ANNUAL REPORTS
OF THE
TOWN OFFICERS
OF
STODDARD, NH
FOR THE YEAR ENDING
DECEMBER 31, 1990

About the Cover:

Shown on the cover is the Stoddard Stone Arch Bridge, which was built without the use of mortar in 1852. It was considered "extravagant" by the voters of that time and none of the selectmen who were responsible for its construction were ever again elected to office.

This design and one of the Stoddard Historical Society building are available on note paper which may be purchased through the Historical Society (446-3417), at the Stoddard Library or at the Mill Village General Store.

SELECTMEN'S NARRATIVE

The year 1990 has been long and difficult for the Selectmen. The revaluation is now complete, but questions and problems associated with it continue. The standard comment has been that land values are overstated. The state used a three year average of sales to compute their current market. The equity for taxpayers comes from the fact they are all equally high. This has caused our Tax Rate to fall from \$33.73 per \$1,000.00 of valuation to \$8.58, a reduction of almost 75%.

Although many have appealed their revaluations, adjustments have been made when errors in measurement and deeds are discovered, or other tangible characteristics have been overlooked. Arguments of the current market value, even when supported by independent appraisals, have not received favorable consideration in most cases.

Twice a year tax bills have eased the Town's cash flow problems. We still have to borrow, but not as much and not as long. We are working to minimize the need for any loans, other than capital projects. The goal of the Selectmen is to reduce interest on our borrowing and this is happening with twice a year tax billing.

The Selectmen worked very hard this year to adopt the Optional Expanded Elderly Exemptions and the Expanded Veterans' Exemption. We were happy to have had this in effect at the same time the new values were used.

The operation of the Transfer Station continues to be something of pride for the Town. The recycling program, now mandatory, has saved us money and continues to be environmentally sound. We appreciate the cooperation that everyone has given to this project. The attendant, Mr. Robert Kirker, deserves much credit too, for the efficient operation of our transfer station.

During 1990, Stoddard has completed more road work than any other year in recent history. The Valley Road is now finished. King Street is coming along well, but the clock ran out against winter. The Selectmen would like to thank all the residents in the Hidden Lake Development/King Street area for their cooperation during the construction period. We also have worked on Shedd Hill Road again and will continue to do so. The bridge at the bottom of Shedd Hill near the fire house, is in very poor condition. The State does annual inspections of town bridges and reports their condition to the Selectmen.

This year's Town Warrant is without the large appropriations sought in the past. The Warrant this year is about \$190,000.00 less than last year's. We know this has been a difficult period for many and we have responded with a conservative request for funding.

We would like to thank Dr. and Mrs. George Cahill for the land that they have donated to the Town.

AUDITORS REPORT

We hereby certify that we have examined the records of the Selectmen, Town Clerk, Tax Collector, Treasurer, Trustee of Trust Funds, Cemetery Commission, Library Trustee, Planning Board and Boat Permit Fee Agent of the Town of Stoddard, New Hampshire for the year ending December 31, 1989.

In our opinion, the aforementioned records together with their financial statements and auditor's report present fairly the financial position and the results of its operations and changes in it's financial position for the year ended, in conformity with generally accepted accounting principles, applied using cash basis methods consistent with that of the preceding year.

Verification letters (129) were sent of the unpaid tax bills on March 14, 1990 with request for responses for incorrect bills only.

Recommendations:

1. As no Cash Book was located for the Boat Permit Fee Agent, we recommend that one be instituted.

Virginia R. GrandPre', Town Auditor
Louis E. GrandPre', Town Auditor

US Census states the Town of Stoddard has 622 residents as of 1990!

DAVIS PUBLIC LIBRARY

The library was open from 9:00 to 10:00 a. m. on Saturday mornings again this summer. The school children visit the library Wednesday mornings at 9:00 a. m.; the library is open until 10:00 a. m. on that day. The general public is welcome during this time. Our regular Thursday evening open hours are still held from 7:00 to 9:00 p. m.

The library now subscribes to the Junior Literary Guild. We receive three new award winning children's books of different reading levels from the Guild each month.

We extend thanks to all those who donated to and attended the annual book sale during Old Home Days in July. Circulation increased to more than 1600 volumes this year. New purchases and donations totalled 456 items.

Two new bookcases were added to the children's room at the library this year. This allows for better organization of the children's room.

We extend our thanks to the people who made donations of books during the year. They were: Charles Chandler, Alan Rumrill, Lina Vaillancourt, Monadnock Family & Mental Health Service, Dr. & Mrs. George Cahill, Mr. & Mrs. Henry Klie, Mr. & Mrs. Arthur Fiske, Mary Conklin, Earle Lund, Jim & Nancy Bailey, Merrilyn McDonald-Grandin, Judy Seaver, Joseph Rossi, Mr. & Mrs. M. C. Tsen, Helen Laubshire, Pauline Chandler, Ray & Harriet Colclough, and anonymous donors. Thanks also to Charles Chandler for the donation of a new office chair for the librarian's office.

REPORT OF THE STODDARD FIRE & RESCUE DEPARTMENT 1990

1990 has been a year of change for the Stoddard Fire and Rescue Department. The most obvious change is the purchase of the town's new pumper/tanker truck. This purchase culminates 5 years of budgeting and one year of intensive research and planning on the part of the truck committee. The end result, we feel, serves the needs of the town and the Fire Department better than we had hoped. The design and engineering of this truck thoroughly addresses the issues of safety in operation and the specific needs of the town.

Other changes include 6 new memberships received as a result of a recruiting drive, updated By-laws, and a full set of Standard Operating Procedures all of which we feel will help us to perform our duties more efficiently and professionally.

