# ANNUAL REPORT OF THE TOWN OF CARROLL

YEAR ENDING DECEMBER 31, 2016

•

u

There are undoubtedly many worthy people, causes or subjects to whom or to which we could dedicate this year's Annual Report. However, it is our belief that there are none more worthy than the Employees of the Town of Carroll.

We are extremely fortunate to have a group of people who constantly "go above and beyond" any scope of work or job description which we might have. They are always ready and willing to do whatever task they have in front of them or are asked to perform. These are the people we call on any time of the day or night when someone is sick or hurt; or when someone is in trouble or in a dangerous situation. These are the people on whom we depend to make sure our water is flowing through the system and to take care of our roads, day and night, so we all may continue to go about our "business as usual." These are the people who answer wide-ranging questions (maybe after a lot of research!) and who keep our Town running smoothly. These are the people to whom we, as your Select Board, can turn at any time and for any reason and know that we will receive the attention required for whatever we are seeking. These are the people who continue to better themselves by attending classes and workshops, and increase and renew certifications and in so doing, work to improve their departments with updated knowledge, materials and equipment. These are the people who run and work in our Ambulance, Fire, Search and Rescue, Police, Highway, Water and Transfer Station Departments as well as the Library and our Administrative Offices.

And these are the people of whom we would be remiss if we did not speak to their dedication and loyalty. By the end of the year, they will have a combined total of 116 years of service to the Town of Carroll -- the continuity this provides is almost priceless! A heartfelt "Thank You" to our hard-working, caring and generous Employees: Scott Sonia, 13 years; Rebecca Pederson, and Tadd Bailey, 12 years; Greg Hogan, Maryclare Quigley and John Trammell, 11 years; Jeremy Oleson, 9 years; Kelly Trammell, 3 years (8 years since starting part time); Justin Washburn, 4 years; Brad Houston, 2 years; Andrew Shaheen, 1 year (3 years since starting part time); and Parker Wilson, 1 year; and Regular Part-Time: John Warren, 8 years; Tom McCorkhill, 4 years; and Rena Vecchio, 3 years (after 4 years as full time).

Sal W. Hank Stephan Hamilton	11/2/2016	

Stephan Hamilton Director of Municipal and Property Division New Hampshire Department of Revenue Administration Every year is busy – and this was no exception. And as with most years, this was not without its challenges! After an inspection of the Town Hall and Gym by the State Fire Marshall's Office, and getting prices to relieve the worst of the life safety code violations as well as to change the old big boiler (which we had been told could not be repaired the next it broke down), we made the very difficult decision to close down the gym and all of the Town Hall except for the Library, Offices and kitchen/meeting room. Knowing we had this looming in our future, we renewed the Building Committee and charged them with the task of looking at the possibility of a new building or complex to house the Fire and Police Departments and the Town Administrative Offices. This Committee has been ardently working to gather as much data as possible for us all to be able to make well-informed decisions when the time comes.

Early in the year, we received a letter of thanks and praise from Littleton Regional Healthcare for the Twin Mountain Fire and Rescue personnel *and* the taxpayers of Carroll for "your dedication to those living and visiting the North Country. Your actions and decisions have had a significant impact." This was in response to a patient experiencing a heart attack, and because of training our personnel have received and equipment they have been approved to purchase they were able to give the best possible treatment to the patient who, because of this, was transitioned safely and smoothly to the Littleton facility and thence to Dartmouth Hitchcock Medical Center. We note this letter to show how important you, the taxpayers, are!

Through the years there have been numerous discussions about the State Rooms and Meals tax: the amount of money that is generated in our town and sent to the State versus the amount that is returned to us as Revenue. The current formula is based on population and does not take into consideration whether the municipality has any businesses that generate taxes. Michael Hogan volunteered to advocate for the Town and through his research and interactions with the State was invited to testify several times when this subject and the formula used for distribution were being addressed in Concord. We appreciate all of Mr. Hogan's work on our behalf and are all continuing to watch the process and results.

Among our projects was revising and adopting a new Employee Manual as there were numerous contradictions and areas that could be misinterpreted. This turned out to be a long process as we not only wanted to be sure the employees understood any changes made, but we wanted their input and involvement. Also several months ago, we began working on revising our Water Policy to include clearer instructions and representations of what our processes are. This is nearing completion and should be ready to be adopted by the Board soon.

Throughout all of this, we have had the ongoing project of working on our building permit process including what should be covered by the permit and the fee structure. Regrettably, our current Building Inspector/Code Enforcement Officer has suffered a very serious illness and has been unavailable for several months. We continue to send our best wishes to Stan during this time. Fortunately we have an interim replacement as Dave Scalley graciously volunteered his time and has been acting as Building Inspector/COE for the Town – and for which we thank Dave.

With the passing of the budget, we were able to add GIS mapping software to our town website. This enables quicker and easier searches of real estate in town, identifying abutters, help with zoning questions and generally improving the process of the Land Use boards. We have already noticed what a big help this this is in the offices.

In the summer we added a new fulltime position to the Public Works Department. Andrew Shaheen had already been part time at 29 hours a week at the Transfer Station and by increasing his hours to fulltime he has become an integral part of the whole Department, and with very little extra training time. His main focus will remain with the Transfer Station, however.

Lastly, as everyone knows by now, after nearly 28 years of service to the Town of Carroll, Sgt. William A. Smalley, III, retired from the Police Department last spring. On behalf of all in the Town of Carroll, thank you for all of your time "on the job," Bill!

## Carroll Police Department 2016

The Carroll Police Department has seen some notable changes in 2016. After 28 years of honorable service, Sergeant William Smalley III announced his retirement in March. Through many different changes in employees at the Department, Sgt. Smalley has been there to provide experience, guidance and training. Thank you for your service, Bill. We wish you well in your retirement but we know we will see you as you continue your service to Town as a part-time officer as well as a volunteer fireman.

With the new vacancy, Tadd Bailey was promoted from Corporal to Sergeant. In addition to regular duties, the Sergeant's title adds responsibilities such as assisting with the budget, equipment maintenance, training and submitting paperwork to necessary agencies. Sgt. Bailey is an asset to the Department and is sure to excel in his new position.

The Town is also patrolled by Justin Washburn as well as the newest officer, Parker Wilson. Officer Wilson was previously a police officer and came to the Town of Carroll fully certified thus providing a savings to the Town. Our part-time officers continue to assist the Department providing coverage during regular officer's days off, vacation and also act as extra coverage during peak times.

On both the national and local level, communities in 2016 have seen a rise in narcotic related activities and overdoses. The Town of Carroll has been no different. 29% of the Department's arrests have been drug related arrests. The second most common arrests are for alcohol related activities at 13%. The Department continues to work with other agencies to combat these issues and make positive changes.

From the entire Department, we would like to thank the residents for your continued support. It has been our pleasure to be of service to you.

John R. Trammell Police Chief

Twin Mountain Baptist Church (In the late 1800's this was also used as the Town Meeting House)

## Twin Mountain Fire Department 2016

The Twin Mountain Fire Department provides fire suppression, technical rescue, and fire prevention services for the Town of Carroll. The Fire Department responded to 108 calls in 2016. In addition to fire calls, department members attend bi-monthly meetings. These meetings include a general business meeting and a training session/drill. Some members dedicate even more of their time by attending New Hampshire Fire Academy classes. Eight members from the list of responders below have dedicated hundreds of hours to become certified by the State of NH as Firefighter II.

### Fire Department Responders for 2016

Tadd Bailey, Captain	Ben Jellison
Marc Brodeur, Deputy Chief Fire	Mike Kenly
Carl Brooks	Jeremy Oleson, Chief
Will Cunningham	Josh Robertson, 2 <sup>nd</sup> Lieutenant
Jeff Duncan	Michael Rouillard, 1 <sup>st</sup> Lieutenant
Shawn Grover	F. Michael Rouillard
Brad Houston	Bill Smalley
	John Trammell

2016 saw members of the Twin Mountain Fire Department complete different training disciplines. During the Spring Brad Houston, Josh Robertson and F. Michael Rouillard completed the 24 hour Swiftwater Rescue Technician 1 course. July of 2016 Brad Houston and Jeremy Oleson completed the 24 hour Tactical Emergency Casualty Care class at Sig Sauer Academy. In the Fall Marc Brodeur, Jeff Duncan, Shawn Grover and Michael Rouillard completed the 40 hour New Hampshire Fire Academy Rope Operations course. This was followed by the New Hampshire Fire Academy 40 hour Rope Technician course which was completed by Jeremy Oleson and Michael Rouillard.

Emergency calls occur at all hours of the day in all types of weather. Personnel response due to weather, work schedule and family obligations is a challenge. The fact that the Twin Mountain Fire Department is a multidiscipline department helps us perform at the highest level while at complex scenes. Life safety and property preservation are achieved even with limited resources.

