Dedication

The Office Staff and Charlie's fellow Selectmen, Norman and Bill, would like to dedicate this year's Town Report to Charles F. Whitten, who is retiring this year from the Board of Selectmen.

"Charlie" was elected to the Board of Selectmen in March of 1949 to fill an unexpired term for two years. He was then elected and served another three years in 1951. Charlie also served as Selectmen from March 1976 to March 1982. He was appointed in May 1983 and has served consecutively since that time—a total of 19 years as Selectman. Charlie has experienced many of the changes that have taken place in Town; he has many interesting stories to tell about his tenure in office.

Charlie was also a member of the first Planning Board serving from 1969 to 1971. He was a Fire Warden from 1966 to 1972. He served on the Budget Committee from 1963 to 1973. Charlie has also served on various study committees; one in particular: the Feasibility Committee for Moultonboro to leave the school district.

Charlie's knowledge of the Town; his wit and Yankee Wisdom will be missed by all of his associates.

We wish him continued good health and happiness in his retirement from public office.

8. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) to be placed in the existing Capital Reserve Fund for the Revaluation of the Town of Tuftonboro. This article has the approval of the Budget Committee.
9. To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000.00) to be added to the Dump Closure Capital Reserve

- Fund, previously established. This article has the approval of the Budget Committee.
10. To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000.00) for the proposed addition to the Tuftonboro Library (said sum to be held in the Library Capital Reserve Fund until needed), and to authorize the withdrawal of Forty-four Thousand Two Hundred and Sixty Dollars (\$44,260.00) raised in previous years, plus any accrued interest, from the Library Capital Reserve Fund created for that purpose, for a total withdrawal in 1991 of Seventy-Four Thousand Two Hundred Sixty Dollars (\$74,260.00) (plus accrued interest). This article has the approval of the Budget Committee.
 11. To see if the Town will vote to raise and appropriate the sum of One Hundred Forty-five Thousand Dollars (\$145,000.00) to purchase a new Fire Truck and authorize the withdrawal of Seventy-nine Thousand Dollars (\$79,000.00) plus the accrued interest from the Fire Truck Capital Reserve Fund created for that purpose. This article has the approval of the Budget Committee.
 12. To see if the Town will vote to authorize the Selectmen and the Fire Chief to dispose of the 1952 two and one-half (2 1/2) ton Army surplus vehicle and take any moneys received and establish a fund for the restoration and preservation of the 1938 Ford Maxim fire engine. This article has the approval of the Budget Committee.
 13. To see if the Town will vote to raise and appropriate the sum of Sixteen Thousand Nine Hundred Fifty Dollars (\$16,950.00) for a computer system for the use of the Tax Collector and Town Office Accounts. This article has the approval of the Budget Committee.
 14. To see if the town will vote to adopt a plan for extending to employees of the Town the benefits of Title II of the Federal Social Security Act (Old Age, Survivors, Disability and Health Insurance) as authorized by Chapter 101 of the Revised Statutes Annotated amended by Chapter 301 and 332 of the Laws of 1955 and to raise and appropriate the sum of Seven Thousand Four Hundred Nine Dollars (\$7,409.00) to defray the Town's share of the cost thereof. The effective date to be the beginning of the calendar year, January 1, 1991. This article has the approval of the Budget Committee.
 15. If a plan for Social Security coverage is adopted, to see if the Town will authorize the Selectmen to execute on behalf of the Town the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the Town will designate the Selectmen's Secretary as the officer to be responsible for the administration of the plan.
 16. To see if the Town will vote to authorize the Selectmen to appoint a Task Force to be made up of volunteers to study and report back to them on the feasibility and possible implementation of a recycling program in anticipation of eventual State-mandated closing of the Town's landfill. No expenditure will be required for the study.
 17. To see if the Town will vote to authorize the Selectmen to enter into a Use Agreement with the Mirror Lake Community Church, also known as Second Christian Church of Tuftonboro, for the use of Lot A, the Ernest B. Piper Lot, for parking; any improvements and alterations to be approved by the Board of Selectmen and insurance in amounts and on terms acceptable to the Board of Selectmen to be provided by the Church.

18. To see if the Town will vote to authorize the Selectmen to convey Lot 62 Hidden Valley, Tax Map #69-2-62, acquired by the Town by Tax Collector's Deed in 1985. Such conveyance shall be by deed following a public auction, or the property may be sold by advertised sealed bids or may be otherwise disposed of as justice may require, pursuant to RSA 80:80. The Selectmen shall have the power to establish a minimum amount for which the property is to be sold and the terms and conditions of the sale.

