BOARD OF SELECTMEN — TOWN ADMINISTRATOR
ANNUAL REPORT

We are pleased to submit our annual report to you, the citizens of New Durham. 1991 proved to be another challenging year for us all. As the world's attention was drawn to the new democracies emerging in Europe and to the Desert Storm conflict, local focus continued to be centered on the faltering economy. With many losing their jobs the payment of property taxes remains an issue of concern for many townspeople. Your efforts in making tax payments in such hard times is commendable, as a result through the end of fiscal year 1991 the town had collected some 83% of the tax warrant - thank you.

The Board has hired a part time professional assessor to help with matters pertaining to property assessments. With his assistance we have made some adjustments to property values in 1991 for the purpose of better equalizing the tax base. Also there were approximately 222 property tax abatement applications filed. Abatements were granted in 167 of these cases resulting in some \$40,000. in actual abated property taxes and a reduction of about 2 million dollars of property valuation. This was done to ensure that the tax burden is distributed equitably throughout the town. We thank each of you for your cooperation and understanding during this process.

We have presented to you a proposed 1992 Town Budget that is intended to hold the line on any town (portion) tax rate increase. In fact, our early projections show that the rate will actually *decrease* some fifty to sixty cents - approximately 10%. To do this we have minimized spending wherever we could - without sacrificing town services. We thank the department heads and budget committee in helping us reach this objective.

We extend a salute to all our town volunteers and volunteer committees, who continue to provide this town with countless hours of community service. They enrich our town and its sense of community pride. A special "hats off" to the following volunteers honored during the last year:

Rachel & Leo Murray received a New Hampshire Municipal Volunteer Award for their 12 plus years of community work; and, the New Durham Recycling Committee was the recipient of the New Hampshire Resource Recovery Association's Community Group Award.

Sincerely,

Joan Bittrolff, Chairman
Carleton Woods, Selectman
Tim Bates, Selectman

Robert M. Belmore, Administrator

REPORT OF THE NEW DURHAM POLICE DEPARTMENT

This year proved to be a record year for the Police Department for solving crimes and addressing the day to day needs of our community. As a result of dedicating nearly twice the hours that were used for criminal investigations in 1990, we were able to solve over 75% of the burglaries that occurred this year. This is a direct result of superb cooperation with other law enforcement agencies, particularly the New Hampshire State Police in the person of Detective Trooper David Wheeler.

Because of this greater dedication of investigative resources we also saw increases in the clearance rate of all other crimes. This increase in successful investigation increased the hours we needed to deal with court matters by about 20%, with an almost perfect conviction rate.

Despite the increased hours of criminal investigations and court time, we have steadily increased both our patrol hours and our property checks - up by nearly 25% this year. Our contacts with the motoring public were up by over 8% with 375 summons being issued and 67 traffic and criminal arrests being made.

In September, I was fortunate enough to be able to send Officer Thomas Swett to the D.A.R.E. Officers Training Class. Now the Town of New Durham has joined the thousands of other communities across the country that offer this most successful anti-drug program to their children. The response from students, faculty and parents has been most gratifying and I am proud to be able to continue to provide this program in 1992.

Once again this year we have relied heavily on the people of New Durham to assist us in providing top-notch service to the community. On numerous and significant occasions the people of New Durham have assisted us in investigations, emergencies and in the day to day policing of the Town. We look forward to working with other local police departments, the New Hampshire State Police, the deputies and dispatchers of the Strafford County Sheriff's Department for another successful year in providing top quality police service.

Respectfully submitted,

Paul R. Gelinis
Chief of Police

**HEALTH OFFICER
1991 ANNUAL REPORT**

I have inspected 5 failed septic systems, plus new systems, took over 40 water samples at Merrymeeting Lake and made health inspections on Day Care and Foster Home Facilities and Life Safety Inspections with Chief Nelson of the Fire Department.

On sampling the spring and South Shore we found it to have Coliform present. The State of N.H. does not allow any coliform present for drinking water. By order of the Board of Selectmen we closed the spring. We then chloroxed the spring and still had coliform present. With the help of the Highway Department and Chief Gelinis we rebuilt the spring, took another sample, and it still had coliform present.

As of now we cannot open the spring until we get a coliform absent from the Department of Environmental Service from the State of N.H. We will continue to monitor the spring and open it at the earliest opportunity.

