Town of Springfield New Hampshire Warrant 2020

The inhabitants of the Town of Springfield in the County of Sullivan in the state of New Hampshire qualified to vote in Town affairs are hereby notified that the Annual Town Meeting will be held as follows:

Date:	Tuesday, March 10, 2020, 11 a.m. to 7 p.m. Saturday, March 14, 2020, 9:30 a.m.
Location:	Town Hall, 23 Four Corners Road
Details:	The meeting will open at 11 a.m. on Tuesday, March 10, 2020 to consider Article 1 to elect all necessary town officials. The meeting will recess but the polls will remain open until 7 p.m. The meeting will reconvene on Saturday, March 16,

2020 at 9:30 a.m. to consider articles 2 through 7.

Article 01 Election of Town Officials

To choose all necessary Town Officials for the year ensuing. NOTE: By law, the meeting must open before voting starts. Therefore, the meeting and polls will open at 11:00 a.m. on Tuesday, March 10, 2020 for the consideration of Article 1. At 12 noon, the meeting will recess, but the polls will remain open until 7:00 p.m. The meeting will reconvene at the Town Hall on Saturday, March 14, 2020 at 9:30 a.m. to act on Articles 02 through 07.

Yes		No
-----	--	----

Article 02 Paving

To see if the town will vote to raise and appropriate the sum of \$100,000 for the purpose of Paving. This amount to come from the Unassigned Fund Balance with no amount to be raised through taxation. The Selectmen and Budget Committee Recommend this appropriation. Yes or No - Majority vote required

Article 03 Highway Truck

To see if the Town will vote to raise and appropriate the sum of \$75,000.00 to purchase and equip a truck for the Highway Department. This sum to come from the Unassigned Fund Balance with no amount to be raised from taxation. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the purchase is complete or by December 31, 2022, whichever is sooner. The Selectmen and the Budget Committee recommend this appropriation. Yes or No - Majority vote required.

Yes	No
-----	----

Article 04 Old Home Day Expendable Trust

To see if the town will vote to raise and appropriate the sum of \$3,453.00 to be added to the Old Home Day Expendable Trust Fund previously established. This sum to come from Unassigned Fund Balance and represents proceeds and donations raised in 2019, with no amount to be raised from taxation. The Selectmen and Budget Committee recommend this appropriation. Yes or No -Majority Vote Required

No

Article 05 General Municipal Operations

To see if the town will vote to raise and appropriate the sum of \$1,474,461 for general municipal operations. This article does not include appropriations contained in special or individual articles addressed separately. Yes or No - Majority Vote Required

	Yes		No
--	-----	--	----

Article 06 Establishment of an Agricultural Commission

By Petition: To see if the Town will vote to establish an Agricultural Commission pursuant to RSA 673:4-b, to consist of five regular voting members and two alternate members appointed by the Board of Selectmen for staggered three-year terms. The initial appointment to be 1 one-year term, 2 two-year terms, and 2 three-year terms. The Board of Selectmen shall fill a vacancy based on the un-expired term in the manner provided for in RSA 673:12. Yes or No - Majority Vote Required

Yes	No
-----	----

Article 07 To Hear Reports

To hear the reports of agents, auditors, and committees heretofore chosen, to pass any vote relating thereto, and to transact any other business that my legally come before said meeting. Discussion may only be advisory or informational in content and nature. Any items requesting the Town to raise and appropriate money cannot come before the meeting under this article.

Select Board Report to the Town 2019

The 250th Celebration comes to an end

Activities for 2019 promised to be as ambitious as those in 2018 - with the 250th Anniversary Celebration Committee planning an ambitious schedule of two or more events per month throughout the year. The highlight of this year's events was a greatly expanded Old Home Day cosponsored with the OHD Committee and included, among other events, one of the largest parades the Town has ever seen. At that point the 250th Committee was well on its way to raising the funds to provide a gift to the Town of a lift in the Meeting House. By the end of the year they had achieved that goal and provided many other improvements to the Town along the way. Among the major ones included installing a plaque on the Meeting House noting its listing in the National Registry of Historic Places, the restoration of the Collins Clock and the steeple bell mechanism within that building and a beginning to the clean-up of Collins Park. The overwhelming success of the 2-year celebration is the result of hard work, sound planning and sponsorship of the interesting events on the Committee's part, but perhaps more important, due to the enthusiasm, support and participation on behalf of the residents. We all hope that the spirit showcased in the last two years continues into the indefinite future.

Zoning Permits and Ordinance Enforcement Reviewed

A major activity that involved the Planning, Zoning and Select Boards was the continuing effort to streamline and clarify the procedure to apply for a Zoning Permit and the enforcement of the Zoning Ordinance. The application was revised and filing fees increased depending on the structures involved. Uniform procedures for review and granting of Special Exceptions and Site Plans continue as is identifying various activities around town that need their status reviewed and updated. One particular area that has caused some ambiguity involves the distinction between Home Occupations and Businesses. This area is receiving special attention by the Planning Board and Zoning Coordinator.

Change in Health Insurance for Employees

In an effort to control the ever-increasing costs (up 7.4% in 2019) of providing health insurance to the employees, the Town elected to adopt a plan that reduced the cost to the Town. This change increased the out-of-pocket costs incurred by the Town's participating employees. To offset the impact of this change, the Board voted to share the cost savings with eligible employees by increasing their monthly income with a portion of the premium reduction. Simultaneously, the Board established a Flexible Savings Account with the Insurance Company to allow payment for health costs with pre-tax dollars. This opportunity has proven to be beneficial and popular and will be continued.

Personnel Turnover at the Highway Department

Personnel turnover continued at the Highway Department. For a period of time Pete Abair was the sole full-time employee, and with part-time help from Eddie Abair and Curtis Huff, were able to keep our streets and roads maintained to high standards. We were fortunate to hire Troy Traegde in October as a full-time employee to alleviate the situation. In the short time he has been here, Troy has proven himself to be a valuable addition to the Department.

Noise Continues to be an Issue

Challenging the Board in 2019 were increased contacts from concerned residents reporting unacceptable noise levels in their neighborhoods. Various sources were identified, and efforts initiated to work with the owners of the facilities in an attempt to ameliorate the situations. Those efforts have been only minimally successful and, unfortunately, may result ultimately in legal action to resolve. A subcommittee of the Planning Board is studying the existing noise restrictions in the Zoning Ordinance and will recommend changes, if necessary.

Here Comes the 2020 Census

We would like to encourage all residents to actively participate in the US Census this year, as the results will determine how more than 675 Billion dollars annually are distributed to states and localities for key programs for the next decade. The Census is short, easy to complete, and important for this town.

Other Events of Note

- The Board welcomed back Tamara Butcher who was reelected in March. Her experience, initiative and sound judgment will continue to be an important influence in the Board's deliberations.
- After many years of dedicated service as the Town Health Officer, Tom Duling stepped aside for health reasons. Ryan Peterson was appointed to replace him, and Josh Worthen was appointed as Deputy Health Officer with water testing as his responsibility.

- The Skateboard Park was repaired and repainted. This continues to be a popular facility among the younger generation.
- New matching message boards, co-funded by the Garden Club, were installed by the Recreation Field as were new signs identifying several cemeteries around Town.
- With the discontinuance of subsidies Springfield Power electrical generating station ceased to operate.
- The 5-year statistical reevaluation of Town properties was begun with Avitar again serving as the contractor to complete this State mandated function, which attempts to bring all property assessments to market value.
- The State conducted a safety inspection of the Town's facilities. The few violations identified were quickly corrected and a Certificate of Compliance issued.
- Thanks to Tamara and Ken Butcher for the second year the Town was one of only a few in New Hampshire to honor their veterans by placing wreaths, obtained from Wreaths Across

 R
 America , on their graves.

That Springfield continues to be a vital, attractive community in which to live and work is due mainly to the dedication, pride and hard work of its employees and the many elected officials and volunteers who devote many hours to completing their tasks. We on the Board thank each and every one of them for their role in improving the Community. Finally, we are indebted to our Administrator, Janet Roberts, and her Assistant, Jill Hastings, for their knowledge, initiative and flawless execution of the many duties for which they are responsible. We would not succeed without them.

Respectively submitted,

Richard G Hendl, Chair George McCusker, Vice Chair Tamara Butcher

as of January 19, 2020

Report to the Town of Springfield New Hampshire January 21, 2020 Zoning Coordinator Activity for 2019

During 2019 the Zoning Coordinator was kept busy reviewing permit applications, addressing numerous inquiries, researching some NH state law, and addressing a number of general or miscellaneous matters at the request of the Board of Selectmen. The latter included: assisting with computer software standardization (Microsoft Office 365); website of organization/updates; preparation tri-fold brochure regarding Zoning; providing information about junk yards in town; information on Bob house providing regulations; information regarding commercial and home business activity in the town; digitizing Zoning Ordinance and all amendments since 1987.

In addition, considerable time was spent with the Town Planning Board, the Zoning Board of Adjustment and the Board of Selectmen addressing the matter of Commercial and Home Business activity occurring in Springfield.

As usual, there were ongoing inquiries regarding issues and activity on the shores of and potentially impacting Kolelemook Lake. Here are some of the statistics:

Zoning Permit Applications issued: 36 Partial breakdown: New Residential - 6 Additions - 6 Decks/porch - 3 (no swim pools) Sheds - 10 Garage/barn/greenhouse - 3 Solar panels/generators - 6 (no storage containers) Miscellaneous (concrete pads/patios) - 2

Applications made after the commencement or completion of construction: 4

Inquiries and other activities:

- numerous complaints/inquiries regarding noise (referred to the Board of Selectmen)

- considerable time spent on Sanborn Hill Road – business/commercial activity

- same case for Town Farm Road

- need for special exception to convert single family residence to "duplex" residence

- attend hearings/appeals leading to decisions (Planning Board; Zoning Board)

- follow up on "complaints" received by the Board of Selectmen

- numerous meetings with property owners - discuss plans and best way to meet objectives

- follow-up on numerous questions presented by and to the Board of Selectmen

Business/Commercial Activity work:

- Assist property owners in the preparation of applications to the Planning Board and the Zoning Board of Adjustment where necessary – 8 cases

- Provide list to the Board of Selectmen (partial and incomplete) of known home business and commercial activity at the request of the Town Planning Board and with assistance from members of the Planning Board

- Provide as much as possible a record (historical since July 1, 2017) of review and enforcement regarding commercial and home business activity (also at the request of the Town Planning Board),

- Digitize and create searchable format of the Springfield Zoning Ordinance (1987) and all amendments thereto, for use by town boards, town staff and town residents

- Assist Board of Selectmen in the preparation of an updated Application for Zoning Permit with explanations regarding differences between (i) home occupation, (ii) home business, and (iii) commercial activity.

General:

- attend Land Use & Planning conference (Concord, NH)

- address and draft policy regarding handling of anonymous complaints

- research NH policy and legislative action regarding farming and agricultural activity

- research what farm equipment and/or structures may be subject to Zoning Permit.

Respectfully Submitted: Roger "Whit" Smith

Net Change in Fund Balances - Governmental Funds (Exhibit D)	\$ (60,865)
Amounts reported for governmental activities in the statement of activities are different because:	
Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.	(28,342)
Proceeds from note payable issuances are other financing sources in the funds, but long-term debt issuances increase long-term liabilities in the statement of net position.	(140,000)
Repayment of note principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position.	62,825
Governmental funds report OPEB and pension contributions as expenditures. However, in the statement of activities, OPEB and pension expense reflects the change in the OPEB liability and net pension liability and related deferred outflows and inflows of resources, and does not require the use of current financial resources. This is the amount by which OPEB and pension expense differed from OPEB and pension contributions in the current period.	
Net changes in OPEB Net changes in pension	 (13,572) (18,960)
Change in Net Position of Governmental Activities (Exhibit B)	\$ (198,914)

TOWN OF SPRINGFIELD, NEW HAMPSHIRE NOTES TO BASIC FINANCIAL STATEMENTS For the Year Ended December 31, 2018

NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Town of Springfield, New Hampshire conform to accounting policies generally accepted in the United States of America for local governmental units, except as indicated hereinafter. The following is a summary of significant accounting policies.

Financial Reporting Entity

The Town of Springfield, New Hampshire (the "Town") operates under the Town Meeting/Board of Selectmen form of government and performs local governmental functions as authorized by State law.

The financial statements include those of the various departments governed by the Board of Selectmen and other officials with financial responsibility. The Town has no other separate organizational units, which meet criteria for inclusion in the financial statements as defined by the Governmental Accounting Standards Board (GASB).

Basis of Presentation

The Town's basic financial statements consist of government-wide statements, including a statement of net position and a statement of activities, and fund financial statements which provide a more detailed level of financial information.

1. Government-Wide Financial Statements:

The statement of net position and the statement of activities display information about the Town as a whole. These statements include the financial activities of the primary government, except for fiduciary funds.

The statement of net position presents the financial condition of the governmental activities of the Town at year end. The statement of activities presents a comparison between direct expenses and program revenues for each program or function of the Town's governmental activities. Direct expenses are those that are specifically associated with a service, program or department and therefore clearly identifiable to a particular function. Program revenues include charges paid by the recipient of the goods or services offered by the program, grants and contributions that are restricted to meeting the operational or capital requirements of a particular program and interest earned on grants that is required to be used to support a particular program. Revenues which are not classified as program revenues are presented as general revenues of the Town. The comparison of direct expenses with program revenues identifies the extent to which each governmental function is self-financing or draws from the general revenues of the Town.

