SUMMARY ANNUAL TOWN MEETING

MARCH 13, 2012

At 7:30 p.m. Town Manager Edward Samson opened the Annual Meeting and introduced Moderator John L Riff IV.

Moderator Riff asked the WMRHS JROTC to bring the colors forward and lead all in the Pledge of Allegiance and the National Anthem.

Moderator Riff explained the rules of procedure for this evening's meeting as follows:

Handling the Articles

- a) The individual that seeks to bring an article to the floor will seek recognition.
- b) The moderator will grant recognition.
- c) The motion will be made.
- d) Moderator will seek a second.
- e) Moderator will restate the motion and then open the floor for debate.
- f) After debate the moderator will call the question from the floor and then call for a vote.

Dealing with Motions

- a) When a motion is amended – the main motion will be held in abeyance and the motion to amend will be addressed.
- b) If motion to amend passes, the main motion must be moved and seconded as amended.
- c) Any objections must be made immediately. If not they are lost.

Debate

- a) If a person wishes to speak – they must stand, identify themselves, state residence and state as specifically as they can their point.
- b) Goal tonight is to keep the meeting moving.
- c) For articles 3-22 & 24 & 25 – please keep points to 1 minute or less.
- d) Article 23 – longer time limit.
- e) If anyone goes beyond the time limit – the moderator will interrupt, state what he believes the point is and if the speaker disagrees and does not believe he/she has made their point then they may continue a little longer.
- f) However at some point the moderator will call for a 2/3 vote to end discussion.
- g) Civility – must remain civil to each other. All comments and questions will be directed to the moderator not to each other. No personal attacks except to the moderator. If anyone becomes disruptive, there will be a warning, then they will be asked to leave or be removed. Moderator can impose a fine of \$1.00.

Non Residents must have a majority vote to speak.

To see if the Town will vote to raise and appropriate the sum of One Hundred Dollars (\$100.00) for the support of the Lancaster Community Cupboard (Food Pantry) and Community Cupboard Kitchen Table (Soup Kitchen).

Article 21 was moved and seconded. Discussion followed. An amendment passed increasing the amount to \$500. Article 21 as amended carried.

Article 22 – Planning Board Members

"Pursuant to NH RSA 669:17 which allows the election of Planning Board Members:

Are you in favor of the Lancaster Planning Board consisting of 5 members which includes one ex-officio member with two members to be elected for a one year term, one member for a 2 year term and one member for a three year term. Thereafter the term of PB members shall be for three years to be filled at the next regular town election pursuant to provisions of RSA 673:2, II (b)(1). " (By Petition)

Article 22 was moved and seconded. Discussion followed. Article 22 failed.

Article 23 – Rights Based Ordinance

Are you in favor of adopting the following ordinance:

“Right to A Sustainable Energy Future and Community Self-Government Ordinance
A Rights--Based Ordinance to Protect the Health, Safety, and Welfare of Residents and Ecosystems of Lancaster, New Hampshire By Establishing a Bill of Rights; By Recognizing the Right to A Sustainable Energy Future, and By Prohibiting the Siting of New Energy Projects That Violate the People’s Right to A Sustainable Energy Future.

Whereas, this Ordinance establishes a Bill of Rights which recognizes and secures the civil and political rights of Lancaster residents; and

Whereas, this Ordinance recognizes and secures a right to a Sustainable Energy Future for Lancaster residents; and

Whereas, this Ordinance then prohibits the land acquisition necessary for the construction of unsustainable energy systems, or land acquisition necessary to engage in construction or siting of any structure to be used in the operation of unsustainable energy systems, because such actions would violate the right of Lancaster residents to a sustainable energy future; and

Whereas, this Ordinance removes legal powers and authority from corporations within the Town that are in violation of this ordinance or are seeking to engage in activities that are prohibited by this ordinance, in recognition that those legal powers are illegitimate and unjust, in that they place the rights of a corporate minority over the rights and political authority of a majority of Lancaster residents, thereby nullifying those rights and authority; and

Whereas, this Ordinance shall be known and may be cited as “The Town of Lancaster’s Right to a Sustainable Energy Future and Community Self-Government Ordinance;” and

Whereas, this Ordinance is enacted pursuant to the inherent right of the residents of Lancaster to govern their own community, including, without limitation, the Declaration of Independence’s declaration that governments are instituted to secure the rights of people, and the New Hampshire Constitution’s recognition that “all government of right originates from the people, is founded in consent and instituted for the general good.”

Section 1 – Findings and Intent

The residents of the Town of Lancaster recognize that the current energy policies of the state of New Hampshire and the United States have long been directed by a small handful of energy corporations and the directors of those corporations, and that centralized control over energy policies forces reliance upon unsustainable industrial-scale energy production, and denies the rights of residents to a sustainable energy future.

The residents of the Town of Lancaster recognize that environmental and economic sustainability cannot be achieved if the rights of community majorities are routinely overridden by corporate minorities claiming certain legal powers that bar meaningful regulatory limitations and prohibitions concerning the generation, distribution, and transmission of unsustainable energy. The residents of the Town also recognize that sustainability cannot be achieved within a system of preemption which enables those corporations to use state governments to override local self-government, and which restricts municipalities to that lawmaking specifically authorized by state government.

The residents of the Town of Lancaster believe that the protection of their health, safety, and welfare is mandated by the doctrine of the consent of the governed and their inherent right to local self-government. Thus, the Town of Lancaster hereby adopts this rights-based Ordinance, which establishes a Bill of Rights for the residents and communities of the Town. This Bill of Rights includes the Right to a Sustainable Energy Future, prohibits corporations from acquiring land necessary for the construction of unsustainable energy systems, or engaging in the construction or siting of any structure to be used in the operation of unsustainable energy systems, removes certain

legal powers from energy corporations operating within the Town of Lancaster that would violate the Right to a Sustainable Energy Future, and nullifies state laws, permits and other authorizations which interfere with the rights secured by this Ordinance.

Section 2 – Definitions

(a) “Corporations,” for purposes of this Ordinance, shall include any corporation, limited partnership, limited liability partnership, business trust, public benefit corporation, or limited liability company organized under the laws of any state of the United States or under the laws of any country, and any other business entity that possesses State-conferred limited liability attributes for its owners, directors, officers, and/or managers. This term shall not include the Town of Lancaster municipal corporation, but shall include other municipal corporations, local and state authorities, and state and federal agencies.

(b) “Ecosystem” shall include but not be limited to, wetlands, streams, rivers, aquifers, and other water systems, as well as all naturally occurring habitats that sustain wildlife, people, flora and fauna, soil-dwelling or aquatic organisms.

(c) “Natural Communities” means communities of wildlife, flora, fauna, soil-dwelling, aerial, and aquatic organisms, as well as humans and human communities that have established sustainable interdependencies within a proliferating and diverse matrix of organisms, within a natural ecosystem.

(d) “Energy systems” means those systems producing, generating, distributing, transmitting, or transporting energy and power.

(e) “Unsustainable energy systems” means those systems that are controlled by state and federal energy policies, rather than community controlled energy policies; hydroelectric power and industrial scale wind power when it is not locally or municipally owned and operated, energy systems using fossil fuels, including but not limited to coal, natural gas, petroleum products, nuclear and radioactive materials, and other fuel sources that are non-renewable, or which produce toxins and substances that cause injury to humans or natural communities and ecosystems, or that are in violation of residents’ right to a sustainable energy future. The phrase shall also include any energy system which violates the rights of ecosystems and human or natural communities under this Ordinance or under other laws. The term shall not include combustion of wood and wood products or the use of propane, kerosene, heating oil, coal, or natural gas when combustion of those fossil fuels is used solely to generate on-site heat or power and the energy produced is not sold, transmitted, or distributed.

Section 3- Statements of Law – Rights of Residents and the Natural Environment

(a) Right to a Sustainable Energy Future. The residents of Lancaster have a right to a sustainable energy future in which energy decisions are made by the community, and in which fuel sources used to generate energy are renewable and sustainable.

(b) Right to Scenic Preservation. All residents of the town of Lancaster possess a fundamental and inalienable right to protect and preserve the scenic, historic and aesthetic values of the town, including clean air, pure water, healthy soil, and unspoiled vistas that provide the foundation for tourism and economic sustainability for local businesses. Residents and local representatives have the authority to enact and enforce legislation that guarantees an exercise of local self-government that is protective of these rights.

(c) Right to Water. All residents, natural communities and ecosystems in Lancaster possess a fundamental and inalienable right to sustainably access, use, consume, and preserve water drawn from natural water cycles that provide water necessary to sustain life within the Town.

(d) Rights of Natural Communities. Natural communities and ecosystems, including, but not limited to, wetlands, streams, rivers, aquifers, and other water systems, possess inalienable and fundamental rights to exist and flourish within the Town of Lancaster. Residents of the Town shall possess legal standing to enforce those rights on behalf of those natural communities and ecosystems.

(e) Right to Self-Government. All residents of Lancaster possess the fundamental and inalienable right to a form of governance where they live which recognizes that all power is inherent in the people, that all free governments are founded on the people's authority and consent, and that corporate entities and their directors and managers shall not enjoy special privileges or powers under the law which make community majorities subordinate to them.

(f) People as Sovereign. The Town of Lancaster shall be the governing authority responsible to, and governed by, the residents of the Town. Use of the "Town of Lancaster" municipal corporation by the sovereign people of the Town to make law shall not be construed to limit or surrender the sovereign authority or immunities of the people to a municipal corporation that is subordinate to them in all respects at all times. The people at all times enjoy and retain an inalienable and inalienable right to self-governance in the community where they reside.

(g) Rights as Self-Executing. All rights delineated and secured by this Ordinance shall be self-executing and these rights shall be enforceable against corporations, as defined within this Ordinance.

Section 4 -- Statements of Law – Prohibitions Necessary to Secure Bill of Rights' Protections

(a) It shall be unlawful within the Town of Lancaster for a corporation or any person using a corporation, to engage in land acquisition necessary for the construction of an unsustainable energy system, or to engage in construction or siting of any structure to be used in the operation of an unsustainable energy system.