Respectfully submitted,

George A. Smith
Health Officer

REPORT OF THE WELFARE DEPARTMENT

Over the past twenty-four months, many of New Durham's residents have been devastated by the failing economy. The effects of unemployment in the area have been compounded by increased fuel, shelter and food costs. In compliance with New Hampshire State Law, the New Durham Welfare Department has assisted a considerable number of residents through this difficult period in meeting lifes' basic needs. We have been inundated with inquires regarding both State and Local Aid, made numerous referrals to other agencies and have denied applications of those who could not meet the strict qualifying criteria. Increases in the duration of assistance, applications and inquiries, combined with the higher cost of providing those essential needs has resulted in a tremendous dollar increase to the Town of New Durham.

It is the Town's mandated responsibility to provide such assistance uniformly and expeditiously to each qualifying applicant. To keep abreast of the new and changing laws which affect the application of this process, training has been increased. This has proven to be very cost-effective over the past several months. The eligibility determination process has been critiqued while on-going cases received greater scrutiny and follow-up. This was achieved while keeping the overall cost at a bare minimum and maintaining full compliance with State Law. This is often a difficult and time-consuming task for Welfare employees. Training sessions, consultations, research and constant review of applications have provided the necessary tools to implement the assistance program efficiently.

In an attempt to recover some of the cost incurred by the Town, when applicable, Liens have been attached to clients' property. As Director of Welfare I requested and was granted monies from the John Shirley Trust Fund to help defray the increased burden on the Town. The Work-Fare Program implemented last year has also been effective and well received. This program enables a recipient to provide specific work services to the Town, while the Town deducts the cost of these services from the Clients accumulated assistance, thus reducing their overall debt to the Town.

As Welfare Director I shall continue my efforts to provide the utmost level of service both to the client as well as the taxpayer.

Respectfully submitted,

Paul R. Gelinas
Overseer of Public Welfare

REPORT OF THE FIRE CHIEF

Reflecting upon 1991, I am truly grateful for my officers and men and women firefighters and their families, for without their support of me, the New Durham Fire Department could not have achieved my goal of having the highest quality fire protection and rescue capabilities available in our local area for the lowest possible cost to each of you.

To accomplish this goal, the men and women of the New Durham Fire Department have attended countless training sessions to upgrade each member's level of ability. We are continuously working on our fire and rescue equipment by hours of volunteer labor on the part of our members.

The following is a break-down of our runs for 1991:

Alarm Activations	4	Auto Fires	3
Chimney Fires	4	Dumpster Fires	1
Electrical Fires	1	Flooded Oil Burner	1
Fuel Oil Spill	2	Ice Rescue	1
Illegal Burn	2	Investigation	4
Medical	65	Mutual Aid	48
Motor Vehicle Accidents	16	Search & Rescue	5
Smoke Investigation	3	Special Services	5
Sprinkler Activation	1	Structure Fires	2
Wire Fires	14	Wood Stove Problems	2

The Mutual Aid system has worked very well for the Town of New Durham during the past year. New Durham has sent aid to several neighboring communities, and we have called upon Farmington, Alton, and Gilmanton for their Assistance. The Town of Wolfeboro has provided much needed coverage in the King's Highway area. To these towns, my sincere thanks.

It is comforting to know that in the event of a multiple victim accident, such as the three accidents that occurred at the junction of Rt. 11 and Depot Road, where a total of eighteen victims were treated, we can count on our neighbors. We have been fortunate to have an ambulance service on call for our town for many years. It is however, now possible to be without coverage as the services get busier with their own communities or experience man-power shortages.

To prepare for the non-availability of ambulances. I am pleased to announce that a used ambulance has been donated to the Town by the New Durham Fire Company to serve as an emergency back-up transport vehicle.

To purchase the equipment necessary for our back-up rescue ambulance we will need the help of our support groups. We will be continuing our now famous Bean Suppers and other fund-raising activities.

Budget cuts have made us trim our expenses and in doing so have been required to depend more and more upon donations from the community, the Fire Belles and the New Durham Fire Company.

The Fire Belles have donated a multi-channel base radio for the fire station. The new radio enables us to communicate with Lakes Region Mutual Aid on more than one channel as is now required. In addition the Fire Belles have donated a high band radio with which we can communicate with Strafford County Dispatch and area hospitals.

Thousands of dollars in equipment has been donated by the Fire Belles. I can not express enough our appreciation for their thoughtfulness and hard work.