2. Fund Financial Statements:

During the year, the Town segregates transactions related to certain Town functions or activities in separate funds in order to aid financial management and to demonstrate legal compliance. Fund financial statements are designed to present financial information of the Town at this more detailed level. The focus of governmental fund financial statements is on major funds. Each major fund is presented in a separate column. Nonmajor funds are aggregated and presented in a single column.

TOWN OF SPRINGFIELD, NEW HAMPSHIRE NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

For the Year Ended December 31, 2018

Fund Accounting

The Town uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The Town employs the use of governmental funds.

Governmental Funds:

Governmental funds are those through which most governmental functions typically are financed. Governmental fund reporting focuses on the sources, uses and balances of current financial resources. Expendable assets are assigned to the various governmental funds according to the purposes for which they may or must be used. Current liabilities are assigned to the fund from which they will be paid. The difference between governmental fund assets and deferred outflows of resources less liabilities and deferred inflows of resources is reported as fund balance. The following is the Town's major governmental fund:

The *General Fund* is the main operating fund of the Town and is used to account for all financial resources except those required to be accounted for in another fund.

Measurement Focus

1. Government-Wide Financial Statements:

The government-wide financial statements are prepared using the economic resources measurement focus. All assets, deferred outflows of resources, liabilities, and deferred inflows of resources associated with the operation of the Town are included on the Statement of Net Position.

2. Fund Financial Statements:

All governmental funds are accounted for using a flow of current financial resources measurement focus. With this measurement focus, only current assets, deferred outflows of resources, current liabilities and deferred inflows of resources generally are included on the balance sheet. The statement of revenues, expenditures and changes in fund balances reports on the sources (i.e., revenues and other financing sources) and uses (i.e., expenditures and other financing uses) of current financial resources. This approach differs from the manner in which the governmental activities of the government-wide financial statements are prepared. Governmental fund financial statements therefore include a reconciliation with brief explanations to better identify the relationship between the government-wide statements and the statements for governmental funds.

Basis of Accounting

Basis of accounting determines when transactions are recorded in the financial records and reported on the financial statements. Government-wide financial statements are prepared using the accrual basis of accounting. Governmental funds use the modified accrual basis of accounting. Differences in the accrual and the modified accrual basis of accounting arise in the recognition of revenue and in the presentation of expenses versus expenditures.

TOWN OF SPRINGFIELD, NEW HAMPSHIRE NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

For the Year Ended December 31, 2018

1. Revenues - Exchange and Non-exchange Transactions:

Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded on the accrual basis when the exchange takes place. On a modified accrual basis, revenue is recorded in the fiscal year in which the resources are measurable and become available. Available means that the resources will be collected within the current fiscal year or are expected to be collected soon enough thereafter to be used to pay liabilities of the current fiscal year. For the Town, available means expected to be received within sixty days of fiscal year end.

Non-exchange transactions, in which the Town receives value without directly giving equal value in return, include property taxes, grants, entitlements and donations. On an accrual basis, revenue from property taxes is recognized in the fiscal year for which the taxes are levied (see Note 9). Revenue from grants, entitlements and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the fiscal year when use is first permitted; matching requirements, in which the Town must provide local resources to be used for a specified purpose; and expenditure requirements, in which the resources are provided to the Town on a reimbursement basis. On a modified accrual basis, revenue from non-exchange transactions must also be available before it can be recognized.

Under the modified accrual basis, the following revenue sources are considered to be both measurable and available at year-end: property taxes, charges for services, and interest on investments.

Licenses and permits and miscellaneous revenues are recorded as revenues when received in cash because they are generally not measurable until actually received.

Grants received before the eligibility requirements are met are recorded as advances from grantors. On governmental fund financial statements, taxes receivable that will not be collected within the available period has also been reported as deferred inflows of resources.

2. Expenses/Expenditures:

On the accrual basis of accounting, expenses are recognized at the time they are incurred. The measurement focus of governmental fund accounting is on decreases in net financial resources (expenditures) rather than expenses. Expenditures are generally recognized in the accounting period in which the related fund liability is incurred, if measurable. Allocations of cost, such as depreciation and amortization, are not recognized in governmental funds.

Budgetary Data

The Town's budget represents functional appropriations as authorized by annual or special Town meetings. The Selectmen may transfer funds between operating categories as they deem necessary. The Town adopts its budget under State regulations, which differ somewhat from accounting principles generally accepted in the United States of America in that the focus is on the entire governmental unit rather than on the basis of fund types.

State law requires balanced budgets but permits the use of beginning fund balance to reduce the property tax rate. For the year ended December 31, 2018, the Town did not apply unassigned fund balance to reduce taxes.

TOWN OF SPRINGFIELD, NEW HAMPSHIRE NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

For the Year Ended December 31, 2018

Investments

Investments are stated at their fair value in all funds. Certificates of deposit with a maturity of greater than ninety days from the date of issuance are included in investments.

Taxes Receivable

Taxes levied during the current fiscal year and prior and uncollected at December 31, 2018 are recorded as receivables, net of reserves for estimated uncollectibles of \$11,000.

Accrued Liabilities and Long-Term Obligations

Except for the obligation for certain other post-employment benefits (see Note 2), all payables, accrued liabilities, and long-term obligations are reported in the government-wide financial statements. In general, governmental fund payables and accrued liabilities that, once incurred, are paid in a timely manner and in full from current resources are reported as obligations of the funds. Long-term obligations that will be paid from governmental funds are recognized as a liability in the fund financial statements when due.

Postemployment Benefits Other Than Pensions (OPEB)

For purposes of measuring the net OPEB liability, deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB expense, information about the fiduciary net position of the New Hampshire Retirement System (NHRS) OPEB Plan and additions to/deductions from NHRS's fiduciary net position have been determined on the same basis as they are reported by NHRS. For this purpose, NHRS recognizes benefit payments when due and payable in accordance with the benefit terms. Investments are reported at fair value, except for non-registered commingled funds valued at net asset value (NAV) as a practical expedient to estimate fair value.

Pensions

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the New Hampshire Retirement System (NHRS) and additions to/deductions from NHRS's fiduciary net position have been determined on the same basis as they are reported by NHRS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms.

Net Position

Net position represents the difference between assets and deferred outflows of resources, and liabilities and deferred inflows of resources. Net position is reported as restricted when there are limitations imposed on their use either through the enabling legislation adopted by the Town or through external restrictions imposed by creditors, grantors or laws or regulations of other governments. Unrestricted net position is the net amount of the assets, deferred outflows of resources, liabilities and deferred inflows of resources that are not included in the restricted components of net position.

The Town's policy is to first apply restricted resources when an expense is incurred for purposes for which both restricted and unrestricted net positions are available.

TOWN OF SPRINGFIELD, NEW HAMPSHIRE NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED) For the Year Ended December 31, 2018

Fund Balance Policy

As of December 31, 2018, the Town has not adopted a formal fund balance policy. Under GASB Statement 54, *Fund Balance Reporting and Governmental Fund Type Definitions*, the Town segregates fund balance into five classifications: Nonspendable, Restricted, Committed, Assigned, and Unassigned. These components of fund balance are defined as follows:

- <u>Nonspendable Fund Balance</u>: Amounts that are not in a spendable form or are required to be maintained intact.
- <u>Restricted Fund Balance</u>: Amounts constrained to specific purposes by their providers through constitutional provisions or by enabling legislation. Restrictions may be changed or lifted only upon the consent of the external resource provider or enabling legislation.
- <u>Committed Fund Balance</u>: Amounts constrained to specific purposes by a government itself using
 its highest level of decision-making authority (Annual Town Meeting). Commitments may be
 changed or lifted only by the governing body taking the same formal action that imposed the
 constraint originally. The governing body's action must either be approved or rescinded, as
 applicable, prior to the last day of the fiscal year for which the commitment is made. The amount
 subject to the constraint may be determined in the subsequent period.
- <u>Assigned Fund Balance</u>: Amounts the Town intends to use for a specific purpose; intent can be expressed by the governing body or by an official or body to which the governing body delegates the authority.
- <u>Unassigned Fund Balance</u>: Amounts that are not obligated or specifically designated and is available for any purpose; these amounts are reported only in the General Fund, except for any deficit fund balance of another governmental fund.

In instances when expenditures are incurred for purposes for which both restricted and unrestricted fund balance is available, restricted fund balance is considered to have been spent first. When expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications may be applied, committed resources are to be applied first, followed by assigned and unassigned. The Town has not adopted a minimum fund balance policy.

Interfund Activity

Exchange transactions between funds are reported as revenues in the seller funds and as expenditures/ expenses in the purchaser funds. Flows of cash or goods from one fund to another without a requirement for repayment are reported as interfund transfers. Interfund transfers are reported as other financing sources/uses in governmental funds. Repayments from funds responsible for particular expenditures/ expenses to the funds that initially paid for them are not presented in the financial statements.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

TOWN OF SPRINGFIELD, NEW HAMPSHIRE NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED) For the Year Ended December 31, 2018

NOTE 2-STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

Capital Assets

The Town has not implemented the capital asset provisions of GASB Statement 34, *Basic Financial Statements & Management's Discussion and Analysis for State and Local Governments*. GASB Statement 34 requires governments to report all capital assets, including infrastructure assets, in the government-wide statement of net position and, generally, report depreciation expense in the statement of activities. These provisions of GASB Statement 34 were required to be implemented by the Town during the year ended December 31, 2004.

The Town has been unable to estimate the historical value of its capital assets and the related accumulated depreciation on these assets, which is not in accordance with accounting principles generally accepted in the United States of America. GASB Statement 34 requires that all capital assets including infrastructure to be capitalized at cost (or estimated historical cost) and updated for additions and retirements during the year. The Town is not required to retroactively report its general infrastructure (e.g. roads, bridges, and sidewalks), but must maintain infrastructure records effective January 1, 2004.

Other Post-Employment Benefits

The Town did not implement the provisions of GASB Statement 75, Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions as it pertains to its single employer OPEB plan. Statement 75 requires governments to account for certain other postemployment benefits (OPEB), primarily healthcare, on an accrual basis rather than on a pay-as-you-go basis. The provisions of GASB 75 were required to be implemented by the Town during the year ended December 31, 2018. The Town has only implemented the provisions of GASB Statement 75 as it pertains to its cost-sharing multiple-employer defined benefit OPEB plan (see Note 5).

NOTE 3-DEPOSITS AND INVESTMENTS

Deposits and investments as of December 31, 2018 are classified in the accompanying financial statements as follows:

Statement of Net Position:	
Cash and cash equivalents	\$ 1,530,572
Investments	46,695
	\$ 1,577,267

Deposits and investments at December 31, 2018 consist of the following:

Deposits with financial institutions	\$ 1,577,263
Investments	4
	\$ 1,577,267

As of December 31, 2018, the Town has not adopted an investment policy limiting the types of investments for governmental funds. Responsibility for the investments of the Trust Funds is with the Board of Trustees.

For the Year Ended December 31, 2018

Custodial Credit Risk

Custodial credit risk for deposits is the risk that in the event of a bank failure, the Town's deposits may not be returned to it. The custodial credit risk for investments is the risk that, in the event of the failure of the counterparty to a transaction, a government will not be able to recover the value of its investment or collateral securities that are in the possession of another party. Currently, the Town and Trustees of Trust Funds do not have investment policies for assurance against custodial credit risk.

Of the Town's deposits with financial institutions at year end, \$1,010,537 was collateralized by securities held by the bank in the bank's name.

Investment in NHPDIP

The Town is a voluntary participant in the New Hampshire Public Deposit Investment Pool (NHPDIP), an external investment pool. The NHPDIP is not registered with the United States Securities and Exchange Commission as an investment company. The NHPDIP was created by state law and is administered by a public body of state, local and banking officials. Financial statements for the NHPDIP can be accessed through the NHPDIP's website at www.NHPDIP.com.

The Town's exposure to derivatives is indirect through its participation in the NHPDIP. The Town's proportional share of these derivatives is not available. The fair value of the position in the investment pool is equal to the value of the pool shares and have been measured at amortized cost.

NOTE 4-LONG-TERM OBLIGATIONS

Changes in Long-Term Obligations

The changes in the Town's long-term obligations for the year ended December 31, 2018 are as follows:

	 lance /2018	A	dditions	Re	ductions		Balance / <u>31/2018</u>	 e Within <u>ne Year</u>
Governmental activities:								
Notes payable	\$ 	\$	140,000	\$	(62,825)	\$	77,175	\$ 47,148
Total governmental activities	\$	\$	140,000	\$	(62,825)	<u>s</u>	77,175	\$ 47,148

Payments on the notes payable of the governmental activities are paid out of the General Fund.

General Obligation Notes

Notes payable at December 31, 2018 is comprised of the following individual issue:

	Original	Interest	Maturity	Balance at
Description	Issue	Rate	Date	<u>12/31/2018</u>
2018 Fire Truck	\$ 140,000	2.75%	2020	\$ 77,175

Debt service requirements to retire general obligation notes outstanding at December 31, 2018 are as follows:

For the Year Ended December 31, 2018

Year Ending						
December 31,	P	rincipal	In	terest	5	<u>Fotals</u>
2019	\$	47,148	\$	1,552	Ş	48,700
2020		30,027		298		30,325
Total Notes Payable	\$	77,175	\$	1,850	S	79,025

NOTE 5-OTHER POST EMPLOYMENT BENEFITS

Plan Description

The New Hampshire Retirement System (NHRS) administers a cost-sharing multiple-employer other postemployment benefit plan (OPEB Plan). The OPEB Plan provides a medical insurance subsidy to qualified retired members.