We also have been using the Antrim Ambulance service in 1990 and have been very pleased with the quality and promptness of their service.

We responded to a total of 135 incidents and activities. The break down is as follows: 14 meetings, 15 training sessions, 52 Sunday radio calls and equipment checks, 15 fire calls, 3 mutual aid calls, 8 motor vehicle accidents, 2 work details, and 15 committee meetings for a total of over 1500 volunteer hours.

We are continuing to work diligently to maintain compliance with the ever more demanding state and federal laws regarding Emergency Medical Service and the Fire Service. You will continue to see this reflected in our training and equipment budgets, however we are trying to minimize the impact by spreading this training and equipment replacement over several years.

Again this year we want to thank the town for its support and assistance and invite all town's people to come to the fire station for a visit. We also encourage any interested people age 18 or older to consider joining, we have jobs for any age or physical ability in Rescue, Fire Fighting, planning, record keeping and communications.

Remember, we offer chimney cleaning service and are happy to help answer any questions you may have. We cannot, however, perform insurance inspections of wood stoves, etc. Most insurance companies have inspectors for this and you should request that they provide that service. We apologize for any inconvenience.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

During Calendar Year 1990, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without a fire permit from the Forest Fire Warden, permit fires that escaped control and rekindled fires. All of these fires are preventable, but ONLY with your help.

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done."

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000 and /or a year in jail and you are also liable for all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1990, including a 262 acre fire in Moultonboro and several fires in Hooksett.

In 1990, the New Hampshire Division of Forests and Lands trained 844 local Wardens and Deputy Wardens in the Incident Command System (ICS), and incident management system for all types of emergencies. In 1991, Wardens will be trained in the use of Class A foam in wildfire suppression.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of Forest and Lands at 271-2217.

STODDARD CONSERVATION COMMISSION REPORT 1990

The Stoddard Conservation Commission (CC) has continued to review Dredge & Fill applications to the Wetlands Board. Any dredging and/or filling in a wetland, stream bank or water body needs a permit from the Wetlands Board. Applications should be made through the Town Clerk's office. In an emergency, there are expedited procedures.

Volunteer Lake Monitoring under the State Biology Bureau continued this year under the able organization of Cindy Bohl. Highland Lake, Island Pond, Center Pond, Granite Lake and Robb Reservoir were monitored. Many thanks to all monitors for all your efforts. The program will again be seeking volunteers for the summer of 1991.

The CC also commented to the Zoning Board of Adjustment on Special Exception applications involving building setbacks from wetlands and water bodies.

The CC was also represented on the Contoocook Greenway Coordinating Committee developing a nomination for the Contoocook and North Branch Rivers for submission into the NH Rivers Management and Protection Program. This is to protect and maintain water quality and in-stream flows in such a manner as to protect or enhance enjoyment of outstanding river characteristics, scenic beauty, and recreational potential, while respecting riparian interest. It specifically excludes any land use/zoning authority, which remains with local Towns. Five other rivers have already been accepted into the program in 1990.

Finally, in networking at the Annual State Meeting for CC's (NHACC), we learned that recycling of mixed paper, in addition to newspaper, is done as nearby as Marlow. This would bear looking into.

The Conservation Commission needs more members!

REPORT OF THE VOLUNTEER LAKE ASSESSMENT PROGRAM

Thanks to the dedication of almost twenty volunteers, and the support of the Selectmen, Stoddard was able to participate in the State Assisted lay Monitoring Program.

This was the third year of testing, and we have finally reached our goal of testing five lakes in town, once a month, during June, July and August. The following lakes were tested: Highland, Island, Center, Granite, and Robb Reservoir.

The tests performed, provide data that is used to monitor water quality changes as well as pollution sources. The data must be collected over long periods of time, to assess water quality trends. The trend data plays an integral part in making decisions regarding the use, and protection of our lakes; as well as develop solutions for those lakes with poor water quality.

Though we had a tremendous turnout of volunteers in 1990, we can always use more. It is my goal for 1991, to get interested persons living on or around Center Pond involved in the testing. However, anyone interested in volunteering, time for testing, boats for use in testing, or driving to Concord to either pick up or deliver equipment, will be greatly appreciated.

Following are the physical, chemical and biological factors tested for, as well as a summary of conditions of the lakes tested.

Respectfully Submitted,
Cindy Bohl

TEST DESCRIPTIONS:

- pH** A measurement of acidity. A pH of 7 is neutral. Lower pH values indicate acidic conditions. Higher pH values indicate basic (salt) conditions. Little or no fish life remains when pH falls much below 5. NH average is 6.6.
- Transparency** - A measure of water clarity, affected by the amount of phytoplankton, color (dissolved organic compounds), and particulate matter in the lake. Measured by lowering a Secchi disk into the water and observing depth for disappearance. Standard: >13.1 ft. is Oligotrophic, 6.6 to 13.1 ft. is Mesotrophic, and <6.6 ft. is Eutrophic. NH average is 12.8.
- Chlorophyll a** - A green pigment in plants required for photosynthesis. A good indicator of abundance of microscopic plants and algae. Units are mg per cubic meter. Standard: <4 is Oligotrophic, 4 to 10 is Mesotrophic, and >10 is Eutrophic. NH average is 6.6.
- Total Phosphorus** - Limiting nutrient that promotes plant and algae growth in lakes. Increased TP encourages excessive weed growth and algae blooms. Comes from decaying matter, soils, leachfields, land clearing, and agriculture runoff. Units are ug/L. Standard:<10 is Oligotrophic, and >20 is Eutrophic. NH average is 10.
- Color** A measure of dissolved metals (iron and manganese), dissolved organic compounds, and suspended matter in water. Standard: 0 to 20 is crystal clear, 20 to 35 is slightly tea-colored, and 35 to 100 is tea colored to highly colored. NH average is 25.
- Conductivity** - Ability of water to carry an electrical current. High conductivity may indicate pollution from road salting, faulty septic systems or agriculture runoff. Units are umhos/cm. Standard: 0 to 50 is Oligotrophic, 50 to 100 is Mesotrophic, and >100 is Eutrophic. NH average is 56.4.

