Report from the Selectmen's Office

Town and School elections will be held on Tuesday, March 11, 2014. The polls will be open from 8:00 A.M. to 7:00 P.M. for voting purposes. Articles 2 through 11 will be presented for consideration at 8:30 A.M. on Saturday, March 15, 2014, at the Strafford School.

In September, the Selectmen accepted from the State the portion of Province Road between Ricky Nelson Road and its intersection with Route 202A. This was initiated by the State, approved by vote at the 2009 Town Meeting, and was finalized with the completion of the State's previously agreed upon repairs and maintenance. Residents travelling through that area of Town have noticed the upgraded road surface as well as the posted 30mph speed limit.

Also in September, the Town accepted the deed for the Hill Library, as approved by the voters at Town Meeting. Though owned by the Town, the library operates under the direction of its trustees. After many years serving the Town where children and books were involved, Charlotte Berry retired.

All who enter the Town Hall notice and appreciate the beautiful tile mural depicting living things found along the Isinglass River. The tiles were made by Strafford School students through the Artist in Residency Program.

In September, the Town updated our website strafford.nh.gov. Visitors to the site can find important announcements and links to town organizations, download forms, read minutes from meetings, and learn about Town services. We are always looking for ways to improve our communication with residents.

Last year it was reported that Strafford had been approved by NHDOT Bridge Aid Program to begin work on the First Crown Point Road bridge which has been "red listed". The initial scope and fee portion of the project has been completed, but the cost is more than anticipated. Article 1 of the warrant requests a supplemental appropriation of \$392,325. After withdrawal from the Capital Reserve Fund and the contribution from the State Bridge Grant, the net to be raised by general taxation is \$58,465.

In the 2013 Warrant, the Selectmen recommended hiring a full time paramedic; that request was approved at Town Meeting. The Board, however, did not act on that approval; upon further consideration both the Board and the Fire and Rescue Department realized that a full time Fire Chief better suits the needs of our Town. As a result, the Selectmen are asking for approval to hire a full time Fire Chief rather than a paramedic. The department is seeking authorization to purchase a First Responder Vehicle from the Rescue Vehicle and Equipment Fund; there is no tax impact to this request.

Looking to 2014, we will have 3 elections. In addition to the March election, on September 9th State Primary elections will be held with the General Election to be held on November 4th. Voting takes place at the Town Hall from 8:00AM to 7:00PM.

The Selectmen meet every other Tuesday at 6:00PM at the Town Hall, unless otherwise posted. Residents are welcomed at any meeting.

The scope of this report is not nearly broad enough to thank all those who serve the Town. Town employees in all departments labor beyond the requirements of their jobs and at a savings to the community. We extend special recognition to both the Police and Fire and Rescue Departments for whom 2013 was a very busy year. Additionally, countless hours are given by those volunteers who continue to serve on our various boards, commissions, committees, organizations, and on the library staff. To all of you, we offer our gratitude and sincere thanks!

JoAnn Brown, Chairman,

R. Stephen Leighton, Selectman

Jim Andersen, Selectman

TOWN WARRANT
THE STATE OF NEW HAMPSHIRE

The polls will be open from 8:00 A.M. to 7:00 P.M.

To the inhabitants of the Town of Strafford in the County of Strafford in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the **Strafford Town Hall** in said Strafford on Tuesday, the Eleventh (11th) day of March, next at 8:00 A.M. to act upon the following subjects:

**** 1.** To choose all necessary Town Officers for the year ensuing.

**** NOTE:** ALL ARTICLES EXCEPT ARTICLE 1 WILL BE TAKEN UP AT 8:30 A.M., SATURDAY, MARCH FIFTEENTH (15th) 2014 AT THE **STRAFFORD SCHOOL**.

2. To see if the Town will vote to raise and appropriate the sum of \$392,325. for the purpose of design engineering and constructions of a replacement bridge on First Crown Point Road (Bridge No. 069/164) and to authorize the withdrawal of \$20,000. from the Bridge Repairs Capital Reserve Fund and further to authorize the Board of Selectmen to accept a bridge grant in the amount of \$313,860., with the balance of \$58,465. to be raised by general taxation. (This is a supplemental appropriation to the funds raised by Article 2 at the 2013 Town Meeting for this project.)

3. To see if the Town will vote to raise and appropriate the sum of \$283,000. for Capital Improvements (Drainage work, culverts, gravel and paving) of roads within the Town boundaries at the discretion of the Road Agent, as funding permits.

4. To see if the Town will vote to raise and appropriate the sum of \$514,581. for the operation and maintenance of the Strafford Police Department.

5. To see if the Town will vote to raise and appropriate the sum of \$231,284. for the operation and maintenance of the Strafford Fire Department and Rescue Squad.

6. To see if the Town will vote to authorize the hiring of a full time Fire Chief and to raise and appropriate the sum of \$45,500. to cover this position and benefits. (Cost is anticipated to cover June through December.)

7. To see if the Town will vote to raise and appropriate the sum of \$60,000. to purchase a 1st Responder vehicle, and to authorize the withdrawal of \$60,000. from the special revenue fund known as the Rescue Vehicle and Equipment Fund established by Article 8 at the March 14, 2000 Town Meeting to be used for this purpose. No funding to come from general taxation.

8. To see if the Town will vote to increase the Treasurer's annual salary to \$9,000. and to raise and appropriate the sum of \$3,000. to fund the difference.

9. To see if the Town will vote to raise and appropriate the sum of \$1,194,912. for general Town operations.

10. "New Hampshire Resolution to Get Big Money Out of Politics

By petition of 25 or more eligible voters of the town of Strafford to see if the town will urge:

That the New Hampshire State Legislature join nearly 500 municipalities and 16 other states, including all other New England states, in calling upon Congress to move forward a constitutional amendment that 1) guarantees the right of our elected representatives and of the American people to safeguard fair elections through authority to regulate political spending, and 2) clarifies that constitutional rights were established for people, not corporations.

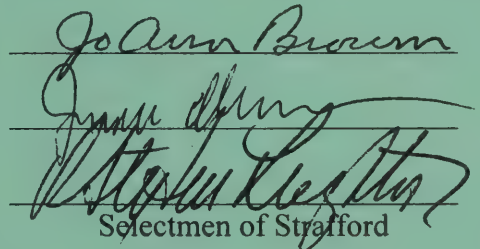

That the New Hampshire Congressional delegation support such a constitutional amendment.

That the New Hampshire State Legislature support such an amendment once it is approved by Congress and sent to the State for ratification.

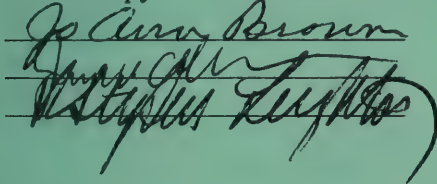

The record of the vote approving this article shall be transmitted by written notice to Strafford's congressional delegation, and to Strafford's state legislators, and to the President of the United States informing them of the instructions from their constituents by the selectmen within 30 days of the vote." (by petition.)

11. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 19th day of February, in the year of our Lord Two Thousand and Fourteen.

Selectmen of Strafford

A true copy of Warrant - Attest:

BUDGET OF THE TOWN

OF: STRAFFORD

Appropriations and Estimates of Revenue for the Ensuing Year January 1, 2014 to December 31, 2014

or Fiscal Year From _____ to _____

IMPORTANT:

Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list the operating budget and all special and individual warrant articles in the appropriate recommended and not recommended area. All proposed appropriations must be on this form.
2. Hold at least one public hearing on this budget.
3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the town clerk, and a copy sent to the Department of Revenue Administration at the address below within 20 days after the meeting.

This form was posted with the warrant on (Date): February 19, 2014

GOVERNING BODY (SELECTMEN)

Please sign in ink.

Under penalties of perjury, I declare that I have examined the information contained in this form and to the best of my belief it is true, correct and complete.

Strafford Town Meeting

March 16, 2013

The meeting was called to order at 8:00 a.m. on Tuesday, March 12, 2011 at the Strafford Town Hall, in the Town of Strafford, by Moderator William Lord to act on Article 1 of the 2013 Town Warrant by ballot vote.

The ballots were cast and the meeting recessed at 7:00 p.m. for the purpose of tallying the votes.

The meeting was called to order again at 8:31 a.m. on Saturday March 16, 2013 at the Strafford School Gymnasium by Moderator William Lord, to act on articles 2 through 13.

Moderator Lord led the Pledge of Allegiance.

The Moderator read the results of the March 12, 2013 election.

1. To choose all necessary Town Officers for the year ensuing.

Voters on the checklist	3,002
Votes cast	400
Library Trustee – Three years	
Sarah E. Kern	174
Road Agent – One year	
Greg Messenger	383
Selectman – Three years	
James W. Andersen.....	287
Trustee of the Trust Fund – Three years	
Charles Burnham	339
Planning Board – Three years	
Lynn Sweet	321
Town Clerk – Three years	
Diane Waldron	271
Town Moderator – 1 year	
William G. Lord	359
Town Treasurer – Three years	
Laurie Bibeau	362

The Moderator introduced the officers at the head table and discussed the rules and proper conduct of the meeting.

Selectman Steve Leighton gave a powerpoint presentation on the state of the Town.

2. To see if the Town will vote to raise and appropriate the sum of \$300,000. for the purpose of design engineering and constructions of a replacement bridge on First Crown Point Road (Bridge No. 069/164) and to authorize the withdrawal of \$60,000. from the Bridge Repairs Capital Reserve Fund and further to authorize the Board of Selectmen to accept a bridge grant in the amount of \$240,000. No funding to come from general taxation.

Moderator Lord read the article. Motion made and seconded. After brief discussion the Moderator reread the article. Vote taken and carried.

3. To see if the Town will vote to raise and appropriate the sum of \$358,000. for Capital Improvements (Drainage work, culverts, gravel and paving) of roads within the Town boundaries at the discretion of the Road Agent, as funding permits.

Moderator Lord read the article. Motion made and seconded. After brief discussion the Moderator reread the article. Vote taken and carried.

4. To see if the Town will vote to authorize the hiring of a full time police officer and to raise and appropriate the sum of \$33,895. to cover this position and benefits.

Moderator Lord read the article. Motion made and seconded.

Police Chief Scott Young addressed the article. After brief discussion, Moderator Lord reread the article. A vote was taken on the article and carried.

5. To see if the Town will vote to raise and appropriate the sum of \$462,674. for the operation and maintenance of the Strafford Police Department.

Moderator Lord read the article. Motion made and seconded. There was no discussion. The Moderator reread the article. A vote was taken on the article and carried.

6. To see if the Town will vote to authorize the hiring of a full time paramedic and to raise and appropriate the sum of \$36,669. to cover this position and benefits.

Moderator Lord read the article. Motion made and seconded. Fire Chief Paul Stover addressed the article. After brief discussion, the Moderator reread the article. A vote was taken on the article and carried.

7. To see if the Town will vote to raise and appropriate the sum of \$229,592. for the operation and maintenance of the Strafford Fire Department and Rescue Squad.

Moderator Lord read the article. Motion made and seconded. There was no discussion. The Moderator reread the article. A vote was taken on the article and carried.

