

Danville, New Hampshire 2007 Annual Reports

On the cover:

A burst of color and beauty welcomed residents to the Town Hall this year. Our new garden provides a warm welcome to one and all.

Much appreciation is due to the people who collaborated on the production of this Town Report:

Donna Sullivan
Jill Fleming
Janie Sigilman
Committee Members
Department Heads

ANNUAL REPORTS
of the
TOWN OF DANVILLE
NEW HAMPSHIRE

**For the Fiscal Year Ending
December 31, 2007**

DEDICATION

JANE E. SIGILMAN

This year's Town Report is dedicated to one of Danville's most committed residents, Janie Sigilman. Janie has served this community in a variety of capacities for more than thirty-five years.

Janie came to Danville in 1972. Although she has always been local to this general area, she settled in Danville in a nice little circa 1700 home on a quiet country road.

She began her service to the Town of Danville in 1972 when she became the Planning Board secretary and still holds the position today. Ask Janie about her "gold star minutes". In October 2007 she celebrated her 35th year in the position. Janie also was ZBA secretary, until recently, with many years of service to that Board.

Little did Janie know then when she walked into the Town Hall one day back in 1978 and asked the simple question "Can I help you with anything?" to the then tax collector that it would be the start of her long career as Tax Collector. With a bookkeeping background and her love of numbers she serves the Town well.

Janie enjoys planting beautiful flowers in the window boxes at the Town Hall just because it makes the Town Hall look nice. Janie is not afraid to step up and ask what she can do to help a co-worker, a committee member, a volunteer group or a resident. Her generosity throughout the years in Danville is her quiet way to give back to her community.

Janie is not only a dedicated employee of Danville but a dedicated resident and volunteer of the Town she made her home. When you love your Town, you become part of it. You become its strength, its pulse, its beauty and its life. Janie loves her Town.

Janie's continuous dedication of time and energy to her community serves as an inspiration to us all.

SELECTMEN'S MESSAGE

To the residents of Danville

2007 brought the re-election of Robert Moore to another three year term, and the election of Joe Luna who was appointed by the Board in 2006. The five man board works well together and often comes to unanimous consensus on issues.

In May we celebrated our annual Memorial Day parade organized by the American Legion.

In August of 2007 the Town celebrated Old Home Days which included a road race, concert at Day Field, along with vendors, a forest walk, and a service at the Old Meeting House.

This year the town was able to update our town road inventory with the NH Department of Transportation. The last time this was done was in the early 1990's. We have nearly doubled our road inventory as recognized by the State. This road inventory is used to calculate our Highway Block grant and should result in an increased grant amount for the Town in 2008.

The spring of 2007 was nearly as wet as the spring of 2006. We had some local flooding which was responded to swiftly by our Town services. We all hope that the spring of 2008 does not bring the floods experienced over the last 2 years.

Our recycling program is off to a good start. We just finished our first full year on the new cart system and recycling program. The Town of Danville moved from recycling 5% of their trash to 11%. This is a great accomplishment for our Town and we should all work hard to improve this number for 2008. The more we recycle the less in disposal fees we pay for trash, which reduces cost.

The Board of Selectmen, working with both the Forestry Committee and Conservation Commission, will attempt to conclude the Conservation Easement in 2008 along with a Stewardship plan. The Heritage Commission has obtained several grants, one of which will move the Historic Stagecoach Stop & Store to Town owned property. With these grants as well as volunteered services, this project will have no tax impact. It is efforts like these that save your tax dollars and preserve our heritage as well.

The Fire Department had a call increase of 42% during 2007. Chief Woitkun has applied for a SAFER Grant through the Department of Homeland Security that will be on the March 2008 ballot. This grant will help offset the cost of 2 fulltime firefighter/EMT personnel over a 5 year period to meet the growing demand for firefighter/EMT services within the Town.

The Police department saw the addition of a new full time officer to replace a departing officer. We hope to see an addition to the Police Department, with your support, of a fourth full-time officer with the passage of the Operation Budget in March of 2008. This addition is necessary to assist in all aspects of Police duties from well-being checks to major felonies.

The Board of Selectmen are looking for volunteers to help fill vacancies on various committees. In the shadows of the late President John F. Kennedy, and in a similar fashion, the Board of Selectmen proposes the following:

And so, my fellow Americans: ask not what your Town can do for you - ask what you can do for your Town.

The Board of Selectmen wishes you the best in 2008 and wants you to know that we are here to serve you.

J. Russell Pouliot – Chairman
Shawn P. O'Neil - Vice Chairman
Robert S. Moore

Joseph Luna
John Russo

2007 Treasurer's Annual Report

The Town's **General Fund** for the fiscal year of 2007 was a year of challenge and opportunity due to economic changes in Danville. Unlike last year, there was no need for a Tax Anticipation Note.

The balance in the **General Fund** started in January at \$3,367,761.21 and ended in December with **\$3,052,081.47**. This ending balance represents a cash decrease of \$315,679.74 from 2006. The total income for the year was \$9,286,240.29, and the total expenses were \$9,601,920.03. The interest earned on the General Fund Cash Management Account was \$84,651.37 due to the continued favorable interest rates during 2007.

In addition to the General Fund, there are eight (8) other funds in the custody of the Treasurer that are separate from the General Fund and have been established with the approval by town vote or other legal means. The total amount of these combined funds on December 31, 2007 was **\$584,680.83**.

The **Conservation Fund** ended the year with a balance of **\$440,980.81**. This fund was established pursuant to New Hampshire Revised Statutes Annotated (RSA) 36-A "Conservation Commissions". The primary source of funds in this account comes from Current Use Change Taxes paid to the Tax Collector. In 2007 the fund received \$13,032.64 in Current Use Changes Taxes and \$24,582.12 in interest paid by the bank. Money may be expended from the fund by the Conservation Commission for conservation purposes and to purchase land in the name of the Town without further approval of the town. Disbursements from the fund were authorized by a majority of the Conservation Commission Members in the amount of \$300,000. for the purchase of a 20 acre parcel of land.

The **Heritage Fund** ended the year with a balance of **\$5,392.31**. This fund was established pursuant to New Hampshire Revised Statutes Annotated (RSA) 674:44 "Heritage Commission". Money appropriated by the Town and any gifts received may be placed into the Heritage Fund and expended from the fund with the authorization of a majority of Heritage Commission Members without further approval from the Town. The fund income was from a \$5,000 warrant article appropriation from the General Fund and interest in the amount of \$119.22. There were no disbursements in 2007.

The **Cable Access Special Revenue Fund** ended the year with a balance of **\$20,220.86**. This fund was established by a warrant article approved by the town pursuant to New Hampshire Revised Statutes Annotated (RSA) 31:95-c. The law allows towns to restrict revenues, or portions of revenue, from a specific source to expenditures for specific purposes. The revenue is limited to town activities received through user fees. The income for this fund is received from cable fees collected when cable users pay their monthly bills. The fund received \$7,515.67 in 2007. Disbursements from the fund may only be authorized by vote of the Town, which was done by warrant article in 2007 in the amount of \$6,300.

The **Impact Fee Fund** ended the year with a balance of **\$106,735.98**. This fund was established pursuant to New Hampshire Revised Statutes Annotated (RSA) 674:21 "Innovative Land Use Controls". Impact Fees are an assessment paid by the developer for public school facilities in order to accommodate increased demand on the capacity of these new public school facilities due to new development. The fund received impact fees in the amount of \$37,767.00 that were collected by the Building Inspector, and \$4,402.06 in interest paid by the bank. Disbursements from the fund are only by order of the Board of Selectmen to be used solely for capital school facility expenses for the school district. There were no withdrawals in 2007.

The **Granger Road Bond Fund** ended the year with a balance of **\$1,265.65**. The fund was established by the Planning Board as a condition of approval for compliance with road regulations within a sub-division. The fund received \$64.15 in interest, and there were no withdrawals.

The **Blake Road Escrow Account** ended the year with a balance of **\$453.06**. The account was opened in August, 2007 with a check for \$1,200.00 to cover the Town's attorney fees for a proposed new development. There were three disbursements for a total of \$765.00. Interest earned was \$18.06.

The Recreation Revolving Fund is maintained in separate Checking and Savings Account. The fund were established pursuant to New Hampshire Revised Statutes Annotated (RSA) 35-B:2 II. The fund receives money from fees and charges for recreation services and programs. Disbursements are made by a majority of Recreation Committee Members without further authorization from the Town. These funds are spent only for recreation purposes.

The **Recreation Savings Account** ended the year with a balance of **\$4,027.28**. The revenue received was \$204.09 in interest paid by the bank. There were no disbursements from the fund.

The **Recreation Checking Account** ended the year with a balance of **\$5,604.88**. The income received from recreation fees and services was \$8,153.41 and \$57.50 was received in interest paid by the bank. Disbursements of \$7,367.58 supported various public recreation programs held throughout the year. Due to the lack of public funding by the Town, the Recreation Committee is no longer able to have its summer recreation program for the children of Danville.