STODDARD POLICE DEPARTMENT ANNUAL REPORT

1990 saw your Police Department meeting the new decade with an upgrade in technology. In June the department started keeping records and information on computer. This will allow us to streamline the paperwork process and provide quick access to criminal, motor vehicle, dispatch, warrant, and other records as well as simplify year end analysis.

Once again, at the beginning of the year, I had to go through surgery on my cervical spine, requiring David Vaillancourt to handle the brunt of the complaints in the first quarter of the year and, once again, leaving me to extend you heartfelt thanks for a job well done under difficult circumstances.

We have received countless complaints this year for motor vehicle violations and requests for speed enforcement. For this reason we have put in a request for a Radar Unit to be funded 50% by the town and 50% by the New Hampshire Highway Safety Agency, which administers Federal funds. We will also be applying for a grant from Highway Safety to provide funds for selective highway enforcement.

As you read this, we expect that our new police officer will be in the New Hampshire Police Standards and Training Part-time Officers academy. The requirements to be a police officer are getting ever more stringent each year and is making it increasingly difficult to find individuals who qualify, to dedicate the time and effort necessary to do the job.

It was our intent to request a four wheel drive police cruiser this year. With the downturn in the economy, unemployment, and the changing tax structure this year, we have decided to wait for better times.

With the downturn in the economy, we can anticipate a surge in crimes against property. This is already showing in national trends and locally as I write this report. For this reason, more than ever, we need all of you to be good neighbors. If you see any suspicious activity at homes or strange vehicles where you think they shouldn't be, PLEASE call MUTUAL-AID at 352-1100. We need your help to spot crime before it starts and cannot be successful without your help and support. If you need stickers for your telephone with the MUTUAL-AID emergency number, they are available, free of charge from the Police or Fire Department.

A partial list of complaints handled this year by your Police Department is as follows: Accidents-15; Burglary-6; Domestic-9; Keep the Peace-6; Medical Emergency-9; Emergency Message-3; Suspicious persons or vehicles-11; Criminal mischief-3; Animal-15; Theft-5, Others-weapons, alarms, disorderly, MV, etc.-49.

Respectfully submitted,
Daniel Adams Eaton
Chief of Police

STODDARD OLD HOME DAYS 1990 REPORT

Several new programs and events contributed to another successful Old Home Days weekend in July. Hundreds of visitors filled the village from the time of the Friday night potluck supper through the Sunday morning church service.

One of the new events was a historical walking tour of the village. This tour included two house tours. George and Sally Cahill and Shawn and Susan Shea graciously opened up their homes to dozens of visitors. Other new programs included a presentation by the University of New Hampshire "Little Red Wagon" performers and a Sunday morning pancake breakfast at the Town Hall. A special thanks goes out to Gordon Garnett and Joan Zelasny for cooking and overseeing the breakfast and donating the proceeds to the Old Home Days fund. Gordon and Joan also donated their time on Saturday to sell refreshments for the benefit of Old Home Days.

We were fortunate to have a live band for the first time at our Saturday night dance. Elwood Jct. played at the Town Hall from 8 to 12 PM.

The Old Home Days weekend began with the traditional church potluck supper and music program by local musicians on Friday night. The Old Home Days parade brought out the crowds on Saturday morning. This began a full day of events including a flea market, book sale, historical tour, band concert, children's games, chicken barbecue, and raffle drawing; the dance closed out the evening. All of the public buildings were open to visitors throughout the day on Saturday. The celebration ended on Sunday with the pancake breakfast, church service and historical society tours.

The Old Home Days raffle was a great success this year. We had our best prizes ever, including a beautiful Stoddard slag glass lampshade made and donated by Joan Zelasny and a decorated wooden bench made and donated by Judy's Craft Shop. The success of the raffle and the many generous donations of cash and time from townspeople make Old Home Days possible. Because of all of this support, it was unnecessary for the committee to use the \$500.00 town appropriation.

The committee also raised \$84.00 for the Barbara Cutting Scholarship Fund with the proceeds from a dunk tank set up at the old fire station.

The Old Home Days celebration has continued because of the work of a small dedicated group of committee members. The 1991 celebration is already being planned. We are always searching for new committee members to assist with the planning. Some important new committee members were added this year, but more new helpers will be needed to continue this tradition in the future. Anyone is welcome to join us. Please contact Chairman, Gordon Garnett, or secretary, Kim Rumrill, if you are interested in joining us.

Thanks to all for your continued support.

Kim Rumrill, Secretary/Treasurer

REPORT OF THE STODDARD PLANNING BOARD

STODDARD MASTER PLAN IS PUBLISHED

The Master Plan provides reports, maps, and material with the general purpose of guiding and accomplishing coordinated and harmonious development.

After many years of work by many individuals, and with the assistance of the Southwest Region Planning Commission, and much input from the community, the Stoddard Master Plan has been completed. Twenty maps and illustrations are included. Copies may be found at the Stoddard Library, and are available for examination at the Office of Selectmen during hours that office is open.

