#### **IN MEMORIAM**

<u>Joyce Stevens</u> who passed August 31, 2021was member of the Historical Society for many years. Joyce was an enthusiastic researcher whose legacy includes an impressive collection of books on Madison's older homes. This collection documents the history and occupants of those homes, a most valuable resource to be cherished and referenced for generations. We are grateful for Joyce's passion for Madison history and her valuable contributions.

<u>Richard Jones</u> who passed on September 29, 2021was a lifelong Madison resident. Dick served the Town of Madison as the Constable on two separate occasions being 1958 - 1960 and 1967 - 1973.

#### IN APPRECIATION

The Town would like to express its appreciation to two residents for their years of time and knowledge they shared volunteering for the Town.

<u>John Arruda</u> began his service to the Selectboard in 2000 serving seven terms on the Board.

<u>Mark Lucy</u> served as a member of the Zoning Board since 1994 volunteering for 27 years.

#### **Town and School Meeting Procedures**

The Town Meeting is a legislature where every voter is his or her own representative. While the Selectmen, School Board and Budget Committee may sit in the front of the room, their votes and their role in the meeting are no more important than that of any other voter.

While the meeting generally follows Robert's Rules of Order, the Moderator adjusts those rules as he/she sees fit. If you disagree with any rule set by the Moderator, simply go to a microphone, say "Point of Order", and when recognized by the Moderator, make a motion to change the procedure as you wish. No debate is permitted on a Point of Order, but even this rule may be modified if the Town votes to overrule the Moderator! The Town can vote to overrule the Moderator whenever it chooses by a simple majority.

If you wish to speak to the article on the floor:

- 1. Go to a microphone and wait until you are recognized by the Moderator. State your name.
- 2. Address all remarks or questions to the Moderator not to any other individual.
- 3. Speak only to the article on the floor.
- 4. Avoid repeating yourself and stay within the timeframe set by the Moderator.
- 5. Do not criticize any other speaker, nor question his or her motives.
- 6. The Moderator will not recognize any voter to speak a second time until all other speakers have gone once.
- 7. You may make a motion to "move the question" and end debate. If no one is waiting to speak, the Moderator will accept the motion (if seconded). No debate is permitted on such a motion and it requires a 2/3 majority to pass.

#### If you wish to modify an article:

- 1. Make a motion to amend the article being discussed.
- 2. If you are changing a number of words in an article, write the amendment down and hand it to the Moderator.
- 3. Your amendment can completely replace the original article as long as the Moderator rules that it is closely related to the topic of the original warrant article.
- 4. If your amendment is seconded by another voter, you will be asked to speak first in support of your motion.
- 5. Generally, the Moderator will take one amendment at a time. If it passes, the main article is changed. If it is defeated, the main article stays the same. In either case, additional amendments may be made and decided one at a time.

#### Voting is done as follows:

- 1. Generally, the Moderator will call for a hand vote. Raise your hand with your signed ballot held high to vote for or against the motion. The Moderator will decide visually whether the motion has passed or will call for a standing vote if it appears close.
- 2. Any voter may question the Moderator's judgment and call for a standing vote.
- 3. Any five voters may request a secret paper ballot by signing their names immediately before the vote and handing the paper to the Moderator.

Remember – You and your neighbors have gathered together to find ways to get the best town and school services for the least money. Regardless of any disagreements about how to accomplish this, respect your neighbors and enjoy democracy in its purest form.

#### MINUTES OF THE MADISON TOWN MEETING

MAY 11, 2021 Town Election and reconvened MAY 15, 2021 Town Meeting

#### PRE-ELECTION PROCEDURES

MANUAL COUNT OF ELECTION DAY BALLOTS—On April 28, 2021, Collection Clerk, Rebecca Bonner and School Clerk, Patricia Ambrose completed the manual counting of Town and School Election Day ballots to be delivered to the Moderator on Election Day (RSA 658:31).

TESTING ELECTION DAY EBCD MEMORY CARDS—On May 4, 2021 at 9:00 a.m., as posted on April 27, 2021 on the upper and lower-level bulletin boards in the Town Office building, at the Madison and Silver Lake Post Offices and the Town website, Town Clerk Michael Brooks, Collection Clerk Rebecca Bonner commenced the required pre-election test of the Electronic Ballot Counting Back-up Memory Card and Election Day Memory Card for tallying the Town and School ballots (RSA 656:42 VIII-(e) (1-11)). The EBCD results were then compared to the manual tally of test ballots cast to ensure the accuracy of the Election Day Memory Card scanning. After completing the reconciliation, the Election Day memory card was installed and sealed as required by State Law.

#### **ELECTION DAY**

At 8:00 a.m., May 11, 2021, before the meeting was convened, Moderator George Epstein and Selectman/Registered Voter John Arruda examined the compartments in the electronic ballot counting device to assure the compartments were empty then the Moderator had the electronic ballot counting device print the Election Zero Report for the annual Town and School Election.

Moderator Epstein opened the meeting at 8:00 a.m. The Moderator declared that it was no longer necessary to move to waive the reading of the Warrant. Moderator Epstein then declared the polls open for acting upon Articles 1 and 2 of the 2021 Town Warrant with the meeting to reconvene at nine o'clock in the forenoon of Saturday, May 15, 2021 in the James Noyes Hall at the Madison Elementary School in Madison to act upon the remaining Articles, it was so moved by Linda Shackford and seconded by Emily Sheppard:

Prior to reconvening the meeting, Moderator Epstein suggested those voters present proceed to the Supervisor of the Checklist table to sign and receive his/her ["A" through "I" printed] ballot and ballot envelope.

Eighty (80) voters signed and received paper ballots.

TOTAL VOTER RECEIVING HAND-HELD PAPER BALLOTS: 80
TOTAL REGISTERED VOTERS AT END OF ELECTION DAY: 2,072
TURNOUT PERCENTAGE of REGISTERED VOTERS: 3.86%

At 8:55 a.m. Moderator Epstein requested all persons to be sworn in.

At 9:00 Moderator Epstein opened the meeting and began by explaining that all in attendance should thank the Selectmen for postponing the meeting to May. If you are unhappy that the meeting was delayed, all in attendance should blame the Moderator.

Moderator Epstein asked all present to stand and recite the Pledge of Allegiance.

Moderator Epstein asked Advisory Budget Committee Chairman Ron Force to please introduce the panel of Advisory Budget Committee members seated to his left— Nicole Nordlund, Ned Rogerson, Steve Bartlett, Justino Fernandes and Doug McAllister. Moderator Epstein then turned to his right and asked Selectman John Arruda to introduce those individuals and his/her position with the Town—Town Clerk/Tax Collector Michael R. Brooks, Selectman Josh L. Shackford, Selectman Bill Lord, Town Administrator Linda Shackford and Town Attorney Diane Gorrow.

The Moderator then pointed out the printed rules of procedure and the fact that there is

May 11, 2021 Election & May 15, 2021 Town Meeting Page 3 of 13 a procedure to challenge his decisions.

The Moderator read the Town & School Election results of the election held on Tuesday, May 11, 2021. The results were posted in three public places and in the entry-way to the gymnasium.

Budget Committee Chair Ron Force requested a moment to generally explain the work of the Advisory Budget Committee and their recommendations on the various warrant articles. He wanted to assure all in attendance that there was no "rubber-stamping" of any articles. All articles were individually considered.

After the introductions, Moderator Epstein continued the meeting by asking voters to turn to the yellow pages beginning at Page 139 of the 2020 Town of Madison Annual Report to consider Articles 3 through 24 of the 2021 Town Warrant.

<u>Article 3.</u> To see if the Town will vote to raise and appropriate the sum of three million sixteen thousand six hundred and eighty-four dollars (\$3,016,684.00) for general Town operations with discussion and amendments to be considered line by line.

The article was reviewed line-by-line with opportunity for discussion, questions and amendments.

Doug McAllister wanted to confirm that the amount on the PEG TV line is equivalent to the amount of franchise fees paid by cable subscribers in Madison.

Selectman Arruda explained that the franchise fee is a percentage set by the Selectmen and assessed to subscribers in their cable bills.

The Moderator declared the amendment to Article 3 PASSED by a show of handheld paper ballots.