(b) Corporations in violation of the prohibitions of this Ordinance or seeking to engage in those prohibited activities, shall not have the rights of "persons" afforded by the United States and New Hampshire Constitutions, nor shall those corporations be afforded the protections of the commerce or contracts clauses within the United States Constitution or corresponding sections of the New Hampshire Constitution. Those corporations shall

also not be afforded the protections of the 1st or 5th Amendments to the United States Constitution, or corresponding sections of the New Hampshire Constitution.

(c) Corporations engaged, or seeking to engage in actions prohibited by this Ordinance, shall not possess the authority or power to enforce State or federal preemptive law, including eminent domain powers, against the people of the Town of Lancaster, or to challenge or overturn municipal Ordinances adopted by the Board of Selectmen or the residents of the Town of Lancaster, or interfere with the rights asserted by this Ordinance, or interfere with the authority of the Town to protect the health, safety, and welfare of its residents.

(d) No permit, license, privilege, eminent domain authority, or charter issued by any State or federal agency, Commission or Board to any person or any corporation operating under a State charter, or any director, officer, owner, or manager of a corporation operating under a State charter, which would violate the prohibitions of this Ordinance or deprive any Town resident(s), natural community, or ecosystem of any rights, privileges, or immunities secured by this Ordinance, the New Hampshire Constitution, the United States Constitution, or other laws, shall be deemed valid within the Town of Lancaster.

(e) This ordinance shall not apply to those commercial entities within the Town that sell gasoline or other fossil fuel products to the public for consumption by the public, or biomass electric generating plants already in operation within the Town.

Section 5—Enforcement

(a) Any person, corporation, or other entity that violates any prohibition of this Ordinance shall be guilty of a summary offense and, upon conviction thereof, shall be sentenced to pay the maximum fine allowable under State law for that violation. A separate offense shall arise for each day or portion thereof in which a violation occurs and for each section of this Ordinance found to be violated.

(b) The Town of Lancaster may enforce this Ordinance through an action in equity brought in the Coos County District Court or other court of competent jurisdiction. In such an action, the Town of Lancaster shall be entitled to recover damages and all costs of litigation, including, without limitation, expert and attorney's fees.

(c) Any Town resident shall have the authority to enforce this Ordinance through an action in equity brought in the Coos County District Court or other court of competent jurisdiction. In such an action, the resident shall be entitled to damages and recovery of all costs of litigation, including, without limitation, expert and attorney's fees.

(d) Any person who brings an action to secure or protect the rights of natural communities or ecosystems within the Town of Lancaster shall bring that action in the name of the natural community or ecosystem in a court of competent jurisdiction. Damages shall be measured by the cost of restoring the natural community or ecosystem to its pre-damaged state, and shall be paid to the Town of Lancaster or other applicable governmental entity, to be used exclusively for the full and complete restoration of the natural community or ecosystem.

Section 6 – Sustainable Energy Policy

The Town shall implement a Sustainable Energy Policy following the adoption of this Ordinance that provides a plan for the community's reduction in use of power from unsustainable energy systems, within a time frame agreed to by the residents, to be decided by popular vote.

Section 7—Effective Date and Existing Permit holders

This Ordinance shall be effective five (5) days after the date of its enactment, at which point the Ordinance shall apply to any and all commercial production, distribution, transportation, or transmission of energy that would violate this Ordinance regardless of the date of any applicable local, state, or federal permits.

Section 8—People’s Right to Self-Government

The foundation for the making and adoption of this law is the people’s fundamental and inalienable right to govern themselves, and thereby secure their rights to life, liberty, and pursuit of happiness. Any attempts to use other units and levels of government to preempt, amend, alter, or overturn this Ordinance, or parts of this Ordinance, shall require the Town of Lancaster to hold public meetings that explore the adoption of other measures that expand local control and the ability of residents to protect their fundamental and inalienable right to self-government. Such consideration may include actions to separate the municipality from the other levels of government used to preempt, amend, alter, or overturn the provisions of this Ordinance or other levels of government used to intimidate the people of the Town of Lancaster or their elected officials.

Section 9—Severability

The provisions of this Ordinance are severable. If any court of competent jurisdiction decides that any section, clause, sentence, part, or provision of this Ordinance is illegal, invalid, or unconstitutional, such decision shall not affect, impair, or invalidate any of the remaining sections, clauses, sentences, parts, or provisions of the Ordinance. The Town of Lancaster hereby declares that in the event of such a decision, and the determination that the court’s ruling is legitimate, it would have enacted this Ordinance even without the section, clause, sentence, part, or provision that the court decides is illegal, invalid, or unconstitutional.

Section 10 - Repealer

All inconsistent provisions of prior Ordinances adopted by the Town of Lancaster are hereby repealed, but only to the extent necessary to remedy the inconsistency.

ENACTED AND ORDAINED this ___ day of _____, 2012, by the Town of Lancaster, in Coos County, New Hampshire.”

“By:” (By Petition)

Article 23 was moved and seconded. Discussion followed. A petition was submitted to vote on Article 23 by secret ballot after discussion. Article 23 failed by vote of 65 yes and 233 no.

Article 24 – Operating Budget

To see if the town will vote to raise and appropriate the sum of Four Million Nine Hundred Seventy Eight Thousand Two Hundred Twenty Six Dollars (\$4,978,226.00) which represents the operating budget. Said sum does not include any other Warrant Articles.

Article 24 was moved and seconded. Discussion followed. Article 24 carried.

Article 25

To transact other business that may legally come before this meeting.

A motion was made and seconded to change the Annual Town Meeting day to the 2nd Saturday of March. Moderator Riff stated that it would not be a binding vote as it was not part of the 2012 Warrant. The motion failed.

It was proposed that the town look into a way to record town meeting on a cable TV station.

Motion was made, seconded and carried to adjourn the meeting at 10:10 p.m.

Respectfully submitted,

Jean E. Oleson, Town Clerk

TOWN MANAGER'S REPORT

2012 went by quickly but not before we were able to accomplish many improvements to Lancaster's infrastructure. During the year we accomplished much needed repairs and at the same time saved taxpayers thousands of dollars. The savings we realized because the repairs and improvements were done by the employee's of Lancaster.

In 2012, the long awaited repair of the Mt. Orne Bridge was completed in March. New Hampshire Department of Transportation began working in January to repair the damage that was caused when a tractor trailer truck decided to drive the entire length of it. The DOT bridge crew worked through the coldest months of the year and did a fabulous job in restoring the historic bridge.

Beginning in May employees from the highway, water, and sewer installed a new water line along Spring Street. They also rebuilt the street that was in desperate need of repair.

The crews then moved to Grandview Drive and Grove Street and began a 3 month project. This project included water line and sewer line replacement, drainage improvements, and total reconstruction of the road. A lot of man hours went into the project but the finished product and savings to the taxpayers made it worth every penny.

I believe that every employee of the Town works extremely hard and does an outstanding job. They are all aware that they work for the taxpayers of Lancaster and I feel they go above and beyond in providing the best service possible. All of their efforts make my job much easier and enjoyable.

I do enjoy serving the taxpayers of Lancaster and my door is always open to hear your concerns. Praise is also accepted.

Respectfully submitted,

Edward Samson
Town Manager

REPORT OF THE BOARD OF SELECTMEN

Over the last year, Lancaster as well as the rest of the area has continued to face challenging economic times. In a team effort, the Board of Selectmen, Budget Committee, and all of the Departments have kept spending to a minimum and keeping the policy of if it doesn't truly need to be spent, don't spend it. This has served the Town's taxpayers well. This joint effort will continue as we strive to keep taxes low and attract new economic development to Lancaster.

We also tackled some infrastructure improvements this year with the rebuilding of Spring Street, Grove Street, and Grandview Drive to include water, sewer and drainage improvements. These projects were completed by the Town Crew at a savings of several hundred thousand dollars. We have identified many more projects that require attention and we will be attempting to address them as soon as we can. Deficiencies in the aging sewer system have been identified and during the next year we will be taking steps to address the worst of the issues. As much as possible we will continue to utilize the Town Crew for these projects and would like to take this opportunity to thank them for their hard work and dedication.

Lancaster continues to be blessed with numerous volunteers for the many boards & committees that make the Town run smoothly and organize many great events throughout the Year. Lancaster is truly a better place due to the work of these Volunteers. A Hearty Thank You to All of Them!! There will be more opportunities for Volunteers as we are planning the celebration of Lancaster's 250th Year! Anyone interested in helping out let us know we want this to be a year-long celebration of Lancaster's Heritage and its future.

In closing, The Board of Selectman pledge to continue to work at making Lancaster the greatest place to work, live and raise a family in the North Country and as always we look forward to hearing everyone's ideas

Respectfully submitted,

Leon H Rideout
Chairman

Don't forget to renew your dog license by April 30th to avoid a penalty.

FYI – effective January 1, 2013, vehicles 1998 and older are exempt from title. Titles that are mailed and returned to the State because a person has moved are kept forever. They are not forwarded. To get the title you have to contact the Title Bureau. You can get several motor vehicle forms from the Dept of Safety website. You can also check availability of a vanity plate on the Dept of Safety website.

Visit the town's website at www.lancasternh.org. There is a lot of valuable information on the site with links to the different departments.

INDEPENDENT AUDITOR'S REPORT

To the Town Manager and Members of the Board of Selectmen
Town of Lancaster
Lancaster, New Hampshire 03584

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Lancaster, as of and for the year ended December 31, 2011, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town of Lancaster's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

As discussed in Note 1.B.3 to the financial statements, management has not determined its liability or annual cost for postemployment benefits other than pensions (OPEB) in governmental and business-type activities. Accounting principles generally accepted in the United States of America require that management recognize OPEB expense for the required contributions and a liability for unpaid contributions, which would increase the liabilities, decrease net assets, and increase expenses of the governmental and business-type activities. The amount by which this departure would affect the liabilities, net assets and expenses of the governmental and business-type activities is not reasonably determinable.

In our opinion, because of the effects of the matter discussed in the preceding paragraph, the financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the respective financial position of the governmental and business-type activities of the Town of Lancaster as of December 31, 2011, and the respective changes in financial position thereof for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund and the aggregate remaining fund information of the Town of Lancaster as of December 31, 2011, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated August 23, 2012, on our consideration of the Town of Lancaster's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*, and should be considered in assessing the results of our audit.

