SUBJECT: Request for Overseas Forecast

TO : Officers' Career Branch
Office of the Chief of Transportation
U.S. Army Transportation Corps
Gravity Point, Maryland.

1. Respectfully request that I be given a forecast as to the approximate date of my next overseas assignment.
2. My last overseas tour was completed in Korea, from which I departed to arrive in the Zone in December 1951.
3. Reason for this request is based on my present attendance at a Boston University accredited Law School during off-duty hours. If my overseas forecast is favorable, I plan to enroll for the second year of my four-year evening off-duty course leading to an LL.B. degree. Otherwise, I shall adjust my plans accordingly.