The Twin Mountain Fire Department is always looking for new members. Please feel free to contact us for more information on becoming a member. Finding new interior firefighters is always ideal. Interior firefighting is just part of what we do. There are many other support type duties that need to be done to accomplish a successful outcome at an incident. If you would like to help your community please stop by and talk to us, you may have a skillset that will strengthen the department.

As always, we stand ready to serve you when you need us. Please feel free to contact us by phone 846-5545, by email, twinmountainfirerescue@townoffcarroll.org or visit our Facebook page with any comments or suggestions. Have a safe and healthy 2017.

Respectfully, Jeremy Oleson Fire Chief

Would you like to see what the pancake breakfasts can do for your sense of volunteerism? Do you think it would be fun to see the behind-the-scenes goings on of the Auxiliary? Consider joining us!

We are a group of volunteers who help the Fire Department and Ambulance squad, primarily through assisting with training exercises, but also as needed at incident scenes, when we are called to do so by the Chief or Officer in charge.

More than anything else, the Auxiliary raises funds for specific items as requested by the Chief. The primary fundraisers are the annual Pancake Breakfasts. This year we extend a sincere thanks to Rob Gauthier for donating eggs for our use throughout the 2016 breakfast season. We also want to thank the Chief, Jeremy Oleson, for creating a sign for advertising the breakfast, which we anticipate will not be swept out onto Route 3 by strong winds, as happened to our previous sign.

This year, the Auxiliary was able to purchase mass shooting trauma kits, body armor and helmets to be used by the Chief, Jeremy Oleson and the Paramedic, Brad Houston, both of whom attended the Tactical Combat Casualty Care class at the Sig Sauer Academy, designed to train for this type of threat. The Auxiliary was also able to purchase additional rope rescue gear.

We extend our sincere thanks to Bonnie Moroney and Sandy Pothier for their years of dedicated service. Their help has been appreciated more than can be expressed, and we wish them the very best.

On behalf of the entire Auxiliary, past and present, we thank all of you who have supported us. The Pancake Breakfasts for 2017 will be held on the following dates, from 7:30 am through 10:30 am:

- Saturday July 1, 2017
- Saturday August 5,2017
- Saturday September 2, 2017
- Saturday October 7, 2017

Respectfully submitted, Karen Moran, President

### Twin Mountain Ambulance EMS Report for 2016

The Twin Mountain Ambulance, servicing the Town of Carroll and the unincorporated areas of Bean's Grant, Chandler's Purchase, Cutt's Grant, Low and Burbank's Purchase, Sargent's Purchase, and Thompson and Meserve's Purchase as a branch of the Twin Mountain Fire Department, would like to thank all members of the town for their continuing support.

Congratulations to Will Cunningham and Chris Sabbagh for obtaining their AEMT certification. This provides the town with two more advanced providers. We would like to welcome back Mike Kenly and thank Ed Daniels with assisting and developing a training program that will allow us to streamline our education requirements. The Twin Mountain Ambulance continues to provide the highest level of service possible and is well respected in the EMS community.

Twin Mountain Ambulance responded to 184 calls for service in 2016. Emergency calls range from motor vehicle collisions, ski area calls, injured hikers, snowmobile accidents, and non-traumatic sick person incidents. The Twin Mountain Ambulance would like to thank our mutual aid partners, Bethlehem Ambulance and Whitefield Fire Rescue. Also, thank you to Carroll Police Department, Carroll Public Works, NH Fish and Game, and State Police Troop F for their assistance over the past year. Thank you to all our members who faithfully respond to others in need at all hours of the day.

Yours in Service, Brad Houston Firefighter/Paramedic- Deputy Chief EMS The Library hosted New York Times best-selling author, Michael Tougais in August. Over 35 people attended this event making it the largest event held by the Library. Tougaus spoke on King Phillip's War although he is best known for his rescue-at-sea books which include "The Finest Hours." This event was funded by a grant of the New Hampshire Humanities Council.

Whitefield's own author Rebecca Matthews came out in April for a catered book release party. Dozens of people turned out for a reading and book signing.

Story Teller Simon Brooks came back again in the summer and entertained the public along with the kids from the Twin Mountain Parks & Recreation Camp. This program was funded by New Hampshire Kids, Books & Arts grant.

Overall circulation has seen an annual increase of a little over 200 items per year since 2014 with 2016 having 2,481 items checked out from the Library. Adult fiction is still the most popular item circulated followed by children's books followed by movies on DVD.

This summer the Library was visited weekly by the kids from the Twin Mountain Parks & Recreation Camp. Many new cards were issued and dozens of materials checked out each week. It's great to welcome these new patrons into the world of reading.

There was a large increase with inter-library loan circulation this year with over 200 items exchanged between this library and other New Hampshire libraries. This is a great service to patrons who want titles, movies and TV series not in our collection.

Library directional road signs where installed by Greg Hogan on Rt. 3 and 302 to help tourists and others know there is a public library on School Street. This also helps visitors in town who may need directions or Wifi service.

A large-screen Sony TV, a home theater system and a DVD player were generously donated by a townsperson. Valued at over \$500, these items will be used as a means of future fundraising.

The Library continues seasonal newspaper updates and frequent posts to the Facebook page. These include updates on new materials, books and DVDs, upcoming events and programs.

## **EMERGENCY MANAGEMENT**

## **Town of Carroll**

To: The Citizens of Carroll From: The Emergency Management Director

Please allow me to introduce myself. My name is John R. Gardiner and I have resided here for over thirty years. I served as your police chief from 1985 until 2006. Then from 2006 to 2012, I served as the police chief in Lancaster, NH, until my retirement. My background includes four years as a part-time firefighter and thirty-nine years full-time, in law enforcement.

Near the end of 2014, I was appointed Director of Emergency Management for the Town of Carroll, and serve at the pleasure of the Board of Selectmen. This position is established in accordance with both federal and state laws and is part of our local government.

One of my principal duties is to work with other town officials, to prepare an Emergency Operations Plan and to implement it, in time of need. These Emergency Operations Plans attempt to outline a positive and effective response to many varied incidents or disasters that might befall this community. These plans follow a template provided by our state emergency management and homeland security officials. These plans are not the definitive answer to every critical incident or disaster that might occur, but simply serve as a basis to begin an effective response.

You might ask what disaster or incident could possibly occur to our idyllic community that would cause disruption or fear. The emergency management team has identified at least 15-20 potential disruptions, both natural and man-made that could cause harm to this community. The natural disasters include forest fire, flooding with major erosion and landslides, also blizzards and ice events causing long term power outages and droughts with water disruption and outages. Man-made incidents include a multiple vehicle accident with injuries and death, possibly a hazardous material event causing a shutdown of vital roads and escape routes. A major food borne illness, or a pandemic sweeping the area could overload resources and cripple the local economy. A fire to a major resort, a plane crash, a train derailment and a bomb blast or bomb threat could disrupt our community. Then of course we are not immune to the threat of a terrorist attack in the form of a nuclear, biological or chemical means.

These incidents or disasters are the concern of everyone in the community and also the local, state, and federal governments. Each will try and do their part when called upon with resources and personnel. However, every response will depend on the severity of each incident, the extent or duration of the incident, and the resources available. We cannot assume that our government will respond immediately to our needs, and every citizen has to be part of the solution. Therefore it is incumbent, that you as a citizen take responsibility for your own security and survivability.

Ask yourself, am I prepared for an emergency? If I needed to suddenly leave the safety and security of my home, would I have the wherewithal to take the necessary items to ensure my future survival? If caught in a disaster while traveling away from home, do I have the means and ability to make it to a safe place, or even home again? Will I be able to contact love ones or be able to rendezvous with them in a safe place, when all communications are down?

FEMA, the Federal Emergency Management Agency, The U.S. Department of Homeland Security, and their counterparts in New Hampshire, The Department of Safety, Homeland Security & Emergency Management, have developed guidelines and brochures to help every citizen to prepare for critical incidents and disasters.

For instance the NH Department of Safety Homeland Security & Emergency Management, encourages everyone to 1) make an emergency kit for your home and vehicle, 2) make a family communications plan, 3) make a family evacuation plan, and 4) make a plan for people with inhome care needs. Please take a moment to go on-line and visit <u>www.nh.gov/readynh</u> or <u>www.ReadyNH.gov</u> for important information to get you started and to assist you in preparing for emergencies.

In addition, I have a *PowerPoint* program that I will present to any civic organization, church group or just a gathering of friends and neighbors, or any citizens wishing to learn more about preparing for disasters or critical incidents. The program is approximately 30 minutes long, not including a question and answer period afterwards.

For more information or to schedule a presentation you may contact me via email at <u>jrgardiner@roadrunner.com</u> or by phone at 846-5573.