8. To see if the Town will vote to raise and appropriate the sum of \$26,083. to be used for the final payment of any balance due on the two year lease purchase agreement for the purpose of leasing to own the new ambulance authorized by Article 9 in 2011. Furthermore to authorize the withdrawal of \$26,083. from the special revenue fund known as the Rescue Vehicle and Equipment Fund established by Article 8 at the March 14, 2000 Town Meeting to be used for this payment. No funding to come from general taxation.

Moderator Lord read the article. Motion made and seconded. Carolyn Clarke addressed the article. There was no discussion. The Moderator reread the article. A vote was taken on the article and carried.

9. To see if the Town will vote to raise and appropriate the sum of \$1,500. for the Ready Rides Program providing free curb-to-curb transportation to medical appointments.

Moderator Lord read the article. Motion made and seconded. There was no discussion. Moderator Lord reread the article. A vote was taken on the article and carried.

10. To see if the Town will vote to raise and appropriate the sum of \$1,183,572. for general Town operations.

TOTAL.....	<u>\$1,183,572.00</u>

(The intent of this article is to raise the sum of \$1,183,572. exclusive of all other Articles addressed.)

The Moderator read the article. Motion made and seconded. After brief discussion, the Moderator reread the article. A vote was taken on the article and carried.

11. To see if the Town will vote to accept ownership by Quitclaim Deed of the building and fixtures of the Hill Library and the real estate and licenses related to the building and fixtures which have been donated by the Strafford Library Association and to continue the operation of a public library under RSA 202-A:3.

Moderator Lord read the article. Motion made and seconded. Martha English, Library Trustee and President of the SLA, addressed the article. Charlie Burnham and Ken Berry also addressed the article.

After questions and discussion a motion was made to table the question and was seconded. A vote was taken on the motion to table the article and failed.

After more discussion, the Moderator reread the article. A vote was taken on the article and carried.

12. "To see if the town of Strafford will vote to establish a capital reserve fund pursuant to RSA 35:1 for the purposes of library expansion and improvements and to raise and appropriate \$25,000 to be placed in this fund and to designate the library trustees as agents for expenditure from the fund for this purpose." (by petition.) The Selectmen do not recommend this article.

Moderator Lord read the article. Motion made and seconded. After brief discussion Robert Fletcher made a motion to amend the article to read:

"To see if the town of Strafford will vote to establish a capital reserve fund pursuant to RSA 35:1 for the purposes of library expansion and improvements and to raise and appropriate \$25,000 to be placed in this fund and to designate the Selectmen as agents for expenditure from the fund for this purpose."

The motion was seconded. After more discussion on the amendment the Moderator reread the article as amended. A vote was taken on the amendment and failed.

There was more discussion on article 12 as originally written. Robert Fletcher made a motion to amend the article to read:

"To see if the town of Strafford will vote to establish a capital reserve fund pursuant to RSA 35:1 for the purposes of library expansion and improvements and to raise and appropriate \$25,000 to be placed in this fund."

(remove the words "and to designate the library trustees as agents for expenditure from the fund for this purpose".)

A vote was taken on the amendment. A count was taken.

Yes - 43 No - 20

The amendment carried. The Moderator reread the article as amended. A vote was taken on the article as amended and carried.

13. To transact any other business that may legally come before this meeting.

Bob Perry made a motion "To see if the Town will vote to authorize the publishing in each Annual Town Report, a legislative summary of general interest, prepared by its State Representative(s) and Senator".

The motion was seconded. After brief discussion the moderator reread the proposed article.

A vote was taken and failed.

At 9:50 a.m. a motion was made to adjourn the meeting and seconded.

Given under my hand and seal, this 16th day of March, in the year of our Lord Two Thousand and Thirteen.

Respectfully Submitted,

Diane Waldron,
Strafford Town Clerk

Town Clerk's Report – 2013

It is a pleasure to serve you at the Town Clerk's office! We enjoy seeing you as you come in to the Town Hall to register your vehicles and take care of other Town business.

We are on-line at www.strafford.nh.gov for car registration renewals and dog licensing.

Office Hours: Monday/Wednesday/Thursday – 8:30 – 2:00 & Tuesdays 1:00 – 7:00

Mailing address: P.O. Box 169, Strafford, NH 03884

Phone & Fax: Ph: 603-664-2192 x102 Fax: 603-664-7276

In Lieu of Audit

February 3, 2014

To Whom It May Concern:

Please note that the Town's financial audit for the year ending December 31, 2012 is in process, therefore no Auditor's Report is available at this time.

Upon completion of the audit, the information will be available at the Town Office.

TOWN OF STRAFFORD
Board of Selectmen

JoAnn Brown, Chairman

R. Stephen Leighton, Selectman

James W. Andersen, Selectman

Tax Collector's Report for 2013

It has been my pleasure to serve as your Tax Collector for the past seventeen years. As Tax Collector, I am responsible for collecting revenue from Property Taxes, Yield Taxes and Current Use Change Taxes, as well as responding to inquiries from homeowners, mortgage companies, attorney's offices and the general public. My goal is to keep information current and accurate, in a courteous, timely manner, all of which is becoming more time consuming as our town continues to grow.

There is a question and answer section for tax related questions on the Town website www.trafford.nh.gov. You may also make tax payments on this website as promised, with your Credit or Debit Card or an ACH check (that comes directly out of your checking account). Beware of the convenience fee that goes with the on-line payments (credit and debit card payments have a much larger convenience fee than ACH payments). As always, you may also pay through the mail or in person.

In 2003 the Department of Revenue Administration started a "Low and Moderate Income Homeowners Property Tax Relief" program. Forms (DP-8) may be picked up at my office or downloaded from www.revenue.nh.gov after April 15th. These must be mailed to the State no sooner than May 1 and no later than June 30. My office is open during that time period for assistance.

Forms for "Service Members Civil Relief Act," formerly know as: "The Soldiers' & Sailors' Civil Relief Act" are available on-line at; www.usmilitary.about.com/od/sscra/l/blscramenu.htm if anyone is in need of them. If the **taxpayer received activation orders which stipulate Title 10**, you will be interested in this web-site.

Strafford's School Budget for 2013 is \$10,201,470.00 (Gross Approp.-Revenue). The State School Tax is \$1,094,015.00. We will receive an Adequate Education Grant for \$2,080.123.00. This leaves \$7,027,332.00 to be raised by our Local School Tax. That sets the 2013 School Tax Rate Portion at \$15.31 per \$1,000 of assessed valuation. (An increase of \$.52)

Strafford's Gross Appropriations are \$2,656,985.00, less Revenues of \$1,715,335.00, less Shared Revenues of \$0.00, added Overlay of \$4,715.00, and War Service Credits of \$41,900.00, making a Net Appropriation of \$1,018,265.00. That sets the Town Tax Rate Portion at \$2.21 per \$1,000.

The total Property Tax Warrants this year were \$10,358,249.00. The "Current Use Change Tax" Warrants for the year were: \$750.00. All of this money was turned over to the "Conservation Commission of Strafford". The total Timber or Yield Tax Warrants were \$16,850.26. Excavation Tax Warrants were for \$40.00

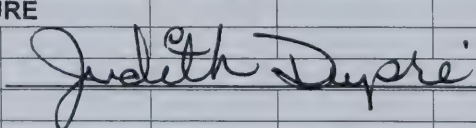

Strafford's 2013 Town Tax rate is \$2.21, and County Tax is \$2.75 (which remained the same), School Tax is \$15.31, State School Portion is \$2.41. Our Total Tax Rate for the year 2013 is **\$22.68**.

Our 2013 lien was \$312,108.87, making this an \$18,656.44 (or 9.4%) increase over last year.

We are pleased have as our Deputy Tax Collector, Mary Hoyt. Mary is doing an excellent job. Thank you Mary.

Respectfully submitted,
Judith Dupre'
Tax Collector

Strafford Police Department Annual Report

The 2014 police budget shows a significant increase over 2013. The increases include \$14,822.00 in New Hampshire Retirement and an \$11,176.00 increase in health insurance. Also, the past few years we have shared our administrator assistant, along with the costs, with the fire department. However due to the increase in her workload it became obvious that she needed to step away from the fire department responsibilities and devote her 24 hours a week to the police department. This decision increased the police budget \$6,468.00. Another area where the 2014 budget increased is that the Board of Selectman authorized a modest COLA increase in pay of 1.7% which increased the salary line item \$4,262.00.

On a positive note, using the "police special detail (02) fund" we have not asked for any money to be raised through taxation for police cruisers since 2010. We have also used this fund to replace aging, expensive equipment such as outfitting new cruisers, purchasing new firearms, uniforms, office equipment and supplementing the gasoline and cruiser maintenance line items.

Respectfully,

Scott Young, Chief

Emergency Management Annual Report

In 2013 we were fortunate in a small number of calls for service. We assisted the fire department in three structure fires and a few reports of lost power in certain areas of town. As the Emergency Management director, I have been in touch with State and Federal agencies in updates to the 911 system, obtaining updated 911 maps and securing resources that would be available to the Town of Strafford in case of any disasters that we may encounter.

The Emergency Management Department is adding new equipment each year to make sure that we will be ready in any natural or manmade disaster.

Once again, on behalf of the Fire Department, Police Department and Road Agent, we all want to thank you for your support.

Respectfully,

Scott Young

Emergency Management Director

Strafford Fire & Rescue Annual Report

Strafford Fire & Rescue had a little less than average year finishing 2013 with a total of 299 calls. Although calls were down compared to 2012, this year was just as busy with four major structure fires and a 40 foot camper trailer with attached wood porch enclosed. No serious injuries occurred to either occupants or fire personnel.

Warrant Article –

This year the department is looking to add a full-time fire chief position which will be responsible for the day-to-day operations of the department such as administrative duties, payroll, inspections, fire prevention, etc., as well as responding to all emergency and non-emergency calls. The position will be Monday – Friday with annual salary of \$50,000 with benefits.

Warrant Article –

The department is also looking to purchase a new first responder vehicle funded from the ambulance fund. This vehicle will be a four door crew cab with cap to carry additional EMS equipment and various rescue gear. We are looking to spend approximately but no more than \$65,000 from the ambulance fund to purchase a four wheel drive $\frac{3}{4}$ ton diesel with an eight foot cargo bed. The cost would include paint and markings, emergency lights, and cap for truck bed. Funds remaining after the purchase will be returned to the ambulance fund. This vehicle replaces a 1988 F-250.

We regretfully announce the resignations of two of our fire personnel Wayne and Audra Pierce. I want to thank them for the time in which they served the Town of Strafford. The department added several more members to the department in 2013; I would like to welcome Annie Baker, Brian Hayes, Chris Freddette and Ed Morse.

I would like to take the time to thank all of the Strafford Officers and Fire / EMS personnel for the dedicated service they provide to the Town of Strafford. I am proud to serve as your chief.

I would like to thank the residents of the town of Strafford for their continued support to our department.

Chief Scott Whitehouse
Strafford Fire & Rescue

Strafford Fire and Rescue Department

Budget Summary

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 603-271-1370 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdf.org.