An accelerated training program has been introduced within the New Durham School and student participation has been excellent. Additionally, Lions Club Camp Pride at Merrymeeting Lake received several hours of training for camp counselors during the past summer. Participant response has been positive and plans call for continuation of this program in future months.

As 1991 ends and I look forward to the challenge of 1992, I want to thank the members of our community for their fantastic support. My plans for 1992 call for increased training in the fields of incident command, hazardous materials, rescue from water and ice, medical upgrading with continuing education, and fire suppression and working to maintain and provide the finest Fire-Rescue Service possible.

Respectfully submitted,

Brinley R. Nelson
Fire Chief

REPORT OF THE FOREST FIRE WARDEN

Once again New Durham was fortunate by not experiencing a serious brush fire during the previous year.

Fire permits, continuous patrols and most of all responsible property owners have resulted in this good record.

New Durham has assisted several communities with brush fires during 1991 and during the hot and dry months of July and August permits were withheld until rains eased the dry woodland conditions.

Training was provided by State of New Hampshire and Lee Gardner, our State Forest Fire Ranger, in woodland fire suppression with class A foam.

A foam unit was purchased by the New Durham Fire Company and donated to the Town of New Durham during the past year. Our training has shown its effective use in wildfire suppression as well as in some structure and car fires.

Budget cuts by the State of New Hampshire may leave the State Fire Towers unmanned during 1992. It is for that reason that I remind you that; New Hampshire State Law (RSA 224:27II) requires permits for outside fires. Permits are issued by the Forest Fire Wardens and Deputy Wardens for the State of New Hampshire. Burning is not allowed during the day, unless the ground is covered by adequate snow cover, and then only with a special permit from a State Forest Fire Ranger and the Forest Fire Warden. Violations of RSA 224:27II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000.00 and/or a year in jail, as well as all fire suppression costs.

If you have questions regarding New Hampshire forest fire laws or require a permit, please contact me or a deputy warden listed below.

Respectfully submitted,

Brinley R. Nelson*
Forest Fire Warden

DEPUTY FOREST FIRE WARDENS

Robert Ingham*	Dean Stimpson	James Swett	David Lindberg
Peter Varney	Paul Gelinas	Robert Berry	James W. Grigg*

*Issues Permits

REPORT OF THE PLANNING BOARD

This year proved to be a quiet year for the planning board regarding applications. In all, only two (2) minor subdivisions came before the board to receive approval. The board has taken this opportunity to begin an extensive examination of the Town's Zoning and Land Use Ordinance, as well as continuing its work to update the Town Master Plan. This March, the board is asking residents to approve a couple of housekeeping amendments to the Zoning and Land Use Ordinance as well as a totally rewritten sign regulation.

In 1992 the board anticipates the completion of a newly recodified Zoning and Land Use Ordinance and is working with the Strafford Regional Planning Commission to accomplish this goal. Our objective is to simplify its structure so that it might be more easily read and understood.

The board meets at least once a month to conduct business, and we also hold workshop sessions as needed. We welcome public attendance and comment and hope that some of you will consider volunteering to become a board member. There currently are some alternate positions open. The board needs your assistance and support, we look forward to hearing from you.

Sincerely,
Stephanie Dunn
Planning Board Chairman

REPORT OF THE ZONING BOARD OF ADJUSTMENT

To the Board of Selectmen and the citizens of New Durham, I respectfully submit my annual report as chairman of the Zoning Board of Adjustment.

The ZBA granted 16 variances in 1991, two (2) special exceptions, and handled 1 appeal from an administrative decision.

This decrease in activity (as did last years ZBA calendar) reflects the economic recession the whole country is still experiencing. Like last year it has allowed us more time to hold workshop sessions and discuss necessary updating of The Zoning Ordinance and our Building Regulations.

The board retained its membership for 1991, but we still need two (2) alternates. An application can be obtained at the Town Hall. Local and State sponsored training sessions are held in the spring to help indoctrinate new members. Please consider volunteering your time as a new member. We the board, and the community can use your assistance. Thank you.

Respectfully,
C. Paul Pickard
ZBA Chairman

Asst. Richard L. Clarke, *Alternate Building Inspector*

REPORT OF THE NEW DURHAM CONSERVATION COMMISSION

We are very pleased to announce that the survey of the Town's Wetlands' as prepared by David Allan, a biologist from Lee, New Hampshire, has been printed and is available in booklet form. It is a comprehensive study and will be very useful for future town planning. This informational, easy-to-read and understand booklet is available at a cost of \$6.00, and may be seen and/or purchased at the New Durham Library or the Town Hall. We encourage all residents of the town to review this study.