Included are sections titled:

General Development Goals

Natural Features Analysis and Conservation Plan

Population Analysis

Housing Analysis and Plan

Community Facilities Analysis

Thoroughfare & Traffic Circulation Analysis and Improvement Plan

The Land Use Plan

The Robb Reservoir Development applicant has applied to the Army Corps. of Engineers to allow wetlands disturbances required by the proposal. The applicant has also petitioned the Selectmen to layout a road from Route 123 to give access to the proposed development. At this time (Dec. 12, 1990) the Planning Board has not received copies of the application to the Army Corps. or of a design of the proposed road giving access to the project from route 123. When the Army Corps. has acted, and when the other information is available, consideration of the proposed project shall resume at notified public hearings.

Carol Clark resigned as secretary for the board. We wish to thank Carol for the excellent job she did. The secretary position is very important to assure proper and efficient functioning of the Planning Board.

Respectfully submitted,

Charles Fosberry

Chairman

ZONING BOARD OF ADJUSTMENT

During the year of 1990 the Stoddard Zoning Board of Adjustment heard six petitions for consideration of variances and special exceptions.

Meetings are held on the first Monday of the month at 7:00 p. m. at the Town Hall.

Anyone wishing to serve on the Board or who wishes a hearing by the Zoning Board of Adjustment should contact the Chairman.

Robert Cowie, Chairman
Joseph Coughlin, Vice Chairman
Cynthia Bohl, Beverly Power, Gary Oke, Members
Rodger Chadd, Gerry Pelletier, Alternates
Virginia Grandpre', Secretary

SUPERVISOR OF CHECKLIST'S REPORT

In spite of the fact that all three supervisors of the checklist were new to the job this year, a new computerized list of voters has been compiled. Special thanks go to Charles Fosberry whose generosity and expertise made this possible.

Since this is the year, 1991, that all persons eligible to vote must either register or re-register in order to be, or remain on the checklist, it is important that the dates for registering be noted:

January 22, 1991	7 p. m. to 9 p. m.
March 2, 1991	11 a. m. to 12 noon
March 26, 1991	7 p. m. to 9 p. m.
May 4, 1991	11 a. m. to 12 noon

Those who voted in the last 2 state elections or voted in the annual town election this year will be automatically re-registered.

Also there is a new state regulation requiring voters to record their mailing address in addition to their place of residence if it is different.

We appreciate everyone's patience and cooperation as we continue to update and correct our lists.

Supervisors:
Barbara T. Jones
Priscilla Holland
Pat Campbell

Art. #33: To see if the Town will vote to raise and appropriate the sum of \$102,000.00 for the purchase of a pumper, and to authorize the withdrawal of \$46,000.00 and all additional interest earned from the capital reserve fund created for that purpose. The balance of \$55,000.00 to be raised from general taxation. Moved and seconded. Discussion follows. An Amendment to change the figure and wording was presented to read: To see if the Town will vote to raise and appropriate the sum of \$101,000.00 for the purchase of a pumper tanker, and to authorize the withdrawal of \$46,000.00 and all additional interest earned from the capital reserve fund created for that purpose. The balance of \$55,000.00 to be raised from general taxation. Seconded. John Cressy, the Fire Chief, explained the need for this pumper tanker and the costs. Discussion follows. Motion carries unanimously as amended for \$101,000.00.

Art. #34: To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to donate to the Ambulance Service for the ensuing year. Moved and seconded. An Amendment proposed by Patricia Lamothe to change the wording of Art. #34 to read: To see if the Town will vote to raise and appropriate the Sum of \$2,000.00 to donate to the Antrim Ambulance Service for the ensuing year. Discussion follows. Motion carries as amended unanimously.

Art. #35: To see if the Town will vote to raise and appropriate the sum of \$2,200.00 for the purchase of 2 portable radios and 1 truck radio for use by the Stoddard Fire & Rescue Department. Moved and seconded. Discussion follows. Voice vote very close. The Moderator calls for a standing vote. 36 YES and 35 NO. Article #35 carries.

Art. #36: To see if the Town will vote to raise and appropriate the sum of \$2,500.00 for the purchase of 2 sets of breathing apparatus for the Stoddard Fire Department. Moved and seconded. Discussion follows. On a standing vote of 51 YES and 6 NO article #36 carries.

Art. #37: To see if the Town will vote to raise and appropriate \$20,000.00 to be placed in the Capital Reserve fund established for the purchase of a pumper/tanker. Moved and seconded to indefinitely postpone Art. #37. Motion carries.

Art. #18: RECONSIDERED - The Selectmen ask to reconsider Art. #18 due to a technical error. John Halter, Selectman explains the Article should read: To raise and appropriate the sum of \$110,000.00 for the revaluation of the Town by the Department of Revenue Administration, and authorize the withdrawal of \$60,000.00 plus accrued interest for a total of \$86,000.00 from the Capital Reserve fund. The balance of \$24,000.00 shall be raised from general taxation. A motion to reconsider Article #18 is moved and seconded and approved. Discussion follows and explained by Sam Bradley, Town Council. A motion by Daniel Eaton to adopt Article #18

as written with the additional provision as stated by Sam Bradley to allow the withdrawal appropriation expenditure of \$60,000.00 that was raised at the March 11, 1986 Town Meeting and interest accrued in the Capital Reserve fund. Total amount of withdrawal \$86,000.00. The balance of \$24,000.00 shall be raised from general taxation. Seconded. Article carries.

Art. #38: To see if the Town will vote to designate and proclaim April 22, 1990, as Earth Day 1990, and to set aside that day for public activities promoting preservation of the global environment and launching the "Decade of the Environment." Moved and seconded. Art. #38 passes.

Art. #20: It is moved and seconded to remove Art. #20 from the table. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be placed in the Capital Reserve fund established for the purchase of land for future Town use. Moved and seconded. An Amendment by Carol Clark to read: To see if the Town will vote to raise and appropriate the sum of \$85,000.00 to be placed in the Capital Reserve fund for Town future use. Seconded. On a voice vote the amendment fails unanimously. Article carries on the sum of \$5,000.00.