This past fire season started in late March with the first reported fire on March 26th 2013. April, which is the traditional start to our spring fire season, started very dry with little measurable precipitation until the middle of the month. Approximately 70% of our reportable fires occurred during the months' of April and May. The largest fire was 51 acres on April 29th. 81% of our fires occurred on class 3 or 4 fire danger days. By mid May, extensive rains began which provided us with a very wet summer overall. We had a longer fall fire season due to drier than normal conditions following leaf fall. Fortunately most of these fires were small and quickly extinguished. The statewide system of 16 fire lookout towers continues to operate on Class III or higher fire danger days. Our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting was supplemented by the NH Civil Air Patrol when the fire danger was especially high. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2013 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

2013 FIRE STATISTICS

ONLY YOU CAN PREVENT WILDLAND FIRE

Annual Report from the Forest Fire Warden

2013 was an uneventful year for the Town of Strafford concerning brush or wild land fires. The Strafford Fire department responded to only a handful of brush calls and only responded to 1 major brush fire in another community. The county of Strafford as a whole only had 11 brush fires with a county wide total loss of 1 acre. This decrease in fire activity is a combination of less severe fire weather, careful planning by fire department personnel and cautious outdoor burning by law abiding citizens. I would like to thank to towns people for their continued support and for their understanding and respect of the forest fire prevention laws of the State of New Hampshire, and I would also like to thank the members of the Strafford Fire and Rescue Department for all of their hard work and continued dedication. I look forward to another year service as your forest fire warden.

Thank you,
Matt Lobdell
Forest Fire Warden

Burn Permits may be obtained at the Bow Lake Fire Station
at the following times:

Monday 4pm to 6pm
Tuesday 4pm to 6pm
Thursday 4pm to 6pm
Friday 4pm to 6pm
Saturday 4pm to 6pm

PLEASE NOTE THAT PERMITS **WILL NOT**
BE ISSUED ON CLASS 4 OR 5 FIRE DANGER DAYS

NH Fire Weather Hotline: 1-866-643-4737

Road Agent's Report

Annual maintenance in 2013 consisted of plowing and sanding in January, February and March. Roadside mowing, patching, and drainage work were completed in the summer and fall. Several culverts were replaced. Two loads of calcium were used on the dirt roads to hold down the dust. Gravel was delivered and spread on several sections of dirt roads. Capital improvement monies were spent on First Crown Point Road, From the intersection of Route 202A to the Crown Pont Grange Hall, and then from the Reynolds property to the end of the pavement.

Greg Messenger, Road Agent

PLEASE NOTE THE FOLLOWING REGULATONS

87R4. WINTER PARKING--Pursuant to RSA 265: 70, the following parking regulation will be established:

a. There will be no parking on all town roads so as to impede snow removal.

Any violations of the above will be subject to a fine of \$ 5.00 per violation and subject to towing, pursuant to RSA 265: 69 and RSA 265: 70.

87R5. SNOW OBSTRUCTION--Pursuant to RSA 249: 23, the following snow obstruction regulations will be established:

a. Any person who shall put or place or cause to be put or placed any snow or ice upon the surface of the traveled portion of any town maintained road for any purpose, except to provide a place necessary for crossing, recrossing, and traveling upon said roads by sleds, logging or farm equipment shall be guilty of a violation if a natural person or guilty of a misdemeanor if any other person. The provisions of this section shall not apply where snow or ice is pushed across the traveled surface of said road for the purpose of snow removal from land adjoining said roads.

Any violation of the above will be subjected to a fine up to \$ 100.00, pursuant to RSA 249: 23.

2013 Hill Library Director's Report

Connecting with your library

The hours, user information and cataloged collection of Hill Library is available on straflib.org on the internet or by link on the town website. The front page of straflib.org has a blue rectangle link to the Library World OPAC that lists recent additions and announcements. Requests for renewals and interlibrary loans can go to the email : straflib@metrocast.net

The "Discover" page of the website has many links to the downloadable audio and ebooks available through the library's subscription to the OVERDRIVE collection. Registered library patrons are given the password so they can gain access to this popular service. Patrons can thus avoid having to buy and load their tablets through commercial sources of electronic listening and reading media.

The library also subscribes to Ancestry Library as part of genealogy offerings.

Special collections at the library include woodworking, sport fishing, local and regional history and Loon Ranger Herb Cilley's nature and ornithology book collection named after his Bow Lake waterfront home known as "Tupelo Point". Herb and Anne Cilley also donated the popular library meeting room which also serves as WI-FI location and space for study and reading.

Library Statistics

Registered patrons	998	
People visiting	7,944	
DVD and video	2,555	
Interlibrary loans	199	
Magazines taken out	345	
Computer usage	633	(WI-FI not included)
Audio & CD books	428	
E books electronically downloaded	2,295	
Total collection catalogued in the World Library Data Base		15,446
Estimated value of the library collection		\$240,820.97

The first grade classes of Strafford School visited the library in September and we look forward to seeing them again in warm weather. Anne Smith began a cartoon and drawing program Tuesday nights which has proved gratifyingly popular. Our Summer Reading program in 2014 may include a little rocket science.

I have been kidded about the "Mom and Pop" aspect of Hill Library while my wife Charlotte worked there. The Mom and Pop aspect had precedents in 1893 with Hiram Hill as librarian assisted by his wife Hattie. In the 1960s we had Eleanor Smith as librarian with help from husband Eben. Later Merrill Steward was treasurer and tech person while his wife Katherine was head librarian. We remember that, over the years, the librarians, partners, friends and volunteers have made your library the valuable resource that it is.

Respectfully submitted,
Kenneth A. Berry

Hill Library Trustees Report

We would like to thank Charlotte Berry for 15 years of service to the Hill Library. Up to her retirement, Charlotte served as the Assistant Librarian, held story hour, maintained the website, found books for patrons through interlibrary loan, purchased and cataloged new materials, and provided the treasurer's reports. When a child had an interest, Charlotte knew how to find just the right book. She worked above and beyond her role with total dedication to our town library.

The property ownership transferred in 2013 from the Strafford Library Association to the town. The library staff team increased by two part time employees and Wednesday morning hours were added from 10-12. We are still looking for the right person to provide services for youth. Volunteerism surged this year and just in time as we made updates and changes to daily procedures and reorganized our physical layout. We have switched to a lease program to increase the speed and quality of computer and Wi Fi service and are sending print jobs to a recently bought central color laser printer. The museum pass program has been taken over and changed by SLA and opens opportunities to see more museums. All of these changes were detailed in our culminating celebration January 18, 2014 for the Hill Library Grand Re-Opening.

Small town libraries are part of a wider consortium bringing summer reading programs and interlibrary loans to all NH communities. With a Hill Library card number, patrons can access over 12,000 e-books and audio books right to their personal devices. Even with access to e-materials, nothing can replace walking through the door and getting help from a resource person.

Another highlight of our year came with a successfully written grant to the Libri Foundation providing \$1073.91 to purchase many excellent books for our children's collection just in time for our summer reading program. Strafford County Cooperative Extension and a local 4-H club teamed up to bring archery and a bucket garden lending program to the library through grants written to the NH 4-H Foundation and Generation On.

A library is more than books; it is a place where the community connects. As no two people are the same, so no town library is quite like another. Our trustees, Strafford Library Association, volunteers and our capable and experienced staff work hard to "grow and develop with the community to meet the people's cultural, educational, recreational, and informational needs."

The Cilley Room serves as a regular meeting place for several community groups. In addition to being a place to research, sit and read a book, or check email, the library is open for various other activities:

- Story Time sessions & Summer Reading Program during school vacation
- Saturday Family Movie, Games, and Model Airplane Building Nights
- Frequent Poetry Nights & Book Club Discussions
- Speakers from New Hampshire Humanities Council funded by SLA
- Sew and Chat monthly meetings
- Annual CPR course available to the community
- Hill Library Photography Calendar
- Summer Garden Box and Bucket Gardens
- Volunteer Appreciation Party
- Archery classes and events

Respectfully submitted,

Trustees: Anne Smith, Indra Edmonds, Sarah Kern

Alternate Trustees: Martha English, Nancy Baxter, Pam Marks

Report of the Strafford Building Department for the Year 2012

The Strafford Building Department is staffed by David Copeland and Drew Carter with regular office hours every Tuesday evening from 4:00 PM to 7:00 PM. We are also available outside these hours via cell phones and email.

2012 showed a 20% increase in permits (152 total) as well as an increase in hours spent inspecting. This year saw again a significant increase in the permitting for new Stand-By Generators and solar systems (both Photovoltaic and Water). We would again like to stress the importance of hiring reputable, licensed installers and obtaining the appropriate permits so inspections may be conducted.

We encourage anyone seeking to build, remodel, add-on, or renovate to contact our office so we can assist in assuring your project is completed in compliance with all codes. This is for your safety and the safety of the general public as well as assuring your project meets the minimum code standards as defined by the State.

Please remember that no Permits will be issued until the Building Department has had an opportunity to review an application. Simply filling out an application does not grant permission to start any work; a Permit must be issued. Review times rarely require more than a week.

Permits Issued in 2012 included:

Month	New / Repl. Home	Renovation	Addition	Barn / garage	Shed / Deck / Pool	Septic	Demo	Mech. / Elect / Plumb	Renewal	Commercial	Driveway
Jan	1	2	2	0	0	2	0	7	0	0	0

Dec	0	0	1	2	0	1	1	2	0	0	0
TOT:	13	14	12	13	15	22	3	52	1	3	4

A total of 152 Permits were issued or renewed in 2012.

M, E & P Permits include Generator & Solar Permits.

Recycling Report 2013

Strafford Transfer Station

Transfer Station Hours
Wednesday Evening 4:00 – 7:00
Saturday Morning 9:00 – 1:00
Sunday Morning 9:00 – 1:00

The Recycling Center staff is pleased to report that recycling activity continues to be strong. Although the 2013 net revenues have again decreased due to lower market prices, our revenues from recycling scrap metal, aluminum, and cardboard are an important part of our Recycling Center and Transfer station budget. If you have any questions, please work with our trained staff members, and please remember to look in the “Good as New” shed, and drop off things to share, too.

Your recycling center staff is constantly working to improve our facility. This year we added another light to improve conditions for our Wednesday evening hours. An important part of our success story is always the continued cooperation of Strafford residents. Thank you all.

We continue to ask Strafford residents to pay special attention to be sure that trash and recycling items are not flying out of trucks and trailers en route to the Recycling Center. If you lose an item, please stop to retrieve it and if you see something fly out of another vehicle, please be a good neighbor and stop to pick it up. Our community thanks you!

We would also like to remind everyone that if you are running a business, you should make arrangements for commercial trash disposal. The Transfer Center is only for residential trash disposal. If there are any questions, the attendants will be glad to help. A brochure with information regarding the disposal of appliances, tires, small electronics, mattresses, and stuffed furniture is available at the Town Office or at the Center. There are costs associated with the disposal of these items and receipts are available for your records.