The NHRS issues a publicly available financial report that includes financial statements and required supplementary information for NHRS. That report may be obtained by writing to New Hampshire Retirement System at 54 Regional Drive, Concord, New Hampshire 03301 or from their website at www.nhrs.org.

The OPEB Plan is divided into four membership types. Political subdivision employees, teachers and State employees belong to Group I. Police officers and firefighters belong to Group II. The OPEB plan is closed to new entrants.

Benefits Provided

Benefit amounts and eligibility requirements for the OPEB Plan are set by state law (RSA 100-A:52, RSA 100-A:52-a and RSA 100-A:52-b), and members are designated in statute by type. The medical insurance subsidy is a payment made by NHRS to the former employer or its insurance administrator toward the cost of health insurance for a qualified retiree, his/her qualified spouse, and his/her certified dependent children with a disability who are living in the household and being cared for by the retiree. If the health insurance premium amount is less than the medical subsidy amount, then only the health insurance premium amount will be paid. If the health insurance premium amount exceeds the medical subsidy amount, then the retiree or other qualified person is responsible for paying any portion that the employer does not pay.

Group I benefits are based on creditable service, age and retirement date. Group II benefits are based on hire date, age and creditable service. Medical subsidy rates established by RSA 100-A:52 II are dependent upon whether retirees are eligible for Medicare. Retirees not eligible for Medicare may receive a maximum medical subsidy of \$375.56 for a single person plan and \$751.12 for a two-person plan. Retirees eligible for Medicare may receive a maximum medical subsidy of \$236.84 for a single person plan and \$473.68 for a two-person plan.

Funding Policy

Per RSA-100:16, contribution rates are established and may be amended by the New Hampshire State legislature and are determined by the NHRS Board of Trustees based on an actuarial valuation. The Town's contribution rates for the covered payroll of general employees and police officers were 0.30% and 4.10%,

TOWN OF SPRINGFIELD, NEW HAMPSHIRE NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED) For the Year Ended December 31, 2018

respectively, for the year ended December 31, 2018. Contributions to the OPEB plan for the Town were \$5,710 for the year ended December 31, 2018. Employees are not required to contribute to the OPEB plan.

OPEB Liabilities, OPEB Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

At December 31, 2018, the Town reported a liability of \$55,449 for its proportionate share of the net OPEB liability. The net OPEB liability was measured as of June 30, 2018, and the total OPEB liability used to calculate the net OPEB liability was determined by a roll forward of the actuarial valuation from June 30, 2017. The Town's proportion of the net OPEB liability was based on actual contributions by the Town during the relevant fiscal year relative to the actual contributions of all participating plan members, excluding contributions to separately finance specific liabilities of individual employers or NHRS. At June 30, 2018, the Town's proportion was approximately 0.0121 percent, which was an increase of 0.0037 percentage points from its proportion measured as of June 30, 2017.

For the year ended December 31, 2018, the Town recognized OPEB expense of \$19,282. At December 31, 2018, the Town reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

		ferred flows of		erred ws of
	Res	ources	Resc	urces
Differences between expected and actual experience	\$	325		
Net difference between projected and actual earnings on OPEB plan investments			\$	176
Changes in proportion and differences between Town contributions and proportionate share of contributions		3,639		
Town contributions subsequent to the measurement date		2,985		
Totals	\$	6,949	\$	176

The net amount of deferred outflows of resources and deferred inflows of resources related to OPEB is reflected as an increase to unrestricted net position in the amount of \$6,773. The Town reported \$2,985 as deferred outflows of resources related to OPEB resulting from Town contributions subsequent to the measurement date. This amount will be recognized as a reduction of the net OPEB liability in the measurement period ended June 30, 2019. Other amounts reported as deferred outflows of resources related to OPEB will be recognized in OPEB expense for the measurement periods as follows:

<u>June 30,</u>	
2019	\$ 3,909
2020	(55)
2021	(55)
2022	(11)
	\$ 3,788

15

For the Year Ended December 31, 2018

Actuarial Assumptions

The total OPEB liability was determined by a roll forward of the actuarial valuation as of June 30, 2017, using the following actuarial assumptions, applied to all periods included in the measurement, unless otherwise specified:

Inflation	2.5 percent
Wage inflation	3.25 percent
Salary increases	5.6 percent, average, including inflation
Investment rate of return	7.25 percent, net of OPEB plan investment expense, including inflation

Mortality rates were based on the RP-2014 healthy annuitant and employee generational mortality tables for males and females with credibility adjustments, adjusted for fully generational mortality improvements using scale MP-2015, based on the last experience study.

The actuarial assumptions used in the June 30, 2017 valuation were based on the results of the most recent actuarial experience study, which was for the period July 1, 2010 – June 30, 2015.

The long-term expected rate of return on OPEB Plan investments was selected from a best estimate range determined using the building block approach. Under this method, an expected future real return range is calculated separately for each asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return net of investment expenses by the target asset allocation percentage and by adding expected inflation. Following is a table presenting target allocations and geometric real rates of return for each asset class:

		Weighted Average Long-Term
Asset Class	Target Allocation	Expected Real Rate of Return
Fixed income	25%	(0.25)-1.80%
Domestic equity	30%	4.25-4.50%
International equity	20%	4.50-6.00%
Real estate	10%	3.25%
Private equity	5%	6.25%
Private debt	5%	4.25%
Opportunistic	5%	2.15%
Total	100%	

The discount rate used to measure the collective total OPEB liability as of June 30, 2018 was 7.25%. The projection of cash flows used to determine the discount rate assumed that employer contributions will be made under the current statute RSA 100-A:16 and that plan member contributions will be made under RSA 100-A:16. Based on those assumptions, the OPEB Plan's fiduciary net position was projected to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on OPEB Plan investments was applied to all periods of projected benefit payments to determine the collective total OPEB liability.

For the Year Ended December 31, 2018

Sensitivity of the Town's Proportionate Share of the Net OPEB Liability to Changes in the Discount Rate

The following presents the Town's proportionate share of the net OPEB liability calculated using the discount rate of 7.25 percent, as well as what the Town's proportionate share of the net OPEB liability would be if it were calculated using a discount rate that is 1-percentage-point lower or 1-percentage-point higher than the single discount rate:

		Current	
	1% Decrease (6.25%)	Discount Rate <u>(7.25%)</u>	1% Increase (8.25%)
Net OPEB Liability	\$ 57,712	\$ 55,449	\$ 49,111

NOTE 6-DEFINED BENEFIT PENSION PLAN

Plan Description

The Town contributes to the New Hampshire Retirement System (NHRS), a public employee retirement system that administers a single cost-sharing multiple-employer defined benefit pension plan. The plan provides service, disability, death and vested retirement allowances to plan members and beneficiaries. Benefit provisions are established and may be amended by the New Hampshire State legislature.

The NHRS issues a publicly available financial report that includes financial statements and required supplementary information for NHRS. That report may be obtained by writing to New Hampshire Retirement System at 54 Regional Drive, Concord, New Hampshire 03301 or from their website at www.nhrs.org.

Substantially all full-time state and local employees, public school teachers, permanent firefighters and permanent police officers within the State are eligible and required to participate in the Pension Plan.

The Pension Plan is divided into two membership groups. State and local employees and teachers belong to Group I. Police and firefighters belong to Group II. All assets are held in a single trust and are available to pay retirement benefits to all members.

Benefits Provided

Group 1 members at age 60 or 65 (for members who commence service after July 1, 2011) qualify for a normal service retirement allowance based on years of creditable service and average final salary for the highest of either three or five years, depending on when their service commenced. The yearly pension amount is 1/60 or 1.667% of average final compensation (AFC), multiplied by years of creditable service. At age 65, the yearly pension amount is recalculated at 1/66 or 1.515% of AFC multiplied by years of creditable service.

Group II members vested by January 1, 2012, who are age 60, or members who are at least age 45 with at least 20 years of creditable service, can receive a retirement allowance at a rate of 2.5% of AFC for each year of creditable service, not to exceed 40 years. Members commencing service on or after July 1, 2011 or members who have not attained status as of January 1, 2012 can receive a retirement allowance at age

For the Year Ended December 31, 2018

52.5 with 25 years of service or age 60. The benefit shall be equal to 2% of AFC times creditable service up to 42.5 years. However, a member who commenced service on or after July 1, 2011 shall not receive a retirement allowance until attaining the age of 52.5, but may receive a reduced allowance after age 50 if the member has at least 25 years of creditable service where the allowance shall be reduced, for each month by which the benefit commencement date precedes the month after which the member attains 52.5 years of age by 1/4 of 1%. For Group II members who commenced service prior to July 1, 2011, who have not attained vested status prior to January 1, 2012, benefits are calculated depending on age and years of creditable service as follows:

Years of Creditable Services as of January 1, 2012	Minimum Age	Minimum Service	Benefit Multiplier
At least 3 but less than 10 years	46	21	2.4%
At least 6 but less than 8 years	47	22	2.3%
At least 4 but less than 6 years	48	23	2.2%
Less than 4 years	49	24	2.1%

Members of both groups may qualify for vested deferred allowances, disability allowances and death benefit allowances subject to meeting various eligibility requirements. Benefits are based on AFC or earnable compensation and/or service.

Funding Policy

Covered police officers are required to contribute 11.55% of their covered salary, whereas general employees are required to contribute 7.0% of their covered salary. The Town is required to contribute at an actuarially determined rate. The Town's contribution rates for the covered payroll of police officers and general employees were 25.33% and 11.08%, respectively, for the year ended December 31, 2018. The Town contributes 100% of the employer cost for police officers and general employees of the Town.

Per RSA-100:16, plan member contribution rates are established and may be amended by the New Hampshire State legislature and employer contribution rates are determined by the NHRS Board of Trustees based on an actuarial valuation. The Town's contributions to the NHRS for the year ending December 31, 2018 were \$46,788.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At December 31, 2018, the Town reported a liability of \$520,155 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2018, and the total pension liability used to calculate the net pension liability was determined by a roll forward of the actuarial valuation from June 30, 2017. The Town's proportion of the net pension liability was based on actual contributions by the Town during the relevant fiscal year relative to the actual contributions of all participating plan members, excluding contributions to separately finance specific liabilities of individual employers or NHRS. At June 30, 2018, the Town's proportion was approximately 0.0108 percent, which was an increase of 0.0004 percentage points from its proportion measured as of June 30, 2017.

For the Year Ended December 31, 2018

For the year ended December 31, 2018, the Town recognized pension expense of \$65,357. At December 31, 2018, the Town reported deferred outflows of resources and deferred inflows of resources related to pension from the following sources:

	Ou	eferred tflows of sources	Inf	eferred flows of sources	
Differences between expected and actual experience	\$	4,152	\$	4,212	
Changes of assumptions		35,997			
Net difference between projected and actual earnings on pension plan investments				12,037	
Changes in proportion and differences between Town contributions and proportionate share of contributions		57,323		9,258	
Town contributions subsequent to the measurement date	Accessible.	22,779			
Total	\$	120,251	\$	25,507	

The net amount of deferred outflows of resources and deferred inflows of resources related to pension is reflected as an increase to unrestricted net position in the amount of \$94,744. The Town reported \$22,779 as deferred outflows of resources related to pension resulting from Town contributions subsequent to the measurement date. This amount will be recognized as a reduction of the net pension liability in the measurement period ended June 30, 2019. Other amounts reported as deferred outflows of resources related to pension will be recognized as pension expense in the measurement periods as follows:

June 30,	
2019	\$ 35,936
2020	29,842
2021	5,419
2022	768
	\$ 71,965

Actuarial Assumptions

The total pension liability was determined by a roll forward of the actuarial valuation as of June 30, 2017, using the following actuarial assumptions.

TOWN OF SPRINGFIELD, NEW HAMPSHIRE NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED) For the Year Ended December 31, 2018

Inflation	2.5 percent
Wage inflation	3.25 percent
Salary increases	5.6 percent, average, including inflation
Investment rate of return	7.25 percent, net of pension plan investment expense, including inflation

Mortality rates were based on the RP-2014 employce generational mortality tables for males and females with credibility adjustments, adjusted for fully generational mortality improvements using Scale MP-2015, based on the last experience study.

The actuarial assumptions used in the June 30, 2017 valuation were based on the results of the most recent actuarial experience study, which was for the period July 1, 2010 – June 30, 2015.

The long-term expected rate of return on pension plan investments was selected from a best estimate range determined using the building block approach. Under this method, an expected future real return range is calculated separately for each asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return net of investment expenses by the target asset allocation percentage and by adding expected inflation. Following is a table presenting target allocations and geometric real rates of return for each asset class:

		Weighted Average Long-Term
Asset Class	Target Allocation	Expected Real Rate of Return
Fixed income	25%	(0.25)-1.80%
Domestic equity	30%	4.25-4.50%
International equity	20%	4.50-6.00%
Real estate	10%	3.25%
Private equity	5%	6.25%
Private debt	5%	4.25%
Opportunistic	5%	2.15%
Total	100%	

Discount Rate

The discount rate used to measure the collective pension liability was 7.25%. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that employer contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. For purposes of the projection, member contributions and employer contributions are projected based on the expected payroll of current members only. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the collective pension liability.