Art. #39: To transact any other business that may legally come before said meeting.

Joseph Coughlin speaks on recycling. A motion is made by Joseph Coughlin that the Town participate in mandatory recycling. Seconded. Discussion follows. The Moderator states that any business we transact under Art. #39 is not binding on the Town, but we still should consider it seriously as your vote will give an indication to the townspeople as to what direction we want to go. The Selectmen can prepare a warrant for next year. On a voice vote Mandatory recycling is in favor.

On other business, Harry Power, Selectmen asks the townspeople how they feel about twice a year billing for taxes. Due to the high cost of borrowing money it is costing the Town a lot more money. This will save the Town approximately \$30,000.00. On a show of hands most people agree.

Also, Selectman, James D'Arcy, announces there will be a Special Town Meeting on March 31st in regard to the Elderly Exemption and also the Veterans Exemption. This will be a ballot vote at the Town Hall at 1:00 PM.

John Halter, Selectman, presents a gift to Harry Power who has served as Selectmen from 1982 and Chairman of the Board since 1988. A standing ovation to Harry for his services to the Town.

Brenda Bryer requests we hold our Town Meeting next year on a Saturday due to the late evening.

A motion made and seconded to Adjourn at 12:10 AM
All newly elected Town officers sworn in by the Moderator.

HEAD TEACHER'S REPORT

Last spring students and staff of the James Faulkner Elementary School took part in an Artist in Residence Program which involved working in music and sculpturing. The end result was an evening of sharing, learning, and giving for all of the community's members. Another special event was the school trip to Plimouth Plantation. After much studying of the Pilgrims and colonial life, it was a great chance for students to see how it all started. Our school year was concluded with a Graduation Program, at which all students were awarded a diploma, and fifth graders read a selected piece of their own writing. And then on the last day everyone took part in a fun-filled field day.

This fall, 1990, two new staff members came on board. Carla Larson from Keene is teaching grades Pre-1st, 1st, and 2nd. She is a graduate of Antioch New England, with a masters in the Intergrated Day, elementary education program. Her past experiences included teaching Earth Science at the Keene High School, and English as a second language at Franklin Elementary School in Keene. Ann Moller from Hancock is the aide for both classrooms as well as the Physical Education Instructor. An honors graduate of the University of New Hampshire, she has been an active volunteer in schools from the pre-school to the middle school level. She has also been involved with sports programs in Hancock and Peterborough.

The school has gone through many changes since it opened in August. After much moving, unpacking, and storing things, we are getting settled in our new building. An open house was held for all to come and visit in early December.

We are looking forward to an artist program which will take place in March. The students will get a chance to work with the Starbird Puppet Theater.

We would like to thank the school board, parents, and the townspeople for all of their support in helping to improve the James Faulkner Elementary School.

Respectfully submitted,
Mark R. LaFleur
Head Teacher

SCHOOL BOARD REPORT

The Stoddard School Board meets the second Wednesday of each month at the James Faulkner Elementary School. The public is invited to attend. Anyone wishing to appear before the board should contact a board member in order to be placed on the agenda.

This past year has brought a number of distinct changes to the school. First, a bond issue passed to enlarge the facility by adding two classrooms, a media center and a kitchen. The official open house to the public was held last December and attended by many. Second, the school board had to hire a new primary grades teacher to replace Carolyn Ekstrom. After going through one hundred applications and twenty interviews, Carla Larson was hired. Third, we hired a new teacher's aide, Ann Moller, to replace Carol Clark. Fourth, we worked with the other school districts within SAU #24 to hire a new Superintendent of Schools, Dr. Suzanne Bryant Armstrong, who is replacing Dr. Cynthia Mowles. Fifth, we have been working with John Sokul, Administrative Consultant, who has replaced Helene Bickford. Sixth, we hired a new feeder bus route driver, Bonny Sarcione, who has replaced Donna Hamilton. And lastly, the board accepted, with regret, the resignation of Nancy Murray from the board. Mary Lou Eaton has agreed to fill out her term.

We, the members of the Board, wish to thank all those who have contributed to the continuing success of the James Faulkner Elementary School.

Respectfully submitted,
James D. Taylor, *Chairperson*

SCHOOL NURSE REPORT

The school health program during the 1989/90 calendar year included screenings for all students in the following areas: height and weight, vision, and hearing. Fourth and first grade students also has a scoliosis screening. Parents were notified if physician referral was indicated.

The immunization records on all students were reviewed to ensure that they met the state requirements. Head checks for lice were done at each school visit, and on an on-call basis.

The fourth and fifth grade students were given classes on drugs, substance abuse, and adolescence. The primary classes had instruction on personal hygiene, sleep, exercise and nutrition.

1990 SCHOOL WARRANT

The 1990 School Warrant Meeting opened at the Stoddard Town Hall on March 5, 1990 at 7:05 p.m. by Moderator Dan Eaton. He welcomed the townspeople to the meeting and read the first article. Chairman of the Board Nancy Cressy repeated the article with the addition that the polls be open until 9:00 p.m., or the close of the meeting, whichever comes first. Frances Rumrill seconded the motion: motion carried.

ARTICLE 1: I move that the District choose by nonpartisan ballot the following School District officials and that the polls be open from now until 9:00 p.m., or the close of the meeting, whichever shall occur first.

- A. One School Board Member - 3 year term
- B. One Moderator - 1 year term
- C. One Treasurer - 1 year term
- D. One Clerk - 1 year term
- E. One Auditor - 1 year term

At the Moderator's suggestion, voting was withheld, and Article 2, the Bond article was read, because it too was to be voted by Ballot.

