Congressman
Chester E. Merrow

Dedication

Born in Center Ossipee in 1906, Chester E. Merrow served his town, state and nation with distinction for many years. He died February 11, 1974. It is with a sense of real appreciation that this report on the affairs of the community he loved and served so well is dedicated to his memory.

The son of Llewellyn and Florence Nichols Merrow, young Chester worked his way through school graduating from Brewster Academy in 1925 and in 1929 from Colby College, Me. He received a Master's degree from Columbia University in 1937.

From 1929 to 1938 he served as an instructor, headmaster and dean of secondary schools and colleges in Vermont.

In 1933 he married Nellie Margaret Sands of Albion, N. Y. and the couple had one son, Daniel S. Merrow.

His public career began in 1938, following his return to Ossipee. He was elected to the N. H. State Legislature serving as Chairman of the House Ways and Means Committee and as a member of the Committee on Banks.

In 1942, Mr. Merrow was elected to Congress and served on the House Foreign Affairs Committee for 18 years. He travelled extensively during those years and in 1945 was a delegate to the United Nations International Conference on Education and Cultural Relations as well as several other United Nations commissions. He also served as a congressional advisor to the State Department and the Treasury Department.

Following his years in Congress he worked for the State Department and completed his book "My Twenty Years in Congress."

Active in local affairs, Mr. Merrow was also a Trustee of Brewster Academy in Wolfeboro, a member of numerous fraternal and social organizations, and active in the affairs of the Moultonville Church.

JUNE C. LOUD,

REPORT OF THE OSSIPEE DISTRICT COURT **(for the year of 1974)**

The workload of the Court continues to increase, with 1526 cases being filed in 1974. The change in the law regarding civil jurisdiction and the economic recession have had their effect, with 308 civil actions filed, 276 of them being Small Claim collections.

While the Court is not a business and shouldn't be expected to show a profit, it is true that the Town has benefitted economically from the Court's existence. The Court's reduction in receipts of some \$3,000. was somewhat offset by the \$1,900. saved due to the Governor's failure to fill the vacancy in the Special Justice's office. The questions of whether the Court should be adding to the Town's revenues and should a Special Justice be appointed to strengthen its ability to serve the District may soon be answered by the present Legislature.

Pending before the N.H. General Court is a bill to abolish part-time justices, along with the Ossipee District Court. Should this be enacted into law, Ossipee would be without a District Court. All cases arising in the District, which includes Ossipee, Wakefield, Effingham, Freedom and Tamworth, would be brought before the Carroll County District Court sitting either in Wolfeboro or Conway. The Town of Ossipee would pay no expenses for the operation of the Court nor would it receive any share of its revenues.

As long as the Ossipee District Court continues, it abides as a public forum wherein the people of the 5 towns it serves may seek redress of their grievances and the State, in the name of the people, can prosecute those violating the laws within its confines. Whether its continuance is warranted is in the hands of the members of the Legislature representing these towns and their colleagues voting in Concord.

Respectfully submitted,
LAWRENCE J. WALSH, Justice.
JUNE C. LOUD, Clerk.

REPORT OF OSS�PEE POLICE DEPT. 1974

I would like to express my sincere thanks to the Board of Selectmen, Department Heads, other Town Employees and the Citizens for their support and cooperation during the past year.

Again this year our traffic program proved its worth in that we had no fatal Motor Vehicle accidents and for the most part minor injuries.

The Summer Cadet Program worked well with the town using two Cadets for a total of 800 hours at a cost of only \$86.00. The Cadets job covers all phases of Police work, except carrying fire arms and making arrests.

The case of double Homicide is by far the toughest case of the year, with the States Attorney General heading the investigation along with County Attorneys office, State Police, Sheriff Dept., Ossipee Police, and many other agencies. At one point in the investigation up to fifty people were working on the same day. The case is now 5 months old and is still being worked on, on a daily basis. The Cadets were very valuable. They were active in the investigation in many areas, such as paper work, phone answering, radio dispatching, and some of the field investigating. The Town saved much money.

In closing, let me say that it has been a pleasure to serve you, the people of Ossipee for the past year.

Respectfully,
JOHN E. FOGARTY
Chief of Police

**To the Selectmen and citizens of the Town of Ossipee:
OSSIPÉE RECREATION DEPARTMENT**

Since its conception in January of 1971, the Ossipee Recreation Department has rapidly progressed with the addition of programs influencing a large majority of the towns population.

This past year was particularly successful with the Recreation Department involved in the following programs throughout the year 1974:

Ossipee Little League (sponsored by Earnshaw Lumber Co.), American Red Cross Swimming Instruction, August Youth Day Camp, Rock Dance, Girls Summer Softball league, Ice Hockey team (sponsored by Rines Garage), street hockey (coach Ralph Floria), Mens' Basketball (sponsored by Northern Land Traders), Girls' Basketball, weight lifting program, public ice skating rink, guitar instruction, gymnastics with trampoline, (trampoline loaned by the Bradleys of Bradley's Landing), Girls and boys fourth, fifth, and sixth grade after school recreation, Adult Recreation, Open Recreation for Youth (table hockey, table tennis, volleyball, badminton, wrestling, basketball, trampoline, weight lifting, floor hockey, juke box, yatzee, monopoly, cards, chess, checkers), summer and in school employees (Tri-County-C.A.P.), sponsor of Carnival Queen Contestant, tutoring High School Equivalency participants in cooperation with the High School Equivalency Program.

The town has been fortunate in acquiring federal funds for an Assistant Recreation position filled by University of Maine graduate, Wesley Shattuck. Mr. Shattuck's versatility has increased the departments output since his acceptance of the position last December.

The Recreation Department takes this opportunity to extend appreciation to the citizens of the Town of Ossipee for their support of the Recreation Program - the sponsors, the coaches, volunteers, and participants who create, by their interest in the community the successfulness of the program.

Respectfully submitted,
JAMES THOMPSON
Recreation Director

OSSIPEE NURSING SERVICE
1974 Annual Report

This year has shown a great deal of progress in the establishment of a visiting nursing service to provide skilled nursing care on a part time basis in the homes of individuals.

A Board of Directors was established and nurse Barbara Anderson was hired in August. Since that time she has been making home visits and attending to individuals in her office.

The progress and success accomplished this year has been gratifying. However, we hope that the coming year will prove even more successful and a greater benefit to the community. We are grateful for the support which has made this most needed service available.

DOUGLAS W. MEADER
Chairman
Ossipee Nursing Service
Board of Directors

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

REPORT TO OSSIPEE

All open burning when the ground is not covered with snow is controlled by the Town Forest Fire Warden in cooperation with the New Hampshire Forest Fire Service. Anyone wishing to kindle a fire out-of-doors when the ground is not covered with snow must have a written permit signed by the Town Forest Fire Warden. If the fire is to be kindled on land not owned by the person kindling the fire then he must have the permission of the land-owner. No outdoor fires can be kindled between 9 a.m. and 5 p.m. unless it is raining, without the additional approval of the District Forest Fire Chief.

The 1974 forest fire season was one of the worst in the past two decades. Woodlands in central and southern New Hampshire became so dry in mid August that the Governor and Council, upon the recommendation of the State Forester, enacted a partial woodlands closure in Sullivan, Cheshire, Hillsborough, Merrimack and Belknap Counties and a complete woodlands closure in Strafford and Rockingham Counties plus the Towns of Barnstead, Gilmanton and Alton in Belknap County. Through the excellent cooperation of the citizens of our State no major forest fire occurred at any time during the year.