All the funds are on deposit with TD Banknorth, N.A., Kingston, NH. The **total of all funds** in the custody of the Treasurer on December 31, 2007 was **\$3,636,762.30**.

If the public would like more information or has questions concerning any of the accounts listed, please feel free to call me.

Sincerely,
Elisabeth "Betsy" Sanders, Treasurer

2007 TRUSTEES OF THE TRUST FUNDS ANNUAL REPORT

During the year of 2007, the Trustee of Trust Funds had the following key activities in our capital reserves:

Capital Reserve Funds Newly Created

- Highway Sand/Salt Storage Building Capital Reserve per WA-2007-16.

Capital Reserve Fund Withdrawals

- Sandown Road Bridge “**discontinue**” the Capital Reserve, per WA-32 and 33. A total of \$73,992.64 was transferred from this Capital Reserve into the Town of Danville’s General Fund.
- Municipal Mosquito Control Expendable Trust per WA-2007-25 for \$17,360.00.

Capital Reserve Fund Additions

- Municipal Mosquito Control Expendable Trust per WA-2007-25 for \$14,500.00. (WA-2007-25 total amount approved was \$23,800, invoices of \$9,300 were paid prior to the remaining funds (\$14,500.00) were placed in the Trust).
- Highway Sand/Salt Storage Building Capital Reserve per WA-2007-16 for \$10,000.00.

Danville’s investments along with approximately 570 municipalities, school districts, etc. throughout the State of NH have their investments in the New Hampshire Public Deposit Investment Pool. The annual % yield on our investments in 2007 was 4.98%. The graph below summarizes the annual % yield seen on our funds in the NHPDIP since 2000.

For a complete list of all funds and fund activities along with the 2007-year ending balances, please see the 2007 Investment Summary Report located in the Danville Town Report.

Respectfully Submitted,

Stephen R. Cotton, Trustee/Bookkeeper
Peter Meigs, Trustee
Julie Dicarlo, Trustee

2007 DANVILLE HERITAGE COMMISSION ANNUAL REPORT

The Heritage Commission meets every second and fourth Wednesday of each month at 7:30 p.m. at the Town hall.

Webster Stagecoach Stop & Store

The Heritage commission has been active in the securing of funding to save the Webster Stagecoach Stop. In March of 2007, the town approved a \$5,000 warrant article for the preservation of town historic properties. With this money, the Heritage Commission was able to obtain a \$5,000 matching grant from the NH Land and Community Heritage Investment Program (LCHIP). This grant will be used to fund the move of the stagecoach stop from its current location across the street to town-owned land at the corner of Sandown Rd. and Rt. 111A. LCHIP also has granted an additional \$10,000 to fund an architectural and archeological survey of the stagecoach stop and the site. Funding also has been secured from the NH Department of Transportation that will reimburse the town for 2/3 of the total cost to move the building. The Selectmen will submit a warrant article to the voters to cover the cost of the move in 2008. There will be NO TAX IMPACT from this warrant article as all necessary funds have been secured or will be reimbursed by the NH DOT after the move is complete.

Town Hall

The Heritage Commission also applied for and received a \$10,000 grant from the NH Division of Historical Resources Conservation Plate Grant Program or more commonly referred to as a Mooseplate grant. This money will be used for much needed electrical and HVAC upgrades for the second floor of town hall.

With the various grants along with the reimbursement from the DOT, the Heritage Commission will have brought in approximately \$48,000 to the town this year.

Byron Tucker Visit

Byron Tucker, a descendant of the Tuckers of Tuckertown Road, visited Danville in June of 2007. While here he toured the Old Meeting House and walked Tuckertown Road where his ancestors lived and died. The Tucker sons served in the Revolutionary War, but did not return to Hawke (Danville) afterward, as their family had perished from smallpox. Byron Tucker grew up in Tennessee and now lives in New York.

Other Projects

The Heritage Commission continues to work in the town hall vault preserving old town records. The Beehive Hut was cleaned in the spring. Listing of other town historic properties such as the Town Pound and the Little Red Schoolhouse on a state or national register is tentatively planned for 2008.

The Heritage commission maintains a web page on the town website, www.townofdanville.org. Please visit and click on *Heritage Commission*, information regarding the town's rich history can be found there.

The Heritage Commission invites any resident with an interest in the town and its heritage to join the Commission or stop by for one of our work sessions or meetings. We currently are seeking one full time member and three alternates. Anyone wishing to join may send a letter of interest to the Board of Selectmen and the Commission.

The Commission also has a Heritage Fund, which is used to help save and maintain historic town-owned structures. Donations are always accepted and are tax deductible.

2007 CEMETERY ANNUAL REPORT

The 2007 year has been an interesting one for the Cemetery Trustees. We have sold many plots again and now are in desperate need of land or areas to put burials in. We have a total of 10 double lots left in the Old Meeting House and that is all for regular burial space.

We received a flyer from an individual that does Cemetery Mapping and we have hired him to do the mapping of the cemeteries. He started this year and has worked in all three cemeteries and has provided the Trustees with a draft of the Ye Old Cemetery. When everything is complete and up to date we will be able to have this information on the Town Web site and also will have computer disks as well as hard copies of Maps. This company is also able to do infrared imaging and we asked to have that done in the area in Center Cemetery that we had hoped to use for burials but has quite a bit of ledge. This was done in late fall and we are reviewing the mapping done for this area. Due to the results of this we will need to have some test pits dug to show if it is ledge or maybe just some heavy clay type areas. We can then use this information to design a burial area even if it is just small.

The stone wall repairs were completed in Old Meeting House and we have had a citizen offer to sand blast, repair and paint the main gate in the Old Meeting House which we greatly appreciate and will be done in 2008.

We are planning on finishing the stone wall work in Center Cemetery this year and greatly appreciate Twin Elm Landscape from Northfield, New Hampshire. He has told me that his work in our cemeteries has made some stone wall books.

We are proud of our cemeteries and the work that we have done each year. We hope you feel that way to. If you have any questions please do not hesitate to contact any Trustee. Any of us will be happy to assist you.

Leon Buzzell, Beth Caillouette and Constance Metcalf

2007 HIGHWAY DEPARTMENT ANNUAL REPORT

We had a light early winter season for the beginning of 2007; January, February and March were fairly light other than a large storm in March on St. Patrick's Day.

All town departments were faced with a default budget this year and a lot of the drainage projects that I had planned we were not able to do. The reclamation and repaving of one half of Long Pond Road did take place. This is only the binder layer on Long Pond with plans to do the second half of Long Pond in 2008 and then put the top coat on in 2009, to make it more economical for the Town.

Please vote for the culvert replacement over Pow Wow Brook. The culvert that is there is a stone culvert with concrete ends to extend it and with the recent flooding that we have received it is deteriorating at a fast rate and needs to be replaced, sooner rather than later. It has been a project that we had tried to plan ahead for but were not able to get funding each year.

December presented us with a record setting amount of snow for the month, most of which we still have on the ground. We had over 30 inches of snow and faced having to push it back at the corners and cul-de-sacs further than in previous years when we did not get as much snow.

Also watch the newspapers for the twice yearly regional Household Hazardous Waste drop-offs. They are held each spring in Plaistow and in the fall in one of the other regional towns.

We have hired a consulting firm to assist us with our Stormwater Management and making sure that as the EPA continues to place requirements on towns we will be in compliance and able to make sure that they are continually met. Attached is a list of ten things that you can do to help prevent stormwater runoff pollution;

- Use fertilizers sparingly and sweep up driveways, sidewalks, & roads.
- Never dump anything down storm drains.
- Vegetate bare spots in your yard
- Compost your yard waste
- Avoid pesticides; learn about integrated pest management
- Direct downspouts away from paved surfaces
- Take your car to the car wash instead of washing it in the driveway
- Check car for leaks, and recycle motor oil
- Pick up after your pet
- Have your septic tank pumped and system inspected regularly.

Thank you for all your help and support.

Bruce Caillouette, Road Agent

2007 ANIMAL CONTROL DEPARTMENT ANNUAL REPORT

In 2007, the Animal Control Department put forth a warrant article to purchase an ACO vehicle. Although the Town did not pass this article, a van was donated to the Department and we would again like to thank George and Joyce Korn, owners of Safeway Transportation in Kingston, for their generous donation. We would also like to thank those who donated equipment, such as a divider and crates, needed for the van. We would like to thank Stephanie Dube for an excellent job and wish her well in her new job. We would like to welcome aboard our new Assistant ACO Michelle Cooper.

The Department has continued to participate in Disaster training and FEMA disaster training. We are currently involved in DART (Disaster Animal Response Team) training, most of which is done on our own time and at no expense to the Town. In July, ACO Sheila Johannesen, applied for and was awarded a grant to attend the New England Animal Control Academy held at UNH, a savings to the Town of \$325.00 in training expenses.