<u>Article 4.</u> To see if the Town will vote to raise and appropriate the sum of two hundred thousand dollars (\$200,000.00) for paving and road improvements of Town roads including but not limited to King Pine Road, Fox Road and High Street. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the funds have been exhausted with the completion of the project or by December 31, 2026, whichever is sooner.

The Moderator declared Article 12 PASSED by a show of hand-held paper ballots. The Moderator requested that the minutes reflect that Marc Ohlson was opposed.

The Moderator paused the meeting to recognize Selectman Arruda for his 21 years of service as a Selectman for the Town of Madison. Town Clerk – Tax Collector, Michael Brooks, presented Selectman Arruda with a framed photograph showing fireworks displayed above the Town Hall. The inscription on the plaque was read aloud: "Presented to John Arruda in recognition of your years of service as Selectmen for the Town of Madison from March 2000 through May 2021. We hope you enjoyed the fireworks! Recommended by the Board of Selectmen 2-0-1."

Selectman Arruda made some brief comments reflecting on his service and the fine people that he has worked with through the years.

<u>Article 13.</u> To see if the Town will vote to raise and appropriate up to the sum of Eight Thousand and fourteen dollars (\$8,014.00) to be placed in PEG TV Expendable Trust Fund this sum to come from the unassigned fund balance which represents unused franchise fees.

Moderator requested explanation of this article. Town Clerk – Tax Collector, Michael Brooks, explained that the dollar amount of this article represents the unused amount from the 2020 municipal budget line and in accordance with the vote of a prior meeting the Selectmen are authorized to put that sum into the expendable trust fund for the purchase of future equipment relative to the PEG TV operations. This process ensures that all dollars spent on PEG TV operations are related to franchise fees which have been paid by cable subscribers and not raised through general taxation.

The Moderator declared Article 13 PASSED by a show of hand-held paper ballots.

#### INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen Town of Madison Madison, New Hampshire 03849

We have audited the accompanying financial statements of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Madison, New Hampshire, as of and for the year ended December 31, 2020, which collectively comprise the Town's basic financial statements as listed in the table of contents and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, which includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### Basis for Adverse Opinion on the Governmental Activities

As discussed in Note I.B.3. to the financial statements, management has not determined its liability or annual cost for postemployment benefits other than pensions (OPEB) in the governmental activities. Accounting principles generally accepted in the United States of America require that management recognize OPEB expense for the required contributions and a liability for unpaid contributions, which would increase the liabilities, decrease net position, and increase expenses of the governmental activities. The amount by which this departure would affect the liabilities, net position and expenses of the governmental activities is not reasonably determinable.

47 Hall Street ■ Concord, NH 03301 603-856-8005 ■ 603-856-8431 (fax) info@roberts-greene.com TOWN OF MADISON INDEPENDENT AUDITOR'S REPORT

#### Adverse Opinion

In our opinion, because of the effect of the matter discussed in the preceding paragraph, the financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the governmental activities of the Town of Madison as of December 31, 2020, nor the changes in financial position thereof for the year then ended.

#### **Unmodified Opinions**

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the major fund and the aggregate remaining fund information of the Town of Madison, as of December 31, 2020, and the respective changes in financial position thereof and budget to actual comparison for the General Fund, for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

#### **Emphasis of Matter**

Change in Accounting Principle

As discussed in Note I.B.5. to the financial statements, in the year ended December 31, 2020, the Town adopted new accounting guidance regarding the accounting and reporting for Fiduciary Activities. Our opinion is not modified with respect to this matter.

#### Other Matters

#### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the pension related schedules on pages 27 and 28 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

The Town of Madison has not presented a management's discussion and analysis, nor the OPEB related schedules. Accounting principles generally accepted in the United States of America have determined that these items are necessary to supplement, but are not required to be part of, the basic financial statements.

#### Other Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Madison's basic financial statements as a whole. The combining and individual fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. They are the responsibility of management and were derived from, and relate directly to, the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

STATE EDUCATION PROPERTY TAX RELIEF: In 2021 the State Education Property Tax Relief Program (RSA 198:56-61) was again available to all low and moderate income homeowners subject to the state education property tax. Taxpayers can obtain an application (DP-8) from the New Hampshire Department of Revenue's website at <a href="https://www.revenue.nh.gov">www.revenue.nh.gov</a>, by calling the Department of Revenue's forms line at 603-271-2192, at many NH libraries or from our office. Forms are usually available May 1st and must be submitted between May 1st and June 30th.

**DELINQUENT TAXES:** NH State Law prescribes the interest rates regarding delinquent taxes. Interest begins to accrue the day after the due date for tax bills. When paying taxes after the due date, we encourage you to call our office for the interest calculation before remitting your payment.

**TAX LIEN PERFECTION:** As required by NH State Law, all unpaid 2021 taxes shall have a lien placed upon the property. This year the lien will be executed April 4, 2022. Please remember a tax lien, recorded at the Registry of Deeds, will remain on credit reports for a minimum of seven years after redemption.

**TAX COLLECTOR DEEDING:** Those properties whose 2019 tax lien has not been fully redeemed on or before NOON, August 23, 2022 shall have ownership transferred to the Town of Madison by a Tax Collector's Deed as required by NH State Law.

First Issue Tax Bill Warrant (Estimate) \$4,802,366.00 Second Issue Tax Bill Warrant \$3,905,386.00 TOTAL 2020 Tax Bill Warrant \$8,707,752.00

Collections 01/01 through 12/31/2021 \$7,981,101.51

Thanks to our property owners, the percentage of tax dollars collected by yearend was ninety-two percent **(92%)**. More detailed information can be found on the Tax Collector's Collection Summary and the MS-61.

**OTHER:** If you did not receive a tax bill in the U.S. Mail, please contact my office to ensure that we have your correct mailing address. It is the taxpayer's obligation to ensure that the Town has your current mailing address for this purpose. We continue to receive reports of issues with the Postal Service. If we have your correct address, and you still did not receive your bill, please contact us. We further remind all taxpayers that this office has been authorized to accept tax payments up to 2 years in advance in accordance with state statute which permits you to make partial payments in advance to avoid the large bills twice a year.

Additionally, a list of Taxpayer Assistance Resources can be found on Madison's website under Departments/Tax Collector/Property Tax Information/Taxpayer Assistance Resources. This list includes, but is not limited to heating, weatherization & home repair assistance, general legal and counseling assistance, foreclosure help, information on property tax credits and exemptions for qualifying Madison residents, and senior elderly assistance services.

The Board of Selectmen and Tax Collector's offices are always willing to meet, in a non-public environment, with any taxpayer to share information about State and local resources available for assistance and/or to negotiate payment plans. Please call either 367-4332 Ext. 300 or 367-9931 Ext. 310 to make an appointment.

Respectfully submitted,

Michael R. Brooks
Town Clerk/Tax Collector

#### Requirements for Semi-Annual Billing

#### Pursuant to RSA 76:15-a

76:15-a Semi-Annual Collection of Taxes in Certain Towns and Cities - I. Taxes shall be collected in the following manner in towns and cities which adopt the provisions of this section in the manner set out in RSA 76:15-b. A partial payment of the taxes assessed on April 1 in any tax year shall be computed by taking the prior year's assessed valuation times 1/2 of the previous year's tax rate; provided, however, that whenever it shall appear to the selectmen or assessors that certain individual properties have physically changed in valuation, they may use the current year's appraisal times 1/2 the previous year's tax rate to compute the partial payment.

DRA has provided a reference range of fund balance retention amounts below. Please utilize these ranges in the determination of the adequacy of your municipality's unrestricted fund balance, as currently defined in GASB Statement 54. Retention amounts, as part of the municipality's stabilization fund policy [1], should be assessed dependent upon your governments own long-term forecasts and special circumstances. Please note that current best practices published by GFOA recommend, at a minimum, that "...general purpose governments, regardless of size, maintain unrestricted fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures." [2],[3]

#### SELECTMEN'S REPORT

Following a tough pandemic year, the Town of Madison made great strides in 2021 – despite the continuing Covid-19 challenges.