As part of our ongoing responsibilities, the Commission reviewed numerous applications for Dredge and Fill applications. In addition, we received several complaints of possible wetland violations. We conducted on-site reviews, and reported our findings and recommendations to the New Hampshire Wetlands Board.

The Conservation Commission now has a full Board. We have added four new members who are serving as alternates. We look forward to their input and participation.

Members: Chairman - Susan Pillsbury-Jenkins, Paul Berry, Elaine Scott Bickford, Dennis Gagne and Herbert Hume. Alternates - Charles Berube, Kathleen DeWolfe, Susan Hoover, Patrick Lanzetta and Eileen Thomas.

Respectfully submitted,
Susan Pillsbury-Jenkins

**NEW DURHAM PUBLIC LIBRARY
REPORT OF THE LIBRARY TRUSTEES 1991**

*New Durham Library Resource Center
New Durham, New Hampshire*

We have expanded our hours to better serve working people. The new hours are:

Mon 12:00 - 8:00

Wed 10:00 - 6:00

Fri 9:00 - 5:00

Sat 9:00 - 1:00

Librarian Nancy Polito's position was upgraded this year to allow for the expanded hours. Mrs. Polito coordinated a number of new children's events including a Christmas story hour and

ornament making session (allowing parents to wrap their presents in peace). Children participating in the summer program made their own books - which now circulate through the library's regular collection.

Town Historian Eloise Bickford continues to build the town's archives and assist scholars with research. Mrs. Bickford helped with the research for the feature documentary on Marilla Ricker aired on PBS (a videotape of this feature is in the library). She is also an active member in the New Hampshire Society for Genealogists.

Physical Plant

The library front door was replaced this year. Other improvements include a bicycle rack, built by Dennis Gagne and a sign reflecting the new hours, painted by a former trustee Rae Davis. The Friends of the Library donated a new projection screen for slide shows and other presentations.

Board of Trustees

Rachel Murray retired from the Board of Trustees after many years of service. Katherine Buckley now serves as chairperson with new board member Elizabeth Werth acting as treasurer.

Survey

Thanks to those who answered this fall's survey. We received 220 responses to this random telephone survey, based on one conducted by the Durham Public Library. Most respondents who use the library (approximately 60 per cent of those polled) rated our services "good" to "excellent". They commented particularly on the helpfulness of the staff, the archive collections and children's summer program. Areas slated for improvement include scheduled hours, parking and the expansion of children's collections and programs.

“My kids aren’t in school anymore so I don’t use the library,” was the most common reason given by respondents who did not use the library. We hope to attract new patrons from this group with fundraising events such as a craft and garden fair this spring and by more actively promoting our adult services and programs.

We will use the survey results to direct book purchases and programming in the upcoming year.

Cost effective budgeting

With other town departments, the library volunteered a 5 per cent cut in this year’s budget. We will be doing more active fundraising this year to make up the deficit. Fundraising goals focus on the Anthony Reference Book Fund because we must keep our reference collections current to maintain state certification.

In order to make our budget dollars go as far as possible we take advantage of RALI (Rochester Area Library cooperative) and interlibrary loan. RALI is a regional library cooperative. A minimal membership fee gives the New Durham Library access to new videos, books on tape and large print books every month.

Interlibrary loan is a service provided by the New Hampshire State Library. The librarian can request books from any library in the state system giving patrons access to titles beyond our holdings. Last year’s computer purchase and a new phone billing plan have expanded the use of interlibrary loan (at reduced phone rates) from 42 requests last year to 160 in 1991.

Getting a library card or becoming a member of the Friends of the Library makes you a part of a network that can serve as a lifeline during difficult economic times by offering opportunities for adult education, job research, free family recreation and community building. We hope to help more New Durham residents take advantage of this resource in 1992.

Respectfully submitted,

Kathryn Buckley, Marjorie Mohr, Elizabeth Werth
Merrill Black, Michael Folan

NEW DURHAM LIBRARY TRUSTEES ACCOUNT - 1991

1991 RECREATION DEPARTMENT ANNUAL REPORT

To the Board of Selectmen and the citizens of New Durham, I respectfully submit my annual report.