The Department will never forget the cat stuck in the tree call. He was a stray cat who somehow fell some 40 feet down the trunk of a pine tree and landed in the split of the tree, where he was tightly wedged. We rescued him with the help of the Fire Department. It was unclear how long he had been there as he was severely dehydrated and his back legs were very cold. He was rushed to the ER in Brentwood where he was cared for and named "Forest". Kitty Angels were notified and, after several surgeries, they were able to save his legs. Today, we are happy to report; Forest now lives a life of leisure in his new home. No Town money was spent as Forest's care was paid for by Kitty Angels, a non-profit organization.

On April 21st, the ACO held a region-wide rabies clinic in Danville, where 100 animals were vaccinated. Another rabies clinic will be held in the Spring of 2008. Region-wide rabies clinics are important because they provide a convenient, economical means for people to get their dogs/cats properly vaccinated. The ACO also continues to assist residents in getting their pets spayed/neutered through a low-cost spay/neuter program sponsored by the State. This program is currently available for pet owners whether or not they receive public financial assistance. We would like to take this time to encourage people to not only spay/neuter their pets, but to also MICRO-CHIP their pets as well. This is a good way to ensure that your pet will find its way home if they become lost, found or stolen. We recommend that, if you let your cats out, they be micro-chipped as well. Collars worn outside can present an entanglement danger and could also be lost. There have been numerous complaints of "stay cats" this year, most of which were not stray cats but cats that might wander the neighborhoods. There are no ordinances that prohibit cats from roaming. If your pet is missing or lost, please contact us. We try to post all lost and found pets on the Town's cable channel 20. 2007 has also seen an increase in dog licensing. Last year, 800 dogs were licensed, as compared to 700 dogs in 2006. The licensing effort raised \$5,531 in revenues. Licensing dogs is not only required by State law, but ensures that dogs are properly vaccinated. Revenues generated from licensing and other related fines/fees are:

Dog licensing	\$5,531
Lack of license fines	2,470
Outstanding fines	1,125
Other fines	<u>625</u>
TOTAL	\$9,751

The ACO coordinated an education outreach police canine demonstration for the public this year. We would like to thank Plaistow Police Officer Alex Porter and his police dog "Stryker" for their Olde Home Days demonstration. Officer Porter put his canine companion through all his exercises and showed everyone how indispensable a well-trained dog can be in helping the police to do their job.

We have already begun our planning for 2008. A wildlife demonstration for Danville Elementary School students will again be made possible through donations from the Danville Rainbow Association, the Danville Conservation Commission and others. This educational outreach program, called "Wind over Wings" will feature a Red Tailed Hawk, A rough-legged Hawk and a Red-shouldered Hawk. "Noah", a bald eagle, will also be returning for a visit. This is scheduled for April 24th, during Earth Week. The purpose of this program is to provide children a personal connection with wildlife that will lead to responsible stewardship of animals and the environment. Responsible stewardship leads to reduced incidents of animal cruelty.

On behalf of the Animal Control Department, we thank you for your continued support.
Sheila Johannesen, Danville Animal Control Officer

2007 POLICE DEPARTMENT ANNUAL REPORT

The Danville Police Department, with an authorized sworn staff of 12 positions, provides a complete range of public safety and community based services. These include emergency response, criminal investigations, motor vehicle enforcement, animal control, juvenile services, and a wide array of community focused crime prevention programs.

2007 could definitely be summed up as a year of challenges. A default budget, failing equipment, and loss of a full-time officer forced a reduction in some of our services. While we would typically provide 24-hour patrol coverage, nearly 200 shifts had to be reduced to “call-time”, which involved emergency response only. In October, the department’s 1988 truck was taken permanently out of service for rust and mechanical issues, followed by the 1999 cruiser in December for the same reasons. While some of the officers sacrificed vacations and offered more than 600 hours of combined overtime, almost half of which was donated, we simply were unable to meet the demands placed upon us with the available resources. Although our call summary was down approximately 10% when compared to the previous year, it comes as no surprise since we had a 23% reduction in total patrol time. Below is a partial summary of our calls for service:

Category (Partial Listing)

911 Hang-Up	39
Aided Motorist	39
Aided Resident	108
Alarm	93
Alcoholism (PC)	15
Arrests	96
Burglary	7
Criminal Mischief	61
Criminal Threatening	15
Domestic Disturbance	37
DWI	11
Harassment	24
ID Fraud	7
Juvenile Complaint	35
Medical	75
Motor Vehicle Accident	37
Motor Vehicle Violation	1014
Neighbor Dispute	12
Noise Complaint	14
OHRV Complaint	41
Public Hazard	23
Radar Enforcement	122
Reckless Operation	30
Restraining Order	21
Security Check	40
Serve Paper	37
Suspicious Activity	56
Suspicious Motor Vehicle	54
Suspicious Person	18

Theft	42
VIN Verification	32
Well-Being Check	26

One area of concern that did show an increase in activity was the number of thefts reported; particularly items which were stolen from motor vehicles. In all of the reported cases, the vehicles were unlocked at the time. Some of the items taken include wallets, loose change, jewelry, cell-phones, CD's and cameras. Another popular item of interest for thieves is portable GPS systems, which more and more motorists are installing in their vehicles. The devices can be easily spotted in vehicles parked in driveways and public parking lots and removed in a matter of seconds. Please remember to keep your vehicle locked at all times and secure your valuables whenever possible.

We were actively involved in several community-based events last year. In October, we hosted an open house for second graders from the Danville Elementary School where they were able to tour the building and venture through police cruisers and the Homeland Security OHRV. At the conclusion, each student was "booked" and given a mug-shot photo to take home. In December, we co-sponsored the 9th Annual Christmas-Tree Lighting Ceremony with the Danville Recreation Committee. The event drew perhaps the largest crowd yet, which left the post activities at the Fire Association Hall to standing room only. Perhaps the most memorable event was the Phillips Fundraiser that we assisted the Danville Fire Association with in June. The event raised hundreds of dollars for Tom and Becky Phillips, whose lives were dramatically changed following Tom's tragic accident that left him confined to a wheel chair. The money was raised through donations, raffles, and a dance with music provided by the Coupe Deville Band with yours truly sitting in for the evening on bass guitar.

Once again, my sincere thanks for all the public support expressed to the police department throughout the year. I would particularly like to express my heartfelt gratitude to Frederick and Kathleen Eid and their entire family for their enormous contributions. Although sadly Frederick died in May after a long struggle with cancer, I am one of the lucky ones whose life was touched by this very special man. I join the many others who will miss him, but I remain grateful still for having known him.

To the entire community, thank you for giving me the opportunity to serve you for the past twenty-four years. I want you to know how grateful I am for all the support you have shown, and I pledge my continued efforts in providing the best possible police services.

Lastly, and although it has nothing to do with politics or law enforcement, I was blessed with my proudest title ever last year, "Grandfather".

As always, my best wishes to all of you for a safe and happy 2008.

Wade H. Parsons
Chief of Police

2007 DANVILLE FIRE DEPARTMENT ANNUAL REPORT

The Danville Fire Department has had a very busy year; we have seen a dramatic increase in emergency calls. In 2006 we answered 326 Emergency Calls, i.e. Fire, EMS (Emergency Medical Services) and calls for service. 2007 had us responding to 461 calls for emergency service. Even with the unforeseen increase in calls we still managed to stay within our budget and maintain the number one service organization for the Town of Danville.

Part-Time FF/EMTs still man the station Monday through Friday, 8am to 4pm with staggered shifts to allow us to cover the town's needs while most of our call force is at work.

The time spent with Danville Elementary School students and staff has been invaluable, not only for Fire and Safety Prevention but for the comfort of the children of Danville during emergencies.

A new Forest Fire Warden, Jim Seaver, was appointed this year and completed the necessary training with the state. Seasonal Outdoor Burning Permits are available at the Fire Station, Monday, Friday 8am – 4pm and on Wednesday evenings from 7 to 9. Permits are required by the State of NH for any outside burning. Those with existing permits must renew for 2008. We received a \$1,000.00 Forestry Grant from the State of NH.

Deputy Chief John Burnett was appointed Emergency Management Director (EMD) and Lt Janice Pouliot Deputy EMD for the Town of Danville. They have been very busy throughout 2007 in all areas of emergency management especially in the extensive Pandemic Planning that has taken place in our communities, state and nation. The area planning team has produced brochures on Preparing for Emergencies that you may pick up at the Town Hall or during voting. We were fortunate to share in a Pandemic Planning Grant with area towns.

The area towns that utilize American Medical Response (AMR) for their ambulance transports were able to secure a zero-bid contract in 2007. The hard work of area Fire Chiefs and Selectmen brought this to reality and saved the Town of Danville \$32,000.00 annually.

Once again I would like to remind all residents on the importance of visible house numbers. Please secure large, reflective numbers on your house and mail box that are clearly visible from the street. When a fire or EMS emergency occurs, seconds count and visible street numbering will assist our crews in finding your home in a timely manner.

I would like to congratulate the following department members on the Certification they have earned in 2007.