Our highway department repaired and paved more roads than scheduled. Our police department modernized vehicles and equipment and added a canine component to the force. "Maverick", our new dog, is now fully trained and certified, as is his handler. Our Clerk's office received more on-time tax payments than ever before. Our Fire Department has more new members. Our Transfer Station operation was streamlined and collected more non-resident trash payments than ever. Our Parks & Recreation Department reported numerous positive comments about Foot-of-the-Lake Beach parking availability for residents....and significantly less non-resident boating traffic on Silver Lake due to new regulations enacted. Our Code Enforcement Officer processed more building, mechanical, and driveway permits than ever – up 20%. Our Town Administrator took on the job of two, and yet simultaneously streamlined admin services for three town committees. And the list goes on....

The Town accepted \$138,000 of American Rescue Plan Act (ARPA) dollars. This was first of two similar payments. These funds are to be used for clean water, storm water management, and specific Covid-related costs and are administered by the US Dept of Treasury. This funding purchased or is planned to purchase: new highway department vehicle radios/antennas, storm drain/culvert cleaning equipment, hydro-seeding equipment for erosion control, retaining walls and a culvert at Town Hall, emergency generators for three Town buildings, video and audio security equipment for Town Hall, and more.

Repairs to the boat ramp and Silver Lake dam were delayed by high rain at the end of the year and are now planned for 2022. All materials were purchased.

Short term rentals became a topic of lively discussion and will continue to be so. The Selectman appreciated the way residents addressed the topic many times at the Selectmen's meeting, treating those with differing opinions with respect.

As the year ended, new fire department protective gear, new police equipment, new library air conditioning and signage, and generator maintenance was all funded.

A special thanks for many years of dedicated service to Mr. John Arruda as a Madison Selectman. Thanks John – you are a Madison treasure and legend – and you continue to help our Town! Additionally, the dedication and efforts of our Town employees and volunteers are second to none. Our sincere thanks to all of the hard-working members of the Madison team!

Respectfully submitted,

Bill Lord, Selectman - Chairman Select Board Josh Shackford, Selectman Mike Mauro, Selectman

### POLICE DEPARTMENT

This last year, the Madison Police Department remained a busy department for a small town. No question that the increased violence of some of the crimes that were reported last year, such as the rash of car break-ins left folks unsettled and worried about their own safety and property. The Madison Police joined efforts with several local, state and federal agencies in efforts to combat these cases, and, while our intense efforts continue, new reported cases have subsided.

The staff here at the police department remained at par last year, which is a seeming rarity in Carroll County law enforcement. Several area local departments, as well as the Carroll County Sheriff's Office and State Police have experienced staffing shortages, and it is with little doubt that outside assistance with patrol and investigations are reduced because of it. With a roster of 4 full time officers we are able to maintain police coverage 7 days per week, and are currently the only department to respond to calls in Madison during overnight hours.

This year, we also introduced our newest officer, K9 Maverick. Maverick, as well as the training and equipment, was purchased through a combination of efforts, that include fund raising and donations. Maverick and handler officer Mike Mosher underwent training this summer, which some of you witnessed during a demonstration during old home week. Maverick's abilities include patrol work, drug detection, and the tracking of suspects and others such as runaways and missing persons. Maverick and Goose...I mean Officer Mosher, hit the road as a team in October.

Along with everyone else, we have been affected by the national shortage of electronic supply equipment, and the incremental cost increases that have come along with it. Our request on the warrant this year is a police cruiser that is intended to replace one that has both high mileage and increasing repair bills. The total cost of cars (and police cruisers are no different) are projected to rise over the next several years, and the ability to purchase and receive one will also be difficult. With the acquisition of this cruiser, our fleet should be one that is solid and dependable for the next several years, and it is my hope that it will surpass the supply crunch and cost increases before we have to replace the next one.

My continued heartfelt thank you to the officers of this department, Lieutenant Jim Hayford, Mike Mosher and Jake Martin, that bring a high level of commitment and pride to their profession each and every day.

Thanks also to the Town office staff, the Madison Fire Department, Madison DPW and the Board of Selectmen for their teamwork and support over the last year.

It goes without saying, that we are grateful for the support of the townspeople, and we are all proud to work in such a great community.

Respectfully Submitted,

Robert J. King Jr. Chief of Police

### 2021 Annual Report for the Madison Emergency Management Department

To the Madison Board of Selectmen and Residents of the Town of Madison:

The Emergency Management Department had a quiet year during 2021 with no local declared emergencies during this reporting period. The Town did experience a few storms with strong winds and icing which brought down numerous trees and power lines.

Town Hall staff, Department Heads, and representatives from the Village District of Eidelweiss, the elementary school and other interested parties have spent numerous hours updating the Town's Hazard Mitigation Plan in 2021. This is a grant-funded project in conjunction with June Garneau of Mapping and Planning Solutions. The updated plan is expected to be finalized and published in the Spring of 2022. In 2022, we will be working on an update of the Emergency Operations Plan.

In cooperation with the Board of Selectmen, we are moving forward with a project to install emergency generators at the Town Hall, the Department of Public Works garage and the Department of Public Works maintenance garage. We have obtained quotations from three potential vendors. The Board of Selectmen will select the successful vendor and coordinate the project for Spring installation. The project is impacted by the supply chain issues that are plaguing the national economy and it will take time to get the generators. When complete, this will be a huge step forward in furtherance of the master plan and will enhance Town operations during storm events.

The School Board is investigating the possibility of connecting the remainder of the school building to the existing emergency generator in lieu of purchasing a second generator at the school site. If successful, this will provide power to the School's phone system and IT infrastructure during power outages.

As always we appreciate all the dedication and support from the many emergency services personnel and Town staff that contributed to our accomplishments throughout 2021. I invite all members of the community to consider volunteering and becoming active participants in your Emergency Management Department. Many opportunities exist that require dedicated volunteers to respond to and assist our community in time of emergency.

Respectfully submitted,

Michael R. Brooks, Deputy Director

### Report of Forest Fire Warden and State Forest Ranger

Despite a brief flurry of wildfire activity across the state this spring, the summer and fall months saw weather conditions which kept the fire danger consistently at low levels. Your local fire departments and the Division of Forests & Lands worked throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. The towers' fire detection efforts are supplemented by the NH Civil Air Patrol when the fire danger is especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Every year New Hampshire sees fires which threaten or destroy structures, a constant reminder that wildfires burn more than just trees. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at <a href="www.firewise.org">www.firewise.org</a>. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

The long lasting drought effects in Coos County are showing some minor signs of improvement but a good portion of northern Coos remains in the abnormally dry category with the northeastern portion still remaining in moderate drought. While the drought conditions have improved, we expect some areas of the state may still be experiencing abnormally dry or drought conditions this spring. For this reason, we ask everyone to remember Smokey's message about personal responsibility and follow his ABC's: Always Be Careful with fire. If you start a fire, put it out when you are done. "Remember, Only You Can Prevent Wildfires!"

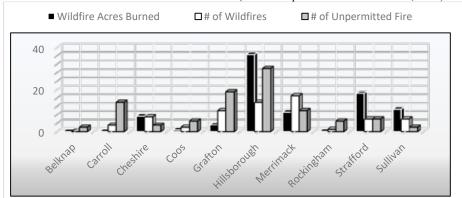

As we prepare for the 2022 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing <u>ANY</u> outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting <u>www.NHfirepermit.com</u>. The burning of household waste is prohibited by the Air Resources Division of

the Department of Environmental Services (DES). You are encouraged to contact the local fire department for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information, please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nh.gov/nhdfl/. For up to date information, follow us on Twitter and Instagram: @NHForestRangers

# FIRE RESCUE

### MADISON FIRE-RESCUE Michael R. Brooks, Chief of Department

To the Board of Selectmen and Residents of the Town of Madison:

Madison Fire-Rescue experienced a number of changes in 2021 in conjunction with a generally busy year. I would like to start by recognizing and thanking Richard Clark of all of his years of service to the Town of Madison, in numerous capacities, and specifically for his service as Chief of this Department. He led the Department through some difficult times and he worked tirelessly to restore the Department's image in the public eye. It was not easy and we are all better off for the leadership that he provided. His legacy is incorporated in the motto that he bestowed upon the Department: Honor. Duty. Community.