Planning Board Report 2013

Planning Board activity continued to remain steady in 2013. We encourage anyone who is thinking about developing their property, whether creating one or two lots for their children or considering something on a larger scale, to come meet with the Board early in the process. We also would like to encourage landowners to use the Conservation Development Ordinance as a tool for planning development of their property. Conservation Development offers some flexibility in planning while also providing protection of natural resources.

The public is always welcome to attend Planning Board meetings, and we urge you to learn how you can become involved. I would like to take this opportunity to thank the many volunteers who have served the Board for so many years, and to thank all of our current Board members for the many hours of volunteer time that they give to our community each month.

Please note: In 2010 the legislature acted to address a number of questions resulting from the involuntary merger of lots prior to September 18, 2010. Although not a frequent practice in our community, please be advised that in accordance with NH RSA 674:39-aa, any owner of lots merged by municipal action for zoning, assessing, or taxation purposes prior to September 18, 2010 and without the consent of the owner may request that the lots be restored to their premerger status. Requests would need to be filed no later than December 31, 2016. If you have any questions regarding lot mergers, please contact the Planning and Zoning Office for

Assessing Department Report 2013

In keeping with the State's requirements that towns review their property record data every 5 years, this office visited approximately 500 properties in 2013. We expect to continue this ongoing data verification in 2014, visiting another 500 properties. The primary buildings were measured and the interior information was verified whenever possible. Exterior photos are taken as part of the ongoing database maintenance program. Properties with open building permits will also be visited and improvements will be reflected in the 2014 taxes. Our goal is to verify and update the physical data to ensure the assessments are accurate.

If an adult is home at the time of the visit, the representative from the Assessor's Office will ask to verify the interior information via tour provided by the adult. At no time will a representative enter a property where a minor is the only person home. In the case where no one is at home, we will take the opportunity to verify exterior measurements of all primary improvements (buildings, etc.) and leave a letter requesting that the owner schedule an interior inspection.

In the event a property is posted "No Trespassing", the representative will knock on the door to seek permission to verify the physical data; in the event no-one is home, there will be no attempt to verify the exterior data. The Assessing Official will make another attempt at a later date. If the property is "Posted" and gated the Assessor's Office will not enter the premises. However, there will be a letter sent requesting an appointment to verify the physical data. If the property owner doesn't respond to the request, it will be considered a refusal and treated as such resulting in an estimate of data.

Strafford was required to "value a new" as stated in the N.H. Constitution and NH RSA 75:8a in 2011. This means that all property in Strafford was re-valued as of 04/01/2011. The next scheduled revaluation year is 2016. It is of the utmost importance to have accurate data to ensure all property owners in Strafford are assessed equitably. We recently received our equalization ratio from the State which indicates that our property assessments are about 9% above market value. Any taxpayer who feels his property's equalized assessment does not reflect the market value of the property may schedule an appointment with the assessor and/or file an abatement after the second tax bill is issued and before the following March 1st. Abatement applications are available at the Town office or online at www.nh.gov/btla.

The deadline for submitting all exemption and tax credit applications is April 15 for the tax year in which they are applied. These include elderly and disabled exemptions as well as veterans' tax credits. The qualification guidelines along with the applications are available at the Town Office.

We have recently posted some information about assessment along with some Frequently Asked Questions on the assessor's page of the Town website, strafford.nh.gov. We will endeavor to continue to update that information.

I am available every other Monday for taxpayer questions or appointments. I would like to thank you for your continued cooperation.

Sincerely,
Todd Haywood, CNHA
Strafford Assessing Agent

Strafford Recreation Commission Report 2013

The swim program at the Bow Lake beach continues to be popular, especially for beginning swimmers. We had two sessions during the summer, one in July and one in August. As always, the majority of our swimmers were very attentive, put effort into learning the skills, and passed their levels. We look forward to seeing them again next season.

We once again had good coverage at the Bow Lake beach during daytime hours. Our dedicated beach staff is on duty from 10 A.M. until 4:30 P.M. Monday through Saturday and 11 A.M. until 4:30 P.M. on Sundays. Salaries for this summer amounted to \$ 10,416.00. Other expenses, water testing and general maintenance, increased the total summer expenses by \$ 1,588.72, bringing the total expenditures to 12,004.72.

Summer beach passes were free, as is customary, to Strafford residents. Non-resident individuals were able to purchase a day pass for \$5.00 or a season pass for \$25.00; families were able to purchase a season pass for \$50.00. Revenue derived from the sale of passes amounted to \$1,160.00. Income from swim lessons was \$1,152.00.

We were also pleased to be able to once again provide support to the Strafford Summer Arts Program, which returned to Strafford School following completion of the school renovation and addition project.

Strafford Conservation Commission Report 2013

The Conservation Commission is primarily responsible for the management of our Town Forest lands and Town owned conservation land. We are also responsible for providing local input to the New Hampshire Department of Environmental Services (NH DES) when applications are submitted for work in wetlands or for the construction of docks on Bow Lake or any other surface water. Our various activities kept Commission members busy in 2013.

Last spring, the Commission was pleased to host two representatives from NH DES for an in-depth discussion of the permitting process, which was very helpful. Commission members wanted to better understand the usefulness of our recommendations to DES as they consider permit applications. The NH DES representatives also reviewed recent changes to the Shoreland Water Quality Protection Act. The two-hour session was attended by several members of the Loon Preservation Committee in an effort to coordinate recommendations regarding Bow Lake and our loon and eagle populations. Throughout the year Commission members made numerous site visits to provide thoughtful recommendations for new applications to NH DES.

Activities at the Town Forest, the Isinglass River Conservation Reserve (IRCR) and the Storer Lot on Parker Mountain also kept us busy. The Commission thanks and congratulates Matt Dustin on the completion of his Eagle Scout project on the Spencer Smith trail at the Town Forest Storer Lot. He and his team of Scouts placed numerous new water bars on the trail and installed the kiosk that Matt had constructed a short distance up the trail. The Commission will be posting maps and informational materials on the new kiosk. Also at the Town Forest, the Commission and Town Forester Charles Moreno oversaw more work under the Wildlife Habitat Improvement Program grant, including the extension of the forestry access trail and the creation of some wildlife openings on the Edgerly Lot.

At the IRCR Commission members worked to keep the trails clear of deadfall and to continue to depress bittersweet in the opening near the kiosk. New signs indicating "hiking trails ahead" have been placed at the beginning of Ricky Nelson Road and near the Range Road/Province Road intersection to help people find the IRCR trailhead. We are very thankful to Amusement Media, Incorporated (AMI) for their donation of two signs to indicate parking at the IRCR. We are also excited to report that a new Picture Post has been installed at the IRCR, brought to us by Annette Schloss. It allows and encourages 360 degree photographs to be taken so that the changing environment can be recorded. For further information on the Picture Post program, please go to <http://picturepost.unh.edu/>. The Conservation Commission would also like to thank the Strafford Swamp Stompers for their help maintaining the gates both at the IRCR and on the Evans Mountain forestry access road.

Over the course of the year several land conservation projects have come to the attention of the Commission with requests for funding from the Conservation Lands Rights and Easements Fund to cover the costs of setting up easements. In each case, Commission members have made site walks to consider the value of the project before deliberating. Conservation Commission meetings are open to the public and are held on the first Monday of the month at 7:00 p.m. at the Town Hall, and we would encourage you to attend. This year, we have also voted to use Conservation funds to keep the parking areas at the Town Forest and IRCR plowed during the winter. We hope people will enjoy the conservation lands we are so fortunate to have here in Strafford in all seasons!

Community Action of Strafford County

Community Action Partnership of Strafford County is a 501(c)(3) private non-profit organization established in 1965 under the provisions of the Equal Opportunity Act of 1964. We work with community, state and federal partners to assist more than 10,000 people each year, and the majority of program participants have extremely low incomes (below 75 % of the federal poverty threshold). Our mission is to educate, advocate and assist people in Strafford County to help meet their basic needs and promote self-sufficiency.

2013 Highlights include:

- Our agency provided nearly \$3 million in federal fuel assistance to 3563 homes in Strafford County during the 2012-2013 heating season. *A total of 47 households in Strafford received more than \$39,000 in fuel assistance.*
- Our agency provided more than \$1.1 million in electrical bill assistance, *including \$12,000 to households in Strafford.*
- CAP provided homeless outreach and prevention programs for residents of Strafford.
- We acquired the Hub Family Resource Center and have incorporated their home visiting program into our agency. Our home visitors provide health and wellness services to pregnant teens and young woman, new mothers and families in crisis.
- The services provided by this agency were valued in 2013 at over 8 million dollars *with nearly \$64,000 provided to the residents of Strafford.*

Without the services provided by our agency, many local residents would be without a means to provide for their basic needs, including food, education, child care, utilities assistance, job training and employment services, transportation, emergency shelter, assistance with obtaining and retaining housing and referrals to other agencies. In addition to our administrative office located in Dover, CAP maintains its outreach capacity by operating offices in Dover, Farmington and Rochester and Head Start Centers in Dover, Farmington, Milton, Rochester and Somersworth. Additionally, we operate emergency food pantries in Dover, Farmington and Milton and summer feeding program sites around the county.

The Community Action Partnership of Strafford County budget receives federal, state and local funding as well as United Way grants, foundation and charitable grants, fees for service, private business and individual donations

Betsey Andrews Parker
Executive Director

Cornerstone VNA Annual Report

Cornerstone VNA is a non-profit home, health and hospice agency serving Strafford, Belknap, Carroll and Rockingham Counties in New Hampshire and York County in Maine. The team at the VNA uses the latest technology to provide the most highly skilled nursing, rehabilitative therapies, social work, and support services in their service area. Certified Specialty programs include Wound, Ostomy & Incontinence care, Diabetes Management and Education, Mental Health Nursing, Intravenous Therapy, Chronic Care Management, Palliative Care and a Maternal Wellness Program including a Lactation Consultant. Other specialties include a Telehealth Program, a Hospice Program and a new Life Care program.

Our centennial year was a year of change with the introduction of several new programs and services to advance home health care. The introduction of our new **Life Care** program carries some of the same support services offered in the past under Home Care including in home providers and homemakers but has been expanded to include private duty skilled nursing, Licensed Nursing Assistants and Certified Personal Care Service Providers. The goal of the Life Care Program is to restore patients to their optimum level of health, improve their sense of well-being and quality of their life, and help them achieve the highest level of independence to live safely in the comfort of their home. Our **Community Care** program has also expanded increasing adult health clinics by 50%, and offering diet and nutrition counseling along with the services of a Certified Health Coach to patients as well as employees. Community Health wellness and flu clinics are conducted throughout the year in all service areas. Cornerstone VNA continues to be an active participant in the Emergency Preparedness planning for our communities; we actively serve on several committees with the Strafford County Health and Safety Council, and work with the Department of Health and Human Services, and the Bureau of Emergency Management to ensure that the all Hazards plans in place are effective and meets the needs of the community.