# **MS-636 Budget**

**Route 3 South** 

#### WARRANT TOWN OF CARROLL 2017

To the inhabitants of the Town of Carroll of the County of Coos, and the State of New Hampshire, qualified to vote in town affairs:

#### FIRST SESSION

You are hereby notified to meet for the First (Deliberative) Session of the Annual Meeting, at the Presidential Ballroom at the Omni-Mount Washington Hotel, Bretton Woods in said Town of Carroll on February 8, 2017, at 6:30 PM. The First (Deliberative) Session will consist of explanation, discussion, and debate of the following warrant articles, and will afford those voters who are present the opportunity to propose, debate and adopt amendments to each warrant article, except those articles whose wording is prescribed by the state law.

#### SECOND SESSION

You are also notified for the Second Session of the Annual Town Meeting, to elect town officers by Official Ballot and to vote by Official Ballot on the warrant articles as they may have been amended at the First Session. The Second Session is to be held at the Town Hall, Twin Mountain on Tuesday, the 14th day of March 2017, at 8:00 AM in the forenoon (the polls are to open at 8:00 AM and may not close prior to 7:00 PM) to act on the following:

#### Article 1. Election of Town Officers

- (1) Selectman 3 year term
- (1) Treasurer -1 year term
- (1) Library Trustee 3 year term
- (1) Trustee of Trust Funds 3 year term
- (1) Cemetery Trustee -- 3 year term
- (1) Supervisor of the Checklist 1 year
- (1) Planning Board 3 year term
- (1) Planning Board 3 year term
- (1) Planning Board 1 year term
- (1) Zoning Board of Adjustment 3 year term
- (1) Zoning Board of Adjustment 3 year term

2. Are you in favor of Amendment #1 as proposed by the Carroll Planning Board, to *amend* the Zoning Ordinance Article III by inserting Article III-a to add an Accessory Dwelling Unit ("ADU") as a permitted accessory use to single family dwellings in compliance with RSA 674:71 to 674:73.

3. To raise and appropriate as an Operating Budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the Warrant or as amended by vote of the First Session, for the purposes set forth therein, totaling sum of \$1,877,869 (One Million Eight Hundred Seventy Seven Thousand Eight Hundred Sixty Nine Dollars).

#### The Transfer Station/Recycling Center Budget will be offset by \$20,000 from the Recycling Special Revenue Fund established in 2001.

Should this article be defeated; the operating budget shall be \$1,775,847 (One Million Seven Hundred Seventy Five Thousand Eight Hundred Forty Seven Dollars) which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

## The Transfer Station/Recycling Center Budget will be offset by \$20,000 from the Recycling Special Revenue Fund established in 2001

4. To see if the Town will vote to raise and appropriate the sum of \$128,800 (One Hundred Twenty Eight Thousand Eight Hundred Dollars) to purchase a new Back Hoe-Loader for use by the Carroll Public Works Department, and to authorize the withdrawal of \$42,934 (Forty Two Thousand Nine Hundred Thirty Four Dollars) from the Water Capital Reserve Fund and \$85,866 (Eighty Five Thousand Eight Hundred Sixty Six Dollars) from the Highway Maintenance Special Revenue Fund, established in 2013 for this purpose. # **Minutes of the Meeting**

February 8, 2017

North on what is now State Route 115 (written on the back of the post card is John J. Craig, Prop.)

#### **TOWN OF CARROLL**

#### **DELIBERATIVE SESSION MEETING MINUTES**

#### **FEBRUARY 8, 2017**

Moderator Ben Jellison called the meeting to order at 6:40 PM with the Pledge of Allegiance to the flag and a moment of silence for our friends and neighbors who passed away in the past year.

The Moderator welcomed all in attendance and asked the Selectmen to introduce themselves. He thanked the Chamber of Commerce for arranging to have refreshments and went on to thank the Omni Mount Washington Hotel for providing them as well as the Presidential Ballroom in which we were able to hold this meeting. The Moderator then went over the ground rules for this session for an SB2 town and reminded everyone that the next session will be Tuesday, March 14, 2017, when the polls will be open from 8:00 a.m. to 7:00 p.m.

The Moderator proceeded with reading the articles.

#### Article 1. Election of Town Officers

- (1) Selectman 3 year term
- (1) Treasurer -1 year term
- (1) Library Trustee 3 year term
- (1) Trustee of Trust Funds 3 year term
- (1) Cemetery Trustee -- 3 year term
- (1) Supervisor of the Checklist -1 year
- (1) Planning Board 3 year term
- (1) Planning Board 3 year term
- (1) Planning Board 1 year term
- (1) Zoning Board of Adjustment 3 year term
- (1) Zoning Board of Adjustment 3 year term

David A. Scalley Annette L. Marquis John R. Gardiner John L. Foster Edward W. Martin Linda D. Finn Deborah Szauter Donna L. Foster Michael Hogan Bonnie J. Moroney

2. Are you in favor of Amendment #1 as proposed by the Carroll Planning Board, to *amend* the Zoning Ordinance Article III by inserting Article III-a to add an Accessory Dwelling Unit ("ADU") as a permitted accessory use to single family dwellings in compliance with RSA 674:71 to 674:73.

No Discussion.

Article 2 will appear as written on the official ballot.

**3.** To raise and appropriate as an Operating Budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the Warrant or as amended by vote of the First Session, for the purposes set forth therein, totaling sum of \$1,877,869 (One Million Eight Hundred Seventy Seven Thousand Eight Hundred Sixty Nine Dollars).

#### The Transfer Station/Recycling Center Budget will be offset by \$20,000 from the Recycling Special Revenue Fund established in 2001.

Should this article be defeated; the operating budget shall be \$1,775,847 (One Million Seven Hundred Seventy Five Thousand Eight Hundred Forty Seven Dollars) which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

## The Transfer Station/Recycling Center Budget will be offset by \$20,000 from the Recycling Special Revenue Fund established in 2001

No Discussion.

#### Article 3 will appear as written on the official ballot.

4. To see if the Town will vote to raise and appropriate the sum of \$128,800 (One Hundred Twenty Eight Thousand Eight Hundred Dollars) to purchase a new Back Hoe-Loader for use by the Carroll Public Works Department, and to authorize the withdrawal of \$42,934 (Forty Two Thousand Nine Hundred Thirty Four Dollars) from the Water Capital Reserve Fund and \$85,866 (Eighty Five Thousand Eight Hundred Sixty Six Dollars) from the Highway Maintenance Special Revenue Fund, established in 2013 for this purpose. No money to be raised from new taxation. The Selectmen recommend this 3 to 0.

Paul Bussiere made a motion to amend the article by removing the word "new" and Brian Mycko seconded. Rena Vecchio asked if they will look at new and used backhoes or just used and Selectman Bussiere said this would leave their options open for both.

#### Article 4 will appear as amended on the official ballot.

5. To see if the Town will vote to raise and appropriate the sum of \$60,000 (Sixty Thousand Dollars) for planning, design, consulting and documentation services for a public safety and administrative building to house the police and fire departments and town administrative offices, suitable for pricing by a registered Architectural Firm, including a not-to-exceed maximum guaranteed price, and to fund this appropriation by authorizing the withdrawal of that amount from the New Land and Buildings Capital Reserve Fund. No money to be raised from new taxation. The Selectmen recommend this 3 to 0.

Charles Whalen asked what the money is for so Imrie Szauter, Chairman of the Building Committee, explained how this came about – for a new building to possibly house the Police, Fire and town administrative office. This is the first phase, to pay professionals for a preliminary package proposal with construction drawings to bring to the voters. As this is a two-year process, Mr. Szauter said the second phase would be the warrant article for money and construction for the ballot in 2018.

#### Article 5 will appear as written on the official ballot.

6. To see if the Town will vote to raise and appropriate the sum of \$40,000 (Forty Thousand Dollars) to purchase and equip a new police vehicle and to authorize the withdrawal of this amount from the Police Cruiser Capital Reserve Fund. No money to be raised from new taxation. Selectmen recommend this 2 to 0.

No Discussion.

#### Article 6 will appear as written on the official ballot.

7. To see if the Town will vote to raise and appropriate the sum of \$24,000 (Twenty Four Thousand Dollars) to be placed in the Property Revaluation Capital Reserve Fund established in 2013 for the purpose of completing a total revaluation of the Town in 2017 – as mandated by the State, at five year intervals. This is the fifth and final installment to attain the total cost of \$120,000 (One Hundred Twenty Thousand Dollars) for the total process as quoted by our appraisal company. The Selectmen recommend this 3 to 0. \$.08 Impact on Tax Rate.

No Discussion.

#### Article 7 will appear as written on the official ballot.

8. To see if the Town will vote to raise and appropriate the sum of \$22,000 (Twenty-Two Thousand Dollars) for the purpose of purchasing an all-terrain vehicle, trailer and track kit, and to authorize the withdrawal of the amount from the Fire Department and Ambulance Equipment, Apparatus and Personnel Special Revenue Fund established for this purpose. No money to be raised from new taxation. Selectmen recommend 3 to 0.