For the Year Ended December 31, 2018

Sensitivity of the Town's Proportionate Share of the Net Pension Liability to Changes in the Discount Rate

The following presents the Town's proportionate share of the net pension liability calculated using the discount rate of 7.25 percent, as well as what the Town's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower or 1-percentage-point higher than the single discount rate:

	Current						
		Decrease <u>6.25%)</u>		ount Rate 7 <u>,25%)</u>		Increase <u>8.25%)</u>	
Town's proportionate share of the net pension liability	\$	692,071	\$	520,155	\$	376,085	

NOTE 7-COMPONENTS OF FUND BALANCE

	\$ 79,342

TOWN OF SPRINGFIELD, NEW HAMPSHIRE NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED) For the Year Ended December 31, 2018

NOTE 9-PROPERTY TAXES

Taxes are levied on the assessed valuation of all taxable real property as of the prior April 1 (\$204,289,492 as of April 1, 2018) and are due in two installments on July 1, 2018 and December 13, 2018. Taxes which are paid after the due date accrue interest at 12% per annum. Property taxes are recognized as revenue when received in cash or if available to finance current period operations (within sixty days of year-end).

Under State law, the Tax Collector obtains tax liens on properties which have unpaid taxes in the following calendar year after taxes were due for the amount of unpaid taxes, interest and costs. These priority tax liens accrue interest at 18% per annum. If the property is not redeemed within a two year redemption period, the property may be tax deeded to the Town.

In accordance with State law, the Town collects taxes for the Kearsarge Regional School District, Sullivan County, Eastman Village District, and New London-Springfield Village District, all independent governmental units, which are remitted to them as required by law. The Town also collects education taxes for the State of New Hampshire, which are remitted directly to the school district. Taxes appropriated during the year were \$3,215,374, \$583,564, \$20,164, and \$10,032 for the Kearsarge Regional School District, Sullivan County, Eastman Village District, and New London-Springfield Village District, respectively. These taxes are not recognized as revenues in these financial statements. The Town bears responsibility for uncollected taxes. At December 31, 2018, the balance of the property tax appropriation due to the Kearsarge Regional School District is \$1,070,372 and is recognized as "due to other governments" in the financial statements.

NOTE 10-INTERFUND BALANCES

The Town has combined the cash resources of some of its governmental fund types. For accounting and reporting purposes, that portion of the pooled cash balance is reported in the specific fund as an interfund balance. Additionally, during the year, the General Fund collected funds on behalf of other nonmajor governmental funds for a range of activities that will be reimbursed to the applicable fund. Interfund balances at December 31, 2018 are as follows:

			REAL AR	Duel	irom		9. 전기 전 전 ACT 점
					nmajor		
			General	Gove	emmental		
			Fund		unds	<u>Totals</u>	
2	General Fund			\$	3,055	\$	3,055
Due	Nonmajor Governmental Funds	\$	9,794				9,794
Ξ Α ΄	Total	<u>\$</u>	9,794	\$	3,055	\$	12,849

NOTE 11-RISK MANAGEMENT

The Town is exposed to various risks of losses related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. During the year ended December 31, 2018, the Town was a member of and participated in a public entity risk pool (Trust) for property and liability insurance and worker's compensation coverage. Coverage has not been significantly reduced from the prior year and settled claims have not exceeded coverage in any of the past three years.

TOWN OF SPRINGFIELD, NEW HAMPSHIRE NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED) For the Your Ended December 21, 2018

For the Year Ended December 31, 2018

The Trust agreements permit the Trust to make additional assessments to members should there be a deficiency in Trust assets to meet its liabilities. Accounting principles generally accepted in the United States of America require members of pools with a sharing of risk to determine whether or not such assessment is probable and, if so, a reasonable estimate of such assessment. At this time, the Trust foresees no likelihood of an additional assessment for any of the past years. Claims expenditures and liabilities are reported when it is probable that a loss has occurred and the amount of that loss can be reasonably estimated. These losses include an estimate of claims that have been incurred but not reported. Based on the best available information there is no liability at December 31, 2018.

Property and Liability Insurance

The Trust provides certain property and liability insurance coverage to member towns, cities, and other qualified political subdivisions of New Hampshire. As a member of the Trust, the Town shares in contributing to the cost of and receiving benefit from a self-insured pooled risk management program. The program includes a Self-Insured Retention Fund from which is paid up to \$200,000 for each and every covered property, crime and/or liability loss that exceeds \$1,000, up to an aggregate of \$1,200,000. Each property loss is subject to a \$1,000 deductible. All losses over the aggregate are covered by insurance policies.

Worker's Compensation

The Trust provides statutory worker's compensation coverage to member towns, cities, and other qualified political subdivisions of New Hampshire. The Trust is self-sustaining through annual member premiums and provides coverage for the statutorily required workers' compensation benefits and employer's liability coverage up to \$2,000,000. The program includes a Loss Fund from which is paid up to \$500,000 for each and every covered claim.

NOTE 12—COMMITMENTS AND CONTINGENCIES

Litigation

There may be various claims and suits pending against the Town, which arise in the normal course of the Town's activities. In the opinion of Town management, any potential claims against the Town which are not covered by insurance are immaterial and would not affect the financial position of the Town.

NOTE 13—RESTATEMENT OF NET POSITION

During the year ended December 31, 2018, the Town adopted Governmental Accounting Standards Board (GASB) Statement No. 75 – Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions as it pertains to the cost-sharing multiple employer defined benefit OPEB plan. The impact on net position as of January 1, 2018 is as follows:

For the Year Ended December 31, 2018

	Gov	ernmental
	A	ctivities
Net Position - January 1, 2018 (as previously reported)	\$	514,493
Amount of restatement due:		
Deferred outflows related to OPEB		3,296
OPEB liability		(38,279)
Deferred inflows related to OPEB		(121)
Net Position - January 1, 2018, as restated	\$	479,389

NOTE 14-SUBSEQUENT EVENT

In March 2019, the Town entered into a promissory note for the purchase of equipment totaling \$99,000. Monthly payments are \$2,918 at 3.90% interest through March 2022.

SCHEDULE 1 TOWN OF SPRINGFIELD, NEW HAMPSHIRE Schedule of Revenues, Expenditures and Changes in Fund Balance Budget and Actual (Budgetary Basis) - General Fund For the Year Ended December 31, 2018

TOWN OF SPRINGFIELD, NEW HAMPSHIRE NOTES TO REQUIRED SUPPLEMENTARY INFORMATION For the Year Ended December 31, 2018

NOTE 1—BUDGET TO ACTUAL RECONCILIATION

General Fund

Amounts recorded as budgetary amounts in the Schedule of Revenues, Expenditures and Changes in Fund Balance – Budget and Actual (Budgetary Basis) – General Fund (Schedule 1) are reported on the basis budgeted by the Town. Those amounts differ from those reported in conformity with accounting principles generally accepted in the United States of America in the Statement of Revenues, Expenditures and Changes in Fund Balances – Governmental Funds (Exhibit D). Property tax budgetary revenues are recognized when levied rather than when susceptible to accrual. General Fund budgetary revenues and other financing sources and expenditures and other financing uses were adjusted for non-budgetary revenues and expenditures. General Fund budgetary expenditures and other financing uses were adjusted for budgetary transfers out and encumbrances as follows:

	Revenues and Other Financing	Expenditures and Other Financing
	Sources	Uses
Per Exhibit D	\$ 1,558,417	\$ 1,622,586
Difference in property taxes meeting		
susceptible to accrual criteria	(28,342))
Non-budgetary activity	(76,026)) (78,714)
Budgetary transfers		51,930
Encumbrances - December 31, 2018		17,320
Encumbrances - December 31, 2017	••• •••••••••••••••••••••••••••••••••	(7,300)
Per Schedule 1	\$ 1,454,049	\$ 1,605,822

NOTE 2-BUDGETARY FUND BALANCE

The components of the budgetary fund balance for the General Fund are as follows:

Nonspendable:	
Prepaid expenses	\$ 11,340
Tax deeded property	32,421
Assigned:	
Subsequent years' expenditures	104,243
Unassigned	
Unassigned - General operations	 470,154
	\$ 618,158

TOWN OF SPRINGFIELD, NEW HAMPSHIRE NOTES TO REQUIRED SUPPLEMENTARY INFORMATION (CONTINUED) For the Year Ended December 31, 2018

NOTE 3—SCHEDULE OF CHANGES IN THE TOWN'S PROPORTIONATE SHARE OF THE NET OPEB LIABILITY AND SCHEDULE OF TOWN OPEB CONTRIBUTIONS

In accordance with GASB Statement #75, Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions, the Town is required to disclose historical information for each of the prior ten years within a schedule of changes in the Town's proportionate share of the net OPEB liability and schedule of Town OPEB contributions. The Town implemented the provisions of GASB Statement #75 during the year ended December 31, 2018. Accordingly, the historic information has only been presented for those years which information was readily available. Additional disclosures will be made in future years as additional information becomes available.

NOTE 4—SCHEDULE OF CHANGES IN THE TOWN'S PROPORTIONATE SHARE OF THE NET PENSION LIABILITY AND SCHEDULE OF TOWN PENSION CONTRIBUTIONS

In accordance with GASB Statement #68, *Accounting and Financial Reporting for Pensions*, the Town is required to disclose historical information for each of the prior ten years within a schedule of changes in the Town's proportionate share of the net pension liability, and schedule of Town pension contributions. The Town implemented the provisions of GASB Statement #68 during the year ended December 31, 2015. Accordingly, the historic information has only been presented for those years which information was readily available. Additional disclosures will be made in future years as the information becomes available.

Changes in Actuarial Assumptions

For the June 30, 2015 actuarial valuation, the New Hampshire Retirement System reduced its assumption for the investment rate of return from 7.75% to 7.25%, decreased the price inflation from 3.0% to 2.5%, decreased the wage inflation from 3.75% to 3.25%, and decreased the salary increases from 5.8% to 5.6%. Additionally, the mortality table was changed from the RP-2000 projected to 2020 with Scale AA to the RP-2014 employee generational mortality table for males and females, adjusted for mortality improvements using Scale MP-2015.

Springfield 250th Celebration Committee

The goals of the 250th organizing committee went well beyond celebrating a 250th anniversary of the granting of the Town of Protectworth's charter from the Governor of New Hampshire who represented the King of England in 1769. We explicitly wanted to celebrate our community and what we share in common (so critical in the global polarization we are faced with daily) – AND raise enough money to do something wonderful for the town.

After two years, some fifty community events, and well over two HUNDRED total meetings/commitments for the motivated and energized volunteers - Springfield's 250th Celebration officially closed on Dec 31st 2019 with a Meeting House ceremony that included the sealing of the 250th Time Capsule. *It is okay to take a moment to reflect on the scale of it all. Neighboring towns are still processing the scale of it, too.*

<u>Special note to historians</u> – the 250th Time Capsule is being secured in the Springfield Police Department Evidence Room. It is to be opened as part of the 300th Celebration!

As 2019 drew to a close, the officers of the Springfield 250th Celebration Charitable Trust (Don Hill, Pixie Hill, Poul Heilmann, Jim Bednar, Cune Bednar, Leigh Callaway, Angela MacCreighton and selectmen's representative Dick Hendl) closed the trust and produced a \$79,968.78 check for the two year proceeds of event revenue and charitable donations.

It is notable that the 250th Celebration Volunteers enjoyed tremendous support from the TOWN and its organizations - The Board of Selectmen, Springfield Town Office Staff, The Springfield Highway Department, The Springfield Police Department, The Springfield Fire Department, The Springfield Historical Society, The Springfield Conservation Commission, The Springfield Library, and The Springfield Garden Club. Local musicians performed concerts; The Mascoma Snow Travelers were on board, local businesses wrote checks but even more than that – opened their businesses for tours, held golf tournaments and so much more. Cutting Farm got us started by donating the 250th Wagon that was so visible for the entire two years. Many of us feel our forefathers and mothers were looking favorably upon us and doing what they could to help out with weather. The January 2019 Party and Fireworks took place on a mild evening with no precipitation and no wind. Lake Kolelemook was snow covered a week before the scheduled skating party – and volunteers used tractors to clear an area - BUT Mother Nature cooperated and the lake was frozen and clear for the February 2019 event – which almost never happens. The 2019 Golf Tournament took place on a rainy September Saturday ... which cleared prior to the shotgun start. The rededication of the Meeting House took place in September 2019.

While the Meeting House is on the historic register there was no plaque. Thanks to the efforts of the 250th and the Springfield Historical Society a plaque was produced and unveiled at the rededication. With various state dignitaries represented a proclamation was read:

All those events raised a substantial sum of money – true. We also made sure to have a significant number of free events and events where donations were welcomed but not necessary. There was also a group of supporters who wrote checks – accounting for over \$50,000 of the total \$115,000+ that was raised. ANOTHER resource was the Old Home Day Committee. They had the foresight to start socking away Old Home Day proceeds for a decade – to be prepared to pay for fireworks in 2019. The 250th paid for the January 2019 fireworks – and the Old Home Day resources paid for the July fireworks. The merchandise sales basically broke even. We invested in high quality items and put that gorgeous 250th logo designed by Sara Ellis everywhere we could. The volunteers still tend to smile whenever they come across someone wearing a t-shirt or hoodie with the 250th logo. We hope you do, too.