47 Hall Street ■ Concord, NH 03301
603-856-8005 ■ 603-856-8431 (fax)
info@roberts-greene.com

Accounting principles generally accepted in the United States of America require that the budgetary comparison information on page 32 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

The Town of Lancaster has not presented a management's discussion and analysis. Accounting principles generally accepted in the United States of America have determined that the management's discussion and analysis is necessary to supplement, but is not required to be part of, the basic financial statements.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Lancaster's basic financial statements as a whole. The combining and individual fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is also not a required part of the financial statements. The combining and individual fund schedules and the schedule of expenditures of federal awards are the responsibility of management and were derived from, and relate directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

August 23, 2012

Roberts & Greene, PLLC

2012 ASSESSING REPORT

Following the real estate market in Lancaster continues to be a challenge as we supposedly recover from the downturn in the economy from a few years ago. Foreclosure, bank-owned, and short sales are still common occurrences in town and affect the overall real estate market. There are trends in the market that are becoming more apparent over time such as the importance of energy efficiency as heating costs continue to increase and an aging population favoring houses with fewer stairs to climb. However, basic principles of real estate continue to hold true: location is everything, and the right house on the right lot will hold its value better than a property with even a few negative attributes.

The 2013 tax year marks the return of another five-year assessing cycle in which property assessments will be updated. It is apparent that the values have generally dropped since the last update in 2008, but not all classes of property have declined to the same degree. We will continue to monitor property sales throughout the year and make adjustments to our valuation system for the final tax bill in late fall.

Please remember that just because an assessment may decrease it does not mean that your property tax will necessarily decrease. Tax bills are more dependent on changes in the budget from year to year than they are on assessments. If the various components making up the tax rate increase, then most property tax bills will increase, even in the year of a revaluation. The tax rate has four components: municipal, county, local education and state education. We urge taxpayers to educate themselves on the budget and to attend town and school meetings where spending decisions are made.

All Lancaster properties will be reassessed for the 2013 tax year. Many properties have been visited over the past few years as part of our cyclical reinspection / data verification program, but there are still many that will be reviewed in this update year. When properties are visited, an appraiser will request to measure each building on the property and will usually also request to make an interior inspection to confirm the inside characteristics as well. We ask for your cooperation in this endeavor as the quality of the town's assessment base and equity of the property tax in general starts with accurate information. The town's appraisers carry photo identification and their vehicles are on file with the town office and police department. If you have any questions about property taxes and the assessing function, please call the town office.

Photo compliments of Edith Tucker

TAX COLLECTOR'S REPORT

The following are dates I would like to make the taxpayer aware of in the up coming year:

- February Delinquent Notices will be mailed
- April Water Meters read the 1st week of April

OVERLAY – Amount Raised for Abatements

RSA 76:6 limits overlay to an amount not to exceed 5% of the net tax commitment for the municipality, its state education tax amount and local school tax, its share of the county budget, and village district(s), if any. For your municipality, we anticipate the following:

5% Limit \$295,753 Requested Amount \$60,000

*Your actual overlay will be slightly different due to rounding.

BUDGETARY FUND BALANCE RETENTION

Responsible long term financial planning requires an adequate level of general fund unassigned fund balance to mitigate future risks and to ensure stable tax rates. The GFOA suggests municipalities retain between 8% and 17% of regular general fund operating expenditures. In NH, this is calculated by adding the municipality's general fund operating appropriations, the education tax amount, the local school net tax commitment, and the county appropriation. Based on our best available information, the suggested levels for your municipality would be:

5% \$416,476 8% \$666,361 10% \$832,952 17% \$1,416,018

Your budgetary unassigned fund balance from the MS-5 is: \$1,855,630
The amount voted from "surplus" is: \$313,771
The amount used for RSA 32:11 emergency appropriation is: \$0
The amount you wish to use to set tax rate: \$0
The amount you wish to retain is: \$1,541,859

I hereby acknowledge that I have been advised by the DRA on the recommended retainage ranges as described above.

Signature of town/city official: *Edward Hansen*

Title of town/city official: ~~have~~ Town Manager.

THE STATE OF NEW HAMPSHIRE
TOWN OF LANCASTER
LANCASTER TOWN WARRANT
2013

To the inhabitants of the Town of Lancaster, in the County of Coos, qualified to vote in town affairs.

You are hereby notified, to meet at the Town Hall in said Lancaster on Tuesday, the 12th day of March, at Eight O'clock in the forenoon to act upon the subjects hereinafter mentioned. The polls will be open at said meeting place on said date from Eight O'clock in the forenoon to act upon Article 1 by written ballot and will remain open until 7:00 P.M. for this purpose.

The business meeting will be held at 7:30 P.M. at the above mentioned Town Hall to act upon the remaining articles.

ARTICLE 1: To choose One (1) Selectman for Three (3) years; One (1) Trustee of Trust Funds for Three (3) years; One (1) Library Trustee for Three (3) years; One (1) Cemetery Trustee for Three (3) years; One (1) Emmons Smith Fund Committee member for Three (3) years; Three (3) Budget Committee members for Three (3) years; Three (3) Colonel Town Spending Committee members for Three (3) years.

ARTICLE 2: To see if the Town will vote to raise and appropriate the sum of **One Hundred Thirty Five Thousand Dollars (\$135,000.00)** to be added to the following Capital Reserve Fund accounts previously established for the purpose and in the amounts indicated:

Highway	\$ 40,000.00
Fire Department	\$ 40,000.00
Town Hall Improvements	\$ 10,000.00
Bridge Replacement	\$ 20,000.00
Revaluation	\$ 10,000.00
Police Dept	\$ 5,000.00
Library	\$ 5,000.00
Cemetery	<u>\$ 5,000.00</u>
Total	\$135,000.00

(Recommended by the Board of Selectmen and the Budget Committee)

ARTICLE 3: To see if the Town will vote to raise and appropriate the sum of **Thirty Thousand Dollars (\$30,000.00)** for the purchase of Avitar Assessing and Tax Collect Systems and Utility Billing System and to authorize the withdrawal and expenditure of said sum from the fund balance surplus.

ARTICLE 4: To see if the Town will vote to raise and appropriate the sum of **One Hundred Twenty Five Thousand Dollars (\$125,000.00)** for the purchase of a new backhoe and to authorize the withdrawal and expenditure of said sum from the fund balance surplus.

ARTICLE 5: To see if the Town will vote to raise and appropriate the sum of **Thirty Five Thousand Dollars (\$35,000.00)** for the purchase of a new police cruiser and to authorize the withdrawal and expenditure of said sum from the fund balance surplus.

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of **Ninety Thousand Dollars (\$90,000.00)** for the purchase of a new ambulance and to authorize the withdrawal and expenditure of said sum from the fund balance surplus.

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of **Twenty Five Thousand Dollars (\$25,000.00)** for the purpose of funding expenses associated with the celebration of the Town's 250th birthday in the year 2014 and to authorize the withdrawal and expenditure of said sum from the fund balance surplus.

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of **Thirty Thousand Dollars (\$30,000.00)** for infrastructure improvements to the Colonel Town Recreation Facilities and to authorize the withdrawal and expenditure of **Thirty Thousand Dollars (\$30,000.00)** from the Colonel Francis L Town Properties and Facilities Capital Reserve Fund created for that purpose. (Recommended by the Board of Selectmen and the Budget Committee)

ARTICLE 9: To see if the Town will vote to authorize the Board of Selectmen to accept a gift of property from Bernard Choquette consisting of a main sewer line and several sewer laterals extending from the property of Interlakes Properties North LLC westerly along Route 2 to the point where it connects to the existing town owned sewer line existing within the State of New Hampshire Route 2 right-of-way.

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of **One Thousand Five Hundred Dollars (\$1,500.00)** for the support of the American Red Cross

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of **Two Thousand Dollars (\$2,000.00)** for the support of the Lancaster-Whitefield-Littleton Tri-Town Public Transit Route.

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of **Two Thousand Dollars (\$2,000.00)** for the support of Senior Wheels Demand Response Program.

ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of **Five Hundred Dollars (\$500.00)** for the support of CASA (Court Appointed Special Advocates) of New Hampshire.

ARTICLE 14: To see if the Town will vote to raise and appropriate the sum of **Five Thousand Nine Hundred Twenty One Dollars (\$5,921.00)**, for the support of Northern Human Services/White Mountain Mental Health.

ARTICLE 15: To see if the Town will vote to raise and appropriate the sum of **One Thousand Six Hundred Forty Dollars (\$1,640.00)**, \$.50 per capita, for the support of the Northern Gateway Chamber of Commerce.

ARTICLE 16: To see if the Town will vote to raise and appropriate the sum of **One Thousand Dollars (\$1000.00)**, for the support of the Child Advocacy Center of Coos County.

ARTICLE 17: To see if the Town will vote to raise and appropriate the sum of **Four Thousand Six Hundred Dollars (\$4,600.00)** for the support of the Community Contact Division of Tri-County Community Action.

ARTICLE 18: To see if the Town will vote to raise and appropriate the sum of **Four Thousand Two Hundred Sixty Dollars (\$4,260.00)** for the support of the Caleb Interfaith Volunteer Caregivers.

ARTICLE 19: To see if the Town will vote to raise and appropriate the sum of **Four Thousand Five Hundred Dollars (\$4,500.00)** for the support of the North Country Senior Meals Program.

ARTICLE 20: To see if the Town will vote to raise and appropriate the sum of **Two Thousand Four Hundred Sixty Four Dollars (\$2,464.00)** for the Town's share of the operating budget for the Mt. Washington Regional Airport for the current fiscal year.