The need for **Hospice Care** in the community continues to grow and this past year the Hospice team has provided care to 176 patients and their families with a 37% increase in hospice visits this past year. In an effort to meet the growing needs of this program a social worker, an intake nurse, a nurse liaison and a Nurse Practitioner have joined the Hospice team. **Home Care** has initiated several new services to improve the quality of care provided to our patients. A sustainable behavioral health program has been launched, recognizing the body/mind connection to the restoration of good health and to address the emotional and mental health needs of our patients. Smart Care, a service allowing our patients to contact Cornerstone VNA, their primary care provider and/ or emergency personnel, is being offered as a complimentary service (for 60 days) to all patients. This extraordinary service is available 24 hours a day, 7 days a week and offers customized protocols for every patient. This creates an added sense of security for our patients and their family as they make the transition from the hospital or rehabilitation facility to home.

2013 Cornerstone VNA highlight of service visits:

	Strafford	Strafford County	Total Service Area
Home Care	912	33,600	35,735
Hospice Care	113	7,087	7,313
Life Care	189	4,571	4,647

As we strive to keep up with health care trends and work tirelessly to advance our mission we recognize the importance of ongoing education and certification of our employees. It is often what sets us apart from other home health care organizations and it is an integral part of our continued growth and expansion. Clinicians are certified in Diabetes Education, Mental Health, Wound/Ostomy and Incontinence care, Maternal Health/Lactation and IV Infusion Therapies including the administration of chemotherapy. The entire team of clinicians and rehabilitative staff are required to complete training in Chronic Care Management and become certified. Currently more than 60% of the team is certified specialists! This will vastly improve the quality of life for our patients living with a chronic illness and assist all of us in controlling the rising costs of healthcare.

Today, our service area has expanded; our programs and services have grown along with our professional staff of nurses, therapists, social workers and support staff to meet the needs of our patients. Our biggest challenge, along with the reduction in Medicare reimbursements and rising costs of operation, is having the funding available to advance our mission and to reach those in need of our services...regardless of their ability to pay. As in our early beginnings, our revenue still comes from home visits and town funding along with donations from committed business leaders and members of the community. But the needs of those in the communities we serve are great and our commitment to them does not falter. With your help we will be able to continue to provide our extraordinary care to so many in need. With you support, our programs and services will continue to be available to every member of your community.

Respectfully Submitted: Julie Reynolds RN, MS
Chief Executive Officer

STRAFFORD SCHOOL DISTRICT REPORTS

2013

Officers of the Strafford School District

2014 - 2015

School Board

	Term Expires
Ms. Lynda Powers, Chairman	2014
Ms. Tina Nichols	2015

Clerk

Carrolle Popovich

Moderator

Joseph Cicirelli

Auditor

Melanson Heath & Company, PC

The State of New Hampshire

To the Inhabitants of the School District of the Town of Strafford qualified to vote in district affairs:

You are hereby notified to meet at the Strafford School, 22 Roller Coaster Road, Strafford, NH, on the 12th day of March 2014, at 7:00 PM to act upon the following subjects:

ARTICLE #1

To choose the following School District Officers:

- | | |
|------------------------|-----------------|
| a. School Board Member | Term of 3 Years |
| b. District Clerk | Term of 3 Years |
| c. District Moderator | Term of 3 Years |
| d. District Treasurer | Term of 3 Years |

ARTICLE #2

"To see if the Strafford School District will vote to raise and appropriate the amount of Ten Million Nine Hundred Seventy One Thousand Two Hundred Seven Dollars (\$10,971,207) for the support of schools, for the payment of salaries for the school district officials and agents, and for the payment for the statutory obligations of the Strafford School District."

The operating budget warrant does not include appropriations contained in any other warrant article.

The School Board recommends this appropriation.

ARTICLE #3

"To see if the Strafford School District will raise and appropriate up to the sum of Twenty Five Thousand Dollars (\$25,000) to be added to the School District Capital Reserve Fund, established in 1985, for the purpose of financing any and all capital improvements to school buildings. This sum to come from June 30, 2014 unassigned fund balance available for transfer on July 1, 2014. No amount to be raised from taxation."

The School Board recommends this appropriation.

ARTICLE #4

"To see if the Strafford School District will vote to raise and appropriate up to the sum of Twenty Five Thousand Dollars (\$25,000) to be added to the Capital Reserve Fund for Education of Persons With Disabilities, established in 2010, for the purpose of meeting the expenses of educating students with disabilities. This sum to come from June 30, 2014 unassigned fund balance available for transfer on July 1, 2014. No amount to be raised from taxation."

The School Board recommends this appropriation.

ARTICLE #5

"To see if the Strafford School District will vote to raise and appropriate the sum of One Hundred Eight Thousand Three Hundred Fifty Two Dollars (\$108,352) for the purpose of establishing an all-day Kindergarten program at Strafford School beginning with the 2014-2015 school year."

The School Board recommends this appropriation.

ARTICLE #6

"To see if the Strafford School District will vote to raise and appropriate the sum of Two Hundred Six Thousand Nine Hundred Dollars (\$206,900) for the purpose of constructing a new façade to the front of the school."

The School Board recommends this appropriation.

ARTICLE #7

"To see if the Strafford School District will vote to raise and appropriate the sum of Sixty Nine Thousand Dollars (\$69,000) for the purpose of replacing windows on the left and right side elevations."

The School Board recommends this appropriation.

ARTICLE #8

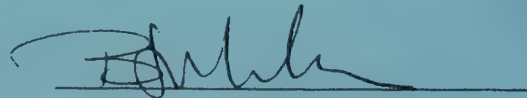

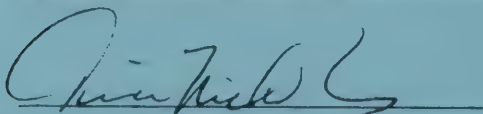

"To see if the Strafford School District will vote to raise and appropriate the sum of Twenty Eight Thousand Two Hundred Dollars (\$28,200) for the purpose of replacing windows and the front door from the elevation left."

The School Board recommends this appropriation.

ARTICLE #9

To transact any other business that may legally come before this meeting.

Given under our hands at said Strafford this 12th day of February, 2014.

Superintendent's Report

The 2012-13 school year was a challenging, yet successful school year. Staff worked throughout the year to revise lessons and curriculum to increase the academic rigor as we move forward to the Common Core Standards. Technology needs continue to be addressed to ensure that we are ready for the computer based state testing. The students of Strafford School continue to score well on the state testing.

Professional development was a focus as the Math In Focus Program was implemented. Innovative schedules and instructional techniques were put into place to ensure that every student is challenged to the best of their abilities. In addition, the Summer Literacy Program was expanded to include all grade levels, as well as math instruction.

Outdoor areas at the school also saw many improvements. The soccer field and fencing were completed with support from Strafford Recreational Sports. The students were also active in a wide variety of sports teams, in addition to participating in the Special Olympics. Other co-curricular areas the students participated in included Destination Imagination Team and the Kids Against Bullying group presentation in Concord.

Many thanks to the PTO as they continue to be a vital support group for the students at Strafford School. A few examples of programs they sponsored included Pumpkin Hollow Field Day, Field Trips, Teacher Appreciation Day and much more.

Although I started as your superintendent July 1, 2013, the desire of the community to ensure quality schools and exceptional educational programming quickly became evident. I want to thank you for your support of our schools as we continue the journey of continuous improvement.

Respectfully submitted,

Robert Gadomski, Ed.D.

Superintendent of Schools

Strafford School 2013 Principal's Report

Strafford School – A place where passionate, committed families, dedicated and knowledgeable staff, and prideful, respectful students come together to create greatness! As you walk down the halls in our beautifully maintained building you will see and hear excellent teaching and engaged students. This excellence and creativity is evident in all that we do each and every day. There are constant examples and displays of problem solving, top quality art work, excellent academic achievements, beautiful voices, and social graces. The students of Strafford School seem to rise to any and all expectations and most often exceed those expectations. One of our Destination Imagination teams went to Tennessee to represent us in the Nationals and our Kids Against Bullying group went to Concord to speak and be recognized for their amazing contributions. We are so fortunate to have such an involved community. This level of support translates into the amazing student body that is “Strafford School”. Thank you for allowing us to share in the development and growth of such well mannered, empathetic, awesome kids!

Our students are a result of not only their own dedication and hard work, but that of their families/guardians and the staff that supports them each day. I have truly never worked with such an intense, supportive, knowledgeable group of people who legitimately care about not only the students in their classroom, but the entire student body and each other. The staff at Strafford School come together regularly to problem solve for kids. This was recognized through our Circle of Excellence Award from the State of New Hampshire this fall. This award recognizes schools where students perform at extremely high levels of academic achievement. Our students would not be able to gain and maintain such excellence without the stellar staff that is behind them. Thank you to the entire staff at Strafford School. Our custodial, secretarial, technology and kitchen staff go above their listed duties each day to ensure that we are all functioning in tip top shape and that all needs and little bodies are accounted for while our teaching staff helps to fill those brains with solid information and problem solving skills. It truly does take a village.

The start of this school year has been riddled with change and adjustment. Change – frightening for most, exciting for some, and ultimately energizing for all. Many changes took place this year with student achievement at the forefront of the decision making. Teachers were moved to different grade levels to capitalize on their areas of certification and expertise, to create a spark with some new thinking and content, and to build new well balanced grade level teams. We have also been working diligently with math consultants and trainers to implement the newly adopted Math in Focus series. I need to take a moment to acknowledge that yes; our New England Common Assessment Program (NECAP) scores have declined. This is not cause for worry or concern at this time. Due to the shift from the NECAP assessment to the Smarter Balanced Assessment we needed to

adjust how we teach our students to be test takers. Adjustment and teaching takes time and can only be accomplished once it has begun. So, as we have shifted to the Common Core Standards we have also shifted to instructing our students on how to attack a multi-step, multi-discipline assessment item with solid justification for their response. I also understand that the Common Core Standards themselves have been upsetting to some and confusing to others. Rest assured that we as educators have always taught to a set of academic standards in New Hampshire. For years teachers have been following and teaching to the grade level expectations as dictated by the state. The Common Core is no different. However, we now have a greater emphasis on depth of knowledge, mastery, and factual knowledge. The Common Core can at its simplest be viewed as education without zip codes. Now, when a family moves from one state to another, the receiving school will have greater consistency regarding what the child has been taught and when.

During this year of adjustment the staff has continued to focus on climate and culture within the school setting. At the forefront of our studies and discussions is the Responsive Classroom approach. Responsive Classroom is a research- and evidence-based approach to education that leads to greater teacher effectiveness, higher student achievement, and an improved school climate. If we do not model our expectations and demonstrate consistency then we cannot assume that our students know what we want them to do. There are 3 main modules of study through Responsive Classroom; The Morning Meeting, Teacher Language (The Power of Our Words), and Teaching Discipline in the Classroom (Rules in School). This year we have taken on the challenge of the Teacher Language module. You may hear teachers using phrases such as; "Show me how we....., What does it look like when....., What does it sound like when....., Remind me how we.....". This use of this type of language encourages students to think about their own choices and actions and will ultimately promote independent, intrinsically motivated self starters.

As we work through the remainder of this school year and into the next we will continue to celebrate our accomplishments and improve/adjust areas of need while we laugh and share the school day with your children. I thank you for the opportunity to serve the students, families, and staff of Strafford School.