Lt. Brian Delahunty – FFII, NREMT-B
FF Thomas McLinden - FFI, MREMT-B
FF Timothy Griswold – FFI
FF Steven Woitkun Jr. – FFI, FFII, Career FF, NREMT-B
Matt Griswold and Ken Sweet are currently enrolled in EMT class.
FF/EMTs Joe DeRusha and Scott LaBelle have just completed EMT-I class and are scheduled to test at the end of January.

I would also like to congratulate Lt Brian Delahunty, FF Corey Ward and FF Steven Woitkun, Jr. who were hired by the Salem Fire Department as full-time FF/EMTs after a rigorous testing procedure involving hundreds of candidates. Lt. Garrett Coscia was hired by the Lawrence Fire Department as a fleet mechanic. This only enhances the experience on the Danville Fire Department.

I would like to thank our dedicated Call Force who answer Fire and EMS calls 24/7, 365 days a year. The men and women are highly trained and dedicated professionals who are always ready to help their neighbors.

In closing, I would ask the voters to support the Town Budget and related Warrant Articles. "Help us –Help you."

Respectfully submitted
Steven J. Woitkun, Chief

Ice Rescue Training

2007 PLANNING BOARD ANNUAL REPORT

In 2007, the Danville Planning Board saw a continued reduction in the rate of residential development within the Town. The Planning Board attributes this to the overall housing market in the region and not to anything specific to Danville. It is unclear as to when the housing market will improve and development will once again pick up. Long-term, the Planning Board anticipates that growth will continue due to the Town's location and rural environment. A complete listing of the applications that came before the Planning Board and the status of those applications is contained at the end of this report.

The Planning Board continues to review all of the subdivision and site plan applications to make sure they meet state and local regulations and to help maintain the rural character of Danville. The Planning Board reviews each of the applications at our regularly scheduled meetings, has all plans reviewed by both the Conservation Commission and Town Engineer, and then conducts an on-site examination of the proposed development site. The Planning Board also calls on the expertise of the Road Agent, Heritage Committee, Board of Selectmen, Fire Department, and Police Department, as required, to perform an appropriate review.

At the 2007 Town Meeting, voters approved all of the Zoning changes recommended by the Planning Board. The most notable zoning changes were an update to the Extended Family Accessory Living Unit ordinance and an update to the Fire Suppression ordinance.

In 2007, the Planning Board received a grant from the New Hampshire Department of Transportation to study the impact of commercial development in Danville. The Board consulted with the Rockingham Planning Commission and hired a consultant to recommend changes to the Danville Zoning ordinances to appropriately manage the inevitable growth the Town will see in the coming years. Danville has seen very little commercial development to date. But, it is important to have the appropriate ordinance in place before development begins in order to avoid having to react to development after the fact. The Board's efforts and those of our consultant have resulted in a proposed Danville Village District along the southern portion of Main Street and the surrounding area. This district, which would allow mixed commercial and residential use, will be presented to the voters as a Warrant Article at the 2008 Town Meeting. In addition, the Planning Board has recommended several other zoning changes and we ask for your support of these Warrant Articles.

2007 marked the third year that Danville had an elected Planning Board and marked the completion of the transition of the Board from an appointed Board to an elected Board. All members of the Planning Board are now elected. We ask that voters consider the candidates for Planning Board membership that are listed on the 2007 Ballot and make an informed decision.

The Planning Board has been encouraged by the large amount of interest in planning issues shown by the residents of Danville. Our hearings have been very well attended with a wide diversity of thoughts expressed. Our recent hearings regarding the Danville Village District have been especially well attended with a variety of opinions expressed. In addition, many of the Town's residents watch our meetings on Danville's cable channel 20. This type of participation helps ensure that development in Danville is managed appropriately. The Planning Board meets on the second and fourth Thursdays of the month at 7:30PM in the Town Hall. We invite you to join us at these meetings and invite you to get involved with the activities of the Board.

2007 ZONING BOARD OF ADJUSTMENT ANNUAL REPORT

The principal role of the Zoning Board of Adjustment (ZBA) is to review applications for zoning variances, special exceptions, equitable waiver of dimensional requirements and hearing appeals from the decisions made by administration officials.

In 2007 the ZBA heard nine cases. Five of those cases were for special exceptions which were granted. One special exception was withdrawn. One case was for a variance, which was granted and two cases were for appeals from administrative decisions. One appeal was granted and the other was denied.

Paul Bielecki had to step down as chair of this committee due to an increasingly demanding work schedule. The Town of Danville appreciates his equitable and pleasant manner of chairing this board. Jack Howland served as acting-chair during several hearings and the board appreciates his professionalism and expertise.

The board meets on Tuesday evenings as needed with hearing notices posted at the town hall, the post office, and listed in the Carriage Towne News. All abutters to the property affected by the application receive a certified letter of notification of the upcoming hearing. Those seeking a hearing with the ZBA may contact the clerk who will then assist them in filling out the application and abutters list. All applications require a public hearing. The requirement for the public hearing is outlined in RSA 676:7

2007 BUILDING INSPECTOR'S ANNUAL REPORT

2007 was a slow year in Danville, with only twelve permits for new housing, which is less than 1% growth. 2008 looks to be about the same. The following is the breakdown of permits issued:

New Homes	12	\$1,983,000
Additions and Alternations	22	576,700
Garages and Barns	8	300,500
Decks	3	13,450
Pools	8	27,500
Other-Sheds	<u>14</u>	<u>72,075</u>
	67	\$2,973,225

J.R. Pouliot, Building Inspector

2007 ASSESSOR'S ANNUAL REPORT

In 2006, the Town entered into a contract with Brett S. Purvis & Associates for assessing services. As part of this contract a portion of Danville will be measured and listed on an annual basis to check for errors or omissions in assessment data. In 2007 properties on Tax Map 2, as well as Spruce Valley Park were reviewed for accuracy. All property owners should check their property record card annually for accuracy.

Property assessment will be compared to sales prices annually to see if an overall change to assessments is warranted. Assessments in Cotton Farm were updated to reflect market conditions for 2007. Other properties in Danville remained at the 2006 assessments unless a physical change was made to the property or an error was corrected. Any property owner that feels their equalized assessment does not reflect the market value of their property as of April 1, 2007 may file an abatement with the Town. The deadline to file an abatement of 2007 taxes is March 1, 2008.

The deadline for filing for any of the exemptions or tax credits is April 15. The Town currently offers the following tax credits and exceptions: elderly for those over 65, veterans, and the blind.

Applications for current use need to be submitted by April 15. To qualify for current use a property owner must have at least 10 acres of undeveloped land. Land enrolled in the current use program is eligible for a reduced tax assessment.

Any of the above mentioned applications may be obtained from the Town offices.

A representative of the assessing company is available the first Tuesday of each month to answer any questions that a taxpayer may have. If you wish to meet with the assessors call the town offices to schedule an appointment.

Rod Wood
Brett S. Purvis & Associates

2007 CONSERVATION COMMISSION ANNUAL REPORT

2007 kept the Conservation Commission busy, working hard on several projects. The most exciting event was the acquisition of a 20 acre parcel off Hersey Road. The Commission gave careful thought and preparation behind the decision. The acquisition ensures continuance of open green space and helps preserve wildlife habitat. The Commission is very pleased with the purchase.

The Commission has been working closely with the Audubon Society towards completion of the Conservation Easement. Several joint meetings were held with the Heritage Commission, Forestry Committee, and with the Selectmen to bring the easement together for the best interest of the Town.

There were two potential wetlands violations reviewed by the Commission. Two dredge and fill applications were also reviewed. Beaver Solutions did their annual inspection of the pond levelers. The flooding during the early part of the year along with the busy work of the beavers, supplied the Commission with much to discuss and review regarding culverts in the Tucker Town Road areas and at the beaver dam adjacent to Route 111A and Long Pond Road.

April brought some changes to the membership of the Commission. Ron Comeau, who was a faithful volunteer for several years, was not able to continue due to scheduling conflicts. Thank you Ron!! The Commission welcomed the return of Michele Tingley. The Commission is delighted to have her expertise and thoughtfulness back on board.

In June the Commission hosted a very informative workshop on the NH Wildlife Action Plan and Wildlife Inventory. The workshop was presented by Emily Brunkhurst, a conservation biologist for the NH Fish and Game Department. The topics of discussion were tailor-made for Danville; including such items as wildlife mapping, habitat conditions, identification of wildlife and their habitats. Ms. Brunkhurst made several recommendations for our Stewardship Plan and for the Forest Management Plan. These two plans need to be completed by the Town for the completion of the Conservation Easement.

The Commission was presented a Wetlands Reserve Program. During the summer a Danville citizen had applied for his property to be part of this USDA program. The program is a project that oversees the restoration of wetlands. Thank you for this exciting opportunity!

In September the Commission met with a PSNH representative. The discussion revolved around the work to be done around the power lines off Sandown Road. The Commission reviewed the construction specs, foundation plans, and safety features to ensure the compliance with our conservation needs. A letter of recommendation was submitted to the Selectmen. Thank you to PSNH for their best management practices!