ARTICLE 21: To see if the Town will vote to raise and appropriate the sum of **One Thousand Dollars (\$1,000.00)** to help support The Center for New Beginnings in Littleton, which provides counseling and mental health services to individuals throughout the North Country. In 2012, the Center for New Beginnings provided services for 78 individuals who reside in the Town of Lancaster. (By Petition). (Recommended by the Board of Selectmen and the Budget Committee)

ARTICLE 22: Are you in favor of Northern Pass coming through Lancaster? (By Petition)

ARTICLE 23: Are you in favor of locating a private prison in Lancaster? (By Petition)

ARTICLE 24: To see if the town will vote to raise and appropriate the sum of **Five Million One Hundred Eighty Nine Thousand Thirty Nine Dollars (\$5,189,039.00)** which represents the operating budget. Said sum does not include any other Warrant Articles.

ARTICLE 25: To transact other business that may legally come before this meeting.

Given under our hands and seal this _____ day of February, in the year of our Lord, Two Thousand and Thirteen.

 (See Supplemental Schedule With 10% Calculation)

WELFARE DEPARTMENT

The Town of Lancaster provides assistance to families and individuals with identified and verified needs as required by law.

The Basic Legal Duty

The basic local welfare duty is described in RSA 165:1, I, which says:

Whenever a person in any town is poor and unable to support himself, he shall be relieved and maintained by the overseers of public welfare of such town, whether or not he has a residence there.

This simple statement imposes substantial responsibilities. The word “whenever” means there is no time limit to the duty to assist. The word “shall” means that no municipality may treat the program as optional, even when the local budget for the task has been fully expended. The duty includes all persons, not just those who can be classed as a “resident.” The local welfare program truly constitutes the “safety net” for all persons in the state of New Hampshire.

There are many number of things a person or family may require in order to meet their basic needs. Sometimes, the question becomes: What must be done today so that this person or family has shelter, heat, lights, and food *today*? This is different from assistance programs based in federal or state helping agencies. Those programs have specific and limited responsibilities, and they have time to process applications. For example, Medicaid is only a medical assistance program, while Temporary Aid to Needy Families (TANF) is limited to economic assistance. The local welfare official will deal with the full range of needs presented by an individual or a family, and must be prepared to respond promptly to those needs.

The amount spent in 2012 is as follows:

WELFARE ACCOUNTABILITY							
	Food	Rent	Fuel	Medical	Electric	Other	Total
January	\$220.00	\$2,475.00	\$0.00	\$0.00	\$525.00	\$750.00	\$3,970.00
February	\$140.00	\$550.00	\$1,177.70	\$9.34	\$0.00	\$0.00	\$1,877.04
March	\$150.00	\$1,670.00	\$218.26	\$362.29	\$101.03	\$587.59	\$3,089.17
April	\$490.00	\$2,520.00	\$259.00	\$0.00	\$400.00	\$0.00	\$3,669.00
May	\$70.00	\$2,868.00	\$0.00	\$190.16	\$1,469.49	\$0.00	\$4,597.65
June	\$395.00	\$2,360.00	\$0.00	\$0.00	\$568.61	\$0.00	\$3,323.61
July	\$90.00	\$2,126.00	\$0.00	\$0.00	\$765.54	\$750.00	\$3,731.54
August	\$0.00	\$2,613.00	\$0.00	\$310.00	\$114.00	\$750.00	\$3,787.00
September	\$190.00	\$909.00	\$345.30	\$4.40	\$1,331.32	\$75.00	\$2,855.02
October	\$120.00	\$3,325.00	\$954.77	\$0.00	\$270.00	\$0.00	\$4,669.77
November	\$40.00	\$2,895.00	\$0.00	\$25.49	\$409.00	\$100.00	\$3,469.49
December	\$75.00	\$5,620.00	\$175.00	\$125.09	\$204.00	\$0.00	\$6,199.09
				Revenue		-\$200.00	
				Actual Expenditure			\$45,238.38

The Town of Lancaster attempts to recover the monies whenever possible. Assisted individuals can be required to pay the monies back to the town. Assisted individuals can be required to participate in a workfare program in exchange for the assistance provided.

Respectfully submitted:

Edward Samson
Welfare Director

2012 Annual Report

At the Annual Awards Dinner in December the following members were recognized for their years of service to the department: Hank Verret for five years and Kristen Jones for 15 years. Also Callie Dingman was awarded the 2011 EMS Attendant of the Year Award and Rob Bowers was awarded the Lt. Donald White Firefighter of the year Award. This year a new award was added for the Explorer of the year. The inaugural award was given to Matthew LaDuke. We also announced the following promotions: Kevin Whiting was promoted to Deputy Chief, Steven Jones and Frank Brundle to Assistant Chiefs, Trevor Bates to Captain, and Clarence "Jug" Dingman to Lieutenant.

During 2012 we were able to secure \$18,750 in grant funding for a communications study. The study is required to be able to submit for any grants to increase the capabilities of our current radio system. We also received various other grants to offset the costs of other equipment, including a \$4,500 grant towards the thermal imaging camera which funds were appropriated for during the Town Meeting.

Also in 2012 the Lancaster Fire Department Association purchased several pieces of equipment for the department, including 5 portable radios. The Association raises funds throughout the year and with the annual auction in October to assist the department with needed equipment. They also maintain the two antique fire trucks and the museum on Park Street.

During 2012 the department continued to offer free smoke detectors, which were originally purchased with grant funds. Please take a moment to change the batteries in your smoke and carbon monoxide detectors and check all your escape routes. Take time to have a fire drill at home!

The members and officers of the Lancaster Fire Department would like to thank all the members of the community for the support that you have given to the Department over the past year. We are honored to serve the community of Lancaster and are very proud of the quality Department that you have allowed us to achieve.

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 603-271-1370 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfi.org.

Due to a record warm winter and little snow, our first fire occurred on February 4th with several more early fires to follow. Normally a large percentage of the warm windy days with low humidity occur when the ground is saturated from a long snow covered winter. By the time the surface fuels and ground dry out enough to burn, we only have a few weeks until "green up". This year however we had an extended period of these favorable spring fire conditions. Our largest fire in the state was 86 acres. The average size fire was .6 acres. Extensive summer rains kept total acreage burned to near normal levels

As has been the case over the last few years, state budget constraints have limited the staffing of our statewide system of 16 fire lookout towers to Class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting was supplemented by the NH Civil Air Patrol when the fire danger was especially high. Several of the fires during the 2012 season threatened structures, a constant reminder that forest fires burn more than just trees. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

HEALTH DEPARTMENT

2012 Annual Report

By mandate of the State of New Hampshire, the Health Officer and the Deputy Health Officer, along with the Board of Selectmen, make up the Town's Health Department. The Health Officer is empowered to investigate and attempt to resolve any issues within the Town which affects or may affect the health of its residents.

The Health Department is responsible for the following three functions:

- Enforcing applicable New Hampshire laws and administrative rules (i.e. regulations), as well as local ordinances and regulations enacted by communities;
- Serving as liaisons between state officials, local elected officials, and residents for local public health issues and,
- Leading and actively participating in efforts to develop regional public health capacities.

During 2012 we have been actively involved in all these functions. We continue to investigate and enforce many state laws and administrative rules as they pertain to public health.

We intend to continue these processes in the coming year. If you have any questions or concerns, please contact me at (603) 788-3221.

Respectfully submitted,

Steven Jones
Health Officer

LANCASTER POLICE DEPARTMENT

Annual Report 2012

David Lyon joined the Lancaster police Department as a patrolman in July. David began his police training at the New Hampshire Police Academy in September and upon completion of the rigorous fourteen week course of training, graduated as a certified New Hampshire Police Officer On December 21, 2012.

David Lyon and Gov. John Lynch

After graduation David received an additional twelve weeks of in house training while completing the field officer training program, under the supervision of Corporal Brad W. Willey, prior to being authorized to work on his own as a Patrol Officer.

Brad W. Willey is a former Army Ranger that was hired in November as the Corporal for the Lancaster Police Department. Brad had been the Corporal for the Gorham New Hampshire Police Department prior to joining the Lancaster Police Department.

Corporal Willey brings a plethora of expertise and experience to the department. Most notably he is a drug recognition expert and instructor. This skill enables Corporal Willey not only to detect, but also teach the detection of persons under the influence of seven different drugs to include alcohol. He is qualified to teach the proper administration of field sobriety tests to Police officers in the field, as well as teach the recognition of people under the influence of drugs to people in schools and hospitals. Corporal Willey is a certified Field Training Officer who will be responsible for training employees of the Lancaster Police Department proper and acceptable police practices and adherence to Lancaster Police Policies and regulations.

Corporal Brad W. Willey

The Lancaster police Department is very fortunate to have hired David and Brad, and I would encourage everyone to say hello and introduce yourselves to our new officers.

I would like to take this opportunity to personally thank all the people who have shown their support since I was named Chief of the Lancaster Police Department. The reception that I have received from the people of Lancaster is truly humbling and greatly appreciated.

The following statistics are submitted for informational purposes only.

LANCASTER SKATING RINK

We have had a momentous season so far this 2013, despite the iffy weather and incessant pile of snow flurries that hinder ice-making.

Three items have made a significant difference: the small, town appropriation; a gift from the disbanding Littleton Youth Hockey association and; the help of town crew members particularly the innovative group at the Water Department who have added much to the ease of operating the rink.

We purchased an ice-mower from a Barre outfit that is a winterized riding mower with stainless steel blades that cut the high spots off the ice instead of mowing grass. This provides a smooth surface prior to ice making. The second big addition is the backyard, “redneck Zamboni” fabricated by the Water Dept. This is nothing more than a large sap tank on a trailer pulled by the riding mower that spreads 275 gallons of water uniformly over the clean ice to make a very smooth layer ideal for skating and ice hockey.

With the addition of a 1 inch hose and hose reel and a tank less, gas, hot-water heater we can make ice even at low temperatures not conducive to great sheets of ice. We also can make ice with less manpower which makes even the most odious and time consuming chores a breeze (even at 5 below zero).

We also secured a used skate sharpener that we are reconditioning for installation in the maintenance room so everyone has sharp skates to improve their skating.

Dana Southworth and Larry Barker conducted hockey instruction sessions Friday evenings at 6:30 for kids 6-14 with protective equipment provided thanks to White Mountain PAL and the LYHA disbanding.

Still it is a short season battling the elements and a fickle weather pattern that can throw 40 degree temps one day followed by sub-zero temps at ice makers, proving the value of quick turnaround ice making equipment.