Respectfully,

Deannah Wallace

Principal

ANNUAL REPORT FOR THE TOWN OF STRAFFORD 2012-2013 SCHOOL YEAR

The Board of Trustees of Coe-Brown Northwood Academy is pleased to provide this Annual Report of the 2012-2013 school year to the Strafford School Board. We have enjoyed a long-term cooperative working relationship with the Strafford School Board and continue to work hard to ensure the educational opportunities for Strafford students are competitive, satisfying and of the highest quality. The Board of Trustees strives, through its administration, faculty, and rigorous academic and co-curricular programming, to provide the most comprehensive and challenging educational experience for Strafford students.

The included information should provide an overview of current and future educational and development plans for the Academy.

Strafford Students Enrollment Breakdown: 2012-2013

	August 2012	May 2013
Seniors	72	65
Juniors	49	49
Sophomores	58	57
Freshmen	52	51
TOTAL	231	222

Of the total students enrolled from Strafford at Coe-Brown Northwood Academy, the following enrollment changes took place throughout the 2012-2013 school year:

Strafford Students Enrollment Changes by Class: 2012-2013

	Dismissed	Moved	Additions	Other Reasons
Seniors	1	7	1	0
Juniors	0	1	1	0
Sophomores	0	2	1	0
Freshmen	0	3	2	0

For those students who were dismissed, 1 attended the SAU #44 Alternative Education Program.

CBNA offers a traditional high school academic program, with several Honors level and Advanced Placement level coursework. Strafford students took advantage of such programming in the following manner:

Strafford Students and Honors Programming: 2012-2013

Class of 2013 Graduating with Honors:	76%
---------------------------------------	-----

Enrollment in Honors Level Courses:

Class	Number of Students	Class	Number of Students
Chemistry Honors	13	Spanish IV Honors	2
Physics Honors	6	Spanish AP	2
Honors & AP Art	5	French IV Honors	4
English 11 AP	7	Calculus Honors	6
English 12 Honors	19	Calculus AP	2
English 12 AP	4	Economics Honors	15
US History Honors	8	US History AP	5

CBNA believes strongly that reading is the key to success for our students. We utilize several methods to assess student reading levels, including the NECAP examination, the Scholastic Reading Inventory, and individualized testing and assessment via our Reading Specialist.

Strafford Reading Levels: 2012-2013

Class of 2014 *NECAP* Reading Levels October 15, 2012: **88.0% Proficient**

Class of 2016 *Scholastic Reading Inventory*: June 21, 2013

Advanced: 25%	Proficient: 39%
Basic: 26%	Below Basic: 10%

Following graduation from Coe-Brown Northwood Academy, Strafford students participate in many varying post-secondary experiences.

Strafford Post-Graduate Experiences

	Strafford Class of 2012	Strafford Class of 2013	Entire CBNA Class of 2013
4-year post secondary	24	43 (65%)	90 (56%)
2-year post secondary	17	11 (17%)	35 (22%)
Other programs	6	0 (0%)	0 (0%)
Military	3	2 (3%)	10 (16%)
Work Force	7	10 (15%)	20 (13%)
Delayed Graduation	1	0 (0%)	5 (3%)

EDUCATIONAL PROGRAMS

As the sending towns have increased in population over the last thirty years, so has the student body at the Academy. This has allowed us to develop new programs and educational opportunities to best meet the needs of

our diverse learners. High standards of work ethic, behavior, and personal responsibility have been established and upheld by the administration, faculty and staff.

Positive feedback from students who have attended post secondary institutions, as well as their high academic performances at such places, informs us that they have felt well prepared for the challenges of college. This reflects on the academic rigor of their coursework here at Coe-Brown Northwood Academy.

The Education Committee of the Board of Trustees, which has voting representatives from Northwood and Strafford, annually reviews course offerings to ensure that they are appropriate to meeting students' needs and are in keeping with the high academic standards set by the Board and administration. For the 2012-2013 academic year, the following courses were added to the Program of Studies:

- Sports and Society CP
- Foundations of Teaching CP
- Power and Energy
- SAT Prep
- Intro to Business
- Basic General 3 Dimensional Design
- French II Honors
- Film and Production CP
- Criminal Justice CP
- AP Language and Composition

The Academy continues to develop curriculum and teaching techniques for meeting the Common Core Standards and in preparation for the upcoming Smarter Balanced Assessment which will be arriving in the spring of 2015. Students at Coe-Brown continue to score in the upper percentiles of the AP examinations, NH NECAP testing, and excel in many areas outside of academia as well. We have been thrilled to have so many members of the community come to the Academy to enjoy talented performances within our athletic, music, arts, and drama programs.

At this time of great educational reform, those representatives from the Northwood and Strafford School Boards who serve on the Education Committee have become even more important in providing a vital link between the Academy and the sending schools. These representatives influence student discipline, hiring of faculty, and assist in the coordination of educational programs. This joint participation is unique among schools that hold tuition contracts with other school districts. The Board of Trustees encourages the active participation by the Northwood and Strafford representatives. Individual faculty members, both at Coe-Brown as well as at Strafford School, have participated in a new program initiated by the joint board, "*Bridges*." Faculty members met repeatedly throughout the 2012-2013 year in different department groups with the goal of continuing to bridge any gap in the transition from elementary to high school. Their work has been positive and effective in improving the educational experience for our students.

CO-CURRICULAR

The Academy strives to provide opportunities for students to become well-rounded adults through an intensive co-curricular program. Dozens of clubs are available for student membership, including some of our most recently created: Tri-M Music Honor Society, Film Club, Creative Writing Club, GSA as well as some clubs that have been in existence for most of Coe-Brown's history such as FFA, Band, Chorus, National Honor Society, and many more. Students are encouraged to become as involved as possible. Each of these activities are monitored and evaluated to ensure a worthwhile experience that meets the Academy's mission.

Athletic offerings at the Academy continue to evolve with our student-athletes. The athletic programs provide opportunities for students to practice self-discipline, time management, the importance of teamwork and good sportsmanship. We have continued to see great success with our student athletes, including winning Girls' Cross Country Division II State Championship, Girls' Indoor Track Division II State Championship, Girls' Outdoor Track and Field Division II State Championship, Girls' Softball Division II Runner-Up, Girls' Volleyball Final Four, Boys' Basketball Final Four, and the 2012-2013 NHIAA Division II Sportsmanship Runner-Up. We had an enjoyable first year of a cooperative ice hockey team, a Bass Fishing Team and are looking forward to the start of boys' and girls' lacrosse this upcoming spring.

As with all programs, the Board of Trustees is striving to provide first-class athletic facilities and to make them available, as appropriate, to the citizens of Northwood and Strafford. This is in keeping with the Board's commitment to make the Academy a part of the local communities. Many of you have already visited our new soccer and softball field and will see positive updates on the baseball field.

PHYSICAL PLANT

The Board of Trustees has worked to develop and implement a multi-year Master Plan to enhance the Academy's education services. This includes a review of current classrooms, pedestrian and vehicular circulation patterns, new facility needs and possible locations for these facilities. The Academy's ability to construct new facilities is based on very limited available funds that can be used for such endeavors.

Because the Academy does not receive any state funding, all capital construction must be funded through endowments and the rental charge to sending schools based on the current valuation of the property. This fiscal constraint does limit the Academy's ability to construct new facilities. For that reason, each construction project is considered carefully and has been deemed necessary and vital for continued growth of the Academy.

All who have driven by the Academy have seen the construction taking place on Smith Hall, begun in the late spring of 2013. This project will conclude with six new classrooms, an updated atrium, and a cat-walk through the main lobby. This much needed, modernized space will be utilized by the math department upon completion of construction. We have appreciated all students, faculty, parents, and community members who have been flexible in working around the construction crews and who have seen our temporarily messy appearance.

In addition, the student kitchens and greenhouse have been improved significantly, assisting two very important curriculum areas for our students. We have been proud of the work done in our vocational areas, preparing students for careers in these practical and thriving fields.

THE BOARD OF TRUSTEES

The Board of Trustees and its committees (Administration, Athletics, Development, Education, Facilities, Fiscal Management, & Long-Range Planning) continue to work to enhance the educational opportunities for the students. The Education Committee, with representatives from Northwood and Strafford, continues work on long-range planning goals that better address curriculum and educational needs of the students. Faculty selection is a critical part of the process to ensure exceptional staff who are not only highly qualified, but are dedicated to the educational process. The input from the Northwood and Strafford representatives plays a critical part of the process.

The Athletic Committee supports enhanced opportunities for students to participate in team and club sports. A wide variety of year-round programs and camps are also available to students. The Academy staff is working to enhance cooperation and participation with the elementary schools in both the athletic and arts areas. Parental support of these programs is important and the Committee is working on this issue in conjunction with the administration.

The Development Committee is actively working on programs that support and enhance alumni relations and fundraising activities. Although Coe-Brown Northwood Academy has full tuition contracts with Northwood and Strafford, it is still a private school administered by a Board of Trustees which is responsible for the financial integrity of the Academy. The publication of the *VISIONS* magazine and fundraising drives are vital steps in continuing to reach out to alumni and prospective students in the process of maintaining our long-range plan. The generosity of many people has resulted in enhancements to the physical plant, educational opportunities for students and faculty and a higher level of recognition of the quality of education offered by the Academy to local students. All this has been accomplished without utilizing tax dollars.

THE FUTURE

The Board of Trustees thanks the town of Strafford for the cooperative spirit and joined efforts to best serve our high school students. We anticipate a continued constructive and productive relationship with the Strafford School Board and between the Headmaster and Administration of Strafford School and SAU #44. The Board is committed to expanding the educational experience of its student body to best prepare them for the future challenges they will face as adults. We look forward to a continued long-term relationship with the citizens of Strafford in achieving this endeavor.