19. To see if the Town will vote to authorize the Conservation Commission to retain the unexpended portion of its 1991 appropriation. Such funds to be placed in a Special Conservation Fund in accordance with RSA 36A-5.

20. To see if the Town will vote to authorize the Selectmen to accept on behalf of the Town gifts, legacies, donations and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19.

21. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) for interest charges, as approved by the Budget Committee, and to authorize the Selectmen to borrow money in anticipation of taxes, for the current year and issue notes therefor, said notes to be repaid from taxes.

22. To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations of the same, the sum of Five Hundred Eighty-eight Thousand Three Hundred Twelve Dollars (\$588,312.00) as recommended by the Budget Committee and such sums as may be required to cover the costs of any additional items voted at the meeting and in accordance with RSA 32:8.

23. To transact any other business that may legally come before this meeting.

Given under our hands and seal this 25th day of February, 1991.

REPORT OF THE TRUSTEES OF THE TRUST FUNDS

The Trustees of Trust Funds for the Town of Tuftonboro financial report is included in the annual Report of the Town.

Funds currently managed by the Trustees include: Cemetery Care Funds, the Shepard Scholarship Fund, Tomb Library Fund and the C.W. Davis Fund. These Funds are invested in CDs and the interest is expended yearly, being dispersed in a manner to maintain sufficient estimated amounts for the following and current year's expenses.

The capital Funds here are invested in line with expected expenditures to be voted by the people of Tuftonboro. (Piper House Capital Fund, Dump Closure Fund, Fire Truck Fund, Library Capital Fund, and Town Reappraisal Fund.)

The voters approved the purchase of a new Police Cruiser in 1990. The Fund was paid to the selectmen for the Cruiser. The balance of the Cruiser Fund is invested in a CD.

Reports of both capital and trusted other funds are reported to the Town and the State of NH Charitable Trust Agency after audit approval.

REPORT OF THE CONSERVATION COMMISSION

January 9, 1991

During 1990 the Conservation Commission processed thirty (30) new fill and dredge applications.

The State of N.H. Wetlands Board denied nine (9) permit applications and denied one (1) denial appeal.

The Conservation Commission investigated four (4) non-permitted activities and forward that information to the N.H. Wetlands Board.

The Conservation Commission assisted seven (7) permittees with applications and assisted others in obtaining additional information for the N.H. Wetlands Board.

There were administrative fines issued in five (5) cases.

The above statistics suggest that although the applications for permits were down from 1989, the State of N.H. Wetlands Board has been actively seeking monetary compensations for unauthorized fill and dredge activities in order to curtail that activity.

The Conservation Commission wishes to acknowledge and commend Mrs. Beatrice Johnson for the Conservation Easement that she presented to the Selectmen last summer for property on the Nineteen Mile Brook Estuary. We would also like to acknowledge the acquisition by the LCIP of lands donated by Mrs. C.C. Bentley and purchased from Wayne Parkhurst on the Twenty Mile Brook Estuary.

The Conservation Commission also continues to underwrite the purchase of "Ranger Rick" magazine for use at the Tuftonboro Central School with hopes that the students will acquire good conservation practices for the future.

Respectfully,

Francis W. Laase, Chairman

REPORT OF THE TUFTONBORO HIGHWAY DEPARTMENT

Winter plowing and sanding were done as usual. The beginning of the year was especially snowy and icy with a severe contrast as 1990 came to an end. Dirt roads were graded, raked, and crushed gravel was added to these areas.

The working relationship between the beavers and the highway department began in earnest in April and continues today.

The bridge on Sodom Road was widened and guard rails were put up. A certain amount of tree trimming was done on many roads which substantially increased visibility and safety in those areas where it was needed. The Old Town Road was widened, culverts were replaced and/or relocated on Harvest Lane, Eastwood Road and Burleigh Road. Also the entrance to the Burleigh Road was widened and shoulder work was done on Brown Road. Whitten Road was ditched and guard rails put up. Stone walls were relocated, road widened and then Tuftonboro Neck Road was paved. A hailstorm in May and severe weather in July caused significant damage to trees and a great deal of debris on the roads. In November approximately 2,000 yards of sand were stockpiled for winter use.

Thank you, everyone, for your cooperation. It is greatly appreciated.

Reg Colby, Road Agent

TUFTONBORO POLICE DEPARTMENT

The Town purchased a new cruiser in 1990. We now have two. We elected not to trade the '86 because we could only get \$600.00 on a trade in. I hope to run the '86 for two winters, then put it out to bid. If all goes well, we could trade every three years resulting in little or no maintenance on either cruiser.

We were able to have extra coverage this summer and early fall. I feel the extra coverage kept the accident rate down and will attempt to provide the extra coverage in 1991.