During the 1991 year the Recreation Department continued to see a rapid increase in participation, and we are very thankful for the generous donations of private groups and businesses, who have enabled us to operate on a minimal recreation budget.

Over the last three years the growth in numbers of participants in our programs has been unbelievable. Some examples of this growth are in soccer (400% increase), basketball (270% increase), swimming lessons (300% increase), baseball/softball (200% increase). We are also seeing this growth in our adult programs such as basketball and volleyball which are filled to capacity. It is also encouraging to note that over 83% of all elementary children have taken part in Recreation Department activities.

In spite of the rapid growth, the Recreation Department has increased programming with only a 10% increase in its operational budget over the last 3 years. The main force enabling us to continue to expand our programming comes from the support of the New Durham Athletic Association. Over the past two years the NDAA has donated THOUSANDS of dollars to the Recreation Department. Some of the things the NDAA has provided are uniforms for all sports, sporting equipment, ballfield repairs, awards, team parties, AAU Sponsorships, Scholar/Athlete Scholarships, storage shed improvements, and much more. Combined, these are things the Recreation Department could not do, without aid from the NDAA. Many of the programs the Recreation Department has added are directly dependent on the financial support of the NDAA.

In addition to the regularly scheduled events, field trips, and athletic events, here is a sample of accomplishments of the New Durham Recreation Department:

- involvement in the Hershey Track Meet.
 - sponsoring an OHRV Course.
 - expanding the Red Cross Swimming Program (certifying the Recreation Director as WSI).
 - expansion of the summer programs such as recreational games, arts and crafts, archery, golf, movies, and more.
 - 2 pee wee soccer and tee ball teams, 3 pee wee basketball teams.
 - 3 elementary girls and boys basketball teams.
 - cheerleading (winners of cheering contest at Alton High School).
 - increased participation in baseball/softball. (Shop-N-Save team was B.A.N.D. League Champion).
 - programming with the Farmington Fish and Game Club, the New Durham
-

Fire Department and Camp Maranatha

- increased field and team sponsorships.
- 2 elementary soccer teams. (Runner-up at New Durham Elementary Soccer Tournament).

- Field trips to Odiorne State Park, Laconia Water Slide, Mt. Major and bike trips.

- special events such as the Halloween Party, Haunted House, and Easter Egg Hunt

- Recreation Awards Banquet.
- Addition of Babe Ruth Baseball.
- New Durham Challenge Cup.
- Adult basketball, volleyball, softball and golf.

This also has been an exciting year for me professionally. I survived the Red Cross Water Safety Course, to become a certified Water Safety Instructor, to cover our swim lessons. I also had the opportunity to represent New Durham, as the New Hampshire State Monopoly Champion at the National Monopoly Championships, in Washington D.C. Both of these events were challenging, interesting new experiences.

As our recreation programs continue to grow, it is our hope that the overwhelming contributions from volunteers continues. The time, effort, and financial contributions are carrying your recreation department up to the next level. You should be very proud of the programs which you have available.

I am looking forward to continued cooperation in the community, and continued growth for the Recreation Department. I urge you to contact me at the Elementary School to initiate new programs, volunteer assistance, or scheduling events. COME JOIN THE FUN!

Respectfully submitted,

Robert S. Gadomski
Director of Park and Recreation

REPORT FROM THE NEW DURHAM RECYCLING COMMITTEE

To the Board of Selectmen and the citizens of New Durham, I respectfully submit our annual report as Chairperson of the New Durham Recycling Committee.

The New Durham Recycling Committee has seen an exciting, rewarding and often tiring year. Our results have been successful, both financially and environmentally.

We started 1991 by applying for 2 grants. One from the State of New Hampshire for \$10,000 and the other from N.H. The Beautiful. Our applications totalled more than 100 pages of documentation and untold volunteer hours. They were the first grants that New Durham had applied for and both were granted saving us more than \$13,000 in town funds. (Or as we all know . . . taxes!) Since this was the last opportunity for the \$10,000 grant we felt particularly proud.

Throughout every event volunteerism was the strength that made us successful. We can't even begin to list all of the people who have pulled together to make everything happen, but we truly wish to thank them all. Building the recycling center, giving up weekends and nights to finish on time, getting donations from area businesses and on and on the list goes. What this shows us is that New Durham residents are more than willing to put back pride into the community. This commitment got us State and National recognition. With winning "The Community Group of the Year Award" and with the nomination of "The Green Store" for a national award. It also saved us tax dollars, helped the environment and kept the committee encouraged to continue with its efforts to implement a successful recycling program.