In February, Chief Clark sustained a serious shoulder injury when he slipped and fell at the scene of a structure fire on Pound Road which took him out of active service. His injury and recovery process has been complicated by a number of intervening factors which have hampered his return to active service. Just prior to Town Meeting in 2020, the Department voted to recommend me for appointment as Chief of the Department and that appointment was made by the Board of Selectmen just after Town Meeting.

Throughout 2021, the department answered 263 calls for emergency response, which required 1,214.62 hours of staff time. Additionally, there were numerous administrative activities in the form of monthly Department meetings, officers' meetings, work details and training events which were all well attended by our steadfast group of volunteers. As the newly appointed Chief, I spent countless hours networking with other area chiefs seeking guidance, attending meetings of the Ossipee Valley and Mount Washington Valley Mutual Aid Associations, providing life safety inspections, issuing place of assembly permits, answering calls, and repairing and updating equipment.

The Department spent numerous hours assisting with various activities for Madison Old Home Week. The Chicken Barbeque is the Department's "main event" and was, once again, well attended and successful. In 2021, we attempted to bring back the Fireman's Muster to the Old Home Week schedule. Although we had prior commitments from other Departments, no other teams showed up on the day of the event. We were able to assemble two "teams" and put on a demonstration of the events for a number of spectators. We are hopeful for a better turn-out in 2022.

In an effort to enhance our ability to identify homes during emergencies both day and night, we are actively selling the red, reflective, 911 address signs that you have probably seen around Town. I would like to recognize Jay Buckley for all of his efforts in making and installing the signs as they are ordered. With a few exceptions, and dependent upon his availability, Jay has been turning orders around in 24 hours. If you are interested in obtaining a sign for your property, please contact Town Hall to place your order and Jay will be happy to install your sign for you. Help us find your property quickly if you need our services by making your property address visible both day and night.

In the summer of 2021, we had two members obtain their State Firefighter I Certification. Upon completion of that training, those two members, and one additional member, enrolled in and successfully completed an Emergency Medical Technician Basic course in the Fall. All three are currently in various stages of the testing and licensing process. When all is said and done, we will have three additional EMTs to respond to medical aid calls. Two more members are scheduled for an EMT course in 2022.

The Student Firefighter Program, in conjunction with the Career Technical Center at Kennett High School, is continuing with 2 active student members. Due to their age, and the requirements under State law, these students are limited in their involvement at emergencies scenes as they are not official members of the Department. They are able to participate in all trainings with their activities supervised by experienced members of the Department.

We invite anyone over the age of 18 to apply to become a member. We meet each Thursday at 6:30 PM at the station at 1917 Village Road. If you are interested in joining the Department, stop by on a Thursday night and see what it is all about.

The delay in Town Meeting from March to May of 2021, delayed the vote on our warrant article to purchase a new chassis to refurbish our Rescue Truck. The warrant article was approved by Town Meeting and the chassis was ordered in May. The chassis arrived on December 8, 2021 and has been delivered to the contractor who is refurbishing the truck. We are hopeful to have the refurbished truck back in Town and in service in May of 2022.

I would like to thank all of the dedicated members of this Department for their service to this Town and thank their families for allowing them to serve. I would also like to thank the Board of Selectmen, the Town Administrator, the Madison Police Department, the Department of Public Works, Members of the Ossipee Valley and Mount Washington Valley Mutual Aid Associations for their support and assistance throughout the year. None of the above would be possible without the continuous support of the taxpayers and residents of the Town of Madison. Your support is greatly appreciated.

I will close with a pledge work tirelessly protecting the lives and property of the residents and taxpayers of the Town of Madison and to ensure that the trust and confidence that you have in me is not misplaced. I will lead the Department forward in furtherance of our pledge of "Duty. Honor. Community".

Respectfully submitted,

Michael R. Brooks, Chief of Department

### DPW REPORT

Here we are again at the end of a great year at the Madison DPW. We had a normal Winter/Spring 2021, and a slow start to 2022 for snow. Unfortunately, we experienced a lot of ice. We have had a very productive 2021 paving and chip sealing season. The season went very well. DPW would like to thank the residents of Fox Road and KPAA for a great working relationship.

We have continued to move forward at the Transfer Station. We installed a personnel shed at the entrance to help guide people to the correct location and to increase efficiency, safety, and traffic flow. We started transporting our own MSW to the landfill and recycling facilities. It has been very productive and cost effective. Some of our recycled products have had an increased return.

We continued our roadside mowing and ditching program again this year. Our goal is to increase visibility on our roads. Road grading was successful again this year. Thank you to the Conservation Commission for purchasing a state-of-the-art calcium sprayer. The sprayer made it possible to create a Salt Brine process. With the assistance of ARPA funds we were able to develop and purchase the equipment to make our own salt brine at a much lower cost. The program has had positive results to this point.

The DPW built a new Bean Hole at Burke Field for Madison Old Home Week festivities. We also installed new stairs at the Historical Society for access to the Cascade Trail.

I would like to thank my crew for a job well done in 2021. I would also like to thank the Taxpayers and the BOS for their continued support in updating our state-of-the-art equipment.

Jon E. Cyr Director of Public Works

### 2021 Planning Board

The Planning Board heard several cases over the year of 2021.

The Board heard:

- 3 Boundary Line Adjustment cases
- 1 Scenic Road Tree Cut on Maple Grove Road
- 4 Preliminary Reviews
- 2 Subdivisions resulting in two new lots in Town
- 2 Site Plan Reviews

The Planning Board held public hearings regarding definition changes that will be presented at the 2022 Town Meeting.

The Planning Board would like to thank Colleen King for her years of dedication and service. Colleen served the Board for five years and retired in June of 2021.

The Planning Board welcomes continued public participation. Residents are encouraged to consider serving on this important Board and welcomes public comment at every monthly meeting held the first Wednesday of the month at 7 P.M. at the Town Hall.

The Board is supported by Kim Cyr, Land Use Administrator.

Planning Board Members: Marc Ohlson - Chair, David Cribbie, C. Paul Littlefield, Paul Marks, Charles Allen, Phil LaRoche – Alternate, Jay Buckley - Alternate and Josh Shackford – Selectman.

#### Madison Conservation Commission – 2021

This year the Madison Conservation Commission expanded its vision of conservation activities. The MCC adopted the tenants of the US Dept of Agriculture's Conservation Stewardship Program, as implemented by the National Resource Conservation Service. That means the MCC now looks holistically at soil, water, air, plants, animals, cultural, and socio-economic aspects of conservation efforts. In several projects the MCC combined its funding with the Town funding to achieve results in several areas. The willingness of the MCC to use conservation funds jointly combined with Town funding resulted in the unanimous votes of approval of the Board of Selectman and Advisory Budget Committee to concur with the MCC budget — a first in 10 years...and applause at the Town Meeting!

The MCC funded the soil erosion repair at the Madison Historical Society where users of the Cascades Trail were not following the entry signage. Now a new set of stairs provides a distinct and direct access to the trail head. New, updated Madison trail maps were also purchased. A new brine tank was purchased for spreading liquid salt in the winter which will reduce the Town's need for hard salt by 30%. This not only saved Town money, but significantly reduced salt runoff into Silver Lake! Additionally, it can be used in the summer to keep dust down on our unpaved roads. Reduction of particulate in the air is one of the Stewardship goals. The MCC funded the annual Green Mountain Conservation Group's Madison Water Quality Inspection program.

This year's Old Home Week presentation was a great success. It was done by the Squam Lake Science Center and consisted of both raptors and omnivores (owls and skunk) and was well attended – over 50 people, both adults and children, turned out.

Town Forester, Tim Nolin, orchestrated a timber sale in the winter, in addition to his work on trail clearing/mowing. The sale brought in over \$30,000 to the forest management account. The Land Use Change Tax added an additional \$25,000 for conservation use.

The Commission farewelled Colleen King and thanks her for her dedication to the conservation efforts of Madison and the efficient running of the Commission as the MCC Secretary. We welcome Kim Cyr as our new Land Use Administrator and thank her for keeping us on track.