Should you require the services of the Police Department, the numbers to call are 539-2284 or 1-800-552-8960.

I wish to thank the New Hampshire State Police, Troop E, and the Carroll County Sheriff's Department for their assistance. I'm looking forward to another good year.

Charles "Terry" Berry, Chief

PARK & RECREATION DEPARTMENT

Tuftenboro's recreation facilities once again reached new high levels of use by the public and enjoyed substantial support by contributors providing needed services and assistance in achieving the success of the programs.

Mary Ann Murray's 1990 swim classes continued their growth with 87 children and two adults signed up for lessons, a 20% increase over 1989 registrations. The swimming classes progressed well in spite of somewhat chilly weather during the first two weeks. Only one day's sessions had to be cancelled due to heavy rain.

Two part-time assistants, Kerriane Cunniff and Nathan Dickey, helped manage the coverage of special swim activities. Their work included coaching the swimmers from Tuftenboro who swam with the Wolfeboro team; teaching the pre-beginners and helping with the shallow water beginners. The swim teams' overall increased participation this year included an informal inter-camp meet at Camp Belknap. The latest Red Cross program, Emergency Water Safety, was added to each of the five progressive swimming classes' programs. Two adults also participated and completed the appropriate level of instruction.

The cost recovery program continued and a modest fee increase to \$10 per child or \$15 per family was instituted. Fees, other than those turned back to the town, were used to purchase two hard cervical collars and a V-8 strap for use with the backboard. Some additional funds, together with contributions of lumber and foam, were used to build a portable swim platform which was constructed by Fred Williams assisted by some of the swimmers. Fred Williams also should be thanked for making some much needed repairs and improvements at the Town Dock. He replaced a board, covered a dangerous area and created a suitable diving platform for the advanced beginners group.

Recommendations for 1991 include addition of a lifeguarding course which could prove to be of considerable value to the community over a period of time. A paddle board, a diving brick and some additional part time instruction assistance would be required both to handle this new class and the expected continued growth in swim class enrollments.

Bruce Johnson directed and several members of the community helped with the completion of the basketball court and baseball backstop at Davis Field. Use of the area by the general public continued to grow as the facilities were improved. The shed from the skating area was relocated to the Field with the help of Dave Cash, Blair Rudolph, Scott MacDonald, Craig Johnson, Rob Newhall and Caleb Rudolph. The Tuftenboro Nursery School has assumed responsibility for the shed and the power bill for the yard light and, in turn, will use it for fund raising during the Little League and Soccer seasons.

Regular programs at Davis Field included Little League baseball, the Wolfeboro/Tuftenboro soccer teams and a local womens' softball league. Various large groups also used the field for softball and the Tuftenboro School used the facilities on a daily basis during the school year. Due to continued very

wet conditions during Spring and Fall, caused by water running onto the field, the perimeter requires shoring up and clearance of blocked stream beds.

The 19 Mile Bay area also experienced growth in the use of its facilities. Due to the anticipated relocation of Route 109 past the area and projected swimming area improvements, no major changes were undertaken this year. The Francis Laase family handled the purchasing and installation of a new rope and floats to mark off the safety area for boats. They also oversaw the use of the picnic area.

The town has been most fortunate in terms of the number of interested citizens who have donated time, effort and materials toward developing and managing the programs sponsored by the Department. Their efforts are truly appreciated and they help to continue our reputation as a truly caring community.

LIBRARIAN'S REPORT

1990 was an extremely busy year at the Library. Circulation was up 7%, and patronage increased by 18%. The video collection was extremely popular this year with a 30% increase in circulation over last year.

Throughout the year four classes from the Tuftonboro Central School were scheduled to come to the Library each Friday. This was very helpful in making the collection available to students. Thanks to Volunteers, Sarah and Sparky Grupp, Debb Rice and Jim Clark for making this possible.

The Library sponsored a Contradance demonstration by Dudley Laufman in March for children as part of the State's Rural Arts Initiative program. The Egmont Trio presented a Classical Music demonstration for children in August. This was funded by the State Council on the Arts Touring Program.

The Friends of the Library presented a lecture by Richard Lederer in April which was extremely well attended. The Tuftonboro Follies organized by the Friends and the PTO was an unforgettable success. The Summer Plant auction at Bill Stockman's was fun and lucrative. A good time was had by all at the Thomas Dodson Opening. Thanks to all the volunteers who made these events possible. Congratulations to Duke Southard on an outstanding first year as President of the Friends.

Extremely important in maintaining services at the Library are the many hours given by volunteers. Thanks to Peggy Bashe. Thanks to our young and very productive volunteer, Maggie Croteau.