In 1992 we should see the financial rewards of recycling as we begin a full year. Does it take a little more work? Sure it does. Sometimes it is confusing, but Joe Bloskey is happy to answer any questions. But remember what affects us all - our tax bill. Trash removal is a big part of that and recycling reduces the amount. We think that is motivating.

In 1992 we will see the Second Annual DUMPFEST. The first drew thousands of people. Yard sale buyers and sellers were happy. The music was absolutely terrific. Paul Gelinas got drenched in the dunking booth. The Legion burgers were great and this year we expect to see the Fire Department and an even bigger yard sale. (Call 269-3282 to get a free spot!) With much much more!

"The Green Store" is now exclusively a swap shop. Everything is FREE! Don't be bashful, any resident that sees something they want they can take it for FREE. Anyone who wants to give something to their fellow neighbor can donate useful items like household things or clothing. If it's broken, please put a tag on it indicating the problem. It's open the same hours as "The Dump".

Respectfully submitted,

Tonya Albee,

Chairperson for the New Durham Recycling Committee

**TOWN OF NEW DURHAM
TOWN WARRANT
THE STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of New Durham in the County of Strafford, in said State qualified to vote in town affairs:

You are hereby notified to meet at the New Durham Library/Resource Center on Tuesday, the tenth (10th) day of March, next at ten o'clock in the forenoon, to act upon the following: (Polls will close no earlier than 7:00 P.M.)

- ARTICLE 1.**
- a. To choose all necessary town officers for the year ensuing.
 - b. To choose all necessary school district officers for the year ensuing.
 - c. To vote on proposed changes to the New Durham Zoning and Land Use Ordinance.

And you are hereby further notified to meet at the New Durham School on Wednesday, the eleventh (11th) day of March, next at seven (7:00) o'clock in the evening to act upon the following articles:

ARTICLE 2. To see if the town will vote to raise and appropriate the sum of \$110,000.00 for the purpose of the repair and reconstruction of the Downing Pond Dam; such sum to be raised through the issuance of bonds or notes under and in compliance with the Municipal Finance Act, RSA 33:1 et seq., as amended; to authorize the Selectmen to apply for, obtain and accept available federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the Selectmen to take any other action or to pass any other vote relative thereto. (2/3 ballot vote required)
BY SELECTMEN

ARTICLE 3: To see if the town will vote to raise and appropriate the sum of \$242,000.00 for the purpose of purchasing the Camp Easter Seal property off Birch Hill Road (Tax Map 15, Lot 7); \$217,000.00 of such sum to be raised through the issuance of bonds or notes under and in compliance with the Municipal Finance Act, RSA Chapter 33; to authorize the Selectmen to apply for, obtain and accept

1992 WARRANT & BUDGET

federal, state or other aid, if any, which may be available for said purchase; to authorize the Selectman to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; to authorize the Selectmen to take any other action or to pass any other vote relative thereto; and to authorize the Selectmen to accept a grant which has been made available through the Department of Resources and Economic Development in the amount of \$25,000.00 for this purpose. (2/3 ballot vote required)

BY PETITION

ARTICLE 4. To see if the town will vote to raise and appropriate \$10,000.00 to further study the Downing Pond Dam and to authorize the Selectmen to breach the Downing Pond Dam and remove the debris, if deemed necessary by the Board of Selectmen. BY SELECTMEN

ARTICLE 5. To see if the town will vote to authorize the Selectmen to borrow such sums of money as may be necessary to pay current expenses in anticipation of taxes. BY SELECTMEN

ARTICLE 6. To see if the town will vote to authorize the Treasurer, with the approval of the Selectmen, to appoint a Deputy Treasurer, in accordance with RSA 41:29-a. BY SELECTMEN

ARTICLE 7. To see if the town will vote to authorize the Board of Selectmen to apply for, receive and expend federal and state grants which may become available during the course of the year, in accordance with RSA 31:95-b and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the municipality may legally appropriate money. BY SELECTMEN

ARTICLE 8. To see if the town will vote to authorize the Board of Selectmen to accept gifts to the town of personal property, other than cash, for any public purposes. This is in accordance with RSA 31:95-e and shall remain in effect until rescinded by a vote of the town meeting. BY SELECTMEN.