No Discussion.

#### Article 8 will appear as written on the official ballot.

9. To see if the Town will vote to raise and appropriate the sum of \$15,000 (Fifteen Thousand Dollars) for the purpose of offsetting expenses related to ambulance operations, specifically hospital to hospital medical transfers of the sick and injured, and to authorize the withdrawal of

the amount from the Fire Department and Ambulance Equipment, Apparatus and Personnel Special Revenue Fund established for this purpose. No money to be raised from new taxation. Selectmen recommend 3 to 0.

No Discussion.

#### Article 9 will appear as written on the official ballot.

10. To see if the town will vote to raise and appropriate the amount of \$12,000 (Twelve Thousand Dollars) to fund Planning Board, Zoning Board of Appeals and the Property Inspector-Code Enforcement Officer's Salary and further to authorize the withdrawal of such amount from the Planning Special Revenue Fund established in 2006 for that purpose. No money to be raised from new taxation. Selectmen recommend 3 to 0.

Ron Wareing asked where the money comes from and it was explained that the monies come out of the Special Revenue Fund from monies received from permits.

#### Article 10 will appear as written on the official ballot.

11. To see if the Town will vote to establish a non-capital reserve fund under the provisions of RSA 35:1-c for the purpose of funding employment benefits due upon an employee's retirement or resignation, and to raise and appropriate the sum of \$10,000 (Ten Thousand Dollars) to be placed in this fund, and further to name the Selectmen as agents to expend from the fund. **Selectmen recommend 3 to 0. \$.04 Impact on Tax Rate.** 

No Discussion.

#### Article 11 will appear as written on the official ballot.

12. To see if the Town will vote to raise and appropriate the sum of \$9,500.00 (Nine Thousand Five Hundred Dollars) to be placed in the Water Department Capital Reserve Fund, said appropriation to be offset by water user fees. No money to be raised from new taxation. The Selectmen recommend this 3 to 0.

Ron Wareing asked if this would raise the water fees and was told no, that this is a wash.

#### Article 12 will appear as written on the official ballot.

13. To see if the Town will vote to raise and appropriate the sum of \$7,000 (Seven Thousand Dollars) for the purpose of purchasing vehicle stabilization equipment, and to authorize the withdrawal of the amount from the Fire Department and Ambulance Equipment, Apparatus and Personnel Special Revenue Fund established for this purpose. No money to be raised from new taxation. Selectmen recommend 3 to 0.

To answer John Foster's question of what this is, Jeremy Oleson, Fire Chief, said it is essentially a set of struts to stabilize the equipment or vehicle during a rescue operation. The money comes from Ambulance billing.

#### Article 13 will appear as written on the official ballot.

14. To see if the Town will vote to raise and appropriate the sum of \$6,000 (Six Thousand Dollars) for ground-water monitoring of the old landfill, to include paying for the engineer to take samples, produce reports and send the results to the Town and State and to pay the laboratory fees to process the samples and to authorize the withdrawal of the total amount from the existing Landfill Closure Trust Fund established for this purpose. No money to be raised from new taxation. The Selectmen recommend this 3 to 0.

Todd McClenathan asked if we had monitored this before and was informed that we do annually as the State mandates it. Michael Hogan asked if there is an end date and was told this will continue indefinitely.

#### Article 14 will appear as written on the official ballot.

15. To see if the Town will vote to raise and appropriate the sum of \$1,000 (One Thousand Dollars) for maintenance of the old landfill, to include actual physical maintenance, engineering and overseer expenses and to authorize the withdrawal of the total amount from the Landfill Closure Capital Reserve Fund established for this purpose. No money to be raised from new taxation. The Selectmen recommend this 3 to 0.

Bobbi Amirault noted that Article #14 and #15 had no taxation while Article #20 has a tax impact. It was stated that Article #20 is to add to the funds as eventually we could be required to cap the old landfill for which we will need money.

#### Article 15 will appear as written on the official ballot.

16. To see if the Town will vote to raise and appropriate \$35,000 (Thirty Five Thousand Dollars) to be placed in the Road Improvements Capital Reserve Fund. The Selectmen recommend this 3 to 0. \$.11 Impact on Tax Rate.

#### No Discussion.

#### Article 16 will appear as written on the official ballot.

17. To see if the Town will vote to raise and appropriate \$30,000 (Thirty Thousand Dollars) to be placed in the New Land & Building Capital Reserve Fund. The Selectmen recommend this 3 to 0. \$.10 Impact on Tax Rate.

No Discussion.

#### Article 17 will appear as written on the official ballot.

18. To see if the Town will vote to raise and appropriate \$18,000 (Eighteen Thousand Dollars) to be placed in the Police Cruiser Capital Reserve Fund. The Selectmen recommend this 3 to 0.
\$.06 Impact on Tax Rate.

No Discussion.

#### Article 18 will appear as written on the official ballot.

19. To see if the Town will vote to raise and appropriate \$15,000 (Fifteen Thousand Dollars) to be placed in the Municipal Truck Capital Reserve Fund. The Selectmen recommend this 3 to 0. \$.05 Impact on Tax Rate.

No Discussion.

#### Article 19 will appear as written on the official ballot.

20. To see if the Town will vote to raise and appropriate \$10,000 (Ten Thousand Dollars) to be placed in the Landfill Closure Capital Reserve Fund. The Selectmen recommend this 3 to 0. \$.04 Impact on Tax Rate.

After the discussion on Articles 14 and 15, Bonnie Moroney asked if this amount should be increased as we spend about \$7,000. John Foster said he believes the \$10,000, being the same amount as usual is so we don't fall behind. The Selectmen will research if this amount of money is enough every year.

#### Article 20 will appear as written on the official ballot.

21. To see if the Town will vote to raise and appropriate \$10,000 (Ten Thousand Dollars) to be placed in the Highway Equipment Capital Reserve Fund. The Selectmen recommend this 3 to 0. \$.04 Impact on Tax Rate.

No Discussion.

#### Article 21 will appear as written on the official ballot.

22. To see if the Town will vote to raise and appropriate \$4,000 (Two Thousand Dollars) to be placed in the Computer Technology Capital Reserve Fund. The Selectmen recommend this 3 to 0. \$.02 Impact on Tax Rate.

John Foster asked if we are up-to-date in the offices with computers. When advised they were about five years old, Mr. Foster suggested maybe more money should be put into this fund, and made a motion to amend it to \$6,000 and Bonnie Moroney seconded. During discussion it was noted the CRF has about \$9,000 currently, and Josh Robertson said we should be able to replace all four for around \$5,000. The vote was taken and the motion to amend failed by a show of cards, 22 to 20.

#### Article 22 will appear as written on the official ballot.

23. To see if the Town will vote to raise and appropriate \$2,000 (Two Thousand Dollars) to be placed in the Library Improvement Capital Reserve Fund. The Selectmen recommend this 3 to 0. \$.01 Impact on Tax Rate.

No Discussion.

#### Article 23 will appear as written on the official ballot.

24. To see if the Town will vote to raise and appropriate the sum of \$5,000 (Five Thousand Dollars) for the purpose of purchasing technical rope rescue equipment, and to authorize the withdrawal of the amount from the Fire Department and Ambulance Equipment, Apparatus and Personnel Special Revenue Fund established for this purpose. No money to be raised from new taxation. Selectmen recommend 3 to 0.

No Discussion.

#### Article 24 will appear as written on the official ballot.

25. To see if the Town will vote pursuant to RSA 80:80, to authorize the Board of Selectmen to sell tax deeded property, as justice may require, back to the owner of record at the time of the Tax Collector's Deed. This authority shall last indefinitely, until the town specifically votes to rescind such authority.

This article was recommended by Department of Revenue for the town to sell the property without having a warrant article every time a property needs to be sold.

#### Article 25 will appear as written on the official ballot.

26. Shall the Town of Carroll vote to adopt the provisions of RSA 72:28-b, All Veterans' Tax Credit? If adopted, the credit will be available to any resident, or the spouse or surviving spouse of any resident, who (1) served not less than 90 days on active service in the armed forces of the United States and was honorably discharged or an officer honorably separated from services and is not eligible for or receiving a credit under RSA 72:28 or RSA 72:35. If adopted, the credit granted will be \$500 (Five Hundred Dollars), the same amount as the standard or optional veterans' tax credit voted by the Town of Carroll under RSA 72:28.

No Discussion.

#### Article 26 will appear as written on the official ballot.

**27**. To see if the Town will vote to authorize the Select Board to enter into an agreement per RSA 149-M:17.IV to contract with the owner or owners of solid waste disposal facilities for the disposal of solid waste from the Town of Carroll.

It was explained this is basically a "housekeeping" article as it should have been done years ago when the Town changed from using a Town-owned facility to trucking waste elsewhere.