Two Eagle Scout candidates approached the Commission in search of town projects. The Commission proposed several ideas, including a project within the Town Forest and one at the elementary school. Best of luck to the Scouts and thank you for considering Danville for your projects.

The Commission looked at a potential land donation for the Town. The Selectmen were given positive input from the board.

The Conservation Commission looks forward to a very productive year for 2008. Already planned is a program at the Danville Elementary School. On April 24, the Commission is sponsoring, along with our ACO, the Wind Over Wings Program. The Conservation Easement is slated for legal review. The Commission will be working with the Forestry Committee to help put forward the Stewardship Plan. Land acquisition will continue to be a priority. The prime wetlands evaluation process will hopefully be completed. Once the evaluations are complete, the Commission will work towards having areas designated as prime wetlands.

The Commission meets the first and third Thursday of every month at 7:30 pm in the Town Hall. The public is always welcome, and encouraged to attend.

2007 RECREATION COMMITTEE ANNUAL REPORT

In 2007 the Recreation Committee scaled back on some activities due to the fact that our warrant article to hire a year-round, part-time Recreation Director failed in March and our Recreation Committee has 3 unfilled positions. Our summer program was not held in 2007 and the Summer Program funds have been cut from the 2008 budget due to a lack of volunteers to oversee the program. It is our strong hope that more people will join us in 2008 so that we can continue to sponsor town-wide events for all to enjoy.

The Recreation Committee worked again this year to expand Danville Old Home Days to a two-day event by running the 2nd Old Home Days Road Race and also overseeing vendor/craft tables and entertainment for both children and the community on Saturday, August 25th, which proved to be the hottest day of summer '07! A strong field of runners and walkers turned up despite the sweltering heat. We would like to extend sincere thanks to those volunteers who helped make this day a success including the Danville Fire Department for allowing the Road Race Committee to use the Fire Station for the Road Race and providing refreshments and snacks for the runners after the race; the Road Race Committee consisting of Lori Mahoney, Jonna Grenier, and Sharon Skinner who worked tirelessly to coordinate all aspects of the race; the Danville Police Department for doing the Kids Identification kits and traffic control during the race; Erin Drislane for helping with the Kids Fun Run; Cherie & Allan Hess for face painting and banner hanging and Merrimack Valley Hospital for sponsoring the children's entertainment, Julie and Brownie. The Danville Fire Association served up hot dogs and hamburgers, the Police sponsored a dunk tank, which proved to be most popular with the children who ended up being the dunkees rather than the dunkers to beat the heat. Danville Boy Scouts and Girl Scouts as well as the Danville Elementary PTA all had table spaces to sign up new members and raise some funds. Community members enjoyed a Plaistow police dog demonstration by Stryker as well as a performance from the Timberlane Community Band. More volunteers are always welcome to help make Danville Old Home Days bigger and better and planning begins in early April so please consider joining us this year. Families are encouraged to help out while at the same time enjoying the day's activities.

Our senior holiday luncheon was held on the Saturday after Thanksgiving and 80 seniors attended for a delicious roast pork dinner catered by Lindsay Rose Catering and Christmas songs performed by Danville's own Frank Paolini. Danville Girl Scouts from Troop 2156 were on hand to help serve the dinner along with Brian and Donna Hassard, Jennifer Whitman and Emily Weston. We thank them all for their assistance. We couldn't have served everyone so efficiently without their help. Later that day we teamed up with the Danville Police Department to light the town Christmas tree with beautiful white lights placed by Allan Hess. This year saw our biggest crowd attend to hang their ornaments on the tree and sing Christmas Carols with Girl Scout Troop 2156 while awaiting the arrival of Santa Claus on the Fire Truck. After Santa threw the switch to light the tree the crowd moved over to the Fire Hall for pizza, cookies, soda, hot chocolate, photos and a small gift from Santa after a chance to sit on his lap for a visit. Everyone eagerly awaited the winners of the children's and adult raffle and many went

home with prizes. Thank you to all who helped with this event including Paul Bilecki, the Drislanes, Jennifer Whitman, Billy Armstrong and Emily Weston.

Once again this year the four Recreation Committees of Atkinson, Danville, Plaistow and Sandown sponsored the 3rd annual New Year's Eve celebration for seniors on Friday, December 28 at the Vic Geary Center. Approximately 120 seniors from the 4 towns enjoyed a delicious roast beef dinner along with coffee & dessert amongst silver, black and gold New Year's decorations. Dancing followed with DJ Bud and the night also included numerous raffles with many seniors going home with prizes. Minutes before 10:00 pm everyone shared a sparkling cider toast to 2008 and joined in a huge circle of friends to sing Auld Lang Syne. With noisemakers and streamers the New Year 2008 was joyously welcomed a little early by those attending.

The Recreation Committee meets the third Thursday of each month beginning at 6:30 pm at the Town Hall and the public is invited to attend. We hope that more people will join us in planning this year's activities that offer something for all ages.

Dawn Weston, Chairperson

On behalf of the Recreation Committee members including Judy Armstrong, Peggy Creighton, and Lori Mahoney

Forestry Committee 2007 Annual Report

The Danville Forestry Committee experienced another successful year promoting the great outdoors what is called the “Town Forest”. This special place is owned by all the people of Danville and enjoyed by not only Danville residents, but by residents of our neighboring towns.

The proposed Conservation Easement with the Audubon Society has made progress. One of the conditions of the Easement is a “Stewardship Plan” that is a written and approved forest and land management plan (“Stewardship Plan”) signed by a professional forester licensed by the State of New Hampshire or other qualified persons approved in advance by the Audubon Society. This plan will be funded by the Town’s Conservation Fund or a grant with no property tax impact by the Town. The Forestry Committee will be managing this Stewardship Plan project with the primary assistance of the Selectmen, Conservation Commission, and Heritage Commission.

For the first time, the Forestry Committee provided input and information to be inserted into the “Master Plan” under the section of Open Space – Natural Resources. The forest is an important natural resource of the town for many reasons.

Thanks to the Conservation Commission, a formal survey of the Town Forest was completed and recorded. There are 423 acres of forest and wetlands that provide homes to a very diverse wildlife community.

Public walks in the forest are a critical part of what the Forestry Committee does to educate people about forests and their management. There was a walk in August to celebrate “Old Home Day” and another one in October. There are more seasonal walks planned for 2008.

A “Leave no Trace” poster was presented to the Forestry Committee by Scout Noam Hantman and is on display at the Hawke Conservation Area information board.

The Danville Forestry Committee operates without any cost to the town. There is no Forestry Budget. The members are all dedicated volunteers.

The Forestry Committee meets on the first Wednesday each month at 7:00 at the Town Hall. Please call Betsy Sanders at 642-5070 for more information or suggestions for events. Thank you for the success of our endeavors!

Members Chris Lauria, Betsy Sanders, Curt Springer and Andy Ward

2007 CABLE COMMITTEE ANNUAL REPORT

During 2007, Danville's Cable Channel 20 continued to provide the residents of Danville with access to almost all of the Town committee meetings. Virtually all Board of Selectmen meetings, Heritage Committee meetings, Conservation Committee meetings, Planning Board meetings, Forestry Committee meetings and Budget Committee meetings were televised. In addition, these meetings were rebroadcast several times throughout the week providing additional viewing opportunities. Also, the 2007 Town Meeting Deliberative Session was broadcast live and local church services have been broadcast each Sunday morning. When meetings are not being shown, Danville's Channel 20 broadcasts the Town's electronic bulletin board that provides information about upcoming Town and community events.

During the year, upgrades to the system were made to provide a clearer signal. However, there is still more to do in this area and the Cable TV Committee continues to work with our provider, Comcast, to improve signal quality. Other upgrades during the year included the ability to broadcast computer-based presentations and the use of multiple cameras at live events.

It is important to note that the Town's Cable TV System operates with no impact to the Town's Tax Rate. The funds are provided by Comcast based on fees returned to the Town in accordance with our franchise agreement. A Warrant Article allowing the Town to accept and utilize these funds was approved by the voters in 2005, 2006 and 2007 and a similar Warrant Article will appear on the ballot in 2008.

We hope you enjoy watching Danville's Cable TV channel and hope that you find it useful and informative. We would appreciate any suggestions that you might have.

Barry Hantman, Cable Coordinator
Sean Jones, Camera Operator
Lindsey Ahearn, Camera Operator

WEBSITE COMMITTEE

During the past year, your town web site committee has reformatted the town web site to make it easier to get to information and to present upcoming events in a calendar format.

We also arranged capacity at no additional cost to the town to present meetings that people can watch at their convenience, such as the 2007 deliberative session.

As always we thank town officials and staff for forwarding information to us on a timely basis to post on the web site.

Please visit your town website at <http://www.townofdanville.org>, and send any comments or questions to webmaster@townofdanville.org.