ARTICLE 2: I move that the District vote to raise and appropriate \$364,100. (three hundred sixty-four thousand one hundred dollars) for the purposes of design, construction and related expenses of additional classroom and support space at the James M. Faulkner Elementary School as per plans on file at the school district office c/o SAU #24, Henniker, New Hampshire; \$303,100. (three hundred three thousand one hundred dollars) to be raised by the issuance of bonds or serial notes in accordance with the provisions of RSA 33, terms and conditions of said bond to be established by the School Board, and further to see if the District will vote to appropriate to the purposes set forth in this article the balance and any accumulated income, approximately \$61,000. of the Capital Reserve Fund established in March of 1987 for the purpose of constructing school facilities, and further to appropriate to the purpose set forth in this article any interest or income earned on the proceeds from the sale of bonds or notes. Motion made by Jim Taylor and seconded by Lou Grandpre. Question was raised as to how long the Bond would be for. John Cressy made a motion, seconded by Robert Loundsberry, to amend Article 2 to include the words, "using a 5-year bond". After discussion, the Moderator called for a vote. Motion was defeated. Carol Clark made a motion to amend Article 2 in include the words "using a 10-year bond". Leigh Fosberry seconded the motion. Question was raised about the single tax appropriation. Michael Trojano, of the SAU #24 office explained the funding program. Moderator Eaton moved the question. Motion carried. The teacher in the portable unit, Mark LaFleur, was asked to comment. He spoke for the

new addition, relating the programs he would like to do, and the crowded conditions in the unit. Chairman Chessy related how the new plan for the addition was arrived at. After more discussion, Moderator Eaton asked if the question was ready to be moved. There being no more questions, voting began at 7:40 p.m. The meeting re-opened at 8:25 p.m. Moderator Eaton related that we would skip Article 3 since it pertains to Article 2. We would move on to Article 4.

ARTICLE 4. I move that the District set the salaries of the School Board and the compensation for any other officers or agents of the District as printed in the 1990/1991 budget. Motion was read by Nancy Murray, seconded by Brenda Bryer. Question was raised as to what the amount would be. Assistant Superintendent Helene Bickford reported the amount would be approximately \$1,746. Motion was adopted. Since Article 5 relates to Article 3, the Moderator moved to Article 6.

ARTICLE 6. I move that Warrant Article #8 be approved as printed. Article 8 on the warrant; I move that the District vote to authorize the School Board to apply for, accept, and expend without further action of the School District meeting, money from any source which becomes available during the fiscal year upon the following conditions:

- A. The money must be used for the legal purposes for which the School District can appropriate money.
 - B. The School Board must hold a public hearing on the action taken.
 - C. It shall not require the expenditure of additional School District funds.
- This action is taken pursuant to the authority of RSA 198:20b, or take any other action in relation thereto.

Nancy Murray made the motion, seconded by Charlotte Pratt. After some discussion, motion was carried.

ARTICLE 9. I move that the District vote to determine what action will be taken in regard to the following resolution:

We the residents of the Stoddard School District find the State of New Hampshire to be negligent in the funding of Public Education, thus creating an undue burden on the local property taxpayers. We demand that the State of New Hampshire Legislature begin in earnest to study methods for substantially increasing State aid to education. Moderator Eaton read the article, seconded by Frances Rumrill. Andrew Gallant made a motion to move the article. Brenda Bryer requested an amendment be attached to read: "and further, any new taxes to fund schooling must reduce property taxes proportionally". Rebecca Oke seconded the amendment; addition was adopted. Roland Frzier requested an amendment to the article to read: "and that a suitable copy of this resolution be forwarded to the State Legislature, Senator, Executive Council and Governor". Andrew Gallant seconded the request for the amendment. Motion carried. Article 9 was adopted as amended.

The Bond issue voting ended at 8:40 p.m. At 9:00 p.m. the results of the vote were announced: 53 negative, 2 undecided, 57 yes. Since this Article 2 needed a 2/3 margin, the Article was defeated. Moderator Eaton then returned the meeting to the remaining Articles before the voters.

ARTICLE 3. I move that the District vote to raise and appropriate \$9,600. (nine thousand six hundred dollars) for the purpose of leasing one portable classroom for the James M. Faulkner Elementary School. Motion was read by Nancy Cressy, seconded by Suzanne Taylor. Questions were raised as to the alternatives to the portable classroom. Melanie Miner wished to amend the article to read "\$30,000. to rent a double-wide portable classroom". Sue Taylor seconded the motion. Sue Bernier made a motion to table Article 3. A voice vote was taken. The motion was carried; Article 3 was tabled.

ARTICLE 5. I move that the District vote to raise and appropriate the sum of \$509,468. (five hundred nine thousand four hundred sixty-eight dollars) for the support of schools, and for the payment of salaries of School District officials and agents and for the payment of statutory obligations of the District. Motion raised as to where the amount comes from. It was explained the amount covers all expenses of the operating budget and salaries. After some discussion, Brenda Bryer made a motion to limit discussion. This motion was seconded and defeated. Motion was made by Marline Leotta to reduce the amount of the budget request by 10%. Motion was seconded by Susie Frazier. New budgeted amount would be \$458,521.20. The motion was defeated. After more discussion, the Moderator called for the vote. Motion was carried.