#### Article 27 will appear as written on the official ballot.

**28**. To see if the town will vote to adopt the provisions of RSA 72:61 through RSA 72:64 inclusively, which provide for an optional property tax exemption from the property's assessed value, for property tax purposes, for persons owning real property, which is equipped with solar energy systems, as defined in RSA 72:61, intended for use at the immediate site. Such property tax exemption shall be in the amount equal to 100% of the assessed value of qualifying equipment under these statutes.

It was explained the exemption is now a set amount of \$1,300. With each single solar panel currently assessed at approximately \$700 and much other equipment required, the cost has become very high. Therefore, this article will allow properties with solar power to have the exemption for the value of the assessment of their equipment.

#### Article 28 will appear as written on the official ballot.

29. To see if the Town will vote to raise and appropriate the sum of \$2,000 (Two Thousand Dollars) as the Town's contribution to help offset the costs for the Caleb Interfaith Volunteer Caregivers that serves the needs of elderly people in our community. Selectmen do not recommend 2 to 1. \$.01 Impact on Tax Rate.

Rena Vecchio asked which of the two Selectmen did not vote for this and why. Selectmen Bussiere and Mycko concurred that it should be up to the individuals to donate and not use the town's money. John Gardiner said we receive more aide than we donate.

#### Article 29 will appear as written on the official ballot.

**30**. To see if the Town will raise and appropriate the sum of \$2,000 (Two Thousand Dollars) to donate to the Tyler Blain House, Lancaster, NH, one of the only homeless shelters in northern NH. Selectmen do not recommend 2 to 1. \$.01 Impact on Tax Rate.

Bonnie Moroney said that we have used the Tyler Blain House many times. Selectman Bussiere reiterated that these are all great charities and it is his personal preference on how donations should be made.

#### Article 30 will appear as written on the official ballot.

#### A motion was made and seconded to dispense with reading Articles 31-39.

31. To see if the Town will vote to raise and appropriate the sum of \$356 (Three Hundred Fifty Six Dollars) as the Town's contribution to the American Red Cross. Selectmen recommend 3 to 0. \$.01 Impact on Tax Rate.

#### Article 31 will appear as written on the official ballot.

**32**. To see if the Town will vote to raise and appropriate the sum of \$500 (Five Hundred Dollars) for Court Appointed Special Advocates (CASA) of NH for recruiting, training and supervising volunteers who advocate in NH's courts for the best interests of abused and neglected children. Selectmen recommend 3 to 0. \$.01 Impact on Tax Rate.

#### Article 32 will appear as written on the official ballot.

**33**. To see if the Town will vote to raise and appropriate the sum of \$923 (Nine Hundred Twenty Three Dollars) as the Town's contribution to the Northern Human Services - White Mountain Mental Health and Common Ground, a non-profit mental health and development service center. Selectmen recommend 3 to 0. \$.01 Impact on Tax Rate.

#### Article 33 will appear as written on the official ballot.

34. To see if the Town will vote to raise and appropriate the sum of \$1,167 (One Thousand One Hundred Sixty Seven Dollars) as the Town's contribution to the Northwoods Home Health & Hospice Services, a division of Weeks Medical Center. The monies are used to provide home health care services to the residents of Carroll. Selectmen recommend 3 to 0. \$.01 Impact on Tax Rate.

#### Article 34 will appear as written on the official ballot.

35. To see if the Town will vote to raise and appropriate the sum of \$1,797 (One Thousand Seven Hundred Ninety Seven Dollars) payable to North Country Home Health & Hospice Agency, Inc. to help offset the support of the home health care, supportive care, medical hospice and community health programs and services of North Country Home Health & Hospice

Agency, Inc. and Hospice of the Littleton Area for the residents of Carroll. Selectmen recommend 3 to 0. \$.01 Impact on Tax Rate.

#### Article 35 will appear as written on the official ballot.

36. To see if the Town will vote to raise and appropriate the sum of \$830 (Eight Hundred Thirty Dollars) as the Town's contribution for Tri County Community Action Program in support of their services for residents in our community. Selectmen recommend 3 to 0. \$.01 Impact on Tax Rate.

#### Article 36 will appear as written on the official ballot.

**37**. To see if the Town will vote to raise and appropriate the sum of \$350 (Three Hundred Fifty Dollars) as the Town's contribution to help offset the costs of the Senior Meals Program run by Tri-County CAP, Inc., North Country Elder Programs for elderly residents in our community. **Selectmen recommend 3 to 0. \$.01 Impact on Tax Rate.** 

#### Article 37 will appear as written on the official ballot.

**38**. To see if the Town will vote to raise and appropriate the sum of \$500 (Five Hundred Dollars) to help support The Center for New Beginnings in Littleton, which provides counseling and mental health services to individuals throughout the North Country. The Center for New Beginnings provided services to 11 individuals Carroll residents in 2015. Selectmen recommend 3 to 0. \$.01 Impact on Tax Rate.

#### Article 38 will appear as written on the official ballot.

**39**. To see if the Town will vote to raise and appropriate the sum of \$1,250 (One Thousand Two Hundred Fifty Dollars) as the Town's contribution to help offset the support of preventative and primary health care services of Ammonoosuc Community Health Services, Inc. for the residents of Carroll. Selectmen recommend 3 to 0. \$.01 Impact on Tax Rate.

#### Article 39 will appear as written on the official ballot.

**40**. To see if the Town of Carroll will vote to raise and appropriate the sum of \$600 (Six Hundred Dollars) to be given to the NH 75<sup>th</sup> Squadron of the Civil Air Patrol, a 501 c (3) charity, recently formed with over 50 cadets and seniors to further Aerospace Education, active flying of CAP aircraft, instruction in flying gliders, Cyber Security, Rocketry, Drill, discipline, search and rescue and character development in our young people as embodied in the Civil Air Patrol for the past 75 years by Congressional Charter. This appropriation will be used for helping to reform the new unit in Whitefield, NH to feed additional members to other North Country locations

which has over 50 volunteers at Mt. Washington Regional Airport, over 600 volunteers in seven NH squadrons and over 57,000 unpaid volunteers throughout the United States. Recently the Civil Air Patrol was added to the military through the total force concept and they add Civilian strength as the only designated auxiliary of the United States Air Force. Most of these funds will be used to support those who cannot afford the costs of additional uniforms, encampments and other fees required to participate. The USAF pays for the purchase and maintenance of all aircraft for government authorized missions. BY PETITION Selectmen recommend 2 to 0. \$.01 Impact on Tax Rate.

Matt Materio said that there were approximately 35 students from the surrounding towns in the program. When asked, Mr. Materio said the NH 75<sup>th</sup> Squadron of the Civil Air Patrol is also asking \$600 from other towns. The cadets will be involved in search and rescue missions and part of the forest fire detail. Mrs. Vecchio asked why Selectmen voted to recommend this rather than no as on some of the others. They said they felt it was not a charity, but more educational.

#### Article 40 will appear as written on the official ballot.

41. To see if the Town will vote to raise and appropriate the sum of \$2,000 (Two Thousand Dollars) for the Coalition Communities in Portsmouth, New Hampshire; a group which consists of and represents 36 towns, including the Town of Carroll, in seeking a solution to the New Hampshire educational funding crisis by opposing the re-establishment of donor towns and by working to ensure that the statewide property tax can be used by the Town to fund its education assessment from the White Mountains Regional School District. Selectmen recommend 3 to 0. **\$.01 Impact on Tax Rate.** 

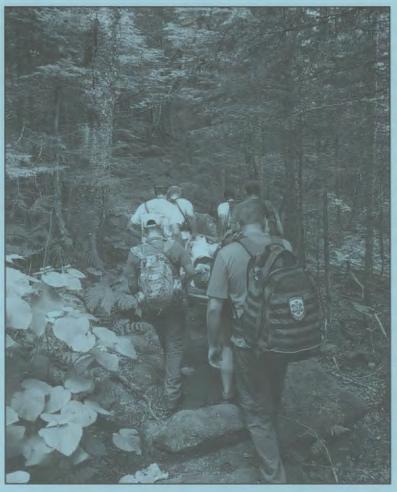

Bonnie Moroney explained what the coalition was for, saving wealthier towns from being "donor towns" to towns that don't have the money. They also watch the state for legislation and would work to oppose should the Supreme Court step in to make us a donor town again. It was noted their website has changed and they now use the city of Portsmouth website. John Gardiner stated at one time about \$.75 of every dollar left the town for the County and School.

#### Article 41 will appear as written on the official ballot.

There being no further discussion, Moderator Jellison declared a recess to Tuesday, March 14, 2017, when the polls will be open from 8 a.m. to 7 p.m.

The deliberative session ended at 7:49.