Curtis H. Springer

2007 COLBY MEMORIAL LIBRARY ANNUAL REPORT

We had a busy year. We registered 193 new patrons. There have been 13, 079 patron visits which is a 10.4% increase over last year and a circulation of 33, 293 items which is a 12% increase over last year. We added 1, 972 books, 4 audio tapes, 59 CDs, 155 DVDs, and 124 videos. We own 526 large print books. The circulation on the large print books is 1120. Please visit the library to check out our numerous items. We offer family passes for the Boston Museum of Science. We also offer a new program called N.H. Downloadable Audio books. Audio books can be downloaded to a computer and then to an Mp3 player and some can be burned on a CD. 97 people downloaded 315 audios. We have 8 public access computers, all have Internet access. There is a database available to the public at the library and it can be accessed from home PCs via Internet. It is called NHewLink. It provides access to 2,300 periodicals, 1500 of which are full-text. In addition there are 5 national newspapers, and a good general reference database. The State of New Hampshire funds the database. Please come to the library to get your password. We also have "Learn-a Test" which is a database of practice tests for SAT, GED, ACT, Civil Services exams, etc. We also have Britannica Encyclopedia on-line as well.

"Reading Road Trip" was the slogan for our summer reading program. 112 children participated in this program and read 892 picture books and older children read for 6674 minutes. Dan Grady and His Marvelous Marionette Medley performed at our kick-off. We offered an evening at the Performing Arts Center with two performers in cooperation with the Plaistow, Sandown, and Atkinson libraries. In August we held our annual picnic and children who had participated received certificates and a free book.

Our book discussion group meets on the first Thursday of the month at 7PM. All are welcome to join.

In October we participated in The Big Read Discussion program which was funded through a grant from the National Endowment for the Arts.

We are licensed to show movies at the library. We began during the summer as part of our summer program. We will be showing movies to seniors on Tuesdays at 12:30 and families on Saturdays at 10:30AM.

We offered a pre reading workshop in October. We received a grant from Harvard Pilgrim Healthcare Foundation in October to purchase early readers. We also received a grant from Usborne Books for additional early readers. A total of \$450 worth of pre readers were added to the collection

The 86 second graders visited us in October as part of a program designed to bring children into the town buildings so they can see what we do.

A composting program was presented by Elizabeth Cameron.

We wish to thank the Friends of the Colby Library who have raised money to provide additional programs. Thanks to all who donated books, videos, magazines, and audios. Special thanks to those who presented us with monetary memorial donations.

Library hours were Monday and Tuesday 12-8 PM, Wednesday and Thursday 10AM-6PM and Saturday 10AM-1 PM. We were closed on Saturdays during July and August and open until 8PM Wednesday and Thursday. Preschool Storytimes are held on Thursday at 10 AM and 1 PM.

Dottie Billbrough, Director

Elizabeth Cameron, Barbara Chalmers, Luis Sanchez, Trustees.

2008
Warrant
Budget &
Revenue Report

**STATE OF NEW HAMPSHIRE
TOWN OF DANVILLE**

2008 Town Meeting Warrant

To the inhabitants of the Town of Danville in the County of Rockingham in said State, qualified to vote in Town affairs:

First Session of Annual Meeting (Deliberative)

You are hereby notified to meet at the Fire Association Hall in Danville, New Hampshire on Saturday, the second day of February 2008, at ten o'clock in the forenoon to deliberate upon the articles included in the warrant. This session shall consist of explanation, discussion, and debate of warrant articles 8 through 28. Warrant articles may be amended subject to the following limitations: (a) warrant articles whose wording is prescribed by law shall not be amended and (b) warrant articles that are amended shall be placed on the official ballot for a final vote on the main motion as amended.

Second Session of Annual Meeting (Voting)

You are hereby also notified to meet on Tuesday, the eleventh day of March 2008 at 8:00 o'clock in the morning at the Fire Association Hall, Danville, New Hampshire to vote by official ballot on the election of town officials, and on all warrant articles. By vote of the Selectmen, the polls for the meeting will remain open from 8:00 o'clock in the morning until 8:00 o'clock in the evening.

Article 2008-1 Choose all necessary Town Officers for the year ensuing. (March 11th only)

Article 2008-2 Choose all School District Officers for the year ensuing. (March 11th only)

Article 2008-3 Are you in favor of ADDING a section to the Danville Zoning Ordinance which would provide a definition of Commercial Motor Vehicle. Specifically, this would add a new ARTICLE II.E. (and renumbering the existing ARTICLES II.E. through II.EE accordingly) as follows:

“E. COMMERCIAL MOTOR VEHICLE

A self-propelled or towed vehicle used on a Class I through V highway in commerce principally to transport passengers or cargo, if the vehicle:

1. Has a gross vehicle weight rating or gross combination weight rating, or gross vehicle weight or gross combination weight, of 4,536 kg (10,001 pounds) or more, whichever is greater; or
2. Is designed or used to transport more than eight (8) passengers (including the driver) for compensation; or
3. Is designed or used to transport more than fifteen (15) passengers, including the driver, and is not used to transport passengers for compensation;
4. Is used in transporting material found by the Secretary of Transportation to be hazardous under 49 U.S. C 5103 and transported in a quantity requiring placarding under regulations prescribed by the Secretary under 49 CFR, Subtitle B, Chapter I, Subchapter C. has a gross vehicle weight rating or gross vehicle weight of at least 10,001 pounds, whichever is greater; or

5. Requires a Commercial Drivers License as specified by the Commercial Motor Vehicle Safety Act (1986, as amended), as specified by Title 49 of the Code of Federal Regulations, as required by the State of New Hampshire or as required by the state of registration of the vehicle.

The following vehicles shall not be considered commercial motor vehicles:

1. Farm vehicles owned and operated by the farmer within one hundred fifty (150) miles radius of the farm;
2. Emergency vehicles of a Fire Department;
3. Military vehicles operated by military personnel; or
4. Recreational vehicles.

“Commercial Motor Vehicle” and “Commercial Vehicle” are used interchangeably in this Ordinance and are considered to have the same definition.

RECOMMENDED BY THE PLANNING BOARD

Article 2008-4 “Are you in favor of amending the Town of Danville Zoning Ordinance, to add definitions for the front, rear and side lot lines as well as to modify the definition of Frontage. Specifically, this would modify ARTICLE II.H. and add a new ARTICLE II.P., II.Q., and II.R and renumber the existing ARTICLES II.P through II.EE accordingly. The specific wording is as follows.”

II.H. FRONTAGE

The distance along the lot line dividing a lot from either:

- a. A public highway, excepting limited access highways as defined by RSA 230:44 and Class VI Highways; or
- b. A street shown on an approved and recorded subdivision plat.

II.P. LOT LINE, FRONT

The lot line separating a lot from a street right-of-way from which legal access to the lot may be obtained (i.e., Frontage).

II.Q. LOT LINE, REAR

The lot line opposite and most distant from the Front Lot Line(s).

II.R. LOT LINE, SIDE

Any lot line other than the front or rear lot line.

RECOMMENDED BY THE PLANNING BOARD

Article 2008-5 “Are you in favor of amending the Town of Danville Zoning Ordinance to eliminate the existing Retail/Commercial and Service Zone, create a new Danville Village District along the southern portion of Main Street and vicinity, extend the Highway Commercial and Light Industrial Zone, and modify the boundaries of several zoning districts so that the zoning district boundaries follow existing lot lines. Specifically: adding a new ARTICLE III.A. and renumbering the existing ARTICLES III.A. through III.E. accordingly; replacing ARTICLE III.B., ARTICLE III.C., ARTICLE IV.B., and ARTICLE IV.C.1.a; modifying ARTICLE VII.D.8. and ARTICLE VII.D.8.d. and deleting ARTICLE III.D.3. The specific changes are as follows:

ADD A NEW ARTICLE III.A. AND RENUMBER THE EXISTING ARTICLES III.A. THROUGH III.E. accordingly.

A OFFICIAL ZONING MAP

The location of the following districts are delineated on the map entitled Official Zoning Map, Town of Danville, and as amended, shall hereinafter be referred to as the Official Zoning Map and shall be made part of this Ordinance. *[RSA 674:20.]*”

1. INTERPRETATION OF DISTRICT BOUNDARIES

Where any uncertainty exists with respect to the boundary of any district as shown on the Zoning Map, the following rules shall apply:

- a. Boundaries indicated as a street, utility line, and watercourse or other water body shall be construed to be the center line thereof.
- b. Boundaries indicated as following approximately parallel to a street, utility line, and watercourse or other water body shall be construed to be parallel to the nearest line thereof, and the number placed on the Zoning Map between the boundary and such line shall be the distance in feet between them as measured at a right angle from such line.
- c. Where a boundary apparently follows a property line, it shall be interpreted as such, even if such boundary should change as the result of survey. Such property line shall be interpreted as one existing at the time of enactment of this Ordinance.
- d. Where a boundary is indicated as intersecting the center line of a street, utility line, and watercourse or other water body, it shall be construed to intersect at right angles to said center line or, in the case of a curved center line, at right angles to the tangent of the curve at the point of intersection.
- e. In the case of uncertainty of the location of a district boundary, the Planning Board shall determine the location of said boundary. An aggrieved party may appeal this decision to the Zoning Board of Adjustment.