The two year fundraising goal rallied around a lift for the Historic Springfield Meeting House. In January 2020, the Springfield Board of Selectmen held a public hearing on the matter. With universal support of all attending the public hearing - the Selectmen unanimously accepted the 250th Celebration donation: \$7600 as a best guess estimate to make the Town whole for expenses incurred as a result of the 250th activities – and the remainder to purchase and install a lift in the Meeting House in 2020.

It is our collective hope that the energy exhibited over these two years will find new community goals rather than merely fading away. On behalf of the positively amazing 250th Volunteers and the Officers of the 250th Celebration Trust,

Don Hill, Chair

2019 Annual Report for the Town of Springfield

The mission of the Ausbon Sargent Land Preservation Trust (Ausbon Sargent) is to protect the rural landscape of the twelve towns of the Mt. Kearsarge/Ragged/Lake Sunapee region. This area comprises the towns of Andover, Bradford, Danbury, Goshen, Grantham, New London, Newbury, Springfield, Sunapee, Sutton, Warner and Wilmot. Since our founding in 1987, Ausbon Sargent has completed 150 projects and protected 11,855 acres – including sixteen working farms and over eight miles of lake frontage. All of these conservation lands must provide for some public benefit and two-thirds of these properties offer public access.

Quality of life is very important to the residents of New Hampshire and the state consistently ranks in the top ten as one of the best places to live in the United States. Contributing to this ranking are our clean water, scenic places and outdoor recreation. Open spaces also contribute significantly to the economic well-being of the State and our communities.

During 2019 Ausbon Sargent completed 3 projects representing just over 381 acres in the towns of Sunapee and Sutton. In early 2020, additional projects in the towns of Grantham, Wilmot, Bradford, Andover, Warner, Sunapee and New London will close and/or towards closure. Our website progress (www.ausbonsargent.org) indicates which of the land trust's protected properties have trails open to the public for hiking, crosscountry skiing and snowshoeing, and includes both trail maps and driving directions. For information on all of Ausbon Sargent's protected properties, please visit our website, and join our email list. Find us on Instagram, and be sure to "Like" us on Facebook!

2019 began with a snowshoe hike in Grantham on the Sawyer Brook Headwaters property and returned to the same property in August for one of our popular Dragonfly Walks. A second Dragonfly Walk was held at the Esther Currier Low Plain Natural Area in New London. Also, in New London, a full moon snowshoe hike was held on the popular Clark Lookout Trail, yielding an amazing view from the top. Other traditional hikes were held in Bradford at the Bradford Bog, in Goshen on the "Wayne's Woods" property, and from "Coco's Path" to the "Spofford" property in New London. We collaborated with the Abbott Library in Sunapee for a birding presentation and hike on the Frank Simpson Reserve. In addition to our ever-popular fundraising events such as the Progressive Dinner in July and the Holiday Party in December, we held workshops on conservation options for landowners, and on becoming an easement monitor. A presentation on Black Bear behavior, featuring world-renowned speaker and expert, Ben Killham, was a popular event, drawing over 180 people. As you can see, we offer many opportunities to get out to learn, hike, and get involved in our mission to protect the rural landscape of our region. We hope you will all come out at some point to take advantage of our workshops, or to experience the beauty of some of these special places for yourselves.

Ausbon Sargent is pleased to have over 200 volunteers providing year-round support for easement monitoring, committee assignments and clerical work. This June, we hosted a Volunteer Recognition Party at the Lake Sunapee Protective Association's Knowlton House in Sunapee Harbor as a thank you to these loyal and talented volunteers. We are grateful to have so many giving members who provide financial support and the countless hours which have assured our success. If you would like to join us in our work to protect these special places, there are many ways to get involved: you could become a conservation easement donor, volunteer your time to the organization, encourage the town officials throughout our twelve town region to conserve our rural character by supporting land conservation, and if you are not already, please consider becoming a member of Ausbon Sargent.

It has always been a pleasure to work with the Town of Springfield and the Springfield Conservation Commission. We look forward to future events, collaborations and land projects in Springfield!

Baptist Pond Protective Association

This year Baptist Pond reported ice out on April 23, almost one week later than the previous year (April 17 in 2018). The loons came and went throughout the summer but did not nest. A heron or two frequented the shallows near the inlets of Stoney Brook and McAlvin Brook; ducks and ducklings paddled along the shoreline. and occasionally a few Canadian geese splashed down for a short visit.

On June 12, July 18, and August 20 volunteers collected water samples, which were analyzed at NHDES's satellite Water Quality Lab at Colby-Sawyer. Given its proximity to direct runoff from I-89. Baptist Pond remains concerned about the effects of chloride on water quality and aquatic life; conductivity levels have remained consistently higher than the state median. Chloride samples, taken this year during the summer testing months from the epilimnetic layer (upper water layer), show that chloride concentration in the pond remains high. Total phosphorus levels fall within the average range.

The Association is also happy to be working with the Lake Sunapee Protective Association (LSPA), which is now updating the old Watershed Management Plan of 2008. One main focus of the new 2020 plan phosphorus, in particular is on on identifying ways "to reduce current and future phosphorus loading into Lake Sunapee and to avoid a decline in water quality." That means paying attention to sources of phosphorus in all water bodies throughout the watershed. Members of our Association have been exploring with the LSPA watershed team possible ways that we might mitigate the impact of phosphorus runoff in specific areas where it is known to enter the pond.

Our annual meeting this year is scheduled for early August. Friends and neighbors are welcome to attend. For further information please contact me or other association members on the pond.

Respectively submitted on behalf of the Association,

Perry Hodges, president

Report of the Springfield, NH Cemetery Commission; 2019

During 2019, the Springfield Cemetery Commission met one Tuesday each month from March until November. George McCusker served as the Selectboard representative and most months, Peter Abair represented the Springfield Highway Department. Curtis Huff mowed and maintained Pleasant View for the town this year and he attended two meetings.

Because 2019 was the town's 250th birthday, two May events explored the history of two town burial grounds. On May 18th, Daphne Klein led a well-attended walk to Fowlertown on the north side of Route 4A. The trip's turning point was the Fowlertown cemetery, a first visit for many of the attendees.

Tamara and Ken Butcher organized the May 26 Memorial Day service. Following this event's music, speeches and flag decoration, an informal hunt, sponsored by the Cemetery Commission, took participants through the graves at Old Pleasant View. Featured stops were the Medal of Honor recipient's memorial and the Soldiers' Monument. Founding families, veterans, women and other notables rounded out the tour. Leaflets outlining the guided tour remained at Old Pleasant View during the summer months for interested people to follow.

As always, Pleasant View needed spring repairs. Pete Abair and his crew tended to grading the roadways before Memorial Day. Later in the season, Nalenz of New England Kai Gravestone Repair was able to fix several broken gravestones and straighten others, but the long winter did more damage than he could remedy this year. A grave stone repair professional will need to return to Pleasant View again in 2020. Lichens covered many stones, so efforts to do our own stone cleaning began in 2019, with two sessions.

Few emergency maintenance projects arose this year, so the Commission is

pleased to report that the 2019 cemetery expenditures remained well within the budgeted amount (\$12754).

The Springfield Garden Club placed seasonal flowers around the flag pole during the season. The Cemetery Commission wishes to thank them and all townspeople who visited the town's cemeteries. We are fortunate to have energetic employees and volunteers to help maintain our graveyards.

Respectfully submitted,

Annette Granger, Chair Dale Milne, Commissioner Richard Petrin, Commissioner

Internments 2019

Muriel Tinkham Kneiland Wheeler

2019 Conservation Commission Report

The Springfield Conservation Commission undertook a number of projects this year to fulfill its mission which includes protecting and preserving natural resources, providing educational programs and hikes, and managing town lands.

The Commission hosted a series of four hikes as part of the 250th Celebration events. The first was a winter hike to the Brooks lot in March, followed by a hike in May to Fowlertown. In September, the Commission led a hike on the Loop Trail that the CC members had cleared and marked on the Kinsley lot. The final hike was to the Royal Arch in October, starting at Rt 114 and finishing at Twin Lake Villa; everyone who participated was treated to a spectacular view of the fall foliage.

In May, in coordination with the Garden Club, the Commission sponsored the annual Green-Up day. The Commission thanks all the volunteers who gathered and bagged trash along roads in Springfield, and also extends thanks to the Highway Department for their assistance with this project.

A member of the Commission assisted Dode Gladders (Sullivan County Extension Forester) in setting out emerald ash borer traps on the MacDonald Knapp lot. The good news is that no emerald ash borers were collected.

The Commission presented a proposal to the Selectmen regarding plans for Collins Park that had been developed during a meeting with representatives from the 250th

Committee, the Historical Society and the Garden Club. The proposal includes near term goals (clearing underbrush to enhance visibility of the Meeting House from 114, removing/killing invasive species, building simple walking bridges across the wet spots), as well as potential long term goals such as stairs from Main St. to the Grist Mill site and a bridge from the Meeting house parking lot to the Grist Mill site. The Commission organized 3 workdays, one each in June, September and October, to begin the task of clearing the underbrush from the park. The Commission thanks the volunteers who participated in these workdays, and is especially grateful to the Highway Department for chipping all of the brush that was brought out to the roadside.

Old Home Day provided an opportunity for the Commission to host a booth with information and examples of invasive species. Materials were also handed out for the Cemetery Commission and Ausbon Sargent Land Preservation Trust. Northern bayberry bush plants were given out to those interested in planting them at home.

The Commission has purchased a root wrench, which can be used to remove small shrubby invasive plants. The wrench is available for sign out at the library. Information about how to use it and how to identify invasive species can be found by following links on CC website. Since its placement in the library in October, the wrench has been in high demand. The Commission is pleased that the residents are actively taking steps to rid their properties of invasive species. An Invasive Plant Subcommittee, comprised of Marla Binzel, Emily Cleaveland and Pixie Hill from the Garden Club was formed by the Commission. It is anticipated that this coming year, this subcommittee will begin developing plans for both educational activities and additional eradication efforts.

January 2nd, 2020, Bruce Allen announced that he and his wife would be resigning their positions on the Commission because they are moving from Springfield. The remaining Commission members want to thank Bruce and Patricia for their many years of dedicated service on the Commission. Both became alternate members of the Commission in 2010. and Bruce took on the role of Chair in 2012. Both Bruce and Patricia brought specialized technical knowledge to the Commission. Bruce's training in Ecology, Wetlands and Forestry was a perfect match for his role on the Commission and will be sorely missed. Patricia's research as an aquatic toxicologist enabled her to provide a unique perspective to water quality issues. Both Bruce and Patricia were generous with their time and participated in most every Commission event. Many residents have native shrubs and trees in their vards that started as seedlings that the Allen's potted up from the State Nursery and gave away at the Commission's Old Home Day booth.

Respectfully submitted: Marla Binzel, Tim Frasier, Ken Jacques, Daphne Klein, Emily Cleaveland, Dan Saulnier, Jane Seekamp, and George McCusker (Selectmen's Representative).

KEARSARGE AREA COUNCIL ON AGING, INC.

2019 Annual Town Report

Established in 1992, the Kearsarge Area Council on Aging (COA) has become an important social service organization dedicated to meeting the needs of our communities' seniors, and their families, friends, and neighbors. The mission of COA is to promote, develop, and reinforce programs that support and enhance the health, wellbeing, dignity, and independence of older people in the nine towns we serve in the greater Kearsarge area.

COA is a focal point for many area adults who depend on us to help support their independence, help them find their sense of purpose, and provide the opportunity for seniors to help seniors through our many volunteer opportunities.

2019 was another transformational year for COA, as we made major progress in completing our strategic plan. This was our third year of our current plan and we are nearing completion. April 2019, we relocated our staff to the upstairs of our building to optimize the space for programming and services. This was the most costeffective way to enhance our space. We have begun addressing our HVAC needs. We painted our building and paved our driveway. Our goal is to meet the emerging needs of our seniors.

Perhaps the most critical service we provide is our transportation program. We provide safe transportation, door to door, as far north as Dartmouth-Hitchcock Medical Center and as far south as Concord Medical Center. We currently have 61 volunteer drivers and 143 transportation clients. Last year, we provided 753 rides, covering more than 27,000 miles, with our drivers logging 1,604 hours. We service seniors, without regard to race, gender, disability*, religion, or financial capacity to obtain needed services. (* in cases where riders require substantial assistance, such as wheelchair bound clients, where we cannot properly transport them, so we do our best to refer those riders to pay-for-service providers.) COA's program numbers continued to be impressive in 2018(2019 data not yet available). We provided more than 60 exciting and vibrant programs, services, and activities for our more than 2,300 members, evidenced by more than 15,000 participation units. (Participation units are defined as the number of times a person engages with COA's programs, services, and/or activities.)

We continue to run the second largest free mobility lending program in the state. We are proud to be able to help our friends and neighbors with durable medical equipment.

We remain grateful for our town partners, volunteers, members, donors, business sponsors, and staff for their help and support what continues to lead to high levels of health and well-being for its senior neighbors.

Respectfully submitted, Kelley F. Keith, BA, MS Executive Director

Springfield Fire & Rescue 2019

Springfield Fire Rescue had 140 calls for service in 2019. 2019 also saw us take delivery of our new MSA G1 self-contained breathing apparatus. These new packs have significant technological upgrades over our old SCBA.