ARTICLE 9. To see if the town will vote to raise and appropriate \$5,000.00 to the Capital Reserve Fund established for a Fire Truck. BY SELECTMEN

ARTICLE 10. To see if the town will vote to establish a Capital Reserve Fund for the purchase of a new police cruiser, and raise and appropriate \$7,000.00 to be placed in the fund and designate the Selectmen as agents to expend. BY SELECTMEN.

ARTICLE 11. To see if the town will vote to raise and appropriate \$5,000.00 to the Capital Reserve Fund established for the closure of the present landfill. BY SELECTMEN

ARTICLE 12. To see if the town will vote to raise and appropriate \$20,000.00 to the Capital Reserve Fund established for a Highway Truck. BY SELECTMEN

ARTICLE 13. To see if the town will vote to accept the donation of \$18,270.00 plus accumulated interest to date of withdrawal, from Sugarbush, Inc., for capital improvements to Birch Hill Road, and raise and appropriate this sum for the reconstruction of Birch Hill Road. BY SELECTMEN

ARTICLE 14. To see if the town will vote to establish a Capital Reserve Fund for the purpose of road reconstruction of the Owl's Head section of North Shore Road, and to raise and appropriate \$20,000.00 to be placed in this fund and designate the Selectmen as agents to expend. BY SELECTMEN

ARTICLE 15. To see if the town will vote to authorize the Selectmen to engage Certified Public Accountants for an audit of the year ending December 31, 1991, and to raise and appropriate the sum of \$4,500.00 for this purpose. BY SELECTMEN

ARTICLE 16. To see if the town will vote to establish an Expendable Trust Fund pursuant to RSA 31:19-a, to be known as the Accrued Benefit Liability Fund, for the purpose of funding accrued employee benefits other than wage or salary items, and raise and appropriate \$5,000.00 to be placed in this fund, and designate the Selectmen as agents to expend this fund and any interest. BY SELECTMEN

ARTICLE 17. To see if the town will vote to raise and appropriate \$1,000.00 to the Uncared for Old Graveyard Trust Fund established for maintenance and restoration of Old Graveyards. BY SELECTMEN

ARTICLE 18. To see if the town will vote to raise and appropriate \$1,000.00 for restoration and improvements to the Old Town Meeting House on Old Bay Road. BY SELECTMEN

ARTICLE 19. To see if the town will vote to authorize the Board of Selectmen to establish as a town park the six acre parcel of land and amenities on Old Bay Road where the Old Town Meeting House, Town Pound, and earliest cemetery are located. BY SELECTMEN

ARTICLE 20. To see if the town will vote to authorize the Selectmen to accept the dedication of any street shown on a subdivision plat approved by the planning board, provided that such street has been constructed to applicable town specifications as determined by the Board of Selectmen or their designee. BY SELECTMEN

ARTICLE 21. To see if the town will vote to retain and hold for public uses pursuant to RSA 80:80, V, the 7.38 acre parcel of real property off Kings Highway (Tax Map 20, Lot 10A) acquired by the town by Tax Collector Deed. BY SELECTMEN

ARTICLE 22. To see if the town will vote to authorize the Selectmen to convey any real estate acquired by the town by Tax Collector Deeds. Such conveyance shall be by deed following a public auction or the property may be sold by advertised sealed bids, or may be otherwise disposed of as justice may require, pursuant to RSA 80:80. BY SELECTMEN

ARTICLE 23. To see if the town will vote to have property taxes collected once a year in December. BY PETITION

ARTICLE 24. To see if the town will vote to raise and appropriate such sums of money as may be necessary to defray the expenses of town government.

ARTICLE 25. To hear reports of any standing committees.

Given under our hands and seal this 10th day of February, in the year of our Lord, Nineteen hundred and ninety-two.

TOWN GOVERNMENT TALENT BANK

SERVE YOUR COMMUNITY

Town government needs citizens who are willing to give time in the service of their community. The Talent Bank is organized as a means of compiling names of volunteer citizens willing to serve on boards and committees. Names in this file are available for use by the Selectmen and Moderator, as well as all Town Offices.

Please complete the questions, indicate your areas of interest and return immediately to:

Town Government Talent Bank
c/o Board of Selectmen
New Durham Town Offices
New Durham, NH 03855