Dear Madison Conservation Commission & Town of Madison,

On behalf of the Board of Directors of the Green Mountain Conservation Group (GMCG) I would like to extend our gratitude for \$1500.00 in support of our Water Quality Monitoring Program. Thank you so much! Your support is vital to ensure that GMCG can continue to be a voice for conservation in the Ossipee Watershed. GMCG relies in great part on town contributions to support our mission—conserving shared resources and protecting water quality through research, education, advocacy and land conservation.

With volunteers, community, and town support such as yours, GMCG has become the voice for natural resource conservation in the Ossipee Watershed. You share in our successes and benefit directly from our research and scientific monitoring approach as well as our land conservation efforts.

Our move into the Blue Heron House at the Charles and Patricia Watts Conservation Center on the Ossipee River we have expanded all of our programs and are excited to launch new projects such as *E. coli* testing and microplastics surveys and education. With your help, we will continue to advocate for clean water, natural resource conservation, natural resource-based planning, and programs that protect the place we live, recreate and love.

The Ossipee Watershed is home to a host of unique natural resources. Our quality of life and our economy depend on protecting them. We could not do the work we are doing without your continued support.

Cheers.

### Zoning Board of Adjustment 2021 Annual Report

The Zoning Board is a volunteer board, appointed by the Selectmen, which acts as a quasijudicial board and has powers granted under the New Hampshire Revised Statutes Annotated (RSA's) to act on specific matters. These include:

- Special Exceptions permitted land uses within a district subject to specific provisions.
- Variances dimensional or use relief from the provisions of the zoning ordinance.
- Appeals of Administrative Decisions review of decisions made by a town administrative official based on an interpretation or enforcement of a zoning ordinance.
- Equitable Waivers review of dimensional layout which has been discovered to have been in violation of the ordinance.

As of this writing, the Board heard 13 cases in 2021 with the following outcomes.

- (11) Variances: 1 denied, 10 approved
- (1) Equitable Waivers: denied
- (1) Special Exception: approved.

Two areas of note are as follows. Within the above cases there was significant activity in the Village District of Edelweiss to build on property that was subdivided prior to the Zoning Ordinances being adopted in 1987. As a result, these small lots (some less than a quarter of an acre) don't meet many of the set-back requirements that were designed for a minimum 2-acre lot size adopted by the town in 1987. This generated multiple variance requests that the Zoning Board heard. Also of note, a special exception was granted for an owner-occupied Bed and Breakfast in the Rural Residential District during the months that the Madison roads are not posted (posting is nominally during mud season).

The ZBA said goodbye to almost a combined century of talent and experience with Henry Anderson (32 years), Ken Hughes (22 years), and Mark Lucy (27 years) leaving the board. Their work leaves a legacy that the Town of Madison will never forget. Their service is a remarkable achievement that role models a sense of civic duty that is commendable. A hearty thanks to Henry, Ken and Mark for all you've done volunteering and doing some heavy-lifting for the town of Madison!

Lastly, the ZBA remains strong with a lot of good new talent. The current roster includes Stuart Lord (Chair), Drew Gentile (Vice Chair), Mark Totman, Doug McAllister, Bebe Bartlett, George Rau (Alternate), Marc Ohlson (Alternate), and our newest member Jacob Martin (Alternate).

Respectfully Submitted Stuart Lord ZBA Chair

### Madison Library 2021 Annual Report

The mission of the Madison Library is to connect the people of Madison with materials, programs, and services that support, educate, inform, entertain, and inspire.

#### **Attendance and Membership**

All Madison residents and seasonal property owners may receive a library card for no fee. In addition, employees of the Town of Madison, the Madison School District, and businesses in Madison may receive a library card for no fee. In 2013, we formed the Northern NH Library Cooperative, a contract between the Madison Library, Cook Memorial Library in Tamworth, and Jackson Public Library. In 2019, we welcomed Conway Public Library into our Cooperative for a shared library catalog and circulation system that allows residents of all four towns to use their home library card at any of the four libraries. Nonresidents from other towns who wish to borrow items from the Madison Library pay an annual fee of \$15.

Member usage statistics are given below:

- Individual visits to the library in 2021: 4,843
- Attendance at library events and programs: 799
- Registered members with library cards: 968 adults, 143 children (under 12 years old), 220 interlibrary loan accounts (for lending to other libraries)
- Library cards issued in 2021: 85 individuals

#### **Collection and Borrowing**

The Madison Library's collection includes books, periodicals, audiobooks in CD format, video recordings in DVD format, musical recordings in CD format, games, puzzles, puppets, birding bag, hiking bag, spiralizer bag, MP3 players, e-readers, digital audio and video recorders, Kill-A-Watt meters, museum passes, and a telescope.

- Items in the Madison Library's physical collection as of December 31, 2021: 15,979
- Items added to the collection: 801 (31 were gifts with a value of \$662)
- Items withdrawn from the collection: 858
- Items borrowed: 12,189 checkouts
- Items borrowed from other libraries (interlibrary loan): 687 checkouts
- Items borrowed from other Northern NH Library Cooperative libraries: 1,550 checkouts
- Madison Library's items lent to other libraries (interlibrary loan): 297 checkouts
- Madison Library's items lent to other Northern NH Library Cooperative libraries: 1,517 checkouts

Note that 33% of items checked out were lent and borrowed between Madison Library and other libraries. Sharing resources through reciprocal borrowing with other New Hampshire

libraries expands Madison residents' access to library materials in the holdings of every public library in New Hampshire, including the public universities' libraries. This service is affordable for the Madison Library because the New Hampshire State Library provides weekly van delivery service to New Hampshire libraries.

#### **Online Services**

Links to all of Madison Library's online services can be found on the website <a href="http://madisonlibrary-nh.org">http://madisonlibrary-nh.org</a>. This website is developed and maintained in-house, as is the Local History Project digital archive site, at <a href="http://www.madisonlibrary-nh.org/madisonhistory/">http://www.madisonlibrary-nh.org/madisonhistory/</a>. Access to subscription online resources is provided either with passwords, available at the library, or with a library card. In 2021, funding for these resources was provided by the New Hampshire State Library (EbscoHost), by donations made to the Madison Library (Ancestry), by the Friends of Madison Library (TumbleBooks, Kanopy), and by Madison taxpayers as part of the library's operating budget (NH Downloadable Books, Creativebug and Britannica). Website usage statistics are given below:

- NH Downloadable Books ebooks: 2,284 ebooks downloaded
- NH Downloadable Books audiobooks: 2,321 audiobooks downloaded
- NH Downloadable Books periodicals: 351 periodicals downloaded
- EbscoHost journals and magazines: 177 searches
- Britannica Online: 5 queries
- Ancestry Library genealogy: 1505 searches
- HeritageQuest genealogy: 326 searches
- TumbleBooks for kids: 60 ebooks viewed
- Creativebug: 29 classes viewed
- Kanopy streaming video: 218 videos viewed

#### **Library Programs**

The Madison Library held 83 programs in 2021, with a total attendance of 799. Recurring programs included monthly book group discussions for adults, and kids, weekly story times, knitting, and Mahjongg. Unfortunately, COVID-19 is still limiting larger gatherings, but we have been able to hold smaller groups in person and larger online. A few programs from 2021:

- "Communities & Consequences II: Rebalancing New Hampshire's Human Ecology," a NHPBS program;
- Seven weeks of Summer Reading Take and Make bags for children;

Your librarians: Gordy, Sloane and Cam

Winter Tree Lighting: Hot chocolate, caroling and toasting marshmallows.

### Friends of the Madison Library (FOML) Programs

The Friends of Madison Library planned and sponsored monthly events for adults:

- "New England Lighthouses and the People Who Kept Them," a New Hampshire Humanities presentation by Jeremy D'Entremont;
- "Fierce Females: Women in Art," a New Hampshire Humanities presentation by Jane Oneail;
- "NH Roads Taken or Not," a New Hampshire Humanities presentation by Stephen Taylor;
- "Digging into Native History in New Hampshire," a New Hampshire Humanities presentation by Robert Goodby;
- "Comics in World History and Cultures," a New Hampshire Humanities presentation by Marek Bennett;
- "Life Downstairs: British Servant Culture in Fact, Fiction, and Film," a New Hampshire Humanities presentation by Ann McClellan;
- "Rosie's Mom: Forgotten Women of the First World War," a New Hampshire Humanities presentation by Carrie Brown;
- "Link Sar, The First Ascent," presented by local mountain climber and explorer Mark Richey;
- "New Hampshire's One-Room Rural Schools: The Romance and the Reality," a New Hampshire Humanities presentation by Stephen Taylor;
- "The Middle East," a New Hampshire Humanities presentation by Mohamed Defaa.