A hearty thank you to all town crew that assist this endeavor and make the load that much lighter and a thank you to the voters for continued support.

Peter Riviere driving the ice mower with the home made “Redneck Zamboni” in tow making ice.

HIGHWAY DEPARTMENT

Lancaster's Highway Department rebuilt three of the Town's streets during the spring and summer of 2012. The Department began with Spring Street by removing the worn pavement and sub-base to a suitable depth. A new sub-base of appropriate materials was placed and continuously compacted before new pavement was put down. Grandview Drive and Grove Street were also rebuilt in the same manner except the existing asphalt surface was ground with that material stockpiled for later use as part of the sub-base. Other than the rental of some equipment and contracting for asphalt grinding and pavement, all work was performed by Town forces.

During these projects there was direct coordination with the Water and Sewer Department so they could place new water and sewer lines where needed. The cooperation between Town departments, State of NH DOT, sub-contractors and especially the residents of the streets made for a seamless process and an excellent final product. Also the cost to complete the job, in house, was easily a third of what it would have cost to contract the projects out to an outside contractor. With such a great success it is hopeful the Town will undertake more of these projects for similar results and savings.

Although street upgrades kept the department very busy we were still able to continue with roadside maintenance. This included work on road culverts, road grading, and roadside ditching. This maintenance is constant and very important to minimize the chance for costly road failures. The Town was lucky over the past year with no major storms testing the road conditions.

As always I would like to thank the residents of Lancaster for their patience and cooperation throughout the year. Their vigilance with notifying the Town of issues with our roads and streets enables swift action and most certainly minimizes costly repairs and closures. The hard work and dedication of my staff is also appreciated. Their expertise and ingenuity allow the Town to undertake special projects and complete routine ones with great results and many times minimal costs. I and the Town are very fortunate for them. Thank you all.

Respectfully submitted,

Dennis Donnelly
Highway Foreman

December 8, 2005

The Town of Lancaster employs the following **inclement weather policy** (RSA 231:92-a): All sidewalks in Town will be maintained with the exception of the following:

Depot Street (from Wolcott Street to the end of Depot Street)
Elm Street (from Spring Street to Governor's Terrace)
Fletcher Street
Portland Street
Richardson Street
Water Street

The above sidewalks are not plowed due to width deficiencies or due to low priority use. Please note that sidewalk plowing, clearing, and sanding is the final priority in a storm event. Therefore, sidewalks will be plowed as soon as personnel are available after having cleared all primary and secondary roads and streets within Lancaster. In some cases, sidewalks will not be cleared until after a storm event has ended. Vehicles parked on the sidewalk will be ticketed and/or towed. Thank you for your cooperation.

Board of Selectmen
Lancaster

LANCASTER TRANSFER STATION AND RECYCLING CENTER

This year was not as good a year as 2011 for recycling with the price of recyclables and the quantity of recyclables down.

A good thing though, we bought a glass crusher and now we crush the glass daily and we also take pellet bags and Shaw's bags for recycling

At the end of 2012 we had in storage 55 tons of recyclables that we had not shipped because the price was not as good as I would of liked. (We have shipped most of this not at a better price)

Recyclables recycled for 2012 are as follows:

1.	Cardboard	177.7 Tons
2.	Newspaper	27.5 Tons

LANCASTER WATER AND WASTEWATER TREATMENT FACILITIES 2012 ANNUAL REPORT

Lagoon Wastewater Treatment Facility

E.P.A. # NH0100145

During the year 2012, the Lancaster Lagoon Treatment Facility operated efficiently, we experienced no major State or E.P.A. violations and continue to discharge quality treated wastewater as required by National Pollutant Discharge Elimination System (NPDES) requirements. In 2011, the Lancaster Wastewater Facility treated and discharged 265,510,000 gallons of treated wastewater to the Connecticut River with an average discharge rate of 727,425 gallons per day. The months of May and June proved to be the highest effluent flow.

Grange Wastewater Treatment Facility

E.P.A. #NH0101249

The Grange Wastewater Facility serves 14 residential homes and discharged 1,354,500 gallons of treated wastewater into Otter Brook with an average discharge rate of 3,711 gallons per day (design flow 3,500 gpd), the months of March and December with the highest flow. Future plans are to continue to inspect the collection system for inflow and infiltration.

Lancaster Water Treatment Facility

E.P.A. #1291010

In 2012 the Lancaster Water Facility produced 137,903,600 gallons of water with an average flow rate of 377,818 gallons per day. The months of July and August were the most demanding. The average annual fluoride concentration was 1.26mg/l and average chlorine residual was 1.30mg/l. The Water Facility experienced no water quality violations and continues to monitor and test for sources of problems and concerns. We are continuously providing superior, reliable and safe drinking water to the consumers of Lancaster.

EMERGENCY MANAGEMENT DEPARTMENT

2012 ANNUAL REPORT

The Emergency Management Department is responsible for preparing for emergencies. We work with the State and Federal Emergency Management organizations to prepare for mass casualties due to natural or man-made causes. The Emergency Management Director (EMD) works for the Town Manager and ensures that the Town's Emergency plans are kept up to date. As the EMD, I also work with and help coordinate the training and plan development efforts of the various town agencies that would be involved in resolving a mass casualty.

As the EMD, I also work with the Health Officer to develop plans for mass medical casualties. The current undertaking involves a Point of Distribution (POD) plan. This plan was being developed with the support and guidance of the North Country Health Consortium. It is now being developed by the North Country Health Consortium with the help of the various towns in the North Country. The region that was our responsibility was Coos County. Several towns in Northern Grafton County have since been added to that. We're bigger and have more people to take care of, but we have more people and resources to draw from.

To repeat past recommendations, plan on being on your own for several days if "The Big One" happens. The normal first responders will probably be trying to save themselves and their families first. The state will be taking care of the most people they can with what resources they have available. We are told, it may be three weeks before we see any real help from other sources. We need to be as prepared as we can be. It is expected that an average of 1/3 of our available responders will be unable to respond at all, to say nothing of responding immediately. Please prepare yourself and your family.

The expectation is that, should we have a true catastrophe, communications would become problematic. Depending on the problem we may need to communicate with everyone in the area. This can be done several ways. We already have a relationship with the local radio station and newspapers. It is possible that the school districts in the area would allow messages to be sent via their telephone call down system. This will notify families who have children in school. There are other alternatives depending on the circumstances but the most easily accessible to the most people is the Town of Lancaster's web site. Emergency information and instructions will be posted to the web site as soon as possible under the circumstances. The Town's web site is www.lancasternh.org

Ronald Wert
Emergency Management Director
Town Of Lancaster, NH

SAFETY COMMITTEE

The Town of Lancaster's Safety Committee helps to watch over the town's property and employees to keep things safe. The committee has an employee from each department that meets bi-monthly and inspects the town's property for safety concerns that may cause injury to the public or employees. For 2012, there were just a few minor incidents to inspect.

There are 26 areas that are inspected each year and they are as follows:

1. Police Department
2. Fire Department
3. Ambulance Building
4. Transfer Station
5. Main Sewer Pump Station (Heath Street)
6. Sewer Lagoons
7. Summer Street Pump Station
8. Main Street Pump Station
9. Industrial Park Sewer Pump Station
10. Water Tank Industrial Park
11. Water Tank Reservoir Road (New)
12. Water Tank Reservoir Road (Old)
13. Water Treatment Plant Pleasant Valley Road
14. Sand Pit & Salt Shed & Pipe Storage Area
15. Middle Street & North Road Valve Buildings
16. Ray & Deb's Valve Box Vault
17. Colonel Town Community House
18. Colonel Town Pool & Bath House
19. Colonel Town Playground
20. Colonel Town Fields, Garage, Snack Bar & Scorers Booth
21. Community Camps Pleasant Valley Road
22. Town Garage
23. Water & Sewer Department
24. Town Hall
25. Weeks Memorial Library
26. Town Cemeteries Summer Street

The Safety Committee Supervisor would like to thank the members for there effort to keep us all safe.

Respectfully submitted,

Dennis Patnoe
Safety Committee Supervisor

COLONEL TOWN RECREATION

The year 2012 at Colonel Town was extremely busy as usual. Improvements were made to the Community Camp, the biggest of which was construction of a new bridge to allow visitors access to the fishing pond. This was accomplished through the joint efforts of the Lou Leaver Memorial Fund and the Lancaster Snow Drifters. They did a wonderful job! A special thanks to the VFW for renovating another grill site. The Community Camp was frequently reserved for a variety of parties and celebrations this summer.

Many improvements were also made to the community house and grounds. The gym windows on the first floor were all replaced which will save money on future heating and electric bills. Ed Stanley and Central Paving volunteered their time and resources to repave the front walkway. Ben Oleson worked extremely hard to win a Cal Ripken grant for Colonel Town. As a result of this grant, all three infields were redone and a fourth field (known as "D" field) was created. We truly appreciate the efforts of everyone who helped with these improvements.

There was a great turnout for the sixth year in a row when the baseball/softball parents, players and spectators set aside a special work day to prepare the fields for Opening Day. The FunRaisers disbanded and the snack bar was taken over by Colonel Town. Congratulations to the Way North 16U Girls Softball team for winning the New England Championship and placing third at the World Series in Wilson County, North Carolina.

The seasonal activities continue to do well. The gym was packed for the Father/Daughter Dance. Zach Colby did a wonderful job as the DJ. This year's annual Bonnet Parade and Easter Egg Hunt, sponsored by the Rotary Club, were well attended. Thankfully, we were able to hold this fun event outside again. The annual window painting contest was cancelled this year due to Hurricane Sandy. A special thanks to Passumpsic Savings Bank for, once again, sponsoring the youth basketball program. Safe Haven had another wonderful summer. The summer proved to be a busy one for Safe Haven, as children enjoyed a variety of activities and local field trips due to the generosity of many people and local businesses. A trip to Santa's Village started the summer fun. The children enjoyed their annual visit to the town's fire trucks and ambulances. For the fifth year in a row, Joy's X-Treme Ice Cream treated them to a free ice cream cone.