As we do every year, we take this time to thank those departments who provided mutual aid to us in 2019. We thank the towns of Grantham, New London, Enfield, Canaan, Sunapee and any of those that we missed. We also would like to thank New London Ambulance, Lebanon Ambulance and Enfield Ambulance for providing ambulance coverage. We thank Hanover Regional Communications Center for their outstanding service. Most of all we would like to thank the community of Springfield and the greater upper valley for your continued support. We at Springfield Fire Rescue look forward to providing professional emergency services to Springfield and the surrounding community in the future.

We are always looking for volunteer firefighters and EMTs for the department. Applications can be picked up from the fire station every Tuesday at 7:00PM, no experience necessary. We are also looking for members for our Explorer program. This is an excellent opportunity for high school students to gain experience in the emergency services while giving back to the community. Again, applications can be picked up at the fire station on Tuesday nights.

2019 Call Summary

Call Summary

140 Total

- 64 Medical Emergencies
- 18 Service Calls
- 17 Structure Fires
- 8 Transportation Accidents
- 5 Unauthorizing Burning
- 3 Hazardous Conditions (No Fire)
- 3 Chimney Fires
- 2 Car Fires

Submitted By LT/AEMT Ray Abair

TOWN OF SPRINGFIELD GARDEN CLUB 2019

The Garden Club continues to plan and implement projects to enhance the beauty of our Town. All of the flower gardens and barrels you see around Town are completely funded by the Club and the work to plant and maintain everything is carried out by our members. Additionally, the Club continues to provide plantings for the Cemetery in time for the Memorial Day and Veterans Day celebrations.

The marquee signs in front of the recreation field were finally replaced and reconstructed. The cost for this was split between the Garden Club and the Town. Thanks to Peter Maurer and Paul Seyfried for their work on this project.

The club meets approximately once a month during the growing season with additional work sessions planned as needed. In addition to hosting several fund-raising (now famous!) pie sales, the Club joined efforts with the 250 Celebration and hosted its fourth annual Wreath sale at the December 2019 Craft Fair. The Wreath sale was a huge success. Cutting boughs and making wreaths is quite an endeavor and many thanks go to those who made it happen. Please watch the marquee in front of the recreation field for upcoming events including a spring and fall pie sale typically held prior to Dinners held at the Town Hall.

The Garden Club is very thankful to the many towns' people who have contributed time, effort and goods. We always welcome new members, donations and look forward to continuing our efforts to beautify our very special Town. If you are interested in helping or getting involved, please contact either Susan Chiarella at 717-2222 or Pixie Hill at 727-8113

Respectfully submitted,

Susan L. Chiarella, President

2019 Road Agent Report

The winter of 2019 was up and down as far as the temperatures went. This made for a messy and early spring. Mud season came early and didn't want to leave us. In order to manage the mud on the back roads we had to put quite a bit of gravel on them.

Once mud season passed, it was time to work on some much-needed Summer Projects. As with every winter and spring that comes and goes, there is a lot of clean up left in its path. One of the projects first and foremost on my list in lieu of the 250th Old Home Day Celebration that was to be held in the summer was to get the old V-Plow in the Shop and restore it. From the research that I had done it appears as though the V Plow had been used in the 1960s. We made some repairs to it to try and get it as close to its original state as we could. We sanded it all down, repainted, and lettered it to be displayed in time for the Old Home Day Celebrations. I was very pleased with the way that it turned out and have since received many compliments on the way it looks.

In the spring of 2019, Curt Huff was hired part time as a third employee of the highway department. He was hired to maintain all the cemeteries in town.

This Summer I was able to get a lot of much needed ditching done as well as graveling quite a few of the roads in town.

I was able to get Shad Hill prepped for paving, as well as the Golf Course and Twin Lake Villa. In August I was down a full time Employee, which just left me and my part time employee Curt. Due to other priorities and Old Man Winter showing its face a little early the paving, unfortunately, did not get done.

In October, we hired Troy Traegde. Troy comes from an extensive mechanic background, as well as he is no stranger to equipment. This makes it nice when having to work on the town trucks as well as the equipment. Troy is a very quick learner and has done a fantastic job plowing as well as any other duties assigned to him. I am very pleased.

Now the year 2020 has arrived. It doesn't even seem possible. Once winter and spring has come and gone and the normal clean-up is under way my plan is to pave the roads mentioned above that didn't get paved last year as well as Nichols Hill Road and Cemetery Road. I would also like to get some more graveling done on some of the other back roads in town.

In closing my report there are a few people I would like to mention. First and foremost, I would like to Thank Curt for all his hard work he did with the cemeteries as well as stepping in and helping with whatever needed to be done when I lost an employee. I would like to Thank Edward Abair for always filling in, no matter the season, to work and help as needed. I would also like to extend many thanks to the office staff as well as the police department. Collectively I feel they all play an important part in making my job a bit easier for me to be more successful in keeping the roads in the best condition they can be for the residents.

Many Thanks to all,

Sincerely,

Your Road Agent,

Peter Abair

Springfield Historical Society

2019

2019 marked the official 250th anniversary of our wonderful town of Springfield, and our historical society took an active role in the festivities. For the April 6th "Tea Party and Historical Display", Vice President Jim Bednar set up a fabulous display of old photographs and artifacts from the historical museum, covering not only the side walls and tables, but also the rear of the meetinghouse hall. People spent hours enjoying the display. We also hosted the "Chat around the Cracker Barrel" on April 13th and participated in the "Town Tour" on May 11th.

On Old Home Day on July 13th, our society once again sponsored Ramble Round the Lake. The event was organized this year by Jim Bednar, Peter Keene and Steve Klein and was a big success. Donations to the event go to our scholarship fund to benefit high school graduates from Springfield. This year's scholarship were Brendan recipients Akpan, University of New Hampshire and Reilly Moskalenko, Johnson and Wales University. Our society also entered a float in the Old Home Day parade. Our float featured the Old General Store and won 1st prize for theme presentation.

In honor of the 250th anniversary, our society published two special edition newsletters in addition to our usual mailings. All were printed in full color for the occasion. The first was entitled "The Last 50 Years" and the second, which went out in April, featured the E. Howard Clock, a gift to Springfield

from Clarence D. Collins which has been restored by Leigh Callaway. Leigh has also restored the bell atop the meetinghouse, and it rings once again.

Programs we have presented to the public this year are as follows:

July 11th "Robert Rogers of the Rangers" with historian George Morrison, presenter.

September 7th "Celebrating Springfield Meetinghouse and It's Role in Colonial Times" Paul Wainwright, presenter.

October 10th "Capital Crime of Witchcraft", Margo Burns, presenter.

The Historical Museum was very active this summer with many visitors drawn in as the 250th celebration continued. An official plaque placing the Town Meetinghouse on the National Register of Historical Places by the US Department of Interior, has been mounted on the front of the meetinghouse and was donated anonymously by members of our society.

Board Members of Springfield Historical Society are as follows:

President: Donna Denniston Vice President: James Bednar Secretary: Gregory Bruss Treasurer: Brandt Denniston Society Board Members: Trudy Heath, Janet LeBrecht, Pixie Hill

Donna Denniston, President

Dear Friends:

On behalf of the staff and volunteers of Lake Sunapee Region VNA & Hospice (LSRVNA), thank you for the opportunity to provide home health, hospice, personal care and community health programs in Springfield. Our core mission to provide care in home and community settings and enable people to stay in their homes for as long as possible has not wavered even as health care continues to change and become more complex. In 2019 LSRVNA continued to provide comprehensive services, regardless of individual insurance coverage or ability to pay, in Springfield and in more than thirty other local towns. Because our population continues to age rapidly the demand for our vital care is only increasing. At the same time the available workforce is shrinking. This "perfect storm" requires us to dedicate significant resources to recruit and retain quality staff in order to meet the growing need in this highly competitive environment. Put simply, our most precious resource is our people - the dedicated caregivers who strive to improve lives 365 days a year. I am proud to report that, for the 12-month period ending September 30, 2019, LSRVNA served residents of Springfield in the following ways:

- Provided nursing, therapy and in-home supportive care to 39 residents;
- Provided free or reduced fee in-home nursing, therapy and social work visits to residents. Visits were also provided under various Medicaid programs (NH Medicaid reimburses at less than 60% of visit costs);

- Residents received visits through our hospice program and were able to live their life as they wished at home. Their families are provided 14 months of bereavement support and counseling after the death of their loved one, at no cost;
- Residents benefited from our Palliative Care program, overseen by a physician and dedicated to specialized care that focuses on the navigation of chronic or serious illnesses with an emphasis on symptom management and personal goals;
- Residents utilized our foot care, flu and blood pressure clinics as well as bereavement and other support groups;
- Residents attended our *Good Day Respite* program, offering socialization for individuals with mild to moderate Alzheimer's and other forms of dementia or memory less.
- Residents benefitted from our "Ounce of Prevention" program, which offers free home visits to begin a conversation about how to keep people safe and independent in their home.

Our competent and compassionate staff remains dedicated to quality of life for each patient and to the overall wellness of our community. Please do not hesitate to contact me if there is any way we may be of service to you, your loved ones or your Town's residents. Our vision to be the leading provider of home care and hospice in the region, to be the best place to work and volunteer, and to remain an enduring presence is only possible with support and confidence such as yours. Thank you.

Sincerely, *Jim Culhane*

President & CEO

2019 Libbie A. Cass Memorial Library Report

The Libbie Cass Library has had a busy 2019! New adult books, teen books, middle grade, chapter books and picture books fill the shelves every month. If we don't have it, we'll often purchase books that are a good fit for Springfield. Many patrons take advantage of the Interlibrary Loan system. The libraries in New Hampshire are generous and if one of them has a book or DVD, then we can get it for you!

Our circulation statistics remain steady or have increased some months. Favorite authors like Daniel Silva, Lee Child, and John Grisham fly off the shelves. While bestselling books like Where the Crawdads Sing, Becoming, Overstory, and Educated have people talking. For children's books: the Owl Diaries Series and the Phoebe and Her Unicorn graphic novel series were read many times. We continue to get a fresh supply of rotating DVDs and audio books through the Librarians of the Upper Valley. If you have found a new favorite author, we'd love to hear about it.

We kicked off the busy season in May with the official presentation of the Libbie A. Cass

Scholarship awards. Always a special time as scholarship recipients, families, and the library staff and trustees gather to celebrate. The scholarship recipients this year are Reilly Moskalenko, Andrew Tucker, and Brendan Akpan. This scholarship is open to anyone continuing their education, not just high school graduates or those attending a traditional college.

In June, special speaker, Steven Hale of Open World Explorers presented Backyard Birds with a fascinating slideshow and bird calls. Fantastic presenter! We hope to have him back this spring for a different presentation so be sure to keep an eye on our website or sign up for our newsletter. In August, Michael Bruno, author of *Cruising NH History*, presented his research and photos of all the historical markers in New Hampshire. We had a great turn out.

In October at the Friends of the Library first annual meeting, local Andy D'Amico presented his research on American History through 36 Postage Stamps. An engaging presentation for stamp-lovers and history buffs.

Outside of special speakers, we hold our adult book club the second Tuesday of every month. The M.R.E. group (Military Reading Exchange) met about six times. They chat about books they've read or want to read. All are welcome. We started a new Mystery Book of the Month as we have a lot of mystery readers. Books are here at the library every month to pick up. If you want to meet and talk about the book, we meet the first Friday of every month. The club part is optional!

For kids, we hold storytime for all ages on Tuesday mornings at 10am, and LEGO club Wednesdays afterschool. The S.T.E.M. toys and LEGOs, are available to use any time we're open. Through July and August, the summer reading program is available. Kids can pick up the reading incentive sheets for prizes and also stop in for crafts and activities. Lyndsay & Her Puppet Pals gave a hysterical and entertaining performance on Old Home Day. And then, later in the summer, kids were delighted by Wild About Turtles: live turtles, songs, storytelling, and a craft.

In October, kids had fun poking, prodding, and experimenting with their favorite candy in the Candy Science Lab the day before Halloween. If there's something you'd like to see, let us know. Family Game night continues Sundays at 6pm. Also with the start of the school year, Laura returned to KRES-NL to lead a book group with 5th graders during their lunch time. Inquiring patrons learned about newest Overdrive app called Libby. If you're interested in borrowing ebooks or audio books from the state library system stop by the library and we'll help get you started. Along those lines, we're experimenting with the streaming service Kanopy. Every patron receives 10 play credits a month. Kanopy has Great Courses, independent films, documentaries, and classics. Check out the Kanopy Kids too! We have bookmarks at the library with instructions on how to sign up.

Thanks to the trustees and Friends of the Library, we've purchased two brand new Mac desktops to replace our patron computers. Patrons throughout the year use the library computers for crucial job research, resumes, applications, printing school projects and bus tickets.

In place of the book sale, we have a bookshelf in the library for donated books and swaps. Donations are welcome inside. A continued thanks to trustees and Friends and volunteers for all they do. A special thanks to Happy Calloway stepping down as alternate trustee after many years of volunteering and supporting the library.

Looking ahead we're open to what the community wants. We're planning a 4-week balance and strengthening class and a possible knitting/crafting group. An upcoming line-up of speakers for spring and summer. Let us know if you're interested.