REPLACE ARTICLE III.B WITH THE FOLLOWING

B. DANVILLE VILLAGE DISTRICT

The location of said District is delineated and named on the map entitled “Official Zoning Map, Town of Danville.”

AMEND ARTICLE III.C BY ADDING THE FOLLOWING TO THE END OF THE FIRST SENTENCE:

“and those properties so delineated as being zoned Highway Commercial and Light Industrial on the Official Zoning Map.”

DELETE ARTICLE III.D.3.

REPLACE ARTICLE IV.B WITH THE FOLLOWING:

B. DANVILLE VILLAGE DISTRICT

1. District Objectives

- a. Provide the opportunity for the integration of limited commercial, professional and service oriented business uses with those existing residential and civic uses situated along the Main Street corridor.
- b. Recognize residential uses will continue to be an integral part of the Main Street corridor fabric.
- c. Create a framework by which a diverse mixture of residential and non-residential uses within the District remains sustainable.
- d. Encourage a complementary mix of residential and non-residential uses intended to support each other while affording employment opportunities and modest expansion of the Town's tax base.
- e. Preserve valuable historical, cultural and natural features, which define the rural character of Danville's Main Street corridor.
 - 1) Existing structures of historical significance, as may be recommended by the Heritage Commission, should be preserved and reused where possible.
- f. Ensure permitted non-residential uses are compatible with continued residential uses in the Village District.

2. Permitted Uses

- a. Single unit dwellings and accessory buildings. No more than one (1) principle residential dwelling unit per lot shall be permitted.
- b. Farms, farm uses and customary farm occupations other than commercial piggeries and mink farms.
- c. Customary/Home Occupations, subject to the provisions of Article IV – Section A.2.
- d. Accessory Uses: Extended Family Accessory Living Unit, subject to the provisions of Article IV – Section A.4.

The following uses are permitted subject to Site Plan Review and approval by the Planning Board:

- e. Senior Housing, subject to the provisions of Article IV – Section A.5.
- f. Multiple-unit dwellings, subject the provision of Article IV - Section A. 1(d).
- g. Retail sales establishments.
- h. Professional offices and studios.
- i. Medical and dental offices and related health care facilities.
- j. Banks and other financial institutions.
- k. Personal service establishments.
- l. Restaurants, bakeries and cafes.
- m. Funeral homes.
- n. Fraternal membership clubs.
- o. Inns and Bed & Breakfast establishments.
- p. Churches and other places of worship.
- q. Educational and day care facilities for children and adults.
- r. Nursing homes, elderly congregate care and assisted living facilities.
- s. Governmental uses of land and buildings.
- t. Animal hospitals, boarding and breeding kennels.

3. Restrictions and Special Provisions

- a. Drive-through service windows are prohibited.
- b. Outdoor storage and/or display of non-agricultural goods, products, materials, and equipment shall be prohibited. Outdoor storage and display may be permitted by the Planning Board with non-residential site plan approval if deemed in keeping with the stated District objectives.
- c. The maximum gross first floor area of any single building located on any single parcel shall not exceed three percent (3%) of the gross lot area within the District. In no case shall the first floor area of any single building exceed six thousand five hundred thirty-four (6,534) square feet. The maximum gross floor area of all buildings situated on any single parcel shall not exceed six percent (6%) of the gross lot area within the District.
- d. Two or more permitted uses may be allowed on a single lot or within a single structure. However, in no case shall a non-residential use occur on the same lot as a multi-unit dwelling.
- e. Dimensional Requirements
 - 1) All buildings shall be setback a minimum of fifteen feet (15') from lot lines other than the front lot line; and shall have a setback of thirty feet (30') from the front lot line, except in cases where the average front lot line setback of existing properties within five hundred feet (500') in both directions, along and on the same side of the street is less. In such cases the required minimum front lot line setback may be taken as that average distance.
 - 2) No building height shall exceed 2.5 stories or thirty-five feet (35').
 - 3) Minimum lot area shall be two (2) acres.
 - 4) Minimum lot frontage shall be two hundred feet (200').
- f. Within fifty feet (50') of a right-of-way, all parking shall be located to the side and/or rear of all existing or proposed buildings.
- g. A change of use to existing principle or accessory structures shall be allowed and shall also comply with all of the provisions of Article VII.S-Fire Protection, as applicable. A change of use may require Site Plan Review in accordance with Article VII.T.
- h. No materials defined as hazardous under 49 U.S.C 5103 will be used or stored on the premise.
- i. Applicants shall demonstrate that historic structures and features are maintained and preserved to the extent possible and reasonable, as determined by the Planning Board in consultation with the Heritage Commission.

4. Special Use Permits for Non-conforming Structures and Lots

Pursuant to the authority granted by RSA 674:21, Innovative Land Use Controls, the Planning Board shall be authorized to permit a change of use to property that is non-conforming as dimensional requirements, provided the following criteria are met:

- a. That the proposed use, in the opinion of the Planning Board, can adequately and safely be accommodated on the property.
- b. That adequate landscaping, buffering, and fencing is provided as necessary to minimize impacts on adjoining properties.
- c. That adequate and safe access can be provided to the property.

REPLACING ARTICLE IV.C.1.a WITH THE FOLLOWING

- a. Any use such as: retail sales establishments, professional offices and studios, hospitals, medical and dental offices and related health care facilities, banks and other financial institutions, personal service establishments, restaurants with or without drive-through windows, bakeries and cafes, funeral homes, fraternal membership clubs, Inns and Bed & Breakfast establishments, governmental uses of land and buildings, automotive filling – service stations, automotive repair shops, and animal hospital and boarding and breeding kennels.”

DELETING ARTICLES IV.C.2.c and IV.C.2.d IN THEIR ENTIRETY AND
RENUMBERING ARTICLES IV.C.2.e and IV.C.2.f ACCORDINGLY

MODIFYING ARTICLE VII.D.8 BY REPLACING THE WORDS “Commercial/Retail and Service zone” WITH “Danville Village District” (2 instances) AND MODIFYING ARTICLE VII.D.8.d BY REPLACING THE WORDS “Commercial/Retail and Service zone” WITH “Danville Village District” (2 instances)

RECOMMENDED BY THE PLANNING BOARD

Article 2008-6 Are you in favor of **ADDING** a sentence to the Danville Zoning Ordinance to clarify the location from which the roadway setback is measured. Specifically, this will add the following sentence to the end of **ARTICLE IV.A.1.d.1.c.)**, the end of **ARTICLE IV.A.3.e.5.b.i.**, the end of **ARTICLE IV.B.2.c.**, the end of **ARTICLE IV.C.2.c.**, the end of **ARTICLE V.B.1.a.1.)**, the end of **ARTICLE V.B.1.b.1.)**, and the end of **ARTICLE VI.B.:**

“The setback from the roadway shall be measured from the edge of the right-of-way.”

RECOMMENDED BY THE PLANNING BOARD

Article 2008-7 Are you in favor of **ADDING** a section to the Danville Zoning Ordinance which would restrict junkyards throughout the Town. Specifically, this will add a new **ARTICLE V.I.:**

“V.I. JUNKYARDS

Junkyards, as defined by RSA 236:112 paragraph I., shall be prohibited throughout the Town of Danville.

RECOMMENDED BY THE PLANNING BOARD

Article 2008-8 **Operating Budget**

“Shall the town raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote for the first session, for the purpose set forth therein, totaling Two Million Four Hundred Twenty-eight Thousand One Hundred Forty-four Dollars (\$2,428,144). Should this article be defeated, the default budget shall be Two Million Three Hundred Thirty-seven Thousand Sixty-eight Dollars (\$2,337,068) which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.”

Recommended by the Budget Committee
Recommended by the Board of Selectmen

Article 2008-9 Long Pond Road Culvert

To see if the Town will vote to raise and appropriate the sum of Thirty-five Thousand Dollars (\$35,000) for the culvert construction on Long Pond Road at Pow Wow Brook and authorize the withdrawal of Ten Thousand Six Hundred Dollars (\$10,600) from the Long Pond Road Culvert Capital Reserve Fund created for that purpose. The balance of Twenty-four Thousand Four Hundred Dollars (\$24,400) is to come from general taxation.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

Article 2008-10 Addition to Long Pond Road Culvert Capital Reserve Fund

If Warrant Article 2008-9 fails, to see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be added to the Long Pond Road Culvert Capital Reserve Fund previously established.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

Article 2008-11 Highway Sand/Salt Storage Building Capital Reserve Fund

To see if the Town will vote to raise and appropriate the sum of Forty Thousand Dollars (\$40,000) to be added to the Highway Sand/Salt Storage Building Capital Reserve Fund established to build a Highway Sand/Salt Storage Building to fulfill a future EPA requirement for stormwater management.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

Article 2008-12 Purchase and Equip a Four Wheel Drive Police Vehicle

To see if the Town will vote to raise and appropriate the Sum of Thirty-four Thousand Dollars (\$34,000) to purchase and equip a new four wheel drive police vehicle.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