We were extremely fortunate to offer adult fitness classes six days a week. Kelley Brooks continued to lead the Seniors on the Move. Jackie Schanlaber's followers at her Lunchtime Lift, Yoga Strength, and Jazzy Boot Camp classes continued to grow. We were excited when Pam Gagnon led Ballroom Dancing classes and Traci Wagner offered Yoga Dance classes. It was terrific having these incredibly knowledgeable instructors offering a variety of fitness classes.

Volunteers are crucial to our organization's success. Three of our veteran Spending Committee members will be leaving us as their terms end. Andy Cliche, the Treasurer, has faithfully served this community for 12 years. He's volunteered in a variety of roles, such as soccer coach and referee. Sue Chancey and Jeannine LaBounty have also volunteered in many ways. Sue has helped at the Admissions table for tournaments and special events. Jeannine has been a wonderful coach, demonstrating lots of patience when working with the youngsters. These three board members' dedication definitely personifies Lou Leaver's motto: "It's Not Me. It's Not You. It's Us!" Thank you for the many, many hours you've given to Colonel Town throughout the years. We truly appreciate everything you've done!

In closing, we'd like to thank all the volunteers, coaches and program leaders for another incredible year. Many of our programs, camps, intramural and travel teams couldn't survive without your commitment. Children benefit from the many positive experiences they incur while participating in the many programs we are able to offer. You help make memories that will last.

Respectfully submitted,
Edward & Denise Wood, Directors

Net Income									

February 4, 2013

Report to the Citizens of Lancaster, Beneficiaries of the Col. Francis L. Town Trust:

The Trust's market value as of 12/31/2011 was \$3,288,485.24. As of 12/31/2012, the total market value of the Trust was \$3,400,225.66. The increase in the market value of the Trust for the 2012 was 3.4%, reflecting all income except a carryover of \$592.05, less expenses having been distributed to Colonel Town Spending Committee during the year. The low interest rate market continues and the outlook for 2013 is the same. As of 12/31/12, the Trust's portfolio is balanced at 49.9% Equities; 48.0% Fixed Income; and 2.1% Cash.

Total income for 2012 was \$125,765.80, plus a carryover of \$227.40 from last year, representing a total asset yield of 3.7% to ending market value as of 12/31/2012; as compared to income of \$117,571.54 recognized in 2011. Distributions for 2012 to the Col. Town Spending Committee totaled \$113,718.19, up from \$110,127.52 last year. However, there were dividends of \$592.05 received after the year-end disbursement was made, so the ending income balance in 2012 was \$592.50. These funds will be distributed to Col. Town Spending Committee in 2013. Expenses were deducted from income as follows: \$6,099.96 which was half of the Passumpsic Savings Bank management fee of .36% of assets (please see additional information below) and \$318.34 foreign taxes paid; \$1,745.06 in pre-paid accrued interest in purchases of bonds in secondary market (this will be off-set once the interest is received by the Trust); \$671.21 amortization entry for VSAC Bonds; NH State Filing Fee of \$75.00; premium on insurance bond of \$400.00; Probate Court cost of \$65.00. The Probate filing will be completed by Passumpsic Savings Bank as part of their management agreement with the Trust.

In 2010, we reached the end of the first 3 years of our contract with Passumpsic Savings Bank with an asset based management fee of .30% of assets. This fee will be increased 3 basis points each year, beginning in 2011, for the next 5 years. Therefore, this year's management fee was .36% of assets. In 2012, \$6,100.03 in fees were paid from principal and \$6,099.96 were paid from income as allowed under the Uniform Trust Code. The management fees totaled \$12,199.99 in 2012, up from \$10,693.66, in 2011, and \$9243.73 in 2010.

In conclusion, based on advice from Passumpsic Savings Bank, the Committee decided to continue the monthly income disbursed to Col. Town at \$9,000.00, with any excess income distributed at the end of the calendar year. This is done to even out the income flow to Col. Town and not have as much excess income to distribute at year-end.

LANCASTER MUNICIPAL CEMETERIES

2012

The Trustees of the Lancaster Municipal Cemeteries oversee and maintain six cemeteries: Summer Street Cemetery (located across from the Col. Town field and at the end of Cemetery Street), Wilder Cemetery on Main Street (on the hill between the Methodist and Christian Science Churches), #10 Cemetery (located on Martin Meadow Pond Road), Marden Cemetery (located on North Road), a one-person lot (located on South Lancaster Road, and Wentworth Cemetery (located on Pleasant Valley Road).

David Currier, the supervisor and his assistant, Cody Arsenault, did a very good job in maintaining all of the above cemeteries. We would like to take this opportunity to show our appreciation by thanking them for job well done, and keeping our expenses down.

As usual, 2012 has been a very quiet year. At any time, if anyone should happen to see someone doing any inappropriate things, please call one of the Cemetery Trustees listed below. Or report the incident to the Lancaster Police Department immediately. We would greatly appreciate it.

As a reminder, every year, we usually request that the people remove the faded ornaments, dead flowers or plants, and other lawn decorations by May 1st in preparation for the clean-up for Memorial Day and the summer months. No dogs are allowed at any of the cemeteries. Rules and Regulations reports are available upon request.

We have received many favorable comments about the condition of the cemeteries. We, as the committee, are proud of our cemeteries. We welcome any ideas and comments you may have, whether they are good or bad. And we also welcome any donation of flowers, bulbs and plants.

Respectfully submitted,

Cemetery Trustees

WILLIAM D. WEEKS MEMORIAL LIBRARY ANNUAL REPORT – 2012

The heading of a Christian Science Monitor article this June read, “Check out your local library: It’s not just books anymore,” with the author reminding his readers that the public library is one of best “free” resources in the community. Our collection numbers close to 62,000 items, and yes, we still buy and circulate books. More than 24,000 adult and almost 15,000 children’s books were loaned during 2012. In addition we borrowed 383 books for patrons through the State’s free interlibrary loan service. The New Hampshire State Overdrive program in which our library participates provides thousands of audio books and a growing number of eBooks for any of our patrons with valid library cards. The number of Overdrive books “circulated” from Lancaster tripled during 2012.

Although the library has discarded most of its audio books on cassette and the old videotape format movies, we own a large collection of books and music on CD and a growing DVD collection of close to 2000 items. Back files of magazines on subjects like quilting, woodworking, gardening, travel, and cooking are available for borrowing. Older issues of most other magazines can be read on-line through the State Library’s subscription to EBSCO. Username and password for EBSCO are available at the library.

Adult, children and teen programs abound. If you want to learn French or quilting, attend travel programs or children’s and special teen events, you can find them on the library’s newly configured website at www.weekslib.org. We appreciate new ideas for programs at any time. AARP still provides free tax service from February to April 15th. The Riding Club, Astrology class, Fun Flyers, and many other local groups meet at the library as well. Use of Wingate Hall is free to non-profit groups depending on availability.

The library maintains four computers for public use and provides wireless access. More than 4000 people signed in to use the public computers in 2012.

Members of the library staff particularly appreciate the help of the Friends of the Weeks Memorial Library and dedicated volunteers Janet Mason, Joe LaFuze, Anne Bronson, Regina LaVoie, and Ginny Haines. There are often jobs available for willing volunteers! Check out the library, and, if you are a resident or tax-payer of the Town of Lancaster, come get your free library card.

BUILDING PERMITS ISSUED

The Town of Lancaster reviewed and approved building permits for new buildings, additions, and renovations. The following is a summary of the permits:

PERMIT #	OWNER	LOCATION
12-001	Ben Southworth/Kirsten Scobie	354 Pleasant Valley Road

PLANNING BOARD

This year the Board held hearings on the following cases:

- Case# 752** Raymond Dubreuil, Jr. – Applicant requests to construct a 1,376 square foot addition to his existing snack bar to provide indoor seating for customers. Land Zoned Commercial/Industrial. (Tax Map P05 Lot 051 (3.15 acres), 63 Causeway Street). **APPROVED.**
- Case# 753** Daniel J. Benoit – Owner/Applicant requests approval to operate automobile and equipment salvage business and construct a 45' X 45' addition to an existing structure to accommodate that business. Land Zoned Commercial/Industrial. (Tax Map R01 Lot 046 (36.6 acres) 600 Main Street). **APPROVED with conditions.**
- Case# 754** Southern New Hampshire Services – Owner/Applicant requests approval to construct and operate a 20 unit, 16,898 square foot elderly housing building. Land Zoned Commercial/Industrial. (Tax Map R04 Lot 029 (6.35 acres) Bridge Street). **APPROVED with conditions.**
- Case# 755** Daniel B. & Darlene C. Clarke Irrevocable Trust – Applicant requests to a minor subdivision to divide approximately 75 acres into two lots. Said minor subdivision will result in lot 1 – 2.77 acres and lot 2 – 72 acres. Land Zoned Agricultural. (Recently Merged Tax Map R24-Lot 001 and Tax Map R17-Lot 015, 419 North Road). **APPROVED with conditions.**
- Case# 756** Southern New Hampshire Services & White Mountains Regional School District – Applicants request a lot line adjustment/technical subdivision to adjust various lot lines between two abutting parcels off Bridge Street in Lancaster. No new lots to be created. Land Zoned Commercial/Industrial. (Tax Map R04 Lot 026 (51.9 acres), 51 Bridge Street & Tax Map R04 Lot 029 (6.35 acres), Bridge Street). **APPROVED.**
- Case# 757** Town of Lancaster and Douglas A. Corrigan & Kathleen M. Sheridan – Applicants request a Technical Subdivision/Lot Line Adjustment to adjust various lot lines between two abutting parcels off Main Street in Lancaster with the Town of Lancaster conveying approximately 0.43 acres to Douglas A. Corrigan and Kathleen M. Sheridan. No new lots to be created. Land Zoned Commercial. (Tax Map P01 Lot 003 (0.99 acres), 426 Main Street & Tax Map P01 Lot 004 (0.81 acres), 458 Main Street). **APPROVED.**
- Case# 758** Santa's Village, Inc. and Nicholas L. & Melanie L. Staley – Applicants request a Technical Subdivision/Lot Line Adjustment to adjust various lot lines between two abutting parcels off Portland Street and Cathedral Road in Lancaster with Santa's Village, Inc. conveying approximately 0.10 acres to Nicholas L. and Melanie L. Staley. No new lots to be created. Land Zoned Residential and Agricultural. (Tax Map R17 Lot 074 (42.23 acres), 50 Cathedral Road & Tax Map R17 Lot 073 (12.99 acres), 46 Cathedral Road). **APPROVED.**

