### CHAIRMAN'S REPORT.

The schools for the last year have been very satisfactory. We secured a higher grade of teachers than last year, which meant higher wages. With the work the teachers are doing, the schools were too short. We hope that next year will see better work and teachers secure. The school board have done their best this year to give satisfactory results, but they find they are not out of trouble. We find that in 1900 there was a bill of \$300.00 dollars or more, of which only \$125.00 has been paid to the American Book Co., for text books and one other bill. This must be paid. We hope the voters of the town of Dalton will raise the amount and pay this up so they will not have this hanging over them.

## TOWN LIBRARY REPORT.

We commenced the current year with 648 books in the library. There was no appropriation made for new books at the March meeting.

I have repaired several books the past year, so keeping them in existence.

The books are fast wearing out, and if the people desire a library there should be an appropriation made for its benefit.

Received from town treasurer, \$21.00.

Paid for books, \$6.00

Paid for repairs, care of library, etc., \$15.00.

BLANCHE E. HURLBUTT, Librarian.