Article 2008-13 Disposal of Police Department Vehicle

To see if the Town will vote to allow the Selectmen/Police Chief to sell, by competitive sealed bid, the existing 1988 decommissioned 4 wheel drive police truck and to appropriate the estimated sale sum of Two Thousand Dollars (\$2,000) to be placed in the New Police Station Capital Reserve Fund.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

Article 2008-14 New Police Station Capital Reserve Fund

To see if the Town will vote to raise and appropriate the sum of Forty Thousand Dollars (\$40,000) to be added to the New Police Station Capital Reserve Fund previously established.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

Article 2008-15 Rescue Vehicle and Equipment Revolving Fund

To see if the town will vote to create a revolving fund pursuant to RSA 31:95-h, for the purpose of purchasing a rescue vehicle and/or medical equipment for the Fire Department. All revenues received from billable ambulance services provided by the Danville Fire Department will be deposited into the fund, and the money in the fund shall be allowed to accumulate from year to year, and shall not be considered part of the town's general fund unreserved fund balance. The fund shall be used to purchase a replacement rescue vehicle and/or medical equipment for the

Fire Department. The town treasurer shall have custody of all moneys in the fund, and shall pay out the same only upon order of the governing body and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created. NO TAX IMPACT

Article 2008-16 Fire Department Vehicle Purchase

To see if the Town will vote to raise and appropriate the sum of Thirty-three Thousand Two Hundred Dollars (\$33,200) to purchase and completely outfit a 2008 one ton 4 wheel drive pick-up truck for use by the Fire Department and authorize the withdrawal of Thirty-three Thousand Two Hundred Dollars (\$33,200) from the Fire Department Vehicle Capital Reserve Fund previously established. NO TAX IMPACT.

**Not recommended by the Budget Committee
Recommended by the Board of Selectmen**

Article 2008-17 Fire Department Protection of Personnel Equipment Capital Reserve Fund

To see if the Town will vote to raise and appropriate the sum of Eight Thousand Dollars (\$8,000) to be added to the Protection of Personnel Equipment Capital Reserve Fund previously established.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

Article 2008-18 Fire Department Vehicle Capital Reserve Fund

To see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000) to be added to the Fire Department Vehicle Capital Reserve Fund previously established.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

Article 2008-19 Fire Department SAFER Grant

To see if the Town will vote to raise and appropriate the sum of Thirty-seven Thousand Nine Hundred Fifty Dollars (\$37,950) to provide partial funding for two (2) full-time weekday firefighter/EMT staff for the Fire Department beginning in July 2008 and to accept a Staffing for Adequate Fire and Emergency Response (SAFER) Grant from the Department of Homeland Security in the amount of Thirty-seven Thousand Nine Hundred Fifty Dollars (\$37,950) to partially fund this staffing. The remaining funding for the full-time staff of Ten Thousand Six Hundred Sixty Dollars (\$10,660) will be provided from the Fire Department's existing operating budget. The SAFER Grant is a five year plan that will provide a total grant amount over the five year period of Two Hundred Ten Thousand Eight Hundred Fifty Dollars (\$210,850) to provide two (2) full-time/weekday Firefighter/EMT staff for the town. Danville's portion would be paid from the Fire Department's existing operating budget for the first three years.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

Article 2008-20 Municipal Mosquito Control Expendable Trust Fund

To see if the Town will vote to raise and appropriate the sum of Five Thousand Five Hundred Dollars (\$5,500) to be added to the Municipal Mosquito Control Expendable Trust Fund established for the purpose of management and spraying for mosquito control.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

Article 2008-21 Public Educational and Government Access Budget

To see if the Town will vote to raise and appropriate the sum of Six Thousand Six Hundred Eighty-three Dollars (\$6,683) from the Cable Access Special Revenue Fund for Public Education Government Access (PEG), such funds to come from fees returned to the Town from Comcast or its successor company, under the Franchise Agreement. NO TAX IMPACT.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

Article 2008-22 Historic Webster Stagecoach Stop & Store

To see if the Town will vote to accept title to the building known as the Webster Stagecoach Stop & Store and to raise and appropriate the sum of Thirty-four Thousand Seven Hundred Eighty-two Dollars (\$34,782) to relocate the building to Town-owned property at the corner of Sandown Road and Main Street (Map 1 Lot 39). This appropriation to be entirely offset by DOT grants, LCHIP grants, Heritage Fund and donated services. Upon completion of the project, any residual funds will be placed into the existing Heritage Fund. NO TAX IMPACT.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

Article 2008-23 Disposal of Town Property

To see if the Town will vote to allow the Selectmen to sell by competitive bid, trade, or otherwise dispose of town owned equipment or vehicles which are no longer used in the Town's normal operations, and authorize indefinitely, until specific rescission of such authority, the Selectmen to dispose of the aforementioned town owned property. Any revenue received will be added to the general fund.

Article 2008-24 Mailing Town Reports

Shall the Town discontinue mass mailing the Town Reports each year, thereby reducing the cost of printing and the cost of mailing? The Town will continue to make the Town Reports available at the Danville Town Hall, the Colby Memorial Library, by mail upon request and on the Town Website at www.townofdanville.org.

Article 2008-25 Colby Memorial Library Expend Interest

To see if the Town will vote to raise and appropriate the sum of One Thousand Three Hundred Thirty-three Dollars (\$1,333) to purchase library shelving and authorize the use of that amount from interest income earned from the library's TD Banknorth checking account and the checking account portion of the NHPDIP (New Hampshire Public Deposit Investment Pool) account. NO TAX IMPACT.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

Article 2008-26 Colby Memorial Library Extend Hours

To see if the Town will vote to raise and appropriate the sum of Ten Thousand Forty-eight Dollars (\$10,048) to extend the library hours from 35 hours to 43 hours per week beginning March 17, 2008. This figure includes salaries, Social Security and Medicare costs for forty-two weeks of 2008.

**Recommended by the Budget Committee
Not recommended by the Board of Selectmen**

Article 2008-27 Add West Parcel to Conservation Easement

To see if the Town will vote to add the Town owned ‘West Parcel’, so-called, tax Map 1 Lot 69, acquired by deed recorded in the Rockingham County Registry of Deeds, Book 2879, Page 37, to the lots authorized for a conservation easement on the Town Forest by Warrant Article 33, passed by the town meeting on March 11, 2003, under the same terms and conditions. This lot is the location of the parking lot for the Town Forest.

Article 2008-28 Citizen Petitioned Warrant Article: Sandown Road Bridge Repair

To see if the town will vote to replace the culvert with necessary materials and repave the Sandown Road Bridge to allow weight limit restrictive passage, and to raise and appropriate \$30,000 for this purpose. The sum of \$30,000 to be raised by taxation. This appropriation is to repair the bridge culvert only.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

Eagle Scout Project

“Little Red School House”

Matthew Raumikaitis
Troop 13
Danville, NH
Historical District
Daniel Webster Council

Day 2 - November 18, 2007

North-west corner after done painting

Mark Raumikaitis and I put the Little Red School House sign back on;
marking the end of the project

Day 1 - November 17, 2007

Lindsey and Peg Raumikaitis paint entry way

Mark Raumikaitis paints east side as Peg Raumikaitis paints door

Day 1 - November 17, 2007

Lindsey Raumikaitis, Alexis and Alyssa Bolduc paint north side

Mark Raumikaitis begins to paint trim

Day 1 - November 17, 2007

North side after being scraped

East side after being scraped

Day 1 - November 17, 2007

Volunteer, Mark Raumikaitis, scraping paint from south-eastern corner

Volunteer, Dave Smith replaces the split peak board

Day 1 - November 17, 2007

Volunteer, Drew Mather, scraping paint from front of building

Myself after taking down Little Red School House sign

Before

Squirrel hole on entryway's facier board at peak

After facier board is replaced by Dave Smith

Before

Bottom of entry way - road side - missing and rotten pine clapboards

After replacing rotten pine clapboards with historically accurate used cedar clapboards. Replaced by Dave Smith

The Historic District recently held their Eagle Board of Reviews for scouts who had completed all of the requirements for the rank of Eagle Scout. Eagle Scout is the highest honor in scouting and less than 4% of all scouts attain this rank. Troop 13 is pleased to announce that Matthew Raumikaitis has completed his requirements and was approved as Troop 13's latest Eagle Scout. Matt is a senior at TRHS and is now an Assistant Scoutmaster with Troop 13. In addition to the rank and merit badge (21+) requirements, Matt's Eagle Project included repairs and repainting of the Little Red School House on Main Street in Danville. Congratulations to Matt for his hard work and dedication.

The Board of Selectmen are pleased with the much needed attention to the Little Red School house and proud of Matt's accomplishments in attaining the rank of Eagle Scout.

BOARDS AND COMMISSIONS

All meetings take place at the Town Hall.
Meeting schedules are subject to change.

Board of Selectmen

Monday evenings at 7:00 PM.
(Alternate Mondays during slow times)

Planning Board

2nd and 4th Thursdays at 7:30 PM.