The Library Building Committee was a pleasure to work with in 1990, and I believe we will see their work come to fruition in 1991.

It has been a great pleasure to welcome Janet Moody to the staff this year. Janet brings a great deal of expertise and dedication to the job. Thanks to Arline Knapp for her fifth year of service here, and we wish her good health in 1991.

I am grateful for the community support so freely given which has made this job a pleasure. I believe that the Tuftonboro Library is and always been an efficiently run and vital Library. I encourage those who agree with me to be vocal on the subject, not silent.

Respectfully submitted,

John E. Perkins, Librarian.

Engine 3
Forestry 2

The Department Officers are actively involved in preparing specifications for a new fire engine for presentation at the 1991 Town Meeting to replace Engine 1, a 25+ year old unit currently in service.

As Chief of Department, I would like to thank the volunteer membership of our Department for their dedication and enthusiasm, as well as the area public safety agencies for their assistance during the past year.

The members of the Tufonboro Fire Department will continue to provide our residents and guests with quality fire and emergency medical protection.

Respectfully submitted,

John H. Scott
Chief of Department

REPORT OF THE TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

During Calendar Year 1990, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without a fire permit from the Forest Fire Warden, permit fires that escaped control and rekindled fires. All of these fires are preventable, but ONLY with your help.

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done."

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000 and/or a year in jail and you are also liable for all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1990, including a 262 acre fire in Moultonboro and several fires in Hooksett.

In 1990, the New Hampshire Division of Forests and Lands trained 844 local Wardens and Deputy Wardens in the Incident Command System (ICS), an incident management system for all types of emergencies. In 1991, Wardens will be trained in the use of Class A foam in wildfire suppression.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of Forests and Lands at 271-2217.

CODE OFFICER'S REPORT

The Code Officer has written a total of 98 Building Permits this year: 26 for New Homes and 73 for additions and alterations. A slight drop from last year mostly in additions and alterations. The townspeople should also be aware that the Health Officer has logged 140 hours this year on septic and health complaints. This comes out of the Code Officers budget because none is provided for in the Health Officer position. This figure comes to \$1,925. Both positions have gone well this year. A few violations will carry over into 1991.

Respectfully Submitted,

Charles T. Rice,
Code Officer/Health Officer

PLANNING BOARD REPORT

The Planning Board had a relatively quiet year. We started out with two major projects being approved that began the process in early 1989. Both were cluster developments; one with 75 sites and the other with 26.

There were 5 subdivisions creating 6 new lots and 9 boundary line adjustments approved.

The developers for a condominium plan that was approved in 1987 came back to have the "condo" documents abandoned and their nine lots adjusted to 3 large lots.

The economy being the way it is they felt they would not be able to build the condominiums but could sell the land. It met with Board approval.

The Board proposed "Housekeeping" Zoning Ordinance changes in February that were adopted at the March Town Meeting.

Members are: Michelle Miller, Vanessa Vittum, Bob Grott, Stan Daley, Terry Berry. Norman Vittum is Selectman representative. Sue Week alternate and Jackie Rollins, Secretary.

Respectfully Submitted,

Fenton Varney, Chairman

BOARD OF ADJUSTMENT

The Board of Adjustment had 11 hearings in 1990; 8 were for construction involving inadequate side line set back; 5 were denied and 3 approved.

Three (3) hearings were appeals to a prior denial. All three were within the same lot wishing to expand their porches closer to each other not to boundary lines. They were approved.

Members: Harlow Sarles, David Haeger, Ivan Phelps, Don Guarino and Terry Berry; Planning Board Representative.

Respectfully Submitted,

Arthur Worthington
Chairman

VISITING NURSE ASSOCIATION
Annual Report 1990

The Visiting Nurse Association of Wolfeboro and Vicinity, Inc. continues to provide both Home Health Care and Clinic Services for Tuftonboro Residents.

The following services were provided to Tuftonboro residents in 1990:

Home Care:	Number Served	Visits
Nursing, Physical and Speech Therapies, Health Aide	57	1,258
Clinic Services:		
Flu Clinics	81	81
Cholesterol Clinics	16	16
Child Health Program	18	32
School children Immunized	<u>14</u>	<u>14</u>
	186	1,401

Funding for these services is received from Medicare and other insurances, fees collected and a Grant from the N.H. Bureau of Maternal and Child Health. Gifts, Donations and Town Appropriation monies enable us to continue to provide needed services to residents without regard for their ability to pay.

In January a monthly blood pressure screening clinic will be held on the third Thursday of each month at the Town Office building between 10 and 11 am.

As we begin our 46th year of providing services to Tuftonboro residents, the Board of Directors, the Staff and I again offer our sincere thanks for your many years of support and assistance.