- Case# 759** **Nicholas L. & Melanie L. Staley** – Applicants request a minor subdivision to divide approximately 13.09 acres with frontage on Portland Street and Cathedral Road into two lots. Said minor subdivision will result in lot 1 – 1.47 acres and lot 2 – 11.62 acres. Land zoned Residential and Agricultural. (Tax Map R17-Lot 073 (13.09 acres) 46 Cathedral Road). **APPROVED.**
- Case# 760** **Kevin & Mary Kopp** – Applicants request a Technical Subdivision/Lot Line Adjustment to adjust various lot lines between three abutting parcels off Prospect Street and Mount Prospect Road in Lancaster. No new lots to be created. Land Zoned Agricultural. (Tax Map R23 Lot 007 (10.02 acres), 33 Mount Prospect Road, Tax Map R23 Lot 007A (3.74 acres) Mount Prospect Road & Tax Map R23 Lot 007A-1 (2.16 acres), Prospect Street). **APPROVED.**
- Case# 761** **Ashley Reardon-Packard** – Applicant requests minor site plan approval to construct a parking area of approximately 11 new spaces for passenger cars at her dance lesson studio. Land Zoned Commercial. (Recently Merged Tax Map P03-Lots 015 & 044 (0.47 acres combined) 291 Main Street & 4 Kilkenny Street). **APPROVED.**

In addition to the above hearings the board also approved voluntary mergers, amended their Subdivision and Site Plan Review Regulations and reviewed wetlands applications and zoning decisions.

The Planning Board consists of 6 full members and 5 alternates as well as a select board representative and their alternate. All members are volunteers appointed by the Board of Selectmen.

The Planning Board meets the 2nd Wednesday of each month at 6:30 p.m. in the Town Hall. Deadline for submission of an application is 20 days prior to the meeting date. If you are interested in serving on the Planning Board please contact the Town Office at 788-3391. Your name will be forwarded to the Board of Selectmen.

Respectfully submitted,

Justin Carter, Chairman
 Mark St Pierre, Vice Chairman
 Claude Reed
 Joseph Hoey
 Mark Frank
 Andy Nadeau
 Leo J. Enos, Selectmen's Rep

Leon Rideout, Selectmen's Rep Alternate
 Donald Doolan, Alternate
 Margaret Moser, Alternate
 Rusty Scott, Alternate
 Ben Southworth, Alternate
 Penny Noyes, Alternate
 Sandra Doolan, Clerk

NOTICE

If you own real estate lots that were involuntarily merged by municipal action, you may be able to have those lots restored to their pre-merger status.

Your property may qualify if two or more lots were merged for zoning, assessing, or taxation purposes and the merger occurred:

- During your ownership, without your consent; or
- Prior to your ownership, if no previous owner consented to the merger.

To restore your property to pre-merger status, you must:

- Make a request to the local governing body
- No later than December 31, 2016.

Once restored:

Your properties will once again become separate lots; however, they must still conform to applicable land use ordinances. Restoration does not cure non-conformity.

ZONING BOARD OF ADJUSTMENT

In 2012, the Zoning Board of Adjustment heard 1 request for a special exception and 4 requests for area variances.

- Case #497** Daniel J Benoit for a Special Exception concerning article 5.03 “Uses Permitted by Special Exception”. Applicant requests to operate a Motor Vehicle Recycling and Salvage Yard for the purpose of receiving end of life automobiles and machinery to dismantle and recycle all appropriate materials in compliance with NH DES rules, regulations and best management practices. Lot Zoned Commercial/Industrial. (600 Main Street, Tax Map R01 Lot 046: 36.6 Acres). **GRANTED.**
- Case #498** Daniel B & Darlene C Clarke Irrevocable Trust for an Area Variance concerning article 5.04 “Setbacks in the Agricultural District”. Applicant is seeking final approval from the Lancaster Planning Board for a two-lot subdivision that would create one lot, which does not comply with setback requirements for the Agricultural District. Lot Zoned Agricultural. (419 North Road, Recently Merged Tax Map R24-Lot 001 and Tax Map R17-Lot 015: approximately 75 acres combined). **GRANTED.**
- Case #499** Lester G. Hilton for an Area Variance concerning article 5.04 “Setbacks in the Agricultural District”. Applicant is requesting an area variance to construct a 24’ X 24’, 2-car garage 10 feet from the side property line, when 40 feet is required and 40 feet from the front right of way, when 50 feet is required. Lot Zoned Agricultural. (21 Wesson Road, Tax Map R24-Lot 032: 10 acres). **GRANTED.**
- Case #500** Alfred J Lilley for an Area Variance concerning article 5.04 “Setbacks in the Agricultural District”. Applicant requests an area variance to erect a 17’ X 48’ greenhouse/high tunnel a minimum of 17 feet from the front right of way, when 50 feet is required. Lot Zoned Agricultural. (377 Prospect Street, Tax Map R23-Lot 008G: 9.32 acres). **GRANTED with conditions.**
- Case #501** Eric S & Sally Livingstone for an Area Variance concerning article 5.01 “Setbacks in the Residential District”. Applicants are requesting an area variance to construct a 12’ X 23’ carport 7 feet from the side property line when 10 feet is required. Lot Zoned Residential. (6 Grandview, Tax Map P04-Lot 042: 0.23 acres). **GRANTED.**

The Zoning Board consists of five full members and three alternates. All members are volunteers appointed by the Board of Selectmen.

The Zoning Board meets on the last Wednesday of each month, when required, at 6:30 PM in the second floor meeting room of the Town Hall. Deadline for submission of application is 14 days prior to the meeting. If you are interested in serving on the Zoning Board of Adjustment, please contact the Town Office at 788-3391. Your name will be forwarded to the Board of Selectmen.

Respectfully submitted,

CALEB CAREGIVERS

This is to reflect on another solid year of service for the volunteers of Caleb Caregivers serving 160 senior clients from Groveton to Bethlehem and Littleton.

Our mission is to ***“Increase Seniors’ access to healthcare, enhance independent living, and reduce isolation primarily through transportation and visitation”*** and it is accomplished solely by the Caleb cadre of volunteers.

Caleb’s cadre of 60 or so dedicated volunteers contributed close to 2,000 hours this year, made 1,500 transportation trips, about 70% of which were to medical appointments both local and as distant as the VA Hospital in Jamaica Plains, Mass. They travelled nearly 20,000 miles over the year.

One form of valuing those volunteer hours is to calculate the billable hours for the medical appointments that would be lost if Caleb transportation were not provided. Counting long-distance trips for VA supported surgeries and chemotherapy sessions at the Norris Cotton Cancer Center in St. Johnsbury, the Caleb volunteer contribution would tally nearly \$500,000.

Yet another method of calculating the value is to compare premature admission of a senior to a long-term care facility (assisted living or nursing home with minimum annual cost of \$70,000 per resident). Given that the population 65 years of age plus in Coos County is projected to more than double in the next 18 years (by 2030) the need for services that keep seniors living economically and independently in their homes is more important than ever.

Each Caleb volunteer undergoes a State Police background check and training before undertaking service to Caleb clients. Additionally each is covered with liability insurance and supplemental auto insurance for those transporting seniors. Reimbursement for mileage also is available.

ANNUAL REPORT - 2012
Riverbend Subcommittee
of the Connecticut River Joint Commissions

This year the Riverbend Subcommittee met three times and reviewed several permit applications concerning the Connecticut River Watershed within the thirteen towns we serve. In addition, the Subcommittee assisted VANR's Watershed Management Division with the identification of priority issues to be addressed in that agency's plan for the Upper Connecticut River watershed. The Subcommittee met with the Connecticut River Watershed Council's new North Country River Steward about assistance available for landowners and others through that organization. Subcommittee members also attended workshops and public meetings dealing with stewardship of the River and its watershed.

With members representing a variety of interests representing two states, five counties, and thirteen towns along 70 miles of the Connecticut River, the Riverbend Subcommittee provides a local voice to help steward the resources of a significant portion of the Connecticut River Watershed. The Subcommittee provides information and assistance to the states, towns, and landowners on projects near the river. The Subcommittee is advisory and has no regulatory authority.

Landowners planning projects near water should check first with the town office to see if a state or local permit is needed. We urge all anglers and boaters to clean their gear carefully to avoid spreading Didymo and other invasive plants and animals.

For a schedule of Riverbend Subcommittee meetings and more information about the resources of the Connecticut River, please visit the CRJC website at www.crjc.org. Meetings are open to public and we welcome any citizens who are interested in the management of the Connecticut River to become members of the Riverbend Subcommittee.

Richard Walling, Chair
Riverbend Subcommittee, Connecticut River Joint Commissions

New Hampshire Representatives:

Lancaster – Bob Elwell
Dalton- Michael Crosby, Lloyd Saltmarsh
Littleton – Jan Edick, Jim Sherrard
Monroe- Ken Hunter, Michael Monaghan
Bath – Rick Walling
Haverhill – Pauline Corzilius

Guildhall- Richard Martin
Lunenburg- Donald Hallee
Concord- Deborah Noble
Waterford- Dennis Goodwin
Barnet-Bill Graves
Ryegate- Vacant
Newbury-Jim Doig, Stephanie Taylor

ANNUAL REPORT
Lancaster Renaissance
Great North Woods Welcome Center
2012

Your Welcome Center has greeted many visitors from 43 states and 19 countries this year. A total of 2625 visitors signed the guest book.

The center now hosts the Lancaster Rotary Club and The Lions Club for their regular meetings. These two groups combined with the Northern Gateway Chamber of Commerce use the center as their home base and do great things for our area.

On-going projects are the annual Street Fair and Olde Tyme Christmas which bring much pleasure to the community at large.

The Board of Directors welcomed two new members. Jackie McKenna and Amy Landry will be lending their energy to the board.

As always we are grateful for the continued support of the community and we will continue to bring the face of the area to travelers and residents alike.