2013 Strafford School District Meeting SAU #44

March 13, 2013

7:00 PM

School Board Members:

Ms. Lynda Powers, Chairman
Ms. Debbie Hinrichsen, Vice Chairman
Mr. Bruce Patrick
Ms. Tina Nichols
Ms. Carol Lord

Others:

Moderator James Allmendinger
Dr. Michael Ludwell, Superintendent, SAU #44
Mr. Frank Markiewicz, Business Administrator, SAU #44
Ms. Erica MacNeil, Assistant Special Education Director, SAU #44
Mr. Dennis Mayo, Principal, Strafford School
Ms. Deannah Wallace, Assistant Principal, Strafford School
Mr. Gordon Graham, Esq.
Ms. Carrolle A. Popovich, Strafford School District Clerk

Moderator Allmendinger called the 2013 Strafford School District Meeting to order at 7:00 PM, declaring that there was a quorum present and that the Warrant had been duly posted. He noted that the purpose of the meeting was to conduct all lawful business to come before the body, and consider Warrant Articles 1-8. At this time, Moderator Allmendinger asked that everyone rise for the Pledge of Allegiance to the Flag. He introduced himself as well as those sitting at the front tables, noting the following: Ms. Lynda Powers, Chairman, Strafford School Board; Ms. Debbie Hinrichsen, Vice Chairman, Strafford School Board; Mr. Bruce Patrick; Ms. Carol Lord; Ms. Tina Nichols; Dr. Michael Ludwell, Superintendent, SAU #44; Mr. Frank Markiewicz, Business Administrator, SAU #44; Ms. Erica MacNeil, Assistant Special Education Director, SAU #44; Mr. Dennis Mayo, Principal, Strafford School; Ms. Deannah Wallace, Assistant Principal, Strafford School; Mr. Gordon Graham, Esq., legal counsel for SAU #44 and Ms. Carrolle Popovich, Strafford School District Clerk. Moderator Allmendinger asked that those wishing to speak state their name slowly. He noted that if there was the need for a ballot vote, volunteers to help count votes would be needed, and added that and anyone who wished to make a motion speak clearly and slowly, so that the Clerk could record it. Moderator Allmendinger pointed out that there were several non-residents – Mr. Dennis Mayo, Principal of the Strafford School; Ms. Deannah Wallace, Assistant Principal of the Strafford School; Dr. Michael Ludwell, Superintendent, SAU 44; Mr. Frank Markiewicz, Business Administrator for SAU #44; Ms. Erica MacNeil, Assistant Special Education Director and Mr. Gordon Graham, Esq., legal counsel for the SAU #44 School in attendance, and noted that, without objection, he would allow these individuals to speak, if called upon and answer any questions that might come up. He also requested that those in attendance silence their cell phones, pagers or any other electronic devices during the meeting. Moderator Allmendinger reviewed the rules for the conduct of the meeting, noting that they were “Jim’s Rules”. He stated that the rules were as follows: order would be preserved for the conduct of business; all persons who wished to address the meeting should do so through the moderator, using the microphone, and speak clearly, beginning their remarks by stating their name and where they live. Moderator Allmendinger also stated that no one would be allowed to speak more than once on a subject until all individuals desiring to speak had at least one chance to do so. He stated that he would not vote on Articles, but might vote to create or break a tie, or vote on a secret ballot, adding that the exception to that rule would be if there was a need to have an assistant moderator step in, in his place. Moderator Allmendinger asked that all motions and amendments be stated in the positive; that all remarks being made during the meeting be confined to the issue and not to personalities; comments not directed to the motion being debated would be discouraged by the Moderator; he would not tolerate profane or inappropriate language or personal attacks; if the meeting got out of hand, he would recess the meeting until it was quiet and would have any person that did not obey the rules removed from the meeting. Moderator Allmendinger stated that a motion would not be subject to debate, until it was stated by the Moderator and seconded. He noted that he would allow one amendment to the motion and one amendment to the amendment. Moderator Allmendinger stated that he would allow a motion to move the question, only after he felt that there was adequate debate on the motion, and would then ask if the body was ready to vote on the motion; he would call for a secret ballot vote if he felt it was

needed to get a fair vote without intimidation, or if he felt that the vote was too close to call otherwise. He stated that otherwise, votes would be by show of cards or division of the house. Moderator Allmendinger stated that any registered voter could submit a request for a secret ballot vote to him in the meeting that included five (5) signatures prior to the vote. He stated that any vote was subject to a motion for reconsideration, noting that he might take Articles out of order, if he believed that it would better relate to the subject at hand or to expedite the meeting. Moderator Allmendinger noted one final rule, stating that if those in attendance believed that he made a mistake, they could rise and challenge his decision, and by a majority vote of the body, he could be overruled.

Moderator Allmendinger began by reading Warrant Article #1.

Warrant Article #1:

"To choose agents and committees in relation to any subject embraced in this warrant."

Moderator Allmendinger asked if there was anyone who had a motion to choose an agent or committees. There being none, he passed over Warrant Article #1.

Moderator Allmendinger then read Warrant Article #2.

Warrant Article #2:

"To see if the Strafford School District will vote to raise and appropriate the amount of Ten Million Six Hundred Fifty One Thousand One Hundred Twenty Nine Dollars (\$10,651,129) for the support of schools, for the payment of salaries for the school district officials and agents, and for the payment for the statutory obligations of the Strafford School District."

The operating budget warrant does not include appropriations contained in any other warrant articles

The School Board recommends this appropriation

Ms. Powers moved, duly seconded by Ms. Nichols to adopt Warrant Article #2.

Chairman Powers advised that the Board had held a public hearing regarding the proposed budget about a month ago, and went through the proposed budget, page by page. She thanked Administration and staff, and referenced a hand out that was available which spoke to the budgetary process, noting that the process took several months before it was then reviewed by the Board. She explained that the Board held several meetings where they went through the budgetary recommendations to determine what was appropriate to submit to the community. She noted that this year's budget was below the previous year's budget, stating that it was below 1% or \$117,000.00. Moderator Allmendinger noted that there had been a suggestion that a presentation be made at the Strafford School District Meeting regarding the implementation of Common Core Curriculum Standards. He referenced a hand out regarding Common Core Standards which was available to anyone at the meeting. He further noted that the same presentation was given at a meeting held on Monday, March 11th, adding that he would not ask that the presentation regarding Common Core be made, unless there was a "groundswell of interest" to have the presentation made. Moderator Allmendinger advised that the floor was open for discussion regarding Warrant Article #2. There being no discussion regarding Warrant Article #2, Moderator Allmendinger re-read Warrant Article #2. **On a show of cards, Warrant Article #2 passed, and was declared as such by Moderator Allmendinger.**

Moderator Allmendinger then read Warrant Article #3.

Warrant Article #3:

"To see if the Strafford School District will vote to raise and appropriate the sum of Fifty Three Thousand Dollars (\$53,000) for the purpose of purchasing new equipment to upgrade school security for Strafford school."

The School Board recommends this appropriation

Moderator Allmendinger referenced a hand out available which added detail to Warrant Article #3, and read the following: "School Safety Items - The following are estimates of safety upgrades as a result of discussions at school board meeting, staff meetings and discussions with parents. Gary Heselton, our facilities manager, has spent considerable time getting these estimates and proposals from companies in a short amount of time - thanks to him. These are proposed items and are not included in the budget:

- Install and program a digital camera system at entrances and all exterior views of the school building. A monitor will be stationed in the main office and the system will have a digital storage system. Proposal \$19,734.00
- Installing and upgrading the school phones to all rooms outside line access, voicemail, all-call and room-to-room calling. This will allow 911 to be called from any room in the building. Proposal \$9,915.00
- Bullet proof window with steel tray at front entry in office. Proposal \$5,760.00
- Window shade upgrades for elementary windows to replace current blinds. Proposal \$7,241.00
- School Intruder Security Door locks for classrooms – to replace 36 doors so they can be locked from the inside of the classroom with a key. Proposal \$10,350.00

TOTAL - \$53,000.00”

Ms. Lord then moved, seconded by Ms. Nichols, to adopt Warrant Article #3.

Mr. Davis Clark asked how window shades related to school safety. Mr. Mayo advised that the request for the window shades would allow them to be pulled down quickly in case there was someone outside of the school building that should not have school access, thereby prohibiting them from being able to see where children were within the school. He noted that some of the blinds in some of the classrooms did not close all the way, adding that the rooms presently could not be secured and sealed off to prohibit people from seeing inside the classrooms. Ms. Missi Kerivan asked if this security proposal included the outside modulars. Mr. Mayo explained that the proposal included the entrance between the modulars and the school building. **There being no discussion regarding Warrant Article #3, Moderator Allmendinger re-read Warrant Article #3. On a show of cards, Warrant Article #3 passed, and was declared as such by Moderator Allmendinger.**

Moderator Allmendinger then read Warrant Article #4.

Warrant Article #4:

“To see if the Strafford School District will raise and appropriate up to the sum of Twenty five thousand dollars (\$25,000) to be added to the School District Capital Reserve Fund, established in 1985, for the purpose of financing any and all capital improvements to school buildings. This sum to come from June 30, 2013 unassigned fund balance available for transfer on July 1, 2013. No amount to be raised from taxation.”

The School Board recommends this appropriation.

Ms. Hinrichsen moved, seconded by Chairman Powers to adopt Warrant Article #4.

Chairman Powers noted that money is added to this Capital Reserve Account every year, in case it is needed for problems regarding the building. She noted that the money does not come from taxation; but rather, from excess funds at the end of the year. Ms. Carolyn Clark asked if it would behoove the District to put the excess money from last year towards paying off the debt a little sooner. She further asked if consideration had been given to what the debt service cost, as it compared to what would be made on interest on the Capital Reserve fund. Mr. Markiewicz advised that the debt service is scheduled, adding that the District could not change from that debt service on the bond. He noted further that the District is part of a group (a group of municipalities and school districts) that came together for one bond, adding that the bank schedules the principle and interest payments through the term of the bond. He deferred further explanation to Attorney Graham. Attorney Graham explained further that each set of bonds that are sold have different conditions on them. He noted that each set of bonds has their own set of criteria regarding whether they can be paid off or whether they can be refinanced. Attorney Graham stated that because of the refinancing of bond debt through the issuance of new bonds, this practice has been given many more restrictions regarding bond refinancing.

Ms. Jane Vachon asked how much money was currently in the Capital Reserve Fund. Ms. Kerivan noted that this account had roughly \$345,000.00 within it. **There being no further discussion, Moderator Allmendinger re-read Warrant Article #4 and called for the vote. Moderator Allmendinger noted that, on a show of cards, the vote on Warrant Article #4 passed.**

For the record, Mr. Markiewicz noted that the balance within the School District Capital Reserve Fund (Warrant Article #4) had \$346,353.00 within it.

Moderator Allmendinger then read Warrant Article #5.

Warrant Article #5:

"To see if the Strafford School District will vote to raise and appropriate up to the sum of Twenty five thousand dollars (\$25,000) to be added to the Capital Reserve Fund for Education of Persons With Disabilities, established in 2010, for the purpose of meeting the expenses of educating students with disabilities. This sum to come from June 30, 2013 unassigned fund balance available for transfer on July 1, 2013. No amount to be raised from taxation."

The School Board recommends this appropriation.

Mr. Patrick moved to adopt Warrant Article #5. Ms. Hinrichsen seconded the motion.

Mr. Lester Huckins asked how much money was currently within that account. Mr. Markiewicz advised that that account currently had \$75,105.00 in it. Moderator Allmendinger asked if there were any other questions, comments or concerns regarding Warrant Article #5. **There being none, Moderator Allmendinger re-read Warrant Article #5 and then called for a vote on Warrant Article #5. On a show of cards, the vote on Warrant Article #5 passed.**

Moderator Allmendinger then read Warrant Article #6.

Warrant Article #6:

"To see if the Strafford School District will vote to require that the annual budget and all special warrant articles having a tax impact shall contain a notation stating the estimated tax impact of the article."

Ms. Hinrichsen moved, duly seconded by Chairman Powers to adopt Warrant Article #6.

Moderator Allmendinger asked if anyone had any questions or comments regarding Warrant Article #6. Ms. Hinrichsen explained that, if adopted, the tax impact would be noted next to the Warrant Article.