THE MASCOMA VALLEY SNOW TRAVELERS SNOWMOBILE CLUB

The Mascoma Valley Snow Travelers maintains over 75 miles of trails which traverse an area ranging from Sunapee to Canaan. The trail system connects south to the trails of the Lake Sunapee Snowmobile Club, west to the Grantham Blue Mountain Snow Dusters' trails and north to the Mt Cardigan Snowmobile Club's trails. The MVST owns a Tucker Sno-Cat and two Skandics which are used to groom the trail system. New Hampshire snowmobile clubs receive some of their operating funds from the State which amount is based upon the number of hours trails are groomed throughout the winter. Other operating funds are raised through memberships, donations and events.

The Club is responsible for the maintenance of the trail system and through the generosity of many landowners these trails provide access to the back woods and forests in Springfield. Snowmobiles are not the only things you'll notice on the trail system. Many people enjoy cross country skiing, snowshoeing and winter hiking on these trails.

With about 75 members, the MVST meets once monthly in the Springfield Fire Station on the

second Wednesday of each month. Anyone interested in the Club's activities is welcome to attend the meetings to learn more about what the Club does. The Club sponsors a "Poker Run" and lunch in February, attended by snowmobilers from all parts of the State, as well as an annual "Italian Dinner" in the fall.

The Club would like to take this opportunity to thank the many private landowners for their generosity and cooperation in allowing access to the trail system over their lands. Without this support clubs in Town and around the State would have much difficulty operating and providing the riding that so many residents and non-residents enjoy throughout the winter.

Snowmobiling is a family sport, so bring your kids out and see what New Hampshire is all about in the winter. You will see parts of the State that you would not see otherwise. If winter cooperates you can ride from Springfield all the way to the Canadian border on the trail systems. More information about snowmobiling can be found on the NH Fish and Game site at the drop down menu relating to OHRV. The State provides information on where to register your sled, where to enroll in a safety class and answers frequently asked questions. <u>http://www.wildlife.state.nh.us/</u> Remember that joining a club gives you a discount on snowmobile registrations. The Club has many hard-working members who keep the trails in great shape which is no easy task in our area. Blowdowns and ice storms create obstacles which need to be cleared for safe riding. Signs need to be installed and then removed after the riding season is over. Our Groomers work late into the night making trails smooth and rideable.

New members are always welcome. Our trails are well-marked and maps are available on our facebook page. A new interactive map is now available from the New Hampshire Snowmobile Association and downloadable to your smart phones with information on trails, parking areas, warming huts and gas stations. Mascoma Valley Snow Travelers regularly posts recent grooming activity and conditions on our facebook page or go to our website <u>www.mvst</u>.

New London Hospital 2019

As we began our next century of service to the community, we continued to take steps to ensure we are providing high-quality, safe and compassionate care for our patients and their families. Some measures were clearly visible with the incorporation of new services, while others were more behind-thescenes such as facility and system upgrades. All these efforts required a tremendous amount of hours from a dedicated staff committed to the future of New London Hospital and the communities we serve. Below are just some of our 2019 accomplishments which emphasize our commitment to deliver the best care available.

Specialty Services and Providers

The launch of Dartmouth-Hitchcock Orthopedics at New London Hospital in October is an example of the continued strength of our strategic relationship with Dartmouth-Hitchcock Health (D-HH) which enables us to provide academic-level care locally from providers credentialed at both NLH and Dartmouth-Hitchcock Medical Center (DHMC). This service provides access to appointments and many surgical procedures at NLH.

In the summer, we introduced NLH Ophthalmology, as we joined forces with one of the leaders in the region for ophthalmology care, Dr. Greg Barban. We were also thrilled to add Ophthalmologist Dr. Patrick Morhun to the team as he was just named as one of NH Magazine's Top Doctors for the third year in a row and continues to perform cataract surgeries here at NLH.

We are pleased to welcome back Dr. Lori Richer along with the addition of palliative care services. Dr. Richer, formerly a primary care physician now serves as the Director of Palliative Care and recently completed her fellowship in Hospice and Palliative Care at DHMC. Along with providing inpatient services at NLH, Dr. Richer will be working with the Lake Sunapee Region VNA and Hospice providing home service.

We were also pleased to welcome Nicole Poudrette, APRN to our Newport Health Center. Nicole joins a team devoted to meeting the needs of the greater Newport community.

Recognition

We are grateful for the efforts of our wellness and employee activity committees for our employees and the community. It comes as no surprise, that our Vice President of Wellness and Population Health, Catherine Bardier was recently elected Chair of the Governor's Council on Physical Activity and Health. Her commitment to provide the resources and programs which make a difference was recently acknowledged again. For the fourth year in a row, NLH achieved the American Heart Association's Workplace Health Index Gold Level Award for taking significant steps to build a culture of health in the workplace.

It was also another big year for us at the New Hampshire Hospital Association Annual Meeting as Dr. Andrew Torkelson, Cardiologist, received the New Hampshire Hospital Association Outstanding Medical Staff of the Year Award. Chris Cundy was recognized for excellence in hospital governance with the outstanding Trustee of the Year Award and Bruce King received their Lifetime Achievement Award.

In July, NLH Emergency Medical Services received the American Heart Association's Mission: Lifeline EMS Silver Award for implementing quality improvement measures for the treatment of patients who experience severe heart attacks. A couple months later during our 14th Annual Benefit, close to 200 attendees helped raise enough funds for the hospital to purchase four Lucas Chest Compression Devices for each of our ambulances. These automated CPR units improve the quality of chest compressions during critical live-saving situations and allow first responders to attend to the patient's other needs during an emergency.

Financial Performance

The New London Hospital was able to produce a small positive financial gain from our operational results for the year. Thanks to our on-going community support we also experienced positive results from our non-operating revenue. These overall results have yielded a stronger balance sheet and improved positive cash position at year end.

Community

Our community is at the foundation of why we strive to be better every day. Thanks to the support our community members we were able to enjoy our community celebrations such as 95th Annual Hospital Days, the 36th Annual Triathlon, 6th Annual John H. Ohler, MD Community Health Lecture and other various community activities. We are truly appreciative of people's engagement and participation.

As we look ahead to 2020, we are excited about the many opportunities we have in front of us. We expect to name a new CEO and President, transition to an integrated patient medical health record with D-HH in May and continue to provide our community with quality choices for your health care needs.

Warm wishes for the new year ahead.

Bruce P. King President and CEO Douglas W. Lyon Chair, Board of Trustees

Patriotic Services

Memorial Day is the American holiday observed on the last Monday of May, honoring the men and women who died while serving in the U.S. military. Memorial Day 2019 occurred on Monday May 27th. The town observed the holiday by placing flags on the gravesites of our Veterans on Sunday, May 26th. Thank you to all those who came out and participated in this small way of honoring those who served, and some that died, while in service of our country. Thank you to the American Legion 40, Post 40 and to the Kearsarge Middle School Band.

December 14th, also known as Wreaths Across America Day, was again observed here in Springfield with the placing of 135 wreaths on Veterans gravesites at Pleasant View Cemetery and other cemeteries around town. Each of the wreaths laid were sponsored by citizens in Springfield or by those with ties to our town. Thank you to each of you who sponsored a wreath and those who came out to Remember our fallen U.S. Veterans, Honor those who serve, and Teach their children the value of freedom. The 2020 date will be December 19th and anyone wishing to sponsor a wreath may do so, none of which are paid for by the Town of Springfield.

"Let every nation know, whether it wishes us well or ill, that we shall pay any price, bear any burden, meet any hardship, support any friend, opposed any foe to assure the survival and the success of liberty." – John F. Kennedy

Tamara and Ken Butcher

Planning Board Report 2019

The town's Planning Board continues to enjoy lively discussions and sometimes deeply philosophic debates during our meetings. We have also been engaged in addressing some issues that have dogged the town for many years including the lack of twentyfirst century internet connectivity, maintaining consistency in how we, as a board conduct our business and entities that operate without Zoning or Planning Board approval. These issues are not always easily dispatched, probably why we've been dealing with them for many years, and it doesn't always seem like we're making any headway. But all members of the board are always acting in the best interests of the town.

We received the report of the Ad-hoc Internet committee that found we are a small town with limited appetite for public investment in developing broadband. There is also little private interest in bringing high-speed internet to Springfield with the challenges of low population density and rural terrain. There may be some movement at the federal level before there is movement at either the state or local levels.

The board also dealt with discussions on the nature of structures as they relate to land use planning as opposed to taxation purposes. After several meetings and some very informative presentations by both citizens and experts, we are better aware of the issue and have plans to address the concerns in the future. The Planning Board approved seven site plan applications, held fourteen consultations, denied one site plan, amended one site plan, approved two conditional use permits, two annexations, and one merger. We discussed short term rentals (Air BnB, VRBO) and their impact on the town. Additionally, we had an Ad-hoc subcommittee look at developing a workable noise ordinance.

All and all it was a very busy year for the board and I'd like to thank all the members as well as our two alternates, Dan Saulnier and Tim Bray, who have jumped in and have contributed greatly.

Respectfully submitted,

Kevin R. Lee, Chair

Springfield Police Department 2019 Annual Report

In 2019, we handled approximately 900 calls for service with a few real stand outs.

January started with a violation of a Domestic Violence Protective Order. The victim was terrified of the person named in the order. The perpetrator was tracked down and located in Massachusetts and eventually returned to New Hampshire to face justice. I am glad to report that, through counselling and guidance, the couple are now successfully, separately, co-parenting their son.

In mid-year, SGT Beaulieu developed information there were two people living in the woods, off the grid, getting back to nature, and lessening their carbon footprint. SGT Beaulieu also found they had stolen a \$33,000 camper and one of the people had an outstanding arrest warrant from the City of Lebanon Police Department.

When we, the police department, found their abode in order to effect an arrest and confiscate the stolen camper, it became evident they had spent many sleepless nights improving their campsite.

The couple was missing but were eventually indicted in Sullivan County Superior Court and are now wending their way through the criminal justice system.

By the way, don't do methamphetamines.

Recently, I was awakened by a person who witnessed a car on a snow-covered snowmobile trail. Although it was found the car was retrieving a disabled snowmobile, the timely reporting helped clarify what was obviously a suspicious situation.

Without you, our job would be nearly impossible.

If you see something, say something.

-Department of Homeland Security

Thank you for the opportunity to serve our community.

Respectfully submitted,

Timothy Julian

Chief of Police

-Our Commitment: Our Community-

Police Department Statistics, 2019

Accidents 6

This includes reportable accidents (accidents where combined damage is over \$1,000, personal injury, or property damage) and non-reportable accidents as well as vehicles off the road.

Incidents 20

Some examples of incidents are: Assault (2), fraud (12), burglary (0), theft (9), disorderly conduct, theft of motor vehicle and reckless conduct.

Calls for Service 871

Some examples of calls for service are: alarms (73), dog (33) and animal calls (16), numerous calls where other police departments and town agencies asked for help, civil issues (15), pistol permits (5), suspicious persons (36) and road obstructions or road hazards (12).

Citations/ Warnings 95

Some examples are stop sign violations, speeding motorists and inspection violations.

Total number of calls, incidents and stops: 992, down from 1139 in 2018.

May 17, 1928 – February 12, 2019 "...the Springfield Police Chief for 25 years."

The Sunapee-Ragged-Kearsarge Greenway Coalition

New Improved Guidebooks/Folded Maps are Now Available from Area Bookstores

A large section of this 75-mile loop trail runs through Springfield from the end of North Road in Sunapee, along Deer Hill Road, onto the Jones Road, then across Route 114 and through portions of the Gile State Forest to Twin Lake Villa. If you've not ventured out on this section of trail, we encourage you to do so. The terrain, as it meanders through old woods roads, over once forgotten stone walls, is fairly gentle and affords good views with a bigger chance of encountering wildlife than people. Due to some recent logging on the trail off of Webster Pass there are great views of surrounding mountains to the West.

Founded in 1993, the SRKG is a nonprofit, all volunteer organization dedicated to promoting hiking and land conservation. The Greenway includes sections of trails in four state parks, three state forests and one wildlife management area. These sections are linked by Greenway trails on municipal and privately-owned properties and pass through ten area towns. Conservation easements on some of these private lands help to guarantee the future of trails so vital to the area's quality of life and our tourism economy.

With about 200 members, the SRKG Coalition is a community-based organization governed by an active Board of Directors who oversee trail work, a quarterly newsletter, a web site and publish a detailed guidebook. The Board coordinates an annual meeting typically held in March with a pot luck dinner and a guest speaker giving a talk afterwards. It's open to the public and past presentations have included talks on wildlife such as bobcats, bear, coyote and other topics relevant to New England vegetation and forest lands.

The SRK Greenway sponsors guided hikes on Greenway trails which are advertised in the Kearsarge Shopper and on our website. SRKG members maintain the trails and town directors are responsible for trail maintenance in their towns. Membership is \$10 for an individual and \$15 for a family. Our new 3rd edition guidebook can be purchased at Morgan Hill Bookstore in New London or from our website.

Please check out the web site at <u>www.srkg.org</u>. It has maps of all 14 trail sections. You can also find schedules of our guided hikes, landowner information and links to other hiking/outdoor opportunities in New Hampshire as well as a blog. Before venturing out please check the website for trail re-routes.

New members are welcome. To join, please visit

the website or contact your Springfield Town Directors at Chiarella Law Office at 300 Nichols Hill Road, Springfield, 763-5879.