ARTICLE 7. I move that the District vote to raise and appropriate \$40,000. (forty thousand dollars) to add to a Capital Reserve Fund established in 1987 to be used for the financing of all or part of the construction of school facilities needed in the future. Motion was made by Jim Taylor, seconded by Harry Power. Phil Hamilton made a motion to amend the Article to read "\$99,900 (ninety-nine thousand nine hundred dollars)". After some discussion, Charles Fosberry made a motion to change the amount to \$150,000. (one hundred fifty thousand dollars). Since the dollar amount had to be lowered, it could only be raised a percentage amount. Brenda Bryer changed the motion to read: "\$117,500. (one hundred seventeen thousand five hundred dollars)". Frances Rumrill asked for a paper ballot. Results of the vote were: 29 yes; 41 no. This motion was defeated. The Moderator reread the Article 7 and called for a vote. Motion was carried.

ARTICLE 10. To transact any other business that may legally come before said meeting. Brenda Bryer made a motion to recess the meeting until April 2, 1990 at 7:00 p.m. at the Town Hall. Moderator Eaton explained that a motion to reconsider must be made first. Brenda Bryer made the motion to reconsider the Bond vote; Melanie Miner seconded the motion. On a

paper ballot, there were 45 yes and 25 no votes. Article 2, the Bond Article will be reconsidered. Jim Taylor wished to amend the date in Brenda's motion to April 4, 1990; Jim D'Arcy seconded the amendment. By a show of hands, the motion carried. Article 2, the Bond warrant will be reconsidered on April 4, 1990 at 7:00 p.m. at the Town Hall. There was no other business. Jim Taylor gave Nancy Cressy a vote of thanks for her six years of service on the Board. She was presented with a plant, a decorated cake, and a round of applause. The meeting was recessed by the Moderator at 10:55 p.m. Ann Z. McNichols, Karen A. Lightbody and Moderator Eaton counted the votes.

Gentlemen:

Minutes of the Annual School District meeting in Stoddard on March 5, 1990, pertaining to appropriation of money for any purposes.

ARTICLE 4. Nancy Murray read a motion that the District set the salaries of the School Board and the compensation for any other officers or agents of the District as printed in the 1990/91 budget, approximate amount being \$1,746. Brenda Bryer seconded the motion. Motion was adopted.

ARTICLE 5. Nancy Cressy read a motion that the District vote to raise and appropriate the sum of \$509,468. (five hundred thousand four hundred sixty-eight dollars) for the support of schools, and for the payment of salaries of School District officials and agents and for the payment of statutory obligations of the District. Seconded by Phil Hamilton. Motion was adopted.

ARTICLE 7. Jim Taylor read a motion that the District vote to raise and appropriate \$40,000. (forty thousand dollars) to add to a Capital Reserve Fund established in 1987 to be used for the financing of all or part of the construction of school facilities needed in the future. Seconded by Harry Power. Motion was carried.

Meeting was recessed to reconsider Article 2 which was defeated. Meeting held on May 9, 1990, action taken as follows.

ARTICLE 2. Jim Taylor made a motion that the District vote to raise and appropriate \$364,000. (three hundred sixty-four thousand, one hundred dollars) for the purpose of design, construction and related expenses of additional classroom and support space at the James M. Faulkner Elementary School as per plans on file at the School District Office c/o SAU #24, Henniker, N.H.; \$263,100 (two hundred seventy-three thousand, one hundred dollars) to be raised by the issuance of bonds or serial notes in accordance with the provisions of RSA 33, term of said bond to be 10 years, conditions of said bond to be established by the school board, and further to see if the District will vote to appropriate to the purpose set forth in the Article the balance and any accumulated income, approximately \$101,000. (one hundred thousand dollars) of the Capital Reserve Fund established in March of 1987 for the purpose of constructing school facilities, and further to appropriate to the purpose set forth in this Article any interest or income earned on the proceeds from the sale of bonds or notes. Seconded by Brenda Bryer. Motion was carried by a paper ballot.

Respectfully,

1990 SCHOOL WARRANT

The 1990 Reconvened Warrant Meeting opened at the Stoddard Town Hall on April 4, 1990 at 7:04 p.m. The meeting was called to order by the Moderator, Daniel Eaton. He reminded the voters that Article 2 would be reconsidered and that Article 3 was tabled at the March 5 meeting. Mr. Eaton read Article 2.

To see if the District will vote to raise and appropriate \$364,100. (three hundred sixty-four thousand one hundred dollars) for the purposes of design, construction and related expenses of additional classroom and support space at the James M. Faulkner Elementary School as per plans on file at the school district office c/o SAU #24, Henniker, New Hampshire; \$303,100 (three hundred three thousand one hundred dollars) to be raised by the issuance of bonds or serial notes in accordance with the provisions of RSA 33, terms and conditions of said bond to be established by the School Board, and further to see if the District will vote to appropriate to the purposes set forth in this Article the balance and any accumulated income, approximately \$61,00. of the Capital Reserve Fund established in March of 1987 for the purpose of constructing school facilities, and further to appropriate to the purposes set forth in this article any interest or income earned on the proceeds from the sale of bonds or notes, or to take any other action in relation thereto.

Nancy Cressy moved the motion. Brenda Bryer seconded it.

An amendment was made by Jim Taylor to read:

I move that the District vote to raise and appropriate \$364,100. (three hundred sixty-four thousand, one hundred dollars) for the purpose of design, construction and related expenses of additional classroom and support space at the James M. Faulkner Elementary School as per plans on file at the school district office c/o SAU #24, Henniker, New Hampshire; \$273,100 (two hundred seventy-three thousand, one hundred dollars) to be raised by the issuance of bonds or serial notes in accordance with the provisions of RSA 33, term of said bond to be 10 years, conditions of said bond to be established by the school board, and further to see if the District will vote to appropriate to the purpose set forth in the Article the balance and any accumulated income, approximately \$101,000. (one hundred one thousand dollars) of the Capital Reserve Fund established in March of 1987 for the purpose of constructing school facilities, and further to appropriate to the purpose set forth in this Article any interest or income earned on the proceeds from the sale of bonds or notes.