The Friends of Madison Library dedication to making the library more visible in our community continues by offering many free programs, maintaining the three "little libraries" located at the Silver Lake Post Office, Nichols Beach and the Foot of the Lake Beach, fund databases such as Kanopy and TumbleBooks, and providing essential items for the library's collections.

Although, COVID-19 continues to challenge the way we have always done things, we are meeting the needs of our community by finding creative solutions to the unprecedented challenges that we've faced, most importantly without sacrificing the safety of our staff and patrons.

Respectfully submitted,

Sloane Jarell Library Director

This was an extremely busy year compared to 2020. The number of permits issued increased by 20%; the number of inspections increased by 46%; and Zoning complaints increased by 38%. Building permits are required for any structural footprint change on the property regardless of size or cost. BPs are also required for erection, construction, alteration, reconstruction and/or repairs to existing structures when the value of the project including labor and materials exceeds \$1,000 (labor cost is based on what a contractor would charge regardless of whether or not you do the work yourself).

STARTING PROJECTS PRIOR TO RECEIVING REQUIRED PERMITS MAY RESULT IN A CEASE & DESIST ORDER AND FINES OF \$100 PER DAY

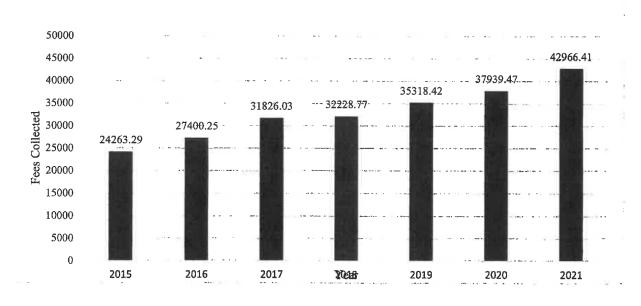

Respectfully submitted,

Robert E. Boyd Code Enforcement/Zoning/Health Officer

Town of Madison 🦸 97 🔈 Annual Report 2021

#### **MADISON HISTORICAL SOCIETY 2021**

The Madison Historical Society is very grateful to Madison residents for their support. We are fortunate to have the use of the original Madison Town Hall for our museum building which is owned by the Town of Madison. The Town keeps the lawn mowed, the driveway plowed, and pays for the electricity. Even though COVID continued to be a concern, we were able to have a successful summer exhibit called "OUR TOWN. Once Upon a Time", using the old back drop on the stage from early plays. During Old Home Week we had a table at the Craft Fair and a Blueberry Bake & Book Sale. Our three summer programs consisted of outdoor music events at the Lake using local talent. In September, thanks to the Town, we were able to replace the existing ceiling lights with LED lights which will make a huge difference for future exhibits and events in the museum. Also, the Conservation Commission and the Town installed stairs to help prevent erosion to the banking behind the museum and put a pipe in the ground between our tool shed and the museum so that we can add a conduit for electricity to the tool shed. In October we were privileged to present the Silver Lake Woman's Club Cane to Jeannette Dube, our oldest citizen.

The museum will be open from 2-4 every Tuesday from Memorial Day to Labor Day and by appointment. We plan to have monthly programs of community interest and have a new tee-shirt design in the works which we hope to have available this summer, along with sweatshirts for sale. We invite you to visit our Facebook page or website where you can find photos, slide shows, newsletter archives and a lot of other useful information.

### Madison Old Home Week Committee 2021 Annual Report

Madison Old Home Week 2021 was a success! The impacts of the on-going COVID-19 Pandemic were minimal and none of the events resulted in any clusters or outbreaks of the virus. We would like to thank the Board of Selectmen for continuing to allow us to utilize Town property and facilities to conduct our normal schedule of events. We continue to be thankful that we have been able to keep the tradition alive.

The golf tournament to benefit the Madison Scholarship Fund was hosted by the Indian Mound Golf Club. The event was very well attended with the return to an in-person event.

Similarly, the James Wellinghurst Memorial Road Race was held as an in-person race again.

The Fire Department's Chicken Barbeque was very well attended and they continued to offer take-out and dine-in options as the same had proven efficient in 2020. Despite Mother Nature providing approximately 2 inches of rain which created ponding on the ballfield, those who attended enjoyed a great meal.

The bean hole at the Foot of Silver Lake was abandoned in favor of a newly constructed bean hole just behind the scoreboard on the lower ballfield at Burke Field. The biggest lesson learned was that the change of location did affect the burn rate of the wood in the fire. The air flow off the lake really made a difference. We will just have to start a little earlier next year. The meal was well attended.

As promised, the Fire Department did resurrect the Fireman's Muster that we hadn't done in quite a few years. Despite having commitments from other Departments, no other teams showed up on the day of the event. Not to disappoint, the Fire Department assembled two teams and put on an exhibition of the planned events for a small group of spectators. They are hopeful for better participation next year.

Looking forward to good weather and the return of some other previously discontinued events from years past for Old Home Week 2022 from August 6<sup>th</sup> through August 14<sup>th</sup>. We hope to see you there.

If you have ideas for events or programs that you would like to see, or if you are interested in joining the Committee, please contact the Town Administrator and she will put you in touch with us.

Respectfully submitted:

Michael Brooks, Candy Sue Jones & Nancy Cole

### Silver Lake Association of Madison (SLAM) 2021 Annual Report for the Town of Madison

There was a little more normalcy around the lake last summer, as the watercraft volume returned to more historic levels. In consultation with NH Fish and Game officials, their experience was similar throughout the state with more normal traffic in parks, trails, lakes and ponds. But... there are still risks out there that threaten the health and purity of our lake.

On August 13, 2121, a boat and trailer arrived from Mascoma Lake in Enfield and during the courtesy boat inspection and powerwash, a green weed was removed from the trailer and a photo was sent off to DES in Concord. The weed was Eurasian Milfoil -- the aquatic invasive species that multiplies rapidly and eventually clogs shorelines. The Lake Host Program accomplished a "save." In total, our Lake Hosts inspected some 1,579 boats this year over a span of 117 days of manning the town launch.

Silver Lake received another "excellent" water quality report (the highest) from UNH officials as they conducted their annual audit on August 12 that is supplemented by volunteers conducting sampling and testing every two weeks. That effort along with the shoreline weedwatchers helps keep a protective eye on the quality of our lake for all to enjoy.

SLAM is fortunate to have a robust membership (all Madison residents are invited) and generous contributors who support our programs and efforts to protect the lake:

Sources of Income:			
Donations	and Dues *	\$ 28,780	*Including gifts in memory
Town supp	ort of Lake Hosts	7,000	of Eli Szklanka
Expenses:			
Lake Host F	rogram	\$ 15,000

Other		4,546	
Reserved Fund (Invas	ive Removal) **	\$ 50,000	** In memory of Hersh Sosnoff

With the prospect of a new boat launch, more vaccines, reduced Covid cases, and the opportunity to enjoy more safe time with family and friends, 2022 has the prospect of being a wonderful year to enjoy our community lake. We welcome all to our Annual Meeting at the elementary school of Saturday, July 9<sup>th</sup> at 9:00am for further updates on the State of our Lake.

#### Madison TV

The Madison TV board is made up of 3 Madison residents: Hope Hutchinson (Chair), Doug McAllister and Margaret "Peg" Merrill. They met 5 times during 2021. This board supports the operations of the organization to fulfill the town's legislative body requirement (so voted at the 2005 town meeting) to provide a video record of town meetings for the viewing benefit of Madison residents. The annual budget for this operation originates with the franchise fees collected from Madison cable subscribers. Madison TV staff record all scheduled meetings and prepare them for production on Spectrum Cable TV.