Respectfully submitted Susan and Michael Chiarella Town of Springfield Directors

2018-19: The School Year in Review

It is my honor and privilege to provide this 53rd Annual Report of the Kearsarge Regional School District to the voters and citizens of Bradford, Newbury, New London, Springfield, Sutton, Warner, and Wilmot. With the strong support of our seven communities, the district continues to thrive and provide a multitude of academic, socialemotional, and co-curricular opportunities for students of all ages and backgrounds in our seven schools. Our success as a school district rests in large part upon the close partnerships that have developed over time between the members of the School Board and Municipal Budget Committee, and the district teachers, administrators, support staff. and contracted services (e.g. student transportation and food service) who work for and with our students. Working together on mutually agreed upon goals and objectives instills the necessary confidence in a stable educational foundation while also nurturing trust and courage to pursue timely innovation, creative problem solving, and critical reflection on existing practices.

As a school district, our primary mission will always be about student learning and effective teaching. The district has once again dedicated many available resources to focus intently on curriculum, instruction, and assessment. Teachers and administrators have engaged in the process of

mapping out, defining, and revising the curriculum in English/Language Arts, Mathematics, and Science. A plan is in place to review all other content areas successively over the next few years. The district has devoted professional development time and funds to support teachers in clearly articulating what students need to know at each grade level. Educators continue to hone their skills on measuring what students know and how they can apply their knowledge. We have further refined interventions for those students who experience learning difficulties, and all schools are exploring additional ways to engage students in deepening and broadening their knowledge base whenever possible.

All district schools are continuing to make strides with regard to personalized learning approaches, student voice, and competency-based education With the adoption of Caring School efforts. *Communities*, we have taken an important step to teaching children the elementary grades at appropriate and proactive social-emotional skills and In January 2019, the district coping strategies. committed to an in-depth study of school climate and culture in each of our schools. With the assistance of the Center for School Climate and Learning, a district-wide survey of students, teachers, and parents identified both strengths as well as opportunities to improve for each school. Student Leadership Teams as well as Adult Design Teams formed in each school with the purpose of creating

improvement goals that aim to make our learning environments in the Kearsarge School District even more equitable, supportive, and engaging.

The Human Resource Department at SAU 65 has successfully implemented the transition to electronic time keeping for every employee thus eliminating the use of paper tracking. The district also pays close attention to supporting new employees through a comprehensive mentoring and induction program. This allows new teachers to familiarize themselves with established practices in the district, supports retention of new staff, and assures consistent instructional practices throughout all seven schools. In the fall of 2018, a new, three-year teacher agreement was negotiated between the School Board and KREA (the teachers' union). Voters subsequently gave it their solid approval in March 2019.

In the area of educational technology, our Middle and High School students utilize individual computers to assist their research and learning. At the elementary level, students get exposure to coding and robotics, and teachers work with our technology integrators to explore new ways of utilizing applications into their daily instruction. A recently passed law requires us to pay even closer attention to protecting student data and district information from illicit use by third parties. In June 2019, the Kearsarge School District launched a new and revised website that complies with the standards of access prescribed by the ADA (Americans with Disabilities Act).

With school safety always a high priority, the district's Facilities Director was ready for and successful in applying for multiple infrastructure and school security grants provided by the Department of Education. Kearsarge schools obtained 14 grants worth over \$320,000 to add safety vestibules at three schools, expand security cameras in multiple locations, install shatterproof window film, and replace classroom door locks. In addition to facilities improvements, the district safety committee was expanded to improve communication, training, and collaboration with community resources.

Lastly, I would like to acknowledge with gratitude all those staff members who have left the district due to retirement, new professional opportunities elsewhere, or other pertinent reasons at the end of the 2018-19 school year. Those individuals are listed in the individual principals' and department directors' reports. However, I would be remiss if I did not mention the retirement of our School District Treasurer, Mary Kay Huntoon, who served competently in that role for 18 years. I wish her all the best in retirement, and extend a warm welcome to her successor, Nancy Barthol.

Respectfully submitted, Winfried Feneberg Superintendent of Schools

UPPER VALLEY LAKE SUNAPEE REGIONAL PLANNING COMMISSION

ANNUAL REPORT TO MEMBER COMMUNITIES 2019

Serving 27 communities in Grafton, Sullivan and Merrimack Counties since 1963, the Upper Valley Lake Sunapee Regional Planning Commission (UVLSRPC) has been providing professional planning assistance to municipal boards, along with inter-municipal planning, liaison between local and state/federal agencies, and assistance on development, public health, and environmental issues.

Highlights of our work and accomplishments in 2019 include:

2019 was a successful year for UVLSRPC. We were awarded a \$300,000 Brownfields Assessment Grant from US EPA. We will spend the next three years identifying properties in our region, and then performing environmental assessments. The end goal is that these properties will be cleaned up and become economic development drivers in their communities. This is the second Brownfields grant UVLSRPC has been awarded. We are always looking for more sites to evaluate – please feel free to contact our office with any questions. We were also awarded \$174,528 from USDA to complete a variety of tasks. The most visible and popular of these tasks is our household hazardous waste collections. Perhaps a first for this organization will be the creation of a cartoon. We will be animating Toxic Showdown, our comic book that educates about what goes into personal home care products. One final highlight of our USDA funding is a continuation of our bicycle reuse program. We partner with local transfer stations and community listservs to collect unwanted quality bicycles. Those bikes are then refurbished and offered to 30 nonprofits in the Upper Valley.

We continue to be active and productive with our transportation work as well. The contract we have with the NH Department of Transportation allows us to perform very specific work for our communities. In 2019 we completed Road Surface Management Systems analysis for the Town of Hanover and Grantham. We performed culvert and stream crossing assessments for Hanover and the Baker River Watershed in the northern part of our region. Our NHDOT contract funds our traffic counts. In 2019 we conducted over 120 counts throughout our region. NHDOT also supports much of our traffic engineering time. We are developing Regional Transportation Corridor Plans for eight distinct corridors in our particular area. This corridor-based approach will allow our staff to work closely with local officials to conduct public outreach and to develop а comprehensive list of needed improvements and implementation strategies.

Finally, NHDOT funds our Transit Assistance programming. We work with Advance Transit and Southwestern Community Services to survey passengers and to help evaluate service and route options.

We were very busy last year providing circuit rider services. Springfield, Newport, Orford, Wilmot, and New London all contracted for either weekly or monthly services. Charlestown, Claremont and Enfield hired us to fill in as they searched for a new planner. Claremont also hired UVLSRPC to assist in GIS work for both Public Works and Planning and Development departments.

We successfully formed our new non-profit, the Upper Valley Lake Sunapee Regional Planning Foundation. The non-profit's sole focus is to support the work of UVLSRPC. We expect the non-profit to provide another source of revenue, one that is not solely dependent on government funding.

In conclusion, we launched Keys To The Valley, and our bi-state multi-region housing needs assessment campaign. We are working with Two Rivers Ottauquechee and Southern Windsor County in Vermont to gain a better understanding of why it is so challenging to develop housing in our region and prepare workable solutions that make sense for communities of every size and make-up. This work will require a lot of community engagement and participation. I encourage you to visit <u>www.keystothevalley.com</u> for frequent updates or if you would like to participate in some manner.

Please contact us at (603) 448-1680 or sschneider@uvlsrpc.org, to share your thoughts and suggestions about how we can better serve our community. It is a pleasure to serve the municipalities of this region. Thank you for your support over the decades.

Steven Schneider

2020 Census

The 2020 U.S. Decennial Census begins in March and April

Every ten years the US Constitution requires an 'enumeration' of all persons in the United States, commonly referred to as "The Census." For the next ten years, the numbers produced in this effort will help determine how more than 675 billion dollars will be distributed to states and localities annually through more than 65 federal programs. These programs include special education funding, school lunch programs, meals on wheels, fuel assistance, housing rehabilitation. Medicare. community economic development and revitalization block grants, early childhood education, cooperative extension offices, and more. This year, you will have the option of responding on-line, over the telephone or with a traditional, short-form written response. Look for your invitation to respond in the mail or at your door. It is critical that everyone participate and that all household members be included. Make sure that our community counts!

TOWN OF SPRINGFIELD ZONING BOARD OF ADJUSTMENT REPORT 2019

The Zoning Board of Adjustment is an appeals Board for those seeking relief from the Zoning Ordinance and/or other governmental decisions. The Board hears applications for Variances, Special Exceptions, Equitable Waivers as well as other Appeals from Administrative Decisions. The Board consists of five elected members and three alternates who are appointed by the Board. Alternates are asked to serve in place of an elected Board member if that member is absent or recused themselves from a hearing.

Currently Susan Chiarella serves as Chairman and Bryan O'Day is Vice Chairman. Justin Hastings, Pete Abair and Cody Patten make up the remaining three seats. The Board presently has two alternates: Tanner Jacques and Poul Hielmann. The terms and expiration of terms can be found at the beginning of this report. Janet Roberts provides secretarial support which includes processing applications, notifying abutters, advertising hearings and taking minutes at the meetings.

In 2019 the Board rendered the following decisions:

Request for a Special Exception for relief from setback requirements from James Mullins and Jennifer Mullins, by their representative, Raymond Critch – Fuss & O'Neil, Inc. to construct a two bedroom house, attached garage and accompanying septic and well – Property located at Woodcrest Road, Map 23, Lot 726-535 – GRANTED (3/05/19)

Request for a Variance to build a one car garage within the wetlands buffer zone from William St. Cyr by his representative Frank Anzalone – Property located at 2334 Main Street, Map 23, Lot 575-204 GRANTED (05/07/19).

Request for a Variance for 80 feet dimensional relief to construct a three-bay garage from Bill Hester – Property located at 185 Town Farm Road, Map 29, Lot 605-474. GRANTED (06/05/19).

Request for a Variance for 15 feet of dimensional relief to construct a covered deck from Terri Gerard – Property located at 61 Sugar House Road, Map 34, Lot 646-179. GRANTED (06/05/19).

Request for a Special Exception to conduct a commercial activity from Jason Patten – Property located at 53 Town Farm Road Ext., Map 29, Lot 586, 547. GRANTED (06/20/19).

Request for a Special Exception to conduct a commercial activity from Peter LaCaillade – Property located at 106 Johnson Farm Road, Map 25, Lot 232, 262. GRANTED (06/20/19).

Request for a Special Exception to conduct a commercial activity from Tim Fraser d/b/a Protectworth Brewing, LLC – Property located at

117 Cemetery Road, Map 29, Lot 133-209. GRANTED (07/21/19).

Request for a Special Exception to conduct a commercial activity from Ryan Peterson – Property located at 756 Town Farm Road Ext., Map 35, Lot 630-315. GRANTED (09/03/19).

Request for a Special Exception to conduct a commercial activity from Scott and Priscilla Cote – Property located at 2274 Bog Road, Map 43, Lot 395-085. GRANTED (11/06/19).

Request for a Special Exception for 23 feet of dimensional relief to install a shed from Robert A. Farrenkopf – Property located at 29 Winding Wood Road, Map 37, Lot 592-159. GRANTED (12/03/19).

In addition to rendering decisions relative to the above-referenced cases, several Zoning Board Members attended the State of New Hampshire Office of Strategic Initiatives annual Planning and Zoning Conference at the Grappone Center in Concord in April of 2019. The Zoning Board typically meets on the first Tuesday of each month at 7:00PM at the Town Office Building when there is a case before them. Copies of the minutes and decisions are on file with the Town and are available for public inspection. All Meetings are open to the Public.

Respectfully submitted,

Susan Chiarella, Chairman

SUMMARY OF 2019 TOWN MEETING MINUTES

Springfield

The inhabitants of the Town of Springfield in the County of Sullivan in the state of New Hampshire qualified to vote in Town affairs are hereby notified that the Annual Town Meeting will be held as follows:

Date:	Tuesday, March 12, 2019, 11 a.m. to 7 p.m. Saturday, March 16, 2019, 9:30 a.m.
Location:	Town Meetinghouse, 23 Four Corners Road
Details:	The meeting will open at 11 am on Tuesday, March 12 to consider Article I to elect all necessary town officials. The meeting will recess, but the polls will remain open until 7:00 p.m.
	The meeting will reconvene on Saturday, March 16 At 9:30 a.m. to consider Articles 2 through 5.

Article Election of Town Officials

To choose all necessary Town Officials for the year ensuing. NOTE: By law, the meeting must open before voting starts. Therefore, the meeting and polls will open at 11:00 a.m. on Tuesday, March 12, 2019 for the consideration of Article 1. At 12 noon, the meeting will recess, but the polls will remain open until 7:00 p.m. The meeting will reconvene at the Town Hall on Saturday, March 16, 2019 at 9:30 a.m. to act on Articles 2 through 5.

Polls opened at 11 a.m., MarchYesNo12, 2019. Moderator B.NoManning motioned to recess the
meeting at noon, but polls
remained open until 7 p.m.Yes

B. Manning reconvened the meeting at 9:30 a.m. Saturday, March 16, 2019.

Article Sand Shed Site Preparation

02

To see if the town will vote to raise and appropriate the sum of \$100,000 for the purpose of site preparations for future sand shed replacement and expanded exterior storage and to authorize the withdrawal of \$100,000 from the Unreserved Fund Balance with no amount to come from general taxation. This will be a non-lapsing article and will not lapse until the work is complete or December 31, 2020, whichever is sooner. The Selectmen and Budget Committee Recommend this appropriation.