Respectfully submitted Rebecca J. Pederson Carroll Town Clerk

#### **PUBLIC WORKS**

#### **General Buildings**

During the year, the State Fire Marshall conducted an inspection of the Town Hall and identified a list of deficiencies with the building. The report of the fire marshal was reviewed by the Building Committee and Select Board. It was the recommendation of this group to close the Gym until the safety concerns can be addressed. This was a very difficult decision and is having an impact on all residents. The Building Committee is currently working on solutions that can hopefully enable our town to move forward in a positive direction. Although there may be varying opinions as to what is best for our future, please keep an eye out for these meetings. Your input is a valued part of this difficult process. Thank you to all who are working on this issue.

#### Highway

I am happy to report that the road crack sealing equipment is working out extremely well. This equipment is necessary to provide proper maintenance to roads that are in good shape. As we improve our infrastructure and repair/replace our roads, we will see future maintenance costs decline through use of this equipment.

Additionally, we replaced three culverts, performed roadside ditching, tree clearing and the typical weekly mowing.

#### **Transfer Station/Recycling Center**

The transfer station continues to be a tight running operation. Andrew and John do an excellent job at keeping things running smoothly along with maintaining the equipment. A big "thank you" goes out to all of the residents who support our recycling initiative.

#### Water

While many towns reported low water levels due to the extremely dry summer, I am happy to report that our water supply remains in good shape. A failed fire hydrant was replaced on Route 3 South, as well as two other hydrants that were rebuilt due to improper performance. More water leaks were identified and fixed this year while maintaining day to day operations of the Water Department.

In closing I would like to thank Scott Sonia, Andrew Shaheen and John Warren for all of their hard work and effort in keeping our small town running smoothly.

Greg Hogan Public Works Superintendent

# TRUSTEES OF THE TRUST FUNDS 2016

The Board of The Trustees of the Trust Funds wishes to thank all Department Heads who have taken the time to visit one of our monthly meetings to discuss their priorities for future projects, and to further explore changes in negotiations with the State of New Hampshire in detail. Our meetings are always open to the public and especially members of the community. They are held on the Third Thursday of the month at 1:00 PM, unless rescheduled and a notice posted.

These visits have allowed the Trustees to better forecast percentages for investment and a timetable for each individual account. This is a priority for us to further enhance our projections as to availability and need more effectively. Each department head needs to do his/her homework to plan for future budgeting ahead of time which should be the top priority, rather than a last-minute decision. Cooperation is the key to our future needs in this town as we continue to grow.

Investments made with adequate reimbursements have included over \$13,000 this year, an increase from 2015. We continue to research, review and stay ahead of our short term strategy and goals periodically.

Trustees of the Trust Funds

# TWIN MOUNTAIN PARKS & RECREATION COMMITTEE 2016

First off, the Twin Mountain Parks & Rec would like to thank all those who made donations to our events and to those "too numerous to list" volunteers who donated their time and skills.

2016 started off with the Bretton Woods Ski Program with approximately 70 children participating in either skiing or snowboarding. Although the conditions were less than desirable, the children still enjoyed a day on the slopes for the 6 week program.

In January we held a new event, Designer Bag Bingo. It was a tremendous success with over 100 avid bingo players competing to win 1 of 10 designer bags and raffle prizes.

Several local children participated in the Glow in the Dark Dance in February and the Mad Hatter Tea Party in March.

Our annual April Penny Sale was enjoyed by residents from Twin and surrounding towns with over 100 prizes for the many winners!

Our Summer Camp Program began in June and lasted for 8 weeks with a 1 week break in July. Approximately 50 children attended and enjoyed arts & crafts, swimming and a weekly field trip to local attractions, which included Story Land, Montshire Museum, Polar Caves, Weathervane Theater, AMC Highland Center, Squam Lake Science Center, and Santa's Village.

The annual Independence Day celebration, held on July 3<sup>rd</sup>, began with a children's Fishing Derby held at the "town pool" (many thanks to the NH Fish & Game for donating/stocking the trout) followed by a Corn Hole Tourney and Designer Bag & Bling Bingo. Activities continued with children's games, a dunk tank, pie-eating contest, food, and raffles and concluded with a spectacular fireworks show presented by Joel White.

Our final event of the year was a weekend of Halloween fun beginning with a costume Halloween Dance on Friday. The popular Halloween Haunted Trail was held on Saturday evening and despite raining late in the event, it did not deter those daring to walk the trail. With over 200 people braving the goons and goblins, several returned to walk and be scared on the trail again! The children's Trunk or Treat was held the following Sunday due to rain. Thank you to those people who decorated their trunks and provided candy for the younger children to enjoy.

Again, the Parks and Rec committee would like to thank everyone who helped to make these events a success. And, as always, all are welcome who would like to volunteer/participate on the committee.

Respectfully submitted,

Dianne Hogan, Treasurer Jackie Gardner, Secretary Bobbi Amirault, Member David Scalley, Select Board Rep Megan Rouillard, Chairperson Michael Hogan, Member Emily Robertson, Member

#### CEMETERY TRUSTEES 2016

We your Board of Trustees look at the significance of our three Town cemeteries not as just a place to bury those people who have passed through before us, but as a place of great historical value, since most of the founding families and early settlers of Carroll, Crawford Notch and in fact, a good portion of the White Mountains area are buried here.

Keeping budget constraints in mind, we began a cemetery restoration project with a grounds restoration and landscaping upgrade. A maintenance plan was established. A qualified maintenance contractor was hired to continue our maintenance program year to year at minimal expense.

Engraved granite posts were installed at each entrance of Rosebrook and Straw Cemeteries. A large engraved stone was placed at the entrance to Crawford Cemetery. The installation of these permanent markers will never have to be addressed again.

Posts and flags were installed at the entrances to each cemetery.

We completed restoring thirty broken and leaning stones. We will follow up with an acid cleaning of all headstones.

In addition to these projects we have completed cataloging gravesites so we can account for everyone there.

We would like to thank Mike and Miggy Rouillard, John Hanks, the Public Works Department, Greg, Scott, Andrew, all Town departments, Selectmen and voters in the Town of Carroll for your assistance.

We welcome your comments and any suggestions you may have for the future.

Route 3 South, July, 1946 (in front of property now owned by Jeremy & Erin Oleson)

Ed Martin, Chair Roberta McGee Mike Gooden The Building Committee was formed years ago to explore options for renovating or constructing new facilities for the police and fire departments and the town's administrative offices. Several proposals created by the Building Committee and recommended by the Board of Selectmen have been rejected by the voters.

In late 2016, the Board of Selectmen requested that the Building Committee resume an effort to evaluate the status of the current buildings housing public services and administrative offices and suggest a course of action to address the aging structures.

Currently, the police department resides in a leased building (2,900 sf, built in 1970) on US 3 south of US 302. The fire department resides in a town-owned building (4,755 sf, built in 1960) on US 3 north of US 302. The administrative offices, library, and food pantry are located in Town Hall, a former schoolhouse (11,552 sf, built in 1900) on School Street, northwest of the US 3 and US 302 intersection.

In November, 2016 the Building Committee began hosting public meetings every two weeks, during which it reviewed past efforts, discussed future options, and met with the architect who designed the Town of Franconia Public Safety Facility. Committee members also visited the Franconia facility to speak with representatives of the police and fire departments.

On January 31, 2017 the Building Committee hosted an informational session at Town Hall to inform the 50+ attendees of its recommendations and to invite questions and input from attendees. A formal presentation included past initiatives, current facility costs, a brief review of newly-constructed facilities in Franconia and Whitefield, and a 2017 warrant article to fund planning, design, consulting and documentation services for a public safety and administrative building to house the police and fire departments and town administrative offices.

If voters approve the 2017 warrant article, the Building Committee will move forward with recommendations for professional services to develop formal specifications for a combined public safety and administrative complex, and options for disposition of the current fire department building and Town Hall. During the course of the year, the Building Committee will host additional informational sessions to seek additional public input, answer questions, and provide progress reports.

When preliminary design and construction estimates are complete, the Building Committee will recommend a second warrant article to cover completion of the planning and design process, securing the necessary permits, and actual construction and furnishing of the facility.

Residents are invited to visit the Town of Carroll website at <u>http://www.townofcarroll.org</u> for announcements of Building Committee meetings, a copy of the January 31, 2017 informational session presentation, and other information. Questions and concerns may be forwarded to Imre Szauter, Building Committee Chair, at <u>iszauter@earthlink.net</u> or via telephone at 603-846-8039.

The Twin Mountain-Bretton Woods Chamber of Commerce would like to thank the Board of Selectmen and the residents of the Town of Carroll for their support during the past year. We appreciate this support from the local community and look forward to serving you in the coming year. In FY 2017, the Town of Carroll is allocated \$40,229.99 (based on 778 residents) from the Rooms and Meals tax fund as distributed by the State.