Early in 2021, the board decided to release a survey to the residents of Madison for the purpose of discovering who is watching the PEG TV Channel 3 and their interests. The survey was available on-line and by paper (at the post offices and the library). 40 responses were received. 60% of the respondents subscribe to cable TV. 50% of the respondents watch town meetings on either channel 3 or over the internet (accessible from the town website: madison-nh.org/boards/madisontv/). While most watchers view board of selectman, planning board and zoning board meetings, 80% would like to view more historical society and library presentations. This provides the board with suggestions for program content to add for the coming year.

Several staffing changes occurred in 2021. Tim Hughes, retired from his role as videographer after 13 years. The board very much appreciated his years of dedicated service to the town. Many of you may have come into contact with Tim throughout his tenure, especially during Old Home Week events. Madison resident Aysia Morency joined the staff in November as videographer. In addition to completing her videographer orientation training, Aysia also researched and documented our process for "live streaming". Live streaming will be "coming soon". Melissa Arias has taken leave from her weekly programming tasks to take on more responsibility at her fulltime professional position in North Conway. Videographer Moselle Spiller, in addition to her videographer role, has taken over the weekly programming tasks, and is assuming more operational/management duties; now sharing those duties with Noreen Downs. The staff is especially appreciative of the time given and the knowledge board member Doug McAllister brings to the group from his past years of experience with Public Education TV in Amherst NH.

Madison TV upgraded their production computer and storage media in the fourth quarter of 2021, led by Dave Downs, technical systems consultant. Digitized video recordings of most town meetings go back to 2005. Those older meetings have been preserved and are now stored in the town archival room. New Cannon camcorders, a new audio mixer and microphones were also introduced this year to keep up to date with technology.

The board and staff thank Jon Cyr and the public works department for painting the floor in our production station located in the Madison maintenance garage to help reduce the level of dust infiltrating into our computer equipment.

Here is a breakdown for the recording and broadcast programming of town meetings for 2021, with 2020 added for comparison. Meetings are still down in number due to the impact of the pandemic. If you have announcements for Madison cable subscribers, and suggestions for Madison TV programming content, please contact Linda Shackford at the town hall.

### Village District of Eidelweiss

### 2021 Annual Report

2021 was less visibly active than that of 2020. Paula Doyle finished her interim term filling in for Adam Leiser. Thank you, Paula, for your dedication to our community. Michael Smith was elected as the new commissioner to the BOC. Dinah Reiss was elected as treasurer for 2 years and Donna MacKinnon was elected as clerk for 2 years. The New Reinach water storage tank went online and homes with historically low water pressure in the Reinach area, finally received water pressure that they deserved. The site work up and around the tank was cleaned up and the old steel tanks cut opened and filled with sand and buried. Surely an archaeological treasure to be unearthed centuries from now. The second phase of the project is to correct pressure problems in the Rigi Pressure Zone. A new engineered design is being developed to get it done correctly. Work is expected to be completed by the end of June.

The roads that were excavated to lay 4440 feet of new water main were either re-paved or made stronger with a new layer of gravel. This work was done by contractors and our DPW crew. A section of Middle Shore Drive and Eidelweiss Drive and Chocorua Drive were resurfaced with new pavement.

Much of this year's activity has been spent on hiring a full-time administrator for the office. The challenge is retention in today's competitive job market.

The District's operating and water budgets were significantly underspent in 2021 for the second year running. New warrantied plow vehicles and cautious spending have allowed us to put the unspent money into funds controlled by the voters.

The District has kicked off the Asset Management Project with a \$20,000 matching grant from NH DES to establish asset management inventory, GIS mapping, asset life expectancy and long-term financial planning and outreach strategy to educate the public regarding our water system. Thanks to all the volunteers who are helping with this effort.

The EAP (emergency action plan) for our dam at Little Pea Porridge Pond was completed as mandated by the state. A public hearing was held on August 14<sup>th</sup> to discuss the operation of the dam and quite a crowd showed up to provide the commissioners with input. We accepted your input and put it into action with a new Pond Level Management Policy.

The pandemic is still with us, but we have managed to open the office with caution and ask that all visitors at the least wear a mask to protect our employees when visiting the office or other VDOE sponsored events.

We are looking forward to getting back to normal and hopefully seeing you soon in the Village.

Board of Commissioners,

Buckley Kathy Koziell

### Mt. Washington Valley Economic Council

The Economic Council reached new milestones on its 31st year of providing economic and professional support to the business community in spite of limitations of living in a covid-dominated world. These milestones will become apparent this spring when a flurry of construction begins on the Tech Village campus.

The multi-year, multi-million dollar Investa Housing project is scheduled to begin Phase I of its IV-phase construction plan. The first three story, 40-unit apartment building is planned to begin this spring. In addition, other commercial lots have either been sold for office buildings or are nearing finalization that will set off another round of construction activity in 2022 in the Tech Village.

The pandemic fears and challenges we all experienced placed renewed importance on the Council's Revolving Loan Fund. Currently, there are 34 active loans out in the community valued at \$1,306,000 which support local start-ups or businesses that are at a critical point of transition and growth.

And while many conferences, workshops, boot camps and consultations with seasoned professionals from the Tech Village were mostly remote, the demand for assistance and training remained active and vibrant. The EC staff will welcome face-to-face communications soon.

The MWVEC receives funding through area towns like Madison, memberships, grants, loan fund interest income and corporate sponsorships. It is a privilege to serve as Madison's representative on this important economic development activity.

Ted M. Kramer
Vice Chairman
MWV Economic Council

Madison is a member of the MWV Age- Friendly Community. This is a regional coalition of 12 towns and over 12 organizations dedicated to using the AARP/World Health Organization framework to make our Valley more livable. Convened by the Gibson Center for Senior Services in 2018, this coalition uses 5 domains of livability to assess and make improvements for citizens of all ages. These domains are Housing, Health, Community Connections, Outdoor Spaces and Transportation.

Older adults represent over 30% of our region's population and are a vital component of the social and economic fabric of life in the community. Seniors work in local establishments, volunteer in community organizations, are philanthropists, historians, mentors and bring resources and talents to improve our quality of life.

Select Boards, planning boards, and other local policy makers can ensure the region continues to reap the rewards of a healthy integrated senior community by developing plans and policies that help people thrive as they age.

Working groups have identified goals and are working to achieve them with no budgetary obligations to the town. Toward this end, recent achievements that have benefited our town include:

**Housing**: 1. Launch of "Staying Safe, Warm and Dry" program in conjunction with Gibson Center. This is a program that provides vetted home maintenance services for elder homeowners of all incomes

- 2. Partnering with Window Dressers and Tin Mountain, 140 custom fit wooden frame window insulating inserts were built for local families, businesses and municipal buildings.
- 3. Examining the town's Master Plan with an eye toward maximizing Age-Friendly housing
- **Health**: 1. Establishing MaineHealth 'Small Steps" program to promote physical wellness for older adults to help manage chronic disease
  - 2. Offering training and supportive services to caregivers of persons with dementia

**Community Connections:** 1. Set up a senior resource kiosk in the Conway Public Library that is being replicated in our library as a specified senior resource reference area.

- 2. Completed the Senior Resource Guide with detailed information on services and programs throughout the Mt. Washington Valley to help families access help when it's needed most.
- 3. Summer flower pot programs were available through Conway, Fryeburg, Madison, and Tamworth libraries

**Outdoor Spaces:** There are a total of 42 listed Most Walkable Trails on the Gibson Center website. There were 20 new trails added this year: 2 in Chatham, Conway, Eaton, Freedom, and Effiingham, 3 in Madison, 6 in Ossipee and 1 in Tamworth

2. Obtained funding to help with the Fall Fest Clean Up Trail Day at Constitution Park in Ossipee.

**Transportation:** To help seniors continue to drive private vehicles safely, there will be a comprehensive Driver Safety course in the spring that will use the resources of AARP and the American Occupational Therapy Association to explain new technologies, fitting your car to your personal physical needs, and understanding changes in driving techniques.

Participation by any citizen on one of the working groups and presentation of new ideas are welcome. Many projects are being proposed for the coming year. Selection will be dependent on resources, applicable models and town interest. Contact Gibson Center 603-356-3231 and ask for Charlie Macomber, Edwina Boose or Marianne Jackson.