Jim then explained the reason for the amendment was because \$40,000. had been put into the Reserve Fund at the March 5, 1990 meeting. Questions regarding the tax impact were raised. Michael Trojano explained the figures on the papers that were distributed before the meeting. With the Capital Reserve Fund amount of \$40,000. and \$9,208. for the

first half year of interest, \$2.07 would be added per thousand, to the tax invoice. The vote on the amendment carried. The Moderator called for discussion. A motion was made by Judith Gibbs as follows: I hereby move to amend the Article to read as follows: To see if the District will vote to raise \$122,000. for the purpose of building a school addition; \$21,000 to be raised by taxes and the remaining \$101,000. to be appropriated from the Capital Reserve Fund set up for this purpose. Discussion ensued. Mr. Gallant seconded the motion. On a voice vote, the amendment did not carry.

The moderator told the voters that the School Board would like to make a presentation. Since this is rather an unusual procedure, the Moderator asked the voters response. Because of a close voice vote, a standing vote was requested. The ayes have it, and the presentation was permitted. Carol Clark showed slides of the School and the children in the building and in the portable. Then Jim Taylor explained how the present design came about. He told of the Building Committee meetings held in the past and the process to arrive at these plans before the voters tonight. More discussion ensued. Nancy Cressy explained the State requirements for the School and the children. The Moderator read the Article again, and called for the vote. Voting was on a paper ballot, and began at 8:17 p.m. and closed at 9:17 p.m. There were 81 yes votes and 56 no votes. The article did not carry. 92 yes votes were required. Carol Clark made a motion to recess this meeting to reconsider Article 2 until May 9, 1990 at 7:00 p.m. at the Town Hall. Seconded by Joe Sarcione. Discussion followed. On a voice vote, the ayes have it. Article 2 will be reconsidered on May 9, 1990.

Present at the meeting were Chairman Nancy Cressy, Jim Taylor and Nancy Murray; and members of the SAU #24. Counters were Ann McNichols and Karen Lightbody. Meeting recessed at 9:25 p.m.

1990 SCHOOL WARRANT

The 1990 Reconvened Warrant Meeting opened at the Stoddard Town Hall on May 9, 1990 at 7:05 P.M. The meeting was called to order by Moderator Dan Eaton. Chairman of the School Committee Jim Taylor read Article 2 which the voters were to reconsider, as follows:

I move that the District vote to raise and appropriate \$364,100. (three hundred sixty-four thousand, one hundred dollars) for the purpose of design, construction and related expenses of additional classroom and support space at the James M. Faulkner Elementary School as per plans on file at the School District Office c/o SAU #24, Henniker, New Hampshire; \$263,100. (two hundred seventy-three thousand, one hundred dollars) to be raised by the issuance of bonds or serial notes in accordance with the provisions of RSA 33, term of said bond to be 10 years, conditions of said bond to be established by the school board, and further to see if the District will vote to appropriate to the purpose set forth in the article the balance and any accumulated income, approximately \$101,000. (one hundred one thousand dollars) of the Capital Reserve Fund established in March of 1987 for the purpose of constructing school facilities, and further to appropriate to the purpose set forth in this article any interest or income earned on the proceeds from the sale of bonds or notes. Seconded by Brenda Bryer. Jim explained the difference between Scheme B and Scheme C, which the voters could decide which plan to vote for. Marlene Loetta made the following motion: "To amend the figure to \$100,000. or the amount already set aside for improvements. That the School Board be directed to find a contractor who will erect a single classroom on the end of the present classroom. The addition would be roughly 38 x 40 square feet." Mr. Gallant seconded the motion. After discussion, the Moderator repeated the motion. It was defeated by a voice vote.

More discussion followed on Jim's original proposal. Question raised about the Capital Reserve Fund of \$101,000. Jim responded and explained the two payment plans. Question raised as to the possibility of going with a 15-year bond. Michael Trojano of the SAU office responded that the yearly tax impact would be less, but the interest total would be much greater. The Moderator read the motion again and reminded the voters that a 2/3 yes vote was needed to have the motion passed. Voting by paper ballot began at 7:50 P.M.; closed at 8:50 P.M., at which time the votes were counted. 78 yes votes were needed. There were 86 yes votes and 32 no votes. The article was passed.

Motion to adjourn the meeting made by Joseph Sarcione, seconded by Sue Bernier. Meeting adjourned at 8:57 P.M.

A long-time summer resident of Stoddard, Barbara became a year-round resident in 1978 when she started teaching at the Stoddard Elementary School. When the school burned in 1979, Barbara helped pull the town together and school resumed in the Town Hall until the James Faulkner Elementary School was completed. She then gathered forces to move the school from its temporary headquarters at the Town Hall to the top of the hill in the new one-room school. After several years of continued growth, Stoddard outgrew the one-room school, Barbara took an active part in planning and supporting the newly completed addition to the building.

Not only did Barbara teach for eleven years, she was an active person. In Stoddard, she was supervisor of the checklist; she was an avid golfer, bowler and enjoyed her waterfront property to its fullest. When Barbara died in the Spring of 1989 this scholarship fund was established. There were 89 scholarships given out at Keene Senior High last year to 123 students. Each scholarship has its own eligibility requirements for applicants to meet. Most are given by groups from the surrounding towns for students in their townships. This scholarship is the only one that is for Stoddard students only. This scholarship is awarded to the senior who has attained the highest class rank. The student must be a current resident of Stoddard and have attended the James Faulkner Elementary School for at least one year.