We believe having a vibrant Chamber whose members continue to work for the betterment of our Town can only help its economy. When the town center is attractive to visitors, it is more likely that someone will want to purchase property here. Today's visitor may be tomorrow's investor. Each time a commercial property is purchased and/or improved, it adds to the tax base and helps pay for community amenities and services. Having a vibrant town center is also important to having tourists purchase second homes in the village and in Bretton Woods, again increasing our tax base. We have a history of being a tourist community for almost 250 years and want to continue that tradition and be an integral part of our upcoming celebration. Having well cared for flowers and gardens as well as WiFi and information about our area presented by knowledgeable residents, Betty Gilman and Diane Talotta, allows us to make a great first impression as tourists come through town. Each year more and more people stop at our Information Booth and give us the opportunity to welcome them and introduce them to our town. All businesses in town are welcome to place their brochures, rack cards, or menus in the Information Booth while the print and web advertising is paid for separately by the Chamber members. We hope this gives you a sense of what the Chamber does and that you continue to support our efforts as we endeavor to work together for the best for the Town of Carroll.

Please find the 2016 accomplishments of the Twin Mountain-Bretton Woods Chamber of Commerce below:

- Delivered and stocked Twin Mountain-Bretton Woods brochures at NH State Rest Areas. Our new brochure is more vibrant and includes our local events and information on the area as well as the businesses. The event information is also included in our revitalized website which is also mobile friendly thereby enabling many more potential visitors to view what the Town of Carroll has to offer. This, in turn, will help bring more tourist dollars to sustain our established businesses and to welcome additional ones to our town.
- Continued the upkeep of the walkways and monument bases, planted and cared for the flowers and the shrub garden at the Booth. Opened and staffed the Information Booth during the 2016 summer/fall season for both greeting tourists and keeping the grounds clean.
- Provided a lighted tree, holiday lighting and seasonal decorations at the corner.
- Donated the porta-potty to the Recreation Committee for the Town Fireworks Celebration.
- Supported the North Country OHRV marketing efforts for snowmobiling and for the county.

- Participated in the Community Clean-Up Day.
- Paid the cost of locating a public porta-a-john at the Information Booth during the busy summer season.
- Provided accessible wireless internet at the corner for year round use.
- Awarded the Twin Mountain Chamber of Commerce Scholarship to three deserving high school seniors (Brodie Holmes, Amy Komisarek, and Ryan Hogan) from Carroll totaling \$600.
- Cooperated with the Chambers of Commerce in Coos County as well as with NH Grand to expand our cooperative marketing exposure. Facilitated Chamber brochures being included in five major shows including the Boston Ski Show, Boston Travel Show, and the Big E.
- Made a generous donation to "Toys for Tots."

We welcome all business owners and individuals to join the Chamber – to come and make a difference. It is our commitment to continue to do our part in maintaining the character of Carroll while continuing to promote our area as a tourist destination and to collectively promote and protect the business community within the Chamber of Commerce.

Respectfully Submitted, Carol Carlson Cunningham President

Board of Selectmen Town of Carroll PO Box 146 Twin Mountain , NH 03595

Dear Selectmen:

Tri-County Community Action/Coos County is requesting \$ 830.00 in funding from the Town of Carroll at your 2017 Town Meeting to help support its Community Contact programs. Community Contact is the field services arm of the Tri-County CAP. Our purpose is to assist low-income, elderly and disabled persons to solve problems and meet their physical and financial needs. We accomplish this by providing information, counseling, referrals, budget counseling, guidance and organizational assistance and by effectively linking households with CAP assistance programs and using community resources.

Below is the breakdown of assistance that the Coos County Community Contact office provided to the **57** residents of **Carroll** who have been served over the last year from July 1, 2015 and June 30, 2016:

Program	Households	Dollar Amounts
Fuel Assistance	28	\$ 23,145.00
Weatherization		
Electric Assistance	31	\$ 12,170.59
USDA Surplus Food allocated to local food pantry		\$2068.42
Total:		\$ 37,384.01

Tri-County Community Action provides necessary services for the less fortunate citizens in our communities, who would otherwise have to seek help from the town. We are depending upon funding from your town and neighboring communities countywide. The local funds are used to make available local intake and support for federal and state programs including Fuel Assistance, Electric Assistance, Homeless Prevention, Weatherization, and electric utility conservation programs. We are also the conduit through which the USDA Surplus food is distributed to the food pantries throughout Coos County.

We greatly appreciate the support and look forward to continued cooperation and partnership with your towns' residents, elected officials and staff. If you have any guestions, please do not hesitate to call me at 888-842-3835 x103.

Sincerely,

Lisa Hinckley Community Contact

## AMMONOOSUC COMMUNITY HEALTH SERVICES, INC. Town of Carroll

In 2015, ACHS celebrated 40 years of **providing comprehensive primary preventive health care to anyone**, *regardless of their ability to pay*. Support from the **Town of Carroll** is extremely important in our continued efforts to provide affordable health care services to the 26 rural towns in our service area. Our sliding fee scale for payment of services provides a vehicle for uninsured and underinsured patients to get the health care they need in a timely manner. Keeping just one patient out of the ER could save taxpayers \$1,000-\$1,500 (average cost of an ER visit).

Access to affordable dental and oral health care is difficult for many in the North Country who lack the means to pay for these services. Poor oral health can lead to many other serious health issues and often leads to costly hospital ER visits where the actual causes of the problem cannot be addressed. ACHS opened the first community oral health program in northern New Hampshire on the ACHS-Littleton campus in January of 2015. This program is available to all and we offer a sliding fee scale for payment to those who qualify. For more information about this program, please visit our website: www.ammonoosuc.org/services/dental.

#### TOWN OF CARROLL - 2016 ANNUAL REPORT

On behalf of Northwoods Home Health & Hospice, we want to thank you for your continued support. Without your investment in the mission of our agency and your continuing commitment to your neighbors, we could not have served the health care needs of many of your residents. Our mission states that we will ensure access to quality care within the communities in which our patients live, and provide local and high quality care with positive outcomes to our patients in Coos County while controlling the cost of care through innovative programs and the use of shared resources. We take great care, conservancy and management of our financial resources that we receive from the Town of Carroll and all of the towns throughout Coos County.

Northwoods Home Health & Hospice is one of only a few licensed Medicare Homecare certified agencies and the only Medicare Hospice provider in Coos County. The total number of home health and/or hospice visits provided to the residents of Carroll in 2016 were 100 visits. These visits were provided by registered nurses, licensed nursing assistants, social workers, physical and occupational therapists, and homemakers.

The following is a breakdown of the three distinct continuum of care models that we proudly provide to your community: (1) medical skilled care professionals licensed by either the New Hampshire Board of Medicine, Nursing or New Hampshire Office of Allied Health, (2) specially trained hospice professionals focusing on end of life care and (3) long term care professionals who provide supportive services to community members to help keep patients living independently in their communities for as long as possible. All medically necessary services are available 24 hours a day, seven days a week.

During the course of 2016, a lot of planning went in to the prospective of an early 2017 formal affiliation of North Country Home Health & Hospice (Littleton, NH) with the North Country Healthcare System. This is a very positive move for North Country Home Health & Hospice, being part of an outstanding healthcare system in the North Country, as it will allow us all to continue to provide patients with high quality, cost effective healthcare – in the home, along with many other positives that an affiliation can bring.

As part of this affiliation, Northwoods Home Health & Hospice and North Country Home Health & Hospice began the process of coming together. This is a very exciting and positive move forward to ensure financial stability for both Agencies, and continued access to high quality home health, hospice and support services.

In conclusion, we continue to be fully committed to providing the best possible care to you and your community members. You can depend on us as we always strive to provide the highest level of care possible in the comfort of your own home. We want to extend a very special thank you to all the residents of Carroll for their continued support of our quality home care and hospice services and we look forward to continuing to be there for you and your families.

Sincerely,

Michael J. Counter President

229 Cottage Street Littleton, NH 03561 www.centerfornewbeginnings.org info@centerfornewbeginnings.org 603-444-6465 FAX 603-444-6233

,

Dear North Country Neighbor:

The Center for New Beginnings has been quietly helping local individuals and families around the North Country, some of whom are your friends, family members, neighbors and employees, lead happier, more stable and productive lives for 30 years. The Center was founded with a main focus of services to victims of domestic violence and sexual assault.

Today our nonprofit organization is dedicated to improving the lives of people who struggle with depression, anxiety, grief, trauma, marital problems, and many other difficulties. The children and teenagers we see come with a myriad of challenges that reflect the social, cultural, and economic struggles of our time. We are also working hard to answer the need of those suffering with addiction – a widespread problem.

We are often asked "what makes you different from Northern Human Services?" We are not a federally funded community mental health center. We are an independent non-profit. We provide short term care for acute issues, rather than long term care for more chronic cases. There is a significant need for both types of services. We both have substantial wait lists, and are continuously looking to add more qualified providers.

Thankfully, with the Affordable Care Act, more and more of our clients have insurance coverage. However many of these policies carry high deductibles and co-pays. A deductible of three or five thousand dollars is not unusual – and for many this means getting help is out of their reach.

We are asking for your help to meet the needs of your community.