Mr. William Lord noted that this issue had come up before the town last year, noting the ruling from the Department of Revenue Administration. Attorney Graham stated that an opinion was provided by the Attorney General's Office and given to the Department of Revenue Administration that the information wasn't appropriate on a school district warrant. He stated that the legislature passed a law to allow it. Attorney Graham stated that, as a result of the new law, there was a specific State Statute, RSA 32-5 that allowed a vote at a school district meeting to adopt, until rescinded, the authority of the Board to put on the ballot and on the warrant, the tax impact of each article. Moderator Allmendinger asked if there were any other comments, questions or concerns regarding Warrant Article #6. **There being none, he re-read Warrant Article #6, and then called for a vote on Warrant Article #6. On a show of cards, Moderator Allmendinger declared that Warrant Article #6 passed.**

Moderator Allmendinger then read Warrant Article #7.

Warrant Article #7:

"Shall the Strafford School District vote to authorize, indefinitely until rescinded, the retention of year-end unassigned general funds in an amount not to exceed, in any fiscal year, 2.5% of the current fiscal year's net assessment for the purpose of having funds on hand to use as a revenue source for emergency expenditures and over expenditures under RSA 32:11, or to be used as a revenue source to reduce the tax rate, all in accordance with RSA 198:4-b, II?"

Mr. Patrick moved the adoption of Warrant Article #7. Ms. Lord seconded the motion.

Moderator Allmendinger asked if there was any discussion from the maker of the motion. Mr. Patrick stated that he was not in favor of Warrant Article #7, stating that he felt that the Strafford community had allowed the school district to have a capital improvement account for emergencies relevant to the school building, as well as another capital reserve account for students with disabilities. He stated that the only other time the school district would need monies was if the school board exceeded the budget, as a result of exceeding all the funds within the two capital reserve accounts. Mr. Patrick stated that he'd rather turn the money back at the end of the year to offset the taxes, adding further that if there was an emergency, the Board could come to the community to ask for additional appropriations. Mr. Patrick further explained that the language within Warrant Article #7 came from the legislative delegation in Concord, not from the school board. Attorney Graham noted that it was not just the appropriation side of the issue, but the loss of revenue, if there was a sudden drop. He pointed out that the State has continued to change the amount of funds that districts receive under the Adequacy formula,

and also with respect to the amount of money that is received for reimbursement from special education. He noted that if there is a shortfall in revenue, that shortfall falls on the district, and you then end up with a deficit, because the revenue is less than what was anticipated. Attorney Graham did note that there were ways of managing it in terms of estimated revenues. He noted that it was a “two-sided coin” – one – the appropriation and two – to cover shortfalls in revenue. Moderator Allmendinger noted that the floor was open for discussion. **Mr. Lester Huckins stated that he estimated the amount to be approximately \$250,000, and then moved that the vote on Warrant Article #7 be indefinitely postponed. Ms. Carolyn Clark seconded the motion.** Ms. Lisa Donnelly questioned Warrant Article #7, stating that she felt that Warrant Article #7 seemed to address the issue of being able to use it as a source to reduce the tax rate. Attorney Graham explained that Warrant Article #7 would allow the District to retain a small sum of money. He noted that the towns have had this same authority for years, and are instructed by the Department of Revenue Administration and government finance office to retain between 5% and 17% of the total net assessment for both the town, the school and the county assessment. He noted that Warrant Article #7 allows the District to retain money on the books instead of having it returned. Attorney Graham explained that, in the beginning, the money would not go back to the District in taxes. Attorney Graham further explained that the money would not continue to grow, noting that once the 2.5% cap was reached, in the future, any money over that 2.5% cap (if there was a balance), would automatically go back to the town. Attorney Graham gave an example, explaining that if there was a sudden increase in terms of the total cost that the District had, and there was money in this balance account, the school board could, at the end of the year, instead of causing a spike in the tax rate for the next year, use some of the money that is in the unassigned fund balance account to be applied towards the reduction of taxes, to offset some needed increases. He stated that it would have the effect, if managed properly, of allowing the District to smooth out the tax rate over a couple of years. Attorney Graham stated that it could be used to reduce the tax rate, to cover a shortfall in revenue and it could also be used if there was an emergency expenditure. He referenced RSA 32-11, the process for allowing an emergency expenditure. He noted that if the District had to spend more than their budget for some emergency reason, and didn't have money to cover the emergency within their capital reserve accounts, the school board could apply to the Commissioner of the Department of Education for permission to spend money over the amount that was appropriated during the school district meeting. He added that the request would have to go to the Commissioner of the Department of Education; the application would have to be reviewed and approved, noting that it could only be approved if there was a source of revenue. He noted that the source of revenue was having this fund. Mr. Patrick stated that the Strafford School Board has decreased the budget this year (on the school's side) by 48 cents, and stated that in his opinion, he did not feel that Warrant Article #7 was necessary. Moderator Allmendinger reminded the body that the motion on the floor was to indefinitely postpone Warrant Article #7. Ms. Carolyn Clark stated that she agreed with Mr. Patrick, noting that for the past 40 years, there has always been trust in the Strafford taxpayers, noting that if the Strafford School Board was up front and returned money that wasn't expended, if there was a need, the Strafford taxpayers would respond to the request. Ms. Jane Vachon asked if the Moderator would make it clear about the motion before the body. She stated that she'd like to see the body vote on the issue. Ms. Vachon stated that she was against Warrant Article #7, because of the explanation for the need regarding the uncertainty of the state meeting its' obligation to New Hampshire schools. She further stated that she did not feel that the state was doing a very good job of keeping their responsibility to New Hampshire schools. She pointed out the need to “hold their feet to the fire”, emphasizing that that obligation should be met. Ms. Vachon pointed out that funding to New Hampshire schools has been flat for several years, and felt that the Strafford School Board has done an amazing job in keeping up with this issue, adding that they deserve an accolade. Ms. Vachon stated that she was against the current motion on the floor, and was hopeful that Warrant Article #7 would be defeated. For clarification purposes, Moderator Allmendinger explained that if the body voted yes on the motion to indefinitely postpone, the body would not be voting on Warrant Article #7 to establish this fund, pursuant to the relevant State Statutes. Ms. Mary Dempsey asked for clarification regarding Warrant Article #7, asking if the school board was or was not recommending Warrant Article #7. Chairman Powers advised that the Board did not take a stand either way. Ms. Dempsey referenced the two capital reserve accounts, and asked if there were restrictions to capital expenditures, and whether the fund in Warrant Article #7 would cover different types of expenditures other than what are covered within the current two capital reserve accounts. Mr. Patrick explained how the two capital reserve accounts could be utilized. He pointed out that the Strafford School Board has worked hard on the budget to make it work, noting that this Board and previous boards have never gone into the “red”. Mr. Patrick stated that the townspeople trust the Board in managing these accounts. Chairman Powers explained that having Warrant Article #7 in place would not mean that this amount of money would be put in this account every year. She stated that if there was a major spike in tuition or other issues, these funds could be used for that. Chairman Powers noted that the utilization of these funds would have to be approved by the Commissioner of Education. Ms. Lisa Donnelly referenced construction issues which came about in 2009, noting that a permanent fix could not be done on the gymnasium walls at that time because there wasn't sufficient money within the School District Capital Reserve fund. She asked that if Warrant Article #7 passed, would it allow the District the flexibility to expend these funds on issues such as what had occurred in 2009. Further discussion

ensued with **Mr. Huckins moving to withdraw his motion to indefinitely postpone the vote regarding Warrant Article #7, so as to make the issue less confusing to the voters. Ms. Carolyn Clark withdrew her second to the motion.** Moderator Allmendinger noted that the motion to indefinitely postpone the vote on Warrant Article #7 had been withdrawn, and stated that the body was back to discussing the main motion, Warrant Article #7. Ms. Melinda Bubier stated that she appreciated all the work done by the school board, noting the amount of time that Mr. Patrick has been on the school board. She noted that she was relatively new to the town, and felt that the Strafford School was a great school, and that the budget process was also realistic. She referenced the fact that there was panic about two years ago when state funds did not come through timely, and, as a result, reductions in staff had been discussed and considered. Ms. Bubier noted that, as a result of a lack of, or untimely receipt of state funds, a concerted effort was made at that time to figure out how additional monies could be received, to keep staff. Ms. Bubier noted that it appeared to her that monies within an account, per Warrant Article #7, could be used for that purpose, if needed. Mr. Patrick pointed out that two years ago, one individual was laid off. Mr. Michael Tursi also pointed out that the State has applied for a waiver for No Child Left Behind, which gives flexibility for the State as far as funding for the districts. He noted that there still is a question about the amount of funding that will come into the districts, if the waiver is approved, and there were some questions which might not be answered about federal entitlements as well as adequacy funds. He noted that funds within an account, per Warrant Article #7 would provide some flexible spending. Mr. Tursi stated that the most effective way for student achievement is to have effective teachers and, without them, we would be affecting student improvement and achievement. Mr. Tursi spoke in favor of Warrant Article #7. Mr. Patrick asked Mr. Mayo if the reduction in staff was due to financial reasons. Mr. Mayo advised in the negative. Ms. Rollande Merz asked what would happen to monies in the account, at the end of the year. Attorney Graham explained that it was not really a fund, noting that it would not get transferred to the trustees of the trust fund. He explained that the money would stay on the District's balance sheet and would stay within the bank accounts that the District has for its cash needs. Attorney Graham further explained that the money would get recalculated every year, adding that the net assessment is not the amount of money that is assessed in terms of the equalized value for property purposes. He further noted that the definition of net assessment was the amount of money that is raised locally to support schools. Mr. Markiewicz stated that, as a point of interest, the Department of Revenue Administration had already established what the rate would be. He further noted that at the end of the next fiscal year, the school board would have the opportunity to retain up to \$194,879.00. Ms. Deb Fowler asked if there was money left over in the budget over the last couple of years, and questioned if balances could have been brought forward. Chairman Powers advised that traditionally, money left over is used for the purchase of some items requested by Administration at the end of the year, and the remainder gets turned back. Mr. Markiewicz stated that, as a point of clarification, the remaining monies are used to reduce the amount of money that the school district needs to fund their appropriations. He noted that two years ago, \$459,991.00 was returned and this year, \$458,676.00 was returned.

The question was moved, and duly seconded.

Moderator Allmendinger re-read Warrant Article #7, and called for the vote. Those in attendance voted. For clarification purposes, Moderator Allmendinger asked for another show of cards on the motion. On a show of cards, he declared that the vote on Warrant Article #7 was defeated.

Moderator Allmendinger then read Warrant Article #8.

Warrant Article #8:

"To transact any other business that may legally come before this meeting."

Moderator Allmendinger asked if there were anything else to come before the meeting. Ms. Mary Dempsey asked that in the future, those sitting at the front tables have name plaques.

A request to make the print larger on the documents handed out at the meeting for the visually impaired was made.

There being no further business to come before the March 13, 2013 Strafford School District Meeting, Moderator Allmendinger adjourned the meeting at 7:52 PM.

Respectfully,

Carrolle A. Popovich
Strafford School District Clerk
