the Public Service Co. for removal of any lights.

Meeting adjourned at 10:30 PM.

Respectfully submitted,

Raelene Cummings
Town Clerk