In 2016, The Center for New Beginnings provided services to <u>500 individuals</u>. <u>We logged 6300 patient</u> <u>appointments</u>. <u>Nine of our clients reside in Twin Mountain/Town of Carroll</u>. We are requesting \$500 from the town for the upcoming year. When we do have extra funds available, such as these town donations, we have the flexibility to assist our clients who have difficulty meeting their high deductibles or co-pays or a loss of insurance coverage.

When people are mentally healthy they are better employees, more conscientious parents, and are able to positively contribute to their communities. Healthy children do better in school, control behaviors that are disruptive in class, and grow up to be resilient adults. Individuals who are mentally stable are much less likely to commit crimes or wreak havoc among their families, coworkers, and acquaintances. Everyone benefits from a population that is mentally healthy.

Board of Selectmen Selectmen's Office PO Box 146 Twin Mountain, NH 03574

Dear Selectmen,

In 2016, 15 uninsured or under-insured people from the town of Carroll were seen at White Mountain Mental Health. Our cost for these services was \$9,640.64. This year we are asking for level funding from the town of Carroll in the amount of \$922.08 to help defray these costs.

Every year we ask our towns for support to help us to continue to offer discounted services on a sliding fee scale to people who are either uninsured or underinsured. Town contributions also help defray the cost of our 24 hour emergency services system which is not fully State funded and is very expensive but very important.

Without your support, we will be unable to continue to see these people, leading to much higher costs to the town in terms of law enforcement involvement, town welfare and issues like work absenteeism, domestic violence and even suicide.

If you would like a copy of the enclosed Director's Report in electronic form, please contact me at 603-444-5358 or at blyndes@northernhs.org.

Thank you for your continued support.

2016 Northern Human Services Director's Report

#### White Mountain Mental Health

I am happy to report that there has been a great deal of positive activity this year at Northern Human Services. It has not been a year without challenges, but challenges are opportunities to develop creative, efficient, accountable innovations. Some highlights:

- Very complex and ill people are now being intensively supported, 24/7, using a teambased treatment approach called "Assertive Community Treatment" (ACT). As a result, hospitalizations are avoided and community safety is increased.
- Our telemedicine services have been updated to a totally secure, web-based system. Telemedicine was adopted several years ago to meet the need for immediate evaluation of people who come to our local hospital emergency rooms in crisis. In partnership with all seven hospitals in the NHS service area, hours of wait time and costly and dangerous travel have been eliminated by this service.
- Children in need of expert evaluation by a Child Psychiatrist are being seen by a psychiatrist from Dartmouth via tele-medicine from our Littleton office. Without this innovative program, children from our area would need to travel to Lebanon and wait months for an appointment.
- People who commit non-violent crimes as the result of mental illness continue to be offered support, resources and treatment through our collaboration with the Grafton County Mental Health Court.
- In this tough economy, employment is a huge challenge for many of our clients. To respond to this need, we have hired an additional Supported Employment Specialist, trained in assisting persons with mental illness to seek, obtain and keep jobs. This is one of the "evidence-based practices" we have implemented, using methods that have been proven to be effective in studies across the country.
- We continue to offer our staff high quality continuing education through a contract with an online learning company, saving substantial money and time and offering our employees a huge array of educational options.

All of these varied activities depend on the support of our towns. This year we served 15 people from the Town of Carroll, providing 46.43 hours of counseling. Of these hours, 13.18 were provided to persons in crisis who needed immediate, sometimes life-saving, intervention. Even when a community does not have a large number of uninsured persons seen during the year, your funding helps us maintain our all-important 24/7 emergency services system, with a psychiatrist always on call, which is so costly for us to maintain but so important for the community.

Thank you for your continued support of our services. We want to be here when you need us.

Respectfully Submitted,

Jane C. MacKay, LICSW Area Director

Board of Selectmen Town of Carroll PO Box 146 Twin Mountain, NH 03595

Dear Board of Selectmen,

On behalf of Court Appointed Special Advocates (CASA) of New Hampshire, I am writing to respectfully request inclusion in the Town of Carroll's 2017 budget. CASA of New Hampshire is a statewide, nonprofit organization that recruits, screens and trains volunteers to advocate for victimized children in New Hampshire courts.

When an abused or neglected child is thrust into the confusion of the court or foster care system, our trained Volunteer Advocates are there to offer stability and support to a child in need. CASA Volunteer Advocates present their recommendations directly to the judge, thereby ensuring that the child's best interest is being considered at every step of the case. We are the only nonprofit organization in the state to carry out this important work.

Currently, our Volunteer Advocates speak on behalf of 80% of our state's abused children who come to the attention of New Hampshire's family courts through no fault of their own. As the heroin epidemic continues to shake communities across the state, we have faced a significant increase in the number of children in need of advocates. Your support is vital to ensuring that the children who have been affected by their parents' and caregivers' addiction have the chance to grow up in a safe, loving home.

These children come from towns and cities across the state, including the Town of Carroll. Our volunteers also live and serve in these communities. The chart below shows the children and advocates in your area.

	In Coos County alon	e:	Statewide:
16 MBERS	50*	Children served	1,198
20 20	15	Volunteers	· 465
HEY	23682	Miles traveled	473,479
	2823	Hours of volunteer time	67,813
		Value of volunteer advocacy provided	Over \$4M

\* This number includes children who use your towns' schools and resources and live with foster parents or extended family members in your community. (July 1, 2015-June 30, 2016).

(Due to the confidential nature of our work, numbers for your town cannot be released.)

CASA of NH continually strives to serve 100% of NH's children in need of compassionate advocates. We believe it is critical that a competent and caring adult stand up for each and every abused child. By ensuring them a safe, permanent home, we give these children the chance to become healthy productive adults. We respectfully request your consideration for funding of **\$500.00** in your 2017 budget. With your support, CASA can continue to make a difference in the lives of abused children.

Respectfully,

Marcia R. Sink President and CEO

 Re: HB 429
 Date: February 17, 2017

Chairman Hinch and Members of the House Legislative Administration Committee:

The Coalition Communities, a group of communities that are former "donor" communities, do not support HB 429 because it proposes that any laws made relative to an adequate public education "shall be incontestable and not subject to review by any court." The Coalition Communities do not support HB 429 because this type of unprecedented statutory language violates Articles in both our Federal and State Constitution regarding the Separation of Powers.

In the government of this state, the three essential powers thereof, to wit, the legislative, executive, and judicial, out to be kept as separate from, and independent of, each other, as the nature of a free government will admit, or as is consistent with the chain of connection that binds the whole fabric of the constitution in one indissoluble bond of union and amity.

Constitution of New Hampshire, Part I, [Art] 37.

The Coalition Communities urge this Committee to remember the words of Alexander Hamilton when reviewing this bill:

The regular distribution of power into distinct departments; the introduction of legislative balances and checks; the institution of courts composed of judges holding their offices during good behavior; the representation of the people in the legislature be deputies of their own election...They are means, and powerful means, by which the excellences of republican government may be retained and its imperfections lessened or avoided.

Alexander Hamilton, The Federalist Papers, Federalist No.9, November 21, 1787

For these reasons, the Coalition Communities do not support HB 429 and urge the Members of the House Legislative Administration Committee to vote it Inexpedient to Legislate.

Thank you for your attention and consideration.

Sincerely, Jane Ferrini, on behalf of the Coalition Communities 1 Junkins Ave. Portsmouth, NH 03801 (603) 610-7256 Iferrini@cityofportsmouth.com

Town of Carroll Attn: Board of Selectmen P.O. Box 146 Twin Mountain, NH 03595

Dear Board of Selectmen:

On behalf of SENIOR MEALS of Coos County, I would like to respectfully request funding in the amount of \$350.00 for the Senior Meals Program to be included in the upcoming Town of Carroll budget process.

During the time period of July 1, 2015 to June 30, 2016 (Fiscal Year 2016) we served Carroll residents 709 home delivered meals. Total meals prepared and delivered throughout Coos County numbered 135,153.

As evidenced in the figures above, the current need of hot, nutritious meals to the frail and homebound is paramount and is likely to be amplified as the population continues to age and require nutritional assistance. Eligible individuals receive hot, balanced meals delivered directly to their home by the Meals on Wheels delivery team, and oftentimes, it is the participants only contact with the community. The delivery also provides a safety check on the well being of those who are home bound and isolated. It is, therefore, vital that the needs of this frail population be met with support from their local friends and neighbors.

Each year towns throughout Coos County contribute financial support to help defray costs that directly impact the preparation and delivery of senior meals to local residents. However, the nsing costs of food and consumables have made this commitment especially challenging. The Town of Carroll's past support for this community-based program has been greatly appreciated and I welcome your guestions and comments pertaining to this request for funding. Please call the administrative offices at the number below, Monday through Friday, and I'd be glad to speak with you. Thank you.

Respectfully. Indua Buchu