#### ADVISORY BUDGET COMMITTEE

The Advisory Budget Committee ("the Committee") was created at the Town Meeting in 1991. The Committee consists of five members elected from the general public and one member each appointed by the Selectmen and the School Board. The Committee is charged with the responsibility to review the budgets of both the Town and the School, including Capital Improvement Plans, and to inform the towns' voters on issues for their decision-making. The Committee is required to review and comment upon all money-related warrant articles, to attend Town/School Board budget hearings and to respond to inquiries from the public.

The Committee also thanks the entire Madison TV Crew and Mrs. Linda Shackford for their tireless service to our Committee throughout this budget cycle. We also thank the Selectman for continuing to make tough decisions that keep our town's expenses at reasonable levels while balancing department's needs with taxpayer concerns.

The following reflects the Advisory Budget Committee recommendations for the Madison budget and warrant articles (non-monetary warrant articles are not included):

<u>Article 9.</u> To see if the Town will vote to raise and appropriate the sum of one million five hundred and ninety-two thousand four hundred and thirty dollars (\$1,592,430) for General Government. This article does not include special or individual articles.

Recommended by the Advisory Budget Committee 7-0-0

<u>Article 10.</u> To see if the Town will vote to raise and appropriate the sum of nine hundred ninety-six thousand four hundred and fifty-eight dollars (\$996,458) for Public Works.

Recommended by the Advisory Budget Committee 7-0-0

<u>Article 11.</u> To see if the Town will vote to raise and appropriate the sum of six hundred and twenty-one thousand one hundred and thirty dollars (\$621,130) for Public Safety.

Recommended by the Advisory Budget Committee 7-0-0

Article 12. To see if the Town will vote to raise and appropriate the sum of two hundred thousand dollars (\$200,000.00) for paving and road improvements of Town roads including but not limited to Saxon, Haven, Kingswood, Knight, Alexander, Caroline, Townline, Fox, Rabbit Run and King Pine. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the funds have been exhausted with the completion of the project or by December 31, 2026, whichever is sooner.

Recommended by the Advisory Budget Committee 7-0-0

<u>Article 13.</u> To see if the town will vote to raise and appropriate the sum of fifty-five thousand nine hundred dollars (\$55,900) for the purpose of purchasing a police cruiser and equipment.

Recommended by the Advisory Budget Committee 7-0-0

Article 14. To see if the Town will vote to authorize the Selectmen to enter into a 5-year lease/purchase agreement in the amount of fifty-four thousand three hundred and seventy dollars (\$54,370) for the purpose of leasing a pickup truck for DPW and to raise and appropriate eleven thousand six hundred and eleven dollars (\$11,611.00) for the first year's payment for that purpose. This lease agreement contains an escape clause and the Town will own the pickup truck at the end of the 5 years.

Recommended by the Advisory Budget Committee 7-0-0

<u>Article 15.</u> To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000.00) to be placed in the previously established Highway Heavy Equipment Expendable Trust Fund.

Recommended by the Advisory Budget Committee 7-0-0

<u>Article 16.</u> To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000.00) to be placed in the previously established Assessing Expendable Trust Fund.

Recommended by the Advisory Budget Committee 7-0-0

<u>Article 17.</u> To see if the Town will vote to raise and appropriate the sum of fifteen thousand dollars (\$15,000.00) to be placed in the previously established Transfer Station Capital Projects Expendable Trust Fund.

Recommended by the Advisory Budget Committee 7-0-0

<u>Article 18.</u> To see if the Town will vote to raise and appropriate the sum of four thousand dollars (\$4,000) for the fireworks show during Old Home Week.

Recommended by the Advisory Budget Committee 6-1-0

<u>Article 19.</u> To see if the Town will vote to raise and appropriate the sum of twenty-four thousand seven hundred and eight dollars (\$24,708.00) to be placed in PEG TV Expendable Trust Fund this sum to come from the unassigned fund balance which represents unused franchise fees.

Recommended by the Advisory Budget Committee 7-0-0

<u>Article 21.</u> By Petition. To see if the town of Madison will vote to raise and appropriate the sum of seven thousand four hundred and twelve dollars (\$7,412.00) for the support of White Mountain Community Health Center to help meet the healthcare needs of the uninsured and underinsured residents of the town of Madison. Petition signed by Cheryl Frankowski, et al.

Recommended by the Advisory Budget Committee 7-0-0

<u>Article 22.</u> By Petition. To see if the Town will vote to raise and appropriate the sum of three thousand one hundred dollars (\$3,100.00) for the Family Resource Center at Children Unlimited, Inc. Petition signed by Patricia Ambrose, et al.

Recommended by the Advisory Budget Committee 7-0-0

<u>Article 23.</u> By Petition. To see if the Town will vote to raise and appropriate the sum of five thousand eight hundred and seventy-five dollars (\$5,875.00) for the operation of Tri-County Community Action Program, Inc. service programs in Madison: Transportation, Energy Assistance, Weatherization, Guardianship, Head Start, Homeless Intervention and Prevention, Disaster Relief, Tamworth Dental Center. Petition signed by William Arnold, et al.

Recommended by the Advisory Budget Committee 7-0-0

<u>Article 24.</u> By Petition. To see if the Town will vote to raise and appropriate the sum of one thousand five hundred dollars (\$1,500.00) for MWV Supports Recovery Coalition Programs (family, peer support, recovery and housing programs for substance use disorder). Petition signed by Patty Curotto, et al.

Recommended by the Advisory Budget Committee 7-0-0

<u>Article 25.</u> By Petition. To see if the Town will vote to raise and appropriate the sum of five thousand five hundred dollars (\$5,500.00) to support Madison home delivered meals (Meals on Wheels), congregate meals, transportation and program services provided by the Gibson Center for Senior Services, Inc. Petition signed by Norma S. Alexander, et al.

Recommended by the Advisory Budget Committee 7-0-0

<u>Article 26.</u> By Petition. To see if the Town will vote to raise and appropriate the sum of four thousand one hundred and twenty-six dollars (\$4,126.00) in support of Starting Point providing advocacy and support to victims of domestic and sexual violence and their children. Petition signed by Susan Stacey, et al.

Recommended by the Advisory Budget Committee 7-0-0

#### **Summary/Conclusion:**

The tax rate for this year is \$13.77 for the Town. This is the lowest rate since 2008 one of the four lowest since 1983. The selectman used \$400,000 of unreserved fund balance to buy down the town rate and left \$400,000 in the fund.

The 2022 total Town Budget Proposal increased 6.4% over the 2021 total Approved Town Budget. The specific details are in the Town of Madison's 2022 Annual Report. In summary, the main drivers for this increase are:

- A 5-year multi-town ambulance contract includes a 3% increase each year which contributes to the majority of the increase this year or 4.5% in the Ambulance budget.
- A 31.2% increase to Building Inspection. The extreme increase in volume of permits has prompted adding an additional day to the Code Officer's work week which explains the increase.
- A 5.6% increase in the Department of Public Works budget. Please note that the DPW budget combines previous budget centers of Highway, Solid Waste, and Parks and Rec into one department budget.
- A 35% in Executive. This is due to moving the land use salary in with the administrative assistant line and some pay raises to level out with surrounding towns. This is reflected

in the -51.5% decrease in the Conservation Commission budget and the -40.8% decrease in the Zoning Board budget.

- A 4.9% increase in Financial Administration.
- A 15.3% increase in the Insurance budget. Increases in liability and workman's comp.
- A 53.6% in Notes Due. This accounts for the leases on vehicles and equipment that were initiated in 2021.
- A 3.6% increase in Personnel Administration.
- A 3.3% increase in the Police budget.
- A -53.0% decrease in the Planning Board budget due to a decrease in anticipated legal fees.

It is also important to note that there are a number of areas in the town budget proposal that either had a zero percent increase or a reduced budget from the last year.

The Advisory Budget Committee reviewed all of the Town's spending and proposed spending and held public deliberations before reaching their recommendations and conclusions.

Members of the Madison Advisory Budget Committee are: Chairman Steve Bartlett, Vice-Chairman Ned Rogerson, Ron Force, Doug McAllister, Tino Fernandes, Selectmen Representative Bill Lord, and School Board Representative Mike Brooks