Linda Hutchins
Member, Board of Directors

Town Report for Lancaster 2012

The Northern Gateway Regional Chamber of Commerce (NGRCC) is the premier business advocacy organization in Coos County. Membership continues to grow and includes diverse business groups from all the twelve towns we represent.

We provide members with a multitude of marketing opportunities such as advertising on our dynamic chamber website. The website allows the chamber to market to viewers by experiencing our area through local photos, events, chamber membership, and highlighting individual towns and history. Our website is very easily obtained by visitors on the web or smart phones giving them quick access to restaurants, lodging, shopping, and events. The website is supported in-house. The Chamber offers Wifi to visitors at the Welcome Center in Lancaster. Other marketing opportunities include our weekly newsletter, loyalty card, business booths at the Annual Dinner. As well as an opportunity to host a Business After Hour Event. We provide professional development and networking events collaborating with NCIC, NH Grand and Joyce Presby. Our office makes hundreds of referrals each year by providing potential visitors, businesses, customers and clients with information about our local businesses, our community and what our extraordinary region has to offer.

The Chamber offers open forums for businesses and community members to participate. This past year we held a Candidates Night featuring local candidates for voters to get a better understanding of their views and to ask important questions facing our area and economy.

The towns of Lancaster, Jefferson, Whitefield, Groveton, Dalton, Northumberland, Stark, Stratford, and Randolph, New Hampshire and Gilman, Guildhall, and Lunenburg, Vermont, are all well represented by the dedicated Board of Directors, committee members and staff. We work hard for you and with you to make this region a better place to do business.

Our funding comes from membership dues, fundraising activities, and town appropriations. Continued support through these resources ensures that we can continue to effectively serve our membership.

As always, we sincerely thank the towns, local businesses and residents for their continued support.

Respectfully submitted,

Board of Directors

North Country Council, Inc.

Regional Planning Commission & Economic Development District
The Cottage at the Rocks
107 Glessner Road
Bethlehem, New Hampshire 03574
(603) 444-6303 FAX: (603) 444-7588
E-mail: nccinc@nccouncil.org

Dear Friends,

The first thing I would like to do is thank all of you for your support of the North Country Council this past year. Once again, I would like to reaffirm the Council's commitment to serve the community and regional needs.

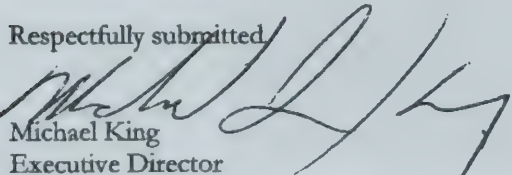

We continue to be very active in transportation planning. We are the recipient of a grant from the New Hampshire Department of Transportation that enables us to provide assistance to communities and staff the Transportation Advisory Committee for the region. I urge all of you if you have not been involved with the advisory committee to give us a call and arrange to attend one of our meetings.

In economic development we continue our strong relationship with the Department of Commerce and the Economic Development Administration (EDA) in bringing funding and project development to the region. Two projects that we are very involved with are the reuse of the Groveton Mill and the Dartmouth Regional Technology Center (DRTC) incubator in Grafton County. These along with other economic opportunities will continue to be a focus in the coming year.

The planning department has also been busy and as you look through this report you will see a variety of technical assistance activities that were provided to a number of communities in our region. We also began a major program to update and expand our regional plan thanks to a grant received by the nine planning commissions from the Department of Housing and Urban Development (HUD). This project, called the Granite State Futures (GSF) project will be continuing this year. There will be many opportunities for participation by residents and member community representatives to the Council. Community input is at the core of the GSF project and we need your input. Go to or use the QR code on this page to help us develop a vision for the future of the region. granitestatefuture.org/get-involved/add- and I urge you to attend some of the meetings that we will be having throughout the region. Community input is at the core of the GSF project and we need your input.

Again, thank you for all of your support for the Council. I hope that my staff and I can continue to be of service to your community. The Council is here to serve you. It is your organization. Our staff and Board are committed to responding to community needs. If there is a project or a need in your town, please call us. We are dedicated to both supporting our individual towns and promoting regional unity in the North Country.

Respectfully submitted,

Michael King
Executive Director

ANNUAL REPORT

On behalf of Northwoods Home Health & Hospice, we want to report to the residents of Lancaster, that 2012 has been filled with excitement and activities... and to thank you for your continued support and caring. At a time when insurance reimbursements are decreasing, the numbers of uninsured residents continue to escalate and the home care needs of community members are rising – we continue to be committed to meet these challenges and continue to provide the services that you have come to rely on. Without your investment in the mission of our agency and your continuing commitment to your residents, we could not have served the health care needs of many of your residents. Highlights are:

- **Hospice:**

We recently celebrated our two year anniversary of our expansion of Hospice services! Our Palliative Care Coordinator, Karen Coy, RN, continues to ensure that we continue to meet the needs of our Hospice families and provide excellence in end of life care.

Due to the importance of having trained volunteers available to our patients and families, our Patient Care Coordinators (Mary Bates, MSW and Cherish Brachtel, MSW) continue to offer Hospice Volunteer Trainings and community education. These community education sessions resulted in many additional Hospice volunteers being committed to help support our friends, neighbors, co-workers and loved ones during extremely difficult and challenging times.

- **Home Health:**

2012 Elite Home Health Award - The Northwoods Home Health & Hospice agency, a division of Weeks Medical Center, was recently named one of the best home health agencies in the country for the second year in a row! This impressive recognition is reflective of the quality of patient care that we provide while maintaining good financial management of our resources.

We provided over 500 flu shots during community flu clinics throughout the North Country. This year we worked with the State of New Hampshire to help defray the cost to offer free flu shots to those adults who were un-insured.

- **Lancaster Services:**

The total number of home health and / or hospice visits provided to the residents of Lancaster in 2012 was 5,726 visits. Visits were provided by registered nurses, social workers, licensed nursing assistants, homemakers, physical, occupational and speech therapists.

In conclusion, Northwoods Home Health & Hospice is committed to providing the best possible care to your community members. A very special thanks to the Town of Lancaster for your continued support of our quality home care programs

Sincerely,

Gail Tattan-Giampaolo
Director

2012 Director's Report

Northern Human Services White Mountain Mental Health Common Ground

This year White Mountain Mental Health has provided 1,080.71 hours of outpatient mental health services to 67 Lancaster residents who were either uninsured or underinsured. In addition Common Ground has spent 38,560 hours supporting citizens of Coos Country with a developmental disability to live full lives. These numbers do not include the many people seen at the local hospitals for emergency care.

This year has been a particularly busy one for our emergency services clinicians. Our 24/7 service has seen a dramatic increase in the number of people requiring emergency mental health assessments, both in our offices and at the local hospital emergency rooms. This change may be related to the difficult economy and the resulting increase in depression, anxiety, family problems and substance abuse. As the number of people requiring hospitalization has increased, the beds available at New Hampshire Hospital have decreased, leaving many people who have been found in need of emergency psychiatric hospitalization in the local hospital for hours or even days. The resulting increase in demands on our staff, and the personnel at the local hospitals, has been substantial. Two clinicians are occupied full-time daily handling unscheduled emergency situations. During nights and weekends we provide an on-call clinician and a psychiatrist to support local residents and local emergency rooms.

As citizens of a town from whom we request financial support, you may not expect to need psychiatric care. Like physical health emergencies, no one "chooses" to find themselves or their family member at the emergency room dealing with a mental health crisis, but it is crucial that mental health professionals are available when the need arises. Your support of Northern Human Services will continue to assure that we are available when you need us.

Perhaps you or your family have benefited from our services. We are the "safety net" for North Country residents who are uninsured or underinsured. The good news is that our towns support allows their residents to access services that are provided by highly competent mental health professionals at a fraction of the full cost. Our developmental services program, Common Ground, provides homes, jobs and support to more than 100 persons with a developmental disability. We thank you, in advance for continuing to help us make these services available.

Respectfully Submitted,

Jane C. MacKay, Area Director

*Executive Councilor
District One*

Report to the People of District One by Ray Burton Executive Councilor, District One

As one of five members of the Executive Council, I will again take the Oath of office on January 3, 2013. I am now representing 108 Towns, four cities- Berlin, Laconia, Claremont and Lebanon spread across all or parts of seven of NH's ten Counties, - Carroll, Grafton, Belknap, Coos, Sullivan, Strafford and Merrimack. I was sorry to lose, through the redistricting process, the towns of Belmont and Charlestown.

Governor Hassan will be the tenth Governor I have served with in the last 35-36 years of public service to the 263,000 people of this large Northern Rural District. The Governor is required to nominate citizens to serve on the dozens of volunteer Boards and Commissions which the Council will vote on. I urge anyone who is interested in serving to send a letter of interest and resume to the Governors Office, 107 North Main Street, Concord, NH 03301. For a list of the Boards and Commissions go to <http://www.sos.nh.gov/redbook/index.htm> contact my office or utilize your local town or city library.

With the support of the NH Health and Human Services Department, I have three District Health Councils which meet about every 4 months with Commissioner Nick Toumpas and his staff for about 2 hours. We receive updates and respond to local health concerns, consumers, providers and elected officials - local, county and state. These 2 hour sessions are open and frank discussions about the health of all NH citizens. The notification is all by email. Please send me your email to add to the list if you are interested at ray.burton@myfairpoint.net

2013-2014 is the year of the 10 year NH Transportation Plan. The Five Member Council will work closely with the local Regional Planning Commissions; hold required hearings on the recommendations for the next ten years for all modes of transportation- highways, rail, air and public transportation. We then submit our recommendations to the Governor by December 15, 2013. The Governor reviews and submits her recommendations of the plan to the NH House and Senate by February 15, 2014 which will become a legislative bill concluding with a new 10 year transportation plan by July 1, 2014. Keep in touch with my office or the NH Dept. of Transportation Planning Office at 271-1484 on this. There will be some interesting and in depth discussions and votes.

Please contact my office anytime I can be of assistance. I enjoy participating and speaking at local events and consider it an honor to serve you.

Sincerely,

Ray Burton, Executive Councilor
